CONFERENCE Kent Harrison, son of Billie Harrison, 218 Ave. M, Aber-nathy, Texas, attended CO-OP Youth Leadership Conference on the campus of William Jewell College in Liberty, Missouri. Kent was among 800 outstanding rural youth who attended one of the four conferences...June 4-9, June 11-16, June 18-23, June 25-30.

THURSDAY, JUNE 21, 1973

Kent was sponsored to the con-ference by Abernathy Co-op Gin. During the week delegates are involved in group discussion workshops and cooperative training sessions. The conference delegates operate their own CO-OP Canteen. This gives detegates a first-hand look at how a cooperative works and the responsibilities of the Manager, Director, Employee and Member. A Conference Senate is elected by the delegates. The Senate is the regulatory body of the conference. There is also time for swimming, parties, and re-laxation throughout the week. Each conference delegate has an important job at CO-OP Youth Conference activities.

The conferences are sponsored each year by Farmland Industries of Kansas City, Mo. Farmland ndustries is a regional cooperative manufacturing and distributing petroleum, feed, fertilizer, and farm supplies. Farmland is owned by 2,000 local cooperatives. The local cooperatives sponsor most of the conference delegates.

(Suzann Tooker, daughter Mr. and Mrs. Wendell Tooker, was scheduled to make this trip along with Kent. A minor accident the night before had Suzann being checked for injuries the morning Kent left on the plane. The unfortunate part was her missing the Leadership Conference, and TSTI. the fortunate part was that her injuries were not at all serious.)

Grocers and USDA Meeting Scheduled

USDA SCHEDULES GROCER MEETING TO DISCUSS FOOD STAMP PROGRAM

ed

A meeting to discuss the Food Stamp Program with Hale County grocers will be con-ducted by the U. S. Department of Agriculture on Wed-nesday, June 27. The program will open in Hale County on

August I. The meeting is set for 7:30 p.m. in the Progress Room of the Chamber of Commerce Building at 710 Fifth Street in Plainview, according to Ells P. Schmid, food program specialist with the Lubbock field office of USDA's Food and Nutrition Service.

Purpose of the meeting is to acquaint grocers with food stamp program operations and responsibilities. "Store owners and employees must under-stand Food Stamp Program operating procedures before a store can be certified." Schmid pointed out, "so it is most important that county grocers attend this meeting." The Food Stamp Program

is a cooperative effort involving the State Department of Public Welfare and USDA's Food and Nutrition Service.

Under this program, fami-lies certified as eligible by the welfare office can buy USDA food coupons which are used like cash at retail stores authorized by USDA to redeem the coupons.

In addition to the coupons, they buy, needy families are given "bonus" coupons to en-able them to obtain better diets. The value of the "bonus" coupons is determined by the size of the family, its income, resources and other factors. Cooperating banks redeem the coupons through the Fed-eral Reserve System.
