

Santa Claus To Be Here Saturday

Santa Claus is coming! Yes, Santa Claus will be in downtown Abernathy Saturday afternoon, Dec. 8, at 4:00 o'clock.

Last Rites For Mrs. Spruiell

Mrs. R. D. Spruiell, 67, a long-time resident on the South Plains, died at 11:15 p.m. Saturday at her home here.

Visiting Ministers & Churches To Honor Bethel Baptist Pastor In Week Of Services Dec. 9-16

REV. F. D. CONWRIGHT

The Rev. F. D. Conwright, pastor of Abernathy's Bethel Baptist Church and Mrs. Conwright are to be honored during a week of services at the church, Dec. 9 through Dec. 16.

NEWS FROM THE CITY HALL

By CHARLES NORWOOD City Manager

Your city performs many duties—laying new water and sewer lines, unhooking sewers, police and fire protection, street and garbage collection, and many varied jobs.

Also, a short resume on one of our employees will appear each month with the intention of acquainting the public with the city personnel.

This section of the column will be concerned with facts about your city.

The City of Abernathy has assets totaling \$1,152,000.00.

The annual payroll of the city employees totals more than \$46,000.00, a third of the entire city budget for the fiscal year of 1962-1963.

The city has 12 full time employees and five part time workers. The part time employees occupations range from the Fire Marshal to the Custodian.

At the present time, the city has 189 street lights in operation. This costs the city \$392.00 per month.

The city has 376 blocks of paved streets. Incidentally, this not only provides our city with excellent thoroughfares, but it also helps in the insurance rates paid by the citizens of Abernathy.

Bonded indebtedness cost the city \$39,000.00 a year. Total outstanding bonds are \$503,000.00.

Fifty percent of the tax money goes to paying off the bonded indebtedness while the other fifty goes for general operations of the city.

Serving Abernathy Residents Over 38 Years

Pinson Pharmacy Expands; To Hold 3-Day Celebration Sale

By O. F. REA

Pinson Pharmacy begins a three day celebration today, continuing through Saturday. There will be free gifts, door prizes, drawings and refreshments for all who come into the store.

Pinson Pharmacy was established on October 1, 1924, in one side of the R. E. Risinger Grocery Store building located where the First State Bank now stands.

Mr. and Mrs. Pinson were married in May, 1927, and one of them has been in the store almost continuously since that time.

After graduating from Abernathy High School the Pinson's son, David Ray attended Texas Tech, graduating in 1951. He then graduated from Pharmacy School at the University of Texas in 1957.

BIRTHS

Abernathy Medical Clinic reported the following births:

A son, weighing 6 pounds 7 ounces, was born Nov. 24, to Mr. and Mrs. Doyle Whittem, 1503 E. Stanford St., Lubbock.

A daughter was born Nov. 25, to Mr. and Mrs. Ramiro Alvarado of Abernathy. The baby weighed 5 pounds 8 ounces.

Mr. and Mrs. Urbano Saucedo of Abernathy are parents of a daughter born Nov. 27. The baby weighed 8 pounds 6 ounces.

A daughter, weighing 6 pounds 10 ounces, was born Nov. 28, to Mr. and Mrs. Refugio Quijano, Hale Center.

Mr. and Mrs. Pete Cavazos of Abernathy are parents of a daughter born Nov. 30, weighing 7 pounds 2 ounces.

A son, weighing 6 pounds 8 ounces, was born No. 29, to Mr. and Mrs. Allejandra Perez, Sr., of Abernathy.

Local Teams Whip Olton

The Abernathy varsity basketball team swept to two victories here Tuesday night—over teams from Olton. The Antelopes sailed to an easy 66-32 win, with the B team playing most of the last half of the contest.

The Antelopes led throughout their contest, holding quarter leads of 11-6, 39-17 and 50-22. Tom Ritchey and Leon Johnson paced the Antelope attack with 12 points each, while Mike Miller and Sammy Hunley were close on their heels with 11 and 10 points, respectively.

Martha Struve led Abernathy's scoring attack with 25 points, and Donna Webb took a close second with 23. Linda Miller and Denise Barker rounded out the local fests' scoring with 7 and 5 points, respectively.

Olton's scoring ace Gayle Nicholas led all scorers with a whopping 52 point output, while Margaret Schaefer had 3 and Tommie Witten 1. Miss Nicholas pitched in 24 of 27 free throw attempts.

The local boys' A and B squads will travel to Slaton Friday night for two contests, while the local girls are playing in the tournament at Happy. Next Tuesday night, December 11, the local teams will journey to Hale Center.

The local girls varsity and B teams played at Olton last Friday night, splitting the two games. The varsity girls went down in defeat 58-48, while the B team captured a 25-18 victory.

In the varsity contest, Donna Webb led Abernathy scorers with 23 points. Martha Struve scored 13, Denise Barker had 8, and Linda Miller 6. Gayle Nicholas of Olton led all scorers with 37 points, while teammate Cheryl Poole added 12.

The local girls trailed at the quarters, 18-8, 35-18 and 47-32. Cheryl Hall led the local B team to victory, meshing 10 points. Jan Florence contributed 7, Marilyn Teaff 5 and Mona Drake 3. Jeraldine Evans also saw action at forward but failed to score.

High scorer for Olton was Neama McKnight with 8. The local fests led 6-2, 14-2 and 20-12 at the quarters. Guards seeing action were Cindy Shadden, JoAnn Lovelace, Janice Phillips, Jan Wilson, Yness Cuevas, Mary Hernandez, Janice Pearce, Katie Evans and Roxie Smitherman.

Young Farmers Dinner And Trip Set Monday Night

Members of the Abernathy Young Farmer Chapter are to attend a dinner at Graham's Restaurant private dining room Monday at 6:30 p.m. as guests of Abernathy Farmers Co-op Gins.

Following the dinner, the group will go to Lubbock where they will be guests of the Plains Co-op Marketing Association for a program explaining the functions of that organization.

The local Young Farmer Chapter is staging a campaign to enroll associate members in the organization. Any man who is 35 or older, may join the Chapter as an associate member.

Prospective members and associate members have a special invitation to attend the dinner at Graham's Monday night and to make the trip to Lubbock with the group.

PICTURED ABOVE are trophies which will be presented to winners of various placings in the annual Happy High School Invitational Basketball Tournament this weekend in which the Abernathy High School girls' varsity team is entered.—(Photo Courtesy Happy High School).

AHS Fems To Open Play Tonight In Happy Tourney

The AHS varsity basketball girls are scheduled to play in the Happy High School Invitational Tournament this weekend, according to Miss Shirley Oswalt, AHS girls' coach.

The tourney, which features 10 girls' teams and eight boys' teams, is slated to get underway at 9:30 o'clock this morning (Thursday), and will continue through Friday and Saturday. The championship finals are set for 7:10 p.m. (girls), and 8:30 p.m. (boys), Saturday.

Teams Listed

According to information from Happy High School boys' coach, Bill Tension, the girls' tournament will feature four teams in the upper brackets and six teams in the lower bracket. Teams in the upper bracket will have to win only the first two games to reach the championship finals, while a team in the upper portion of the lower bracket must win two games before being eligible for actual semi-final play.

Girls teams other than Abernathy and Happy entered in the tourney include Dimmitt, Farwell, Friona, Olton, Adrian, Hart, Vega and Nazareth.

Boys teams entered include Happy, Vega, Nazareth, Farwell, Hart, Olton, Adrian and Friona. The Abernathy and Dimmitt boys are not entered in the event.

The local girls will take on the Happy lassies at 7:10 p.m. today (Thursday) in both teams' opening game of the tourney. Should Abernathy win the first game, they will play at 7:10 p.m. Friday, meeting the winner of the

Alfred Wilson, city employe, was taken to Methodist Hospital, Lubbock, Saturday night by Chambers ambulance for treatment of a back injury.

Mrs. Eleanor Dean was taken to Hi-Plains Hospital, Hale Center, Tuesday for X-Ray treatment and returned home the same day by Chambers ambulance.

17,584 Acres Cut From Hale County's '63 Cotton Allotment

Hale County's 1963 cotton allotment will be reduced 17,584 acres under the 1962 acreage.

The total reduction for 23 Plains counties will be 244,983. The allotment for the region this year will be 2,355,852, that for next year will be 2,110,869, or 10.4 percent less than this year.

If the allotments remain in effect it would give the Plains, one of the leading cotton growing regions in the world, the lowest acreage in the history of government controls. The Plains Cotton Growers is a work trying to get the acreage boosted.

The PCG proposal is a one-price plan designed to make cotton competitive in price for both domestic and foreign mills while still protecting farm income and cutting long-range government costs.

Officials of the USDA have reported that it is anticipated that cotton legislative proposals for 1963 would supplement rather than substantially change the basic

program choices growers will vote on in the referendum.

Sec. of Agriculture Orville Freeman expected to announce the price support level for the 1963 crop the latter part of January. Quotas for the 1962 crop were approved by 96.9 percent of the growers who voted.

Donald A. Johnson, PCG executive assistant, reported that "we still feel optimistic about the possibilities of getting new legislation early next year."

"A lot of progress already has been made toward presenting a united, industry-wide front on cotton legislation, but specific details still are being discussed," Johnson added.

George W. Pfeiffenberger, PCG executive vice president, was in Memphis, Tenn., to confer with House Agriculture Committee members and others on cotton legislation.

Hale County's 1962 cotton acreage allotment was 178,211, compared with 155,627 proposed for 1963. In Lubbock County, the 1962 allotment was 238,801, compared with 213,622 proposed for next year.

Cub Scouts At New Deal Hold Pack Meeting

New Deal Cub Scout Pack 497 met in the New Deal Clubhouse recently with Reiner Rieken, Jr., institutional representative, as master of ceremonies. The invocation was given by Billy Fortenberry.

Those receiving Bobcat Awards were: Steve Jones, Ralph Rieken, Stephen Bigham, Joe Fortenberry, Tony Kirk and Stephen Fortenberry.

Gold and silver arrow points were awarded to Lloyd Gainer. Gold and silver arrow points on the Bear badge were awarded to Karl Rieken.

Skits were presented by Dens 1, 2 and 4. Den Mothers in charge were Mmes. Reiner Rieken, Jack Beaty and Melvin Bigham.

Officers Elected
New officers elected were Ward Carroll, Cubmaster, and Billy Fortenberry, secretary-treasurer. Jack Beaty is the retiring Cubmaster.

Mrs. Jack Beaty retired as a Den Mother.

The next Pack meeting will be held the fourth Monday night in January.

Joe Ybarra, senior student at Abernathy High School and full-back on this year's Antelope football team, entered Methodist Hospital in Lubbock last Thursday where surgery was performed on his left hand. Son of Mr. and Mrs. Joe Ybarra, Sr., the youth was returned home Saturday.

Cotton Quota Referendum Set Dec. 11; Polling Places Listed

Polling places where Hale County farmers may cast ballots in the referendum on marketing quotas for the 1963 upland cotton crop were announced today by E. J. Pope, Jr., Chairman, Agricultural Stabilization and Conservation County Committee. The referendum will be held on Tuesday, December 11. The Polling places are located as follows:

- Community A — Halfway Community House, Halfway, Texas.
- Community B — Edmonson Community Center, Edmonson, Texas.
- Community C — Co-op Gin Office, Plainview, Texas.
- Community D — City Hall, Abernathy, Texas.
- Community E — City Hall, Hale Center, Texas.
- Community F — Extension Service Conference Room, Courthouse Annex, Plainview, Texas.
- Community G — Cotton Center Grain Co., Cotton Center, Texas.
- Community H — Heard Elevator Office, Petersburg, Texas.
- Community I — Happy Union Gin Office, Happy Union, Texas.
- Community J — Judy Gail's Restaurant, Mayfield, Texas.
- Community K — City Hall, Hale Center, Texas.
- Community L — Co-op Gin Office in County Line, Texas.

Polls will be open from 8:00 a.m. 6:00 p.m.

Chairman Pope explained that every effort has been made to inform farmers fully about the al-

THE THREE AHS FFA BOYS pictured above captured a fourth place rating with a pipe threading demonstration recently in the Junior Farm Skill Demonstration division of the Plainview District FFA Leadership contest held in Plainview. The boys, from left, are Dennis Bristow, Lane Wade and Harry Overstreet, all freshmen. They were in competition with thirteen other teams. (Rev-Foto).

Four New Deal Gridsters Make All-District Team

By DAVID McDUGAL NDHS Correspondent

The New Deal Lions landed four men on the District 2-B All-District squad and four others on the second team.

Making the first team were Randy Peoples, Clifford Reiken, Leon Cox, and Jimmy Justice. Making the second team were Kenneth Booth, Jimmy Barrington, Mack Covey, and Anselmo Villarreal.

FREE CLINIC

A Free Clinic, conducted by the Plainview-Hale County Health Department and sponsored by the Abernathy PTA, will be held here Tuesday, December 11, 2 to 4 p.m. in the American Legion building.

According to Mrs. Ella Herriage, Public Health Nurse for the department, free shots to be administered will be whooping cough, tetanus, diphtheria, small pox and polio.

The free clinic is for all infants, pre-school children and school-age children. Mrs. Herriage said. This is to be the first of a monthly series of clinics to be held here. They will be conducted the second Tuesday of each month.

Soil Survey Is Under Way In Hale County

Hale County has been selected for a complete soil survey by soil scientists of the Soil Conservation Service, according to Jesse Jackson, who is in charge of the Plainview Soil Conservation Service work unit office. Soil Scientist, William M. Koos, of Lubbock, will begin the survey.

"All the different kinds or types of soils in the county will be identified and plotted on aerial photographs by the soil scientist," said Jackson.

This survey is part of a National Cooperative Soil Survey going on all over the Nation. It is a cooperative project of the Soil Conservation Service and the State Colleges of Agriculture. The purpose is to get a complete inventory of the agricultural land of the nation, and to learn as much about it as possible. How much land do we have that is subject to wind and water erosion? How much damage has already oc-

curred? These and many other questions will be answered by this survey. Each year as our population increases, our land becomes more important to the economy of our nation.

The survey is expected to be completed in a couple of years. Once the survey is complete, a report will be published for this county. This report will contain a brief history of the county, a soils map of each farm, descriptions of all soils, chemical analysis and fertilizer recommendations and yield data for each soil. When the report is published, it will be available to farmers and landowners.

At the present time, the survey is being made in the southwest part of the county. Mr. Koos is looking forward to meeting many of the farmers and ranchers in the county as the survey progresses. It will be impossible to contact all landowners before going on their land, but as many as possible will be contacted during the survey.

Laxity At Polls Could Make Lots Of Red Faces

(Editorial from Plainview Daily Herald, Nov. 13, 1962)

Frequently The Herald has commented about the necessity of following the election laws to the letter.

It has pointed out the care the law demands of properly safeguarding the returns and the ballots and turning same over to proper authorities.

In one instance the ballot box was left overnight in a private home unattended.

There is a reported instance in the recent voting of one being left outside the county clerk's office instead of being delivered to the official.

It so happened that there was a wide spread in votes local can-

didates received. Suppose there had been a close race and an election contest should ensue?

There could be some mighty red faces.

Appreciative as we are of the long and tedious work of election judges and clerks, the laxity should not be.

There has been frequent complaint by individuals about secrecy of the ballot. One lady complains that a voting neighbor at the polls glanced frequently at her ballot, spread before her — and him — as they voted. She didn't care to see his ballot but "I darn sure didn't want him to see mine," the lady says, like she meant it.

It is regrettable that there is no more privacy in voting in this county. Sometimes there are dividers, which act as blinders.

We have been told that the election officials must conduct the election with the facilities provid-

THE ODD MAN OUT

By FINIS ROBERTSON

Although the Texas lad was unaccustomed to the hard riding of horses of the open range, Valjean Dahl rode over the bad lands and across the mountains about 50 years ago.

In the higher elevation, especially to the north and east of the Big Horn Basin there were vast herds of wild horses, which sometimes moved like a thundering avalanche. Such animals belonged to anyone who had the skill and brains and brawn, with capacity enough to take them.

Wyoming was a land of rather stern and often bitter realities. It was down on the floor of the desert waste beneath the arid sky, where cursing men breathed the rising dust mixed with alkali, and dry and powdered cattle dung. A land of rattle snakes and spotted ticks, where lone sheep herders sometimes died a violent death from a fever contracted from the ticks.

Many local wars had been fought over grassland. But it was far more than all this. Rich valley lands produced alfalfa and timothy and small grain from vast irrigation projects. Home of the rugged pioneer and settlers who had ben there since the days of the "Territory."

Far up to the north at the state line of Montana and the mountain streams which flowed north there were magnificent forest land of spruce and fir, with other mem-

—(Photo by Kenneth Phillips)

bers of the pine family which stood a hundred feet aloft. Some of the peaks were crowned with snow under a July's sun, the mountain scenery was spectacular and doubtless unrivaled on this side of the Alps of Switzerland.

There were some Basque sheep herders who had a language and a religion that differed from all others. And too, they had once lived in mountains of Europe, known as the Pyrenes. In both Montana and Wyoming, there was a reservation set apart for the Sioux Indians.

There had been a little discovery of gold in the Black Hills of Dakota, also some outcroppings of gold in the Big Horn Mountains. The Sioux under inspiration of Sitting Bull, were constantly on the war path.

So, in 1876 on June 25, George Armstrong Custer, with 264 soldiers met the savage yells of 4,000 Indian braves and died to a man. All the soldiers were scalped and their bodies mutilated except the long yellow haired Custer. Some way the famous general's body was returned and buried at Arlington Cemetery among the nation's great. But the others were buried on the spot in shallow graves.

In the years to come the bones which were skeletons of the sol-

diers became exposed to the elements and beasts, so the Government paid men to re-bury the men's remains and they erected a steel fence around them.

Tourists today find the National Park in the lonely Valley of the Little Big Horn a few miles inside Montana.

It was in those same good years that the Texan broke bread with a fine young couple by the name of McCoy, and Valjean spent a part of one summer at their cabin in the foothills of the mountains on the upper reaches of Horse Creek.

McCoy was from Bowling Green, Kentucky, where his father, Mike McCoy, during his tenure of office of county sheriff, was killed by an ambush of the Hatfield family. The Wyoming rancher told many interesting things concerning his old Kentucky home, after he and Valjean became fast friends.

The bullet-scarred McCoy had married a daughter of a widely known Montana cattleman. McCoy claimed that 80 percent of the world's bourbon whiskey was produced in Kentucky at that time. It was also the home of one Carrie Nation who drew up the blueprint of prohibition with a hatchet, and her tongue which was sharper than a rapier; that even became sharper with constant use.

Where there was once a commissary, today there are nice little towns and in some areas even modern cities have grown up. One by one, the colorful pioneers and their faithful companions have taken the final repose in the basin beneath the rockribbed hills.

But in their adventurous day they brought in the sovereign state of Wyoming on a silver tray and presented it to this generation who were none too grateful. The land where the Aurora Borealis sends its beam from out of the golden north, and where the treacherous magpie from his high cliff makes announcement of the glorious sun rise in the Rockies. And, where the warm air sometimes comes off the current of the sea and drives back the blast of a winter's approach; there, too, are the Grand Tetons, snow capped sentinals, of the Yellowstone National Park.

MAKES BUSINESS TRIP TO NEW MEXICO

A. C. Nystel was in Las Vegas, N. M., last weekend on business. On a recent trip to this section of the state he stopped and took dinner with a couple of former Abernathy boys who operate the Club Cafe and Bus Station in Santa Rosa. Phillip Craig and Floyd Shaw went to Santa Rosa about 25 years ago and became quickly a part of the town and

also part of the country as they soon entered the ranching business also.

They now are ranching on several sections some 12 to 15 miles northeast of Santa Rosa. Both grew up in Abernathy and attended school here.

New Deal Units Are Victorious Over Lorenzo

The New Deal basketball teams defeated Lorenzo in two games on the commercial feed grain program in the winter wheat area, according to a Texas Agricultural Stabilization and Conservation Committee announcement. Growers who have questions on the program are urged by the State Committee to visit their county ASCS office for detailed information.

December 14 IS DEADLINE

December 14 is the last day for signing up under the 1962 stabilization program form in the winter wheat area, according to a Texas Agricultural Stabilization and Conservation Committee announcement. Growers who have questions on the program are urged by the State Committee to visit their county ASCS office for detailed information.

Ag Secretary Ruling On Grain Sorg. Will Cut Farmer Income

Grain sorghum producers received a cut in net income of 25% to 100% as the price supports and layout payments were announced by Secretary of Agriculture Orville Freeman. This administrative decision will amount to as high as \$6 per acre through-out much of the grain producing areas.

There are two cuts to the farmers' prices: (1) Two cents per hundred in the support price (instead of 1.93 as in 1962); and (2) not so widely known is the cut in payment on the layout

as announced, these drastic cuts would result in needless hardship on the commercial feed grain producers of the nation and even send many into bankruptcy. The only farmers who can profit from the program as announced are the non-commercial producers. They can feed their grain and still collect 29c per hundred pounds direct payment in addition to the payment on the layout land for complying. The Department feels the direct payment will take the place of part of the payment on the layout and result in an even

Freshmen Teams To Play Tahoka Units Tonight

The Abernathy boys and girls freshmen basketball units will play host to two teams from Tahoka here tonight (Thursday). The first game is slated to get underway at 6 o'clock, with the other game following immediately thereafter.

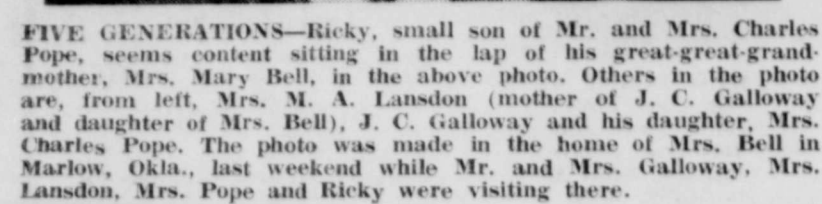

Next Thursday night, December 13, the local freshmen teams will travel to Slaton for two contests. Freshman Boys Team Coach Wayne Preston stated that 13 freshmen boys are actively participating as members of the freshmen basketball unit. They include Larry Crowder, Rex Foster, Ronald Preston, Mike Tannehill, Terry Barton, Mike Skipper, Larry Gist, Mike Pettit, Carl Johnson, Dennis Bristow, Jerry Dickey, Jimmy Franklin and Harry Overstreet.

Three other freshmen boys may see action later. Lane Wade is out at present with a broken finger, and will play later; Pat Hale and Jim Barton are taking part in limited drills, but will see no action due to medical advice. Coach Preston stated that the services of Wade and Hale are keenly missed in the freshman unit as both were regulars on last year's eighth grade team.

The local coaches and school officials have a full schedule of basketball this season, with practically every week night being taken, except Wednesday night. The Junior High teams play on Monday nights; the high school varsity teams play Tuesday and Friday nights; and the freshmen units play on Thursday nights. Schedules for the various teams may be found elsewhere in this paper.

CLUB MEMBERS VISIT TUGO POWER PLANT - Several Abernathy Community 4-H Club members and leaders made a tour of the Tugo Power Plant north of Friday evening. They are pictured above at the side of a large generator powered by a steam turbine at left.

FIVE GENERATIONS-Ricky, small son of Mr. and Mrs. Charles Pope, seems content sitting in the lap of his great-great-grandmother, Mrs. Mary Bell, in the above photo. Others in the photo are, from left, Mrs. M. A. Lundson (mother of J. C. Galloway and daughter of Mrs. Bell), J. C. Galloway and his daughter, Mrs. Charles Pope. The photo was made in the home of Mrs. Bell in Marlow, Okla., last weekend while Mr. and Mrs. Galloway, Mrs. Lundson, Mrs. Pope and Ricky were visiting there.

Highlights From New Deal High

The New Deal boys lost to Idolou 62-43 in the final game of the New Deal tourney Saturday night. The boys therefore took third place by beating Antox and Idolou girls took the consolation trophy from Meadow.

Marvin Patterson Is Awarded Citation For Water Plant Work

AUSTIN - An official State Health Department citation was awarded this week to Marvin E. Patterson, assistant superintendent of the Abernathy municipal water department, for proficiency in water plant management.

The impressively designed certificate of commendation signed by the state commissioner of health and authorities of the Texas Water and Sewerage Works Association credit recipients with having demonstrated skill and knowledge of water treatment plant management and an understanding of the public health importance of the work.

Under the State Health Department's operator certification program, operators are carefully examined on their technical ability and on their knowledge of their work's influence on community health. Each must pass a stiff written test to qualify for certification.

The Texas general sanitation law requires that at least one plant operator per shift be certified by the state health agency, but other plant personnel and persons in related fields frequently seek certification on their own time and at their own expense to advance themselves professionally and to increase their efficiency as vital public servants.

The recipients of these certificates are a credit to their profession and to their communities. The sponsors of the certification program said.

Points toward certification are earned through actual work experience and by attendance at annual district and state short courses sponsored and conducted by the Texas State Department of Health, the engineering extension service of Texas A and M College, and the Texas Water and Sewerage Works Association.

Question: What was one thing which Franklin D. Roosevelt, Harry S. Truman, Dwight D. Eisenhower and John F. Kennedy agreed upon?

Answer: The March of Dimes. All four Presidents met March of Dimes children and praised The National Foundation for its accomplishments.

The Review wants your news.

Basketball League Formed By Area Jr. High Schools

The local seventh and eighth grade boys and girls basketball teams have been entered with teams from other area schools to compose a Junior High Basketball District, or league, according to G. B. Addison, Jr., Abernathy Junior High principal.

Representatives of the various schools met in Slaton recently in determining a league winner. A district tournament at the end of the season will also count 50%.

If these winners are different, a single game playoff will then decide the championship.

A regular admission fee was established for all Junior High games. The cost for admission will be 50 cents for adults and 25 cents for children. It was stated, J. H. Adams, SCIEE, Jr., president.

Following is the Junior High basketball schedule for 1962-63:

Dec. 10, 5:30-7th and 8th Boys and Girls vs. Slaton. Here.

Dec. 17, 5:30-7th and 8th Boys and Girls vs. Idolou. Here.

Dec. 24, 5:30-7th and 8th Boys and Girls vs. Post. Here.

Jan. 7, 5:30-7th and 8th Boys and Girls vs. Tahoka. Here.

Jan. 14, 5:30-7th and 8th Boys and Girls vs. Slaton. Here.

Jan. 21, 5:30-7th and 8th Boys and Girls vs. Post. Here.

Jan. 28, 5:30-7th and 8th Boys and Girls vs. Tahoka. Here.

Feb. 4, 5:30-7th and 8th Boys and Girls vs. Post. Here.

Feb. 11, 5:30-7th and 8th Boys and Girls vs. Post. Here.

Feb. 18, 5:30-7th and 8th Boys and Girls vs. Post. Here.

Church Women Pledge Aid

CHOI, SUN SOOK

In Account With God

The Fellowship of Christian Women of Abernathy has pledged \$10.00 per month for the support of Choi, Sun Sook, pictured here, in the Jaeju Widows Home in Korea. Choi, Sun Sook, which means "To be a polite and good girl," was born Jan. 8, 1950, in Korea. Her father passed away due to illness, and she lives with her mother in the Jaeju Widows Home. "My favorite subject in school is arithmetic," Choi, Sun Sook, wrote. "Thank you for caring enough to help me. I need your love and prayers," she added.

As it takes 10 weeks to receive a package sent to Korea, we thought it best to send \$5.00 for Christmas and \$5.00 for her birthday Jan. 8. It takes only six weeks to receive money there. Mrs. Billy Pittman, Rt. 2, Box 180, Abernathy, is our corresponding secretary.

The Fellowship of Christian Women will meet at 2:30 p.m. Dec. 31, at Abernathy Assembly of God Church, Ave. B at 14th St. Everyone is urged to attend. — Mrs. A. D. Helms, Reporter.

Duck Hunting Season Opens

Duck hunting season opens Thursday, Dec. 6, and will continue through Dec. 30. Daily limit is three, and not more than six in possession at any time. For complete information on hunting rules and regulations, check at the post office or Struve Hardware.

G. M. Carr of Abernathy and Claude Bray of Lubbock have returned from a fishing trip to Rockport and Palacios.

Lakeview News

Jerry DuBose of Abilene visited his brother, R. A. DuBose and family last weekend.

Mr. and Mrs. Jim Collins are visiting a new granddaughter born Nov. 29. She is the daughter of Mr. and Mrs. Gene Collins of Ackerley.

Wayne Rhodes, student of Bethany College, Bethany, Okla., visited his sister, Mrs. C. P. Loyd and family recently.

Ricky Lynn, 5-month-old grandson of Mr. and Mrs. Lloyd Goldston has been ill of respiratory infection and received treatment for several days in Methodist Hospital. He is the son of Mr. and Mrs. J. D. Adams of Petersburg.

Charles Scarborough, son of Mr. and Mrs. Henry Scarborough, received a fractured wrist in the Petersburg-Sunray football game in Canyon Saturday night.

Mr. and Mrs. S. M. Harrison visited friends in Morton Sunday. Mr. and Mrs. Walter Thorpe of Santa Anna, Calif., visited her brother, Gordon Timms and family last week.

Mr. and Mrs. Russell Dunn of Hermleigh and Mr. and Mrs. Lonnie Shoemaker of Plainview visited Warren Brown Monday.

Mr. and Mrs. J. C. Belt visited in Ackerley Sunday.

Rev. Luther Baker of Sparenburg, former pastor, was speaker at the Family Night Program at the Methodist Church, Dec. 5. Raymond King, Layman of St. John's Methodist Church, Lubbock, spoke at the Mid-Week Service Nov. 28.

Warren Brown visited J. A. Smith in Veterans Hospital in Houston last week and reported his condition as improving.

70th Anniversary
Mr. and Mrs. G. W. Timms of Winters were recently honored on their 70th wedding anniversary at the city hall in Winters.

Hosts were sons and daughters of the couple: Oscar Timms, Hereford; J. E. Timms, Shallowater; Gordon Timms, Petersburg; Leroy Timms, Lubbock; Mrs. Mae Gidd, Lamesa; Mrs. Maudie Thorp, Santa Anna, Calif.; and Mrs. Pearl Wood, Ballinger.

Eighty-one relatives attended including representatives of 5 generations!

The couple were married Nov. 10, 1892, in Comanche County and have lived in the Winters area since 1919.

They have 8 children, 27 grandchildren, 54 great-grandchildren and 4 great-great-grandchildren and are parents of Gordon Timms of this community and great-grandparents of Mr. James Odom, wife of the Petersburg football coach.

The Review wants your news.

City Garden Club Has Thanksgiving Social Recently

Members of the City Garden Club and their husbands celebrated the annual Thanksgiving party in the city hall club house.

Dec. 20, (date tentative) Junior Study Club progressive dinner, Christmas social, members and husbands.

Dec. 31, 2:30 p.m., The Fellowship of Christian Women is to meet at Abernathy Assembly of God Church, Ave. B at 14th St. Everyone is urged to attend.

Homecoming Set At Marshall

The annual homecoming of East Texas Baptist College of Marshall, Texas, was highlighted with the coronation of Homecoming Queen and first and second runner-ups at half time of the basketball game Saturday afternoon, December 1, in Keys gymnasium. The event was sponsored by the Student Government of the college. Eleven organizations on the campus sponsored duchesses who were the candidates for the coveted honor.

Miss Vaughn Allen, daughter of Mr. and Mrs. A. H. Allen, Rt. 1, Shallowater, represented the Life Service Band. She is a music education major and a 1959 graduate of Abernathy High School.

News About Men In Service

LUXEMBOURG CITY, LUXEMBOURG (AHTNC) — Army PFC James C. Gist of Abernathy, Tex., recently participated with other members of the 12th Medical Company in Exercise TRICOLOR TEAM, a NATO operation in Luxembourg.

The exercise was designed to test American, French, Luxembourg and German medical units in their ability to work together from the viewpoint of command and control, communications, and evacuation capabilities.

Gist is regularly assigned as a medical aidman in the company in Baumholder, Germany. He entered the Army in August 1960, completed basic training at Fort Hood, Tex., and arrived overseas in September 1961.

The 19-year-old soldier, son of Mr. and Mrs. Samuel P. Gist, attended Abernathy High School.

LCC Schedules High School Day Dec. 8

Senior high school students will be given an opportunity to view the campus and campus life at Lubbock Christian College Saturday, December 8.

Guests will register in the administration building at 9:00 a.m. and will hear LCC's Royal Blue Band in a performance scheduled for 10:00 a.m. After touring the campus and judging welcoming displays built by LCC clubs, the students will be honored at a noon barbecue. Highlights of the afternoon's activities will be an exhibition of track and field events in the gigantic new field-house on the LCC campus.

Climaxing the activities will be the presentation of "The New Moon," a Romberg-Hammerstein musical comedy, by the music and speech departments at 8:00 p.m.

Faculty members will be on

BIRTHS

Mr. and Mrs. Aurelio Saldivar of New Deal are parents of a son born Dec. 2. The baby weighed 8 pounds 6 ounces.

EASTERN STAR PLANS CHRISTMAS PROGRAM

A Christmas program will be featured at the stated meeting of Abernathy Chapter No. 877, Order of the Eastern Star, at 7:30 Thursday, Dec. 6. Mmes. Mary Drace, Minnie James and Ava Henry will have charge of the program.

Social committee for the evening will be Mrs. Vida Pharr, Mrs. Myrna Davis and June Bartlett.

campus to answer any questions concerning scholarships, work opportunities, and course offerings. Students desiring overnight accommodations in LCC dormitories should write the Director of Admissions.

"NIGHT AT THE CLUB" death scene of Wild Bill (Charles Wilson) who moments before had been shot by Nellie (Mrs. Kenneth Phillips). Checking Wild Bill is Hugh, the Friendly Bartender (Pettit). Singing "Bury Me Not on the Lone Prairie," with hats respectfully removed, are from left, Dr. John Hale, Loren West, Arno Struve and Dean Sterling. Assisting Dean with the microphone is MC Bufalo Bill Cody (Waydelle Hill) at right.—(Photo by Kenneth Phillips).

COTTON BURS and GOLDEN URAN

TEAM UP TO MAKE GOLDEN PROFITS FOR YOU

The table below shows how 45 pounds of nitrogen per acre—added to 4 tons of cotton burs—increased lint yield by 208 pounds per acre over the burs without nitrogen. That's about \$7.00 back for every \$1.00 invested in nitrogen.

Treatment	Lint, pounds per acre, 1956-1958		
	Average	Increase over Check	Increase For N
Check	540
4 tons burs	575	35	...
4 tons burs plus 30 lbs. N	754	214	179
4 tons burs plus 45 lbs. N	783	243	208

ARCADIAN GOLDEN URAN

IS
32% NITROGEN

And Can Be Spread On the Burs Before Breaking or Listing. GOLDEN URAN has No Pressure, and is the Fastest, Easiest - Spreading Fertilizer Available Today.

Miss Ryan is a student at McMurry College in Abilene and Mr. Powell is a senior student at West Texas State College, Canyon. The wedding will take place January 26th.

News From The
First Baptist Church
Christmas Parties

Many classes have already scheduled their Christmas parties on the calendar in the office and we urge you to do the same if you are planning any kind of social activity for a class to decorate Fellowship Hall on Monday, December 10. If you are to have any social function in Fellowship Hall during the Christmas season, please appoint two representatives to come and help with the decorating.

"Born A King"

In this new cantata, John W. Peterson has taken the giant floodlights of music with their multiplicity of colors and has focused them upon the event of Christmas, the Birthday of the King. Our church choir will present this musical story at the evening worship service on December 16. You will want to reserve this night as the time to bring your family and friends to find new inspiration from this story that never grows old. "For those who know it best seem hungry and thirsting to hear it like the rest."

MASONS LEVEL HIGH SCHOOL CORNERSTONE

Prominent Texas Masons met in Fort Worth recently to level the cornerstone for a \$350,000 high school and auditorium at Masonic Home and School of Texas. The structure is part of an expansion program which already includes a new chapel and an infirmary.

Among participants were, left to right: Dr. J. D. Tomme Jr. of Fort Worth, president of the Masonic Home Independent School District board; G. R. M. Montgomery of Fort

Worth, Past Texas Grand Master and president of the Home's board of directors; G. R. M. Montgomery II of Fort Worth; John G. Kemmerer of Fort Worth, Past Texas Grand Master and a Home director; Robert L. Dillard Jr. of Dallas, Grand Master and vice president of the board of directors, who leveled the cornerstone; Jim W. Weatherby of Kerrville, Deputy Grand Master; John R. Collard Jr. of Spearman, Grand Senior Warden, and J. Carroll Hinsley of Austin, Grand Junior Warden.

RAY SANDERSON, at the microphone, was heckled by plants in the audience Saturday night when he gave his "Sleeping At The Foot Of The Bed" number

on the ARC "Night At The Club Show." Mrs. Sam Williams is at the piano. —(Photo by Kenneth Phillips).

ATTENTION FARMERS!

Milo stubble, roots, and other such plant refuse are not soil trash. They should never be burned for they are the life of your soil once they are used in combination with an ARCADIAN Nitrogen program in your fields.

Milo stubble is not difficult to plow down if it is sprayed with liquid ARCADIAN GOLDEN URAN Nitrogen before plowing. ARCADIAN GOLDEN URAN sticks to and penetrates these materials above ground. It sets up a chemical and biological action to make stalks brittle and easily broken up for easier and cleaner plowing. To our knowledge, liquid GOLDEN URAN Nitrogen is the only form of Nitrogen that will do this job.

Plant refuse contains considerable plant food taken from the soil. Use ARCADIAN GOLDEN URAN and release all this plant food for the next crop. Then, by using a balanced fertilizer program with phosphate and potash, if needed, you unlock the full potential fertility of your soil. The improvement in yields will happily surprise you.

In addition, you will discover your soil will have more moisture, will plow and work easier, and will have better tilth. Most farmers have told us that volunteer growth ceased to be a problem when this is done.

The farmers in this area who have sprayed GOLDEN URAN on their Milo stubble in the past have reported excellent results. These results were obtained when the URAN was sprayed on immediately after combining and shredding and plowed under as soon as possible. The amount of GOLDEN URAN needed for best results depends on the production that has been removed. In general a 5,000 lb. Milo crop needs 50 or more lbs. of additional Nitrogen for proper decomposition.

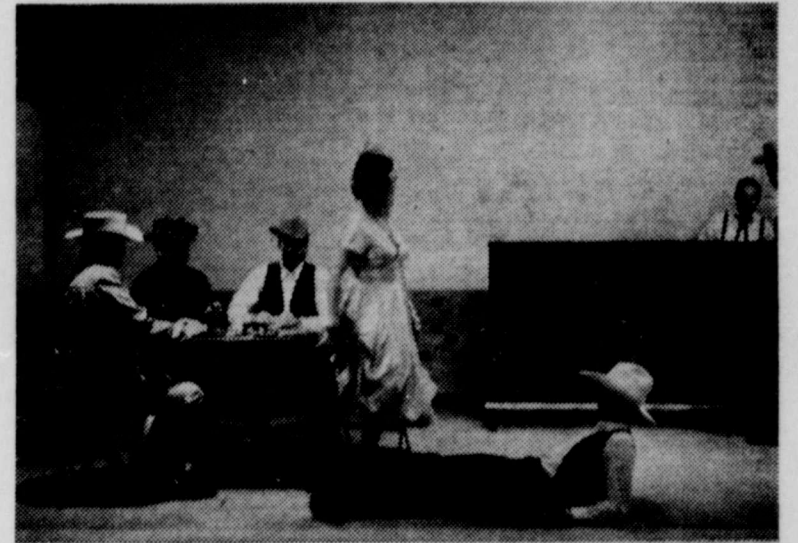

We have ARCADIAN GOLDEN URAN for you now.
Come by or give us a call.

A SKIT Take-Off on the Bonanza tv show was prepared by Mike Ritchey for the ARC "Night At The Club" show Saturday night. Cast, from left, included Little Joe (Joe Lovelace), Adam (Lon Carmickle), the father Ben (Loren West), Mrs. Hugh Pettit and the Mighty Hoss (Bobby McAlister), on the floor, Harvey Lutrick, villain in the skit, is shown at the right edge of the picture. —(Photo by Kenneth Phillips).

TIPS TO FOLLOW WHEN
VISITING A SICK FRIEND

All of us occasionally pay a visit to a sick friend. Next time you have occasion to visit a sick room — either in a home or in the hospital — keep in mind a few simple thoughts that will help to make your visit a welcome one.

Today's Health, the magazine of the American Medical Association, offers some pointers on visiting the sick —

—Don't sweep into the sick room like a cyclone. Come in quietly, unobtrusively.

—Don't be gloomy. Try to be cheerful, but don't be silly.

—Don't be morbidly curious. If the patient wants to tell you about

his operation, or to show you the stitches, let him offer to do so. —Don't be overly sympathetic. Real sympathy will show through, and words won't necessarily convey it.

—Don't make the patient dissatisfied with the care he is receiving. If you disagree, keep it to yourself. You'll help most by making him feel satisfied with the care.

—Don't offer your medical advice or opinion. The chances are your opinion is worth next to nothing. Leave medical advice to your friend's physician.

O. F. Rea was called for jury duty this week.

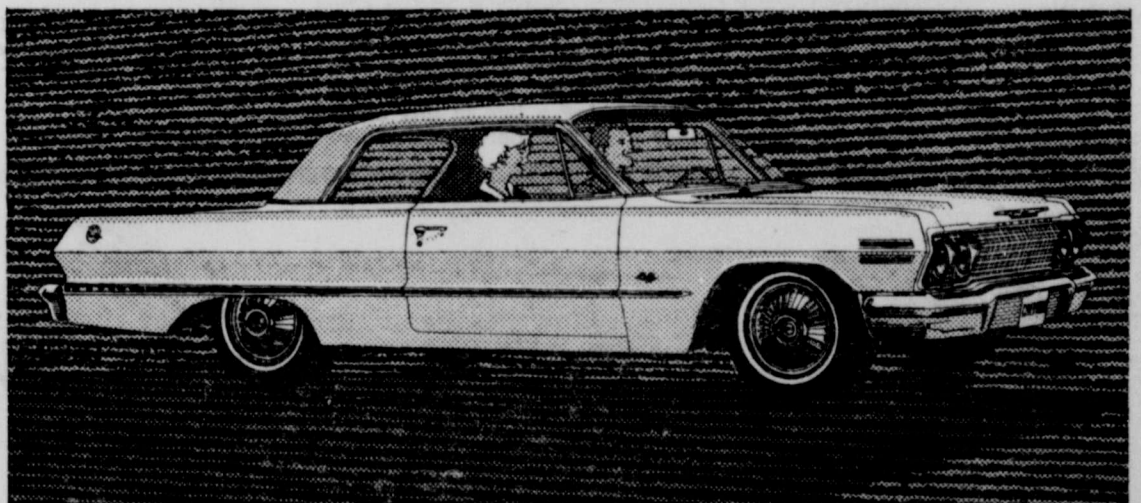

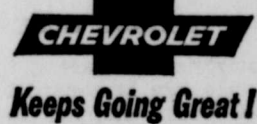

PICK YOUR KIND OF CAR

AT YOUR CHEVROLET DEALER'S ONE-STOP SHOPPING CENTER

'63 Chev II Nova 400 Station Wagon

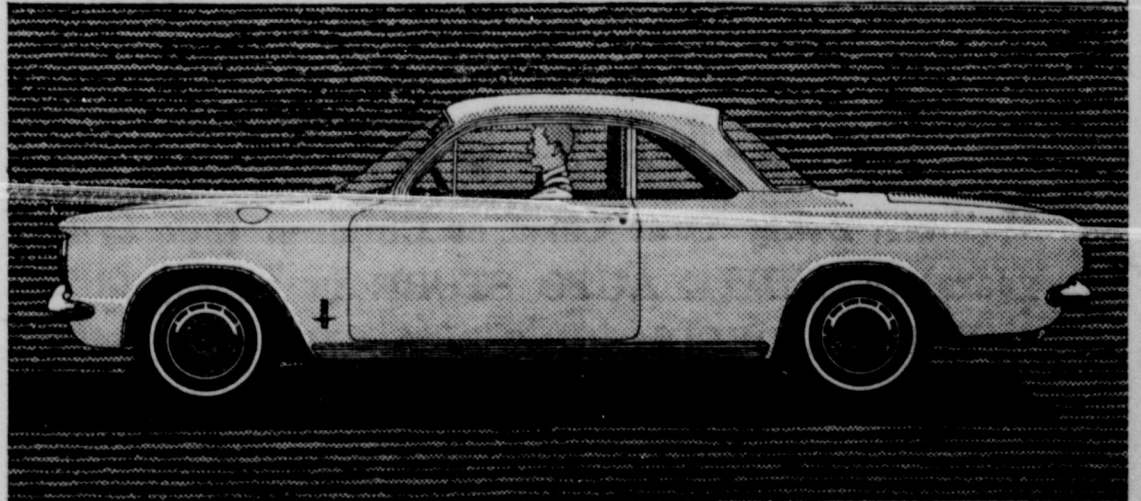

If you'd like to see how your car dollar can be tailored to your needs, your Chevrolet dealer has four entirely different kinds of cars that do it handily. Jet-smooth '63 Chevrolet: It's a luxury car that invites comparison with the high-priced cars. '63 Chevy II: Really much too snappy looking and spirited to be called a thrift car. But sparing is what it is in price and up-

keep. '63 Corvair: The rear-engine wonder for people who like their sport with the family along. Then there's our all-out sports car—the new Corvette Sting Ray: It's completely restyled and re-engineered, and now available in convertible or sport coupe. Whatever your new car fancy, you'll find the answer at your Chevrolet dealer's.

Soil Survey Is Under Way In Hale County

Hale County has been selected for a complete soil survey by soil scientists of the Soil Conservation Service, according to Jesse Jackson, who is in charge of the Plainview Soil Conservation Service work unit office. Soil Scientist, William M. Koos, of Lubbock, will begin the survey.

"All the different kinds or types of soils in the county will be identified and plotted on aerial photographs by the soil scientist," said Jackson.

This survey is part of a National Cooperative Soil Survey going on all over the Nation. It is a cooperative project of the Soil Conservation Service and the State Colleges of Agriculture. The purpose is to get a complete inventory of the agricultural land of the nation, and to learn as much about it as possible. How much land do we have that is subject to wind and water erosion? How much damage has already oc-

curred? These and many other questions will be answered by this survey. Each year as our population increases, our land becomes more important to the economy of our nation.

The survey is expected to be completed in a couple of years. Once the survey is complete, a report will be published for this county. This report will contain a brief history of the county, a soils map of each farm, descriptions of all soils, chemical analysis and fertilizer recommendations and yield data for each soil. When the report is published, it will be available to farmers and landowners.

At the present time, the survey is being made in the southwest part of the county. Mr. Koos is looking forward to meeting many of the farmers and ranchers in the county as the survey progresses. It will be impossible to contact all landowners before going on their land, but as many as possible will be contacted during the survey.

Laxity At Polls Could Make Lots Of Red Faces

(Editorial from Plainview Daily Herald, Nov. 13, 1962)

Frequently The Herald has commented about the necessity of following the election laws to the letter.

It has pointed out the care the law demands of properly safeguarding the returns and the ballots and turning same over to proper authorities.

In one instance the ballot box was left overnight in a private home unattended.

There is a reported instance in the recent voting of one being left outside the county clerk's office instead of being delivered to the official.

It so happened that there was a wide spread in votes local can-

didates received. Suppose there had been a close race and an election contest should ensue?

There could be some mighty red faces. Appreciative as we are of the long and tedious work of election judges and clerks, the laxity should not be.

There has been frequent complaint by individuals about secrecy of the ballot. One lady complains that a voting neighbor at the polls glanced frequently at her ballot, spread before her — and him — as they voted. She didn't care to see his ballot but "I darn sure didn't want him to see mine," the lady says, like she meant it.

It is regrettable that there is no more privacy in voting in this county. Sometimes there are dividers, which act as blinders.

We have been told that the election officials must conduct the election with the facilities provid-

THE ODD MAN OUT

By FINIS ROBERTSON

Although the Texas lad was unaccustomed to the hard riding of horses of the open range, Valjean Dahi rode over the bad lands and across the mountains about 50 years ago.

In the higher elevation, especially to the north and east of the Big Horn Basin there were vast herds of wild horses, which sometimes moved like a thundering avalanche. Such animals belonged to anyone who had the skill and brains and brawn, with capacity enough to take them.

Wyoming was a land of rather stern and often bitter realities. It was down on the floor of the desert waste beneath the arid sky, where cursing men breathed the rising dust mixed with alkali, and dry and powdered cattle dung. A land of rattle snakes and spotted ticks, where lone sheep herders sometimes died a violent death from a fever contracted from the ticks.

Many local wars had been fought over grassland. But it was far more than all this. Rich valley lands produced alfalfa and timothy and small grains from vast irrigation projects. Home of the rugged pioneers and settlers who had been there since the days of the "Territory."

Far up to the north at the state line of Montana and the mountain streams which flowed north there were magnificent forest land of spruce and fir, with other mem-

SCENE FROM THE ARC "Night At The Club," from left, Mrs. Harvey Lutrick, Hugh Pettit, Wild Bill (Charles Wilson), Minnie Pearl (Mrs. Arno Struve) and Buffalo Bill Cody (Waydelle Hill).

—(Photo by Kenneth Phillips)

bers of the pine family which stood a hundred feet aloft. Some of the peaks were crowned with snow under a July's sun, the mountain scenery was spectacular and doubtless unrivaled on this side of the Alps of Switzerland.

There were some Basque sheepherders who had a language and a religion that differed from all others. And too, they had once lived in mountains of Europe, known as the Pyrenes. In both Montana and Wyoming, there was a reservation set apart for the Sioux Indians.

There had been a little discovery of gold in the Black Hills of Dakota, also some out-croppings of gold in the Big Horn Mountains. The Sioux under inspiration of Sitting Bull, were constantly on the war path.

So, in 1876 on June 25, George Armstrong Custer, with 264 soldiers met the savage yells of 4,000 Indian braves and died to a man. All the soldiers were scalped and their bodies mutilated except the long yellow haired Custer. Some way the famous general's body was returned and buried at Arlington Cemetery among the nation's great. But the others were buried on the spot in shallow graves.

In the years to come the bones which were skeletons of the sol-

diers became exposed to the elements and beasts, so the Government paid men to re-bury the men's remains and they erected a steel fence around them.

Tourists today find the National Park in the lonely Valley of the Little Big Horn a few miles inside Montana.

It was in those same good years that the Texan broke bread with a fine young couple by the name of McCoy, and Valjean spent a part of one summer at their cabin in the foothills of the mountains on the upper reaches of Horse Creek.

McCoy was from Bowling Green, Kentucky, where his father, Mike McCoy, during his tenure of office of county sheriff, was killed by an ambush of the Hatfield family. The Wyoming rancher told many interesting things concerning his old Kentucky home, after he and Valjean became fast friends.

The bullet-scarred McCoy had married a daughter of a widely known Montana cattleman. McCoy claimed that 80 percent of the world's bourbon whiskey was produced in Kentucky at that time. It was also the home of one Carrie Nation who drew up the blueprint of prohibition with a hatchet, and her tongue which was sharper than a rapier; that even became sharper with constant use.

Where there was once a commissary, today there are nice little towns and in some areas even modern cities have grown up. One by one, the colorful pioneers and their faithful companions have taken the final repose in the basin beneath the rockribbed hills.

But in their adventurous day they brought in the sovereign state of Wyoming on a silver tray and presented it to this generation who were none too grateful.

The land where the Aurora Borealis sends its beam from out of the golden north, and where the treacherous magpie from his high cliff makes announcement of the glorious sun rise in the Rockies. And, where the warm air sometimes comes off the current of the sea and drives back the blast of a winter's approach; there, too, are the Grand Petons, snow capped sentinels, of the Yellow Stone National Park.

MAKES BUSINESS TRIP TO NEW MEXICO

A. C. Nystel was in Las Vegas, N. M., last weekend on business. On a recent trip to this section of the state he stopped and took dinner with a couple of former Abernathy boys who operate the Club Cafe and Bus Station in Santa Rosa. Phillip Craig and Floyd Shaw went to Santa Rosa about 25 years ago and became quickly a part of the town and

also part of the country as they soon entered the ranching business also.

They now are ranching on several sections some 12 to 15 miles northeast of Santa Rosa. Both grew up in Abernathy and attended school here.

Marvin Patterson Is Awarded Citation For Water Plant Work

AUSTIN An official State Health Department citation was awarded this week to Marvin R. Patterson, assistant superintendent of the Abernathy municipal water department, for proficiency in water plant management.

The impressively designed certificate of competency, signed by the state commissioner of health and authorities of the Texas Water and Sewerage Works Association, credit recipients with having demonstrated "skill and knowledge" of water treatment plant management and an understanding of the public health importance of the work.

Under the State Health Department operator certification program, operators are carefully examined on their technical ability and on their knowledge of the work's influence on community health. Each must pass a stiff written test to qualify for certification.

The Texas general sanitation law requires that at least one plant operator per shift be certified by the state health agency. The other plant operators and persons in related fields frequent-

DECEMBER 14 IS DEADLINE

December 14 is the last day for signing up under the 1963 stabilization program in the winter wheat area, according to a Texas Agricultural Stabilization and Conservation Committee announcement. Growers who have questions on the program are urged by the State Committee to visit their county ASCS office for detailed information.

During the past 25 years, the National Foundation for March of Dimes has spent \$85,000,000 for a medical care program to assist patients afflicted with birth defects, arthritis and polio. Join the 1963 March of Dimes.

Ag Secretary Ruling On Grain Sorg. Will Cut Farmer Income

Secretary Freeman announced that it would be a 20% cut in net income of 1959-1960 base years. This is a cut of 65% of the 1961-1962 payment rate or a total of about \$25 per acre on the first 20% of the base to be laid out. This is required to comply with the 1962 Feed Grain Program. Payment on the second 20% layout, which is optional, remains at 50% of normal yield.

There are two cuts to the farmers' prices: (1) Two cents per hundred in the support price (national average 1.91 per hundred instead of 1.93 as in 1962), and (2) not so widely known is the cut in payment on the layout

the reason for such cuts, Albert Harp, President, said the Association will have a delegation in Washington, D. C. this week working with the United States Department of Agriculture officials. It is hoped to have the support price and layout payments restored to the 1961-1962 level. It is believed this was the intent of Congress and because of earlier discussions with the Department of Agriculture, there was every reason to believe that the prices would not be cut. If allowed to stand

as announced, these drastic cuts would result in needless hardship on the commercial feed grain producers of the nation and even send many into bankruptcy. The only farmers who can profit from the program as announced are the non-commercial producers. They can feed their grain and still collect 20¢ per hundred pounds direct payment in addition to the payment on the layout land for complying. The Department feels the direct payment will take the place of part of the payment on the layout and result in an even

Freshmen Teams To Play Tahoka Units Tonight

The Abernathy boys and girls freshmen basketball units will play host to two teams from Tahoka here tonight (Thursday). The first game is slated to get underway at 6 o'clock, with the other game

better participation in the program.

The commercial producers did not receive due consideration and everything possible is being done to bring this to the attention of U. S. Department of Agriculture officials.

Freshman Boys Team

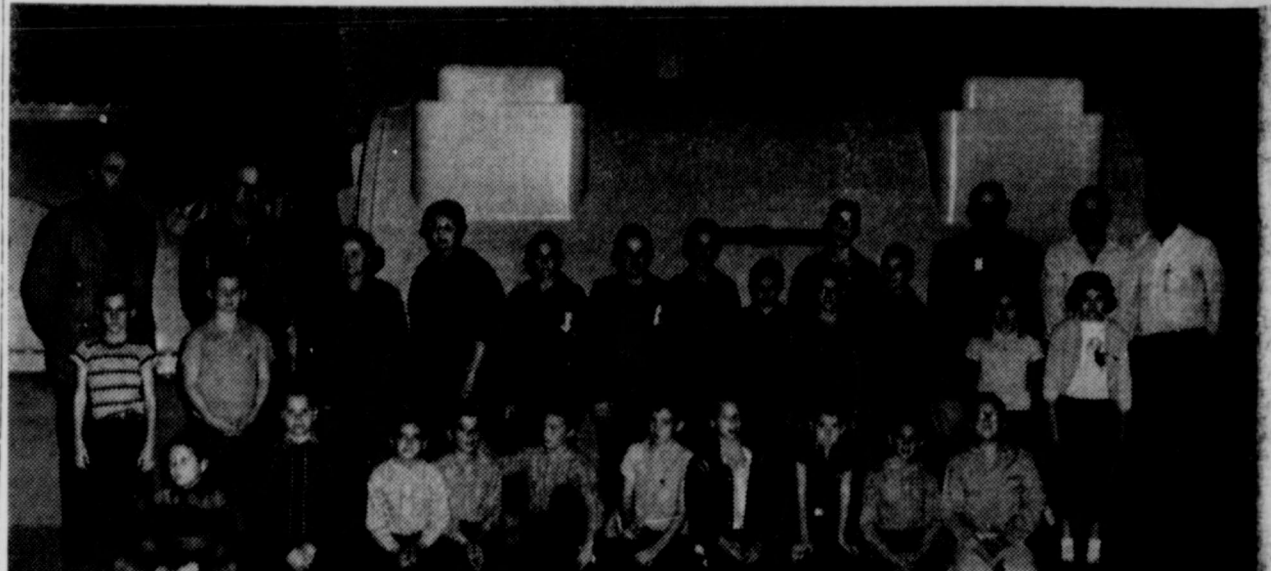

Coach Wayne Preston stated that 13 freshmen boys are actively participating as members of the freshman basketball unit. They include Larry Crowder, Rex Hester, Kendall Preston, Mike Tunnhill, Terry Barton, Mike Skipper, Larry Gist, Mike Pettit, Carl Johnson, Dennis Bristow, Jerry Dickey, Jimmy Franklin and Harry Overstreet.

Three other freshmen boys may see action later. Lane Wade is out at present with a broken finger, and will play later. Pat Hale and Jim Barton are taking part

Full Schedule

The local coaches and school officials have a full schedule of basketball this season, with practically every week night being taken, except Wednesday night.

The Junior High teams play on Monday nights, the high school varsity teams play Tuesday and Friday nights, and the freshmen units play on Thursday nights. Schedules for the various teams may be found elsewhere in this paper.

4-H CLUB MEMBERS VISIT TUO POWER PLANT - Several Abernathy Community 4-H club members and loaders made a tour of the Tuo Power Plant northeast of town last Friday evening. They are pictured above at the side of a large generator powered by a steam turbine on left. In the photo are, left to right, kneeling, Lynne Vaughn, Gary Gene Goble, J. C. Goble, Jim Johnson, Jim Reeves, Lonnie Bartlett, Scott McDonald, Ronnie Huffaker and Fritz Struve. First row standing: Clinton Reeves, Randy Kelly, Mrs. B. L. Vaughn, Mrs. R. R. Struve, Sully Boyan and Mrs. G. G. Struve. Second row: Terry Barton, Tommy Thompson, Kary Spruiell, Karen McClelland and Sharon Anderson. Back row, at left, are Willie Florence, Tom plant manager, and W. G. Spruiell. At right are Melvin Roper, manager of Southwestern Public Service Company's Abernathy office; Bob Dace, auxiliary operator at Tuo; and E. P. McLain, shift foreman. (Rev-Foto).

Basketball League Formed By Area Jr. High Schools

The local seventh and eighth grade boys and girls basketball teams have been entered with teams from other area schools to compose a Junior High Basketball District or league, according to G. W. Addison, Jr., Abernathy Junior High principal.

Representatives of the various schools met in Slaton recently and the league was organized at that time. Schools participating include Abernathy, Slaton, Fromberg, Idalou, Post and Tahoka.

The teams will play a double round robin, which will count 50% in determining a league winner. A district tournament at the end of the season will also count 50%. If these winners are different, a single game playoff will then decide the championship.

Officers of the Methodist Church at South Plains College, Levelland, are: Alfred, from left to right, Paula Burnett, John Porter, Cheryl Alred, Vega, secretary; standing, from left, John Roper, Levelland, president; George Reagan, Abernathy, vice president; Dianne Fowler, Levelland, treasurer; Debbie Perkins, Levelland, Student Council Representative.

News From The Methodist Church

News of the Church Family Known to be ill - Clarence Thornton is in the Hiale Center Hospital. Mrs. J. P. (Dolores) Barton is in the Hiale Center Hospital. Sympathy - To Mrs. Boyd Griffith on the death of an aunt in Plainview.

Open House At King's Manor The new Northwest Texas Consecration retirement home in Hereford, which is known as "King's Manor" will have open house next Saturday and Sunday, December 8th and 9th, from 2:30 to 5 p.m. A Consecration service will be held at 3 p.m. on Sunday afternoon.

Blankets and Clothing Needed Word has just come to the Methodist Committee for Overseas Relief that more than a million homeless people in the eastern provinces of Algeria face the cold months immediately ahead without adequate clothes or bedding. Needed at once are 650,000 blankets and 1,300 tons of clothing. If you have good used clothing or blankets, bring them to the church and save a life this winter.

The mishandling of game after the kill often makes impossible a satisfactory preparation job in the kitchen. Explains Ed Cooper, extension wildlife specialist. He recommends right freezing immediately after the kill, especially if the weather is relatively warm. Keep the game clean and cool storage refrigeration is recommended. He suggests to hunters that they pick up a copy of "B-887," "Game Care and Cooking" from the local county agent extension office.

The Junior Choir got off to a good start Sunday with 15 boys and girls in attendance. The choir will meet each Sunday evening at 6 p.m. Mr. Jim Suddeth, our choir director, will direct this group. Mrs. Loren West, Mrs. Eddie Guerrant and Mrs. Herbert Hardin will alternate in accompanying the group.

Room Changes To better care for our nursery and primary children the following Sunday School room changes have been made by the Commission on Education. The primary department will occupy the three new rooms on the first floor of the west side of the education annex. The Mary Dunn Ladies

Church Women Pledge Aid

CHOI, SUN SOOK

In Account With God

The Fellowship of Christian Women of Abernathy has pledged \$10.00 per month for the support of Choi, Sun Sook, pictured here, in the Jaeju Widows Home in Korea. Choi, Sun Sook, which means "To be a polite and good girl," was born Jan. 8, 1950, in Korea. Her father passed away due to illness, and she lives with her mother in the Jaeju Widows Home. "My favorite subject in school is arithmetic," Choi, Sun Sook, wrote. "Thank you for caring enough to help me. I need your love and prayers," she added.

As it takes 10 weeks to receive a package sent to Korea, we thought it best to send \$5.00 for Christmas and \$5.00 for her birthday Jan. 8. It takes only six weeks to receive money there. Mrs. Billy Pittman, Rt. 2, Box 180, Abernathy, is our corresponding secretary.

The Fellowship of Christian Women will meet at 2:30 p.m. Dec. 31, at Abernathy Assembly of God Church, Ave. B at 14th St. Everyone is urged to attend. — Mrs. A. D. Helms, Reporter.

Duck Hunting Season Opens

Duck hunting season opens Thursday, Dec. 6, and will continue through Dec. 30. Daily limit is three, and not more than six in possession at any time. For complete information on hunting rules and regulations, check at the post office or Struve Hardware.

G. M. Carr of Abernathy and Claude Bray of Lubbock have returned from a fishing trip to Rockport and Palacios.

Lakeview News

Jerry DuBose of Abilene visited his brother, R. A. DuBose and family last weekend.

Mr. and Mrs. Jim Collins are visiting a new granddaughter born Nov. 29. She is the daughter of Mr. and Mrs. Gene Collins of Ackerley.

Wayne Rhodes, student of Bethany College, Bethany, Okla., visited his sister, Mrs. C. P. Loyd and family recently.

Ricky Lynn, 5-month-old grandson of Mr. and Mrs. Lloyd Goldston has been ill of respiratory infection and received treatment for several days in Methodist Hospital. He is the son of Mr. and Mrs. J. D. Adams of Petersburg.

Charles Scarborough, son of Mr. and Mrs. Henry Scarborough, received a fractured wrist in the Petersburg-Sunray football game in Canyon Saturday night.

Mr. and Mrs. S. M. Harrison visited friends in Morton Sunday.

Mr. and Mrs. Walter Thorpe of Santa Anna, Calif., visited her brother, Gordon Timms and family last week.

Mr. and Mrs. Russell Dunn of Hermleigh and Mr. and Mrs. Lonnie Shoemaker of Plainview visited Warren Brown Monday.

Mr. and Mrs. J. C. Belt visited in Ackerley Sunday.

Rev. Luther Baker of Sparenburg, former pastor, was speaker at the Family Night Program at the Methodist Church, Dec. 5. Raymond King, Layman of St. John's Methodist Church, Lubbock, spoke at the Mid-Week Service Nov. 28.

Warren Brown visited J. A. Smith in Veterans Hospital in Houston last week and reported his condition as improving.

70th Anniversary

Mr. and Mrs. G. W. Timms of Winters were recently honored on their 70th wedding anniversary at the city hall in Winters.

Hosts were sons and daughters of the couple: Oscar Timms, Hereford; J. E. Timms, Shallowater; Gordon Timms, Petersburg; Leroy Timms, Lubbock; Mrs. Mae Kidd, Lamesa; Mrs. Maudie Thorp, Santa Anna, Calif.; and Mrs. Pearl Wood, Ballinger.

Eighty-one relatives attended including representatives of 5 generations.

The couple were married Nov. 10, 1892, in Comanche County and have lived in the Winters area since 1919.

They have 8 children, 27 grandchildren, 54 great-grandchildren and 4 great-great-grandchildren and are parents of Gordon Timms of this community and great-grandparents of Mr. James Odom, wife of the Petersburg football coach.

The Review wants your news.

Homecoming Set At Marshall

The annual homecoming of East Texas Baptist College of Marshall, Texas, was highlighted with the coronation of Homecoming Queen and first and second runner-ups at half time of the basketball game Saturday afternoon, December 1, in Keys gymnasium. The event was sponsored by the Student Government of the college. Eleven organizations on the campus sponsored duchesses who were the candidates for the coveted honor.

Miss Vaughn Allen, daughter of Mr. and Mrs. A. H. Allen, Rt. 1, Shallowater, represented the Life Service Band. She is a music education major and a 1959 graduate of Abernathy High School.

News About Men In Service

LUXEMBOURG CITY, LUXEMBOURG (AHTNC) — Army PFC James C. Gist of Abernathy, Tex., recently participated with other members of the 12th Medical Company in Exercise TRICOLOR TEAM, a NATO operation in Luxembourg.

The exercise was designed to test American, French, Luxembourg and German medical units in their ability to work together from the viewpoint of command and control, communications, and evacuation capabilities.

Gist is regularly assigned as a medical aidman in the company in Baumholder, Germany. He entered the Army in August 1960, completed basic training at Fort Hood, Tex., and arrived overseas in September 1961.

The 19-year-old soldier, son of Mr. and Mrs. Samuel P. Gist, attended Abernathy High School.

LCC Schedules High School Day Dec. 8

Senior high school students will be given an opportunity to view the campus and campus life at Lubbock Christian College Saturday, December 8.

Guests will register in the administration building at 9:00 a.m. and will hear LCC's Royal Blue Band in a performance scheduled for 10:00 a.m. After touring the campus and judging welcoming displays built by LCC clubs, the students will be honored at a noon barbecue. Highlights of the afternoon's activities will be an exhibition of track and field events in the gigantic new field-house on the LCC campus.

Climaxing the activities will be the presentation of "The New Moon," a Romberg-Hammerstein musical comedy, by the music and speech departments at 8:00 p.m.

Faculty members will be on

Christmas Parties

Many classes have already scheduled their Christmas parties on the calendar in the office and we urge you to do the same if you are planning any kind of social activity for a class to decorate Fellowship Hall on Monday, December 10. If you are to have any social function in Fellowship Hall during the Christmas season, please appoint two representatives to come and help with the decorating.

"Born A King"

In this new cantata, John W. Peterson has taken the giant floodlights of music with their multiplicity of colors and has focused them upon the event of Christmas, the Birthday of the King. Our church choir will present this musical story at the evening worship service on December 16. You will want to reserve this night as the time to bring your family and friends to find new inspiration from this story that never grows old—"For those who know it best seem hungering and thirsting to hear it like the rest."

MASONS LEVEL HIGH SCHOOL CORNERSTONE

Prominent Texas Masons met in Fort Worth recently to level the cornerstone for a \$350,000 high school and auditorium at Masonic Home and School of Texas. The structure is part of an expansion program which already includes a new chapel and an infirmary.

Among participants were, left to right: Dr. J. D. Tomme Jr. of Fort Worth, president of the Masonic Home Independent School District board; G. R. M. Montgomery of Fort

Worth, Past Texas Grand Master and president of the Home's board of directors; G. R. M. Montgomery II of Fort Worth; John G. Kemmerer of Fort Worth, Past Texas Grand Master and a Home director; Robert L. Dillard Jr. of Dallas, Grand Master and vice president of the board of directors, who leveled the cornerstone; Jim W. Weatherby of Kerrville, Deputy Grand Master; John R. Collard Jr. of Spearman, Grand Senior Warden, and J. Carroll Hinsley of Austin, Grand Junior Warden.

TIPS TO FOLLOW WHEN VISITING A SICK FRIEND

All of us occasionally pay a visit to a sick friend. Next time you have occasion to visit a sick room—either in a home or in the hospital—keep in mind a few simple thoughts that will help to make your visit a welcome one.

Today's Health, the magazine of the American Medical Association, offers some pointers on visiting the sick—

—Don't sweep into the sick room like a cyclone. Come in quietly, unobtrusively.

—Don't be gloomy. Try to be cheerful, but don't be silly.

—Don't be morbidly curious. If the patient wants to tell you about

his operation, or to show you the stitches, let him offer to do so.

—Don't be overly sympathetic. Real sympathy will show through, and words won't necessarily convey it.

—Don't make the patient dissatisfied with the care he is receiving. If you disagree, keep it to yourself. You'll help most by making him feel satisfied with the care.

—Don't offer your medical advice or opinion. The chances are your opinion is worth next to nothing. Leave medical advice to your friend's physician.

O. F. Rea was called for jury duty this week.

ATTENTION FARMERS!

Milo stubble, roots, and other such plant refuse are not soil trash. They should never be burned for they are the life of your soil once they are used in combination with an ARCADIAN Nitrogen program in your fields.

Milo stubble is not difficult to plow down if it is sprayed with liquid ARCADIAN GOLDEN URAN Nitrogen before plowing. ARCADIAN GOLDEN URAN sticks to and penetrates these materials above ground. It sets up a chemical and biological action to make stalks brittle and easily broken up for easier and cleaner plowing. To our knowledge, liquid GOLDEN URAN Nitrogen is the only form of Nitrogen that will do this job.

Plant refuse contains considerable plant food taken from the soil. Use ARCADIAN GOLDEN URAN and release all this plant food for the next crop. Then, by using a balanced fertilizer program with phosphate and potash, if needed, you unlock the full potential fertility of your soil. The improvement in yields will happily surprise you.

In addition, you will discover your soil will have more moisture, will plow and work easier, and will have better tilth. Most farmers have told us that volunteer growth ceased to be a problem when this is done.

The farmers in this area who have sprayed GOLDEN URAN on their Milo stubble in the past have reported excellent results. These results were obtained when the URAN was sprayed on immediately after combining and shredding and plowed under as soon as possible. The amount of GOLDEN URAN needed for best results depends on the production that has been removed. In general a 5,000 lb. Milo crop needs 50 or more lbs. of additional Nitrogen for proper decomposition.

We have ARCADIAN GOLDEN URAN for you now.
Come by or give us a call.

Junior High Girls Win One, Lose Four

The local seventh and eighth grade girls basketball teams of Miss Margie Gunn, coach, have played five games thus far this season, winning one of the contests.

The local teams opened the season November 26. A local eighth grade team played Olton here and lost, 27-18. Sharon Albers was high point for Abernathy with 7 points. Jane Valdez had five points. Kathy Poe 4 and Jose Chron 2. Linda Graham led the winners with 13.

District Games

That same night the seventh and eighth grade girls played district games at Idalou. The local seventh graders lost, 42-5, and the local eighth grader captured their first win, 19-14.

In the 7th grade contest, Kathy Kerr had 3 points for Abernathy and Sue Robertson had 2. High scorer for Idalou was Linda Weems with 14.

Juanita Ward led the local 8th graders, tossing in 8 points. Carolyn Barton had 6 points and Ruby Judkins added 5. Janice Yarborough led the losers with 6 points.

Monday night, December 3, the local teams traveled to Tahoka and lost two games. The 7th grade girls went down in defeat 17-7, but are improving. Kathy Kerr scored all 7 of Abernathy's points, while Quaydene Pool led Tahoka with 9.

Juanita Ward led Abernathy with 4 points as the local 8th graders were defeated 9-7. Ruby Judkins scored 2 points and Sharon Albers 1.

Slaton Here Monday

Four games are on tap here Monday night, December 10, as the local 7th and 8th grade boys and girls teams are to play teams from Slaton. The first contest is slated to begin at 5:30 p.m.

Motorists

SCHOOL BUSES

Motorists are warned to observe the state law in regard to passing school buses stopped to take on or discharge passengers. The law requires that motorists STCP, then proceed with caution (not to exceed 10 mph) in passing a bus. School bus drivers are obligated to take the license number of any vehicle passing a bus in any other manner than that described above.

AHS Tournament Dates Are Set

Dates for the annual Abernathy Invitational Basketball Tournament have been set for Thursday, Friday and Saturday, December 13, 14 and 15.

Eight teams are entered in the boys division and eight in the girls division of the tourney.

Boys and girls teams from the following schools are entered: Abernathy, Slaton, Olton, Idalou, Cotton Center, Hale Center, and Frenship. Rounding out the tournament contestants are Roosevelt in the boys division and Tahoka in the girls division.

More details on the Abernathy tourney and team entered will be published next week.

Other Tourneys

Other tournaments entered by Abernathy varsity teams include: Girls—Happy Tourney this weekend; Girls' W.A.A.U. Tournament at Duncanville, Dec. 26-31.

Boys—Caprock Tournament at Lubbock, Dec. 28-29; Idalou Tournament, Jan. 3-5.

Coach Sherley Oswald wrote the Dallas Chamber of Commerce about lodging accommodations for Abernathy fans during the girls' tournament at Duncanville. Miss Oswald received a list of motels, with the three listed below being nearer to Duncanville: Villa Siesta, 3323 So. Hwy. 67, Keist Blvd. at Zarys; Valhalla, Beckley at Zarys, U. S. Hwy. 77 South; and Holiday Lodge, 5715 So. Beckley.

Fans are urged to make reservations early. Miss Oswald stated. Anyone desiring more information about lodging or needing to know where Duncanville is, may contact Miss Oswald at the school or go by her office in the west end of the high school building.

TEN COMMANDMENTS FOR TRAFFIC SAFETY

1. Thou shalt not murder by motor.
2. Thou shalt not mix alcohol with gasoline.
3. Thou shalt not exceed speed limits.
4. Thou shalt not follow too closely.
5. Thou shalt not weave from lane to lane.
6. Thou shalt not fail to signal.
7. Thou shalt not lose thy temper.
8. Thou shalt be courteous to thy fellow motorist.
9. Thou shalt favor the pedestrian.
10. Thou shalt honor traffic laws that thy days may be long. (From Connecticut Motor Vehicle Department).

AMBULANCE — Phone 298-2331

... City Hall News

(Continued From Page 1)

of administrative, police, fire, and street maintenance.

On the average, it costs the city approximately \$55.00 to make a water tap. This includes the cost of the meter, other material and labor involved. The customer is charged with a \$15.00 tapping fee.

—cen—

The city is now in the process of buying a communications base station and three transmitter type mobil units. One unit will be placed in the police car, another radio will be mounted on the pick-up truck of the Water and Sewer Department, and the third unit will be placed in the panel truck of the Fire Department.

Installation should be around December 13, 1962, and as soon as FCC gives us permission, we will be on the air.

Congratulations are in order for Assistant Water and Sewer Superintendent, Marvin Patterson who has just received his Certificate of Competency in both water and sewer works. To be eligible for this certificate, a person must have one year practical experience in water and sewer works, and a minimum of 40 hours of formal training in a recognized water and sewer works school.

Not only is this important in Patterson's work, but it is also necessary in getting the city's water supply approved by the state. Patterson now joins Water & Sewer Supt. Dick Hughes in our water system who has been certified by the State Health Department.

A "pat on the back" goes to Fire Marshal Truman Richerson for his untiring effort in investigating the fire losses in Abernathy during the past five years which led to taking off approximately \$6,000.00 fire losses that did not belong to the residents of Abernathy.

—cen—
Tom McCauley, State Fire Inspector from Austin was in Abernathy last week inspecting our fire facilities. He appeared well pleased with our progress in improving our fire protection and noted that Abernathy will no doubt drop down to the first key rate. Presently, Abernathy's key rate is 41c; however, when the new rate is published, it is a possibility that the key rate will drop in the neighborhood of 26 cents. Should this drop in the key rate materialize, it will amount to a substantial savings to the residents of Abernathy.

—cen—
The Volunteer Fire Department had two calls last month. On November 10, 1962, they were called out to fight a burr fire. Another fire was reported on November 27 when tires on a truck caught fire at the El Paso Service Station. Both fires were extinguished.

—cen—
In order that the citizens of Abernathy will become more familiar with the City employees The Review is spotlighting a City employee each month. Sharing the spotlight this month is Mr. J. E. (Dick) Hughes the City Water Supt. Dick is an active charter member of the Abernathy Fire Department, joining them in 1939. Mr. Hughes has been the City Water Supt. for the past eleven years. Dick holds the honors of being with the City longer than any other present employee, and has marked his career by serving the City faithfully over these years.

—cen—
The City Tax Department offers a reminder to those who have not paid their 1962 taxes. December is the last month that a discount of One percent will be offered. After Jan. 31, 1963, the tax if not paid by then, will be delinquent and a penalty will be attached.

—cen—
The city issued building permits totaling well over a quarter of a million dollars (\$322,467.00) for the fiscal year of 1961 and 1962. As of this date building permits totaling \$76,500.00 have been issued for the new fiscal year of 1962-1963, beginning Oct. 1, 1962.

—cen—
The City employees wish all the citizens of Abernathy a Merry Christmas and Happy New Year!
