Per Copy

VOLUME 41 -- HALE COUNTY -- ABERNATHY, TEXAS -- LUBBOCK COUNTY

THURSDAY, FEBRUARY 23, 1962

NUMBER 16

**BASKETBALL CO-CAPTAINS**, Janice Adkisson, left, and Betty Johnson, both seniors on the AHS varsity girls basketball squad, pictured above. Betty proved to be a valuable asset to the team as she scored 1059 points during the 33 games played, while Janice proved to be just as valuable as an outstanding guard, displaying remarkable spirit and leadership throughout the season.

## Young Farmer Chapter To Be Organized Here

The first organizational meeting of the Abernathy Young Farmer Chapter will be held at 8 p.m. Tuesday, February 27, in the Agricultural Building at Abernathy High School.

The purpose of this meeting is to explain the Young Farmer program to all interested young farmers in the community, to elect officers for this year, and to set up committees whose duty will be to plan the activities for the coming year. The age for active membership is 18 (and out of school) to 36 years of age.

Anyone of eligible age and interested in agriculture may join a Young Farmer Chapter. This includes part time farmers, young men engaged in agriculture-related occupations, professional agriculture workers, etc.

Jerry Adams, AHS vocational agriculture instructor and local advisor of the Young Farmer Chapter, outlined the purposes on which this chapter shall be formed:

1. To develop skills and to gain information on new and improved methods of production and marketing;
2. To keep informed on matters affecting people engaged in farming and ranching and in agriculture-related occupations;
3. To provide wholesome social and recreational activities;
4. To plan and carry out activities designed to improve our home and community;
5. To plan and carry out a program for recognizing and honoring local members and others for outstanding achievements in the field or agriculture; and
6. To support the FFA and other groups working for improvement of agriculture.

All persons interested in becoming members of the Abernathy Young Farmer Chapter are urged to attend this first organizational meeting. Mr. Adams stated that membership is voluntary.

Two outstanding young farmers from Lockney and one of the vocational agriculture instructors from that city will be here Tuesday night to assist the local group in organizing. Among the three will be Eddie Fortenberry, immediate past president of the Lockney chapter and newly elected State Officer for Area I.

Lockney received the honor of having the outstanding Young Farmer Chapter in Texas last year.

Background

As far back as the early 1940's clubs were organized under sponsorship of local vocational agriculture teachers that proved to be

(Continued on Page 5)

### Brief Is Filed In County Case

Defendants in the case of Frank Moore vs. Rayburn Karrh et al have filed a reply to plaintiff's request for admission of fact.

The brief was filed last week with Hale County 64th District Clerk in Plainview.

In his suit Moore seeks to join the Hale County Commissioners Court from making what were alleged to be unlawful payments out of county funds.

In the reply filed on behalf of the defendants by Gene Owen, Plainview attorney, the defense admitted to paying bonuses to county employes in 1958, 1959 and 1960, but as in all other admissions of fact stated that such payments had been discontinued.

Admitted were payment of \$1,200 and \$500 to the Plainview Baseball Association, payment in support of the Little League baseball program, purchase of groceries for indigent persons, payment for aid to the Plainview Negro Nursery, use of courtesy cards for purchase of some gas and oil for county vehicles, and to the Plainview Chamber of Commerce for purchase of Christmas decorations.

Moore's original petition named Rayburn Karrh, Marvin Churchwell, Homer Roberson and Doc Brown, Hale County commissioners; former Hale County Judge Lee Nowlin and former Precinct 1 Commissioner J. W. Odell.

Nowlin and Odell earlier had been dismissed from the suit on their pleas that they could not be enjoined because they no longer held offices.

The defense denied that salary raises given commissioners were illegal.

A question now posed is whether there is sufficient likelihood of recurrence of illegal payments to warrant an injunction.

## Jr. High Band Wins First In Hale Center Parade

The Abernathy Junior High School Band won the first place trophy at the Hale Center Festival parade Saturday, coming in ahead of the Floydada Junior High School Band, the only other entry in the same class. Junior high school bands from Lockney and Olton did not enter the parade.

The band also participated in concert-playing and sight-reading for criticism only. This was a pre-contest festival in which there was competition only in the street parade.

The critic judges suggested more work on breath control and tone quality. The sight-reading judge commented that the band needed to spend much more time on 6/8 marches.

Next activity for the junior high band will be the contest in Abernathy on April 14, including concert-playing, sight-reading, solos, ensembles, and twirling. Everett Maxwell is director of the band.

Robert Gayle Adams was brought home from Methodist Hospital Friday and is reported to be doing nicely. He is the 17-year-old son of Mr. and Mrs. Robert L. Adams, Abernathy. There were no broken bones, as was first reported.

### School, Community Reunion Plans Are Discussed; Meet Set

A committee met at the school Monday night to discuss plans for the Abernathy ex-students and former residents reunion to be held in late summer, possibly on August 4.

Ex-student Association president, Joe Thompson, called the meeting to get tentative plans underway. Those attending were Joe Thompson, president; J. D. Webb, executive secretary; Mrs. Buford Davenport, secretary; Superintendent of Schools Noel Johnson and High School Principal Ralph Stevenson. Gid B. Adkisson, Jr. is vice-president of the ex-students association.

Letters are being sent to about fifty people, representative of each class, asking them to attend a meeting on March 1 to make further plans for the reunion.

### Photo Deal At Harold's

A special photo deal is under way at Harold's Super Save in Abernathy Wednesday and Thursday, February 21-22.

With the purchase of any White King product, you receive an 8-10 portrait, a \$5.90 value for only 99c. Persons of any age may have their photo made on this offer. Limit is one to a family. There is a nominal charge for group photos.

Also, on these dates, there will be a children's photo contest at Harold's. Rules and regulations and prize information will be posted in the store.

**JAMES A. TURMAN**  
James A. Turman Announces For Lt. Governor

James A. (Jimmy) Turman of Fannin County, Speaker of the Texas House of Representatives, has begun his active campaign for Lieutenant Governor.

Speaker Turman said his decision to run for Lieutenant Governor was "based on the sincere belief that my record as a legislator and as presiding officer of the House qualifies me for the duties of the Lieutenant Governor—to preside over the State Senate in a fair, effective and democratic manner and to help preserve the God-given personal and political rights and liberties of all our citizens."

Paul Noland moved to 811 4th Street.

Mr. A. Zeman was taken to West Texas Hospital, Lubbock, by Chambers ambulance Friday.

Mrs. Woodrow Kitchens moved to 908 16th Street.

### Earth - Moving Machines Used For "Joy Ride"

Two huge earth moving machines were used for joy riding in the Abernathy vicinity Friday night.

The 17-cubic yard capacity carryalls belonging to Bryan-Hoffman, Plainview contractors, were taken from their road construction parking places east of Abernathy sometime during the night.

The machines are being used on the FM 2060 paving project from Abernathy to the airport 5.5 miles east of town.

Saturday morning one was found near where it had been left by its operators. It had been driven up and down the road. The other one was a mile away stuck fast in a field flooded by irrigation water.

Deputy Sheriff Ped Hunt who with Abernathy officers investigated said the rubber tired machine was driven over irrigation ditches, cutting them and releasing considerable water to waste. A crew using tractors had difficulty freeing the heavy piece of machinery from the mire.

The carryalls are powered by diesel motors. Officers here said tampering with or damaging such equipment is a federal, as well as a state offense.

Officers were continuing their investigation.

### Jan Exum Selected Beauty Queen On Wayland Campus

Miss Jan Exum, daughter of Mr. and Mrs. Fred Exum of the County Line community, was chosen 1962 Campus Beauty Queen at Wayland Baptist College, Plainview, in the recently held annual Beauty Pageant.

Nominee of the Circle K Club, Miss Exum is a freshman, of which she is class secretary. She is a 1961 graduate of Abernathy High School.

ture even had some youngsters casting longing glances at the swimming pool.

The Rec Center needs more members. Low cost recreation can be provided for the entire family with the family membership plan. And, there are several easy-payment plans for obtaining the membership. For this information, contact Dr. John W. Hale, Rec Center president; Eddie Guarrant, secretary; or Harvey Lutrick, treasurer.

Work has started on paving FM 2060 from town to the Rec Center.

In the Spring of 1960, there was a rash of dog poisoning in Abernathy. Following one of the dog poisonings, we ran a fictional story under this banner headline: "3-Year-Old Abernathy Girl Is Murdered." It was an effort to awaken the dog poisoners to the hazard they were creating by putting out the lethal bait.

Last week, through the local office of Pioneer Natural Gas Co., we had a request for a copy of the fictional story. Bob Nelson, who was with Pioneer Natural Gas Co. here, and now is with the firm in Midland, made the request. Midland currently is being plagued with dog poisoning episodes, Bob said.

In February, 1961, Brent Wolf, then 2 years old, was attacked by a large dog in Abernathy and nine stitches were required to close facial wounds. He is the son of Mr. and Mrs. Wayne Wolf.

There are more dogs roaming the town now than at any time since Abernathy's dog ordinance went into effect.

B. J. D.

## Johnson And Adkisson Lead AHS Fems To Fine Season

Betty Johnson and Janice Adkisson, co-captains of the AHS girls basketball squad this past season, led the local varsity unit to the second place spot in the district race with seven wins against three losses.

In compiling a season record of 25 wins and 8 losses, the local team captured first place in their own tournament here in early December and won three place trophies in two other tournaments—the Hale Center tourney, and the Hardin-Simmons tourney for high school girls at Abilene.

In the game against Old Glory in the second round of play in the Hardin-Simmons tourney, Miss Johnson set a new tournament scoring record and also a tourney free throw record. The 5-10 AHS senior sank 31 of 39 free throw attempts and added 14 field goals for a whopping 59 points. She almost reached that mark again in the last game of the season when she scored 57 points against Morton.

Betty scored a total of 1059 points in the 33 games this season, averaging just over 32 points per contest. Illness during December brought her scoring down considerably, and she had three games in which she scored less than 20 points—13, 15 and 13. During the season she scored 40 points or more in nine ball games, scored in the 30's in nine, and hit in the 20's in 12.

Janice, a 5-6 senior guard, was a unanimous choice for all-district honors this season. She has been a fine team leader throughout the season, and as one of the coaches remarked, "She has the greatest leadership I have ever seen displayed by a high school girl; not only in basketball, but also in band, in her school work and other activities."

Pete Wilson, athletic director and AHS girls basketball coach, remarked Janice did a tremendous job and was a fine team leader this season. He added that she did a terrific job for her size (only 5-6), played smart ball and was a smart rebounder.

Immediately following the game at Morton last week, Abernathy's last game of the season and Coach Pete Wilson's final game as mentor at AHS, the game ball was presented to Coach Wilson by the local varsity girls. Each girl autographed the ball before the presentation was made.

Following the games, the teams were taken to a cafe in Morton for an after-game meal. A group

of Abernathy fans gathered there also, and presented Coach Wilson and his wife a set of golf clubs.

Coach Wilson resigned his position as athletic director and girls' coach, to become effective at the end of this school year. Future plans have not been announced.

Coach Wilson recently resigned his position as athletic director and coach, to become effective at the end of this school year. He added that he and Mrs. Wilson will always remember the nine years in Abernathy as "good years." They will always remember the fine expressions of friendship of their friends, and feel that Abernathy will always be "home" to them.

Coach Wilson stated they wish for the school and community a bright future.

## Three AHS Cagers Named To 2-AA All-District Units

The boys and girls All-District basketball teams in District 2-AA were released early this week by AHS athletic director, Pete Wilson.

Abernathy landed one boy and two girls on the mythical first-teams, but failed to obtain a spot on the second units. Two local girls made honorable mention, and three local boys were named to the same honors.

Larry Florence was the only Antelope to make the All-District unit. The all-around player was joined by Rodney Teague of Floydada, Jim Young of Muleshoe, and Lavon Baughman and Robert Holland of Lockney.

Betty Johnson and Janice Adkisson, co-captains of the local girls squad, were both named to the girls All-District team. Betty made All-District along with other forwards, Karen Ashton of Lockney and Mary Wedel and Trudy Davis of Muleshoe.

Janice was named to the guards' All-District first team, along with Gladys Thomas of Olton, and Donnie King and Brenda Melson of Muleshoe.

**Honorable Mention**  
Abernathy placed one senior and two juniors on the boys' honorable mention unit. They included Robert Pope, senior, and Eddie Davis, junior.

**Rec Center Sets Annual Meeting**  
All members and prospective members of the Abernathy Recreation Club are urged to be present at a meeting of the club to be held Friday, Feb. 23, at 8:00 p.m. in the City Hall club room.

There will be an election of officers and a financial report will be given.

Refreshments will be served and a pleasant and profitable evening is anticipated.

Floyd Lebow moved to 904 13th Street.

### New Deal School Board Orders Trustee Election

The New Deal School Board has ordered the annual School Trustee election for Saturday, April 7.

Superintendent Dalton James reported that the deadline for filing for trustee is 30 days prior to the election, or 5 p.m. Wednesday, March 7. Forms for filing are available in the superintendent's office.

The terms of E. C. Parrish, John Reagan and Louis McMenamy expire this year.

### Elliott Named Demo Chairman In Hale County

C. P. Elliott, Plainview, succeeded Mrs. J. W. Walker as chairman of the Hale County Democratic Committee at a meeting of the group in the 64th District Courtroom in Plainview last week.

Mrs. Walker, now a candidate for Hale County judge, submitted her resignation to the committee which accepted Elliott for several years. E. M. Ballengee was appointed to act as chairman for the first Democratic Primary May 5.

The county committee set candidate filing fees at 2.75 percent of the first year's salary of the office they seek.

Candidates will draw for places on the ballot on March 19, Winnie Karrh, committee secretary, pointed out.

Paul Noland moved to 811 4th Street.

Mr. A. Zeman was taken to West Texas Hospital, Lubbock, by Chambers ambulance Friday.

### BIRTHS

Mr. and Mrs. David Boatman of Lubbock are parents of a son, named Guy Victor, born February 12. The baby weighed 6 pounds 11 ounces and was 19 1/2 inches in length. Grandparents are Mr. and Mrs. Guy Wilson Thompson of Plainview and Mr. and Mrs. C. O. Boatman of Floresville, Texas.

**BANK AND POST OFFICE CLOSED  
HERE FEB. 22**

Abernathy First State Bank and the post office will be closed Thursday, Feb. 22, George Washington's Birthday. There will be no rural mail delivery that day.

The Review was published and distributed a day ahead of the usual press day due to the postal holiday.

## Track, Tennis, Volleyball Now In Limelight At AHS

Track, tennis and volleyball activity got underway last week at Abernathy schools. With the district track meet only six weeks away, and the tennis and volleyball district matches only a month away, the coaches and participants have a lot of work to accomplish in a short period of time.

Waydelle Hill, high school track coach, has 23 boys in the top three grades participating in track and field events. As the freshmen basketball team had a games did not begin workouts in track until early this week. There are 20 or more freshmen who began workouts Monday.

New track uniforms have been purchased and arrived recently. The jerseys are white with the word Abernathy written across a maroon flying "A" on the front. The trunks are maroon with two white stripes down each side and around the legs.

One of the coaches stated that "we may not win any races, but we'll look sharp."

The high school tracksters, other than freshmen, have four meets scheduled thus far prior to the district race. They will journey to Brownfield next Saturday.

Mrs. Woodrow Kitchens moved to 908 16th Street.

March 3; will participate in the Windward Relays in Lubbock Saturday, March 10 (sponsored by Floydada); are slated to participate in the West Texas Relays at Odessa March 16-17; and will take part in the Hale Center Relays March 24. The District 2-AA meet is slated for Friday, April 6, at the Texas Tech track in Lubbock.

No freshmen meets have as yet been scheduled, but it is expected that some will be scheduled in the near future.

The local junior high school boys, under the coaching of Bobby Dyess, began track workouts last Thursday.

**Tennis**  
Twenty high school students began workouts Wednesday last week, according to tennis coach Sherry Oswalt. Team tryouts will be held Thursday and Friday to determine those who will represent Abernathy in the district meet here March 23.

The Junior High district tennis meet has been set for March 22, and will also be held here.

**Volleyball**  
Girls volleyball workouts got underway this week at AHS. The district volleyball meet will be held at Olton, March 24.

## GSPA To Hold Area Meeting Here Monday Night

By O. F. Rea  
An area meeting of the Grain Sorghum Producers Association is to be held Monday night, February 26, at 7:30 in the Abernathy School Cafeteria. Refreshments will be served. All farmers are urged to attend. Mr. Billy F. Sylvester, a prominent young Plainview farmer, is to present the program.

Several farmers of this community served on a committee which recently met to plan the meeting. The committee consisted of the following local farmers: Joe Barton, W. C. Bryant, Fred Crenshaw, Elbert Harp, Thomas Johnston, Lewis Luttrick, Harvey Luttrick, Joe Lovelace, Virgil Phillips, Chester Pearce, W. T. Settle and Ted Wayne Watts.

Window placard in a New York pet shop: Lonely kitten desires position with little girl—will do light mousework.

## Stock Show Date Set

By O. F. Rea

The annual 4-H Club and FFA Project show has been set for Tuesday night, March 13, at 7:30. The place will be the same as last two years, the excellent facilities at Abernathy Gin Co., in the two buildings just west of the gin.

**Steer Division**  
In the steer division there will be two classes, heavy and light; the exact weight in these classes will be decided after the steers have been weighed. There will be two classes of heifers, one for Angus breed and one for the Hereford. Prize money in the steer division will be \$15.00, \$10.00, and \$5.00 for 1st, 2nd and 3rd respectively, and Grand Champion and Reserve Grand Champion will receive trophies. Ribbons will be

Photos by Winston Lucas, Irving, Texas.  
TOP ROW, from left: Fritz and Rowayne, Mr. and Mrs. Rudolph Struve; Alan Len, Mr. and Mrs. Donnie Beard.  
BOTTOM ROW: Tom, Mr. and Mrs. Frank Megna; Amanda, Mr. and Mrs. Harold Stillwell; Melinda, Mr. and Mrs. Loyd Rumbaugh.

given in the individual classes through 5 places. In the heifer classes, prize money will be \$10.00, \$7.50, and \$5.00 for 1st, 2nd, and 3rd respectively.

**Fat Barrows**  
In the fat barrow division, 3 classes will be established after the barrows are weighed. All breeds will show together in these 3 classes. The prize money will be \$5.00, \$3.00 and \$2.00 for 1st, 2nd and 3rd respectively. Ribbons will be given through 8 places. A trophy will be given for the Grand Champion Barrow. All open gilts will show together in one class; the prize money and ribbons being the same as in the barrow division.

**Sheep**  
In the sheep division, there will be three classes, one for fine wool, one for medium wool, and one for Southdown and Southdown Crosses. The prizes will be the same as for the barrow (fat) division and 3 class champions will each receive a Champion Rosette.

**Prizes and Awards**  
Prize money of \$3.00, \$2.00 and \$1.00 for 1st, 2nd and 3rd, plus ribbons will be presented for the poultry and rabbit division with the classes to be established later.

Any other project that the junior exhibitor has may be exhibited although no classes and prizes have been set up for them.

**Special Notice:**  
In classes where the judge does not feel the animal is worthy of Blue or Red Ribbon he shall give an appropriate placing and prize money.  
Those present on the planning committee were: Pete Thompson, chairman, Richard DuBose, Fred Blumenstock, Joe Lovelace, Bobby McAlister, Golden Furgerson, E. L. Kolley, Glen Hammond, Elton Settle, Lonnie Brownlow, Carl Phillips, Delton Stone, Roy Jones, Ralph Stevenson, Ellis Turner, L. G. Montgomery, Don Presley, Abernathy Vocational Agriculture instructor Jerry Adams, Assistant County Agent Peyton Scott, and County Agent Ollie Liner.

## Postal Workers Salary Rally Set In Lubbock

A salary rally of all postal employees in the 19th Congressional District has been scheduled for February 23 at 8 p.m. in the First Methodist Church in Lubbock.

Riley White, president of the letter carriers in Lubbock said more than 500 persons are expected to attend.

Dean E. Sovers, field director of the Letter Carrier's Assn. for the Denver-Wichita region, will be the speaker.

The meeting will be open to the public and all postal employees have been urged to attend. Frank Eddleman is chairman of the committee for the rally. C. C. Cave is publicity chairman.

Eddleman said the rally was to create public interest in the postal salary situation.

The U. S. Senate Post Office and Civil Service Subcommittee is conducting hearings on postal pay bills at this time and several pieces of legislation on the subject have been introduced in the U. S. House of Representatives.

In Texas approximately 755 persons keep up to date on school administrative problems by attending monthly in-service education meetings of school superintendents.

## News From The First Baptist Church

The First Baptist Church was in revival last week. Attendance was good for all services. We appreciate the attendance and support of other churches in the area.

**Mission Report**  
The Baptist Spanish Mission will meet at 5th and Ave. K until the new church is built just east of Service Grain Co. elevator. The temporary phone number is 298-2677 which will serve until a phone is installed.

The Latin-American Mission met for Sunday services for the first time, this week. There were 20 present.

**Associational Study Course**  
An Associational Study Course is being taught this week at First Baptist Church, Shallowater. Five people from Abernathy are teaching. Classes are at 7:30 each evening, Monday through Thursday, February 19-22.

We'll resume our regular schedule for Wednesday evening services with the meal at 6:15 p.m.

"Oh, Miss Young," she sobbed, "why aren't you smart enough to teach me again this fall?"

**MRS. MARSHALL TEAFF**  
(nee Lenora Ruth Manley)

Miss Lenora Ruth Manley, daughter of Mr. and Mrs. G. W. Manley of County Line, became the bride of Marshall H. Teaff, Sunday, February 11, in the County Line Baptist Church. Teaff is the son of Mr. and Mrs. A. B. Teaff of Abernathy. Both are graduates of AHS.

**School Funds In Good Shape Report Reveals**

During the recent School Board meeting, it was reported by Superintendent Noel Johnson and business manager Earl Carter that the condition of the school's operating funds was such that no short-rate interest was paid at the bank during the past calendar year.

In some years past this had amounted to over \$2,000 per year, but had been steadily reduced the last three years.

Superintendent Johnson said that officials of the First State Bank have been very cooperative in helping the school district invest the unexpended amounts of the building fund.

The building fund now has an unexpended amount of \$25,000 on time deposit with the First State Bank at 3 1/2 per cent interest. By special arrangement with the bank, higher amounts were earned on 90-day government bills. The highest rate that the school district was able to make for a short time during the construction period was 4.54 per cent.

The January 31 report to the School Board showed that the amount of interest earned on the April 1959 sale of bonds has netted the school district \$29,752.75 since that time.

**Tax Collections**  
Business manager Earl Carter reported that the school district has collected 97.91 per cent of the current tax roll for 1961.

Architect Atmar Atkinson met with the School Board during the February 12th meeting and gave a report on the overall condition of the new buildings completed last year. Some of the spaces are still under the one-year contractor's warranty.

It was reported that in general the buildings appear to have been well built and are performing as expected.

**Public Schools Week**  
It was noted that Texas Public Schools Week has been designated for March 5-9, and that a special invitation will be extended to the public to visit their schools during that period.

Back to School Night at the Abernathy schools has been set for Monday, March 5.

**New Bus**  
In the procedure of business the School Board members voted to buy a new 60 passenger bus this year.

The Review wants your news.

**Local 8th Grade Teams Defeat Floydada Units**

Abernathy's eighth grade boys and girls basketball teams ended their current season here last week in games with Floydada. Both local units were victorious.

The local boys played Wednesday afternoon, and captured a 29-20 win. They were led to victory by Larry Crowder who dunked 10 out of 12 free throws and added a couple of field goals for 14 points. Mike Tannehill scored 6 points, Lane Wade 4, Pat Hale 3, and Rondall Preston 2.

The Abernathy lads ended the season in second place in the district race. First place in the district was won by the Lockney eighth graders.

**Girls Win**  
The local eighth grade girls handed the Floydada eighth graders their first defeat of the season, playing here Thursday evening and winning 28-22. Floydada won district and also captured first place in the Hale Center Junior High tourney in remaining undefeated until the last game of the season.

The score was tied 5-5 at the end of the first quarter, then Abernathy went ahead 15-13 by half-time and held a 20-15 margin going into the final quarter of play.

Cindy Wilson paced the local girls with 18 points. Dottie Wynne contributed 8 and Marilyn Teaff added 2. Guards Cindy Shadden, Cindy Hurt and JoAnn Lovelace played well also.

**Good Season Record**  
The eighth grade girls ended the season with 13 wins against 6 losses. They won third place in district with a 4-4 record.

The seventh grade girls had a 5-3 season record. Combined, the two teams of Miss Sherley Oswald had a season record of 18 wins against 9 losses.

**High Participation**  
Out of 86 girls in the seventh and eighth grades in Abernathy Junior High, 61 came out for basketball this past season, and all 61 got to play in matched games.

The 61 girls who participated in basketball represented about 71 percent of the total number in the two grades.

Mike Ritchey was home over the weekend from Sul Ross College, Alpine, and assisted in the Sunday morning worship service at Abernathy First Methodist Church. He is a son of H. T. Ritchey.

**Harp Appeared On Soil Fertility Program Monday**

Elbert Harp, a local farmer, appeared on the Hale County Soil Fertility program in Plainview Monday at the National Guard Armory. He discussed grain sorghum and the activities of the Grain Sorghum Producer's Association.

Harp, a farmer in Hale County who resides 5 1/2 miles north and 1 mile west of Abernathy, is a native of Hale County and has always lived on this particular farm.

Harp is Secretary-Treasurer of the Grain Sorghum Producer's Association, a position he has held since 1957. He is a Director of the U. S. Feed Grains Council and Chairman Latin-American Task Force.

He is also active in other agricultural connected activities and organizations as well as community and church responsibilities.

Weldon Crow of Red River, N. M., visited relatives and friends here last week.

### Clayton Enger Heads Lubbock Co. Gas Users Assn.

Clayton Enger, Abernathy farmer, was elected president of the Lubbock County unit of the Plains Irrigation Gas Users Association Thursday night at an organization meeting at the Slide Road Clubhouse in Lubbock.

Earl Weaver, Idalou, was named vice president and A. B. Allen, Lubbock, was elected secretary-treasurer. Frank Guess, Idalou, was elected alternate director to the area association.

Enger, who had served as temporary county chairman before the Lubbock unit was formed, will be the county's director to the area organization.

Officials of the area association, which now is composed of 13 counties, reviewed the activities and purposes of the organization.

David Burges, Tullia, Area president, pointed out that a primary goal is to get legislation which would permit irrigation farmers to appeal natural gas rate increases to the Texas Railroad Commission.

Bruce Parr, Friona, an area director, explained that the association is financed by voluntary contributions of \$2 per well.

John Aiken, Hereford attorney and legislative counsel for the organization, predicted that legislation which would put the price of natural gas for irrigation wells under supervision of the Railroad Commission will pass the next session of the Texas Legislature.

"I think we'd have gotten such a bill passed at the special session of the Legislature last month if time hadn't run out on us," he said.

About 50 persons attended the meeting.

C. R. Hobgood moved to 1311 Avenue L.

### Miss Burnett, Mr. Nesbitt Are Married Here

Miss Rita Sheridan Burnett and Duain Paul Nesbitt exchanged double ring wedding vows in a candlelight ceremony read at 8:30 p.m. Friday in First Baptist Church by Rev. Boyce Evans, pastor.

Parents of the couple are Mr. and Mrs. George Burnett, Route 2, Abernathy, and Mr. and Mrs. Paul Nesbitt, 1203 13th St., Abernathy.

The bride, given in marriage by her father, wore a chanel yellow wool suit accented with black with matching accessories. She carried a bouquet of yellow and white sweetheart roses atop a white Bible.

Miss Frances Ann Burnett, sister of the bride, was maid of honor. She wore a street-length dress of green brocade with matching accessories. Her corsage was of yellow roses.

Paul E. Nesbitt, father of the groom, was best man.

Mrs. W. C. Clement presented the wedding music.

Following the ceremony, a reception was conducted in the home of the groom's parents, with Miss Jonell Cosby of Tullia and Miss Frances Ann Burnett assisting with hospitalities.

After a short wedding trip, the couple will be at home at 1906 8th St., Lubbock. The bride is a graduate of Abernathy High School and is employed at Western Fire and Indemnity Insurance Company in Lubbock. Her husband graduated from Abernathy High School and has attended West Texas College, Canyon, and is presently a student at Lubbock Christian College. He is employed by Bell Dairy at Lubbock.

Harold Brown moved to 1605 Avenue F.

Roy Blevins moved to 712 14th Street.

### County Line Chit Chats

By MRS. A. H. KLAFFA

Mr. and Mrs. Estan Blackmon of Andrews spent the weekend with Mr. and Mrs. G. W. Blackmon and attended the ball game at Texas Tech Saturday night.

G. W. Blackmon, Elton Blackmon and Donald Blackmon attended the funeral of their uncle, J. W. Mixon, in Altus, Okla., Sunday afternoon.

Mr. and Mrs. E. M. Crow and Mr. and Mrs. Pete Knox and family of Abernathy left Sunday morning for a week's visit to Temple and Baytown.

Mrs. Mathew Goodrich left last Monday to visit her mother, Mrs. Nettie Ingram, in Durant, Okla. Mrs. Ingram underwent surgery Wednesday.

Mr. and Mrs. R. D. Presley and Angela and Mr. and Mrs. Don Presley and family visited with Mr. and Mrs. W. J. Presley and family in Lovington, N. M., Sunday afternoon.

Mrs. Verlon Barron underwent surgery in Methodist Hospital, Monday and is doing fine.

Mr. and Mrs. Hilburn Barrick and Mr. and Mrs. Kit Medlin visited Mr. and Mrs. Jack Connell Sunday afternoon.

Mrs. J. W. Hamilton came home Saturday after a 6-day stay in the West Texas Hospital in Lubbock.

Mr. Fred Floyd of Banning, Calif., visited in the home of his nephew, Mr. and Mrs. Marvin Floyd, Monday.

### Heart Sunday Set Feb. 25th

The 1962 Heart Fund campaign will continue through February reaching a peak on Heart Sunday, Mrs. Bobby McAlister, Abernathy chairman, announced early this week that local volunteer captains and workers will call at all homes in Abernathy Sunday.

She added that those wishing to donate personally may notify her at 411 Ave. G., phone 298-2855.

### P-TA Holds Meeting Here

In a deviation of the annual observance of Founders' Day, the Abernathy Parent-Teachers' Association's past presidents were honored February 13 in the school cafeteria during a regularly scheduled meeting.

A panel composed of Mrs. John L. Herral, Mrs. J. A. Bruce, and Mrs. Dan Z. Ward discussed various community goals attained through cooperative work of P-TA members.

One interesting comment made by Mrs. Herral was, "A meaningful custom we once used each Founders' Day was the planting of a tree on the school grounds in someone's name, creating a living memorial."

Another by Mrs. Bruce was, "It was very difficult to overcome sentimentality and vote to move the County Line school house into Abernathy, but that was the only way finances would permit us to have a much needed lunchroom to provide hot lunches for our school children."

Mrs. Ward read the rules and stipulations of the original Scholarship Committee and concluded with, "The first recipient of the Fund was Tommy Ruth Brewster, now teaching in our local school."

An orchid pen was presented each past president as a small token of appreciation. Those honored other than the speakers were Mrs. Ralph Davis, Mrs. M. D. Evans, and Mrs. E. A. Houston.

Winners of room awards were Mrs. Carol Scott, first, and Mrs. Sue Davenport, second.

Mrs. Elbert Harp, president, called attention to the next meeting on March 5 as being "Back-to-School-Night" in observance of Texas Education Week. She also mentioned an additional meeting in May not originally planned, but needed in order to elect officers during a regular meeting time other than in March.

Mrs. Melvin Rape assisted Mrs. Ralph Davis, Founders' Day chairman, in serving refreshments following adjournment.

## What Is . . .

Sol-U-Phos

## LIQUID FERTILIZER

DIVISION OF GOODPASTURE GRAIN & MILLING CO., INC.  
Home Offices—Brownfield, Texas

**SOL-U-PHOS LIQUID FERTILIZERS** — Sol-U-Phos is a chemical combination of plant nutrients in a balanced formula. Every Sol-U-Phos Liquid Fertilizer Formula contains one or more of the three primary plant nutrients, Nitrogen . . . Available Phosphate . . . and Potash. They also contain the usual or more trace elements that are found in other types of fertilizers.

Fertilizer is usually thought of as something which, when applied to the soil, makes plants grow better. More properly, fertilizers should be defined as a substance which contains one or more of the plant food elements, which can be absorbed by plants and which promote the growth of plants. This is true of both "organic" and "Commercial" fertilizers.

ANHYDROUS AMMONIA—is a liquid only when under pressure. It turns to gas when expanded from the tank—Liquid Fertilizers are never under pressure, thus they are easier and safer to handle, and at the same time do a more uniform job of supplying plant nutrients to your crops.

PHOSPHORIC ACID—used by many by itself and with Anhydrous—is a highly corrosive acid. It has to be handled with great care because it is an acid and is harmful to a person who gets it on them. At the same time, Liquid Fertilizers are pure enough for a person to bathe in without any harmful effects.

A farmer may apply Anhydrous Ammonia and Phosphoric Acid in a supposedly balanced ratio to give a wanted formula. The question is, will they chemically combine in the soil to perform the desired function of providing adequate plant food to your crop in a balanced ratio. When applying Anhydrous and Phosphoric, you have two separate pumps, two separate metering devices and two separate chisels or opening plows to place it in the ground. Anhydrous, being gas, must be placed deep enough in the ground to keep it from escaping. While Phosphoric is placed in the ground as a liquid and left to make its own "marriage" with Anhydrous to complete the formula giving you the desired plant nutrients you want to apply to your crop.

SOL-U-PHOS LIQUID FERTILIZERS—produced by Sol-U-Phos Liquid Fertilizer division of Goodpasture Grain & Milling Co.—is always a Liquid and every drop of SOL-U-PHOS is the same as the next, and the next and the next, thus insuring even application and balanced delivery to your crop. When

## WELL-FED CROPS are money makers . . .

Ask your county agent how to take soil samples and then you will know what deficiencies exist in your soil. REMEMBER!—for good profits, use the recommended amounts of fertilizers . . . for the best fertilizers—use SOL-U-PHOS LIQUID FERTILIZERS!

you buy SOL-U-PHOS you buy a balanced Liquid Fertilizer formula—not just one raw product. Liquid Fertilizers are never under pressure, they are not an acid, and they are harmless to a person when they come in contact with them.

Services Held Tuesday For Abram Medrano

Abram Medrano, 37, a Latin American who resided with a brother four miles east and four miles north of Abernathy, was dead on arrival at Abernathy Medical Clinic at about 9 p.m. Sunday. Death was due to natural causes.

Graveside services were held at 10 a.m. Tuesday at Abernathy Cemetery. Chambers Funeral Home was in charge of arrangements.

Medrano is survived by one brother, Manuel.

Willie Healy moved to 405 3rd Street.

Dub Crain of Amarillo, former Abernathy band director, visited briefly here Thursday of last week.

The First Baptist Church, Spanish, is using the residence at 1000 5th Street as their parsonage.

Census Completed At New Deal

Dalton James, superintendent of the New Deal Schools, announced that the 1962 census has been completed there.

Figures of the scholastic census for the 1962-63 school year indicate there will be 552 students in the New Deal School, and 68 Negroes who will be transported daily to Dunbar School in Lubbock, thus making a total of 620 students in the New Deal School District.

COMMUNITY 4-H CLUB TO MEET THURSDAY

The Community 4-H Club is to meet at 7:30 p.m. Thursday, February 22, in the city hall club room.

Glen Reagan, a local farmer who won a soil conservation award, will be the guest speaker. His talk will be based on soil conservation.

Lonnie Bartlett, Reporter

AHS STUDENTS ARE HONORED

By HENRY NORTHCUTT

Those given the worthy honors of Student of the Week at Abernathy High School this week are as follows:

Senior . . . Kay Powell  
Junior . . . Lajuana Patterson  
Sophomore . . . Jane Roberts  
Freshman . . . John Reagan

Kay is the daughter of Mr. and Mrs. B. V. Powell. She was born December 12, 1943 in Lubbock and has resided here with her parents for 18 years. Her parents operate Antelope Corner, the school store.

Kay is a member of the Antelope Band and the FHA Chapter of which she is recording secretary and historian. During her freshman year in school, she was treasurer of her class. She was a candidate for Harvest Queen during her sophomore year, and this year she is an office secretary for the Junior High Principal.

Kay is a Senior Girl Scout. She is now taking piano lessons and she also likes to read. After graduation from high school, Kay plans to attend college and major in sociology. During the coming summer she plans to work at the Ceta Canyon Methodist Camp.

Lajuana, daughter of Mr. and Mrs. R. C. Patterson, Jr., was born in Lubbock and has lived here all her life. Her father is an insurance salesman and her mother operates Rose Garden Nursery & Florist, of which the Pattersons are the owners.

Lajuana is a member of the Antelope Band and the Pep Band. She is a member of the local PHA Chapter, and a member of the local Nazarene Church where she plays the piano and is assistant organist.

Jane is the daughter of Mr. and Mrs. Hernon Peel. She was born January 23, 1946 in Lubbock, and has lived in Abernathy all her life. Mr. Peel owns and operates Weld-Rite Welding Shop here.

She is a member of the National Honor Society and the Antelope Band. She was in the PHA Chapter her freshman year, and was also a candidate for Harvest Queen that year. Jane likes to water ski, swim, ice skate, and attend band school during the summer. After graduation she plans to attend college.

John is a son of Mr. and Mrs. George Reagan. He was born January 9, 1947, and has lived here for 15 years. His father is employed at the Tucco power plant, and his mother is a teacher in the local elementary school.

John is president of the freshman class, a member of the Antelope Band, plays football and also plays basketball. John's hobbies are amateur radio, and animals. He likes to visit mountainous country and play chess.

Marvin Patterson moved to 212 11th Street.  
Leroy Griffin moved to 702 2nd Street. He is a pharmacist at Pison Pharmacy.

Mrs. A. A. Adams was taken by Chambers ambulance from High Plains Hospital, Hale Center, to the home of a daughter in the Lakeview community Sunday.

Lakeview News

H. G. Timms, O. S. Bristow and Gordon Timms Jr., of Anton spent several days fishing in Sweetwater and Colorado City Lakes.

**Family of The Year**  
Mr. and Mrs. Clayton Enger were named "The Family of the Year" of Lakeview Methodist Church by balloting during services Sunday morning.

Clayton was superintendent of the Lakeview Sunday School four years, and has been teacher of the Jr. class three years.

Mrs. Enger has served in every office of the W.S.C.S. and is present president of the North Sub-District of the Lubbock District W.S.C.S.

Both Mr. and Mrs. Enger are active in church and community work and are always ready to lend a helping hand to anyone in need.

The Engers have three children, Mrs. Billy Gist of Abernathy; Don 17, a Junior student at New Deal High School; and Sue, 11, a 6th grade student at New Deal.

Avin Brownly of Canyon was a guest in the Herbert Watson home Sunday.

James Waters was ill at his home early this week.

Linda and Jerry Stubblefield of Lubbock visited their aunt, Mrs. Gordon Timms, last week.

Mr. and Mrs. J. C. Belt visited in Lamesa Saturday.

A dog pack made a raid early Monday on the chicken house of Mr. and Mrs. O. S. Bristow, killing 35 laying hens.

A film, "Mission Work in California," will be shown at the Baptist Church Sunday night at 7 o'clock. Rev. Cunningham announced and invited the public to see the film.

Mr. and Mrs. Dale Arthur recently moved to the farm formerly occupied by Mr. and Mrs. Gene Sistrunk moved to the house vacated by the Arthurs.

**Grandmother Dies**  
Mrs. J. D. Garrison, 85, grandmother of Mrs. C. P. Loyd, died in a Panhandle hospital Monday at 7 a.m.

Mrs. Garrison fell recently, breaking a hip, and underwent surgery but later pneumonia developed. She lived several years in Petersburg. Her husband preceded her in death in 1958 and at the time of his death they had been married 67 years.

Funeral rites were held Wednesday at 10 a.m. in the Petersburg Nazarene Church, and burial was in the Petersburg Cemetery.

Mr. and Mrs. O. S. Bristow visited her sister, Mrs. Robert Yarborough and family at Kress Sunday.

Recent visitors in the N. J. Fred home were Mr. and Mrs. Jerry Stewart of Lubbock, Mr. and Mrs.

Mrs. Hugh Pettit Entertains OES Worthy Matrons

Mrs. Hugh Pettit, Deputy Grand Matron, District 2, Section 4, of the Eastern Star, prepared lunch and was hostess Saturday in her home here to several Worthy Matrons of the OES. The luncheon and meeting was held for the Worthy Matrons of this section to make plans for the School and Fraternal visit of the Worthy Grand Matron at Plane Hall in Lubbock April 14.

Worthy Matrons present included the following:

Mary Etha White, Lubbock; Ruth Dunn, Lubbock (76); The Phillips, Abernathy; Grace Findley, Littlefield; Joyce Shannon, Ropesville; Ruth Evelyn McVay, Levelland; Genevieve Underhill, Denver City; Jean McCord, Tahoka; Wanda Jean McLaurin, O'Donnell; Corinne Smith, Sundown; Bonnie Johnson, Post; Barbara Bynum, Brownfield; Cora Carter, Sudan; Myra Stacy, Seagraves; Louise Cobb, Plains; Alice Parker, Anton; Virginia Brummett, Lubbock (Truth); Ruth Byrd, Lubbock (Freedom); Velma Scoggins, Idalou; Hazel Brown Crosbyton; and Lucille Morris, Post.

A. P. Fred of Morton, and Mr. and Mrs. Maurice Fred of Lubbock.

Mr. and Mrs. Harry Ragland of Plainview visited in the E. E. Senter home Thursday.

**W.S.C.S. Sub-District Meet**  
Mrs. Clayton Enger presided at the Wednesday meeting of the North Sub-District of Lubbock District W.S.C.S. at the Lakeview Methodist Church. Theme of the meeting was "That Ye May Be Able."

Registration of 55 persons was in charge of Mrs. Jack Jackson and Mrs. Vernon Smith.

Mrs. L. A. Suttle of Abernathy gave the devotional, "Is our religion Vital or Vain?"

Lunch was served in Fellowship Hall.

The next North Sub-District Meeting will be held in the New Deal church.

**Wedding Vows Read**  
Wedding vows were exchanged by Miss Tommy Jo Castleberry and Bobby Doyce Fuston, Feb. 17, at 7 p.m. in the home of Rev. Elton Wyatt, the officiating minister, in Petersburg. Mrs. Fuston is the daughter of Mr. and Mrs. Wayne Castleberry, and the groom is the son of Mr. and Mrs. W. D. Fuston, Floydada. He is engaged in farming in the McCoy community.

**PLACES SECOND**  
A Hampshire barrow owned by Steve Johnson, son of Mr. and Mrs. Auvie Johnson, placed second in its class at San Antonio Fat Stock Show last week.

W. H. Storey moved to 812 15th Street.

Young Farmers

(Continued From Page 1)

the forerunner of the Young Farmer program as we know it today.

The clubs were made up of former FFA members who held high degree in the organization. When clubs were organized, they usually took the name of "Gold Key Club" or "FFA Alumni Club." Organization first took place on a state basis at the State FFA Convention in 1950. A group of young men who had been prominent in the FFA work organized, elected officers, and took the name of Texas FFA Alumni Association, but the draft instigated by the Korean conflict disrupted the organization shortly thereafter.

The State Association sprang to life again at the 1953 State FFA Convention in Fort Worth. Officers were elected and work begun on a new constitution which was adopted at the 1954 State Convention. This time the group took the name of State Association of Young Farmers of Texas. Membership was no longer restricted to former FFA members, and maximum age limit for active membership was set at 35 years.

Young Farmer Conventions have been held annually since 1954. The Young Farmer program has enjoyed steady growth since then, and many local programs have proven tremendously successful.

Additional emphasis is now being given to Young Farmer education on a state-wide basis, and as a result the number of Young Farmer organizations is increasing rapidly.

**New Chapters**  
In the December 1961 issue of the Texas Young Farmer, official publication of the organization, a list of new chapters organized throughout the state in recent months was published.

Included in the list from Area I were new chapters at Canyon, Idalou, Petersburg, Springlake, Three Way, Sudan, Littlefield and Clarendon, plus three others in the Area.

**Vaccination Date Set For March 1 For Dogs And Cats**  
City Manager Paul Noland has announced that arrangements have been made to have Dr. A. A. Moore, a veterinarian from Lubbock, to be at Abernathy city hall Thursday, March 1, from 6:30 to 7:30 p.m., to vaccinate dogs and other animals for rabies.

The charge for the rabies vaccination will be \$2 per dog. Various other shots, such as for distemper, etc., will be available.

Noland also stated that city licenses will be sold at the same time. The city license will be \$2 for male dogs and \$3 for female dogs.

Ambulance telephone number in Abernathy: 298-2331.

What size Chevrolet do you want to save money on?

CHEVROLET IMPALA Room, refinement and riding comfort. Foreground, the Impala Sport Sedan.

CORVAIR MONZA Sports Car spiced without a sports car price. At rear is the Monza Club Coupe.

CHEVY II NOVA The frisky family-sized Chevrolet with a low, low price tag. Above right, Nova Sport Coupe.

Like your driving sporty, with quicksilver steering, flat-as-a-pancake cornering, sure-footed traction? Then a Corvair Monza's for you.

Or maybe the new-size Chevy II is more to your liking. Built for big families and still slips neatly into small parking places. And, with this, the kind of ingenious engineering (new easy-riding Mono-Plate rear springs, for example) that

won this year's coveted Car Life Magazine Award for Engineering Excellence.

But say you want to go all out—to get the full treatment in space, spirit and splendor. Then there's nothing like a Jet-smooth Chevrolet. Makes paying more pointless.

So size 'em up—then save it up—at your Chevrolet dealer's.

See the new Chevrolet, new Chevy II and new Corvair at your local authorized Chevrolet dealer's

**Highlights** From  
**New Deal High**

By DAVID McDOUGAL  
The New Deal freshmen class had a party February 15. The party was held at Mrs. John Reagan's home. Attending the party with the class were sponsors, Mrs. Dalton James and Mr. Frank Smith.  
—David—  
Friday, February 16, the New Deal Chapter of Future Farmers of America held its annual banquet. Agriculture teacher John Walton was master of ceremonies. Speaking at the banquet were Ronnie Haggard and Mr. Walton.  
After dinner was served intertainment was presented. Two Texas Tech students sang, and two skits were presented by local FFA members.  
Attending the banquet were FFA members, teachers, and parents. Also attending was the New Deal FFA sweetheart, Shirley French.

**Margie Guinn Stars With Wayland Unit**

Outstanding West Texas cagers will be featured when the two top women's AAU basketball teams in the United States, the Hutcherson Flying Queens of Wayland College and Nashville Business College, clash in Plainview, Feb. 23-24.  
All-Americans Glyna Masten of Sudan and Laura Switzer of McLean, along with teammates Opal Bogard of Bula, Carol Cooke of Bula, Margie Guinn of Abernathy, and Gay Ivey of Pettit are West Texans who will be playing in the two action packed games.  
Flying Queen Coach Harley J. Redin with his best balanced team in the history of the Flying Queens, has four seniors, five juniors, three sophomores, and two freshmen to use as weapons against Nashville.  
Game time Friday is 8 p.m., while the Saturday Flying Queens-Nashville game will start at 7 p.m. Wayland's Pioneers play the main event Saturday against McMurry College at 8:30 p.m.

If it RAINS on your car within 24 Hours from the time you pick up your newly washed car, we will re-wash it for you FREE.  
We Give DOUBLE THRIFT Stamps — Call Us for Road Service!

**Cotton Producers Institute Plans Area Signup Meeting**

High Plains cotton growers are moving to wind up first-year sign-up for the Cotton Producers Institute and to launch plans to further expand the voluntary plan during the 1962-63 crop year.  
This action was announced today by Roy Forkner of Lubbock, chairman of the Institute's Steering Committee in the Plains area.  
Mr. Forkner said organizational committees in Plains counties now are scheduling meetings aimed at completing sign-up and collection on last year's crop. Plans also will be made for carrying the Institute forward this year.  
"We have a solid base to build on," Mr. Forkner said. "The Institute program has really caught on here on the Plains, and funds — as well as additional agreements — are coming in every day."  
Grower commitments in the western areas to participate in the Institute total \$2,007,100 to date. This is more than double the first-year minimum requirement of one million dollars, he stated.  
"As was pointed out recently, this above everything else speaks for the effective job done by the thousands of voluntary workers for the Institute cause, both in this and other areas in the West," Mr. Forkner said. "Growers have demonstrated they want this program and will pay the cost."  
The grower-financed program to greatly step up research and promotion has been hailed as one of the most far-reaching events in the cotton industry's history. In terms of its impact on the future of the industry, it is seen as the most important development, Mr. Forkner explained.  
The Institute's one aim is to expand markets, acreages, and profits through research and promotion. The importance of this aim, Mr. Forkner said, is pointed up by several recent developments.  
During the past year cotton suffered serious competitive market losses to rayon and other synthetics. At the same time, cotton production in some foreign countries is beginning to show a stronger upward tendency, he stated.  
"This makes the need for the program of the Cotton Producers Institute even more urgent now than when it was first initiated," Mr. Forkner said.

**Local Unit Loses Out In Tourney At Plainview**

The Abernathy freshmen boys basketball squad finished out the 1961-62 season last week at Plainview, participating in the Estacado round robin tourney, Thursday, Friday and Saturday nights.  
Thursday the local lads contested the Estacado freshmen boys and were beaten, 58-35. Estacado led at the quarters, 23-5, 35-14 and 45-33.  
Boyce Paxton led the scoring for Abernathy with 8 points. John Reagan and Vincinte Vecchio each scored 6. Bill Lee had 4, Steve Monk and Bill Forbes had 3 each, Jake Mallow and Frank Garcia 2 each, and Terry Turner 1. Peret took scoring honors for Estacado with 25 points. The 6'7" lad scored 21 points in the first quarter, then left the game and did not return until in the fourth period.  
The local boys met Floydada Friday evening, losing this one 70-54. Abernathy trailed 20-12 at the end of the first quarter, but grabbed a 34-31 halftime lead. The local lads fell behind, 48-40, after three quarters, and were 16 points behind when the game ended, as four Antelopes had fouled out and another had 4 fouls.  
Vecchio paced Abernathy with 17 points. Forbes scored 11 points before fouling out. Monk had 9 and fouled out. Reagan had 4 points and 5 fouls. Lee and Turner also had 4 points each. Paxton and Sandy Downs had 2 each, and Mallow had 1. Floydada was led by Teague who scored 27 points (12 in the last quarter), and Willson with 23.  
In Saturday night's action, the Abernathy boys lost to Silverton, 43-30. Abernathy led 11-7 at the end of the first quarter, but trailed throughout the rest of the contest.  
Paxton led the local unit with 11 points. Vecchio scored 6 points, Reagan had 5, Forbes and Lee 3 each, and Mallow 2. Stafford was high scorer for Silverton with 19 points.  
Hale County clerk issued a marriage license to Urbano Sancedo and Miss Julia Guillen, both of Abernathy.

**SWPS To Add 210,000 Kilowatt Turbine-Generator**

A. E. Watson, President of Southwestern Public Service Company, has announced that the Missouri Valley Construction, Inc., of Amarillo, has been awarded the contract to build a 210,000 kilowatt turbine-generator unit at the company's Plant X, located 7 miles north of Amberst, Texas.  
Construction will begin this week, with completion scheduled for June 1964.  
The new unit, manufactured by the General Electric Company, is the largest single turbine-generator ever installed in the area served by Southwestern Public Service Company.  
In making the announcement, Watson stated that the new addition represent an investment of \$15,000,000 and is dramatic evidence that this region continues to be one of the fastest growing sections of the country.  
This will be the fourth generating unit at Plant X, and will bring the capability up to 487,500 kilowatts, and the total for all 12 of Southwestern's plants, to more than 1,200,000 kilowatts.  
The electrical construction will be handled by Service Electric Company, Carlsbad, New Mexico.

**WHAT? BUILD A PICKUP TRUCK SPECIALLY FOR TEXAS?**  
  
**YES SIR—THE '62 FORD!**  
IT STARTED IN TEXAS—when Ford engineers drove Texas roads and ranches, talked to Texas truck owners. And it wound up with lots of fine things for you in the '62 Ford!  
The wheelbase is long—114 easy-riding inches (122 for 8-foot bodies). There's less front overhang, more road stability. The ride is smooth. Easier springing makes the ride as soft as a Texas drawl! The frame is strong—to beat twisting of high-crowned Texas roads.  
The savings are BIG. You save now with the lowest prices of any leading make. Save on gas with Ford's modern engines, Six and V-8. Save on oil—go 4,000 miles between changes. Save on tires with Ford's I-beam suspension that keeps front tires tracking true.  
Come try the '62 Ford—the pickup built for Texas, built in Texas!

"Skip Rowing" May Reduce 1963 Grain Sorghum Acreage

EDITOR'S NOTE: The following article was taken from the Sorghum Farmer, a Lubbock publication.

The effect of "skip-rowing" cotton, a program designed to again cut grain sorghum production, may have a greater effect than we think. The possibility that some farmers will purposely undercut their grain sorghum acreage to skip-row plant cotton, believing the added cotton yield great enough to offset the reduction in grain sorghum production, may cause a decrease in their base grain sorghum acreage in 1963.

With the cotton base acreage scheduled to be cut to 16,000,000 acres in 1963, approximately a 12 percent acreage reduction, coupled with the possibility of the grain sorghum base being the 1961-62 average acreage, where does this leave the farmer? He will not only have a cut in his cotton acreage for 1963, but also in his present grain sorghum acreage due to the fact he purposely cut his grain sorghum acreage himself in 1962.

Many speculations are being made at this time and only time will tell, but it is something the farmer should definitely consider with the planting season just around the corner.

There is one sign at either end of town but they are very small and as most driving is with the low headlight beam they are not visible except to those who are familiar with the new arrangement. They are passed up without even being seen at the south end of town as the sign is on the left side of the traffic lane. On the north end the sign is not seen until too late to make the turn in most cases then to those who are not familiar they are lost as no more exits are marked by signs of any kind.

Should not each exit from the throughway be clearly marked with easily and clearly visible signs erected by the highway department and perhaps other signs erected by the city directing traffic into town?

There are those who think this should be done and the sooner the better. One suggestion was for a large sign of luminous paint at either end of town so placed as to be clearly visible both day and night directing traffic by means of a large arrow to the exits leading into town.

Taxpayers who had retirement incomes during 1961 may be entitled to "retirement income credits" on their federal income tax returns. This retirement income credit can be as much as \$240.00 for individual taxpayer, John J. Sloan, Administrative Officer, Internal Revenue Service, Lubbock, Texas, reminded today.

Taxpayers with questions on this subject may get free Document No. 5018, Retirement Income and Credit, by contacting their IRS office.

Abernathy Needs ...

By O. F. REA

Abernathy is being passed up by a large number of cars and trucks which might stop were they passing through on the old highway. Some who wish to stop in Abernathy are going right through at night without realizing until they are past. They have to turn around and come back and hunt a place to turn off the highway due to the poor markings where there are any, and no markings at a number of exits from the highway. If you are coming from the south you may easily do as those folks who wished to stop here for a visit with relatives. They had not been here since before the new highway was built and passed through without knowing it due to the fact that there were no clearly visible signs on the highway showing where to get off the highway and into town.

There is one sign at either end of town but they are very small and as most driving is with the low headlight beam they are not visible except to those who are familiar with the new arrangement. They are passed up without even being seen at the south end of town as the sign is on the left side of the traffic lane. On the north end the sign is not seen until too late to make the turn in most cases then to those who are not familiar they are lost as no more exits are marked by signs of any kind.

Should not each exit from the throughway be clearly marked with easily and clearly visible signs erected by the highway department and perhaps other signs erected by the city directing traffic into town?

There are those who think this should be done and the sooner the better. One suggestion was for a large sign of luminous paint at either end of town so placed as to be clearly visible both day and night directing traffic by means of a large arrow to the exits leading into town.
