### STUDENTS MAY REGISTER FOR MERIT SCHOLARSHIP

Abernathy High School students who expect to complete their secondary school requirements and to enter college in 1971 can register now to participate in the 1970-71 National Merit Scholarship Program, Counselor Charles Bowen announced The first step for all students

who wish to enter the nationwide Merit Scholarship competition is to take the National Merit Scholarship Qualifying Test (NMSQT). The test will be given in the school at 9:00

a.m., Tuesday, February 17, 1970. Taking the NMSQT is also the first step for students who wish to participate in other scholarship programs administered by the National Merit Scholarship Corporation (NMSC). These programs include the National Achievement Scholarship Program for outstanding Negto students and Special Scholarship programs administered y NMSC for business and industrial

NMSQT participants pay a \$1.25 test fee.

When his NMSQT scores are reported, each participating student will receive a handbook to help him understand his scores and compare his test performance with that of other high school students across the country. The handbook, which contains information about making college choices and finan-cing a college education, is furnished as a part of reporting the student's test results. Other interpre-

tive materials are sent to the school, The highest-scoring students in each state will be named Merit Program Semifinalists and will be eligible for Merit Scholarship consideration. In addition to the National Merit Scholarships financed by NM-SC, more than 400 business corporation, foundation, colleges, professional associations, union, trusts, other organizations, and individuals offer scholarships through the Merit

About 21,800 students have won Merit Scholarships in the fourteen programs to date. Approximately 3125 new winners of Merit Scholarships entered college this fall.

The kick for the extra point was wide and Abernathy held a 7-6 half time lead.

Fired up the second half, and determined to play better ball, the Lopes played better defense and forced Idalou to punt after their first possession. Charles Johnson burst through the left side of the line on the Lopes second play and ran 55 yards before being stopped on the Idalou ro yard line. Two running plays and two pass attempts failed to produce the score and Idalou took over. On their second play a jarring tackle by Johnson knocked the ball loose from the Idatou carrier and Travis Knight recovered. Harrison took the

# B TEAM

The Abernathy B team lost their first game of the year to make their record 2-1. Their loss was to Littlefield B team by score of 8 to 6.

Littlefield scored first late in the second quarter on a 45 yard run. A run for the two 8-0 at the half.

Mike Hedges set up Abern- said. athy's only touchdown on a 35 yard run down to Littlefields 6 yard line. David Lovelace ran the ball over from the 4 yard line. The try for two extra points was no good. The outstanding defensive

players for the Lopes were Tommie Myatt and Larry Betts, and Ruwayne Struve. Outstanding offensive players were David Lovelace, Mike Hedges and Bruce Kinast.

The B teams next game is against Hale Center at Hale Center Thursday night at 7:00

Coach McKay said the "B" teams played well throughout the game and their effort and hitting was the best of the year for them. He was especially pleased with two boys who transferred from the varisty to help the "B" team, and both of them were playing at new positions -- Tommy Myatt and Gordon Settle.

# 9th GRADE

The Abernathy freshmen football team continued on the winning path as they defeated Littlefield's 9th graders last Thursday night. When the dust had settled after all the scoring by both teams, the Lopes were ahead 34-16.

The first quarter ended with neither team on the scend zone from two yards out. Joe Evans kicked the extra point. The touchdown by interception and run by Mike Cuevas. The score at halftime. was Abernathy 7, Littlefield

The third period produced another Antelope score as Evans caught a pass from quarterback Steve Riley and ran 28 yards to paydirt. Evans

kick was no good.

The fourth quarter was a wild scoring affair for both teams. Vickers scored on a one yard run and a pass from Randy Settle to David Loper produced two extra points. Mike Cuevas intercepted another Wildcat pass, returned it to the one yard line and then scored his first touchdown of the night. Evans again kicked the extra point. The final Lope score came on a one yard dive by Vickers. This time Evans kick was no

Both Littlefield touchdowns came in the last quarter with their second coming on the last play of the game. Outstanding on defense for the young Lopes was Cuevas and Teddy Teeter. The top offensive players were Vickers and Riley.

Coach Max Kennedy expressed pleasure with the way the 9th graders hit and played in the game. He noted that the freshmen Lopes have shown great improvement each week and feels they will continue to show added improvement as the season progresses. "These Antelope Varsity players of the future have a great desire to be an outstanding team. With the attitude they now have we know they will accomplish extra points to make the score great things before they get out of Abernathy High," Kennedy

# JUNIOR HIGH

A visit to Lockney last week brought a victory and a defeat for the Abernathy Jr. High teams. The 7th grade team again failed to win its first game and the 8th graders continued undefeated. The 7th grade score was 20-0 in favor of Lockney, and the 8th grade final was 14-12 in Abernathy's favor.

In the 7th grade contest, the Abernathy team failed to muster an offense as they made only one first down and only 25 yards total offense. The defense played good and produced some fine efforts by Steve Oswalt, Kent Harrison, and Joey Dorman, Oswalt blocked a Lockney punt in the third quarter to give Abernathy its deepest penetration on. the Lockney 22 yard line. Penalities and mental mistakes killed the chances for scoring. The 8th graders had to call

on the defense to stop an extra point try by Lockney to produce their win. The winning margin came on extra points scored by Pat Hedges. The Abernathy touchdowns came in the first half on a 17 yard run by Hedges and a 10 yard jaunt by David McClendon. Lockney seered on two long runs of 94 and 64 yards but failed to get the extra points. Outstanding performers for Coach Campbell's 8th graders were Dwight Hardin, Darrell Blevins, A lbert Dominguez and Ruben Rodriguez on defense. On offense Hedges, McClendon, and Q.B. Ray Martin drew pr atse from the coach. Coach Campbell also recognized an outstanding job of punting by

e Board of Education of Abernathy Public Schools met in regular session October 6, 1969 in the Board Room of the High School. The annual fiscal audit report by Bolinger, Segar, Gilbert & Co., was presented and accepted by the Board. A financial statement of the schools will be published in the Abernathy Weekly Review, in accordance with the law.

A tax report was given for the current school year showing that the tax roll includes \$21,635,457 for the 1969 school evaluations. An enrollment report was presented giving a total enrollment of the schools as 1125, down one student from the same date in 1968. In addition to this, there are 74 kindergarten students enrolled for a total enrollment of 1199. The high school shows a major growth with a record enrollment of 307 students while the junior high and elementary schools are down from the previous year. Also included was a report of the school nurse and a report from the cafeteria which revealed that an average of 571 students participated in the lunch program during the month of September.

In other action, the Board discssed the purchase of a tractor mower, the FFA representatives attending the state fair, and a fund-raising activity for the FFA. Also discussed was the legislative program of the 61st Legislature and new school laws that are now in effect or that will be in effect with the beginning of the 1970 school

The next regular Board Meeting will be at 7:00 p.m., November 3, in the Board Room. Those in attendance were: L.J. West, president; Billie Harrison, vice president; Joe Lovelace, secretary; J.H. Myatt; Joe Oswalt; David Pinson; and Bob Riley; Dr. Delwin Webb, superintendent of schools; Earl Carter, business manager; and Orland Gilbert who presented the audit report as representative of Bolinger, Segars, Gilbert & Co.

SOME THINGS YOU SHOULD KNOW ABOUT GIRL SCOUTING

When a girl becomes a Girl Scout, she is doing more than joining another club. She becomes a member of a nation-wide and worldwide movement. The organization of Girl Scouts of the United States of America is the largest organization of its kind for girls anywhere in the world. It is important to our country, because Girl Scouting prepares girls for patriotic citizenship and service.

The Girl Scout leaders, the troop committee members, and all who serve in Neighborhoods and on the Girl Scout Council volunteer their time. It takes all the traditional gentleness and understanding of women to train our daughters today for a better tomorrow. Specifically, we're talking about Girl Scouting. which, since 1912, has grown from twelve members to over 3 million members. This has happened because women know that Girl Scouting is significant in shaping the future. They understand that when a girl is a Girl Scout, she learns how to get along with others, to accept responsibility, and, in short, how to live democracy. They know that when Girl Scouting touches a girl, it also affects a family, a community, and the nation.

# **Pioneer Gas Seeks Rate** 4th ST. & AVE. H LUBBOCK Adjustment

Pioneer Natural Gas Company has announced its intention to file an application with the Railroad Commission of Texas for an adjustment in the city gate rate for gas delivered to its 61 city West Texas system.

A new gate rate will have no immediate effect on current gas rates, Pioneer officials say. However, such an increase would establish a new cost of gas at the city gate for any subsequent changes in domestic and commercial rates in cities within the West Texas

labor, materials and stantially. Pioneer

Pending legislation would cause its continuation and the outcome can be better judged during the pendency of the Railroad Commission preceeding. Continuation of the tax at a five per cent rate would add approximately one-half cent add approximately one cent.
