

Young Homemakers Make Plea For Contributions To Community Park

The Young Homemakers of Texas put great emphasis on work in the community. These young women work each year toward strengthening their homes and community life with a project.

This year, the Haskell Young Homemakers are making a plea for last-minute contributions to their Community Park Project.

The club decided to provide a new piece of playground equipment for the City Park in 1969. But due to the unexpected high price and short time left in the fiscal year, the club voted to continue the project through 1970 and ask for help from community clubs.

The equipment in our park is rundown, and in some places too hazardous for our children to play on. Our goal is to eventually fix the equipment

there and add another attractive piece.

Campers and vacationers passing through our town may be more attracted to our parks camping area, if there is nice equipment for their children to play on.

Clubs contributing through March 1st are, the Haskell Jaycees, the Magazine Club, and the Haskell Volunteer Fire Department. Each contribution has been extremely generous, but so much more is needed. Contributions are needed by the set deadline of Saturday, March 20th, and may be sent to Club Treasurer, Janie Jameson, 701 N. Ave. H, or Club President, Mrs. Linda Burson, Route 1, if you have children that use our park or if you are interested in the prosperity of our community, then we urge you to participate.

Stamford Electric Cooperative, Inc. Reveals Oratorical Contest Winners

Carolyn Reed, Junior student at Stamford High School, and Russell Letz, Sophomore student at Old Glory High School, were winners in an oratorical contest sponsored by Stamford Electric Cooperative, Inc. The winners will have an 11-day all-expense paid trip to Washington, D. C., leaving June 13 and returning June 23, according to Darryl Schomaker, Member Services Director of SEC.

Runners-up in the contest were Dorothy Ellen Garman, daughter of Mr. and Mrs. Lewis Garman, and Junior student at Abilene High School, and Thomas Bearden, son of Mr. and Mrs. Carl Bearden, a Junior student at Stamford High School.

Miss Reed is a daughter of Mr. and Mrs. A. C. Reed, and is a Junior student at Stamford High School. She is a member of the National Honor Society, contestant in UIL Band Solo and Ensemble, 1968-70 All-District Band, in the east of Junior Play, received Latin award, is a member of Fine Arts Club, contestant in UIL Typing and UIL Vocal ensemble and maintains a grade average in school.

Russell Letz is the son of Mr. and Mrs. Edward L. Letz of Old Glory, has been contestant in Public Speaking Contest at State 4-H Round-up two years, won third in Regional UIL in Boys' Prose, Contestant in Regional Ready-Writers Contest, member of all-district basketball team 1969, in east of UIL One-Act Play, and finalist in Regional Tennis in 1969.

Other contestants in the finals were Regina Letz, Old Glory, Teresa Ann Vandevanter, Leuders-Avoca, and Randy Williams, Anson.

The contest was open to high school students between the age of 16 and 18 in the area served by SEC, and delivered an oratory on "My Future in Rural Texas". The winners will be among 100 young people from all over the state participating in the sixth annual Texas Electric Cooperatives Government-in-Action Youth Tour to the nation's capital city.

BLEVINS PROMOTED TO ARMY SERGEANT

Raymond E. Blevins, 21, son of Mr. and Mrs. William A. Blevins, Throckmorton, Texas, was promoted to Army Sergeant near Friedberg, Germany, where he is serving with the 3rd Armored Division.

Sgt. Blevins, a senior message center clerk, in Headquarters Battery, 2nd Battalion of the division's 27th Artillery, entered the Army in November 1967 and was stationed in Vietnam before arriving in Germany last May.

He is a 1967 graduate of Woodson High School.

The ceremony took place January 22nd.

West Texas Girl Scout Council Is Hosting Relations Service Workshop

The West Texas Girl Scout Council is hosting a Public Relations Services Workshop, March 11-12, at the Starlight Motel in Abilene.

P. R. representatives, both staff and volunteers, from nine Girl Scout Councils in the West Texas and Southwest Oklahoma areas, will be attending the 2-day sessions.

"We are expecting from 50 to 60 people," said Miss Beth Nowotny, executive director of the West Texas Council.

The focus of the event will be helps for council services in the area of council-agency relationships, resources, public affairs and organizations relationships.

Conducting the "learning opportunity" are Miss Lomah Watt, Public Affairs Specialist, and Mrs. Kirby Webster, Materials Resource Coordinator, from the Region V, National Branch Girl Scout Office, in Kansas City, Missouri.

The workshop will begin at 10 a. m. Wednesday and close at 2:30 p. m. Thursday with an evening session on Wednesday from 7:30 to 9:30 p. m.

The following Girl Scout councils are expected to attend: Amarillo, Caprock in Lubbock, El Camino in San Angelo, Heart of Texas in Brownwood, NorCentex in Wichita Falls, Permian Basin in Odessa, Quivira in Pampa, Southwest Oklahoma in Hobart, and West Texas in Abilene.

A County Wide 4-H meeting will be held in Haskell on March 5th at 7:30 p. m. in the Corral Building. All 4-H members in Haskell County are invited to attend. Anyone interested in joining 4-H is invited, according to Mrs. Barbara Elliott and Max Stapleton, County Extension Agents.

Plans will be made for District Contests, and Sue Hager of the Weinert 4-H Club will present a demonstration to help 4-H members to prepare for the contest.

The recreation will be provided by Joan Caddell and Sue Hager of the Weinert 4-H Club and Melissa Roberson of the Rochester 4-H Club.

Refreshments will be provided by the Rule 4-H Club.

Fashion Show Attended By Homemakers

The National Cotton Council presented a beautiful cotton apparel through the Stamford Homemakers industrious assistance. Ten women attended from the Haskell Chapter and took several guests.

Those attending were: Mrs. Mary McCollum, Mrs. Grace Hannz, Mrs. Edie Connel, Mrs. Linda Burson, Mrs. Jean Hale, Mrs. Wynette Mullins, Mrs. Larue Teague, Mrs. June Perry, Mrs. Judy Brister and Mrs. Pat Gary.

Mrs. Janice Browning modeled a two-piece pants ensemble of white cotton material with corresponding polka dot scarf from Lane-Felker in Haskell. The upper blouse doubled as a stylish mini-dress when the pants were removed.

An excellent style show of the new Spring and Summer McCalls patterns gave the ladies many ideas on their future sewing adventures.

TAX MAN SAM SEIZ

There is a story told around the Internal Revenue Service office in Dallas that there is a little Revenue Service Ground-hog. This little fellow comes out of his hiding place every February 2. He's not very good at forecasting the weather, because he gives a dual forecast. This year he forecast that April 15 would be a bright, clear, warm, nice, sun-shiny day for early income tax filers—but

Paint Creek Community News

Mrs. Gene Overton

The Paint Creek part of the world is surely having beautiful weather this week. It is still too wet to work in the fields since the rains last week, but the days are nice for fencing or repairing farm machinery, or working in the yard, or moving cattle, or planting gardens or just living in the best rural community in the friendliest county in the second largest state of the greatest nation in this good old world.

Most of the flu and "flumonia" (as one little girl called it) cases are well, and except for Mrs. Ray Perry, I think all Paint Creekers are out of the hospital this week. Mrs. Perry is a patient in the Hendricks Memorial Hospital in Abilene, recovering from a cranial.

Gene Brazell, father of Buddy Brazell, was moved from the Haskell Hospital to Hend-

ricks Memorial Hospital, in Abilene Monday.

Mrs. Grace Montgomery and her son, John Carlos of San Angelo flew to San Francisco last Friday where Carlos will attend a national convention of IBM salesmen and suppliers, and Mrs. Montgomery will visit her brothers, Bert Dilbeck and Del Dilbeck and their families. They will be in California about 10 days.

Mr. and Mrs. Arthur Watson spent Sunday before last with their daughter's family, Mr. and Mrs. John Lee Holcomb in Olney.

Paint Creek School observed Public School Week with open house for the parents and patrons of the school Tuesday night. Each room was open at 6:00 for patrons to visit and see the exhibits. At 7:30, there was a play in the auditorium which was directed by Mrs. Willie

Lee Medford and Mrs. Felts, and had a cast composed of high school seniors. Refreshments were served following the play.

Mr. and Mrs. H. B. Montgomery and Mr. and Mrs. Gene Overton and Waller were in Abilene Thursday night for opening night of Cooper High School's senior class musical, "Brigadoon." The play was directed and choreographed by William Overton.

First Lt. Mike Overton had a wonderful experience in Vietnam last month. On February 6th he was told by his commanding officer to pack his bags because he was going on a three week's trip. He got on a plane and landed at Nui Dat that same day. He had no idea of what was happening until he landed. He moved in and unpacked his bags and then was told that he was an exchange pilot from his 146th Aviation Company to the 161st Reconnaissance Flight of the Royal Australian Army Air Corps. Nui Dat is an Australian post—"no Yanks or bloody Vietnamese" are there, Mike was the first pilot to be an exchange, and he was treated royally. They

Plans Mapped For The Little League Season

By Geraldine Hise

The Haskell Little League meeting was held Monday night March 2 at the City Hall. The session opened at 7:30 with the president, Wayne Phemister, urging all parents to participate in the program. Interest has slackened off in the last year or so, and needs all the support it can get from parents and friends.

The following officers were elected: President, Wayne Phemister; vice-president, Jessie Dean; secretary, Mrs. Wayne Phemister; treasurer, Gene Long; score keeper, Mrs. R. E. Colbert; Umpire and Chief, Jessie Sanchez; reporter, Mrs. Lonnie Hise; player agent, James Andrews; safety officer, Elvis White; equipment manager, Roy Pitman.

It was decided the Board of Directors were to be the president, vice-president, secretary, treasurer, the managers of major league teams and Umpire and Chief.

Registration cards will be distributed in the Elementary School for children to register. Parents, please sign the card and return to the school as soon as possible.

Tryouts will be at the Little League Field April 9, 10 and 11; Thursday, April 9, 9-year-olds at 5:30 p. m.; Friday, April 10, 10-year-olds at 5:30 p. m.; Saturday, April 11, 11 and 12 year olds at 1:30 p. m.

Managers are: Tigers, R. E. Colbert; Hawks, Glen Darden and Fred Green; Rams, Asst. Jamie Sorenson; Cubs, Jerry Sorells and Jerry Weatherly; Lions, Lonnie Hise and David

Frierson, Minor League; Cats, Audie Stocks; Red Horses, R. D. Williams and Isaias Longoria; Crows, Harley Langford; Owls, Helen Bartley; Bears.

There is a great need for minor league managers. If any man or woman is interested, please contact the president, Wayne Phemister.

All managers are asked to turn in the equipment and suits to Roy Pitman by March 7th. Boys, please turn in all suits to Mr. Pitman or your manager by the 7th of March.

Auction Nets \$587 For WT Rehab. Center

James Powell, Haskell County Fund Raising Chairman for the West Texas Rehabilitation Center, Abilene, stated that \$587.00 was raised from an auction of a Shetland pony at the Haskell Livestock Auction, Saturday, February 21.

The Shetland was donated by the Pritchard children of Stamford and was sold and re-sold a number of times, netting the

were all lieutenants and captains and one major, and they dressed up for the evening meal with ascots and all. They toasted the Queen, sang "Waltzing Matilda" and "Rule Britannia", and ate kidney pie and Yorkshire pudding. He thoroughly enjoyed his three weeks. The Australians live in tents, and really rough it, but they live comfortably in the middle of an old rubber plantation, and the trees were wonderful to Mike. Where he is stationed at Long Thanh there are no trees and it is dirty and dusty.

He got to fly the Australians weird little planes, and one of them the PC-6 Porter, which is a Swiss-made plane, is a dream to fly, Mike said. It is single engine, but can take off and land in such a short space. He liked the Australian pilots so much and gave them his cowboy hat, his boots, his belt and his blue jeans, and they promised to come to Texas some day and visit him.

Mrs. E. O. Henry, maternal grandmother of Mrs. Tom Horton, died in San Antonio last week following an illness of several months. Her funeral services were held last Monday.

Mr. and Mrs. Irvin Overton, Dwight and Marcia, visited Mrs. Ray Perry in the hospital in Abilene last Friday.

Mrs. V. P. Morrison of Mineral Wells spent last week with Mrs. Pat Morrison and Joan. Waller Overton was in Mineral Wells Saturday to buy a

second canoe for Troop 48, B.S.A. of Paint Creek. He went on to Dallas where he spent the weekend with Jim Smith.

Little Kelly Chaffin of Midland spent last week with her grandparents, Mr. and Mrs. Paul Fischer.

Herman III, a red Angus herd bull belonging to Gene Overton had the fatal misfortune to meet a truck over on the highway last Wednesday morning.

Rehabilitation Center Facing Financial Crisis

The West Texas Rehabilitation Center is in a acute financial situation. This was acknowledged at the Board of Directors meeting on Tuesday, February 17. The Center has suffered from severely curtailed Medicare payments and spiraling medical personnel costs.

Coupled with increasing patient loads and inflation in general, the non-profit facility has slowly been losing financial ground each month.

Board President, Bobby Sayles of Tuscola, states that after examining last year's records, many regular donors have not responded. After a brief survey of the area, many of the Board members stated that they felt that the public had the false assumption that the West Texas Rehabilitation Center was financially solvent.

Sayles stated that the only way the Center would continue to serve as a comprehensive rehabilitation center for the vast West Texas area was with continued public support; that no stop-gap methods would guarantee month-by-month operations.

It was pointed out that with the present financial situation, emergency funds are needed and it was hoped that an informed public would be a giving public and help the Center again reach monetary stability.

RETURN HOME

Mr. and Mrs. James E. Mallow and daughter, Angela, of Vondenberg AFB, California, have returned home following a visit here with their parents, Mr. and Mrs. Ben F. Roberts. They returned by way of Fort Worth for a visit with Mrs. Mallow's brother, Bennie Roberts and other relatives.

In accordance with the Texas Liquor Control Act, notice is hereby given that Oasis No. 2, Don Caffey, sole owner, 514 Dodson Drive, Stamford, Texas, has applied for a package store permit, under the name of Oasis No. 2, Liquor Store, to be located 270 feet north of Haskell-Jones county line in Haskell County, Texas, on the west side of Highway 277.

Lee McKelvain, County Clerk, Haskell County, Texas.

WE ARE MOVING

Thanks to our customers for their patience and understanding during this relocation period. We are nearly squared away in our new LOCATION (previously Gilmores, next to railroad) and looking forward to serving you.

We would like to point out a few things which you may not know. We are starting our 7th year in Haskell, we have greatly increased the line of merchandise which we carry. You will find first of all a complete stock of genuine INTERNATIONAL HARVESTER PARTS backed by qualified service personnel. We have a very large stock of BOLTS, NICHOL'S SWEEPS (prices, they are too low to quote), BALL AND ROLLER BELTS, DELCO REMY ELECTRICAL PARTS, PRESTOLITE BATTERIES, MARK IV AIR CONDITIONERS for tractors and automobiles. Many items too numerous to mention. When you need old or new parts or even a set of piston and sleeves for a F-20, be sure we or we both lose money, as this stuff will be CHEAP.

We want to thank these men for buying NEW MODELS during our first week in business in our new location:

To Ensure Safety On The Highway Take Courtesy Along For The Ride

The next time you get behind the wheel of your automobile, take courtesy along for the ride. Your life—and somebody else's—may depend on it!

"Bad manners cause more accidents than bad automobile parts," says Mr. Paul Graham, President, Texas Motor Transportation Association. "It has become almost a joke in our society that a man who will hold the door open for a sweet little old lady will run that same little old lady off the road when they are both driving."

Not that all the offenders are men and all the victims are little old ladies. Bad driving manners—and good—are exhibited every day by both sexes and all ages—from 16 on up.

There is no way of knowing how many accidents are caused by bad highway manners. "We do know that the majority of accidents on our highways occur under what might be considered perfect operating conditions," Mr. Graham says, "and only a small percentage are caused by mechanical failure."

One driver will cut in front of another. The second driver—his feelings wounded—loses his

temper and steps on the gas. Or, one driver attempts to pass another; the second driver does not like it and increases speed. The passing car can't get back into the right lane. Or, a driver—knowingly or unknowingly—has his bright lights on. An oncoming driver, angered by the blinding lights, retaliates. The result—two half-blinded drivers.

"Weaving in and out of traffic, turning without giving a signal, tailgating, stopping suddenly without warning—these and other acts of discourtesy are irritating but, more than that, they're extremely dangerous," Mr. Graham warns.

"A courteous attitude is not only a much safer attitude," Mr. Graham says, "it makes for more pleasant driving. And it is contagious. Professional truck and bus drivers—who have the safest of all driving records—have found that a courteous act by one driver almost always will lead to a similar act by another driver."

Four Marriage Licenses Issued During February

Four marriage licenses were issued from the County Clerk's office during the month of February, as follows, according to Mrs. Lee McKelvin:

William Kenneth Watson, of Haskell, and Doris May Davis, of Weimert.

Ruben Medellin, of Haskell, and Modesta Juarez, of Knox City.

Lupe Manuel Medellin, of Haskell, and Angelita Juarez, of Knox City.

James Robert Berryman, of O'Brien, and Cynthia Kay Davidson, of Rochester.

Fees Collected

Monthly report of fees collected in the County Clerk's office during February were as follows:

Recording fees, \$521.75; chattel mortgage fees, \$260.75; marriage license fees, \$20.00; criminal court fees, \$155.55; probate court fees, \$109.00; miscellaneous fees (copies), \$74.00; notary bond and cattle brands, \$6.00; sheriff, judge and attorneys fees collected, \$335.65; law library fees, \$25.00; fines collected, \$568.80. Total, \$2,076.50.

What They Wore... by PHYLLIS JOYCE

Rotary Club Members Hear Bob Lambert

Excellent attendance was noted for both members and guests at the noon luncheon session of the Rotary Club held Thursday, February 26th, in the dining room at the City Cafe.

President Eldon Anderson presided over the meeting. Invocation was given by Rev. H. O. Abbott and the singing was led by H. V. Woodard, with Gail Barnett at the piano.

Presxy Anderson reported on the board of directors meeting held on the same date and advised club members of two recommendations made by the board for action. The Young Homemakers were presented with a check for \$50 to be applied on new playground equipment for Haskell's City Park, a project which the Homemakers have been working on for some time.

Members also voted to again participate in Boys State sponsored each year by the American Legion. Sixty-five dollars will be presented toward the expenditures involved in sending a boy to Boys State.

Guests noted were Jake Moser, of Wichita Falls; Alfred Allen of Estes Park, Colorado; Buddy Graves of the Southwest Rotary Club, Lubbock, plus high school guests Leeta Ferris and Judy Solomon.

Howard Perry was program chairman for the day and introduced Bob Lambert and Billy Jacobs who represent the West Texas Council of Governments, a relative new program instituted by Governor Preston Smith in his endeavor to determine what the people want, and to attempt to formulate plans to expedite their desires over a long range program of ten years or more.

Lambert gave an interesting and informative talk on the purposes and goals of the Council of Governments and distributed questionnaires to those present, especially requesting that they answer and specifically state some of the things they would like to see our own area secure in the future.

IF YOU LIKE FISH... TRY A WELL-STOCKED FARM POND

Do you like to fish? If so, you might try a well-stocked farm pond. Farm ponds are excellent for largemouth bass, bluegill, and catfish, according to Jim Boykin, Soil Conservationist, Soil Conservation Service, Haskell.

If a pond is stocked with the right kinds and numbers of fish, Boykin said, it will give you many hours of fun-filled fishing. Most ponds are stocked with bass and bluegill. A combination of bluegill and redear sunfish along with the largemouth bass may also be used.

These species reproduce regularly and fishing is usually good unless mismanagement or an accidental fish kill upsets the population.

All rough fish should be killed prior to stocking. Boykin stressed. They may upset the stocking rate by spawning before hatchery fish arrive. These rough fish may also harbor disease and parasites if left in the pond.

An average stocking rate of 50 bass and 500 bluegill per acre is sufficient for ponds having natural fertility. According to research the pond should be at least one surface acre or larger before channel catfish are added in combination with other fish.

During the second year after stocking a bass and bluegill pond will have produced its maximum pounds of fish. The total weight cannot be increased unless you raise the fertility level of the pond.

The pond is ready to fish when the bass have reproduced successfully. This occurs the first spring after the bass are stocked, if they mature correctly.

West Texas Rehabilitation Receives Three Year Accreditation

The Commission on Accreditation of Rehabilitation Facilities, a division of the Joint Commission on Hospital Accreditation, has granted three-year accreditation to the West Texas Rehabilitation Center, Abilene.

Centering his talk on the "Concern for Children," Mr. Smith pointed out that the Rehabilitation Center gives therapy to disabled children, enabling them to further their education by attending school.

Smith also emphasized that all gifts, large or small, must come in to keep the Rehabilitation Center's fight for survival going.

Rev. R. D. Williams, PTA president, presided over the meeting; Mrs. David Frierson introduced the speaker, and refreshments were served by the Hospitality Committee.

Elementary School Principal, Alex Sween, expressed thanks for the large crowd present for "Dad's Night," which added emphasis to "Public School Week."

HASKELL CAP NEWS

By Ethel Phea

To begin today we are going to pick up a few excerpts from a fellow CAP news letter.

Mr. Joe B. Ramon, new Executive Director for CAP made these statements at a meeting in Abilene. Quote, "Working for CAP means total involvement of Self. Believe in what you are doing. Help people with all their problems. There must be fellowship and followship through. Finish the Job. Do not deal in gossip. Live and do what you preach. Be a good example to others. NOTE TO THOSE WHO SYMPATHIZE. Be patient and there will be harmony. Continue the faith in the CAP staff. Give and thou shalt receive, not necessarily to whom you give immediately. (NOTE TO THOSE WHO CRITICIZE DESTRUCTIVELY)

To err is human: to forgive is divine - Shakespeare. You should check Tennessee Wil-

liams for an answer or rebuttal to hypocrites.

We all should read 80 John, a book by a well known pioneer in this part of the country. Some people need to read other works of art for understanding - such as the New Testament. We must be ready for the Messiah if he is to come - ARE YOU? Kindness is a good quality.

Trust in self and others. Faith in self and others. Perseverance will help to accomplish goals. UNQUOTE. ... We believe if we have an Executive guiding us through the Crisis of laying a good foundation in the CAP field in our area, like Mr. Ramon, we will overcome.

The CAP Center is happy to announce the work has started at the center. Windows are being put in by volunteers. If you have 30 minutes or an hour or so that you would like to donate to the center, call or drop by. Several have asked what we need at the center. We have tried to explain and inform you the best we could. You ask what could be of help to the community? We are in what is known as the poverty areas. What is Poverty? Well, the best we can describe it is, Poverty is that true definition of, "YOU CAN'T MISS THAT YOU'VE NEVER HAD."

We appreciate the many things that have been brought to the center in the way of clothes, shoes, and some other things that have been donated. We would be less than grateful not to thank you, but that is not enough. Maybe, just maybe, you're the one with influence. Just maybe you're the one with the ability to counsel the young and old.

Drive around this area at your leisure and look at the conditions of the area. Maybe you're the one who can lead a drive on the Health Hazards. Maybe you can serve as a good organizer.

News from Rule

MRS. FAYE DUNNAM

Chosen Pastor
Rev. Leonard Molone of Streetman, Texas, was chosen as pastor of First Baptist Church of Rule at a called business meeting after Sunday night services, on March 1st.

Rev. Molone and his family, wife Kay Beth, and daughters, Kellye and Kay Lynn, 9 and 7, respectively, visited in Rule on Saturday and Sunday and he preached both morning and evening services.

Sunday afternoon an informal get-together tea was held in the church banquet room.

Rev. Molone is a graduate of Baylor University and is at present attending seminary in Fort Worth where he will graduate in December, following his present schedule.

The Molones' plan to move to Rule about March 21st and his first sermon will be April 6th, after holding a previously scheduled revival.

Weekend visitors in the home of Mrs. F. L. Chambers and Sheila were: Anella Chambers of Canyon, Louise Diealing of Wall, Judy Wilde of Rowena.

Family Night At Club
Saturday night, March 7 will be Family Night at the Rule Recreation Club. Members will bring covered dishes. Hostesses, Mr. and Mrs. Jack Wilcox and Mr. and Mrs. Ed Fouts, will furnish bread and beverages. Time, 7 p. m. Come out, bring your family and food and enjoy food and fellowship.

Tuesday afternoon, March 10 from 4 to 6 there will be an elementary school party, hosted by Mrs. Wilcox, Mrs. Fouts and Mrs. Sonny Denson.

Cooperators Complete Installation Of Several Conservation Practices

The following cooperators with the California Creek Soil and Water Conservation District have completed the installation of these conservation practices: Thurman Howeth, 15,320 feet parallel terraces; Shelly Royal, a farm pond for livestock water; R. G. Foote, 17 acres of grass seeding of unsuitable cropland to permanent pasture and 1,776 feet of fence to protect the newly seeded grass until establishment can be secured.

The following cooperators with the Wichita-Brazos Soil and Water Conservation District have completed installation of these conservation practices: R. C. Couch Jr., a farm pond for livestock water; Sammy Grindstaff, 32,680 feet of parallel terraces; Chas. M. Conner, 48,395 feet of parallel terraces;

Alfon Sanders, 12 acres of land leveling for better utilization of irrigation water, and Melvin R. Hill, two grassed waterways and 500 feet of diversion to control outside water entering the farm.

Recommendations and technical layout assistance for the installation of these practices were provided by the Soil Conservation Service.

Cost share assistance was furnished to these producers by the Great Plains Conservation Program administered by the SCS, and the Agricultural Conservation Program administered by the Agricultural Stabilization and Conservation Service.

Census A Time For Americans To Take A Close Look At Themselves

Every 10 years Americans take a good look at themselves to reinforce the platform of facts on which to base plans for the future course of the Nation.

The occasion is the census of population and housing conducted once each decade as required by the Constitution. The 19th in a series stretching back without interruption to 1790 will be taken on April 1.

Responsible for the census is the Bureau of the Census, U. S. Department of Commerce. The count will be conducted from 395 temporary Bureau district offices throughout the United States, each of which will cover an area containing approximately 500,000 persons. District offices began opening on January 19, with the entire group in operation by February 9.

The census tells us what we are as a Nation and is a necessary stock-taking. History has shown us to be a practical people, busy in the pursuit of our concerns, and we need a careful look at ourselves at regular intervals. The census will throw light on all the changes that have taken place in recent years.

For the average American, the census will be a simple exercise. The Government asks that he devote a few minutes to answer questions about himself and his housing. The questions will be on printed forms that will be sent by mail to each household.

For 80 percent of the households there will be about 23 questions that require perhaps 15 minutes to answer. Fifteen minutes every 10 years is not a heavy burden. For the other 20 percent of the households, there will be an average of 69 questions that will require about 45 minutes.

It is impossible to overstate the importance of taking these few minutes to put the facts on record. Crucial decisions affecting every person in the Nation

depend upon the accuracy and completeness of the census. To begin with, political power hinges on the census count: Official population figures are used to determine the fair apportionment of seats in the Congress as well as in State and local legislative bodies. Further, Federal funds are distributed locally on the basis of census population figures.

Government leaders from the highest Federal authorities to local officials plan and develop programs involving billions of dollars on the basis of what the census tells of the characteristics of people and their housing. And the same holds for non-government leaders responsible for the stewardship of our many enterprises.

President Nixon has said of the census: "Even as our population has grown in size over the decades, so the functions of the regular census also have expanded. Today, we are interested not only in an accurate counting of heads but also in a better description of our social condition. We know that unless a people can be adequately informed about their present, they cannot make intelligent judgments about their future."

For the individual, the census is secret. No individual need fear that he is exposing himself to public view. The answers he gives about himself and his housing are held in strictest confidence. Census employees are forbidden by law from disclosing any fact about a person and would be subject to heavy fine and imprisonment for a violation of the law. In processing, facts about individuals are added in various ways resulting in statistical totals that depict the state of the Nation.

Change has even affected the mode of taking the 1970 census. This year, the 65 million U. S. households can be their own census takers. Each household will receive a census questionnaire by mail on or about March 28 and will be asked to fill it out as of April 1 according to enclosed instructions. The number of questions asked will be on the average the fewest of any census in the past century.

In most of the large metropolitan areas, people will be asked to mail completed questionnaires back to their census district offices in a brown post-paid envelope provided for the purpose. The envelope and form with all questions answered should be mailed on April 1st. These people need not see a census taker unless they return the form incomplete, neglect to

return it at all, or ask for assistance. In the remainder of the Nation, people will be asked to fill out the form on April 1 and hold it until it is picked up by a census taker.

About 185,000 temporary workers will be hired by the Bureau to take the census. Included will be 160,000 census takers (called enumerators); 13,000 workers in the 395 temporary offices, and 12,000 crew leaders and other supervisors, including a manager for each district office. Had not the changes in census taking methods been made and successfully proved out in field tests over a period of several years, it is estimated that this year's census would have been completed in 1960. The 1970 census was 18 months in advance of the 1960 census. The 1970 census will be completed in 1970. The 1970 census will be completed in 1970. The 1970 census will be completed in 1970.

The Rochester 5th and 6th grade basketball teams participated in the O'Brien tournament. Both teams played Knox City teams, losing both games on Monday. In their second game on Thursday, the Rochester girls team defeated a different Knox City team. Their third game was played on Saturday morning with a third Knox City team, Rochester lost and was out of the tournament. The girls made a good showing under the tutelage of Phil Simmons.

The boys' team lost to Old Glory in their second game played on Thursday, thus eliminating them from further play. Ronnie Partain coaches the boys. Local citizens supported these young players and are looking forward to future championships!

Last week the District 26-B coaches met to decide the All-District girls team for the 1969-70 season. Chosen on the team for Rochester were Miss Louise Byrd on forward and Miss Kay Newson, on guard. Both girls are classified as juniors in Rochester High School. Making the second team were Miss Janay Tibbets on guard, a junior, and Miss Riva Hitt on guard, a freshman. Debbie Beauchamp, a freshman forward, received Honorable Mention. The Steerettes capped a successful season with these honors accorded to them. District 26-B foes had better watch this veteran team in '71, as they return all members off this year's team plus some junior high talent. This week the girls will begin their Volleyball season.

Open House Shined Thursday

Thursday, March 5, the Rochester Public School will present its annual Public School Week Open House and Program.

Each year at this time, the Texas Education Agency sets a week for the schools to have an open house so parents and friends can come and see the accomplishments of the students during the present school year. After the Open House, which is the time for all students, in grades 1-12, to show their work, the guests are treated to a program.

This year's theme for the program is "Sound of Music". The Steer Band will begin the program with a concert. Their first number will be "The Sound of Music." After that they will present a program of marches and contemporary music. After the band is finished with their part, groups from grades 1-12 will present several skits on the Rochester School.

Planning the program this year are Mrs. Phil Simmons, Mr. Don Lamb and Mrs. Orville Hamilton.
