The first stop was in Abilene where the team ate lunch, the next stop was in Brownwood where the boys had a workout and spent the night at the River Side.

Wednesday at 7:30 a.m. the team are breakfast and was soon on the road again. The bus arrived in Austin just in time to eat lunch, After lunch the team had a 30 minute practice session in the Super Drum.

State Championship back home with them.

With Joey having trouble with his ankles, Roger Pinson stepped in and took up the slack. Roger had 12 points for the game. All season, Abernathy has played team ball and that's what it took to win and Abernathy did so with a 64 to 58 win over Boling.

The encouragement that the other members of the team was really a high point for us, says Irlbeck, these young men helped to keep the team going, along with the fans from Abernathy, ruffly guessing they were between 600 to 1000 people in Austin backing the Antelopes.

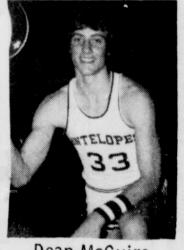

Coach Irlbeck said, "in the nine years that I have been coaching at Abernathy, this is one thing I have wanted and this is also the first time that the Abernathy Boys have ever gone to state, and to come back, The State Champions is just super."

Coach Irlbeck would also like to thank many people, especially the other coaches, who have scouted and for all the hard work

Spirits Were High In Abernathy Sat, Night

The spirits were high and it was a busy night in Abernathy last Saturday night as those who were not able to go to Austin and see the Antelopes play in the state tournament games to become the STATE CHAMPS; were driving up and down the streets waiting to greet the Antelopes and their coaches as they returned home between twelve and one a.m. If you heard the sirens blowing on the fire trucks, it wasn't a fire but, the Antelopes being escorted into town to a large group of fans cheering and the band playing as they drove up in front of the high school building. The band played the AHS fight song as the fans clapped and cheered. There was a caravan of cars returning from Austin behind the Antelopes. It was an exciting time. Coach Irlbeck was the first one to step off the bus followed by players and cheerleaders. Some of the boys had on orange shirts with white lettering saying, "Texas Longhorns" and western Longhorns"

The people who stayed home really appreciate the games being broad casted over the two radio stations, and the local businesses that made this possible. comments I heard from different ones were of that they took their phones off the hook during the last nine seconds of play in the Thurs-day game and if the phone did ring they just let them ring. I know that game kept us on the edge of our chairs. We are proud of The Ante-lopes and their coaches and

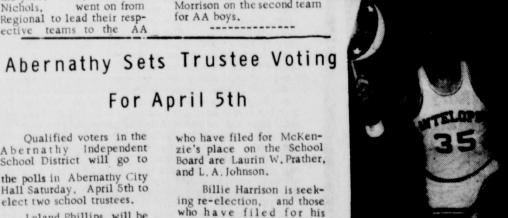

Several ask why we didn't go cover the games. We would have loved to gone, but we have to meet schedules with the paper and other reasons besides that. We did have one of our staff members there, Edith Howard, who does the typing for The Review.

I have heard of several former Abernathians' were in Austin to see the games, Bill Caffey, a former teacher in the Abernathy school who now lives in Sidney and teaches in the Comanche school system went to Austin for the Saturday game. Ray and Nancy (Young) Baumgart of Corpus Christi was there Nancy was on one of the girls teams from AHS that went to state in the 1950's. Their daughter Sherry is a student at the University of Texas. Julia Brashear a 1955 AHS graduate was there with her AHS annual.

Former Abernathy boys basketball Coach Wayne Preston of the 1950's and early 1960's was there to see their youngest son, Mark, senior,play for Snyder,Coach Preston lives at Snyder he teaches science and helps in the Junior High basketball. Ron, their oldest son is the superintendent of a consolidated school near Bowie, and their second son works in the police department at Abilene. Mark was also picked on the All-Star team.

I'm sure there were many more but, these are the ones we were told about. I know one thing this will be the topic of conver-

sation for quite awhile.
