THURSDAY, FEBRUARY 15, 1962

NUMBER 15

WINNER OF 50 SILVER DOLLARS—Ralph Stephens, right, an Abernathy plumber, is shown with Andy Reid admiring the 50 silver dollars awarded him Saturday afternoon in Reid Chevrolet show room after a card bearing his name was pulled from a box in a drawing. Andy Reid, with his brother, Bob, was celebrating 25 years in business as Abernathy Chevrolet dealer.

WINS SILVER TEA SET—Mrs. Jack Hackler is shown at right, above, admiring the five-piece silver tea service which she received when her name was pulled from the box in a drawing at Reid Chevrolet Saturday afternoon. At left is Ed Crow, sales manager, who represented Reid Chevrolet in making the presentation.

Mrs. Hackler, Ralph Stephens Are Prize Winners At Reid's

A total of 369 persons registered at Reid Chevrolet Friday and Saturday during open house celebrating the 25th anniversary of the firm. The number is not a full representation of the number of persons visiting the firm and employees since only those persons 15 years of age or older were eligible to register for the prizes.

The lucky winners at the drawing Saturday afternoon were Mrs. Jack Hackler and Ralph Stephens. Mrs. Hackler received a beautiful five-piece silver service, and Mr. Stephens was awarded 50 silver dollars.

Dirk Engle, Abernathy foreign exchange student from Schweinfurt, Germany, and foster son of Mr. and Mrs. Andy Reid while

he is a student at AHS, drew the card bearing Mrs. Hackler's name. Henry Northcutt, son of Mr. and Mrs. Preston Northcutt, drew Mr. Stephens' card from the men's box.

TALK — In Print

Mr. and Mrs. T. A. Brewster plan to take the Lubbock Avalanche-Journal sponsored trip to Hawaii, leaving about March 3. They made the European tour which the Lubbock newspaper sponsored last year.

A 12-year-old boy who lives at Mesquite, near Dallas, Bubba Erler, has a rare blood disease, Mediterranean anemia. From 24 to 25 blood transfusions per year are required to keep him alive. Inmates of the Eastham unit of the Texas prison system volunteered to donate about 400 pints of blood this year for the young victim. So far as I know, no one here is acquainted with the Erler family. This story is being related in appreciation of the prisoners' act of mercy.

This story came up from Lubbock: "The groundhog did not come out February 2. He was afraid that Kennedy would replace him with a coon."

About the time one thinks that television is growing up to be a responsible media, it does some thing that blasts that hope.

One of the most controversial figures on tv, Jack Paar, did a fine job of hosting Richard Nixon on his program Thursday night. I don't know Paar's personal political leanings, but his program has done more for the liberals than for the conservatives. Despite this fact, Paar's handling of Nixon should have pleased the National Republican chairman, whoever he is.

The next morning, on the TODAY show, the irresponsibility of television again reared its ugly head. Reporting on the Paar show, TODAY left the impression that Nixon criticized the president on the attempted invasion of Cuba last Spring. Nixon did not blame the president for the attempted invasion. He couldn't very well do that, because the invasion plan already was under way when Kennedy took office.

The point on which Nixon did criticize the president was this: Mr. Kennedy allowed his advisers to talk him out of lending the much-needed air support for the invasion. Without air support, the invasion was doomed to failure.

Dog packs and lone mutts are howling in Abernathy, barking their defiance at a city ordinance saying that they must be penned or kept on a leash. In April, 1961, local voters favored the dog ordinance, 239 to 39.

The City Council members thought it was a good idea to keep dogs penned or on a leash, and voters backed them 239 to 39. How about enforcing the ordinance?

Note to Gordon Gengelbach of Plattburg, Missouri: Abernathy Public Schools will have an Open House Monday night, March 5, in observance of Texas Public Schools Week. You are invited to attend.

Mr. Gengelbach owns some farm land west of Abernathy, and he pays taxes in the Abernathy school district. Being a taxpayer, naturally he was interested in seeing what his tax money was helping support.

While here on business, he told Thomas Johnson that he would like to see the school plant. Tom gave him directions to the school, and assured him that he would be welcome to inspect the plant. That was before the latest building program was completed.

Open House this year will reveal to Mr. Gengelbach and other taxpayers one of the finest school plants in Texas, for a community of this size.

School officials should issue to Mr. Gengelbach, and other non-resident taxpayers in this school district, a special invitation to attend Open House here March 5.

Entries also include Shirley French, New Deal High School FFA.

Board Re-Elects Principals Here

At the regular monthly School Board meeting Monday night, school business manager Earl Carter, and principals Ralph Stevenson, Gid B. Adkisson Jr., and Jerry Moorhead were unanimously re-elected for another school year.

Mr. Stevenson is the high school principal, Mr. Adkisson is principal of junior high, and Mr. Moorhead is principal of the first five intermediate elementary and grades.

School Superintendent Noel Johnson's contract was extended at the January Board meeting. His current contract, to expire June 30, 1963, was extended to the same terminal date, 1965, at that time.

Rec Center Sets Annual Meeting

All members and prospective members of the Abernathy Recreation Club are urged to be present at a meeting of the club to be held Friday, Feb. 23, at 8:00 p.m. in the City Hall club room.

There will be an election of officers and a financial report will be given.

Refreshments will be served and a pleasant and profitable evening is anticipated.

School Board Sets Trustee Election Date, April 7th

The annual School Trustee election has been ordered by the Abernathy School Board for the first Saturday in April. The election will be held in the city hall club room April 7, announced School Superintendent Noel Johnson.

The deadline for filing for school trustees is 30 days prior to the election (or 5 p.m. Wednesday, March 7). Forms for filing for the trustee election may be secured at the business office at the high school.

The terms of Ralph Davis, vice president of the board, and Billie Harrison expire this year. The two incumbents have filed for re-election to the board, it was announced.

ELAINE BILIBREY

Elaine Bilibrey Is Princess Contestant

An Abernathy High School junior, Elaine Bilibrey, became the tenth entrant in the South Plains Junior Fat Stock Show Princess Contest Wednesday, representing the Abernathy Future Farmers of America Chapter.

Miss Bilibrey, 17, is the daughter of Mr. and Mrs. A. E. Bilibrey, 809 14th Street, Abernathy. She has blonde hair and blue eyes.

The Princess Contest, a highlight of the March 19-21 fat stock show, is set for 10 a.m. March 17 in the Merchants Building on the Panhandle South Plains Fair grounds. A representative from the 4-H Clubs and from the FFA Chapters will be selected with the girls winning a complete western outfit.

Entries also include Shirley French, New Deal High School FFA.

Car-Motor Scooter Crash Injures Robert G. Adams

Robert Gayle Adams, 17, son of Mr. and Mrs. Robert L. Adams, 1401 Avenue L, Abernathy, sustained severe facial injuries and a broken left arm at 12:28 p.m. Monday in a traffic accident on Avenue D at 10th Street.

The motor scooter he was riding was in collision with a station wagon driven by Mrs. Jack Waters.

Adams was thrown from the scooter, and over the hood of a pickup at the intersection, hitting the concrete curb by Higginbotham-Bartlett Co. He was taken to Abernathy Medical Clinic, then to Methodist Hospital, Lubbock, by Chambers ambulance.

Jim Johnson Exhibits Top Barrow In El Paso Show

GRAND CHAMPION BARROW—Jim Johnson, 11-year-old son of Mr. and Mrs. Auvie Johnson, Route 2, Abernathy, is pictured above with his 222-pound Hampshire barrow which captured the Grand Championship honors last week at the Southwestern Livestock Show at El Paso. With the young Hale County 4-H Club youth is Francis Callahan of Millford, Ill., swine judge.

Jim Johnson, an eleven-year-old Abernathy youth and a member of the Hale County 4-H Club, last week captured Grand Championship honors with his medium weight Hampshire barrow in the Southwestern Livestock Show at El Paso.

Jim, a son of Mr. and Mrs. Auvie Johnson, had previously guided his prize barrow to first place honors in the medium weight division, then outranked the other first place winners for the title.

The 222-pound barrow was purchased by Food Mart, El Paso, for \$6.25 per pound. Jim was winner last year of reserve grand champion swine honors in the show, and his older brother, Steve, showed the grand champion swine in the El Paso show two years ago.

Jim also entered a light weight Hampshire in this year's show which took third place honors in its class.

The show, with many entries from New Mexico and Texas, had good representation from this area of the state, not only from Hale County but from surrounding counties as well.

A Floydada 4-H Club member, David Mitchell, took reserve grand champion with a Chester White.

Lubbock County Gas Users To Meet Tonight

A meeting of the Lubbock County Gas Users Association is to be held at 7:30 tonight (Thursday), at the Slide Road Community Club House, announced Clayton Enger, chairman.

All farmers in Lubbock County who use gas for operating their irrigation motors are urged to be present.

Farmers representing 12 Panhandle and South Plains Counties heard a report recently in Plainview from David Burgess, President of the Plains Irrigation Gas Users Association, regarding the effort made by the group to secure legislation, at the recent Special Session of the Legislature. The legislation sought would have given to farmers the same right of appeal to the Railroad Commission as is presently enjoyed by incorporated cities, towns and villages, when the farmers are served by gas companies who also sell to domestic consumers within the limits of incorporated cities, towns and villages.

The meeting in Plainview was attended by over 100 farmers and businessmen.

County Voters Defeat Bond Issue For Hale Ag Center

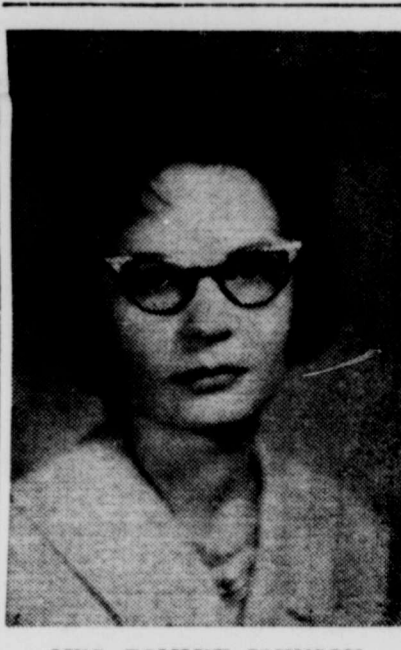

Two to one Hale County citizens who went to the polls last Saturday voted against issuance of \$995,000 building bonds and levying taxes in payment thereof, for the construction of a Hale County Agriculture Center.

The vote was 1,087 for and 2,266 against. Only one box in the county voted favorably. Edmonson cast 39 votes for and 36 against. In Plainview the vote was 902 for and 1,352 against.

The towns were solidly against it, Abernathy four to one, Hale Center six to one, and Petersburg 22 to one.

Here is the vote by precincts:

	For	Agst.
Courthouse	216	316
Happy Union	7	30
Petersburg	10	227
Hale Center	39	235
Cotton Center	18	68
City Auditorium	426	616
Abernathy	40	169
City Auditorium	260	420
Lakeview	7	26
Halfway	18	98
Edmonson	39	36
Ellen	1	11
Absentee	6	11
TOTAL	1087	2266

MRS. TOMMIE JOHNSON

Mrs. Johnson Is Candidate For Hale County Clerk

Mrs. Tommie Johnson, Plainview, is a candidate for Hale County clerk, subject to the Democratic Primary of May 5.

Mrs. Johnson, a resident of Plainview since 1941, is the mother of three children, one in junior high school, one in high school and one in elementary school.

Mrs. Johnson, wife of Bob Johnson, was employed with the Hale County Abstract Company for six years and has been employed in posts dealing with the public for sixteen years.

In making her formal announcement, Mrs. Johnson stated, "I am familiar with keeping public records. I am fully aware of the importance and need for rendering prompt, efficient and courteous service which the public is entitled to in so important an office as that of County Clerk. I feel that I am qualified to efficiently conduct the office and I respectfully ask for your influence in my campaign and your vote on May 5."

Escapes Injury In Train-Truck Crash

Louis Ortiz, 23, escaped with only minor injury at 7:15 a.m. Thursday when a southbound Santa Fe freight train hit the rear of the tractor-trailer truck he was driving. The accident happened at the 16th Street crossing of the railroad, by Lee's Sausage Co. plant. Ortiz was driving west.

The train hit the rear of the trailer, which was loaded with dry fertilizer. The trailer was badly damaged and the load of fertilizer was dumped and scattered. There was considerable damage to the front of the train engine. Trainmen said fertilizer from the trailer was thrown into some of the engine units. Ortiz is employed by Carl Phillips, owner of the truck.

H. G. Wells Announces For Re-Election

H. G. Wells last week announced his candidacy for re-election to the Texas House of Representatives from the 89th district. Wells has represented this district composed of Hale, Swisher, Floyd and Briscoe counties since 1959. He was re-elected in 1960 without opposition.

Wells has been a resident of the district he represents almost all of his life, having lived in Plainview prior to moving to Tulia in 1939. The son of Mr. and Mrs. R. H. Wells of Tulia, Texas, Wells is 28 years old. He attended public school in Tulia, graduating from Tulia High School in 1950, where he was elected president of the student body. He was again elected president of the student body of North Texas State College while majoring in Government at that college, and in his senior year was selected "Outstanding Student of the Year." Upon graduation from North Texas State College with a BA degree in government, Wells volunteered and entered the Army. After two years active duty in the Army, H. G. returned to Tulia where he served as government and history teacher in the Tulia High School system and completed graduate work in government at West Texas State College, Canyon.

In 1951 Wells began work on his law degree at the University of Texas and in 1960 was admitted to the Texas Bar. While in the Army, Wells received a 1st Lt. Edmonds Citation Award. He also has received the American Legion Citizenship award and the Battle of Flowers Oratory Award. He is a member of the First Methodist Church in Tulia, the Kiwanis Club, Toastmasters, and the Texas Bar.

In H. G. Wells' first term in the Texas Legislature, he was named to the Agriculture, Education, Conservation and Reclamation, Constitutional Amendments, and Judiciary committees. In his second term he served as vice chairman of the important Rules Committee, chairman of the Engrossed Bills Committee, and a member of the Five Man Insurance Investigation Committee. He also held membership on the powerful State Affairs Committee and recently was named chairman of a five man committee to study the distribution of state monies to school districts.

Wells has been a leading worker for improvements of our public education system, a fighter for retention of private ownership of underground water, and a sponsor of much agricultural legislation. He has advocated and sponsored legislation calling for loan shirk regulation, revision of the merit rating plan, an adequate juvenile parole system, and modernization of our criminal laws.

In the recent special session, Wells authored the bill and spearheaded the fight to bring gas companies serving irrigated areas under the regulatory powers of the Railroad Commissions, arguing that farmers deserve the same protection accorded city gas users.

In announcing his re-election, Wells stated that he would campaign extensively throughout the district and that he would release a detailed platform in the near future.

Plainview Herald Picks Miss Johnson As Player Of Week

Betty Johnson, outstanding forward on Coach Pete Wilson's AHS girls' basketball squad, was again picked Player of the Week in Class AA by the Plainview Daily Herald for last week's efforts of 37 and 29 points in leading the local fems to two district victories. This was the second time this season Miss Johnson was picked for the honors.

She shared the spotlight in Class AA with Rodney Teague of Floydada. The Herald's pick in the boys division.

Miss Johnson, early in the conference season, went four straight games in hitting over 40 points per game, and recently set a new scoring record at the Hardin-Simmons girls' tournament in Abilene, hitting 59 points.

(For basketball results, see page 5)

9 AHS Students In Floydada Band Festival

Nine members of the Abernathy High School Band participated in the Floydada Band Festival Saturday. They are: Sherry Wilson, Dee Ann Davidson, Lajuana Patterson, Myra Kimball, Neil Davidson, George Reagan, Lawson Hager, Bill Forbes, and Mary Kay Borutti.

A composite band of about one hundred members rehearsed several hours during the day, and presented a concert that evening. Directors from the various schools represented rehearsed the band on one or two selections, and then directed at the concert.

Schools represented were: Abernathy, Floydada, Lockney, Hale Center, Ralls, Idalou, Petersburg, Crosbyton, and New Deal.

Plainview Herald Picks Miss Johnson As Player Of Week

Betty Johnson, outstanding forward on Coach Pete Wilson's AHS girls' basketball squad, was again picked Player of the Week in Class AA by the Plainview Daily Herald for last week's efforts of 37 and 29 points in leading the local fems to two district victories. This was the second time this season Miss Johnson was picked for the honors.

She shared the spotlight in Class AA with Rodney Teague of Floydada. The Herald's pick in the boys division.

Miss Johnson, early in the conference season, went four straight games in hitting over 40 points per game, and recently set a new scoring record at the Hardin-Simmons girls' tournament in Abilene, hitting 59 points.

(For basketball results, see page 5)

9 AHS Students In Floydada Band Festival

Nine members of the Abernathy High School Band participated in the Floydada Band Festival Saturday. They are: Sherry Wilson, Dee Ann Davidson, Lajuana Patterson, Myra Kimball, Neil Davidson, George Reagan, Lawson Hager, Bill Forbes, and Mary Kay Berutti.

A composite band of about one hundred members rehearsed several hours during the day, and presented a concert that evening. Directors from the various schools represented rehearsed the band on one or two selections, and then directed at the concert.

Schools represented were: Abernathy, Floydada, Lockney, Hale Center, Ralls, Idalou, Petersburg, Crosbyton, and New Deal.

Elaine Bilbrey Is Princess Contestant

An Abernathy High School junior, Elaine Bilbrey, became the tenth entrant in the South Plains Junior Fat Stock Show Princess Contest Wednesday, representing the Abernathy Future Farmers of America Chapter.

Miss Bilbrey, 17, is the daughter of Mr. and Mrs. A. E. Bilbrey, 809 14th Street, Abernathy. She has blonde hair and blue eyes.

The Princess Contest, a highlight of the March 19-21 fat stock show, is set for 10 a.m. March 17 in the Merchants Building on the Panhandle South Plains Fairgrounds. A representative from the 4-H Clubs and from the FFA Chapters will be selected with the girls winning a complete western outfit.

Entries also include Shirley French, New Deal High School FFA.

Car-Motor Scooter Crash Injures Robert G. Adams

Robert Gayle Adams, 17, son of Mr. and Mrs. Robert L. Adams, 1401 Avenue L, Abernathy, sustained severe facial injuries and a broken left arm at 12:28 p.m. Monday in a traffic accident on Avenue D at 10th Street. The motor scooter he was riding was in collision with a station wagon driven by Mrs. Jack Waters.

Adams was thrown from the scooter, and over the hood of a pickup at the intersection, hitting the concrete curb by Higginbotham-Bartlett Co. He was taken to Abernathy Medical Clinic, then to Methodist Hospital, Lubbock, by Chambers ambulance.

Jim Johnson Exhibits Top Barrow In El Paso Show

GRAND CHAMPION BARROW—Jim Johnson, 11-year-old son of Mr. and Mrs. Auvie Johnson, Route 2, Abernathy, is pictured above with his 222-pound Hampshire barrow which captured the Grand Championship honors last week at the Southwestern Livestock Show at El Paso. With the young Hale County 4-H Club youth is Francis Callahan of Milford, Ill., swine judge.

Jim Johnson, an eleven-year-old Abernathy youth and a member of the Hale County 4-H Club, last week captured Grand Championship honors with his medium weight Hampshire barrow in the Southwestern Livestock Show at El Paso.

Jim, a son of Mr. and Mrs. Auvie Johnson, had previously guided his prize barrow to first place honors in the medium weight division, then outranked the other first place winners for the title.

The 222-pound barrow was purchased by Food Mart, El Paso, for \$6.25 per pound.

Jim was winner last year of reserve grand champion swine honors in the show, and his older brother, Steve, showed the grand champion swine in the El Paso show two years ago.

Jim also entered a light weight Hampshire in this year's show which took third place honors in its class.

The show, with many entries from New Mexico and Texas, had good representation from this area of the state, not only from Hale County but from surrounding counties as well.

A Floydada 4-H Club member, David Mitchell, took reserve grand champion with a Chester White.

Lubbock County Gas Users To Meet Tonight

A meeting of the Lubbock County Gas Users Association is to be held at 7:30 tonight (Thursday), at the Slide Road Community Club House, announced Clayton Enger, chairman.

All farmers in Lubbock County who use gas for operating their irrigation motors are urged to be present.

Farmers representing 12 Panhandle and South Plains Counties heard a report recently in Plainview from David Burgess, President of the Plains Irrigation Gas Users Association, regarding the effort made by the group to secure legislation at the recent Special Session of the Legislature. The legislation sought would have given to farmers the same right of appeal to the Railroad Commission as is presently enjoyed by incorporated cities, towns and villages, when the farmers are served by gas companies who also sell to domestic consumers within the limits of incorporated cities, towns and villages.

The meeting in Plainview was attended by over 100 farmers and businessmen.

County Voters Defeat Bond Issue For Hale Ag Center

Two to one Hale County citizens who went to the polls last Saturday voted against issuance of \$965,000 building bonds and levying taxes in payment thereof, for the construction of a Hale County Agriculture Center.

The vote was 1,087 for and 2,266 against.

Only one box in the county voted favorably. Edmondson cast 39 votes for and 36 against. In Plainview the vote was 902 for and 1,352 against.

The towns were solidly against it. Abernathy four to one, Hale Center six to one, and Petersburg 22 to one.

MRS. TOMMIE JOHNSON

Mrs. Johnson Is Candidate For Hale County Clerk

Mrs. Tommie Johnson, Plainview, is a candidate for Hale County clerk, subject to the Democratic Primary of May 5.

Mrs. Johnson, a resident of Plainview since 1941, is the mother of three children, one in junior high school, one in high school and one in elementary school.

Mrs. Johnson, wife of Bob Johnson, was employed with the Hale County Abstract Company for six years and has been employed in posts dealing with the public for sixteen years.

In making her formal announcement, Mrs. Johnson stated, "I am familiar with keeping public records. I am fully aware of the importance and need for rendering prompt, efficient and courteous service which the public is entitled to in so important an office as that of County Clerk. I feel that I am qualified to efficiently conduct the office and I respectfully ask for your influence in my campaign and your vote on May 5."

Parent-Son Banquet At New Deal Set For Friday Night

The New Deal FFA organization will hold its annual Parent and Son Banquet Friday night, February 16, at 7:30 in the New Deal School cafeteria, according to John Walton, the school's vocational agriculture instructor and FFA advisor.

Those attending the banquet will be entertained by local talent.

The New Deal FFA judging team went to Amarillo last month during the Fat Stock Show and was in competition with other judging teams prior to the actual showing of the animals. The New Deal team won third place in overall livestock judging and tied for second place in swine judging.

Jimmy Justice captured high individual honors in the judging. Other members of the team include Clifford Ricken and Ronnie Haggard.

This same judging team traveled to Tulsa recently and won eighth place in a judging contest there.

Escapes Injury In Train-Truck Crash

Louis Ortiz, 23, escaped without serious injuries Thursday when a southbound Santa Fe freight train hit the rear of the tractor-trailer truck he was driving. The accident happened at the 16th Street crossing of the railroad, by Lee's Sausage Co. plant. Ortiz was driving west.

The train hit the rear of the trailer, which was loaded with dry fertilizer. The trailer was badly damaged and the load of fertilizer was dumped and scattered. There was considerable damage to the front of the train engine. Trainmen said fertilizer from the trailer was thrown into some of the engine units.

Ortiz is employed by Carl Phillips, owner of the truck.

WORK UNDER WAY ON FM 2069 ROAD

The contractor is working on the FM 2069 paving project. The 5.5 miles of paving will begin at the east side service street of the freeway in Abernathy and extend east to southeast corner of the airport section.

Firemen were called at 11:35 a.m. Wednesday to put out a fire in Southeast Abernathy. Two small houses owned and occupied by Oscar Minor were damaged. The blaze was started from grass fire embers. The rear of one of the houses was badly damaged, and there was only slight damage to the other.

Stock Show Date Set

The annual 4-H Club and FFA Project show has been set for Tuesday night, March 13, at 7:30. The place will be the same as last two years, the excellent facilities at Abernathy Ex Co., in the two buildings just west of the gin.

A committee of farmers and business men met at Graham's Restaurant Tuesday morning this week and appointed the committees to handle the various phases of the show.

Pete Thompson will again be General Superintendent, assisted by Roy Jones, Superintendent of the Swine committee is Joe Lovelace, assisted by Delton Stone and Don Presley. Elton Settle and assistants to be named will handle the Beef Cattle. The Barn Committee will be composed of Richard DuBose and Jerry Oswalt. Arno Struve was appointed to be general secretary of the show.

A motion was made and seconded and after some discussion was adopted which provided that the 4-H Club would handle the concessions this year and thereafter will alternate with the Home Economics Club every second year.

There is always some expense involved putting on a show of this nature and heretofore Chris Benn had been the committeeman who handled this item of financing the show, and with excellent results. Lonnie Brownlow was selected to handle this matter this year. The details were to be worked out the latter part of this week.

A complete copy of the rules, governing the show and the awards, will be published at a later date.

Those present on the planning committee were: Pete Thompson, chairman, Richard DuBose, Fred Blumensack, Joe Lovelace, Bobby McAlister, Golden Ferguson, E. L. Kelley, Glen Hammond, Elton Settle, Lonnie Brownlow, Carl Phillips, Delton Stone, Roy Jones, Ralph Stevenson, Ellis Turner, L. G. Montgomery, Don Presley, Abernathy Vocational Agriculture Instructor Jerry Adams, Assistant County Agent Peyton Scott, and County Agent Ollie Linder.

Board Re-Elects Principals Here

At the regular monthly School Board meeting Monday night, school business manager Earl Carter, and principals Ralph Stevenson, Gid B. Adkisson Jr., and Jerry Moorhead were unanimously re-elected for another school year.

Mr. Stevenson is the high school principal, Mr. Adkisson is principal of junior high, and Mr. Moorhead is principal of the first five grades composing elementary and intermediate.

School Superintendent Noel Johnson's contract was extended at the January Board meeting. His current contract, to expire June 30, 1963, was extended to the same terminal date, 1965, at that time.

Grain Sorghum Executive Comments On Farm Program

Bill Nelson of Amarillo, executive vice president of the Grain Sorghum Producers Association, speaking for that organization has discussed the proposed long-range farm program as advanced by President Kennedy. He is quoted:

"After a farm program is drafted by the Secretary of Agriculture and presented to Congress, there are always changes before recommendations become law. As this new food and agriculture bill moves through channels, it will be the aim of the GSPA to maintain as good a position for grain sorghum as is held by other commodities.

"It is hoped that farmers' concern over 'rigid' production controls will not overshadow the other two points of the President's program of efficient use of land resources and expanded use at home and abroad of our agricultural production.

"It is expected that the High Plains commercial grain sorghum production area will actually be allotted more acres than are currently in production under the present program. Under the voluntary program now in existence, area farmers reduced grain sorghum acreage up to 40 percent; the new program, which is expected to call for an approximate 20 percent reduction, will allow this area to expand its production, marketing and utilization of grain sorghum and regain the use of much of the area's storage facilities.

"This expansion coupled with an opportunity to move more area products into domestic and foreign markets, would in time further minimize the need for cutting back production, and would merit the support of the farmers."

Nitrogen Suggested For Small Grains

Been wondering how to increase the forage or grain yields of your small grain crop? R. J. Mears, extension agronomist, says nitrogen applied before the plants begin to joint but late enough to avoid the danger of a hard freeze, is the answer.

If the crop has been grazed, much of the available nitrogen has been utilized by the plants and removed by animals. Grain crops need nitrogen at this time to stimulate additional growth for maximum yields, explains Mears. Nitrogen applications also increase the protein levels of grain, and in wheat improves the baking qualities of the flour.

Application rates of 20 to 40 pounds of nitrogen per acre will usually pay big dividends if moisture is adequate, says the specialist. For specific application recommendations, consult your local county agent.

J. E. McLANE UNDERGOES SURGERY

J. E. McLane, long time Southwestern Public Service employee, underwent major surgery Thursday, Feb. 8, for the removal of the gall bladder and the appendix. He entered the Methodist Hospital Wednesday, February 7. He is in room 204 and is reported to be doing OK and barring unforeseen complications should be home by the time you read this.

McLane transferred to Tuco from the plant in Plainview in 1942 and lived in town for a short while then moved to one of the houses at Tuco where he is living today.

Grain Producers Meet In Plainview

Over 40 grain sorghum farmers, grain dealers and community leaders met recently in Plainview. The meeting was called by Alfred Ebeling of Hale Center, J. C. Mills of Abernathy and Price McWilliams of Plainview. The three were recently elected to serve as the Executive committee of the Hale County Grain Sorghum Producers Association for 1962. They are president, vice president and secretary-treasurer respectively.

Ebeling said the meeting was to review the programs and activities of the area association, and to map plans for Hale County farmers to better serve themselves through the organized grower program in the years ahead.

Bill Nelson of Amarillo, executive vice president of the association reviewed the research, market development and outlined the progress which has been made in strengthening the area grain sorghum economy.

Nelson pointed out that perhaps the most significant advance had been the rise of farm income from grain sorghum since successful efforts to "get the same program for grain sorghum as has been enjoyed by corn." He further stated that in Hale County, one of the principal benefits from association efforts in cooperation with the county agent's office, had been the correction from a low production base to a more realistic level now in effect. This allowed for the production of 100,000 more pounds of grain sorghum in Hale County than was originally allowed. Activities of the association were further credited with discouraging the U. S. Department of Agriculture from initiating bushels or tonnage controls on grain sorghum and other feed grain production.

Foreign and domestic market promotion came in for review. It was reported that in domestic markets outside of the High Plains area and even to a greater extent in foreign countries, livestock and poultry feeders do not understand or appreciate the high nutritive value of grain sorghum. Very seldom will livestock producers in these new market areas feed over 50 percent grain sorghum in rations. Nelson pointed out that changing these producers' attitudes toward grain sorghum to those known and proven by research could have the effect of doubling markets for grain sorghum and perhaps regain lost acreages from over-production.

Ebeling chided county farmers for being ever-ready to reap benefits in price, markets and other advantages received from organized efforts but being unwilling to adequately support such programs. He pointed to the association budget plan of two pounds per thousand deduction in county elevators which could accrue \$25,000 to \$30,000 annually in Hale County for association activities, compared to the approximate \$7,000 which was actually volunteered by farmers here this year.

A special guest at the meeting was R. S. Ray of Sinton, Texas,

15th Annual Soil Fertility Meet Set For February 19

The 15th annual Hale County Fertility meeting will be held in Plainview on Monday, February 19th at the new National Guard Armory beginning promptly at 9:45 a.m.

County Agent, Ollie Liner, stated that there would be speakers on 12 different subjects that would be of interest to all farmers and businessmen as well. The agent pointed out that all of this year's topics will be run on a 15 minute basis and no talks will be longer than the allotted period. This should give the program a variation from past years.

Speakers on the program will include Dave Sherrill and John J. Seibert.

Sherrill is a native of Navarro County and lived at Kerens, Texas. He received his Bachelor of Science Degree from Texas A&M in 1931, and was appointed County Agricultural Agent of Coryell County in 1933.

He served as County Agent of Hockley County for eight years, spent four years in the army, and in 1947 became Lubbock County Agent, serving in that capacity for 10 years. Sherrill then became Area Irrigation Specialist for the Texas Agricultural Extension Service.

Sherrill served for 13 years as General Superintendent of the Panhandle South Plains Junior Fat Stock Show and has worked closely with 4-H members. As Area Irrigation Specialist, he works with the county agents in Districts 1 and 2 on irrigation and water problems, with his office in the District Extension Office in Lubbock.

Seibert, Area Farm Management Specialist for the Texas Agricultural Extension Service, is a native of Maryland where he was an outstanding 4-H Club member for seven years. He also holds a State Farmer Degree in FFA. Seibert was named to his present position August 1, 1960, with headquarters in the District Extension Office in Lubbock. He works closely with the county agents of District 2 on problems relating to farm management. A primary responsibility is the training of county agents who in turn work with the rural families they serve.

The following topics will be discussed and this is not necessarily the order that they will appear on the program: When does it pay to change to 6-row equipment?, phosphate fertilizer, moldboarding land vs. chiseling, demonstration results of this year's Extension Service demonstrations in Hale

farmer from the Coastal Bend, who reported that farmers there have never participated in the association but are currently "gearing up" to do so.

Ebeling pointed out that plans are being made to hold community meetings in regard to the Hale County Association's activities.

DAVE SHERRILL

JOHN J. SEIBERT

County. A wonderful story on lake pump management will be told. The water shed project and the building of dams along Running-water Draw will be discussed. Activities of the Plains Cotton Growers and the Grain Sorghum Producers Association will be topics of discussion. Weather forecasting, a report on the livestock feeders tour, grain sorghum midge, Midland Bermuda, Great Plains Conservation Program, sugar beets

1961 Ginnings Totals Given

Hale County gins turned out 196,508 bales from the 1961 cotton crop, the final ginnings count of the Plainview office of the Texas Employment Commission office Friday showed.

Totals in the same count from Floyd were 105,729, Briscoe 23,593 and Swisher 51,339, a total of 377,169 bales for the four-county region.

County Agent Ollie Liner in contacting USDA agencies in the area Friday learned that it will be a few weeks before the government completes its official count.

Liner pointed out that the official totals could vary from the TEC count which is based on individual bales. The USDA count is based on 500-pound bales.

and geese for grass and weed control in cotton.

This year the Young Farmers of Plainview will be providing door prizes.

The Plainview Chamber of Commerce will serve lunch at noon for those in attendance.

Liner stated that this should be one of the best days a farmer could spend during the year in preparing himself for the years crop. The program is sponsored by the Hale County Extension Service. Cooperating are the Plainview Chamber of Commerce and the Burlington Railroad.

4-H Club News

Hale County 4-H club members are exhibiting lambs and barrows at the San Antonio Livestock Exposition this week, according to Payton Scott, Assistant County Agent.

Eight barrows and nine lambs were exhibited by 4-H'ers, Jim and Steve Johnson, Abernathy 4-H Club, exhibited four Hampshire barrows each. Auvie Johnson show four Hampshire barrows in the open class division.

Lenis Gregg has entered 2 lambs, Hugh Jester 2 lambs, Lanny Savage 2 lambs, Earl White 2 lambs and Vinita Savage 1 lamb. All of the above are members of the Plainview 4-H Club.

Roy Gregg and Melvin Gregg will show four lambs in open class competition.

Lenis Gregg, son of Mr. and Mrs. Melvin Gregg of Plainview, showed the Champion Fine Wool, Crossbred Lamb at the 1961 San Antonio Livestock Exposition. Lenis' Champion Lamb sold for \$1,000 to the St. Anthony Hotel of San Antonio.

The lamb show was scheduled for February 10th, and barrows were shown Tuesday.

Mr. and Mrs. Glenn Knight have moved two miles east of Kress where they are engaged in farming.

Here's what **QUALITY** has done:

At last count there were 1,499,927 Chevrolet trucks over 10 years old still working—424,381 more than any other make.

1962 CHEVROLET JOBMASTER TRUCKS

built better..work longer!

When Chevrolet builds a truck, it builds a *quality truck*. This policy makes sense. Chevrolet trucks work a long time . . . cost less than many other makes to operate and maintain over the years . . . consistently bring a higher trade-in price . . . and, as a result, are bought by more people.

We invite you to come in and examine this quality closely and to take a 1962 demonstrator out for a good long test drive. Note the cab comfort, the good visibility, the smooth ride, the solid feel of its quality. Compare Chevrolet truck features with those of other makes. Then decide which are your wisest investment. We're sure it will be Chevrolet's.

Note how this Chevrolet cab roof is made of two sheets of metal, instead of one, with a layer of felt in between as insulation against cold, heat and noise.

A Chevrolet truck tailgate is sturdier because it has double-wall construction and strong steel chains in tough rubber casing to support it.

Quality independent front suspension fights road shock more effectively than other types—provides more protection for the truck, load and driver.

The standard 235-cu.-in. 6-cylinder Chevrolet truck engine has worked more miles than any other. There are nine more engines to choose from.

CHEVROLET See your Chevrolet dealer for trucks that keep running and running!

AHS STUDENTS ARE HONORED

The Students of the Week at AHS this week which is sponsored by the National Honor Society and chosen by the faculty, are:

Senior, Ann Robertson
 Junior, Mary Kay Bernitti
 Sophomore, Susie Deering
 Freshman, Cynthia Phillips

Ann is the daughter of Rev. and Mrs. James H. Robertson. She was born April 7, 1944, in Overton, Texas, and has lived here for one year. Her father is the minister of the Church of the Nazarene here.

Ann is a member of the Library Club, the Spanish Club, the An-

telope Band and the FHA Chapter at AHS.

She plans to attend Texas Tech after graduation in which she wants to major in either Elementary Education or Commercial Arts. Two of her hobbies are singing and drawing.

Mary Kay, daughter of Mr. and Mrs. C. J. Bernitti, was born August 29, 1945 at Reese Air Force Base near Lubbock. She has lived here for fourteen years. Her father is a salesman for Hub Motor Co. in Lubbock.

Mary Kay is a member of the Antelope Band, the Spanish Club and the Junior Play cast this year. She is also a member of the Pep Band. She likes to play in the band, play tennis, ski, ride horses and watch football and basketball.

games. After graduation she plans to go to Hardin-Simmons University. In school she enjoys chemistry and math.

Susie is the daughter of Mr. and Mrs. Larry Deering. She was born September 9, 1945 in Bisbee, Arizona. She has lived here for fourteen years. Her father is a barber.

Susie is a member of the AHS Band, the FHA Chapter, the girls basketball squad and is vice-president of the Sophomore Class. During the summer she likes to swim and water ski. She also likes to play tennis.

Cynthia is the daughter of Mr. and Mrs. J. H. Phillips. She was born September 26, 1946 in Vernon, Texas. She has lived here for five years. Her father is employed by Carl Phillips and her mother is a bookkeeper for Joe Thompson Implement Company.

Cynthia is a member of the local FHA Chapter. She likes to read, play tennis, cook and sew.

BIRTHDAY PARTY

An informal get-together was enjoyed by several friends of Mildred Winters and Claud Shipman Sunday evening in the home of the O. F. Reas, the occasion being a birthday celebration for both parties. Punch, sandwiches, cake and home made peanut brittle were served.

Those present were: Mildred, Earl and Fallis Winters, Mr. and Mrs. Taylor Ballard and Coy, Mr. and Mrs. Claud Shipman, Mr. and Mrs. Doyle Oswald, and Cristie Givens.

IN HALE CENTER JR. HIGH TOURNEY

Local 8th Grade Boys Take 3rd, Girls Win Consolation

Abernathy's eighth grade boys and girls basketball teams captured third place and consolation honors, respectively, last weekend in the Hale Center Junior High tournament.

Coach Bobby Dyess' boys nudged Olton, 27-24, Thursday night, but fell to the strong and tall Kress eighth graders, 39-23, Friday night. The local lads bounced back Saturday evening to whip Petersburg, 38-16, for the third place trophy.

The local girls, coached by Miss Shirley Oswald, lost a heartbreaker in their first game of the meet, being edged by Olton, 21-20. The local girls then whipped Kress, 28-23, in consolation semi-finals, and overtook Idalou in the closing seconds of the consolation finals, 14-13, for the honors.

Floydada's girls beat Olton and advanced to the finals where they downed Hale Center for the championship. Cotton Center also beat Olton to take the third place title.

In the boys division, Kress, who defeated Abernathy in the semi-final round, grabbed championship honors by defeating Idalou in the

finals. Hale Center's boys took consolation honors.

Boys Games
 In their first game of the meet, the local lads were led to victory by Larry Crowder and Pat Hale who dunked 6 points each. Ronald Preston, Jimmy Franklin and Lane Wade each scored 4 points, Mike Tannehill had 2, and Terry Barton 1. Farrow was high scorer for Olton with 9 points. The local boys led at the quarters, 12-6, 17-10 and 24-17.

Lane Wade paced the local team in a losing cause against Kress, scoring 7 points. Preston had 6 points, Tannehill 4, Crowder 3, Hale 2 and Bobby Faver had 1. Mike Skipper, Terry Barton, Jimmy Franklin and Mike Pettit also saw action. Throckmorton was high for Kress with 15 points.

Wade was again the big gun for the Abernathy lads as he meshed 12 points in leading the way for third place honors. Crowder netted 9 points, Hale 6, Preston 5, and Tannehill, Faver and Barton had 2 each.

Girls Games
 In the girls opening game, Abernathy had trailed 3-0 at the end of the first quarter, but garnered

a 11-8 halftime lead, and were out front 20-19 going into the final eight minutes of play. Only one basket was made during the last quarter—and Olton made it. The Olton girls intercepted a pass and scored with only 10 seconds left in the game.

Dottie Wynne led the local girls with 11 points. Marilyn Teaff scored 5, and Cindy Wilson had 4. Jeraldine Evans also saw action, but failed to score. The guards, JoAnn Lovelace, Cindy Hurt and Cindy Shadden played well defensively.

Abernathy was somewhat stronger in the battle against Kress, as the local girls held quarter leads of 5-2, 20-7 and 22-14.

Cindy Wilson led the locals' attack with 14 points. Dottie Wynne added 10 points, and Marilyn Teaff and Jeraldine Evans had 2 each.

Harris was high scorer for Kress with 14.

In the consolation finals, Abernathy trailed, 6-5, 8-7 and 10-9, at the quarters. The local team were trailing by 4 points with only 33 seconds left in the game, when Cindy Wilson hit a jump shot. Then with only 10 seconds remaining, Cindy hit a hook shot to tie the score, 13-13. An Idalou girl fouled Miss Wilson with two seconds left on the clock, and the Abernathy lass calmly pitched in the free throw to win the game.

Cindy paced the Abernathy attack with 10 points. Dottie Wynne and Jeraldine Evans each had 2 points. Carolyn Chapshaw scored 6 points for Idalou.

A 1/C Dale Matejowsky was home over the last weekend visiting his parents, Mr. and Mrs. Elmo Matejowsky.

YOUTH OF MONTH—Julie Haden, right, John Tyler student, is presented a certificate as the Y's Men's Club "Youth of the Month" by Jack Pollard, left, Y's Men's vice president, as her parents, Mr. and Mrs. Clyde Haden, look on.

—(Photo Courtesy of The Tyler Courier-Times)

Mr. and Mrs. E. H. (Rocky) Attebury and family are moving to their new brick home on FM 597 east of Abernathy. Visitors this week in the home of Mr. and Mrs. A. Zeman are Mr. and Mrs. Alan Aune of Norwalk, Connecticut, and Mrs. Jack Cook of Abilene. Mrs. Cook and Mrs. Aune are daughters of the Zemans.

Jerry, six years of age, was getting ready for the first day of school. He wasn't very anxious to start and his mother's tear-filled eyes only added to his reluctance. As they drove toward the school and his mother's tears continued to flow, he said consolingly, "Aw, Mom, don't take it so hard. Just as soon as I learn to read comics I'll quit."

BIRTHS

Mr. and Mrs. Oscar Lopez are parents of a son born Feb. 12. He weighed 7 pounds 3 1/2 ounces. Mr. and Mrs. L. K. Bradley are parents of a son born February 6. He weighed 8 pounds 7 1/2 ounces. Mr. and Mrs. Don Exum, Lubbock, are parents of a daughter, weighing 6 pounds 6 ounces. She was born February 8.

An 8-pound 3-ounce son was born February 8, to Mr. and Mrs. Christal Hernandez, New Deal. A daughter, weighing 6 pounds 8 ounces, was born February 7, to Mr. and Mrs. Cedric Rodriguez, New Deal.

The following births were reported by Abernathy Medical Clinic:

A son, weighing 6 pounds 6 ounces, was born Feb. 11, to Mr. and Mrs. Frank Castro.

Mr. and Mrs. Pedro Castillo, Hale Center, are parents of a son born Feb. 10. He weighed 8 pounds 8 ounces.

A son was born Feb. 12, to Mr. and Mrs. John Mojica, Hale Center. He weighed 6 pounds 12 ounces.

Auto Inspection Deadline Tears

Less than thirty percent of the registered vehicles in this area have been safety inspected for 1962, according to Patrolmen Joe McLaren, Motor Vehicle Inspection Service of the Texas Department of Public Safety.

With the April 15 deadline, for having the vehicles checked, rapidly approaching, this means there are approximately 13,000 vehicles in Hale County remaining to be inspected by the 27 approved inspection stations available.

Official motor vehicle inspection stations in Abernathy include Reid Chevrolet, Abernathy Motor Co., and Scotty's Repair Shop.

Many motorists are going to find long lines awaiting them as the deadline draws nearer, due to the inspection stations not being able to cope with this large number.

The patrolman urged drivers to have their vehicles inspected as soon as possible to avoid this last minute rush. In addition, he reminded drivers that this time of the year is noted for adverse weather conditions which prevents the inspection stations from checking the vehicles.

"Passenger cars are inspected for brakes, lights, reflectors, horn and windshield wipers; while commercial vehicles are inspected for the above plus additional items required by law," Patrolmen McLaren said. "All motorists not displaying a valid 1962 inspection sticker by April 15 will be in violation of state law."

OFFICIAL MEMORANDUM

By
PRICE DANIEL
Governor of Texas
AUSTIN, TEXAS

GREETINGS:

The Future Farmers of America organization is playing an outstanding role in assuring the future progress and prosperity of our State and Nation.

The importance of agriculture in our State increases as Texas progresses, and it is vital to our well-being that we train skilled farmers and ranchers to provide a plentiful supply of food products in years to come.

The FFA is composed of boys who are studying vocational agriculture in the public schools in preparation for careers in farming, ranching, and related fields. In studying the science of agriculture, these Future Farmers are striving to continuously improve this great industry for the welfare of all citizens.

Texas now has over 900 active FFA chapters with over 37,000 active members and more than a quarter of a million former members. During the past 33 years, the Texas Association, FFA, has performed valuable services to our State by developing leadership, encouraging cooperation, promoting good citizenship, teaching sound methods of farming, and inspiring patriotism among its members.

WHEREFORE, I, as Governor of Texas, do hereby designate the week of February 17-24, 1962, as

Future Farmers of America Week

in Texas, and urge all citizens to give recognition and encouragement to these young men who are preparing for careers in agriculture.

In official recognition whereof, I hereby affix my signature this 5th day of January, 1962.

PRICE DANIEL, Governor of Texas

JACK H. PARKS

Jack H. Parks became Assistant Agricultural Engineer at the High Plains Research Foundation on February 7. Mr. Parks received his B. S. Degree in Agricultural Engineering from Texas Tech in January of 1962. He was employed part time while at Tech in the Agricultural Engineering Department as a teacher in the laboratories and in the recharge experiments.

Mr. Parks worked on his father's farm and ranch near Kerrville, attended college at Tarleton and completed his B. S. Degree at Texas Tech. He will conduct research in flame cultivation at Halfway. Mr. and Mrs. Parks and their new baby girl have established residence in Plainview.

Dr. Thomas C. Longnecker, Director of the Foundation, announced Mr. Parks' employment on the staff this week.

Abernathy B And Freshman Teams Win Over Tahoka

Abernathy's B team and freshman units played host to two teams from Tahoka Monday night in the local gym.

Tahoka coach, Jake Jacobs, and Abernathy coach, Wayne Preston, played all the boys from both schools (in the B game) who will be returning next year.

Abernathy's B unit captured a 36-22 victory over the visitors, having held quarter leads of 10-4, 21-5 and 22-7.

Mike Miller and Eddie Davis sparked the local team's attack with 13 and 11 points, respectively. Pat O'Neil scored 6 points while Sammy Hunley, Don Hughes and Ronnie Wynne all had 2 points. Leon Johnson and Jerry Settles also saw action but failed to score.

Clinton was high scorer for Tahoka with 9 points while Craig Leslie had 8.

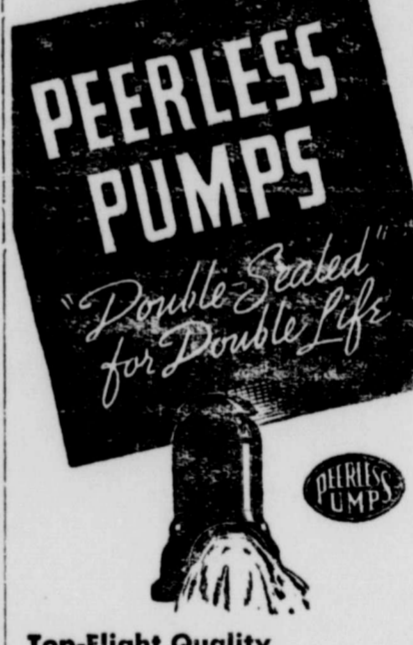

Freshman Game

Abernathy also won the freshman game, whipping the visitors 49-35.

Boyce Paxton led the local lads with 15 points. Steve Monk scored 8, Bill Lee 5, Terry Turner, John Reagan and Vincente Vecchio 4 each, Bill Forbes 3, and Jake Malow, Sandy Downs and Frank Garcia 2 each.

Harvick and Reed had 10 each for Tahoka.

FFA Week Feb. 17-24

Future Farmers of America members throughout the nation are scheduling special activities to focus public attention on the work of their organization during National FFA Week, February 17-24.

"Honoring Rural Opportunities and Responsibilities" in this year's FFA Week theme. The farm boys will undertake a campaign to inform the general public about the importance of the agricultural industry to America, and of the numerous and wide variety of opportunities that exist in this field for young men who have a background of farm experience and training.

Membership in the FFA is made up of farm boys who are students of vocational agriculture in high school. The organization's activities are designed to help develop rural leadership and good citizenship, and to stimulate the boys to better achievement in their study and work toward successful establishment in farming or other agricultural occupations.

The Abernathy FFA Chapter has 38 members. Officers of the local organization are: Tommy Walker, president; Kay Don Habbinga, vice president; Charles Wisdom, secretary; Robert Pope, treasurer; Gene Stevens, reporter; and Porky Tennell, sentinel.

Jerry Adams, vocational agriculture instructor in Abernathy High School, serves as advisor of the local Chapter.

The national Future Farmer organization has 378,000 members, with 9,000 local chapters in the 50 States and Puerto Rico. Membership in Texas totals approximately 40,000 members.

Ambulance telephone number in Abernathy: 298-2331.

W. S. C. S. NEWS

The W.S.C.S. met Monday in the Methodist Church in observance of Race Relations Day. Mrs. Jackie Barton opened the service with an inspirational devotional.

The guests for this program, Rev. and Mrs. Ramon Solis, performed two musical selections. Mrs. L. A. Suttle spoke briefly of the social Christian concern of the W.S.C.S. and introduced Rev. Solis. The subject of Rev. Solis' talk was "The Relationship of the Farmer and His Farmhand."

During his very interesting talk Rev. Solis presented to the Society several personal experiences he has had here in Abernathy which helped to illustrate his informative talk.

Mrs. J. B. McClure led both the opening and closing prayers. At a business meeting following the program the Society elected the following officers to serve during the coming year:

President, Mrs. Paul D. Noland; Vice president, Mrs. Elton Settle; Recording Secretary, Mrs. Felix Goebel; Treasurer, Mrs. George Ragland; and Reporter, Mrs. M. M. Bell.

Secretaries: Christian Social Relations, Mrs. L. A. Suttle; Spiritual Life, Mrs. L. S. Wilson; Literature and Publications, Mrs. Horace Davis; Promotion, Mrs. J. W. Davis; Supply, Mrs. A. L. Stone, Jr.; Children's Work, Mrs. Avie Johnson; Youth Work, Mrs. Harold Davis; Student Work, Mrs. Jewel Richter; Local Church Activities, Mrs. Jack Barton; Missionary Education, Mrs. Jackie Barton.

Committee Chairmen: Food, Mrs. Harold McCune; Fellowship, Mrs. Wayne McClendon; Membership, Mrs. Donald Huffaker; Nomination, Mrs. Jackie Barton; Publicity and Printing, Mrs. Roy Jones.

Mr. and Mrs. Lon Carmickle and daughters visited the Texas W. Allen family in Oklahoma City last weekend.

Highlights From New Deal High

The New Deal Junior High basketball teams participated in the Junior High tournament at Cooper last weekend. The New Deal girls captured the Junior High championship by defeating Cooper 34-26 in the finals. Shallowater boys beat Lorenzo for the championship in that division.

School Board Meets
The New Deal School Board elected the principals for another year at a meeting Monday morning. Mr. A. A. Chandler is in his second year as high school principal, and Mr. Archie Acker is in his first year as grade school and junior high principal.

The School Board also met with the Equalization Board members for the purpose of discussing tax problems, stated Mr. Dalton James, superintendent.

Mr. and Mrs. L. G. Hall and family have moved to Lubbock. He recently was named manager of Anderson Brothers Jewelers' store in Monterey Shopping Center. Hall sold his house in the Vinyard Addition here to Pete Gregg. A farmer west of town, Gregg bought the house for rent property.

Lubbock County clerk issued a marriage license to Pedro Comanche and Miss Juanita Rios, both of Abernathy.

Mr. and Mrs. Douglas Chapman visited in the home of his niece, Mrs. Jim Morgan, and family at Killeen last weekend. Also visiting the Morgans were her parents, Mr. and Mrs. W. B. Chapman of Oklahoma City. Lt. Jim Morgan is on Army duty at Fort Hood.

Mr. and Mrs. Ray Pinson are with her father in Spicewood for a two-weeks visit.

Governor Price Daniel proclaims FFA Week in Texas, February 17-24. L-R are: James Morris, President, Texas FFA; Governor Daniel; Clemon Montgomery, Executive Secretary, Texas Association FFA.

Junior High Teams Win One Game, Lose Three At Lockney

Abernathy Junior High teams lost three games and won one at Lockney Monday night.

The local seventh grade boys were defeated 26-7. Roland Murray was the top scorer for Abernathy with 3 points, while Jackie Judkins and Tommy Hunley had 2 each. Mathes was high for Lockney with 14.

The eighth grade boys went down in defeat, 40-23. Pat Hale led the locals' attack with 9 points. Larry Crowder scored 6 points, Rondall Preston and Mike Tannehill had 4 each. Jefferson took scoring honors for Lockney with 18.

The seventh grade girls were the only local unit to win, as they downed the Lockney team, 12-8. Sharon Albers paced the Abernathy team with 8 points. Jane Valdez and Ruby Judkins scored 2 points each, and Frances Burnett had 1.

The Abernathy eighth grade girls lost by 11 points, 34-23. Cindy Wilson popped the nets for 14 points while Dottie Wynne had 5 and Marilyn Teaff 4.

Firemen were called at 1:30 p. m. Saturday to put out a grass fire near the Paul Noland home at 811 4th St.

Freshmen Girls Beat Anton Team

The Abernathy freshmen girls basketball squad played host to the Anton freshmen girls Monday of last week, and captured a 42-11 victory.

Cheryl Hall paced Abernathy with 21 points, followed by Glenda Evans with 15. Frances Turner scored 4 points, and Zera Beard added 2.

Miss Denson was top scorer for Anton with 6 points.

Johnnie and Ellen Lam, children of Mr. and Mrs. Johnnie Lam, Lubbock, spent the weekend here with their grandparents, Mr. and Mrs. N. W. Bradford.

The R. H. (Buddy) Lutrick family, formerly of Abernathy, recently moved from Rodeo, N. M., to Route 3, Box 19-A, Willcox, Arizona.

Mrs. JoAnn Allmon and daughter, Delinda, of Las Cruces, N. M., visited here this week in the home of Mr. and Mrs. Robert Dyess and Blane.

Mr. and Mrs. Chester Pearce and daughters have moved into their new brick home on the Pearce farm northeast of Abernathy.

A2C and Mrs. Donnie Apperson and daughter, Tammy, of San Angelo are visiting her mother, Mrs. O. O. Hiser, and his parents, Mr. and Mrs. A. L. Apperson.

Vo-Ag Students Face New Era Of Agribusiness

High school students of vocational agriculture are on the threshold of a new age in agriculture—the scientific agricultural age of Agribusiness.

In the new age of Agribusiness, agricultural products must be provided for tomorrow's expanding population that is estimated to reach 250 million in the U. S. and 400 billion in the world by 1970.

The new age of Agribusiness is even more basic than the Atomic or Space because it encompasses a world need for more scientific production of food and fiber. This production must be done by people with special talents applied in the new age. Few farm products in this era are consumed in the same form as they are produced.

What this means, then, is that in the Agribusiness Age there must be cooperation between the farmer, scientist, farm supplies distributor, processor, engineer, manufacturer and others. Today, these groups are working together so closely that all of them are actually in agriculture. It has become difficult, if not impossible, to tell who is the farmer in the traditional sense. In actual practice, the modern farmer is a little bit of each of the specialists and each of the specialists is a little bit of the farmer.

The benefits of the modern Agribusiness Age go to all—not just to the farmer.

The farmer, by applying scientific information from all these specialists, has been able to produce better crops on fewer acres. He can also market his beef cattle earlier and can do it at a saving of many pounds of feed per animal. Such is the result of modern developments in animal nutrition, antibiotics, genetics and management. These results aid not only the farmer but the consumer as well.

Other comparable achievements have been made with poultry, dairy cattle, and other animals. Nuclear research—a product of the Atomic Age—is part of the newest age. Radiation is now being studied as a means of preserving food when being transported from farm to consumer. Already the government has an atomic farm where radiation is quickly altering varieties of plants otherwise a process that would have taken thousands of years.

Such agricultural progress as this has fused older careers into a new one—Agribusiness. Presently as products travel from the farm to consumers, all careers participate—the transportation specialist, the marketing specialist and the packaging specialist. Such participation insures the consumer of a more economical and a better qualified product.

Governor Price Daniel has proclaimed the week of February 17-24 as FFA Week in Texas.

In presenting the proclamation to James Morris, president, Texas FFA Association from Anahuac, the Governor pointed out that the importance of agriculture in our state increases at Texas progresses, and it is vital to our well-being that we train skilled farmers and ranchers to provide a plentiful supply of food in years to come.

James Morris received the proclamation on behalf of the 37,000 active FFA members in 900 chapters and more than a quarter of a million former students.

The FFA is composed of boys who are studying vocational agriculture in the public schools in preparation for careers in farming, ranching, and related fields.

In studying the science of agriculture, these Future Farmers are striving to improve this great industry for the welfare of all citizens.

Overheard in first grade room, one little boy to another in a discussion about report cards: "Britt made a 'D' on whispering."

A school teacher aunt was questioning her nieces and nephews about their schoolwork. To the youngest, six-year-old Brenda, she said:

"What are you going to take in school when you start next year?" "My lunch," was the quick reply.

Local Varsity Teams Split Wins At Morton, End Season

The Abernathy Antelopes were upset Tuesday night by the Morton Indians, 58-57, at Morton. Thus, the Antelopes ended the 1961-62 basketball season with a 6-4 district record and a season record of 17 wins against 8 losses.

The Antelopes of Coach Wayne Preston have been in District 2-AA four years, and had won the crown three years in succession prior to this season.

In Tuesday night's contest, Morton held a three-point spread late in the game before Antelope Larry Florence hit with 15 seconds remaining to cut the margin to a single point.

Florence led the Antelopes with 19 points and Robert Pope contributed 12. Dan Trice was high for Morton with 22, and Steve Middleton had 16.

Johnson Scored 57

Miss Betty Johnson ended her brilliant high school basketball career for AHS with a sizzling 57 points Tuesday night in leading the Abernathy girls to a 78-33 victory. She was only two points shy of her scoring record of 59 points which she set recently during the Hardin-Simmons girls tourney at Abilene.

Lynne Freeland had 17 points for Morton in Tuesday night's tilt. The AHS girls of Coach Pete Wilson ended up in second place in district with a 7-3 record; they had a season record of 25 wins against 8 losses.

Lockney, Muleshoe Win

The Lockney Longhorns beat Floydada Tuesday night to capture the district crown in the boys division. The two teams had been tied for the lead, each with only one loss.

The Muleshoe girls won the district crown outright as they went through the conference season undefeated.

Split With Lockney

Abernathy's boys were knocked from contention in the district race last Friday night at Lockney as the Longhorns downed the Antelopes, 58-52. However, the local girls were victorious, staying in second place with a 48-38 victory.

The Antelopes led 13-10 after the first eight minutes of play, but the Longhorns hit a hot streak the second quarter and went ahead 28-19 by halftime. The local lads still trailed, 44-38, going into the final quarter.

Mike Miller and Eddie Davis, both juniors, paced the Antelopes with 19 and 14 points, respectively. Lavon Baughman took scoring honors for Lockney with 20 while Ronnie Belt added 19.

In the fens' contest, the two teams were tied, 11-11, at the end of the first quarter. Lockney was ahead by one point, 23-22, at halftime, and the score was again tied, this time at 30-30, after three full quarters of play.

Betty Johnson, who paced the local girls with 37 points, pitched

in 13 of the 18 points scored by Abernathy in the final quarter, while Abernathy's fine guards, Janice Adkisson, Peggy Davis and Elaine Bilbrey held the Lockney fens to only 8 points.

Karen Ashton was high scorer for Lockney with 17 points.

Bi-District Game To Be Played Here Tuesday

The Roosevelt Eagles, champions of District 7-B, will meet Ropesville, the 8-B champion, Tuesday night in the Abernathy gymnasium in a bi-district tilt. Game time has been set for 8 o'clock that evening, and only that one game will be played. Admission will be 50 cents for students, and \$1.00 for adults.

The winner of the match here will enter the regional tourney at Canyon next weekend, February 23-24.

Ralph Stevenson, Abernathy High School principal, announced that excluding the officials, the local school will furnish all the personnel necessary, such as score-keeper, time-keeper, ticket takers, etc.

"This is being done as a courtesy to our neighbors," Mr. Stevenson stated, then added, "Since Plainview has been so nice to us (in bi-district games) in the past, we feel it is only fair to pass such courtesy on to others."

Bi-District Game Feb. 26

Another bi-district game to be played in the local gym is on tap for February 26. The Hamlin and Spearman girls will clash here at 8 o'clock that evening.

Rites Held For Paul Ellard, 60

PLAINVIEW — Funeral services for Paul Ellard, 60, Plainview, were conducted at 2:30 Thursday afternoon at the Ninth and Columbia Street Church of Christ.

Robert Eubanks, minister at the church, conducted the rites.

Mr. Ellard died Feb. 6, of a heart attack at his home at 809 Lexington Street.

Pallbearers were Bruce Wheeler, Bert Ehresman, Ralph Dickinson, H. H. Stevenson, Travis Bailey and Bill Kepler.

Interment was in Plainview cemetery, Lemons Funeral Home directed arrangements.

Ellard, born in Scurry County, came to Hale County at the age of 12. He had resided in Plainview thirty years at the time of his death. He was an automobile salesman for many years. He was employed by the Maggard-Nall agency.

He and the former Miss Katie Daugherty were married June 8, 1921.

Survivors include: the wife, a daughter, Mrs. Winifred Wise, Amarillo; three sisters, Mrs. Nellie Belcher, Phoenix; Mrs. Anna Belle Hageman, Abernathy, and Mrs. Ruth Crabtree, Hermleigh; a son, Joe Edd Ellard, Lubbock; four brothers, Flis and John, both of Portales; Silas, Phoenix, and Arthur, Throckmorton; and five grandchildren.

J. W. Hamilton, Jr., Rt. 1, Abernathy, was admitted to West Texas Hospital, Lubbock, Sunday night for treatment. He was taken to the hospital by Chambers ambulance.

Hugh Pettit and Joel Bray were called on a petit jury panel in 64th District Court, Plainview, this week.

Mr. and Mrs. Tom Sloan of Cooper visited friends here last week.

News About Men In Service

FORT BUCKNER, OKINAWA (AHTPC)—Army Specialist Four Mario Ramos, 25, whose wife, America, lives at 2615 Duke St., Lubbock, Texas, is participating in Operation Great Shelf, a bilateral air-ground mobility exercise involving Army and Air Force units of the U. S. and the Republic of the Philippines near Clark Air Base in the Philippines. The ten-day exercise is scheduled to end February 15.

Operation Great Shelf is designed to strengthen the operational readiness of the continental U. S. and Pacific Theater Army and Air Force units plus the armed forces of the Philippines to participate in bilateral operations. More than 10,000 personnel are participating in the exercise which consists of two phases. Phase one was the air movement of U. S. Forces to the Philippines, while phase two involves air and ground operations.

Specialist Ramos, who arrived overseas last July, is a radio-telephone operator in the 133d Signal Company of the 9th Logistical Command, which is regularly stationed on Okinawa.

He entered the Army in January 1960 and completed basic training at Fort Carson, Colo.

The 1954 Abernathy High School graduate was employed by the Abernathy Sheet Metal Works prior to entering the Army. His father, Enrique Ramos, lives in Abernathy.

Fort Buckner, Okinawa—Specialist Four Jesus J. Garcia, 21, son of Cecil L. Garcia, Abernathy, recently arrived on Okinawa and is now a member of the U. S. Army Broadcasting and Visual Activity, Pacific.

Specialist Garcia, a supply clerk in the activity's 18th Psychological Warfare Platoon, entered the Army in June 1960 and received basic combat training at Fort Ord, Calif.

Garcia attended Abernathy High School. His mother, Mrs. Ynosente Martines, lives in Abernathy.

News From The First Baptist Church

This week the First Baptist Church is in revival. We cordially invite each of you in the community to attend singing services beginning at 11:40, preaching at 12:00-12:30 daily except Saturday, evening services at 7:30.

The pastor, Boyce Evans, will be preaching, with music directed by Eddie Nicholson, and organist Bob Anderson, with Mrs. L. J. Hager, pianist. Nursery is open for all services.

Mission Report

Bro. Arthur Hernandez has accepted the work of the Latin-American Mission and is now in the field.

A residence at 1002 5th St. is being prepared as a temporary meeting place until the mission building is completed.

Young Peoples' Banquet

The youth of the church along with their friends left after revival services Wednesday evening to go to the Ming Tree in Lubbock for a youth Valentine banquet.

Special guests for the evening were Eddie Nicholson and Bob Anderson.

Juniors

The Juniors enjoyed a hot dog supper in fellowship hall Monday evening at 6:00 preceding revival services.

Adult Sweetheart Banquet
Approximately 200 people attended the Adult Sweetheart Banquet in the school cafeteria Thursday evening, February 8.

Willie Florence was Master of Ceremonies. A barbershop quartet, sextet and solos were enjoyed by the group.

Highlight of the evening was the selection of the annual banquet sweetheart, Mrs. J. A. Givens, who was presented a bouquet of red roses.

A one-act play of "Little Red School," was presented by a talented cast.

The Elza Lambert family has moved into their newly built home in southwest Abernathy.

Lakeview News

Mr. and Mrs. J. C. Belt visited relatives in Welch last weekend. Mrs. H. A. Milner is visiting in the home of her son, Glenn Milner, in Borger.

Lloyd Goldston made a business trip to Roswell last week.

Warren Driver and Randy of Memphis visited his parents, Mr. and Mrs. T. W. Driver Saturday. Also Mrs. Tolbert Wade, Mike and Arleta of Lubbock visited her parents.

Victims of flu during the week include E. E. Senter, Herbert Watson, S. M. Harrison, Mrs. Vernon Smith, Mrs. A. B. Colwell and J. Frank Jackson.

Lon Timms of Anton spent last week with his grandparents, Mr. and Mrs. Gordon Timms.

Several ladies met at the Methodist Church Monday and did a complete spring cleaning job. Those taking part were Mmes. J. C. Belt, Jack Lee, N. Matthews, Gordon Timms, Lawrence Amerson, R. A. DuBose, Jack Jackson, Dwayne Bristow, S. M. Harrison, Clayton Enger and Miss Nancy Watson.

Mr. and Mrs. Udell Adams attended the Frontier Hybrid Seed Company Convention in Dodge City, Kansas. Udell is Field Representative for the Seed Company in this region.

Mr. and Mrs. W. H. Sinclair of Plainview visited with their daughter, Mrs. Berly Ammonett.

Mr. and Mrs. Clayton Enger and Sue visited her uncle, Mr. and Mrs. Arch Hendon.

Mr. and Mrs. E. E. Anderson spent the weekend visiting in the home of Mr. and Mrs. Kermit Mitchell in Tulla.

The Lakeview Hobby Club met Thursday in the home of Mrs. O. S. Bristow. The program was on "Silver and Its Uses." Mrs. J. C. Belt gave the origin of silver and Mrs. Dale Milner demonstrated the proper uses of table silver.

The hostess served a refreshment plate to Mmes. Avery Fisher, Dale Milner, J. C. Belt, N. Matthews, Berly Ammonett and Leo Ammonett. The next meeting will be Feb. 22 in the home of Mrs. N. Matthews.

A building permit has been issued to W. M. Fitzgerald for the erection of a residence on lot 9 and half of lot 8, block 152, corner 4th and Avenue F. It calls for four rooms and bath, \$5,800.00.

Nystel Realty Company is having an addition built to the improvements on the R. R. Knox farm northwest of Abernathy, and renovation was completed on the Nystel property in Terry county last week.

PERFECTION

Simplicity, beauty and warmth combine to make our funeral home attain as near perfection as is humanly possible. The superiority of our services may have suggested that our prices are higher, yet that is untrue. At our mortuary you will find the costs more than reasonable. Miss Manley And Mr. Teaff Marry Sunday

Miss Lenora Ruth Manley, daughter of Mr. and Mrs. G. W. Manley of County Line, and Marshall H. Teaff, son of Mr. and Mrs. A. B. Teaff of Abernathy, were married at 3 p.m. Sunday in County Line Baptist Church. The Rev. Roy Minor performed the double ring ceremony.

The bride's ballerina-length dress was made of white cotton brocade and designed with a scalloped neckline and long sleeves. The skirt was gathered and featured a lace overskirt. Her veil of silk illusion was trimmed with pearls and rhinestones and attached to a rhinestone tiara. She carried a bouquet of gardenias and carnations atop a white Bible.

Mrs. Jim Mills of Petersburg, cousin of the bride, was matron of honor and Miss Jan Exum of Abernathy was bridesmaid.

Attendees wore dresses of red, peach or blue designed with scoop necklines and elbow-length sleeves. Their street-length skirts were gathered. They carried white carnations.

Mamie Connell of Anton was best man. Wilton Manley, brother of the bride, was groomsmen and assisted Dan Thompson, brother-

in-law of the bridegroom, with ushering duties.

Cindy Teaff of Abernathy, sister of the bridegroom, was flower girl and Steve Manley of Eunice, N. M., nephew of the bride, carried the rings.

Mrs. S. W. Williams, organist, and Mrs. Marvin Floyd, soloist, provided wedding music.

A reception in Fellowship Hall followed the ceremony. Assisting with hospitalities were Miss Dorothy Alexander and Miss Carolyn Northcutt of Abernathy and Mrs. Darlene Duty of Lubbock.

The couple will reside in Lincoln, Neb., after a wedding trip. For travel, the bride wore a green wool jersey suit with a mink collar. She added a gardenia corsage.

A graduate of Abernathy High School, the bride was employed at First State Bank, Abernathy. Teaff is a graduate of Abernathy High School and is in the Air Force stationed at Lincoln, Neb.

RUBY'S BEAUTY SHOP MOVES TO NEW LOCATION

Ruby's Beauty Shop has moved to a new location one mile north of town on the Plainview highway. She is on the west side of the highway and there is plenty of parking space. New equipment will be added soon, it is on order now.

1935 STUDY CLUB

The 1935 Study Club met in the home of Mrs. Frank Lovelace Thursday, February 8.

The program was on Finland. Mrs. J. L. Harral discussed the Democratic system of Government and its administration in modern Finland.

Finland's Relations with the Free World was given by Mrs. Fred Blumenstock and Mrs. R. R. Struve gave an interesting report on Social Progress under the Republic.

A social hour followed the program and delicious refreshments were served to the following: Mmes. J. L. Miller, Thomas Johnston, Ercell Givens, Fred Blumenstock, Dan Ward, W. V. Cunningham, R. R. Struve, John Hale, Bob McAlister, J. W. Harris, J. L. Harral, Doyle Oswalt, Frank Lovelace, Waldo Cox, Ray Finson and a guest Mrs. Golden Ferguson.

WHERE'S ELMER?

Happy Birthday to you! ... where he's really "happy" about our modern bowling facilities and friendly atmosphere.

Robert Payne Is Moved Here By Church Of Christ

By O. F. REA
Robert Payne, who has been doing missionary work for the Abernathy Church of Christ for the past three and a half years in the area around Wagon Mound, Cleaveland, and Springer, New Mexico, has been moved to Abernathy to handle the same type of work with the Latin American people here. Prior to his connection with the Abernathy Church of Christ he did this same work with the Church of Christ at Texline.

ROBERT PAYNE

Robert was born at Holman, N. M., and has spent all his life in that area except four years in Odessa, Texas. He was born August 10, 1937, went to school in Las Vegas, N. M., learned English and Spanish at the same time (in fact has spoken Spanish as well as English as long as he can remember). That section of New Mexico has far more Spanish speaking people than English, as it was settled by Spanish descendants hundreds of years ago.

While in high school Robert became interested in preaching the gospel to these Spanish people. Working with and under the direction of Joe Gomez of Las Vegas, who was already engaged in this work, Robert began preaching to these people in Spanish while still in high school. During his last two years of school he preached five sermons on Sunday and one sermon each night of the week except Saturdays, traveling about one hundred miles each Sunday in covering his route. He preached two sermons in Las Vegas and one each in three towns on Sundays and then five separate towns during the week including Las Vegas.

Robert is married to a Las Vegas girl and has two children, a boy age 2 years, 8 months and a girl age 8 months. They reside at 111 South Avenue F and he is presently conducting services for the Spanish speaking people in room 12 at the Abernathy Church

City Garden Club

The City Garden Club met February 8, in the City Hall club room with Mrs. Ed Heath as hostess.

Mrs. Brown and Mrs. Harrel gave a very interesting program on how to grow chrysanthemums and different varieties. Refreshments were served by the hostess to Mmes. H. H. Selke, S. R. Jackson, Orval Weaks, H. H. Vineyard, W. V. Halford, Ira Lee Harrell, T. O. Brown, W. S. Wilson, A. B. Myatt, H. B. Coggin, T. A. Brewer, Bonnie Beard, R. B. Smith, Floyd Shipman and H. A. Oliver. The next meeting will be February 22. The program will be given by Mrs. Carr on "Crepe Myrtle and Tips on Culture." Mrs. T. A. Brewer, Reporter

News From The Church Of Christ

Our Gospel meeting began Sunday, February 11 with Brother Coiman from the Colgate Church of Christ, Lubbock, leading the services. Services this week will commence at 7:30 p.m. and Sunday, at 10:00 a.m. and 6:00 p.m., respectively.

We invite you to worship with us.

Ladies Bible Class

Wednesday, Feb. 7, the ladies of the congregation had work day. Luncheon was served to guests, Bro. Freeman, Bob Payne, Eugene Davidson, E. L. Cain, and Mrs. Marvin Patterson. Twenty-seven attended.

L. C. C. Students

Wednesday, Feb. 7, Richard Dent and Jim Randolph from Lubbock Christian College spoke to our congregation. Brother Dent presented a very impressive sermon, "Power of Prayer."

Jr. High and Sr. High Students

Approximately seventy Jr. High and Sr. High students and guests attended the dinner given in their honor Thursday evening at 7:00 p.m. in the City Hall club room. Cline Faden, minister of the 10th and Utica Church of Christ, Plainview, spoke on "The Unseen."

Skating Party

Some forty-five 3rd through 5th graders enjoyed a skating party

AHS Freshmen Boys Entered In Estacado Tourney

The Abernathy freshmen boys basketball squad is entered in the Estacado Junior High tournament at Plainview this weekend, February 15, 16 and 17.

The tourney will be a "round robin" rather than a double elimination event due to time conflicts, it was announced.

Play will open at 5:30 p.m. Thursday (today) in the Estacado gym at 2200 West 20th St., when the Muleshoe and Tulia freshmen teams clash.

At 6:45 p.m. Coronado and Floydada meet, to be followed by the Abernathy-Estacado match at 8 p.m.

Abernathy takes on Floydada to open Friday's action at 5:30 p.m. Estacado and Muleshoe meet at 6:45, and the 8 p.m. game will match Coronado against Tulia.

In Saturday's action, Abernathy and Tulia clash at 5:30 p.m., to be followed at 6:45 by the Coronado-Muleshoe tilt. The Estacado-Floydada game at 8 p.m. will close out tourney play.

Trophies for the top teams will be awarded, and an all-tournament team will be selected.

Last Monday evening at Haney's Roller Rink in Lubbock.

Depreciation And Income Taxes

Depreciation takes its toll from farm machinery, buildings and other farm investments every year. It's just simple economics that capital goods lose value as they age. There is a bright spot, however, because farmers can deduct this depreciation from their income tax, says C. H. Bates, extension farm management specialist.

All farmers, whether they complete their own tax returns or provide information to an accountant for filing, should study the choices on depreciation available to them. A copy of the 1962 Farmers Tax Guide, which may be obtained from the local county agent, provides an explanation of the alternatives available. The discussion in Chapter 9 of the Guide explains how each of these choices can effect the amount of tax to be paid in a particular year.

A rather recent change in the tax law allows what is called Additional First Year Depreciation. This is a flat 20 percent deduction allowed the first year on personal property used in farming (or business) provided the assets have a useful life of six or more years. The total amount on which this deduction can be taken is \$10,000 on a single tax return, or \$20,000 on a joint return, explains Bates.

For computing regular year-to-year depreciation, the farmer has a choice of three different methods. If the Straight Line Method is used, the farmer subtracts a reasonable salvage value from the cost of the asset, and then divides the remainder by the number of years of estimated useful life. This gives the annual depreciation allowance, which is the same amount every year.

Under the Declining Balance Method, the rate of depreciation on new assets is double the rate

used in straight line methods. For example, on a tractor having 10-year life, the depreciation is computed by taking 20 percent of the cost as the first year's allowance. This is then subtracted from the cost, and 20 percent of the remainder is the second year's allowance. Bates points out, No salvage value is required under the Declining Balance Method since there is a "remainder" after 10 years deductions.

The farmer's choice of the Declining Balance Method of other fast write-off on an asset would depend on his need of larger deductions. For example, in a year of unusually good income, a tractor, combine or other asset bought could be placed on this method, thereby doubling the depreciation.

Conversely, if the year's income is small, any asset bought could be placed on the Straight Line Method, thereby holding the depreciation to the lowest possible level.

Farmers should also remember that depreciation may be taken on breeding stock. It should be claimed on those animals that are purchased at a cost considerably above what they will bring when discarded from the herd.

It is believed that many farmers can manage to claim larger deductions on their business assets, thus reducing their tax obligations, says Bates. Get a copy of the 1962 Farmers Tax Guide and study the choices you have in claiming this important business deduction, he suggests.

PETE WILSON WAS SPEAKER RECENTLY AT LAKEVIEW CHURCH

Pete Wilson, Lay Leader for Abernathy First Methodist Church and teacher of the Men's Sunday School Class, was guest speaker recently at a Wednesday night meeting at the Lakeview Methodist Church.

Wilson, is athletic director at Abernathy schools, and is coach of the girls basketball squad.

Junior High Band Entered In Hale Center Festival

The Abernathy Junior High School Band will attend the Hale Center Band Festival Saturday. Critic judges will be Chief Davidson of Plainview, Dean Killion of Texas Tech, Dr. Ted Crager of West Texas State, and Floren Thompson of Eastern New Mexico.

The Abernathy band is scheduled to be in the band hall at Hale Center at 9 a.m. for warm-up, play their concert selections in the auditorium at 9:30, and sightread at 10:00. Concert pieces are: Festive Spirit March, The Swan, and the Hermit of Killdare Overture. At 1:00 p.m. there will be a downtown parade of the bands with a trophy to be awarded the best marching band in each class. Abernathy will be competing with junior high bands from Floydada, Olton, and Lockney.

The Aubrey Franklin family has moved from a farm east of town to their home at 411 14th St., in Abernathy.

Mrs. Jim Morgan and sons, Pat and Brent, of Killdare are visiting here this week in the home of her uncle, Douglas Chapman, L. J. Morgan, who is in Army duty at Fort Hood, is to visit here this weekend.

Mr. and Mrs. Paul Bernhardt and family visited with the Gene Bernhardts over the weekend. Gene is employed at Tuco.

Bowling News

A Bowler of the Month contest got underway at A-1 Lanes last week and will continue through May 26, according to Jimmy Her-ring, manager.

Weekly winners, both men's and women's Class A and B, for each of the four weeks in the month, will bowl a 3-game series to determine the four bowlers of the Month.

Last week's top bowlers were: Class A: Men — Ted Wayne Watts, 714; Women — Christene Lebow, 650.

Class B: Men — Irvan Rhodes, 644; Women — Juanita Phillips, 595, and Bill McBeth of Hale Center, 595.

Mixed Couples Friday
Fourteen teams have signed up for the Friday night Mixed Couples League which started last week.

The Family Night bowling which had been observed on Friday nights has been changed to Saturday, from 7 p.m. until closing time. At that time the whole family can bowl for only 30 cents per line per person.

Vernon Rogers of Abernathy who bowls for Webb Advertising in a Friday night league in Lubbock recently posted a 721 series in that league. He had games of 241, 219 and 258.

Heart Sunday Set Feb. 25th

Mrs. Bob McKinney, county chairman for Hale County Heart Council, has named community chairmen for Heart Sunday, Feb. 25.

Included are Mrs. Bobby McAlister, Abernathy; Mrs. Kenneth Burnett, Cotton Center; Mrs. Leon Melton, Edmonson; Ivy Moon, Hale Center; Merwyn Igo is community chairman for Halfway, which is holding a community effort on behalf of the Heart Fund for the first year. Mrs. W. H. Finkner is chairman at Petersburg.

The 1962 Heart Fund campaign

will continue through February reaching a peak on Heart Sunday, when volunteers will call on the homes throughout the county seeking contributions.

Gifts may also be mailed to Hale County Heart Council, Plainview.

Abernathy Chairman

Mrs. Bobby McAlister, Abernathy chairman, announced early this week that four captains for the local drive have been secured. They are Mmes. Billy Skipper, Paul Noland, Mayo Loper and Lon Carmickle.

Mrs. McAlister stated that anyone desiring to make a contribution or donation may contact her or any of the captains.
