

Abernathy Midget Baseball Team Wins Third Place In State Meet

WIN 3RD IN STATE—Shown above are members of the Abernathy Midget Baseball squad which placed third in the State Meet at Waco last week. Front row, left to right, are: Richard Rodriguez, Patrick Ponce, Russell Miller (bat boy), Kelley Hill, Trent Ryan, Charlie Ortiz, Jack Waters, Pete Garcia (not shown). Standing, l. to right Anthony Miller, Darren Engle, Cody Jones, Gilbert Salinas, Sammy Galloway, Wade Wesley, Ross Bradley, Eddie Lopez and Clarence Williams. Standing behind the players are Coach Dan Miller and assistant Coach Peggy Waters.

By JAN WESLEY

Our trip to Waco to play for State Championship was worth our effort. We brought back a 3rd place for our town. If they didn't know what Abernathy was, they do now.

Our team Dan Miller coach, Peggy Waters asst. coach. Starting line up boys, Ross Bradley, Darren Engle, Sammy Galloway, Wade Wesley, Jack Waters, Charlie Ortiz, Richard Rodriguez, Kelly Hill picks up from the Indians, and Gilbert Salinas, Cody Jones from the White Sox. Patrick Ponce, Trent Ryan, Clarence Williams, Anthony Miller, Eddie Lopez, and Peter Garcia were unable to go. Did us proud, not only by their baseball ability, but the way they acted in public restaurants and the motel we stayed at.

Others who made the trip were Waymon, Pat, and Dana Jones; Carroll, Karen, and Tracy Bradley; Donna, Marci, and Prim Ryan; Butch, Skeet, and Danny Engle, Marsha and Stefanie Sanders; Mr. and Mrs. G. M. Hall; Jan, Dean, Scott and Debra Wesley; Chris Waters; Shanni Waters; Jan and Steve Hill; Colleen, Sarah, Kristy, Russell Miller; Joe Barrera; Ray and Albert Ortiz. Mrs. Johnny Ponce and her two daughters came down the day of our last game. We left Sunday Aug. 1 and returned Friday Aug. 6.

Our days were full of baseball practice and baseball games. It was an experience for all to remember. A special thanks go to our fathers, Dean, Waymon, Carroll, Steve, and Butch, because these guys were with them 24 hours a day. The mothers washed the clothes and made sure each had a daily vitamin and could still stand on their feet. The heat took so much out of the boys. The days were long, but also very short, wasn't anytime for special fun or relaxing.

The games started Monday at 6:00 with Spring-

Klien. It was our first lost 4 to 2, we held them very well. They were the team which won State. We bounced back the second night with two straight games 6:00 Kaufman 7 to 6 and 8:00 Temple 10 to 4 everyone was ready to take on another. Wednesday night it was one game with overtaking Brownwood, 6 to 2. The boys were really beginning to feel the past days as we were tied for second place with Fort Stockton. Our batting power was good, but their defense just seem to be in the right place, we lost out 6 to 1. The teams could only lose two games and then you were out of the running. Our spirits were always lifted by our 4 and 5

year old cheerleaders, Debra Wesley, Stefanie Sanders, Marci Ryan and Shanni Waters. Scott Wesley, the cheerleader coach helped the girls with their routines.

We ended our defect, but celebrated our glory with a swimming party back at the motel, which made all forget the lost.

Thanks to our coaches Dan Miller and Peggy Waters for all the time, effort and know how which brought us so far these last few months.

Everyone seem to do their part very well. The boys sitting out, helped those playing to keep up the good work, and practiced just as hard before the games. Sammy Galloway was a hind-catcher who knew what he was doing. He hit the only home run at the 5 games we played. Ross Bradley, Kelly Hill, Gilbert Salinas did a good job on our pitching

power and the positions they they covered off the mound. Gilbert was the only one who did not strike out. Cody Jones our first baseman, and Darren Engle our second baseman showed how to stretch out there and get those balls. Our fielders Wade Wesley, Charlie Ortiz, Jack Waters and Richard Rodriguez stopped the hard hits and held our opponents to one base. We are very proud of our boys.

A special thanks go to Bob Paris, and James Taylor and everyone else who support our baseball assoc. Even if you didn't do anything but buy a coke at the concession stand. It takes a lot of money to send a team that far.

So get out and support our Baseball Assoc. next year even if you don't have kids playing, you'll never know how much work some of our people put in and we can always find a place for you.

ROBERT D. RICHERSON

RICHERSON GETS CHINA WAR MEDAL FOR HUMP FLIGHTS

Lt. Col. Robert Delton Richerson, USAF Ret., of 3810 64th Drive, Lubbock, recently was awarded the China War Memorial Medal by the Republic of China. The order for the medal was lost at the end of World War II and only recently found.

The Hump Pilots Association is composed of more than 2,500 air crew members and supporting personnel who were engaged in the war in the China-Burma-India Theatre of operation. A major portion of the flying provided the entire supplies for the American and Chinese Armies and Air Forces in China—the first time such a massive airlift was ever attempted. Over 900 aircraft were lost making an aluminum trail across the "Hump," as the Himalaya Mountains were called. The terrible weather and rugged terrain posed as constant a danger as the Japanese fighters and bombers.

Receiving the China War Memorial Medal will long be remembered, and is evidence that the successful effort to keep an entire nation alive under the greatest of odds, enabling us to achieve victory, has not been forgotten.

In addition to the China medal, Col. Richerson also was awarded the Distinguished Flying Cross and the Air Medal with one cluster. These were awarded earlier. Col. Richerson is a brother of Truman Richerson and Mrs. Marva Cox, both of Abernathy. Their parents were the late Mr. and Mrs. R. R. Richerson.

(J. D. Webb, rural route mail carrier out of Abernathy post office, was in the same outfit as Richerson, and flew the Hump run during WWII. We were unable to contact J. D. Webb before going to press.)

Mrs. Dan Johnson has returned from a 2-week visit in the home of her daughter, Mrs. Naomia Lewis, and children in San Diego, Calif. Mr. and Mrs. Billy Beard and sons are on a vacation trip to Arkansas and Tennessee.

NEW BUSINESS BUILDINGS BEING CONSTRUCTED HERE

A building to house a new business in Abernathy is under construction on lots at the corner of Avenue D and 6th Street. It will be occupied by another in the chain of Allsup's Convenience Stores, headquartered in Clovis, N. M.

Another building is under construction for a new business in Abernathy, reported earlier. It is located between the West Service Street on the freeway and Loop 369, the business route through town. Location is in the south part of town. The new building will house a Dairy Queen.

Also reported earlier, two established businesses in Abernathy are enlarging their buildings. A new, and much larger service department building is under construction at Joe Thompson Implement Company, John Deere dealership.

"AUNT MANNA" STRUVE

Rites Held Wednesday For 100-Year-Old Abernathy Pioneer: Mrs. "Manna" Struve

Only two months ago, South Plains residents wished Mrs. F. W. "Manna" Struve of Abernathy a happy 100th birthday.

Mrs. Struve, a true pioneer woman of the plains, died at 7 p. m. Monday in a Lubbock rest home after a lengthy illness.

Services for Mrs. Struve were held at 2:30 p. m. Wednesday at First United Methodist Church in Abernathy. Burial was in Abernathy Odd-fellows Cemetery.

She was born Hermanna Rudolphine Richter in the centennial year of America, June 15, 1876, on a rocky \$1 per acre farm and ranch in Burnet County.

Soon after the turn of the century, she came to Abernathy with her husband, the late Fritz W. Struve, an early-day business and civic leader in Abernathy and the community's first mayor.

On June 15, Mrs. Struve's birthday, Abernathy Mayor Pete Thompson issued a proclamation denoting the day as "Manna Struve Day." Thompson paid tribute to Mr. and Mrs. Struve as "giants in laying the foundations for Abernathy as a town, its

business community, its churches and schools, as well as contributing to the advancement of farming in the area."

Since Mr. and Mrs. Struve came to Abernathy in 1912, there has been some kind of Struve business operation in the city.

The Struves came to the Plains of West Texas in 1901 and moved to Abernathy in 1912 to "educate their children."

The Rev. H. B. Coggins, pastor of the Lakeview Methodist Church officiated. Burial arrangements were under the direction of Chambers Funeral Home.

Survivors include a sister, Hilda Palmer of Whittier, Calif.; two daughters, Wanda Gilvin of Amarillo and Irma Ward of Abernathy; two sons, R. R. and Arno, both of Abernathy; 10 grandchildren; 19 great-grandchildren and "more friends than you can shake hands with in a day" as the pioneer woman once said.

CUEVAS SEEKS COOPERATION AT CROSSWALK

Pete Cuevas, who will start his fourth year as crosswalk patrolman August 19, the first day of school, seeks the cooperation of local motorists.

Cuevas will be escorting school children and others across Avenue D from city hall to Pinson Pharmacy. To this date, Cuevas has a record of "no injuries" at the crosswalk. He is not as interested in establishing "records" as he is in protecting the school children and others who use the crosswalk.

The 20-mile-per-hour school zone is between two flashing yellow lights. One light is across Ave. D east of Royce Henson's Abernathy Oil Company and the other light is at the corner of Ave. D and 10th St., by Southwestern Public Service Company.

Other local law enforcement officers join Cuevas in this plea for the safety of those who use the crosswalk from city hall to Pinson's.

Warning Is Issued On New Corn Crop

The local area farms have a large number of big fields of corn this year, probably more acres of corn than have ever been grown in this territory before. With this commercial corn production, volume comes a risk. In years past, most of the corn patches were for roasting-ears and home canning, and had not been sprayed with insecticide. This year it is different. Most large fields have been sprayed to kill worms and insects. The spray is poison, and makes human consumption of the corn unsafe for 28 days after spraying. If you want corn for table use, you had better check with the owner of the patch to see if it has been sprayed, and if the 28-day waiting period has passed.

The daughter of Mr. and Mrs. Billy Fortenberry of New Deal, she is a former teacher in the Levelland and Plainview schools. She earned a B.A. in English from West Texas State University, a M.A. in German from Texas Tech University, and has completed graduate studies at the University of Vienna.

FORMER LOCAL RESIDENT DIES

Mrs. Juanita Stanovsky, 45, a former Lubbock and Abernathy resident, died July 30 in Scotland.

Mrs. Stanovsky and her husband, Joe, were returning home from Saudi Arabia, where he had been teaching for the past two years.

The body was to be returned to Arlington, the Stanovskys' permanent residence, August 4.

In addition to her husband, she is survived by two sons, Clint and Derek, of the home; her mother, Mrs. F. L. Bridges; and a brother, Larry Bridges, both of Lubbock.

The late F. L. Bridges, father of Mrs. Stanovsky, was manager of Abernathy Co-op Grain Co. when the family resided here many years ago.

Back-to-School Party August 19

The Back-to-School Party will be held Thursday, August 19 (first day of school) at 7:00 p. m. in the school cafeteria. "The Way We Were" will be the theme for this year's party.

The 1976 Antelope yearbooks will be distributed that evening, and a performance will be given by the AHS cheerleaders.

All AHS students, incoming freshmen, 1976 graduates, faculty, and administration members are invited to attend.

The flag of the United States stands on the surface of Mars. It is mounted on the housing of Viking 1's nuclear power system. Also seen are the U. S. Bicentennial symbol and a student-designed Viking emblem. The bright flat surface near the center is the seismometer container. This picture was taken on July 23 at about 2:30 p. m. MARS time. The view is west of the spacecraft and includes a series of low hills. The

bloody hill in the center appears to be part of a crater rim. The dark, rocky craters may be material ejected from the crater. The light areas are dune-like and may be accumulations of wind-blown sand or dust.

NEWS AND COMMENT

NGC---DOT, EPA and FEA are considering the passage of rule to sock the nation's vehicle owners with PMVI. Translations: the Federal Department of Transportation (DOT) Environmental Protection Agency (EPA) and Federal Energy Administration (FEA) are seeking to have motorists saddled with Periodic Motor Vehicle Inspection (PMVI) that will make the present state motorist inspection law look like nothing by comparison.

The Federal position seems deceptively simple and logical. DOT, in cooperation with EPA and FEA, has adopted a complex set of vehicle inspection procedures covering brakes, tires, wheels, suspension and other "safety-related" items. Additional procedures involve tests of fuel consumption, exhaust emissions and such other items as the condition of body panels and electrical wiring.

The new procedures require special computerized test equipment, and they far exceed the complexity of procedures now in use by any state. These procedures essentially dictate the use of state-owned or contractor-owned multimillion dollar test facilities in the cities and portable, trailer-mounted test facilities in the rural areas of most states.

You are welcome to check the map at The Review office.

NGC---Located near the center of the Dallas-Fort Worth Metroplex, Arlington is emerging as the Texas city with the widest range of entertainment. To augment the long-time success of Six Flags, another fun park is operating this year... Hawaii Kai. College students from Hawaii are there this summer doing several shows daily. Also, there is a marine show of dolphins and other sea creatures, including the world's largest shark in captivity. Also around the Arlington area is the Lion Country attraction, and the Texas Rangers play their games at Arlington Stadium. We have Hawaii Kai brochures for you. We're not trying to run a travel agency, but we do have this free service for you on Texas attractions.

Millions of taxpayers' dollars were wasted on would-be nominees for president of the Demo and Republican parties. This is another money-waster that will mushroom as it goes along. FULLER ON GRID VARSITY STAFF AT PLAINVIEW

Jerry Fuller, a native of Abernathy who played football at the University of Houston and Angelo State, has been elevated to the Plainview High varsity, replacing Bill Massey who recently resigned to take a college coaching job at Northwestern Oklahoma.

Fuller, 26, was a sophomore coach in 1975. He'll coach backs and receivers for the varsity. He graduated from Angelo State in 1974 and teaches American History at PHS.

A son of Mrs. Lois Fuller of Abernathy, Jerry is a graduate of AHS, and was an outstanding football player of the AHS Antelope squad. Fuller's wife, Jan, also is a teacher in the Plainview School System.

SCHOOL BUDGET TOPS 2 MILLION

The budget hearing of the 1976-77 school budget was held August 5, 1976, in the

board room of the high school. The composite budget totaled \$2,223,595 making up the composite for the local and state operating funds, state and federal funds, bilingual education, special education, migrant programs, Title I Programs, and other special approved federal programs. The budget was approved in official action as presented by the school administrators under the direction of the President of the board.

The tax rate for 1976-77 remained the same and will be \$1.60 per \$100 valuation.

In other action, the board opened and approved bids on four items. The bid for a stock trailer was awarded to Hale Manufacturing Company, Inc. of Lubbock. Gasoline bid for the 1976-77 school year was awarded to Philgas with a low bid of 45.5¢ per gallon. The milk bid was awarded to Borden for a guaranteed price bid of 9.45¢. The bid for tennis courts was awarded to Malott & Peterson-Grundy for a bid of \$32,727. Tennis court construction is to be completed in 120 days. The bid only included courts and fences. Lights were not included but will be bid on at a later date.

Oral reports were given on the tax collection showing 99.03% as having been collected which sets a record for the local schools. Other reports included summer repair work that has been done during the summer vacation. The board voted to accept bids on August 26th for the fleet policy on the school owned vehicles.

A resignation was accepted from Dortha Meeks and the following Coop teachers were employed: Carolyn Jones, Susan Whittaker, and Melissa Davis.

In other action, the board adopted state guidelines for free and reduced price lunches. The scale will be found elsewhere in this paper. The price for lunches for the coming year was set at 60¢ for students and 75¢ for out-of-school adults.

The board also voted to continue membership in the Texas Association of School Boards.

Those in attendance at this meeting were Billie Harrison, President; Bob Riley, Vice-president; David Pison, Secretary; Lon Carmickle; Richard Howard; Jerry Oswald; and Daniel Fondy. Two other guests also attended. The next board meeting will be a special meeting on August 26th to accept bids and to amend the 1975-76 budget in accordance with Public School Laws.

Former Resident Involved In The Viking-Mars Project

(Continued From Page 1)

Glendale, Ca. August 1, 1976

Dear Buford,

Viking one landed on the surface of Mars July 20, 1976 to begin a series of scientific experiments that are fantastic to behold. As I write this letter, the Lander has just completed twelve days of operation with very good results. Camera pictures have revealed a reddish brown rocky surface that appears similar to some areas I have seen in Texas, New Mexico, and Arizona. Wind velocities have ranged from five to twenty five miles per hour, which is quite low compared to the maximum velocities that are possible on the planet. Experiments are underway to determine the chemical composition of the soil and to test for the presence of living organisms in the soil. During the high speed entry into the thin Martian atmosphere, measurements of charged particles and atmospheric composition were made by instruments within the Lander capsule. Also, during the entry, the speed was reduced by an ablative heat shield, a parachute, and finally by three jet thrusters. The Lander settled to the surface at a speed of about five miles per hour. The entire descent was automatically controlled by a sequence stored in a computer within the Lander. No real time assistance could be provided from Earth to help the Lander with the descent because Mars is about 200 million miles from Earth and the one-way radio time is about twenty minutes.

As you can probably tell, I am very pleased to be involved in the Viking program because of the many things we are learning about another planet in our universe. You may not know that I have been involved in the program since 1969, and I participated in the design and development of the guidance and control system on the Lander and many of the scientific instruments. At this time I am part of the Viking Flight Team at Pasadena, California, where I am in daily contact with about 100 scientists from various parts of the country. Watch for the landing of Viking two in the early part of September, and say hello

Wedding Solemnized

Mrs. Thomas Wainscott
(nee Kathy Irish)

In a 4:00 p. m. ceremony on Sunday, August 1, 1976, at First United Methodist Church in Abernathy, Miss Kathleen Ann Irish became the bride of Thomas Melvin Wainscott. The double ring ceremony uniting the couple in marriage was performed by the Rev. H.B. Coggin.

Parents of the couple are Mr. and Mrs. J.L. Irish of Abernathy and Mr. and Mrs. E. C. Wainscott of Olney.

The altar of the church was decorated with antique candlesticks of white onyx and gold, holding white pillar candles and fresh magnolia bouquets. Flanking the altar were massive Flemish arrangements of white agapanthus, delphinium, Killian daisies, snapdragons, and Bristol gypsophyllia, placed on huge antique English brass fern stands dating from the Victorian period. The altar nave was decorated with brass arched candlelabrum and candle trees holding pillar candles and swathed with fresh magnolia bouquets. The bride's aisle was decorated with large white satin bows holding fresh gypsophyllia and Killian daisies.

A beautiful medley of traditional and contemporary wedding music was presented by Mr. and Mrs. Edwin Key, organist and pianist, and Mrs. Clifton Key, violinist, all of Olney, as wedding guests were seated. Miss Pat Harrington, soloist, of Lubbock, sang "Sunrise, Sunset" after the mothers of the couple were seated, and "Sabbath Prayer" at the close of the ceremony.

Given in marriage by her father, the bride approached the altar gowning in a magnificent creation designed especially for her by Priscilla of Boston. Her wedding gown was of French rococo design of imported Swiss cotton net, enriched with French Alencon lace, veiled over French silk peau d'ange of a moonlight color. The moulded bodice featured a high wedding band neckline, encircled in garlands of Alencon lace, forming a deep Byzantine design and extending into the shield shaped yoke of sheer imported Swiss cotton net. The Byzantine pearl bead work accented the yoke in scrolls and flowerlets, interlocked in a rococo manner. Garlands of Alencon lace flowerlets encircled the deep shield shaped yoke, revealing a repeat of rococo scrolls and peaks. The moulded bodice was of imported net over silk peau d'ange, with completed designs of Alencon lace appliques. Long slender candlestick sleeves of imported net extended to the top of her hands, marked with Renaissance peaks of deep Alencon lace. Alencon and point d'esprit enrichments accented the sheer slender sleeves. From the Alencon lace-encircled crescent waistline, fell her full A-line skirt of imported Swiss net, veiled over silk peau d'ange, with gentle fullness gathered to the back to form a slight bustle. The entire skirt of the gown was gracefully enriched completely with medallions and flowerlets of Alencon lace, interlocked with point d'esprit enrichments. The entire hemline was encircled in magnificent French Alen-

con border lace of scrolls, peaks and flowerlets of a classic rococo design. The skirt swept to form a full chapel length train. The bride wore a French capulet covered in matching Alencon lace, from which fell her full circular mantilla veil of imported silk illusion, edged completely in garlands of Alencon lace flowers. The veil swept in cascades beyond the train of her wedding gown. She wore custom designed wedding slippers covered in Alencon lace, with pearl bead work to match her gown. The bride's cascading bouquet was composed of white roses, stephanotis, gypsophyllia and agapanthus blossoms, trimmed in seed pearls and velvet leaves.

Following traditional customs, she wore her maternal grandmother's gold wedding band for something old; her wedding dress, veil, and the bridegroom's wedding gift of a diamond drop for something new; a lace handkerchief borrowed from her mother; a blue garter; and a sixpence minted in her birth year in her shoe.

Miss Nancy Irish was her sister's maid of honor, and bridesmaids were Miss Leigh Riley of Lubbock, Misses Susan Sory, Terri Callins and Mary Beth Dwyer, cousin of the bride, all of Houston, and Mrs. James Heep of Sioux Falls, South Dakota.

The attendants were attired in imported English cotton voile Country Garden print gowns, with moonlight background aglow with an array of print flowers in peach, salmon, cantaloupe, with highlights of jade and French green. The moulded bodices featured a high rolled neckline and cap sleeves, and an earth brown velvet sash encircled the crescent waistline. Dirndl skirts were gently gathered, giving the gowns a graceful fluid skirt, and the hemline was accented by an earth brown border; they wore marching brown shoes. The attendants wore French Garden hats of cotton and silk braid with wide brims. Matching wide bands of floral print circled the crown of the hats, and a cascade bouquet of matching French silk flowers encircled one side of the brim of the hats. Their cascade bouquets were of Tropicana roses and miniature Hahn's ivy. The groom was attired in an ivory Newport tuxedo with a cane au lait velvet trim and a ruffled ivory shirt. Attending the bridegroom as best man was David Wainscott of Olney, brother of the groom. Groomsmen were Patrick Kelly of Houston, Pat Lisle of San Antonio, Steve Weaver of Petersburg, James Jester of Memphis, Tennessee, and Robert Allen Craig of Waco. Serving as ushers were Jimmy Irish of Dallas and Mike Irish of Lubbock, both brothers of the bride. The groom's attendants wore tuxedos identical to the groom's, with apricot neckties and apricot cufflinks. The father of the bride and groom wore carnal colored Newt tuxedos with ruffled ivory shirts.

Mrs. Irish was gowning in a silk chiffon court gown of melon, veiled over cantaloupe silk peau d'ange. Her gown featured a deep v-neckline with slight lapels folded back. From the blouse

bodice fell sheer full bishop sleeves, caught at deep cuffs. From the sashed waistline fell the three circular skirts of melon silk chiffon over silk peau d'ange.

The mother of the bridegroom wore a gown of misty sand Quilana, fashioned in an A-line design, with long slender sleeves, and a crescent waistline.

Following the wedding, a reception was held at the home of the bride's parents. Miss Janna Hamilton and Miss Susan Montgomery registered the guests, both at the church and under the liveoaks at the Irish home, on tables of apricot crepe with white chiffon overskirts. Floral arrangements on the registry tables were a Flemish arrangement in shades of apricot at the church, and a massive Italian basket of fresh geraniums and ferns at the home.

A champagne reception was held at the Irish home. Guests at the reception also were served punch and coffee from a rectangular table covered with a floor length cloth of off-white lace. Centering the table was an antique silver epergne holding Tropicana roses, apricot daisy pods, Gerleer daisies, and gypsophyllia. Silver appointments were used, and a profusion of flowers were arranged in the receiving rooms.

The bride's circular cake table in the terrace room was covered with silk illusion and re-embroidered Alencon lace with seed pearls. The bride's cake was three-tiered, with a profusion of intricate blossoms in shades of apricot and grape clusters worked into cascades from each side. The middle tier was embellished with medallions of rosebuds and aqualias, all worked in royal icing on a white background. Mounting the uppermost tier was a keepeeke top of porcelain and confection, featuring cherubs dancing under a tree of blossoms. The wedding cake was designed and executed in Jacksonboro, Texas, and brought to Abernathy for the reception.

The groom's table in the den was a massive table, covered to the floor with a coupe cloth of lime green to accent a chocolate cake decorated with miniature fruit, handmade of marzipan. In a brass container a massive floral arrangement of apricot spider mums and South African photo blossoms gave the table its masculine touch. Brass appointments were used. Serving at the groom's table were Mrs. James Hester of Memphis, Tennessee; Mrs. Pat Lisle of San Antonio; Mrs. Randy Henderson of Lockney; Mrs. Steve Weaver of Petersburg; and Mrs. Kevin Kelly of Dallas.

The five circular seating tables in the backyard were covered with apricot cloths, and each had a large white wrought iron binnacle filled with Gerber daisies and tinted poms in an apricot color scheme. The terrace and garden of the Irish home was filled with geraniums in bloom. During the reception, the Alpha Chi Omega sorority sisters of the bride who were present, gathered in a semicircle in the garden to sing a traditional sorority song together. Members of the houseparty

for the reception were Misses J. L. Miller, Joe Oswalt, Boyd Griffith, Carl Barton, Morris Thomas, Bill Riley, Jack Hacker, Gid Adkisson, J. W. Hamilton, Herman Lambert, L. G. Montgomery, Joe Tom Brown, Larry Deering, Miss Christy Waters and Miss Terri Heath, all of Abernathy; Miss Pat Zimmerman, Miss Shell Wilterding and Mrs. Steve Ellis, all of Lubbock; Miss Cindy Fields of Shamrock, and Miss Stephanie Roberts of Fort Worth.

The new bride's going away costume was a melon Irish linen frock of a Far Eastern design. The bodice featured a duchess neckline and brief cap sleeves, and a wrapped obi belt that was sashed at the natural waistline. The flared A-line skirt fell in gentle folds. She wore a peanut straw hat with a wide crushed headband of English Garden voile print of the same design as her attendants' gowns. A nosegay of silk French flowers accented one side of the hat brim.

Miss Christi Irish, niece of the bride, of Dallas, and Miss Lauren Hacker of Lubbock, dressed in long frocks in the bride's chosen colors, distributed rose petals and rice bags before the couple left for a wedding trip to Acapulco.

After their return, they will be at home at 6644 Eastbrook Lane, Apartment 3, Memphis, Tennessee, 38134, where the groom is employed as a senior accountant with Vertac, Consolidated. He is a graduate of Olney High School, and of Texas Tech University in 1975, with a Bachelor of Business Administration degree in Accounting. He was an officer of the Tech Rodeo Association.

The new bride was graduated from Abernathy High School, and from Texas Tech University in May, 1976. She has a degree in Home Economics Education, was on the Dean's List, is a member of Phi Upsilon Omicron Home Economics Professional Honorary, and of Alpha Chi Omega social sorority.

Pre-nuptial courtesies honoring the bride included a kitchen shower on May 1st, in the Alpha Chi Omega Lodge on Greek Circle in Lubbock, given by Misses Terri Callins and Susan Sory of Houston.

A miscellaneous shower was given at the home of Mrs. Bill Riley in Abernathy on June 12th, with Misses Gid Adkisson, Carl Barton, Larry Deering, Boyd Griffith, Jack Hacker, Billy Harrison, J. W. Hamilton, Herman Lambert, J. L. Miller, L. G. Montgomery, Joe Oswalt, and Morris Thomas as hostesses.

On June 26th, a bridal shower was given in the home of Mrs. Edwin Key in Olney, with the hostesses including Misses Key, Bob Craig, Ryan Kelly, Clarence Stowe, Freddie Dunagan, Martin Lee, Melton Krueger, Sherrill Burba, Dwight Hamilton, Jr., and Clester Evans.

Mrs. J. L. Irish honored her daughter and her bridesmaids with a luncheon at the Lubbock Club on July 31st. Special guests included Mrs. E. C. Wainscott of Olney, mother of the bridegroom; Mrs. Jimmy Irish of Dallas and Mrs. Mike Irish of Lubbock, sisters-in-law of the bride; Mrs. A. C. Jephson of Mexico City and Mrs. Roy Wilmesmeier of Houston, aunts of the bride; Miss Pat Harrington of Lubbock, and Misses Janna Hamilton and Susan Montgomery.

A rehearsal dinner was hosted by Mr. and Mrs. E. C. Wainscott at the Hilton Inn in Lubbock on Saturday evening, July 31st, at 7:00 p. m., following the rehearsal in Abernathy. Guests were members of the wedding party; and Rev. and Mrs. H.B. Coggin, Mr. and Mrs. A. C. Jephson of Mexico City, and Mrs. Roy Wilmesmeier and Mrs. George Wilmesmeier of Houston.

Following the wedding and the reception, a buffet supper was served to the bridal party, house party and their families, and out of town guests in the Irish home and garden.

Mr. and Mrs. Daryl Harp of Galveston visited their parents over the weekend, Mr. and Mrs. A. B. Teaff and Mr. and Mrs. Elbert Harp.

Vows Spoken In Candlelight Ceremony

In a candlelight ceremony Theresa Jerilyn Cox became the bride of Scott McCaskill Ryan in rites performed in the First Baptist Church Chapel of Plainview on August 4, 1976. The pastor, Dr. Carlos McLeod, officiated.

Parents of the bride are Mr. and Mrs. William W. Cox of Plainview. A graduate of Abernathy High School, the bride attended Wayland Baptist College where she earned a B. A. degree in business administration. She is a member of Alpha Chi, National Honor fraternity and Sigma Tau Delta, National English fraternity.

The groom's parents are Mr. and Mrs. O. T. Ryan also of Plainview. He is a graduate of Plainview High School, attended Texas Tech University and is in the Armed Forces stationed at Ft. Hood. He is a member of the U. S. Table Tennis Association.

The bride was given in marriage by her father before an alter centered with a candle arch holding white tapers and with the memory candle trees with tropical palms completing the setting. Pews were marked with gypsophyllia and white satin ribbons.

The bride wore a formal gown of flowing silhouette in chiffon knit. The V-necked bodice and cummerbund waist line were trimmed in Venise lace and satin ribbons. The long fitted sleeves were overlaid with long romantic angel wing sleeves. The full skirt fell to a chapel length train trimmed with Venise lace.

The four tiered bridal illusion veil trimmed in Venise lace was held in place by a Juliet capulet of Venise lace forals. She carried a cascade colonial bouquet of white sweetheart roses, daisies and stephanotis showered with white satin love knots.

Mrs. Arlon Garretton of Latexo was matron of honor. Other bridal attendants were Miss Rhonda Hooper of Odessa and Miss Janet Wade of Plainview.

The attendants wore floor length gowns of flocked floral silk organza in pastel colors underlaid with turquoise, pink and orchid crepe designed with V-neck lines

puffed sleeves and a A-line skirt with cummerbund effect at waistline. Each carried a cascade bouquet of white Killon daisies.

John Thomas Boyd, Jr. of Jute was best man. Attending as groomsmen were Tim Son Waco and Mike Brown of Plainview. Guests were seated by Robin Burr of Ft. Hood, Lee Bain of Plainview and Rickey Cox, brother of the bride and also of Plainview.

Serving at bride's book was Miss Renay Jorja of Clovis, Kirk Ryan, brother of the groom, lighted the candle. The program of wedding music was presented by Mrs. John King, Jr. organist and Miss Vickie Martin, soloist.

The reception was held in the church parlor. Serving at the bride's table were Miss Lanette Allison of Plainview and Mrs. Russell Keown of Pampa, cousins of the bride. Mrs. Joe Coker of Norman, aunt of the groom, and Mrs. Alene Redinger, of Plainview, great aunt of the groom, served at the groom's table. Assisting were Mrs. Lewellen Hooper and Miss Harold Reese of Plainview; Mrs. Don Franks of Olton, and Mrs. J. B. Bottoms of J. M. Arillo.

The bride's table was draped to the floor with white lace over a pale yellow cloth centered with a nine branch silver candleabra holding white tapers encircled with the attendants' bouquets. The three tiered wedding cake was topped with lovebirds and wedding bells. Appointments of crystal and silver were used.

A biage linen cloth draped the groom's table centered with a blue candle in a large hurricane lamp. Coffee was served from a silver coffee service with glazed lemon pound cake.

Bridal courtesies preceding the wedding included a gift tea for the bride on July 9 in the home of Mrs. Bobby Cunningham of Abernathy; and a gift coffee on July 17 in the home of Mrs. Luther Bain of Plainview.

The rehearsal dinner was held in the Brial House in Plainview.

After a wedding trip to Ft. Worth, Dallas, the couple will reside in Killeen, Texas.

VOWS EXCHANGED

Mrs. David Bray
(nee Shelby James)

Miss Shelby Elaine James became the bride of David Wayne Bray in a candlelight ceremony at the First Methodist Church of Lubbock, Saturday August 7, at 7 o'clock.

The bride is the daughter of Mr. and Mrs. Willis James of Muleshoe and the groom is the son of Mr. and Mrs. Joel Bray of Abernathy.

The Reverend Conrad Ryan of Post, formerly of Abernathy, performed the double ring ceremony.

Shelby was given in marriage by her father. Her maid of honor was her sister Carla James and Mrs. Jerry Shadden acted as matron of honor. Miss Beth Rocap of Lubbock and Mrs. Daryl Harp of Galveston, flower girl was Miss Traci Shadden, niece of the bride.

Bruce Bray served his brother as best man and Jerry Shadden and Kenneth Johnson, both of Muleshoe as groomsmen, also Shorty Hensley of Levelland. Jeff and Mark Shadden lighted the candles.

The church was decorated with blue and white flowers and caudles. Wedding music was played by Lorna Barron of Abernathy and Lamar Mallett of Houston. Mrs. Verlon Barron rendered the voice selections "The Wedding Song" and "If".

The bride wore a formal length gown of white silk organza with a mantilla head piece and a chapel train. It featured a square neckline, and empire waist accented by rose point lace adorned with pearls, and long bishop sleeves with lace cuffs. Two rows of lace fell from the bodice to the floor then circled the skirt. The bride wore heirloom pearls and carried a bouquet fashioned into a cascade of carnations, white rosebuds, stephanotis and ribbons mounted on a white Bible.

Bridesmaids wore identical dresses of sky blue dotted voile with a v-neckline, empire waist, and wide ruffle at hem. A voile capulet was worn over the shoulders. They also wore wide brim white hats circled with blue ribbon. They carried nosegays of blue carnations, daisies and baby's breath. The flower girl wore a white eyelet over blue dress with puffed sleeves and full ruffled skirt.

A reception followed the ceremony in the fellowship hall of the church.

Misses Janet Margerum and Melody Simmons of Lubbock presided at the serving table and Miss Nelvyn Millburn of Lubbock registered guests.

Assisting in the hospitalities were Misses Harold McCune, Lee Echols, and Rudolph Struve of Abernathy; and Jim Smith, Clayton Mallett, and Aubrey Anderson of Lubbock, all aunts of the bride. Also Mrs. Jim Hill and Dolph Pounds of Lubbock, who with Mrs. Struve are aunts of the groom.

The fellowship hall was decorated with flowers of blue and white and the brides table had a white cloth, three-tiered cake topped by wedding bells, a four candleabra centerpiece on a silver stand with blue and white carnations and daisies bouquet. Mints, nuts and

punch was served from crystal and silver appointments.

The couple will be at home at Rt. 2, Muleshoe, after a wedding trip to Cowles, New Mexico. The groom is employed by Peerles Pump Co. of Muleshoe.

Miss Shelby James honored her bridesmaids with a luncheon Friday August 6th at Hong Low Tearoom in Lubbock. The table was decorated with the brides chosen colors of blue and white, featuring a center piece of blue and white carnations and daisies. She presented her attendants with necklace sets with opal stones. She received gifts of lingerie, silver and kitchen linens. Special guests were the mothers of the couple, Mrs. Willis James of Muleshoe and Mrs. Joel Bray of Abernathy and Miss Traci Shadden of Muleshoe.

The rehearsal dinner was held at James Graham's Restaurant, twenty-seven people were present.

Schrader-Guerrant Wedding Rites Read Here August First

Judy Carol Schrader and Lawrence Edward Guerrant were married in a double ring ceremony on Sunday, August 1, in the home of the bridegroom's parents, Mr. and Mrs. W. E. Guerrant. Rev. Murry Brewer of Plainview officiated. Parents of the bride are Mr. and Mrs. Alton Shiple of Seminole.

The bride was attended by her sister, Mrs. David Schrader of Lubbock, and her daughter, Kelly Schrader. The groom's father served as best man. Organist was Mrs. Steve Guerrant of Dumas, who played d contemporary wedding selections and also sang "Wedding Song." Serving at the reception following the wedding were Mrs. Floyd Myatt and Kathi Guerrant, aunt and sister of the groom.

The bride graduated from Loop High School and the groom from Abernathy High School. He is employed by Abernathy Motor Co.

After a wedding trip to Ruidoso, New Mexico, the couple will be at home near New Deal.

WEDDING WEEK

The first week in August was "Wedding Week" for the J. L. Irish family. Kathy was married on the 1st of August. Mike and Rhea Irish of Lubbock celebrated their seventh anniversary on August 2nd. Mr. and Mrs. J. L. Irish celebrated their thirty-fifth on August 3rd, and Jimmy and Sue Irish of Dallas celebrated their tenth anniversary on August 5th.

BRIEFS

Mr. and Mrs. Roy Calvert attended the wedding of Jerilyn Cox and Scott McCaskill Ryan Wednesday, August 4 at the First Baptist Church Chapel in Plainview. It was a very pretty wedding. Jerilyn is the daughter of Mr. and Mrs. Waldo Cox formerly of Abernathy.

"I Felt His Presence There," says Pat Stanton, After Trip to the Holy Land

By Pat Stanton
It was with much anticipation that we began our first day in the old city of Jerusalem at 8:30 a.m. We entered the city through Herod's Gate. There were many people already busily engaged in the affairs of the day. We saw little boys with the donkeys, a mother with two small children asking for money (the children looked fat and healthy) women carrying baskets on their head, and small cars coming out of the narrow gate. We were soon in the area of the Pool of Bethesda. This Biblical place with its fine porches is still very much as it was the day that Jesus came to the pool and healed the lame man. (John 5:1-9)

The golden Dome of the Rock, the El Aqsa Mosque, is one of the most popular tourist areas in Israel. It is beautiful in design. I did not appreciate the fact that it is a heathen shrine (Moslem) but it holds much history. Bible scholars today believe that the Mosque is built on the exact spot of the old temple. The Jews also firmly believe this because of history, excavations, and the fact that the old wall of the temple is near the Mosque area. The Bible clearly teaches that the temple will be rebuilt and that the anti-christ (a man) will enter the temple and profane it.

Just below this area, is the western wall, which is the only remains of the temple area. Many call this the wailing wall. We were able to go near this to an underground area and see the excavations that show the wall to be sixty feet underground. It is made from Herodian stone which means that it was built in the days of King Herod. There is so

much history in this area. If you did not believe the Bible, you would have to believe history as it is recorded. Of course, I believe all of the Bible and that made the area of Jerusalem so much more exciting and fulfilling.

The western wall is a fascinating place. At any hour of the day, you will find Jews praying at the wall. This is the closest place that they can find to the old temple. The men are on the left side and the women are on the right. The very religious men pray for hours a day and read from their prayer books. Some are praying for peace, for the temple to be restored, and for the true Messiah to come. It is so sad to see that so many Jews still do not accept Jesus as their Savior. But this also is according to scripture. God said that there would be a veil (blindness) over their eyes until the times of the Gentiles be fulfilled. That time is approaching as more and more of the Jews all over the world are receiving Jesus as their Lord and Savior.

We also toured the area where Jesus was brought before Pilate. The stones of the floor are the same stones of the area 2000 years ago. We walked the Via Dolorosa, "the way of the cross." This was the narrow street where Jesus walked after he had been beaten and persecuted. The whole city of Jerusalem is still very much alive by the presence of God's Spirit. Whether you are in the new parts of the city or walking down market street so close to the people, you are still very much aware that this truly is the "Holy City."

Next week: Calvary, Garden, Tomb and surrounding area.

"I Felt His Presence There," says Pat Stanton, After Trip to the Holy Land

By Pat Stanton
It was with much anticipation that we began our first day in the old city of Jerusalem at 8:30 a. m. We entered the city through Herod's Gate. There were many people already busily engaged in the affairs of the day. We saw little boys with the donkeys, a mother with two small children asking for money (the children looked fat and healthy) women carrying baskets on their head, and small carts coming out of the narrow gate. We were soon in the area of the Pool of Bethesda. This Biblical place with its fine porches is still very much as it was the day that Jesus came to the pool and healed the lame man. (John 5:1-9)

The golden Dome of the Rock, the El Aqsa Mosque, is one of the most popular tourist areas in Israel. It is beautiful in design. I did not appreciate the fact that it is a heathen shrine (Moslem) but it holds much history. Bible scholars today believe that the Mosque is built on the exact spot of the old temple. The Jews also firmly believe this because of history, excavations, and the fact that the old wall of the temple is near the Mosque area. The Bible clearly teaches that the temple will be rebuilt and that the anti-christ (a man) will enter the temple and profane it.

Just below this area, is the western wall, which is the only remains of the temple area. Many call this the wailing wall. We were able to go near this to an underground area and see the excavations that show the wall to be sixty feet underground. It is made from Herodian stone which means that it was built in the days of King Herod. There is so

much history in this area. If you did not believe the Bible, you would have to believe history as it is recorded. Of course, I believe all of the Bible and that made the area of Jerusalem so much more exciting and fulfilling.

The western wall is a fascinating place. At any hour of the day, you will find Jews praying at the wall. This is the closest place that they can find to the old temple. The men are on the left side and the women are on the right. The very religious men pray for hours a day and read from their prayer books. Some are praying for peace, for the temple to be restored, and for the true Messiah to come. It is so sad to see that so many Jews still do not accept Jesus as their Savior. But this also is according to scripture. God said that there would be a veil (blindness) over their eyes until the times of the Gentiles be fulfilled. That time is approaching as more and more of the Jews all over the world are receiving Jesus as their Lord and Savior.

We also toured the area where Jesus was brought before Pilate. The stones of the floor are the same stones of the area 2000 years ago. We walked the Via Dolorosa, "the way of the cross." This was the narrow street where Jesus walked after he had been beaten and persecuted. The whole city of Jerusalem is still very much alive by the presence of God's Spirit. Whether you are in the new parts of the city or walking down market street so close to the people, you are still very much aware that this truly is the "Holy City."

Next week: Calvary, Garden, Tomb and surrounding area.

SINGING GROUP PHOTO
Former Abemathian J. Mack Rogers, Youth Pastor of the First Church of the Nazarene in Clovis, N. M., will bring a youth singing group, The Encounters, to Abemath First Church of the

Nazarene for a concert starting at 10:45 a. m. Sunday, August 15. Everyone has an invitation to attend. The group is composed of 16 girls and 10 boys. Rogers is a son of Mr. and Mrs. N. M. Rogers of Abemath.

Spanish Revival Starts Tonight At Legion Hall

Three nights of Spanish revival services will be conducted in the Abemath American Legion Hall, starting Thursday night, August 12, and continuing nightly on Friday the 13th and Saturday the 14th. Services will begin at 8 o'clock. The Legion Hall is located on 15th St. at Ave. C. "The public is invited to come and worship God with us," said the announcement from The Church of God of The Firstborn.

New Residents

Mr. and Mrs. Bob T. Ward and daughter, Robin, 13, have moved from Aspermont to 701-A 15th Street in Abemath. Ward is employed by Reserve Life Insurance Company in Lubbock. Robin will be an 8th grade student in Abemath Junior High School. The Wards have a son, Ron, who attends Tarrant County Junior College in Fort Worth. (He may change colleges for the fall semester.) The Wards were in the restaurant business in

Aspermont, and he was with the insurance company while living there. Bob T. Ward is a brother of Lon Ward, who moved to a new home on Ave. H in Abemath a few months ago. Lon Ward is in the farm fertilizer business.

The Bob T. Wards' Abemath telephone number is 298-2116.
BRIEF
Mr. and Mrs. A. B. Teaff and Mr. and Mrs. Dan Thompson and children returned Saturday from Atlanta, Ga. where they visited Mr. and Mrs. Terry Barton.

Nazarenes to Build Fellowship Hall

The membership of Abemath First Church of the Nazarene recently voted approval of the construction of a 64 x 40-ft. fellowship hall for the church. Pastor Rowell Bruner will go to Glen Rose to submit plans for the hall to the District Advisory Board for approval.

Mr. and Mrs. Ray Willis of Amarillo visited friends here last weekend.

SEEDS FROM THE SOWER

By Michael A. Guido, Metter, Georgia

Jacob is the Dr. Jekyll and Mr. Hyde of the Bible. He is good and bad. He rises and falls. His life is one continual struggle between 2 natures - one base and the other divine.

No one can describe his life by a single word. One may speak of the faith of Abraham or the purity of Joseph. But Jacob had a many-sided life. Inconsistency is everywhere.

His early years were bad. As a young man he was a cheat. He cheated his brother and father. Yet he was constantly trying to be better.

He might have died a trickster, but one night he faced his sins and the Saviour. He was brought to the end of his own resources. That was the turning-point of his life.

From then on, having given God control of his life, and looking to Him for help in the present and hope in the future, he went on from victory to victory.

There is no limit to what God can do. What He did for Jacob, He will do for us. And Psalm 146:5 says, "Happy is he that hath the God of Jacob for his help, whose hope is in the Lord his God."

SCRIPTURES:
THE HEAVENS ARE telling the glory of God; they are a marvelous display of his craftsmanship. Day and night they keep on telling about God. (Psa. 19:1-2)

The secret (of the sweet, satisfying companionship) of the Lord have they who fear Him, and He will show them His covenant, and reveal to them its (deep, inner meaning). (Ps. 25:14, Amplified Bible)

For salvation comes from God. What joys he gives to all his people. (Psa. 3:8)

HALE COUNTY 1st IN SOYBEANS

AUSTIN--Hale County farmers placed first in 1975 Texas soybean production with a crop of 1,326,000 bushels, Agriculture Commissioner John C. White reported. County farmers harvested 43,000 acres with an average yield of 30.8 bushels per acre. Good planting moisture allowed Texas farmers to start seeding on schedule in mid-May and complete planting by the end of June. Statewide harvest started on a uniform crop in October and, aided by excellent weather, reached completion nearly a month ahead of schedule in late November. Texas placed twentieth in the nation in soybean production with a crop of 9,065,000 bushels valued at \$38 million. Complete figures on Texas field crops have been compiled in the "1975 Texas Field Crops Statistics." Copies may be obtained by writing Agriculture Commissioner John C. White, Texas Department of Agriculture, P.O. Box 12847, Austin, Texas 78711.

Hale County 2nd In Grain Sorghum

AUSTIN--Hale County farmers placed second in 1975 Texas sorghum production with a crop totaling 17,066,000 bushels, Agriculture Commissioner John C. White reported. County farmers harvested 187,000 acres with a yield of 90.8 bushels per acre. Planting got off to an early start in south Texas with many fields seeded by the first of March. Planting stayed generally ahead of schedule throughout the state as temperatures and moisture conditions were favorable for early completion. Excellent growing weather, especially in the southern areas, allowed harvesting to start earlier than usual and excellent yields were reported. Texas led the nation in sorghum production with 374,400,000 bushels, more than doubling the production of second-place Kansas. Hidalgo County led the state in production with 18,356,000 bushels. Complete figures for Texas field crops have been compiled in the "1975 Texas Field Crops Statistics." Copies may be obtained by writing Agriculture Commissioner John C.
