Scott Mooneyham Is Killed In Accident

A Lubbock man was killed when his car crashed into the rear of a semi-trailer truck about 10 miles north of Lamesa on U. S. 87 about 2:30 p.m. Tuesday, Jan. 10.

Dead on arrival at Medical Arts Hospital in Lamesa was James Scott Mooneyham, 25, 2702 68th St.

Highway Patrolman Joe Stone reported Mooneyham's car struck the rear of a truck driven by Huldric Alfred Davis of Midland as Davis attempted a left turn off U.S. 87.

Stone said Davis was in the left turn lane, but had swung his truck into the right lane to get more room for the turn, blocking Mooneyham as he attempted to pass.

His body was taken to Braun-Phillips Funeral Home and later transferred to Chambers Funeral Home in Abernathy.

Funeral rites were held Thursday in Abernathy First Baptist Church, with the Rev. Hubert Long, pastor officiating.

Burial was in Resthaven Memorial Park, Lubbock, under direction of Chambers Funeral Home.

Pallbearers were Horton and Mike Struve, James Blalock, Billy Rea Sterrett, Charles Evans, and Darrell Ballard.

Survivors include his widow, Linda Kay, who is a teacher in the Lubbock School System, and his parents, Mr. and Mrs. Floyd Mooneyham, of Abernathy.

James Scott Mooneyham was

born in Dumas August 14, 1941, and moved here with his parents in the mid-1950's. He was graduated from Abernathy High School and attended Texas Tech. The Turners came to Abernathy about 12 years ago. He had been manager of the gin, now owned by J.L. Irish, during those years.

Funeral services were held at 2 p.m. Jan. 11, in the Methodist Church at Celeste. The Rev. H.B. Coggin, pastor of Ralls First Methodist Church, and a former pastor at Abernathy, and the Rev. Conrad M. Ryan, pastor of Abernathy First Methodist Church, officiated. Burial was in the Celeste Cemetery. Nephews were pallbearers.

Mr. Turner was born April 12, 1912, in Celeste, the son of Frank Turner and Nannie Moore Turner. He was married to Lou Jackson Oct. 27, 1939. He spent his younger life in Hunt County, and had resided in Roswell, N.M., and in Lubbock before moving to Abernathy. He was a member of Abernathy First Methodist Church.

Survivors include his widow of Abernathy; a son, Terry Turner, a student at Texas Tech; three brothers, Dan Tatum, Paris, Virge Tatum, Celeste, and W.H. Tatum, Oklahoma City; two sisters, Mrs. Harold Armstrong, Celeste, and Mrs. J.F. Fielders of Tyler.

David Sinclair Injured When Hit By Car

David Sinclair, 17, son of Mr. and Mrs. Louis A. Sinclair of Tuco, was injured Thursday about 3 p.m. when he was struck by a car on the dirt road on the west edge of town.

A senior in AHS, David was running along the road, working out for track. Another vehicle passed shortly before David was hit by the car. A combination of conditions, including dirt stirred up by the vehicles, contributed to the accident, which was said to be unavoidable. The car which hit David was driven by Lewis Henderson, also an AHS senior, and son of Mr. and Mrs. Preston Henderson. David was thrown over the fender and hood of the car upon impact.

David was taken to Methodist Hospital, Lubbock, by Chambers ambulance. He is being treated for a broken right leg, dislocated right shoulder and a fracture of the pelvis.

ANTELOPES LOSE TO FRIONA CAGERS

(By Claudy Williams, Jr. School Correspondent)

The Friona Chieftains overcame all previous deficits in the closing moments of both the boys and girls basketball games to hand the Abernathy Antelopes a pair of losses on Friday night, January 13. The AHS gymnasium was the site of the double-header.

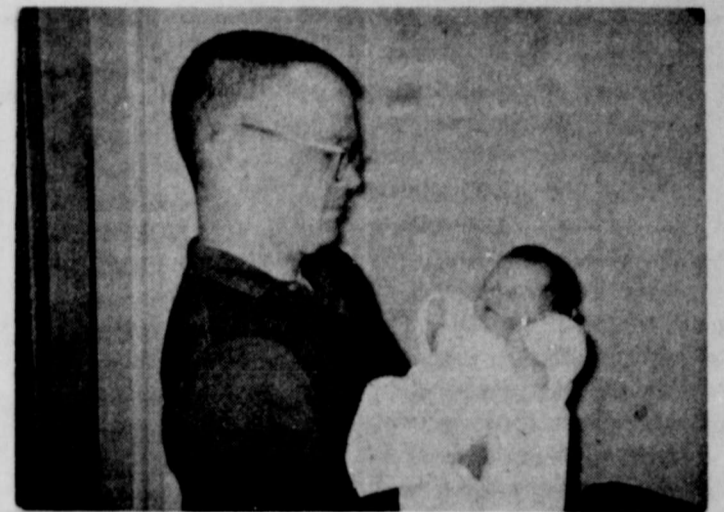

The first game of the night saw the Abernathy girls leap into the lead at the outset of the game, and by the end of first quarter, the Antelopes had built up a 17 to 12 lead. Early in the second quarter the Friona girls were able to tie up the contest 17 to 17; however, Abernathy quickly broke the tie to take a 29 to 27 advantage to the dressing room at the half.

Midway through the third quarter the Friona team once again tied up the game; this time to 33 to 33. Abernathy made good its next attempt at scoring; then Friona did likewise, making the score 35 to 35. Friona then took a 36 to 35 lead on a free throw to place themselves at the helm for the remainder of the game. The 59 to 50 final score was the widest margin of the game.

High scorers for the game were Friona's Hazel Fallwell with 30 points and Abernathy's Mary Davis with 28. Other girls in double figures from Friona were Cindy Ingram and Susan Neill with 15 and 10 points respectively. Margaret Davis and Gerry Rodgers each had 11 points for Abernathy.

Abernathy got off to a slow start in the boys' contest as Friona took a 5 to 0 lead before Abernathy was able to score. However, once Abernathy got their forces organized they were able to surmount Friona's lead to produce a 15 to 14 advantage of their own at the end of the first quarter. Abernathy retained the lead until the final minute of the half when Friona tied the battle 26 to 26. Friona was able to take the lead at the half 28 to 26 on a ten-foot jump shot which was released from the hands of Bobby Jordan just moments before the buzzer sounded.

Abernathy tied the score at the beginning of the third quarter and jumped to a nine point lead with two-and-a-half min-

utes left in the period. At the start of the fourth quarter Abernathy was on top 48 to 40; however, the Chieftains employed a tight press throughout the quarter which held the Antelopes to only five points while Friona garnered 19 to take the game 59 to 53.

Tommy Hunley took the honors for having scored the most points with a total of 29 points, all coming from the floor. Bobby Jordan's 19 was tops for Friona. Other boys in double figures were Friona's Ray Murphee with 16 and Abernathy's Harry Mathis with 12.

Exhibitors Are Named For Show In Fort Worth

FORT WORTH (Sp1) -- Five members of Abernathy FFA will have Steers competing in the Junior Show division of the 1967 Southwestern Exposition and Fat Stock Show, January 27 through February 5.

With entries still being counted, W. R. Watt, Stock Show president and manager, is cautiously optimistic about the possibility of the final total figure breaking the 1966 all-time entry record of over 11,000. Entries of poultry, rabbits and pigeons didn't close until January 15, 1967.

Guest star for the 1967 Fort Worth Stock Show Rodeo will be Ken Curtis, better known to "Gunsmoke" fans as Festus. Festus will be performing with "the Frontiersmen and Joanie," a popular Country and Western music group. Other attractions will be former Miss Texas, Linda Loftis with her beautiful rendition of the National Anthem and Hoofbeat Harmony, a precision exhibition of Dressage Riding by Lynn and Joan Randall. Of course there'll be plenty of action as over 450 cowboys compete for nearly \$75,000 in prize money and entry fees. Rodeo bucking stock, some of the best in the World, will be once again provided by rodeo producer Tommy Steiner and Associates.

Mail order ticket applications for the 1967 edition of the "World's Original Indoor Rodeo" are now being taken at the Southwestern Exposition and Fat Stock Show, P. O. Box 150, Fort Worth, Texas 76101.

Abernathy FFA members, and the number of steers they are to show are:

Steve Barton, 2 Angus; Steve Jackson, 2 Angus and 1 Hereford; Gary Lovelace, 2 Angus; Johnny Lutrick 1 Angus and 2 Hereford; Jerry Sanders 1 Angus.

but despite the efforts of Mary Davis who pumped in 28 points and Margaret Davis with 11 and Jerry Rogers who also had 11 points, the girls fell 59-50 to the Friona Equians.

The guards also played a very good game.

This is the girls second loss in district play. They have won 4 and have 1 more game in the first round of District.

COTTON STAPLE IS IMPROVED

The 1966 South Plains cotton crop showed a slight improvement in staple over the 1965 crop, according to W. K. Palmer, in charge of the Lubbock Cotton Classing Office of the USDA.

Final harvesting figures of this season's crop have not been completed, but estimates indicate that approximately 1,225,000 bales will be classed. The three South Plains USDA Classing Offices classed approximately 2,118,000 bales of the 1965 crop.

Only 8 per cent of the South Plains cotton this season was classed in the White grades. Fifty-five per cent was classed in the Light Spotted grades and 37 per cent in the Spotted and Tinged grades. This represented a much higher

percentage of Light Spotted, Spotted and Tinged cotton than during previous years. During the 1965 season 56 per cent was classed in the White grades and 44 per cent in the Light Spotted and Spotted grades.

Average staple length improved this season and averaged 30.0/32nds inch, or slightly better than 15/16 of an inch. Average staple of the 1965 crop was 30.0/32nds of an inch, or 15/16 of an inch. Twelve per cent of this season's crop was 1-inch and longer and 2 per cent was 1-1/8 and longer. This represented a significant improvement over the 1965 season.

Micronaire of this season's crop was lower than the 1965 crop. Only 27 per cent of this season's crop was in the premium category of 3.5 and better, compared to 35 per cent of the 1965 crop. Eleven per cent of this season's crop was 2.6 and below, compared to 8 per cent of the 1965 crop. The early freeze in October halted the maturing process of the cotton in the northern two-thirds of the area, thereby causing a low micronaire crop. Micronaire declined rapidly after October 19th and during the week ending December 7th only 9 per cent of the cotton classed in the Lubbock office had a micronaire reading of 3.5 and better.

Before the freeze during the middle of October, prospects appeared excellent for a high quality crop due to efforts made to plant better quality cotton. The most significant aspect of this season's crop was the improvement in the average staple length and the great increase in cotton having staple length of 1-1/16 and better.

In addition to Hale County, Crosby and Swisher counties voted joining the district. The supporters are undecided at this time whether or not to call the election on a precinct basis.

DRAFT BOARD AT LUBBOCK WARNS REGISTRANTS

Failure on the part of registrants of Local Board No. 88 of the Selective Service System to furnish current information, especially mailing addresses, has brought a warning from Mrs. Ava Lee McGlaun, local board clerk. Mrs. McGlaun said the failure was brought to the board's attention recently when a review of files began. All registrants are required by law to furnish up to date information for their files, Mrs. McGlaun said. The law also requires local boards to review files regularly, and files now under special review are those of men classified 3-A and 1-Y. Mrs. McGlaun said anyone concerned could contact the board in writing or by a personal visit. The local board, located at 1618 19th St., has jurisdiction over registrants of Crosby, Garza, Lubbock and Lynn counties.

Voters Must Register In Spite Of Confusion

Despite confusion that has hampered voter registration in Texas this year, more than 5,600 voters have registered in Hale County with the Jan. 31 deadline more than two weeks away, according to Bill Hollars, county tax assessor-collector. Hollars expects an additional 4,000 voters to register between now and the deadline, noting that voter registration here this year will be off last year's 10,217 figure because this is not a presidential election year. He explained that in the past, off-year voter registration figures averaged approximately 8,000, while presidential elections boosted registration into the 10,000-plus figures.

No Charge
He emphasizes there is no charge for registration this year. Although a district judge recently voided the constitutional amendment passed last November repealing the poll tax, Hollars believes that "it will not have any effect on registration this year." Saturday, according to The Associated Press, Texas Atty. Gen. Crawford Martin said a state judge's order voiding the Nov. 8 vote for repeal of the Texas poll tax has no effect on an individual's registering to vote. Martin said potential voters should go ahead and register. To register, a person must be 21, or become 21 during 1967. In Hale County, persons over 60 years of age living outside the city limits of Plainview do

not have to register, according to Hollars. However, he points out that persons over 60 years of age living within Plainview city limits are required to register.

Requirements
While there are no residency requirements for voter registration, to be eligible to vote a person must have lived in the state for one year and in the county six months, according to state law. In Hale County, there are registration offices in the County Courthouse in Plainview; at Struve's Dry Goods in Hale Center; at Abernathy Insurance Agency in Abernathy; and at the Kelly - Suits Agency in Petersburg. Under the provisions of the new law, there are no roving deputies; however, a person may register by mail. Included in October tax statements sent to Hale County residents were two voter registration applications. Hollars stated that anyone wishing to register by mail may fill out an application, sign it, and send it in, thus completing voter registration requirements.

INCOME TAX

FARMER'S FILING REQUIREMENTS

Dallas, Texas --Farmers who earned at least two-thirds of their 1966 gross income from farming should file their declaration of estimated Federal income tax for 1966 on or before Monday, January 16, 1967. Form 1040Es should be used for this purpose. However, Ellis Campbell, Jr., District Director of Internal Revenue in northern Texas, said that farmers need not file an estimate if they file their 1966 Federal income tax return, Form 1040, and pay in full any tax due by February 15, 1967.

"Farmer's Tax Guide," (Publication No. 225), which furnishes information on this subject, may be obtained by dropping a post card to your District Director, Internal Revenue Service, 1600 Patterson Street, Dallas, Texas 75201 or from your county farm agent. Fishermen who expect to receive at least two-thirds of their gross income from fishing may file declarations of estimated tax, or Form 1040 in lieu of declarations of estimated tax, on the same dates prescribed for farmers.

SOCIAL SECURITY NUMBERS
The good tax folks remind us that we are required to list our correct Social Security Number on our 1966 Federal income tax return. If you file a joint return, both husband and wife should list their number. If you don't have a Social Security Number, Application Form SS-5 can be obtained from your local post office. Now is the time to get a Social Security Number if you don't have one.
