## Two From Here Attend Workshop

ABILENE - Neil Davidson, son of Mr. and Mrs. Eugene Davidson, Rt. 1, Abernathy, and Glenn Reagan, Abernathy farmer and church leader, were two of more than 500 delegates attending the third annual Herald of Truth Workshop in Abilene, Tex., Aug. 17-18.

The workshop was designed to make a progress report on the growth and activities of the internationally-broadcast radio and television program over the past year and outline new opportunities that have developed for the program.

A special emphasis was placed on the importance of color programming on television. Since the Herald of Truth television program adopted full color filming, demands for the program have exceeded the supply of prints available.

Another feature of the workshop was the adoption of the goal to place the Herald of Truth Radio Program on an additional 1100 stations in towns of 5000 population and over that do not presently carry the program.

This workshop is another landmark in the amazing growth of the Herald of Truth Program. When the first broadcast was made on radio, February 10, 1952, it was carried on 31 stations of the ABC network. Today, the programs are carried on almost 600 stations in 14 different countries.

## Mass Shots For Flu Scheduled

Dr. Eugene Brown of District 10 of the Texas Association of Osteopathic Physicians and Surgeons has announced that the association will sponsor mass immunization for influenza on Saturday and Sunday, August 27-28, beginning at 9 a.m. at the Garden and Arts Center, 4215 College Avenue.

The inoculations are a public service of the physicians of District 10 and no charge will be made, however donations will be accepted for any wishing to contribute.

The inoculations are desirable for all persons susceptible to influenza including the aged and those with frequent respiratory difficulties.

The method used in administering the vaccine is the high pressure compression air gun, which causes a minimum of sensation instead of use of a needle.

Inoculations on both days will be begun at 9 a.m. and continue through the day.

The association includes physicians from Abernathy, Brownfield, Idalou, O'Donnell, Olton, Petersburg, Lubbock and Plainview.

Physicians in Abernathy supporting and cooperating in this program are Dr. Kenneth C. Gregory and Dr. Maurice Pridley.

## Watch For School Buses

"School days" are almost here again. The familiar yellow school buses will soon be back on the highways. The Sergeant reminds all motorists of the State Law regulating traffic in regard to school buses. "The drivers of a vehicle upon a highway outside the limits of any incorporated city or town upon meeting or overtaking from either direction any school bus which has stopped on the highway for the purpose of receiving or discharging school children shall stop the vehicle immediately before passing the school bus, but may then proceed past such school bus at a speed which is prudent, not exceeding (10) miles per hour, and with due caution for the safety of such children."

### Gown Worn In Wedding On Display

The gown worn by the matron of honor in the wedding of Luci Baines Johnson and Patrick Nugent this month in Washington is on display at West Texas Museum through the month of August.

On loan to the Museum by Mrs. James Ray of Hale Center, Texas, the gown is of rose moire taffeta, and is shown in color photographs in the cover story of the current issue of Life Magazine.

Seams of the bodice and all darts are bound in lace. The designer has custom embroidered inside the hemline the inscription: "Gown by Priscilla of Boston for the White House Wedding of Luci Baines Johnson, the 6th day of August 1966. Mrs. James Ray." Gowns worn by the bride's sister and the other attendants were identical in design to that of Mrs. Ray's but the bridesmaids' dresses were of a slightly darker shade.

Also on display at the Museum are invitations to the various pre-wedding events that Mr. and Mrs. Ray attended, and a menu of the rehearsal dinner bearing autographs of members of the wedding party, as well as famous film star George Hamilton and President Johnson.

A miniature box of the wedding cake, and the bracelet given to the matron of honor are in the exhibit. The bracelet's charm is engraved: "To Susan, a bouquet of friendship and love. Luci 8-6-66." The other side of the charm bears a nosegay tied with a forget-me-knot, set with pink stones.

The Museum mannequin holds the substitute bouquet Mrs. Ray carried for the wedding rehearsal. The pink nosegay is made from decorations taken from packages in which the bride had received wedding gifts. The original bouquet carried by the matron of honor in the ceremony is on exhibit with her other mementoes.

The gown is displayed in the round of the Museum, located on the traffic circle on the Texas Tech campus. The Museum is open free to the public from 9 a.m. until 5 p.m. Monday through Saturday and from 2-5 p.m. Sundays.

# What to do while the line is busy

- 1 Take for granted that whoever is talking on the line will hang up soon.
- 2 Hope that no one left his receiver carelessly off the hook.
- 3 Think about how reliable a telephone connection is once you get it. And how Gen Tel is constantly at work to modernize and improve service.
- 4 Be patient. After all, you may have talked for 20 or 30 minutes once yourself. So decide not to call the telephone company to report an out-of-order phone.
- 5 Think again about trouble-free telephone service. Then, when you get a line, think of the other party, too.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.

SENATE JOINT RESOLUTION NO. 26 proposing an Amendment to Sections 4 and 5 of Article V of the Constitution of the State of Texas to provide for a Court of Criminal Appeals of five members; prescribing their qualifications; elections, appointments, tenure of office and compensation; and prescribing the term of court of said court.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 4 of Article V of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 4. The Court of Criminal Appeals shall consist of five Judges, one of whom shall be Presiding Judge, a majority of whom shall constitute a quorum, and the concurrence of three Judges shall be necessary to a decision of said court. Said Judges shall have the same qualifications and receive the same salaries as the Associate Justices of the Supreme Court. They shall be elected by the qualified voters of the state at a general election and shall hold their offices for a term of six years. In case of a vacancy in the office of a Judge of the Court of Criminal Appeals, the Governor shall, with the advice and consent of the Senate, fill said vacancy by appointment until the next succeeding general election.

"The Judges of the Court of Criminal Appeals who may be in office at the time when this Amendment takes effect shall become Judges of the Court of Criminal Appeals and continue in office until the expiration of the term of office for which each has

been elected or appointed under the present Constitution and laws of this state, and until his successor shall have been elected and qualified.

"The two members of the Commission of Appeals in aid of the Court of Criminal Appeals who may be in office at the time when this Amendment takes effect shall become Judges of the Court of Criminal Appeals and shall hold their offices, one for a term of two years and the other for a term of four years, beginning the first day of January following the adoption of this Amendment and until their successors are elected and qualified. Said Judges shall by agreement or otherwise designate the incumbent for each of the terms mentioned.

"The Governor shall designate one of the five Judges as Presiding Judge and at the expiration of his term and each six years thereafter a Presiding Judge shall be elected."

Sec. 2. That Section 5 of the Article V of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 5. The Court of Criminal Appeals shall have appellate jurisdiction coextensive with the limits of the state in all criminal cases of whatever grade, with such exceptions and under such regulations as may be prescribed by law.

"The Court of Criminal Appeals and the Judges thereof shall have the power to issue the writ of habeas corpus, and under such regulations as may be prescribed by law, issue such writs as may be necessary to enforce its own jurisdiction. The Court of Criminal Appeals shall have power upon affidavit or otherwise to ascertain such matters of fact as may be necessary to the exercise of its jurisdiction.

The Court of Criminal Ap-

peals may sit for the transaction of business at any time from the first Monday in October to the last Saturday in September in each year, at the State Capitol. The Court of Criminal Appeals shall appoint a clerk of the court who shall give bond in such manner as is now or may hereafter be required by law, and who shall hold his office for a term of four years unless sooner removed by the court for good cause entered of record on the minutes of said court.

"The Clerk of the Court of Criminal Appeals who may be in office at the time when this Amendment takes effect shall continue in office for the term of his appointment."

Sec. 3. Said proposed Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held throughout the state on the first Tuesday after the first Monday in November, A.D. 1966, at which election each voter opposing said proposed Amendment shall scratch off the ballot with a pen or pencil the following words printed on said ballot:

"FOR the Amendment to the State Constitution providing for a Court of Criminal Appeals of five members, and prescribing the term of said court."

Each voter favoring said proposed Amendment shall scratch off the ballot in the same manner the following words printed on said ballot:

"AGAINST the Amendment to the State Constitution providing for a Court of Criminal Appeals of five members, and prescribing the term of said court."

If it appears from the returns of said election that a majority of the votes cast are in favor of said Amendment the same shall become a part of the Constitution of this state.

He succeeds J. C. Belt, manager the past 10 years, who took the management of a New Deal Gin. The Fred Crenshaws were vacationing in Colorado last week. As President of Charlie Mullins Enterprises which have the past nine years ruled The City of Acuff I am happy to announce that Standard Oil and I have merged. I am sure all you stockholders are very elated over this move. Lubbock oilman Sam Strong and I have joined forces and are working hand in hand to see that he and I become fantastically rich. If he thought he had liabilities before, he ain't seen nothing yet. I do feel a bit sorry for any prospective stockbuyers that were going to buy, because I'm sure now the shares are so high an ordinary person couldn't afford to buy now if he wanted to. I could go into the law of diminishing returns, and capital gains and all that but it would be boring to anyone who is not well versed in big business. Speaking of the Big Business its right on the corner of The Idalou Highway and the Charlie Mullins Memorial Freeway, better known as The Acuff Road. They call it the Acuff Road because it is the road to Acuff. Mr. Strong and I both are experienced in the oil business, and what we don't know we ask Sam Moran, who has worked closely with me as an advisor on Dirt and Grime in the crankcase, while a being stationed at Acuff as a girl scout leader. I've asked many times how I got in the oil business. It was either Elizabeth Taylors valet, or a service station man, and I've wondered many times if I made a mistake. Somehow I just can't believe H. L. Hunt got his start this way.
