Miss Bilbrey Is Totem Runner-up

Elaine Bilbrey

ABILENE — Miss Elaine Bilbrey, a senior student at McMurry College, has been chosen runner-up for McMurry Totem Beauty. Nominations for Totem Beauties are made by petitions signed by ten bonafide members of the Student Association. The Totem Beauties are the eight most beautiful women on the McMurry College campus.

Miss Bilbrey, the daughter of Mr. and Mrs. A. E. Bilbrey, is an Elementary Education major and a music minor. She is in Theta Chi Lambda, the band, and Student Education Association.

Miss Bilbrey is a 1963 graduate of Abernathy High School. In high school, she was in the National Honor Society, Future Homemakers of America, Student Council, the band, and on the girls basketball team.

YH Meeting Set Thursday Night

FORT SILL, OKLA., (AHTNC) —Pvt. David M. Guess, son of Mr. and Mrs. Frank A. Guess, 720 Seventh, Idalou, Tex., completed advanced artillery training at the Army Artillery and Missile Center, Fort Sill, Okla., Jan. 6.

Guess was trained to serve as a crewman in field artillery gun or howitzer units.

Training as a cannoneer includes maintenance of weapons used in field artillery. Instruction is also given in ammunition handling, storage and loading of artillery guns, howitzers and heavy machineguns and communications.

Guess also learned tactical employment of self-propelled field artillery combat vehicles and techniques of driving wheeled vehicles used to transport weapons, personnel and supplies.

He entered Army last August and completed basic training at Fort Polk, La.

The 20-year-old soldier is a 1963 graduate of Idalou High School.

Anytime: Go by the Abernathy City Hall or The Abernathy Weekly Review office and examine the City of Abernathy Audit Report for the period Oct. 1, 1964, to Sept. 30, 1965. The report, covering 15 pages, is open for public inspection.

Boys and Girls Split Opener With Friona; Dimmitt Here Friday

(By Mike Skipper)

The Abernathy Antelopes emerged victorious in an important, tense game staged in Friona Friday, January 14. The contest was the first of the District 3-AA schedule for both squads and was built up as one of the most important of the 3-AA race. The girls' varsity team fell to the Friona squad in the early game.

For the first time in over a month, the Antelope squads will meet a foe on their home court Friday, January 21. The Dimmitt Bobcats will invade the AHS gymnasium with fire in their eyes and desire for a victory. Both the girls and boys will need your support in these all-important district contests. The girls' game, starting at 7:00 p.m. promises to be a thriller and Dimmitt sports one of the finest boys' squads in this region.

Girls Fall 68-55

After a frigid first half Friday night, Coach Mitch LeMoin's varsity cagers went to work and pulled within 13 points of the Friona girls' squad. The score stood 21-4 at the end of the first quarter before the Davis twins, Mary and Margaret started to hit. Mary took game scoring honors with 34 of the 55-point total.

Boys Win by Two

The boys' varsity squad took a 57-55 squeaker to avenge a close defeat to the Friona cagers last year on the AHS court. Rallying behind the shooting of Mike Tannehill and Rex Hester, the Antelopes took the lead in the second quarter and held on until the fourth before Friona tied it up 53-53. Friona held a 19-13 first quarter lead, but the Lopes pulled away and it was 31-26 at half. The third stanza closed with the Antelopes ahead 48-42, but cold shooting allowed the Chieftains to make up the 6-point difference.

Tannehill sunk ten free throws and two field goals to lead AHS scorers with 14 points. Hester had six field goals for 12 points while Tommy Hunley sank four field goals and three from the line to tally 11 points. Rondall Preston added ten points from the field to boost the score. Pat Hale had seven and Jim Barton had three to complete the scoring.

Gene Weatherly and Travis Graves of Friona combined to score 42 of Friona's 55 points.

the dump grounds. He is paid partially by the county.

Commissioners increased the county's portion of his salary from \$100 to \$125 per month.

Airport, Raises Talked At Meet Of Com. Court

Discussion of clear-zone rights for Plainview - Hale County Airport again led the agenda in a County Commissioners Court meeting, following a lengthy debate on the subject at a previous session.

The city and county recently received a matching - grant agreement from the Federal Aviation Agency in the amount of \$57,750. This, if accepted, is to be used to purchase air rights over property abutting the ends of the airport runway.

Under the proposed agreement, the FAA would pay half the amount to purchase easements over the 42.88 acres where clear-zone rights are required; the city and county would pay the remaining cost.

Estimates set by a hired appraiser show the value of the easements to be worth considerably less than the \$115,500 amount of the agreement. Plainview Mayor M. B. Hood said the application for grant was made high deliberately, since it would be easier not to use some than to get more if it were needed.

City Approved

The City Council approved the agreement at its last meeting; County Commissioners have hesitated, however, indicating a belief that the appraisals are still high.

When the airport control tower was built, the city and county entered a contract with the FAA calling for the clear - zones, County Judge C. L. Abernathy explained. "We've been putting it off three or four years," he added.

Precinct One Commissioner Marvin Churchwell said he did not see the need for the rush in getting the easements. "The FAA is spending tax money just like we are," he said. "I can't see anything hazardous about putting it off."

Abernathy asked the commissioners if they anticipated action before the Jan. 25 deadline for accepting the agreement. They said they would consider the matter further and decide at a special called meeting before the deadline.

Th county would have to pay for its part by issuing time warrants, Abernathy said. Some county warrants issued for airport improvements last summer are still outstanding.

Hood said the city had the money for clear-zone included in its present budget.

Jan Stanley, Director of Hale County Child Welfare Unit, gave Commissioners a quarterly financial report, wrapping up the 1965 year.

The report showed total expenditures of \$22,839.51 for the year, leaving a balance of \$2,517.83.

Commissioners, after some discussion, approved a request by Sheriff Troy Porterfield to provide \$10 per month clothing allowance for deputies.

"From all practical viewpoints it's just a matter of a \$10 raise," Abernathy said.

There are nine sheriff department employees involved, Porterfield said. Abernathy asked if the deputies in outlying towns should be included.

"I kind of think of them as city policemen," Porterfield said. "They do a little for us, but not a lot. Of course, they have the deputies' commission."

Approved Raise Abernathy suggested not including the sheriff department secretary, since the idea was for a clothing allowance to cover clothing that might receive unusual wear.

Porterfield said the secretary sometimes had to serve as a matron with women prisoners, and should be included; the Court agreed.

Wright Heads IOOF Lodge

Kenneth Wright was installed as Noble Grand of Abernathy Lodge No. 809, IOOF, during installation ceremonies held Thursday night at the Lodge Hall. He follows Virgil Brantley as head of the Lodge.

Wright and other officers of the Lodge were installed by District Deputy Grand Master J. E. Roberson and staff from the Plainview IOOF Lodge.

Other officers of the Abernathy Lodge installed Thursday night were Gene Hale, vice grand; Bryan Phillips, secretary; Finus Hill, treasurer; Bobby Lewis, R. S. N. G.; Ed Lauderdale, L. S. N. G.; Alvin Leach, warden; W. A. Story, conductor; Edgar Heath, chaplain; H. T. Peters, RSS; Owen Benn, LSS; Joe Hale, inside guardian;

Waymond Morgan, outside guardian; Hilburn Barrick, LSVG; Ray Higginbotham, RSVG; Virgil Brantley, acting Past Grand.

School Census Is Under Way Here; Cooperation Asked

The annual school census is under way this month in Abernathy. New Deal and surrounding school districts, it is to the school districts' advantage, financially, in receiving money from the state, to get every eligible child listed in the school census, BY JAN. 31, 1966.

School districts have little trouble in getting eligible children, who currently are students, on the census rolls. Children sometimes missed in the census are those who will be six years old by Sept. 1, especially those who do not have brothers or sisters now attending school.

Jerry Moorhead, Abernathy Elementary School principal, urges all parents who have children who will be six years old by Sept. 1, 1966, to make certain that their child is counted in the school census now under way. If you have a child who will be six years old by Sept. 1, 1966, go by Mr. Moorhead's office in the Abernathy Elementary School Building, or call him at 298-2812 or 298-2257, and give him the information required on the census blank.

Former Local Woman Victim Of Shooting

Mrs. Ima Jean Wilkison, 38, of Plainview died at 9:45 p.m. Monday at Medical Center Hospital at Plainview from a gunshot wound in the abdomen.

The incident occurred at the home of Mrs. Wilkison's parents, Mr. and Mrs. L. W. Wills, 304 Southeast 10th St., Plainview about 3:30 p.m. Monday. Family members said Mrs. Wilkison, a former Abernathy resident and mother of a teenage daughter, was alone in her bedroom when they heard a gunshot and upon investigating found Mrs. Wilkison lying on the floor. A 410 gauge shotgun was nearby.

She was unconscious when admitted to Medical Center Hospital.

Mrs. Wilkison's husband died several months ago. Funeral services were at 2 p.m. Wednesday in Lemons Memorial Chapel, Plainview with Rev. Gary Daniels, Baptist Minister of Lubbock officiating.

Mrs. Wilkison was born Aug. 2, 1927 at El Dorado, Okla. She moved to Plainview in 1945.

Injured In Car Wreck

Pablo Ponciano, 23, Rt. 2 Abernathy, was listed in serious condition at Methodist Hospital, Lubbock, Sunday night after suffering severe head injuries in a one-car turnover four miles southeast of Abernathy on a country road.

Highway patrolman W. W. Baker said Ponciano's car went out of control about 1:30 a.m. Sunday and overturned. He was traveling toward Abernathy at the time of the accident, Baker reported.

To Send Gifts, Valentines To Men in Service

Members of the Abernathy Future Homemakers are joining in with over 4,000 other FHA's in Area I to send Valentines and other gifts to the soldiers in Viet Nam. It is hoped that over a ton of candy and other articles will be sent from the area with each chapter sending a ten pound package.

A morning of work will begin at the Abernathy High School homemaking department at 9:00 a.m. Saturday, January 22. All members are to work together in baking and packaging candy and cookies. Members who can not be present are asked to bring metal containers or items such as presweetened Kool-aid, razor blades, books, etc. to the homemaking department before Saturday morning so they can be packaged. Each member is also to bring Valentine cards.

The gifts will be sent to the Red Cross which will divide it among the soldiers.

Donna Huffaker is local chairman of the "Valentines for Heroes" project.

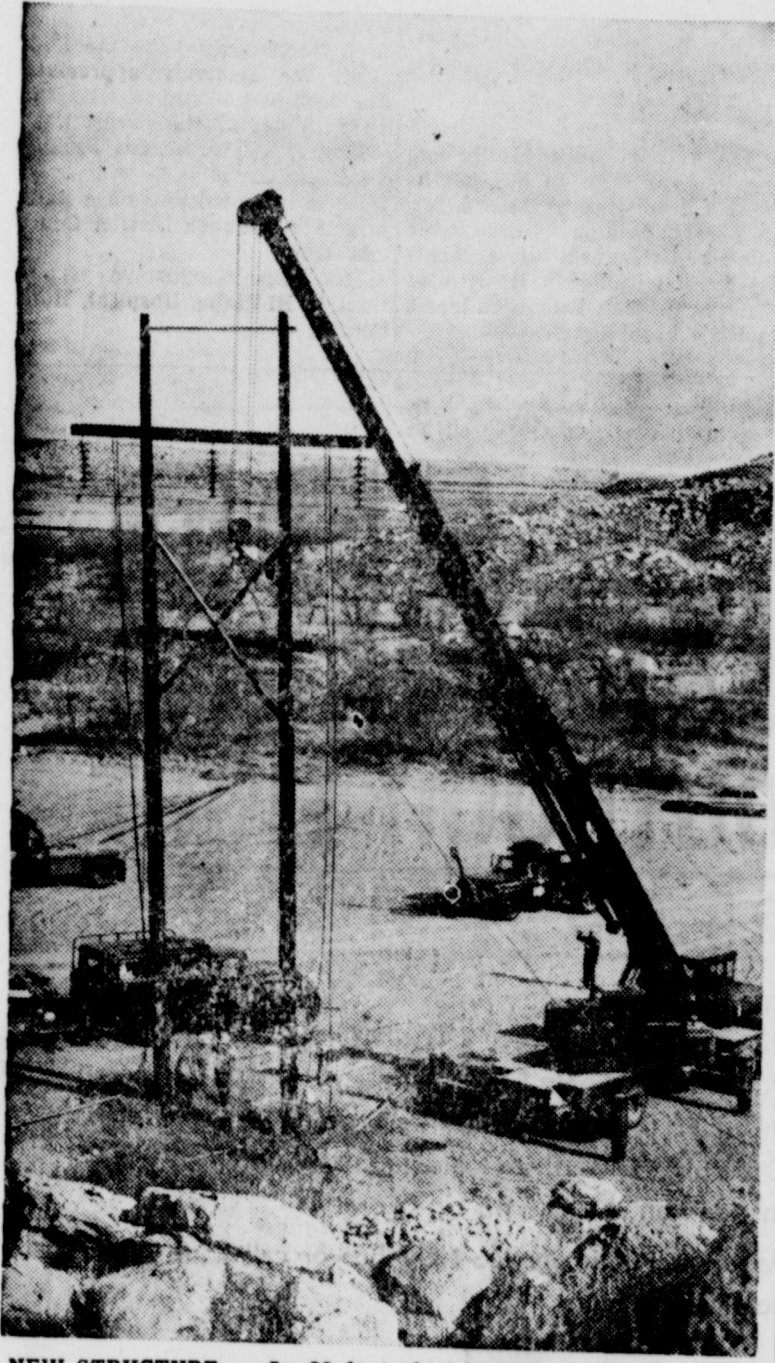

1965 Taxes Due By January 31

Check the school tax ad and the Hale County tax ad in this paper. There is a warning to those who have not paid their 1965 taxes. Penalty and interest will be charged on unpaid 1965 taxes, starting Feb. 1, 1966.

BUY PLANT

The E. L. Kellys have purchased Pam Yeager's printing plant, and will operate it at their home in the Virgil Phillips Addition. In addition to all kinds of commercial printing, the Kellys will take orders for custom-made rubber stamps from copy provided by the customer.

Mr. and Mrs. Carl Ellis have moved from a farm northwest of Abernathy to their new brick home on First Street at Ave. M. The house was constructed by Billy Shipman, local building contractor. Tommy Joins bought the Ellis farm.

NEW STRUCTURE — An 80 foot electric transmission line structure can be lifted and set into place in 8½ minutes with Southwestern Public Service Company's new hydraulic crane. The unit, the second one to go into service in the nation, was specifically designed for use in the electric utility industry.

Construction Program Set By SWPS Co.

A 1966 construction and improvement program which calls for the investment of an additional \$19,353,000 in new facilities throughout the company's service area has been announced by A. R. "Lon" Watson, president and general manager of Southwestern Public Service Company.

"Comparing our construction plans with a military operation, 1966 could be described as a year when we are going to strengthen and consolidate our position. In other words, this is a year when we are going to build into an already strong interconnected electric system new facilities which will provide even greater service dependability for our customers," Watson said.

New transmission lines, and related equipment, are the largest single investment in the 1966 program, with nearly \$7,500,000 of the total construction program designated for the construction and improvement of the electrical highways which bring the power from the generating stations to the areas served by the electric company.

A principal result of this new construction will be that the "backbone" transmission line, or principal electric artery linking the three largest generating stations will become a 230,000 volt line. Nichols Station, northeast of Amarillo, Plant X, in Lamb County, and Cunningham Station, west of Hobbs, New Mexico are the three generating stations.

"Let me emphasize that this conversion to 230,000 volts of the 'backbone', or main line is an addition to existing facilities, and means there will be one more way to move power throughout our system. In other words, there are other transmission routes, in addition to this new one, which can transport the power between all of our 11 generating stations and carry the load in the event of an emergency," Watson reported.

Major construction will begin during 1966 on another 210,000 kilowatt steam-electric generating unit at Nichols Station, northeast of Amarillo. This will be the third generator installed since 1960 at this location and will increase the capability of the plant to 435,000 kilowatts. Completion of the new unit is

Poll Tax Will Be Required In Voting

Monday, Jan. 31, is the final date to pay poll taxes to vote in local and state elections in 1966. This includes every office below that of U. S. Representative.

A court fight is under way to remove paid poll tax restrictions for voting in state and local elections, but a decision is not expected in time for the 1966 elections. These elections include city officials, school trustees, precinct, county, district and state offices. You must have a paid poll tax to vote in these elections.

Hale County and Lubbock County voters are urged to pay their poll taxes NOW. See the ad placed in this paper by Bill Hillars, Hale County Tax Assessor-Collector.

A paid poll tax is not required to vote for U. S. Representatives or U. S. Senators.

Hale County poll taxes may be paid in Abernathy at Bruce Furniture.

WSCS Meeting

The Women's Society of Christian Service met Wednesday morning January 12, at 9:30 in the Methodist Church to begin a study on mission. The invocation was by Rev. Sherrill.

The program, "The Christian's Calling," was arranged by Mrs. Suttle and presented by Rev. Sherrill, Mrs. Horace Davis, Mrs. Wilson, and Mrs. Martin. The benediction was by Mrs. Suttle.

Attending were Meses, Harold McCune, L. S. Wilson, L. A. Suttle, J. B. McClure, Cecil Gartin, Leland Spurrier, F. A. Goebel, M. M. Bell, J. W. Davis, F. W. Struve, Horace Davis, M. O. Hood, Elton Suttle, and Rev. and Mrs. U. S. Sherrill.

scheduled for the mid-1968.

"The continued installation of major electric generating units is, of course, the best kind of evidence of our confidence in the future of our service area. There are many opportunities to attract small industries to this region, and a number of communities are actively engaged in well-planned industrial development programs. The advantages of this area are obvious, with our excellent climate, the optimism of our people, and good local governments. All of these will lead to new progress for the region," Watson said.

Hurry! Hurry! Get Your Slurry!

Slurry, the newest fertilizer in this area on the market, is the greatest fertilizer advancement since anhydrous ammonia.

Not only is Slurry the newest fertilizer product available here, we feel it is also the best fertilizer bargain on the market. It eliminates the need for dry fertilizers as it has an available source of 16 lbs. of useable phosphate per 100 lbs. of fertilizer plus 8 lbs of nitrogen and all the trace elements which your crops and soil need!

Thus, when Slurry is applied to your crops at the recommended rate of 300 pounds per acre, you have 48 pounds of usable Phosphate plus a portion of the needed Nitrogen, and all the trace elements, at a price which is considerably less than this combination can be obtained anywhere else. Slurry works well when applied in the...

PROGRESSIVE BUSINESS AND CIVIC-MINDED PEOPLE OF LUBBOCK AND VICINITY

This department has been worked up largely as a reflection of public opinion. No person has written of themselves or their business. All articles have been compiled by a representative of the *Abernathy Weekly Review* as he saw conditions. These people are all leaders in their various lines of endeavor and the cooperation of those citizens in Lubbock who helped make this department possible is sincerely appreciated.

L. P. BEDWELL

In bestowing credit upon some of the more progressive business men of Lubbock, who one way or another have contributed their bit to improve both business and civic conditions, we wish to publish a few lines about L. P. Bedwell of Bedwell Gulf Service.

Mr. Bedwell has set a standard for himself, and the operation of his business that under present existing conditions has been very difficult to maintain. However, that he has done so is proved by the large volume of business which his Gulf station continues to handle, much of which is due to his unceasing attention to detail, and his ability to cope with new and unexpected problems.

Mr. Bedwell is also civic-minded, and has, when asked, cheerfully cooperated on those civic activities to which he has been able to lend assistance. He more than deserves the respect and good will which he has earned, and his many friends and customers are confident that he will continue to maintain his usual integrity and high standards.

LONNIE LITTLE

We desire in this Lubbock review to call the attention of our readers to the well-earned position which Lonnie Little has reached in the business life of this section. During the comparatively short time he has been operating Fabriclean, he has made many personal friends as well as having earned the good will of his associates for the straight-forward manner in which he has conducted his business affairs.

Mr. Little is working hard to deserve the confidence which the people of the community have in him, and he continues to work hard to maintain in every way, that high standard which he has set, not only for himself, but the operation and management of Fabriclean as well. And information and estimates may be obtained by calling PO 3-9953.

He has also shown a willingness to assist in every manner at his disposal in the growth and development of the Hub City, and is always ready to lend his support to civic projects. Lonnie Little deserves our heartfelt congratulations on the splendid record he has already established, and we sincerely hope for his continued success.

TOM JACKSON

A city grows and prospers by reason of the public-spirited men who take an active interest in its development. Lubbock has its share of these progressive and civic-minded people, and one who is deserving of recognition is friendly, likeable, Tom Jackson of the Tom Jackson Roofing Company.

His business ability, coupled with a thorough knowledge of the roofing contracting business have been major factors in maintaining the Tom Jackson Roofing Company in a position of leadership throughout the Lubbock area. He not only in his business activities, but also in his attention to civic duty, assumed an active part in community affairs.

Mr. Jackson has always been ready and willing to contribute his time and energy to the promotion of any project promising to benefit the community as a whole. He has often sacrificed personal interests to be of assistance to the city, and his efforts are deserving of commendation and support.

We congratulate Tom Jackson on his past achievements which, in our opinion, indicate a similar successful career in the years ahead.

Charles J. Collier

Our issue today proposes to call the attention of our readers to some of those progressive and civic-minded individuals who have contributed their share of time and energy to the building up of Lubbock and the surrounding territory to the position of prominence which it now enjoys.

One of these men whom we wish to present to our friends is Charles J. Collier of Collier TV & Radio Repair, located at 5541 17th Street, whose success can equally be attributed to his business acumen, and his knowledge of electronics, with special emphasis on radio and television.

He has never spared himself in his determined march forward in both business and technical fields, and is a qualified expert in the service and installation of all types of television sets and antennas.

Charles Collier's record of achievement is one of which he may well be proud. His value to

the city and this district is an established fact, and we are pleased to give him the credit which is his just due.

BLAYNE BRANUM

Having a well-earned reputation for honesty, dependability, and a complete knowledge of the insurance business far above the average, Blayne Branum, Executive Vice President of the Cardinal Life Insurance Company merits a brief tribute in this Lubbock review.

Without assumption, or seeking public acclaim he has filled his place in the community as one of its solid citizens, performing his duties of citizenship quietly, yet efficiently.

As a leading and progressive business man, Mr. Branum holds a high position in the esteem of the public generally.

It is not only as a practical executive, whose sound judgment and far-sighted planning have brought such fine things to himself, but it is because of his inspiring optimism and loyal friendship that Blayne Branum is held in such high regard by the people of this district.

We gladly praise the successful record of this dependable Lubbock insurance counselor.

CLIFFORD R. PAYNE

In compiling this review of progressive Lubbock business men, we have endeavored to select those citizens who, by the manner in which they have conducted themselves and their businesses, have earned for them positions of leadership in their various fields of activities. Such a man is Clifford R. Payne of Cliff's Carpet Care, who is well known, and has a great many friends and customers throughout this entire district.

Mr. Payne's main interests have not been solely confined to his own business and private affairs, but have also included his contributions in one form or another, to those projects of a civic nature which come within the scope of his activities.

Clifford Payne is a man of wide experience, whose exploits in the business and commercial life of Lubbock and vicinity, merits more than a passing attention, and the writer is privileged to pay this brief tribute to a man who well deserves more credit than is accorded him here.

George M. Hickman

Every progressive and successful business man in Lubbock contributes in some manner to the growth and progress of the city. And one who is always willing to do his part in both business and civic activities is George M. Hickman of the College Avenue Raceway, who is well known, and has many personal friends as well as satisfied patrons throughout this entire region.

The prominent part that the College Avenue Raceway is playing in the business and recreational life of Lubbock and vicinity, mirrors the progressiveness and ability of such men as he. Furthermore, Mr. Hickman has also at all times been steadfast in his devotion to the city and the surrounding country, and on many occasions has lent his support to the successful promotion of meritorious civic projects.

Lubbock and this district are fortunate to have such a man as George Hickman in a position of responsibility and service, and this newspaper feels that it merely reflects public opinion in paying this brief tribute to one of the city's more conscientious business men.

Clayton Willingham

Recognized as an authority on all heating and air conditioning contracting problems, Clayton Willingham of Clayton's Heating & Air Conditioning Company has turned his knowledge to the advantage of the people of Lubbock and vicinity. More than that, Mr. Willingham is a man who has always been vitally interested in the civic betterment and progress of the city, and has backed up his interest by lending assistance in a great many ways to the successful promotion of those ventures which have benefited the community as a whole. Lubbock owes much to such men for their part in making the city the business center of this area.

He has always been alert to the many opportunities for service, and more than ready to recognize and accept his share of civic responsibilities.

Because of these things, Clayton Willingham has become accepted as a progressive business man who is an asset to both the business and civic life of the city, and we trust he will continue to serve the peo-

ple of Lubbock and the surrounding area in his present capacity for many years.

STEVE J. REIS AND JAMES R. REMY

In critical times such as these, it takes business men of more than average ability to carry on their operations successfully. In making this statement the ones we have in mind are two of Lubbock's more dependable furniture dealers, Steve J. Reis and Jimmy R. Remy of the Concord House, who have a wide circle of friends and satisfied customers throughout the South Plains.

Their contagious optimism, and steadfast belief in the assured future prosperity of the people of Lubbock and its metropolitan trading area, are characteristics which are to be appreciated in progressive business men. They have always taken an interest in community affairs, and have shown a willingness to shoulder their share of the civic load.

It is such men as James Remy and Steve Reis who, because of the successful conduct of their business and private affairs, and their eagerness to contribute to the public good, who are wholly deserving of a few words of commendation. It is a pleasure to pay them this brief tribute.

JULIAN HARDIN

In paying tribute to some of the more progressive business men of Lubbock, we would be remiss in our duty should we fail to include Julian Hardin of Julian's Auto Service, whose business ability is no greater than the "know-how" and mechanical skill which has contributed to his well-earned success in the automotive repair and maintenance business.

He has also contributed generously to the welfare of the city, and the community for many miles around. And his civic spirit is evidenced by the many services which he has performed, and will continue to perform in the interest of the people as a whole.

Mr. Hardin is a man of wide acquaintance, whose many friends admire and respect in him, those virtues which inspire confidence and promote good feeling. And his upright business methods are a credit to his inherent sense of fair play.

We congratulate Julian Hardin on his splendid record of service, and trust he shall continue to assist us for many years to come.

WILLIAM R. "BILL" FORTUNE JR.

It is a well-known fact that a man's true character must come through in his work, whether in business or professional activities or in public life. So when a man conducts himself in such a manner as to cause the public to recognize in him certain qualities, over and above the average, he is deserving of a few words of praise. Such a personality is William R. "Bill" Fortune Jr., of the Fortune Gun Shop Incorporated, a leader in the business life of this region.

In addition to being one of the South Plains more dependable gunsmiths, Mr. Fortune was never a man to shirk his civic duties. More than that, he enters cheerfully, and with enthusiasm and optimism into those civic affairs in which he has time to take a part. And seldom does he fail to find time to do his share.

"Bill" Fortune Jr., deserves his share of credit for being one of those devoted citizens of Lubbock who has contributed so substantially to the onward progress of the city. It is a pleasure to include him in this group.

JIMMIE A. IRWIN

One of the more dependable real estate men of Lubbock, and one whose success can partly be attributed to a deep insight as to the direction in which the city will develop is Jimmie A. Irwin of Jimmie Irwin Realtors. He also has a sound basic knowledge of real estate values, and has turned that knowledge to the advantage of the people with whom he does business. And his aggressive methods, coupled with his sound and practical ideas have made the services he has rendered to the people more valuable, and materially contributed to his well-earned success.

Mr. Irwin is also civic-minded, and has always shown a cheerful willingness to contribute his share of time and energy to the promotion of community projects.

It is because of the activities of such progressive business men that year after year Lubbock continues to show such a

healthy growth and expansion, both as a residential and industrial city. We are glad to pay tribute to Jimmie Irwin for the part he is playing in the onward progress of the Hub City.

KENNETH LEARY

To be a consistent and persistent booster of any community, often takes courage and plenty of optimism. It is because of his unflinching faith in the future of Lubbock and the surrounding country, and his unflagging efforts to promote its development, that Kenneth Leary is selected now for this brief tribute.

Mr. Leary has proved very ably that he is a restaurant manager of unusual ability, for it is largely due to his ideals of service, coupled with a determination to serve only the very best of food, that Evelyne's Italian Restaurant holds its high position in the public's favor.

And his personality and energy in directing the operations of the business are important factors in his outstanding success.

We are glad to pay tribute to Kenneth Leary, and to point out to our readers that his is the guiding influence responsible for the splendid service and delicious foods, served in a delightful atmosphere, to be had at Evelyne's Italian Restaurant in Lubbock.

Howard H. Robertson

Howard H. Robertson has proved his progressiveness by constantly adding to, and increasing the service which Howard's Fina Service Station has extended to the people. The large volume of business handled by his Fina station proves that "service" to him, is not "just a word", but something to be rendered to the motoring public to the fullest extent of his ability.

In addition to his close attention to his business affairs, Mr. Robertson was never a man to dodge his civic responsibilities, and help in those matters has always been cheerfully given.

He fully appreciates the value of good will, and has more than his share of that intangible commodity because of the manner in which he meets both business and civic obligations. He is a credit to the community, and is thoroughly established in the forefront of the business life of the city.

Howard Robertson has many friends in and around the city, and it is a pleasure to bring him before our readers in this review of progressive Lubbock men.

H. F. LEONARD

Lubbock owes much to those conscientious citizens who have taken an active part in the growth and progress of the city, and who have helped to make it the business center for this section of West Texas. In mentioning some of those, it is only fair to include H. F. Leonard of the Cardinal Mechanical Contractors Incorporated, whose outstanding knowledge of the plumbing, heating, and air conditioning business, backed by his many years of experience, has brought him to the forefront in his particular field.

Mr. Leonard is wholly deserving of our sincere praise, and these few words of commendation are but a just recognition for the many activities he has conducted on behalf of the general welfare of the community.

The honest and successful conduct of his business affairs is not only a reflection of his character but as also been a strong factor in maintaining him in a position of leadership in his field of endeavor.

We trust that H. F. Leonard will continue to serve the people of Lubbock, and the surrounding area for many years to come.

Ben L. Strickland Jr.

In compiling this review of progressive Lubbock business men, it is fitting that we should include some of those who, by their aggressiveness, have definitely established themselves in the business and industrial life of this section of West Texas.

Such a man is Ben L. Strickland Jr., Western Division Manager for Clark Aluminum, who also deserves an additional word of praise for being more than just successful. He is a consistent and enthusiastic booster of the community, and in his way has done much to advertise the Hub City.

Mr. Strickland has pursued the progressive policy of stepping up his business ahead of the times, thus setting a pace for which he has earned the reputation of being a go-getter, who does not sit back and wait for

the business to come to him. We are glad to pay tribute to Ben Strickland, and to point out to our readers that his sincere desire to be of service coupled with his determined methods are largely responsible for the standing of Clark Aluminum throughout this entire area.

LEWIS L. GILBERT

Successful business and professional men as a rule, show their appreciation for their success by their often repeated demonstrations of civic pride. This is a fortunate fact. Otherwise a city would be lacking in that progressive element that advocates, and develops various projects of a civic nature that are indicative of a progressive community.

Lewis L. Gilbert of The Shoe Tree, and Gilbert's Shoe Shop, specializing in children's orthopedic shoes with prescription service furnished by Doctor's throughout the South Plains, is a man who has never failed to lend a hand when it comes his turn to help on some worthy project promoted for the general betterment of Lubbock and the adjacent territory.

Mr. Gilbert takes a genuine pleasure in this method of showing his appreciation for his success, and in so doing recognizes his civic responsibilities to his community.

It is such men as Lewis Gilbert who become acknowledged leaders in both business and community activities, and we compliment him on having attained that position in the Hub City.

JOHN T. BUTCHER

It is a privilege in this Lubbock review of progressive men and firms that have been such a great aid to the growth and development of this section of the Lone Star State to place such a man as John T. Butcher of the Custom Steel & Welding Company on an equal plane with all others in this rank. In the past, few men have exceeded him in contributing of their time and energy to the onward progress of Lubbock and the surrounding country.

Mr. Butcher is generally recognized as one of the more conscientious business men in this district, and he retains that distinction in the admiration and respect of his wide circle of friends. Also his interest in, and the very valuable assistance he has rendered to the many projects of a civic nature, reflect the principles which he has always so successfully applied to his business affairs.

We congratulate John Butcher on his record, and sincerely hope that his career will be as useful and completely successful in the years ahead as it has been in the past.

ODESSA SMITH

To serve the public honestly, efficiently, and cheerfully, is the basic foundation many progressive men and women of Lubbock have found to be the shortest route to success. In making this statement, the one we have in mind is Odessa Smith of Capri Upholstery. The popularity and patronage enjoyed by her upholstery services accentuates the ideals of courtesy and efficiency which she has consistently applied in the management of the business, and in the servicing of its patrons.

The conduct of such businesses, and the people who operate them, have done much to make Lubbock the business center for many miles around; and it is fitting that we give credit where credit is due to such citizens as Mrs. Smith for her part in the onward progress of the city. In so doing, we are merely putting into words the opinions of those who know her.

Odessa Smith has earned her success by the method in which she has served the public, and accepted both business and civic responsibilities, and we wish her every success in the future.

26 Accidents In December

Memories of 1965 are slipping quietly away for most people, but for those maimed in automobile accidents and the families of others who were killed during the year, 1965 will be remembered always with dread and sorrow.

The Texas Highway Patrol investigated 26 accidents on rural highways in Hale County during the month of December, according to Sergeant Thurman Keffer, Highway Patrol supervisor of this area.

The rural traffic accident summary for this county for the calendar year of 1965 shows a total of 259 crashes resulting in 18 persons killed, 184 injured, and an estimated property damage of \$197,053.00.

Sign-Up Period For Feed And Cotton Program

Sign-up period for the 1966 cotton and grains program in this area has been announced as January 24 through April.

Walter Wells, Lubbock County ASCS office manager, reports to Plains Cotton Growers that some farmers seem to be confusing the Cropland Adjustment Program with the cotton and feed grains program, particularly with regard to the money available for carrying them out.

Under the Cropland Adjustment Program, in which farmers contract with the Government to retire all of at least one acre-cotton crop for from 5 to 10 years, the Secretary of Agriculture is limited to \$225 million for each of the four years of the program. And, if he has requests for long-term retirement contracts which would involve more than that amount, he would presumably allocate the money on a first come-first served basis.

But this has nothing at all to do with the diversion and price support payments on cotton and feed grains. Wells assured PCG that all producers would have the opportunity to participate in these payments, whether they sign-up on the first day, January 24, or the last day, April 1.

Wells said the beginning sign-up date for the Cropland Adjustment Program is also January 24, with no ending date set. However, since there is a dollar-limit on this program, it might be to the interested producer's advantage to sign-up as early as possible.

The latest word, not yet official, on skip-row measurements of cotton planted in other than 40-inch rows is that any row-width 36 inches or wider will count the same percentage cotton as would 40-inch rows. And if planted in a pattern leaving at least four rows blank between rows of cotton the blank rows will still qualify as diverted acres, provided they are 36 inches or more wide.

Therefore the amount of the price support payment in any of the four years must be enough, when added to the loan rate, to bring the total up to 65 percent of parity at least on 87 1/2 percent of a grower's effective allotment.

The actual formula for figuring the minimum price support payment set forth in the law reads: "The Secretary shall provide additional price support for each crop through payments in cash or in kind to cooperators at a rate not less than 9 cents per pound; provided, that the rate shall be such that the amount obtained by (1) multiplying the rate by the farm domestic acreage allotment percentage, and (2) dividing the product thus obtained by the cooperator percentage established under section 408 (b), and (3) adding the result thus obtained to the national average loan rate, shall not be less than 65 percent or more than 90 percent of the parity price for cotton as of the month in which the payment rate provided for by this paragraph is announced."

Keyed To Local Farm Needs

It stands to reason that our bank, part and parcel of the community and dependent for its success on the success of local people, would know local farm problems better than any outside lending agency. It also is good horse sense that a lender who knows your problems is in a good position to help you solve them. So we invite you to do your borrowing here, because it's for your own best interest.

Raymond Owens is in West Texas Hospital, Lubbock.

Mrs. Carl Scott and daughter, Patsy, have moved from a residence at Tuco, to Lubbock.

Mr. and Mrs. Alvin Hardin left this week for a vacation in California. They will visit Mrs. Hardin's father, O. C. Curry, who formerly lived here. They will also visit her two sisters.

Mr. and Mrs. Orson Rea visited friends in Paducah Sunday. Ed Bryant, who formerly lived here, was taken to the Methodist Hospital in Lubbock last week with a blood clot in his leg. He is now minister of the Church of Christ in New Deal and teaches at LCC in Lubbock. Mr. and Mrs. Gordy Clapp were in Oklahoma City this week to visit their daughter, Mrs. Emmett Loper and family. Billy Jack Hackler of Canyon was here over the weekend to visit his parents, Mr. and Mrs. Jack Hackler.

Wedding Set Here Saturday Night

Wedding rites will be read in Abernathy's first Methodist church at 8 p.m. Saturday, Jan. 22, for Miss Irena Totty and son Owens. The Rev. Boyce Evans, Lubbock, former pastor of Abernathy first Baptist church, is to officiate.

Following the wedding ceremony, a reception will be held in a restaurant. Friends are invited to the wedding and reception.

The bride-elect is a daughter of Mr. and Mrs. Robert Totty, and is a senior student at AHS. She is to complete high school work by correspondence and receive a 1966 Arts Class diploma. Jim, a freshman student at WTSU, Canyon, is the son of Mr. and Mrs. Charles Owens.

City Garden Meets Here

The City Garden Club had their first meeting of the year Thursday, January 13, with Mrs. W. V. Hallor and Mrs. Ira Lee Haral as hostesses and twenty members present. Mrs. Floyd Shipman gave a very interesting program on evergreen.

The next meeting will be Thursday, February 10.

Those attending the January meeting were: Mmes: Floyd Shipman, Dewey Price, G. M. Carr, G. B. Adkinson, Sr., T. A. Brewster, A. R. Knight, N. A. Oliver, Sr., Dessie Neal, J. C. Veach, Morris Gist, Bess Kirby, K. D. Spruiell, H. H. Vineyard, J. M. Gardner, M. M. Bell, Robert Lee and T. O. Brown. Reporter

TEL Class Meets

The T. E. L. Class of Abernathy First Baptist Church met for a fellowship and business meeting Sunday, January 9, in the home of Mrs. Abernathy.

Mrs. Abernathy served refreshments to Mmes: M. L. Seay, J. A. Givens, Mae Cox, Mannie Cox, C. B. Stovall, Genie Staples, S. H. Lebow, H. E. Anderson, R. R. Richardson, P. F. Arnold, J. W. Brooks and Haden.
