

Nat Jones

Nat Jones, son of James B. and Sarah Adeline Jones, was born in Zephyr, November 9, 1888 and departed this life January 15, 1969 at the Parmer County Community Hospital in Friona, at the age of 80 years, 2 months and 6 days. He celebrated his 80th birthday in Abernathy in November with over 60 relatives and life-time friends present at the home of his only grandson, Mr. and Mrs. Billy Ray Raybon, assisted by his daughter, Mrs. Neva Raybon. His early years were spent in Brown County, Scurry County and Hale County all in Texas. He attended school in the Estacado school system and later attended Clarendon College, at Clarendon, Texas. Mr. Jones was united in marriage to Miss Wealtha Wayne Dodge of Estacado, May 29, 1908 at Plainview, Texas. To this union one son was born who died in infancy, and one daughter, Neva Adeline Raybon. He also leaves his beloved grandson, Billy Ray Raybon who he raised as his own son; Billy's wife, Lauri who he loved and admired and his only great-grandchild, Anna Kathleen Raybon, she being his pride and joy. Mr. and Mrs. Jones made their home in Hale County until 1910 when they moved to Colorado, returning to Abernathy in April 1915, residing in this area until they moved to Friona in 1919. This beloved pioneer was preceded in death by his loving wife, Wealtha, August 5, 1941, one son in infancy, his parents, James and Sarah Jones, brothers Aubry, Ed, John, Burr and Ernest and one sister in infancy. Since the death of his beloved wife, his daughter, Neva

had been his close companion, making their home together. In March 1944, Nat, Neva and Billy moved to Springfield, Colorado, where he was engaged in the cafe business, ranching and farming and where he made his home until his death. He was a member of the United Methodist Church of Springfield, joining the Methodist Church with his wife in Estacado at a very early age, always remaining faithful to his church. Kind, generous, in his opinion of others, he truly fought a good fight, always keeping faith in the Lord. Life has been made easier for many through his wise counsel and Christian fellowship, and the world has been made better because of the life in which he lived. He held a very warm place in the hearts of his many friends, because of his great kindness and friendly smile. Mr. Jones leaves to mourn his passing one daughter, Mrs. Neva Raybon, Friona; one grandson, Billy Ray Raybon and wife, Lauri; one great-granddaughter, Anna Kathleen Raybon, all of Abernathy; two brothers, A.M. of Abernathy, and H.G. of Bell Flower, California; two sisters, Mrs. Lula Darden, Abernathy and Mrs. Clara Galloway of Georgetown, a host of nieces, nephews and friends. As we stand by the broad rolling river and watched our dear ones cross o'er we can see the great Boatman departing to carry them safely to shore. As we follow them down to the river and bid them the last sad good-bye; We know we must make the same journey if ever we meet them on high we expect to be ready to meet them no matter how angry the waves; Hoping them to be carried to glory by Him who so wondrously saves.

Twin Ring Vows Read

MRS. WILLIAM C. FORBES (Carol Susan Barron)

The First Baptist Church of Abernathy was the scene for the uniting in marriage of Miss Carol Susan Barron and Mr. William Claude Forbes. The double ring wedding vows were exchanged at 5 p.m., Friday, January 24. The Reverend Murry Brewer of Abernathy officiated. Mr. and Mrs. Edwin Atchison are parents of the bride. Mrs. Florine Forbes of Abernathy is mother of the groom, and L.B. Forbes of Andrews is father of the groom. The bride was given in marriage by her father, Mrs. Edward Mullikin, sister of the groom, of Lubbock was matron of honor. Larry Northcutt of Abernathy served as best man. Joe Atchison, brother of the bride, of Abernathy was candlelighter. Ushers for the wedding were Jim Forbes and Edward Mullikin, brother and brother-in-law of the groom. Mrs. L.J. Hager was organist and accompanied Mrs. Jerry Gist, soloist. The bride wore a formal-length gown of chautilly lace with petal point sleeves and sweetheart neckline. Her veil of illusion was attached to a princess tiara. She carried a bouquet of white carnations surrounding a white orchid atop a lace covered Bible. Her attendant wore a rose brocade A-line dress carrying a pink cascading bouquet. The reception was a 6:08 15th Street at the home of the groom. The couple's wedding trip was to Lubbock. They will reside at 708 9th Street in Abernathy. The bride is a graduate of Abernathy High School and attended Southwest Texas State College in San Marcos. The groom graduated from Abernathy High School and is a candidate for June graduation from Texas Technological College. He is employed in the Business Office of the City of Abernathy. He is a member of the Goid Band from RAID and, treasurer of Kappa Kappa Psi, and member of Beta Alpha Psi honorary accounting fraternity.

County Sets Minimum Pay

Hale County Commissioners spent the morning hearing reports, then once again discussed salaries for most of the afternoon in a regular Court session Monday.

The group set a minimum salary for full-time employees now working for the county at \$300 and at the same time approved a \$300 a year increase for the Hale County Agent, Associate and Assistant Agents.

Those persons receiving raises by the minimum standard set by the Court included four persons in the tax assessor-collector's office and two secretaries.

Other action during the session included raising the limit on County participation in providing library funds in the County from \$600 a year to \$900. However, the Court said that in order to receive the extra funds, libraries affected would have to match the increase. Libraries that could be affected by the increase are located at Hale Center, Abernathy and Petersburg.

Hear Report

The increase came after the group heard a report on activity at Unger Memorial library and its activity during 1968.

Commissioner Jack Eason suggested to the Court that Hale County contribute \$50 a month to upkeep of cemeteries in the County. However, Judge C. L. Abernethy pointed out that an Attorney General's opinion ruled against using County money on a cemetery other than those owned by the County.

Court members granted approval of Attorney Jack McCreary's bond so he might help in collection of delinquent taxes for the County. McCreary, a Dallas lawyer, was approved to help in collections at the last Court session, and has worked with the County tax office for several years in the same capacity.

In other action, the Commissioners approved a gas line easement for Pioneer Natural Gas to lay a gas line to irrigation wells located on Hale County Airport property. The wells are used by National Alfalfa Co., which rents the property from the county.

Also approved was a year's extension to the Central Plains Community Action Program for

use of offices in the basement of the Courthouse.

Program director Oliver Bier met with the Court to make the request and to give a brief summary of activities of the CAP.

Appointment of new members to the Child Welfare Board was listed on the agenda Monday, but Abernethy said a list of names was not ready.

Names Auditors

Abernethy also told the group that District Judge John T. Boyd had named Larry Peckham to another two-year term as County Auditor, and Mrs. Lanell Julian to a similar term as Assistant Auditor.

The appointments become effective Feb. 1.

Abernethy then reminded the Court that a hearing on Interstate 27 would be held in Austin Friday. The meeting has been called by the Lamesa Chamber of Commerce and other members of the U.S. 87 Association.

The group will meet with the Texas Highway Commission to discuss the new road, which will use U.S. 87 as a part of the basic road between Lubbock and Amarillo.

CITY GARDEN CLUB MEETS

The City Garden Club met January 23 in the club room, at 3:00 p.m. Mrs. Brown and Mrs. Brewster served as hostesses. Mrs. Gist, president, presided over the business session. Mrs. Shipman brought the demonstration on beautiful figurines. Those attending were Mmes. Dewey Price, Harlow Neis, Truitt Pool, S.M. Harrison, M.M. Bell, Dessie Neal, Floyd Shipman, Morris Gist and the hostesses. Next meeting will be a Valentine social to be held in the club room Tuesday, February 11th at 6:30 p.m. --Reported.

COUNTRY GARDEN CLUB NOMINATES NEW OFFICERS

The Country Garden Club met Tuesday, Jan. 21 in Graham's party room with Mrs. J. Morris Thomas as hostess. Fifteen members were present. Leader for roll call and program was Mrs. Lloyd Edwards. The program selection committee presented programs for 1969-70 study. Nominating committee presented their nominees for new officers for 1969-70: Pres.-Mrs. Otey Shadden; Vice-Pres.-Mrs. Jerry Nix; Sec.-Mrs. J. L. Miller; Corresponding Sec.-Mrs. Roy Matthews; Treas.-Mrs. J. H. Barnett; Reporter-Mrs. E.B. Braly; Parliamentarian - Mrs. Jack Barton; Historian-Mrs. Dwayne Taylor.

ATTEND WEDDING OF GRANDSON

Mr. and Mrs. H.V. Galloway attended the wedding of their grandson, the Rev. Gary W. Kendrick, of Denver, Colo., Jan. 24, in Fargo, Texas. The bride was Miss Barbara Haynes of White City, Texas, a Texas Tech student. Miss Charlotte Duval of Lockney accompanied the Galloways to Fargo. She was a bridesmaid in the wedding party. Miss Duval is a Texas Tech student.

Left is Harry P. Stuth, Jr., president of Dealers National Insurance Co. and Billy Shipman of Abernathy, who received the '69 Thunderbird from Stuth. Piece of cake Shipman is holding contains the keys to the new car.

(By Carolyn L. Elliott, Ruder & Finn, Inc., 647 Capital Nat'l Bank Bldg., Houston, Texas 77002)

Abernathy, Texas, population 3,100, has been proud of Billy Shipman for many years, but Dealers National Insurance Company has shown him his popularity extends as far east as Dallas.

Today Shipman, the town's leading independent insurance agent, drives a lime gold 1969 Thunderbird, the proceeds of a colorful wager he made with Dealers President Harry P. Stuth, Jr.

The story goes like this: a

year ago President Stuth was passing through Abernathy when he decided to pay a goodwill visit to the owner of Shipman's Insurance Agency.

The enthusiastic Dealers National agent made an unexpected wager with President Stuth: if Shipman's automobile and casualty insurance premiums increased by 150% in 1968, Dealers would provide a Thunderbird for a year.

Despite the fact that Abernathy has a total population of only 3,100, Shipman exceeded his ambitious quota by 25%. But President Stuth is delighted to have lost the wager. He

and A.R. Oldham, Dealers vice president in charge of marketing, chartered a flight from Dallas for a luncheon in Lubbock and special presentation to Shipman January 24. A special guest from Dallas, John Gordon, Ford's regional manager of the Fleet and Leasing Division, served dessert.

Baked inside a cake in the shape of a Thunderbird, were the keys to a matching automobile parked outdoors.

Stuth indicated he may issue as many as 15 such mobile achievement awards for Dealers' Texas agents for 1969.

Farmers Must File W-2's by Jan. 31

Farmers have until Jan. 31 to file reports on the Social Security taxes withheld from their employee wages. Ellis Campbell, Jr., district director of Internal Revenue for northern Texas, said this week.

THE REPORTS should be filed on Form 943, Employer's Annual Tax Return for Agricultural Employees.

Campbell said that any farmer who pays an employee cash wages of \$150 or more a year must withhold Social Security taxes. Taxes must also be withheld on wages under \$150 for any person hired 20 days or more a year.

For tax purposes, a farm employer includes anyone who furnishes and pays workers to perform agricultural labor on his behalf or for someone else. Campbell said a "crew leader" is an employer under this definition.

THE 1968 tax rate is 8.8 percent of the first \$7,800 of taxable wages paid a farm employee. Half the tax is paid by the farmer and the other half by the employee.

Farmers should remember to give a W-2 wage and tax statement to every worker they pay \$600 or more a year. Employees paid less than \$600 should receive a statement covering their Social Security taxes, Campbell said.

Book Released On Marijuana

Marijuana is not properly a narcotic; it is an hallucinogen, more kin to LSD than heroin, according to a new book just released by Texas Alcohol Narcotics Education (TANE).

Legally, however, "Mary Jane" is classified as a narcotic, and possession of the weed is a felony. The feminine gender of its name is also proper; marijuana is the flowering top and upper leaves of the Indian Hemp plant, according to the book, "Why Not Marijuana?" by Lindsay R. Curtis, M.D., author of several books on drugs.

The book, aimed at youth, and illustrated with cartoons, is distributed primarily through schools, churches and service clubs. According to TANE's Executive Director, Albert F. Tucker, 80,000 copies comprised the first printing.

TANE is a non-profit, educational organization, dedicated to preventing problems that arise from the use of alcohol, narcotics, and other dangerous drugs. It is a Texas organization, supported financially by Texas churches and individuals, however, it's books and film strips are in use nationally, and in several other English-speaking countries.

A film strip will be produced, based on the book, "Why Not Marijuana?" to be added to TANE's present "Tell It Like It Is," film strip series on drugs.

AUSTIN — The Texas Highway Commission Tuesday officially designated the new interstate highway between Amarillo and Lubbock as Interstate 27.

The system probably will pass through Plainview along the route now covered by U.S. 87 Loop.

An order issued by the Commission directed that advance planning proceed on the section from north of Canyon, south to U.S. 62 in Lubbock.

No definite date for start of work on the project when it was announced earlier, but state and federal officials at the time said they thought it would be started within five years.

Plans were announced earlier to begin building overpass systems at the north and south ends of the Loop around Plainview, with that activity supposed to begin this year.

FEB. 3 THROUGH MARCH 21

Federal Farm Program Signup Period Announced

Signup time for Hale County farmers participating in the government farm program is Feb. 3 through March 21.

According to Joseph B. Stokes, chairman of the Hale County Agriculture Stabilization and Conservation Committee, the signup will be conducted simultaneously for feed grains, cotton and wheat.

The National feed grain program virtually is identical to that for 1968 with the target acreage diversion of 37 million acres of corn, grain sorghum and barley. This compares to the 1968 diversion program of 32.4 million acres when barley was not included in the program. The 1969 diversion plan is designed to produce about three to five million tons below estimated requirements.

Hale County
In Hale County during 1968 farmers in the program planted 155,612 acres of the 270,485 allotted grain sorghum production areas on 1,825 farms. Wheat allotment in Hale County in 1968 totaled 54,951 acres.

Price - support loan and payment levels for corn and sorghum will be the same as last year.

Producers may participate in the program by reducing their total base acreage by 20 per cent. Additional acreage reduction is encouraged by acreage diversion payments based on 45 per cent of the county price-support loan and payment times the farm's projected yield. USDA figures feed grains

production for 1968 will be about 168 million tons. Utilization for the 1968-69 marketing year is estimated at 169 million tons by October of 1969.

Price Support
Price support loan levels under the 1969 program will be corn, \$1.05 per bushel; sorghum, \$1.61 per hundredweight; oats, 63 cents per bushel and rye, \$1.02 per bushel. Barley will be 83 cents per bushel instead of 90 cents as in 1968 due to eligibility for price - support payment.

Price support payments remain unchanged from 1968 at 30 cents per bushel for corn, 33 cents per hundredweight for sorghum and 20 cents per bushel for barley.

All price - support payments will be based on planted acreage up to one - half the farm base times the projected yield.

Substitution provisions relating to wheat and feed grain acreage will be continued in 1969 and will be announced prior to signup time.

Cotton Program
Farmers may plant unused upland cotton allotment acreage to any crop without affecting their eligibility for benefits under the 1969 cotton program Stokes said.

"However," he noted, "if a farmer plants other crops for which acreage allotments or bases are in effect he should be careful, of course, not to plant in excess of the acreage permitted under programs for these crops." Cooperators in the

cotton program are required to maintain the conserving base that has been established for their farms.

Under the 1969 cotton program recently approved by farmers in a national referendum, growers may plant 100 per cent of their effective upland cotton allotments for the first time in three years. "With additional quantities of quality cotton needed to supply our mills and other domestic and foreign customers," Stokes said, "many farmers are expected to plant cotton on their total effective allotments in 1969. Others will plant less than the full allotment and devote the acreage not used for cotton to other crops."

Payment Approved

Small cotton farmers will be eligible for a special small farm payment under the 1969 cotton program whether or not they actually plant their allotment.

The payment, amounting to 11.26 cents a pound on the projected yield of 35 per cent of the farm's total effective al-

lotment, had previously been provided in the over-all cotton program for 1969, as required by legislation.

Today's announcement established that the payment may be made even though the farmer does not plant any part of his allotment. The cotton program defines a "small farm" as one with an effective cotton allotment of 10 acres or less, or one with a projected production of 3,600 pounds or less.

Stokes said allotments on farms receiving the small farm payment will be considered as devoted to cotton production for determination of history acreage and for future allotments to State, county, and farm. Farms releasing acreage will not be eligible for the small farm payment.

Small farm operators who plant some acreage to cotton will also be eligible for price - support payments and loans on the same basis as farmers who operate larger farms, Stokes added.

Deadline for turning in news copy for The Review is 4 p. m. Monday.

A man owes it to himself to become successful. Once successful, he owes it to internal revenue.

HALE COUNTY SALARY RAISES VOTED

Lakeview News

Hale County Commissioners approved a 12 per cent increase on the board pay raise for county employees, and tentatively approved a \$100 a month raise for all elected officials during continuation of a regular Court session Tuesday in Plainview.

The 12 per cent increase replaces a 10 per cent increase approved by the Court in November.

Members of the group said by granting a 12 per cent increase, Commissioners would allow Hale County employees to keep approximately the same take-home pay as they did before the County entered the County Retirement System.

Costs of the pay raises and the retirement system should cost Hale County approximately \$96,000 a year on an estimated 100 employees. Current salaries total just under \$40,000 a month.

The salary raise should cost approximately \$4,800 a month, or \$57,600 a year, while county matching funds for the retirement system should cost about \$3,200 a month, or \$37,632 a year.

Most Cases
In small cases, County employees will receive a few dollars more per month than they did before the increase, but the increase will be slight. The retirement system will take seven per cent of their total salary, with increased taxes and other deductions taking care of most of the rest.

Commissioners' salaries will go from \$7,102.32 a year to \$8,302.22, while most other elected department heads will draw the same salaries.

County Judge C. L. Abernathy received a raise of approximately \$1,432, since his salary must stay proportionately higher than other elected officials.

Mr. and Mrs. Dennie Edwards, Marreo, Louisiana, a son, Dennie Myrl Edwards, Jr., weighing 6 pounds 2 ounces, Jan. 6. The baby is the grandson of Mr. and Mrs. John Edwards, Abernathy.

INCOME TAX INFORMATION

CLAIMING MARRIED STUDENTS TAX MAN SAM SEZ:

If your son or daughter is going to school during the year, but was also married and depending on you for his or her-- or his and her--support, you need to observe several rules in order to claim the exemption on your return:

Don't let the married student file a joint return on their income, (if any). Since they must file separate returns, they will have to split their income and each file on their community half. You must have provided principal support for one or both married students in order to claim the dependent or the dependents. Be careful to maintain your support records on married student dependents and/or their dependents. They can also claim, and must claim personal exemption on their own return, however, they cannot claim any grandchildren if you claim them.

FRIDAY DEADLINE FOR W-2 FORMS

(Dallas, Texas)---Friday, January 31, 1969, is the deadline for employers to give employees their 1968 W-2 forms, showing the amount of earnings, income tax withheld and social security information. Director of Internal Revenue for Northern Texas, said today. Forms W-2 have to be filed with income tax returns and those who had more than one job last year should make sure they have received all of them when they file their returns.

CARD OF THANKS

We wish to express our heartfelt thanks to all of our relatives and friends who telephoned, sent cards, letters and flowers to our loved one, Nat Jones, who suffered a heart attack and was confined to Palmer County Community Hospital in Friona for one week. Each message at that time, brought a smile and message of comfort to him.

Thanks for the beautiful floral offering, and all kindnesses extended from all understanding friends in Abernathy. Special thanks to Mr. Joe Chambers at Chambers Funeral Home, to Rev. Conrad Ryan and to the ladies of the community who prepared and served lunch to our family Saturday noon at the church. Thanks too for all food brought to our home by understanding friends.

May God's richest blessings be upon each of you.
