VOLUME 56
NUMBER 49

SIGNS OF PROGRESS

Signs similar to those shown at right in this photo have blossomed along a nine-mile stretch of US Highway 87 starting south of New Deal and ending north of Abernathy. The "Signs of Progress" herald the start of work on construction of the second segment to convert US 87 into Interstate Highway 27 from Lubbock to Amarillo. This photo shot is looking east from the signs mounted in the area between the former Struve Implement

building and the old theatre building. Between that point and the Co-op structures in the background is the bridge that carries Main Street traffic over the US 87 Highway. Due to the clearance under this bridge, which is 13 feet and 7 inches, the Main Street bridge (overpass) will be removed and rebuilt. And the main lanes for I-27 traffic will be lowered to increase the clearance to a measurement higher than the present 13 feet and 7 inches. In connection with this work at that point, there will be utility adjustments, a lift station and storm sewer installations.

U. I. L. CONTEST SET FOR NOV. 2

The Abernathy High School band will be going to Jones Stadium, at Texas Tech University in Lubbock on November 2, to march in the U. I. L. Marching Contest. George Riddell, AHS band director reports the AHS Band will march at 10:50 a. m. in Class AA.

Drum Majors for the band are Shari Cecil and JoAnn Lopez, twirlers for the band are (Head twirler) Shana Toler, Gay Hobgood, Gerri Booth, Sherri Adams, Cindy Gragg and Mary Lane.

Judges for the U. I. L. Contest will be: Jim Priest-La Plato, Jr. of Hereford, Clyde Wilson of Midland High School, G. T. Gilligan-Supervisor of Music, Kermit Dean Killion will be the contest director. Killion is the band director of the Red Raider Band at Texas Tech.

The band will be doing the show that they did at the halftime show of the Idalou-Abernathy game.

The AHS twirlers and two other AHS students will be twirling in the U. I. L. twirling solo contest, they are: Sherri Adams, Gerri Booth, Cindy Gragg, Shana Toler, Mary Lane and GayHobgood,

CONSTRUCTION WORK BEGINS ON I-27 BETWEEN NEW DEAL & ABERNATHY

(By James W. King, Public Affairs Officer, District Five)

I-27 Lubbock to I-40 in Amarillo (Lubbock and Hale Counties)

The first contract on I 27 was let on September 17, 1975, to Dahlstrom Corporation for \$11,558,126.01 with work beginning on October 7, 1975. This project was the first phase of construction of the first section, beginning at Loop 289 in Lubbock to 1.3 m. North of Monroe Overpass (7.12 miles). The first phase was for the construction of the frontage (service) roads, structures, grading, etc., except the base and concrete pavement on the main lanes. The second phase of this section will be let in 1978 for the completion of the main lanes; consisting of concrete pavement, signing and lighting.

The second contract on I 27 covering the section from 1.3 miles north of the Monroe Overpass (south of New Deal) to North of Abernathy (9.30 miles) was awarded to Henry L. Stafford on August 31, 1977, in the amount of \$6,897,418.83. The project covers construction of the frontage roads, storm sewers, lift station, grade separations, grading, flexible base and one and three surface treatment. The concrete pavement signing and lighting will be awarded at a later date under Phase 2 for completion of this section of I 27.

The schedule of work on this section section of I 27, as outlined by the Contractor, is as follows:

1. To begin work in the rural area, building the fill for structure three miles north of New Deal along with work on the fill area with material coming from the lake south of Abernathy.
2. To construct the frontage roads on the west side from New Deal to Abernathy.
3. Work in Abernathy will consist of rebuilding the service roads and adding a three course asphalt surface to handle the increased traffic during construction of the main lanes. One way traffic will be maintained on the service roads.
4. The Main Street overpass will be removed and rebuilt. The main lanes will be lowered to meet interstate requirements including utility adjustments, a lift station and storm sewer installations.
5. At the north and south end of Abernathy the overpasses will be reworked and additional concrete slabs poured. There will not be any change of the curb and gutter sections in Abernathy except on each end to make tie in with the rural service roads.

In New Deal service roads will be scarified, additional base material added, they will be widened to 32 feet, and a three course surface will be placed.

The main lanes will not be disturbed on this first phase contract.

The second phase of this section will include the reconstruction of the main lanes in New Deal, concrete pavement, signing and some lighting to be placed under contract when the first phase is near completion.

The general election ballot on November 8 will provide an opportunity for the voters to express their preference for or against weather modification.

Mr. Amoneit said, "the Hall Suppression group in Plainview for a license to re-new their experiments in Weather Modification, a local chapter of Hale County Citizens For Natural Weather has been formed, according to Mr. Glen Amoneit of Rt. 2 Petersburg. The first meeting was held in Abernathy, with the election of officers at that time. Additional officers were elected at the Tuesday, Oct. 18, meeting in the community center at Happy Union.

Officers elected are: Dan Thompson of Abernathy, President of the Hale County Citizens for Natural Weather; J. F. Buske of Abernathy, Secretary-Treasurer; Glen Amoneit of Petersburg, Terry Terrell and Daniel Crooks, both of Plainview were elected ad Directors of Publicity.

Twenty-nine farmers were present for the 8:00 a.m. meeting at Happy Union. A report was given on recent meetings of other chapters in nearby counties. A resolution was introduced to express our appreciation to the Citizens for Natural Weather in Briscoe, Swisher, and Lamb Counties for their efforts in our behalf before we were organized.

The general election ballot on November 8 will provide an opportunity for the voters to express their preference for or against weather modification.

At a meeting on Monday October 24, officers of the Hale County Citizens for Natural Weather made plans to invite a nationally known authority in weather science to address the membership. The meeting will be open to the public and there will be no admission charge. Johnny Turpen is chairman of the committee to make preliminary arrangements.

Copies of the ballot that is to be used on November 8 were examined. On that date local citizens will vote for or against the issuance of a permit to the weather modification group.

Previous attempts at hail suppression have often dispersed clouds that could have produced life-giving moisture for area crops.

Dan Thompson of Abernathy is President of the Citizens for Natural Weather.

Absentee balloting on the weather modification, and in the state amendment voting, both set for Tuesday, Nov. 8th, is now underway at the office of the County Clerk in the Court House in Plainview.

Wayne Bunton of Amarillo spent the weekend in the home of June Spears and Edna and Junior Perez.

F. C. A. Sponsors Car Painting Contest

Members of the Fellowship of Christian Athletes sponsored a Car Painting Contest last Friday, October 21, before the Abernathy Antelope-Idalou Wildcat game Friday night. There were many unique entries in the contest.

The F. C. A. won 1st place with their entry--Becky Alber's car which was decorated as an ambulance with a dummy in the back and sporting a sign saying "Free Cat Aid". 2nd place was won by the F. F. A. with their "Hay Baler". The Science Club took 3rd place with their car titled "Bug Idalou. (See pictures)

D'ANA HOWARD'S STATE FAIR ENTRY WINS FIRST PLACE

D'Ana Howard, 10 year old daughter of Mr. and Mrs. Richard Howard placed first in the light weight cross-bred class with her Maine-Anjou

Angus Cross at the Dallas State Fair in Dallas Oct. 19. The calf weighed 970 pounds. D'Ana is a member of the Abernathy 4-H Club.

Five Hale County 4-H'ers exhibited steers at the 1977 State Fair of Texas in Dallas earlier this week. This year marks the 92nd annual Exposition of the State Fair of Texas, according to Alan Zeman, Assistant County Extension Agent.

D'Ana Howard, Abernathy 4-H member, exhibited the first place steer in class 14 of lightweight crossbred steers. D'Ana Neve, also an Abernathy 4-H member, exhibited the 9th place steer in the 13th class of medium lightweight steers. Dr. Robert A. Long, Associate Professor of Animal Science from Texas Tech University at

Lubbock, judged the Junior Steer Show on Wednesday, October 19. Also exhibiting steers at the State Fair were Lonnie Howard, Alan Pettit, and Ricky Rhodes from Abernathy.

Zeman stated that these 4-H'ers continue to do a good job of grooming and showmanship. He congratulated the showmen and expressed appreciation for all the help from parents and family. Parents attending the week long show were: Mr. and Mrs. Richard Howard, Mr. and Mrs. Wilson Neve, Mr. and Mrs. Thomas Pettit and Mr. and Mrs. Dennis Rhodes.

ANTELOPES LOSE TO IDALOU WILDCATS 22-12

In one of their best efforts of the season, the Abernathy Antelopes battled the state-ranked Idalou Wildcats "tooth and toenail" here last Friday night, and had they not given up the ball on fumbles or interception at inopportune times, possibly would have emerged victorious. Still, their showing was quite impressive, even though Idalou won, 22-12.

Idalou scored on their first possession of the game when Buckles Bryant took a pass from Paige Burlesmith and went 59 yards on the pass-and-run play. Kenny Phillips kicked the extra point.

Antelope back Lon Mason put Abernathy's first points on the board with a 30 yard TD run. However, the extras failed and Abernathy trailed at halftime 7-6.

It was over eight minutes deep into the third quarter before either team could score again, as stout defensive efforts were thrown up by each team. Idalou tall-back Murphy scored from a yard out on fourth down after the Antelope defense had

held the Wildcats on the one yard line for three consecutive plays. Ricky Hobbs ran the extra points.

In the final period, Kelly Vineyard caught a Burlesmith pass good for 35 yards and a TD, and Phillips kicked the extra point.

With 6:37 left in the game, Abernathy put its final points on the board with a 14 yard run by tailback Roger Lindsey, who carried 19 times during the contest for 98 total yards. Try for the extras failed.

The loss put Abernathy's record at 1-6 for the year and 0-1 in district play, while Idalou is undefeated for the season and 2-0 in district competition.

Statistically, the Antelopes rated superior to the Wildcats, as Abernathy had 13 first downs to Idalou's 12 and ran up 268 yards rushing to the Wildcats' 187. In the passing department, Abernathy completed 3 of 14 for 52 yards and 3 interceptions while Idalou had 2 completions out of 8 attempts for 94 yards and two touchdowns, and 1 interception. (Con't. on Page 4)

DOG CLINIC SET FOR OCTOBER 28

The Abernathy Young Homemakers will sponsor a Dog Vaccine Clinic on Friday, October 28, from 1:00 p. m. until 5:00 p. m. The Clinic will be held in the old Fire Station, Dr. Glasson, a veterinarian from Lockney will be here to give the vaccinations.

All residents are urged to bring your pets in for vaccination.

Lindell Myatt returned home last Wednesday after having surgery at Methodist Hospital and had to return to the hospital on Friday.

Sherry Bridges and Josie Mendosa.

Judges for the twirling contest will be: Dub Crain, band director at Dumas High School, Buddy Postlethwaite of Arlington.

The public is invited to the marching contest to back the AHS band. There is no admission charge. Spectators are to sit on the west stands.

NEWS FROM SCHOOL BOARD

With the approval of the School Board in their October meeting, the Abernathy Elementary School will be taking a different approach toward teaching language arts (which includes listening, speaking, reading, writing, spelling, and grammar) and mathematics. The method that will be used is called "teaching by objectives". Teaching by objectives simply means that definite goals or objectives are determined and a student must reach those goals in order to be ready to go on to the next grade. Each student and his or her parents has been given a copy of the things they must be able to do by the end of the second six weeks, each report card will have two grade sheets, one for math and one for language arts, attached to it. These grade sheets will have a detailed list of objectives, will indicate when the topic will be introduced, and will have a place for a grade on

particular topic. A student must have an overall average of 60 in order to be ready to do work in the next higher grade. In addition, he or she must be able to read independently, not more than one level below the grade they are in.

This is a change from our policy of social promotions. For a number of years we have moved students up from one grade to another in order to keep them with students close to their own age. Many times students were moved up who were not prepared to do the work in the next higher grade. This has led to some students becoming frustrated in Junior High or High School, and dropping out of school, or eventually receiving a diploma without being able to do high school work.

This has happened over the entire country and as a result many people are insisting that something be done to insure that every

child learns as much as he is capable of learning. In response to these requests, the Texas Education Agency has proposed that students be required to meet certain standards before they are promoted from third to fourth grade, from sixth to seventh grade, from tenth to eleventh grade, or before they can receive a diploma. If a student is to meet certain standards at those levels, then it seems logical that there must be intermediate standards that must be met at each grade level.

During the 1977-78 school year, the standards will apply only in the areas of language arts and mathematics. They will not apply to students who are enrolled in Plan A Resource Room. Promotions in the Plan A Program will be determined on an individual basis.

NEW DEAL CITY LIMIT SIGN

PRE-HALLOWEEN PRANK--With Halloween so near (Oct. 31) the spooks are getting restless and the spookers already have gone into action. Sometime prior to mid-afternoon Sunday, the time when a Review photographer first noticed the changed signs, these New Deal City Limit signs had replaced the similar Abernathy City Limit signs at the southwest corner of town. The trees near the sign are in the yard of the Loren West family home. The portion of a house at right in the picture is the home of Dr. and Mrs. John Hale, across the road from the West home. The sign is at the point

where FM 597 joins Abernathy's First Street at the west edge of town. FM 597 carries a lot of cross-country transient traffic. Some of the travelers, not familiar with this part of the country, going east thought they were entering New Deal. And, those going west, thought they had been through New Deal. The New Deal City Limit signs were back-to-back on the standard, visible to both east and west bound traffic. It's reasonable to assume that the missing Abernathy City Limit signs were mounted on the standard from which the New Deal City Limit signs were removed.

NEWS AND COMMENTS

By Buford Davenport

NEC--Jerry Phillips, agent at the local Santa Fe station, says that the information he now has indicates that the change from Central Daylight Saving Time back to Central Standard Time will take place Sunday, Oct. 30, at 2 a. m. Set your timepieces BACK one hour before retiring Saturday night, Oct. 29, or get up at 2 a. m. Sunday the 30th of Oct. and set them BACK an hour. Daylight Time has been in effect since the last Sunday in April.

NEC-----Abernathy Oil Company will be closed Friday and Saturday, October 28 and 29. The Royce Henson family will be involved in wedding activities. A son of Mr. and Mrs. Royce Henson, Johnny, and Miss Brenda Jean Applegate of Lubbock will be married at 6 p. m. Saturday, Oct. 29, in the First Baptist Church at Del Rio. The bride-elect is the granddaughter of Mr. and Mrs. T. S. Applegate of Del Rio.

NEC----An unusual swap will take place Oct. 30. The Pastors, Music Directors and Choirs of Abernathy First Baptist Church and Idalou First Baptist Church will exchange church houses and congregations for the morning worship services that day, Sunday, Oct. 30.

The two churches currently are engaged in a Sunday School attendance contest. Abernathy First Baptist Church this week is conducting a series of revival services that will conclude Oct. 23. The evangelist is the Rev. Max Brown, pastor of the First Baptist Church of Brownwood. In charge of music for the revival is Bill Keck, Minister of Music at the First Baptist Church in Clyde. The congregation and Pastor Jacky Newton extend an invitation to all to attend the remaining services of the revival.

NEC--Abernathy and New Deal school students will have a holiday Friday, Oct. 28. Faculty members will be in-service, attending the District 17 Texas State Teachers Association meeting in Lubbock.

NEC--State Comptroller Bob Bullock announced Oct. 14 that city sales tax rebates in Texas are running a healthy 20.8 percent over last year. In that same report, Bullock sent a list of amounts Texas cities received and percentages. While the average over the state is 20.8 percent over 1976, the current report from Bullock's office shows Abernathy's percentage of gain over last year at this time is 22.03, which is 1.92 percent above the average gain for the state. This report is for the period ending Oct. 7, 1977. For the monthly period ending that date, Abernathy received a net sales tax total of \$2,591.61; for the same monthly period in 1976; \$1,277.15. Total for 1977, to that date, Abernathy had received \$32,957.81; for the same period in 1976, \$26,918.50.....22% gain, 1977. Comparing Abernathy's 22% gain in 1977 with other South Plains towns of similar population: Olton 14% gain; Crosbyton 8% gain; Hale Center 18% gain; Ralls, a whopping 26% gain; Slaton 19% gain; Lockney 13% gain.

NEC---It would take Jimmy The Greek to figure the great odds against the following incident happening. Mr. and Mrs. Alvin Druessedow recently returned from a charter bus trip out of Amarillo that took them through 21 states to the east and north in the USA and into two Provinces in Canada. There were a lot of stops for sightseeing and visiting historical places. While waiting in line to go through President Thomas Jefferson's home, Monticello, at Charlottesville, Virginia, the Druessedows engaged in conversation with a couple whose address is Fort Pitt Block House, Pittsburgh, Penn. 15222. As Mrs. Druessedow and the Pittsburgh lady, Mrs. Iva R. Piker, talked they discovered that they knew one another. Mrs. Piker is the former wife of the late C. W. Beene. The family lived here in the late 1920s or early 1930s and Mr. Beene was director of the Abernathy School band, and worked with a community-type band here. They had two sons at that time, Rex, who currently resides in Nederland, Colo., and Elton, who is deceased. The two ladies had not seen each other and had not kept in touch since the late 20s or early 1930s when the Beene family moved from Abernathy. Mrs. Piker is scheduled to come to Texas in January to visit her father, who resides in Crosbyton. Mrs. Druessedow said that Mrs. Piker asked about a lot of

the people she knew when they lived in Abernathy.

NEC----Change, change, change on the business scene at New Deal. The latest is the loss of Mr. and Mrs. Clyde Gartin, who are moving back to Petersburg. They operated the grocery and Phillips 66 station after Mr. and Mrs. Finis Hindman retired a few years ago. Mr. and Mrs. Duane Martin now operate that business. They have lived in New Deal a number of years, and he formerly was employed at St. Mary's Hospital, Lubbock. And, as announced a few months ago, Mr. and Mrs. Demp Webster retired from the operation of their grocery and Texaco station. Duane Farris moved his auto and electric supply business from the Conoco station to the Webster property. Since then, the George Sharps opened a grocery at the Conoco station site. Farris plans to add a lot of different kinds of merchandise to offer the buying public in addition to his auto and electric supply at the former Webster store location.

NEC-----"Misery loves company." Misery to a newspaperman is typographical errors that meet his eye only after the paper is printed and distributed.... and there have been times over the years that my typographical errors have made me want to leave town. The "misery loves company" happened to our good friend, Tom Rambo, the high hanko of the Hale Center American, in the Oct. 14th issue of that paper. In a sub-head with a story about Hale Center's bank deposits, there was a \$400 million typographical error, upping the bank's deposit figures by that much. Dollar-wise, that may go on record as the biggest typo in Hale County. All in good fun, Tom. If you'll scan The Review you can find plenty of retaliation material. Now, I would like to congratulate Tom and Anna Rambo. In recent months they have added modern, electronic typesetting equipment and

other facilities that have resulted in the production of a newspaper that can win first place trophies for excellent in appearance. I urge the Rambos to enter The Hale Center American in that category at the Panhandle Press Association Convention, the West Texas Press Association Convention and in the biggie, the Texas Press Association Convention.

NEC--Coming: The 82nd Annual Southwestern Exposition and Fat Stock Show in Fort Worth, January 25 through February 5.

NEC-----The Arabs are coming! The Arabs are coming! In fact, they and their oil dollars are here. If you have traveled east on US 82, you may have noticed that the scrub mesquite country west of Benjamin is being cleared for crops, probably for raising wheat. Folks in Benjamin say the Arabs bought and cleared that land. The motel in Hico that formerly was operated by a man named Ross is now being run by Arabs, so said Doug Chapman, who stayed at that motel while on a recent trip to his place near Hico. Noticed in the news that John B. Connally and others, including Arab money, are considering the purchase of a Houston bank. Arabs, according to the national press, already have considerable holdings in financial institutions in the United States. I don't know that much about high finance, but, given a guess, I'd say it's not in the best interest of the American people.

NEC---"You can see farther and see less on the Texas Plains than any other place in the USA," complain some forest and mountain dwellers. I maintain that it all depends upon what you are looking for. As a native of the flatlands of Texas, I enjoy the unobstructed view across these Great Plains of Texas. I enjoy visiting the forests and mountain areas, but I have that underlying feeling of being hemmed in when I am there. True, we have no forests on our Great Plains, but we have the most beautiful "mountains" in the world. Our "mountains" are our clouds and thunderheads, and they are an easy-to-see panorama of "mountains" that are bathed in the golden sunlight and, as the sun sets, they become an artist's multi-color dream. Also, I like to look to the far distances in all directions and see the horizon.

NEC--Abernathy students will have three school days off during Thanksgiving Week, Wednesday, Thursday and Friday, Nov. 23, 24 and 25. Nov. 23 will be an in-service day for faculty members and a holiday for students, and Nov. 24 and 25 are the normal Thanksgiving Holidays. Classes resume

Nov. 28. New Deal students will be dismissed at 2:30 p. m. Nov. 23 for Thanksgiving Holidays, returning to classes Nov. 28.

NEC--The flag that flies in front of city hall needs to be replaced. The free end, the end that waves in the breeze, is tattered.

SCOUT-O-RAMA TICKET SALES

In anticipation of "the biggest youth show in West Texas", Cub Scouts, Scouts and Explorers will sell tickets for "Wonderful World of Scouting" Scout-O-Rama until show date-November 12.

Some 200 different demonstrations of Scouting skills will be on exhibit at the Lubbock Civic Center and the Hale County Agriculture Building in Plainview. Larry Cunningham, Lubbock City Manager and chairman of 1977 Scout-O-Rama, explained that this is one of the biggest events in the Scouting year. Cub Scouts, Scouts and Explorers from all 20 counties of the council are working on demonstrations, booths and displays ranging from camping and hiking through Indian lore and Cub Scout Family Games.

Tickets sales for the event offers an opportunity for the individual to earn prizes, and the unit receives 30 percent of the total members' sales directly.

Parents, leaders and the general public can find how relevant Scouting is in today's society. Eight-year-olds can learn about traffic safety, Scouts can work on merit badge subjects ranging from Atomic Energy and Environmental Science through Agriculture, and Explorers-in the Lubbock area-can attend national Law Enforcement Seminars.

District XVII Of TSTA Convention

About 5,000 school personnel are expected for the tenth annual convention of District XVII, Texas State Teachers Association, to be held in Lubbock Friday, October 28. Most schools in the 17 West Texas counties that comprise the district TSTA group will dismiss classes Friday.

Zig Ziglar, an author and speaker from Dallas, will address the morning session that gets underway at 9:30 a. m. in the Lubbock Civic Center. Along with teachers and administrators, educational secretaries will be among the participants at the general session. All members of the teaching profession are welcome to attend the meeting whether or not they are members of TSTA.

The House of Delegates for the convention will convene Thursday evening (October 27) at Coronado High School. The business session will follow a banquet at 6:30 p. m.

Numerous luncheon and afternoon sectional meetings are planned for Friday for teachers of subject matter areas and for members of several educator associations. A large meeting is planned for 2:15 p. m. in the Monterey High School Auditorium. Speaker will be Dr. Nancy W. Bauer of Philadelphia, PA, general editor and author in a senior high school curriculum project for four years of history and social studies.

Students of Abernathy and New Deal Schools will have a holiday Friday, Oct. 28.

"We hope everyone will come out to see today's Scouting program, in action," Cunningham stated.

The heat pump

"THE ELECTRIC SAVINGS MACHINE"

A good bargain now that will get even better!

Of course, any machine that works as efficiently as the heat pump has to save you money. And for many people that's the key appeal of the heat pump. Initial costs may be slightly higher than those for a combination heating and air conditioning system, because the heat pump is in a class all by itself - because it can't be compared for quality and comfort. Day-to-day operating expenses are the lowest of any other electric heating, cooling system available or on the market today. But the savings don't stop there.

With fuel costs expected to rise during the next two decades, the electric heat pump is a smart investment that will reward your financial foresight for years. Then too, unlike other forms of energy, electricity can be generated from a variety of sources. You can count on having plenty to run your heat pump. Always!

SERVICES HELD FOR TOM PERSONS

TULLIA (Special)-Services for Tom Persons, 57, of Tullia, were held Oct. 20, in First Baptist Church at Tullia with the Rev. Charles Davenport, pastor, officiating.

Burial was in Rose Hill Cemetery under direction of Wallace Funeral Home.

Persons died at 10:50 p. m. Oct. 18, in his home after suffering an apparent heart attack.

The Quitque native was a World War II navy veteran and a member of First Baptist Church. He came to Tullia in 1965 from Plainview and married Orveta Lee Puett June 10, 1943 in Amarillo.

Survivors include his wife, a son, Thomas (Tommy) Lee of Amarillo; a brother, Amos D., of Borger; a sister, Mrs. Lela Mae Hutchinson of Quitque; and a grandchild.

Pallbearers were Mac Devin, Andy Persons, Kenneth Vines, Ray Gene Hutcheson, Ronnie Hatcheson and Johnny Klener.

Mrs. Tom Persons is a sister of Mrs. Mae Johnston of Abernathy.

Brother Dies In Washington

At a late hour Monday, funeral services were pending in Edmonds, Washington, for Clinton Powers, 53-year-old brother of Mrs. Al Jennings of Abernathy. Powers died about noon Monday after an illness of about a year.

Survivors in addition to his wife include five sisters and two brothers.

Rev. Al Jennings officiated at the service.

Rites For Former Area Resident

Funeral rites were held Monday in the Blackburn-Shaw Funeral Home Chapel in Amarillo for Reuben H. (Tip) Pipkin, 61. He was the son of a pioneer Abernathy couple, the late Mr. and Mrs. A. E. (Bud) Pipkin. "Tip" was a nickname which he acquired in Amarillo after moving there some 30 years ago from the Abernathy and Lubbock area.

The Rev. Charles Lutrick of Big Spring, a nephew, officiated, assisted by the Rev. Truman Culp, a brother-in-law of the deceased.

Burial was in the Llano Cemetery in Amarillo. Pallbearers were relatives, Lewis and Harvey Lutrick of Abernathy, Buddy Lutrick of Floydada, Bobby Lutrick of near Fort Sumner, N. M., and Joe Fallwell of Friona, and Jeff Booker of Oklahoma.

Pipkin died Friday morning of an apparent heart attack while at work on a farm near Amarillo.

Survivors include his wife of Amarillo; two sons, Keith of Amarillo and Gary of Florida; a brother, A. E. of Monahan; six sisters, Mrs. T. E. Lutrick, Abernathy, Nita Overton, Fort Sumner, N. M., Sarah Fallwell, Friona, Bonnie Dowlen, Amarillo, Velma Daughtry, Phoenix, Ariz., and Ruth Culp of California; and five grandchildren.

Attend Relative's Funeral In Hobbs

Lawrence and Preston Amerson of Abernathy and Raymond Amerson of Petersburg were in Hobbs, N. M., Monday to attend the funeral of, and be in the list of pallbearers for, a cousin. He was Melvin Amerson, 69, of Hobbs, who died Oct. 20, in an Albuquerque hospital. Burial was in the Hobbs Cemetery.

Ask the LORD to bless your plans, and you will be successful in carrying them out. (Pro. 16:3)

Last Rites For Mrs. Willie Francis Smart

MERKEL (Special)----- Services for Mrs. Willie Francis Smart, 85, longtime South Plains resident, were held Monday at the Merkel United Methodist Church with the Rev. Lynward Harrison, retired Methodist minister, officiating.

Graveside services were conducted in Paducah Cemetery under direction of Starbuck Funeral Home of Merkel.

Mrs. Smart died Saturday in an Albany hospital. She had lived with a daughter in Albany since June.

The Collin County native had lived in Anton for 19 years before moving to Merkel in 1972. She was married to Charlie Ayers Smart in Paducah in 1908. He preceded her in death in 1953.

Survivors include a son, Kirby of Hobbs, N. M.; three daughters, Mrs. Russell (Elsie) McAnally of Albany and Mrs. Neal (Thelma) McGarvie and Mrs. A. M. (Katherine) Waycaster, both of Las Vegas, Nev.; a sister, Mrs. J. O. Brooks of Plano; 11 grandchildren and 18 great-grandchildren.

T. S. T. I. VAN VISITS HERE

Amarillo-The Abernathy High School students toured the Texas State Technical Institute van this week.

The van carried brochures and slides on programs at the Mid-Continent Campus and information on financial aids, said Clyde Whittle, director of Public Information at TSTI.

"We're encouraging parents and anyone interested to see what we've got," Whittle said.

The van visited Abernathy High School Tuesday, October 25.

The van was loaned to the Mid-Continent Campus by James Connally Campus in Waco.

Big Springs Violins Win Awards

BIGSPRING-Hand-carved violins produced by a Big Spring man have been awarded top honors in the Arizona Violin and Guitar Makers Association competition among entries from across the world.

Denver Pettitt's "Yellow Rose of Texas" and "The Lone Star" were among 119 violins judged at the contest, and both placed in the top five among instruments in their class.

Judges listened to each of the 119 instruments before determining Pettitt's "Yellow Rose" was the best playing violin at the affair and then decided to use it to set the tone for the entire steel-string class competition.

Pettitt's "The Lone Star" was named the prettiest of the entries because of mother-of-pearl inlays set into the instrument's neck by Pettitt, a violin maker for 50 years.

Another Big Spring man, Ed Shrum, received an honorable mention for his first violin, also entered in the steel-string class. Beginning violin makers seldom place in the competition, judges said, in awarding Shrum his honor.

Denver Pettitt is a cousin of Robert Parsons and a nephew of the late Mrs. Clarice Parsons.

Peter Anderson In L. C. C. Chorus

Peter Anderson, son of Mr. and Mrs. James B. Anderson, 612-12th, Abernathy, is a member of the 60-voice Lubbock Christian College Meistersinger Chorus for the 1977-78 school year.

Anderson, who sings tenor for the chorus, is a sophomore Bible major.

Under the direction of assistant professor of music Charles E. Cox, the group includes freshmen through seniors. They present 60-minute concerts of sacred music.

The Meistersingers, in its 18th year, perform many times during the year for special occasions on campus, before Lubbock-area church groups and during their four annual tours throughout the U. S.

Lubbock Christian College, located on the high plains of West Texas, is a private liberal arts college that is the academic home for 1,200 students representing 35 states and 16 foreign countries.

SPIRITUAL WARFARE
 Put on the whole armour of God, that ye may be able to stand against the wiles of the devil. 12. For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. 13. Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all to stand. 14. Stand therefore, having your loins girt about with truth, and having on the breastplate of righteousness; 15. And your feet shod with the gospel of peace; 16 Above all taking the shield of faith, wherewith ye shall be able to quench all the fiery darts of the wicked. 17. And take the helmet of salvation, and the sword of the Spirit, which is the word of God. 18. Praying always with all prayer and supplication in the Spirit, and watching thereunto with all perseverance and supplication for all saints. (Eph. 6:11-18)

Vocational Home Economics Program

Lucinda Shelton, assistant teacher, & Jan Montgomery, teacher, are shown above on duty at the Antelope Inn.

The scene above shows the Antelope Inn during the lunch hour with the students in the background.

The vocational home economics program is divided into two areas. Useful home economics is the term used to describe the traditional program in high school and some junior highs. Gainful home economics refers to the programs designed to train students for employment. They are Home Economics Cooperative Education (HECE), Home Economics Pre-Employment Laboratory Education (PELE), Home Economics Coordinated Vocational Academic Education (CVAE) and Home Economics Vocational Education for the Handicapped (VEH).

In Abernathy we have one unit of the VEH program currently limited to the junior high level. The program is designed for the following purposes:

1. To provide students with vocational education preparing them for gainful employment in home economics related jobs requiring beginning level knowledge and skills.

2. To provide students with a vocational curriculum at a level where students can succeed. Students are in VEH two periods each day. They participate in academic or resource classes the remainder of the day. In Abernathy we have a Home and Community Service unit. This provides girls with training in these areas:

1. Food Service-Students learn to prepare, serve and clean up for meals in a commercial setting. This takes place throughout the year. Reservations for meals or catered food may be made to Jan Montgomery 298-2566.

2. Clothing

BRIEFS:

Nettie Henderson is still under treatment at HI-Plains Hospital in Hale Center.

JoAnn Ward, who recently had surgery at Methodist Hospital is making good progress.

Service—at least twice a year items are made for sale through an assembly line method. 3. Housekeeping, 4. Laundry, 5. Child Care and Family Relations. Skills in these areas are taught in units.

The girls are members of HERO/FHA. They learn to conduct meetings and have socials.

Miss Lucinda Shelton is the sixth student teacher from the Home Economics School of Texas Tech to teach with Mrs. Montgomery. Her home is Carmelo, Uruguay. Each student works for seven weeks as training for teacher certification.

BILINGUAL PUBLIC HEARING NOV. 3

A public hearing will be held at 7:30 p.m. Thursday, November 3, in the Abernathy School Elementary Library to review the district's application for continued federal support for the Title VII bilingual education program.

Conducting the hearing will be the project director, Ms. Margaret Clements, who will explain the proposal and answer any questions concerning plans for next year.

A copy of the proposal will be open for inspection by any interested persons who wish to come to the Bilingual Office during school hours on November 2 and November 3.

Members of the community and interested parents are urged to attend the meeting.

El jueves, el 3 de noviembre, a las 7:30 pm habra una reunion publica en la biblioteca de la escuela primaria de Abernathy. Van a repasar la aplicacion del distrito para recibir los fondos federales del Titulo VII del programa de la educacion bilingue.

La Srta. Margaret Clements estara para contestar a todas las preguntas y para recibir sugerencias de la comunidad de Abernathy. Si alguien desea leer la aplicacion, se puede hacerlo en la oficina bilingue durante las horas escolares el 2 y el 3 noviembre.

Les invitamos a todas las personas de la comunidad y de los padres para asistir a la reunion el 3 de noviembre a las 7:30 pm.

FOOTBALL CON'T. FROM PAGE 1

Antelope Gilbert Cuevas punted 7 times for a 42 yard average, while Idalou's Buckles Bryant punted 7 times for a 43 yard average.

On the receiving end of Abernathy's passes was Joe Barrera with two receptions totaling 42 yards, and Randy Gregory with one reception for 10 yards. All three completions were off the arm of Cuevas, who hit on 3 of 5, while Tony Heath was 0 for 8.

In addition to Lindsey's 98 yards, Lee McCune carried 9 times for 113 yards before leaving the game with a leg injury, and Lon Mason had 25 yards on 7 carries and a 30-yard TD run.

Leading tackler for the Antelopes was Mike Hill, who had been out three weeks due to injury. Hill had 24 tackles credited to him. Mark Pope had 15 tackles and a fumble recovery to his credit, and Ted Heard had

one interception.

In commenting on the game, head coach Larry Aldridge stated, "Our offensive line did an outstanding job of blocking. He went on to point out that center Joe Jack Connell, guards Micah Blalock and David Kennedy, tackles Pope, Hill and Steve Presley, and tight ends David Hunt and Chad Major all turned in fine performances.

The 'Lopes will travel to Floydada Friday evening for their second game in District 4-AA competition. The Whirlwinds lost last week to Tullia, 12-0, but had previously beaten the Lockney Longhorns 23-19 the week before. Standing a 1-1 in district play, the 'Winds will be seeking another mark on the win side of the ledger.

"They are going to be ready," stated Coach Aldridge, adding, "We feel that we will be ready, too... it should be a good ball game." Scouting reports

Mary Sue Adkinson

Young Homemaker of the Week

Mary Sue Adkinson and her husband Mike have been Abernathy residents for two months now and feel very much at home here. They live at 602 1st St. and for the past month have been involved in redoing their new home.

Mary Sue is teaching Homemaking at Abernathy High School and assists in advising Young Homemakers. Mike works in Lubbock at Jents House of Music. Before moving to Abernathy they have both taught in Dalhart schools as a Homemaking teacher and Band Director respectively.

Mary Sue enjoys sewing, reading, and macramé. In the winter, the Adkinsons snow ski whenever possible.

"Abernathy is fortunate to have so many young women who are as friendly and as willing to work as the members of Y. H. T. are. I thoroughly enjoy their meetings."

Mary Sue's favorite recipe is:

ACORN SQUASH
2 large acorn squash cut in half.
1 egg, 1/2 cup chopped nuts, 1/2 cup cheese, 3/4 cup cracker crumbs, salt and pepper, 2 tbs. onion, 2 tbs. butter. Steam squash until tender, scoop out insides, mash and combine all other ingredients. Refill squash hulls, dot with butter. Bake at 375 for 30 minutes or until golden brown.

O. E. S. MEETING SET FOR NOV. 3

The Grand Chapter Report will be given at the stated meeting of Abernathy Chapter No. 877 Order of the Eastern Star at 7:30 p.m. Thursday, Nov. 3. Hostesses for the meeting will be Mildred Tannehill, Thelma Wesley and Bobbie and Thomas Conway. Gladys Cox, Worthy Matron, urges all Eastern Star members, local and visiting, to attend.

BRIEF:

A fire call came from 512 First Place at 3:15 p.m. Monday, with a quick call-back that it was under control. A fire fighting unit did make the run, however.

L. M. Hobgood recently purchased June's Cafe and other property in New Deal. They will be opening a cafe in the near future.

REV. JIM SHARP AND OTHER PASTORS PRESENT PROGRAM TO SUNSHINE GROUP

The Sunshine Group met on October 20, at 11:00 a.m. with our President presiding. Our opening prayer was given by Mrs. Knox. Our secretary, Ollie Selke is still not able to come to our meetings. We miss her a lot and she was remembered in prayer. Dixie led our singing of our anthem and a couple of other songs.

We had two birthdays in the group this month. We are like children, only for a different reason. We love to sing "happy birthday" to people.

We had our Thanksgiving dinner all planned out but destiny changed that so Lillie Mae talked to Jan Montgomery at our school about it. She and the girls she teaches fix lunches for people, something everyone should know and I didn't. In case of illness they will fix lunches to take out. She and her class will cook our Thanksgiving turkey and bring it all carved to the City Hall. It will weigh about 25 lbs. so everyone bring a dish as usual and come help us eat it. There are a lot of conveniences in our little town if people just know about them.

We suggested long dress day but if you had rather wear something else just come. We would like to have games after lunch also.

For the October Blanch had the tables decorated for Halloween. Everything looked so festive. More than likely she will have everything beautiful for Thanksgiving.

We had 3 new people at the meeting: Florence Jackson, Minnie Lee Bristow, and Lillie Belle Kramp.

Mrs. Charles Henderson is the person who organized the Sunshine group nearly five years ago. She wrote to George Mahon to see if there was something we might be missing that our senior citizens are getting. He has an office in Lubbock so the lady who runs it called Floyd so he invited her to come to our Thanksgiving meeting and talk with us. There is a possibility we might have a different building to meet in. We hope a good number comes to hear this because we want to get in on the ground floor. I know other groups do a lot. Now, we don't want something everyday but we would like for all of our senior citizens to take part. It's fun!

Rev. Sharp had the program for Dorothy. He is a retired Methodist preacher but he has been having breakfast with the Baptist preachers and going to their meeting. He said they had pretty fair preachers so he brought some with him. Rev. Jacky Newton introduced

Rev. Max Brown, who is holding the services and the song leader, Bill Hick. Bill played and sang "He Touched Me". It was beautiful. Then Rev. Max Brown spoke on "What is God's goodness", based on the 73 Psalm. This is not a direct quote, it is just what I absorbed of it. Oh yes, about this time Rev. Newton left us. Hope it wasn't nothing serious, I think he got things going and just abandoned us. But back to the lesson. God is always with us. He promised to never leave us, through good times or bad. He holds us by the right hand and gives us strength, helping us to do things that we cannot do for ourselves. The Avenue of prayer is the greatest Street there is. He will be waiting to receive us in Glory. It was really a good lesson and a comforting one. I know people would get more out of it first hand. This second hand stuff is what I heard. Anyway, we thank the Baptist staff for being with us. Dorothy thanked Rev. Sharp for the program.

Rev. Coggin asked the blessing and we had a big dinner.

Wanda McKinney took pictures for the Chamber of Commerce booklet. I was trying to get some names of people and I would be right where they were taking pictures everytime. I did find out who the person was we couldn't find last time - Susie Anderson!

While we were eating one fellow said "This food is fitten".

Everyone remember we meet at 11:00 a.m. and make an effort to come for our Thanksgiving turkey and dressing and to hear what the Honorable George Mahon sends word to us.

Those present were: Mr. and Mrs. Floyd Shipman, Dot von Struve, Dixie Pittman, Oma Toler, Rev. and Mrs. HB Coggin, J. L. Ellison, C. J. Camp, Amanda Ellison, Mrs. Charles Brewer, Juanita Brantley, Minnie Bristow, Florence Jackson, Ruby Knox, Callie Nunn, Lillie Mae Wilson, Addie Robertson, Robert Lutrick, Rev. and Mrs. Sharp, Mrs. Harrison, Rev. Jacky Newton, Bill Hick, Rev. Max Brown, Mike O'Donnell, Lillie Belle Kramp, Maybell Glass and Wanda McKinney. Reported: Dot von Struve

SCRIPTURE
Isa. 26:3: Thou wilt keep him in perfect, peace whose mind is stayed on thee; because he trust in thee.
Isa. 26:4: Trust ye in the LORD for ever; for in the LORD JEHOVAH is everlasting strength.

Attend Football Game At Boys Ranch

Mr. and Mrs. Richard Havens, Jill and Gordon attended the football game at Boys Ranch last Friday night. The Boys Ranch Rough Riders played the Spearman Lxyn. Spearman coming out on top of the scoreboard.

The Rough Rider band was a real pleasure to see perform during the halftime show. The football field is in a beautiful setting right across from the church sur-

Abernathy Riding Club To Perform At Tech Rodeo

Members of Abernathy Riding Club will be performing at the Texas Tech Intercollegiate Rodeo 7:30 p.m. nightly Wednesday Oct. 26 thru Saturday Oct. 29.

The group, directed by Stan Steen and assisted by his wife Doreen of Lewistown, Montana will stage a thrilling Patriotic Pageantry immediately preceding each night's rodeo performance.

Our club is very honored by being chosen to entertain at the world's largest indoor Intercollegiate Rodeo.

The riders will be pleased to have hometown supporters in the audience as they represent Abernathy to the hundreds of spectators in Lubbock Municipal Coliseum. Reporter-Bernice Evans.

Following the game we visited briefly with Carroll Dean Powell, AHS graduate. Powell is beginning his fourteen year at Boys Ranch. He and his family live at the ranch. Mrs. Powell is also employed at the ranch. Another AHS graduate and her husband Anita and Gary Keisler (the former Anita Ryan) are living at Boys Ranch, they are dorm parents and she works at the clinic. Anita and Mrs. Powell are the daughters of Rev. and Mrs. Conrad Ryan of Post. He was a former pastor of The First United Methodist Church here. We also visited briefly with Anita and Gary.

Boys Ranch is a beautiful place to visit. Powell said, they now have 370 boys at the ranch.

SCRIPTURE: HIS LEADING:
"I will instruct thee and teach thee in the way which thou shalt go: I will guide thee with mine eye."
Psalm 32:8

Great Society HDC Meets Oct. 17

The Great Society Home Demonstration Club met on October 17 at the Community Center.

Maybell Glass opened the meeting with prayer and roll call was answered with "Something I bought that I couldn't use, but at a price I couldn't resist."

The program was furnished by Mrs. Jan Montgomery from the Abernathy Public Schools and a practice teacher from Texas Tech, Lucinda Shelton. They furnished a lesson on the four basics necessary for a balanced daily diet. They prepared "ranch burgers", explaining that the mixture could be used for a dip with chips. Lucinda also illustrated how much more appetizing a meal can be if a pleasing contrast in flavor, texture, temperature, method of cooking, shape, size, and color is included in the menu.

Imogene Suttle, Maybell Glass, and Olean Mathis attended Council in Plainview earlier in the day where they helped elect the officers for Council for ensuing year.

Nadine Rogers will demonstrate the making of silk roses at a special called meeting of the club on October 31 at the Center. Anyone in the community who would be interested in this lesson is invited to attend this meeting at 1:30 p.m. at the Community Center.

Those present were: Jan Montgomery, Norma Carrizales, Elexia Monter, Dorothy Natal, Deane Hood, and Lucinda Shelton, practice teacher.

The club members present were: Polly Cantu, Elodia Marer, Imogene Suttle, Alice Pace, Silvia Ramirez, Nora Garcia, Maybell Glass, Helen Sinfuentes, Juanita Dominguez, Juanita Brantley, and Marions Villagar.

They all paid MORE per KWH than we pay!

The average cost per KWH of electricity is lower today than it was for the first 70 years of the electric light but we use a phenomenal amount of power. From an average of 121 KWH per month in 1948 we are now averaging more than 850 KWH per month and our use of power grows each year.

The member-owned electric cooperative can't do much about wholesale power prices nor the higher cost of generating fuels. But we can and do exercise every economy to deliver power at its lowest possible cost.

Where the electric cooperative controls the costs — the costs stay under control.

SEEDS FROM THE SOWER

By Michael A. Guido, Metter, Georgia

"If I had been named according to the life I have lived," confessed a girl, "my first name would be 'Ima' and my last name 'Mess'."

But One came into this world to help each one of us who has made a mess of things. Announced an angel, "You shall name Him Jesus, for He shall save His people from their sins."

The name "Jesus" is a Greek word. The same name in the Hebrew is "Joshua." It is really a phrase. It means "God is my helper" or "God is my salvation." The name "Jesus" freely translated means "God is my salvation." There is salvation in no one

else, and He is all that is necessary.

But many turn from Him to the government, the school, the bank, or the demonstrations for salvation. But the confusion and frustration which characterize our age speak of false "saviours." For that which troubles our world is not diplomatic disorder, economic greed, ignorance, or social injustice. These are but symptoms. The real cause is sin.

Jesus and no other can save us from our sins. One said to Him in Psalm 9:10, "They that know Thy name will put their trust in Thee." Do you know His name?

SCRIPTURE: SECURITY
"He that dwelleth in the secret place of the most High shall abide under the shadow of the Almighty."
"I will say of the Lord, He is my refuge and my fortress: my God; in him will I trust."
Psalm 91:1-2

Col. 3:17: And whatsoever ye do in word or deed, do all in the name of the Lord Jesus, giving thanks to God and the Father by him.

WORDS OF WISDOM:
An empty stable stays clean—but there is no income from an empty stable.
