

ABERNATHY WEEKLY REVIEW

J. C. TURNER

Mr. Turner, who moved to this area 43 years ago, is to observe his 89th birthday Friday. He has seven children, 26 grandchildren, 41 great-grandchildren and two great-great-grandchildren.

He came to Texas in 1894, and settled at DeLeon. Mr. Turner moved to the County Line community west of Abernathy in 1919, where he farmed and operated a grocery store until 1929.

Under the pending bills feed grain allotments in 1963 would be based on planting during the 1959 and 1960 crop years.

Mahon pointed out however, that there was mounting resentment against the payment of huge sums for the storage of surplus grain and that Members of Congress from non-farm areas tend to support the position of Secretary Freeman that if meaningful support loans are to be provided on feed grain crops an effective control program must be adopted.

The proposed legislation would establish for feed grains a control program in some respects similar to the control program which has been in effect for cotton for a number of years. A principal difference would be that for the next three years feed grain producers would be paid for acres diverted from feed grain.

Mahon proposes to offer an amendment to raise the percent Secretary could sell each year at market prices up to 10 million tons of government-stored feed grain, the equivalent of roughly one-fifth of currently held government grain.

The present feed grain law which is the basis for the 1962 program expires this year and some kind of substitute legislation is anticipated.

Mahon stated that he needs and would welcome the advice and counsel of feed growers in regard to the proposed new farm legislation and in regard to the amendments which he proposes to offer. Copies of the proposed bill are available at offices of county agents and at the ASC offices.

WALTER L. SANDERS

... To Meet Republican Opponent

Walter L. Sanders of Plainview was choice of Hale County voters in the second Democratic primary Saturday for sheriff of Hale County. Having won the nomination, he will meet the Republican nominee in the general election in November.

He received 2,902 votes to 1,771 for Cleatus Dyer, during 15 years a deputy sheriff and for the past nine years chief deputy under the late Sheriff Ted Andrews, and his widow. Mrs. Andrews was named sheriff by the Commissioners Court following her husband's death, for a term ending June 15.

The court at that time stated that it intended to name the nominee of the Democratic primary as acting sheriff to succeed her until the elected sheriff in the general election qualifies.

Congressman Mahon Drafting Amendments To Farm Bill

WASHINGTON, D. C.—Representative George Mahon reports that he is drafting a series of amendments which he proposes to offer to the farm bill which is scheduled for consideration by the House at an early date. The Senate, on May 25, passed a farm bill which provides for a mandatory control program on feed grains in the event two-thirds of the feed grain producers voting in a referendum favor such mandatory controls. The bill provides for a multi-price system on wheat and other provisions, none of which affect cotton. The most significant provisions in both the Senate and House versions of the bill are those affecting feed grains.

Mahon's amendments provide that cotton farmers would have the option of planting feed grain on cotton allotment land in the event the cotton is destroyed so late in the season that replanting is impractical. The amount of feed grain planted could not exceed the total of the cotton and feed grain allotments on the farm. Another proposed amendment provides that the feed grain allotment of cotton farmers, who choose the Choice "B" route during the 1959-1960 crop years, would not

REV. THOMSON

... New Methodist Pastor

The Rev. Carlton H. Thomson was assigned to the pastorate of Abernathy First Methodist Church last week when the Northwest Texas Conference of the Methodist Church met in Big Spring. He served the past three years as pastor of the First Methodist Church at Crosbyton, and prior to that was pastor at Wheeler for four years.

The Rev. Mr. Thomson and his family moved here this week from Crosbyton. He and Mrs. Thomson have three children, Jane, 14, who will be a freshman in high school; Tom, 10, who will be in the fifth grade, and Susan, 2½ years old.

To Tulla
The Rev. and Mrs. H. B. Coggins have moved to Tulla, where he will begin his duties as pastor of the First Methodist Church. The Rev. Mr. Coggins was pastor of the church here for five years before being assigned to the Tulla church at Big Spring last week. He came here from Lockney.

BIRTHS

Mr. and Mrs. Dale Arthur are parents of a daughter born May 31. She weighed 5 pounds 6 ounces.

A son, weighing 7 pounds was born June 2, to Mr. and Mrs. R. D. Stephenson.

Mr. and Mrs. Don V. Cunningham of Waco are parents of a daughter, named Laurel Ellen, born June 3. The baby weighed 6 pounds 6 ounces and is a granddaughter of Mr. and Mrs. W. V. Cunningham, Abernathy.

Rev. and Mrs. Morris Coggins of Cheraw, Colo., are parents of a son, Mark Edwin, born May 31. The baby weighed 7 pounds 11 ounces and is a grandson of Rev. and Mrs. H. B. Coggins of Tulla, formerly of this city. Both the Rev. Coggins are Methodist ministers.

Abernathy Medical Clinic reported the following births:
Mr. and Mrs. Paul Almaguer, Hale Center, are parents of a son born May 29. He weighed 6 pounds.

A daughter was born May 31, to Mr. and Mrs. Vincente Torrez, Abernathy. She weighed 6 pounds 4 ounces.

A 6-pound 8-ounce daughter was born June 1, to Mr. and Mrs. Simon Castillo, Star Route, Hale Center.

Mr. and Mrs. Travis Hall, New Deal, are parents of a daughter born June 5. She weighed six pounds.

A son, weighing 6 pounds 9 ounces, was born to Mr. and Mrs. Roy Bailey, Slaton, June 4.

Mr. and Mrs. James Manus, Abernathy, are parents of a daughter weighing 5 pounds 2 ounces. She was born June 5.

TRAILER HOUSE For Sale, Rent or Swap for car, etc. Contact C. W. Barrington at Barrington Food, New Deal, or phone PO3-0150 or PO2-8901. (tsr)

RECEIVES AMERICAN HISTORY BOOK—Dirk Engel, left, Abernathy's Exchange Student from Schweinfurt, Germany, this past school year, was presented a book on American history, entitled "America's Historylands," at the local Lions Club luncheon Tuesday at Graham's Restaurant. Shown making the presentation is Lion Moss, Leland Phillips. (Review Photo and Engraving)

Men's Golf Meet Set At ARC

Men who are members of Abernathy Golf and Recreation Center are invited to participate in a golf tournament at ARC Friday, Saturday and Sunday, June 8, 9 and 10. Entry fee will be \$5.00, and cash prizes will be given in each flight.

Rules for the tournament and the prize list will be posted in the pro shop at ARC. Men who plan to enter may sign at the pro shop, or see Harold McCune, Jack Hackler or Ted Wayne Watts.

Waydelle Hill Buys Webb's

Waydelle Hill, a former athletic coach in the local school, bought Webb Advertising Co., it was announced Tuesday, date of the transaction. The specialty advertising company was owned and operated by Mr. and Mrs. J. D. Webb, with offices at 811 Ave. E. The Webbs will work with Hill while he is learning operational functions of the business. After that, Mr. and Mrs. Webb will be connected with the firm as salesmen.

Blanchard Resigns

Dan Blanchard, who has been a law enforcement officer here since January, 1960, tendered his resignation to Abernathy City Council at the regular meeting Monday night. It will be effective July 1. Blanchard's plans for the future were not announced. Blanchard, who has served the dual job of Abernathy city policeman and Hale County deputy sheriff, came here from Anton.

In other action Monday night, the council named the following men to the equalization board: W. C. Clement, Olen Anderson, Lloyd Givens, Royce Henson and Billy Floyd Shipman.

A city ordinance was passed to establish speed zones on the highway and service streets. Details are listed in a Legal Notice published in this paper.

The council authorized City Manager Paul Noland to take bids for seal-coating on some of the paved streets. The bid will be on about 5,000 square yards of coating, to be on various streets where such repair is needed.

Also authorized by the council was an expenditure of about \$1,700 to cover cost of moving a water storage tank from Ave. E to 12th Street, installing chlorinating equipment and a small house for the chlorinator, all at the 12th Street site.

Abernathy Eagles Down Panthers In 23 To 6 Run-Away

Abernathy Eagles staged a "run-away" around the baseball diamond Sunday afternoon to down the Lubbock Panthers, 23 to 6, in the South Plains Latin League game.

The Eagles play another League team, the Plainview Indians, Sunday, June 10, on the City Gin diamond here. Game time is 2 p.m.

The South Plains Latin League is to have an All-Star game Sunday, June 24, half-way point in current season play.

The Eagles now have a 6-2 record and are tied for first place in the league. The Plainview Indians and the Lubbock Aztecs also have 6-2 records.

Selected for duty on the Hale County grand jury which convened in Plainview Monday were W. V. Cunningham, Fred Blumensstock and Rudolph Struve.

Nazarene VBS Set To Begin Monday Morning

Vacation Bible School at the Church of the Nazarene will begin Monday morning, June 11, at 8:30. Classes will be held daily from 8:30 to 11:00 a.m. through June 15.

Boys and girls, ages 4-14, are urged to attend. There will be stories, games, crafts and songs to interest everyone.

Director for the school is Mrs. Vester Patterson. Other workers are:

Secretary — Beverly Spruiell; Music — Gladys Robertson and Lajuana Patterson;

Kindergarten — Janie Hall, Joyce Spruiell, Erma May Spruiell and Alma Ruth Patterson;

Primary — Louise Patterson, Ruth Ingram and Dorothea Deering;

Juniors — Ann Robertson, Verda Arthur, Peggy Spruiell, Billie Jean Spruiell, Roxie Smith, Sharon Paxton, Virginia Hall and Dorothy Shipman; and

Junior High — Florene Patterson, Gretna Shipman and Erma Brewer.

Riding Club In Parade Today

Abernathy's trophy-winning Riding Club is to ride in a parade at O'Donnell at 6 p.m. today (Thursday). The parade is being staged in connection with a rodeo there. A barbecue meal will be served at 4 p.m.

Abernathy Riding Club will be in the Bar-None Rodeo parade in Plainview. Rodeo dates are June 28, 29 and 30. The parade will be Thursday, June 28.

The local group also will ride in the July 4th parade at Hale Center.

Abernathy Riding Club members held a meeting and ice cream supper Saturday night at the city hall clubroom. About 30 persons attended.

Mothers Plan Brownie Scout Meeting Friday

Mothers of all prospective Brownie Scouts for next year, girls who will be in the second grade, are invited to meet at 10 a.m. Friday, June 8, in the city hall clubroom. An organizational meeting will be held at that time.

Mrs. Joe Lovelace, Troop Organizer

HILL'S ABERNATHY PHARMACY MOVES TO NEW LOCATION

Ted Hill plans to move his pharmacy to a new location in the near future. He has been in his present location since opening for business in October 1955. His new location will be in the Vaughn building recently vacated by the General Telephone local office.

Since his business does not depend on pedestrian traffic for customers, the new location is figured to be an asset because of the added parking space and ease of access to it.

See his ad on another page of this issue, which shows his new location.

TO WORLD FAIR

Among those from here who have gone to the World Fair in Seattle, Wash., are Mrs. Vernon Atkinson and children, Mr. and Mrs. G. M. Carr, Mr. and Mrs. W. K. (Bill) Schreier, Mr. and Mrs. Clifford Howard and family. Mr. and Mrs. Carr also will visit their daughters and families who live in Washington State.

Harold Thomas was under treatment at Taylor Clinic, Lubbock.

Hale Favors Yarborough; Abernathy For Connally

2ND LT. LEONARD L. WRIGHT

Leonard L. Wright of Abernathy, was commissioned a second lieutenant in the United States Air Force and received his bachelor of science degree at graduation ceremonies Wednesday, June 6, at the Air Force Academy, Colorado Springs, Colo.

Lieutenant Wright will be assigned to pilot training at Reese AFB, Texas. He is the son of Mrs. Josephine G. Wright, Angleton, Texas.

A 1958 graduate of Abernathy High School, the lieutenant received special recognition at the Academy by being named as squadron academic officer with the rank of cadet lieutenant.

The new Air Force officer entered the Academy by congressional nomination. He was nominated by Congressman George Mahon of Texas.

Mr. and Mrs. Andy Reid of Abernathy attended the graduation exercises at the Air Force Academy Wednesday.

WORLD'S FAIR-TRIPPERS—Loading up for a trip to Seattle, Wash., to attend the World's Fair, are, above, from left: Charlotte Hodges of Crosbyton, Betty Ann Sterrett, Mrs. Phil Sterrett, Marsha Taylor, Ruthie Beaton and Judy Kiker. The five Senior Girl Scouts will be accompanied on the trip by Mr. and Mrs. Sterrett and Tommy. (Review Photo and Engraving)

Local Senior Girl Scouts On Long-Planned Trip To Seattle

Four Abernathy Senior Girl Scouts dream became a reality this week when they reached the World's Fair at Seattle, Washington. The four, Betty Ann Sterrett, Judy Kiker, Marsha Taylor and Ruthie Beaton, had planned the trip for the past four years. The other two Senior Girl Scouts of Abernathy Troop 95, Kay Powell and Linda Turner, had worked faithfully with the other girls on various projects, but did not make the trip.

Also making the trip was Charlotte Hodges, daughter of Mr. and Mrs. Harold Hodges, of Crosbyton.

The five Girl Scouts were accompanied on the trip by Mr. and Mrs. Phil Sterrett and Tommy of Amarillo, former Abernathy residents.

Mrs. Sterrett came to Abernathy last Friday to get the "passengers" for the trip. Actually, the Girl Scouts had everything planned as to where they would spend each night, what they would have for each meal, etc.

The total budget for the trip was around \$800. The girls had been working and saving their money for the past four years. Various money-raising projects included bake sales, a talent show,

selling old newspapers, etc. After attending the wedding of Miss Turner Friday evening, the other Senior Girl Scouts then made final preparations for the trip. The station wagon was loaded and after farewells had been said, the group journeyed to Amarillo to spend the night.

The eight members of the group left Amarillo Saturday morning in the station wagon with a camping trailer for sleeping accommodations at night. Night stops on the way included Laramie, Wyoming; Jackson, Wyoming; Yellowstone National Park; Superior, Montana; and Grand Cooley, Washington. They were scheduled to reach Seattle today (Thursday) where they had rented a house for their three days there. They will spend two days at the fair, one day for a trip into Canada, one-half day of rest, then start the return trip home.

Stops on the way back will include Pendleton, Oregon; Twin Falls, Idaho; Salt Lake City, Utah; and Mesa Verda, Colorado.

You gotta tell 'em to sell 'em! Tell 'em with Review ads. Over 3,000 potential customers read The Review every week!

FOR SALE—Fat hens, 5 to 7-pounds average. 75 cents each. Cypress Hill Egg Farm, 2½ miles west, ½ mile south of Abernathy. Phone R. J. Jones, Jr., PL 7-2695. (County Line Exchange). (6-7-C)

Miss Connye Clement, Jerry Don Gist Exchange Wedding Vows Saturday Night

Miss Connye Teresa Clement became the bride of Jerry Donald Gist in a double ring ceremony at 7:30 p.m. Saturday in the First Baptist Church. The Rev. Boyce Evans, pastor, officiated.

Parents of the couple are Mr. and Mrs. W. C. Clement Jr., and Mr. and Mrs. L. V. Gist.

Given in marriage by her father, the bride wore a waltz-length gown of Chantilly lace. The fitted bodice featured a Sabrina neckline outlined with seed pearls and long petal point sleeves. The bouffant skirt was complemented by a chapel length veil of illusion edged with lace which fell from a pearl crown. She carried a cascade arrangement of white carnations atop a white Bible.

Miss Nelda Sanders was maid of honor. Bridesmaids were Miss Marilyn Ann Masten, Plainview, and Miss Katie Waits, Lubbock; cousins of the bride; and Miss Betty Wisdom.

The feminine attendants were

dressed in dresses of nylon organza in the rainbow colors of coral, green, orchid, pink, blue and yellow. Each had a jacket of matching lace and a full skirt with a deep hemline. Each attendant carried a long stemmed rose matching her dress.

Brothers Are Attendants

Best man was Billy Gist, brother of the bridegroom. Groomsmen and ushers were Joe Tom Brown, Keith Beard, Kenneth Clement, brother of the bride, and Larry Gist, brother of the bridegroom.

Sue Enger, Abernathy, and Herbie Waits, Lubbock, cousin of the bride, lighted the candles. Yvette and Mark Skipper were flower girl and ring bearer.

Mrs. L. J. Hager accompanied Mrs. Marion Carlton in wedding solos.

The reception followed in the Fellowship Hall of the church.

The bride changed to a blue suit with white accessories for a trip to Carlsbad, N. M.

The couple will live at 608 8th St., here. Both are graduates of Abernathy High School. She attended Wayland Baptist College in Plainview. He is employed by the First State Bank.

FLAME CULTIVATION RESEARCH ON COTTON

Tests using flame cultivation on cotton by the staff at the High Plains Research Foundation were conducted in 1961. The tests included three varieties of cotton, different tractor speeds, pressures, burner sizes and settings. Also the size of the cotton at first flaming was varied.

Gregg and Lockett 88-A were used in the test as representative of early and late maturing storm-proof cottons. The open boll variety selected was Paymaster 88-90. To obtain the desired seed bed, the test was cultivated twice with sweeps resulting in a bed that was raised 2-3 inches above the middle. It was stressed in the report that a more efficient job of flame cultivation can be accomplished with a wide, flat bed.

The five treatments used in the test are as follows: (1) check (no flaming), (2) midjet and cross flaming, (3) parallel flaming, (4) cross flaming; and (5) no weed control. The results from all three cotton varieties were similar. The maximum increase in yield over the check block was 112 pounds per acre of lint cotton. The grades of cotton varied from low middling to strict low middling. The flame cultivation program will be conducted again in 1962 at the Foundation.

Does Ford Fairlane's
"compact" price mean
it's a compact car?

NO!!!

Rambler is a compact!
The experts classify cars by wheelbase. Anything under 114-inch wheelbase is a compact. The biggest Rambler's wheelbase is only 108 inches!

Chevy II is a compact!
Chevy II tries to sound like a middle-size car... but its wheelbase is only 110 inches!

Our Ford Fairlane is right between the compacts and the big cars — gives you compact price with big car room and fuel!
Fairlane's wheelbase is a full 115.5 inches. From bumper to bumper, Fairlane measures 197.6 inches... 14.6 inches longer than Chevy II... 7.6 inches longer than the longest Rambler. Fairlane is as roomy inside as most of the cars on the road today... and rides more smoothly than most. Yet it's a foot shorter... easier to park than the big cars... less gas-wasting bulk. Come size it up!

Soil Testing Still Active

Through April, the number of soil samples being submitted to the three laboratories operated by the Texas Agricultural Extension Service at College Station, Seymour and Lubbock came in record or near record numbers. During January the laboratories tested 1,589 samples, said W. F. Bennett, extension soil chemist. The total for February fell just short of doubling the January total when 3,020 samples were tested. During March and April the laboratories handled 4,330 samples but neither month came up to the February totals, Bennett added.

The laboratory at Lubbock handled 1,328 samples in March for its highest single month since it began operations. The March total, 402 samples, was also a new high for the Baylor county laboratory.

Bennett said five counties in the State submitted more than 100 soil samples during March and April. They were Baylor, 212; Houston, 165; Lubbock, 155; Terry, 147; and Harris, 124.

If information is desired on soil sampling, Bennett suggests a visit with the local county agent.

Mr. and Mrs. Jimmy Herring and son have moved to Seymour, where he is associated with his father, J. B. (Red) Herring, in the construction business.

Need an ambulance? 298-2331.

High Plains Gets Bonus Acres

Farmers on the High Plains have received a "bonus" of 40,964 acres of cotton allotment for planting in 1962 under a law authorizing the voluntary release and re-assignment of cotton allotments.

A law which went into effect in 1960 permits farmers to release cotton acres they do not plan to plant to their county ASCS committee and retain "history" planting credit on their farms. All acres released within a county that are not requested or utilized by that particular county or zone are then made available for re-allocation to other zones.

Released acreages, ASCS officials said, were distributed to counties on the basis of such factors as hardship, number of applications filed for added acres, existing allotments, and the amount of the allotment reduction from 1961.

The "bonus" will boost the total acreage available for planting in 23 High Plains counties to 2,396,816 acres as compared to the 1961 total of 2,412,627 acres.

The "bonus" acreage for area counties include:

Bailey 2,690, Borden 294, Briscoe 800, Castro 2,445, Cochran 1,975, Crosby 2,145, Dawson 2,048, Deaf Smith 273, Dickens 1,400, Floyd 2,591, Gaines 3,119, Garza 800, Hale 3,160, Hockley 1,835, Howard 445, Lamb 2,452, Lubbock 2,462, Lynn 1,977, Motley 650, Parmer 2,339, Swisher 1,745, Terry 1,445, Yoakum 1,865 and a total of 40,964.

Mr. and Mrs. Jimmy Gragg and daughter have moved from 691 Ave. D, to 512 1st Place in the Vineyard Addition.

FOUR:—The two golfers above are shown teeing off for green number four at Abernathy Recreation Center recently. Pete Edwards, left, farmer in the New Deal community, and Donald Huffaker, right, local farmer and club member, are two of the many finding the Rec Center facilities enjoyable.—(Review Photos and Engraving)

O. C. Southall Tech Chemistry Prof To Retire

Oscar Clarence Southall, assistant professor of chemistry and chemical engineering at Texas Tech, is retiring after 18 years of teaching in Lubbock.

His retirement became effective last Friday, Dr. R. C. Goodwin, Tech president, said.

Southall came to Tech in 1944 after years of administrative duties in West Texas high schools and teaching in Tech's pre-cadet training program.

"It has been a very pleasant 18 years spent here in the chemistry department," Southall said. "I plan to do a little fishing and traveling now."

Southall received the bachelor of arts degree from Hardin-Simmons University and the master of arts from Tech. He has done additional graduate work at the University of Texas.

A native of McKinney, Southall is married to the former Natha McCoy. They have three children—Culver McCoy Southall of Lamesa and Roger Lewis Southall and Mrs. Howard Bransom, both of Lubbock.

He served as secretary of the Texas Certified Seed Growers' Assn. in 1964.

R. J. (Sonny) Rieken of Dallas visited here last week.

Colt Tryouts In 3 Texas Cities

The Houston Colt 45s announced they will conduct three tryout camps during the month of June. These tryout camps will be in Rockdale, Texas, on June 5, 6, and 7, and in Alice, Texas on June 14, 15, and 16, and Tyler, Texas on June 28, 29, and 30.

Youngsters attending the three tryout camps must be between the ages of 15 and 25. American Legion ball players are required to have a letter of permission from their Legion Post commander.

ARC Social Events Are Announced

Dr. John W. Hale, who is in charge of social activities at Abernathy Recreation Center this season, announced plans for several events for the members.

A hamburger supper is slated for June 22; ice cream supper, July 20; watermelon feast August 17, and a family picnic Labor Day, September 3.

Dr. Hale listed the following committees for the various events, with chairmen and co-chairmen listed first:

June 22, hamburger supper: Waydelle Hill, Bobby McAllister, Charles Ray Owens, Buford Davenport, Billy Frank Skipper, Lindell Myatt, Ray Rice, Morris Kerr, Jackie Barton, Blewett Davis, W. V. Dunn, Albert McCurdy, J. H. Myatt, Virgil Phillips and Bob Riley.

July 20, ice cream supper: Billy Houston, Loren West, Hugh Pettit, Wesley Webb, David Ray Pinson, Leland Phillips, Gid B. Adkisson, Jr., Ralph Stevenson, H. S. Tennell, Pete Gregg, Lamar McKenzie, Gean Nunn, Billy Pittman and Marvin Struve.

August 17, watermelon feast: Vic Struve, Sam Williams, Kenneth Phillips, Joe Barton, Curtis Davenport, Andy Reid, Joe Thompson, Ray Pinson, Rudolph Struve, Jack Hackler, Gene McMaster, Joe Oswald, George Reagan, Harold Thomas and Pete Thompson.

September 3, Labor Day, family picnic: Melvin Rape, Lonnie Brownlow, Ercell Givens, Ed Graham, Ted Hill, Arno Struve, Dean Sterling, Ted Wisdom and Dwayne Taylor. (Suggest committee furnish drinks, cups, tables and chairs. Each family attending bring picnic basket.)

Make Reservations
If possible, please make reservations well in advance of each event, listing the number of persons in your party. This may be done by signing up at ARC or calling DAVIS 8-2211.

Suggested charges for each event:
Hamburger supper, 75 cents per person or \$3.00 per family.
Ice cream supper, 25 cents per person or \$1.00 per family.
Watermelon feast, free.

The draftee was awakened roughly by his platoon sergeant after the rookie's first night in the army barracks.

"It's four-thirty!" roared the sergeant.

"Four-thirty!" gasped the recruit. "Man, you'd better get to bed. We've got a big day tomorrow!"

Rites Held For Infant

Services for Belinda Lea Woods, 7-week-old daughter of Mr. and Mrs. D. G. Woods, El Paso, were held at 2:30 p.m. Sunday at Lawrence Street Church of Christ in Anton with Bill Talley, minister, officiating.

The infant died Thursday in El Paso.

Burial was in Anton Cemetery. Survivors are her parents; and her grandparents, Mr. and Mrs. Martin McGuire, of County Line, and Mr. and Mrs. L. D. Woods, Anton.

Women To Golf At ARC Every Wednesday

Mrs. Paul Noland announced that all women golfers are invited to participate in play each Wednesday morning at 9 o'clock at Abernathy Golf and Recreation Center.

YOUNG FARMERS AND FAMILIES ENJOY PICNIC

Eighteen members of the Abernathy Young Farmer Chapter, and their families, enjoyed a picnic and ice cream supper Monday night at Mackenzie Park in Lubbock.

Welding Short Course

Fourteen Young Farmer members started the first of two short courses in welding at the local high school vocational agriculture department shop Tuesday night.

The second course is slated to start July 2, with 14 more Young Farmer members to attend.

Teaching the course is Jerry Adams, Abernathy vocational agriculture instructor and FFA and Young Farmer advisor.

TO SPEAK AT LAKEVIEW CHURCH

Otis Spears, a church Lay Leader from Tahoka, will be guest speaker Wednesday evening, June 13, at the Lakeview Methodist Church, announced Aaron DuBose, Mr. Spears is superintendent of the Tahoka Public Schools.

A cordial invitation is extended to everyone to attend.

Among those from here who were in Ruidoso, N. M., last weekend were Mr. and Mrs. Alvin Hardin, Mr. and Mrs. Thomas Johnson and Anita, Mr. and Mrs. Ernell Givens and Jerry, Jimmy Irish, Porky Tennell and Billy Jack Hackler.

Local Student To Attend Nuclear Science Symposium

Melvin Rape, manager for Southwestern Public Service Company, has announced that Miss Mary Kay Berutti of Abernathy High School will attend the Second Texas Nuclear Science Symposium at the University of Texas at Austin, June 10 through June 13.

Miss Berutti, along with 20 other students and 11 teachers from the area served by Southwestern Public Service Company will leave by special bus Sunday to join with some 400 students and teachers throughout the state of Texas at the University campus.

The symposium is jointly sponsored by the Texas Atomic Energy Research Foundation, a group of 11 investor-owned electric utility companies, of which Southwestern Public Service Company is one, and the University of Texas.

"The Foundation, which is co-sponsoring with the General Atomic Division of General Dynamics Corporation, the world's largest privately-financed effort in the field of controlled nuclear fusion, is also seeking through its sponsorship of science symposiums to contribute to scientific education and understanding in Texas," Mr. Rape said.

"The meetings sponsored by the Foundation seek to bring to Texas high school science students and teachers lectures on nuclear physics and nuclear fusion research by outstanding scientists and to provide the students with an opportunity to get answers to their questions on scientific careers and college curricula," said Mr. Rape.

Speakers at this year's symposium in Austin will include three General Atomic scientists, from San Diego, California, Dr. D. W. Kerst, project leader on the controlled nuclear fusion research program; Dr. P. H. Miller, Jr., assistant director of the John Jay Hopkins Laboratory for Pure and Applied Science; and Dr. Theodore E. Taylor, technical associate director of the Orion project for nuclear propulsion in space and senior research advisor at General Atomic.

Other speakers on the symposium program will include Howard R. Drew, Fort Worth, executive vice president of the Texas Atomic Energy Research Foundation; Dr. W. T. Guy, Jr., chairman of the Department of Mathematics, University of Texas; Dr. E. L. Hudspeth and Dr. Wilson Nolle, professors of physics, and Dr. A. W. Stratton, professor of electrical engineering, all of the University of Texas; Dr. J. C. Allred, assistant to the president, University of Houston; and Dr. W. O. Milligan, professor of chemistry, Rice University.

News Briefs

Mrs. Esther Williams and Mrs. Vester Embry, teachers in the local school system, left this week for a two-weeks trip to the west coast. They will visit Mrs. Embry's son in San Francisco and also plan to visit Mr. and Mrs. J. C. Hurst while in that city.

Mr. and Mrs. E. M. Jones, Jr., and family have moved from Plainview to a farm north of Dimmitt. A former Abernathy resident, Jones was on the police force at Plainview.

Mr. and Mrs. Pete Wilson and daughters visited Six Flags Over Texas at Arlington last week.

Mr. and Mrs. Grady Owens of Commerce and their grandson, Steve Owens, of Bonham visited in the Raymond Owens and Charles Ray Owens homes here last weekend.

Larry Florence and Dirk Engel visited Carlsbad Caverns in New Mexico last weekend.

Airman Kenneth Turner was returned to duty at Moffett Air Force Base, Calif., following a visit here with his parents, Mr. and Mrs. Jake Turner.

Mrs. A. E. Goebel and her sister, Mrs. A. L. Cone, of Lubbock, returned Wednesday from Mt. Vernon, Washington, where they attended the funeral of their nephew, Floyd Heggen, son of Senator and Mrs. Bert Heggen. They visited other relatives while there, and took in the fair at Seattle.

Mr. and Mrs. A. E. Goebel and Elizabeth Goebel were in Waco Friday to attend the funeral of Mrs. M. R. Goebel, mother of Mrs. Alfred Ebeling of Star Rt., Hale Center.

Mr. and Mrs. Richard DuBose and Mr. and Mrs. Dale Powell spent several days recently fishing in Colorado.

Visitors last week in the home of Mr. and Mrs. Leon Tucker were Mr. Tucker's sister-in-law, Mrs. Henry Tucker of Phoenix, Ariz., and her brother and his wife, Mr. and Mrs. Gene Gully of Truth or Consequences, N. M.

CORPORATIONS - BALANCE OF TAX DUE

Corporations operating on a calendar year basis, are reminded by District Director, Ellis Campbell, Jr., of the Internal Revenue Service in Dallas, that they must pay the balance of their 1961 income tax liabilities by Friday, June 15, 1962.

Information about federal taxes may be obtained by contacting the IRS.

The machines that once did away with horses is now well on the way to doing away with people.

Local ambulance telephone number, 298-2331, Chambers Funeral Home.

Attend Summer Band Camp At Texas Tech

Eighteen Abernathy High School Band students are attending the Texas Tech Summer Band Camp, along with Director Everett Maxwell. The camp lasts two weeks, and will be concluded with a concert by the two bands on the green south of the Tech Administration Building Friday night, June 15, at 7:30.

Members of the symphonic band are: clarinets - Elaine Bilibrey, Janie Brown, Rita Evans, Jana Stevenson; flute - Peggy Carter; bass clarinet - Mike Miller; contrabass clarinet, Myra Kimball; bassoon - Margaret Toler; french horn - Angela Presley.

In the concert band are: clarinet - Joy Boone, Dottie Kay Wynne; flute - Shanna Crenshaw, Janet Rhodes; oboe - Treva Totty; alto saxophone - Patsy Pettit; cornet - J. Frank Jackson; trombone - Terry Barton; bass - Johnny Peters.

Besides band rehearsals, the students take part in sectional practices, instrumental and theory classes, marching drills, drum-majoring and twirling classes.

CORRECTION

Our face is Red! An error by the ed. in last week's Review, resulted in the omission of a name in the article concerning individuals receiving awards at graduation exercises here May 25.

Miss Dianna Stevenson, a graduating senior and a daughter of High School Principal and Mrs. Ralph Stevenson, was recently selected All-Around Girl at AHS and received an appropriate award at the graduation exercises.

Jimmy Scott Graduates At Harding

SEARCHY, ARK., June 4—Jimmy Dwayne Scott, son of Mr. and Mrs. C. E. Scott, Rt. 2, Abernathy, was one of 130 graduates of Harding College at commencement exercises May 31.

Scott received a B. A. degree in Biblical languages. He was graduated from Abernathy High School in 1957.

EMPLOYED BY RADIO STATION AT SHAMROCK

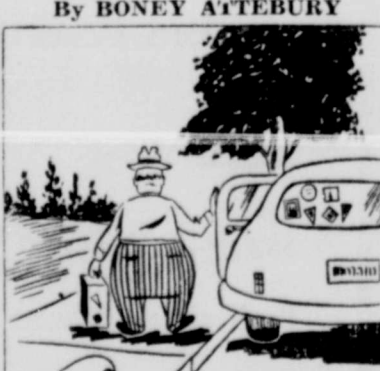

Grady Griffith of Rt. 1, Shallowater, who attended Abernathy High School, recently finished courses at Elkins School of Broadcasting and Electronic, Dallas. He is now employed by a radio station in Shamrock.

Abernathy School Superintendent Noel Johnson is in Austin this week on school business. His family is with him, and they plan to come back by Six Flags Over Texas this weekend.

4-H Club News

Nineteen 4-H Club girls and boys left for College Station and the State 4-H Club Round-up, Tuesday morning, representing Hale County and District 2, announced Gena Brazeale, Assistant Home Demonstration Agent. They will be accompanied by adult leaders and extension agents.

The Hale County Farm Bureau, presented a check to the young

sters covering their registration fee. Clayton Terrell, president of the Farm Bureau, made the presentation.

The 4-H girls and boys won the right to participate in the state contests by winning the district events in Lubbock in May. At College Station, they will be competing with other 4-H'ers from over the state. Other activities, says Miss Brazeale, include a chuck wagon supper, a variety of recreational activities, a banquet honoring the first place winners and professional entertainment.

Mrs. Olin Francis was taken to West Texas Hospital, Lubbock, last Thursday morning by Chambers ambulance.

Mr. and Mrs. W. V. Cunningham spent several days visiting relatives and friends in Dallas, McKinney and Waco last week.

MRS. B. F. TAYLOR

(By O. F. Rea)

The following story gives some interesting information about Mrs. B. F. Taylor, a longtime resident of Abernathy, who was 83 on her birthday, May 2. Her late husband was a justice of the peace here for a number of years, during the 1930's.

On May 2nd, 1879, a baby girl was born on the line of Milan and Burlison Counties at Gaus, Texas. She never got very large, she was burdened down with so much name. Vangelina Victoria Van Meter was her name. She still lives today, at the age of 83 years but doesn't get about very good.

Reminiscing, she says: "When I was young I had charge of my baby brother and sister. I petted them and would do for them whatever they asked. There were five of us girls in the family. My baby sister and I are all that is left of the girls, and two brothers have passed away. My baby brother lives in Rockdale, Texas, but is in bad health.

"I have traveled over the world lots before and after I married. I obeyed the Gospel at fifteen years old in Glendale, Kentucky, and was baptized in Nolan Creek. My uncle kept the church records and showed me where my father and mother were baptized there in Valley Creek.

"My father and mother were second cousins, that is where I got so much name from both sides of the house.

"Now I have been higher than the clouds but not on an airplane, but going around a mountain in Old Mexico to Shamal in a wagon driven by two Mexicans, one holding the lines and the other whipping the mules every step. Look- ing down, the clouds were floating

beds, and palm trees looked like weeds. This was in January.

"We were going to the colony of white people known as the Blalook Colony. (This attempt at settlement, known as the Blalook Colony was made in 1902 or 1903 and was organized by a man named Blalook. They emigrated to Old Mexico in wagons starting in Oklahoma. The colony finally died out. The settlement was tried near Tampico, in Old Mexico.)

"When we did get there they had fresh vegetables all the year round and two crops a year, but that was not the worst. There was a flea for every grain of sand. The dogs there did not have a hair on them. They were made so the fleas did not bother them.

"After we came back we heard the Mexicans ran the white people out and even dug up their graves, but there were not many buried there when we left for we only stayed three months, and that was enough.

"My husband passed away August 15, 1938, here in Abernathy with a heart attack. I have three children, two boys and a girl. Two boys, Edward Taylor and Brooks Taylor, live in Lubbock and my daughter, Mrs. R. G. Shuey, lives here in Abernathy. She has four sons and six grandchildren. Edward Taylor has one daughter who married Eddie Ramsey. Brooks has five children and 12 grandchildren—so I have 18 great-grandchildren.

"I have ridden on slow trains and fast trains but the most exciting thing I was ever in was an ox wagon, just a yoke and one rope. Going down a long grade they ran so fast I thought they were running away. My sister was laughing so hard she could not tell me that if he drew the rope

Babe Ruth And Little Leaguers Open Season

The Abernathy Little League and Babe Ruth League boys, member teams of the Tri-County Baseball League, opened their season last week with one win and three losses.

The two local teams played host to the Lorenzo teams here Tuesday, May 30. The Little League boys defeated 13-0, as McDaniel of Lorenzo pitched a perfect game. The losing pitcher was Sammy Stevens.

The Babe Ruth lads went down in defeat, 21-8. Lorenzo got 15 hits and 21 runs, while Abernathy had 10 hits and 8 runs. Roland Murray was the losing pitcher, and Reed was the winner. Leading hitters for Abernathy were Mike Tannehill who hit three singles, while Jimmy Franklin had a double and Ray Mac Poage a triple.

Friday the local lads traveled to Hale Center and split games with the neighbors to the north. The Little Leaguers were defeated 12-1 as Allenberg got Abernathy's only hit of the game. Danny Kelly was the losing pitcher, and McDaniel was the winner.

The Babe Ruthers whalloped Hale Center 24-19, with Earl Hill on the mound for Abernathy. Smith was the losing pitcher.

Leading hitters for Abernathy were Lane Wade, three singles; Jimmy Franklin, two doubles;

Mike Collins, home run; and Pat Hale, triple.

Top Hitters

The top five hitters in the Babe Ruth League are: Jimmy Franklin and Barry Selke, 500; Mike Collins, 426; Lane Wade, 400; and Mike Tannehill, 375.

Wade has three RBIs while Franklin and Collins have three each.

Schedules

Following is the season schedule for the Abernathy Little League (City League):

- June 7—Dodgers vs. Yanks.
- June 8—Colts vs. Pirates.
- June 11—Dodgers vs. Indians.
- June 12—Pirates vs. Yanks.
- June 14—Colts vs. Yanks.
- June 15—Dodgers vs. Yanks.
- June 18—Pirates vs. Colts.
- June 19—Yanks vs. Indians.
- June 21—Dodgers vs. Pirates.
- June 22—Indians vs. Colts.
- June 25—Pirates vs. Yanks.
- June 26—Colts vs. Dodgers.
- June 28—Indians vs. Pirates.
- June 29—Colts vs. Yanks.
- July 2—Dodgers vs. Colts.
- July 3—Yanks vs. Indians.
- July 5—Pirates vs. Dodgers.
- July 6—Colts vs. Yanks.

Tri-County League

Following is the schedule for the two Abernathy teams in the Tri-County Baseball League:

- June 8—Abernathy, open.
- June 12—Idalou, here.
- June 22—Lorenzo, there.
- June 26—Hale Center, here.
- June 29—Cotton Center, here.
- July 3—Abernathy, open.
- July 6—Idalou, there.
- July 10—Ralls, here.
- July 13—Petersburg, there.

Attends Dallas Fashion Market

Mrs. Sam W. Williams, owner of Ann's Dress Shop in Abernathy, was among the buyers and merchants attending the American Fashion Association Fall Market in Dallas, May 27-June 1. Several thousand lines of women's and children's apparel, manufactured all over the United States, were exhibited in the Adolphus and Baker Hotels, and more than 5,000 buyers from throughout the South-

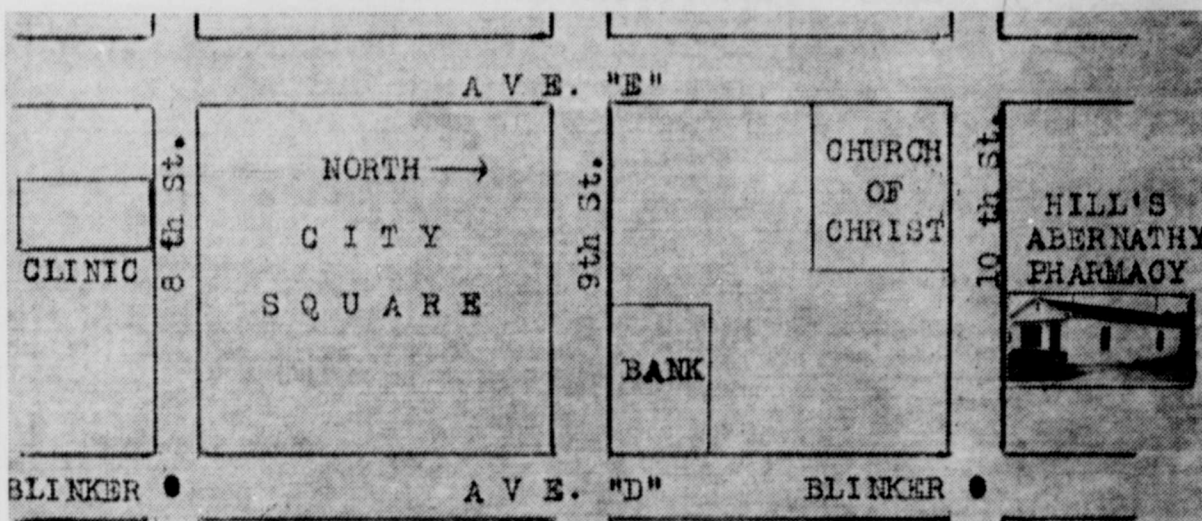

west were present, according to Sherman Bernon, president of the fashion association.

A greater crowd than usual attended the Fashion Clinic presented by the American Fashion Association on Sunday and Monday nights, and it was necessary for the association to schedule an additional performance in order to fill the demand for tickets. All the newest fashions, modeled by professional models, were shown on the runway, and the new fall fashions in coats, suits, dresses and sportswear were depicted.

The "spare look," the "natural look" and the "relaxed look" were shown, along with a generous sampling of elegant and feminine fitted fashions. The colors and shapes for fall are wearable, individual, interesting, and buyers are finding a wealth of fashions from which to select their fall merchandise. Vivid colors, off-colors, interesting textures and fabrics include something for everybody's taste, for Fall '62.

Abernathy (Texas) Weekly Review Thursday, June 7, 1962 Page 6

Hegi Optimistic About Sugar Beet Situation

A proposed sugar beet production support bill will give new growers a definite advantage, said Don Hegi, Petersburg, president of the Hale County Sugar Beet Growers Association, after a recent appearance in Washington.

Hegi presented a statement before the group hearing reports on the proposed Sugar Act.

Hegi said upon his return home, "I feel that new growers are in a better position than ever. If the present bill is not extended and which only a minority wants, new growers will be awarded at least 50,000 tons or 20,000 acres annually."

Hegi said the House agriculture committee shows some antagonism toward the State Department for past handling of agriculture committee bills.

"George Mahon is a very highly respected man in Washington," Hegi said. "We should be proud to have such a man represent us."

He and his staff are very cooperative and will be working for the most favorable sugar act. Both Senator Yarborough and Tower are strongly in favor of larger domestic sugar production."

Hegi, accompanied on the trip to the capital by Mrs. Hegi, testified before the agriculture committee, visited in the offices of Representative Mahon and other government officials.

Following is the statement Hegi presented to the committee.

"I farm 440 acres of land near Petersburg, Texas in Hale County, Texas, located on the South Plains of Texas. Our area has produced a limited amount of good quality sugar beets for a number of years. The limiting factor in our production of sugar beets is a refinery and quota.

Naturally, we would like very much to have this situation remedied. The efficiency of American Agriculture has, in a sense, worked against us. We are confronted with many complex problems. Can we turn to any other governmental agency for help? No, gentlemen, we need your help. Of course, our Congressmen, Congressional Committees, and Agricultural Department should be and are, most interested in us, the American farmer. Surely you have a great responsibility resting on your shoulders. An article in the April issue of U. S. News and World Report quoted government economists as estimating a need for 60,000 new jobs a week between now and 1970. These economists also estimated a 16 percent decrease in agricultural population between 1960 and 1970. What kind of future does agriculture hold for my three sons? Surely it is imperative that we all do everything possible to strengthen our agriculture situation when the opportunity arises.

"Our organization feels that sugar beets are one answer to this situation. By growing a non-surplus crop we will remove a corresponding acreage of surplus crop, mainly feed grain which is one of our outstanding surpluses. The American farmer does not have any more of a desire to continue to add to our surplus crops than the government has to increase their stocks of these crops. How very reasonable it seems to us to take advantage of the situation as it now exists in sugar production. Are we not deserving of due consideration in this matter. Gentlemen, there are a lot of everyday items the American public uses that could be imported cheaper than can be produced here in America if we take advantage of different types of cheap foreign labor.

We are very reluctant to agree with the bill as presented by the Administration or the sugar industry.

We feel the American farmers are due a larger consideration than has been presented here. Why must so much consideration be given to foreign nations when many problems face American agriculture? Many people feel that Cuban dependence of a one crop economy was actually detrimental to their economy.

We agree with the many other new growers representatives that this bill is not as favorable as it should be. In our opinion, 100 percent of the growth factor for domestic production is not at all unreasonable. This would provide a more rapid expansion for new growing areas. It is also very difficult for us to understand why at least a part of the former Cuban allotment could not be given for increased domestic production.

The South Plains area of Texas is one of the best agricultural sections in the United States. Mr. Ernest Sammann, in his statement before this Committee last year presented many facts and figures concerning our irrigated section, which I will not duplicate at this time.

The American farmer is deeply worried about the surplus situation. We very earnestly and sincerely urge that this Committee give our own farmers every possible consideration in the new Sugar Act. We feel that an honest evaluation of the sugar problem will result in a much more substantial increase in domestic production."

We feel that an honest evaluation of the sugar problem will result in a much more substantial increase in domestic production."

"Our organization feels that sugar beets are one answer to this situation. By growing a non-surplus crop we will remove a corresponding acreage of surplus crop, mainly feed grain which is one of our outstanding surpluses. The American farmer does not have any more of a desire to continue to add to our surplus crops than the government has to increase their stocks of these crops. How very reasonable it seems to us to take advantage of the situation as it now exists in sugar production. Are we not deserving of due consideration in this matter. Gentlemen, there are a lot of everyday items the American public uses that could be imported cheaper than can be produced here in America if we take advantage of different types of cheap foreign labor.

We are very reluctant to agree with the bill as presented by the Administration or the sugar industry.

We feel the American farmers are due a larger consideration than has been presented here. Why must so much consideration be given to foreign nations when many problems face American agriculture? Many people feel that Cuban dependence of a one crop economy was actually detrimental to their economy.

We agree with the many other new growers representatives that this bill is not as favorable as it should be. In our opinion, 100 percent of the growth factor for domestic production is not at all unreasonable. This would provide a more rapid expansion for new growing areas. It is also very difficult for us to understand why at least a part of the former Cuban allotment could not be given for increased domestic production.

The South Plains area of Texas is one of the best agricultural sections in the United States. Mr. Ernest Sammann, in his statement before this Committee last year presented many facts and figures concerning our irrigated section, which I will not duplicate at this time.

The American farmer is deeply worried about the surplus situation. We very earnestly and sincerely urge that this Committee give our own farmers every possible consideration in the new Sugar Act. We feel that an honest evaluation of the sugar problem will result in a much more substantial increase in domestic production."

TALK - In Print

Mrs. Bobby Barton, Santa Monica, Calif., formerly of Abernathy, was seen here Thursday on a television network program originating in California.

I like brief introductions of speakers and smooth program endings on TV. None could be better than JFK's televised press conference. "Ladies and gentlemen, the President of the United States" to open, and "Thank you, Mr. President," closing the conference.

Also, I like the way the popular Sing Along With Mitch program leaves the air.

BE PROTECTED AGAINST

AN IMPORTANT MESSAGE TO THE FARMERS FOR 1962

The PANHANDLE MUTUAL HAIL ASSOCIATION has paid back to the farmers an average of 81c of each premium dollar over the last 3 years for HAIL LOSSES. The loss benefits is the important and simple crux of any insurance policy, and much sweeter than any token dividend or deviation.

TEN REASONS WHY PANHANDLE MUTUAL HAIL ASSOCIATION IS ONE OF THE LARGEST CROP HAIL WRITERS ON TEXAS CROPS:

1. All Texas policies are reinsured by the LLOYD'S OF LONDON with billions of dollar assets.
2. All liability is mapped and limited by section and township.
3. Approximately FOUR AND ONE-HALF MILLION dollars paid to West Texas farmers for losses the last five years.
4. A-PLUS (EXCELLENT) RATING BY "DUNN'S" FIRE AND CASUALTY REPORT."
5. Required legal reserve (policy holders surplus) maintained at all times and deposits are kept in LOCAL BANKS throughout the West Texas area.
6. The PANHANDLE SPECIAL cotton policy DOES NOT have the REPLANT clause and we DO NOT use the PLANT POPULATION adjustment at any time.
7. We do offer the FB-10 and FB-5 cotton coverage (with replant) at reduced rates for late cotton.
8. The PANHANDLE Wheat Policy is the only policy with the "Extra Harvest Expense Award" benefits, also with the 10% credit on Tascosa and beardless wheat, only 48 hour waiting period instead of 120 and a premium saving in most counties.
9. Free cancellation on crop failures (See Dates) . . . arbitration clause.
10. Your PANHANDLE MUTUAL HAIL ASSOCIATION wants to serve you with "THE THINKING MAN'S HAIL INSURANCE."

Be sure and talk to your PANHANDLE MUTUAL AGENT now to compare and study the coverage and rates, because of the many coverages that are now being offered, you need to know which policy fits your West Texas farming conditions the best.

MISS ALICE JEANETTE MIDDLETON
Bride-Elect of Wade Attebury

The engagement of Miss Alice Jeanette Middleton to Donald Wade Attebury has been announced by her parents, Mr. and Mrs. Arthur E. Middleton, of Shallowater.

Wade is a son of Mr. and Mrs. E. H. Attebury of Abernathy. Miss Middleton, who is a niece of Ted Middleton of Abernathy, is a 1960 graduate of Shallowater High School. Mr. Attebury, a graduate of Abernathy High School, expects to receive his discharge from Army duty at Fort Polk, La., this summer.

The wedding of Miss Middleton and Mr. Attebury is scheduled for Sept. 1, in Shallowater First Baptist Church.

Month Of May Police Report

City of Abernathy

The police car was driven 2,154 miles.

One automobile accident was investigated.

Two fires required traffic control.

Eleven tickets were issued on traffic violations.

Citations and other legal papers were served on eleven people.

Two reports of stolen autos were checked.

Three trips to Plainview to court and sheriff's office were made.

Nine crimes were investigated and two criminal arrests were made.

One call to residence on civil matter.

Traffic was controlled at two funerals.

There's a plumpish woman we know of who's trying a new diet consisting of nothing but coconuts. She hasn't lost any weight but you ought to see her skinny up a tree.

Lakeview News

Mr. and Mrs. Quinton Colwell and children of Lubbock visited his parents, Mr. and Mrs. A. E. Colwell Sunday. They came to enjoy a birthday dinner for Mr. Colwell.

Hi-Plains Hi-Lights

NEWS from the High Plains Research Foundation

Initial plans in preparation for the 3rd annual Flame Cultivation tours and demonstrations on August 10 at the High Plains Research Foundation were made recently by representatives of the Foundation, the Texas Butane Dealers Association and manufacturers of flame cultivation equipment.

A full day of activities were planned at the meeting. A press conference for agricultural editors and reporters was scheduled at the Foundations new office building for Friday morning. The tours to view the research results on various crops were scheduled for 1:30 to 4:00 p.m. Exhibits and demonstrations of the latest equipment will be the last stop of the 6 scheduled tours.

A conference on weed control through flame and other results will conclude the afternoon program at Halfway. The group preparing for the tour included Ted J. Parks of Austin, Public Relations Director for the Texas Butane Dealers Association; Fred Garrison, Plainview Garrison Oil Co., District Director for the Texas Butane Dealers Association; Jodie Howard, Lubbock Western Tank and Steel and AFCCO; Bill Taylor, Jones Copeland, Bill Watson, B. T. Lusk, Gene Bumpus Co. & Gocher Mfg. Co.; Dr. Earl H. Collier, Director and C. H. Janeway, head of Public Relations of the High Plains Research Foundation.

Nation wide interest and attendance at the special Flame Cultivation Day is indicated. The public is invited to attend the tours.

FORMER ABERNATHIAN VISITS IN PEARCE HOME

Mrs. Henry Tucker of Phoenix, Ariz., spent the night recently with the G. C. Peares. The Tuckers lived neighbors to the Peares for several years on a place now owned by Benny McDougal, north and east of the Pearce farm.

They moved to Arizona several years ago. Mr. Tucker's health failed and he passed away about six weeks ago. He was a brother of Leon Tucker of Abernathy.

He was with his mother, Mrs. C. H. Byrd, who underwent major surgery in the M. D. Anderson Hospital Monday.

The Review wants your news.

MRS. IVAN DELAINE RAPPE (nee Miss Linda Turner)

Turner-Rappe Vows Read In Home Of Bride's Aunt Here Friday Night

Miss Alice Linda Turner and Ivan Delaine Rappe were married at 7:30 p.m. Friday by Bob Hoover, Lubbock, and Clyde Freeman, minister of the Abernathy Church of Christ.

Double ring vows were read in the home of the bride's aunt, Mrs. J. A. Bruce.

Parents of the couple are Mr. and Mrs. J. C. Turner Jr., Abernathy, and Mr. and Mrs. C. E. Rappe of Lubbock.

Given in marriage by her father, she wore a white dress with a street-length skirt and short overskirt joined to a lace bodice. The dress was designed and made by the bride. A short face veil was secured to a white pillbox hat. Short gloves and a white Bible completed her attire.

A sister of the bride, Miss Frances Turner, was her maid of honor. Another sister, Miss Barbara Turner, was a bridesmaid. They wore blue street-length dresses with scoop necklines and short sleeves. A single strand of pearls and a blue headpiece hat completed the costume with matching white accessories.

Best man was Jimmy Turner, Lubbock. Ronny Cox, Lubbock was a groomsman.

Candles were lighted by Jene Rappe of Lubbock.

Pianists were Miss Judy Kiker and Miss Marsha Taylor.

Wedding selections were sung by Misses Jane Apperson, Sara Lou Bruce, and Janice Adkisson. A reception followed.

The couple will be at home at 908 5th Street in Lubbock, where the bridegroom is employed at Turner's No. 2 Super Save Grocery on the Idalou Hwy. She is a graduate of Abernathy High School and he is a graduate of Lorenzo High School.

WANTED

The Review wants the new yearbooks from all the local clubs and other organizations that have them. The yearbooks that we want will be for the 1962-1963 season. As soon as they are issued, please let us have them so we can start our news coverage.

Thanks.

Plans Set For Flame Cultivation Tours August 10

Plans for the third annual flame cultivation tours at the High Plains Research Foundation have been made by representatives of the Texas Butane Dealers Association, dealers, farmers and the Foundation staff.

The program for the special tours will begin at 9 o'clock Friday morning, August 10, with a press conference in the meeting room of the new office building at Halfway. Slides, pictures, demonstrations and farmer reports on flame cultivation as applied to the various crops and research results will be given. Following the conference the reporters and editors will be luncheon guests of the Western Tank and Steel Co.

Tours to view the practical research results from flame cultivation will begin at 1:30 p.m. and continue until four o'clock. Five stops will be made on the tours to show the results of flame cultivation for weed control. The last stop will be at the exhibits with demonstrations of the use of equipment. Ending the day's activities will be a program at

4:00 p.m. at Halfway covering all phases of flame cultivation followed by a question and answer period.

Nation wide interest and attendance at the flame cultivation special day on August 10 is indicated and the public is invited to accompany the group on the tours.

Mr. and Mrs. Ray Willis were in Amarillo last weekend. Mr. and Mrs. Cecil Gartin have returned from a trip to New Orleans.

Mrs. Sam Williams was in Dallas last week shopping the wholesale markets for merchandise for Ann's Dress Shop.

Legal Notice

ORDINANCE NO. 128 AN ORDINANCE FIXING THE MAXIMUM RATE OF SPEED FOR MOTOR VEHICLES; ALLOWING FOR SPEED ZONES; PROVIDING FOR PENALTY; AND DECLARING AN EMERGENCY.

(1) The speed zones established by this Ordinance shall include all of U. S. 87 (new route) within the corporate limits of Abernathy, Texas; the maximum legal speed shall be as follows:

Beginning at the north city limit, the maximum legal speed for both northbound and southbound traffic shall be 60 m.p.h. during the daytime and 55 m.p.h. during the nighttime for a distance of 1,009 miles to the south city limit. And all Ordinances and parts of Ordinances in conflict herewith are hereby repealed.

(2) The speed zone established by this Ordinance shall include all of both the west service road and the east service road of U. S. 87 (new route) within the corporate limits of Abernathy, Texas; the maximum legal speed shall be as follows:

(a) On the west service road and beginning at the north city limit, the south property line of 16th Street, the maximum legal speed for both southbound and northbound traffic shall be 35 m.p.h. for a distance of 0.695 miles to the center line of Sixth Street; thence 45 m.p.h. for a distance of 0.319 miles to the south city limit, the north property line of First Street (F. M. 597).

(b) On the east service road and beginning at the north city limit, the south property line of 16th Street, the maximum legal speed for southbound traffic shall be 40 m.p.h. for a distance of 0.518 miles to the center line of Main Street; thence 35 m.p.h. for a distance of 0.494 miles to the south city limit, the north property line of First Street (F. M. 597).

(c) On the east service road beginning at the south city limit, the north property line of First Street (F. M. 597), the maximum legal speed for northbound traffic shall be 40 m.p.h. for a distance of 1.012 miles to the north city limit, the south property line of 16th Street.

And all Ordinances and parts of Ordinances in conflict herewith are hereby repealed.

(3) The speed zones established by this Ordinance shall include all of U. S. 87 (old route via "D" Street) within the corporate limits of Abernathy, Texas; the maximum legal speed shall be as follows:

(a) Beginning at the north city limit, the south property line of 16th Street, the maximum legal speed for southbound traffic shall be 40 m.p.h. for a distance of 0.393 miles to the center line of 16th Street; thence 36 m.p.h. for a distance of 0.279 miles to the

center line of Sixth Street; thence 40 m.p.h. for a distance of 0.320 miles to the south city limit, the north property line of First Street (F. M. 597).

(b) Beginning at the south city limit, the north property line of First Street (F. M. 597) the maximum legal speed for northbound traffic is 40 m.p.h. for a distance of 0.320 miles to the center line of Sixth Street; thence 30 m.p.h. for a distance of 0.279 miles to the center line of 10th Street; thence 35 m.p.h. for a distance of 0.393 miles to the north city limit, the south property line of 16th Street.

And all Ordinances and parts of Ordinances in conflict herewith are hereby repealed, except Ordinance No. 41.

(4) The speed zones established by this Ordinance shall include all of F. M. 597 (First Street) within the corporate limits of Abernathy, Texas; the maximum legal speed limit shall be as follows:

Beginning at the west city limit the maximum legal speed for both eastbound and westbound traffic shall be 50 m.p.h. for a distance of 0.221 miles to the center line of Avenue "K" extending to the north; thence 45 m.p.h. for a distance of 0.205 miles to the center line of Avenue "G" extending to the north; thence 40 m.p.h. for a distance of 0.201 miles to the east city limit, the west property line of "D" Street (U. S. 87—the old route) extend-

TALK - In Print

Another request came in Monday for this column to write about dogs running loose and ruining shrubs and fouling lawns. If I thought it would do any good, I'd repeat: "There is an ordinance against dogs running loose in Abernathy. A majority of the people voted in favor of the city law requiring dog owners to keep the animals penned or on a leash."

We've written this a couple of hundred times. The dog-loving humans hate me, and most of the dogs growl at me because of this campaign.

It's up to city hall to enforce this ordinance. The telephone num-

ber is 298-2545. Call them up and report dogs running loose. If nothing is done, call the mayor, W. V. Cunningham, and the aldermen: David Ray Pinson, Roy Jones, A. B. Myatt, W. T. Settle and Dan Ward.

—1tp—

Walter Richter of Gonzales received the Democratic nomination for State Senator in the June 2 election. He is a nephew of H. E. Richter and Mrs. Manna Struve of Abernathy.

DOGS PLAYING HAVOC WITH GEESSE ON FARMS
(By O. F. Rea)

It has been customary for some time to use geese in area cotton fields as "hoe hands." Hundreds of geese are put into the fields with electric fences around them which works pretty successfully in containing the geese.

There has been a little loss of geese to dogs in the past, but this year the losses have been climbing at an alarming and costly

rate, especially near Abernathy. Some think the dogs are mainly town dogs that roam into the country and have a field day, or night, in a flock of geese. Others think dogs in the country are helping with the killing.

Reported losses in the last few nights and just recently run into an appreciable loss in dollars and cents. J. C. Mills had approximately 300 killed out of 400 delivered to his farm. A. C. Harris had 65 killed Saturday and Sunday nights. Jackie Barton lost 40, Bill Jack Ingram, Monroe Waits and Billy Houston all reporting losses. The geese are just killed and left. At the average figure of \$2.00 per goose this runs into a pretty expensive figure.

Does your dog roam freely in town? There are also complaints of dogs damaging gardens and flower beds in town.

Ambulance telephone number in Abernathy: 298-2331.
