**Fire Saturday Night.**  
While Mr. and Mrs. J. W. Meadors were attending the Lyceum exercises at the Methodist church last Saturday night, the audience was shocked by the announcement that the residence of Mr. and Mrs. Meadors was burning. They had a beautiful and finely furnished suburban home two miles south east of town. The house and contents were a total loss. It was not discovered in time for anyone to reach there before the fire had done its worst.

We learn there was some insurance, but we could not ascertain the amount. Miss Mamie Meadors, who is now in Wichita Falls, had one room furnished and had a fine piano burned. It is not known whether she had any insurance.

**Methodist Missionary Notes**  
The lesson from "A Child in the Midst," given by the co-operative union on Monday Oct. 26 was instructive and entertaining. All the members of the Auxiliary felt fully repaid for having given this Monday's hour to that work. The Methodist Ladies will give a Japanese Tea and Sale in the first week of December.

On Monday Nov. 2, the regular business meeting. All the ladies are urged to attend. Let us be up and doing something for our Master. It may seem so little to us, but we may help someone. We should be more grateful that we have the privilege of hearing about Jesus. "Less than one-third of the women of the world have ever heard of Jesus." Of the one hundred and fifty languages spoken in the Indian Empire, there are only seventy-one in which versions of the Bible in some part of it have been published.

The Bible has been given to Africa complete in fifteen languages. Portions in over a hundred dialects. It is there and can never be expelled. There are now as many Christians in Africa as there were in the whole world at the end of the first century. Pub. Supt.

**The Lyceum Course.**  
The first event of the Lyceum Course, rendered by a company of English opera singers, at the Methodist church Saturday night, was largely attended and every one seemed highly pleased with the number.

**Mrs. Robertson Entertains**  
On Wednesday afternoon October fourteenth, Mrs. Robert Robertson opened her home to her many friends to meet her mother, Mrs. Plants, of Seymour. As each guest arrived they were greeted by Mrs. Robertson, introduced to Mrs. Plants and asked to go in the dining room to register. The beautiful little hand-painted guest book was presided over by Mrs. S. L. Robertson. There was quite a bit of excitement and fun when the ladies were told they must register their names in rhyme.

Progressive Nilo was the entertainment and was very much enjoyed. After several games had been played, the hostess assisted by Misses Effie Nola Long and served ice cream and marguerites, after which mints were passed around.

Mrs. Montgomery made highest score and was presented with a pair of silk hose. Mrs. Plants, the guest of honor, was also presented with a gift. As Mrs. C. D. Long won the least number of games, she was given a blacking brush.

The rhymes were read from the guest book by Mrs. Montgomery and were witty and original.

On leaving, the guests expressed themselves to the hostess as having spent a pleasant afternoon and each felt that Mrs. Robertson was a very charming hostess.

Wednesday evening Mrs. Robert Robertson entertained with three tables of "42" for her husband. After the games delightful refreshments were served. This ended a day full of pleasure to their many friends and Mr. and Mrs. Robertson were graciously thanked for their generous hospitality. A Guest.

**Magazine Club Notes**  
The Magazine Club met Oct. 23rd at the usual hour. At the close of the business session the president, Mrs. J. U. Fields announced the story-telling hour for Saturday from 10 to 11 Oct. 31st. All children in town, and children from the rural districts, are cordially invited.

Mrs. Courtney Hunt as teacher, then took charge and conducted the lesson in quite a creditable manner. Mrs. McFatter's topic on "Dramatic Motives," was beautifully gotten up and well delivered.

This closed the program for the afternoon and the Club was then adjourned to meet Oct. 30th. Reporter.

## What did Harold McGrath Do Just Before He Wrote "The Million Dollar Mystery"

Harold McGrath has written a great moving picture serial, called "The Million Dollar Mystery." Perhaps you have seen it. It is creating a sensation everywhere—and \$10,000 has been offered for the best "mystery solution."

Get that "Million Dollar Look"—It's the Royal Tailored Look

Now, before Harold McGrath wrote "The Million Dollar Mystery," he ordered a Royal Tailored suit and secured "The Million Dollar Look." Maybe that gave him the "big money feeling" that inspired that fascinating story.

There's a hint for you in this. You may not be able to locate the missing million dollar bank roll, but you can locate the Million Dollar Look, and have that look for your very own—just by dropping into this store and letting us measure you for a Fall Royal Tailored Suit.

Select your suit as Harold McGrath selected his. Choose the fabric of your taste from the woolen-wealth of all the woolen world—fully half a thousand patly-picked pippins—the prime pattern plums of the best European and American mills.

Then let us tailor that suit specifically to your figure, favor and fancy—cutting coat, vest and trousers to the exact style you like best

Prices: As amazing as the peerless quality itself  
\$16, \$17, \$20, \$25, \$30 and \$35  
for the utmost in a custom-made suit or overcoat.

Take Advantage of a Good Thing When You See It

A Complete Stock	Good Values	The War
<p>Our stock is extremely large and well assorted. Never could you find a better opportunity than we have to offer. We bought with the expectations of a bumper crop and a cotton market of 10c or better. We were mistaken. The stock is too large. Take advantage of this extra \$5. to \$7. on the bale.</p>	<p>Take our stock from the front to the back, ask the price, compare this price with others and see if every article is not the best value at the price. Our shoes are complete for the whole family. They are all good values. Anything in Dry Goods, Clothing, Hats or Caps can be depended upon if bought from us. Our Ready-to-wear and Millinery Department is the best in the city. The prices the lowest.</p>	<p>The war has hurt us the same as it has hurt you. We have been in the same building, doing business on the same policy since 1906. During this time, we have witnessed drouths, storms, floods, crop failures, etc., both low and high price of cotton. Now we are confronted by too many goods, a war, and the low price of cotton.</p>

During our Special Cotton offer, we will stay by our old time rule. "The Best for the Least"

# \$12 PER TON FOR YOUR COTTON SEED \$12

We will pay you \$12.00 per ton for your cotton seed in MERCHANDISE.

We don't believe there's a farmer in Haskell County that can't use the amount of his cotton seed in Dry Goods. And as Cottonseed is low and we believe they should sell higher we are going to give you \$12.00 per ton for your seed in merchandise. We will provide a convenient place to unload your seed and not cause you but very little loss of time and trouble.

Now Mr. Farmer, we are trying to put up the price of your product. Now if you will help us you can get more for both your cotton and cotton seed. If the market advances we guarantee to advance our price. We promised the people if cotton advanced we would advance our price on Cotton so we are offering in another place in this paper 8c for your cotton grading middling and above. Mr. Farmer, help a good cause. Help us and we will help you get a better price for your product. We started this fight alone under adverse circumstances with lots of opposition but our policy is winning and other merchants will fall into line, bidding for your cotton on our plan. Stand by the one that helps you instead of the ones that have to be whipped into line through business policy. Bring us your cotton and cotton seed and realize more on it, besides helping a good cause.

#### Things Sometimes Get Mixed in a Printing Office.

How things sometimes get mixed up in a printing office can only be thoroughly understood by those who are members of the craft, when in a rush to "get to press" two printers are finishing up the last copy and "dumping" on the same galley, and the foreman is cursing a blue streak in his efforts to close the "forms."

The following write-up of a wedding and the notice of an auction sale, is a fair sample that recently appeared in a Texas paper: "William Smith, the only son of

Mr. and Mrs. William Smith, and Miss Lucy Anderson, were made happy by being disposed of at public auction at my farm three miles east of town in the presence of quite a large of guests, including two mules and twelve head of cattle.

Rev. Johnson tied the nuptial knot for the happy couple, averaging 1250 pounds on the hoof. The beautiful home of the bride was profusely decorated with one sulky rake, one feed grinder, two sets of work harness, nearly new, bought just before the ceremony was pronounced. Mendelssohn's beautiful wedding march was rendered by one cow, five years old, one Jersey cow, and one old goat, who carried a bunch of bridal roses in her hand; she wore light spring wagon, two barrels of apples, three ricks of hay, one grindstone of mousehine desole, trimmed in about a hundred bushels of corn and some peavine hay.

"The bridal couple left yesterday for an extended wedding trip with the best wishes of a lot of household goods and kitchen furniture and other things too numerous to mention.

"Terms spot cash."—Lorena Register.

Moral—If you don't want your articles liable to be mixed up like the above you should not wait until Thursday, our press day, to get them to us.

### Ugh! Calomel Makes You Deathly Sick

Stop Using Dangerous Drug Before it Salivates you! It's Horrible!

You're bilious, sluggish, constipated and believe you need yile, dangerous calomel to start your liver and clean your bowels.

Here's my guarantee! Ask your druggist for a 50 cent bottle of Dodson's Liver Tone and take a spoonful tonight. If it doesn't start your liver and straighten you right up better than calomel and without griping or making you sick I want you to go back to the store and get your money.

Take calomel today and tomorrow you will feel weak and sick nauseated. Don't lose a day's work. Take a spoonful of harmless, vegetable Dodson's Liver Tone tonight and wake up feeling great. It's perfectly harmless, so give it to your children any time. It can't salivate, so let them eat anything afterwards.

#### The Doctrine of Force.

Heinrich von Treitschke, professor of Modern History in the University of Berlin, has written and spoken more to build up the doctrine of force than any other man in the nineteenth century. He hated England, and taught his people to prepare to meet England in a death struggle for supremacy. He believes in what he calls the German culture, and characterizes British culture as low, utilitarian, narrow and selfish. He says of English statesmanship, that it was unscrupulous. An Englishman comes back and says that successful diplomacy is a test of culture; that this test has enabled England to isolate Germany, and cites the fact that the neighboring nations of Germany are England's friends and allies in this war. Prof. von Treitschke sat in the Reichstag and supported legislation to suppress the Poles, Socialists and Catholics. In every branch of politics he taught the gospel of crushing. He polarized the German aim to destroy the English navy and commercial system. The American people do not sympathize with any nation or people who advocate the gospel of force. They fought against

this doctrine in every war they ever had. Anyone who has read German statesmen the past few decades, will be astonished by the conversations with any German citizen. They are all grounded in the history and doctrines of von Treitschke. They will also inform you that you can not rely upon the English or American papers to give anything near the truth about the war, and believe with implicit faith what they see in the German American papers. There is no people on earth who have gone in to make the sacrifices that the women, men and children of Germany will make for their race. They have the race instinct in its intensity, and have been taught that the destiny of the Teuton is to dominate the world, and have looked forward to the war they now have to accomplish their ambitions. They do not underestimate the sacrifices they will have to make to attain their ambition.

#### THE ELECTION TUESDAY

Next Tuesday, Nov., 3rd. will be the regular biennial election, all officers for the ensuing two years. It is very necessary that the people turn out and vote. On the vote for governor depends this county's strength in the state conventions of the several parties of the state. Then too, there are three important amendments to the constitution to be voted on. One of them is to cut down the mileage of the members of the Legislature. Now they get 20cts per mile traveled in going to and from the capitol, whereas they will only get 5cts per mile if the amendment carries. Instead of paying the members per diem the amendment will provide salary of \$1200.00 a year. One of them provides for border counties issuing bonds to build sea walls. The third one provides for the Initiative and Referendum.

The candidate who secures this Free Trip to "Frisco" and the Exposition, everything will be furnished Free, Transportation, sight seeing, side trips, hotels, admissions to Exposition and 60 side shows. All free, if you buy your goods from Hunt Bros and save your tickets.

### What's Indigestion? Who Cares? Listen!

"Pape's Diapepsin" Makes Sour, Gassy Stomachs Feel Fine at Once.

Time it! In five minutes all stomach distress will go. No indigestion, heartburn, sourness or belching of gas, acid, or eructations of undigested food, no dizziness, bloating, foul breath or headache.

Pape's Diapepsin is noted for its speed in regulating upset stomachs. It is the surest, quickest and most certain indigestion remedy in the whole world, and besides it is harmless.

Millions of men and women now eat their favorite foods without fear—they know Pape's Diapepsin will save them from any stomach misery.

Please, for your sake, get a large fifty-cent case of Pape's Diapepsin from any drug store and put your stomach right. Don't keep on being miserable—life is too short—you are not here long, so make your stay agreeable. Eat what you like and digest it; enjoy it, without dread of rebellion in the stomach.

Pape's Diapepsin belongs in your home anyway. Should one of the family eat something which don't agree with them, or in case of an attack of indigestion, dyspepsia, gastritis or stomach derangement at daytime or during the night, it is handy to give the quickest, surest relief known.

Next Tuesday is the general biennial election. A few voters will cast a patriotic ballot. Thousands will vote an ignorant, corrupt ballot. Many men are hopelessly corrupt in their politics. If progress is made in civil government, it will come by an honest, intelligent ballot. There is another vice too. We refer to unfair, dishonest, foolish and vicious indiscriminate criticism of all public officers, arising from envy and class hatred. Men who make no better use of their ballot are a curse to their party, country and themselves.

Cures Old Sores, Other Remedies Won't Cure. The worst cases, no matter of how long standing, are cured by the wonderful, old reliable Dr. Porter's Antiseptic Healing Oil. It relieves Pain and Itch at the same time. 25c, 50c, \$1.00

HASKELL, TEXAS, Oct. 31, 1914.

The German Ambassador at Washington accuses the English of trying to prejudice Americans against his countrymen, by telling the Americans, that if the Germans win they will attack the Monroe doctrine, and the Ambassador has assured Mr. Bryan that Germany would not attack the Monroe doctrine. Mr. Bryan may find the assurance to be a mere scrap of paper.

Congress has adjourned, but the next session will convene in December. If the democrats win in the November elections, we predict that Mr. Wilson will be asked to put through an elaborate and constructive program. There is plenty of work to do, and if the new congress will support the president, his administration will place the constructive policies on a firm basis with the people.

Brains and justice have always dominated in free countries. Ignorance and prejudice may occasionally get in power, but it is short lived. The appeals a certain kind of demagogues have been making to ignorance, has poisoned and rendered many men incapable of thinking rationally or voting with intelligence. We believe such people are in such a minority they will never control a dominant party in this country.

The English statesmen have not only financed their government for the great war, but have underwritten the outstand commercial paper for their bankers, thus relieving all endorsers, enabling the banks to use all their capital for current business. They have also proposed to our government that they will valorize all cotton raised in their colonies, if our government will valorize the cotton raised in the United States. The English spinners say they will pay any price for cotton that is reasonable, only insisting that it be sold to all spinners at a uniform price. The English have the capacity, business experience, grit, to meet the situation, and our statesmen should rise up and join in a prompt solution of the situation. A market is what it takes to move cotton and the government can make a market by fixing the price to all spinners uniformly. Valorization is the only scheme that is practical, safe and sane.

Some people fear the socialists will destroy our personal liberties if they should get in power. This would hardly happen, because to become dominant they will have to attract democrats and republicans who in such event would force the radicals out of the party.

### Morning Wedding

An unusually pretty morning wedding was solemnized Friday at the First Methodist church, uniting in marriage Miss Jean Houston John, daughter of Hon. and Mrs. Robert A. John, to Franklin Thomas Baldwin, the ceremony being performed by Rev. C. S. Wright at 9:30 o'clock in the presence of an assemblage of relatives and friends.

The day was perfect and the warm sunshine pouring in through the open doors and stained windows accentuated the beauty of the handsome edifice, while on the altar grouped in artistic profusion were graceful palms and ferns, a large brass jardiniere at either side filled with fragrant tuberoses, showing to advantage against the green.

Preceding the arrival of the bridal party Miss Maydell Campbell of Palestine sang with great sweetness the beautiful composition "Ruth," accompanied on the organ by Hu Huffmaster, who afterwards played the processionals and recessional marches.

To the accompaniment of the "Lohengrin" bridal chorus, Miss Marguerite John, maid of honor, entered first, wearing a tailored suit of blue with lingere blouse and black velvet hat trimmed with silver. She carried an arm cluster of pink carnations and fern. She was followed by the bride with her father, the groom with his best man, Rowland Rugeley of Bay City, meeting them at the altar, where the double ring ceremony was performed by Rev. Mr. Wright.

The bride wore a very becoming tailored suit of navy blue cloth with cream chiffon blouse and hat of black velvet trimmed with white aigrettes. She carried a shower bouquet of Bride Roses and fern.

Mr. and Mrs. Baldwin left immediately for New Orleans, from which point they sailed Saturday for a trip of several weeks in Havana. Upon their return they will be temporarily at home at the Bender.

The bride is the great-granddaughter of General Sam Houston whose name is honored in every Texas home, while on the parental side she is the grand-daughter of Rev. Isaac John, formerly of Galveston, afterward of Nashville, who was loved and revered throughout the South. The groom is the nephew of Judge Jacob C. Baldwin of this city, with whom he is associated in law and is one of Houston's brightest young lawyers, both young people being graduates of the Austin State university, where they were students at the same time.

The bride's grandmother, Mrs. N. E. Morrow of Georgetown, came down for the wedding.—Houston Post.

### What Would You Do?

There are many times when one man questions another's actions and motives. Men act differently under different circumstances. The question is what would you do right now if you had a severe cold? Could you do better than to take Chamberlain's Cough Remedy? It is highly recommended by people who have used it for years and know its value. Mrs. O. E. Sargent, Peru, Ind., says, "Chamberlain's Cough Remedy is worth its weight in gold and I take pleasure in recommending it." For sale by all Dealers.

"William, why can't we have an automobile like other people?"

"Because, my dear, I'll have to put a new roof on the house before it will hold a mortgage."—Baltimore American.

### Toned Up Whole System.

"Chamberlain's Tablets have done more for me than I ever hoped for" writes Mrs. Esther Mae Baker, Spencerport, N. Y. "I used several bottles a few months ago. They not only cured me of bilious attacks, sick headache and tired out feeling, but toned up my whole system." For sale by all Dealers.

### Dinner in Rose Garden

An indoor rose garden gave the setting of the handsomely appointed dinner of 14 covers last evening at the home of Judge and Mrs. J. C. Baldwin, who thus happily took recognition of the approaching marriage of their nephew, Mr. Franklin Thomas Baldwin to Miss Jean Houston John, which was celebrated Friday morning.

The choicest of blossoms were utilized in the home embellishment, the drawing room, finished in white and gold, accentuating the bridal theme in its clusterings of bride roses, whose beauty was thrown into bold relief through the contrast with hibiscus plants in full bloom and finding place in the apartment.

The reception hall embodied the golden hues in quantities of golden-rod, while music room and library were lovely in snowy chrysanthemums and tracings of the queen's crown.

The dining room formed the improvised rose garden where, seemingly, climbing roses reached their tendrils out as they gracefully clambered up the walls. Unshaded tapers found place among the flowers securing a moonlight effect in soft rays of light. In the center of the table which was overlaid with exquisite damask, a miniature lake was seen, bordered with fern banks, while boats plied back and forth upon its surface. A steamship had just put into harbor, where it stood with flag upon its mast bearing in golden letters Havana Cuba, the destination of the young honor guests upon their bridal journey. Even the wharf was cleverly constructed, the entire conceit being highly attractive.

Crystal candlesticks, tied with soft silken bows, were at either end of the table, and upheld pink tapers and the place favors were flower holders, simulating Cupids in bisque formation. The wedding bell and other bridal suggestions were embodied in the handwork upon the place cards and Bridesmaid roses, against their foliage, served as nut holder. An eight course menu was served, the rose hue being accentuated throughout.

Following the dinner, music gave pleasure. Covers were placed for Judge and Mrs. J. C. Baldwin, Miss Jean Houston John, Mr. Franklin Thomas Baldwin, Mr. and Mrs. Robert Basil Baldwin, Misses Maidell Campbell and Marguerite Morris of Palestine, Mabel Baldwin of Victoria, Fannie Jack Baldwin, of Beaumont, Marguerite John, Mary Batts of Austin, Annie May Fleck, Mr. Roland Rugeley of Bay City.

## NEEDFUL KNOWLEDGE READ THIS STATEMENT OF FACTS

Haskell People Should Learn to Detect the Approach of Kidney Disease.

The symptoms of kidney trouble are many. Disordered kidneys often excrete a thick, cloudy, offensive urine, full of sediment, irregular of passage or attended by a sensation of scalding. The back may ache, headaches and dizzy spells may occur and the victim is often weighted down by a feeling of languor and fatigue. Neglect these warnings and there is danger. Delay often proves fatal.

You can use no better endorsed kidney remedy than Doan's Kidney Pills. Here's Haskell proof of their merit.

Mrs. D. Scott, Haskell, Texas, says: "Doan's Kidney Pills have been very beneficial to us. They were procured at Collier's Drug Store, (now the Corner Drug Store), and brought relief from backache, kidney weakness and other disagreeable troubles, caused by inactive kidneys. We can strongly recommend Doan's Kidney Pills, in view of our experience with them."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Scott had. Foster Millburn Co., Props., Buffalo, N. Y.

One of my customers advised me to take GRIGSBY'S LIVER-LAX and it would cure me, and to my wonderful surprise it has entirely cured me. My physician would give me calomel, but heaven knows, I would be sicker than ever and would have to lay off. I have no more headaches and feel almost a new person and I know now my trouble was my liver. I am giving it now to my children and I see a wonderful improvement. ### 10 Cent "Cascarets" Straighten You Up

To-Night! Clean Your Bowels and End Headaches, Colds Sour Stomach.

Get a 10-cent box now. Turn the rascals out—the headache, biliousness, indigestion, the sick, sour stomach and bad colds—turn them out to-night and keep them out with Cascarets.

Millions of men and women take a Cascaret now and then and never know the misery caused by a lazy liver, clogged bowels, or an upset stomach.

Don't put in another day of distress. Let Cascarets cleanse your stomach; remove the sour, fermenting food; take the excess bile from your liver and carry out all the constipated waste matter and poison in the bowels. Then you will feel great.

A Cascaret to-night straightens you out by morning. They work while you sleep. A 10-cent box from any drug store means a clear head, sweet stomach and clean, healthy liver and bowel action for months. Children love Cascarets because they never gripe or sicken.

Sow the genuine Winter turt Oats. They made forty five bushels per acre this year on a volunteer crop. Fifty cents per bushel. No Johnson grass seed in them. J. M. Woodson, two miles north-east of Haskell. 1tp

Seeing the great exhibition at "Frisco" next year will give you a complete idea of the rapid progress that has been made in such a short time. Hunt Bros.

### Girls! Draw a Moist Cloth Through Hair

Try This! Hair Gets Thick, Glossy, Wavy and Beautiful at Once—Stops Falling Out.

Immediate?—Yes! Certain?—that's the joy of it. Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a Danderine hair cleanse. Just try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt or excessive oil, and in just a few moments you have doubled the beauty of your hair. A delightful surprise awaits those whose hair has been neglected or is scraggy, faded, dry, brittle or thin. Besides beautifying the hair, Danderine dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair, but what will please you most will be after a few week's use, when you see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair, and lots of it, sure get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter and just try it.

Last Friday a special train of three private cars passed through Haskell, occupied by A. D. Parker of Denver, Colorado; assistant to the President of F. W. D. C. Lines, D. B. Keeler, V. P., H. A. Gausewitz, Gen'l Supt., W. F. Sterley, G. F. A. Ft. W., O. E. Maer, Supt. Wichita Falls, J. L. Herrnitz, Supt Telegraph Denver and others. These officials were on a tour of inspection of the Fort Worth and Denver and Wichita Valley lines.

### "Syrup of Figs" For Constipated Child

Delicious "Fruit Laxative" Can't Harm Tender Little Stomach, Liver and Bowels.

Every mother realizes, after giving her children "California Syrup of Figs," that this is their ideal laxative, because they love its pleasant taste and it thoroughly cleanses the tender little stomach, liver and bowels without griping. When cross, irritable, feverish or breath is bad, stomach sour, look at the tongue, mother! If coated, give a teaspoonful of this harmless "fruit laxative," and in a few hours all the foul, constipated waste, sour bile and undigested food passes out of the bowels, and you have a well, playful child again. When its little system is full of cold, throat sore, has stomach-ache, diarrhoea, indigestion, colic—remember, a good, "inside cleansing" should always be the first treatment given.

Millions of mothers keep "California Syrup of Figs" handy; they know a teaspoonful today saves a sick child tomorrow. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and grown-ups printed on the bottle. Beware of counterfeits sold here, so don't be fooled. Get the genuine, made by "California Fig Syrup Company."

The Mollie A. Bailey show will be in Haskell Nov. 3rd.  
Mollie Bailey, the founder of the show, has retired to private life. For many years she has been a welcome visitor in southern towns, and has many warm friends in this county. She and four sons and daughter showed here in 1885. "Mrs. Bailey's life has been one of thrill, commendable effort. During the war between the states she showed her devotion to the South, serving as a scout and nurse in the army. She has always passed the old soldiers to her shows free. When the show is over, her friends wherever she goes, seek her out and have reminiscent talk with her. She always seemed to enjoy such occasions, and we seen her highly animated by the consideration and courtesies shown her.

### Mr. Perkins' Lawn Mower

By M. QUAD  
Copyright, 1914, by Associated Literary Press.

Mr. and Mrs. Perkins had been sitting on the front steps of their house for ten minutes when she carelessly queried:

"Mr. Perkins, please turn to that diary of yours and see what you had recorded under date of Feb. 20."  
"With pleasure, Mrs. Perkins. Are you on track of something?"  
"Just a little something."  
"Well, here's the date."  
"Do you find anything about a lawn mower?"  
"I do. It says that I will either have a lawn mower before the 1st of April or perish in the attempt."  
"Is it the 1st of April?"  
"Oh, yes."  
"Have you got the lawn mower yet?"  
"Not yet."

"I didn't know but that you had it hidden away in a coat pocket and was going to bring it out and surprise me. They have been mowing their lawns all around us."  
"Mrs. Perkins," he said after drawing a long breath, "I owe an explanation."

"Not in the least, Mr. Perkins. That is simply your way of doing business."  
"On the evening of Feb. 20, when I uttered the words recorded here, I fully and firmly meant to purchase a lawn mower of the latest pattern at an early date in the spring."  
"Poor man!"  
"But it so happened that I got hold of some vital statistics in a newspaper."

"How terrible!"  
"There was a list of deaths by heart failure. It numbered hundreds."  
"And you did not want to die of heart failure?"  
"I had no great longing to. I went to our family doctor and put the case up to him, and he shouted at me:  
"Perkins, are you a born fool?"  
"No."  
"Then don't talk about pushing a lawn mower around. With your heart the way it is it would mean sure death to you."

"While if you continued to simply play poker you might live a hundred years," said Mrs. Perkins.  
"Come, come, my dear—this is not a matter for sarcasm. There are other risks besides heart failure."  
"Sweating your collar is one."  
"Suppose that some enemy of mine throws a bomb amid the grass and I run the mower against it?"  
"Awful! Awful!"

"Mrs. Perkins, I am afraid that you don't understand the situation. In Albany last week an eminent citizen was mowing his lawn there was a sudden explosion."  
"But don't they generally come suddenly?"  
"There was a sudden explosion, and he was killed dead."  
"Poor man! He shouldn't have been killed more than half dead! Go on, Mr. Perkins. Did the boiler of the lawn mower burst, or did some one fire a cannon at him?"

"The machinery got heated up, I believe. He was pushing it too fast."  
"A thing that could never happen to you, Mr. Perkins."  
"And, again, at Syracuse a man who was lawn mowing was struck dead by a thunderbolt."  
"He must have had a nickel in his pocket to attract it."  
"And so, Mrs. Perkins, with all these warnings hanging over me I thought it best—"  
"Not to get a mower, of course."  
"Something that way, my dear."  
"And not to hire a man to come with his own mower?"  
"Have I the right to subject him to such risks?"  
"Of course not. Just let the grass grow as high as the fence—as high as the trees. We shall want to camp out there a little later. And the higher the grass the less of the house you see."  
"Mrs. Perkins, you are inclined to acrimony," said Mr. Perkins.  
"Grass seven feet high will probably help it. If you were to use a sickle or scythe on the lawn would it give you heart failure?"  
"I spoke of that to the doctor. He said he wasn't sure about it, but would look up the matter and report."  
"And when can we look for this report?"  
"By December or January. He is a very busy man, you know."  
"Yes, I know, and so are you. Mr. Perkins, how much oil does a lawn mower consume in a day?"  
"About a gallon."  
"And what is the cost?"  
"A dollar and a half."  
"But why didn't you use this as an argument?"  
"I knew I had forgotten something."  
"And you had forgotten the fact. A mower won't last over a month, will it?"  
"About a month."  
"And then it must be thrown away? Why didn't you make that statement to strengthen your case?"  
"I wish to add it now."  
"You would have to hire a garage to stable it in, wouldn't you?"  
"By John! Yes."  
"Mr. Perkins," said Mrs. Perkins as she rose up to go in, "we won't have a lawn mower. It is too dangerous and costly. We won't have a sickle nor yet a scythe. We won't meddle with the lawn."  
"But—"  
"Oh, just write down in that diary that in a couple of years you'll buy and bring home a five-cent tack hammer and we'll consider the subject closed."

**An Interesting Address.**  
Mrs. R. E. Buchanan of Fort Worth, Parliamentarian of the 1st District of the Federation of Womens Clubs, addressed the women of Haskell at the Presbyterian Church last Thursday afternoon.  
A goodly number of women were present and to those who were not there, we are sorry indeed that you missed the many good things she said. She told us that 98 per cent of the women church workers are club women. Why? Not because they are more spiritual but, because they are trained. She is a church woman herself and said the greatest need of church societies to-day, is better business methods in carrying on our work.  
She said she joined the "Woman's Club" in order to get the training, so that when her boy

grew to manhood he wouldn't think his mother a back number. We believe that any woman, who belongs to her "Church Societies" and takes a lively interest in it, cannot be a back number; then if she has the physical strength, she must also be an intelligent member of the Club. One of the best signs of the times, is the increasing interest on the part of women in general and mothers in particular, to better equip themselves for their life work. In behalf of our women we want to thank Mrs. Buchanan for coming, and hope that she may have occasion to visit us again, when all of our women may hear.

**Raise More Hogs.**  
The Fort Worth Stock Yards are furnishing hogs to farmers who have good reputations, and who have feed. The business men of San Angelo have ordered a car of hogs and let them out to the farmers on time at cost. Haskell county has surplus feed enough to fatten fifty to one hundred cars of hogs. The local Farmers Union ought to get busy and arrange for hogs for their members. The primary election is over, the liquor question has been put to sleep, and thousands of watermelons, weighing from 40 to 75 lbs are rotting in the field. Messrs Radford and Lewis were too busy in the summer to look after a market for the farmers melons. Let them get busy now and see if there is any thing in the Union besides howl and politics. It might be they can get the Commercial Secretaries in-

terested and they might induce Mr. Waples, the chairman of the Democratic Executive Committee and the Anhauser Busch interests, who have so thoroughly demonstrated their patriotism and interest in the farmers of Texas, to contribute to a fund to valorize the cotton crop and save the cotton farmers.  
**Good Suggestion to Haskell People.**  
It is surprising the amount of old, foul matter the simple mixture of buckthorn bark, glycerine, etc., known as Adler-i-ka, drains from the system. This remedy became famous by curing appendicitis and acts on both the upper and lower bowel so thoroughly that one dose relieves sour stomach, gas on the stomach and constipation almost immediately. We are mighty glad we are Haskell agents for Adler-i-ka.

# 8<sup>c</sup> For Your Cotton 8<sup>c</sup>

**We Will Pay You 8c For Your Cotton in Merchandise**

**WHY not Sell Your Cotton to the Best Advantage?** We will pay you 8c for your cotton in merchandise, if your cotton will grade midling or better. We guarantee to sell you your goods at rock bottom cash prices, or as cheap as you can buy them from any store in the county, and much cheaper than some of you have been paying. Isn't this the same as cashing your cotton? We also guarantee to hold every bale of cotton off the market until January 1st or longer if necessary. We believe if this system was adopted by every merchant in the cotton belt it would do more toward putting the price of cotton up than anything that has been done for the relief of the cotton situation.

We have had a number of people to take advantage of this offer, and not one person has left our store dissatisfied with our goods and prices. Some have turned us the second and third bale, and expressed themselves as being pleased with their goods and prices. If you are holding your cotton for higher prices, why not take advantage of this opportunity to realize the same as 8c cash for your cotton. We have the goods and you need them, you have the cotton and we can use it, and pay you more for it.

It will pay you to investigate this proposition and bring us your cotton. We will pay you the highest price possible at all times, and sell you goods at spot cash prices. Yours for business,

North Side Square

## COULD SCARCELY WALK ABOUT

**And For Three Summers Mrs. Vincent Was Unable to Attend to Any of Her Housework.**

Pleasant Hill, N. C.—"I suffered for three summers," writes Mrs. Walter Vincent, of this town, "and the third and last time, was my worst. I had dreadful nervous headaches and prostration, and was scarcely able to walk about. Could not do any of my housework. I also had dreadful pains in my back and sides and when one of those weak, sinking spells would come on me, I would have to give up and lie down, until it wore off. I was certainly in a dreadful state of health, when I finally decided to try Cardul, the woman's tonic, and I firmly

believe I would have died if I hadn't taken it. After I began taking Cardul, I was greatly helped, and all three bottles relieved me entirely. I fattened up, and grew so much stronger in three months, I felt like another person altogether." Cardul is purely vegetable and gentle-acting. Its ingredients have a mild, tonic effect, on the womanly constitution. Cardul makes for increased strength, improves the appetite, tones up the nervous system, and helps to make pale, sallow cheeks, fresh and rosy. Cardul has helped more than a million weak women, during the past 50 years. It will surely do for you, what it has done for them. Try Cardul today. Write for Chattanooga Medicine Co., Ladies' Advisory Dept., Chattanooga, Tenn., for complete instructions on your case and 64-page book, "Treatment for Women," sent in plain wrapper.
