## Rule Homecoming Saturday

Coach Gordon Wood of Brownwood at Rule's Homecoming, Nov. 11. Coach Wood's first head coaching job was at Rule, 1940-41, where his record was 11 wins and nine losses. He has also coached at Roscoe, Seminole, Winters, Stamford, Victoria and at Brownwood High School, where he has been since 1950. His career record is 275 victories, 59 losses and 9 ties, 7 state championships, 15 district titles and a share of two others. His seven state championships are three more than any other coach in Texas history. He is a member of the Halls of Honor for both the Texas High School Coaches Association and the National Coaches Association. A past president of the Texas High School Coaches Association, he also coached the North to victory in the 1958 All-Star Game.

## Republican Carries County

As a summation of the general election, some won, some lost and almost half didn't vote. A total of 2,699 ballots were cast in the election, 2,066 short of the total registered voters in Haskell County.

According to several long-time residents of Haskell County who have long been active in politics, this is the first election in the history of the county to vote in favor of a Republican candidate.

Democratic candidates received a majority vote in nine of ten contested races. President Nixon and vice-president Agnew were the only non-Democrats who received a majority vote in Haskell County.

The Nixon-Agnew ticket received 1,749 votes while McGovern-Shriver totaled 950 in Haskell County. The Republican Presidential team received more than a two-to-one vote in O'Brien, 91-35; Plainview, (39-12), and also in absentee voting, (159-66).

The only other close race in

Haskell County was the Barefoot Sanders-John Tower race, with Sanders winning by the slim margin of only 146 votes, 1,436-1,290.

In other contested races (Governor) Dolph Briscoe defeated Henry Grover, 2,091-604; (State Treasurer) Jesse James defeated Maurice Angly, 1,841-759; (Railroad Commissioner) Byron Tunnell defeated Jim Sequest, 2,024-396; and (State

### McMurry Choir To Perform At Haskell High

The McMurry Chanters will sing at 10:15 a. m. November 13 in Haskell High School during their four-day fall tour of ten Texas cities in the South-west area.

The Chanters, under the direction of Dr. Richard C. von Ende, Music Professor and head of the McMurry Fine Arts Dept., are composed of 27 regular singers, including soloists and instrumentalists.

The singers will perform in Anson, Stamford, Haskell, Olney, Throckmorton, Seymour, Vernon, Paducah, Matador and Sweetwater during the tour, visiting churches and schools at each location. The Chanters will use two different programs, tailored for church or school, to give a variety of their concerns as well as appropriateness to the mood and type of the concert audience.

Board of Education) James M. Binion defeated James Rominger, 2,017-343.

In the local elections all candidates were unopposed and Tax Assessor-Collector Jimmy Owens received the most votes, 2,293 followed closely by District Attorney Royce Adkins, 2,236 and Sheriff G. T. Garrett, 2,206.

County voters approved nine of fourteen State Constitutional Amendments with margins ranging from 1,227 votes to 66 votes. The amendment receiving the largest number of votes from local residents was number 7 on the ballot (the constitutional amendment to provide that equality under the law shall not be denied or abridged because of sex, race, color, creed or national origin) which passed 1,721-494.

The amendment receiving the smallest margin of difference was number 2 on the ballot (abolishing the Lamar County Hospital District) with a difference of only 66 votes, 942 for and 876 against.

Other amendments meeting with approval of county voters were: no. 3, (compensate all justices of the peace on a salary basis), 1,550 for and 631 against; no. 5, (allowing tax exemptions to disabled veterans), 1,892 for and 556 against; no. 6, (exempting not less than \$3,000 of the value of residence homesteads of all persons 65 years of age or older from ad valorem taxes), 1,430 for and 695 against; no. 8, (provide four year terms of office for certain state officers), 1,142 for and 1,071 a-

gainst; no. 12, (permit state employees to serve as members of school boards, city councils, etc.) 1,097 for, and 1,006 against; no. 13, (raising percentage rate of state bonds) 1,006 for and 871 against; and no. 14, (allows county to reduce county school fund and distribute money to independent and common school districts) 1,150 for and 971 against.

Amendments 1, 4, 9, 10, 11 failed in Haskell County.

### Farmers Union Annual Meet Slated Tonight

The annual meeting of the Haskell County Farmers Union will be held in Haskell at the Haskell Steak House November 11, 7:30 p. m., according to Willard Mullins, county president.

This meeting is held for the purpose of electing officers and directors for the ensuing year and electing delegates to the Texas Farmers Union State Convention to be held in Arlington in early December. Policy resolutions will be considered for adoption and submitted to the state program drafting committee as recommendations for state policy.

Mullins will serve as chairman at the annual meeting. Other county officers are: Hollis Callaway, vice president; H. R. Fischer, 2nd vice president; and Janice Pace O'Neal, secretary-treasurer.

## Another Step Forward For Industry

The Haskell Industrial Foundation took another step forward Tuesday night in efforts to gain an industry for Haskell. They met to discuss the possibility of acquiring a Herman Marcus, Inc. of Dallas plant here. They are producers of lady's apparel. Attending the meeting were Industrial Foundation president Royce Adkins, R. W. Herren, Mayor Belton Duncan,

Rex Felker, Bob Beauchamp, Bob Philpot, J. B. Gibson, J. V. Clare, Darrold Roberson, Bill Comedy, Abe Turner, and WTU representative Richard Petree.

Adkins brought the group up to date on an earlier meeting held in Dallas last week, with the Herman Marcus, Inc. representatives. Attending this meeting were Adkins, Abe Turner, Herren, Gibson and Duncan.

Adkins reported the outlook as very favorable. He went on to say that labor is the number one concern for a company such as this. If located here, it would employ from 60 to 75 people immediately, and possibly up to as many as 200 later on, if they find the right kind of people who are willing to

work.

A labor survey of Haskell County and the surrounding area is a must for this sort of planning, and one is set up for the near future. When it is completed, representatives of the company will come to Haskell December 8 and 9, and will interview during these two days.

Herman Marcus, Inc. is interested in opening two plants in this area—one here, and one in Archer City. Both locations are convenient to Dallas. They have told members of the Haskell Industrial Foundation that they are willing to begin with a temporary building, if one is available for the initial training period of employees. But they need a building from 10,000 to 12,000 square feet, and ask that

Haskell investigate the cost of construction of several types, with this amount of floor space. A committee of Bob Herren, J. B. Gibson and Bob Philpot was appointed to do this.

In reviewing the past activities of Haskell Industrial Foundation, it was reported that in 1966 at a Townhouse Meeting, a total of \$9700.00 was pledged here. Some of this was pledged by people who have passed away, and by some who no longer live here, but a total of \$9,000.00 is still here in the County.

In summing up, it was stressed that the labor survey is of most vital concern at this time, and one will be begun as soon as is possible by the Foundation.

**A TEMPORARY DAM** at Millers Creek was completed shortly before recent rains completely halted construction. Water backed up behind the dam will be used to pack dirt for the permanent dam. According to J. H. Strain, contractor, the rains which stopped construction for over a week will help later when water is needed for the packing of the permanent dam. According to Mr. Strain, "There was not an adequate supply of water nearby and we would have had to haul water. The supply now on hand will save much time and effort later." (Staff Photo)

### Eight Delegates To Attend Farm Bureau Meeting

Haskell County Farm Bureau will be represented by eight voting delegates at the Texas Farm Bureau annual convention to be held Nov. 12-15 in Houston.

They are: Mr. and Mrs. Marvin Phemister, Mr. and Mrs. Dan Griffith, Mr. and Mrs. J. W. Aycock and Mr. and Mrs. Raymond Brewer.

Also attending the 39th annual Texas Farm Bureau meet from this county will be Mrs. Marie Ivey and Mr. and Mrs. Leo Fields. They will be among the some 1,500 persons from the 206 organized county Farm Bureaus in the state expected to attend the event. Altogether there will be some 900 voting delegates from county Farm Bureaus who will formulate Texas Farm Bureau policies for 1973 and recommendations to the American Farm Bureau Federation on national issues, based on resolutions from county conventions over the state.

Other highlights of the convention will be the annual TFB queen contest with 12 contestants representing that many districts, a young people's Discussion Meet and Talent Find, and special conferences, with outstanding speakers, relating to a number of commodities and other matters of interest to Farm Bureau members.

Delph Briscoe of Uvalde, Democratic gubernatorial nominee, will be the principal guest speaker at the convention.

Other speakers will include Minister R. J. Weber of Zionsville near Brenham who will deliver the sermon at the vesper service opening the convention. Texas Farm Bureau President J. T. Woodson, TFB Executive Director Warren Newberry, and Marvin McLellan of Lexington, Miss., who will be the banquet speaker.

Following the coronation held Nov. 3 in the school auditorium, Wynette and LaNell Williams sang the theme song to open the program.

Receiving the honor of Annual Queen was Regina Landreth, daughter of Mrs. Elmer Landreth. Regina was escorted by Ed Murray, son of Mr. and Mrs. Rex Murray. The couple represented the senior class.

After her crowning, Regina was sung to by a quartet of Becky Jones, Patti Self, Dee Dee Dodd and Patti Simpson. Taking the traditional walk down the aisle, Patti Simpson sang, "There She Goes."

Junior High Princess was Lisa Smith, daughter of Mr. and Mrs. Roy Don Smith. Escorted by Pat Underwood, son of Mr. and Mrs. B. A. Underwood.

Elementary Princess was Lisa Baird, daughter of Mr. and Mrs. Boyd Baird. Escorting her was Mike Rhoads, son of Mr. and Mrs. Eugene Rhoads. They represented the second grade.

Following the crowning, the high school personalities were presented. Candidates for Mr. R.H.S. were Lynn Dale Dudensing or Calvin Stegemoeller. Candidates for Miss R.H.S. are Karen Denson or Dee Dee Dodd. These are chosen by secret ballot and not revealed until the arrival of the Annuals.

Selected for Most Talented was Marcia Brass and Lane Hertelberger. Most Athletic is Carol Dudensing and Don Hisey. Friendliest is Lynn Dale Dudensing and Dee Dee Dodd.

### Dr. Culpepper Is Named To Baptist Board

A Haskell resident was elected to serve on the Texas Baptist Executive Board during the annual meeting of the 1.9 million member Baptist General Convention of Texas, Oct. 31-Nov. 2, in Abilene.

Dr. T. Roy Culpepper, pastor of First Baptist Church, was elected to the 192-member board comprised of laymen and ordained church leaders from across Texas and conducts the business of the BGCT between annual sessions.

### Farm Sale Slated For Rehab Center

Col. Tex Herring, chairman of the Cattleman's Round-Up for Crippled Children farm equipment sale, has announced that J. B. and Dennis Doty of Stamford will be serving as area farm equipment chairman for the Haskell area.

The sale is the final phase of the Cattleman's Round-Up for Crippled Children to benefit the West Texas Rehabilitation Center in Abilene. Herring said the sale is set for 10:00 a. m., Saturday, Nov. 11, 1972, at the Tex Herring Equipment Co. in Lawn, Texas. Herring added that he hoped everyone in the Haskell area will contribute some farm equipment or farm related item for the sale. He said, "We're taking anything from trace chains to tractors."

The Hale Farm Supply will be the area gathering point for items. Donors should contact the area chairman.

The previous cattle, horse, sheep and goat sales have raised almost \$100,000 for the center. Round-Up officials are hopeful the farm equipment sale will raise the remaining \$20,000 to reach the overall round-up goal of \$120,000.

The West Texas Rehabilitation Center is a private non-profit out-patient treatment center now in its 20th year of serving the handicapped of the Southwest. The center currently has an active patient list of over 120.

The value of the donated items is tax deductible.

**Speaks Club**  
 Bob Whisenhunt and Mrs. Gary Davenport. Guests recognized and welcomed to the evening's program were Meses, Arlene Medley, Kenneth Parker, and Raymond Couch.  
 Roll call of the membership revealed a great treasure of hidden talent among the study club membership, who had to respond with two original lines of poetic creation. A sample poem: "O truly pleasure it

would be, to eat a meal not prepared by me," submitted by Mrs. A. C. Richardson, whose husband's claim to fame is the recent obliteration of a beautiful beard.  
 Mrs. Abe Turner, Fine Arts chairman, was the coordinator of demonstrations and displays of works by various club members. Mrs. Turner introduced Ms. Marlene Letz Denton of Mesquite, who is an Interior Decorator. Ms. Denton is the daughter of Mr. and Mrs. Marvin Letz of Haskell.

In her delightful presentation, Ms. Denton passed on a number of helpful tips, such as the use of toothpaste to fill nail holes, and that plain hairspray applied to artificial flower arrangements will clean and shine them as new.  
 Mrs. Arlene Medley, guest and sister-in-law of Mrs. Juanita Hester, was the recipient of the drawing prize. Hostesses were Meses, Tom P. Barnett, Jodie Kennedy, and Tommy McAdams.

**CARD OF THANKS**

We wish to thank the people of Haskell and the area for the donations and tickets purchased for the Joe Paul Nichols show and their support of Rule Volunteer Fire Dept. 45p

**Guess Addresses Weinert Matrons**

The Weinert Matron's Club met November 2 in the Community Center with Mrs. W. A. King presiding.

During a short business session, club members voted to send a contribution each month to some needy person.

Mrs. V. C. Derr, program director, introduced Mr. H. L. Guess, Superintendent of Weinert Schools, as guest speaker for the meeting. His topic, "How Our Public Schools Are Financed", was very educational.

The next meeting of the club will be November 16, in the Center at 12:00 Noon for a Thanksgiving luncheon. Mrs. Henry Smith and Mrs. Floyd McGuire served refreshments to the 11 members present.

points followed by Susan Stegemoecker 8, Maria Stegemoecker 4 and Sharon Foster 2.

The Junior High basketball girls won over Old Glory 36-24. The Junior High boys played their first game of the season and lost 30-20 to Old Glory. Jim Ballard was high with 12 and Jerry Don Hudgens had 8.

**Headstream Talks To Magazine Club**

"Our Changing Role in Service to Mankind" was the program topic for the meeting on November 2, of the Magazine Club.

Mrs. L. R. Burkett served as director and expressed the hope that the meeting would encourage the members to meditate about this changing role in order that they might have a vital part in it. Her statement, "It is better to light a candle than to curse the darkness," was truly a key point. In presenting Rev. Headstream, Mrs. Burkett explained that he really needed no formal introduction because what he is known by the "deeds" and "good works" which he does for all mankind.

Mr. Headstream's talk involved many aspects of service. First, he gave a detailed account of the Tri-County Mental Health Clinic, how it got started, how it operates, and the personnel responsible for carrying on the work. Mr. Headstream said the 500 patients were cared for in September. He said the operation of the clinic had greatly reduced the cost per patient, which is a good saving in tax dollars. Before the clinic was established the cost was \$364.00 per patient; now it has been reduced to \$28.00 per patient.

Mr. Headstream emphasized the point that no one is denied treatment or help. One outstanding need is that of home and child guidance. He told of different cases and their particular problems and how the clinic had been able to help these cases. Mr. Headstream told the club of many kinds of articles that could be used by the Vernon Clinic. The Magazine Club has this as one of its projects.

Mrs. John Rike, president, presided over a short business meeting after the program.

Mrs. C. O. Holt, Mrs. Wallace Cox Sr., and Mrs. K. H. Thornton were hostesses.

**ROTARY NEWS**  
Mrs. Ruth Eaton was the special guest speaker for the Rule Rotary Club at their noon meeting held at the Bluebonnet Cafe, Oct. 30.

President Lavon Beakley presided and Weldon Norman led the opening prayer. Song leader Harold Woods led in singing, accompanied by Rotary Sweetheart Marcia Brass on program chairman and introduced Mrs. Eaton.

Mrs. Eaton's talk was of her trip to England. Her topic was

of Holland. Slides of the country were shown and commentary given. Tours were taken in the cities of Rotterdam, Amsterdam and Noordwijk. She spoke of the Kuekenhof Gardens, one of the outstanding gardens of the world and her tour group was there during the height of the tulip season.

Also on the tour was the Rijks Museum in Amsterdam, where the works of famous artists were displayed, including works of Reuben and Rembrandt.

Guests from Haskell were

Abe Turner, Chief Escobedo, Sam Rosser and E. J. Stewart. From Rule was Mrs. Morris Neal and Mrs. Eaton.

Mr. and Mrs. F. E. Franklin of Enid, Okla., joined by Mr. and Mrs. C. E. Franklin of Rule, journeyed to Waco last Saturday and picked up Mrs. Novis Burns, and then the group went to Butler Sunday to attend the Frankin Cousins Reunion. Approximately 35 attended from Rule, Waco, Houston, Enid and Cherokee, Okla., and Louisiana.

**YOUNG HOMEMAKERS**  
A representative of Lone Star Gas will present the program at the Young Homemakers meeting Nov. 14 at 7:30 a. m. in the Home Economics room. The program will be of Christmas foods and decorations.

**ARTS AND CRAFTS**  
The Brazos West Art Association will hold an Arts and Crafts Bazaar downtown in the Estes Building, Nov. 11, between the hours of 10 a. m. and 5 p. m. The project will be open to the public. The club will retain 10 percent of the proceeds.

People wishing to sell arts and crafts are asked to bring the various items to the building between 6 and 7 p. m. Nov. 10, or between 9 and 9:30 a. m. on Nov. 11.

Mrs. Joe Aalbu and Mrs. Ed Fouts are co-presidents of the organization. Mrs. Adrian Lott is vice president, Mrs. Boyd Baird, secretary, Mrs. Melanie Whitley of Knox City is treasurer and Mrs. G. W. Dunnam is reporter.

Selected by the FFA for the title of FFA Sweetheart is Karen Denson, daughter of Mr. and Mrs. Sonny Denson. FFA sponsor is Mr. Tom Kutch.

**CHAMBER OF COMMERCE**  
At the recent meeting of the Rule Chamber of Commerce it was decided to again sponsor and present awards of \$15, \$10 and \$5 for the best decorated home at Christmas. Dates set for when the homes will be judged will be announced at a later date. Mr. Weldon Norman will select judges for the event.

A letter was written to Santa Claus asking him to appear here Dec. 23, if his schedule was not too full. The exact time will be announced later.

Date selected for the annual C of C Banquet was April 10.

**BRAZOS-WEST ART ASSN.**  
Guest speaker for the Brazos West Art Association at their meeting Tuesday, Nov. 14, at 6:30 p. m. will be Ted Shelton. A native Texan, he was born in Brown County, Nov. 6, 1929.

According to Charles A. Stewart, member of the Texas Fine Arts Commission and Professor of Art at Howard Payne College, Shelton's work is a combination of modern technology, the world's oldest method of

casting, and interesting, almost primitive design.

The Brazos West Art Association is a new organization and people from all over the area are invited to attend and join. Dues are \$5 a year.

The classes of Rule High School have selected their candidates for the title of Homecoming Queen. Selected by the senior class is Carol Flores, the daughter of Mr. and Mrs. Manuel Flores who will be escorted by her father. Junior selection is Cynthia Carroll, daughter of Mrs. JoAnn Carroll, escorted by Joel Bevel. Sophomore selection is Jan Allison, daughter of Mr. and Mrs. Wallace Allison, escorted by her father, and freshman selection is Norma Lehrmann, daughter of Mr. and Mrs. Norvell Lehrmann, escorted by her father. The winner will be announced in pre-game activities, starting at 7:15.

Students of high school have decorated the various doors of the classrooms and they are very colorful. Merchants downtown have also been asked to decorate their windows.

Mums may still be purchased by calling 3351.

The alumni's help is asked in taking pictures of Rule High School and activities past and present to the Bluebonnet Cafe where they may be displayed in the dining room for all to see. Please label and identify all pictures.

A snake dance will originate downtown, Nov. 10, at 5:30 and will go to the track field where a large bonfire and pep rally will be held. All alumni are encouraged to attend.

Activities Nov. 11 will start at 10 a. m. with registration in the high school building. A catered lunch will be served in the school cafeteria from 11:30 to 1:30. Gordon Wood of Brownwood will be the guest speaker at the general assembly to be held at 2:30 p. m. in the high school auditorium.

The senior class will be serving chili, sandwiches and chips. Frito bags and homemade pies in the school cafeteria from 4:30 to 7 p. m.

The football game will begin at 7:30 p. m. in Bobcat Stadium with Rule host to Notre Dame of Wichita Falls.

Following the football game, a dance will be held at the Rule Recreation Club.

Pictures to be re-taken and group pictures for the Annual, will be taken on Nov. 15. Students are asked to please dress accordingly and those in group pictures are to have their uniforms. Your cooperation is appreciated in this.

Mr. and Mrs. Guy Arnett of Anaheim, Calif., were guests of Mr. and Mrs. Olis Macon last week.

Rev. and Mrs. Leonard Malone of Waco visited in the home of Mr. and Mrs. Pete Kittley last week.

Rev. Mike Herrington of Ma this visited with friends in Rule

last week and attended the Rule-Throckmorton game on Thursday night.

Mr. and Mrs. S. B. Warren are patients in the Haskell Hospital.

**GARDEN CLUB**  
Members of the Garden Club were reminded of an election year when they met for regular meeting Nov. 1 at the Philadelphia Clubhouse, by the red, white and blue decorations.

They were greeted by a table at the door with a red cloth; with a white vase holding red dahlias. The serving table was covered with a white cloth; red, white and blue napkins and a floral arrangement in the form of a cake on a cake stand centered on the table. White carnations were used for the cake part, with rows of red princess feather and blue balls used in the center. The president's table was decorated with a blue doily with white braid trim and a red candle, shaped like an apple.

Mrs. H. H. Hines, president, presided over the meeting. Mrs. R. O. Carothers led the roll call as members answered with calls for wintering the garden. Reading the club collect was Mrs. W. S. Cole.

Director for the day was Mrs. E. O. Morgan with the theme, "Indoors-Outdoors". Mrs. Joe W. Cloud told of bulb forcing for Christmas gifting. Mrs. A. B. Arnett told of the culture of pansies, and Mrs. Hines of Lone Star Gardener memos, and Mrs. J. B. Lawson commented on grow-show-share chrysanthemums. Members brought a large assortment of different chrysanthemums, and these were displayed and commented upon.

Gifts for the State Hospital in Abilene were brought by the members. Mention was made of the District VIII Fall Meeting in Menard, Nov. 23. The Christmas program will be December 6, with the theme "Joys of the World," flower arrangements.

Hostesses for the meeting were Mmes. H. J. Cloud, H. H. Hines and Olis Macon.

Persons on a low sodium diet should avoid drinking softened water. Most water softeners use sodium salts to remove the hard calcium salts — this increases the natural sodium content of the softened water. The answer to the problem is to connect the water softener into the pipe to the water heater only for laundry purposes, leaving the cold water hard and of natural sodium content for drinking, lawn watering, etc.

# DPS Seeking Applicants

The Texas Department of Public Safety is seeking applicants to fill the ranks of its uniform services. The training school for cadet patrolmen will begin Nov. 28. This announcement was made by Major C. W. Bell, Regional Commander of the Texas Department of Public Safety for this area.

**Qualifications**

Applicants must be males between the ages of 20 and 35; a height of not less than 68 inches nor more than 76 inches; a weight of not less than two pounds nor more than three and one-half pounds per inch of height; visual acuity no less than 20/40 correctable to 20/20; at least 30 semester hours of college credit; in excellent physical condition; good moral character; and a citizen of the United States.

members of the Texas Employee Retirement System and the Social Security System. Vacation, holidays, and sick leave are also provided for the patrolmen.

**ASSIGNMENT**

Assignments will be made to one of the four uniform services — Texas Highway Patrol, License and Weight, Motor Vehicle Inspection, or Drivers License. These assignments are made according to the individual's preference, his aptitude, available vacancies, and the Department's needs. Requests for a specific home station will be given every consideration.

After two years of experience each patrolman is eligible for promotion to Sergeant in the uniform services and also eligible for transfer into the Nar-

otic and Intelligence Sections. All interested young men who feel like they meet these requirements are urged to contact the nearest Texas Department of Public Safety office or patrolman for an application and details.

**Employment**

Applicants are urged to contact any Texas Department of Public Safety office or patrolman for an application. After completing the application take it to the nearest regional, district or sub-district Texas Department of Public Safety office for verification and certification. If all is in order then the written test will be administered which will qualify or disqualify the applicant for further consideration. Successful applicants will be given an agility test, a character investigation, and a physical examination. Those accepted for employment will be notified prior to the beginning date of the next training school.

**Training**

Cadet patrolmen will be assigned to the Texas Department of Public Safety Law Enforcement Academy in Austin, Texas for a 12-week training period. The training is designed to equip the cadet to handle any of the various situations he may encounter as a patrolman. The training of a patrolman is a test of an individual's intellectual, emotional and physical stamina. It is also an educational process which prepares him for a rewarding career in law enforcement.

In addition to classroom work the cadet is taught self-protection by means of judo, boxing, wrestling, and other police-protection methods.

The salary during training is \$600 per month.

**Benefits**

Upon being commissioned a patrolman, the salary is automatically raised to \$743 per month. Patrolmen receive additional longevity pay for each five years of service to a maximum of 25 years. Uniforms, vehicles, weapons, ammunition and necessary equipment are furnished. They are also granted a monthly uniform cleaning allowance and receive travel expenses when away from their assigned station. Group life and hospitalization insurance are available at reasonable cost. The patrolmen become

**BUSY BEE CLUB**  
Mrs. George Smith was hostess to the Busy Bee Club in her home Oct. 26 at 3 p. m. Mrs. Ollis Macon presented the opening exercises entitled "Who Made It That Way?" Members answered the roll call with what they had received as hostesses gifts through 1972. A round table discussion was held on wrapping Christmas packages and Christmas decorations. Mrs. E. O. Morgan demonstrated and told members about crocheted bells and their use as Yule decorations.

**HAPPY BIRTHDAY**  
Celebrating her 89th birthday on Oct. 24th was Mrs. Connie Martin of Rice Springs Care

Home. It was a very happy day for her. First, she was surprised to get to visit with an old-time friend from Bosque County, Mrs. Walls, who is 93 years old. Then at 2 p. m., the nursing home had a party and refreshments for everyone who had a birthday in October. It fell exactly on the right day for Mrs. Martin. Mrs. Lonnie Martin attended the party with her, then brought her home with her for her birthday dinner. The big birthday cake was made by Lois Martin, another daughter-in-law. During the afternoon several friends dropped by to wish her a "Happy Birthday." Those present for the dinner were Chester and Mammie Martin from Weslaco, a niece and nephew who had come for her birthday. Mrs. M. B. Martin, Lois Martin, the honoree, Mrs. Connie Martin, and Mr. and Mrs. Lonnie Martin.

**EASTERN STAR**

Visiting last week with Mr. and Mrs. Aubrey Hines of Waco was Mr. and Mrs. H. H. Hines. Mr. J. D. Smith was a guest in the home of Mr. and Mrs. L. W. Camp recently. Mrs. Clarence Ashley of Waco, is visiting this week with

**THE BOBCAT DEFENSE** gave a spectacular performance last Thursday night holding the Throckmorton Greyhounds to a total gain of 116 yards. The tough Bobcat defense also kept the Greyhounds off the scoreboard. Greyhound Dale Bundy (20) is held to a short gain by Larry Barbee (far left), Cole Turner (74) and Don Hisey (10) were at hand to witness the tackle. An unidentified Bobcat assisted in the tackle. **BOLL WEEVIL PROGRAM**  
Max Stapleton, County Extension Agent, said there would be a meeting November 16, at 7:00 p. m. in the Rule High School auditorium to organize a Haskell County Cotton Boll Weevil Diapause Program. Emory Borling, Extension Entomologist, will present the program. The County Agent said that this would be an organizational meeting and if an Association is to organize a good attendance will be needed. He urges all cotton farmers in the county to attend.

**Over 11,000 Entries Expected At Fort Worth Fat Stock Show**  
FORT WORTH—Entries for the 1973 Southwestern Exposition and Fat Stock Show, Jan. 26 through Feb. 4, are ahead of this time a year ago, reports W. R. Watt, Jr., general manager. Watt noted one principal reason for the early increase is that Polled Hereford exhibitors have until Nov. 15 to enter breeding cattle in the 50th Anniversary National Show of the American Polled Hereford Association being held in conjunction with the annual Stock Show. Other cattle, all Junior divisions, horses, sheep and swine entries will close Dec. 15. Exhibitors of poultry, rabbits and pigeons have until Jan. 15 to make their entries. "Entries are being processed daily by the Stock Show offices," Watt said. "We expect to have over 500 entries in the Polled Hereford Show and over 11,000 for the entire Stock Show." New breeds in the Stock Show for 1973 include Simmental and Limousin steers in the Junior Show, Gelbvich cattle at auction, and Peruvian Paso horses in the Horse Show classes. Premiums have been boosted to a record of over \$260,000 in the various divisions. Guest entertainment for the 55th edition of the World's Original Indoor Rodeo, held in conjunction with the Stock Show, will be LeRoy Van Dyke and the "Auctioneers," popular country and western singing group from Nashville. Shortly after the Korean conflict Van Dyke broke into the country and western music field with "Auctioneer," his first hit song and a million-seller. He followed it with "Walk On By," one of three tunes ever to hit the top of the country and western and pop charts at the time. Requests for Stock Show entry information and mail orders for Rodeo tickets should be made to Southwestern Exposition and Fat Stock Show, P. O. Box 150, Fort Worth, Texas 76101.

**NOTICE AFFORDING OPPORTUNITY FOR PUBLIC HEARING GEOMETRIC DESIGN**

The Texas Highway Department is planning the improvement of U. S. 380 from the intersection of U. S. 380 and State Highway 6 in Stonewall County to a point that is 1.6 miles northeast. The proposed highway project will pass through the town of Old Glory, Texas. The project will consist of eliminating the right angle turn within the town of Old Glory with a new location northwest of existing U. S. 380. The improvement will be a two-lane highway facility consisting of a 26 foot asphalt paved travel surface and two 9 foot shoulders, within a usual 120 foot right of way.

Maps and other drawings showing the proposed geometric design, environmental studies and any other information about the proposed project are on file and available for inspection and copying at the Resident Engineer's Office at 249 North Central Avenue in Hamlin, Texas. Mr. Nelson Shave is Resident Engineer for the project. Also, the drawings showing the proposed geometric design have been placed on file with the County Judge of Stonewall County.

Information about the State's Relocation Advisory Assistance Program, the benefits and services for displacees and the relocation assistance office as well as information about the tentative schedules for acquisition of right-of-way and construction can be obtained at the Resident Engineer's Office.

Any interested citizen may request that a public hearing be held covering the social, economic and environmental effects of the proposed design for this highway project by delivering a written request to the Resident Engineer's Office on or before November 30, 1972. In the event such a request is received, a public hearing will be scheduled and adequate notice will be publicized about the date and location of the hearing. 45-46c

**NOTICE**  
THE STATE OF TEXAS  
COUNTY OF HASKELL

**Application For Summer Jobs Now Being Taken**

Congressman Omar Burleson (D-Tex.) said today that the Civil Service Commission is now receiving applications for the 1973 competitive examination for summer employment with the U. S. Government. The examination leads to eligibility for appointment to most temporary summer jobs at Grades GS-1 through 5, and also Postal Service Clerk-Carrier PS-5.

Those who are interested in the summer jobs covered may apply to take the written test on or before three filing dates—November 24, 1972, December 29, 1972 and January 26, 1973. Representative Burleson stressed that applications for the written test postmarked after January 26, 1973, will not be accepted. If you miss the last test, you can not be considered

**CARD OF THANKS**  
We would like to express our thanks and appreciation for the many kindnesses shown us during the long illness and loss of our loved one. Especially to our neighbors, friends and relatives, for standing by us, to the Doctors, Nurses and the hospital staff, to those who sat up at the hospital, for all the prayers, food, flowers, memorials, visits, cards and expressions of sympathy.

A special thanks to Bro. Griffith, Bro. Reynolds and Bro. Sego, to the Weinert Baptist Church for serving lunch and anyone else who may have helped us in any way, will always be remembered. May God bless each of you.—The Family of Mrs. Willie K. Moeller.

## African Program Presented To Local Study Club

The Progressive Study Club held a regular meeting in the community room of the Haskell National Bank, November 2, at 7:30 p. m.

Mrs. R. C. Couch Jr. presided over a short business meeting, in which the members voted to receive Miss Sharon Crowe as an active club member by acclamation. The club also decided to support the Vernon State Hospital in its effort to provide a merry Christmas for patients. Club members will bring items suitable for Christmas gifts to the December 7 meeting, to be forwarded to the hospital.

Mrs. Couch expressed appreciation for the work done to make the flea market a successful venture again this year. Mrs. Charles McCauley was project chairman.

To begin the program on international affairs, Mrs. W. E. Woodson offered a prayer for peace. Mrs. R. W. Herren, international affairs chairman, presented information of self-help projects sponsored by the General Federation of Women's Clubs in five countries on the African continent. The GFWC care community program seeks to supply tools and material needed for Africans to help themselves towards a healthier and more productive living standard. The program was supplemented with a film, showing areas of great progress already made.

A number of artifacts were on display. They were collected by Wayne Cadenhead during his trip to East Africa and by Mrs. R. W. Herren during her trip to northern Africa.

Hostesses for the evening were Meses Jodie Kennedy, Joe Williams, and Abe Turner. In addition to fruits and coffee they served the root of the manioc or cassava plant, found in Africa and better known to American tastes as tapioca.

for jobs filled by this application and for maximum consideration, you should apply as soon as possible.

The Congressman noted that applicants rated eligible in 1972 need not take the written test again unless they wish to improve their scores. They will automatically receive a special form to update their qualifications and indicate their availability for employment in 1973.

Any application forms needed to apply for jobs described in Civil Service Announcement No. 414 may be obtained from most college placement offices and U. S. Civil Service Commission Area Offices.

Copies of Announcement No. 414, entitled "Summer Jobs in Federal Agencies," which provides complete information about summer job opportunities in Federal Agencies, are currently available on request through Congressman Burleson's Washington office, located in Room 229 Rayburn House Office Building, Washington, D. C. 20515.

A Weekly Report Of Agri-Business News

Compiled From Sources Of The Texas Department of Agriculture  
John C. White, Commissioner

Statewide Crop Harvest Ahead of Last Year . . . Cattle Sales Up 5 Percent . . . Broilers Increase, Turkeys Decrease, Egg Production Declines . . . Fire Ant Program Progresses . . . Texas farmers are ahead of harvest of the 1972 crops compared to 1971, the Texas Crop and Livestock Reporting Service notes.

Cotton harvest is a third complete now; last year at this time, harvest was less than a fourth completed. Harvest will be underway in the High Plains

as soon as weather conditions permit.

Corn harvest throughout the state is virtually completed. Less than 5 percent of the crop has yet to be gathered.

Grain sorghum harvest is two-thirds finished. Both dryland and irrigated grain sorghum yields are reported as excellent in the High Plains region. Soybean harvest is a third complete. Harvest of the second cutting of rice is making good progress, while peanut harvest is three-fourth finished.

Wheat planting for the state is more than 85 percent completed. Irrigated wheat is making good progress.

Pecan harvest is gaining momentum and should be at its peak by the end of the week.

Moderate to heavy rains are increasing range and pasture prospects. Fair to good grazing is available in most areas on native pastures. Livestock condition for the state is rated good to excellent.

The 11.1 million layers averaged 59.6 eggs daily per 100 hens. This was below the national average of 61.2 eggs daily per 100 hens.

Hatch of egg-type chickens was up two percent from a year ago; the total turkey poult hatch was down 30 percent from a year ago.

Sales of cattle, calves and sheep increased throughout the state during September, while sales of goats and hogs were down. Cattle and calves marketed through Texas auctions numbered 705,000; this is five percent above a year ago.

Sheep sales were two percent above a year ago. Hogs sold totaled 45,000 which is 32 percent below a year ago.

Egg production in Texas totaled 199,000,000 during September, down six percent from a year ago and seven percent below last month.

A new record number of people visited the Food and Fiber Pavilion during the recent State Fair of Texas. Almost 1,500,000 persons went through the Pavilion. Plans are already underway for the 1973 version of the Food and Fiber Pavilion. The pavilion is operated by the Texas Department of Agriculture marketing division.

Cooler weather has slowed to some extent the screwworm infestations throughout the northern part of the state, but a freeze deep into South Texas will be needed to halt the worst recurrence of the pest in more than a decade.

More than 45,000 cases of screwworm have been reported

## Pigskin Preview . . .

Last week's district football games went pretty well according to schedule with four of five forecasters predicting a perfect 100% correct.

Tom Watson, Elbert Johnson, Mrs. Howard Perry and Dr. J.

F. Cadenhead each predicted Ballinger, Hamlin and Haskell. Only Olen King failed to guess all three predicting Stamford to upset Hamlin.

The perfect predictions boosted forecasters Johnson, Watson and Perry to .667 for the year on a total of 39 games. Cadenhead is now .642 and King is .617.

Action this week will see Winters at Anson; Hamlin at Ballinger; and Haskell at Stamford.

Johnson, Watson and King each predicted Winters, Ballinger, and Haskell. Mrs. Perry predicted that Johnny 'Bones' Jones of Hamlin would down Ballinger and Cadenhead went with the Pied Pipers also.

Spraying of Mirex-treated bait over Fort Bend County to control imported fire ants is about half completed, delayed somewhat by bad weather. The program was begun earlier in October under sponsorship of the county, state and federal governments but fog and rain have delayed the four twin-engine planes flying out of Hobby airport from making the runs over Fort Bend County.

BOBCAT STEVE ANDERS awaits an Art Briles pass in last Thursday's game against the Throckmorton Greyhounds. The pass was incomplete but Briles and Anders for 6 points on a nine yard pass for the second. Defending for the Greyhounds is Jimmy Scott.

## Bobcats Do Throck, 28

On a perfect football night Rule Bobcats defeated the Throckmorton Greyhounds by the score of 28-0 in Bobcat Stadium last Thursday night, November 2, in District 5-B play.

Rule received the opening kickoff but was held firmly in tow by the Greyhounds. The Greyhounds scored in the first quarter but it was nullified by a penalty and left the first half scoreless with both teams playing good defensive ball.

Throckmorton took the 2nd half kickoff to carry the ball to the 41 yard line. On their third down, a pass attempt by them was intercepted by Bobcat Larry Barbee who scampered 50 yards for the score with 10:25 left in the 3rd quarter. The PAT by Jesse Macias was good.

Following a series of changeovers, Rule's second score came when Art Briles threw a 9 yard pass to Steve Anders with 1:38 still in the third quarter. The PAT was no good. Rule received a penalty and the PAT was tried again but there was a fumble after the snap and it was again no good.

Rule kicked off to Throckmorton and on their third down, a pass attempt was intercepted

## Indians...

(Continued from Page 1, Sec. 1 for a loss of 10 yards.

After a 20 yard punt the Tribe began their second scoring drive with a 20 yard pass from Ivey to Ivey which moved the ball to the Winters 7 yard line. Three plays later Tim Pringle carried the ball around right end for the 7 yard score. After a five yard delay of game penalty the PAT failed.

After moving the ball to their own 45 yard line a five play series was stopped when the Indians recovered a fumble 47 yards later the Tribe gave the ball up on the Winters 1 yard line when they failed to score on a fourth and three situation.

The Blizzards moved the ball only 13 yards before punting. The Indians fumbled the ball on their second play and on the next play Randle intercepted a pass to give the Tribe possession with four seconds left in the first half.

In the absence of Bobby Cobb who sprained an ankle last week against Hamlin, Ivey played quarterback for the first three quarters of the game. Cobb played the final period also on the injured list the first half was Young who bruised his hip in the first series of plays.

During the third period, the Indians moved the ball only 24 yards and had possession for only seven plays. The Blizzards had possession of the ball for 25 plays before scoring with 14 seconds left in the period. The Indians only two good gains in the third period were a 32 yard punt return by Pringle and a 35 yard kickoff return by Young.

Soil Conservationist

conservation Serv-  
technical assist-  
groups, or  
cities and towns,  
and state govern-  
ducting the costly  
and water re-  
putting to good  
national assets. The  
use and conserva-  
of the land in  
its capability

The technical staff includes soil  
scientists; economists; agricul-  
tural, irrigation, hydraulic,  
drainage, and cartographic en-  
gineers; and specialists in ag-  
ronomy, biology, forestry, plant  
materials, range management,  
geology and sedimentation.

Land users avail themselves  
of these technologies through  
the onsite assistance they re-  
ceive from the soil conserva-  
tionist—a professional skilled in  
applying the combined methods  
of the physical, biological, and  
social sciences to practical  
problems of land users.

The soil conservationist helps  
land users to plan for each  
land unit as a whole, integrat-  
ing all aspects of land use and  
treatment. He works on the  
SCS principle that soil, water,  
plant, and animal resources  
cannot be effectively used or  
managed separately but are in-  
terdependent and must be dealt  
with as a whole.

SCS, established in the US  
Department of Agriculture by  
Congress in 1935, plans and  
carries out a national program

to conserve and develop our soil  
and water resources. More spe-  
cifically the Soil Conservation  
Service . . .

Develops and carries out the  
national soil and water conserva-  
tion program through local  
soil and water conservation dis-  
tricts (Public Law 46, 74th  
Congress, 1935).

Helps develop and carry out  
watershed-protection and flood-  
prevention projects in the 11  
major watersheds in coopera-  
tion with other agencies (Flood  
Control Act, Public Law 534,  
78th Congress, 1944).

Helps develop and carry out  
watershed-protection and flood-  
prevention projects and river  
basin investigations in coopera-  
tion with other agencies (Pub-  
lic Law 566, 83rd Congress,  
1954).

Administers the Great Plains  
Conservation Program (Public  
Law 1021, 84th Congress, 1956).

Helps local sponsors develop  
and carry out multi-county re-  
source conservation and devel-  
opment projects (Food and Ag-  
ricultural Act, Public Law 703,  
87th Congress, 1962).

Helps develop USDA's annual  
Environment Assistance Pro-  
gram, is responsible for most  
of the permanent conservation  
practices provided by REAP,  
gives technical assistance to  
farmers and ranchers partic-  
ipating in the cost-sharing pro-  
visions of the REAP, and pro-  
vides designs and specifications  
for work undertaken.

Has primary responsibility  
for the National Cooperative  
soil survey.

Heads the National State,  
and County Inventory of Soil  
and Water Conservation Needs  
Committees.

Makes and coordinates new  
surveys for water forecasting  
in the West.

Helps establish income-pro-  
ducing recreation areas on pri-  
vately owned land and public  
recreation areas in watershed  
protection and resource con-  
servation and development pro-  
jects.

Gives technical assistance to  
land users participating in the  
conservation-credit program of  
the Farmers Home Administra-  
tion.

MARCH—1972

Testified in the support of the Rural Development Act, which was approved  
by the Senate Agriculture Committee.

Voiced opposition to the value-added tax which was labeled as a "hidden  
tax."

Held a series of regional seminars explaining the provisions of various state  
local party rules to inform rural residents of precinct convention procedures.

Requested the Governor to place on the special session legislative call, an  
amendment to the harsh trailer brake and light law to bring the legislation in line  
with actual needs.

WELCOME ALL THOSE TO OUR CAUSE WHO WOULD JOIN IN THE FIGHT  
FOR THE PRESERVATION, WITH DIGNITY, OF THE FAMILY FARMER AND

# Rotarians Hold Singing Session

An almost capacity crowd of Rotarians were present for the regular weekly meeting of the Club held in the dining room of the City Cafe, Nov. 2nd, with president Bob Philpot presiding.

The scheduled program for the day was unable to be present and the time was devoted to an old fashioned sing song with Bob Herren and R. C. Couch Jr. taking turns at leading the songs. Rene Abbott provided accompaniment on the piano.

President Philpot and Herren told of the meeting to be held in Dallas on November 3rd by civic leaders of Haskell with an industrial consulting firm and an industrial prospect.

They explained that the potential industry was a garment plant which would employ approximately 50 people and that after having the opportunity of visiting with company representatives, they would know more how to proceed towards making define plans to attempt to locate this industry in Haskell.

Invocation for the meeting was given by Ira Hester.

Fared Hassen of the Stamford Rotary Club was introduced by R. C. Couch Jr., and also visiting Haskell High School Seniors, Julia Blair and Becky Pierce.

In a short business session it was announced that the club would not hold their regular weekly meeting, Nov. 23, due to the Thanksgiving holiday.

China Marker pens, general marking crayons, Listo wax pencils for price marking, available at HASKELL FREE PRESS.
