Hightower Is Candidate For State Senator

State Senator Jack Hightower of Vernon today formally announced his candidacy in the Democratic Primary for reelection to a second term in the Texas Senate. He seeks election in the new 30th Senatorial District which includes Hale County.

Senator Hightower, 39, was the choice of a wide margin of voters in 1964 to succeed the well-known Senator George "Cotton" Moffett of Chillicothe, longtime agricultural

During his first term in the Senate, Sen. Hightower became well-known as an effective and dedicated legislator. He has achieved the enviable record of appointment as chairman of an important committee and a member of twelve of the Senate's committees, some of the most important of which are: Water and Conservation; Finance: State Affairs; Counties, Cities and Towns; and Agriculture and Livestock. He has been named by the Lieutenant Governor to two interim committees to make studies of the Texas Election Laws and the needs of the Nursing Profession in Texas. The findings and recommendations of these committees will be made to the next legislature.

Senator Hightower's distinguished service earned his appointment by Governor Connally as a delegate to the Southern Regional Education Board Conference on Higher Education. His effectiveness has been fully demonstrated in his support of important legislative measures concerning water and soil conservation, education, law enforcement, water and air pollution, health, etc.

Senator Hightower has an impressive record of public service. He served two years in the Texas House of Representatives and seven years as District Attorney. In 1957 he was appointed by the Governor to the Texas Law Enforcement Study Commission, and at the time of his election to the Texas Senate, was vice-chairman of the Board of Regents of Midwestern University.

A native of Memphis, Texas, where his mother, Mrs. Walter Hightower, still resides, Sen. Hightower moved to Vernon in 1951 to begin the practice of law upon his graduation from Baylor University. He served in the U.S. Navy during World War II.

He is a leader in civic, religious and fraternal affairs on the local and state level. His wife, the former Colleen Ward, is a native of Tulia, Texas, and is the daughter of Mr. and Mrs. W. H. Ward of that city. They have three daughters, Ann, 13, Amy 9, and Alison, 6.

The recent Supreme Court decision concerning redistricting caused a major rearrangement of Senatorial Districts in West Texas. The new 30th district now contains 90 thousand voters, approximately 60% of whom live in that part of the new district heretofore represented by Senator Hightower and approximately 40% live in that part of the district heretofore represented by another Senator.

"In order to properly represent the people a Senator should know them, their problems and their needs. I have been privileged to know many people all over the wide area that is now the 30th District. I hope to become better acquainted with many hundreds more during this campaign. My promise is to serve you sincerely," Senator Hightower

Outstanding Citizen Award

That was the consensus of those attending the Abernathy Chamber of Commerce banquet at the school cafeteria Thursday night, when Dan Z. Ward announced that Charles Edwin Crow had been selected to receive Abernathy's Outstanding

Citizen Award. Crow, a longtime Abernathy resident, is sales manager at Reid Chevrolet. He is chief of Abernathy's Volunteer Fire Department, and is in charge of Abernathy's participation in the

South Plains Soap Box Derby. Following is the complete text of the speech Ward made before presenting the plaque to Mr. President - guests - la-

dies and gentlemen - I would like to take a few minutes to make a report from the committee on awards. Some of our work was easier than other parts - in fact, it was very simple for us to decide on the winner of our first award - one of recognition for a term of devoted service - a year in which, for most part, operation has been without the benefit of a Chamber of Commerce manager. This, of course, has thrown an additional load on our President - a man who seems to operate more efficiently when under pressure. We would like to ask President "Andy" - at this time - to accept this token of our appreciation for his many services during the past year.

And now for this next award which by the way - was far more difficult, I would like to mention the names of the other members of this committee - Mr. Leland Phillips, Mr. "Your Friend" Snodgrass, and the Honorable Lon Carmickle who acted as secretary. At one time I was sure Lon had gotten the recent Voter Registration mixed up with the committee business this was when the first ballot was counted - there was ONE vote each for three different men - and SIX votes for Carmickle.

Abernathy is very fortunate despite our water and other problems - like a Formal Garden of a Southern Plantation the flowers of beautiful, dedicated, manly service are many and varied - and it is a very difficult task to select any ONE from among them. However, we feel that the man we honor tonight has given of himself in dedicated service for some 40 years for the betterment of our community - and I would like to mention SOME of his activities at this time. He was not born here but we think of him as being a native because his parents brought him here as a baby in the early 'teens and he attended the Abernathy schools. being graduated in the early

Clyde Boyd

One of the better informed real estate and insurance executives of the city is Clyde Boyd of Clyde Boyd & Associates.

He has been operating a complete service for his large clientele over a period of time, and during that time he has made a great many friends both for himself and for the companies his agency represents. Mr. Boyd has also contri-

buted considerable of his time and energy to the growth and progress of Lubbock and this district, and has been content to take his reward in the quiet knowledge of a work well done, and as a result, has earned the respect and admiration of his many friends. The value of such a man to his city and the surrounding territory cannot be overestimated when considering the many personal sacrifices he has made in order to contribute to the general welfare of the community as a whole.

We congratulate Clyde Boyd on his splendid reputation, and wish for him a continued successful career as a leader in the insurance and real estate field throughout this area.

Claude H. Rose Jr.

We desire in this Lubbock review to call the attention of our readers to the wellearned position which Claude H. Rose Jr., has reached in the business life of this section. During the comparatively short time he has been operating the Rose Drug Store, formerly Day Drug Store at 4404 19th Street, he has made many personal friends, as well as having earned the good will of his associates for the straightforward manner in which he has conducted his business af-

fairs. Mr. Rose is working hard to deserve the confidence which the people of the community have in him, and he continues to work hard to maintain in every way, that high standard which he has set, not only for himself, but for the operation and management of the Rose Drug Store as well.

He has also shown a willingness to assist in every manner at his disposal in the growth and development of the Hub City, and is always ready to lend his support to civic projects. Claude Rose Jr., deserves our heartiest congratulations on the splendid record he has already established, and we sincerely hope for his continued success.

Charles C. Wilson

It is fitting 'n this review of progressive Lubbock business men that we acquaint our readers with the one to be credited with having maintained Plains Textiles Incorporated in the enviable position it holds in the business and industrial life of the South Plains. That personality is Charles C. Wilson, President, whose genius for organization, and for converting new ideas into actual deeds has played a vital part in the distinctive reputation which this reliable firm now enjoys throughout this entire

district. Mr. Wilson has found time in addition to his business interests, to give thought and energy to community projects. He is a

citizen whose talents have been steadfastly devoted to the best interests of the city. He has been successful in his own business, and in the promotion of the general welfare of the com-

muntiy. We are glad to pay this brief tribute to him, and to say that this district owes much to the many benefits which Charles C. Wilson, the Board of Directors, as well as the entire personnel of Plains Textiles Incorporated have rendered to this section of West

Jorge Moreno

Lubbock is fortunate in being able to number among its more progressive business men, citizens of this type.

He is always ready and willing to lend his support to the promotion of any project which promises to benefit this entire district.

the public generally. It is not only as a practical executive whose sound judgment and far-sighted planning have brought such fine things to himself, but it is because of his inspiring optimism and loyal friendship that "Bill" Smith is held in such high regard by the people of this re-

Also for the efficient and friendly willingness he has displayed in accepting his share of responsibility in

aiding civic projects. Mr. Helmstetler is not the kind of man who makes himself conspicuous by the manner in which he conducts himself, either in business or other matters. Yet, his quiet reserve and air of confidence mark him as a man of sound judgment, whose opinions and advice are sought after and listened to with

respect. We compliment Wayne Helmstetler for the successful management of the Town & Country Mobile Estates, and also for his constructive advice and helpon those civic affairs in which he has found time to interest himself. He is a man whom many are proud to call friend,

It is also a pleasure to give him credit for taking part in community affairs, and lending his assistance to various activities and public projects. When to take part in such matters, he always does so without ostentation, but in a quiet manner which lends dignity to his cheefrul acceptance of his share of the civic load. Keyed To Local Farm Needs

Bank Credit Is The Best Farm Credit **Abernathy**

Member FDIC 298-2556 WE APPRECIATE YOUR BUSINESS

It stands to reason that our bank, part and parcei of the community and dependent for its success on the success of local people, would know local farm problems better than any outside lending agency. It also is good horse sense that a lender who knows your problems is in a good position to help you solve them. So we invite you to do your borrowing here, because it's for your own best interest.
