Grain Association Moves To Lubbock

(From GREATER LUBBOCK, the Hub City Chamber of Commerce magazine for April/May, 1969.)

Lubbock is the new home of the Grain Sorghum Producers Association. Elbert Harp, executive director of the 8,000-member association, announced today that the GSPA has closed its offices in Amarillo, where the organization had been headquartered since its inception in 1955.

The association has moved to 1212 14th Street in Lubbock. This will be designated national headquarters of the GSPA, which hopes eventually to open six field offices in all major grain sorghum producing areas of the United States, Harp said.

ELBERT HARP

Harp was named by the board of directors several weeks ago to succeed Bill Nelson of Amarillo as executive director. Nelson, who had held the post since 1957, resigned, effective March 31, to enter private business.

"I couldn't have moved out of the Lubbock area," Harp said, explained the decision to locate the headquarters here. He will commute between his farm home at Abernathy and the Lubbock office.

Harp farms some 1,920 acres. He has obtained a manager to run his farming operation and will devote full-time to the GSPA job. He added, however, that he will continue general supervision of his farming interests.

"I want to make it plain that we will continue to serve our members in the Panhandle," Harp stressed. "We want in the future to put a regional field office in that area which also would cover the grain sorghum area of Kansas and maybe Nebraska."

Abernathy Weekly Review
Abernathy, Texas

I am enclosing a picture and a short write-up on one of our local girls, Donna Carol Huffaker, daughter of Mr. and Mrs. Donald Huffaker. I would appreciate you running it in this weeks paper.

Donna was selected to represent Abernathy High School in the "Good Citizenship" contest, sponsored by the Mary McCoy Baines DAR Chapter of Plainview. Donna received this honor because of her outstanding qualities in DEPENDABILITY, SERVICE, LEADERSHIP, and PATRIOTISM. She and her mother, Mrs. Donald Huffaker were invited to a DAR tea Feb. 12 at the Plainview Clubwoman's house where they were to have been the guests of honor. She was recognized and awarded a "Good Citizenship" pin. Her qualifications were then forwarded to the State Chairman to compete on the State level. It was with great pleasure the Mary McCoy DAR Chapter awarded Donna with this honor.

Thank you,
Mrs. Don Bybee

Fifty-Seven Seniors Awards Assembly Is Held To Receive Diplomas

Baccalaureate services for the Senior Class of '69 will begin at 8:00 p.m. on Sunday, May 25, in the school auditorium.

The processional will be played by Mrs. Betty Hardin. The invocation, given by Rev. Jude Strickland from the Assembly of God Church, will be followed by a sermon from Rev. Murray Brewer, pastor of First Baptist Church. Rev. Harold Rains of the Church of the Nazarene will give the benediction. The recessional will also be played by Mrs. Betty Hardin.

Commencement exercises for the fifty-seven seniors will be Thursday, May 29, at 8:00 p.m. Following the processional, Annette Adkisson will give the salutatory address. Donna Huffaker will then present her valedictory speech.

A reception will follow in the school cafeteria given by the First Baptist Church.

Huffaker And Adkisson Earn Highest Honors

Donna Huffaker and Annette Adkisson were named valedictorian and salutatorian, respectively, for the '68-'69 school year.

Donna's four year average was 93.97.

After graduation, Donna plans to attend Texas Tech and major in Home Economics.

Anticipation mounts each year as the Awards Assembly nears. There is considerable speculation concerning each award. Wednesday, May 21, all high school students met in the auditorium for the '69 awards.

The National Honor Society initiated its new members and gave an information program about N.H.S. The new members are: Johnny Henson, Kay Jones, David Davenport, Cecilia Hardin, Daryl Harp, Kathy Irish, Debby Murray, Cindy Oswalt, Frank Reagan, Rewayne Struve.

Several senior girls took the Betty Crocker Homemaking Test earlier in the year but have had to wait until now for the winner's award. Donna Huffaker received this award by scoring the highest on the test.

The student body elected Annette Adkisson as Miss A.H.S. and Clark Riley as Mr. A.H.S.

The following students were selected outstanding in their respective fields.

- Who's Who:
- Vocational Agriculture—Tim Barton

Rep. Wayne Wins Round, Loses One In Power Test

AUSTIN — A test of power in the House Public Health Committee between Reps. Frances Farenthold of Corpus Christi and Ralph Wayne of Plainview ended with each winning a skirmish.

Rep. Farenthold was sponsoring a resolution that would direct the Public Welfare Department to raise funds from individuals, businesses and foundations to help the state in welfare assistance.

The resolution notes that the present constitutional limit on welfare payments in the state is \$60 million a year and voters in 1968 turned down a proposal to raise this to \$75 million.

HCR 128 also notes that a proposed ceiling of \$80 million will be considered by voters August 5 of this year.

Mrs. Farenthold argued that the money is not nearly enough to take care of the needy and proposed that the Public Welfare Department look to other avenues.

Rep. Wayne objected, saying that industry is already contributing through many other charitable funds. He said that the Red Cross, United Fund and other organizations were already performing this service and he doesn't think that the taxpayers' money should be spent to ask them to contribute again.

Mrs. Farenthold won the first skirmish when the committee refused to table the resolution 44 on a proposal by Wayne, Wayne, however, won the second battle when the committee voted to send the bill to a subcommittee under the automatic rules by refusing to suspend the rules 5-4.

Elementary Library To Be Open This Summer

For the last nine months Abernathy elementary students have enjoyed a new library. Mrs. June Jones is the librarian in this beautifully decorated library which will accommodate many more books than the 5044 which it now contains. Although the library is closed for this school year, another 207 books will go on the shelves before June. It also has six sets of reference books.

On June 9, the library will reopen from 8-11:30 a.m. and 1-4 p.m. The morning program which consists of films, story-telling, and looking at books, will close on July 21. However, the afternoon session which is for checking out and reading of books, will be open until August 1.
