'Lopes To Host Buffs

The Abernathy Antelopes will play their first home game of the 1962 football season Friday night when they host the Petersburg Buffaloes on Antelope Field at 8 o'clock.

Abernathy opened the season last week with an 8-7 victory over (See Story On Page 5)

The Olton Mustangs while Petersburg battled the Slaton Tigers to an 8-8 deadlock on the Buffaloes, home field.

The Buffaloes, 10th rated Class A team in the state, were led in their attack by fullback Gary Loyd, who scored the TD, and halfback Stanley Self, who ran the extra point. Self is a top-rated back, but according to reports failed to "show his stuff" last week. The Buffs failed to gain any yardage by air last week, but chalked up 184 yards on the ground.

Probable starters Friday for Coach James Odom's Buffaloes include: Mike Loyd, QB; Stanley Self, HB; Gary Loyd, FB; Victor Mahagan, HB; Bobby Pearson and Charles Boyd, Ends; Charles Scarborough and Terry Scarborough, Tackles; Duane Greene and Larry Moore, Guards; and Jim Brashear, Center.

Coach Curtis Davenport's probable starters in the Antelope line include: Edd Burnett, Center; Don Hughes and John Reagan, Guards; Billy Barrick and Sandy Downs, Tackles; and Eddie Davis and Randy Henson, Ends. "LIFESAVERS"—This electronic equipment plays its part in helping save lives at railroad crossings. These relays and other units are housed in a large metal cabinet mounted between sets of railroad tracks just south of FM 2060 near the Santa Fe depot. They operate the red-flashing lights and bell-changing devices that warn motorists of approaching trains at the new FM 2060 crossing. (Rev-Foto)

THIS IS ONE OF TWO SETS of railroad crossing signals that were placed in operation at the FM 2060 crossing Thursday afternoon. B. H. Crandall, Slaton, signal supervisor for the Santa Fe, is shown checking the set of signals that warn eastbound motorists of approaching trains. A similar set, near the Co-op Grain Company grain warehouse, warns westbound traffic. Flashing red lights and changing bell go into operation when a train is approaching the crossing. In addition to these lights, there will be sets of overhead signals, which are to be installed later this year, Crandall said. (Rev-Foto)

Interest In Grain Sorghum Brings Japanese Feed Manufacturers Here
The Grain Sorghum Producers Association and Elbert Harp, GS A president, were hosts to two Japanese gentlemen here early this week to gather first hand information about grain sorghum.

While here they were shown fields of grain sorghum, harvesting operations, how it is brought to the elevators, and storage and drying operations. They visited Big State Grain Company while in Abernathy, and were guests of the Lions Club Tuesday noon.

The visitors were Kosaku Inoue, managing director of Zenkoren Farm Cooperative, and H. Yoshino who is working in this country in the interest of grain sorghum and cotton for Japan. His station of work is in San Francisco.

The two men from Japan were here because of interest stirred up by other Japanese groups who have visited here. The two men, who came "on their own," wanted to see for themselves, first-hand, the grain sorghum cycle here.

Hidden Among The Stuff

By LLOYD SCOTT
 "And the LORD answered, Behold, he hath hid himself among the stuff." I Sam. 11:22.
 Samuel sought out a leader for Israel. God led him to Saul, the son of Kish. But when it came time to anoint Saul as king of Israel, he could not be found. He was hidden "among the stuff."
 Many people cannot accept God's will and God's call because their lives have become filled with too much "stuff." Too busy to teach a class . . . too busy for the training program . . . too busy to visit and witness.
 As Barbara and I prepared to move to Fort Worth, we felt that we could move easily in one truck load. But over the years, we collected this item and that item, until today we have much "stuff." It was harder for us to move. It took two truck loads. The child of God must be very careful not to take on too much stuff. It may keep him from being able to move freely for God.
 It is hurtful to God's work when a Christian takes on so much secular work that he is not able to observe the worship services. Some men allow their farms or businesses to become so large that they have to rule out God's

work in their lives in order to care for their own work.
 Others allow their possessions to become so large that when God calls, they cannot leave their precious belongings. The rich young ruler loved his riches more than he loved Christ.
 Some let their lives become filled with sports and entertainment, so much so that they become hidden among the stuff when God calls for real service.
 There are those who let their lives become filled with "spoiled stuff" . . . destroying their ability to testify as a Christian.
 I know some men whose lives are filled with club work and no church work.
 It will be a tragic thing indeed when Jesus comes and finds men "hidden among the stuff," too busy with living to find life eternal within the commandments of Christ.
 In Korea I saw a young lad with a heavy burden on his back. He wobbled and stumbled as he went on his way. He could not walk straight. He had taken on too much stuff.
 Let no one say of you, "He is so busy he cannot study the Bible; he is so busy he cannot find time to pray; he is so busy he is unable to teach."
 Stay busy, but do not become "hidden among the stuff."

Mrs. Taylor is interested in both the adult and youth phases of Extension work. She trained 82 women in advanced clothing construction and tailoring in a series of workshops held in Swisher County. She has trained and worked with some outstanding 4-H leaders who have had some consistently high-placing teams in a number of state contests.

Home improvement and landscaping are other phases of outstanding accomplishments in the home demonstration field for Mrs. Taylor. She has made use of her special training in her own home as well as in working with groups. Other special interests of Mrs. Taylor in the home economics field are family life and family economics. "How do you get the exact age?" asked the newcomer. "I can understand the 70,000, but where do you get the four?"

The Jackie Barton, Donald Huffaker, Auvie Johnson and Wayne McClendon families spent last weekend at the Huffaker cabin at Lake Thomas.

that all the interest and export of grain sorghum to Japan is a direct result of work through the GSPA. When the work in this field first began, 30 U. S. grain sorghum was being shipped to Japan. Now Harp stated, about one out of every 40th load of grain goes to Japan. The grain is used mostly to feed poultry, but the livestock and swine industries in Japan are on the incline.

Mr. Inoue remarked that one of his feed factories has the capacity to handle 10,000 tons of feed grain per day.

Since the first visit here in December 1959 by Japan's Hideo Tokoro, agricultural attache to the U. S., grain sorghum exports to Japan have developed from zero to over 1,000,000 bushels monthly, Harp stated. About 30 Japanese have been in this area since Mr. Tokoro became so excited about the potentials of grain sorghum for Japan.

Antelopes Defeat Olton 8-7 There In Season Lid-Lifter

The Abernathy Antelopes of Coach Curtis Davenport gambled on an extra point situation and won as they defeated the Olton Mustangs 8-7 Friday night at Olton in the season opener for both clubs.

The Mustangs had taken the ball in the second half and marched 99 yards for the first score of the game. Charlie Burrus kicked the extra point for Olton's 7-0 lead.

The Antelopes took the kick off and marched 70 yards in 10 plays for their touchdown. Halfback Tom Ritchey flipped a pass to halfback Pat O'Neil from five yards out for the score. Ritchey then circled left end for the extra points and the game for the Antelopes.

Olton got its touchdown when Johnny Moses, Mustang workhorse, carried over from the one-foot line. Burrus then converted.

O'Neil Scores

Jones kicked off and the Antelopes put the ball in play on the 30 yard line. Pat O'Neil got one over guard Quarterback Bobby Pettit hit Ritchey in the left flat for 29 yards and a first down on the Mustang 41. Pettit on a keeper got 3. O'Neil made 2 around right end.

Olton drew 15 for a personal foul. Ritchey rounded right end for 8. O'Neil got 2 up the middle for a first down on the 10.

O'Neil and Ritchey were stopped for no gain, and Pettit got 5 on a keeper. Ritchey took a pitchout from Pettit, went to his right, and found O'Neil in the end zone for the touchdown.

Ritchey took a second pitchout from Pettit and went around left end for the extra points with 2:13 left in the third period.

Olton penetrated the Antelope 20 yard line five times during the game while Abernathy crossed the 20 only once.

RAINFALL REPORT

M. O. Hood, local weather observer, gave the following rainfall report for September and the total thus far this year.

Sept. 1, 0.01; Sept. 2, 0.02; Sept. 4, 1.10; Sept. 7, 0.25; Sept. 9, 0.02; Total for Sept., 2.20; Plus 10.34 for Jan. thru Aug., totals 12.54 inches for 1962.

Ritchey carried the ball four times and picked up 34 yards to be the top man for the winners.

TDs Called Back

Each team had a touchdown called back because of penalties. Olton lost their touchdown late in the second period and Abernathy its late in the third period.

Abernathy's touchdown that was called back was on a punt return by Ritchey, who took the ball on the Antelopes 35, cut to his left, headed down the east side line, and went all the way untouched, only to have the tally called back by a clipping penalty.

Slow To React

Coach Davenport remarked early this week of the defense: "We

hit well, but were slow to react," then added, "We were lucky to come out of this one on top."

The Antelopes will meet the Petersburg Buffaloes here tomorrow night on Antelope Field for their first home game of the season. Game time is 8 o'clock.

FINAL CALL for New Telephone Directory Changes

RESIDENTIAL SUBSCRIBERS
Your "Phone Book" listing is important to you and your friends. Won't you check yours, and call us promptly if you wish to make a change.

If you've considered including other members of your family, now is the time to do it. Extra listings cost so little, make it so much easier for your friends.

BUSINESS SUBSCRIBERS
Complete representation in the Yellow Pages will bring more customers to your door. And you can be sure of reaching many more buyers by listing under additional classifications.

Consider also the advantages of having directory representation for key people in your company. This added "exposure" really pays. *But time is short.* To make sure you'll be properly represented in the new Directory, call our Business Office right away.

W. S. C. S. NEWS

The W.S.C.S. of the First Methodist Church met with a covered dish luncheon Monday, September 10.

Mrs. L. S. Wilson was in charge of the worship program. Mrs. W. M. Medlin read scripture and gave the opening prayer.

The serving table was covered with a grass linen cloth from Korea. Several interesting dishes from other foreign countries were enjoyed along with the American dishes.
