Hale County - Abernathy, Texas - Lubbock County

VOLUME 54
Number 41

ETC.

By Lori Hopson

I urge you to read and seriously consider the letter in this issue from TSGT Norman Hodges, a U. S. citizen currently stationed in Karamaul, Turkey with the United States Air Force. Hodges gives an inside view of the conditions facing U. S. servicemen and their families--one which you'll never get from your television network's nightly newscast.

I think it urgent that the public is informed of the shocking conditions described in this letter, and hope that it will bring about some positive action.

According to a later letter from Hodges, as of September 15, U. S. servicemen in Turkey will no longer be able to send or receive packages in the mail. Nor will they be able to make or receive telephone calls from outside the country.

For those of you who, after reading the letter, wish to write to your congressman, state senator or state representative, the addresses follow. Also listed is the address for the President of the United States.

Gerald Ford
President of the United States
The White House
Washington, D. C. 20500

Representative George Mahon
House of Representatives
Washington, D. C. 20515

Senator John Tower

Austin, Texas 78701

Services Held For Former Resident

Funeral services for Marie McMahan, 59, of 5818 24th St. were held Monday at Shannon's Northside Chapel in Ft. Worth.

Burial was in Mount Olivet Cemetery in Fort Worth under direction of Shannon's Funeral Chapels, Inc. of Fort Worth.

Mrs. McMahan died at 11:11 a. m. August 22 at West Texas Hospital, Lubbock.

Mrs. McMahan moved to Abernathy from Clarendon in 1950. She was supervisor of the telephone office in Abernathy until Abernathy went to dial and the office was closed down. She retired from the General Telephone Co. Feb. 1, 1975, after 28 years with the company. Mrs. McMahan was a member of the Church of Christ.

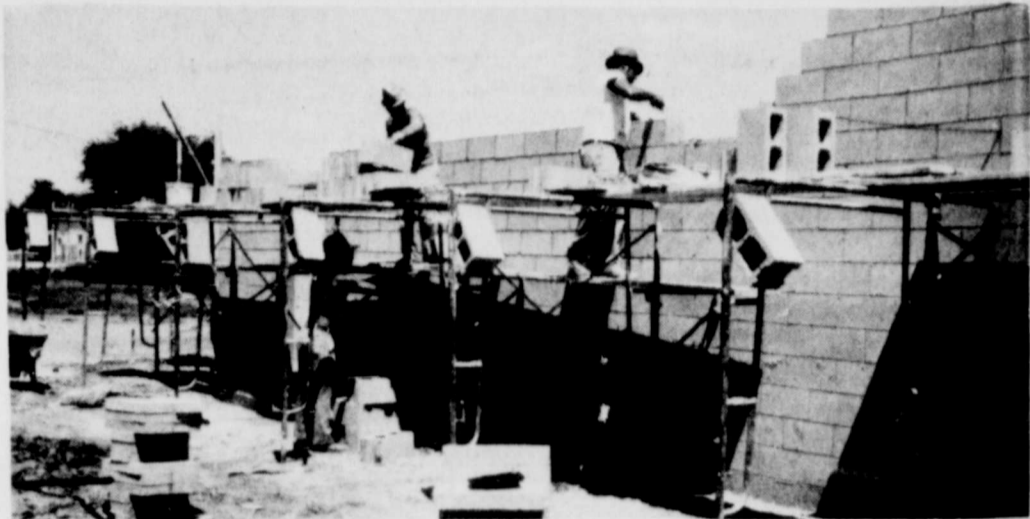

Survivors include her husband, Harless; her mother, and three sisters.

When the McMahan's lived in Abernathy, he was employed by the City of Lubbock. He was a member of the Abernathy Fire Department.

Chamber of Commerce To Meet Sept. 4

The Abernathy Chamber of Commerce will hold its regular monthly meeting next Thursday, September 4 at 7:00 a. m. at Graham's Restaurant, South Ave. D.

All Chamber members are urged and invited to attend the meeting.

WORK CONTINUES -- on the new convenience store being built just south of Jones Bookkeeping on Ave. D. here. The new store, part of the Mini-Mart chain, which already has several convenience stores in Lubbock, is being constructed by D. & L. Masonry company of Lubbock, and should be completed within the next few weeks. Construction of the basic structure of the building itself, should be completed at the end of this month. (staff photo)

Local Volunteers Begin EMT Training

The first meeting of E.M.T. Training was held on the L. C. C. campus on Monday night August 25th. Those attending from Abernathy were: Milt Pope, V.A., and Pat Dodson, Gene Nunn, A. C. Harris, J. P. Barton, Ray Sanders, Pete Knox, Charlie Burnett, Frank Russell, June Odom, Jim Odom, Laura Raybon and Tommy Overstreet.

After considerable confusion as to location of the class, we finally settled in and the men in class began immediately to have considerable more interest. Our instructor, Bonnie Jackson happened to be a very attractive and pleasant young lady. Some of the women weren't too impressed. First assignment was to register and obtain textbooks, and returned to a different classroom which was not available when we got back. After no one was prepared to pay for the books and no advance notice was given this procedure could best be described as chaotic.

Finally back to a classroom jammed with about 50 people, we heard our first lecture via a videotape machine. This professor's lecture was to give us an overview of the basic Body Systems which emergency personnel must be familiar with these were the circulatory system, respiratory system, nervous system, and endocrine systems. Naturally we all followed about 10% of what was said.

We then took a break and many of us were so confused we failed to even locate the coke machine. The break was followed by an overview of the course by Ms. Jackson. Lecture time will include 84 hours of classroom time and several hours of outside reading assignments. Exams are given periodically throughout the course.

Another part of the study includes 40 hours of actual in-hospital training. Of this, at least 16 hours will be spent in the emergency room with the remainder split among

Rodney Huffaker, pro at Abernathy Country Club,aced a 142-yard hole at the club course's fourth hole Saturday. Huffaker used a seven iron to sink the hole-in-one, and witnesses to the event were Porky Tennell, Donald Huffaker, Jimmy Gragg and Lloyd Edwards.

Huffaker's hole-in-one is the second in Abernathy Country Club history, with A. H. Klafka making the first several years ago on the same hole.

Services Pending For Former Local Resident

Services are pending at Lemons Funeral Home in Plainview for former Abernathy resident, William Irlis Pierson, who passed away August 26 at the age of 79.

Pierson was a resident of Route 1, Abernathy for many years, (from 1904, to 1965), before changing his residence to 2800 W. 18th St. in Plainview. He was a member of the Southside Assembly of God Church in that city.

labor and delivery, recovery, coronary care, intensive care, surgery, and pediatrics. One of the more interesting parts of the training is the requirement that each individual make a minimum of 5 emergency ambulance runs. The final requirement is that each E.M.T. have either a Texas chauffeur license or must have completed the defensive driving course.

The remainder of class time, which is 4 hours per class and 2 classes per week, was taken up in study of Airway Obstruction and Pulmonary Arrest. We first viewed a film on this subject which included artificial respiration using mouth to mouth method and artificial circulation by use of external massage method. Also included was controversial use of the "Pre-cordial Thump," or a firm blow to chest to restore a stopped heart.

We were versed in steps to take in sustaining, Basic Life Support using these methods. After the film, we had a review in lecture form and then demonstrations on a dummy.

Class was dismissed at 10 p. m. and we all filed out in a mild state of shock. Perhaps none of us realized the extent or intensity of the training. The course is available to biology students for college credit as well as to train the E.M.T. candidates.

We are all going to have to study harder than we intended. Thank you for your support of this program and please continue to give each person involved as much encouragement and help as possible in this vital endeavor for our community.

Reported by
Milt Pope

GAME SLATED TO RAISE FUNDS TO AID LOCAL YOUTH

Victor Trevino, 12 year old son of Mr. and Mrs. Manuel Trevino, was recently admitted as a patient at a Galveston hospital, where he will be treated for leukemia.

A lifelong resident of Abernathy, Victor is a seventh grade student at the Junior High School here, and participated in the Abernathy Little League program. A slight injury received while playing baseball revealed the presence of the blood disease when it failed to heal properly.

It is thought that the disease has been discovered at an early enough stage to make treatment possible, but doctors have recommended that Victor remain in Galveston for a period of at least six weeks.

In order to receive the treatment he needs, Victor needs the help and support of this community to help meet the costs of his hospital stay. The Abernathy Little League organization is sponsoring a

fund-raising drive to help raise money for hospital expenses, with a touch football game already in the planning stage as a fund-raising event.

The game, which will pit the local Little League coaches against Little League sponsors, will be scheduled early in September, and Little League spokesmen report that any contributions to the Victor fund may be made at either Don's Chevrolet or Struve Hardware and Dry Goods store.

In addition, members of the Trevino family will hold a garage sale at the Trevino home at 911 West Fifth Street this Saturday, Sunday and Monday, (Labor Day) to help raise funds for Victor's hospital care. The family expressed its "deep appreciation" for any contributions which might be made to help the youth during his Galveston stay. He was accompanied to that city by his parents, who have been members of the Abernathy community for several years.

School Budget Approved In Public Hearing

The Public Hearing of the 1975-76 Abernathy Independent School District budget was held August 11th in the Board Room of the High School. The total approved budget of \$2,161,885 was a compilation of several separate budgets. The regular operation and debt service budget totaled \$1,431,171, the Title I Regular \$63,382; Migrant and Mole Programs \$148,367; Bilingual Education \$115,000; Special Education Cooperative \$386,990, and special building fund \$16,975.

To meet the budget the board set a tax rate of \$1.60 per \$100 of assessed valuation. From the state, the local schools will receive an estimated \$904,434, from local services, 909,114, from Federal findings, \$326,749 and from unencumbered reserves, \$24,588. Of the total budget, 73.13% will be used for salaries, 5.69% for purchased and contracted services, 7.13% for supplies and materials, 3.99% for other operating costs; 6.93 for debt service and 3.13 for capital outlay and equipment.

House Bill 1126 passed by the 64th Texas Legislature doubled the local fund assignment increasing it from \$150,000 to \$300,000 while increasing the state money to be received by the local district by only 4%. This loss in revenue (approximately \$150,000) necessitated a 14% increase in local taxes to maintain the present school program.

It was pointed out in the hearing that House Bill 1126 was approved as a two year stop-gap program which means that a new bill could possibly come out of the 65th Legislature that will meet in 1977. Should a new bill not be written, the 1977 local fund assignment will exceed the cost of a minimum program and the Abernathy School will become budget balanced (that is, they will receive only Per Capita money as allowed by the present constitution and not receive any money for salaries and operation.)

Present at the meeting were: L. L. West, President; Billie Harrison, Vice-President; Joe Oswald, secretary; Lon Carmickle; David Pinson; Richard Howard; Bob Riley; Mr. Earl Carter, business manager, Dr. Delwin Webb, superintendent, and one guest.

The regular meeting of the Board of Education of the Abernathy Independent School District was held following the public hearing of the 1975-76 budget.

During the regular meeting, the Board amended the 1974-75 budget, in accordance with the statutes which require an amended budget to be submitted to the Texas Education Agency upon completion of the school year.

The Board also heard reports on tax collections (99% after discounts). Reports were also given on summer repair work including the auditorium renovation which is proceeding on schedule. The Board approved September 23rd as Visitation Date for the Southern Association Committee to visit the schools and make written reports to the Board of Education concerning the visit and operation of local schools.

Resignations were accepted from Sarah Burkhardt, bilingual teacher, and Vicki Fehl, special education teacher assigned to Hale Center School. Employed were: Steve Brown as junior high boy's PE and social studies (a recent graduate of Texas Tech University); Tech graduate, Eloisa Cantu, bilingual education and Carol Jones, speech therapist who taught last year in Levelland.

Three competitive bids were on the agenda. Borden Dairy Products was awarded the milk bid; Phillips Petroleum was awarded gasoline bid; and Jim McMorris, Texas Appraisal & Consultant Company was awarded bid for re-evaluation of rural properties.

Members of the local board voted to again join the Texas Association of School Boards and all members were encouraged to attend the conference workshop the last weekend in September in San Antonio.

Those in attendance at this meeting were: L. L. West, president; Billie Harrison, vice-president; Joe Oswald, secretary; Lon Carmickle; David Pinson; Bob Riley, and Richard Howard; Mr. Earl Carter, business manager and Dr. Delwin Webb, Superintendent.

Those in attendance at this meeting were: L. L. West, president; Billie Harrison, vice-president; Joe Oswald, secretary; Lon Carmickle; David Pinson; Bob Riley, and Richard Howard; Mr. Earl Carter, business manager and Dr. Delwin Webb, Superintendent.

ASSISTS IN SPC LIBRARY-- Vicki Gardner of Sudan has loaned the circulation and catalog sections full-time this summer at the South Plains College Library. Miss Gardner, an elementary education major at SPC, is the daughter of Mr. and Mrs. Doug Gardner of Abernathy.

LUBBOCK AUTHORITIES ARREST MEN WHO ROBBED DORIS CHEN RECENTLY

Eversince one of our fellow Abernathians, Doris Chen, daughter of Mr. and Mrs. L. S. Chen, went through the frightening ordeal of being beaten and robbed at knife-point along the roadside near Lubbock recently, the news has raised quite some concern of the local townspeople.

In an effort to obtain the latest development in the case, this paper learned through Lubbock authorities that two Lubbock men had been apprehended in connection with the incident. Aggravated robbery charges have been filed by the criminal district attorney's office against Marco Ramos, 22. The other man arrested is Ramos' younger brother, a teenager.

In an interview with the

Dr. Billy Graham

West Texas Crusade Begins August 31 In Lubbock

The Billy Graham West Texas Crusade will begin Sunday, August 31 at the Jones Stadium and continue each night through Sunday, September 7. The meetings will begin at 8:00 p. m. each evening. Dr. Graham is coming to Lubbock by invitation of clergy and business leaders of the community.

George "Beverly" Shea, Crusade soloist, will sing with a choir of several thousand voices directed by Cliff Barrows, Crusade Music Director. Three of the meetings will be taped for national television, and be shown just prior to Christmas.

Special guests at the Crusade will include Ethel Waters, TV and Motion Picture Actress, will sing on Sunday the 31st. Grant Teaff, Baylor Football Coach, will give his testimony on Labor Day, Monday, September 1; Steve Davis, Oklahoma Quarterback, will speak on Thursday, September 4; Steve Sloan, Texas Tech Coach, will speak on Saturday night, September 6.

This is the third Crusade in the United States for Dr. Graham this year. He has just recently concluded a Youth Crusade in Brussels, Belgium with youth coming from all over Europe to attend. Following the West Texas Crusade, Dr. Graham will conduct Crusades in Hong Kong and Formosa this year.

Chen's last weekend, Mr. Chen stated, "We are all glad that Doris came through the ordeal with no more than a beating and robbery."

Doris added, "I did ask for God's help from the very beginning, and even though I could not prevent the beating, I know that God helped me; I came out all right."

During the interview, Mr. Chen suggested that any Abernathy women working in Lubbock and returning home late should either have an escort or at least form a car pool. "We were lucky, but this luck may not always prevail," he indicated.

And, according to authorities, this isn't the first time this type of incident has happened to area women driving home alone at night.

Lions Club To Hold Annual Broom Sale Today

Members of Abernathy Lions' Club will hold the organization's annual broom sale today, (August 28) in front of the Post Office.

Lions Club members urge all citizens to come by the sale and participate in this fund-raising event. Proceeds will go to worthy Lions Club projects.

C. C. Williams Is New Manager At Anderson Grain Corp.

C. C. Williams, formerly a branch manager for Mingo Co-op in Page City, Kansas, has been named by Anderson Grain Corporation as manager of the company's facility here. Before working with the Kansas company, and in Oklahoma, Williams was a Dimmitt resident.

He and his wife, Wanda, will make their home in Abernathy with their two daughters; Raylene, who is enrolled as a freshman at Abernathy High School, and Cindy, a sixth-grade student in Abernathy Elementary School.

MEETING EXPLORES POSSIBILITIES OF BICENTENNIAL STATUS FOR CITY

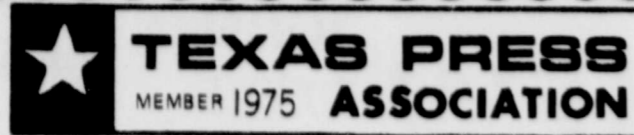

The Abernathy Bicentennial Committee met Thursday night August 21, 1975 at Graham's Restaurant to obtain public approval for Abernathy to become a bicentennial city.

The entire country is becoming involved in the year long project commemorating the 200th Anniversary of the United States of America.

Abernathy though small in size and population to the other cities throughout the state and nation has every possible opportunity to become a bicentennial city.

The only factors required are enthusiasm and hard work. Abernathy has proven in the past, with the 4th of July celebration and the 50th anniversary festivities that hard work and enthusiasm are ingredients already present in the city make-up.

Various Committee chairmen were elected in the first meeting to get state and national qualification requirements rolling. Mrs. Polly Tucker was elected Bicentennial Chairman to head the entire project. The theme will be based on 3 principal lines of work: (1.) present or festival headed by Don Ward and Dan Fondy, (2.) past or heritage, headed by Arno Struve, (3.) future committee, headed by Yvonne Hackler.

MRS. DODSON HONORED AT ANNUAL SCOUTS BANQUET

Mrs. V. A. Dodson was one of a trio of Lubbock area residents honored last Thursday by the Scouts of the Arrowhead district of the South Plains Council of the Boy Scouts of America at their annual awards banquet at Lubbock's First Presbyterian Church.

Receiving the district award of merit were Mrs. Dodson and Tom Diebel and Dr. Lowell E. Snyder of Lubbock. The awards are made annually to recognize outstanding service to the organization.

Abernathy local troop 481 of the Boy Scouts of America

was also honored at the banquet with the National Camping Award, and other attending the 'fete' from Abernathy were Messrs. and Mmes. Earnest Wilson, Jimmy Shuey, Joe Lopez, Rudolph Struve, Lindy Neis, Laurin Prather, and Garland Brantley. Also attending were Messrs. V. A. Dodson and Harold Stillwell.

The Arrowhead district is comprised of Lubbock north of 19th Street and the Abernathy area. There are 20 Cub Scout troops, 25 Scout troops and 10 Explorer posts in the area. Approximately 1,050 youths in the area participate in Scout programs.

LOCAL RESIDENTS ATTEND CONFERENCE IN DALLAS

Pat Hardin, Sally Barrick and Mr. and Mrs. W. C. Clement, recently returned from a Mary Kay Cosmetics seminar in Dallas.

Classes were taught two days by the company's directors, and bus tours were taken by those wishing to tour the company's plant. Classes were held to acquaint husbands with the business aspects of the company, and a golf classic was also held for the husbands who play golf and awards were given.

Unit awards were held on Thursday night and Golden Goblet awards night was held on Friday. Some of the awards were diamond pins and rings, fur coats and automobiles. Guest speaker on Saturday morning was Oral Roberts.

That evening, the speaker was Liz Liglar, and a highlight of the evening was the unveiling of the company's new perfume, headed by perfume makers as a new classic.

U. S. Air Force Officer Writes From Turkey...

Letter Reveals Tense Situation

Most Americans are spending their summer leisure time celebrating the 200th Anniversary of freedom in the United States. Picnics, freedom rallies, barbecues and patriotic parades are taking shape over the entire country. Truly, America is attempting to revive the spirit of freedom, that has made her such a great country.

TS/SGT. and Mrs. Norman Hodges and their two children Robin, 12 and Jay, 10 of Whitharral, Texas, are beginning to have doubts to what freedom really is. Hodges who has been in the United States Air Force for 17 years is currently stationed in Karamusal, Turkey.

The following letter written by Hodges to his brother-in-law and wife, Bob and Marge Crauk of Whitharral, Texas. Bob and Marge upon reading the letter gave it to Mike and Sandra, long time friends of both families, in hopes the letter could be printed in the newspaper.

The letter is self explanatory and tells us the American public, that we too, ought to find out if freedom really exists; or is it just another word in the dictionary.

Friday, 1 Aug. '75

Dear Bob, Marge, & Dale, Hope this finds you all well and not working too hard. We are doing pretty good so far considering all this mess that's going on. Everybody here is worried about what is going to be the outcome of all this. As it stands right now we are in a position where we may lose everything we have spent our lives building up. They have told us as of now our furniture and car and all cannot leave the country. We have no idea whether it is temporary or permanent. So everyone is on edge about it. We no longer have any status as American military and are subject to Turkish law entirely. We also have no more tax free status on BX items they consider taxable under their law. We can still buy anything we want to as long as we pay their tax of 120% or maybe more. That would make a \$100 item cost \$220. We would have to pay the Tur-

kish government \$120 for letting us buy the \$100 item. How's that for a start? nice huh? The tax on the car alone would be approximately \$6000 of more. There is the possibility they will put the tax on all our household goods which would have to be paid before we could take it with us.

The worse part of it all is all the confusion and not knowing what's going to happen from one day to the next. So far we have not received any kind of definite actions that are being taken or that we are to take. About the only news we hear about this situation is from BBC on Short Wave radio. Our radio station is not allowed to put anything out about the Turkish government without approval which they won't give.

As far as we know at this time our government has not taken any kind of steps to see to the welfare of all the dependents over here. They (Turks) have told us we are free to leave anytime we want but our furniture, car etc. stay here.

All the GI's here wouldn't be so worried if our government would at least do something about getting the dependents and furniture out of here. I know I would feel a lot easier.

The first chance I have to get Dorothy and the kids back to the states, they will be back there out of all this mess.

The Turks will not give any definite word on what they are going to change their minds about next. Their main objective right now is to pressure our government into giving them back their aid by using us as their means. It appears to all of us here that Congress has no interest in our people here. They sure didn't waste any time voting themselves a pay raise though and right in the middle of all this.

What we need right now is for someone to get word to the Congress and Senate just what is taking place here and especially what it is doing to all these wives and kids.

So far the Turks have said the mail would not be affected but most of us think it has been slowed down already

and are expecting to see them stop it completely at anytime. Of course, at this time we can't be sure of anything. The confusion and rumors are terrible and to make it worse our commanders here can't deny or confirm anything.

We are not in any danger (physically) as such but the possibility of losing everything is pretty hard on these women. Over 20 years of scraping and saving is hard to think about losing over something like this that we actually had nothing to do with in the first place.

Right now it looks like we have a long, long month to put up with this mess of not knowing what's going to happen next since Congress has taken off for their month of vacation. Too bad they couldn't spend that month over here along with us and let them see how it is to be under the boot of a foreign government especially with your family. They have a lot of angry GI's because of the families and are leaving themselves open to a lot of lawsuits if things happen as they appear to be now.

With Congress on vacation it would be impossible for any of our letters if we wrote, to get to them for at least a month. So if there's any chance please try to get this to someone-somehow.

When this first started the first thing the Turkish commander said was to shut off our radio station. But changed his mind when he found out it would have created

panic. They did prohibit us from flying the American flag and playing the National Anthem.

The next thing that went was the cross on top of the chapel. Why no one knows. But everyone is wondering. All of this has only been the first week of which the first three days nothing was changed. Then when the new Turkish Commander arrived on Tuesday it all began.

Not much else at this time so I will close and let you know more as it happens.

Just thinking, at this particular time it might be easier to let all this be known by sending it to the newspaper. So if you think it might help try it at Lubbock or let Joe try at Dallas. Let Joe and Phillip know about this and that we are all OK. Just worried.

Take care of yourselves. With all our love, Norman, Dorothy Robin and Jay

Receives Degree

Richard L. Montgomery of Abernathy received his master's degree from Texas A&M University. Montgomery is the son of Mr. and Mrs. L. C. Montgomery. He earned his degree in agricultural education.

TAMU had a record 854 degrees awarded at summer commencement, including 508 undergraduates, 264 master's and 83 doctorates.

DON'T

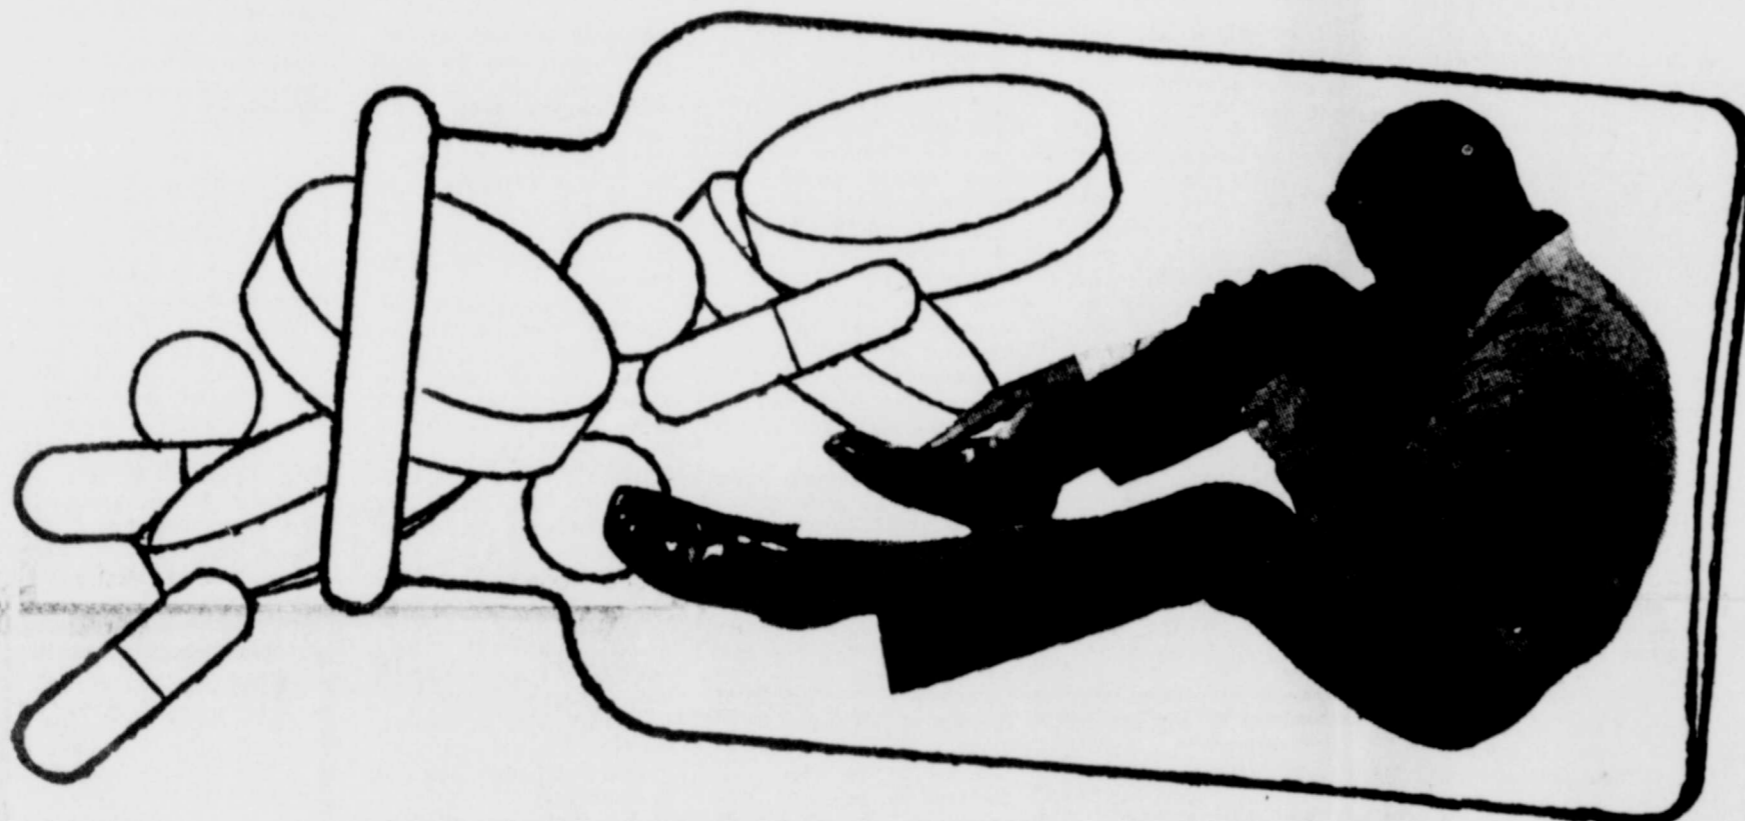

DOPE OUT...

OR DROP OUT!

A GOOD EDUCATION MEANS A GOOD JOB... A GOOD LIFE!

Face it! Those hang-ups you're trying to escape will only get bigger if you drop out of school or get on the drug kick. Think you don't need an education to have money in your pockets? Think again. A diploma will mean greater earning power for you in the years ahead. Think you don't need to be warned about the drug menace? Think again. Many youngsters have found themselves trapped by experimenting with dope "just this once." If you're doping out or dropping out, you're not as cool as you think you are. Play it really cool... stay in school and away from drugs. Now's your chance to build a future for yourself... don't blow it by taking the wrong step. Whenever you start thinking about quitting school or going the drug route — stop — and think again!

Center Provides Valuable Service For Community

Central Plains Community Action Program social services specialist Mrs. Alice Pace, Abernathy area resident for twenty years, directs many activities and programs

Mirror, Mirror...

By Sally Barrick
SKIN COLOR

Some comments about foundations that come across my desk are: "too much bother", "doesn't last but a few hours", "comes off on clothes", "slides", "separates", and above all, "wrong color."

You're right—it is a problem for most women. The right color-shade is vital for a youthful look, as are skin protectors and moisturizers. Too dark—ages, and deepens facial expressions; too light—will mask a beautiful skin! Freckles are another trick; this takes a perfect blend of two or more colors. The whole idea is not to cover up, but to blend so no flaws show outstanding.

Skin pigment changes constantly. Professional models have used this blending technique for ages. For appointments, pre-order call 757-2126

beneficial to the community. The Neighborhood Center is operated as part of a network of centers in Hale Center and Abernathy.

Besides being the place where the Caprock Council Girl Scouts troop meets during the year, the center is the scene of many other community services designed to give a helping hand to Abernathy citizens with special needs.

Employment is such a need, and Mrs. Pace has been instrumental in getting many people jobs through Rudy Rangel, Manpower Development specialist in Hale County. For persons who wish to limit the size of their families, there is a Family Planning Clinic at the Hale Center neighborhood center every first Wednesday of the month at 10 am. Transportation can be provided to this clinic.

Each third Friday of the month, there is a free Immunization Clinic at the center. Every first and third Thursday of each month, social worker Norma Perez comes from the county seat to assist with the Food Stamp program.

Each week on Tuesday, transportation for Senior Citizens is provided for trips to and from various social service delivery points. On Thursday afternoons, transportation is provided to and from health providers services.

Since many Abernathy residents expressed the interest, sewing classes are held each Monday and Tuesday. On

Wednesdays, Mrs. Pace and her friends have arts and crafts sessions. "Anyone interested in any of these programs should contact the center at 298-2805," she said.

The Great Society Home Demonstration will resume meetings at the center on September 2. The purpose of the group is to enhance knowledge of home management techniques. The president of the group for the upcoming year is Mrs. Arlene Mathis; secretary is Mrs. Maybelle Glass; Mrs. L. A. Suttle is the program coordinator; and Mrs. Elma Wolfe is treasurer.

The concept for Community Action was a part of President Lyndon Johnson's War on Poverty. In the Economic Opportunity Act of 1964, one provision stipulated that the poor should have a voice in how money was to be spent on them. This is done through a twelve member advisory board in Abernathy. This board is chaired by Hoppy Toller, local businessman. Other members include: Sam Hunley, Jim Bob Smith, Mrs. Skeet Engle, Mrs. Maybelle Glass, Mrs. L. A. Suttle, Mrs. Lorene Betts, Pete Cuevas, Mrs. Mickey Villegas, Mrs. Arlene Mathis, Mrs. Sara Blanco, and Mrs. Clorene Henderson. All citizens are invited to participate in the board's quarterly meetings.

The neighborhood way of dealing with social and economic problems is one that gets the most good done at a minimum of outside financial assistance. At the neighborhood center meetings, people talk about the needs of the entire community, especially the poor, and suggest ways to solve the problems. Frequently, the solutions are found at the local level, and local help from charitable and civic groups, Abernathy's churches, and private individuals is developed on the spot.

Sometimes, problems of one area are the same as those in another. It is then that county-wide, or even regional solutions are more appropriate. In the central plains, one neighbor has always helped another when he was too sick or injured to bring in the harvest or tend his fields. This concept of the "Good Neighbor" is what community action neighborhood centers is all about.

One problem such as this has as its partial solution the alcoholism counseling of David Carey. Carey has been

particularly successful in reaching the Mexican-American community with information concerning alcohol abuse.

Mrs. Pace is especially valuable to the community because she is bilingual. She has found herself the willing translator of many conversations, job application forms, and social services questionnaires. Because of her deep roots in the community, she is a valuable cultural liaison between different community groups.

All races and groups of people are invited and encouraged to participate in the recreation and social programs. At the centers, all people work side by side, illuminating the truth that all mankind is, after all, one race.

Lakeview News

Mr. and Mrs. Herbert Watson spent the weekend visiting their daughter and son-in-law, Mr. and Mrs. Leon Manley and children in Stephenville.

Marguerita Cruz is home from West Texas State University in Canyon until the Fall Semester begins.

Mr. and Mrs. Dwain Bristol were vacationing in Colorado last week.

R. C. Patterson was the featured speaker of the mid-week service Wednesday night.

Mrs. William Mayo, Deborah, Lydia and Jonathan of Dickens visited her parents, Mr. and Mrs. Lawrence Ameron last weekend. Mrs. Mayo will be teaching the Patton Springs school this term. They recently moved near Dickens from Duncanville where the family resided for several years. Another daughter, Rebecca, is enrolled in Asbury College in Wilmore, Kentucky.

Carl Amonett, son of Mr. and Mrs. Glen Amonett, is enrolling in Stephen F. Austin College in Nacodoches this week. He graduated from Petersburg High School last term.

Mr. and Mrs. W. L. Goldston of Littlefield visited in the E. G. Mahagan home Sunday, and Allan, Mark and Keith Mahagan, grandsons, also visited in the Mahagan home.

Vernon Smith, who has been ill several months and recently had surgery, attended church services at Lakeview church Sunday following an absence of several months.

Mr. and Mrs. Clayton Enger returned home last weekend from visiting friends in Canton and Paris. They also toured along the boundary lines of Oklahoma and Arkansas and reported it as being beautiful there.

Mr. and Mrs. Aaron DuBose of Canton are visiting their son and family, Mr. and Mrs. Richard DuBose of Petersburg and friends of the Lakeview Community this week.

PAGEANT CONTESTANTS-- Four local girls rated high in their respective age divisions in the recent Miss Western Queen Pageant held in Quannah. Shown left to right are Misses Kym Thompson, daughter of Mr. and Mrs. Pete Thompson; Regina Powell, daughter of Mr. and Mrs. Dale Powell; Jerena Wright, daughter of Mr. and Mrs. Kenneth Wright; and Shala Allen, daughter of Mr. and Mrs. Darwin Allen, all of Abernathy. Miss Thompson was named first runner up in the Senior age group, and Shala Allen was second runner up in the Tiny Tot division. Misses Wright and Powell were crowned Miss Western Queen in the Tiny Tot and Juvenile divisions, respectively. This was a first time for all four girls to compete in this particular pageant. Misses Powell and Wright returned to Quannah early this month to ride in the Winners float in the city's rodeo parade.

SUNSHINE GROUP HEARS "ELOQUENT" SPEECH; INSPIRATIONAL SONGS

The Sunshine Group met 8-21-75 with our President Floyd Shipman presiding. Mr. Gregg gave the opening prayer, then with Dixie leading we sang our anthem and "The Old Rugged Cross" and "Trust and Obey". Mrs. Hawkins read the minutes of the last meeting. We had two birthdays this month so we sang happy birthday to them. We were very happy to have Mr. Robert Nunn, son of Callie Nunn as a visitor. Also Mrs. Barbara Arnold, who used to live here and is visiting her daughter, Mrs. Clyde Benn now. When Dorothy Shipman agreed to be our program director this year she said she wanted two substitutes to work with. So Lillie Mae and I were in. Lillie did it last month, so according to them, it was my time.

Right there is where they went wrong because there

Attend Wedding Of Granddaughter

Mr. and Mrs. L. J. Jordan were in Tulsa, Saturday evening to attend the wedding of their granddaughter.

Miss Debbie Jordan and Joe Don Marshall were married in Calvary Baptist Church. The pastor Rev. Orval Rodgers performed the ceremony.

Mrs. G. M. Stout accompanied the Jordan's to Tulsa.

Salad Luncheon Set For Club

The Hobby will begin their club meeting September 4th with a salad luncheon at 12 noon at the City Hall Club room.

All Hobby Club members are urged to be at the first meeting.

was some business to discuss about if Abernathy wants to try to be a Bicentennial city and a speech of explanation was made. You rarely hear such an eloquent speaker, and bringing out all the points that we might get involved in. It was smooth as a dream. I know because I gave it. It was worse than my writing. Anyway we had representatives at the meeting that night, and anyone who is interested, come to a meeting Thursday night at 8 at City Hall.

To get the people's nerves quieted after my presentation, Floyd sang "I Don't Know About Tomorrow". The words go "I don't know about tomorrow, I just know about today." He was accompanied by Mrs. Brewer. It was real pretty. We asked Hoppy Toller to show us the pictures of the 4th of July parade because if you are in the parade which we were, you don't see the parade, I fall-

ed to note who took the pictures but they were real good. They started at New Deal with the beginning of the trail ride, and all the other things through the parade and the other performances. Our thanks to him for doing that for us. Rev. Coggin asked the blessing and the eating started.

Those present were Vera Hawkins, Dot von Struve, Dixie Pittman, C. J. Camp, Floyd Shipman, Dorothy Shipman, Lillie Lebow, Ollie Selker, Maude Givens, Oma Toller, Pearl Bryant, James R. Nunn, R. A. Lutrick, Callie Nunn, Earl Gregg, Mrs. W. V. Talbot, and Bernice Smith.

Also present were Mrs. Dewey Price, Susie Anderson, Evie Miller, Barbara Arnold, Ruby Hill, Doris Goebel, HB Coggin, Maurice Gregg, Blanche Coggin, Bernice Oliver, Mrs. C. Brewer, Hoppy Toller, Mrs. J. C. Veach, Maybelle Glass and Rev. Sherrill.

"RAYS OF HOPE"

by Pat Stanton

"A man has joy by the answer of his mouth", Proverbs 15:23.

The words of a man's mouth are so powerful that they can produce life, health, riches, joy and peace.

This is possible because man is created in God's image. God spoke the world into existence and everything is still held in place by his word.

Man's words are a living force and the success or failure of his life is largely determined by the words that he speaks.

If a man knows how to quote and say God's word for every problem and purpose of life, he will have a new creative force and power in life.

Positive words of faith based on God's word brings life, hope, and healing.

The writer of Proverbs says that "we are snared by our words." If you find yourself caught in a "snare of life",

check up on the words that you speak. Are they words of failure, gossip, criticism, fear, worry, hate, and etc.?

Learn to speak words of kindness, hope, peace, faith, love, gentleness, and progress.

Proverbs 18:7-8, "A fool's mouth is his destruction, and his lips are the snare of his soul." The words of a talebearer are as wounds, and they go down into the innermost parts of the belly.

Proverbs 16:24, Pleasant words are as a honeycomb, sweet to the soul, and health to the bones.

Proverbs 12:18, "but the tongue of the wise is health."

James 3:2, "if any man offend not in word, the same is perfect man, and able to bridle the whole body."

Learn to control your tongue and you will find yourself really enjoying a long, good life. Psalms 34:12-13, 1 Peter 3:10.

Scouting Provides Opportunities For Local Girls

The Girl Scout program provides opportunities for girls to experience, to discover, and to share girl-planned activities that meet the known needs and interests.

An invitation to join the Girl Scouts in Abernathy is issued to all girls in grades two through twelve. Troop meetings begin the first week in September for second grade and interested girls should call Thelma Waits at 328-2341. Third grade girls should call Lorraine Waits or Beverly Brantley; and fourth graders should call Connye Gist at 298-2473.

Fifth grade girls interested in scouting may contact Laura Raybon at 298-4149, and seventh graders should call Kay Taylor at 298-4048.

Caprock Girl Scout Council sponsors a complete training program for adults. Girl events include a Brownie Come-Along; Junior Cookarama; Cadette Style Show and Heritage Trip to Austin; Cabana trip to Mexico and Wyoming Trek for Seniors, during the year. Camp Rio Blanco, near Crosbyton, is owned and operated by the Caprock Council and is open year around for camping activities for leaders and Girl Scouts. A newly constructed Service Center is located at 2567 74th Street, Lubbock.

Caprock Council, one of 355 Councils in the United States, sponsors approximately 400 troops. 6,000 girls in this eighteen county area are expected to join this fall. This is the largest voluntary organization for girls in the world with troops in 91 countries.

Crusade Bus Available

County Line Baptist invites everyone to ride our bus to the Billy Graham Crusade. We will leave from the church house. Call 757-2134 for reservation and information.

Mrs. Anita Cantu and her two children were in a car accident in Lubbock, recently. Mrs. Cantu was treated at Hill Plains Hospital Hale Center for back injury. Her children were not injured.

Outdoors in Texas
By MERWYN SIMPSON

Gun Care . . .
The fall and winter hunting seasons in Texas are underway, and a few tips on gun care are in order this week. First, make sure you use quality materials to clean firearms. The oil can your wife uses to grease her sewing machine is NOT RECOMMENDED for guns. Be sure and use GUN OIL for your firearms, and nothing else. Every year hunters end up "gunless" in the field because a heavy buildup of grime and gum has rendered their gun useless. Several commercial aerosol sprays are on the market, and are perfect. For heavy cleaning jobs, a solvent is recommended, but don't forget a light coating of gun oil later. When using the aerosol sprays, it is best to spray a rag from the can, then wipe the gun. Spraying the gun directly can leave spots from the propellant in the can. **Tip Of The Week:** Record all serial numbers. You'll need them in case of a burglary.

WHITE'S AUTO STORE

Friends, Romans, countrymen
Lend me your ears;
Especially if your water heater
has a lot of years.
It's easy to forget
An appliance such as this,
But cold water at those urgent times
Could be a real crisis.
Your Reddy friends remind you
With this little poem
An electric water heater's perfect
For each and every home.

DONNA'S DANCE STUDIO

DAUGHTER OF FORMER RESIDENTS MAKES JUNIOR OLYMPICS

Miss Glenna Rogers, daughter of former Abernathians, Mr. and Mrs. Wayne Rogers, returned recently from the Junior Olympics in Rochester, Michigan, where her volleyball team took fifth place.

Miss Rogers, a resident of Carrollton, Texas, played in the Olympics with the Dallas Athletic Club Junior Varsity volleyball team. The team is coached by Dennis Cherry and managed by Mrs. Pearl Campbell, who said that if it was desire that sent athletes to the Olympics, Glenna might be going in 1976.

Glenna has as her goal to become a polished enough volleyball player to reach the 1980 Olympics, though she feels she will not be ready for the 1976 event.

Next year she will be a freshman at Texas Women's University where she plans to major in Physical Education and play on the school volleyball team.

Besides playing on TWU's team she plans to continue playing with the Dallas Athletic Club team. Since this is the last year for the volleyball program at DAC, Glenna and her teammates are planning to form their own club, with the help of Mrs. Campbell.

MEMORIES -- A review of the memories, both good and bad, of last week's school term at Abernathy schools, was a highlight of last week's Back to School party held at the old gymnasium, as students receive the 1974-75 edition of the Antelope, the school yearbook. Shown here is an unidentified student as he peruses his inscription in a friends yearbook. (staff photo)

ENGAGEMENT ANNOUNCED

Mrs. Billy Jack Klein of 2512 33rd St. Lubbock, Texas announces the engagement of her daughter, Mary Celine, to Danny Lyn Rice, son of Mr. and Mrs. Ray D. Rice of Abernathy.

The couple plans to be married Sept. 19 in Christ the King Church in Lubbock.

Miss Klein was graduated from Lubbock High School and Rice from Abernathy High School. Miss Klein attends Texas Tech University.

Gospel Singing Slated At New Deal

The fifth Sunday Lubbock County Gospel Singing will be held at the First Baptist Church in New Deal, August 31, from 1:30 to 4 P.M. Everyone is invited.

MRS. TED MAJOR ...

People; Schools Commended

Moving to a new town for the first time in over 16 years, Mrs. Ted Major says she's enjoying the opportunities to meet people and make friends in a new town.

The Majors moved here recently when Ted became manager of the company's Co-op Grain Co. here. He was formerly manager of the company's facility in Groom, Texas.

"We were optimistic about the move to Abernathy," says Eunice, "and we've found everyone to be very, very friendly."

She continues to say that, even before their move, the Majors heard good news about both the townspeople and school system here.

"Everytime I mentioned Abernathy," she says, "There

was something good said, and we heard the school system was exceptionally good."

Another advantage of the move was the nearness of Abernathy to Texas Tech University, where the Majors' son, Chad, plans to attend college after his graduation from Abernathy High School, where he is now a sophomore.

The family also includes four other sons; Brad, who is staying with his parents while working at the osteopathic hospital in Lubbock; Kyle, a senior at Amarillo; Jett, a senior at Texas A&M University; and Del, who is currently serving in the U. S. Air Force. Not to be forgotten is Chucky, the Majors' dog who, according to Eunice, is "one of the family."

With five sons, Eunice says there's "never a dull moment" at the Major house, but when she does find some spare time, she enjoys decorative and tile painting and craft work.

"I also enjoy collecting recipes," she says, "because I love to cook."

In addition, Eunice says the family enjoys getting together for outings and picnics, or for athletic events.

"They're all avid golf fans," she says of her husband and sons, "and I'd really like to learn to play. They're always on the tennis courts, too and we're all athletic fans. We love to go to football games and all spectator sports. We already have reserved seats for all the Antelope football games."

The Majors met while they were both attending school in Amarillo; she was an Amarillo High School student and he as a student at Amarillo College. They were married in New York two years later, while he was serving as a fighter pilot in the U. S. Air Force.

Following Ted's discharge from the Air Force, the couple moved to Groom, where he became engaged in farming. He later became manager at the Co-op Grain Co. facility there, and Eunice became involved in work as an elementary teacher-aid.

She has taken art lessons from three teachers in the past, and expresses a desire to learn more about the subject.

"I'd like to take lessons again," she says, "because there's so much to learn. I like to be busy and do things with my hands."

Eunice's recipe for this week is one for a dessert she recommends as "easy to make" and "delicious." She says it keeps fresh in the refrigerator for quite a while but adds that "it never lasts long around here" because of her family enjoys it so much.

HERSHEY VELVET DELIGHT
from the kitchen of Eunice Major

Melt oleo, add flour and nuts, Press in 9X13 pan and bake for eight minutes in a 350 degree oven. Place in freezer until cold.
1 cup cool whip
8 ounces cream cheese
1 cup powdered sugar
Beat cream cheese and cool whip. Spread on first layer which is cool by now.
1 package chocolate instant pudding
1 package vanilla instant pudding
3 cups milk
1/2 teaspoon vanilla
Mix together and spread on top of cream cheese mixture.

Cover top of dessert with cool whip and grate Hershey Bar on top.
Place in refrigerator and chill before serving.

Friendship Night Set For Eastern Star

Abernathy Chapter No. 877, Order of the Eastern Star will have its regular meeting on Thursday, September 4. This meeting is designed as Friendship Night, and all chapters in the area are invited to meet with the local chapter. The meeting will feature a salad supper at 6:30 p.m. and the regular stated meeting at 8:00 p.m. at the Masonic Temple, 710 Ave. E.

Worthy Matron, Pauline Stone, and Worthy Patron A. L. Stone, Jr. would like to extend an invitation to all Abernathy members to bring a salad and join in the fun and fellowship.

Mrs. Ted Major ... enjoys move to new city

Vows Exchanged

The Shepherd King Lutheran Church in Lubbock was the setting at 3 p.m. Saturday of the wedding of Miss Martha Lou Samsel and Buddy Harrison.

The Rev. Robert E. Lee officiated. In attendance were Patti Carmickle, Mrs. Lloyd Reece and Ronnie Ingram.

Parents of the couple are Mr. and Mrs. Henry A. Sam-

sel of Abernathy and Mr. and Mrs. V. W. Harrison of Wilton.

The bride was graduated from Abernathy High School and attended West Texas State University and Texas Tech University. She is employed by the City of Lubbock.

The bridegroom was graduated from Ralls High School and attends Wayland Baptist College in Plainview. He is employed by the City of Lubbock.

Former Residents Named To Plainview Faculty

Two former Abernathy residents began their teaching careers last week in the Plainview school system.

Mrs. Gary Stephenson, daughter of Mr. and Mrs. Bob Riley of Abernathy, will be teaching language arts, social studies and reading to sixth grade students in the elementary school there.

Mrs. Phillip Marcy, daughter of Mr. and Mrs. Laurin J. West, will be working with students in the elementary school's migrant program for grades one, two and three.

Mrs. Jerry Brightbill underwent surgery in Lubbock's West Texas Hospital last Friday. She was released Sunday.

10,000 Expected At Boys' Ranch Annual Rodeo

Two performances of the 31st Annual Boys Ranch Rodeo are scheduled for 2:30 p.m. the Labor Day weekend, Sunday and Monday, with approximately 10,000 people expected to drive to Cal Farley's Boys Ranch for the event.

All of the 370 boys of the Ranch will have some part in the rodeo, with about 150 competing with each other on the Brahma Bulls, bareback broncs, steers and calves. The rodeo is the only kind in the nation that has boys as the only contestants riding professional rodeo stock under R. & A. rules. Top honors are the titles of Senior and Junior All-Around Cowboys.

The rodeo is also a traditional homecoming for graduates of the Ranch who are members of the Boys Ranch Alumni Association. Some will travel long distances with their families to attend. More than 3,000 boys have lived at the Ranch since its founding by Cal Farley in 1939.

An added attraction will be bar-be-que beef plates and other refreshments sold by the boys. Reserve box seats are on sale at the Boys Ranch Office, 600 West 11th Street in Amarillo and can be obtained by writing P.O. 1890 or calling 806-372-2341. The reserved box seat tickets are \$2.50 an individual admission is \$1.50 for adults and 75¢ for children. Proceeds of the rodeo are used for the operation and expansion of the Ranch.

Johnny and Sherry Rantz visited last week in Corpus Christi in the home of their sister and brother-in-law, Mr. and Mrs. Jack Benton.

TEXAS TALK

By Harold Thompson

With one farm bill dead as a result of veto, Washington lawmakers are now at work on a second one. Members of the Senate and House Agricultural committees are predicting early fall as the time the new bill should be ready for formal consideration. From reports which have come out so far the consensus is that the measure will be pretty much a rewrite of the emergency bill earlier this year. Higher dairy, grain and cotton supports are considered a priority along with a target price program for rice. Some sort of new approach for a commodity reserve system is reported to be under consideration and there may be some changes in the disaster payment program. Perhaps the most extensive part of the bill will be indirectly related to agriculture since support is said to be heavy for an expanded food stamp program.
