BEAT LOCKNEY 34-24

Antelopes On Top In 4-AA Race

ANTELOPES BOBBY GOUGH (99) & SHANE CUNNINGHAM (64) CLOSE IN ON LONGHORN OSEAS ALANZ ON A KICKOFF RETURN IN LAST FRIDAY NIGHT'S GAME AT LOCKNEY. THE ANTELOPES WON THE DISTRICT 4-AA CONTEST, 34-24. (Lockney Beacon Photo)

The Abernathy Antelopes continued their winning ways last Friday night and remained on top of the heap in the District 4-AA race by defeating Lockney 34-24. The Antelopes are currently 2-0 in district play, with Idalou the only other team that has not been beaten in district competition. But the Wildcats have played only one game, defeating Floydada last Friday night, 20-14. The Lopes and the Wildcats will tangle here this Friday night at Antelope Field, and the winner will be the undisputed leader in 4-AA. The Lopes currently boast a 6-0-2 win-loss-tie record for the year, while Idalou is 6-1, having lost to Muleshoe, which Abernathy tied 20-20.

The Longhorns returned the kickoff to the 42 yard line, and then drove to the end zone and Abernathy took over on the 20. The Antelopes drove 80 yards to paydirt in just 7 plays, the last of which was a beautiful 41-yard pass from Heath to McGuire with only 52 second remaining in the opening period. McGuire made a beautiful catch over his head, and with a good block by Morrison, went in for the score. Betts added the PAT.

Harrison Elected To Board Of Tax Appraisal Dist.

Abernathy School Board President Billie Harrison will be one of five directors on the board of the Hale County Tax Appraisal District. Other members elected to the board are Tom Almon, Neal Burnett, and Doc Cross of Plainview, and Homer Robertson of Petersburg.

The directors will serve two year terms on the board which will represent and oversee taxation for all taxing bodies in the county.

Both Abernathy City Council and Abernathy School Board cast their alloted votes for Harrison in recent called meetings. The only 1 1/2 votes, met Friday afternoon, October 19. The school board, with 705 votes, met Thursday afternoon, October 15.

Votes were allotted to taxing groups according to the amount of taxes they impose. Eight hundred thirty-four votes were required to elect one director to the tax board.

Harrison received 1066 1/2 votes in all. Roberson, a county commissioner, received 1216 1/2 votes; Cross, a Plainview school trustee, received 839; Almon, a Plainview city councilman, received 835 as did Burnett, another Plainview school trustee.

Other nominees on the ballot were C. P. Smith of Hale Center, who received 231 votes, C. H. Keeton of Hale Center who received 37 votes, and Clint Gregory of Petersburg who withdrew.

EMTs Pass Bi-Annual Re-Test

Eight of Abernathy's volunteer EMT's took their bi-annual requalification test Monday night at Abernathy Fire Station. You'll be happy to know they all passed.

The EMT take a brush up course and a test every two years from the time they qualify as EMTs. Betty Aibers, a nurse and one of the group, taught the course. A representative of the state health department administered the test.

Laverne Pope made the highest score-98-on the written test. Milt Pope made the best showing on skills. Said Milt (showing off), "She knows what's wrong with you but I can fix it."

Seriously-these people take on a huge responsibility, expend a lot of effort, and give up half their time and freedom being prepared to help any one of us in an emergency.

Remember to express your appreciation to Abernathy's volunteer emergency medical technicians. The ones who took the test are Laverne Pope, Milt Pope, Ralph Wolf, Wanda McKinney, June Odom, June Knox, Pete Knox, and Fred McCraw. It will be some time before EMTs RuWayne Struve, Mary Rose Bowen, Gay Hale, and Jimmy Thomas must requalify.

TEXANS TO VOTE ON AMENDMENTS TUESDAY, NOVEMBER 6

Texans will go to the polls Tuesday, Nov. 6, to vote on three proposed Constitutional Amendments.

All polls listed here will open at 7 a.m. and close at 7 p.m., Nov. 6.

There will be two voting places in Abernathy. One will be at city hall for Hale County, with Mr. and Mrs. Jack Hacker and Dan Z. Ward in charge, and the other for Lubbock County, at Joe Thompson Implement Co., with Arno Struve as election judge, Henry Scarborough will be the election judge in voting at Lakeview Methodist Church in Hale County.

There will be two voting places in New Deal, at the clubhouse and at the school.

AMENDMENTS TO STATE CONSTITUTION (By Jacquelyn Smyers) The three amendments to be voted on concern appointment and terms of notaries public, legislative review of state agency rule-making, and a farm and ranch loan security program.

AMENDMENT #1 This amendment concerning notaries public sets their terms of service at four years instead of two. Notaries will apply directly to the secretary of state for appointment instead of to county clerks.

AMENDMENT #2 1. Extending the terms of office and application to the state instead of to each county will reduce government personnel and costs to both government and notaries.

2. Applications and renewals directly to the state will save county clerks' office personnel time and money and be a more efficient system by avoiding the middleman step.

AMENDMENT #3 1. The convenience and personal contact found in county clerk's offices, especially in rural areas, will be lost if the secretary of state takes over the responsibility of appointing notaries public.

2. The amendment will increase state control over a system handled successfully at the local level and add to the growing state government bureaucracy.

AMENDMENT #2 This amendment provides for legislative review of state agency rulemaking. It will allow the legislature to suspend, repeal, or end existing rules and set conditions for future ones to take effect. The amendment will be an exception to the separation of powers doctrine.

BACKGROUND Because government is so complex these days, the legislature tends to focus on major policy and leaves details of implementation to administrators. Citizens and legislators think "rule by bureaucracy" has gotten out of hand and that the legislature should comment on or approve agency rules before they take effect. Agency rules now are referred to appropriate house committees but the practice is thought to have very little effect because committees meet so rarely between sessions. Earlier this year, a bill which would have created a joint house and senate committee to review agency rules was vetoed by the governor on grounds of separation of powers.

ARGUMENTS FOR 1. The proposed amendment will make the state bureaucracy more responsive to the people and to the policies expressed by the legislature.

ARGUMENTS AGAINST 1. The amendment will infringe upon a fundamental principle of American government--separation of powers. Legislative review of agency rulemaking is an obvious encroachment of executive power.

2. If legislative committees get involved in day-to-day agency rulemaking, special interest groups will have one more chance to impose their will on the public. In many cases, four or five sympathetic legislators might be able to block administrative actions that are needed to carry out policies set by the legislature.

3. The people have consistently rejected attempts to expand the time the legislature is in session. If this amendment is adopted, legislative committees may be "in session" on a year-round basis.

4. The legislative reviewers will not be as expert and understanding as agency officials who deal with the problems daily. Also, reviewers might take so much time that important and immediately needed regulations may be postponed too long to be effective.

JUDGES ATTEND REGIONAL SEMINAR

Eighty-eight justices of the peace attended a 20-Texas Justice of the Peace Training Center Seminar October 9-12 in Amarillo. The seminars are held in compliance with Article 58.72, Section b, Texas Revised

Civil Statutes. The training center is based at Southwest Texas State University. Among the judges attending were: left to right, Judge Glenn Stone, Hale County, Precinct and Judge Jeanne Marr, Hale County, Precinct 3.

Council Actions

Abernathy City Council took action on several matters other than the tax board votes at the October 19 meeting.

Pinson Place became part of the City and the council accepted the deed to streets and alleys in the addition. Aldermen also discussed state maintenance problems on Ave. D and asked city manager Rod Ellis to write the district engineer of the state highway department and request resurfacing.

NOTICE On Want Ads

We had run a notice several months ago that we would go to a cash basis on all want ads. We have not stuck to this policy in the past because people would still call in and say they would mail in their checks or come by but, this has not been very satisfactory because they either forget to mail their checks or come by and we have to send out bills once and some more than once and then we still don't get payment on them, beginning with the next edition of The Review all want ads must be paid in advance before they will be run in the paper if they are not regular want ads that are run by the month by businesses. We are sorry to have to do this but, we feel that this is the way we have to go for now. We appreciate your help in this matter.

Attend Market In Dallas

Mr. and Mrs. Lon Carmickle were in Dallas last weekend to attend the apparel market, and to buy merchandise for Lon Fashions. They were accompanied to Dallas by their son-in-law and daughter, Mr. and Mrs. Joe Ed Smith.

City Dump Hours Change

During the winter months the city dump will be open 8 AM to 5 PM Wednesdays, Thursdays, Fridays, and Saturdays.

Class of '29 Reunion Is Open To All Visitors

The 50th Anniversary Re-union of the Abernathy High School Class of 1929 will be open to all who might like to come and visit a bit with us. The class is meeting at the home of Burnie and Alvin Hardin at 1613 Avenue H in Abernathy. The time of meeting will be at 5 PM on the tenth of November. A salad supper is planned. All members of the class have been notified by one or more of us who have been involved in the planning. All have expressed the intention to be present with exception of one who lives too far away to attend. And we are hoping that this one will still be able to make it. Arno Struve

OES Meeting

Abernathy Chapter No. 877 Order of the Eastern Star will hold a stated meeting Thursday, Nov. 1, starting at 7:30 p.m.

The OES yearbook lists hosts for that meeting as Lois Ann and Edith Lovelace and Mary Ellen and Cecil McCurdy. (Edith Lovelace recently fell at her home in Lubbock and broke a hip. She underwent surgery at Methodist Hospital and a ball and socket replaced her hip joint.)

Mrs. Bessie Waters, Worthy Matron, urges all local members to be present, and extends a welcome to visiting Eastern Star members.

A Grand Chapter report will be given at the Nov. 1 meeting.

Wildcats Coming To Town Friday

Judging from their respective season records to date, it would be an understatement to say that the Antelope and Wildcat game in Abernathy at 7:30 p.m. Friday, Nov. 2, will be a big football battle. Former AHS Antelope football star, Tom Ritchey, now head football coach at Idalou High School, will bring his Wildcats to Abernathy Nov. 2, to meet AHS head football coach Larry Aldridge's Antelopes in the District 4-AA headliner game of this week.

Last week, the AHS Antelopes defeated Lockney, 34 to 24, while Idalou was beating Floydada 29 to 14, both District 4-AA games.

Lockney was the second 4-AA team beaten by the AHS Antelopes this season. On Oct. 19, the Antelopes downed Tulia, 30 to 7. The Antelopes now stand at 2-0-0 in district play and 6-0-2 for the season. Idalou stands 1-0-0 in District 4-AA play. After the Abernathy-Idalou game, the Antelopes will have another District 4-AA game, against the ever-strong Floydada Whirlwinds, there, Nov. 9.

MR. AND MRS. CARROLL L. OWEN

Mr. and Mrs. C. L. Owen To Observe 50th Wedding Anniversary Nov. 3

A reception from 2 to 5 p.m. on Saturday, November 3 will honor Mr. and Mrs. Carroll L. Owen on the occasion of their 50th wedding anniversary. The reception will be in the Abernathy Church of Christ fellowship hall.

Carroll, the former Miss Katie Heath were married on November 5, 1929 in Clovis, New Mexico. They have lived all their married life in Abernathy.

They are parents of seven daughters, Mrs. Hayden (Betty) Pearce and Mrs.

Willie (Willene) Dunn of Abernathy, Mrs. Timothy (Loyce) Leming and Mrs. Elbert (Bobby) Cloud of Lubbock, Mrs. Billy (Diane) Smith of Idalou, Mrs. Mitch (Paula) Malouf of Plainview, and Mrs. M. H. (Floyce) Gould of Anson, Maine.

The honored couple has 23 grandchildren and five great-grandchildren. The couple's daughters want to extend the warmest welcome to all their friends through the years to come and help celebrate the happy occasion.

Advanced Study Program For 8th Graders Offered In Abernathy

(By M. B. LeMoine)

The Texas Education Agency recognizes a need for the improvement of instructional practice and continual experimentation. Therefore, an effort is being made in the 8th grade of Abernathy Junior High School to challenge those young students capable of handling advanced work.

In the eighth grade the state requires a total of 260 clock hours in English Language Arts. Abernathy has for many years scheduled 283 clock hours in an effort to improve the English Language Arts program.

The students that are selected to participate in this experimental program can score no lower than a 11.0 grade level on the skills taken during their 7th grade year. They must have outstanding grades for the previous year, pass a screening committee (composed of at least three teachers, counselor, and principal) and have parental permission that will be accepted only after orientation of parents.

There are no grades given and any of these students that cannot perform satisfactorily or do not wish to continue in the program is reinstated in his regular class by a reverse procedure.

The students are selected for this experimental program work in the Academic Learning Center

THOT: The man who does his best today will be a hard man to beat tomorrow.

on an independent, individual basis with the aid of a teacher or aide. Each student receives instruction on Academic Center procedures prior to the beginning of the program. In this program, once goals are identified in a given subject, instruction is mainly self-directed, self-administered, and self-paced (within limits). The interest and maturity of the student determine how much will actually be learned.

The program stresses English composition, reading, and vocabulary enrichment. However, there will be other units taught such as basic French, Drama, Speech, geometric project, and a basic introduction to Algebra I.

The last unit will vary from student to student as they may select from the following list:

- A. Music B. Art Project C. Typing D. Social Studies Project E. Science Project F. Speed Reading G. Photography H. Any field of interest with the teacher's approval.

Being in the second year of this experiment, the school feels that it is progressing on a positive note. It must be pointed out that this program is only an experiment which deals only with advanced, superior students, each student still receives 170 hours above the state requirement in English Arts in the classroom.

Magazine Binding Project Underway At City Library

Do you enjoy looking at the nice pictures and reading the articles in National Geographic? The Abernathy Public Library has copies from 1951 to 1978. At this time, most of them are in single issue copies. However, they can be bound on a yearly basis with two volumes per year. The cost is about fifteen dollars for any one year to be bound into two volumes.

Our thanks goes to Dan Ward who has started the binding by using 1953 copies. Also, he has contributed the National Geographic Index for 1947 through 1976, which makes the use of the Geographics much easier.

A representative of the binding company will pick up the magazines and return the bound volumes to us.

Our thanks also go to Mr. and Mrs. Virgil Zeman of Pecos (former residents of Abernathy) for two bound volumes.

If anyone else would like to have some bound for the library, please come by and see the volumes on hand. We need many loyal supporters of the Abernathy Public Library. Let us count on you as one.

New Residents Begin New Home In Pinson Place

New construction just begun in Pinson Place is the future home of the Jack Oxford family. The Oxfords moved to Abernathy in June from Tuttle, Oklahoma.

Oxford works for the Federal Aviation Administration. He is chief of the radar communications crew at the air traffic control tower at Lubbock International Airport. He is responsible for keeping the radar working at the facility.

Jo and Jack have two sons, Jay is 11 and Dustin is nine. The whole family loves sports. The boys played in ball leagues in Oklahoma, Jack coached, and Jo was a devoted fan and supporter.

They moved to Abernathy because, like so many of us, they prefer small town living.

The Tommie Wages family will soon move into their recently finished home in Pinson Place. The Wade Atterbury home is two thirds complete, and the Richard Dufosse home is well under way.

Don and Jeanie Lloyd's house in the same addition will be the first in Abernathy to use the roof tile manufactured by Heritage Industries, a company new to Abernathy.

Recent visitors in the home of Mrs. H. E. Richter and Mrs. Chris Benn were Mr. and Mrs. Alwin Beckmann and Mr. and Mrs. Hugo Beckmann of Blanco. Mrs. Hugo Beckmann is a sister to Mrs. Richter and Mrs. Benn. Mrs. Alwin Beckmann is their niece.

I Like Teenagers

(Editor's Note: The following is from the Abernathy Church of Christ Memo-Messenger, dated October 18.)

As a tribute to our wonderful young people we submit the following article by Richard Rogers-not only to teenagers but to those who have passed those years. I LIKE TEENAGERS

I like the fresh way they look at life...and their free and easy life. I like their confidence, their courage, their optimism. I like the way they walk...limber and free and friendly...young people with tomorrow in their eyes.

I like teenagers. A teenager is a great American middle man-too young to be old, too old to be young. Teenagers are the vanguard of tomorrow. They are a fresh breeze in a stale world.

I like teenagers...they challenge barriers. They rush old ramparts unafraid to stick a pin into the old balloons of yesterday. Times change. The world revolves. Their very youth makes teenagers pioneers. They think over mountains. They are the future of the world with young hope in their hearts. Bright faces; eager smiles...alert eyes...energy in motion. They are daughter, sister, brother, son... They are the doctors of tomorrow, the mothers, the teachers, the generals, the bosses, the judges, the senators, the presidents.

I like teenagers. They make things happen. Alexander Hamilton helped fan the flames of the American Revolution as a teenager. Mozart was a famous musician at 13. Josiah reformed Israel as a teenager. Longfellow was a fulfilled college professor when he was 19. Alexander the Great was a general of the army that conquered the world at 16. Andrew Jackson fought against the British for American freedom when he was 14...

When it comes to teenagers, most adults forget to remember. We make fun of their songs-but we forget the crazy tunes of our own young days. We scoff at their clothes and forget the off-beat fads when we were young. We are irritated when teenagers ignore our wise counsel, and forget we did the same with our elders. Without teenagers it would be a sorry, stagnant, boring, standstill world.

News Of Men In Service

October 24 (FHTNC)--- Navy Yeoman 1st Class William E. Olin, whose wife, Lupe, is the daughter of Mr. and Mrs. S. L. Ortiz of box 98, New Deal, Texas, has returned from a deployment in the Western Pacific.

He is a member of Attack Squadron 113, based at the North Island Naval Air Station, San Diego. His squadron was embarked aboard the aircraft carrier USS Ranger.

During the seven-month deployment, he and his shipmates participated in various training exercises with other 7th Fleet units and those of allied nations. Port visits were made in Thailand, Korea, Japan, Hong Kong, and the Philippines. The Ranger hosted 300 fathers, sons and brothers of crewmembers on the last week of her voyage from Hawaii to San Diego.

His squadron flies the A-7E Corsair II, a close air support/interdiction jet aircraft. Olin joined the Navy in August 1962.

Use Of Water Conserved By Abernathy ISD

(By M. B. LeMoine)

On May 12, 1979, work was completed on a water tank which is 150' long x 116' wide and 12' deep. The purpose of this tank is to catch run-off water in the reclaimed lake bed area to be re-used in the watering of athletic facilities during the summer months when water consumption is at a maximum level. The construction was completed at a cost of \$2,225.00. During the months of July and August of 1978, the Abernathy water bills dropped \$2,474, thus more than paying for the construction of the tank.

Since the tank area was built, water prices have increased, which means continued use of the run-off water to water athletic facilities will save the taxpayer even more, not to mention the conservation of water for families use.

AMENDMENTS from Page 1

AMENDMENT #3
This amendment authorizes a program of state guaranteed loans for the purchase of farm or ranch land. The proceeds from \$10 million in general obligation bonds will be administered by the commissioner of agriculture without appropriation for:

- (1) guaranteeing loans made by private lenders to individuals buying farm or ranch land;
- (2) acquiring mortgages or deeds of trust on lands purchased under a guaranteed loan; and
- (3) advancing to borrowers a percentage of the principal and interest due on guaranteed loans.

The amendment will require that any advances made to borrowers bear 6% interest, provide for investment of the bond proceeds, and place a first call on the treasury for repayment of the bonds.

BACKGROUND
The constitution's prohibition on pledging the credit of the state prevents establishment of a guaranteed loan program or issuing bonds for that purpose without a constitutional amendment.

The loans will be for Texas residents who have the necessary education or background in the type of farming or ranching they want to do, have, with spouse and dependents, a net worth of less than \$100,000 excluding the value of their home; and intend to use the land themselves for farming or ranching.

The amendment contains a "payment adjustment" which, in effect, is a loan to the borrower by the state. All loans will have to be approved by an advisory council.

The loan guarantee program is patterned after one established in Minnesota in 1976 which, through February 8, 1979, had guaranteed 109 loans with no defaults.

A bill to establish the program in Texas was introduced in 1977 but failed to pass.

ARGUMENTS FOR
1. The amendment will aid young men and women who have been unable to begin farming or ranching because of the high price and extremely high down payment required on land.

2. Eligibility safeguards will minimize default risks to the state and land speculators and large corporations will not benefit. In case of default, the state will be able to resell the land and possibly make a profit because of increasing land values.

3. The proposal is modeled after a successful Minnesota program which shows it to be a good way to encourage young farmers and ranchers.

4. Large corporations are gaining control of more and more agricultural land and this loan program enables individuals to begin economically efficient and competitive farms or ranches.

ARGUMENTS AGAINST
1. A state guaranteed loan program financed by bonds means that the state is, with borrowed money, assuming the risk of default for loans made by private lenders. This is not only government interference with the free marketplace, but an unreasonable assumption of risk without tangible benefit to the state as a whole. If the present unstable economic conditions grow worse, taxpayers will bear the cost of the defaulted loans. If the default potential were not there, indicated by current interest rates and down payment requirements, state guarantees would not be needed to encourage private lenders to make loans.

2. The program will cost the taxpayers even with no defaults, because the costs of administering the program will come from appropriated funds. The guarantees may also tend to create higher land prices and add to the inflation rate.

3. Although the number of individual farms and ranches has dropped by 50% since 1940, there are no proven ill effects from the decline which justify a guaranteed loan program. Farms have become fewer, larger, and more expensive to operate, but have also become far more productive.

4. Since the payment adjustments are, in effect, loans to individual borrowers, the state not only assumes the risk of private lenders on purchase money loans but also assumes the risk of making indirect loans to borrowers.

Struve's Style Show Entertains Young Homemakers

The Young Homemakers of Texas held a meeting on October 15 in the Gold Auditorium of the Academic Center. We had a style show by Struve Hardward and Dry Goods and Hoppy's Shop.

The FHA girls modeled some very lovely clothes and sport clothes. Three of our young men from our Abernathy community modeled suits and sport clothes from Hoppy's Shop. We were very honored to have some visitors to come to the show. Woody Parker from Hoppy's Shop and Hoppy Toler from Struve's were there.

After the style show we had our usual business meeting in which we discussed different things for the upcoming year. One thing we discussed was Y. H. Cookbook. We will have different recipes for the different sections of the book.

The other thing is that the Young Homemakers will be sponsoring the Pet Clinic again so if you need to have your dog or cat vaccinated, the date is Thursday, November 29 from 1 to 5 PM in front of the old fire hall. Dr. Glasson of Lockney will be here to give shots. Another notice of the Pet Clinic will be posted in the paper at a later date.

Our next meeting will be November 12 at 7:30. The program will be Mrs. Kesley from the Lubbock State School. She will talk to us about the work and problems at the school. Hostesses for the meeting will be Linda Davis and Teresa Lightman.

Anyone wishing to join the Young Homemakers are asked to contact one of the following officers: President: Connie Billingsley, 298-4245; First Vice President: Resa Newton, 298-2052; Second Vice President: Angie Goodman, no phone; Secretary: Susan Myatt, 298-4254; Treasurer: Ginger Reedy, 298-2171; Reporter: Karen Waits, 757-2326; Historian: Kay Cannon, 757-2362; Advisors: Marilyn Stone, 298-2187 and Glenda Wheat, 298-2682. Reported.

FHA Schedules Year's Activities

"Toward New Horizons," The Future Homemakers of America motto, expresses well the plans underway for Abernathy FHA this school year. Monthly meetings, parties, and activities are scheduled, several of which are new to Abernathy FHA.

The programs for the monthly meetings will be: October-Haircut and Make-up; November-Cake Decorating; December-Christmas Party; January-Self-Defense; February-The Dating Game; March-Modeling and Fashion by Debbie Clark of Hemphill-Wells; April-Officer Elections; May-Officer Installation. The alternate program will be a teacher from Ballenger School. These meetings are held the first Monday of each month.

A Powder-Puff football game is under consideration for October. The teams will be composed of FHA girls, and there will be faculty coaching and officiating. Also, there will be a hayride/haunted house October 27. December 7 will be the annual FHA Christmas Party. The March of Dimes fundraising drive will be in January. February 15 is set aside for the Parent Appreciation Supper. The FHA plans to go skating with FFA March 28. The annual FHA Best-Beau Banquet is set for April 26.

Everyone can take part! All you have to do to be in FHA is be enrolled, or have been enrolled, in any home-making course, and pay FHA dues.

It's going to be fun! "What is FHA?" That was the topic of the meeting that was held by the Abernathy chapter of the Future Homemakers of America Monday, September 10.

Class parents were elected at this meeting. They are: Freshman class parents-Mr. and Mrs. A. L. Stone; alternates-Mr. and Mrs. Richard DuBois; Freshman class mother-Mrs. L. D. Burgess; Sophomore class parents-Mr. and Mrs. Dub Royal; Sophomore class mother-Mrs. Jimmy Davis; Junior class parents-Mr. and Mrs. Isaac McKinney, and Mr. and Mrs. Cliff Newton; Junior class mother-Mrs. L. A. Wanda Oswald; Senior class parents-Mr. and Mrs. Benny Turner; alternates-Mr. and Mrs. Lon Ward, and Mr. and Mrs. Cohoon Dillinger; Senior class mother-Mrs. L. A. Johnson.

Also discussed at the meeting were future programs, parties, and activities.

Past experience should be a guidepost, not a hitching post.

Guests Perform Handwriting Analyst Study Club Meeting

The Abernathy Music Club met for their first meeting this fall, September 18th at 8:00 p.m. in the city hall club room with twelve members and twelve guests present.

This first meeting was family night where each member brings their family or a guest and perform. Alma Ruth Patterson's guest was Donna Stallings. Donna played a piano solo, "Near the Cross". Ruth Adams' guests were Cindy Riddell and Jon Mark Fulton. Cindy accompanied Jon Mark on the piano as he sang, "It Was Almost Like a Song". Jean Flud's guest was her son Dana who played the guitar and sang two songs he wrote the words and music to. They were, "Open Your Hearts" and "He Will Take Me Through". Rita Kelley's guests were her children Matthew and Mindi. They sang, "Let My Light Shine". Melinda Hall's guest Tonya Spradling played the piano and sang, "The Tiny Tiger" and "It Was Almost Like a Song". Bertie Hardin accompanied Alma Ruth Patterson on the piano as she sang, "More So Much More". Fern Schaaap's guest was her husband Louis. Fern, Louis, Alma Ruth Patterson and Erma Mae Spruiell sang, "God's Amazing Grace". Erma Mae played a piano solo, "Leaning On The Everlasting Arms". Terry Kitchen's parents from Hereford were her guests. Terry played "Valverta" on the piano. Connie Gist gave a reading, "The Leaves of Gold". Refreshments were enjoyed by 24 present.

The Abernathy Music Club met again Oct. 16th in the home of Alma Ruth Patterson with thirteen members present. The program was "Sound of Music" with performers, Melinda Hall, Rita Kelley, Fern Schaaap.

Sunshine Group

The Sunshine Group met Oct. 18 for our regular meeting. We had a nice crowd and had a real good time. We always have a good lunch and a wide variety of goodies. Dot von Struve had the program. She asked our new lawyer in town to give the program. He gave a lot of good information on several things we needed to know about and answered questions for anyone who had any. We sincerely hope that those of you who have been coming that were not there last wasn't sick. We miss all of you and hope you can make it next time.

We had 27 present. They were: Oma Toler, Katherine Dye, Ollie Selke, Dixie Pittman, Dot von Struve, Floyd Shipman, Pauline Stone, R. A. Lutrick, Mrs. C. Brewer, Minnie Northcutt, Ruth Phillips, Cora Shuman, Pearl Bryant, Ina Bell Anderson, Maybell Glass, Hb Coggin, Blanch Coggin, Addie Robertson, Callie Nunn, Jaunita Brantley, Mrs. Dewey Price, Lizzie Lebow, Martha Phillips, Bernice Smith, Bernell Drye, Ken Johnson, and Ruby Knox.

Mr. and Mrs. M. M. Bell were in Canyon Sunday to visit their granddaughter Stephanie Bell, who is a freshman student at West Texas State University. They attended church at the First United Methodist Church there.

Church of Christ News

There were 24 men attending the Mens Retreat at White River this past weekend. The key word was "commitment" and the effect that can have on the growth of the church. All agreed it was a very enjoyable trip and that much good can come from it. Tony Garcia and his family were among our visitors this past Sunday. He is a social worker from the Lubbock Childrens Home. He brought with him a young boy, Jeffrey Smith, whom the church here is sponsoring.

Land Reclaimed For School Use

(By M. B. LeMoine)
A portion of the old lake bed, located west of the Abernathy High School, is being reclaimed for school use. Since its purchase in 1978 there have been approximately 60,000 cu. yds. of fill dirt deposited there by the highway department. The fill dirt was arranged for by the Abernathy I. S. D. at no cost to the taxpayers. Thus, land which was once of no use to anyone can now be used in the education of young people of the Abernathy community.

Take responsibilities on your shoulders and it leaves no room for chips.

SEEDS FROM THE SOWER
By Michael A. Guido, Metter, Georgia

His dog died, and the little fellow buried it—all except his tail. Every day or two he would pull the dog's tail to determine the condition of the remains. But one day it came off. Then the dog's body was left undisturbed—buried. It is comforting to know that when you confess your sins to God, you are immediately forgiven. God is not hesitant to forgive. He buries your sins "in the depths of the sea." They are cast out of His sight. Not only that, but they are removed from His mind. He promises, "I will not remember your sins." Regret your sins? Yes. Repent of them? Certainly. Resolve never to repeat them? Indeed. But do not recall them. Many people carry a load of guilt for years. They have sleepless nights and tearful days worrying over their sins. But why be miserable? Since God has forgiven you and forgotten your past, why not leave it buried and forgotten?

ANTELOPES ON TOP (con't from page 1)

Longhorns fumbled and Betts recovered for the Lopes on the Lockney 23. The Lopes scored 6 plays later. It was 4th and goal at the 6: the Lopes lined up in field goal formation, but Dunn wound up with the ball and carried it around right end and into the end zone for the score. Betts kicked the extra point to put the Lopes ahead 14-10, with 2:05 left in the second quarter.

In the 2:05 between then and halftime, there were three pass interceptions, two by Abernathy (one by Mike Flores and one by McGuire), and one by Lockney; two turnovers on fumbles (one by each team) and a big controversy about

where the line of scrimmage was, and which team had possession, when an interception and a fumble occurred on the same play.

The Longhorn's Roy Moody jumped on a loose ball deep in Antelope territory midway through the third period, and it looked as though the Horns were going to reclaim the lead. They moved to the Abernathy 10 yard line, and Ford got to the 3 but a procedure penalty wiped out the gain. The Lopes defense allowed the Horns only a yard on 4 plays, and took possession on the 9. The Lopes managed only 6 yards, and Garcia punted. The Horns returned the ball to the 43, but a

clipping penalty moved them back to their own 34, and on the next play the Horns fumbled when hit hard by David Davis and Betts, and Betts recovered on the 33. Heath lost two on a bad snap, then on second down he faked a pitch-out and kept around right end for 35 yards and a TD. The conversion failed, leaving it 20-10.

The Longhorns battled back, driving 65 yards in 7 plays to narrow the margin to 20-16. A Warren to Kevin Evans pass for 12 yards ended the drive, but a conversion pass fell incomplete.

The score didn't stay that way long--Abernathy made its position more comfortable with another

Heath-to-McGuire touch-down pass, a 35-yard play immediately following another Longhorn fumble, this one recovered by Lance Horsford. Heath pumped once to hold the Longhorn secondary defense in check, then fired to McGuire for the score. Betts again kicked the extra point for a 27-16 count.

Late in the game, still another Lockney miscue recovery led to seven more Abernathy points. The Antelopes claimed a fumble at the Longhorns 18-yard line and sent Sanders into the line twice--14 yards on the first try and four on the second--for their final TD of the night. Betts put the

fishy touch on with the final PAT. The Longhorns put together one last scoring drive. Warren clicked with a couple of passes to Evans and one to Ford which put the ball on the 2 yard line. A late hit penalty moved the ball to the one, and Ford scored from that point. The Longhorns faked a kick, and Alaniz passed to Danny Delgado, bringing the final count to 34-24.

SCORING
Lockney: Warren, FG 33 yd.
Lockney: Rodriguez 13 yd run (Warren kick)
Abernathy: McGuire, 41 yd pass from Heath (Betts kick)

Abernathy: Dunn 6 yard run (Betts kick)
Abernathy: Heath 35 yard run (kick failed)
Lockney: Evans 12 yard pass from Warren (PAT pass attempt failed)

Abernathy: McGuire 35 yard pass from Heath (Betts kick)
Abernathy: Sanders, 4 yard run (Betts kick)
Lockney: Ford, 1 yard run (Delgado pass from Alaniz)

Wedding Solemnized

MRS. GARY STONE
(MISS DARLA LEATHERWOOD)

The Abernathy Methodist Church was the setting for the 7:00 p.m. candlelight ceremony that united Darla Leathwood and Gary Dale Stone in marriage, Saturday, October 27, 1979. The ceremony was performed by the bride's uncle, John Russell of Lubbock and she was given in marriage by her uncle, Randy Evans, of Abernathy.

The bride wore a chapel

length gown of satin, tulle and lace featuring a fitted bodice of fine eyelet lace overlay with fine eyelet lace cap sleeves. The chapel length train was edged with matching eyelet lace and chapel length veil of tulle fell from a fitted cap of seed pearls and fine eyelet lace. The bride carried a bouquet of white carnations and miniature white roses sprinkled with baby's breath

and white velvet streamers. Maid of honor was Miss Sherri Stone of Wolforth, sister of the groom and Miss Shelby Russell of Lubbock attended her cousin as bridesmaid. The honor attendants wore matching formal length dresses in the bride's chosen colors. The gowns were fashioned in tiers of varying shades of pink. The attendants wore flowering head pieces of burgundy carnations and miniature roses, sprinkled with baby's breath. They carried identical bouquets of burgundy roses, white carnations and baby's breath on a bed of lace with white velvet streamers.

The groom was attired in a formal cut away vanilla colored tuxedo with dark brown velvet lapels and matching cummerbund. His vanilla and brown trimmed shirt completed the ensemble. The best man, Wayne McGuire of Abernathy and Pete Stracener, cousin of the groom also of Abernathy, wore matching tuxedos to complement the groom.

The altar was lighted with three chapel candelabra and accented with four jade ferns fashioned into five foot trees. The kneeling rail was lined with English ivy and lighted with votive cup candles. The aisle was accented with English ivy and white satin bows. Cameo, Tropicana and Snow Flake roses were scattered about to complete the setting.

Guests were seated by Dean McGuire, Mike Leathwood, brother of the bride and Don and Trey Stone, cousins of the groom.

Wedding music was provided by organist, Patsy Tucker of Abernathy and soloist, Jerry Hunter of Amarillo.

Susan Stone, cousin of the groom presided at the guest book.

The ceremony was followed by a reception in the fellowship hall of the church. The bride's table, set on a white cloth with crystal appointments, carried out the varying pink and burgundy colors chosen by the bride. A three tiered fountain cake was the highlight of the table. The cake was decorated with burgundy iced roses and topped with a kissing couple figurine under a burgundy archway.

The groom's table was set on a vanilla and dark brown cloth with a cake of chocolate with vanilla colored decorations. Coffee was served from a silver service set.

Guests were served at the bride's table by Tawlene Morgan of Shallowater and JoAnn Stone of Abernathy, cousin of the groom. Serving at the groom's table were Sandra Stewart and Lisa Sanders both of Shallowater. Rice bags were given to each guest by Kathy Grimley of Abernathy, cousin of the groom.

The bride attended Abernathy High School until 1976 and was graduated from Shallowater High School in 1978. She is presently employed at Field's and Company in Lubbock.

The groom who is the son of Mr. and Mrs. Delton Stone of Wolforth, was a 1975 graduate of Abernathy High School and is presently employed by Hamilton Acoustical Co. of Lubbock. A rehearsal dinner was hosted Thursday night, October 25, 1979 in the home of the groom's maternal grandparents, Mr. and Mrs. Reed Lacy of Abernathy. His paternal grandmother, Mrs. A. L. Stone, Sr. of Abernathy was also present.

Paternal grandparents of the bride are Mr. and Mrs. H. L. Leatherwood of Abernathy and maternal grandparents are Mr. and Mrs. G. W. Wells of Garland, Texas.

The couple, after a brief honeymoon, will make their home at 1211-16th Street in Abernathy.

Mrs. Richter Observes 93rd Birthday 10/24

Mrs. H. E. Richter celebrated her 93rd birthday Wednesday, October 24. Friends and family members made special visits and enjoyed birthday cake. Helene Richter was born on a sheep, goat, and cattle ranch her family owned near Johnson City.

Those visiting her on the special occasion were Mr. and Mrs. Ernest Langley of Hereford, Mr. and Mrs. Dan Wall and children of Sherman. Mr. and Mrs. Chuck Darden and Mr. and Mrs. Rudy Richter and son of Lubbock. Her neighbors, Mrs. Ada Jennings and Mrs. Emma Bray, and her sister, Eva (Mrs. Chris) Bent also helped her celebrate.

Lacys Host Wedding Rehearsal Dinner

Darla Leatherwood and Gary Stone were honored with a salad buffet dinner Thursday, October 25, 1979 following the rehearsal of their wedding at the home of Mr. and Mrs. Reed Lacy.

Those attending were Randy and Bernice Evans, Mike Leatherwood, Tawlene Morgan, Wayne McGuire, Shelley Russell, Loetta Russell, LaNell and Sherri Stone.

VISITS GRANDPARENTS. Rev. and Mrs. Phil McDonald and daughter, Janetta Lea of Wilson visited in the home of her grandparents Mr. and Mrs. Bob Stillwell, Saturday.

The McDonalds adopted their daughter when she was three months old. She is now three months old. The Stillwells are very proud of their great-granddaughter.

JERI PETERSON

Jeri Peterson To Be Married

Mr. and Mrs. J. A. Peterson announce the approaching marriage of their daughter, Jeri, to David Waits, son of Mr. and Mrs. Jack Waits. The wedding will be November 9 at 7 PM at the Peterson's home.

Both Jeri and David graduated from Abernathy High School, he in 1978 and she in 1979. He is employed at Don's Chevrolet.

Epilepsy Society Says "Thanks"

The Epilepsy Society of the Southwest will meet Tuesday, November 13 at 7 PM at Maxie Community Center, 30th and Oxford in Lubbock. The speaker will be Dick Lupia from the Texas Department of Rehabilitation.

The Epilepsy Society wishes to thank everyone who supported its recent garage sale by donating items to be used. We feel the garage sale was a success as we made \$300 to help us purchase items needed to help educate the public about epilepsy.

Bertelle Anderson

Dear Friends,
Tammy and I would like to express our appreciation to all our Abernathy friends for the many wonderful expressions of love and concern during this trying time in our lives—the cards, letters, flowers, gifts, and calls have, in their turn, brightened our days. Tammy has a lot to go through yet, before all will be well, but she's really giving it her supreme effort. You've all helped and we thank you. Please continue to pray for her.

Marlene Nelson
Thanks to my friends and neighbors for all the nice cards and flowers sent when I was in the hospital in Houston. (11-1-c)

ND Lions Stop Bluffs, 7 to 0

Lions Rest After Blanking Buffaloes

After defeating the Petersburg Buffaloes 7 to 0 last Friday night, the New Deal Lions will have a chance to rest Friday, Nov. 2, an open date for them.

It is four down and two to go for the New Deal Lions in their race for District 4-A Championship. In District 4-A games to date, the New Deal Lions have defeated Lorenzo 14 to 6; Ralls 49 to 0; Hale Center 41 to 6; Petersburg 7 to 6.

After the open date Nov. 2 for the New Deal Lions, they will host Spur at New Deal Nov. 9, at 7:30 p.m. Last week, Spur lost to Hale Center 6 to 54.

In addition to Spur, Crosbyton is the other conference team that now stands between the New Deal Lions and the coveted District 4-A Championship.

The New Deal Lions will end their 10-game schedule Nov. 16, when they go to Crosbyton for their last 4-A game of this season. Crosbyton beat Ralls 14-12 Friday night, Oct. 26.

Knowing that anything can happen in a football game, the loyal fans of the New Deal Lions look to the confrontations with Spur and Crosbyton with guarded optimism.

Mrs. Coggin's Sister Dies

A sister of Mrs. HB Coggin of Abernathy, Mrs. Pearl Martin of Fort Worth, died Oct. 22. Services were held in Fort Worth Oct. 24, with burial in Abilene.

PETERSBURG (Special)—New Deal halfback Tony Howell carried 26 times for 160 yards to lead the visiting Lions to a 7-0 victory over the Petersburg Buffaloes in a tight-fought District 4-A contest.

The only score came late in the opening period when Lion halfback Martin Adams dived over the goal line from the 1-Adams capped that with the PAT kick.

The victory gives the Lions a 7-1 slate for the season. They are undefeated in four outings in district play. In The Avalanche-Journal area poll, New Deal ranks No. 2.

The Lions registered 19 first downs and 302 yards on the ground. They were unable to gain any yards in the air.

The buffaloes were good for 12 first downs, ran 131 yards on the ground and passed for 108 yards.
