N&C ---If you attend the outdoor presentation of "Texas" in Palo Duro Canyon during the month of July you will well could be the millionth person to see the production. "Texas" is expecting to reach a million people all-time total attendance during this 13th season... and it will be this month. The millionth person will receive a special welcome and gifts. Shows are nightly at 8:30, except Sundays when there is no show. The Review has free "Texas" brochures to give away... giving reservation information. And, you had better make reservation in advance.

N&C---Due to the low rating that President Carter has in current "national polls", many Democratic candidates for the House and Senate are not seeking his help in their campaigns for votes in the Nov. 7 General election. Also it remains to be seen whether or not Bob Krueger, U. S. Senate Dmo. candidate, and John Hill, Demo. candidate for Governor of Texas, will benefit by the endorsement of the big labor, AFL-CIO. Their photos grace the cover of TEXAS AFL-CIO, the June issue of the official publication of Texas AFL-CIO.

N&C---Some of the street drainage during rains is salvaged and stored in an earth tank northwest of the football field. The water is used to irrigate grass on the football field and practice field. This is a savings over what the school would have to pay the city for the water, and at the same time conserves the precious liquid that otherwise would be lost to evaporation and absorption in the lake bed.

**LETTER TO EDITOR**

June 1978  
Dear Friends & Shareholders:  
Greetings in the precious name of the Lord Jesus. Our first attempt in getting you a letter was lost between Texas and Indiana. We trust this one will arrive in your home.

Heaven seems closer with the homegoing of our son-in-law and Becky's husband, John Adams. It was a sudden happening. We understand he was witnessing to a young man just prior to his death. We trust his life and testimony will be the means of others coming to the Lord. We must walk by faith, not understanding the why of happening but knowing that God is still on the throne of our lives and on His eternal throne. We appreciate all who have held us up in prayer and who have remembered us in special ways. A memorial has been set up for John through World Gospel Mission. This will be used in Burundi where John and Becky served for a summer. If you are interested in sending a love gift, send it to John Adams Memorial, World Gospel Mission, Box 948, Marion, Indiana 46952.

Graduates and family affairs. Debbie graduated May 28 as valedictorian of her class, having a 98.73 average. She plans to attend Asbury College this fall. Rebecca graduated from Asbury June 5 with cum laude honors, having a 3.75 average. She has a teaching position in the first grade about eighteen miles from where we live. Lydia is a junior at Asbury and was elected secretary of the Student Body Council. She is majoring in business management. Jonathan will be in the eighth grade and is majoring in sports and maintaining good grades. He is boasting about being taller than his sisters. Joyce is busy as ever with all her activities. William's schedule is packed for several months.

Regional office to open July 1 in South Central. William has been asked to set up a regional office to cover Arkansas, Louisiana, Oklahoma and Texas. All missionaries coming into the South Central area with WGM will be scheduled through that office for churches, camp meetings, conventions, home services, and other openings. William will continue his involvement in missionary conventions, revivals, and contacting pastors.

Honduras in September. William will be there for special services and not a vacation. He wants to catch the heartbeat of these people and present them in a slide presentation to many of you. The main reason for going is to win as many as he can to the Lord and help establish others in the Lord and holiness of life. Pray that the Lord will use the time effectively for the glory of God.

International celebration of WGM at Taylor University in Upland, Indiana. We are on our way with the whole family, come and join us in this outstanding and dynamic encounter with others from abroad---missionary and national---with those from many states here in this country. This Impact will be June 21-25. On our way we are having services in several churches in southern Indiana. Pray for us.  
Yours in Christ Jesus,  
William Mayo

**Former N. D. Man With Meat Packers**

ARLINGTON---Wayne James, Lubbock, has been named Executive Director of the Southwestern Meat Packers Association (SWMPA). It has been announced by Association President Robert Langford.

Prior to joining the Arlington based trade association, James has served as Executive Director of the Texas Tech University Ex-Students Association in Lubbock, since 1960. He had joined the Association staff in 1957.

In his new position, James will be in charge of the operations of the regional, non-profit trade association that represents the \$3 billion meat packing industry in Texas, Arkansas, Louisiana, Oklahoma and New Mexico. SWMPA acts for the industry as a liaison agency with various national and state government agencies. In addition, it produces numerous educational programs, publications, membership services and provides general information exchange about the industry among the membership.

President Langford stated, "We are very pleased to have Wayne James begin working for the meat packing industry. He comes to our Association at a time when the meat packing industry needs to become more conscious of its image and when our Association needs to be promoted and more visible in the southwestern area. His vast experience in association management will be extremely valuable as SWMPA continues to grow and develop."

While James was the Executive Director, the Texas Tech Ex-Students Association grew from an operating budget of approximately \$40,000 in 1960 to almost \$500,000 for it and its three affiliate organizations in 1978. As a

**RETURNS FROM TRIP**

Mrs. Lillie Belle Kramp has returned from a trip to the northwest to visit her sister and brother-in-law Mr. and Mrs. E. H. Erickson who live in Pullman, Washington. She accompanied her niece, Mrs. V. T. Thornton from Caddo, Okla.

They drove through Colorado, Wyoming, Idaho on the way out and returned via Utah, Arizona and New Mexico.

Their Texas and Oklahoma "tans" caused some comment among the palefaces there. In a cafe in Boise, Idaho, a man made this comment when he passed their table, "I see the gypsies have moved to town."

The shoot-out between two escapees from the Oklahoma pen and patrolmen in Caddo, was just three blocks from Mrs. Thornton's home. She related that the people knew the outlaws were in that area and in every household some member of the family stayed awake at night. The people were told to use their guns because they would have to defend themselves as the police force was too small to protect them. Mrs. Thornton had a gun but, didn't have it loaded. They had been barricaded in their homes ever since they escaped. One of the escapees former wife lived in Caddo and he kept coming to that area, hence the reason for the fear.

Carol Harp of Abernathy provided music for the occasion.

The bride, given in marriage by her father, wore an original gown of white silk organza over peau de soie. The empire style bodice was enhanced by Venise lace motifs which covered the front and outlined both front and back of the empire line. The full A-line skirt ended with a flounce set off by matching lace and swept to a full chapel length train. The long full sleeves were also decorated with the lace. The bride's veil was fashioned with four tiers of silk illusion held by a lace covered camelot cap. The last tier of the veil extended to a full chapel length and was outlined with

the matching lace. The bride carried a bouquet of white roses and stephanotis lace with baby's breath and accented with ivy.

The bridesmaid's A line gown of soft glacier blue satin were completed with a delicate elbow length lace capelet. They carried bouquets of blue and white pom poms. Their hair was sprinkled with baby's breath. Bridesmaids were: Myra Gordalik of Amarillo, Jan Phillips and Shari Fondy of Abernathy and Linda Riley of Mountaineer, New Mexico, cousin of the groom. ### ST. ISIDORE NEWS

As part of the City of Abernathy's Fourth of July festival Holy Mass was celebrated at 8:15 a. m. in the local Catholic Church on the Fourth of July.

The disabled and permanently sick people are 1/4 planning a day of recollection—a special day of prayer on Friday July 7th--9 a. m. to 5 p. m. in Saint Francis Convent, Amarillo with the Reverend Raymond Crosier, The Vicar of Spearman and Perryton as retreat master.

For further information see Mike Valdez, vice-president of the parish council with the local Catholic Church here, or write the Franciscan Sisters, 4301 N.E. 18th Street, Amarillo, 79107. The telephone number there is 383-5169.

Attention July fourth visitors the 1978 summertime mass schedule in Saint Isidore's Catholic Church here: Sundays--9:00 a. m., Wednesdays--8:15 p. m. with Rosary before all masses, confessions before all masses too.

Luke 6:38, "Give, and it shall be given unto you; good measure, pressed down, and shaken together, and running over, shall men give into your boom. For with the same measure that ye mete withal it shall be measured to you again."

Jesus brought forth a new principle in the New Testament. He taught that man was to give first and then to receive. In the Old Testament, the people gained and then they gave a tithe out of this.

Jesus is today still trying to get His people to understand that giving is seed planting. When you give in time, money, and love, God will allow this fruit to come back into your life.

We, as believers, need to expect to receive as we give to others. We are really cheating ourselves when we do not look for the blessings of giving.

When a farmer plants, he expects the seed to bring forth fruit in due season.

II Cor. 9:6, "But this I say, He which soweth sparingly shall reap sparingly; and he which soweth bountifully shall reap also bountifully."

You can determine your life's harvest of blessings by the amount of seed that you are daily planting. If you sow little, you will reap little. On the other hand, if you sow much, you have to receive much. This is a divine principle (law) that

God has given.

When you spend your daily life in reaching out to others in time, money, and love, then you will be daily receiving the rewards of your labor.

This is why it is so important that we daily plant seeds of good. When this happens, we have a crop of good growing constantly and we can continually be receiving good. (miracles)

"The Liberal soul shall be made fat, and he that wateeth shall be watered also himself." Proverbs 11:25.

Learn the Key of Living- It is Giving.

Eight years ago, my husband and I began to learn the joy of giving. This has brought a new extension of God's love and miracles into our lives. When we give away, we never feel that we will have less. For we now know that as we give away to others Luke 6:38 will be proven true in our lives.

ACCIDENT CONTROL: Children under 15 are involved in about 20 percent of the nearly 57,000 lawn-mowing mishaps that occur each year. Children should be kept safely away from mowing operations, and teenagers should understand that mowers are "cutting machines," cautions the Texas Agricultural Extension Service.

## SEEDS FROM THE SOWER

By Michael A. Guido, Metter, Georgia

A young fellow came running down the road. Stopping at a country store, he asked, "Have you seen a pack of scouts go by?"

"Yes," answered the owner, "about twenty minutes ago. Why?"

Starting to run, he cried, "I'm their leader."

Many in our Sunday Schools and churches are stumbling blocks, when they ought to be stepping stones. They are having gone down in disgrace, when they ought to grow in grace. They are copying the behaviour of the world, when they ought to be a copy for the behaviour of the world.

The Living Bible says, "Don't copy the behaviour and customs of this world, but be a new and different person with a fresh newness in all you do and think. Then you will learn from your own experience how His ways will really satisfy you."

If you are going to be a Christian, do not be content to be an ordinary Christian. Be an extraordinary Christian. If you are going to be a leader, follow Christ closely and you will lead others to Him.

**Thoughts From Within, by Vicki**

If you are a christian why do you worry? The Bible is full of scripture that tell us not worry but, to trust in God.  
Matt. 6:31-Therefore do not worry and be anxious, saying What are we going to have to eat? What are we going to wear? What are we going to drink? For the Gentiles (hatheh) wish for and crave and diligently seek after all these things; and your heavenly Father well knows that you need them all. 33. But seek for (aim at and strive after) first of all His kingdom, and His righteousness (His way of doing and being right), and then all these things taken together will be given you besides. 34. So do not worry or be anxious about tomorrow for tomorrow will have worries and anxieties of its own. Sufficient for each day is its own trouble.  
Phillipians 4:6-7. Do not fret or have any anxiety about anything, but in every circumstance and in everything by prayer and petition (definite request) with thanksgiving, continue to make your wants known to God. 7. And God's peace (the yours, that tranquil state of a soul assured of its salvation through Christ, and so fearing no thing from God and content with its earthly lot of whatever sort that is, that peace) which transcends all understanding, shall guard and mount guard over your hearts and minds in Christ Jesus.  
Isaiah 26:3-4, Thou wilt keep him in perfect peace, whose mind is stayed on thee. Trust ye in the LORD for ever; for in the LORD JEHOVAH is everlasting strength.  
Proverbs 3:5-6, Trust in the LORD with all thine heart; and lean not unto thine own understanding. 6. In all thy ways acknowledge him, and he shall direct thy paths.  
These scriptures are some of my very favorite and bring much peace to my heart and mind. We serve a big God who loves us very much and He has everything under control.  
Worry is probably one of the most common sins of all. When we worry we are really saying God isn't big enough to handle whatever our circumstances are. I'm sure that must grieve our Heavenly Father.  
There is a little song titled, "Why Worry When You Can Pray". It goes, Why worry when you can pray, Christ Jesus he'll be you stay. Don't be a doubting Thomas lean fully on His promise. Why worry-worry when you can pray.  
I am sure the devil is very happy when we give more time on worry than when we are praying and telling God about our needs and asking Him to meet them. He knows all our needs but, He loves us so much He wants and desires for us to come to Him as we want our children to come to us and tell us their needs.  
The Bible is full of wonderful and faithful promises. Don't rely on your feelings or your mind but, on the Word of God.
