NUMBER 2

AHS ANTELOPE PLAYERS OF THE WEEK

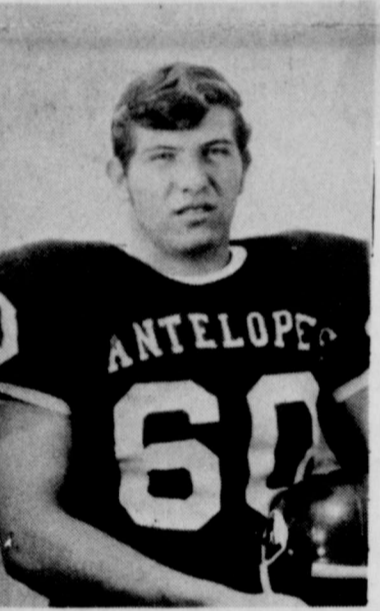

BASKETBALL SEASON IS OPENED HERE

JOHNNY HEMPHILL (Defense)

TRAVIS KNIGHT (Defense)

LARRY TURNER (Defense)

The Abernathy football coaches chose three Antelopes as outstanding defensive players in the Friona game, and decided not name a top offensive player. Inconsistency was the reason given for not identifying an offensive star. "The backs ran hard at times and our blocking was good at times, but we never did get together and have a sustained drive on offense," Coach Nickerson said. He did praise the efforts of quarterback Bobby Klatt and the receiving of Ronald Harkey and Don Snodgrass in the last minute attempt to pull the game out for the Lopes.

The three defensive stars were Larry Turner, Travis Knight and Johnny Hemphill--all linebackers in the Antelope defense. Coach Kennedy praised these three for being in on a record number of tackles. "All three broke our previous record for the number of tackles they were in on, and all three played great defensive football," he said.

Turner set a record that will be hard to equal by being in on 26 tackles. Hemphill was close behind with 24, and Knight was responsible for 19 tackles. Coach Nickerson had special praise for Knight: "He played his defensive position as well as any player I have ever seen. His play in the Floydada and Friona games has been almost perfect. It's a real pleasure to see an athlete perform to the best of his ability." Travis has in these two games. "Others mentioned for their defensive play were Ruwayne Struve, Kirk Lane, & Jim Forbes.

Antelopes End Football Season

Playing in below freezing weather, the Abernathy Antelopes failed in a last second bid and fall to the Friona Chieftans 9-7. Scoring on their first possession, the Lopes took a 7-0 lead on a 30 yard pass point. Friona countered in the second quarter with a 28 yard field goal and the Antelopes took a 7-3 lead into the intermission.

The second half saw good defensive play by scoring threats by both teams failed to materialize until Friona scored on a one yard plunge by their fullback, with 4:30 left in the game. The Lopes received the kickoff following the Chiefs score and were forced to punt after three passes fell incomplete. Daveavenport got off a 65 yard punt that gave the Lopes the ball on their own 15 yard line. They moved the ball to the Antelopes 20 yard line before the Lopes stopped them on a fourth down try and took possession with less than fourty seconds left. Behind the passing of Klatt to his favorite targets, Harkey and Don Snodgrass, the Lopes moved the ball to the Chiefs five yard line. With three seconds left, Larry Turner's field goal try was short, but the Antelopes were given one more try when a Friona lad was caught off side on the field goal try. Klatt pass to Harkey was battered away by a Friona defender, and the Lopes went down 9-7.

The coaches praised the defense for an outstanding job against Friona. The offense, operating for the third straight week without running back Charles Johnson, could never get a sustained drive going until the last few seconds. Coach Nickerson said, "Our backs (Mark Harrison, Klatt, Mike Kerr, Kirk Lane, Johnny Hemphill) ran hard, but none of them have the speed to break for the long gainer."

The Antelopes finished the season with a 5-5 won-lost record. The coaches praised the seniors for their efforts during the whole year, but especially for the way they played in the Lopes last two games, which they lost by a total of three points. Coach Nickerson expressed his feelings about the seniors: "They worked hard and never quit. They had a great attitude and willingness to sacrifice individual desires for the good of the team. We are going to miss them next year, but they have established an attitude and tradition that will make our job as coaches a lot easier in years to come. We love them for never quitting and for playing their hearts out, even when the odds were against them."

Of those juniors and sophomores on the team, Nickerson said, "They all included in the 'B' team, learned a lot of football this year and we saw tremendous progress made by each individual. If these young men will keep the same attitude and stick together like they have this year, Abernathy has an exciting future in athletics for several years to come."

Coach Kennedy noted, "We are extremely pleased with the development of our younger players, including our freshmen. The freshmen finished the season with a 4-4 record and with these boys playing on our Jr. Varsity next year, they can develop into an outstanding football team. There is a lot of potential in this class, and the 8th grade team will come in as freshmen next year sporting a 4-1-2 record, and a number of kids who seem to love football. All-in-all, the future looks real good for our football program."

5th GRADE TEAM

The 8th grade Yearlings struck for four quick touchdowns against Littlefield and then held off in the second half for a 28-14 victory. With Pat Hedges at the helm, the Yearlings moved the opening kickoff down the field. David McClendon went the last five yards to put the 8th graders on the scoreboard. Bobby Johnson raced 13 yards for the second T.D. He also got the call for the extra points. McClendon provided another T.D. as he went four yards over left tackle. The extra point was kicked by

Ruben Rodriguez. In the last part of the first quarter, Dwight Hardin provided the Antelope fans with a thrill as he took the ball away from the Littlefield quarterback and raced 31 yards for the Lopes final T.D. Rodriguez again kicked the extra points to make the score 28-0.

Substituting freely throughout the remainder of the game, Coach Campbell's crew failed to score again while allowing Littlefield 14 points. Coach Campbell said, "I have been thoroughly impressed with the desire and attitude of these 8th graders. They perform soundly as a team and are satisfied with nothing less than perfection. The best thing about this team is that it is full of boys that love to hit and that's the most important thing in football. These kids have a great future ahead of them as they move on into Abernathy High School."

7th GRADE TEAM

The seventh grade football team saved all its scoring for the final game of the season and defeated the Littlefield seventh graders, 8-6. In their first win of the year, the 7th grade scored their only touchdown and extra points of the year, the T.D. came in the third quarter on a 40 yard run by Steve Myatt after intercepting a Littlefield pass. Littlefield had scored in the first half to take a 6-0 lead, and Abernathy had to score the extras to win. Tommy Horsford ran for the extra points, but an offside penalty nullified his efforts. From eight yards out, Steve Oswald swept left end and following the good blocking of Israel Garza got the game winning points.

Playing good defense in the fourth quarter, the Yearlings thwarted the efforts of the Littlefield offense to score. The top defensive play came with less than one minute left when Doug Rogers pulled a Wildcat runner down from behind to stop what looked like a sure T.D.

Coach Campbell recognized Horsford, Oswald, Kent Harrison, and Joey Dorman as playing outstanding games at their offensive backfield positions. Good blocking was provided by Mark Burress, Don Davis, David Sanderson, David Thomas, Garza, Myatt, and Billy Teakell. Artis Betts was praised for his kicking.

Defensive standouts where Oswald, Harrison, Horsford, Robert Scott, Rogers, Davis and Thomas. Coach Campbell made this comment concerning the seventh grade football team: "These boys have worked hard all year and the sweat then spent on the practice field paid off for them against Littlefield. I'm sure the future will bring a continuation of improvement."

AHS STUDENTS OFFERED UNIQUE OPPORTUNITY

Abernathy High School students, under the supervision of Mr. Bob Hudson, are learning creative skills to be used in home life and employment, after finishing high school. Skills learned by students include sewing, upholstering furniture, antiques and wood finishing.

The thirty students go to regular classes of English, Social Studies, Math, and Science all during their four years of high school. Also, yearly advancement is made in projects, such as the state requires of the classes. After meeting these requirements, the students are eligible for their high school diploma.

The facilities used are in a barracks building, located behind the high school gym. Mr. Hudson has been responsible for acquiring the needed sewing machines, saws, tools, and other necessary materials used.

"THE MAN WHO SAVES HIS OWN COTTONSEED" Let's call him Grower A. He knows what seed production is all about... how seed quality insures greater production of higher quality cotton. He produces his seedstock with these elite methods: one variety farm, one variety gin for handling seed cotton, one variety trucking, one variety storage, handles big volume for processing one variety with absolute cleanup at every stage of handling. He knows that seed can be mixed at many points such as the gin or delinting plant and that "varietal mixture", so common with farmer-saved seed, hurts his overall production. Further, he's aware of the genetics and agronomics of seed production. We salute Grower A. He produces planting seed exactly the way it should be done... exactly the way every bag of Johnny Cottonseed is produced. If your seedstock is anything less, you should be concerned. But maybe we can help. If you don't have the time, facilities or desire to go into the seed production business, check into our unique SEED BANK program at your local coop gin or elevator. You can get your choice of varieties in both guaranteed quality and supply. It's a service offered by your own cooperative, Growers Seed Association. Sign up now at your local coop gin or elevators. John Walker of Odessa plays the title role of the patriotic young lieutenant (jg) who wants a transfer to a fighting ship, and Luther Williams of Lubbock is the obstreperous captain bent on keeping him aboard. Terry Marrs of Crane is the happy-go-lucky Ensign Pulver who is slow on the uptake except where the girls are concerned. Perry Langenstein of Lubbock plays Doc, the ship's understanding medical officer. Betsy Bickley of Pecos, the blonde and beautiful nurse, Lt. Ann Girard, is the lone woman in the cast. Dr. Clifford Ashby, director, and Gail Wofford, graduate student from Johnson City, Tenn., designed the nautical set, a replica of a WWII cargo ship with sliding panels fore and aft that will enable the audience to view the interiors of cabins where portions of the action take place. Steve Carter of Abernathy will play Schlemmer, a seaman. Carter is a graduate of Abernathy High School. He is the son of Mr. and Mrs. Robert W. Carter.
