ball field.

day Sept. 29.

Here Sept. 30

(By Sammy Hunley)

Some people might have been quoted as saying, "The. spirit of Abernathy is dying out with the years." Many thought the 'fighting Antelope tradition'no longer existed, and up until a couple of weeks ago, this seemed to be the case. Then like the changing

West Texas weather, a new coach named Birdsong and a small group of young, courageous football players overnight brought a dying town to its feet. It was Abernathy in every

respect Friday night -- the excellent turnout of the fans, superb marching of the band, and good football. SCORES QUICK

Abernathy showed they came to play early. They took the opening kick and after three quick pass plays, Dane Vickers scored on a 25 yard run. The extra point failed.

Abernathy kicked to Hale Center and their ground game seemed to start working but

seemed to start working, but the hustling Abernathy defense soon put the stop to that and took over on downs. Abernathy started their sec-

ond drive. Bobby Cuevas was the big gun carrying the ball five times. After a Riley-to-McClendon pass putting the ball in good field position, Bobby Cuevas scored Abernathy's second touchdown with a six-yard run.

Again the defense showed poise and good hustle causing Hale Center to punt after only four downs. Abernathy's third touch-

down drive came with 9:36 left in the first half. After moving the ball 70 yards in seven plays, Riley hit David McClendon for a 10-yard touchdown pass.

The defense, led by Albert Dominquez, Bobby Cuevas and Darrell Blevins, again held the Owls. Abernathy started its fourth touchdown drive.

After a couple of good pass plays from Riley to Larry Lutrick and Kent Snodgrass, Vickers once again scored from the seven yard line, ending the half with the Antelopes leading

To the surprise of everyone the Hale Center Owls started the second half with a Bang I Their ground game behind fullback Jimmy Compton started moving after receiving a holding penalty which moved the ball to the Abernathy five yard line. The Owls scored with the clock reading 6:57 in the third quarter.

Once again the potent of-fense of the Antelopes started to move. Behind the excellent blocking of the offensive line, Dane Vickers started running again and, after three quick plays, scored on a 30 yard run. A flag was thrown and the play was called back. This didn't slow the Anteropes down, and after a Riley-to-Bobby Cuevas pass to the nine yard line, Vickers scored again. Extra point was no good. Abernathy led 30-6 with 4.01 left in the third quarter.

Hale Center began giving the defense trouble again in the fourth quarter. Their threat looked pretty good until Albert Dominquez made a brilliant interception, giving the defense the charge they needed. Hale Center remained scoreless the rest of the game.
Coach Birdsong gave the

second team players a chance in the fourth quarter. Although they did not score a touchdown, their hustla and determination was outstanding.

Abernathy is now undefeated in three games. Their hustle and enthusiasm has brought the community alive and to its feet. Win, lose, or draw -they're still the greatest. PLAY BROWNFIELD

The Antelopes will meet Brownfield Friday night at Antelope Field. Brownfield has won two of its first three games. and seems to have a well bal-

anced team. Everyone is encouraged to come out and support the Antelopes.

HOMECOMING SET NOV. 3

Abernathy School's annual Homecoming is scheduled for Friday, Nov. 3. Highlights of the event will be a giant pep rally, coronation of the Homecoming Queen. The homecoming will be topped off with a District 4-AA football game between the AHS Antelopes and Ralis Jackrabbits on Antelope Field that night at 7:30.

Tickets Are On Sale Here

The Annual Khiva Shrine Football Game is scheduled for 7:30 p.m. Thursday, Oct. 12, at Jones Stadium, Lubbock. The Texas Tech freshmen will meet the University of Houston freshmen in the benefit football tilt.

Proceeds from the game will be used for financing Shrine hospitals, the Center for treating burns, located in Gaiveston, and the Shrine Crippled Children's Hospital.

Tickets to the Shrine Benefit Game Oct. 12, may be purchased from Hernon Peel at his Weld-Rite Welding & Machine 933 Ave. C. Abernathy. The tickest sell for \$2.50 for adults and \$1.00 for children. There are no reserved seats. First come may occupy the best seats in the stadium.

Milo Harvest Starts In Area

Grain sorghum harvest has started in the Becton - Heckville, County Line and Cotton Center areas.

R. D. Presley delivered the first load of 1972 grain to Big State's County Line receiving station. G. W. Manley is in charge there.

Bringing the first load of grain sorghum from the 1972 crop to Big State's Cotton Center elevator was W. E. Burnett, Jr. Bill Williams is in charge of the Cotton Center opera-Gene Reid delivered the

first load of grain from the 1972 crop to Co-op Grain Company's elevator at Heckville. Jody Chance is assistant manager in charge of the Heckville operations of Co-op Grain Co. of Abernathy and Heckville.

Bank and P. O. Holiday Oct. 9

Abernathy First State Bank and Abernathy post office will be closed Monday, Oct. 9, in observance of Columbus Day, which comes later in the week. There will be no city or rural mail delivery Monday, Oct. 9.

THE ABERNATHY Weekly Review...the only newspaper in the world that really cares about the Abernathy area.

Ag Classes Work Listed

This past week the Abernathy Agricultural classes have been working on different items, for example: The Power Mechanics class, consisting of seniors, has begun to work on engines. They are dismantling, repairing, and rebuild-

Ag. IV class has been constructing small wood benches for their own personal use.
Ag. III class has been repainting a sixteen foot stock trailer, which is now complete and ready for use. The trailer boards are bright red and the

canvas covering the top. Ag. II has been learning the techniques of arc welding. Ag. I has been studying the FFA manual and have been taking tests over FFA proce-

LETTER

TO THE

EDITOR

This is the news release I promised you when we spoke yesterday in your office. In addition, you might be inte-rested in the following even more pertinent item: Representatives from The

Opportunity Plan, Inc., Canon, were in Abernathy High School Thursday and Friday for an assembly program and student interviewing.
Milton "Buff" Morris, exe-

cutive vice president of OPI. spoke to juniors and seniors together concerning various possibilities of financial aid for higher education. He also pointed out that technical and vocational schools have a great deal to offer the high school graduate not interested in a four - year academic course. High school counsellor Charles Bowen introduced Morris. Also present for the assem-

bly were two members of the Abernathy Division of OPI: Joe Thompson and Hoppy Toler. Accompanying Morris from Canyon were Mrs. Dan Sanders, director of the Super Study program, and Korkye Martin, director of public relations.

Mrs. Jan Hill, junior high school instructor in Abernathy, is an OPI graduate from West Texas State University and was interviewed by Mrs. Martin Thursday. The Abernathy Division is seeking contributions to the OPI fund, and any member may be contacted for additional information.

Korkye Martin

Opportunity Plan, Inc., at West Texas State University, Canyon, is establishing a public relations department.

Announcement came this week from Milton "Buff" Morris, executive vice president of OPI. He explained that there has long been a need for such a department in the 19 year life of the program.

Opportunity Plan, Inc., is an independent student loan fund which has made it possible for hundreds of students to attend universities, technical schools, vacational courses, graduate schools, and even professional institutions on a package" deal. Participants in the program do not have to excel scholastically, athleti-cally, artistically, or in any

"Any student with good character who is sincere in desiring to further his education is eligible to apply for finan-cial assistance through the OPI, " Morris points out. "But on the Opportunity Plan, he receives more than just financial assistance. We give the students our trust, we supervise their budgetting of money and study -- we try to help them help themselves.

For the current school year, there are more than 138 students actually participating in the OPI program, dispersed in 26 institutions. Though the plan was initiated by Morris at West Texas State University in 1953, its use is by no means limited to WTSU.

Monies from the multithousand dollar operation are received totally through contributions from individuals, organizations and memorials. Though there is a general OPI fund, there are also 66 divisions, which include community funds, memorial funds, and those established by private contributors. Morris expresses hopes to have community divisions established in every town in the area within two years. The Abernathy

Holds Meeting

The City Council met BILINGUAL PROJECT Thursday, Sept. 14, to con-PARENTS' MEETING duct the regular business of the month. Bids were opened on the 1971-72 Seal Coating Program for the City. The streets included in this year's paving program are 2nd Street from Avenue D to Avenue H; 6th Street from Avenue D to Avenue J: and Avenue H from 6th Street to 9th Street. The Seal Coating of these streets will be completed by the 1st of Octo-

The Council voted to have the 50,000 Gallon Overhead Water Storage Tank behind the City Hall repainted. The total estimated cost will be \$1,200, and Mr. O. R. Cannon has been contracted to do the painting.
The City is presently in the

process of removing abandoned or junked vehicles throughout the City. Persons having such cars on their premises wishing to take advantage of this service are urged to contact City Hall as soon as possible in order that it may be added to the already lengthy list. In excess of 75 cars qualifying under the Junk and Abandoned Car Ordinance have already been removed from the City and it is hopeful that many more will be in the near future. A request by Hale County

to place a maintenance building on City Property was tabled until further information can be obtained. There being no further busi-

ness the meeting was adjourned.

LIONS CLUB NEWS

The local Lions Club had their weekly noon meeting Tuesday, the 26th. Thirty members were present to enjoy the fine fellowship and food.

Program Chairman Jerry bough headof the socioloty department at Wayland College. Mark gave a very interesting and informative program on drug abuse. Slides were shown on the history and uses of drugs. Various instruments for applying drugs to the body were shown, as well as various kinds of drugs. If any individuals or groups would like to learn more on the drug situation, Mark Turnbough can be reached through the sociology department at Wayland Baptist Col-

-- Sammy Hunley, Reporter

Division of OPI was organized only last summer.

One of the primary functions of the public relations innovation will be the publication of a periodical newspaper, newsletter, or magazine, explaining the operations of OPI, its activities, personnel and contributors, public appearances, schools and towns included, progress of divisions, and, foremost, profiles and human interest stories concerning students who have or are attending schools on the Opportunity

Karleene "Korkye" Martin has been named to direct the public relations activities. In addition to printed publications, she will assist Morris in meeting with community roups, schools, and in presenting the OPI story through multimedia. Mrs. Martin obtained B.A. degree in journalism from Oklahoma Baptist University, Shawnee, Okla., and has participated with her husband, Troy, in publication of two newspapers, The Olton Enterprise and the bi-weekly Canyon News. She recently completed graduate work for a master of arts degree in speech at West Texas State University. She is the mother of four children.

Important Meet Set For Parents

A meeting for parents of all children enrolled in the Bilingual Program will be held at 8:00 p.m. Tuesday, October 2, 1972, in the School Cafeteria. It is important that all parents attend this meeting.

... with tagged fish

A two and one-half pound rainbow trout and an honorary citizenship in the Town of Red River, New Mexico, were the rewards received by Diana Benton, daughter of Mr. and Mrs. Elden Benton, Route 2 Box 46, Abernathy, when she caught one of the tagged fish "planted" in the Red River in northern New Mexico.

The "planted" trout, purchased by the merchants and the Town of Red River, weigh from 1-1/2 to 3 pounds and measure from 15 to 20 inches. The trout which Diana landed measured 17 inches and was one of the largest fish to be put into the river, according to Lester Lewis, Red River Town Councilman and President of the Red River Trout Associa-

Rites Held For Perry Campbell

Funeral rites for Perry C. Campbell, 19, who was shot to death in Southeast Abernathy about 8:45 p.m. Sept. 16, were held Sept. 21, in Bethel Baptist Church in Abernathy. Burial was in Abernathy

Cemetery under direction of Jamison & Son Funeral Home of Lubbock. Justice of the Peace Charles

Smith ruled homicide in the death Sunday. Lubbock County sheriff's deputies have made an arrest in connection with the in-Survivors include his mother,

Mrs. Lee Nobia Campbell of Abernathy; seven brothers, Charlie of Lubbock and Leon, L. A., Ike, Jimmy Lee, Tommy Lee and Willie, all of the home: and three sisters, Eva, Ethel Mae and Marie, all of the

WINS DOOR PRIZE

Don Heath reported that W. A. (Scotty) Scott won the door prize, a thermos serving set, given away in a drawing Saturday. The prize was given as a part of the activities connected with the public showing of the 1973 Chevrolet at Don's Chevrolet, Inc., last weekend.

Shane, son of Mr. and Mrs. Bobby Cunningham, was due to return home this week from a Littlefield hospital, where he was under treatment for pneu-

Band Takes First In Lubbock Parade

Director Jerry Bartley's AHS Antelope Band brought home a trophy and \$100 Monday for winning first place in Class AA in the Parade of Bands that opened the Panhandle South Plains Fair in Lubbock. This made 13 years out of the last 15 years that the AHS Antelope Band has won first place in the parade. The two years the band failed to place first were losses by one point each year to the Denver City band.

Director Bartley and the band members are not resting on their victory Monday. They are working hard on the routine to be used in the UIL band marching event to be held in November. A first rating in this event is a "must." It will be paired with the UIL sight reading and concert playing contests next spring. The band must earn a "First" rating in all three in order to win sweepstakes...and a trip to Corpus

Former Editor Dies in Wreck

Noel O. Waggoner, 62, of Lubbock was killed in a highway accident Sept. 19, east of Benjamin on U.S. Highway 82. Waggoner, a former school teacher in Lubbock, also was former editor of The Abernathy Weekly Review. He was editor here for a short time in the early 1950's. Funeral rites were held

Thursday in Claude.

Early Tax Payments Discounted

New Business To Open Here

Mrs. Waymon Jones will open a new business here Monday, Oct. 2. It will be Abernathy Furniture, and will be located at 1204 Ave. D, in the front part of the building oc-cupied by Abernathy Body Works, which is operated by her husband.

Abernathy Furniture will buy, sell or trade furniture that is clean and in good condition.

Monk on Staff Of Top-Rated NTSU Paper

The Associated Collegiate Press has awarded its highest rating, All American, to the student newspaper of North Texas State University, Denton, for the 1972 editions. Steve Monk, a 1965 graduate of Abernathy High School, is a member of the staff of the award - winning university newspaper. He is an interpretative reporter. Steve is a son of Mr. and Mrs. M. M. Monk, Gail, formerly of Abernathy.

Queen Crowned At New Deal

NEW DEAL (Special)—Den-ise Jones, daughter of Mr. and Mrs. Charles Jones, was named 1972 Homecoming Queen of New Deal High School in half-time ceremonies at the grid victory over Shallowater Friday Exes were feted with a Mexi-

can supper, sponsored by the New Deal FHA, and officers for the 1973 event were elected. They are W. E. Medlock, president; Carroll Teeter, vice president; Wilda Flinn Myers, secretary-treasurer; and Macon James, homecoming chairman. Committee members are Re-

iner Rieken, Clyde Rieken, Doug James, Steve Jones and Johnny Carroll.

To Take Care of Your Septic Tank or Cesspool," is now available to owners of septic tanks and cesspools from Bill Wolf & Sons, P. O. Box 490,
Abernathy, Texas.
In a light vein, illustrated
by cartoons, the booklet ex-

plains the workings of the septic tank and cesspool in simplified fashion. It describes the bacterial action of the disposal system and what is necessary for proper functioning. Chief attraction in the book-

let is a humanized "Willie Bacteria" who is responsible for maintaining the efficiency of the disposal system. When the septic tank or cesspool user ig-nores the fact that "Willie" is working to keep the disposal system free from disease, and saturates him with an overdose of detergents, acids, lyes, caustics and other irritants, 'Willie" is very unhappy, and more often than not, just stops working.
But there is a bright side to

the story too, for "Willie Bac-teria" has found a way to educate the septic tank or cesspool user, so that "Willie" can do his job under modern up-todate working conditions, and prevent the fuss, mess, inconvenience, and expense of a clogged disposal system.

The booklet was produced by The FX-Lab Company, Inc., 77 Okner Parkway, Livingston, New Jersey 07039.

LETTER-----

September 21, 1972 Dear Editor:

We would appreciate your using the following information in your news media to assist us in promoting our Annual Ex-Student Reunion of the Friona Schools:

The Annual Meeting of the Ex-Student Association of Friona Schools will be held September 30, 1972, at the Friona Texas Federal Credit Union building -- 6th and Euclid, Friona, Texas.

Registration will begin at 7 .m. and a drawing will be eld during the meeting for a beautiful Chieftan Blanket.

Since its organization, the association has been held during the Christmas holidays but due to the lack of attendance, it was voted last year to change the date of this meeting to coincide with our Annual Maize Days celebration with is September 25-30, 1972. We want to invite any and

all persons interested in this meeting to make an effort to oin us in this time of fellowship and reminiscing.

Thank you for any publicity
you can give us on this meet-

HE'73 FORDS A

At 60 mph a '73 Ford LTD rode quieter than an airborne glider.

Quiet is the sound of a well-made car. And the new LTD is well made in every sense of the word. That's why it's so quiet. Outside it has all-new styling. And inside you'll enjoy luxury, comfort and room—with power front disc brakes, power steering and automatic transmission as standard equipment. THE QUIET 1973 FORD LTD BROUGHAM (shown with optional Deluxe Bumper Group Convenience Group, deluxe wheel covers, front cornering lamps and whitewall tires).

A'73 Torino rode so smooth, a high wire artist kept balance on a road of 2x4's.

Smooth riding, strong and quiet—the solid mid-size car. You'll appreciate how the new Torino's refined suspension helps to cushion bumps, absorb road vibrations and reduce body sway. You feel solidly in control while you ride in comfort and luxury. THE SOLID 1973 FORD TORINO BROUGHAM

'73 Pinto: When you get back to basics, you get back to Ford.

When you get back to basics, you get back to Ford: the new Pinto. Every '73 Pinto has rack-and-pinion steering. A solid welded body, electrocoated to fight corrosion. 4-speed transmission—lubed for life. All in all, everything we've learned in seventy years of car making—all the basics we build into every Pinto Wagon, Runabout and Sedan.
That's why it's become America's top THE 1973 PINTO WAGON

There are 39 new models to choose from.

Every 1973 Ford, Thunderbird, Torino, Mustang, Maverick and Pinto comes equipped with new energy-absorbing bumpers and steel guard rails in all side doors. Steel-belted radial ply tires are available on every model, too.

1973 CHEVROLET LINES DESCRIBED

Two and three-seat wagons are offered in all Chevelle

(From Last Week)

A new, improved Vega offers eight new exterior colors ... four exclusive to this car ine. Four Vega models are the Hatchback coupe, Notchback coupe, Kammback wagon and Panel Express truck.

America's only production sports car... the Corvette... features evolutionary changes which include an impact-resistant front bumper, side guard beams, hi e-a-way windshield wipers, a new air induction system for the engine, steelbelted radial ply tires and a new Turbo-Jet 454-cubic-inch V8 power plant.

Chevrolet in 1973 offers a wide variety of new colors. Availability includes 16 paints and seven extra-cost vinyl

All paint and top colors except black (new for the Chevelle) and white are new. Fiftythree color combinations are obtainable with the new paint and vinyl top offerings. Highlights by car line are as

CHEVROLET:

The industry's leading seller, the full-size Chevrolet sports a brand new Caprice convertible for the first time along with two roomy, 125inch wheelbase top - of - the line Caprice Estate station wagons. The Caprice lineup also offers a coupe, a sport sedan and a four-door sedan.

Two and three-seat wagons also are available in both Bel Air and Impala series.

The popular Impala offers four models including a custom coupe, a sport coupe, a sport sedan and a four-door sedan while the Bel Air series offers a single four-door sedan only. Both Caprice and Impala models offer standard V8 engines while the Bel Air offers both V8 and six-cylinder. The six-cylinder is not available

on the Bel Air station wagon. Styling features on the new Caprice are wider front grille with prominent vertical bars and bright accents, new header panel and fender caps, and a new impact resistant bumper with built-in parking lamps and center license plate

Inside, the Caprice offers four knit-cloth and vinyl plus one brocade cloth and vinyl choice for coupe and sedan. Three all-vinyl interiors are available on the convertible while a new soft-rim steering wheel has cushioned center for all full-size Chevy models. MONTE CARLO:

Sculptured side and rearquarter panels, a distinctive Landau top, along with revolutionary handling and roadabil-ity make the Monte Carlo a top candidate for Car-of-the-Year

The Monte Carlo Landau is designed to achieve the ultimate in personal luxuty vehicle comfort offering a sturdier frame, a new highly-refined and tuned suspension system, wider wheel treads, new body mounts, new suspension geometry concept.

The power steering ratio is revised downward to 15:1 from 16:1 of the previous year. At the same time, steering effort is increased from 14.5 inchpounds to 17 inch-pounds. These latter two revisions increase steering sensitivity and road feel through steering wheel and contribute importantly to the on-center steering feel improvement.

The confident road feel of the '73 Monte Carlo results from an increase in the caster angle of the front wheels. This increased caster angle of five degrees over last year's model gives Monte Carlo greater self-

Available on the Monte Carlo S and Landau models is
