**Further Report On School Board's January Session**

(By Jacquelyn Smyen)  
WRITER'S NOTE: We've had no chance to finish coverage of the January school board meeting. Here's the rest of it.

**LEAKS, BUS & HEAT**  
More leaks have developed in school building roofs and at the school board's January meeting, School Superintendent Dr. Delwin Webb reported that only one company, Texas Roofing, bid on the job. This is the same company which fixed leaks three months ago. The board decided to let them repair these, too.

Dr. Webb also reported only one bid received for the 1965 Dodge school bus they decided to sell. The state gets first chance at used buses but didn't want this one. Abernathy Boy Scouts do and offered the school \$500 which the board accepted.

The boilers which supply heat to high school haven't been dependable for some time. Dr. Webb said one seems OK but the other may not last the year. He said classrooms stay pretty warm because of the new storm windows but the halls don't and asked what the board wants to do about the problem.

After discussion about whether to rework the old system or install a new one, they asked Dr. Webb to have a professional evaluate the system, recommend several alternatives, and present cost estimates. That was done last summer but costs have most likely increased since then.

Board member Jerry Oswald asked, "Are we ever going to talk about air conditioning?" Webb said the evaluation could include proposals for air conditioning, too. Don McKenzie asked if they were talking about air conditioning for just the high school and said it gets just as hot at elementary.

Dr. Webb said the elementary heating unit was designed so air conditioning could be added later. However, that was 1963 and things have changed since then. The board wants the evaluator to consider that, though.

Webb said any plans should be complete and the equipment ready for installation by the end of school in June so the work will be finished by the time school starts in September.

**PORTABLE BUILDINGS**  
The board decided to forget about the portable classroom buildings Dr. Webb had suggested they apply for from one of the special programs, when he reported on experiences other schools have had with them. The money already by the state doesn't nearly cover actual costs of the buildings, the schools have to make up the difference, and the Texas Education Agency can transfer the buildings from the purchasing school to another without regard for how much extra they spend if the purchasing school no longer needs them for the original purpose.

**MINIMUM WAGE**  
Since the national minimum wage has been increased, Dr. Webb recommended the board agreed to starting new school custodians at the new minimum and raise the salaries of longer time custodial employees in proportion. That will be 10¢ in some cases, 20¢ in others. Beginners who start at \$2.90 will earn \$3.10 after a year.

The school doesn't have to pay minimum but prefers to in order to keep good employees.

**REPORTS & TABS**  
Business Manager Earl Carter reported 1116 students enrolled in Abernathy in December. The cafeteria

**ABERNATHY SCOUTS COMPETE IN ANNUAL PINWOOD DERBY**

**PACK WINNERS - (L to R) Del Ray Pope, Scott Mankins, and Michael Scott hold the cars that won them 1st, 2nd, and 3rd place trophies in the Pinewood Derby.**

Sixteen Abernathy Scouts raced their handcrafted cars to victory in the annual Pinewood Derby held Thursday, January 25 in the school cafeteria. Del Ray Pope headed the winner list in first place. Scott Mankins took second and Michael Scott came in third.

**Tryouts Are Set Feb 3 For Junior Basketball'ers**

A. L. Stone, Jr., President of the Abernathy Junior Basketball organization, announced that 53 boys signed up Saturday, Jan. 27, at city hall to play basketball here this season. They will report Saturday, Feb. 3, at the old school gym for tryouts for teams. Those in the Junior age group will tryout from 1 p.m. until 2:30, and those in Major group will tryout from 2:30 p.m. until finished.

Stone said that more boys are needed in the 9-10 age group. Boys who were unable to sign up last Saturday may do so Saturday, Feb. 3, starting at 1 p.m. in the old school gym. Bring \$10 and a parent or guardian.

Stone said that play in the boys division of the Junior Basketball program will begin after the AHS Varsity basketball season is complete.

In addition to President Stone, Sharon Kester is Secretary. Directors are Jerry Givens, Kay Knight, Hoppy Toler, Mrs. Robert Pope and Jan Wesley.

Brent Newton is president of the boys division and Max Kester is the player agent.

In the girls division, Mrs. Robert Pope is president, and Phyllis Peterson is the player agent.

Abernathy Jr. Basketball is a member of the West Texas Junior Basketball organization. Larry Griffin is president of the area organization, and Louise Thomas is secretary.

All-Star Boys teams from various towns in the WTJR, BB association will play in tournaments expected to start early in April. Girl All-Star toumey will be later.

operated "in the red" which he said is not unusual for that time of year.

The board decided to continue membership in Texas Association of School Boards. Membership is figured on a certain percent of school's operating budget. It costs Abernathy \$200 a year.

Dr. Webb reviewed the effects of the tax relief amendment approved by

**GREATEST PERFORMERS SET FOR HEART ASSOCIATION BENEFIT SATURDAY**

City Hostess Polly Tucker will emcee the Heartbeat Show, a variety benefit for the American Heart Association, Saturday, February 3 at 7:00 PM. Tickets for the show in the school auditorium are \$2.00.

Here is your chance to see and hear some of the GREATEST TALENT; to buy gifts handmade by some of the GREATEST ARTISTS; to buy cakes, pies, cookies and bread baked by the GREATEST COOKS in Texas; to see friends and kin you have not seen for a long time--because they will all be there to help their town support the American Heart Association.

The Heart Fund Committee is very happy to have Mrs. Tucker for this show as she is one of the BEST EMCEES in Texas. Dovie Barron, Donna Powell, and Lu Pruitt have worked very hard to make this one of the GREATEST NIGHTS of entertainment you have ever seen.

We are counting on each of you to be there to say a special "Thank You" to all who will have a part on this program. So many beautiful young people--about 100 performers--will be giving of their time and talent because they care about YOUR HEART. The Future Farmers boys singing group, the Praisingers from First Baptist Church, voice students of Dovie Barron, tumbler and gymnasts, dancers, and talented tots will do their best to entertain you.

Another feature before and after the show will be a FREE BLOOD PRESSURE

**Franklin Dunn Reports On Tractorcade Progress Through Southern States**

(By Jacquelyn Smyen)  
Franklin Dunn and Ray West came home Tuesday last week from their stint of duty with AAM Tractorcade to Washington, D. C. They drove the tractor representing Abernathy, New Deal, and Idalou from Fort Worth to Jackson, Mississippi. Roy Don Stevenson, J. W. Hamilton, and Willie Dunn took over in Jackson and drove to Atlanta. They came home Friday leaving the tractor in the hands of Brian Shadden, Gary Lovelace, Carol Dunn, and Dale McDougal.

Dunn carried the names of 50 supporters--businessmen and farmers--from Abernathy, 25 from Idalou and several from New Deal. Their donations are much appreciated because even though the trip itself isn't so expensive, rental on the 18' trailer that follows the tractor and the cost of shipping the tractor home amount to a lot. He said the tractor is getting eight miles to the gallon, about the same as a pickup. He expects severe wear on the tires but noticed none as far as Jackson.

The Tractorcade, Group #1, included 153 tractors when Dunn was there. Reports say 106 more joined at Atlanta and 1000 more are waiting to join in Virginia. Dunn said he encountered lots of rain when driving

**Mona Toler Is "Bike-A-Thon" Chairman Here**

Mrs. Mona Toler was today named Chairman of a Bike-A-Thon in Abernathy by Reuben D. Duke, President of the Lone Star Chapter of the Cystic Fibrosis Foundation.

She will be conducting the Bike-A-Thon to raise funds which will support research and care for children affected by cystic fibrosis, severe asthma, chronic bronchitis, bronchiectasis and other related lung-damaging diseases.

Cystic Fibrosis, an incurable genetic disease, is inherited by one in every 1500 babies born in the United States. Both parents carry the recessive gene for CF and number among one in twenty persons in the U.S. who may be carriers, usually without knowing it. With improved therapy and constant research, many CF patients are now living into early adulthood.

"Most people do not realize there are millions of children affected by lung-damaging diseases, and by participating in our Bike-A-Thon, you can help these children who can't take anything for granted," said Mr. Duke.

**TOPS Club News**

The TX1019 of Abernathy was organized February 23, 1978 which makes us about eleven months old. We started with 5 members and now have 19 with prospects for more at this time. Abernathy is 269 pounds lighter than eleven months ago. This is from the January 1 report of the Tops head quarters, the end of their fiscal year we had a Queen for the year, a Queen for five divisions besides our regular Queen of the month. So we are a pretty Royal bunch of people who have clothes too big for us. Besides that we have a wonderful leader who keeps us all interested and working. We have two new contests just started and one that ends pretty soon that some of us are worried about because the loser will have to work a certain length of time for the winner. Things like that help to get the pounds off and we have fun too.

Reporter Dot von Struve

**GIRL SCOUT NEWS**

**SEEDS FROM THE SOWER**  
By Michael A. Guido, Metter, Georgia

Unable to think of a suitable gift for his wife, the husband asked the clerk, "What do you have for a woman who has everything?" "Nothing but envy!" she replied. Envy grows in our hearts like weeds in a flower garden. It does not decorate, it disfigures. It never helps, it only hinders. Envy is a passion to which no pleasure or profit is attached. If you are exalted and I am not, does it lift me to be envious of you? No, it lowers me. If you are endowed with money and I am not, does it enrich me to be envious of you? No, it empties me. If you are complimented and I am not, does it honor me to be envious of you? No, it humiliates me. No one can be envious and happy at the same time. Always remember that when you are green with envy, you are ripe for trouble. So let the God of love reign in your heart and the love of God will rule in your life.

**SCHOOL BOARD** from page 1

Texas voters last fall. People thought they voted for the amendment but legislators and school administrators can't seem to figure out how to put it in operation. He explained how much Abernathy schools stand to lose because of the vote but said the state will reimburse 100% of the loss.

**VANDALISM**  
Dr. Webb and board members discussed very expensive repairs to school buses recently due to vandalism. The damage included broken windows, slashed and deflated tires, and a motor torn all to pieces when someone dropped a bolt inside. A replacement engine cost \$3,000. These repairs over two months, cost \$4,500. The school has no vandalism insurance.

Dr. Webb asked for suggestions about what to do. Preventive measures already taken include locks on gas tanks and hoods. Drivers now are cautioned to check tires carefully before driving. Board members suggested checking into vandalism insurance, then discussed hiring security guards to stay with the buses both here and in other towns. Coaches often drive buses to out of town games and cannot stay with them. Daniel Fondy

These repairs over two months, cost \$4,500. The school has no vandalism insurance.

Dr. Webb asked for suggestions about what to do. Preventive measures already taken include locks on gas tanks and hoods. Drivers now are cautioned to check tires carefully before driving. Board members suggested checking into vandalism insurance, then discussed hiring security guards to stay with the buses both here and in other towns. Coaches often drive buses to out of town games and cannot stay with them. Daniel Fondy

said he'd like to see two adults accompany teams to out of town events anyway and cited a Roosevelt game in which a boy was hurt but the coach couldn't leave in the middle of the game to see to the boy's care.

Women coaches often drive buses to out of town games and the board expressed concern for their safety and talked about putting radios in the buses so they'll be able to communicate with the highway patrol or other agencies in case of trouble. Team fans often follow the buses home after varsity games but the younger teams often make the trips all alone. A woman coach's husband is so concerned about the situation he asked to be made a substitute driver so he can accompany his wife on out of town trips.

Coaches don't have to drive the buses but it's very hard to get substitutes will-

ing to make the trips. The main problems in getting regular or substitute drivers is the 20 hour driving course applicants must take. It's also hard to find people with "clean" driving records.

Regular drivers are usually school teachers or aides, local preachers, anyone who can do the job in addition to their regular one. They are paid \$150 per month. Substitutes must have the same qualifications and get \$5 per run. Fondy said a raise in substitute's pay might help solve the problem.

To guard against vandalism, Fondy suggested that area schools form a mutual protection association in which host schools guard visiting team buses. Richard Howard said it would be cheaper than hiring security guards to travel with buses. They also asked Dr. Webb to check into radios.

WRITER'S NOTE: Dr.

Webb reported last week that buses now park in designated lighted areas in front of gyms instead of out of the way places and we've had no further damage to buses.

**EXECUTIVE SESSION**  
The board concluded the evening with a closed session to discuss personnel. Afterwards, the resignation of Gail Stanton and hiring of Pat Warren were officially approved and the superintendent's contract extended for one year.

**BRIEF:**  
Mrs. Margaret Bilbrey of Carlbad, New Mexico spent the weekend in the home of Chris Waters.

**BRIEF:**  
Mrs. Bobby Pettit and daughters, Melissa and Kay Lynn spent last weekend in the home of Mr. and Mrs. Hugh Pettit.

**Garden Club Report**

The City Garden Club met January 25 for a program by Dorothy Shipman entitled "Show and Tell". Mrs. Shipman read the club's "Courtesy Reminder", then had members show and tell something about items they brought to the meeting.

Vice-president Veloise Ahrens presided over the meeting. President Bessie Waters was unable to attend. Mary Heath and Juanita Bell were hostesses. Those answering roll call were Veloise Ahrens, Juanita Bell, Blanche Coggin, Glenna Downs, Mary Heath, Vera Pope, Dorothy Shipman, Cora Shuman, and Lillie Mae Wilson.

The club plans to meet for a Valentine Party February 8 at 6:30 PM in the home of Mrs. HB Coggin. Husbands are invited.

**SPORTS**

**Freshman Boys Win At Crosbyton**

The Abernathy Freshman boys brought home the first place trophy from the Crosbyton Basketball tournament last weekend. The Freshman boys played Lockney for their first game defeating them 49-46.

The winning game was Saturday against Tshoka that ended with Abernathy with 44 and Tshoka with 39.

The Freshman girls lost out in the Crosbyton basketball tournament Saturday afternoon in the playoff for consolation.

**Local Boys Win From Oakwood**

Abernathy First Baptist Church Royal Ambassador Lads Basketball Team defeated Oakwood Baptist of Lubbock Saturday, Jan. 29. Final score was 24-2 and 8 of the 10 team members scored. The team is made up of 1st thru 4th grade boys. Team members are Scott Mankins, Del Ray Pope, Flint Bigham, Irvin Dunn, Ken Dunn, Bruce Irbeck, Ray Garza, Abel Barera, Mickey Rodriguez, and Cody Wages. They are coached by Milt Pope. This win brought the team's record to 3 wins and 0 losses.
