VOLUME 43 — HALE COUNTY — ABERNATHY, TEXAS — LUBBOCK COUNTY

THURSDAY, DECEMBER 5, 1963

NUMBER 4

COMING SATURDAY NIGHT—A scene from "A Night At The Club," the Abernathy Recreation Center's annual dinner program to be staged in the school cafeteria at 8 p.m. Saturday, Dec. 7. Tickets are on sale at The Maclon Agency and Hill's Abernathy Pharmacy.

"A Night At The Club" Dinner, Show Scheduled Here For Saturday Night

Band Earns A First Rating In Marching

The Abernathy High School Antelope Band marched to a First Division rating at the regional U.L.L. contest held at Jones Stadium in Lubbock on Tuesday, November 26.

One hundred one members paraded and played in the contest where they were judged on playing cadence, alignment, spacing, carriage, precision and general effect. Total membership of the band is 121.

Bill Forbes led the band on the field; the other drum major, Susie Deering, was unable to march due to a recent illness. Majorettes were Pam Davis, Shanna Crenshaw, Peggy Carter, and Janice Phillips. Director is Everett Maxwell.

Judges were Frank Piersol, band director at the University of Iowa; A. H. Long, director at Ponca City, Oklahoma; and J. R. McEntyre, director of the Permian High School Band at Odessa. All three judges gave the Antelope Band a rating of 1st Division; Dimmitt and Muleshoe were the only other AA bands that received a unanimous vote of the judges.

Complimentary remarks of the judges include "full sounding band," "a very well-planned and interesting show," "outstanding company front alignment," "an outstanding band in every way," "Big Bowl," "Lady of Spain," "I Love Paris," "Indiana State Band," and "Lawrence of Arabia."

The band is beginning work now to improve its concert-playing ability as well as sight-reading. These two contests are held in April when the band must score First Division in both to win its seventh straight Sweepstakes.

INJURIES IN WRECK AT "DEATH ALLEY"

87-54 INTERSECTION

Seriously hurt in a three-car smashup about 5 p. m. Sunday three miles north of Abernathy at U. S. Hwy. 87 and FM Road 54 were Mr. and Mrs. Clarence E. Bley, Olton.

Two other persons were injured in the crash but received emergency treatment at Methodist Hospital, Lubbock, and were released. They were Troy Douglas Armstrong, 20, Abilene, and Johnny Troy Hancock, 17, 2102 33rd St., Apt. 75, Lubbock.

Highway patrolman Carl Mullins, Plainview, said Bley, 69, was headed west on the farm road.

Mullins said Bley stopped at the east edge of U. S. Hwy. 87, crossed the first traffic lane and then was struck in the right rear by a vehicle driven by Steve Howard Gillum, 2517 6th St., Lubbock.

Bley's car spun around on the farm road and then hit a vehicle driven by Eugene Neil Davidson, Rt. 1, Abernathy, who was stopped for a stop sign on F-M Road 54.

Armstrong and Hancock were riding in Gillum's car.

Reports from Methodist Hospital, Lubbock, late Tuesday said Mr. and Mrs. Bley were in critical condition at that time.

Mr. and Mrs. O. D. Weir and family have moved to their new home in the Virgil Phillips Addition, north of the Phillips home. It is one of several homes built in that Addition by Bill Marshall and Billy Shipman, contractors. Also planning to move this week were the E. D. Worthams, from their farm southwest of Abernathy to one of the houses which they bought from Marshall & Shipman in the Virgil Phillips Addition.

A surprise program, featuring local talent, will highlight the third annual "Night At The Club" presentation Saturday night, Dec. 7. The program will follow a dinner, which will be served in the Abernathy school cafeteria starting at 8 p.m.

Tickets for "A Night At The Club" are on sale at The Maclon Agency and at Hill's Abernathy Pharmacy.

Both of the previous "A Night At The Club" presentations drew over capacity crowds, and attendance this year is expected to be high.

"A Night At The Club" is sponsored by Abernathy Recreation Center as a fund-raising event.

Texas 1962 Traffic Cost

During 1962 death stalked the streets and highways of Texas for a record of 2,421 human lives in traffic mishaps, an increase of 107 over 1961. Another 144,943 were sent to doctors and hospitals, an increase of 12,373 over 1961, some of these injured being maimed for life. Some 400,000 automobiles were damaged or demolished. Our economic loss came to an astounding figure of \$387,843,000, an increase of \$31,731,000 over 1961. Our liability and collision insurance premiums came to a sum over two hundred and seventy-five million dollars.

Hale County's contribution to the 1962 Texas traffic cost was 23 killed, 127 injured, and an estimated property damage of \$115,094.

Of the 2,421 traffic victims were stacked in a pile, the dimensions would be about 2 3/5 miles in length, or 3/4 of a mile in width, of 4/10 of a mile in height. The dimensions for the 144,943 injured would be 158 miles in length, or 46 miles in width, or 23 miles in height. The dimensions of the some 400,000 damaged or demolished vehicles would be 1,330 miles in length, or 500 miles in width, or 379 miles in height.

Now for a descriptive look at the three hundred and eighty-seven million dollars cost of the traffic accidents. The playing area of a football field measures 300 feet by 160 feet, or 48,000 square feet. United States currency measures about 2 5/8 inches by 6 1/8 inches. If a football field was completely covered with one dollar bills, then a layer of two dollar bills, then a layer of five dollar bills, then a layer of fifty dollar bills, then a layer of one hundred dollar bills, then a layer of five hundred dollar bills and on top of these eight layers of paper money, dump 2,707 tons of silver dollars, this would represent the economic loss we suffered in Texas for the year 1962.

The three hundred and eighty-seven million dollars would have bought 10,000 homes at \$20,000 each; 10,000 refrigerators at \$400 each; 10,000 cooking ranges at \$350 each; 10,000 TV sets at \$350 each; 10,000 dishwashers at \$300 each; 10,000 automobiles at \$2,000 each; 10,000 central air conditioning units at \$1,400 each and furnish the head of each of the 10,000 households with a bank account of \$12,984.

Anton - Irish Gets Location

Pan American Petroleum Corp. has scheduled a 6,900-foot project, No. 3 J. T. Howell, in the Anton-Irish (Clear Fork) field, near County Line in Southwest Hale County.

It is located 330 feet from south and 1,380 feet from east lines of Section 20, Block DT, EL&RR survey.

MOTHER DIES

Last rites were held last week for the mother of Mrs. Ira Lee Harral of Abernathy. Mrs. Ira Lola Sanders, 72, who died at her home in Lubbock Nov. 26.

Mail NEWS to The Review.

Hale Ag Center Bond Vote Set Dec. 21

The Hale County Commissioners Court Monday called another election Dec. 21 for the issuance of \$390,000 in bonds to finance a county agriculture center.

The court took the action only after receiving the assurance of the group backing the project that a large segment of the county's populace would actively promote the passage of the issue. The group, represented by Clayton Terrell, Elton Wilson and Bertin Tilson, presented the court with petitions bearing 864 signatures asking that the election be called. Another 15 petitions will be turned in later this week.

As called, the election proposition will be identical to one voted on Nov. 9 and defeated by 49 votes. It calls for the issuance of \$390,000 in bonds to finance the purchase of two tracts of land and a huge steel building and the remodeling of the building into an exhibition building for the display of the county's agricultural, horticultural and min-

Coming Events

Dec. 5: Abernathy Lodge No. 809, IOOF, meets at 7:30 p.m. W. D. Morgan, Noble Grand.

Dec. 17: Abernathy Music Club meeting. Program director, Mary McAlister; "Silver Bells," vocal solo, Betty Carrion; Family Night; hostesses, social committee.

Dec. 18: Abernathy third grade students to present Christmas program at 10 a.m. in the school auditorium. Public is invited.

Dec. 20-21: Christmas Holidays for Abernathy Schools will begin at 2:30 p.m. Friday, Dec. 20. Classes will be resumed Monday morning, January 6.

Police Report For November

Fourteen persons were placed in the city jail during November in offenses ranging from drunkenness to forgery. Also, three accidents were reported in this period, making a total of 31 mishaps in the city since January 1, 1963.

Police Chief Bill Wilkinson reported the issuance of 15 tickets three for excessive noise, one improper turn, two failures to grant right-of-way, four no drivers license, and five tickets for speeding.

A total of 716 hours were worked in November, of which 528 hours were for law enforcement, desk duty used 81 hours, and overtime work amounted to 24 hours.

In patrolling the city, the patrol car was driven 5,150 miles.

Mr. and Mrs. Leonard Cox and Byron German of Kidder, Missouri, spent Thanksgiving Holidays in Abernathy with her sister, Mrs. Marvin Struve, and family.

one reason behind its defeat was a poorly worded ballot. He said he was pleased with the wording of the new one, however.

The commissioners court urged the supporters of the project

to fully inform the public of what they would be voting on—the total cost, maintenance estimates and the many uses for which the building can be employed.

(See related story on page 8.)

Methodists Discuss Plans For Improvement At Dinner

A "Kickoff Dinner" for the Stewardship Campaign of the Abernathy First Methodist Church was held Monday night in Fellowship Hall with over 100 persons in attendance, including members of

various committees and their husbands and/or wives. Guest speaker for the occasion was the Rev. Charles Lutrick, pastor of the First Methodist Church, Floydada, and son of Mr. and Mrs. T. E. Lutrick of Rt. 1, Abernathy.

Purpose of the Stewardship Campaign is to finance reconstruction of the old sanctuary and nursery department and the budget of the church for the coming year. The goal has been set at \$73,000 (\$35,000 budget and \$38,000 building fund).

With the signing of pledge cards by those present Monday night, the "scoreboard" jumped from \$3,000 to \$22,647, which is approximately 31% of the set goal.

The campaign will last approximately 12 days, with the first report meeting slated for 9 o'clock tonight (Thursday). The second report meeting will be held Sunday night, December 8, and the final report meeting is set for Sunday night, December 15.

T. TEXAS TYLER

T. Texas Tyler Due Here Dec. 10

T. Texas Tyler, known as "The Man With A Million Friends" one of the foremost country and western artists for many years, will be featured at a service in the Abernathy Assembly of God Church on Dec. 10th, at the hour of 7:30 p.m., according to Rev. Roy F. George, pastor.

He will mark one of the first appearances in this area by T. Texas Tyler, a man who, until recently, spent his time touring throughout the United States and Canada headlining "Grand Ole Opry" shows, appearing with his large bands in ballrooms, clubs, and on TV and other forms of entertainment.

Mr. Tyler will tell in his service his amazing story of how he decided to quit this life to become a preacher of the Gospel. He will also be playing his guitar and singing many Gospel songs.

He was converted in the early part of 1953 and has since devoted his full time to Gospel work. He was catapulted to nationwide fame in 1948 with his smash hit, "Deck of Cards" which he wrote himself. Some of his other big record hits were: "Remember Me," "Bumming Around," "Courtin' in the Rain," and many others.

Mr. Tyler has the distinction of being one of the very few country and western artists to ever appear in concert at New York's famed Carnegie Hall. He has also been under contract to Columbia Studios in Hollywood in the making of Western movies.

In his amazing story to be told in his appearance here he will tell why after twenty-eight years in show business he gave up to offer to utilize his talents exclusively in Gospel work. Many old-time Christians who have heard this man are saying "To be in a Texas Tyler meeting is like turning back the pages of time."

There is truly a touch of revival of yesteryears. A capacity crowd is expected and Pastor George suggests early attendance. The service is open to the public and admission is free.

Another place to shop in Abernathy

Mrs. P. A. Davis and Mrs. H. L. Howard have opened a new gift shop in the front of the former filling station at 5th and Ave. D. They will have a grand opening tomorrow, Friday, Dec. 5th, and there will be coffee and doughnuts and for the children, free balloons.

They have a variety of Christmas items and other seasonal merchandise and are adding more every day. You are invited to come in and get acquainted if you haven't already done so and start your Christmas shopping with them, now.

Mrs. Davis is well known to many of you as they operated the Davis Grocery for several years. Mrs. Howard has been working in Lubbock for considerable time but is also well known here and has many friends.

Joe Stewart Texaco Station For Lease

Joe Stewart Jaquess, operator of Joe Stewart Texaco Station was taken to the Veterans Hospital at Big Spring as announced in last week's Review. Various examinations and X-rays have been made and the doctors announce that he will have to remain in the hospital for some three months and possibly undergo a brain operation.

His wife advises that he has asked her to make arrangements

Born To:

Mr. and Mrs. Pedro Ortiz, a daughter, weighing 7 pounds 7 ounces, Nov. 28.

Army Private and Mrs. Perry L. Golden, Abernathy, a daughter, weighing 7 pounds 4 1/2 ounces, Nov. 28. The father is stationed at Fort Hood.

Abernathy Medical Clinic reports the following births: Mr. and Mrs. Miguel Barrero of Abernathy, a daughter, weighing 11 pounds 6 ounces, Nov. 30.

Mr. and Mrs. Lucia Lopez of Hale Center, a daughter weighing 7 pounds 9 ounces, Nov. 30.

Cotton Vote Set Dec. 10

College Station—The meaning of a "yes" or a "no" vote in the Dec. 10 referendum on cotton marketing quotas has been explained by W. L. David, Chairman, Texas Agricultural Stabilization and Conservation Committee. All farmers who engaged in the production of upland cotton in 1963 are eligible to vote in the referendum.

The Chairman explains the basic program choices as these: First, if at least two-thirds of the growers who vote in the referendum approve of quotas, then the quotas will be in effect for the 1964 upland cotton crop. Also, marketing penalties will apply to any farmer who produce on a farm, and price support at a level within the range of 65 to 80 percent of parity will be available to farmers who comply with their farm acreage allotments, he says.

On the other hand, if more than one-third of the growers who vote oppose the quotas, then there will be no quotas and no penalties applicable to the 1964 upland cotton crop. Then price support to farmers who comply with their farm acreage allotments will be available at 60 percent of parity, as directed by law.

Allotments are not affected by the outcome of the balloting, David says. They will remain in effect, whether or not quotas are approved, as a means of determining eligibility for the available price support.

David pointed out that, while the Secretary of Agriculture is directed by law to proclaim quotas for the next crop when the total cotton supply exceeds normal, it is the growers themselves who decide whether or not quotas shall be used.

Allotments for individual farmers will be made available to growers prior to the December 10 referendum, the Chairman said.

COTTON VOTE POLLING PLACES ARE ANNOUNCED

Farmers are to vote Tuesday, Dec. 10, in a referendum on marketing quotas for the 1964 upland cotton crop. Polling places in this part of Hale County will be at the city hall in Abernathy, County Line Co-op Gins office, Cotton Center Grain Co. office and at Heard Elevator office in Petersburg.

Polls will open at 8 a.m. and close at 6 p.m.

Mr. and Mrs. Dewey Tucker, and children from Levelland, Mr. and Mrs. Carl Tucker and children from Lubbock, Mr. and Mrs. Clyde Tucker and daughter from Lubbock, Mr. Ronnie McGee from Lubbock, spent Thanksgiving with Mrs. Leon Tucker and daughter.

to sell or otherwise dispose of the station. Interested persons may apply at the station for information.

MRS. A. D. HELMS

Firm Has Two New Owners

Mrs. Levi Pettit, who has operated the Abernathy Credit Bureau since 1953 with both real estate and insurance a good part of the time has, because of failing health been forced to dispose of her business.

She wishes to express sincere thanks and gratitude to the many business friends and others who have been instrumental in supporting her business during the past ten years.

She also would like to introduce her successors, whom she feels will be able to take hold and carry on the business in a creditable and efficient manner. She has sold her business to Mrs. A. D. Helms and her sister, Miss Ethel Pierson. Both were raised in this area just ten miles east of Abernathy and are well known and have many friends here and near here.

They took over operation of the office November 27, and will at present handle only the Credit Bureau, pending the securing of license in both insurance and real estate. They invite your friendship and cooperation and will make every effort to conduct the business in a manner promoting the mutual benefit of all concerned.

SCHOOL TO DISMISS EARLY FOR SERIES OF EVALUATION MEETINGS

Abernathy School Superintendent Delwin Webb announced that school will be dismissed at 2:30 p.m. on Dec. 5 for a meeting of the school faculty, which is affiliated with the Southern Association of Secondary Schools and Colleges.

Other meetings scheduled are for January 31 and February 20, at which time school will be dismissed at 2:30 p.m. Other dates will be given later.

This series of meetings is a self evaluation program of the entire school system.

NEW BUSINESS FOR ABERNATHY

Charles Goodnight has leased the building next to Southwestern Public Service office, formerly occupied by H. E. Richter, and will open a business machine service.

He will clean and repair typewriters, adding machines, cash registers, calculators, and will carry a stock of ribbons, adding machine and typewriter tape as well as a number of parts.

He will also take orders for various office supplies. He has had 25 years experience in repairing typewriters, adding machines, etc.

WENT TO FU MEET

Representing Abernathy at the Farmers Union Convention in Lubbock Nov. 22-23, were G. M. Carr, vice president of the Hale County Farmers Union, Furman Shipman, R. A. DuBose, C. W. Snodgrass and Elbert Harp. The remaining events of the convention were canceled immediately following the death of President John F. Kennedy at 1 p.m. Nov. 22.

TEXAS DEPARTMENT OF PUBLIC SAFETY

Congratulations to Members of Abernathy Community 4-H Club

DREUANN McCUNE received the Best First Year Girl Special Award.

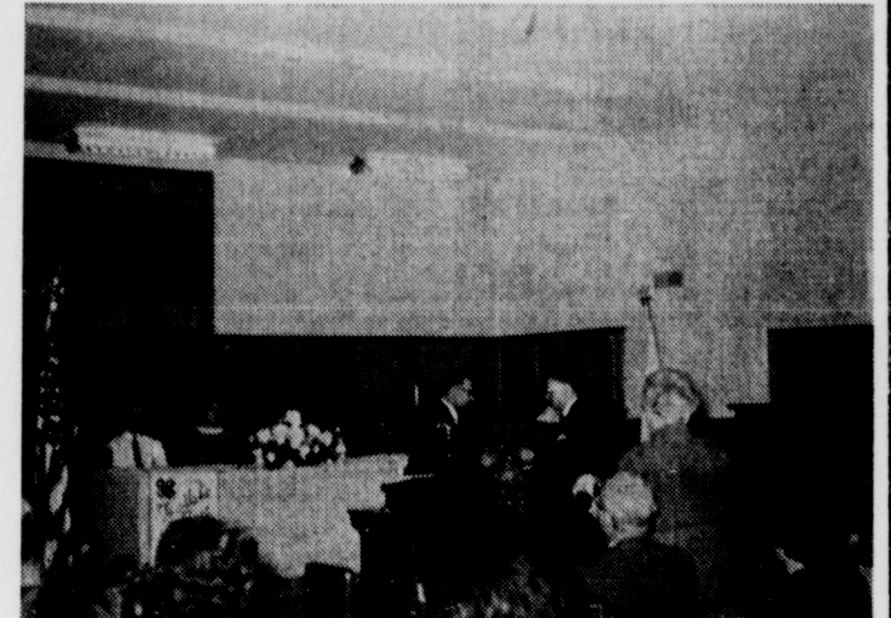

LYNN VAUGHAN received the Best First Year Boy Special Award.

The recognition you received in the recent Hale County 4-H Club Achievement Program makes all of us very proud of you and the fine work you are doing.

(Reprinted here are news stories of Abernathy's participation in the Hale County 4-H Club Achievement program).

CLARK RILEY receiving the Purple Seal for the Abernathy Community 4-H Club. It is the highest award a county can receive.

BOB THOMAS receiving the Citizenship Award. Bob also received the Junior Leadership Award . . . Special Award.

ABERNATHY 4-H CLUB GETS THE PURPLE SEAL

(By Lynn Vaughan)

Clark Riley, boy vice-president of the local 4-H club, accepted the Purple Seal for the Abernathy Community 4-H club. This seal is the highest county award that a club can receive. It was given on a dozen points a club can attain. One of the points was given to us on our record book participation. We had 100% record books turned in to the Plainview office.

Clark accepted a county, district, state and national recognition for our safety group. This certificate was sponsored by the General Motors Corporation.

Hale County got district and state awards sponsored by Westinghouse and Southwestern Public Service.

Joe Thompson of the John Deere Company in Abernathy presented the awards sponsored by the John Deere Company.

Miss Gena Brazel was elected to go as a state sponsor to the 4-H congress held in Chicago. Only two adult people are elected from each state.

Ollie Liner, Hale County agent, received a special award from the

US Government in recognition of his 20 years work with the extension service.

Bill Shannon of Plainview gave each of the 4-H leaders a date calendar for each of their project leaders.

Hale County was cited as the leading agricultural county in the state.

4-H club work is a vital interest to the entire community. Men from various organizations attended and some of these participated in the program. There were bankers, merchants, doctors and a school superintendent presented the citizens award. Pure Oil Co. took part in this program too, and there were others.

We would like for all who are interested in the 4-H community club work to not only attend county activities, but our local 4-H meetings which are held monthly.

PRESENTATION OF ANNUAL COUNTY 4-H ACHIEVEMENT AWARDS

(By Lynn Vaughan)

The Hale County 4-H club held

its annual achievement awards program in the First Baptist Church at Halfway, Nov. 16. More than 250 persons attended with about 8 from Abernathy.

Listed below are the boys and girls from Abernathy who received special awards: Richard Montgomery and Lynn Vaughan received the electrical award sponsored by Westinghouse Educational Foundation; Patsy Lambert and Rickie Covey received the dress revue awards sponsored by Simplicity Pattern Co.

Steve Johnson received the agricultural award sponsored by International Harvester Co. Sharon Amerson, Jana Spruiell and Kathy Pinson received the dairy foods award sponsored by the Carnation Co.

Donna Huffaker and Karen McClendon received the clothing award sponsored by Coates & Clark Co. Steve Barton and Jim Barton received the sheep award sponsored by the Hale County 4-H Club Council. Dreuann McCune received the canning award sponsored by Kerr Glass Co.

Larry Blumenstock received the horse and pony award sponsored by the Hale County 4-H Club Council. Loyd Hancock was given the field crop award sponsored by Allied Chemical Corporation.

Richard Vaughan got the safety award sponsored by General Motors Corporation. Bert Montgomery and Rodney Huffaker received the swine award sponsored by Moorman Manufacturing Co. Larry Blumenstock received the soil evaluation award sponsored by the Hale County 4-H club council.

Donna Huffaker received a cook book as a special award for being high point girl in the Favorite Food Show. This foods and nutrition award is sponsored by General Foods. Bob Thomas received the citizenship award sponsored by Plains Continental Gas Corporation. This is a very special award and is prized highly by those who receive it. Also, Bob received the junior leader award sponsored by Hale County 4-H club council. Jimmy Reeves received the recreation award sponsored by Deere and Co.

Abernathy had 17 adult leaders who received special awards. They are: Fred Blumenstock, six year award; Mrs. R. L. Hall and Avvie Johnson, 5 year awards; Wilbur Lobstein, 4 year award; Mrs. Avvie Johnson, Mrs. Joe Reeves and Mrs. L. G. Montgomery, 3 year awards; Mrs. Donald Huffaker and L. G. Montgomery, 2 year awards; Mrs. Elza Lambert, Mrs. Frank Bartlett, Mrs. Lee

Echols, Mrs. Harold McCune, Mrs. Louis Sinclair, Mrs. W. G. Spruiell, Mrs. Hiram Vaughan and Melvin Rape, all received one year awards.

Ercell Givens was named as outstanding friend and supporter of the 4-H club program and was awarded the silver spur tie clip. There were five of these awards given to outstanding supporters of 4-H club work.

Boys and girls who attended the program are: Lynda Hall, Joy Hall, Sherry Smith, Janna Spruiell, Sharon Amerson, Rickie Covey, Neta Kay Johnson, Steve Barton, J. Mike McGaugh, Richard Vaughan, Donna Huffaker, Karen McClendon, Hershel Smith, Kirby Spruiell, Clark Riley, Lynn Vaughan, Dreuann McCune, Jacqueline Brownlow, Susan Montgomery, Richard Montgomery, Bert Montgomery, Loyd Hancock, Bob Thomas, J. C. Goble, Gary Goble and Mary Goble.

Mrs. Preston Amerson, Mrs. W. A. Covey, Mrs. Mutt McGaugh, Mrs. Jackie Barton, Mrs. Jack Brownlow and W. G. Spruiell attended the program.

The Halfway merchants and their 4-H club leaders served a chuckwagon supper to some 250 persons who attended the presentation program.

Local 4-H Club Members Rate High On Achievement Program

Sharon Baumgardner and Charles Church both of the Halfway 4-H Club were singled out as the top 4-H'ers in the county, recently at the 4-H Achievement Program, held at the First Baptist Church in Halfway. The Gold Star award is the highest county award a 4-H'er can receive.

Five adults who have contributed much to the county 4-H program were honored with the Friend of 4-H Award, the Silver Spur. These adults were Mrs. J. H. Baumgardner, Floyd Terrell, Marvin Churchwell, Judge C. L. Abernathy of Plainview and Ercell Givens of Abernathy.

Some 250 people attended the annual 4-H Achievement Program to recognize the 4-H members, leaders and Friends of 4-H. Rebecca Harkleroad, Chairman of the County 4-H Council, served as mistress of ceremonies. Debbie Terrell and Kerry Groce led the group in repeating the pledge to the American flag and 4-H club pledge. Group singing was led by Ethel Mabry and David True. John McGarr recognized the special guests. Merwyn Igo of Halfway gave the welcome and Ken Porter gave the response for the 4-H'ers.

Special recognition was given to the best first year boy and girl, Lynn Vaughan and Dreann McCune, both of the Abernathy 4-H Club. Ninety-one adult leaders were recognized for their work with the 4-H program, ranging from first year of leadership to seventeen years of continuous leadership with the 4-H club program.

Mrs. Bill Pinkerton and S. M. True, Jr. were recipients of the 4-H Alumni Award given to two outstanding adults who were former 4-H club members but are now

serving as adult leaders.

Gillie Liner, county agent, was recognized for his 20 years of service with the Extension Service. He was presented a 20 year pin and certificate. This award is given to extension personnel by the United States Department of Agriculture.

Other special awards and winners included: Achievement—Sharon Baumgardner, Janet Magee, Larry Karrh, Larry Gallimore.

Agricultural—Charles Church, Steve Johnson, Marvin Meek.

Cotton Vote Set Dec. 10

College Station—The meaning of a "yes" or a "no" vote in the Dec. 10 referendum on cotton marketing quotas has been explained by W. L. David, Chairman, Texas Agricultural Stabilization and Conservation Committee. All farmers who engaged in the production of upland cotton in 1963 are eligible to vote in the referendum.

The Chairman explains the basic program choices as these: First, if at least two-thirds of the growers who vote in the referendum approve of quotas, then the quotas will be in effect for the 1964 upland cotton crop. Also, marketing penalties will apply to any 'excess' cotton produced on a farm, and price support at a level within the range of 65 to 90 percent of parity will be available to farmers who comply with their farm acreage allotments, he says. On the other hand, if more than one-third of the growers who vote oppose the quotas, then there will be no quotas and no penalties applicable to the 1964 upland cotton crop. Then price support to farmers who comply with their farm acreage allotments will be available at 50 percent of parity, as directed by law.

Allotments are not affected by the outcome of the balloting, David says. They will remain in effect, whether or not quotas are approved, as a means of determining eligibility for the available price support.

David pointed out that, while the Secretary of Agriculture is directed by law to proclaim quotas for the next crop when the total cotton supply exceeds normal, it is the growers themselves who decide whether or not quotas shall be used.

Allotments for individual farms will be made available to growers prior to the December 10 referendum, the Chairman said.

AHS Divides Cage Wins With Olton

The Abernathy High School varsity basketball teams split wins with the Olton teams there Tuesday night. The Antelopes of Coach Wayne Preston handed the Olton Mustangs a 69-26 drubbing, while Coach Mitch LeMoine's AHS girls were less fortunate and were defeated, 65-37.
 In the boys' game, the Antelopes led by quarters, 16-3, 30-14 and 51-19. Sammy Hunley led the AHS scoring attack with 18 points, with Boyce Paxton dunking 14. Ronnie Wynne also hit in double figures with 10, John Reagan had 9, Danny West 6, and Jerry Settle, Steve Monk and Lane Wade each contributed 4. Olton was led by Smoot with 11 points.
 The AHS feds held a narrow 14-13 lead at the end of the first quarter in their game, but trailed at halftime, 24-33. The Fillies were still leading after three quarters 48-43.
 Facing the local girls was Miss Donna Webb with 23 points, pushed closely by Miss Denise Barker with 22. Miss Linda Miller added 12 points. Miss Cheryl Hall also saw action but failed to score.
 Guards seeing action were Misses Gwyn Hendrix, Cindy Shadden, JoAnn Lovelace, Janie Pearce, Carla Collins and Pam Davis.
 Leading the Fillies in their winning attack was Miss Gayle Nicholas who burned the nets for 53 whopping points. Sherry Caddel scored 8 points and Susan Norfleet added 2.
 In Tourney At Happy
 The AHS feds will compete in the Happy Invitational Tournament this weekend, Dec. 5-6-7.
 The locals will open play in the tourney at 5 p.m. today (Thursday), meeting the Bovina team. If they win, they will play the winner of the St. Mary-Vega game at 4 p.m. Friday. Finals will be played at 7:30 p.m. Saturday.
 The annual Abernathy High School Invitational Basketball Tournament is slated for next weekend, Thursday, Friday and Saturday, December 12, 13 and 14.

erson, Don Enger and Bill Adams of Tech.
 Mr. and Mrs. D. W. Matthews and sons of Oklahoma City and Mr. and Mrs. Lee Cowart of Pueblo, Colo., visited their mother, Mrs. N. Matthews last week.
 Word was received here of the death of W. W. Whitsett formerly lived in this community.
 Delegates to district conference of the Methodist Church to be held in Ralls Thursday are Lawrence Amerson, R. A. DuBose, Clayton Enger and Mrs. Dwan Bristow.
 Mr. and Mrs. Preston Mitchell and Paul of Albuquerque visited relatives here last weekend.

News Briefs

A. L. Stone, Sr., was taken to Methodist Hospital, Lubbock, and returned home the same day, by Chambers ambulance.
 Mrs. George Ragland has returned home from a Lubbock hospital.
 A son of Mr. and Mrs. Lee Ray Chollett received a severe cut of the tendon just above the heel on one foot when he jumped off the kitchen cabinet and struck a piece of sharp metal. He was carried first to the Abernathy Clinic then to Methodist Hospital on Tuesday of last week.
 Mr. and Mrs. J. D. Webb and daughter, Donna, have moved to their new home on 11th St. at Ave. F.
 A home for School Superintendent and Mrs. Delwin Webb and family is under construction on Second Street. It will be located next door east of the First Baptist Church parsonage.
 The Waydelle Hills of Hurst visited friends here last weekend. Former Abernathy residents and teachers in the local schools, Mr. and Mrs. Hill are on the faculty of the public school at Hurst.
 Mr. and Mrs. W. B. Chapman of Oklahoma City spent the Thanksgiving holidays here with his mother, Mrs. Anna Mae Chapman, and in Levelland with Mrs. W. B. Chapman's parents, Mr. and Mrs. J. T. Alley, Sr.
 Mr. and Mrs. Melvin Johnson and Nita spent Thanksgiving in Memphis, Texas. They visited with Mr. and Mrs. Carl Clayton and their daughter and son-in-law, Mr. and Mrs. Carlton Clayton.

NEW CHEVELLE!

BY CHEVROLET

The kind of go-6 or V8—you'd expect from one of Chevy's great highway performers. Come on down and drive it.

The kind of comfort you'd expect in a large interior. Come on down and sit in it.

The kind of fresh styling—inside and out—that makes it the year's smartest surprise. Come down and stare at it.

New Chevelle Malibu Sport Coupe

Now—Chevy spirit in a new kind of car!

We built this one to do more than just stand around looking beautiful. Held its weight down in the 3,000-pound range. Then built four lusty engines—two sixes and two V8's—with output all the way up to 220 horses*!
 And if that makes you think this is one frisky car, you've got the right idea.
 You've also got a roomy car here. Yet its 115-inch wheelbase keeps it highly maneuverable in traffic and very easy to park.
 With its Full Coil suspension, it's got a ride that reminds you of the Jet-smooth kind the

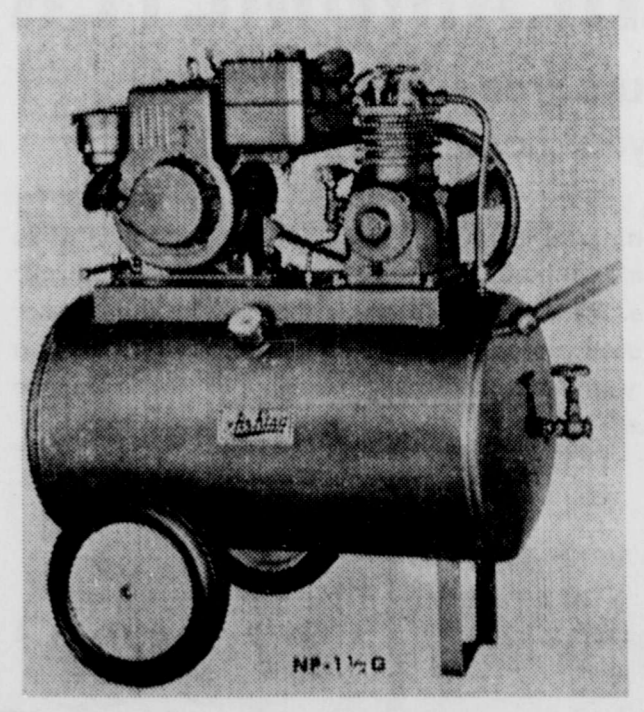

way it muffles noise and cushions bumps.
 And the fine hand of Body by Fisher craftsmen shows up beneath this one's suave good looks, too.
 Sound good? There's more. Like the fact that Chevelle comes in three series with eleven models—convertibles, sport coupes, sedans, wagons, even Super Sport models with front bucket seats. Like the fact that (and see if this isn't one of the nicest surprises of all) the new Chevelle comes at an easy-to-take price!
 Like to hear more? The listening's wonderful at your Chevrolet dealer's—and so's the driving.

See five entirely different kinds of cars at your Chevrolet Showroom—CHEVROLET, CHEVELLE, CHEVY II, CORVAIR & CORVETTE

THE 4-H CLUB SPOTLIGHT IS ON JIM JOHNSON

(By Lynn Vaughan)

Jim Johnson is the 12 year old son of Mr. and Mrs. Auvie Johnson of Route 2, Abernathy.

In the past Jim has had an electric project, he now has safety, public speaking, swine and beef cattle.

To him 4-H means to make the best better. He feels that participation in 4-H will help him get along with others.

Jim is a seventh grade student in the Abernathy Public school. He plays baritone in the Junior High band. He attends the First Methodist Church.

For a pastime he likes to go hunting, fishing and he likes all sports. He likes to put plastic monsters together.

In 1960 at El Paso he placed second, third and sixth with Hampshire barrows. At Amarillo he placed 18th with Duroc and 12th with Hampshire barrows. At Abernathy he placed first and second with Hampshire barrows. At Lubbock he placed fifth with Hampshire barrows and later reserve champion with Hampshire.

At Plainview he placed fifth and at a special show he received champion gilt at Plainview. At Dallas he received 8th, 12th and 18th with Hampshire barrows.

He received the Chris Benn award at Abernathy in 1960.

In 1961 at El Paso he placed third, fifth and won reserve grand champion. At Abernathy he placed first, fifth and eighth and received the showmanship award. In Lubbock he placed second and fifth.

At the State Fair he received second showmanship award and a \$25.00 bond. At Plainview he placed third and fifth and at Dallas he received reserve champion with Hampshire and second and 18th with Poland China.

In 1962 at El Paso he received grand champion and at Abernathy

he received reserve grand champion.

In 1963 at the National Hampshire Conference he received fifth place which was very good. At Fort Worth he placed third, fourth and fifth and at San Antonio he got grand champion over the Junior Division and reserve grand champion over all. He also placed second.

At Lubbock he placed 18th with spot and 9th with a Hampshire. At Plainview he placed first, third and fifth. At Dallas he placed 10th, 13th and 20th. He received swine awards in 1962.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

AUSTIN, TEX.—With a shocked and saddened nation still grieving over the tragic death of its President, Texas' Atty. Gen. Waggoner Carr set in motion a court of inquiry to obtain all facts surrounding the assassination of President Kennedy . . . the shooting of Governor Connally . . . and related crimes.

Herbert Miller, head of the Criminal Division of the U. S. Department of Justice, pledged full cooperation from federal agencies in bringing the complete story to the American people and to the world.

Dallas investigative agencies already had turned their evidence over to the FBI, which is engaged in its own extensive probe.

U. S. congressional inquiries also have been demanded.

"Because of the murder of Lee Harvey Oswald, many facts concerning the assassination of President Kennedy, the attempted assassination of Governor Connally, and the murder of Dallas Police Officer J. D. Tippit will be left unanswered unless some forum is available to fully examine motive and evidence concerning the case," Carr said earlier in announcing plans for the Dallas court of inquiry before a justice of the peace.

Carr maintained that a court of inquiry is the only forum where local, state, and federal investigating officials can place evidence on record in a judicial manner, with witnesses subpoenaed under oath.

A decision by the Texas Supreme Court holds that a wife can be forced to testify against her husband in such a court.

Texas law long has held that a wife's testimony cannot be used against her husband in a criminal trial. But the law laying down the procedure for a court of inquiry says that "any person" may be forced to testify before such a public hearing, and if that person refuses, he can be held in contempt and jailed.

Therefore, the Russian-born wife of accused assassin Lee Oswald can be forced to testify against her husband. But any evidence her testimony may produce may not be used against her husband in a criminal trial. However, in Oswald's case, there will be no trial to follow the inquiry.

It may be that such evidence would be helpful to State attorneys when they prosecute the case against Jack Ruby of Dallas, the man accused of murdering Oswald.

Governor Connally said he hopes all investigations will be directed "toward determining the facts, conditions and circumstances that occurred" and will have as their purpose determining whether the assassination was the work of an individual maniac or a conspiracy . . . and development of plans for future presidential safety. He pledged cooperation with any investigation—local, state or federal.

LITTLE WHITE HOUSE — A rambling, 13-room stone and frame ranch house 65 miles west of Austin has become the nation's Little White House. Home of new President Lyndon B. Johnson, it was built by his grandfather a century ago.

It is doubtful that President Kennedy would have been in the quiet Texas town of Lyndon, Texas, who has urged Congress to immediately pass Kennedy's civil rights and tax bill and who faces staggering responsibilities in the months ahead, will have much time to spend in Texas for a while.

But many of the world's top national and world leaders have come to the quiet banks of the Neches River to confer with Johnson in recent years. No doubt he often will return to the family home he loves so well, not only for rest from the cares of his office, but for the planning of tasks ahead.

It's pretty much assured that a great deal of history will be written at the LBJ Ranch.

MAJOR HIGHWAY PLAN ANNOUNCED—State Highway Commission has approved a tremendous new interstate and defense highway construction program, running into hundreds of millions of dollars . . . \$436,700,000, to be exact. It's called the "largest work program" in Texas Highway Department history.

It authorizes purchase of all remaining right-of-way on the 3,933 miles interstate highway system and paves the way for construction of an additional 1,306 miles of interstate highways which crisscross the state.

Chairman Herbert C. Petry Jr. of Carrizo Springs says the plan assures Texas of continued leadership over all other states in miles of interstate highways and completion of its super-highway goal by the 1972 congressional deadline.

BRANCH OFFICE OPENED—Increasing highway right-of-way condemnation work has forced the Texas attorney general's department to open a third "branch office" in Dallas.

Attorney General Carr already has men assigned to Houston and

News Of Men In The Armed Forces

SAN DIEGO, CALIF. (FHTNC)—Marine Private Larry D. Poage, son of Mr. and Mrs. Earl R. Poage of Abernathy, Texas, and Marine Private Raymond S. Joy, nephew of Mr. and Mrs. E. M. Davis of Abernathy, completed recruit training Oct. 29 at the Marine Corps Recruit Depot, San Diego, Calif.

The training included drill, bayonet training, physical conditioning, parades and ceremonies and other military subjects. Three weeks were spent on the rifle range firing the M-14 rifle and other infantry weapons.

Recruit training prepares Marines for further specialized training in a service school or with a unit of the Fleet Marine Force.

A NUMBER OF RELATIVES VISIT THE LEROY SMITHS OVER THANKSGIVING

The Leroy Smiths entertained the following members of the Smith family Thanksgiving Day in their home at 207 South Ave. E., Abernathy:

Mr. and Mrs. Leon Pope and family of Arlington, Mr. and Mrs. Y. F. Snodgrass and children of Abernathy, Jim Bob Smith and family, Abernathy, a sister, Mrs. Eva Ward of Seagraves, another sister, Mrs. J. W. Dunson and her husband of Seagraves, Mr. and Mrs. T. L. Pope, Arlington, Mr. and Mrs. L. O. Lemons and family, Slaton, Mr. and Mrs. T. J. Eaves and family, Amarillo, Mr. and Mrs. Roy Eaves and family, Whittier, Calif.

A brother of Leroy Smith living at Hurst, Texas was unable to attend.

HOBBY CLUB HAS THANKSGIVING PARTY

The Hobby Club had their annual Thanksgiving party at the clubroom Nov. 26. Games of 84 were enjoyed.

Refreshments of pie and coffee were served to the following: Mr. and Mrs. Will Landers, Mr. and Mrs. G. D. Clapp, Mr. and Mrs. Reed Lacy, Mr. and Mrs. W. L. Mitchell, Mr. and Mrs. Ed Cain, Mr. and Mrs. Melvin Johnson, Mrs. T. O. Brown, Mrs. Gid Adkisson, Sr., Mrs. Bertha Hunt and these visitors: Mr. and Mrs. H. Myatt, Mr. and Mrs. T. A. Brewster, Mrs. L. W. Lambert, Mrs. Audrey Apperson and Mr. and Mrs. Ed Heath.

Wedding Rites Read In Lubbock

For Memorial Chapel, Lubbock First Baptist Church, was the setting for the 7:30 p.m. Saturday wedding of Miss Rebekah Ann Hager, daughter of Mr. and Mrs. L. J. Hager of Abernathy, and Michael Frank Poindexter, son of Mr. and Mrs. Frank O. Poindexter, 3607 37th St., Lubbock.

The Rev. J. H. Skiles, grandfather of the bride, read a double ring ceremony.

As the bride descended the aisle with her father, she wore a floor length gown of Chantilly rose point lace and peau de soie. The scoop neckline was accented with appliques of lace studded with seed pearls. He fitted bodice was styled with long, petal point sleeves. The bouffant skirt featured a scalloped chapel train highlighted with appliques of lace and an inset of rose point lace. Her elbow length veil of imported French illusion fell from a headpiece of peau de soie rosettes with a forehead spray of pearls. She carried white phalaenopsis orchids and Frenched mums.

Mrs. Sam Satterfield of Shreveport, La., sister of the bride, was matron of honor. Other attendants were Miss Karen Kelly of Abernathy, Mrs. Gerald Floyd and Miss Bonnie Baker of Hartley.

Attendants wore gold satin dresses styled with fitted bodices, elbow length sleeves and V-necklines. Bows highlighted their skirts which were designed of unpressed side and back pleats. Their bouquets were nosegays of gold and bronze mums.

Fatti Hager of Wichita Falls,

cousin of the bride, and Billy DeLoach were candlelighters and Brenda Duncan, cousin of the bridegroom, was flower girl. Blake Satterfield of Shreveport, nephew of the bride, was ring bearer.

Casey Poindexter, brother of the bridegroom, was best man. Groomsmen were Lawson Hager of Abernathy, brother of the bride, Hugh Lynn Lewis and Steve Stephenson. Ushers were Bob Plunkett, Kenneth Marshall, Noel Roberson and Jackie McCarty.

Wedding music was provided by Miss Fran Seatherston, organist, and Mrs. Jerry Gist, soloist.

A reception in the church parlor followed the ceremony.

For travel to New Mexico, the bride wore a gold double knit suit with black accessories. They will reside in Lubbock.

The bride is a graduate of Abernathy High School and attended Midwestern University and Methodist Hospital School of Nursing. She is employed at Methodist Hospital, Lubbock. Her husband is a graduate of Monterey High School, Lubbock, and is a senior student at Texas Tech. He is employed by Shop Rite Foods in Lubbock.

THANK YOU

I wish to thank everyone who was so kind and thoughtful while I was in the hospital and especially for the good will offering. I shall always be grateful for our home town people.

Mrs. J. M. Gardner.

Mrs. M. H. Rankin spent Thanksgiving with her daughter, Mrs. Joe Richardson, and family in Levelland.

Spot Cotton Prices Given

The cotton trade and the United States Department of Agriculture have worked together for many years to make available to all segments of the cotton industry, accurate prices of quotations for trading in spot cotton, according to W. K. Palmer, chairman of the Lubbock Cotton Classing Office. The Spot Cotton Quotations Report was first issued on August 16, 1915. This is the oldest daily national market report currently being published by the U. S. Department of Agriculture's Agricultural Marketing Service.

The purpose of spot cotton quotations is to provide accurate price information to encourage efficient production, effective marketing and economic utilization of cotton. Official spot cotton quotations must be current and accurate if they are to serve as reliable guides to current values of cotton in a market.

Fifteen bona fide spot cotton markets have been designed across the cotton belt from South Carolina to California, to quote the price of cotton.

Lubbock is one of these spot markets. The Lubbock Cotton Exchange appoints six of its members each year to serve as a spot cotton quotations committee. This committee cooperates with the Agricultural Marketing Service's Cotton Classing Office in Lubbock in obtaining and quoting accurate spot cotton prices.

The quotations are based on the price or value of Middling 1-inch and the differences between the price or value of Middling 1-inch and other grades and staple

Club Members Study Show Stock Grooming

Hale County 4-H Club members feeding steers for the spring shows, held a fitting and showing demonstration Saturday, November 23, 1963 at the Dairy Barn in Plainview.

These 4-H'ers learned and reviewed all of the practices necessary to get a calf ready to show, stated Bobby Lemons, Assistant

County Agent. After working a couple of hours, these 4-H club members paraded their steers before the judge practicing showmanship.

4-H'ers bringing steers were: Clark and Leigh Riley of Abernathy; Wayne Dendy, Billy and Ken Wiese of Petersburg; Marvin Meek, Debra and Terry Terrell, Ted and Paul Wilson, Larry Garrison and David True, all of Plainview. 4-H'ers that did not bring steers but that watched were: Tom Morrison of Hale Center; Chris and Randy Vaughn, Anthony Givens and Larry Karrh of Plainview.

These 4-H'ers were assisted and coached by Alton Dendy, beef leader of Petersburg; Floyd Terrell, organization leader of Plainview; Harley Meek, local leader of Plainview; Don Jones of the First National Bank; Mack Shurber of Hale County State Bank;

lengths of cotton. Quotations are based upon the Official Cotton Standards of the United States. After the spot cotton quotations are determined and published, what use is made of them? Originally the quotations were used in the settlement of future contracts. Now they are guides of current trading values and are used by merchants in buying and selling, mills in determining approximate cost of raw cotton, bankers in providing financing services and insurance companies and other agencies in establishing rates and settling damage claims.

Spot cotton quotations are used by the USDA Commodity Credit Corporation to establish premiums and discounts for the government Price Support Programs, to determine the market price for cotton in Surplus disposal programs and for settlement differences for sales of government stocks.

Producers can use spot cotton quotations as a guide to determine the current market value of cotton. They will enable the producer to more efficiently market his cotton.

Dave Weaver, Associate County Agricultural Agent and Ollie Linder, County Agent.

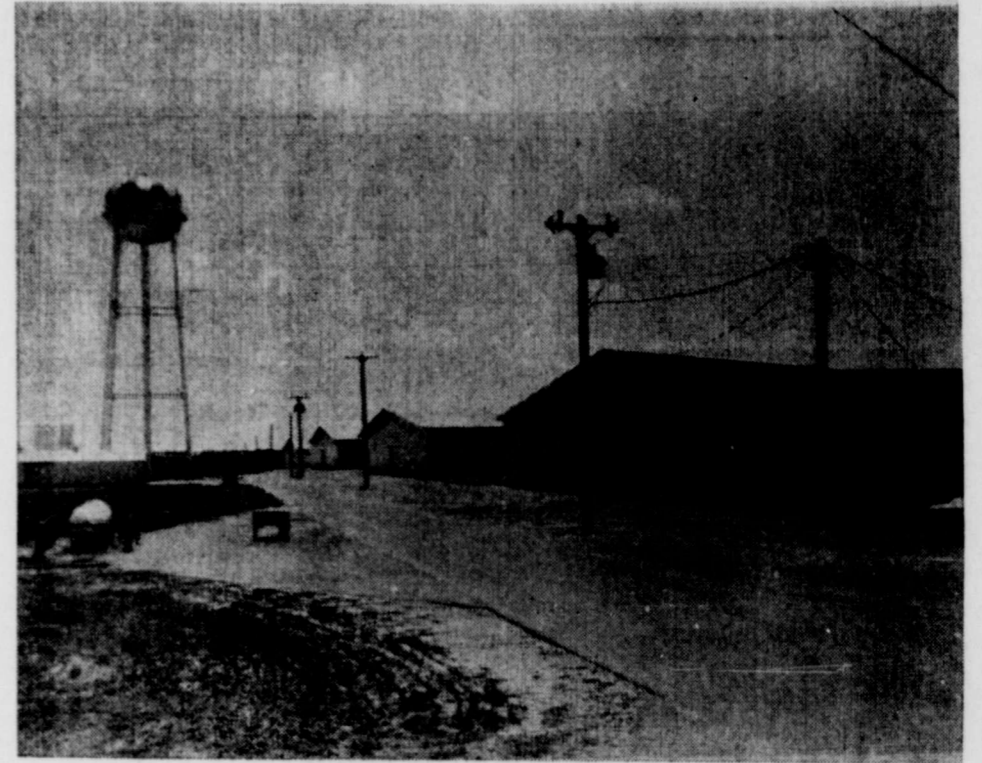

Other adults assisting these 4-H'ers were Ray Wiese of Petersburg; Bill Riley of Abernathy; S. M. True, Jr., E. M. Harris, Tom Karrh and Elton Wilson, all of Plainview.

Babies is often found in wild animals such as skunks and in domestic ones like dogs and cats. The disease, a virus infection spread in the saliva of infected animals, can be guarded against by vaccinating pets.

Corn silage harvested after a killing frost will not harm cattle but frost-bitten sorghum silage can cause trouble and should not be used.

Research scientists with the U. S. Department of Agriculture have developed a new way to process jelled applesauce. The sauce holds its firmness at temperatures up to 120 degrees Fahrenheit, and can be served on the same plate with other foods, even warm foods, without spreading. Molded desserts or attractive salads can be made by heating the jelled applesauce to liquefy it and pouring it into a mold dish over pieces of fruits, berries, vegetables, nuts, raisins or meat.

Corn silage harvested after a killing frost will not harm cattle but frost-bitten sorghum silage can cause trouble and should not be used.

**Miss Anderson,
Gary Skipper
Marry Here**

Double ring wedding vows were read for Miss Edwina Anderson and Gary Skipper of Abernathy at 7 p.m. Friday in the home of Mr. and Mrs. Ralph Davis, The Rev. Boyce Evans, pastor of First Baptist Church, officiated.

Parents of the couple are Mr. and Mrs. M. E. Anderson and Mr. and Mrs. D. D. Skipper.

The bride, as she was given in marriage by her father, wore a floor-length gown fashioned from bridal satin. The bell-shaped skirt with released dart pleats joined a fitted bodice with a contour waist line. The bodice featured a scoop neckline with above elbow length sleeves. A double crown of re-embroidered lace with pearls and crystals held a two-tiered chapel-length veil of nylon tulle. A bouquet of red roses and English ivy was carried atop a white satin Bible.

Maid of honor was Miss Judy Atkins of Wichita Falls. She wore

a street-length dress of cherry red peau de soie. Her headpiece was a matching circlet surrounded by a veil of illusion. She wore a corsage of white feathered carnations.

Best man was Charlie Stallings. Ushers were Truett Skipper, brother of the bridegroom, and Ronnie Anderson, brother of the bride.

Wedding music was furnished by Mrs. W. C. Clement Jr., pian-

ist, and Miss Peggy Davis, soloist.

A reception in the Davis home followed the ceremony.

For the wedding trip, the bride chose a royal blue wool suit accented by black accessories and a corsage of white feathered carnations.

The bride is a graduate of Abernathy High School and attended Wayland Baptist College and

**64 - 65 Texas
Almanac Ready**

Many new features in the 1964-1965 Texas Almanac, just published by the Dallas Morning News, have been added to material that has made this 106-year-old publication the "Encyclopedia of Texas."

Texas' increasing urbanization containing photographs and comments is emphasized in special comparative statistics for 21 metropolitan areas, including the cities of Abilene, Amarillo, Austin, Beaumont, Port Arthur, Corpus Christi, Brownsville, Harlingen, San Benito, Dallas, El Paso, Fort Worth, Galveston, Texas City, Houston, Laredo, Lubbock, Midland, Odessa, San Angelo, San Antonio, Texas, San Angelo, San Antonio, Texas, San Angelo, San Antonio, Texas, San Angelo, San Antonio, Texas.

Maps of 154 counties and data on all counties and cities of Texas have been brought up-to-date, including population and other figures from the 1960 U. S. Census. New features are a County Economic Index, and maps showing leading Texas counties in production of crops and livestock.

Texas who like to brag will find ample ammunition in two pages showing the rank of Texas among states, and in proportion of the United States total, in leading categories.

Other data appearing for the first time include carlot shipments of fruits and vegetables and ad-

ded information on export-import trade.

Texas landmarks are listed by counties in a special section, revised through information obtained from authorities on county histories.

All Governors of Texas and Presidents of the Republic of Texas are pictured in the historical section.

Agricultural information has been completely revised, with the help of authorities of Texas A&M, the U. S. Department of Agriculture and others. For this and other sections, several thousand Texans have supplied information and photographs, according to Walter B. Moore, editor.

Election returns, the text of the Constitution of Texas with amendments adopted through 1962, a list of wet and dry counties, maps of Texas Senatorial, Representative and Congressional Districts, lists of state, county and municipal officials, and other information are found in the discussion of politics and elections.

Water, soils, plant life, weather, wild life, minerals, employment and labor, manufacturing, service industries, and hundreds of other topics are summarized in the 688 pages.

A widely-used section is the list of more than 500 state-wide civic organizations, with their chief executives and home addresses.

A comprehensive index increases the usefulness of the Texas Almanac's data for schools, businessmen, public officials, writers and speakers, and others. While it is primarily a reference publication, more than 400 illustrations, including a 4-color photograph of the Alamo on the cover, are expected to make the publication popular as a gift item for individuals and business firms.

Mail NEWS to The Review.

**High School
Students Set
Wayland Visit**

Plainview (Spl.)—Several hundred high school students are expected for College Preview Day at Wayland Baptist College on Dec. 7, says Dr. W. Neil Record, chairman.

This is the annual day on which high school juniors and seniors get a taste of campus life with Wayland students and faculty acting as hosts. The day's program begins at 8:30 with registration and campus tours and continues until 3:45 p.m., with Student Government Association providing the closing Fun and Fellowship hour in the Student Lounge. Miss JoAnn Backus, Wichita Falls, is in charge of this phase.

During the day the high school guests from Texas, New Mexico, Colorado and Oklahoma will see a production of the Chinese classical drama, "The Lute Song," and hear student musicians in a concert. Career conferences for the visitors with department heads will be held before the 12:30 luncheon in Slaughter Memorial Center.

Musicians desiring to audition for places with the traveling music groups, International Choir and

**Junior Study
Club Meeting**

Ten members and one guest of the Junior Study club met Nov. 26 in the home of Mrs. Hugh Pettit.

Mrs. Arno Struve, guest, gave an interesting program on her travels in Europe the past summer and showed some beautiful pictures.

Those present were Mmes. Gid Adkisson, Jr., Vernon Pettit, R. K. McAlister, Buford Davenport, Carl Phillips, Lindell Myatt, R. J. Jones, Lewis Lutrick, Harold McCune, Arno Struve and the hostess.

The social committee will notify members of the place and date for the club Christmas party.

A. C. Nystel was in Hereford recently on business.

Treble Bass, and for scholarships in all phases of music will be given an opportunity, according to Dr. J. O. DeLage, head of the department of fine arts.

No limit is set on the number of high school students who may come from a school or a church, according to Dr. Record.

**Why Is The Printed
Word So Important
In Advertising?**

- It's Clear
- It's Permanent
- It's Believable

The Newspaper is the GREATEST ADVERTISING MEDIUM for many reasons. One of them is that it carries the power of the printed word. People believe in a message that is permanent; one that is written. They understand it better. Also the newspaper, because of its permanence, lets the reader choose his own time for absorbing the message. And once put down it can always be picked up again. The message that lives is the one that is written in the newspaper.

**Present your message in printed type

**Miss Anderson,
Gary Skipper
Marry Here**

Double ring wedding vows were read for Miss Edwina Anderson and Gary Skipper of Abernathy at 7 p.m. Friday in the home of Mr. and Mrs. Ralph Davis. The Rev. Boyce Evans, pastor of First Baptist Church, officiated.

Parents of the couple are Mr. and Mrs. M. E. Anderson and Mr. and Mrs. D. D. Skipper.

The bride, as she was given in marriage by her father, wore a floor-length gown fashioned from bridal satin. The bell-shaped skirt with released dart pleats joined a fitted bodice with a contour waist line. The bodice featured a scoop neckline with above elbow length sleeves. A double crown of re-embroidered lace with pearls and crystals held a two-tiered chapel-length veil of nylon tulle. A bouquet of red roses and English ivy was carried atop a white satin Bible.

Maid of honor was Miss Judy Atkins of Wichita Falls. She wore

a street-length dress of cherry red peau de sole. Her headpiece was a matching circlet surrounded by a veil of illusion. She wore a corsage of white feathered carnations.

Best man was Charlie Stallings. Ushers were Truett Skipper, brother of the bridegroom, and Ronnie Anderson, brother of the bride.

Wedding music was furnished by Mrs. W. C. Clement Jr., pianist, and Miss Peggy Davis, soloist.

A reception in the Davis home followed the ceremony.

For the wedding trip, the bride chose a royal blue wool suit accented by black accessories and a corsage of white feathered carnations.

The bride is a graduate of Abernathy High School and attended Wayland Baptist College and

**64 - 65 Texas
Almanac Ready**

Many new features in the 1964-1965 Texas Almanac, just published by the Dallas Morning News, have been added to material that has made this 106-year-old publication the "Encyclopedia of Texas."

Texas' increasing urbanization containing photographs and comments emphasized in special pages parative statistics for 21 metropolitan areas, including the cities of Abilene, Amarillo, Austin, Beaumont, Port Arthur, Corpus Christi, Brownsville, Harlingen, San Benito, Dallas, El Paso, Fort Worth, Galveston, Texas City, Houston, Laredo, Lubbock, Midland, Odessa, San Angelo, San Antonio, Texas, Arkansas, Tyler, Waco and Wichita Falls.

Maps of 154 counties and data on all counties and cities of Texas have been brought up-to-date, including population and other figures from the 1960 U. S. Census. New features are a County Economic Index, and maps showing leading Texas counties in production of crops and livestock.

Texans who like to brag will find ample ammunition in two pages showing the rank of Texas among states, and in proportion of the United States total, in leading categories.

Other data appearing for the first time include carlot shipments of fruits and vegetables and ad-

ded information on export-import trade.

Texas landmarks are listed by counties in a special section, revised through information obtained from authorities on county histories.

All Governors of Texas and Presidents of the Republic of Texas are pictured in the historical section.

Agricultural information has been completely revised, with the help of authorities of Texas A&M, the U. S. Department of Agriculture and others. For this and other sections, several thousand Texans have supplied information and photographs, according to Walter B. Moore, editor.

Election returns, the text of the Constitution of Texas with amendments adopted through 1962, a list of wet and dry counties, maps of Texas Senatorial, Representative and Congressional Districts, lists of state, county and municipal officials, and other information are found in the discussion of politics and elections.

Water, soils, plant life, weather, wild life, minerals, employment and labor, manufacturing, service industries, and hundreds of other topics are summarized in the 688 pages.

A widely-used section is the list of more than 500 state-wide civic organizations, with their chief executives and home addresses.

A comprehensive index increases the usefulness of the Texas Almanac's data for schools, businessmen, public officials, writers and speakers, and others. While it is primarily a reference publication, more than 400 illustrations, including a 4-color photograph of the Alamo on the cover, are expected to make the publication popular as a gift item for individuals and business firms.

**High School
Students Set
Wayland Visit**

Plainview (Spl.)—Several hundred high school students are expected for College Preview Day at Wayland Baptist College on Dec. 7, says Dr. W. Neil Record, chairman.

This is the annual day on which high school juniors and seniors get a taste of campus life with Wayland students and faculty acting as hosts. The day's program begins at 8:30 with registration and campus tours and continues until 3:45 p.m., with Student Government Association providing the closing Fun and Fellowship hour in the Student Lounge. Miss Jo Ann Backus, Wichita Falls, is in charge of this phase.

During the day the high school guests from Texas, New Mexico, Colorado and Oklahoma will see a production of the Chinese classical drama, "The Lute Song," and hear student musicians in a concert. Career conferences for the visitors with department heads will be held before the 12:30 luncheon in Slaughter Memorial Center.

Musicians desiring to audition for places with the traveling music groups, International Choir and

**Junior Study
Club Meeting**

Ten members and one guest of the Junior Study club met Nov. 26 in the home of Mrs. Hugh Pettit.

Mrs. Arno Struve, guest, gave an interesting program on her travels in Europe the past summer and showed some beautiful pictures.

Those present were Meses. Gid Adkisson, Jr., Vernon Pettit, R. S. McAllister, Buford Davenport, Carl Phillips, Lindell Myatt, R. J. Jones, Lewis Lutrick, Harold McCune, Arno Struve and the hostess.

The social committee will notify members of the place and date for the club Christmas party.

A. C. Nystel was in Hereford recently on business.

Treble Tones, and for scholarships in all phases of music will be given an opportunity, according to Dr. J. O. DeLage, head of the department of fine arts.

No limit is set on the number of high school students who may come from a school or a church, according to Dr. Record.

**Why Is The Printed
Word So Important
In Advertising?**

- It's Clear
- It's Permanent
- It's Believable

The Newspaper is the GREATEST ADVERTISING MEDIUM for many reasons. One of them is that it carries the power of the printed word. People believe in a message that is permanent; one that is written. They understand it better. Also the newspaper, because of its permanence, lets the reader choose his own time for absorbing the message. And once put down it can always be picked up again. The message that lives is the one that is written in the newspaper.

Present your message in printed type

Fantastic Lights Make First Showing in Lubbock At The Town And Country Shopping Center

Thousands are expected to gather Thursday, December 5, at Town and Country Shopping Center, 4th and College, where Mayor Jack Strong will officially flip the switch to turn on the lights of the "Christmas City." Town and Country Shopping Center has brought to Lubbock the lights that were previously used on the National Christmas Tree at the White House. These lights, illuminating a 40 foot Christmas tree, are electronically equipped so that patterns of sound are transposed in every color of the rainbow. Providing the sound for this beautiful tree will be various choirs from throughout the Lubbock area.

Time Of Event

The ceremony will take place in the Shopping Center's parking area at 6:00 p. m. Thursday, December 5.

Choirs To Sing

Each night various choirs of the Lubbock area will sing to the fantastic tree, watching the lights dance to the music. Starting the nightly events will be the Sigma Kappa sorority choir of Texas Tech. The tree lights will brighten and dim and change in color as the voices of those taking part in the program—the carolers, the speakers, and the spectators, who will be interviewed by Santa Claus, affect them through the medium of sensitive radio impulses.

Special Tree

The 40 foot tree was cut especially for Town and Country Shopping Center to display these amazing Colorama Christmas lights.

Music and choral selections are received into the electronic console, which is about the size of a table model radio. The musical notes and loudness of the music dictate to the console the impulses which are to be sent to the lights on the tree. As the impulses reach the lights, they change in color and degree of brightness.

The three basic colors, red, blue, and green, blend to pastel shades when soft tones are injected and to more brilliant shades with higher notes or shrill sounds.

Spoken words also affect a change in color in the lights, which are contained in 180 six - inch dome - shaped milky white globes.

During the holidays, Santa Claus will stroll through the crowds of people, conducting interviews with people who will see their voices reflected in the color of the lights on the tree.

A New York company which originally developed the system to provide a way for deaf people to enjoy music by seeing, rather than hearing, their voices.

If any organized choirs would like to participate in the Christmas carols around the tree each evening, their director should contact B. A. Barasch, PO 2-4600, Lubbock.

Petitions Asking Third Vote On Hale Ag Center Are Filed

County Judge C. L. Abernethy called a special meeting of the county commissioners court Monday to receive petitions asking a new election for a county agriculture center.

The judge met last week with proponents of the center, Elton Wilson, Jack Payne and Berwin Tilson, and announced after the meeting that the court would receive the petitions Monday.

Tilson, who spearheaded the previous drive which was defeated last month by 49 votes, said this morning that the response to the petitions has been "phenomenal." He said that 30 petitions printed first, 15 more have been added and backers of the project are asking for more.

Tilson appeared before the commissioners three weeks ago and asked what it would take to call another election on the proposal. The commissioners indicated a groundswell of public opinion for the proposal would be necessary to persuade them to call another vote.

If called, the election is expected to be for the same proposition as the previous one—for the issuance of \$390,000 in bonds to finance the purchase of 18 acres and a 146 by 512 steel building on the south edge of Plainview. (See related story on page 1.)

Principal item on the abbreviated agenda was the reception of citations by the members of the court in regard to a lawsuit filed by G. T. Corry of Littlefield.

Corry is the owner of some 4 1/2 acres of land condemned in 1962 to make way for a farm-to-market road west of Cotton Center to North Spade.

According to Judge Abernethy, a special commission approved payment of \$400 per acre to Corry in the condemnation proceedings. Corry is asking \$5,000 damages which he contends in the citations is rent he would have received in a year from the land.

The county has retained Frank Gaston to represent it in the matter.

The commissioners called for bids for a new unit tax writing machine to replace a machine in the tax assessor-collector's office. The bids will be opened at the meeting on Dec. 9.

Other items on the agenda included the execution of right-of-way easements to the state on two small tracts of land owned by the county in the Plainview city limits payment of monthly bills.

Hi-Plains Hi-Lights

NEWS from the High Plains
Research Foundation

RESEARCH FOUNDATION PRESSES STUDY OF MIDGE

Delbert Langford, Agronomist for the High Plains Research Foundation at Halfway, Texas, reports that a long-term research study of the over-wintering habits of midge has been set into motion at the Foundation. On November 16, 1963, Delbert made selections of heads of grain sorghum that contained larvae and pupa of midge. Some of the heads will be put into cold storage at temperatures ranging from above freezing to below freezing, as well as field conditions.

The purpose of the study is to find at what stage or stages midge can over-winter under field and experimental conditions. Delbert said that this study will help to determine the time of hatching after over-wintering occurs, and thus will be able to get an idea of the size of the population of midge for the next year.

Langford reports that this project will give information as to how long midge can live and at what temperatures the insect will survive or die. This will give research information for further studies of control measures. From this, predictions can also be made as to how far north the midge can live as well as midge movement in other areas. This report will aid in the prediction of the possible seriousness of the midge problem for the next growing season.

Dr. Earl H. Collister, Director of the High Plains Research Foundation, said, "The research on midge is something that the area must have now. If some control measures are not found soon that can successfully eradicate this insect (midge), the economy of the entire state of Texas will be seriously affected. We believe that Delbert's study will aid and speed the control of this threat."
