RAIN RETURNS

Following several days of warm sunshine last week, rains returned to this area late Monday afternoon and night further delaying the harvest of grain and soybeans. The rains are not helpful to cotton, much of which is already opening.

The Monday rains and that night brought an inch measurement in town.

WATER RATE IS INCREASED

New water rates will go into effect for Abernathy's residents with the October billing. Under the old rates the customer paid \$3.00 for the first 2,000 gallons consumption, but under the new rates the customer will receive the first 3,000 gallons for the same \$3.00, or 1,000 additional gallons at no extra cost. However, after the 3,000 gallon minimum all rates will be \$.75 per 1,000 gallons. The new rates are designed to place no additional cost on those customers who are conservative in their water usage. For instance, 7,000 gallons usage in a one month period under the old rate and new rate cost exactly the same, but for those using in excess of 7,000 gallons monthly, the cost will increase.

The new water rates will serve a dual purpose in that they will hopefully encourage the conservation of water and will help finance future capital improvements for the water system. Residents are encouraged to fix any leaky faucets or hydrants they might have in order to minimize water losses.

Sanitation and sewer rates will remain the same.

ANTELOPES OPEN DISTRICT PLAY AT IDALOU OCT. 25

The AHS Antelopes go to Idalou Friday to begin conference football play in District 4-AA. Game time is 7:30 p.m.

Lose To Friona

(By Sam Hunley)
A good homecoming crowd witnessed a surge in the spirit of Antelope football Friday night despite a 28-13 loss to the Friona Indians.

Allowing only eight points to be scored against them in six games, Friona found the Antelopes tougher than expected. The defense-minded Antelopes completely dominated the first quarter of play, shutting off the Indian attack in every aspect of the game. Playing with renewed vigor, the offense began to move the ball with the poise of seasoned veterans. Wayne Riley and Mickey Davis combined on a 55-yard pass play to set up the Lopes on the Friona 5 yard line. Two plays later, Kenny Davenport put the Antelopes on the scoreboard. Extra point was good, and the first quarter ended 7-0 in favor of Abernathy.

The second quarter opened in favor of the Lopes with the Indians hot on their trail. Friona tied the game after an Antelope miscue; and the score read 7-7 early in the second quarter.

The Antelopes continued to shake the ball loose from the Indians by way of a fumble and a pass interception but couldn't seem to take advantage of the opportunities.

Late in the second quarter, fate turned on the Lopes again. Friona recovered a bobbled snap on a punt and found themselves on the five yard line. The Indians scored their second touchdown to lead 14-7 as the first half ended.

SECOND HALF

Fighting desperately to control the Friona attack, the Antelope defense dug in and held the Indians to a fourth down situation inside the 20 yard line. The Antelopes made one of their few mistakes in the game and allowed the Indians to score on a pass. The Indians were leading 21-7 as the third quarter came to an end.

Friona managed to score their last touchdown of the game early in the fourth quarter to take a 28-7 lead. This was the only mountable drive the Antelopes allowed the Indians throughout the entire game. The other scores came on Antelope miscues.

Still playing with a renewed spirit, the Antelopes battled back with a pass from Wayne Riley to Mickey Davis and found themselves on the scoreboard once more. Extra point failed. The final score read 28-13 in favor of Friona.

DISTRICT CAMPAIGN

The Antelopes find themselves in a unique position as they open bids for the District 4-AA championship. The win by Lockney over Floydada leaves the district crown wide open.

A victory over Idalou Friday night could put the Antelopes in a tie for the league chase and give them the enthusiasm needed to knock off the other opponents. Lockney, Tulia and Floydada are going to be tough but the chances look good on paper for Antelope victories. One thing is definite--it's not impossible for the Antelopes to win it all.

AHS Junior punter Ken Hendrix gets off a punt in the Friday night game here with Friona.

VICTOR GARZA (64)

ISRAEL GARZA (72)

Victor Garza, a 160 pound junior, has been named the outstanding defensive player in last Friday's game against Friona. Playing noseguard, Victor was instrumental in shutting down Friona's inside running game. He was credited with 12 tackles and a recovered fumble for the night.

Israel Garza has been named the outstanding defensive player in the game. The consistent blocking of the 155 pound senior guard was largely responsible for the Antelope's best offensive effort since the second game of the year.

It's A Boy!!

Anne Bell of Canyon was elected delegate to the National Baha'is Convention to be held in April 1975 in Wilmette, Illinois. This National Convention will elect the National Spiritual Assembly, which is the administrative body for the affairs of the National Baha'i Community. Baha'i elections are approached in a spirit of prayer without preliminary electioneering or nominating of candidates.

Baha'is have no clergy, therefore it is the responsibility of each Baha'i to com-

municate the principles of the Faith. Some of these principles are: oneness of God, oneness of mankind, common foundation of all religions, elimination of all prejudices, equality of men and women, harmony of science and religion, independent investigation of truth, and the need of a spiritual solution to the present economic problems.

Governor Dolph Briscoe and Ray Farabee, Democratic nominee for the Texas Senate, take time out to look over the platform of the Texas Democratic Party. They discussed the importance of rural development and expansion of water resources as they campaigned together in the 30th district recently.

Ray Farabee Confers With Governor On Issues Rural development and the need for conservation and expansion of water resources in the 30th senatorial district were two of the topics discussed recently when Ray Farabee conferred with Governor Dolph Briscoe.

Farabee, a businessman and attorney, is the Democratic nominee for the Texas Senate from this district which includes Hale County. Recently Farabee and Briscoe have campaigned together in Haskell, Snyder, Vernon and Wichita Falls.

Experienced in working with businesses and industries seeking to locate in this district, Farabee advocates increased appropriations for rural development under the Texas Rural Industrial Development Act.

Throughout his campaign Farabee has talked with citizens of Hale County about the need to develop and maintain a favorable business climate. He is opposed to corporate and personal income taxes and favors the continuation of the right-to-work law in Texas.

According to Farabee, other important ingredients in achieving economic diversification are strong vocational education programs and broad based citizen activity to encourage and attract new businesses.

Conservation and expansion of water resources must occur if the 30th district is to expand its agricultural production to keep pace with growing consumer demand states Farabee. Briscoe and Farabee agree that efforts must continue to secure imported water for West Texas. They view a water importation plan as vital to the economic well being of Texas and the nation as a whole.

wedding bells. Other areas of the altar were decorated with blue candles and spiral candle trees.
Wedding guests were greeted by Mrs. Don Kelley of Lubbock. A musical prelude was presented by Mrs. Lavonia Vaughn of Petersburg. Wedding selections were sung by Mrs. George Willis and Mrs. Steve Trowbridge, both of Petersburg.
The bride, escorted by her father, wore a formal length gown of white satin organza fashioned with a princess silhouette with deep lace ruffles encircling the hemline and sweeping into a

Sunshine Group Visits Hale Center

The Hale Center Senior Citizens invited us to meet with them this month. It was the top of any conversation any time a few of us met. What to wear and what to take and all these little things. Oct. 17 finally arrived so we dashed to the parking area in front of City Hall where we tied streamers

pedestal. The table was covered with a white satin ruffled cloth with net overlay and flower accents at the table's edge. Crystal and silver appointments completed the setting. Serving at the bride's table were Miss Susan Martin of Petersburg and Miss Vicki Hodges of Morton.

The groom's table featured gold appointments and a chocolate wedding cake. The floral centerpiece was a fall arrangement complimenting the gold appointments and beige and brown knit cloth.

Mrs. Sammy Stephens of Amarillo and Donna Nelson of Tullia served guests at the groom's table. Those assisting with the house party were Mmes. S. D. Scott, Rae Groce, Glenn Foote, Robert Fullingim, Gene Fullingim, Bruce Davis, Horton Brandon, and H. L. Porter, Jr.

For the wedding trip, the bride wore a jersey Pizzo pant suit of navy floral print with accented pleated pants and matching over blouse. Beige accessories and a corsage of white roses completed the ensemble.

After a wedding trip to Dallas, Texas, the couple returned to their home at 3102 4th St., Apt. 128, Lubbock, Texas. The groom is employed by Pioneer Natural Gas Company.

The groom is a graduate of Abernathy High School. The bride graduated from Petersburg High School and attended Texas Tech University.

On Friday, October 11, the couple were honored at a rehearsal dinner given by the groom's parents, Mr. and Mrs. Kenneth Phillips. The dinner was held in the dining hall of the First Baptist Church in Petersburg. The wedding party and their families were guests.

On Saturday, October 5, the bride and the bridesmaids were honored at a luncheon given by the bride's mother, Mrs. Donald G. Akin, in her home. Special guest was mother of the groom, Mrs. Kenneth Phillips.

on our cars and pinned a name tag on everyone, so we could count them back in I guess. There were 27 of us. As we left out of town we honked our horns and our ribbons popped and everyone was happy. If all the drivers got as much advice as I did, everyone of them knows how to get to Hale Center by now. I didn't pay very much attention because I had been there before. We went through there blowing our horns right up to the beautiful Methodist Church.

We were greeted by their hostesses Mmes. Venus King, Lillian England, Verna Stokes and Wilma Brown. We got a little too smart, we just cut a sun out of yellow paper, put our name on it and pinned it on. Well, they had made real cute Halloween name cards for us. There were a lot of people playing 42 and dominoes when we got there and the room was decorated beautifully for Halloween and harvest with pumpkins, big ripe tomatoes, bell peppers, ears of corn, even had draped black and gold paper from one light fixture to the next with balloons floating around, but I think they were tied on.

The tables were beautiful, white cloths with a strip of black and gold paper down the middle and fall harvest vegetables, especially big red tomatoes decorating the center. The Halloween napkins bringing out more color. Those people really put out a lot of work and we all thought it was so attractive.

We visited around a while and then played 42 awhile. I didn't because I wanted to get the names and greet some of the people I have known for years. Also, gab with their president, Mr. McMennamy who is a long time friend of my family. After a while he stopped the games and called the group to order, by that time there were 27 of us and 33 from Hale Center and one visitor from Plainview, Mrs. More, making 61 people. He welcomed us all and then we had the birthday celebration. This was new to us, we just sang Happy Birthday. They have a glass and each one who has a birthday that month put in a penny for each year of their life. They have a cake baked in an angel food pan and have one big lighted candle in it so they make their wish and all blow out the candle. There was Sue May Maggard, Mrs. Fuller and Mrs. Hodges from Hale Center and Robert Lutrick who doesn't know if he is from Hale Center or Abernathy and Bro. U. S. Sherrill. They huffed and puffed and blew the candle out. They use this money to buy the meat for their dinner. There was another money jar on the other end of the table that Mr. President said was for every day stuff.

Then word came in that Mr. Walter Lemon had passed away. He was one of the old timers of Hale Center. Then the president turned it over to Rev. Ryan who introduced Rev. Raymon Dyess who pastored in Hale Center in the fifties, he is now from Kress. He told us some of his background, that his father and later himself taught singing all over this part of the Plains. He sang with the Stamps Quartet awhile. He picked a guitar and sang all kinds of songs. The first was "Ain't We Crazy". He sang that with the Stamp Quartet. In the event category about 1913, "Sinking of the Titanic" and "The Tale of Floyd Collins". Then prisoners songs came out, "Meet Me Tonight in the Moonlight". He then sang "Tie Me to Your Apron Strings Again", so I guess that still is a prisoner song. "Old Pals are the Best Pals After All," "Frankie and Johnnie," "Has Anybody Seen My Gal," "After My Laughter Came Tears." Then the old familiar gospel songs, "He's Got the Whole World in His Hands," "When They Ring the Golden Bells," "Love of God," "Precious Memories," "Further Along," "Hold My Hand," "The western song, Red Fowley's version of "Hold My Hand," "Closer Walk With Thee," "Blue Grass songs, Roy Acuff's "The Great Speckled Bird." Then a closing melody of religious songs, "He Touched Me," "Fill My Cup," "How Great Thy Are" and "Amazing Grace." Some of the songs I hadn't thought of in years and we all enjoyed them.

Mrs. Hawkins said her father went to Rev. Dyess' father's singing school. Everyone gathered around him and some how Mr. and Mrs. Shipman and I were standing right next to him when they said dinner was ready. So, of course, they ask him to go first and as we were right there we followed him. We really liked that because we always wind up last. Such a wonderful meal. We had

EFFICIENCY

COMFORT ECONOMY

you get it all with

NATURAL ENERGY **Gas Heating**

Fresh, warm air gently circulating from floor to ceiling ... so nice to take for granted. Comfort is clean gas heat.

And that dependable comfort is such a bargain here in West Texas. Though gas energy costs a little more than it use to, gas furnaces still **cost less than one-third as much to operate** as similar electric furnaces.

And at the same time you're saving money with gas heating, you can also have a warm feeling knowing that you're helping conserve energy. Gas heating uses **only half as much energy** as an electric system doing the same job.

Comfort, efficiency, and economy ... you get it all with natural energy gas heating.

VETERANS DAY

*In Honor of
Our Nation's
War Dead*

**October
28th, 1974**

Brought to You by these Patriotic Individuals & Business Firms—

VETERAN'S DAY, 1974

As Veterans Day, 1974, approaches, controversy concerning President Ford's amnesty program ranks extremely high as a conversational topic. Emotions run rampant and tempers flare as conflicting opinions are viewed. There seems to be very little middle ground: you have to be either pro or con: and virtually everyone has an opinion.

In a recent telephone opinion poll, several observations were made. One man, who had served 20 years as a Marine, including a tour of duty in Viet Nam, felt the conditional amnesty was cheating veterans like himself. As he put it, "How can 2 years humanitarian service compare with the veteran who lost an arm, a leg, or a life? We both had jobs to do and liking or disliking had no bearing on the case, as I see it. Viet Nam was full of military personnel who disagreed, morally, with U. S. involvement—but they obeyed orders. Why should those who refused to serve be granted amnesty? Is there to be a bonus for the millions who fulfilled their duty?"

Several persons contacted felt Nixon's pardon justified amnesty for military prisoners. One man, an Army veteran, said he believed the young men who refused to take part in the war for reasons of conscience had a much higher right to amnesty than Nixon.

Still others felt long time military personnel who deserted because of Viet Nam should be treated completely different than those who fled the U. S. to avoid the draft entirely. They also felt conscientious objectors fell into a category of their own. In short, most cases are individual and lumping all into one group is difficult to understand.

Age groups of persons polled included young adults and older citizens. The opinions expressed, however, could not be divided into ages. As many young people objected to the situation as did their older counterparts. Some of the senior citizens were less rigid and more sympathetic, if anything. Only a few persons had no opinion or refused to comment, and their ages, of course, are unknown.

Despite all the controversy, amnesty has become a fact of life. Right, wrong, or indifferent, we should all realize that only in America are citizens allowed to voice their disapproval with Governmental powers. Corruption and disgrace are always answered by men and women who have stood up in every generation to fight for the old ideals and the old rights.

On this Veterans Day, 1974, let us put aside hostilities and pay tribute to the millions of men and women who have given their all so that we Americans can continue to live in the greatest nation on earth.

**Great Society
HD Club Meets**

The Great Society Home Demonstration Club met with the county Extension agent in charge of the program. She entitled her program "Grandparents and the 3 R's--Rights, Responsibility, Relationship". Maybell Glass opened the session with prayer and called the

roll with each person answering "an embarrassing incident with a child". Mrs. Florida Marez presided for the business session.

Mrs. Mayes, the agent, gave the A B C's for grandparents. To mention a few of her suggestions--Accept the fact that your children have the responsibility and final say about your grandchildren.

Be willing to let young parents make mistakes with your grandchildren. Cry to yourself when grandchildren are punished. Encourage the parents of your grandchildren to hire a babysitter. Zest for life, people, and learning keeps grandparents young and vital.

The Club had two guests from the Abernathy Public School Migrant Program, Amy Garcia and Sue Harley. They came before the women to try and encourage them as parents to participate in school programs.

There will be a Food Aroma in Plainview Agri. Bldg. Oct. 16 from 9 a. m. to 9 p. m. It is sponsored by the county Extension work and will be a very informative meeting with people with expertise in food and nutrition teaching the classes. Everyone is invited.

Those present were: Antonia Garza, Rosa Luera, Juanita Dominguez, Monnie Riley, Maybell Glass, Imogene Suttle, Wynon Mayes, Bertrice Gerhart, Maria Del Bosque, Michelle Rene Gerhart, Alicia Ramos, Natilldad Iorrez, Alice Pace, Helen Spulento, Manula Cardena, Aurilia Martiz, Nora Garcia.
