

# Homecoming Activities, Game Highlight This Week

SEE PICTURES OF CANDIDATES FOR HOMECOMING QUEEN AND THE DUCHESSES (ON Page 4)

Homecoming activities for Abernathy High School and Ex-students will be this Friday, October 6th. The Abernathy Antelopes will be playing the Muleshoe Mules at 8 p. m. The Antelopes will be meeting the Mules with four wins under their belt.

There will be a bon fire Thursday night, October 5th to start the Homecoming excitement and to encourage the Lopes. The AHS band, cheerleaders and school body will be at the bonfire and everyone in the community is urged to turn

out and back the Antelopes. Friday, there will be a downtown pep rally at 3:00 p. m. the AHS band will play and the twirlers will be twirling and the cheerleaders will be leading the pep rally with their usual special enthusiasm. The adults are invited to be on hand for the downtown pep rally.

During the halftime show, Friday night the Homecoming Queen will be announced. The AHS student body voted last Friday on the girls that were running. There were 22 girls nominate on Thursday and

the following girls were elected Friday.

The following young ladies will be on the football field and one will be named football queen for 1978. Freshman duchess is Cindy Turner and will be escorted by Bobby Ross. Cindy, is the daughter of Mr. and Mrs. Benny Turner. She is in F. H. A. and is the Freshman F. H. A. representative, F. C. A., she was on the student council in Junior High, basketball and track in 7th and 8th grade.

Sophomore duchess is Darla McGuire, and she will be escorted by Cody Connell. Darla is the daughter of Mr. and Mrs. Deel McGuire. She is in FTA-1, FHA-2, is the treasurer in FHA, a member of the varsity basketball team and played basketball in Junior High, Science Club-1, F. C. A., -2, and is a Bell Ringer.

Junior duchess is Jonna Dawson and will be escorted by Shane Cunningham. She is the daughter of Mr. and Mrs. John Dawson. Jonna is in Drama Club-3, Science Club-2, FHA-3, FHA officer-2, and also a student council member.

Other matters brought before the council were a request by developers of Pinson Place Addition, problems with city radio reception, a water district survey, an ordinance concerning Southwestern Public Co. rates, retirement age for volunteer firemen, the sub-standard housing code, the TV franchise, and health services. These actions and discussions will be covered in the next issue of Abernathy Weekly Review.

## City Council Approved A \$522, 006 Budget In A Special Meeting Sept. 25

(By Jacquelyn Smyers)  
Abernathy City Council approved a \$522,006 budget in a special meeting September 25. City Manager Larry Fields said it is the tightest budget since he's been in Abernathy. It is up 10% from last year but requires no tax increase in spite of inflation. However, all city departments will have to monitor expenditures carefully. Citizens will have to use restraint in asking for, and the council in granting, extra things that will cost the city money. Fields said capital improvements and fixed costs such as salaries were kept to a minimum. He foresees no problem in keeping to the budget because the timing of many expenses can be controlled.

The budget includes, for the first time, federal revenue sharing funds. Fields said cities must depend on them because they can be withdrawn at any time. However, it was necessary this budget to cover the expense of paying emergency ambulance service personnel. Amounts allocated in the budget include \$237,938 for water and sewer, \$18,815 for Abernathy Volunteer Emergency Medical Service, \$12,620 for the airport, \$39,607 for administration, \$63,958 for sanitation, \$36,360 for streets, \$12,787 for the fire department, and \$82,555 for the police department. Estimated city revenues for 1978-79 is \$261,283.

The amounts budgeted for capital outlay are \$5,000 for purchase of a police vehicle, \$5,000 for water meters and lines, and \$10,000 for sewer lines in the new Lakeview subdivision. The city's bond indebtedness amounts to \$830,756. The bond payments are increased this year so the city has to tighten everywhere possible to continue services to taxpayers at no extra cost.

The council set the tax rate at 95¢ per \$100 evaluation, the same as last year. The city's total assessed valuation is \$13,107,918. The top ten taxpayers to the City of Abernathy in descending order are First State Bank, Co-op Grain Co., Plains Grain, Thompson Implement, Service Grain Co., Farmers Co-op Gin, Anderson Grain, Southwestern Public Service, General Telephone, and Pioneer Natural Gas.

Other matters brought before the council were a request by developers of Pinson Place Addition, problems with city radio reception, a water district survey, an ordinance concerning Southwestern Public Co. rates, retirement age for volunteer firemen, the sub-standard housing code, the TV franchise, and health services. These actions and discussions will be covered in the next issue of Abernathy Weekly Review.

## OCTOBER IS CO-OP MONTH

Austin. . . . . October is Cooperative Month in Texas and across the nation as proclaimed by most of the country's governors. Governor Dolph Briscoe, in his official proclamation, urged the people of Texas to "give special recognition to the constructive and responsible roles of agricultural cooperatives in the economic progress of our State."

"Texas has more than 400 cooperatives operating and serving over 130,000 members", according to Bruno Schroeder, Executive Vice President of the Texas Federation of Cooperatives. "These cooperatives are doing a business volume of almost 1.7 billion dollars annually," he said.

Cooperatives in Texas range from farmer-owned gins, elevators and compresses to marketing, supply and credit organizations. Health, housing, insurance, electric, telephone and other service cooperatives are becoming more and more important to all Texas citizens.

"Cooperative Month", said Schroeder, "is a good way to remind the people of Texas just how important cooperatives are to our well-being."

"DEMOCRACY IN ACTION" HAS SPECIAL MEANING FOR FARMER COOPERATIVES DURING OBSERVANCE

Farmers cooperatives, perhaps more than any other, have a special interest in the 1978 Cooperative Month theme, "Cooperatives--Democracy in Action."

That's because the theme describes how cooperatives operate. It proclaims that the farmer who are the owners really control the cooperative.

During the October observance, farmer cooperatives will emphasize that they are truly "Democracy in Action" because--

.. Farmers Establish Their Cooperatives. Cooperatives are established when farmers recognize a need for services that they don't have. By going together, and investing

some of their own money for initial capital, farmers can realize the benefits of group selling and buying.

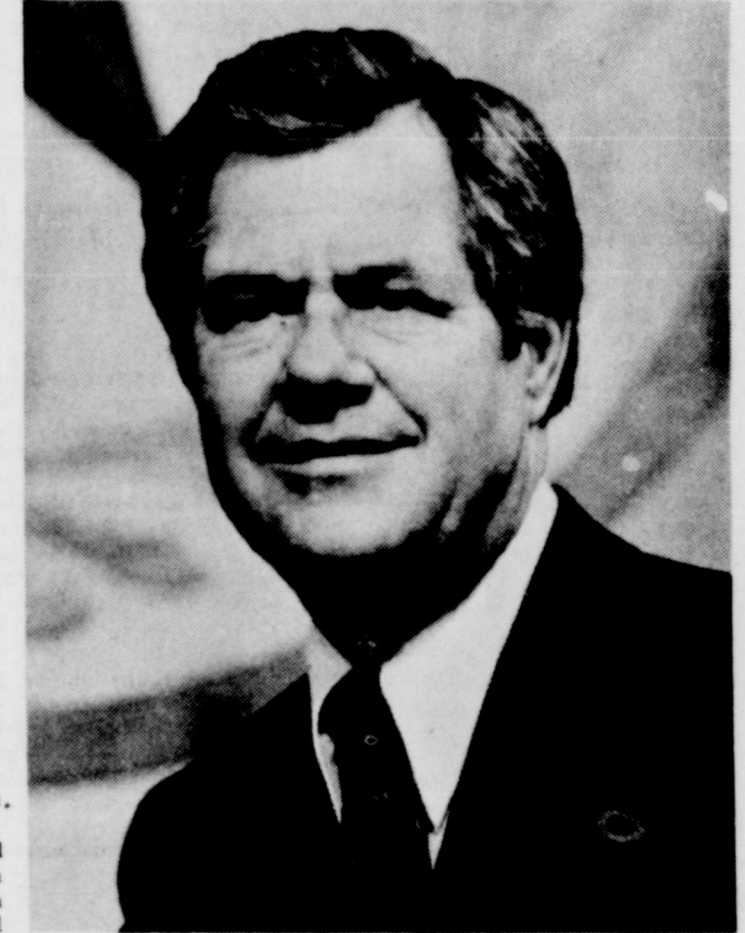

.. Farmers Control Their Cooperatives. Cooperatives are controlled by a board of directors elected by farmers who own and use the business. The farmer directors set policies and employ a manager who oversees the day-to-day operation of the cooperative.

.. Farmers Realize Savings From Their Cooperatives. Cooperatives are run to help members get a better return from farming. Unlike most other businesses, cooperatives are operated in a non-profit manner. Any excess of income over expenses is returned at the end of the year to the farmer member in proportion to the amount of business done with his cooperative.

.. Farmers Have A Vote In Their Cooperatives. Cooperatives encourage farmer members to attend and actively participate in the annual meeting. Each member exercises his control in the cooperative by voting on business matters and director elections. Active participation is encouraged, and training programs are conducted. Over the years, cooperatives have provided one of the best training grounds for the democratic development of leadership in rural America.

Much of the efficiency for which the American farmer is renowned today has been provided through his cooperatives. They have had to expand and grow to effectively compete with giant companies in agribusiness and the food industry. This growth has helped America's family farmer maintain their independence.

Without their cooperatives, farmers could not produce as efficiently as they are able to at the present. Any lack of efficiency would serve neither the family farmer, nor the consumer, nor the cause of free enterprise.

John Hill Brings Campaign For Governor To Abernathy October 10th

Attorney General John Hill announced today his campaign for governor will visit several Texas towns in the South Plains during October 10-13 as part of a 10-day caravan swing through 285 towns across the state.

The 10 caravans will cover some 3,000 miles during the 4-day campaign stint. Towns to be visited include:

October 10: Lubbock, Abernathy, Hale Center, Mainview, Lockney, and Floydada.

October 11: South Plains, Quitaque, Turkey, Whiteflat, Mador, Roaring Springs, Glenn, Dickens, and Spur.

October 12: Snyder, Gail, Lamesa, Seminole, Seagraves, Wellman, and Brownfield.

October 13: Tahoka, Wilson, Slaton, Posey, and Lubbock.

"Since we started the caravans during the Democratic Primary, we have sent out 50 caravans that have covered over 25,000 miles," Hill said. "My opponent is going to outpace me three to one, but we are going to counter that by reaching out to the people in every community we can possibly visit."

"People will beat money every time, and these caravans will put us in touch with the people who will carry us to victory on November 7."

## AAM Rally Oct. 7 In Lubbock Coliseum

Come One, Come All to a rally and chili supper in the Lubbock Coliseum on October 7, 1978 at 6 P.M. Speakers will be Alvin Jenkins, Gene Schroder, and Father Andy from Colorado; Wayne Peterson from South Dakota; Tommy Keasey from Georgia; and Gerald McCathern from Texas. Entertainment will be provided by the Travis Thornton Band from Plainview.

Come and find out where we have been and where we are going in agriculture. Find out what we can do about our major problems such as cotton dust standards, low prices for our products, high costs of production, and consumer education to the people.

Now is the time for everyone to forget the differences of the past and join together so that with strength and unity we can solve our problems. This rally is sponsored by American Agricultural Movement (A. A. M.) and other people interested in agriculture. Reported by Laurin Prather

## Mrs. Wilson Is New SA Chairman

Dale Maret, Salvation Army Field Representative, announced last week that Mrs. Lillie Mae Wilson has been named chairman of the Salvation Army's Abernathy Service Unit. She takes the place of Rev. Al Jennings who moved to Shallowater.

Mrs. Wilson has years of experience in working with needy people which is what the Salvation Army does. She heads the Abernathy Ministerial Alliance efforts to help people and is active in other community groups. Maret said the Salvation Army feels lucky to have her.

THE PRES. AND MRS. - Dr. and Mrs. Webb preside over the head table at the TASA/TASB Convention banquet.

## TASA/TASB MEET IN SAN ANTONIO

The TASA/TASB Convention in San Antonio attracted 4900 representatives of over 1000 of the 1100 schools in Texas--the largest crowd the two organizations have ever had. There were 130 exhibits featuring school supplies and equipment, the speakers were excellent, and the banquet on Sunday (starring Abernathy) drew 3000 people.

The Antelope Show Band played for an hour and 20 minutes at the banquet and was warmly received. The Abernathy kids and adults alike thoroughly enjoyed guest speaker Zig Ziegler. Wives of Abernathy School Board members said they often overheard comments in elevators and walks

around town about the Abernathy band. Abernathy Superintendent Dr. Delwin Webb said the band did a magnificent job and that people stopped the Abernathy adults many times to compliment them on the kids' poise and performance.

Next on Dr. Webb's agenda as President of TASA is helping select the Texas Teacher of the Year, addressing the State Principal's Association in Dallas October 9, meeting with the State Commissioner of Education the 27th, and in November, addressing the State PTA Convention in Waco and the Suburban and City School Superintendents in Dallas.

ELEGANT CROWD - Abernathy School Board members and wives gathered in Dr. & Mrs. Webb's suite (courtesy of the hotel). Well wishers sent baskets of fruit and flowers.

## School Board Met Oct. 2

Subjects on the agenda of Abernathy School Board's October 2 meeting included a gift to the school, questions by a citizen, liability insurance, the Hale County health program, leaky roofs, an audit hearing, and school board policy. An account of the meeting will be in the next issue of Abernathy Weekly Review.

NEWS AND COMMENT by Buford Davenport

NGC--State Comptroller Bob Bullock announces the opening in Plainview of a new field office to serve taxpayers of Hale County and several other counties in the general area of the South Plains. The new office is located at 3109-B Olton Road, Winchester Square in Plainview. Office hours: 8 a.m. until 5 p.m. Monday through Friday. Phone: 293-5288.

NGC--If you think your banker is charging a rate of interest that is too high, and that farm machinery is too high in price, you should have heard what the group of farmers and engineers from Argentina were saying on their recent visit in Abernathy. Bank interest rate in that country runs as high as 35%, and farm machinery in Argentina costs about 30% more than in the United States.

NGC--Let's hope that the 1979 Texas Legislature does not make the same mistake that it did in hastily approving the Equal Rights Amendment then, later, wanting to change its vote. Texas, and a number of other states, wanted to rescind their favorable ERA vote when it became apparent that ERA had degenerated into a haven for some persons of questionable morals and character. Congress said "no" to the states wanting to rescind their votes in favor of ERA. Texas lawmakers will make another big mistake if they vote in favor of giving residents of the District of Columbia full voting representation in Congress by letting them elect U.S. Representatives and Senators and send them to Capitol Hill.

NGC--If Texas Attorney General John Hill's itinerary is not altered between now and Tuesday, October 10, he will visit in Abernathy on that date in interest of his candidacy for the office of Governor of Texas on the Democratic ticket. If memory serves me right, he will be only the third candidate for Texas Governor to visit in Abernathy. The other two were James V. Allred, who was in that office from Jan. 15, 1935 to Jan. 15, 1939, and Allen Shivers, who was seeking re-election as Governor of Texas when he visited here in the early 1950's.

NGC--Note to David Thomas: the 13th day of October comes on Friday. NGC--Related congratulations to Mr. and Mrs. H.V. Galloway, who observed their 53rd wedding anniversary October 1.

RETURN-FROM A MONTHS TRIP: Mr. and Mrs. Boyd Griffith have returned home following a month vacation that took them to the Northwest. They drove to Vancouver, B.C. and boarded a ship for a week's cruise of Alaska round trip. They also visited friends in several states on returning home.

MHS Is AHS FOE For Homecoming ND Goes To Lorenzo

The Antelopes will battle the Muleshoe High School powerhouse Mules in the Abernathy High School Homecoming game at 8 p.m. Friday, Oct. 6. And, the New Deal Lions will travel to Lorenzo for a District 4-A conference game, starting at 7:30 p.m. Oct. 6.

The Antelopes downed Roosevelt, 41-20, in the game here last Friday night. The ND Lions blanked Sunday, 34-0 in play at New Deal Sept. 29.

The Antelopes have a 4-0-0 record, defeating Petersburg, Olton, Hale Center and Roosevelt. Muleshoe also has an impressive record, beating Portales, 20-14; Floydada, 27-7; Tullis, 21-0.

In state ranking, the Harris Rating System lists Muleshoe 35 and Abernathy 77. Looking ahead of the Antelopes' game with Lubbock Christian High School at 8 p.m. Friday, October 13, the Lena Stephens Field on which the game will be played is on the Lubbock Christian College campus on West 19th St. and Loop 289. LCHS defeated Fort Worth Christian High School, 14-12, last Friday night.

Also looking ahead, New Deal High School Homecoming is scheduled for Friday, Oct. 13. The Lions and Ralls will tangle in a District 4-A game starting at 7:30 p.m. (BFD)

Texas 4-H Members To 100,000 Mark

COLLEGE STATION--The 4-H program provides "Freedom to Be." That means youth between the ages of 9 and 19 in Texas and throughout the nation have an opportunity to make the most out of life and to become responsible citizens and leaders.

"Freedom to Be" is the theme of this year's National 4-H Week, Oct. 1-7, and focuses attention on the values of the 4-H program, points out Dr. John T. Pelham, state 4-H and youth leader with the Texas Agricultural Extension Service. The Extension Service, a part of the Texas A&M University System, is the parent organization of 4-H.

"4-H provides a wide range of 'real-life' experiences for youth in a 'learning-by-doing' environment," explains Pelham.

More than 100,000 boys and girls are enrolled in 4-H in Texas, with the national enrollment totaling almost 5.5 million. There are some 2,050 organized 4-H clubs in the state and almost 650 special interest groups.

"A vital cog in a successful 4-H program are volunteer leaders," notes Pelham. "Texas boasts almost 15,150 adult leaders and more than 6,560 junior and teen leaders who give direction to specific project areas and assist 4-H members with special events and activities."

As far as 4-H projects are concerned, Texas youth are engaged in a wide range of programs that are providing meaningful learning experiences. By far the most popular project area is foods and nutrition, which is attracting more than 21,470 youth. The clothing and textiles project is attracting the second highest enrollment with 12,258, while homes and ponies are running a close third with an enrollment of 12,032. Following in the top 10 listing of project enrollments are beef, creative crafts, sheep, swine, safety, electric and home gardens.

"With the emergence of new project areas and 'self-directed' programs, 4-H is reaching more and more youth in urban areas while at the same time continuing to provide challenging learning situations for youth on farms and in small towns and cities," notes Pelham.

SAVING FOR THE FUTURE

Coin banks help teach children how to save for the future. You can save for the future, too, with the electric heat pump. That's why we call it the electric savings machine. This efficient heating/cooling system can deliver as much as two units of heat for every one unit of electricity it uses. But the savings don't stop there. With fuel costs expected to rise during the next two decades, the electric heat pump is a smart investment that will save energy today and in the future.

It's never too soon to start saving... with the electric heat pump. Start today before your future gets here. You'll be glad you did.

HAPPY 32nd WEDDING ANNIVERSARY PETE AND FANNIE

A famous store in New York displayed a fabulous assortment of crosses in their window. Underneath was a sign that read: "Easy Terms." But the Christian finds no easy terms with the cross of Christ. There is a startling honesty about the Lord. He never tried to bribe men and women by the offer of a crown. He offered a cross. He declared that there could be no meal without a mill, no gain without pain, and no crown without a cross. He said, "If any of you wants to be My follower, you must put aside your own pleasures and shoulder your cross, and follow Me closely. If you insist on saving your life, you will lose it. Only those who throw away their lives for My sake and for the sake of the Good News will ever know what it means to really live." There are many who love His kingdom, but are loathe to bear His cross. How many real Christians would our churches have on their rolls if public worship were illegal, their sanctuaries ill-equipped, and all Christians ill-treated?

Mrs. Pope Gives Program For Club

The City Garden Club met September 28 at 3 PM in the city club room. Members present were Mrs. Elmer Ahrens, M. M. Bell, Mel Bogus, Danny Chamlee, Harland Downs, Ed Heath, J. O. Pope, Alice Price, N. M. Rogers, Cora Shuman, Bessie Waters, Lillie Mae Wilson, and a guest, Bumell Dye.

Bessie Waters, president, conducted a short business meeting, then turned the meeting over to Mrs. J. O. Pope who was in charge of the program. Mrs. Pope gave a demonstration on "How To Make A Moss Ball." She completely lined a wire basket with sphagnum moss; then filled the center with soil and added a wire hanger. To complete, small plants were placed all around the outside, pulling the roots into the soil. A beautiful hanging basket may be made in this manner, using any variety of small plants.

Alice Price was hostess. The next meeting will be October 12 in the city club room.

DPS Trooper Gives Program For The Sunshine Group

The Sunshine Group met Thursday, September 21, in the club room at regular time. We had 26 people. They were Ollie Selke, Dot von Struve, Dixie Pittman, Oma Toler, Bessie Waters, James C. Warren, Ruby Knox, R. A. Lutrick, Pauline Stone, Bernice Smith, Alice Price, Lizzie Lebow, Callie Nunn, Addie Robertson, Minnie Northcutt, Lois Shipman, Mrs. Talbot, Frances Howard, Lillie Mae Wilson, Rev. Jim Sharp, Lillie Bell Kramp, Furman Shipman, Katherine Dye, and a visitor, Gladys Hall.

Mrs. Bessie Waters had the program. Her speaker was James C. Warren, one of our highway patrolmen. He gave us a very helpful and interesting program.

Several of our regulars were absent. Mrs. Coggin was in the hospital. We sure hope she has a speedy recovery and is back with us very soon. Mrs. Charlie Brewer was visiting down state. Hope she has a nice visit. We hope the others that were not with us can be with us next time. Glad to have had Gladys Hall visit us and hope she will come again soon.

We meet every third Thursday in the City Hall Club Room at eleven o'clock. We have lunch and play games after lunch. Anyone not coming, we would love to have you. We think you will enjoy it. Reporter, Katherine Dye

San Antonio Treated To Antelope Band

(by Pauline Brunner)

On Sunday, September 24, the Antelope Show Band left at 4 AM for San Antonio. They arrived at 1:20 Sunday afternoon. The band stayed at the Passport Inn Motel on Loop 410.

The purpose of the trip was to provide assembly and dinner music for the joint banquet of the Texas Association of School Administrators and the Texas School Board Association. The band was invited to perform at the banquet by Dr. Delwin Webb, who became president of TASA in June. This is the first time a AA high school band has been asked to entertain at this function.

Forty-nine students participated in the program, which featured an interesting selection of popular music presented by the stage band, the concert band, and two vocalists, Toby Barrick and Jeanna Duncan, as well as a twister feature number. Toby and Jeanna are vocal students of Mrs. Dovie Barron. Upwards of 3000 people attended the banquet in the San Antonio Convention Center.

After the performance, the band was hosted to a dinner at the Tower of the Americas Restaurant.

SINGING SWEETLY -- Jeanna Duncan solos with the Antelope Band to entertain banqueters.

The students enjoyed the meal, while rotating 800 feet above the city.

After descending to ground level, the group walked along the river where they were stopped and complimented by many of the people who had attended the banquet. That night, they were also treated to a performance by "Bongo Joe", a local street musician. Band Director George Riddell said that he was extremely pleased with the performance of the band at the banquet; however, more important, he was proud of the way the students represented Abernathy and Abernathy High School, not only on the stage, but also wherever the band went. He received many compliments on the band and the students in the band.

Monday morning the band visited the Alamo before leaving San Antonio for home. The group arrived back in Abernathy at 9:30 Monday night.

Chaperones for the trip were Mr. and Mrs. Mitch LeMoine, Mr. and Mrs. George Riddell and Mrs. Ruth Adams.

Show Band Personnel: DeeAnn Attebury, Rene Graham, Janie Rowan, Cathy Garcia, Christina Garza, Cindy Gregg, Gay Hobgood, Josie Manzanales, Mary Ann Pace, JoAnn Lopez, Tammy Shafer, Sylvia Cuevas, Kanice Newton, Weldon Patterson, Donna Perkins, Rita Quinonez, Diana Shafer, Ronny Taylor.

COUNTY LINE CHIT CHATS

(By Faye Ann Nelson)

We tried to have our regular meeting last week of the County Line Community Club but due to the rains, the fair and the County Line Baptist and the Abernathy Baptist having revivals, we decided to postpone it to 7:00. If you want a meeting call the president and tell her. Sally Barrick and Gladys Cox were hostesses for September and they decided to have a "Style Show" at Straw Dry Goods Dept. store at night so that would be an "extra meeting". So now for October hostesses are Jean Marr of Abernathy and Carol Halford of County Line community so they will plan a program for October 24 which is our regular meeting day. Program to be announced later. We have 5 good quilt tops at the club house with the lining and batting, thread and needles just waiting to be quilted. We need to keep one on hand for emergencies. We would like to have the Abernathy Quilting Club and the Shallowater Quilting Club to help us when we get them put up. We will be contacting you all. It will be an all day meeting when we get the date set and everyone come and bring a sack lunch. Hostesses for November 28 are Pam Connell and Faye Pope. As soon as they plan their program they can tell me and I will get it in the paper. December meeting will be "no hostesses"... everyone will bring their favorite treats and we will just have a good time. It will be for the whole community. Our president is Sharon Coffee and the vice president is Jerri Floyd, secretary-treasurer is Faye Nelson and reporter is Bobbie Embry.

Mr. and Mrs. Bob Coffee are entertaining Sharon's parents this week. They are from California. We hope they enjoy West Texas while they are here. It is their first visit to see their daughter who moved here from California 2 1/2 years ago.

Miss Judy Valdez is a law student in Austin. She says in her letters she really likes Austin. It is a very friendly place and the scenery is beautiful. We plan to visit her some week end soon.

The County Line Community extends their deepest sympathy to the Lawrence Roberts family and the Joe Rice family. The community lost two good citizens and they will be missed.

**Adult Education Classes Underway At Academic Center Here**

(by Jacquelyn Smyers)  
 Abernathy School System is famous for its modern underground Junior High School topped with the beautiful Academic Center. But Abernathy people themselves don't realize it's not just for kids. The Academic Center welcomes grown ups and drop-outs alike to enjoy learning in well equipped, comfortable, attractive surroundings.

Is there anything you always wanted to know but never got to study in school? Have you become fascinated by certain subjects but work prevents your going to college? Would you love to read about something or other with no interruptions but haven't the time to drive to and spend in Lubbock libraries? You've got your chance right here in Abernathy in the Academic Center with teachers to help

you or to point you in the right direction and leave you alone—whichever you prefer. You can also learn the things necessary to qualify for U. S. citizenship. Every Monday and Thursday night from 7 to 9 PM, the Academic Center is open to people who want to enroll in Adult Education studies or come to read and study on their own. People use AC typewriters to brush up on typing skills when they plan to go job hunting. They can practice or learn to play piano, organ, and guitar on instruments in soundproof rooms. It is a self-instructing, individualized program—perfect for adults who want to learn but haven't much time to spend at it.

The program's main purpose is to help people pass the high school equivalency test and get a GED (General Education

Development) diploma. With this diploma, many who never finished school qualify for jobs which require high school educations. In the past 12 years, nearly 300 people got GED diplomas through the program here.

Mary Rose Bowen started adult education in Abernathy. Word of it spread quickly to other towns, attracting people to Abernathy to learn. Finally, to comply with the demand, other towns had to start their own programs. It is now an area cooperative venture.

The program is financed with government funds but those who complain about government programs in general don't fuss about adult education. Says the director Charles Bowen, "It's one of the few that returns the money." He explained that the knowledge acquired through the program enables people who otherwise could not, to qualify for jobs or advance to better ones. The federal government, armed services, industry, and more and more colleges recognize GED diplomas in place of a high school diploma.

Mary Rose Bowen said about her experience with the adult education program, "It's so rewarding, you don't want to let go." The Bowens point with pride to people like Mrs. Maybell Glass who passed the GED exam at the age of 66 and who has missed only 6 or 8 adult class meetings in 12 years. They also mentioned a Mexican-American man, a butcher, who passed his GED test and next day went to Amarillo and qualified for a good job as a government meat inspector.

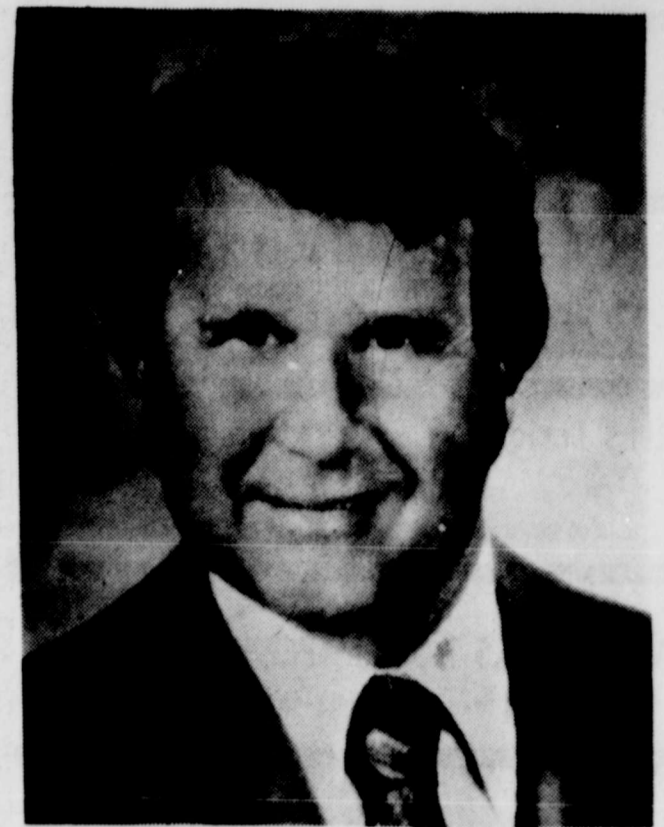

Fredda Mitchell is the teacher who guides adult students in studies. Judy Stracener is her aide. The classes are free and, though this year's classes began September 14, people can enroll anytime. It's a continuing thing. You don't have to get in on it from the first and because of the individualized instruction, you aren't behind no matter how late in the year you enroll. However, classes must attract at least seven people each evening to qualify for funds. On the first night of this session, only six attended but there were 16 the next night and 14 the next in spite of bad weather.

Once enrolled, a person must attend 2 out of 4 meetings to get credit for studies. If one misses three times in a row, he or she must be dropped from the roll. The person can re-enroll but not be counted in the seven in attendance required for program funding.

The classes attract people from disadvantaged minorities clear up to majorities with masters degrees. The school library housed in the AC is positively mouth-watering to people who want to know things. It's hard to walk by a section of books without spotting at least three to make you wish "Oh, how I'd like to read that." There's a large section of career guidance material to head kids in the right direction that can open up new worlds to adults, too. There's a collection of good music on records and a room with fine stereo equipment to play it on. They have shelves full

Mrs. Fredda Mitchell, one of the instructors for the Adult Education Class held each Monday and Thursday nights is shown with two of the students enrolled for the classes.

Jim Fullingim

**First Methodist Will Observe Laity Sunday**

Sunday, October 8th will be a special day for First United Methodist Church in Abernathy as they observe Laity Sunday in both the morning and evening worship. Jim Fullingim of Petersburg will lead the morning worship service beginning at 10:55 a. m. with singing and sharing while Mrs. Al (Etta) Thompson of Plainview will lead the evening service beginning at 6:00 p. m. with a Family Night Sandwich Supper. Tommie Beck, pastor, invites the public to both services.

Jim Fullingim Jim was born and raised in Petersburg, where he is a farmer. He and his wife Carolyn have two teenage boys, Coke and True and a 10-year old daughter, Simone. They are members of the Baptist Church in Petersburg. Jim has been blessed with a singing voice. After his conversion, Jim turned his talent over to the Lord and now he and Carolyn travel great distances to sing and share the gospel of Jesus Christ. Jim's background music is called plastic or canned music where he uses tape players and speakers to sing by. He has recorded and has albums and tapes on the market. His first 8 track tape is, "Thanks to Calvary" where he shares

that the song could have been written for him. Jim is currently on the Lay Witness program each Sunday on Channel 28 at 5:00 p. m. with Dwayne Lynch, Jim and Carolyn will bless you as they lead a worship service.

Etta Thompson Mrs. Al (Etta) Thompson was raised in Abernathy but presently lives in Plainview where she and Al moved when they retired from business. The Thompsons are active members of the Trinity United Methodist Church in Plainview.

While owning and operating businesses in Arkansas, San Antonio, and Coppas Cove before retirement, Al and Etta were always active, making great contributions to their church. Etta has held every office in the United Methodist Women's organization and they have both served on Administrative Board and Council on Ministries of their local church.

Etta is a humorist and has many stories to tell and this is what she will be doing for the Family Night Sandwich Supper at 6:00 p. m. Both services will be a delight and we want everyone to have an invitation to come. A nursery will be provided for both services.

South Plains Blood Service accepted 44 pints of Abernathy blood during the drive Tuesday, September 26. Only two potential donors could not qualify. Ten donors were high school students, eleven were school staff and faculty members, and eight were firemen. The rest came from other townspeople.

Charles Bowen, who helped coordinate the drive, said the turnout was good considering the rainy weather and other community activities that day. Reported to the Weekly Review

**Brownfield Wins  
 Softball Tourney**

In play-off games at Abernathy Little League diamond Sunday, Oct. 1, the Homegrowns team from Brownfield won first place in the slow pitch softball tournament sponsored by the Abernathy Baseball Association. The Panthers of Lubbock placed 2nd; Plains Pump, 3rd, and the Abernathy "A's," 4th.

The tournament originally was set for Sept. 22, 23 and 24. After playing on a soggy diamond as long as possible, the play-off games had to be postponed due to water covering the playing area after extended rains.

The Abernathy Baseball Association will use any profits from the event to help finance youth baseball activities in Abernathy. The ABA recognizes, with thanks, the financial aid given youth baseball by contributing businesses, and the organization wanted to lessen this burden for them by sponsoring the tournament, which had sixteen adult teams, including three local squads. **Girls Win In Twirling Contest**

Abernathy's High School and Junior High School twirlers won first place in the 25th Annual West Texas Twirling Festival in Lubbock Saturday, September 30. A younger Abernathy twirler, third grader Tracye Pope, daughter of Mr. & Mrs. Robert Pope, won three first place trophies. Abernathy High School twirlers are Shana Toler, Gerri Booth, Gay Hobgood, and Cindy Gragg. Twirlers for Abernathy Junior High are Becky Leach, Melissa Thompson, and Carol Pruitt.

**Adult Education Classes Underway At Academic Center Here**

(by Jacquelyn Smyers)  
Abernathy School System is famous for its modern underground Junior High School topped with the beautiful Academic Center. But Abernathy people themselves don't realize it's not just for kids. The Academic Center welcomes grown ups and drop-outs alike to enjoy learning in well equipped, comfortable, attractive surroundings.

Is there anything you always wanted to know but never got to study in school? Have you become fascinated by certain subjects but work prevents your going to college? Would you love to read about something or other with no interruptions but haven't the time to drive to and spend in Lubbock libraries? You've got your chance right here in Abernathy in the Academic Center with teachers to help

you or to point you in the right direction and leave you alone—whichever you prefer. You can also learn the things necessary to qualify for U. S. citizenship. Every Monday and Thursday night from 7 to 9 PM, the Academic Center is open to people who want to enroll in Adult Education studies or come to read and study on their own. People use AC typewriters to brush up on typing skills when they plan to go job hunting. They can practice or learn to play piano, organ, and guitar on instruments in soundproof rooms. It is a self-instructing, individualized program—perfect for adults who want to learn but haven't much time to spend at it.

The program's main purpose is to help people pass the high school equivalency test and get a GED (General Education

Development) diploma. With this diploma, many who never finished school qualify for jobs which require high school educations. In the past 12 years, nearly 300 people got GED diplomas through the program here.

Mary Rose Bowen started adult education in Abernathy. Word of it spread quickly to other towns, attracting people to Abernathy to learn. Finally, to comply with the demand, other towns had to start their own programs. It is now an area cooperative venture.

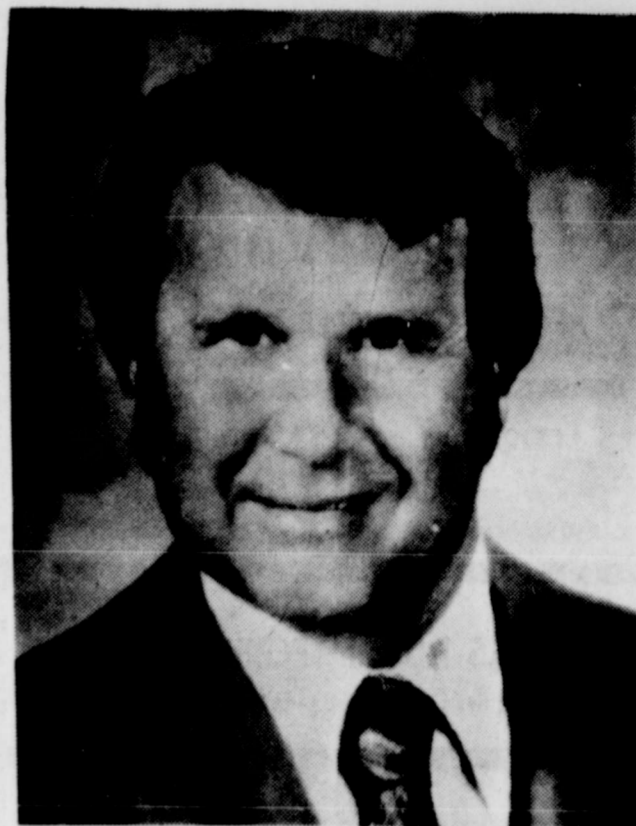

The program is financed with government funds but those who complain about government programs in general don't fuss about adult education. Says the director Charles Bowen, "It's one of the few that returns the money." He explained that the knowledge acquired through the program enables people who otherwise could not, to qualify for jobs or advance to better ones. The federal government, armed services, industry, and more and more colleges recognize GED diplomas in place of a high school diploma.

Mary Rose Bowen said about her experience with the adult education program, "It's so rewarding, you don't want to let go." The Bowens point with pride to people like Mrs. Maybell Glass who passed the GED exam at the age of 66 and who has missed only 6 or 8 adult class meetings in 12 years. They also mentioned a Mexican-American man, a butcher, who passed his GED test and next day went to Amarillo and qualified for a good job as a government meat inspector.

Fredda Mitchell is the teacher who guides adult students in studies. Judy Stracener is her aide. The classes are free and, though this year's classes began September 14, people can enroll anytime. It's a continuing thing. You don't have to get in on it from the first and because of the individualized instruction, you aren't behind no matter how late in the year you enroll. However, classes must attract at least seven people each evening to qualify for funds. On the first night of this session, only six attended but there were 16 the next night and 14 the next in spite of bad weather.

Once enrolled, a person must attend 2 out of 4 meetings to get credit for studies. If one misses three times in a row, he or she must be dropped from the roll. The person can re-enroll but not be counted in the seven in attendance required for program funding.

The classes attract people from disadvantaged minorities clear up to majorities with masters degrees. The school library housed in the AC is positively mouth-watering to people who want to know things. It's hard to walk by a section of books without spotting at least three to make you wish "Oh, how I'd like to read that." There's a large section of career guidance material to head kids in the right direction that can open up new worlds to adults, too. There's a collection of good music on record and a room with fine stereo equipment to play it on. They have shelves full

**First Methodist Will Observe Laity Sunday**

Sunday, October 8th will be a special day for First United Methodist Church in Abernathy as they observe Laity Sunday in both the morning and evening worship. Jim Fullingim of Petersburg will lead the morning worship service beginning at 10:55 a. m. with singing and sharing while Mrs. Al (Etta) Thompson of Plainview will lead the evening service beginning at 6:00 p. m. with a Family Night Sandwich Supper. Tommie Beck, pastor, invites the public to both services.

Jim Fullingim  
Jim was born and raised in Petersburg, where he is a farmer. He and his wife Carolyn have two teenage boys, Coke and True and a 10-year old daughter, Simone. They are members of the Baptist Church in Petersburg. Jim has been blessed with a singing voice. After his conversion, Jim turned his talent over to the Lord and now he and Carolyn travel great distances to sing and share the gospel of Jesus Christ. Jim's background music is called plastic or canned music where he uses tape players and speakers to sing by. He has recorded and has albums and tapes on the market. His first 8 track tape is, "Thanks to Calvary" where he shares

that the song could have been written for him. Jim is currently on the Lay Witness program each Sunday on Channel 28 at 5:00 p. m. with Dwayne Lynch, Jim and Carolyn will bless you as they lead a worship service.

Etta Thompson  
Mrs. Al (Etta) Thompson was raised in Abernathy but presently lives in Plainview where she and Al moved when they retired from business. The Thompsons are active members of the Trinity United Methodist Church in Plainview.

While owning and operating businesses in Arkansas, San Antonio, and Coppas Cove before retirement, Al and Etta were always active, making great contributions to their church. Etta has held every office in the United Methodist Women's organization and they have both served on Administrative Boards and Council on Ministries of their local church.

Etta is a humorist and has many stories to tell and this is what she will be doing for the Family Night Sandwich Supper at 6:00 p. m.

Both services will be a delight and we want everyone to have an invitation to come. A nursery will be provided for both services.

Mrs. Fredda Mitchell, one of the instructors for the Adult Education Class held each Monday and Thursday nights is shown with two of the students enrolled for the classes.

**Report Is Given On Blood Drive**

South Plains Blood Service accepted 44 pints of Abernathy blood during the drive Tuesday, September 26. Only two potential donors could not qualify. Ten donors were high school students, eleven were school staff and faculty members, and eight were firemen. The rest came from other townspeople.

Charles Bowen, who helped coordinate the drive, said the turnout was good considering the rainy weather and other community activities that day. Reported to the Weekly Review

**Brownfield Wins Softball Tourney**

In play-off games at Abernathy Little League diamond Sunday, Oct. 1, the Homegrowns team from Brownfield won first place in the slow pitch softball tournament sponsored by the Abernathy Baseball Association. The Panthers of Lubbock placed 2nd; Plains Pump, 3rd, and the Abernathy "A's" 4th.

The tournament originally was set for Sept. 22, 23 and 24. After playing on a soggy diamond as long as possible, the play-off games had to be postponed due to water covering the playing area after extended rains.

The Abernathy Baseball Association will use any profits from the event to help finance youth baseball activities in Abernathy. The ABA recognizes, with thanks, the financial aid given youth baseball by contributing businesses, and the organization wanted to lessen this burden for them by sponsoring the tournament, which had sixteen adult teams, including three local squads.
