

ABERNATHY WEEKLY REVIEW

New Deal Lose First Game In Four Outings

The Springlake Wolverines came from behind in the last half to beat New Deal 23-7 Friday night. New Deal's score came in the second quarter when Kenneth Boothe lofted a 15-yard pass to Clifford Fiekema. Randy Peoples booted the extra point.

Springlake started their scoring in the third quarter when Dan Sanders crossed the goal line from five yards out. The conversion was good with a pass to Charles Bushman.

In the final quarter Springlake scored twice more to sew up their victory. Jerry Don Sanders scored from 3 yards out and Cary Latham kicked the extra point to put the margin 15-7. Later in the quarter Latham scored on a 5 yard run over center.

The Lions were then trapped in the end zone to give a 2 point safety.

This loss was the first defeat New Deal has taken this year.

The Lions will play New Home with a 3-1 record this Friday night. At Friday night's game the 1962 football sweetheart will be crowned.

Mike, son of Mr. and Mrs. King W. Collins visited his parents here recently. The 15-year-old youth is attending high school at Deer, Ark.

Visitors last weekend in the home of Mr. and Mrs. George Reagan were Mr. and Mrs. Frank Simpson, Sr., of Tucson, Ariz. Mrs. Reagan and Mrs. Simpson are sisters. The Simpsons also visited their son, Frank Simpson, Jr., and family while here.

Mr. and Mrs. A. L. Apperson were vacationing at Lake Thomas this week. They plan to attend a family reunion at Hollis, Okla., Sunday.

Mr. and Mrs. George Reagan plan to attend Homecoming activities at Plainview High School this weekend.

It is reported that Larry Florence, son of Mr. and Mrs. Willie Florence and a freshman student at Texas A&M College, is playing first-string tackle with the A&M freshman football team and has been moved with 17 other top freshmen players to the varsity quarters.

A group of 88 sixth grade students from Hale Center Junior High School toured the TUCO power plant facilities on a science field trip Monday morning. Teachers of the three sixth grade classes, Mrs. Monroe Nelson, Mrs. Bill Akin, and Jimmy Pope, also made the tour.

Harp Explains Grain Bill

Elbert Harp, local farmer and president of the Grain Sorghum Producers Association, explained early this week that the extension of the present farm bill in regard to grain sorghum should be advantageous to local farmers.

Had the bill not been extended, a bill the same as the 1958 law would have been put into effect, Harp said. Harp compared the two bills, using 300 acres of grain sorghum acreage as an example, in the following manner:

1958 law 300 acres at 5,000 pounds yield per acre, if sold at \$1.25 cwt., would amount to \$18,750.00.

1962 Feed Grain Program—300 acres, less 20 percent layout, would be 240 acres at 5,000 pounds per acre. This would produce approximately 943,440 pounds at the loan rate of \$1.75 per cwt. or \$16,510.20, and 256,560 pounds at \$1.50 (free grain or paid in kind), \$3,848.40; plus the 60 acres layout land at \$37.20 per acre (Hale County average) for \$2,232.00. Thus, the total income under these circumstances would be \$22,590.60, or nearly \$4,000 more than it would have been under the old law. In addition to this, Harp stated, the farmer will be saving on fertilizer and water costs on the layout land.

REPUBLICAN WOMEN HERE

Mrs. Lewis Kiker, Jr., Hale County campaign manager for Jack Cox, Republican candidate for governor, and Mrs. McKinley Howell, county manager for Bill Hayes, lieutenant governor candidate, were here from Plainview Tuesday in interest of the candidates.

BIRTHS

Mr. and Mrs. R. L. (Bob) Parks are parents of a son born Oct. 1. He weighed 7 pounds 9 ounces and was named Michael Dwayne.

Abernathy Medical Clinic reported the following births:

A daughter, weighing 6 pounds 13 ounces, was born Sept. 26, to Mr. and Mrs. Juan Dominguez, Abernathy.

Mr. and Mrs. Lupe Ramos, Abernathy, are parents of a daughter born Oct. 1. The baby weighed 7 pounds 2 ounces.

A son weighing 7 pounds, was born Sept. 25, to Mr. and Mrs. Robert Herrera, Hale Center.

Mr. and Mrs. James Brandy, Shallowater, are parents of a daughter born Sept. 27. She weighed 9 pounds 6 ounces.

Local FFA Members Take 38 Ribbons At Fair In Lubbock

The Abernathy FFA Chapter members brought home 11 blue ribbons from the Panhandle South Plains Fair in Lubbock last week as a result of their various entries in the annual event. In addition to the first place ribbons they won 14 red (or second place) ribbons, and 13 white ribbons (3rd place) for a total of 38 ribbons overall.

The various winners, the divisions entered and their entries are listed below:

Blue Ribbon Winners

Jackie Kitchell, junior—10 ears of corn.

Jim Barton, senior—bundle of sheaf grain (Sudex).

Richard Slough, senior—one bunch of peanuts.

Dennis Bristow, junior—10 red mlo heads.

Mike Pettit, senior—rhubarb.

Randy Evans, senior—one pound of lint cotton.

Bill Waits, senior, (4)—one gallon of shelled dry beans; egg plant; 10 white mlo heads; and 10 red mlo heads.

White Ribbon Winners

Dennis Bristow, (3); senior—tomatoes; junior—peanuts; cotton stalk.

Terry Slough, junior, (2)—10 ears of corn; 10 white mlo heads.

Larry Poage, junior, (2)—one pound lint cotton; cotton seed.

Jerry Dickey—egg plants.

Larry Raymond, (2)—one gallon shelled dry peas.

Bill Waits, (3)—carrot; green beans; 10 heads red mlo.

Red Ribbon Winners

Terry Slough, senior, (3)—10 ears of corn; wheat seeds; 10 white mlo heads.

James Waters, senior—cotton stalk.

Neal Payne, junior—one pound of lint cotton.

Jim Franklin, senior—10 red mlo heads.

Richard Slough, junior, (2)—10 white mlo heads; 10 ears of corn.

James Jantz, senior—one pound of lint cotton.

Lane Wade, senior—cotton seed.

Wayne Raymond, senior—one gallon of shelled dry peas.

Bill Waits, senior, (3)—summer squash; cantaloupe; okra.

GRAVESIDE RITES HERE FOR INFANT

Graveside rites were held in Abernathy Cemetery Monday morning for Rito, the 5-month-old son of Mr. and Mrs. Cenovio Vasquez. The baby died at 3 a.m. Sunday in a Lubbock hospital. Officiating was Father Hammond of Abernathy's Santa Teresa Catholic Mission. Chambers Funeral Home was in charge of arrangements.

MILLARD HANCOCK'S UNCLE AND AUNT DIE

Mr. and Mrs. Millard Hancock flew to Burbank, Calif., last week to attend the funeral of his uncle, Jimmy Sexton, 72, who died Sept. 22. After returning home, they received word that Mrs. Jimmy Sexton, 71, died there September 28.

Type II Polio Vaccine To Be Given Oct. 14

Sabin oral vaccine for Type II polio will be given on sugar cubes Sunday, Oct. 14, from 1 p.m. until 5 p.m. at Abernathy city hall and Abernathy school cafeteria. It was announced by Dr. Kenneth Gregory and Dr. M. F. Priddy of Abernathy Medical Clinic.

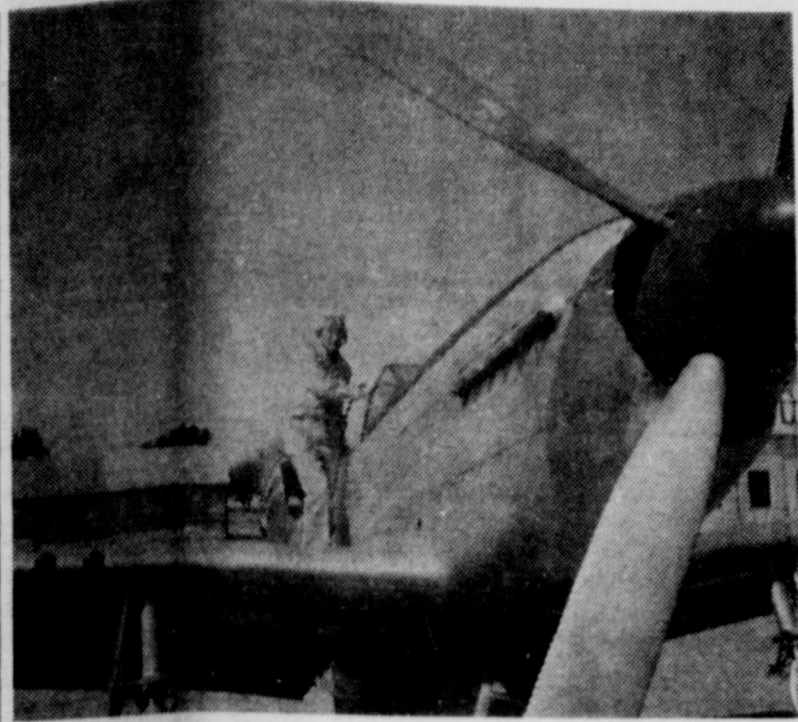

Near 2,800 persons received Sabin oral vaccine for Type I polio in the clinic held here Sept. 9. Those who took that vaccine are urged to return Oct. 14 and receive the vaccine that gives protection against Type II polio.

The polio vaccine clinics are being sponsored by Abernathy PTA. Members of the PTA assist the doctors, nurses and pharmacists in the vaccine clinics.

Young Farmer Chapter To Get Special Award

Members of the Abernathy Young Farmer Chapter are to meet at 8 p.m. Monday, October 8, in the school vocational agriculture building, announced Jerry Adams, advisor.

All members are urged to attend as there will be a special award presented to the chapter by Sam Thomas of the Southwestern Public Service Company, Amarillo.

Confederate Air Force Is Based In Valley

Considering the hot-potato situation in Oxford, and with Federal troops on patrol at the state line of Mississippi and Alabama, it is an inopportune time to take airplanes marked Confederate Air Force and bearing the Confederate Flag to Meridian, which is near the Mississippi-Alabama line.

The Confederate Air Force is based at Rebel Field, Mercedes, Texas, and is composed of a group of 70 men dedicated to preserving military airplanes used in World War II. All members of the Confederate Air Force bear the rank of Colonel so no one member will outrank the other. Most of the Colonels were pilots during World War II, and now reside in or near the Rio Grande Valley area. Gardner resides at Crystal City.

To date, the Confederate Air Force has bought and restored to flying condition the P-51 Mustang, a P-40 Warhawk, FM2 Wildcat, P-38 Lightning, FG1-D Corsair, P6F Hellcat, P5F Bearcat, and other S. WW II military planes and German and Japanese planes used in that war.

The Confederate Air Force has entered its planes in 12 air shows. Taking a look at the number '13' and the current conflict in Mississippi, they decided not to fly the Confederate Air Force marked planes there for the show. Their presence there, although just for participation in an air show, might cause some misunderstanding.

The big shop hangar building and the office building at Abernathy Airport. They have two Stearman crop spray planes based here. They also have an office in A. R. Knight's building on Ave. D in the north part of town. George Waters is associated with Gardner in the operation here.

Ed Hardesty Retires After Nearly 19 Years At TUCO

Charles Edwin Hardesty, who had been employed at TUCO for almost 19 years, retired as plant clerk September 30. Mr. Hardesty began working at TUCO November 26, 1943 (Thanksgiving Day). He started as a fireman and worked in that capacity until July 1, 1945, when he became store keeper and clerk. That title was changed to plant clerk March 1, 1947.

Mr. Hardesty, who is enjoying excellent health, had less than two hours "lost time" due to illness during his 19 years of service at TUCO.

Hardesty and Mary Jareene Hooks were married in 1925 in Oklahoma City, Okla. Mrs. Hardesty, a retired school teacher, taught in the Abernathy Public School system for many years.

The Hardestys plan to build a cabin near Denver, Colorado, where they will probably spend a considerable amount of time.

Reception Held

A reception was held Tuesday night in the city hall club room in honor of Mr. Hardesty's retirement. During the two-hour come-and-go event, more than 60 persons were in attendance to offer their best wishes to the Hardestys.

Special guests included S. L. Terry and Roy Thomas, of Southwestern Public Service Company's production department in Amarillo; Cliff Morrow, SWPS safety department, Amarillo; Phil Sterrett, former TUCO plant manager.

Mr. and Mrs. Edwin Hardesty who is now manager of Amarillo East Plant; and Oren Kes and Finis Robertson, former TUCO employees who retired a few years ago. These six men and Willie Florence, TUCO plant manager, spoke briefly and all had highest praise for Hardesty's devotion to his work and wished him a long and happy life in retirement.

A gift from TUCO employees was presented to Mr. Hardesty. The presentation of a complete fishing outfit, was made by Marvin Monk and George Hughes.

Mr. and Mrs. J. J. Vineyard returned Sunday from a stay at Lake Thomas.

4-H Club News

The Abernathy Community 4-H club meeting was called to order by Benny Lobstein, vice-president. Lonnie Bartlett led the Pledge of Allegiance and Lynn Vaughn led the 4-H Pledge. Mr. Lobstein told about plans for the 4-H entries in the Dallas Fair in October. Bob Thomas showed films taken at the World Fair.

Mrs. Lobstein served refreshments.

Donna Huffaker gave the following report on entries and winners at the South Plains Fair held in Lubbock last week: There were three entries from the Abernathy club in the Fair. Karen McClendon won a white ribbon with her pillow cases and a red ribbon with her fudge. She also entered cookies.

Joy Hall won a blue ribbon with her tomato juice, a red ribbon with her biscuits, a blue ribbon with divinity, blue ribbon with roll cookies, red ribbon with sugar cookies. She also entered drop cookies and peanut brittle.

Donna Huffaker won a red ribbon with her canned pinto beans and a white ribbon with refrigerator cookies.

Jana Spruiell won a blue ribbon with peanut brittle and a white ribbon with ginger molasses cookies.

Kerby Spruiell won a red ribbon with a picture.

LIIONS CLUB NEWS

The weekly noon luncheon of the Abernathy Lions Club was held Tuesday at Graham's Restaurant.

Lion Boss Ted Hill called on H. E. Richter to introduce the program. Miss Martha Bunn, daughter of Mrs. Chris Bunn and the late Mr. Bunn, was introduced and presented a very interesting program.

Miss Bunn, who recently returned from a three-months trip to Germany as head of a group of 12 Girl Scouts, showed a number of slides taken while in Germany and narrated as they were shown.

Lion Boss Hill presented a Lions Club pin and certificate of membership to city manager Charles Norwood.

Visiting guests included Dave Childen of Amarillo and Ivan Rhodes and Lee Echols.

Carl Barton, Lion Reporter

Ritchey Scores Four Times, Gains 292 Yards

Abernathy Downs Post 33-14

TOM RITCHEY, No. 40, ace Antelope speedster, circles left end for a 15-yard gain late in the first quarter of play against Post to put the Antelopes in scoring distance. Quarterback Bobby Pettit, No. 12, scored from the five-yard line four plays later. Ritchey, who scored four touchdowns on runs of 80, 42, 45 and 27 yards, picked up 292 yards rushing on only 14 carries and topped other South Plains backs.—(Rev-Foto)

By WAYDELE HILL
Review Sports Writer

The Abernathy Antelopes, behind the thundering hoofs of race horse Tom Ritchey, pranced into the winners circle for the third time this season as they trampled over the Post Antelopes 33 to 14, here last Friday night. This marked the first home field victory of the season for the local grid-ders.

The local lads won the toss of the coin and chose to receive the initial kick-off. Don Hughes returned the kick-off 5 yards to the Abernathy 36 yard line. On the first play Tom Ritchey gave the home town stands a glimpse of things to come as he scooted around left end for 19 yards and a first down. From this point the Post Antelope defense, led by end Danny Pierce, tightened up and dropped Pat O'Neil for a five yard loss. A pass from Ritchey to O'Neil fell incomplete, and Joe Ybarra's run for 4 yards left the Abernathy lads with a 4th down and 11 yards to go situation. Don Hughes' punt rolled dead on the Post 25 yard line and for the first time of the night we looked at the Post offensive maneuvers.

After picking up 32 yards and 2 first downs on the running of Ken Rankin and a 5 yard off-side penalty, the Abernathy defense held and forced Post to punt. Pat Cornell's punt rolled into the end zone and was brought out to the Abernathy 20 yard line.

Fourteen plays later the Abernathy lads found themselves on the Post 5 yard line with a first and goal facing them. Bobby Pettit rolled out from his quarterback position around right end and slipped into the end zone untouched. Charley Stallings' kick for the extra point was good, and with 27 seconds remaining in the first quarter, the local lads were in the lead 7 to 0 to stay. Outstanding gainers in this drive were a 20 yard run and a 15 yard run by Tom Ritchey.

Freddie Simmons gave the visiting fans a little excitement as he returned Randy Henson's kick-off to the 50 yard line on a nice run back. The Post lads gained 10 yards and a first down in vain as on the next play John Reagan recovered Delton Robinson's fumble. (Continued on Page 5)

Smith's Thriftway Super Market Here Featuring Grand Opening This Week

Grand Opening is being observed this week (Wednesday, Thursday, Friday and Saturday) at Smith's Thriftway Super Market at 401 Avenue D, in South Abernathy.

To help celebrate the event, James R. (Jim Bob) Smith and his father, Lee Roy, are featuring a big four-day Grand Opening Sale at their new store. They invite the general public to come by and visit with them in their new location and new building.

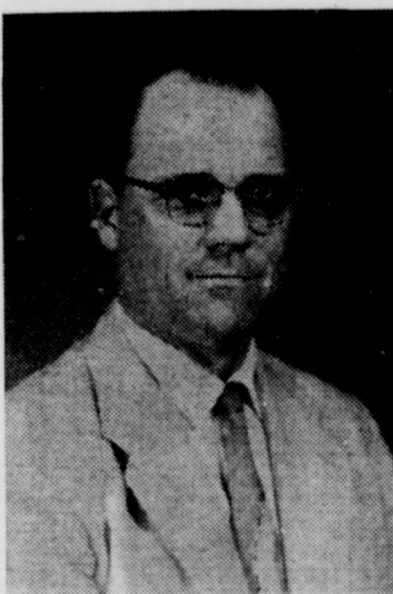

During the big event, the Smiths are offering a large number of items at very special prices. And there will be free cakes for everyone and free candy, gum and balloons for the children.

For further details see the Smith's Grand Opening ad in this paper.

GRAND OPENING—Lee Roy Smith, left, and his son, James R. (Jim Bob), this week are holding Grand Opening at their new Thriftway Super Market at 401 Avenue D. They are pictured above in front of their new, spacious building.—(Rev-Foto)

Assembly Of God Has New Pastor

REV. M. C. WALTER

Rev. M. C. Walter, new pastor of the Abernathy Assembly of God Church, moved here from Oklahoma City where he was pastor of a church. Rev. and Mrs. Walter and small granddaughter, Diane, will live in the parsonage at 14th and Ave. B.

He is a former pastor of Southside Assembly of God Church in Plainview and at Plains, Texas, and has been in the ministry about 25 years.

Rev. Walter attended Bible School at Russellville, Arkansas before the school was moved to Waxahachie, Texas.

DISTRICT 14 P-TA CITIZENSHIP PARLEY

Mrs. J. M. Farmer, president of District 14 of the Texas Congress of Parents and Teachers, announced the Citizenship Parley for local unit officers and committee chairmen. Council officers of District 14 Board members to be Tuesday, October 16, 9:30 a.m. at the Crosby County Pioneer Memorial Auditorium, Crosbyton. Other interested persons are invited to attend, also. The theme of this year is "Homes Create Community Strength Through Good Citizenship."

Mr. Bill Mann, superintendent of Springlake schools, chairman of District 14 Citizenship Committee, will be in charge of the program. He has arranged for some very outstanding guests to be on the program.

Among the special guests on the program will be the Hon. Jack Strong, Mayor of Lubbock; Mr. Virgil Trout, Lubbock, Chairman of District 14 Character and Spiritual Committee; and Dr. Homes Webb, Texas Technological College.

There will be several workshops in the afternoon from 1:00 p.m. until 2:30 with a discussion panel in each workshop.

CO-OP GINS GET THEIR FIRST BALE SEPT. 24

Lonnie Brownlow brought in the first bale ginned at the Co-op Gins this season Monday, September 24.

The seed cotton weighed 2,100 pounds, and ginned out 520 pounds of lint, with 860 pounds of seed. He received 50c per pound for the first bale ginned by the gin.

TAX DISCOUNT

Tax payers of the Abernathy Independent School District will be offered a 3% discount on their 1962 taxes if paid in October. The school tax office, in the high school building, will be open from 8:30 a.m. until 5 p.m. Monday through Friday, and from 8:30 a.m. until noon on Saturdays. Taxes may also be paid by mail.

OFES MEETS TONIGHT

Master Mason Night will be observed at the stated meeting of Abernathy Chapter No. 877, Order of the Eastern Star, at 7:30 tonight (Thursday). Mrs. J. C. Veach, Worthy Matron, urges all members to attend.

Program committee for tonight is Mmes. Annie Williams, Faye Oldham and Lois Ann Lovelace. Mmes. Cecile Pettit, Kathryn Raymond and Vivian Carmickle are on the social committee for this meeting.

Freshman, Jr. High Games Postponed

Abernathy's freshman and Junior High football games scheduled last week were postponed due to a wet field.

The freshman game was postponed until November 8, and will be played here at 6 p.m. that date. The Junior High games were postponed until next Tuesday, October 9, filling their open date, and will be played at Friendship.

DOGS TO BE VACCINATED

Today, October 4, 1962, between the hours of 5:30 and 8:00 p.m. all persons desiring to have their dogs vaccinated may do so at the City Hall club room.

Dr. Moore, a veterinarian from Lubbock will be on hand for the vaccination program. The cost of the vaccination is \$2.00 per dog. Also, city officials will be on hand to issue 1962 dog tags. The tags will cost \$2.00 for each male dog and \$3.00 for each female dog.

Under no circumstances will city tags be sold unless the dog is first vaccinated.

Dog owners are urged to avail themselves of this opportunity.

DOG TAGS TO BE VACCINATED

Lakeview News

Mr. and Mrs. G. L. Dedmon of Hale Center visited in the O. S. Bristow home Thursday night.

Mrs. N. J. Fred attended the funeral service for Mrs. Betty Charlene Hicks, 25, who died Thursday in a San Diego, Calif. hospital. Services were conducted in Tabernacle Baptist Church, Rev. Ben D. Johnson officiating. Burial was in Resthaven Memorial Park.

Mrs. Florence Overall of Granada Hills, Calif., who has been visiting in the home of her daughter, Mrs. Ken Moreland the past month left by plane for Dallas, where she will visit another daughter before returning home.

Mr. and Mrs. Dale Milner and Danny are on a 2-weeks vacation trip through the western states and will visit the World Fair in Seattle before returning home.

Rickey Smith of Halfway visited in the home of his sister, Mrs. Wayne Sistrunk and family last weekend.

Mr. and Mrs. Gordon Timms visited his parents, Mr. and Mrs. G. W. Timms of Winters, and Mr. and Mrs. J. R. Harp in Abilene, and later visited his brother, R. V. Timms in Ballinger.

Mr. and Mrs. O. S. Bristow visited her sister, Mrs. R. L. Yarbrough at Kress Sunday.

Visitors in the Mrs. C. S. Smith and family home were Mrs. Lela Williams of Elk City, Okla., Mr. and Mrs. Jerry Dunn and Don of Lubbock, Mr. and Mrs. Max Von Rhodes and daughters of Snyder, Mrs. Dewey Parsons and Mrs. Bobbie Simmons of Floydada.

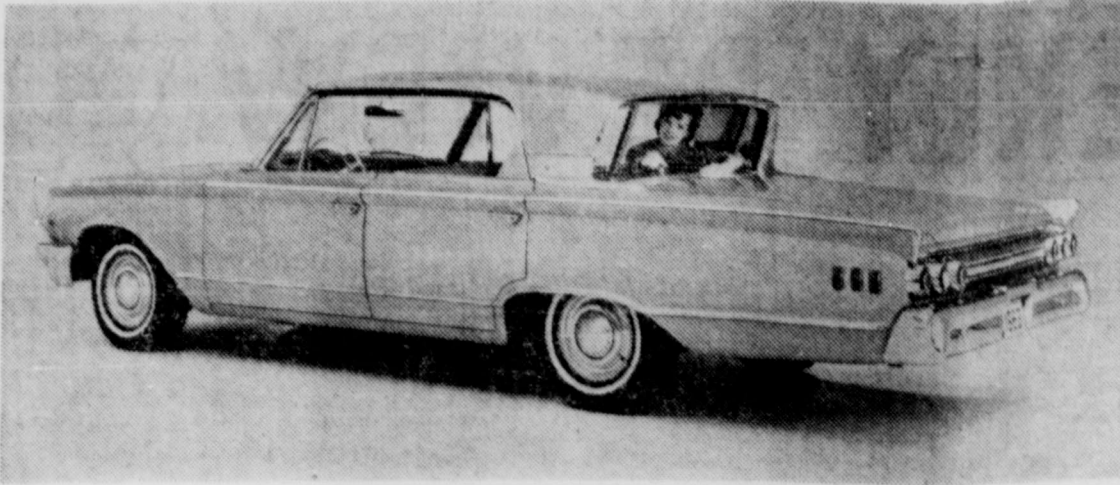

Mr. and Mrs. Ken Moreland will leave Friday for Redding, Calif., where they will visit their son, Mr. and Mrs. Don Moreland.

Dwain Bristow, Kerwin and Dennis, accompanied by O. S. Bristow, were in Rule Saturday and visited Mr. and Mrs. J. R. Dakin and Mr. and Mrs. Gordon Bristow of Rochester.

Mr. and Mrs. R. E. Anderson and Mr. and Mrs. S. M. Harrison spent the weekend visiting Mr. and Mrs. Preston Mitchell in Albuquerque.

C. E. Beeson and C. H. Pittman fished at Lake Stamford several days last week.

Jack and Ava Lee Hager, operators of the Dairy Mart, were issued a permit to make an 8x36 foot addition to the Dairy Mart. It will serve as additional lunch room space.

Dramatic new styling plus increased power and performance highlight the changes in the 1963 Mercury Monterey. The unique, reverse slope, rear window which goes up and down, virtually eliminates visibility problems caused by ice, snow, rain or frost. The 390 Marauder V-8 engine now becomes standard, replacing a 223 six-cylinder engine and 292 V-8 which are no longer available on the Monterey. A total of eleven models—including the four-door custom shown above—are offered in the Monterey, Monterey Custom and S-55 bucket seat series.

Peach Tree Borers Should Be Treated

The county agent's office has had a number of calls recently about peach tree borers and how to control them and when.

Ollie Liner, county agent, stated that trunks of the peach trees should be painted with Dieldrin. This can be done now and in early June and mid August.

The agent also stated that between October 20 and November 15, Paradichlorobenzene Crystals (PDB) should be used in the soil around the base of the tree. This should be done when the soil is

relatively dry and the temperature is above 55 degrees. Weeds should be removed and the soil loosened and levelled about one foot from the trunk of the tree. The crystals placed in a narrow circular band in a small groove about two inches from the trunk of the tree and several shovels of clean soil covered over the crystals and a mound around the trunk of the tree about six inches high. None of the materials should be pushed against the trunk of the tree.

Liner stated that a publication in his office, L-245, gives a complete description of what could be done.

Junior Class Sets Play Date Nov. 13

The AHS Junior Class officers met last week to pick the play for the 1962-63 Junior Play.

Presiding over the meeting was Miss Helen Bennet, who will sponsor the play. The title of the play chosen was "Willie's Week-End," written by Felicia Metcalfe.

The three-act play will be presented Tuesday, November 13, at 7:30 p.m. in the school auditorium.

Books for the play were received last Monday and try-outs were held Tuesday evening immediately after school.

Another item of Junior Class news is that a combination car-wash and bake sale will be held in the near future. No date has been set.

A musician was practicing on his saxophone late at night when the landlord came in. "Do you know there's a little old lady sick upstairs?" he asked.

"No," answered the musician. "Hum a little of it."

City Garden Club

The City Garden Club met Thursday, September 27, at 3:00 p.m. in the City Hall Club Room. Mrs. Lee Echols and Mrs. L. S. Wilson were hostesses. Mrs. O. W. Weaks, president, presided.

Some interesting garden tips were brought by Mrs. G. B. Adkisson, Sr. Mrs. H. H. Selke gave the program and a demonstration on "Flower Arranging."

Those attending this meeting were Mrs. G. B. Adkisson, Sr., R. B. Smith, H. H. Vineyard, J. C. Veach, B. H. Beard, H. H. Selke, Ed Heath, T. O. Brown, M. M. Bell, A. B. Myatt, Dewey Price, O. W. Weaks, S. R. Jack-

son and the hostesses.

The next regular meeting of the club will be held October 11, at 2:00 p.m. in the club room. Mrs. T. O. Brown and Mrs. Lee Echols will have charge of the program on "Roses." Mrs. Jackson and Mrs. Weaks will serve as hostesses.

Mrs. M. M. Bell, Reporter

"Dad, what's a traitor in politics?"

"A man who leaves our party and goes over to the other side."

"Then what's a man who leaves them and comes over to us?"

"A patriot, my son."

Mercury Monterey presents unique styling—new power:

Breezeway roof... 390 V-8 as the standard engine

MONTEREY'S REAR WINDOW STAYS CLEARER in rain or snow. It is recessed, slants inward away from the weather. The overhanging roof keeps the rear seat shady, increases rear-seat headroom, reduces glare on the rear window for better rearview visibility.

MARAUDER 390 V-8 NOW STANDARD. Monterey gives you a wide choice of engines, with optional V-8's ranging up to an extra-high-performance Super Marauder 406 V-8 with 6-barrel carburetor, 4-speed manual or dual-range Merc-O-Matic transmissions.

NEW BREEZEWAY VENTILATION. Close side windows, open air vents and fresh air circulates through car and out Breezeway rear window. It's power-operated from the driver's seat. Gives you quieter, better ventilated ride... cuts down window fogging.

OTHER NEWS YOU'LL LIKE: A new 2-year (or 24,000-mile) warranty.* Wide model choice including a Colony Park wagon and a bucket-seat S-55 convertible and hardtop. Options include an AM-FM radio.

*Lincoln-Mercury Division, Ford Motor Company, warrants to its dealers, and its dealers, in turn warrant to Mercury owners as follows: That for 24 months or for 24,000 miles, whichever comes first, free replacement, including related labor, will be made by dealers, of any part with a defect in workmanship or materials. Tires are not covered by the warranty; appropriate adjustments will continue to be made by the tire companies. Owners will remain responsible for normal maintenance services, routine replacement of maintenance items such as filters, spark plugs, ignition points, wiper blades and brake or clutch linings and normal deterioration of soft trim and appearance items.

COUNTY LINE CO-OP GIN GETS COUNTY LINE FIRST AND SECOND BALE

Two County Line farmers had hand pullers in the field and came into the gin office about the same time Friday, September 28, thinking about a first bale.

John Johnson's bale weighed 450 pounds while Embry's bale weighed over 500 pounds. Johnson received 30 cents per pound for his first bale. The bales were not ginned, however, until the morning of the 29th.

Larry Bowen moved to 1505 Avenue L.

MISS DAVIS, TALMA LEE NORWOOD EXCHANGE VOWS IN HOME WEDDING

Miss Billie Jean Davis and Talma Lee Norwood exchanged vows at 6 p.m. Saturday in the home of the bride's parents. The Rev. Carlton Thomson, pastor of the First Methodist Church, officiated at the double ring service.

Parents of the bride are Mr. and Mrs. James W. Davis, Abernathy. Her husband is the son of Mr. and Mrs. Almer L. Norwood of Cunningham.

Given in marriage by her father, the bride wore a formal gown of Chantilly lace. The dress was designed with a scalloped Sabrina neckline outlined with iridescent sequins. The fitted bodice had long petal point sleeves and flowed into a voluminous skirt of tulle enhanced by two applied bands of Chantilly lace.

Her fingertip veil of silk illusion fell from a crown of seed pearls, and the bride carried a cascade arrangement of feathered chrysanthemums entwined with English ivy atop a white Bible.

Mrs. Kenneth Jordan, sister of the bride, was matron of honor. She wore a street-length dress of imported emerald green cotton fashioned with a scoop neckline and full gathered skirt accented by two horizontal tucks. She added a matching headpiece and carried a cascade of yellow pompons.

Best man was Eugene Norwood, Cunningham, brother of the bridegroom. An usher was Jimmie Davis, brother of the bride. Miss Becky Wilson, Abilene, was pianist. She accompanied Miss Audrey Ochs of Borger in wedding solos.

Following a reception at the home, the couple left for a trip to Carlsbad, N. M. The bride was wearing a corsage of white feathered chrysanthemums.

The couple will make their home at 1513 24th Pl. in Lubbock. She is a graduate of Abernathy High School and attended McMurry College. The bride is payroll clerk for Sira & Payne Contractors of Lubbock.

Her husband is a graduate of Cunningham High School and is employed by the Yellowhouse Machinery Company.

At the house party, Cynthia Norwood, sister of the groom registered guests.

Serving at the table were Miss Edris German and Mrs. Joe Ligon. Others in the house party were Mrs. Jimmy Davis, Mrs. Ernest Durrett and Kenneth Jordan.

SEE THE WORLD'S SERIES IN COLOR

You are invited to view the World's Series baseball games in color in the lobby at Newton Radio and TV and at Bruce Furniture. Games start at 12:00 noon Wednesday, October 3.

MRS. TALMA NORWOOD (Billie Jean Davis)

Abernathy First State Bank will be closed Friday, October 12, Columbus Day, a legal banking holiday in Texas.

Hale County Child Welfare Board Meets

The Hale County Child Welfare Board held its regular monthly meeting recently in Plainview with John T. Boyd, chairman, presiding. The regular bills were approved.

Miss Marjorie Crow, Supervisor, gave her monthly report as did Mrs. Jewell C. Aylesworth, Child Welfare Worker III. Mrs. Margaret McQueen, Director of Research and Information, Texas Social Welfare Association, was a guest and speaker for the evening. Another special guest was Billy B. Trigg, Regional Service Supervisor, from Lubbock.

A policy committee was appointed consisting of Mrs. Louis Cummings, Mr. R. A. Jeffries, and Mr. Leon Melton. This committee will work to develop local policies regarding juvenile probation work, foster care, adoptions, and services to unmarried mothers.

This would be a long term committee involved in study of Department of Public Welfare policies and the legal framework within which the Unit functions, to develop policies for Hale County Child Welfare Unit.

Those attending the meeting were: John Thomas Boyd, Mrs. Louis Cummings; Dr. Mary D. Bubliss; Mr. R. A. Jeffries, Hale Center; Mr. Andy Reid, Abernathy; Mr. Leon Melton; Mr. J. E. Helm; Mr. Billy B. Trigg, Lubbock; Miss Marjorie Crow; Mrs. Jewell C. Aylesworth; Mrs. Margaret McQueen, Austin; and C. L. Abernathy, Hale County Judge.

Variety, Fertilizer, Soil Test Important In Small Grains

Variety selection is one of the major factors in the production of wheat or any small grain, reports Associate County Agent, Charlie Cypert. Adapted varieties, adequate fertilization, and efficient water utilization are all part of economical production of small grain.

Selection of wheat varieties pose somewhat of a problem to many farmers since there are so many varieties available. There continue to be many questions concerning strains of Triumph wheat. For the most part, these strains are very similar, and when grown under the same conditions, tend to be much alike. Several years ago the Texas Station approved certification of Improved Triumph. Tests since have proved this to be the best in yield trials.

Other new varieties which possibly will be marked in this area are Rodco, Ottawa, Omaha, Warrior, and Gaines. However, these varieties need several years more testing before they can be recommended for the High Plains.

In Hale County area, Tascosa, in many farmers' opinions, is still the Number 1 wheat. Others acceptable varieties include Comanche, Concho, Kaw, Crockett, and Bison. However, Tascosa is the one variety which combines high yield, shatter resistance, strong straw and high quality. Many farmers will plant Tascosa primarily because of its resistance to hail damage, Cypert reports. This is due primarily to the fact that the glumes are much stronger than the other varieties and are able to hold the grain against the forces of hail.

Barley varieties suited for the Hale County area are somewhat limited. Meimi, a new Colorado variety, is winterhardy and probably satisfactory for the High Plains area. However, it has not been adequately tested, and under some conditions, shatter rather badly. Rogers, a relatively new Oklahoma variety has produced outstanding yields on the High Plains. It is recommended for all areas of the High Plains and has produced well in the Hale County area. New Mexico Winter, a variety which has been grown in this area for years, has proved acceptable. However, many samples of New Mexico Winter have been found to be nothing but Wintex and in many cases has been susceptible to lodging and shattering. In view of these factors, it is recommended that farmers plant Rogers or Meimi.

Oat varieties acceptable to Hale County conditions include Mustang or Cimarron, with Cimarron having the greatest resistance to winter killing.

The selection of the best adapted variety without considering a sound fertilization program is of little value. The entire operation must be planned. A fertilization program based on a soil test recommendation is the best way in which to receive the most from your fertilizer dollar spent. These tests may be made from a soil sample submitted to the Extension Soil Testing Laboratory at Lubbock. This test costs \$2.00 and information sheets and soil cartons are available at the Extension Agents' Office.

CHILDREN'S PHOTO CONTEST

PRIZES TOTALING \$20.00

- 1st - \$9.50 Large Bronze Portrait
- 2nd - \$5.75 Sepia Tone Portrait
- 3rd - \$4.75 Portrait

Pictures Of Every Child Photographed Will Be Published In

Abernathy Weekly Review

EASY TO ENTER—Simply have your child's photograph taken by WINSTON B. LUCAS PHOTOGRAPHER at NO COST to you. They will show proofs from which you may choose the pose you wish entered in the contest and your child is automatically entered; and at this time you may order photographs for gifts or keepsakes if you wish. (Postage and handling 25c) but this is entirely up to you. WINSTON B. LUCAS, of Lubbock, an expert child photographer, will be here to take pictures, with all the necessary equipment to take nice portraits for this exciting event. There is no age limit to this contest — even the tiniest tots enjoy being photographed by our photographer.

This Is A Local Contest!

(CHILDREN MUST BE ACCOMPANIED BY PARENT or GUARDIAN) ONE DAY ONLY!

For Abernathy, County Line and New Deal Communities

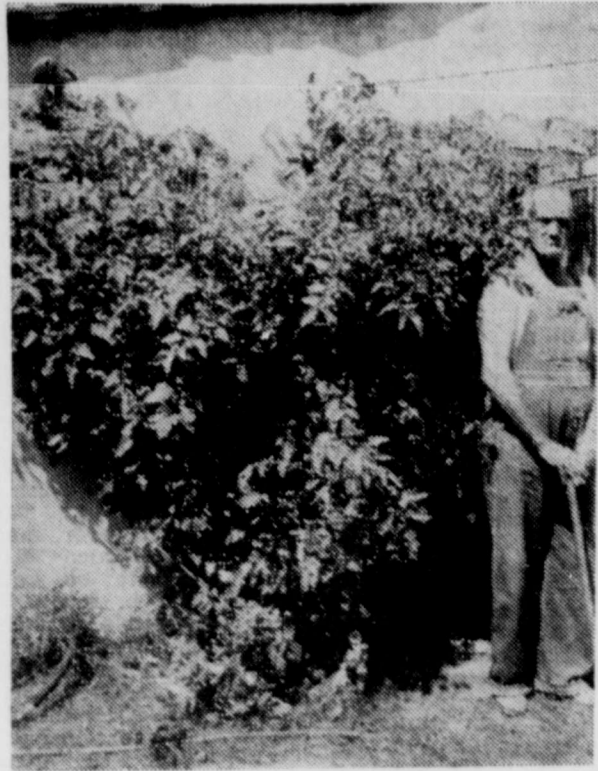

GOEBEL VARIETY NO. 2 IN ABERNATHY

(On Avenue D, In the Rock-Front Building, Next to City Cleaners)

TUESDAY, OCTOBER 9

10 A.M. to 6 P.M.

TOMATO "TREE"—This tomato plant grew past the vine stage and now approaches the proportions of a tree when held up to its near nine-foot height. E. E. Turner, who is about five feet nine inches tall, is standing by the over-sized vine at their residence at 410 Ave. C. The vine is being pulled lower than its full height by the heavy crop it is bearing. The Turners expect to gather some 150 good-size tomatoes from the vine. Mrs. Turner, when asked about the variety of the giant vine, said she had no idea. It was transplanted from a hotbed that contained several different varieties secured from various sources.—(Rev-Foto)

County Retains Stapleton For Suit In Court

The Hale County Commissioner Court has retained John B. Stapleton of Floydada to represent Hale County in the suit brought by Frank Moore against the Hale County Commissioners Court and Hale County as a party to the suit.

The suit seeks an injunction against the Commissioners Court making certain expenditures and appropriations. It was filed as Frank Moore vs. Rayburn Karrh, et al. Karrh is Precinct 3 commissioner. The other commissioners are Melvin Churchwell, Homer Roberson and Doc Brown.

The County of Hale was made a party to the suit in the plaintiff's first amended petition.

Joe Hale moved to 510 Ave. C. Mrs. Jackie Hill and Patsy Scott have moved to 702 14th Street.

Prizes Offered In Child Photograph Contest Here

The time is almost here for the opening of this newspaper's Big Child Photo Contest, and we're urging all of our readers to have their children ready for the big day.

Winston B. Lucas of Irving, Texas will be in Abernathy on Tuesday, Oct. 9th from 10 a.m. to 6 p.m. at Gobel Variety No. 2, on Avenue D, in the rock-front building by City Cleaners, for the purpose of taking pictures in this vicinity. In addition to having their pictures printed in this newspaper, the children will be competing for \$20.00 in prizes, which are being offered for the three best photographs made during the day.

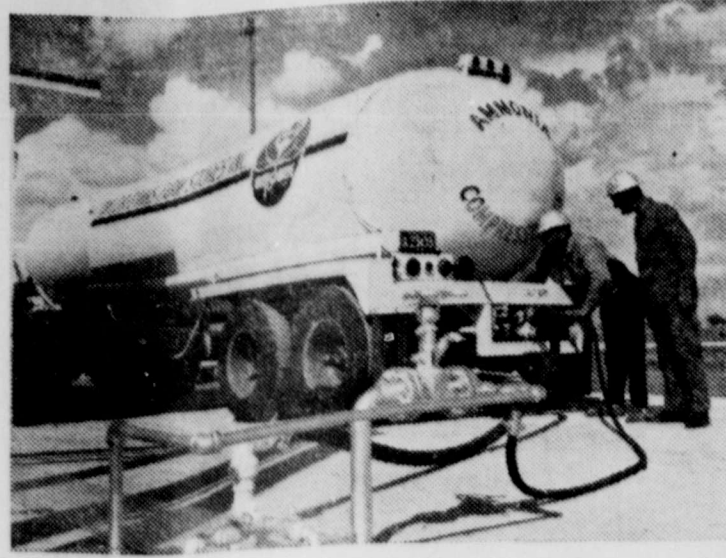

The photographs will be made absolutely free of charge, and there is no charge for their publication in the Abernathy Weekly Review. Proofs will be shown and from these you may select the picture of your child which you would like to appear in this newspaper. If you wish extra photographs they may be purchased, but no purchase is necessary in order to compete for the prizes. It is entirely up to you, whether you buy pictures or not.

There is no age limit on the contest, and every child's photograph in this section is wanted so that they may all appear in The Review. However, it is necessary that all pictures must be of uniform size, so they must be made by Winston B. Lucas on Tuesday, Oct. 9th from 10 a.m. to 6 p.m. Don't wait until little Mary gets married or baby brother is elected to some political office to see their pictures in the paper—make plans now to have these photographs made on Tuesday, Oct. 9th. Tell your friends and neighbors—the more, the merrier.

Mr. and Mrs. Skinny Blackmon and Mr. and Mrs. Marvin Stephens were in Cloudcroft, N. M., last week.

Willa Kay, daughter of Mr. and Mrs. Bryant V. Powell, and Marsha, daughter of Mr. and Mrs. Dwayne Taylor, are attending TWC at Denton.

Joe Olivas was issued a permit to move a ready-built house onto Lot No. 1, Block 14, Jerome Street. Approximate value \$5,000.

The initial load of anhydrous ammonia produced in a gleaming new plant just completed by the Shamrock Oil and Gas Corporation was shipped out by tank truck recently. Taylor-Evans of Amarillo, Inc., Shamrock's distributor for the new product, delivered the shipment of slightly more than 16 tons to the Humme Fertilizer Company of Manter, Kansas.

Shamrock is marketing the fertilizer under the trade name of Nitromite. Dealer outlets for the new product have been established by Taylor-Evans throughout the Texas Panhandle, western Oklahoma and Kansas, southeastern

Colorado and eastern New Mexico. Shamrock's new plant near Dumas, Texas, was placed "on stream" recently, 10 months after construction began. The design capacity of the new unit is 160 tons a day. It has a refrigerated storage capacity of 20,000 tons in two 10,000-ton insulated tanks. Equipment for loading both trucks and railroad tank cars are located on the plant site.

Jerry Coombes, son of Mr. and Mrs. L. J. Coombes, is attending Texas Tech.

LETTER WEEK SET FOR OCTOBER 7-13

Postmaster Herman Lambert announced that National Letter Writing Week this year will be October 7 to 13.

Also, Lambert reminds those who have relatives or friends overseas to start shopping for their Christmas gifts. Gifts to them should be mailed several weeks before December 25.

Mrs. Bryan Phillips received treatment at a Lubbock hospital last week.

COMING!

New method of soil fertilization for Abernathy area, using dry fertilizer in pellet form individually compounded to your particular need.

We now have under construction a plant with which we can combine accurately the various elements needed in your particular soil to increase fertility.

We also have mechanical applicators with which you may apply accurately the desired amount of fertilizer. No lifting, no hand scooping, no transferring to other vehicles.

MUSIC CLUB HOLDS MEETING
The Abernathy Music Club met at the city club room September 25 at 8:00.

"Rhythmic Rhapsody" — Nine Movement will be the theme at the program this year. The first movement being "Prelude: Music Potpourri" was directed by Mrs. Zeldia Hager. Mrs. Otella Clement sang a solo "Caro Mio Ben" or "Dearest, Believe" and was accompanied by Mrs. Zeldia Hager.

Mrs. Elayne Guerrant and Mrs. Bettie Hardin played piano duets "Rosalee" and "Nocturne." Mrs.

Zelma Hale and Mrs. Dot Wilson sang a duet "No Greater Love," accompanied by Mrs. Bettie Hardin.

Mrs. Chris Mooneyham played a piano solo, "Juanito" and Beverly Moorhead led the club in singing the chorus.

Miss Alma Ruth Patterson accompanied Mrs. Beverly Moorhead as she sang "Getting to Know You" from the great musical, "The King and I."

Mrs. Rose Patterson and Miss Alma Ruth Patterson played piano duets, "O Perfect Love," "Pizzicato" and "Trees."

Mrs. Sue Sterling played "Ruby," from the movie "Ruby Gentry."

Miss Alma Ruth Patterson accompanied Miss Ruth Torres as she sang.

Mrs. Esther Williams played "I Can't Give You Anything But Love."

Meeting was adjourned and refreshments were served to thirteen members and one guest, Mrs. Yvonne Satterfield of Shreveport, Louisiana, daughter of Mrs. Zeldia Hager.

W. D. Hall moved to 1401 Avenue D.
J. D. Bridges moved to 611 2nd Street.

Seek Sugar Beet Acres

Holly Sugar Corporation asked the Secretary of Agriculture to set aside 33,129 acres of a national sugar beet acreage reserve for a West Texas-eastern New Mexico area which would be served by a new beet sugar factory Holly proposes to construct in the Hereford-Dimmitt area of Texas by September 1, 1964.

The formal request followed an initial one made to the Secretary last July 13, the same day President Kennedy signed into law a new Sugar Act providing for expansion of the domestic beet sugar industry. The Holly request was entered formally recently by Merrill E. Shoup, Holly president at a hearing conducted by the Sugar Division of the Department of Agriculture.

Joining Holly in the request were the Texas Beet Growers Association with H. L. Benefield, Hereford grower, as spokesman, and the Curry County (N. M.) Beet Growers Association, represented by Howard B. Martin of Clovis.

Shoup testified that Holly has started engineering and design work under a contract with a major construction firm, and that it intends to initiate construction of the proposed West Texas factory as soon as a go-ahead is received from the Agriculture Secretary.

In his testimony Shoup said that more than 900 farmers in the four-county area to be served by the proposed new Holly factory had signed statements of intent to grow sugar beets for the new mill on more than 90,000 acres of irrigated land.

"Construction will proceed as soon as we have a green light from the Department of Agriculture assuring sufficient acreage to support an economic unit in West Texas," Shoup said, adding, "favorable action by the Secretary is all that is needed now."

Shoup said that his company intends to receive beets from farmers in Deaf Smith, Castro, Parmer counties in Texas, and Curry County, N. M.

... Football

(Continued From Page 1)

blic on the Abernathy 39 yard line.

Not taking advantage of this break the locals on the first play fumbled the ball right back and Ben Owen pounced on the elusive pigskin for the visitors. The Antelope punt were not able to capitalize on their good fortune either and after three plays had netted them only 3 yards, Cornell's punt again rolled dead in the end zone.

The officials spotted the ball on the Abernathy 29 yard line following the touchback and on the first play Ritchey broke clear of the line on a dive play, cut to the sideline and easily outran all defenders into the end zone for his first 6 pointer of the night. Stallings' kick failed and with 9 minutes and 3 seconds remaining in the half the locals were in command 13 to 0.

Henson's kickoff was taken on the goal line by Simmons and returned to the Post 13. Fine defensive play, led by Billy Barwick, Joe Ybarra, and Eddie Davis forced Post to punt after three plays.

Post, with the aid of a 15 yard and 5 yard penalties forced the

ANTELOPE EDDIE DAVIS, No. 86, makes a beautiful diving catch for Abernathy's only pass completion against Post, and falls one yard shy of goal line. Attempting to break up the play is Post halfback Ken Rankin.—(Rev-Photo)

home town chargers to punt. Jim Owens alertly fell on Rankin's fumble on the Post 31 yard line and it looked as though the locals were off to pay dirt again. Tom Ritchey, on the only completion of the night for the local lads, hit Eddie Davis on the Post 1 yard line and the situation looked rosey. The Post large defensive line was determined not to give up another touchdown and dropped the local Antelopes for no gain and two losses. Facing 4th down and 6, Charley Stallings' attempted field goal slid off to the left, no good. Danny Pierce picked up the ball, which is played just as a punt, and raced up the sideline only to have the much speedier Abernathy Antelopes catch him and drop him on his own 41 yard line.

No serious scoring threat was made in the short time remaining in the first half and at half time the home team led 13 to 0.

Seemingly fired-up at the intermission the Post Antelopes used little time in returning the kickoff to the local team's 36 yard line, and five plays later, with only 2 minutes and 1 second gone in the 3rd quarter, sending Freddie Simmons in for their first touchdown of the game. The pass for 2 points was good and the home teams lead was narrowed to 13 to 8.

Not to be denied, the home team on their 4th play following Post's kick off, sent Ritchey bursting through the defense again from 42 yards out for their 19th point of the game. Ybarra's attempt to run for 2 extra points failed and

Bobby Pettit fell on Pierce's fumble of a punt on the Post 26 yard line. Quarterback Pettit called on Ritchey again and for the fourth time of the game Tom registered a touchdown. Pat O'Neill's run for extra points failed and the scoring books were closed reading Abernathy 33, Post 14.

Post mustered only enough fire to drive to the home teams 26 yard line but no further as local substitutes finished out the game.

The Abernathy Antelopes now stand 3 wins, 1 loss for the young season and should add another notch in the win column this week as they travel to Wolforth to play the weak Frenship Tigers.

COMMITTEE HOLDS MEETING

The executive committee of the 5th Monday meeting of Christian Women of Abernathy met Sept. 27 at Mrs. Andy Reids to discuss projects for the coming year.

The suggestions were discussed and made that we assume the responsibility of a foreign orphan or misplaced child—helping in their support and also remembering the on special occasions and birthdays, and Christmas.

Also that we take church census again this year.

And that we remember a needy family with a Christmas basket at Christmas time.

And that we bring in quilts and blankets for needy families.

The projects will be discussed and voted on at our next meeting, October 29, 1962.

TALK — In Print

Locally, and over the nation, Fire Prevention Week will be observed October 7-13. Starting this week, the Review will use the entire month to spotlight fire prevention generally, and the Abernathy Volunteer Fire Department in particular.

The men who volunteer their services to protect their neighbors' lives and property deserve the genuine admiration and respect of the entire community.

Clint Condray and I were the first arrivals at a recent fire meeting. I was there to take pictures of the firemen. While waiting for the others, Mr. Condray and I discussed the department. He made a statement that may sum up the feelings of many of the members. Mr. Condray said that he had not given the volunteer fire department much thought until he bought a home here, when it dawned on me that I should not expect these men to carry all the responsibility of protecting my home from fire, so I joined the department," Mr. Condray said.

The time firemen spend in actual firefighting does not amount to many hours per year. The time-consuming part is fire practice meetings held on the second and fourth Tuesday nights of each month. They devote a lot of time preparing for emergencies. Pictures of firemen will appear in the Review each week in October.

Fire Marshal Truman Richerson and Hugh Hill, assistant chief, attended a school for firemen at Texas A & M College this summer. Their attendance at that school will mean a savings on the fire insurance premiums residents of Abernathy pay.

An unexpected saving bonus for local fire insurance premium payers may result from their trip to A & M. Truman received information at the school that led him to do some investigating in the State Insurance office in Austin. He turned up some startling mistakes in Austin that have cost Abernathians money on their fire insurance.

The state insurance department uses a system of figuring fire losses against total amount of

FIRE PREVENTION WEEK - OCTOBER 7-13

fire insurance premiums paid in a town to arrive at the fire credit or penalty for that town. As indicated, the fire insurance rate is less when a town has a credit and more when there is a penalty.

Truman discovered that fires that have occurred in other towns have been charged against Abernathy. Also, some rural fires have been charged to the town. And, there was one instance where an insurance company had paid a glass breakage claim and it was charged out against the city's fire record.

Fires in other towns charged against Abernathy's fire record were: Plains Bowl, Inc., Levelland, a loss Dec. 24, 1958; A fire loss listed as "Pearson," 1408 N. 9th, Feb. 9, 1959 (Abernathy's 9th St. runs east-west and terminates in the 700 block); Plainview Independent School District, loss March 17, 1957; a loss in Slaton

March 28, 1958; another loss in Slaton May 17, 1959; a loss reported as "Tollison," 1715 Ave. H, believed to be in Levelland, August 20, 1959 (Abernathy's Ave. H terminates in the 1500 block).

Fires that occur outside the city limits do not count against the city's fire record, but several around here had been charged. They include tractor fires and cotton fire in fields, and rural buildings.

Steps are being taken to have these removed from Abernathy's fire record.

Shortly after the Antelope-Petersburg football game here Sept. 14, Charlie Ellis received a long distance, collect, telephone call from a group of Abernathians touring in Canada. The travelers wanted to know the score of the game. In the party were Messrs. and Mmes. Isaac Holmes, Hilburn Barrick, Horace Davis and Harold Davis. The Barricks and Harold Davises have sons on the Antelope squad.

Working In The Midst Of Problems

By LLOYD SCOTT

"And at midnight Paul and Silas prayed, and sang praises unto God; and the prisoners heard them." Acts 16:25.

Did you ever see anybody without some kind of problem? Almost everyone has his problems. Christians find themselves living in a world of trouble. Strong, devout Christians are those who have learned to worship in spite of troubles.

Problems? Churches are full of them. But it is the strong church that can sing, pray, worship and carry on God's work in the midst of problems.

Paul and Silas were called of God to go into Macedonia. They landed at Philippi. They had only been there a few days and opposition began to stare them in the face. After leading Lydia to Christ, they were followed several days by a woman, possessed of a devil, who mocked them. Then after they had healed the woman, they were hindered by the men who made money from the woman's powers of divination.

Paul and Silas were arrested, beaten, and then thrown into prison. All of this because they were serving Christ Jesus.

What did Paul and Silas do when they could not move their feet because of the stocks? They could not move their arms because of the chains that bound them. I would say they had plenty of troubles. They were bound by troubles and problems.

What was it that shook the jail house and set them free from troubles? Prayer and praising God!

Paul and Silas prayed in the midst of problems. They took the matter to God. What could their prayer have been? Probably a prayer of thanksgiving. Bound in chains in a prison cell, they prayed to God.

Then they began to sing praises to God. Perhaps they sang some hymn like "Holy, Holy, Holy," or "Praise God From Whom All Blessings Flow," or "Blessed Redeemer."

Then the chains were broken. Trouble ceased, and souls were saved. There are some places Christians are called where it seems hardly possible to witness for Christ. In these places, fervent prayer and much singing will prove very helpful and effective.

Surely we can follow this example of Paul and Silas prayer and praise to God in the midst of trying times.

Q & A Given On Punch Clock

By CHARLES NORWOOD, City Manager

An article appeared in this paper about two weeks ago relating to the punch clock and key stations to be installed in the mercantile district of Abernathy. Several questions have come up regarding the installation of this system in our city and I will attempt to answer them in the following paragraphs.

QUESTION: By having a punch clock-key stations installed in our city, will this take police protection away from our citizens?

ANSWER: No. The seven key stations to be installed in the mercantile district will be concentrated in a three block area. The night patrolman can make a complete round in approximately 15 minutes, thus leaving him 45 minutes of the hour to patrol the residential area.

QUESTION: Will the night patrolman in making his rounds set a definite pattern that would cause an increase in criminal activity?

ANSWER: No. The police officer will have from five to ten different routes mapped out for him to use in making his rounds. Also, the officer can vary his time in making his hourly rounds. For instance, instead of making his 10:00 o'clock round promptly at 10:00 p.m., he can start at 10:15, or anytime within the hour. By varying the time in punching the clock and by taking a different route every hour, it would be very difficult to locate the patrolman's position at any given time.

QUESTION: Will the downtown business establishments be the only ones to realize an insurance savings from this system?

ANSWER: No. Every citizen within the corporate limits of the City of Abernathy who carries fire insurance will profit from the punch clock-key station installation.

QUESTION: Supposing a person called in and needed police service while the police officer was making his rounds. Would he be denied police protection until the officer had completed his round?

ANSWER: No. Any competent city policeman would certainly

Blending Plant For Fertilizer Being Erected

place the citizen's protection ahead of any other police function. QUESTION: How will the State Board of Insurance know that the patrolman is making his rounds properly?

ANSWER: A dial inside the clock will register the time that the officer punched the clock. The dial will also show the station number. Each day the dial will be taken from the clock and filed with the City Clerk. The dials are subject to inspection by the State Board of Insurance.

QUESTION: Since the key stations are numbered one through seven, must the officer punch them in that order?

ANSWER: No. Since he will be taking different routes every hour, it would not be possible to punch the stations in numerical order.

Service Grain Company is erecting a new building on the north-west portion of their elevator property in north Abernathy. The new building is to be a fertilizer blending plant, which will be used for mixing or blending dry fertilizer components. Accurately controlled mechanical equipment will be installed for the blending process.

The fertilizer will be in pellet form, and when delivered to one's truck or spreader hopper is ready for immediate application.

RESERVE OFFICERS ATTEND SEMINAR

Lieutenant Linnis Doyce Newton, USNR, commanding officer, Naval Reserve Surface Division 8-87 (M), Lubbock, of Route 2, Abernathy, Texas, is among 20 Naval Reserve officers attending a Naval Reserve Training and Administration Seminar, at the U. S. Naval Station, New Orleans, La.

The seminar is attended by commanding officers, executive officers and training officers of Naval Reserve Units throughout the five state area comprising the Eighth Naval District (Louisiana, Texas, New Mexico, Oklahoma and Arkansas).

The two week seminar is designed to provide a closer and better understanding of both the people and directives governing the District reserve program, and strengthen discipline, improve leadership, recognize proper administrative processing and training procedures. The course of instruction is designed to assist in

U S 87 Loop Is Designated

The Texas Highway Commission designated the Loop on the old route of U. S. 87 which passes through the City of Abernathy. U. S. 87 was recently improved with a new controlled-access facility bypassing the main business area.

The Commission designated the Loop from its intersection with the new route of U. S. 87 near the north edge of Abernathy, southerly along the old route of U. S. 87 to its intersection with the new U. S. 87 near the south edge of Abernathy.

attaining an effective training program and the establishment of the Eighth Naval District as a national leader in the training of Naval Reservists.

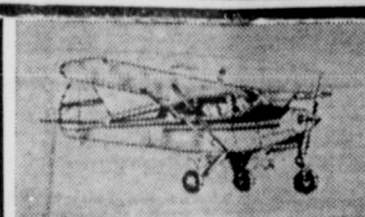

The seminar was opened at 9:30 a.m. Monday (Sept. 23) with a welcoming speech by Rear Admiral Charles H. Lyman, USN, Commandant, Eighth Naval District.

Four such seminars are conducted annually throughout the Eighth Naval District.

BAND NEWS

By ANGELA PRESLEY
The Abernathy High School Band came on the field in fine style Friday night at the half time of the game with the Post Antelopes. The Band formed on the ten yard line in four company fronts. After playing the introduction of Blue Bells they moved out into Block 10. At the end of Blue Bells the band started a See Saw drill to the victors.
Then, at the command of the drum majors, Mike Miller, head, and Peggy Davis, the band sequed to Block 2½, then to Block 2. At this point they moved back up the field to begin an Interweaving drill to the music of The World Is Waiting. The band then

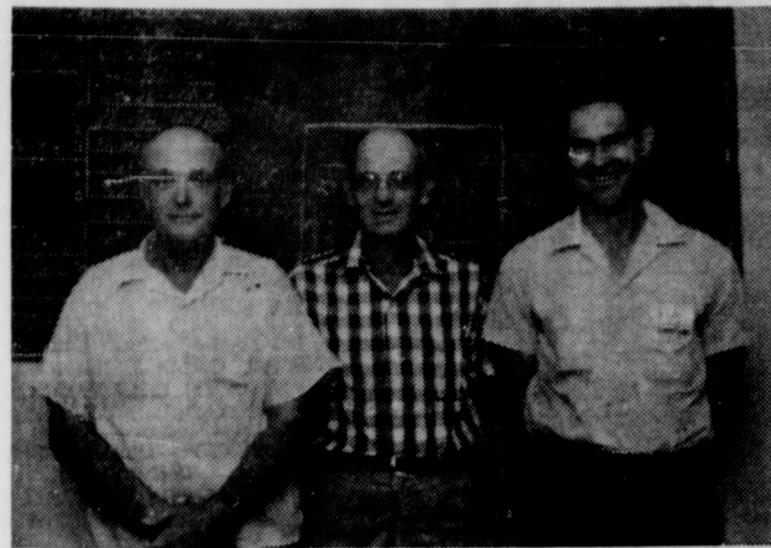

formed a background for the AHS twirlers. After an introduction of the twirlers by the band director, Mrs. Everett Maxwell, the lights went out and the field was glowing with the flames of Fire batons.
The majorettes, Angela Presley, head, Elaine Bilbrey, Dianne DuBose, Rita Evans, Pam Davis, Joy Boone, Jana Stevenson and Patsy Pettit, presented a routine to the music of Band Campers. The band then moved into their special double A drill to Hail to the Antelopes and moved off the field.
George Douthit and family of Kutztown, Penn., are visiting here. He is a brother of Mrs. Herman Lambert and is a nephew of C. S. Blair.

Flower Show Is Set For Oct. 12

AT ABERNATHY CITY HALL CITY GARDEN CLUB, SPONSOR
Theme: "FLOWER FAIR"
Rules for Entries:
1. Entries for the show will be received from 8:00 a.m. to 10:00 a.m.
2. No entries will be received after 10:00 a.m.
3. Each person is limited to one entry in each class.
4. Exhibitor must grow own specimen in horticulture and should be labeled as to name and variety.
5. Materials used in arrangements may or may not be grown by exhibitor.
6. Standard judging will be used. Only one blue ribbon in a class.
7. Blue, Red, Yellow and White ribbons are to be used, and awarded to the worthy specimen only.
8. A tri-color award will be given to the best arrangement in the show.
9. Sweepstakes awards will be given to the exhibitor winning the greatest number of blue ribbons in Horticulture classes.
10. The Garden Club assumes no responsibility for damage or loss of property.
11. Judging will be done between the hours of 11:00 a.m. and 2:00 p.m.
12. Entries must be claimed or

removed between 5:00 and 6:00 p.m.
13. Have exhibits classified before entry. This speeds up entering.

Weed District Now Checking For Noxious Weed Seed

The Hale County Noxious Weed Control District is again soliciting full cooperation of every Hale County citizen in a drive to eradicate one of the counties most serious noxious weeds, bindweed. The district wishes to remind each and every person that moves any type of machinery carrying noxious weed seed into or from place to place within the county, is a violation of the State Law supporting a penalty not to exceed \$250 for each offense.
The district is now making spot checks of all machinery within the county, especially combines and other harvest machinery, for noxious weed seed, authority granted by the Texas State Legislature, House Bill 288.
The district requests that all machinery operators have their machines cleaned free of all noxious weed seed, by the approved method of cleaning, water under pressure.
The district also requests that all land owners refuse entrance to all non-clean machines and that all machines be cleaned before leaving the farm or before moving from one farm to another or from one portion of the farm to another.
The district believes the old saying "one years seeding equals seven years weeding" to be true and that the process of complete eradication will be slow, but with the cooperation of every Hale County citizen this process of eradication can take on a new speed with an end result of a clean county.
The Weed District's program is designed to help protect Hale County farms against noxious weeds and to help eradicate existing infestations.

Retiring? Give Advance Notice To S. S. Office

Whether you've decided to retire or not, you should visit the social security office three months before you reach retirement age. The social security representative can help you in many ways. For one thing, he can find out how much your retirement payments will be when you're ready for them. Though he won't give you advice as to when you should retire, he can give you valuable information to help you decide for yourself.
If you've decided to retire, he'll help you in claiming retirement benefits for yourself and members of your family who might get benefit on your record. He'll help you get whatever proofs are needed to go with your claim. For example, you'll probably need proof of your age. He can tell you whether any of the documents you now have will do for proof of age.
You should check with your social security office even if you plan to keep working. You don't have to quit working entirely to get social security. Many people think they do, and are losing social security payments. Some of them depend on neighbors and friends for advice. Often this kind of advice is wrong, and when it's wrong, it's usually expensive.
Before going to the social security office, it's a good idea to call or write ahead. There may be something you'll need to bring with you. The social security representative can tell you what

to bring and the best time to go.
A representative of the Lubbock Social Security Office will be in plainview in the County Courtroom at 10:00 a.m. on each Tuesday and will be glad to assist in all matters pertaining to social security.
Mrs. Marie Campbell moved to 1208 Avenue C.

Unerringly...

Instinct speeds the wild goose southward... by the most favorable route

Expert warehouse and compress service speeds cotton to its markets... also by the most favorable route.

Successful marketing requires the complete service of your cotton warehouseman, which includes:

- Safe storage, protecting cotton from loss and damage.
- Negotiable warehouse receipts of unquestioned integrity, enabling ready financing, expediting sale and delivery.
- Accurate weights, authentic samples, and positive bale identification, assuring delivery of each specific bale having the precise fiber qualities desired.
- Compression, minimizing transportation costs.
- Applied "Know How," speeding delivery to carrier and arrival at destination.
