Rays of Hope by Pat Stanton

"The Mich'tam of David" The Mich'tam of David is recorded in Psalm 16 and Psalm 56-60. The Mich'tam is referred to as a Golden Psalm of David.

In all of these Psalms, David speaks of his trust in God. He mentions his problems, his enemies, and circumstances. In the midst of persecutions and perplexities, David faithfully maintains his strong belief in the preserving power of God's hand.

Today, we who are believing in Christ can also maintain a steady walk of faith by following David's example. We can also speak forth our "Golden Psalms". God's word is alive today. It is sharper and more powerful than a two edged sword. It can cut and perform that which man cannot do.

We can speak the same words that David spoke. For example, let's read the thoughts of David's heart that he spoke forth:

Chapter 16:1: Preserve me, O God: for in thee do I put my trust.

V. 8: I have set the Lord always before me; because he is at my right hand, I shall not be moved.

Chapter 56:3: What time I am afraid, I will trust in thee.

The Psalms of David have been preserved for us well being today. Let us meditate in these golden verses day by day.

IRS Tax Date For Employers

Employers must report Social Security and withheld income taxes for the last quarter by Monday, January 31, the Internal Revenue Service said today.

This deadline does not apply to those employers who make timely deposits in Federal Reserve or approved commercial banks of the full amount of tax due. They are allowed until February 10 to file Form 941, "Employer's Quarterly Federal Tax Return."

The IRS emphasized that employers who received the preaddressed Form 941 in the mail should use it to file their report. Those persons who did not receive the preaddressed forms can obtain forms from their local IRS office in Lubbock.

Any balance of Federal unemployment tax not over \$100 for 1976 should be paid by January 31, using Form 940. Balances of tax due over \$100 require the employer to make a deposit with FTD Form 508. As with Form 941, taxpayers who deposit the full amount of tax on time have until February 10 to file the return.

IRS Publication 15, "Circular E--Employer's Tax Guide," provides further information on these taxes and is available free from most local IRS offices.

SCRIPTURES

Put on therefore, as the elect of God, holy and beloved, bowels of mercies, kindness, humbleness of mind, meekness, long-suffering. (Col. 3:12)

Forbearing one another, and forgiving one another, if any man have a quarrel against any: even as Christ forgave you, so also do ye. (Col. 3:13)

And above all these things put on charity, which is the bond of perfectness. (Col. 3:14)

And let the peace of God rule in your hearts to the which also ye are called in one body; and be ye thankful. (Col. 3:15)

Let the word of Christ dwell in you richly in all wisdom; teaching and admonishing one another in psalms and hymns and spiritual songs, singing with grace in your hearts to the Lord. (Col. 3:16)

MRS. WILLIAMS PRESENTS PROGRAM ON CHRISTIAN LIVING TO SUNSHINE GROUP

Our group met January 20, 1977 for our regular meeting. Since we met in December we have lost two wonderful people from our group; Mr. Earl Gregg and Mr. Chock Brewer. As is our custom we all stand in silent prayer a few minutes, then Rev. U. S. Sherrill payed tribute to them in prayer.

We all hated to leave our T. V. for one reason or another, most because it was inaugural day, but I heard one person worrying about what would happen in a certain program. When we walked in the club room it wasn't hard to tell what was happening. We had white table cloths on the tables, on one was a "Happy New Year" sign, another a valentine but down the middle of them all was a line of peanuts scattered from end to end. Once in a while a little bowl of bright candy. All the credit goes to Blanche Coggin who dreams up these decorations. She said it was too late for New Year's, too early for Valentine's Day, but just right for the inauguration of our new president. As things work out about the time he took the oath a prayer was being said asking for guidance for our new officers. We all took a peanut home to remember the day.

Mrs. Toler played the piano in the absence of our regular ones. We started with our anthem, "You are My Sunshine." To follow Blanche's lead we sang patriotic songs, "America the Beautiful", "Battle Hymn of the Republic", and "America".

So in our own small way, we had our own private inauguration.

Mrs. Selke read the minutes which stood as read. I had made some notes for Floyd to read. He took a look and said "you read it". I didn't blame him because I couldn't hardly make it out myself, but it said the friends of Wesley Harris are having a friendship meeting on January 30 at 7:00 p. m. at the First United Methodist Church. They are moving into the John Knox Village shortly so this is a little fun party for them.

Mrs. Harrison was program chairman this month. She introduced her friend, Mrs. Juana Williams from Crosbyton. I didn't know them when they lived here but I know it was between here and Lakeview so she knew a number of people that were there. She spoke on being a Christian. Life is made up of some required courses. No. 1-To be some certain somebody, be proud of your name and heritage to become a Christian. Resolutions are elective, some will work, some won't but we all have to work in this direction. No. 2-Be Thankful! Many times we never stop to think of all the things we just take for granted in place of recognizing they are all brought to happen by the Supreme Being. No. 3-Learn to be kind to each other. At the time we may not think much about it but later on in life as we look back, we will treasure all the friendships and kindnesses shown us. Make our-

selves someone fit to live with and people will enjoy knowing. After we can't do the big things, learn to do little meaningful things as long as we live. Keep the tongue under control, which is very good advice, something we all need to think about. Learn how to do without, that is not thinking we need everything we see. Most of the Sunshine Group have gone through that stage I imagine. Learn to be happy with what we have.

No. 4-Learn how to depart from this world. Live by these courses and look forward to going to God's school room alone.

Rev. Sharp gave the blessing and dinner was ready.

We have never set an age for people to be a Senior Citizen but while we ate, we gabbled and Juana said she had always thought 55 was the correct age so a bunch may be missing a fun day by thinking they are too young! We thoroughly enjoyed her and hope she will be back sometime.

We had one birthday this time.

THINK ON THESE THOUGHTS

THOT: The true measure of God's love is that He loves without measure.

THOT: When God denies His child some good, He designs to give him something better.

THOT: When we bend our knees to pray, God bends His ear to listen.

THOT: Jesus Christ is not valued at all until He is valued above all.

THOT: Youth is not only a time of life, it is a state of mind.

THOT: Swearing is a weak and wicked way of trying to be emphatic.

THOT: A well-used Bible that is falling apart usually belongs to a person who isn't.

THOT: A LITTLE light in a dark place often serves a GREAT purpose!

FAITH IS... Recognizing that God is the LORD of time when my idea of timing doesn't agree with His.

THOT: The difficulties of life are intended to make us BETTER, not BITTER.

THOT: God's plentiful GIVING deserves our prayerful THANKSGIVING!

THOT: No affliction would trouble a child of God if he knew the Lord as reason for sending it.

THOT: God's observing eye notes what we give and then judges it by what we keep!

THOT: Our work is to CAST care; God's work is to TAKE care!

THOT: Nothing distracts the sincere pastor in the pulpit more than a sleeping saint in the pew.

SEEDS FROM THE SOWER
By Michael A. Guido, Metter, Georgia

How much there is in a name! Yesterday a friend needed a favor. He got in touch with his congressman who directed him to an associate. "When you see him," he advised, "use my name." He did, and the use of his name meant a profitable position. But human names have their limit. They do not go beyond the human sphere. Names of men and women do not carry any weight with God. The only name He honors is the name of Jesus. No wonder a believer exclaimed in Psalm 148:13, "His name alone is excellent." In our dealings with man one must be authorized to use another's name. And that is true with God. We cannot use the name of Jesus until first we "believe on His name." After that there are unnumbered blessings and benefits for the believer who uses His name. Our thirteenth president, Millard Fillmore, enabled Samuel Morse to invent the telegraph by his support. In appreciation, Morse named the two characters of his code after the Fillmore girls: Dot for Dorothy and Dash for Dashiell. Because of what He has done for us let us always bear the name of Jesus!

Would you answer an ad like that? Probably not, but you might have to live in such a house if you can't make full recovery after a serious loss. A surprising number of people run just such a risk by being underinsured!

Naturally you hope you never have a fire or other catastrophe. But insurance, to be effective, must protect you in the event you do. Building costs have risen so substantially that many people don't realize they are no longer fully covered.

How soon the days and years will pass
We know beyond a doubt:
Like sand within the hourglass.
The time is running out.
Of course we can't reduce its speed.
But to a great extent,
By doing any kindly deed
It can be wisely spent.
In Church, your faith will show you how
To make each moment last
Enough to do some good right now.
Before it joins the past.
You'll learn you have so much to give.
As time alone will tell:
And so, it's not how LONG you live:
What matters is, how WELL!

— Gloria Nowak
