SNOW SNOW SNOW!

by Vicki Havens

Abernathy, has really looked like a winter wonderland, with all the snow we have had. Thursday, February 16 we had the beginning of a beautiful It snowed all night and when we woke up we found ourselves surrounded in white covered world. The trees all covered in snow and ice were beautiful.

Of course all the parents and children were listening to hear if schoo! would be turned out. There were shouts of joy at our house when the news came over the televison and radio that Abernathy and other local schools would be

Ithink all of the children turned out all dressed in severa' pairs of socks, pants, shirts, boots and caps to play in the snow.

There were snowmobiles. tractors out but traffic was pretty slow in the early part of the day Friday.

I know that I didn't make it to work because I couldn't get my car out from in front of the house due to snow surrounding it. Richard did start trying to clear around the car but, before he could finish, the people he rides to work with in Lubbock cane by and that was the end of to move it. In fact the futherest I ventured out was the front porch to see the children play.

They had so much fun sliding out in the yard street and rolling in the snow, having snowball fights. I spent the day washing and drying socks.

The snow is beautiful and we are thankful for the moisture but it is so hard to get around in since we are not use to this kind of

There were some farmers going around cleaning streets, parking lots and helping others in need.

On this Monday morning it was still really ice covered and packed. As I took the children to school we saw people slipping and sliding. The streets were covered and we saw some of the high schoo! boys helping push several cars over some ice covered spots.

All in all I enjoyed the weekend since I didn't have to get out and drive. It was nice to get to stay at home and cook, read, crochet and wash clothes so they could keep playing in the snow.

There were many cute snowmen around town, we noticed as we got out and cane to town for awhile Saturday. We saw one cowboy snowman on 14th street. He has on his guns and gun belt, cowboy hat and had an arrow sticking through him There was also a cute one over on Ave. F. It was covered with somekind of clothing or blanket and had on a 'nat and glasses, plus many more cute ones all

over town. It was reported we received 9 to 1) inches of

time out four plus minutes into the third stanza. Abernathy, which finished 19-12, had committed eight turnovers, six fouls and had gotten two shots at the bucket.

On the other side of Texan Dome, Ken Cleveland admitted he was a bit puzzled. "I don't know why; but we played scared at the start of the game and let them take it to us. I don't know why we did that. though we'd be more posed and ready to play.

"But at the half, it just seemed like they said, "Hey we've got a ball game on our hands and we'd better start play, 'and we did. "

The score was tied seven times and the lead changed hands five times the first 15 minutes. And had Abernathy's eye on the foul line been better, it could have been much, much different at intermission. The Antelopes hit only 3 of 11 bonus attempts compared to 7 of 13 for the Bobca's.

## TAX FORM DUE SOON FROM FARMERS

Farmers may have to file their 1977 Federal income tax return and pay any tax due by March 1, the Internal Revenue Service said today.

Farmers who did not file declaration of estimated Federal individual income tax and pay the amount of estimated tax by January 16 must file their 1977 tax return and pay all tax due by March 1 to avoid a penalty, according to the IRS.

By definition, farmers are those persons who earned at least two-thirds of their 1977 gross income from farming.

IRS Publications 225, "Farmer's Tax Guide." and "Tax Withholding and Declaration of Estimated Tax". provide additional information and are available free at local IRS offices. \*\*\*\*\*\*\*\*\*\*

But things changed bastically in the third quarter, Dimmitt controlled the tip, Dennis Veals got an offensive rebound after 19 seconds of and put it back in. Then, in quick order, Jeff Bell fed Mark Summers. Rocky Rawls hit from the corner and then the front end of a two-shot foul and Jim Bradford Apped the missed second shot in to make it 23-19.

Bradford then canned two free shots, Summers hit from the lane and Rawls fed Veals on a fast break layup to make it 34-19 before Scott Morrison ended the streak with a free shot for Abernathy with 3:11 left.

"They were just a lot more aggressive than I've seen them." Cleveland ad nitted afterwards. "We were just fortunate to wear them down at the start of the third quarter. "

Dimmitt finished the game with 22 strikes on 67 attempts, compared to 11 of 39 for Abernathy. The Antelopes committed 33 turnovers including 13 in the third quarter and 9 the fourth.

So compete was Dimmitt's second-half domination that the Antelopes hit just three field goals and got only 16 shots at the bucket.

Summers and Bradford each had 17 points and Rawls 15 for the Bobcats, with Rawls and Summers each 13 and 3radford 1) in the second half. Ted Heard led Abernathy with 9,8 the first half.

Abernathy hit only 8-21 free shots compared to 17-27 for the Bobcats. Dimmitt only had five

## STEVENS ANNOUNCES AS CANDIDATE FOR HALE CO. TAX ASSESSOR

R. C. Stevens has announced his intention to become a candidate for the Hale County Tax Assessor-Collector position which is being vacated by Bill Hollars effective March 1st. Subject to the Democratic Primary. He will be a candidate to serve out the unexpired term which will terminate December 31

Mr. Stevens, a native of Slaton, Texas, graduated from Slaton High School, attended A. C. C. and Mc-Murry College in Abilene, Texas, as a business major. He has also attended Southwest Business College Court Reporting School in Plainview and has completed several real estate courses and tax courses.

He began his career with Anderson-Clayton and Co. while a tending college in Abilene. He continued to work for Anderson-Clayton ten years in the accounting Managerial, and public relation fields. He has owned and operated a cotton gin Plainview, has been active in farming operations, and been in the trucking business for twenty years. Currently he is active in tax and accounting work and in the rea! estate business in Plainview.

Mr. Stevens feels that he is qualified to handle the duties of the tax assessorcollector's office because of his diversified business activities, his knowledge of the tax business, and his real estate and building experience.

Stevens and his wife, Fae. eside at 203 Thomas Blvd. The couple has four children, each having graduated from Plainview High Schoo!

Stevens has been active in many clubs through the years including the Lions and Kiwanis. He served on the Chamber of Commerce transportation committee as vice-president of the Texas Independent Ginners Association: and as President of the Agriculture Commodity Carriers, a state-wide trucker's association.

"I would appreciate an opportunity to work with and for the people of Hale County as their tax assessorcollector. If elected I will continue to attend the business of this office in the excellent manner that Mr Hollars has in the past.

I will certainly appreciate your consideration, your influence in my behalf, and your vote on May 6. "

## YOUNG FARMERS MEET FEB. 13

The Abernathy Young Farmers met in a regular meeting on Monday, February 13 in the Agricultural Build-There were 28 people present at the meeting.

The program was presented by Robert Canon on small gas engine service and general maintenance.

The business meeting was called to order by Ronnie Hamilton. A turkey shoot was scheduled for March 4 and 5. The meeting time was changed from 8:00 p. m. to 7:30 p. m. so the next meeting will be on Monday, March 13 at 7:30 p.m.

The program for the March meeting will be brought by the Texas Agriculture Research Associates, Inc. The program will be on Futures and Hedging.

## SUNSHINE GROUP "SNOWED OUT"

The Sunshine Group was organized in March 1972 with Mrs. Charles Henderson sponsoring the organization. There were 47 people attending the meeting that evening and we have kept close to that average since then, until last summer when everyone got busy canning but had a big crowd in Nov.

and Dec.

Through these years we have made a lot of new friends that we probably never would have known The Grim Reaper before. has taken a bigger number of people than we care to think about but new ones have come too, so we enjoy the good times together and are sad at the bad times.

We have met on schedule every time until February 15 but we backed down on that snow and ice! We really gave our phones a good workout trying to let people know. One time in our first winter it was almost that bad but we couldn't figure out how to call if off so a few of us decided to go! Well, everyone else did too and we had a wonderful time. Guess that shows how a few years can

change our minds. Our meeting on March 16 will be the beginning of our sixth year. Lets try to get our average up to 47 again. You might try coming once to see if you like it. We do Reporter-Dot von Struve

There are 80 memberowned rural electric distribution cooperatives in Texas. Their contribution to the progress and development of rural Texas are limitless.

Delivering dependable power to nearly three million Texans, they also provide electricity for commercial and industrial users for agriculture and for rural recreation.

Efficient service at a value price has earned these electric utilities a warm spot deep in the heart of
