

HASKELL, TEXAS 79521, THURSDAY, SEPTEMBER 30, 1971

NUMBER THIRTY-NINE

Haskell Fair Opens Today-Parade 5 p. m.

Any person, male or female, who has ever had experience in staging a fair of any proportions, would readily agree that they take more concentrated planning over a longer period of time than any other type of annual event.

This fact certainly holds true in regards to the Haskell County Fair which opens today, Thursday, Sept. 30, with a gala street parade at 5 p. m. Immediately following the closing of the fair each year on Saturday night, letters are mailed out over the country to prospective exhibitors, parade entries and entertainment media, announcing the dates of the next annual fair and extending them a special invitation to participate.

The 1971 edition of the Haskell County Fair has in reality been on the drawing board for many months and the fast moving program on the agenda will be the result of careful and detailed planning done in committee meetings long in advance of the actual fair dates.

Approximately 300 Haskell (Continued on Page 4, Sec. 1)

Route of Parade Is Announced

Bob Philpot, parade chairman, has announced that all of the parade units will form east of the square Thursday on U. S. Highway 380, between the business district and the railroad. The parade will begin at 5:00 p. m.

The parade route will be north at Avenue C to Holden-McCauley Funeral Home, west to M-System Super Market, south to Oates Drug, west to Sherman's, north to Medford Buick, west past Dick's Super Market, south to Biard's Cleaners, east to Bynum's, south to Haskell Hotel, east to Haskell Free Press north to Herren Insurance Agency, then east to Highway 380, disbanding at Avenues B and C.

Meeting Stated To Discuss New Farm Trailer Laws

An important meeting for all farmers and those operating trailers will be held at 7:30 p. m. Tuesday, October 5, at the fair building in Haskell.

The meeting, sponsored by Hale Farm Supply, is for the purpose of discussing the new lighting and brakes laws for trailers, as they apply to all trailers. Jim Smith of the Department of Public Safety will lead the discussion.

"If you intend to pull a trailer in Haskell County after January 1, 1972, you should attend this meeting," the sponsors advised.

TEXAS CARELESS WEED—This 10 foot careless weed is a sample of what all the rain we've had will do for the weed crop around here. Although it wasn't measured exactly, the conservative estimate of its height is 10 feet. Left, Kim 9, and right, Pam 8, are trying to see the top of that weed. Tiny Dana, 20 months, could care less how tall it is—she'd much rather watch the photographer. The children's parents are Mr. and Mrs. Pat Hale. Pat, president of Haskell County Fair, plans to enter the weed in this year's exhibit. He grew it at Hale Farm Supply.

They Quarreled, He Shot, Man And Woman Wounded

A. J. Lawson's Cafe in the northeast section of Haskell was the scene of a quarrel and resulting action — at about 12:30 a. m. Monday in which two persons were wounded, and a third landed in jail.

B. J. Stillwell and Sarah Patterson, 18, both of Haskell, were treated for gunshot wounds at the emergency room of Haskell Memorial Hospital, then released.

Holden Glenn Griffin, 21, of Rule, was charged in Judge B. O. Roberson's County Court with assault with intent to murder on two counts. Bond was set at \$5,000 on each count, and Griffin was given lodging in the County Jail, in lieu of bond to await action of the grand jury.

Sheriff Garth Garrett said Stillwell received gunshot wounds in the left hip and right shoulder and Sarah Patterson in the right shoulder from a .22 calibre pistol.

ADULT SCHOOL

Registration for the adult school will be held at the Weinert Rural High School Monday, October 4, at 7:30 p. m., it was announced Tuesday. Anyone wanting to attend these classes is invited to register.

Teachers for the adult school will be Chet Forehand and Mrs. Billie McKeever.

John C. White To Officially Open County Fair Here On Thursday

JOHN C. WHITE
Parade Marshal

Texas Agriculture Commissioner John C. White will officially open the annual Haskell County Fair at Haskell. The fair opens Sept. 30.

White will be honorary parade marshal and will speak briefly at the fair grounds. The parade is scheduled to begin at 5:00 p. m.

The Haskell County Fair is in its fourth decade of service to agriculture and other business interests. It was reorganized four years ago to serve a larger area.

The fair now has entries from six counties. They are Stonewall, Jones, Throckmorton, Baylor, Knox and Haskell. The fair features an outstanding 4-H and Future Farmer of America

division with about 200 entries. Special entertainment is also a mainstay of the fair.

Rex Feiker is executive secretary. Fair dates are Sept. 30 and Oct. 1 and 2.

Mrs. White will accompany him on his visit. "I am looking forward with a great deal of pleasure to seeing all my friends in the Haskell County area," White said.

Reception For Lieut. Governor 4:15 Thursday

The reception slated to honor Lt. Gov. Ben Barnes upon his visit to Haskell Friday has been scheduled for an earlier hour than announced last week. Mr. Barnes' plane will arrive in Haskell earlier than was at first thought.

Barnes will be accompanied by Mrs. Barnes, and the reception at the community room of the Haskell National Bank will be held from 4:15 to 5:15 p. m. Friday. Everyone, including the ladies of the Haskell area, are invited to attend the reception and visit Lt. Gov. and Mrs. Barnes.

Barnes and his wife will attend the Haskell County Fair while here, being at the fair park from 5:15 to 6:15 p. m.

Indians Massacre Quanah Tribe, 41-0

County's "Small Fry" To Engage In Fire Prevention Promotions

Next week hundreds of Haskell County area small-fry will join millions of others throughout the country a high-pressure campaign to teach parents the facts of fire prevention.

The kindergarten through third-graders are encouraged to become Fire Prevention Week "pests" by the Hartford Insurance Group, sponsors of the junior Fire Marshall program of fire safety education. Young participants are instructed to enlist the aid of parents in inspecting their homes for fire hazards.

Junior Fire Marshall has been teaching fire prevention

and safety to children since 1947, and is directly responsible for saving innumerable lives.

Hess Hartsfield of the Hartsfield Agency, which represents the Hartford, is sponsoring the program in Haskell County Schools. He will distribute Junior Fire Marshall materials to children in kindergarten thru third grade in Haskell, Rochester, Weinert, O'Brien and Paint Creek schools.

The highlight of the program for the children is receiving the official Junior Fire Marshall helmet upon returning the completed form on home inspection for fire hazards.

Meet Breckenridge There Friday Night

When two Indian tribes clash, something's gotta give, and here Friday night when Haskell's Indians met the Quanah tribe, it was Quanah that got massacred by a 41-0 score. This is the same score the Haskell team defeated them by last year.

After a week of rain, Friday night turned out to be a perfect football night for Coach Tommy McAdams Indians. It stopped raining around 4 p. m. and the field was in pretty good shape, even though the mud caused both teams to miscue a lot.

Haskell scored only one TD in the first quarter, with 3:35 left in this period. Jackie Young broke over the left side for a beautiful 45 yard run to score his first 6 points. Bill Cox's accurate toe made the extra point. Other than this one play, the entire first quar-

ter was a defensive battle. (Continued on Page 4, Sec. 1)

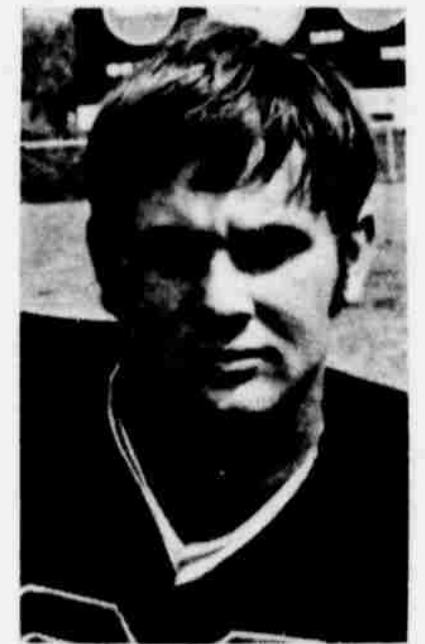

Industrial Group Names Directors

At a meeting at Felker's Restaurant Wednesday night, September 22, directors for the Haskell Industrial Foundation were elected.

The twelve newly-elected directors are: Bob Philpot, Darold Robertson, Bob Beauchamp, Bill Comedy, Charles McCauley, Abe Turner, J. B. Gipson, Jimmy Browning, R. W. Herren, Belton Duncan, Royce Adkins and Mrs. Quanita Hester.

Royce Adkins presided over the meeting.

Another meeting of the directors will be held on Wednesday, October 6, at 8:30 p. m., at which time officers for another year will be elected.

Architects Cite

Costs of Chapel

At Local Hospital

A preliminary sketch of the proposed chapel at Haskell Memorial Hospital, along with estimated costs of construction, was received Friday by Alfred Turnbow, administrator. This came from the office of Killebrew, Rucker and Associates of Wichita Falls, architects for the hospital building.

In this letter the writer, Mr. Jerry R. Ray, stated the chapel of 200 square feet, providing a room of 11½x13 feet, would run around \$7,000, and furnishings should be around \$2,000.

This cost estimate is being presented to the clergy of Haskell and other interested persons so they may become acquainted with the program to provide this chapel. The chapel, if erected, will be located on the east front of the entrance to the new hospital project, Turnbow said.

He emphasized the fact that donations toward construction of the chapel should be completed by October 18, 1971.

Old Sol Peeps Through Saturday

RAINS HALTED

By AARON EDGAR

During that extended dry spell that kept extending from days into weeks, then months, we sort of made a promise we'd never complain about wet weather any more. We managed to refrain from making a complaint, but when "Old Sol" peeped out from behind the clouds Saturday morning, we kinda wanted to put our thoughts into words, and shout: "Welcome, old feller!"

We remarked to a farmer friend at first sight of the sun: "You know, it looks just about like we remembered it!"

We'd barely gotten our rainfall report for different sections of the county completed for last week's paper when the clouds again began "favoring us" with more moisture. This continued for about three days, ranging from a heavy mist to showers, to near-downpours.

And with boll weevils, boll

worms, army worms, and what-not pestering the farmers, they had begun to look just about as gloomy as the weather!

But the sun peeped out Saturday, then Sunday was a lovely bright day, so Monday here comes Mr. Sam, our loyal weather observer, with his report for the three-day wet spell.

It reads like this: Sept. 22, .14 of an inch; Sept. 23, .98 and Sept. 24, 1.05, making a total of 2.17 inches and total for September, 3.21.

The amounts were just about the same for other reporting stations over Haskell County. Here are their totals.

O'Brien	2.20
Rule	2.25
Paint Creek Power	
Plant	4.88
Rochester	2.00
Weinert	2.00
Mattson area	3.60
And we think the moisture met!	

CONGRATULATIONS: To the Haskell High School twirlers upon winning two contests, the senior twirl ensemble routine and the senior dance twirl routine, at the West Texas State Fair in Abilene. The girls are, l-to-r, top row, Connie Turnbow, Lugene Lane, Susie McAdoo and Bonnie Adkins; bottom row: Linda Hartsfield, Denise Roberson and Karen Felker.

Observe Golden Wedding Anniversary

Mr. and Mrs. Ernest A. Coleman of Haskell enjoyed members of their family and friends who attended and helped in planning their golden wedding anniversary celebration held recently in the community room of Haskell National Bank.

Hosting the event were their five children: Mrs. Bill Wiseman of Temple, Mrs. Ewing Mathis of Guymon, Okla., Mrs. Carlton Kelley of Abilene, Dr. Eugene Coleman of Texas Tech University, Lubbock, and Ronald Coleman of Vernon.

Special guests were Mr. and Mrs. Walter H. Hobbs, Haskell, parents of Mrs. Coleman. Brothers and sisters attending

were: Victor C. Hobbs, Weinert and Mrs. Tom A. Casey, Haskell; Ira K. Coleman, Mrs. Claude E. Bland, J. C. Coleman, Stamford, and Mrs. William B. Childress of Tulsa, and their families.

Grandchildren attending included Miss Debby Wiseman Dallas; Delyne Wiseman Temple; Tony Kelley, Denton; Mrs. Lowell (Pamela) Gilbert Bret, Kelley, Scot, Celia and Julia Coleman, Lubbock; Shanon, Andy and Jon Coleman, Vernon, and Jay and Marian Mathis, Guymon, Okla.

A number of out-of-town guests also attended.

MR. AND MRS. ERNEST A. COLEMAN

FHA Members Of Haskell Attend Annual Meeting

The 9th annual convention of Area IV Young Homemakers of Texas was held Saturday, Sept. 9, on the campus of Tarleton State College, Stephenville. The Haskell Chapter was well represented with 14 members in attendance. These included: Mrs. McCollum, advisor; Mrs. Judy Brister, Mrs. Betsy Bell, Mrs. Betty McBroom, Mrs. Edie Connel, Mrs. Jean Hale, Mrs. Sandra Wallace, Mrs. Billie McKeever, Mrs. Bobbie Johnson, Mrs. Pat Gary, Mrs. Betty Jane Jameson, Mrs. Janice Phillips, Mrs. Linda Burson, and Mrs. Mollie Maeller. Haskell enjoyed the distinction of having the most members present.

Area IV has 18 affiliated chapters with 311 members in 15 central-west Texas counties. However, several new members are joining this year. Hamlin and Rule will be in the association beginning this year.

Registration at the convention was from 9:00 to 9:45, at which time coffee and donuts were provided by Texas Power and Light Co.

The morning session was presided over by President Mary Anne Power. New officers for 1971-72 were elected. They are: Mrs. Thresa Black, Mills County, president; Mrs. Edie Connel, Haskell, vice-president; Mrs. Christine Rasberry, Dublin, secretary; Mrs. Susan Schenke, Iowa Park, treasurer; Mrs. Judy Wolf, Stephenville, reporter-historian; and Mrs. Dessie Dunlap, Woodson, parliamentarian. New state officer from Area IV will be Mrs. Kay Halfmann from Ballinger.

At 11:45 a buffet luncheon was served in the dining hall. The afternoon session began with Mrs. Mary Anne Power presiding. Officers of the Haskell chapter presented the emblem service. Miss Barbara

Whitis brought greetings from the other chapters. Mrs. Elliott introduced the nominees for Outstanding Educator and Outstanding Young Homemaker.

Mary Moore was speaker for the afternoon. She presented a very timely talk on "Tips on Award Applications." Mrs. Mary Anne Power installed the new officers by candlelight ceremony and then gave her final president's report.

Drawing for the door prizes brought by the various chapters was held following the morning and afternoon sessions. Those from Haskell bringing a prize home were Mrs. Betty Jane Jameson, Mrs. Billie McKeever, Mrs. Jean Hale, Mrs. Linda Burson, Mrs. Mollie Maeller and Mrs. Janice Phillips.

After the general session, the Young Homemakers boarded buses and were taken on a tour of three beautiful Stephenville homes and the Stephenville Historical Museum.

The convention was concluded Saturday night with an awards banquet for Young Farmers and Young Homemakers in the Tarleton Dining Hall.

The very competent speaker for the evening was Marcus Hill, a young man who is a former FFA president.

Mrs. Penny Elliott presented the awards. Mills County was named Outstanding Chapter with Miles County, runner-up. Outstanding Young Homemaker was Mrs. Thresa Black, of Mills County, and Haskell's Mrs. Edie Connel runner-up. Outstanding Little Sister was Miss Barbara Whitis of Stephenville and the runner-up was Miss Pat Harris of Hamilton.

A very full day was concluded with the pledge to the flag. List-Finders to alphabetize your frequently-called telephone numbers. In grey or walnut at HASKELL FREE PRESS.

Junior Garden Club Girls Hold Recent Meetings

The Junior Garden Club girls held two meetings during the month of September.

On Saturday, September 18, they met in the home of Mrs. T. D. Roberson, 1502 N. Ave. G, to make plans for participation in the county fair. Cakes and cookies were served after meeting.

On Monday, September 20, a workshop was held in the home of Mrs. Ed Fouts, 607 N. Ave. G. The girls made anti-litter posters.

They are very enthusiastic about the community beautification program being launched in Haskell and want to do their part toward "a cleaner, greener land." They are cooperating with the adult Haskell Garden Club in their theme of "knowing, growing and showing."

Present at the meeting were Tamera Scott, Vickie New, Lynn Weatherly, Sarah Cox, Lisa New, Vickie Daniels, Jackie Scott and Cindy Scott.

Naomi S. S. Class Holds Installation On September 20th

Officers and teachers of the Naomi Sunday School Class of the First Baptist Church, were installed Monday night, Sept. 20 in a candlelight service, conducted by Mrs. Faye Woodson. Teacher of the class is Betty Jo Clanton; assistant, Faye Woodson.

Officers are: Stella Trice, outreach leader; assistant, Aline Wheatley, secretary, Mrs. Betty Harris; reporter, Ruby Smith; group captains, Mattie Muriel Felker, Mrs. Ella Moeller, Claudia Mae Bland and Dewie Wester; card chairman, Ruby Mae Robertson.

"In the beginning, God created the heaven and earth, and the earth was without form and void, and darkness was upon the face of the deep—and God said: 'Let there be light, and there was light, and God saw the light, and that it was good'; so stated Mrs. Woodson as she began the impressive installation. 'Jesus said: 'Neither do men light a candle and put it under a bushel, but on a candlestick, and it giveth light unto all that are in the house.' As she gave each one a candle to light and told them of their duties, she asked that they remember David's words from Psalm 18-28: 'Thou wilt light my candle; the Lord my God will enlighten my darkness'."

After the installation a salad supper was served to the following members: Betty Jo Clanton, Opal Adkins, Lellie Mae Atchison, Clara Biard, Nadine Sorenson, Christine Bryant, Faye Woodson, Lola Henshaw, Vivian Roberson, Claudia Mae Bland, Emma Bland, Fredia Carter, Aline Wheatley, Dewie Wester, Ethel Lou Shelton, Sadie Payne, Clarisse Jones, Ella Moeller, Lois Redwine, Mattie Muriel Felker, Frances Lane, Ruby Smith.

MEAT STAMP DYE

Ever wonder about the purple dye used for the USDA inspection stamp on the meat you buy? According to Extension foods and nutrition specialists, the grading and inspection shields are stamped in harmless purple vegetable dye, and it need not be removed.

Baptist Church
Will Show Film
"Lost Generation"

"Lost Generation", the latest release from World Wide Pictures, will be shown on Sunday, October 3, at the First Baptist Church, Haskell, beginning at 7:00 p. m. There is no admission charge, and the public is cordially invited.
Filmed in Eastmancolor, "Lost Generation" utilizes multiple screen images and a probing documentary style to investigate attitudes on dissent, violence, the mood of America, and the answers that can be found by this generation as they face the decisions of life.
According to the Rev. Troy Culpepper, pastor of the church, the opinions of both young and old, urban and rural, rich and poor, are brought to the screen as the camera focuses on people of various backgrounds throughout the Nation. Location shots were filmed in Alaska, the Southern states, on the farms and in the small towns of mid-America, and in the dying Haight-Ashbury hippie district of San Francisco.
The feature-length film, which includes special appearances by Billy Graham, Art Linkletter, and Jack Webb, were described by one reviewer as a "moving film that calls on us to make a decision about how much we want to get involved in the troubles of our times. It is a relevant story that demands our immediate attention."

DEATH NOTICES

Wm. R. Spinks Cliff LeFevre

William Richard Spinks, 75, a former resident of Haskell, passed away in the Mesa, Ariz., hospital at 3:00 a. m. Saturday, Sept. 25, 1971, following an illness of about three weeks. He resided in Haskell County for a number of years before moving away in 1968.
Mr. Spinks was born February 12, 1896, in Comanche County, and married Lillian Henshaw on August 27, 1916, in Haskell. He was engaged in farming for a number of years, and served as nightwatchman in Haskell during the later years of his residence.
Funeral services were held in Mesa, Ariz., at 2:00 p. m., Monday, Sept. 27, with burial in the Mesa cemetery.
A son, Elmer Spinks, preceded him in death June 12, 1951, and a daughter, Lillian Lucille, passed away in infancy in 1930.
Survivors include his wife, Lillian, of Mesa, Ariz.; three sons, Bill Spinks, of Tucson, Ariz., Clifford Spinks of Winslow, Ariz., and Jerry Spinks of West Point, N. Y.; four daughters, Mrs. Juanita Sallis of Mesa, Ariz., Mrs. Myrtle Walker of Phoenix, Ariz., Mrs. Gayle (Wanda) Sanders of Duncan, Ariz., and Mrs. Jack (Dana) Cook of Mesa, Ariz. He is also survived by 21 grandchildren and 13 great-grandchildren.
A granddaughter, Mrs. Albert Roberts, resides in Haskell.

Cliff LeFevre, 76, of Sager-

ton, passed away at 10:30 p. m. Sunday in a Wortham hospital. He became ill, apparently of a heart attack, while visiting relatives at Wortham.
Funeral services were held at 2:30 p. m. Tuesday in the First United Methodist Church of Sager-ton with the Rev. Manuel Reynolds, pastor of the First United Methodist Church, Chillicothe, and the Rev. Joe Walker, pastor of the First United Methodist Church in Rule and Sager-ton officiating.
Burial was in the Highland Cemetery in Stamford under the direction of the Holden McCauley Funeral Home of Haskell.
Born Sept. 19, 1895, in Bosque County, he was married to Alva Laughlin on Sept. 6, 1915, in Teague. They moved to Rule from Limestone County in 1919 and lived there until 1923 when they moved to Sager-ton, where he was engaged in farming until his retirement in 1969. He was a member of the First United Methodist Church of Sager-ton and served as superintendent of the Sunday School and chairman of the board of stewards.
Survivors include his wife; two daughters, Mrs. Frances Clark and Mrs. Mozelle Manske, both of Sager-ton; one son, Delbert of Sager-ton; eight grand-

Haskell Student
Makes Honor Roll

STEPHENVILLE—Brenda Casey, a Tarleton State College student from Haskell has been named to the B Honor Roll and the distinguished student list for the spring semester, 1971.
In order to make the distinguished student list, a student must post a semester grade point average of at least 3.25 on Tarleton's 4.0 system. And, the student can have no grade lower than "C".
The B honor roll consists of those students who carry at least 12 semester hours and have no grade below "B."
Brenda is a senior Elementary Education major.
Anne, James and Janis, were all fine.
These former Haskell people send their greetings to all their local friends.

Grand Jurors were Burl Medford, F. D. Emerson, R. A. Shaver, Jr., Cecil Lewis, J. B. Glover, R. V. Earles, Martin Dale Coleman, R. L. Edwards, Jimmy Griffith, C. W. Dunnam, Joe B. Cloud and Lorraine Johnson.
Elbert Mapes and T. A. Rhoads were riding bailiffs, and Alvin Hill, door bailiff. R. A. Shaver, Jr., served as foreman of the jury, and R. V. Earles was secretary.

City Council
Meets Tuesday
A regular meeting of the Haskell City Council was held Tuesday night at the city hall, when routine matters were discussed.
Members approved the minutes of last meeting, voted to erect "no trespassing" sign at the sewer farm, approved all bills from September 14 to September 20 as presented to the Council.
Also up for discussion was the city's zoning ordinance hearing set for October 5.
Members of the Council were reminded of the Council of Governments meeting which will be held at Felker's Restaurant in Haskell on Thursday, October 7, at the noon hour.
Present for the meeting were: Mayor H. B. Woodard, W. O. Holden, J. Belton Duncan, Lorraine Johnson and Buster Gholson, council members, and Marvin Collins, water superintendent.

Goers Are Urged To Visit Museum

EDGAR depot stove!" The depot museum, upon which many Haskell people worked untiringly in 1963, is one in which the entire townspeople take justifiable pride. Being restored to its originality as much as possible, it now stands on the eastern edge of Haskell's Rice Springs Park and is attracting numerous visitors.

The move to secure the depot and restore it as a museum was started in May, 1963, when it was learned that the Fort Worth and Denver Railway was going to build a "postage stamp size depot," and abandon, or demolish, the old one. The following excerpt from the May 9, 1963, issue of the Free Press tells how the idea got started:

"Haskell is going to get a new depot, of sorts—sort of small—a 15x24 foot steel building, and the townspeople are not unappreciative. But their burning desire is to have restored to its former dignity the ramshackled one they have had on the same spot here for about 60 years.

"The Fort Worth and Denver depot, said to have been built in 1906, has dilapidated into a monstrous eyesore, as railroad traffic and service dwindled in this area over the years. But the structure, repulsive as it is, still is a

landmark, and still holds many nostalgic memories for folks in Haskell, particularly old timers who hate to see it go."

The idea of buying the old depot crystallized into a community-wide effort by interested citizens, principally women up to that date, led in the main by Mrs. Bailey Toliver, who was the first to suggest its restoration. She first presented the idea to the Haskell Lions Club.

Dr. T. W. Williams, one of the principal workers for the museum, told this writer that the railway people said they couldn't donate the depot to Haskell, but would "sell it for \$1.00."

This happened almost three weeks after the movement was started. Again quoting from the Free Press:

"Haskell's dilapidated depot, which holds a heart full of nostalgic memories for many an old timer in this area, is being 'sold' to the people of Haskell 'for a consideration of one dollar', Ellis L. Simmons of Fort Worth, vice president of the Fort Worth and Denver Railway Company, has notified leaders of the movement to secure possession of the vintaged station.

"Terms of the proposed sale was 'that the building be removed from our property', and Simmons said it would perhaps be as late as August 1, 1963, before it would be available and that Supt. Harold Moyer, division

The Depot Museum to Attract Fair Visitors

superintendent of Wichita Falls, should work out the arrangement."

Haskell civic leaders, led by Dr. James F. Cadenhead, chairman of the Chamber of Commerce's new projects committee; Dr. T. W. Williams, long-time civic leader in Haskell, and Mrs. Toliver, representing the Progressive Study Club, the B&PW Club, and others agreed to the proposed "sale" and said: "It's up to us!"

A move was then started to raise funds for removing the depot from its railway site. Dr. Williams stated that they estimated at that time that \$800.00 was needed.

The museum will be open all day Thursday, from 1:00 to 5:00 p. m. Friday, and from 1:00 to 4:00 p. m. Saturday during the fair. Mr. and Mrs. Curtis Tidwell are caretakers.

Earles had to represent Haskell County by himself, as no one was interested enough to drive 31 miles to Aspermont to expound the needs and problems of Haskell County.

Is this an indication that

CONSERVATION VIEW POINTS

J. C. YEARY, JR.
District Conservationist

Last Wednesday, I attended a special meeting of the BIG COUNTRY Resource Conservation and Development Board of Directors in Aspermont with Board Chairman R. V. Earles of Paint Creek. Over 100 County Judges, Commissioners, City mayors, Chamber of Commerce leaders, and others joined with their Soil and Water Conservation District Directors from the 12 county area to present a solid front before a team of Soil Conservation Service officials from State Conservationist Clyde Graham's office in Temple.

Haskell County has no problems or needs? Does this mean that the leaders of Haskell and Haskell County are not interested in cooperating with County and SWCD leadership of the other 11 counties to bring about total resource conservation and developments?

Mickey Nunley, Manager of the Snyder Chamber of Commerce, presented the industrial needs of the area. He said that there was a great need in each of the twelve counties for industrial development, and he felt that the BIG COUNTRY RC&D was the way to promote industrial development area wide.

Earles had to represent Haskell County by himself, as no one was interested enough to drive 31 miles to Aspermont to expound the needs and problems of Haskell County.

Is this an indication that

County Judge Bobbie Gallagher of Kent County, Jayton, spoke on behalf of the BIG COUNTRY RC&D. He stated that 54 of the 254 Texas counties were situated north and west of Jones County, and that this area contained only two state parks and no national park. Judge Gallagher also stated that an estimated 800,000 people lived in these 54 counties and that they certainly needed a place for recreation. He advocated the development

of all available recreation facilities in the BIG COUNTRY RC&D area.

Benefits from RC&D projects can only be realized when local people participate in the development of project proposals. If you have a project proposal, a need, or a problem—or know of such—come by the SCS office in Haskell and discuss them with me. I'll be glad to turn your requests over to the application committee.

Stamford Airman Serving At Dyess

U. S. Air Force Technical Sergeant David G. Kohout, son of Mrs. Marie Kohout, 1217 Compton St., Stamford, has arrived for duty at Dyess AFB, Texas.

Sergeant Kohout, a fabric and rubber production supervisor, is a member of the Tactical Air Command which provides combat units for air support of U. S. ground forces. He previously served at Nakhon Phanom Thai AFB, Thailand.

The sergeant is a 1951 graduate of Paint Creek High School. His wife, Mary, is the daughter of Mr. and Mrs. Robert Mathis, Rt. 1, Sagerton.

The first fund-raising event resulted in Haskell's first Hey-Day, July 27, 1963, when funds from a barbecue on the grounds in, and adjacent to, the City Park was to help underwrite restoration of the old depot. Funds raised were sufficient to pay for removing the structure, and provided "a healthy start" on the cost of restoring it for use as a museum and tourist attraction."

Plans were finalized, and the depot was moved in mid-August 1963.

Then came the lengthy and detailed undertaking of restoring it. The building was repainted, the roof raised and reshingled, and items collected to be placed inside and viewed as relics.

Dr. Williams stated that Mr. Moyer of Wichita Falls gave several railway items to the museum, and local people have contributed from time to time. They were also aided by the Chamber of Commerce, which organization has \$500 annually in its budget for the upkeep and other expenses of the museum.

Inside are many relics of the days when the town depot was the liveliest spot in town. There is the old stove, an old bell, the depot agent's signal lantern, and many other items that have been contributed to the museum.

Many people have visited the museum during the past seven years. Many in Haskell have never been there. Shame on you!

Make a trip to the museum "a must", as many out-of-town visitors will, during the Haskell County Fair, September 30, October 1 and 2.

Burleson Wins Plan On Removal Of Pick-Up Taxes

WASHINGTON, D. C.—In a closed meeting of the Ways and Means Committee, currently deliberating the President's economic package, Congressman Omar Burleson has been successful in gaining approval of his proposal to remove the 10% excise tax on pickup trucks of 7500 pounds gross weight or less. The Committee vote was 20 to 4 in favor of Burleson's proposal, with one member not voting.

Burleson commented that the President's proposal recommended removal of the excise tax on automobiles only. Because of the wide use of pickup trucks for personal transportation, and particularly in areas such as the 17th Congressional District of Texas which he represents in Congress, the Congressman had indicated to the Committee that it would be discriminatory not to include pickup trucks along with automobiles in the tax removal.

As a part of the over-all tax bill, scheduled to be formally reported out of the Committee on Tuesday, Sept. 28, action will be required by the House of Representatives and the Senate before final approval, as

Rochester Drops Battle To Jayton

A 22-point explosion by the visiting Jayton Jaybirds in the final four minutes of the first half spelled heart-breaking defeat for the Rochester Steers, who lost 39-0 to the Jaybirds.

QB Brad Dibrell scored from a foot out to climax a 61-yard drive. Tommy Parker took a pass from Dibrell for the bonus points.

Parker Kidd came up with a pass interception moments later and then had the honors of scoring on a 41-yard scamper. Kidd swept left end for the two points.

With 20 seconds remaining in the half, Kidd went 6 yards for a third TD. The run for the points failed.

Dibrell hit Parker with a 6-yard pass in the third period. Parker's run upped the count to the final 30-0 margin.

It was the first victory for the Jaybirds. The Steers are still looking for a win.

Rule's Bobcats Defeat The Moguls

The Rule Bobcats downed their visitors, the Munday Moguls, 26-12, last Friday night to gain victories over Class A teams for the third time in a row.

In a hard-hitting game on a wet field, the Bobcats got two early scores and then played even with the improving Moguls. Don Hisey provided Rule with their first score as he scampered in from six yards out. The PAT run failed, leaving Rule with a 6-0 lead.

The Bobcats' second score came on a 20-yard sweep by end Rob Kittley. Bobby Anders followed this one with a conversion run.

Munday came back in the second quarter as fullback Larry Smith powered in from the one. The conversion failed and Munday trailed 14-6.

Later in the same period Rule got another score when QB Ricky Lehrmann fired an 8-yard pass to end Art Briles. This put the Bobcats on top 20-6 at the half.

In the third period Rule scored their last time on another TD aerial by Lehrmann. This one went to Jesse Macias and covered 25 yards.

The Moguls ended the scoring in the final stanza as tailback Donald Spells crashed over from the four. Again their run for extra points was stopped, leaving the final score 26-12.

Paint Creek Is Ousted By Miles

The Paint Creek Pirates made a trip to Miles last Friday night, only to be roughly trounced by the Bulldogs to the tune of 39 to 0, in six-man football action.

The Bulldogs now have two wins and one loss, while the Pirates have dropped three.

First touchdown came on a 7 yard pass play from Sal Martinez to Bill Helwig. Also in the first quarter, Martinez ran 10 yards for a second TD.

A second quarter TD was made by the Bulldogs on a 15 yard run by Larry Gentry, and

Ronnie Stringer kicked the two point conversion.

Martinez passed to Doug Day for a third quarter TD with the play covering 18 yards.

First of two TD's in the final period came on a 45 yard punt return by Day. Final TD was made on a 23 yard run by Mark Fly, and John Rowldt ran the 1-point conversion.

Weinert Topples Fluvanna 43 to 6

Led by Felix Garcia, 145-pound freshman who carried the ball nine times and scored five touchdowns, the Weinert Bulldogs won an easy 6-man victory over the Fluvanna Buffaloes last Saturday night at Weinert.

Garcia scored on runs of 1, 16, 43 and 55 yards as the Bulldogs opened up a 25-0 halftime lead; then, after Jerry Sanders scored on a 17-yard run and Ruben Jiminez on a 10-yard pass from Johnny Earp, Fluvanna finally got on the scoreboard as Larry White caught a 40-yard pass from J. W. White.

Garcia then gave Weinert its final six points by returning the Fluvanna kickoff 65 yards for a touchdown. Ruben Jiminez scored Weinert's only conversion.

O'Brien Outscores Trent Team 66-16

The O'Brien Bulldogs hit their stride Friday night to pile up 66 points and defeat Trent, 66 to 16, in a game that was called early in the fourth quarter on the 45-point rule.

Rayland Hayes spearheaded the Bulldogs' onslaught as he scored on runs of 15, 22, 65, and three yards and kicked five conversions for a total of 34 points.

Dickerson and Hammer picked up the touchdowns for Trent. O'Brien now has a 3-0 record and Trent is 1-2.

Mr. and Mrs. Narisso K. Lucio of Rule are the proud parents of a baby boy named Angel. He was born Sept. 23, 1971

Lions To Meet At Paint Creek Power Plant

Next Tuesday's meeting, October 5, of the Haskell Lions Club will be at the Paint Creek Power Plant. This was announced Tuesday by Don Martin in charge of arrangements.

A box lunch will be prepared by Felker's Restaurant and will be transported to the power plant ahead of the meeting time. After lunch, the Lions will visit various parts of the power plant. "This will not be a conducted tour," C. O. Holt, plant manager, said. "You will be more or less on your own, except that we'll have to have some restricted areas."

The Lions also made plans for the annual pancake supper, which will be held on Friday, October 22, from 5:30 to 7:15 p. m. This will be during the Haskell Homecoming, October 22-23. C. O. Holt is chairman of the committee, and tickets for the supper will soon be on sale.

For Tuesday's program, Wallace Cox served as chairman and presented Lion Raja Hassen, who told of his recent visit to Lebanon. The flight from Detroit to Beirut required 12 hours, he said.

Hassen gave some interesting information regarding the country, and said it was an interesting fact that you can be swimming on the seacoast and within an hour be ready to ski in the mountains.

As he concluded a short talk, he showed interesting slides of scenes in Beirut, a city of 800,000 people. He visited his family home, the birthplace of his parents and other places of interest.

The country's principal economy is tourism, he said. Land is priced by the square meter. It never rains in the summer; the rainfall comes from October through April—and there's never a drought. There is no property fire insurance, because everything there is fireproof. They have no income tax. These and other facts were brought out by the speaker, and his listeners insisted on remaining beyond the usual hour's time to see the remainder of his interesting slides.

Lion President Bud Pogue opened the meeting. Wallace Cox led the singing, with the sweetheart, Ellen Walling, at the piano. Invocation was by Harold Spain.

Racing Continues At Tonkawa Downs

In spite of rainy weather during the week, Tonkawa Downs had a beautiful day for racing Sunday.

One of the most exciting races was a nose-to-nose finish between Sonny Earl and Geronimo Bars, with Sonny Earl winning. A local interest race was won by Hank's Chick, a newcomer to the track, owned by J. W. Frazier and ridden by Vickers.

Tonkawa Downs will be running for the next four Sundays and three Saturdays, starting October 8. The public is invited "to come on out and enjoy full family fun at the races in the shade of a thousand pecan trees."

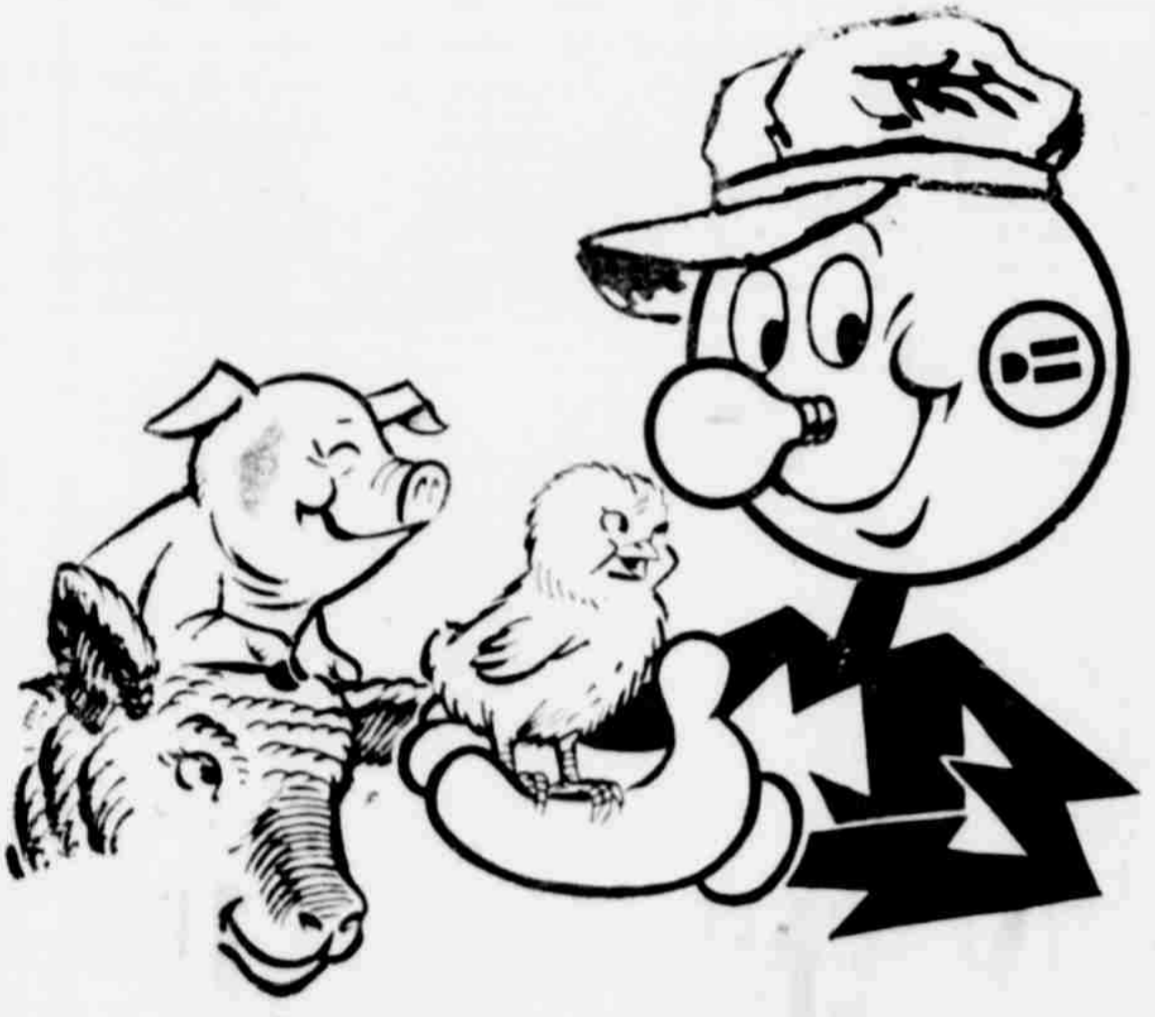

at 9:33 a. m. and weighed 6 pounds, 9 ounces.

Mr. and Mrs. Randall Wayne of Haskell wish to announce the birth of their baby girl named Sharla Rene. She was born Sept. 22, at 7:42 a. m. and weighed 7 pounds, 3 ounces.

Rainbow Sewing Club Meets With Mrs. W. E. Johnson

Members of the Rainbow Sewing Club met recently in the home of Mrs. W. E. Johnson, with Mrs. Flossie Rogers as hostess. Only six members were present, and one new member, Mrs. Beatrice Mobley, was welcomed into the club. New officers were elected, as follows: Mrs. Livingood, president; Mrs. Alvis, vice president; Mrs. Jim Fouts, secretary; Mrs. Stella Jos elect, reporter; Mrs. Flossie Rogers, song leader, and Mrs. John Parned, recreation leader. Mrs. Ann Taylor will be hostess for the next meeting.

TRIPLETS CELEBRATE FOURTH BIRTHDAY

Haskell's triplets — Embery, Thelma and Sammy Baker — celebrated their fourth birthday on Tuesday, September 28, 1971. Nothing elaborate was planned, but the four-year-olds enjoyed the day.

They are the children of Mr. and Mrs. Tommy Baker. Grandparents are the late Jack Baker and Mrs. Jack Baker of Haskell.

LEGAL NOTICE

ADVERTISMENT FOR BIDS

Tribute to Robin Mark Medford

By CLYDENE COMEDY
The lives of every resident of a town the size of Haskell are intermeshed with living in a close-knit community that works together in churches, in business, and in schools. Each life influences the others, and milestones are shared by all.

Robin Mark Medford was a good student at Haskell High School. He was a proud Eagle Scout, a proud Haskell Indian, and a happy sophomore.

Just 15 years old at the time of his death, Robin Mark was a typical teenager. He was well-liked by his classmates; a dedicated Scout, and a loyal and hard-working Haskell Indian.

His death stunned an entire

town, and this town shares the grief of his family. The life of a young man of Robin Mark's make-up—however brief—influences the lives of many.

Robin Mark's total and generous bank account was donated to the Heart Monitor Fund in appreciation. This was his family's way of, first, doing what they felt Robin Mark would have wanted done, and second, in being in some way helpful to others, the way they know others were helpful to their son.

Robin Mark Medford will not only be remembered with this most generous gift, but with every Haskell heartbeat.

Airman Will Be Engaged In Troop Exchange Program

Spec. 5 Gary J. Carpenter, engineer equipment mechanic of the 342nd Engineer Co., Texas National Guard in Abilene, left on September 23rd with five other National Guardsmen from Abilene, Sweetwater and Snyder for West Germany. They will participate in a troop exchange program with the German army.

The group will join a German army unit and train with them for two weeks. They were selected for their job performance abilities.

Gary is the son of Mr. and Mrs. James Carpenter of Abilene. His wife is the former Linda Gayle Klose, daughter of Mr. and Mrs. Felix Klose of route one, Haskell.

Color-coordinate your office with new, colorful stack bags and letter trays from the HASKELL FREE PRESS.

Prison Rodeo At Huntsville To Open Sunday

HUNTSVILLE—Most of the 15,500 inmates of the Texas Department of Corrections are looking forward to the 40th Annual Texas Prison Rodeo held each Sunday in October and most of them are wondering who will emerge as champion of the 1971 series.

However, oldtimers are looking to John Wesley of Navasota, serving a 12-year prison term at the Huntsville Unit, TDC, who last year finished a strong third while competing in only two events—bareback bronc and bull riding. Because of his fine riding, he won the coveted silver "best bareback rider" belt buckle.

In addition to the sensational and thrilling convict cowboy contests, this year's show will highlight some of the best known country and western celebrities as guest artists.

Dottie West and the Heartaches will appear on October 3, followed by Connie Smith and Nat Stuckey on October 10; Charlie Walker on October 17; the Waylon Jennings Show on October 24, and the Porter Waggoner Show on October 31.

Chuckwagon Races and the popular Chariot Races will be featured as added attractions during each of the five Sunday performances.

Reserved seat tickets, priced at \$3, \$4, \$5 and \$5.50 may be obtained by writing Texas Prison Rodeo, Box 99, Huntsville, Texas 77340, enclosing check or money order.

Net proceeds from ticket sales are used to finance treatment programs for all inmates of the Texas Department of Corrections.

The rodeo is held in the prison stadium in Huntsville, with showtime being 2 p. m., Sunday.

DOMINO TOURNEY

Announcement was made on Friday that a domino tournament will be held at the Haskell County Country Club on Saturday, October 2, beginning at 7:00 p. m. Admission will be \$1.00 per person, and homemade cake and coffee will be served.

OUTDOORS -IN- TEXAS

Up in the Panhandle of Idaho is Pend d'Oreille, the state's largest lake. Its tributaries provide boating waters from the western boundary of Montana completely across the state and into Washington.

Pend d'Oreille is a fabulous lake with 111 miles of shoreline. It flows between towering cliffs that rise 1000 feet above the surface of the lake. Water depth is another 1000 feet.

Pend d'Oreille compares in surface size with some of our Texas lakes, like Whitney, Falcon or Livingston. But that is where the comparison ends. It has different fish and the method of fishing for them is different.

There are a few black bass in the water, but Lake Pend d'Oreille is famous for its lunker trout—Kamloops by name. I learned the unusual story about this lake on a very enjoyable visit up there only recently.

Something like 400 million years ago a small lake was created by the upturn of geology. This lake was first seen by white men about 1800 when they went into the area to compete with the Indians in fur trapping. These French Canadians named the lake after the Indians, who wore ear pendants. Hence the name Lake Pend d'Oreille.

For many years this lake provided wonderful rainbow trout fishing, plus Kokanee, that small land-locked salmon which virtually infests the impoundment. Although the rainbows were beautiful and productive fish, some of the sportsmen came up with the idea of stocking it with Kamloops from British Columbia. This was done around 1941.

The Kamloops is an outside rainbow itself, but it had gained this enormous size in its own waters in British Columbia. At first it was not known whether they would even reproduce in the waters of the Idaho lake. But they did. And with the millions of Kokanee for food fish they began to take on size.

By 1945 one was caught that weighed 32 pounds, eight ounces. This was a new world's record. The next year, the largest fish caught was a 31.8. But in 1947, an angler took out a 37

pounder on rod and reel, a record which still stands. Top fish in 1968 weighed 31.7.

These fish, as well as the Kokanee, usually are taken by trolling in big waters, although many are taken on rod and reel. The Kokanee, which produces something like our sand bass, and usually weighs about the same, are taken on trolling rigs behind big boats. The creel limit on them is 50 per day for sports fishermen. Commercial fishermen can take 200 a day for the first five months of the year.

Those fishing boats are usually equipped with two motors—a large one for getting there fast, a small one for trolling. Rods are carried on the back of the boats in outriggers.

Most of the boats also are equipped with "fish finding" devices. School are located and their depth determined with this

electronic gear. Then, with 20 pound test line a salt-water equipment they troll through the schools and it is no trick for them to catch the limit in an hour or so once they locate the school.

Like the Texas coast there also are party boats, where tourist fishermen can have all the fun they want pulling in these little salmon, with the everlasting hope they may get one of those big Kamloops. Non-residents pay \$5 for a 7-day license. Full information is available from the Chamber of Commerce at Sand Point, Idaho.

CHURCH CONFERENCE

The 26th annual Town and Country Church Conference is slated for October 14-15 at Texas AM University, says Ken Wolf, Extension economist and

conference publicity chairman. About 150 members of the conference will attend. Theme for the event is "The Changing Faces in the Pews".

Rains Reduce Usual Run At Haskell Auction

Heavy rains in the area, which resulted in muddy roads that were almost impassable, caused a reduction in the usual run of cattle at Haskell Livestock Auction last Saturday. An estimated run of 643 head of cattle and 130 hogs at the sale, James Powell, operator, reported. Prices were reported as steady to weak. Quotations follow:

Bulls: Bologna 26-28; light 31-40.
Butcher Cows: Fat 19-23, canner and cutter 18-22, old shells 15-18.
Butcher calves and yearlings: Choice 30-33, good 28-30, standard 24-28.
Feeder steer yearlings: Choice 32-35, good 28-32, common-medium 24-28.
Feeder heifer yearlings: Choice 31-33, good 27-31, common-medium 24-27.
Stocker steer yearlings: Good and Choice 34-37; common to medium 26-34.
Stocker heifer yearlings: Good to Choice 32-34; common-medium 24-32.
Stocker steer calves: Choice

National P-TA Week Proclaimed For October 4-10

Nineteen of the association's column writers entered the contest; and, when Francis Perry of Ballinger announced the winners, we received a nice certificate for fourth place award. It was then that we opined: "By cracker, we're better than 15 of them!"

We've always entertained the idea that a column should: 1. be entertaining; 2. be thought provoking; 3. point to a need, or some needs, in the community; and 4. to incite some action upon the part of its readers, if any. Since this one doesn't appear to be under any of these categories, guess it's best that we whack it off.

40-46; good 32-40; common-medium 26-32.
Stocker heifer calves: Choice 34-38; good 30-34; common-medium 24-30.
Cows and calves: Choice pairs 250 to 280, good pairs 200 to 250, plain pairs 165 to 200.
Stocker Cows: Choice 100 to 168 per head; plain 130 to 160.
Top on hogs was 17.70, with the bulk of butcher hogs selling from 17 to 17.50; sows from 13 to 15.

Round-up Reset For Monday, Oct. 4

ABILENE — Officials of the West Texas Rehabilitation Center have delayed the annual Cattlemen's Round-Up until Monday, October 4, due to heavy rains throughout the state. "With all of the high water in almost every direction from Abilene, it is impossible to get the cattle to Abilene for the sale at this time," announced C. A. Morris of Abilene, chairman of the event. The Round-Up, originally scheduled for Monday, September 27, is the largest fund-raising event of the WTRC. Time for the auction has not been changed and activities will get underway at 1 p. m., Oct. 4. "This does not affect either our horse sale or sheep and goat sale, both set for later in the month," Morris said. Money trays to fit desk drawers, for fast, easy change-making, available at HASKELL FREE PRESS.

You can grow more WHEAT by using Ammo-Phos

Why is Ammo-Phos so good for wheat? Partly because it dissolves so quickly. All of it. So your plants get faster feeding. And partly because each pellet of Ammo-Phos contains the same amounts of nitrogen, phosphorus and potash. Not separate granules of each chemically combined equally in each pellet. In the soil you order. er thing is that Ammo-Phos contains sulfur, getting hard to find. The exclusive process Olin used to make Ammo-Phos Fertilizers not only fully combines the plant foods. It also puts the phosphorus in raw materials into the finished product. Ammo-Phos is good for wheat because the pellets are the right size. They distribute evenly, without clogging distribution means even growth. This stimulates growth and earlier maturity. can grow more wheat by using Ammo-Phos, made only by Olin. For details come see us today. We're sign:

Patrolman Shows Accident Film At Rotary

Haskell Rotary Club members and guests met at the City Cafe at noon, Thursday, September 23, for their regular weekly luncheon meeting with president C. A. Thomas Jr. presiding.

Desmond Dulaney was program chairman for the day and he proceeded to introduce Skip Lane of the State Highway Patrol and Jim Smith of the public information department of the highway department as his program. Patrolman Lane explained ahead of time that the film on traffic safety which he planned to present would be gruesome indeed, but that, at times, it seemed necessary to show them to shock the driving public into realization of what carelessness on the highways could result in.

The film was produced by the State Highway Department of the state of Ohio and it was titled, "Mechanized Death."

Many macabre road accidents were shown at the scenes of the wrecks which caused untold injuries and death to the victims.

The film also portrayed other scenes less tragic in demonstrating how traffic on some of our major highways is now regulated from helicopter, which enables officials to spot an offender and have him stopped before tragic wrecks occur.

Invocation for the meeting was voiced by Rev. H. O. Abbott and the song session led by H. V. Woodard with Club Pianist Gail Barnett providing accompaniment.

Guests were introduced by R. C. Couch Jr. in the persons of students Trey Burson and Bob Shay of Haskell High School and Charles Owens of Haskell, guest of Ferrel Coston, and Don Weeks of Fort Worth, who was the guest of Abe Turner.

Senators Named On Committee

Lt. Governor Ben Barnes announced today in Austin the appointment of five members of the Texas Senate to the Senate Interim Committee on Oc-

DOWN MEMORY LANE: This community picture taken in 1911 will bring back memories of by-gone days as Haskell's Homecoming dates, October 22-23, are fast approaching.

Haskell County History

10 YEARS AGO (September 10, 1931)

Miss May Bell Taylor returned home last week from Los Angeles, California where she has accepted a position for the winter in Albany schools.

Jones Cox & Company, hardware and furniture dealers and pioneer undertaking establishment of this section, have recently completed the remodeling of a part of their furniture store into a modern funeral parlor.

Grady Murchison of Haskell has received notice that he will be Captain of Company E, at A&M College. Grady is a senior and a member of Ross Vol-

cupational Education. Receiving appointments are Senators Chet Brooks of Houston, who will serve as Chairman, Murray Watson of Mart, Jim Wallace of Houston, David Ratliff of Stamford, and Mike McKool of Dallas. This Committee was created by SR 1148.

The Occupational Education Committee will review the overall problems of occupational education, including (1) the effectiveness of the State Advisory Council for Technical-Vocational Education in accomplishing its duties as set forth in SB 261, 61st Legislature, Regular Session; (2) the funding of occupational education programs; (3) the need for the state to coordinate all programs that relate to the training of manpower; (4) the need to revise occupational education curriculum; (5) problems in teacher training and counseling; and (6) a review of state licensing and examining boards. The Committee will report to the 63rd Legislature.

60 YEARS AGO (September 30, 1911)

The formal opening of the W. A. Holt Store... Haskell's newest grocery establishment, was held last Saturday.

Mrs. Melba Thomas and mother, Mrs. P. J. Boles returned Saturday to Haskell to their home in the Rose community from Mineral Wells where they had been visiting relatives.

The Haskell County Atwater Kent Audition Contest was held at the Methodist Church in this city last Saturday, September 5. There were six contestants—two young women and four men. All of the voices were unusually good. Mrs. Bert Welch and Mrs. Lewis Smith were winners and will sing in a State Radio Audition test to be held in November in Dallas.

Mrs. Theron Cahill and son, Jerry, are spending this week in Abilene visiting her mother and other relatives.

The home of Mr. and Mrs. Vernon Lane in the Midway community, was totally destroyed by fire Saturday night, August 29th.

Miss Nettie McCollum and Mrs. Roy Killingsworth spent the day Monday in Abilene.

Mr. and Mrs. J. R. Fouts and family visited relatives in Brownwood last week.

60 YEARS AGO (September 30, 1911)

Maggie and Mary Pierson left Monday for Waco where they will attend Baylor University. J. D. Kinnison returned on Monday from a business trip to Oklahoma.

Mrs. Alvy Couch and Mrs. Jones of Weibert were shopping in Haskell, Wednesday. Miss Nannie B. Clarke, a pu-

Orland Smith left Tuesday for Phoenix, Arizona. Oscar Gates left Tuesday morning for Galveston, where he will take a course in Pharmacy.

Mr. and Mrs. J. F. Jones and Leotis Jones of Rule, and Dr. A. G. Neathery left to Stamford Tuesday where a minor operation was performed on Burwell Jones.

Judge Poole, R. E. Sherrill, Dr. Craddock, J. L. Linville, W. P. McCarty, Paul Zahn, Mr. Flenniken and Mr. Griffin attended the Farmers Congress at Abilene this week.

W. A. Trice died very suddenly at his home near Weinert the 18 day instant. The deceased was 84 years old and was an active man within a day or two of his death. He has been a member of the Methodist Church for 65 years. He has many friends who will regret to hear of his death.

Misses Dode Poole and Shirley Neathery visited in Stamford, Thursday.

Money trays to fit desk drawer, for fast, easy change-making, available at HASKELL FREE PRESS.

Rocky Loses Eye; Gains Splendid Friends In Area

I would like to take this means of thanking so many wonderful people in Haskell and area counties for my son, Rocky McKinney.

For the last five years, Rocky has had countless operations, skin grafts, and finally in June a cornea transplant in Galveston in an effort to save sight in his eye.

On the 17th of this month, his doctor in Austin said the transplant did not take, and "there was not anything else to be done." But Rocky's heartaches

and suffering will be in vain, because hearts who have been kind with him. Again thank you the Lord God who on you. Mrs. Sue White Rocky McKinney

News from Weinert

By Mrs. Henry Smith

Mr. and Mrs. Bill Rainey, Donna and David, spent the weekend with his parents, Mr. and Mrs. R. J. Rainey.

H. D. Club Notice

Home Demonstration Club will meet October 5 at the Community Center. Delegates to the State Home Demonstration Club meeting in Dallas will give reports. Mrs. Henry Smith will be hostess.

Mrs. Alice Smith of Munday spent three days last week with her daughter, Mr. and Mrs. George Gray.

Visitors in the O. W. Vaughn home Saturday were Mr. and Mrs. DeWayne Vaughn, Elaine and Jerry, of Anson.

Mrs. Joyce Hawkins and children of Haskell and DeWayne Vaughn attended the Weinert-Fluvana game.

Mr. and Mrs. George Gray attended the funeral of L. A. Parker at Benjamin last Friday.

Lee Gray of Abilene spent Tuesday and Tuesday night with his parents, Mr. and Mrs. George Gray.

Mr. and Mrs. H. C. Shubert of Wichita Falls visited Sunday with her sister, Mr. and Mrs. R. L. Adams.

Out-of-town visitors at the Methodist Church Sunday were Dr. and Mrs. Marshall Rhew of Seymour and Andrea Guinn of Haskell.

Larry Cunningham spent the weekend at Denton.

Mr. and Mrs. M. C. Cunningham visited their daughter, Mr. and Mrs. Chris Bissett, at Chillicothe last week.

Visiting with Mr. and Mrs. Donald Griffis for lunch and during the afternoon were her parents, Mr. and Mrs. J. L. Reid, Jr., of Rochester and his parents, Mr. and Mrs. H. D. Griffis.

Sunday evening Mr. and Mrs. Hollis Calloway of Haskell visited Mr. and Mrs. Donald Griffis.

Durwood Bruton of Dallas visited Thursday with his parents, Mr. and Mrs. Ben Bruton.

Mr. and Mrs. Floyd McGuire visited their son, Mr. and Mrs. Billy Row McGuire at Pyote the first of last week.

Mr. and Mrs. Floyd McGuire attended a reunion of her people, the Blackburn reunion at Bridgeport last week. Forty-nine attended.

Mr. and Mrs. Ronnie Adams, David and Rhonda spent Sunday with his parents, Mr. and Mrs. R. L. Adams.

School News

The Senior Class elected officers as follows: President, Walene Bredthauer; vice president, Nan Reeves; secretary-treasurer, Sue Hager; reporter, Dorothy Freely. Sponsors are Mr. Gene Shaekelford and Miss Mullino. Walene Bredthauer was selected as Miss W.H.S. and Rueben Jimenez was chosen as Mr. W.H.S. Most beautiful was Joan Caddell. Felix Garcia was most handsome. Senior favorites were Nan Reeves and Rueben Jimenez.

The Junior Class elected Melanie Vojkufka as president; Tony Walker as vice president; Hal Guess as treasurer; Johnny Earp, secretary, and Billy Story, reporter. Sponsor is Mrs. Ewing.

In the Sophomore class Johnnie Brueggeman is president; Frank Jimenez, vice president; Karen Earp, secretary-treasurer; Ruthie Dutton, reporter, and Miss Wright was chosen as sponsor.

The Freshman class elected Brian Bredthauer, president; Donnie Moeller, vice president;

Delores Reyes, secretary, and Felix Garcia, treasurer. Mrs. Keith Fry was elected sponsor of the class.

O'Brien chartered a bus to go to the Billy Graham Crusade at Texas Stadium at Arlington for the Wednesday night meeting. Going from Weinert were Rev. and Mrs. Charles Reynolds, Mrs. W. A. Dutton, Billy Don Story, Jerry Sanders, Rueben Jimenez, Rodney Dutton, Johnny Earp, Karen Earp, Johnnie Brueggeman, Melanie Vojkufka, Lisa Dutton, Donna Story and Ruthie Dutton.

Mrs. Henry Smith has returned from a visit in Hurst. She attended the Billy Graham Crusade Monday night.

Willie Moeller was in the hospital at Seymour last week. He was at home Sunday. Visiting were Mr. and Mrs. John Grametbauer, Mr. and Mrs. Ernest Goetz, and Mr. and Mrs. Ernest Moeller, all of Haskell, and Mrs. Dora Brueggeman and children of Weinert. Monday, Mrs. Willie Moeller, Edwin and Ernest of Haskell, and their father, Frank Moeller took Willie to the hospital at Wichita Falls for further tests.

Visiting in the E. S. McGuire home during the weekend were their daughter, Mr. and Mrs. Pete Assad and Tommy of Wichita Falls. Their mother and grandmother, Mrs. A. D. Bennett of Munday visited with them part of the time.

Mr. and Mrs. Ocie McGuire and Mr. and Mrs. Ralph McGuire of Rochester visited their brother, Mr. and Mrs. E. S. McGuire, Sunday night.

Mrs. P. R. Flanagan and Jay and his friend, Ricky Walker of Weatherford, spent the weekend with Mrs. Flanagan's mother, Mrs. J. A. Driggers.

The L. D. Vaughn family of Anson visited Saturday night with Mrs. J. A. Driggers.

Mr. and Mrs. Alton Sanders and Mr. and Mrs. Jimmy Griffith went to visit the Baptist Seminary at Fort Worth Tuesday. That night they attended the Billy Graham Crusade.

Evelyn and Alexia Mayfield, students at H-SU, visited their parents, Mr. and Mrs. J. A. Mayfield, during the weekend.

Mrs. J. A. Mayfield, Arch and Alexia, and Mrs. Bailey

Guess attended the Billy Graham Crusade Saturday night.

Mr. and Mrs. Al Cunningham and Tommy Miller, Abilene, spent the weekend with their parents, Mr. and Mrs. Hugh Miller.

Mrs. Glenn Caddell attended the State Home Demonstration meeting in Dallas Thursday and Friday. On the way home Friday they toured the Wax Museum of the Lord's Supper in Fort Worth.

Susan Gilleland of Haskell spent the weekend with Joan Caddell.

Clifford Campbell of Lubbock visited in the Glenn Caddell home.

Mr. and Mrs. R. W. Raynes visited during the weekend in Seminole with Mrs. M. L. Raynes Sr., Mr. and Mrs. L. B. Roberts, Lou Muntzert and Coletta.

Mr. and Mrs. Ronnie Stewart and girls visited Mr. and Mrs. Bill Jetton and girls in Brownwood during the weekend.

The Lions Club met at the Community Center at noon, Sept. 20. Rev. L. J. Helm of Rochester brought a program on relaxation. He said when he was up-tight, he headed for his workshop, where he makes

lamps, towel racks, rolling pins and other things from tree limbs, using mesquite, cedar, hackberry, pecan and other wood. He displayed a number of things he had made, and the finished products were beautiful. Present were president, Jimmy Griffith; secretary, Jerry King; Marvin Phenister, Melvin Vojkufka, R. L. Edwards, Lester Hutchinson, Elmer Adams, Rev. Chas. Reynolds, R. M. Walker, Ted Jetton, R. S. Sanders, and guest speaker, Karen Earp is Lion Sweet heart.

Rev. and Mrs. Henry Salley and Deanna of Crosbyton spent Sunday night and Monday with her parents, Mr. and Mrs. R. M. Walker.

Miss Vivian Haley of Tulsa, Okla., is visiting her cousin, Mr. and Mrs. R. M. Walker.

The Baptist Church hosted a fellowship meeting for the young people after the game Saturday night. Sandwiches and drinks were served.

Mr. and Mrs. C. W. Offutt left Love Field Tuesday by plane to visit their daughter, Mr. and Mrs. R. W. Anderson at Columbia, Ga.

Mrs. Eddie Sanders and daughter, Mrs. Wayne Offutt

Basic Education Planning Meeting Stated October 5th

An organizational meeting on adult basic education has been scheduled for 8:00 p. m. Tuesday, October 5, at the CAP center.

All who are interested in adult education are urged to be present for this meeting, as this is the time for all to decide which nights they would like to have the school. It will be held at the convenience of the people desiring the classes. So many have shown an interest in this, and they are urged to attend the meeting. Mrs. Irene Stewart will be here to help organize.

Mr. and Mrs. Jersey Walker entertained their niece, Mr. and Mrs. W. W. Webb and children of Oracle, Arizona last week.

Mr. and Mrs. Victor Hobbs received word from their son Keith, at Little Rock, Ark., that they have a new baby, Kristin Jane, weighing 7 lbs., 3 ozs. Mother and baby are doing fine. Mr. and Mrs. V. W. Cline of Lubbock are the other grandparents.

Mr. and Mrs. Roy Herricks visited Mr. and Mrs. Bill Schwartz at Clyde Saturday.

Mr. and Mrs. Chan Alexander of Texarkana visited their grandmother, Mrs. M. E. Chandler, Wednesday night.

Garth Green, last week in hospital on September 20.

ys from Rule

MRS. DALE LEWIS

Classes tuition and materials are furnished free of charge. All interested individuals are urged to be present next Monday night.

Garden Club Tour

Rule Garden Club members enjoyed a tour of the Cliff Dunnam cactus and dahlia gardens on Wednesday, Sept. 22. Mrs. Olis Macon directed the tour and members viewed 200 varieties of cactus from all parts of the country, growing in

rock, petrified wood, gravel and dirt, and huge dahlias in a large array of colors.

Twelve members made the tour, Mmes. Joe W. Cloud, Glen Carothers, Alma Allen, James Lisle Sr., E. O. Morgan, C. B. Sprayberry, H. H. Hines, Bill Gann, Hubert Hunt, O. G. Lewis, Roy Foster and Olis Macon.

Rotary Club Meets

Rule Rotarians heard John Greeson, minister of the Rule Church of Christ, speak on "Are You Hypnotized?" at their regular noon luncheon meeting Monday, Sept. 20, at the Blue Bonnet Cafe. The program was most interesting and provided much food for thought.

Two guests were present from Hamlin.

Fellowship Held

An after-game fellowship was hosted by the First Baptist Church Friday night following the Rule-Munday football game. A large number of high school students were present for the fellowship and refreshments. A flag made of streamers and colorful lights were the decorations with tapes furnishing background music.

Junior High Team Wins

Rule's junior high Kittens journeyed to Hawley last Tuesday night, and won over Hawley team with a 20-0 score. The Kittens have yet to be scored on.

Busy Bee Club Meets

Members of the Busy Bee Club met Thursday, Sept. 23, in the home of Mrs. Miles Powell. The president, Mrs. Bill Gann, opened the meeting, and Mrs. Bill Mason gave the opening exercises, entitled, "What's Right About America."

In the brief business meeting, the minutes were read and approved, roll call was answered with helpful hints using the unique zipper. Members voted to retain the same officers for the coming year. A total of 87 visits to shut-ins were reported by the membership.

Those present included Mmes. Bill Gann, Bill Mason, Herbert Hines, Hershel Hines, Jake Wheeler, E. O. Morgan, O. J. Moore, W. V. Almond, Olis Macon and Emmitt Eakins.

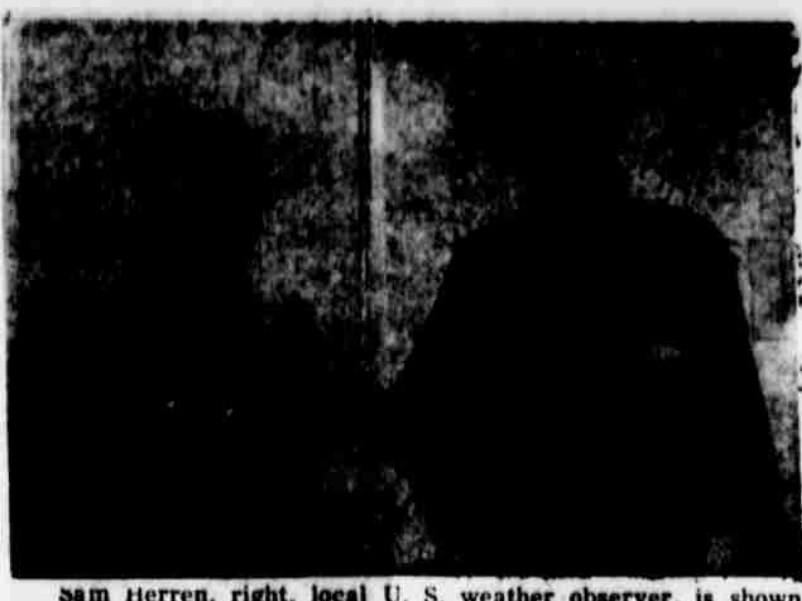

Mr. and Mrs. Frank Campbell left September 17 and returned last Saturday, vacationing in Arizona and New Mexico. They were accompanied by friends from Fort Worth, Mr. and Mrs. W. C. Shive.

Quite a nice cheering section journeyed to Canyon and West Texas State Saturday, Sept. 25, to see the West Texas State freshmen play the Wichita State freshmen. WTSU won 23-7. Our own Jimmy Lisle played throughout most of the game. Attending from Rule were Mr. and Mrs. James Lisle Jr., Mike David and Jennye Ruth, Mrs. James Lisle Sr., Mr. and Mrs. Dennis Briles, Art Briles, Ernest Simpson and Larry, Mrs. JoAnn Carroll, Cynthia and Mrs. Thomas Bevel of Rochester.

Mr. and Mrs. L. B. Pike are visiting Mr. Pike's mother in California.

Mr. and Mrs. Gary Parr of Abilene visited her parents, the Lamar Caseys, on Friday night.

Mrs. Jerry Crumpton of Abilene visited her parents, the

Sam Herren, right, local U. S. weather observer, is shown receiving his 30-year service emblem from L. R. Mahar of the National Weather Service, southern region, in Fort Worth.

Sam Herren Awarded Pin for Thirty Years As Local Weather Observer

At approximately 3:30 p. m. Wednesday, September 22, Sam P. Herren, familiarly known in Haskell as "The Weatherman", was awarded an attractive pin emblem in recognition of his 30 years service to the National Weather Service. The award was presented "Mr. Sam" in the office of The Haskell Free Press by Mr. Harold Paukert of Fort Worth, a representative of the Southern Region of Na-

tional Weather Service.

The local weather observer was also mailed a letter of commendation from L. R. Mahar, director of the National Weather Service, Southern Region, in Fort Worth. Contents of the letter follows:

"Dear Mr. Herren: September of this year marks your completion of 30 years as a cooperative weather observer. We join the Secretary of Commerce, the Administrator of National Oceanic and Atmospheric Administration, and the Director of the National Weather Service in congratulating you on this outstanding record of public service.

"Every day many organizations and individuals in governmental activities, as well as in private enterprises, use the valuable information made available only through your efforts and wholehearted support.

"Please accept the enclosed emblem as a small token of the high esteem with which your service is held. We hope you continue to find your weather work interesting and many more years are added to your worthwhile record of public service."

Mr. Herren first started keeping records of local rainfall on his farm for what was then the

U. S. Weather Bureau on September 19, 1941. Only recently this was changed to the National Weather Service.

On April 28, 1941, Herren took over the local weather station in Haskell, which included the rain gauge and the thermometers for recording the high and low temperature each day. Each time the local rainfall measures one-half inch or more, Mr. Herren makes a report by telephone to the National Weather Service office in Abilene.

Mr. Sam's loyalty to duty in this service has also been extended as a courtesy to the Haskell Free Press and as an added service to subscribers to this publication. He not only informs the paper of the rainfall, regardless of how much or how little, but provides us with a monthly report. This is a service that is appreciated by everyone in the Haskell area,

as well as those former residents living in "far away places" who subscribe to the Free Press.

Congratulations Mr. Sam, for the recognition you have received.

THOMSON RECUPERATING FROM HEART SURGERY

Joe Thomson, son-in-law of Mr. and Mrs. Hallie Chapman of Haskell, who underwent open heart surgery in Fort Worth on September 9, is showing wonderful and rapid recovery, according to the Chapmans. He is at home now, recuperating from the surgery, but it will be some time before he returns to work.

He would enjoy letters and cards from Haskell people. Those desiring to write him may do so at this address: 6335 Woodway Dr., Apt. 260, Fort Worth, Texas 76133.

INVESTMENT TAX CREDIT NEEDED

OF AN INVESTMENT TAX CREDIT of to the first \$25,000 of investment, is needed, Dechant told House Ways and Means Chairman Wilbur Mills (Ark.) in a letter we recommend," said Dechant, "that the tax applicable to used, as well as new equipment will be a real stimulus to farmers and small farmers."

Dechant went on to say that the fact that cultural products are exempt from the price little help or comfort to farmers since the Act effectively set a ceiling on farm income.

He urged Mills to keep the critical economic family farm agriculture constantly in mind to and improving the proposals for new tax made by the President on August 15 . . . in depressed farm income situation . . . Farm- any improvements that are possible through

ATTEND THE TRACTOR DRIVING CONTEST

Mr. and Mrs. James Horton and little daughter, Lisa, visited the Rayberne Olivers last Tuesday.

Mr. and Mrs. Novis Ousley, Ronnie Oliver, Robert A c e Turner, and Jacky Wilcox, were in Stamford Saturday night to hear Jimmy Allen speak at the Orient Street Church of Christ. Over 700 area young people were present to hear him.

Mr. and Mrs. Jim Camp, formerly of Plano, moved back to Rule last week. They will be living in Mr. Goad's former home.

Visiting the Jim Camps and Mrs. Bill Gann last weekend were Mr. and Mrs. Don Foil of Fort Worth, their children, Larry and Nancy; also, James Ray Camp and son, Brent, of San Antonio.

Mr. and Mrs. Ben Kittley attended a family reunion in Weatherford last weekend.

Mr. and Mrs. Emmitt Eakins visited in Seymour Saturday with their son and family, the Wayne Eakins.

Mr. and Mrs. Boyd Baird and Lisa visited in Stephenville over the weekend with the Bill Bairds.

Mrs. Bill Yarborough and Mae Hamilton visited in Moody Texas last weekend with Odie Johnson.

Mr. and Mrs. George Smith and Mr. and Mrs. Van Laughlin visited in Stephenville last Saturday with Mrs. A. D. Johnson.

In an agricultural community such as ours, the refined aspects of farming are vitally important to our economy.

The Haskell County Fair is a public showcase of the progress of our agriculture. The Tractor Driving Contest, sponsored each year in the Fair, is one phase of this Fair that promotes the safety, skill and dexterity that is so vital to the major means of our economy.

Attend THE HASKELL COUNTY FAIR . . . and be present during the TRACTOR DRIVING CONTEST. Let's support this division of our Fair, and continue the work necessary to make our county the most progressive in the state, where Farming and its related activities are concerned.

See you at the FAIR, and we'll join you in watching our youngsters compete in THE TRACTOR DRIVING CONTEST.

Films of Billy Graham Crusade On Nightly Program At The Fair

Up-to-date films of the Billy Graham Evangelistic Crusade will be featured at the Haskell County Fair on Thursday, Friday and Saturday. Robert Barnett will present these films on the fair grounds.

Two of the films about Billy Graham's recent crusades in Japan and Germany will be featured; then, a film on the present times, "The Lost Generation", showing the power of the Gospel in the lives of young people will be presented.

The film on the Tokyo Crusade features a personal word of witness from English "Pop" star Cliff Richard and the American League's Bobby Richardson, as well as an address by Evangelist Graham. Of the Tokyo Crusade it was said: "Japan is primarily a Buddhist country, and Christians are an extreme minority. . . . The overwhelmingly response to the crusade was a miracle, as total attendance went well over the 200,000 mark.

"We Hand the Torch to You" is a color presentation, the intriguing story of the most ambitious television ministry ever to span the European continent, from Zagreb, Yugoslavia, in the south to Tromso, Norway, above the Arctic Circle. In his closing message, Billy Graham said:

Munday Airman Completes Course

DENVER — Airman Kenneth D. Booe, son of Mr. and Mrs. Cecil Booe, Munday, has graduated at Lowry AFB, Colo., from the U. S. Air Force weapons mechanic course.

The airman, who was trained to load and inspect the weapons used in Air Force fighter aircraft, is being assigned to McConnell AFB, Kan., for duty with a unit of the Tactical Air Command which provides com-

CABBAGE COOKERY

Cabbage should be cooked the shortest time possible and with as little water as necessary, advise Extension foods and nutrition specialists. That's the way to save its high nutritive values.

bat units of air support of U. S. ground forces.
 Airman Booe is a 1970 graduate of Munday High School. His wife, Vickie, is the daughter of Mr. and Mrs. H. D. Matthews of Munday.

Another Feature of the Fair

One of two Texas Department of Agriculture Agri-Tour exhibits will be in Haskell, September 30 and October 1 and 2, for the Haskell County Fair.

Both vans are operated by couples who practically live in them year-round due to their hectic schedules.

Texas Agriculture Commissioner John C. White and the TDA combined with allied agribusinesses to finance the pair of 56-foot mobile exhibit trailers.

As well as being informed about the limitless abundance and high quality of Texas food and fibers, Texans also receive a brief historical and geographical description of the Lone Star State as they enter the van.

Through color slides, posters and word of mouth the story of Texas agriculture and the bold TAP (Texas Agricultural Products) promotional program is told.

Turkey, beef and natural fibers are subjects of slides which have been produced by the TDA. In addition, recipes and literature on consumer hints are distributed to the visitors.

Adding immeasurably to the popularity and success enjoyed by the Agri-Tour operation are the knowledgeable TDA specialists, Mr. and Mrs. Jess Moreland and Mr. and Mrs. Buddy Rountree, who accompany the trailers to various stock shows, county fairs and shopping malls, among other stops.

The vans feature a great amount of TAP literature. This ambitious program, initiated by Commissioner White in November, 1968, has as its goal to increase Texans' awareness of the richness of our state in food and fibers, and to emphasize the fact that it benefits all Texans to buy home grown products.

The Agri-Tour, which began in 1967, remained in the vicinity of San Antonio for the duration of HemisFair in 1968. Thus, it was easily accessible to fair visitors. So it has spread the word of Texas agriculture not only state wide but all throughout the Americas.

Fairness Must Be The Goal Of The New Economic Policy . . .

NFU PRESIDENT TONY DECHANT met with President Nixon, along with other farm leaders Tuesday. He expressed support for the wage-price freeze and a desire that the inflationary controls in the New Economic Policy succeed. He said the broad base of political support that is required for success depends on the fairness of the adjustments that will follow the freeze. But he said, "We must question any adjustment for any segment of the economy that is made before a significant adjustment upward is made for farm prices." (For more, see page 3.) On Thursday, President Nixon promised that "Phase II" of the program "would have teeth in it" and that "strong, effective" restraints would be placed on major industries. He hinted that the 10% tax on imports (which the Farmers Union believes should be ended) might be around for a long time because the U. S. is seeking "long term" world monetary reform and "burden sharing" in defense costs. Treasury Secretary Connally said in London that the U. S. wants to improve its balance of payments by \$13 billion.

(Editor's Note: Following is a statement based on remarks of NFU President Tony Dechant to President Nixon in a conference with other farm leaders at the White House on Tuesday.)

Mr. President: We support the wage-price freeze. We want the inflationary controls in your New Economic Policy to succeed. The broad base of political support that is required for success depends upon the fairness of the adjustments that will follow the freeze. Your decision to invite leaders of various segments of the economy to participate in planning what will follow the wage-price freeze is commendable. The goal of this planning must be toward a truly effective program to reduce inflation, unemployment, and inequity.

We must question any adjustment for any segment of the economy that is made before a significant adjustment upward is made for farm prices. The 1970 farm act effectively set a ceiling on farm income for 3 years. Farm parity is now at 70. It has been this low in only 3 other years since 1910. Prices for most agricultural commodities in the marketplace are even lower than the 70% of parity figure. Your own 1970 Economic Report listed farmers' return on invested capital at only 1.1%. Rural America is lagging not only in income, but health and education, housing, government services and facilities, and even in most kinds of area-wide planning and development. The recession in agriculture is a drag on the rest of the economy. As the squeeze between costs and prices grow tighter, farmers find themselves less able to re-capitalize and to make the expenditures necessary for efficient production. This is immediately reflected in the cash registers of all businesses located in the rural areas of the nation. The worsening situation is robbing rural America not only of economic prosperity, but of hope. If the current trend continues, it will cost 25% more to farm in 1975 than it does today.

You have said that productivity should be the guideline for upward adjustments of income. We support that concept. You noted in your speech to the dairy farmers in Chicago that agriculture has increased its productivity during the past 20 years by 300%—twice as fast as the rest of the economy. Secretary of Agriculture Hardin commented recently that agriculture has not contributed to the spiral of inflation.

We see unemployment as a problem that is as bad as inflation. It is worse in rural areas. Unemployment is not only a tragedy for those who are without jobs, but it drags down businesses, such as agriculture, which are ultimately dependent on the purchasing power of people.

We support removal of the dollar from the gold standard. We oppose continuation of the 10% tax on imports. In the long run, we believe this extra tax will invite retaliation which will fall heaviest on agriculture. Indeed, a working group in the General Agreement on Tariffs and Trade is reported to be saying already that GATT members are entitled under the organization's rules to take counteractions against the U. S. Although exports may appear to be relatively unimportant in the nation's economy as a whole (only about 6% of our trillion-dollar economy), they are vital to agriculture. Our farmers sell the commodities produced on one out of every four acres abroad. No other segment of American business is as dependent on foreign sales as agriculture.

The most serious drain on our balance of payments, except for the war and related defense programs, has been investment of American dollars abroad. Additional limitations should be placed on overseas investment. The most serious omission in the New Economic Policy so far is the absence of a ceiling on interest rates and excess profits. Agriculture—which conducts so much of its business on borrowed money—is hurt more by high interest rates than other businesses. Your 1970 Economic Report showed that food chains earned a 23.6% return on invested capital. Such excessive profits make them relatively less dependent on borrowed money, thus increasing the inequity that results from the exclusion of interest rates from the freeze. Excessive interest rates and profits should have high priority in the planning for the post-freeze period.
