Hale County - Abernathy, Texas - Lubbock County

VOLUME 56  
NUMBER 55

**FIVE GENERATIONS** — Getting together for a family picture representing five generations are Melinda, 3, and Cindy, four months, sitting in the lap of their mother, Mrs. Don Brown of Hale Center. At their right is the children's great-grandmother, Mrs. J.O. Robertson of Abernathy. Standing are Mrs. J.H. Burelsmith of Petersburg, (left), the children's grandmother, and Mrs. H.A. Hearn of Abernathy, their great-grandmother. Each of the younger three women have made the fifth generation in her respective family through the female lines.

**Police Offer Home Checking Service Here**

Abernathy Police Department is offering city residents a home security check service. Forms requesting this service are reproduced here. See form with heading "Request For Security Check". These forms are available at city hall Monday through Friday from 8 a.m. to 5 p.m. After 5 p.m., those wishing to fill out and file the form may go to the police station on the west side of the city square.

This form principally is for those who will be out of town for a period of time. Police patrolmen, by request, check homes for various reasons, including women at home alone, and suspicious actions in the area reported by householders.

Police patrolmen will carry a file card with them showing that a householder has requested security house checks. The officer keeps a record on this card of the dates and times of the security checks made.

If you are leaving town for a while, fill in the file this request with the police. It could save you a loss.

**MASONS MEET HERE DECEMBER 8**

Abernathy Lodge No. 1142 A. F. & M. will hold a stated meeting at 7:30 p.m. Thursday, Dec. 8. Thomas Pettit, Worshipful Master, urges all local members to be present, and extends a welcome to visiting Masons.

**Eastern Star Bake Sale**

The Eastern Star will have a bake sale this Saturday morning December 10th at Abernathy Motor Co. from 8:30-11:30. Come by and buy some good homemade goodies.

**Review To Run Christmas Greetings**

If you would like to send your Christmas greeting through The Review, we will be running all Christmas greetings in the December 22 edition. We have books in The Review office to select a Christmas greeting. If you are interested come by and pick out yours as soon as possible. The latest date to make your choice will be December 16th.

**Attention A. H. S. Graduates**

The Abernathy Boosters Club has established a scholarship fund which will be \$200.00 a semester. All graduates are eligible to apply if three semesters of college work have been completed (by beginning of spring semester, 1978). Forms may be obtained from President Don Heath or Committee member Ann McCune. The forms should be completed and returned by Jan. 5.

Check requirements! You may qualify!  
Boosters Club Scholarship Committee.

**Music Have Good Success**

The Abernathy Music Club's Christmas Son Festival presented Sunday night in the First United Methodist Church was a real blessing with 130 people taking part in the musical. The church was packed with every pew filled and chairs in the isles.

Every church in the community was represented in the program and in the audience.

Following the service there was a fellowship time in the fellowship hall with many good goodies. The tables were decorated with beautiful red Christmas cloths. There were 12 women who did the work in the kitchen.

Mrs. L. B. Flud is president of the music club. A big thank you to all the music club and to the people who helped make the evening such a good experience for everyone.

**AMBULANCE RUNS**

Abernathy EMS ambulance took Helen Gough to Hi-Plains Hospital, Hale Center, Dec. 2, and three Lubbock residents from the scene of a traffic accident to Methodist Hospital in that city Dec. 4. They were Obble Coffin, Norma West and Becky Graves.

**Field Demonstration Set Here For Dec. 10**

A new line of John Deere tractors, "The New Iron Horses... More Horses More Iron," will be introduced to area farmers by the local John Deere dealership, Joe Thompson Implement Co. This will be done, said Harold Thompson, co-owner-manager, during a field demonstration. All farmers and other interested persons are invited to attend the Field Demonstration set for Saturday, Dec. 10, from 1:30 p.m. until 4 p.m. at a farm 7 miles north of Abernathy on US Highway 87.

The new line of John Deeres range from 90 HP up to 180 HP. See the ad in this paper.

**Social Security Representative Due Here Dec. 20**

The Social Security Representative, Coy Curtis, from the Plainview Social Security office will be working in the City Hall in Abernathy from 9:00 to 11:30 a.m., Tuesday, December 20.

Anyone who needs assistance with a social security or medicare claim, application for a social security may see him. If more convenient, contact your social security office at 1401-B West 5th Street in Plainview. A telephone call may save you a trip. Our number is 293-4371.

**SUNSHINE GROUP TO MEET DECEMBER 15**

The Sunshine Group will meet on Thursday, December 15, at 11:00 a.m. for their regular monthly meeting. This meeting will be a covered dish luncheon as usual with fried chicken specified. A special invitation is extended all Senior Citizens in this area, and all present members are urged to attend. Included on the program will be a men's quartet, and the Rev. Al Jennings, First United Methodist Church pastor, will give the Christmas devotion.

**4-H Trap Shoot**

A Trap Shoot is scheduled for December 10-11 one mile east of Edmonson at the FM 1424 and 194 intersection. The shoot will run from 1:00 p.m. to 5:00 p.m. both Saturday and Sunday. Hale County 4-H will use the proceeds toward an Exchange Trip to Minnesota next summer, according to Vicki Winter, Assistant County Extension Agent.

Sausage, shells, and money will be given to the top shooters. Shoot offs for Turkeys will be at 2:30 p.m. and 4:30 p.m. both days. A Turkey will also be given to the person bringing in the pheasant with the longest tail feather.

A concession stand will be operated by 4-H members, selling drinks, brownies, and shot gun shells.

All area shooters are invited to come out and practice up before going pheasant hunting.

**Farmers Invited To Meetings**

Does the target price on cotton, wheat and feed grains for 1978 really guarantee a farmer anything? Is there a chance that target price payments will be made on 1978 crops? How and when can a farmer know how much of his total 1978 production will be eligible for either disaster or target price payments?

Farmers who can't answer these questions "aren't ready to make planting decisions for 1978," says Donald Johnson, Executive Vice President of Plains Cotton Growers, Inc., Lubbock.

To provide all available information related to the 1978 farm program, PCG is cooperating with the Texas Agricultural Extension Service and the Grain Sorghum Producers Association, also of Lubbock, in staging a series of three meetings on the High Plains in December. Meetings will begin at 1:15 p.m. at the Community Center in Lamesa on Wednesday, December 14; at the Agriculture Center in Plainview on Thursday, December 15, and at the Plains Cooperative Oil Mill in Lubbock on Friday, December 16.

All who are interested in agriculture are invited to attend and take part in discussions, according to District Extension Agent Billy Gunter. Elbert Harp, Executive Director of GSPA will explain and answer questions on the feed grain section of the Agriculture Act of 1977. Oscar (Cotton) Fanning, PCG Executive Assistant will lead discussions on cotton program provisions, and Marvin Sartin, Extension Service Economist and Management Specialist will discuss the economics of cropping alternatives under the new law.

"The Act of 1977 is not as easily understood as some we've had before," says Johnson, "but the dollars-and-cents importance of understanding it is just as great if not greater than ever."

"The allotment system is a complete departure from what we've become accustomed to, and will involve such strange terms as National Program Acreage, National Reduction Percentage and Normal Cropland Acreage, all of which will be confusing to producers until fully understood," the PCG official points out.

There have also been changes in the workings of the disaster program and new regulations are in the making for the designation, care, use and cross compliance aspects of required set-aside acreage.

And, although not new, since the target price method of supporting prices has not been a factor in cotton producer income since its inception in 1974, "many producers still have something less than a clear conception of how it works and how they may benefit from it," Johnson stated.

**BRIEF:**

Mr. and Mrs. Cliff Howard recently visited in Fort Worth.

Mr. and Mrs. Louis Sprutell have moved from their farm northwest of town to 512 16th St. in Abernathy. It is the residence they bought from the Vester Pattersons, who moved to Arlington.

Mr. and Mrs. Fred Boone have returned from a 3-week visit in Humboldt, Tenn.

**A. H. S. FFA JUNIOR FARM SKILL TEAM RECAPTURED THE STATE CROWN DEC. 3**

The Abernathy FFA Junior Farm Skill Team with members Tim Presley, Cody Connell, David Myatt, Guy Gibbs, and Speck Cox, Advisor, recaptured the State Crown for Junior Farm Skills at Sam Houston State University, Huntsville, December 3.

Abernathy FFA had held the title in 1974 and 1975 then lost the title last year. The team left for Huntsville on Thursday afternoon in the school van, making several stops for practice sessions.

The team performed at 10:40 Saturday morning, then took a quick tour of the State Penitentiary. The tour was shorter than anticipated, because David's hand was accidentally slammed in the van door, and required a quick trip to the hospital emergency room for x-rays and stitches.

The tired, but happy and successful group returned home Sunday, after resting from the drive from Huntsville to Snyder, the day before.

You Are Invited To Attend An Open House Honoring Mrs. U. L. (Sook) Moorland On Her 80th Birthday, Sunday, December 11, From 2:00 p.m. Until 5:00 p.m. in the Home Of Mrs. Maudie Jones, 209 Avenue H.

**Christmas Lights Go Up In Abernathy**

Bill Scott, Abernathy manager for Southwestern Public Service Co., and the manager of the Petersburg Southwestern Public Service Co. office, W. V. (Rudy) Rudisill, put up the street Christmas decorations in Abernathy last weekend. The decorations are new this year, being mounted on poles in the business district and on the city square.

**FIRST BAPTIST CHURCH YOUTH CHOIR TO PRESENT CHRISTMAS MUSIC DEC. 11:**

The Youth Choir of the First Baptist Church will present its Christmas Music December 11 at 7:00 p.m. The choir is under the direction of Mike O'Donnell. The numbers the choir will present are: "Shout it Everywhere", "Praises to the new Born King", "Over in Bethlehem", and "Calypto Noel." Remembrance, a small vocal ensemble will present "One Night", and "God Rest ye Merry Gentlemen". Through the evening there will be solo's, trios, and quartets. The public is invited to worship with the First Baptist Church.

H. R. Wesley is a patient in Hi-Plains Hospital, Hale Center.

**Boys & Girls Asked To Write Letters**

Dear Boys & Girls: Hurry and get your letters written. I'm waiting to hear from each of you. Love, Santa Claus

The letters will be published in the Abernathy Weekly Review & them quickly forwarded to the jolly gentleman in the red suit so that he may fill the orders.

### NEWS AND COMMENTS

By Buford Davenport

**NGC--National poll-taking** is one of the thousands of professions about which I know nothing. I can't understand how pollsters can interview some 1500 Americans and claim that to be the views of a majority of the 216 million Americans.

**NGC--The federal government** is obligated to protect the people from the intrusion into their homes and businesses by "telephone commercials". If the dialing is automatic and the commercials recorded, householders could not recover use of their telephones until the commercial ended and the automatic dialer "hangs up". Assuming that the commercials lasted a minimum of one minute, that might be the longest minute in your life if you were trying to call an ambulance, doctor or the fire department. Soliciting business by telephone is a common practice, but this is done by an individual placing the call, not by an automatic dialer and a recorded message.

**NGC--Here's a Texas state law** that went into effect Sept. 29, that will not cause much readjustment in The Review's policy of handling crime news. In brief, the new law allows a person arrested but not prosecuted to blot out all records of that arrest. A newspaper reporting arrests that do not result in prosecution lays itself open to a libel suit. You see very little crime news in The Review. It is a policy I followed for years when we owned The Review, and it is being continued by the new owners, the Havens. The news media give too much publicity to the thugs, in print and on the air, and not enough to those, young and old, in present-day society who are law-abiding citizens that achieve worthwhile accomplishments. When one thug sees another thug getting publicity, especially on the TV screen, it makes him want to get in the limelight, too.

### SPECIAL DRIVE AT BOYS RANCH

The annual drive to outfit all of the 370 boys of Cal Farley's Boys Ranch with new suits began today.

Purchasing new suits for the boys with donations of \$35.00 is a favorite way for many friends of the Ranch to help at Christmas time.

"His first suit is something a boy never forgets," Virgin Patterson, Ranch President, said, "We want to make it a happy Christmas, not only for the boys now living at the Ranch, but also for new boys who will be coming to us during the year."

Amarillo department stores cooperate with the Christmas Suit Fund by giving special discounts on boys' suits. Other boys will receive gifts packages of clothing that will include shirts, ties, jackets, trousers or other articles needed by them.

"A new suit or clothing package is the best Christmas gift any of our boys will receive," Mr. Patterson said, "It is a year-round reminder of those who really care."

Donations to the Christmas Suit Fund may be mailed to the Boys Ranch Office, P. O. Box 1890, Amarillo, Texas 79174, or be taken to the office at 600 West 11th Street in Amarillo.

#### BRIEF:

Mr. and Mrs. M. M. Bell and Richard Stringer, their grandson, spent Thanksgiving day with Mr. and Mrs. Don Bell, Stephanie and Mark in Muleshoe. The next Sunday Mr. and Mrs. Riley Wooten, Mike and Steve, Mrs. Tricia Stringer and Richard, all of Lubbock, and Mr. and Mrs. Don Bell and children were visitors in the Bell home.

Mr. and Mrs. Bell attended a basketball tournament last Friday night in Snyder where their grandson, Steve Wooten played.

They also attended the football game in Odessa on Saturday where their grandson, Mike played. Mike is a senior at Mouterey. Sunday afternoon they visited in Seminole with Mr. and Mrs. Arrie Kirk. Mr. Kirk is a cousin of Mrs. Bell.

### DO CITIZENS CARE???????

Do you like government by bureaucracy? If you are not sure the following may help you decide:

If proposed bureaucratic guidelines are finalized into regulations **HAVING THE FORCE OF LAW** as is presently expected hospitals in Hale Center, Lockney, Floydada, Tahoka, Brownfield, Morton, Littlefield, Amherst, Muleshoe, Tulia and many others will be required either to close AT ONCE or phased out to eventual extinction.

Health, Education and Welfare Department "experts" say rural hospitals cannot exist economically. Based on New York State, New Jersey and other heavily populated states these guidelines **might** make sense but never in the rural west. But bureaucrats do not perceive the difference. Experience has shown that the least expensive hospital care is provided by the smalltown hospitals. This is possible because their administrators are close to the action, close to the service rendered. Also there is the possibility of flexibility that cannot exist in a huge installation.

Mr. H.M. Baggarly, editor of the Tulia Herald, has put it succinctly in particular reference to the hospital at Tulia:

**WITH SO MANY unsolved problems** in today's world, it seems almost ironic that Swisher Memorial Hospital would be among them. We are not referring to financial, service or other type problems often associated with local hospitals. Most all hospitals, even Pampa, have those problems, more or less.

We are referring to some manmade problems not created by local people but by Washington and Austin bureaucrats.

**IF HEW PROPOSED standards are adopted**, hospitals such as our own might not only have to reduce the number of patient rooms but might have to close its obstetrics department and force all local residents to go to Plainview or Amarillo to have their babies. In fact, Canyon and Dimmitt would have to do the same.

These proposed regulations mean that within five years Texas would be required to reduce the number of hospital beds by approximately 17,500.

Such loss of beds coupled with previously announced ceilings on allowable patient days means that one in every four patients that need to be admitted to a hospital would be turned away.

**SOME OF THE proposals would not** affect Swisher Memorial but would affect certain other hospitals. We don't have the problem of too many rooms, but some hospitals do—and they would be affected.

In some cases entire hospitals would be closed while in other cases sections of hospitals would be forced to close.

The proposed guidelines would require hospitals to have an occupancy rate of at least 80 per cent over all. Also a hospital must have, in order to maintain obstetrics services, a minimum of 500 deliveries per year (2,000 in or near cities over 100,000). This would close obstetrics services in Tulia, Dimmitt, Canyon, and a host of other communities.

**NOT AFFECTING us, but affecting** many, would be restrictions on open heart surgery, cancer therapy, renal dialysis and cardiac diagnostic procedures. In addition, there are geographic restrictions on services that are available to a community within 45 minutes travel time. No consideration whatever is given to the medical needs of the community.

HEW is giving the public, hospitals and physicians until Nov. 22 to comment on these proposals. Comments will be received by Health Resources Administration, Room 10-22, 3700 East-West Highway, Hyattsville, Maryland 20782.

All persons interested in the continued availability in Texas of quality health care are encouraged to respond to these proposed limitations.

**FIRST QUESTION that presents itself is:** "Where did such ridiculous proposals come from?"

The answer is... "unelected Washington bureaucrats."

If Uncle Sam was financing new hospitals and their expenses of operation, it would be in order for Washington to set ground rules insuring economical expenditure of funds. It should be able to have a voice in determining what building project is needed and what project is not needed. It should not have to finance needed hospitals that over-built, had too many rooms or offered unneeded services. It should be able, under such circumstances, to tell Swisher Memorial Hospital that it didn't need a \$500,000 machine that perhaps would not be used more than once in every two years.

But this isn't the case. It's interested in hospitals already built and by local or private funds!

**EVEN IF SWISHER County wanted to** finance and build the hospital it felt it needed and paid the full cost of its operation, as it does, it STILL would not be allowed to do so!

How did it come about that some bureaucrat has this authority?

Well, at some point in time Congress was convinced that we needed a Department of Health, Education and Welfare. No doubt it, like in the case of most all government services, had nothing but the best of intentions. A need existed for some service and it was authorized by Congress. We may have even sent a delegation to Washington to urge our congressman or senator to support legislation which would correct some problem. Perhaps we were dissatisfied with the way a nursing home was being run and we felt the government should set up certain minimum standards for the operation of a nursing home. Perhaps some hospital was operating without even one RN on duty, or perhaps a nurse's aide was allowed to administer morphine to a patient at her own discretion. Perhaps a nurse acting on her own judgment prescribed a drug—and the patient died as a result.

**EVERYBODY GETS UP in arms and** demands that the government do something about it.

And the government, responding to grassroots demands, does something about it. A director is appointed to set up the new bureau. He appoints his department heads and they their department heads. And soon we have a giant organization employing 250,000 people, each one of whom likes his job.

But in order to keep that job, each is going to have to justify his own need each

time Congress is asked to authorize funds for its continuance.

**IF THE NEED is provided and a continuing** need no longer exists, or if there was a miscalculation and there is little or no work to be done, new duties must be created if the payroll is to remain intact.

The first thing we know the department through its bureaucrats have invented and introduced so many services never anticipated by Congress that the department doesn't just hold its own, it grows!

And by that time, it has become such a monster that one part of the department doesn't even know what is going on within the other departments.

We all have seen what happened in OSHA, to the FDA, to EDA, and to hundreds of others who make the news less often.

**NOT MANY PEOPLE get excited when** they are told how the system works, Not many will even read these comments. They'll glance at the first sentence and then turn us off. Some even brag to us that they never read discussions such as this in this column. Not until they wake up some morning and discover that their pregnant wife must be taken to Plainview or Amarillo to deliver her baby will they start hollering, blaming everybody but themselves.

Although these proposals are from the bureaucrats, no doubt U. S. Senators and congressmen will be interested in the public's views on these limitations and the rationing of health care.

Congressman Hightower and U. S. Senators Bentsen and Tower should be notified of the public's views on these proposals.

**WHAT WE CAN'T understand is WHY** such proposals should be made even when no government funds are involved.

If by chance some local rich man wanted to build a \$10 million hospital in Tulia, equip it with the most modern and innovative equipment, staff it, and pay the total cost himself, he would not be allowed to do so!

**CONCERNING THE current hassle over** admission of students to medical schools on the basis of one's ethnic background, someone has pointed out that the primary problem has been completely overlooked.

The entire nation is aware of the doctor shortage. Tens of thousands of small communities are begging for just one doctor. Even Amarillo claims a doctor shortage.

This being the case, why isn't somebody doing something about the shortage of training facilities? Why shouldn't BOTH the Negro and the white student wanting medical training be accepted?

**HOW MUCH HEAT DOES THE HEAT PUMP PUMP?**

Neither glacial January winds nor a simmering August sun can affect the heat pump's year 'round circulation of air, at just the right temperature.

Now you can stop fussing with the thermostat on those in-between days, too. The heat pump is an automatic climate control system that switches from heating to cooling to maintain the precise temperature you want. On very cold days, resistance heating coils (installed with the heat pump) automatically supplement the heat extracted from outside air. THE HEAT PUMP IS AN ELECTRIC SAVINGS MACHINE. LOW ON COST. **4-H NEWS ROUND-UP**

To most young Americans good citizenship means voting, respecting the flag and standing to sing "The Star Spangled Banner." To 4 million 4-H members, citizenship means all these things—and much more.

As participants in the national 4-H citizenship program, these boys and girls are responding to the needs, rights and responsibilities of others as they develop their own citizenship skills. Across the country 4-H members are helping the handicapped, teaching low-income children, beautifying their communities and becoming involved in local, state and national issues, points out Vicki Winter, assistant county extension agent with the Texas Agricultural Extension Service.

4-H members, 9-19, are finding solutions to local problems through research into the needs of their communities and then taking action to fulfill those needs. In California, 4-Hers designed a day camp program for nearly 100 low-income children. A 4-H club in New York carried out a special project for the physically and mentally handicapped. A group of Florida 4-Hers surveyed needs of senior citizens and then planned parties and involved them in a wide variety of recreational activities.

**DURING THE congress two** of the nine national citizenship winners along with their counterparts in the 4-H Achievement and Leadership programs are selected to receive Presidential Awards. Winners are chosen by the Extension Service and awards are arranged by the National 4-H Council.

More information on the 4-H citizenship program is available from the County Extension Office at 8th and Ash, or call 298-7466.

**EACH YEAR, more than**

6,000 boys and girls from across the country meet during the summer in Washington, D.C., at the National 4-H Center, for weeklong conferences to learn more about citizenship and their American heritage. They return home to put into practice the skills they learned while in the nation's capital.

4-H citizenship projects and activities are supervised by the Extension Service. Young people can be recognized for their accomplishments in 4-H citizenship through awards sponsored by the Coca-Cola Company.

The company offers recognition for 4-Hers at all levels of participation: nine \$1,000 scholarships nationally, an all-expense paid trip to the National 4-H Congress in Chicago for one member per state each year and four medals of honor in each county.

# Wedding Solemnized

Mr. Mike Luttrell/ nee Mary Zandra Johnson

## Johnson - Luttrell Repeat Vows

Miss Mary Zandra Johnson became the bride of Mike Luttrell in a double ring ceremony at 2 p. m. Saturday in Northside Baptist Church. Coady Billingsley, minister of Abernathy Church of Christ officiated the ceremony. Cindy Conway played wedding selections.

The bride is the daughter of Mr. and Mrs. L. A. Johnson of Abernathy.

The bridegroom's parents are Mr. and Mrs. O. D. Luttrell of Houston, Texas.

For her wedding, the bride wore a wedding dress of Venetian lace with silk organza covering. She carried a cascade of feathered carnations and red holly berries atop a lace covered white Bible which belonged to her deceased Mother.

Mrs. Marva Rainbolt of

Spur, was matron of honor.

Gary Hall of Lubbock served as his brother's best man.

Candlelighters were Rene Graham and Letha Johnson, sisters of the bride.

Ushers were Gary Rainbolt of Spur, brother-in-law of the bride and Greg Brown of Fort Stockton, brother-in-law of the groom.

The bride's parents hosted a reception in their home. Serving at the bride's table was Jan Brown of Fort Stockton and Karen Hall of Lubbock. Serving at the groom's table was Leigh Harkey of Lubbock and Judy Guerrant of Abernathy. Janis Myatt and Sue Conway were in the house party.

The groom and his parents Mr. and Mrs. O. D. Luttrell were hosts for a rehearsal

dinner at South Park Inn in Lubbock on Friday night.

The bride was graduated from Abernathy High School and South Plains Junior College School of Nursing. She is presently a nurse in the intensive care at Methodist Hospital. The bridegroom was graduated from Fort Stockton High School and attended Sul Ross State College. He is a grain broker.

After a wedding trip to Santa Fe, New Mexico, the couple will live in Lubbock.

## 1935 Study Club To Meet Dec. 8

Abernathy's 1935 Study Club will have a Christmas covered-dish luncheon starting at 12 noon Thursday, Dec. 8. It will be in the home of Mrs. Arno Struve. Co-hostesses with Mrs. Struve will be Mrs. Robert McAllister and Mrs. Jack Jackson.

Program: "The Other Wise Man" - Van Dyke, by Mrs. Vester Embry.

## METHODIST CHURCH NEWS

The Friendship Circle will meet Monday December 12th, at 10:30 a. m. for the program followed with a covered dish luncheon.

The Chapel Choir will be presenting an evening of Christmas music Sunday night December 11th. The title of the program is "Sunshine and Snowflakes". It will be at 6 p. m.

The U. M. Y. will sponsor a Chicken-Spaghetti Lunch on December 18th at the church.

We will have a all church Christmas program Sunday, December 18th at 6 p. m. Each Sunday School class will take part in the program.

## Housewarming For Steve Barton

A housewarming was held for Steve Barton on Wednesday night, Nov. 30. Steve is living in the home which belonged to Mr. and Mrs. H. R. Wesley. Those attending were: Maudie Jones, Mr. and Mrs. H. R. Wesley, Louise Burnette, Lula Waddell, Betty Albers, Becky and Allen, Audrey Waddell, Mr. and Mrs. Jackie Barton, and Mr. and Mrs. Cal Tucker.

Note to unsuccessful dieters: Don't think of it as fat; think of it as insulation.

## News From County Line Community Club

The County Line Community Club met on Nov. 29 in our community building. Jeanne Marr and Gladys Cox were hostesses.

Jeanne Marr spoke to the ladies about how to make your house safer from intruders. She gave us many good ideas. There was a lively discussion about the crimes that are being committed all around us. We cannot understand why our judges do not put a larger bond and sentence of these people.

The ladies decided for our Christmas program that everyone should bring a toy. After we "play" with them they will be given to children who are not expecting much from Santa Claus. The date for our Christmas meeting has been set for Thursday, Dec. 15 from 4:00 to 6:00 p. m. These hours were set so the ladies who work can attend. Everyone is urged to come. If you cannot get a toy bring candy, fruit, nuts, etc-something to give a child.

Ladies present were: Bobbi Embry, Sharon Coffee, Faye Ann Nelson, Gladys Cox, Faye Pope, Gladys Allen, Nita Javett, Frances Hudson, Mary Lynn Rice, Jeanne Marr, Jeri Floyd and Pam Connell.

In our Oct. meeting we elected our officers for 1978.

## Festive Fillings

SIMPLY DELICIOUS stuffing suggestions start with a packaged mix and end up mouth watering.

### CORN BREAD AND CHICKEN LIVER STUFFING

- 1 (8 ounce) package Pepperidge Farm corn bread stuffing
- 1/2 cup chicken livers
- 1/2 cup butter or margarine
- 1/2 cup chopped celery
- 1/2 cup finely chopped green pepper
- 1/4 cup finely chopped onion
- 1 bay leaf, crushed
- 3/4 cup chicken broth or water

Saute chicken livers in butter until just done, about 4 minutes. Remove from pan and chop. Saute celery, green pepper, onion and bay leaf until tender. Add broth, bring to a boil, remove from heat and toss with stuffing and chopped chicken livers. Makes 6 servings. Double recipe for 16-pound turkey. Use as stuffing for roast chicken, Cornish hen, summer squash or eggplant.

THOT: Beware lest the magnetic attraction of worldly pleasures draw you away from the Savior!

Those serving will be Sharon Coffee-President; Jeri Floyd-Vice President; Faye Ann Nelson-Secretary and Treasurer; and Bobbi Embry-Reporter.

## "RAYS OF HOPE" by Pat Stanton

JOY OF JESUS  
"He maketh me to lie down in green pastures. He leadeth me beside the still waters." Psalms 23:2

There is a real sense of joy that flows and grows within the heart of a Christian believer. God leads us to green pastures that are lush and alive where we can grow and then leads us into a peaceful place of quietness and security.

The writer in Isaiah 12 declares that "therefore with joy shall ye draw (living) water out of the wells of salvation." As we come to know the love of Jesus, it can be with great joy that we daily refresh ourselves from God's wells of salvation.

Let me share with you some meaningful verses that can bring strength and joy into your life:

Psalms 146:5 "Happy is he that hath the God of Jacob for his help, whose hope is in the Lord his God."

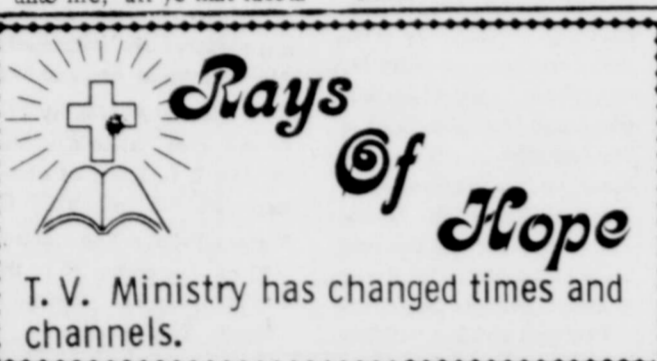

Matthew 11:28 "Come unto me, all ye that labor

and are heavy laden, and I will give you rest (peace)."  
Galatians 5:22 and 23 "But the fruit (growth) of the Spirit is love, joy, peace, longsuffering, gentleness, goodness, faith, meekness, temperance: against such there is no law."

Luke 10:20 "Notwithstanding in this rejoice not, that the spirits are subject unto you; but rather rejoice, because your names are written in heaven."

Romans 15:13 "Now the God of hope fill you with all joy and peace in believing, that ye may abound in hope, through the power of the Holy Ghost."

We, as believers, can have a continual feast of joy as we sit at the Master's table. You can have this joy and peace as you ask Jesus Christ to come into your life and forgive your sins. Also, as you believe that Jesus Christ died for you and He was raised from that death, you will be given the joy of Jesus.

## New Farm Law Discussion Is Set For Dec. 15

The new farm legislation is important to each South Plains farmer. The law has been passed and the USDA has issued many of the critical explanations that producers need to know.

A discussion and explanation of the Food and Agricultural Act of 1977 will be held at 1:15 p. m. at the Hale County Ag. Center located on old Highway 87 South in Plainview, according to Ollie Limer, County Agent. All farmers are encouraged to attend and learn more about the law that will govern their actions in 1978 and future years. The meeting is on Dec. 15.

The topics will be presented by local persons who can interpret the regulations as they will apply to the South Plains. Elbert Harp, executive director of the Grain Sorghum Producers Association, will discuss the feedgrain provisions of the bill. Oscar "Cotton" Fanning, executive assistant of the Plains Cotton Growers, will talk specifically about the cotton provisions. Marvin Sartin, area economist-management with the Texas Agricultural Extension Service, will present economic aspects of alternative farm organizations under the new law. A questions and answer period is scheduled to provide for individual discussions.

This program is sponsored by the South Plains Development (SPD) Program as a part of their Cotton PROFIT thrust through the Texas Agricultural Extension Service. The Grain Sorghum Producers Association and the Plains Cotton Growers, Inc. are cooperating in providing this information to South Plains residents.

Limer stated all producers and other interested persons are invited to attend this meeting.

THOT: God's song of joy in your heart should show itself in your face.

## 2-Day Meet Set For Area Farmers

AMARILLO----- Choices farmers in the Texas Panhandle can make about the best products to raise and how to market them more profitably this year will be explored at a meeting here Dec. 14 and 15.

A feature of the public meeting, to be held at the Texas A&M University Agricultural Research and Extension Center, 6500 Amarillo Blvd. West, will be an explanation of the 1977 Federal Farm Bill and its implications to farmers in the Panhandle.

Extension agricultural economics and marketing specialists from Texas A&M University, College Station, will conduct the program. Paul E. Cross, district agricultural extension agent here, said. They are Dr. William E. Black, Project Leader in Marketing and Economist-Marketing and Policy, and Dr. Ronald D. Knutson, Economist-Marketing Policy and Research. They will analyze the current farm marketing situation and direct the discussion of the future outlook.

The program is arranged so that farm producers, Extension agents and others interested in agriculture can attend all or portions of the meeting, Cross said.

From 1 to 5 p. m. Wednesday, December 14, Black

SHRINERS ESTABLISH BURNS SCHOLARSHIP AT TECH MEDICAL SCHOOL. December 6, South Plains Shrine Club President Ralph Jumper, left, and Past Potentate William Sharpley, far right, presented a scholarship to George Tyner, M. D., TTUSM dean, to permit medical students to study burns treatment for one month at the Shrine Burns Institute in Galveston.

and Knutson will explain marketing alternatives which are open to the farmers.

At 7 p. m. Wednesday, December 14, Knutson will summarize the provisions and effects of the new farm bill.

Thursday, December 15, the program will begin at 9 a. m. and adjourn at 3 p. m., with a recess for lunch. It will include discussion groups on farm marketing, recommendations for production in each county in the Panhandle, and questions and answers.

## Schlueter Dies In Clarksville

Eddie Schlueter of Clarksville died Nov. 18, and funeral rites were held there Nov. 20. He had served as Fire Chief of the Clarksville Fire Department. Schlueter was a former Abernathy resident.

## SOCIAL SECURITY Questions and Answers

By RAY PURCELL  
Social Security Representative  
Q. I will be 18 soon and will be going to school for at least 4 more years. Will my check continue to go to my mother?

A. No, student beneficiaries age 18 and over should receive their social security check in their own name. We can make this change when you get in touch with us about 4 or 5 months before age 18. (you should receive a notification by mail at about that time telling you what steps to take to continue benefits). As you know, student benefits, based on the work record of a retired, disabled, or deceased parent (insured under social security) go to unmarried full-time students age 18-22. Student beneficiaries are reminded to report marriage, earnings, changes in school, attending less than full-time, and being paid by an employer to attend school. For further information regarding Social Security benefits please contact the Social Security office, 1401-B West 9th Street, Plainview, telephone 293-4371.

The Clapps...busy life in Amarillo

## Family Portrait

The Mark Clapp family, 6301 Hatfield, moved to Amarillo from Dallas one and one-half years ago. The six member family agrees "this is home."

Clapp, wife Lila and sons Shan, Cody, Tye and Dod came to the city when Clapp had a job relocation. He is territory manager for John Deere Co.

Originally from Abernathy, Clapp graduated from Abilene Christian University with a degree in animal science. After college, he worked for Paymaster as assistant manager of a research farm near Plainview.

"The farm was designed to breed better cotton, grain sorghums and better crops for the High Plains area," Clapp explained. He has been with John Deere now for 10 years.

Like many men who enjoy their

profession, work is one of Clapp's hobbies.

"I really enjoy what I do. The farmers in the area are the most progressive in the nation and this makes the dealers more progressive.

"It's great being in an area where farming is as advanced as it is. This region sets the pace for the nation," he said. "Farming helps support the Amarillo area and it's great to be involved in agri-business because of the farmers."

Other than work, Clapp enjoys hunting, fishing, yardwork and is a football fan.

Lila attended Abilene Christian University and is a real estate associate broker with Larry Brown Realtor, Inc.

She is also a member of the Women's Division of the Chamber of Com-

merce, a greeter for New Neighbors and the entire Clapp family are active in Southwest Church of Christ.

Mrs. Clapp was in real estate while living in Dallas but finds the people buying houses in Amarillo "good to work with and very sincere."

What concerns Mrs. Clapp are young couples buying their first home.

"I worry about how young couples will manage and work with them in buying their first home because the market just keeps going up and makes it harder for young people."

She said houses sell fast in the Amarillo market because the city is on the grow and feels their couldn't be a better place to be in the real estate business.

Mrs. Clapp enjoys interior decorating and bridge.

Dod is the youngest of the Clapp family, a third grader at Puckett Elementary. His interests are mainly sports, particularly soccer and football.

"My favorite team is the Dallas Cowboys and Tony Dorsett is my favorite player." Dod would like to play football in high school. "I want to make the team."

Fifth grader Tye is also a soccer fan and all the boys are active in Kids, Inc. Tye played baseball with Kids, Inc. during the summer and also enjoys riding bicycles and skateboards.

Drew Pearson and the Dallas Cowboys top Tye's list of favorites in football, another interest he has.

Cody is an eighth grader at Bonham Junior High and is on the school's golf team as an alternate. He enjoys soccer, and watching football.

His soccer position is left wing. "I like basketball and skateboards, too, and plan to become a lawyer," Cody said. "I want to go to West Texas State University first, though."

When asked if girls had become interesting to him, Cody blushed and politely answered with a grin, "Sure!"

Shan is a freshman at Bonham Junior High and enjoys football, like his brothers, but likes soccer better.

His hobbies include skateboarding and fishing. Shan looks forward to going to Amarillo High School and then on to WTSU.

"I'd like to major in veterinary medicine because I like animals."

What does Shan think of Amarillo? "I like it here. I've met lots of people. In Dallas, I had closer friends than I do here, but here I have a wider variety of friends."

All the brothers agree that the Amarillo school system is a good one. As Cody and Shan explained, "they tell you what you're doing here and explain things. In Dallas, they handed you a paper and said 'do it' without even telling us what the paper was."

"We live a busy life in Amarillo," Mrs. Lila Clapp added, "it's a windy city but it hasn't been hard for us to get acquainted."

Little boy to work-bound father: "Daddy, please bring me home a rat from the race today."

## TIPS AIRED ON BUYING FIREWOOD

COLLEGE STATION—With winter weather just around the corner, homeowners will soon be making preparations for sitting by a glowing fireplace. But these dreams of a warm fire and a cozy fireplace may go up in smoke if the wrong type of wood is purchased, cautions a forestry specialist for the Texas Agricultural Extension Service.

"Since firewood purchases are not covered by consumer

protection laws, it is the responsibility of the buyer to shop and choose the right type of wood," points out Bill Smith.

"Price comparisons may be difficult since firewood may be sold by the standard cord, the face cord or the truck load," he adds.

A standard cord is 8 feet long, 4 feet wide and 4 feet high, or 128 cubic feet. On the other hand, a face cord measures 8 by 4 feet on the face of the stack, with the wood cut into smaller pieces. The face cord measures

about two-thirds less than the standard cord.

"The best way to compare prices is to calculate the cubic feet of wood. Measure the stack and multiply the length by the width and by the height," suggests the forestry specialist.

Following this advice will also keep the unwary buyer from making a mistake out of what appears to be a bargain. Cubic feet measurements should also be used on truck loads of firewood.

"Certain types of firewood also burn better than

others," says Smith. "Hickory, white oak, red oak and pecan are excellent, long-burning woods with a high heat output. However, pine and cedar are softwoods that make excellent kindling but produce only short-burning fires."

A combination of softwood for kindling, hardwood for heat, and fruit or nut wood for aroma will make shopping around worthwhile, contends the forestry specialist.

"Always choose dry, lightweight wood over green wood," says Smith. "Drier wood can give up to 20 per cent more heat than moist, green wood."

Additional information about various types of firewood is provided in a publication, "Buying and Using Fireplace Wood," available at any county Extension office.

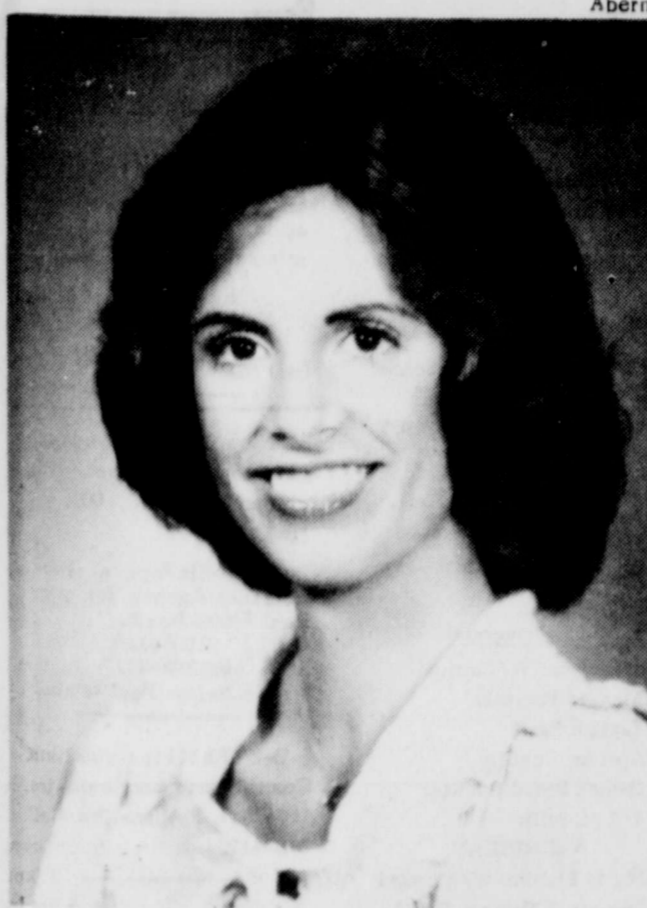

## Your Animal's Health

By George Burch, D.V.M.  
Canine heartworm disease is widespread. It is so called because the causative parasites are long white worms that live in the heart and interfere with blood circulation. If not diagnosed properly and treated, this disease can lead to poor health and in some instances death.

An annual heartworm checkup is recommended because many infected dogs do not show symptoms. Symptoms seen in heartworm patients are: loss of stamina, coughing and poor hair coat.

A convenient, rapid and accurate heartworm diagnostic test, developed by Pitman-Moore, Inc., enables veterinarians to make a reliable diagnosis in under two minutes.

If you're concerned with your dog's health, please have your veterinarian test it for heartworms. Call your veterinarian today.

Becky Bailey

1978 South Plains Maid of Cotton

Mr. Tommie Stevens, Chairman South Plains Maid of Cotton Committee, wishes to announce Miss Becky Bailey, the 1978 South Plains Maid of Cotton. Miss Bailey is a 19 year old sophomore at Texas Tech University majoring in home economics education and elementary education. Becky is 5' 6", with brown hair and brown eyes.

Miss Bailey's honors include: 1. Graduated tenth in a class of 630 at Monterey High School. 2. Outstanding English, art, and history student at Monterey High School. 3. Member of the National Honor Society for 4 years. 4. Lubbock County spelling bee champion 2 years. 5. FHA high point winner Panhandle South Plains Fair 2 years. 6. Dean's List at Texas Tech University. 7. Alpha Lambda Delta freshman honorary. 8. Alpha Beta Phi Sorority. 9. Student Senate Agriculture Aid. 10. Member of National Piano Guild.

Miss Bailey will be representing 25 cotton producing counties here in the South Plains during the National Maid of Cotton selection held in Memphis, Tennessee, December 27, 28, 29.

Giving thanks once a year for our blessings is like paying a very low rate of interest on an unsecured loan.

WE OFFER A COMPLETE FLORAL SERVICE.

About Your Pioneer Seed Order

GO AHEAD and order your Pioneer brand seed now to be sure you'll have plenty of the right varieties to plant next spring. And if the government programs, your financing decisions or other factors cause you to change your planting plans, Pioneer will be glad to change with you. Switch from one crop to another, cut back your order, whatever it takes, Pioneer will stand behind you.

A little something extra if you order now.

Order your Pioneer brand seed before December 15th and you'll receive a handsome gabardine jacket direct from Pioneer. It's color coordinated to look good with the free cap you'll receive for yield reports on this year's crop.

Ordering your Pioneer brand seed now gives you one less farming problem to worry about.

## SEEDS FROM THE SOWER

By Michael A. Guido, Metter, Georgia

Yesterday a young lady asked, "Why be good?" Before there was time for an answer, she added, "I don't like what I'm doing. But when I give up these things, I give up my friends and my fun. So, why be good?"

She is not alone in asking this question, and here are three reasons for being good.

First, because you must look in. You must have self-respect. This cannot be purchased. It is not for sale. It comes to you when you are alone, when you realize that, knowing the Saviour, you have accepted Him; knowing the truth, you have spoken it, knowing what is right, you have done it.

Second, because others are looking on. Whether you believe it or not, you come between men's souls and the Saviour, either as a bridge or a barrier. For good or for bad, your influence has its effect on others.

Third, because the Lord is looking down. He demands an account of the past, which you must render hereafter. And He demands an improvement of the present, which you must render now.

Being good is not a chore, but a challenge. Dare you accept it?

### Card Of Thanks

I would like to thank everyone for the concern shown to me while I was in the hospital. For the calls, cards, gifts, flowers and most of all your prayers. May God bless each of you.

Jill Havens

### Thank You Note

We wish to thank all our friends and neighbors for the cards, flowers and the expressions of sympathy in the passing of our dear mother, Mrs. Mattie Bowling. May God bless each and everyone of you, Mr. & Mrs. Hugh Vaughn
