

New sausage produced in county

Sunday, November 23, 1980 - PLAINVIEW DAILY HERALD

By DOUG McDONOUGH
Herald Staff Writer

A new brand of pork sausage just now reaching local supermarket counters has the unique distinction of being produced in Hale County for distribution throughout the Panhandle-South Plains-Permian Basin region.

The brand label used by the sausage producers also has a taste of West Texas, with the label used by Premier Pork Products, Inc., proclaiming the Ol' Tascosa brand coupled with a windmill and rahce scene. "We can't sing a lick, but

we can make sausage," Troy Pritchard, president of the new business, jokingly commented, alluding to his former association with singer Jimmy Dean of Plainview in his sausage operations. Premier Pork Products is owned and operated by Pritchard, a Plainview resident, and Lacy Montgomery of Memphis, Texas.

"We've been working on this business since April," Pritchard explained, but actual packaging began Wednesday with the first deliveries reaching area supermarkets on Thursday. THE NEW firm will be

based in Abernathy with the actual slaughtering and packing done on a contract basis by Abernathy Meat Products. "We are strictly a local operation, using local hogs and local labor. That way our money will stay at home," the firm's president explained.

Pritchard projects that the firm will be slaughtering up to 200 hogs for 20,000 to 25,000 pounds of meat per day, "if people will eat our product. We will be buying top hogs, not sows, from any producer in the area and will be buying those animals based on Omaha top."

The new business will handle its own distribution, with route salesmen servicing supermarket counters. "That way, the customer can be assured of getting a fresh product." The business will employ about 20 individuals, with more than half of those from Plainview.

"We have a high lean content product that local grocery men are very pleased to accept. We're starting small, but I think we can match anyone in quality and taste. We wouldn't be doing this if we didn't think we had the best product on the market."

PLANS CURRENTLY call for just the production of sausage, but Pritchard said other pork products will be added, depending on the customer acceptance of the initial offering. "We will supply the local grocery men whatever they would like in the way of pork products, such as pork spareribs and loins." Plans already have been made to add a smokehouse to the Abernathy facility for smoking hams, sausage links and pork loins.

Also, Pritchard said the firm plans to market 100 percent pure ground pork, which will have no seasoning and can be used as a substitute for ground beef. "It should be available around the first of the year and will be competitive,

price-wise, with hamburger." The sausage will be available in hot and regular flavoring in one- and two-pound packages.

Montgomery, Pritchard's partner, operates a 500-sow hog operation in Memphis, but is quick to point out that his operation will furnish only a fraction of the hogs the new business will require. "West Texas hog producers have lost many of their markets, but we are opening another for them."

Montgomery explained, "We are meeting hog producers on a one-to-one basis."

The firm's owners decided to place their business in Abernathy. "Because the slaughter plant was here," Pritchard said. To adapt the plant for sausage produc-

tion, the facility was remodeled and updated. "We installed vac-pack machines to package the sausage to insure freshness of our product."

THE INITIAL marketing strategy will be to concentrate on Panhandle, South Plains and Permian Basin communities. "Once Ol' Tascosa brand sausage is accepted by those consumers, we will go into the Amarillo and Lubbock markets. However, we plan to keep the business centralized in this region."

A long-time Plainview resident, Pritchard was associated with electronics and chemical businesses before he and Montgomery organized Premier Pork Products.

SAUSAGE MAKERS — With owners Lacy Montgomery, left, of humorous personal slogan of "We Memphis and Troy Pritchard of can't sing a lick, but we can make Plainview inspect packaging for their sausage," Premier Pork Products Ol' Tascosa brand sausage.

READY FOR PROCESSING — Troy Pritchard inspects hanging hog carcasses that are being aged in preparation for further processing into sausage and packaging. The meat is federally inspected and packaged as premium.

The H's Four I pledge my head to clearer thought that in the life I face, I'll make my home, my country, and my world a better place.

I pledge my heart to loyalty that I may surely be A champion of justice for all humanity.

I pledge my hands to service that I may always try To give my courage and my strength to those with less than I.

I pledge my health to living a life in which I dare To reach out for my brother's hand, to love and hope and care.

I take my stand, I make my pledge, and each day it means more, And from now on through all my life, I'll pledge the H's Four.

Plan Ahead For Christmas Gift-Giving

Plan ahead for Christmas gift-giving to save time, money and frustration, advised Bonnie Pernot, a family resource management specialist.

First, decide how much money to spend, and resolve to stay within that limit, she says.

Mrs. Pernot is with the Texas Agricultural Extension Service, The Texas A&M University System.

After setting a spending limit, use the following money-saving tips to reduce gift expenses:

Take advantage of sales and specials to buy gifts, buy at bargain prices whenever possible.

Use imagination in choosing gifts. Try new types of stores and items.

For example, instead of one large present, consider several small, related gift items, or combine purchases with homemade items.

Make your own gifts if you sew, bake, paint or are skilled in other crafts. These may mean more to the receiver than a bought item.

Buy Christmas cards, supplies and decorations for the following year during after-season markdowns have gone into effect.

When the family or group is large, consider drawing names instead of buying gifts for everyone.

Set aside a place at home for storing gift items and wrapping supplies.

Be realistic in the amount of money you budget for special occasions. Spend only what you can afford. Substitute money with time, effort and skills.

Make gift-giving a joyful experience for the giver and receiver. Don't let the pleasure of wrecking the family budget, the

How many friends and relatives should you remember?

How should you remember them--by present, card or party?

How much money is available to spend?

How much money should you spend on each person?

Do you have to spend money at all?

SEEDS FROM THE SOWER
 By Michael A. Guido, Metter, Georgia

A teacher asked her class, "If you have seven bars of candy and I asked for four, how many would you have left?"
 "All seven," said the boy.
 I feel sorry for the person who has an open mouth but a closed hand, who thinks only of getting and never of giving.
 The more generous you are, the more glad some you will become. The more considerate you are, the more cheerful you will become. The wise man said, "It is possible to give away and become richer! It is also possible to hold on too tightly and lose everything. Yes, the liberal man shall be rich! By watering others, he waters himself."
 Giving is like sowing seeds. Plant a few seeds, and you will get a small crop. Plant much, and you will reap much. And what will you reap?
 Friends. If you are unlovable, you will not be loved. If you are greedy, others will not be generous with you.
 You will reap favors. What you do for others, you do for God. Give the best you have, and God's best will come back to you.

Mrs. Mike Flores
(nee Olga Trevino)

Vows Spoken

St. Isidore Catholic Church was the setting for the 2 p. m. candlelight ceremony that united Olga Trevino and Mike Flores, Jr. in marriage, Saturday, November 29, 1980. The double ring ceremony was performed by the Father Glenn Rosendale, of St. Theresa's in Hale Center.

Olga is a daughter of Mr. and Mrs. Mamel Trevino, Sr., and Mike is the son of Mr. and Mrs. Mike Flores, Sr. all of Abernathy.

The couple exchanged their wedding vows before an archway formed by two brass candleabras complimented with twelve white taper candles each. The pews were marked with white and blue bows and ribbons.

Liza Flores, sister of the bridegroom and Harvey Trevino, brother of the bride, registered guests and hand out rice bags. The choir from St. Mary's in Amarillo, along with Toby Barrick of Abernathy provided the wedding music.

The bride was given in marriage by her parents, wore a formal gown of white organza and Chantilly lace featuring a chapel train with lace ruffles cascading the full length. The bodice featured a Queen Ann neckline and a double sleeve, a slender sleeve with lace appliques and a sheer Bishop sleeve overlapping it. The veil was made and designed by the bride's mother. It was of tulle and rose lace, featuring "hazares" and was fastened to the bride's hair and cascaded the length of the dress. She also wore the traditional blue garter, for something old a silk handkerchief, for something borrowed, a pearl necklace and a pair of earrings belonging to Carmen Lopez and her outfit was for something new. The bride's father also placed a 1959 and 1961 penny in the bride's shoe for good luck and happiness. The bride's bouquet was of white carnations with greenery and baby's breath.

Maid-of-honor was Norma Trevino, sister of the bride, bridesmaid's were Mrs. Micki Villagas, Mrs. Cecilia Luera, Mrs. Georgia Garza, and Mrs. Debbie Trevino all of Abernathy. Mrs. Margaret Castro of Lubbock and Mrs. Mary Trevino of Amarillo, Jr. Bridesmaid's were Miss Rachel Lopez, cousin of the bride, Miss Mary Helen Trevino, sister of the bride, and Miss Dolores Flores, sister of the bridegroom.

The groom was attired in a formal white tuxedo with black velvet lapels and vest, Toby Barrick served as best man. Groomsmen were Adam Villagas, Terzo Luera, Max Garza, and Valdo Trevino all of Abernathy. Sonny Castro of Lubbock and Manuel Trevino, Jr. of Amarillo.

Escorts for the bride, bridesmaid's were Andy and Smiley Lopez and Tony Ortiz, Jr.

Flower girls were Tricia Trevino and Missy Lopez. Ring bearer was Albert Lopez, Jr. Serving as ushers were Joe Lopez, Mario Lopez and Joey Lopez.

A reception in the parish hall followed the ceremony. The bride's table was covered with a white lace tablecloth. The traditional four tier wedding cake was decorated in white with cranberry flowers.

Guests were served by Micki Villagas, Cecilia Luera, Carmen Lopez, and Yolanda Ortiz.

Members of the house party included: Mesdames Maria Guillen, Mary Ramirez, Minnie Avalos, Jamie Rios, Phyllis Guillen, Susie Mansalenas, Lupe Ponciano, Virginia Mansalenas and Connie Torres.

For traveling, the bride wore a maroon with gray two piece suit, with pale pink knit blouse and corsage of white and pink carnations. The bride is a AHS graduate and presently employed by Gould's Pumps in Lubbock. The groom, also a AHS graduate is currently enrolled at Texas Tech.

The couple will honeymoon in San Antonio and will make their home in Abernathy.

Sunshine Group Has Meeting

The Sunshine Group met November 20 for their Thanksgiving celebration. Blanche had the tables all decorated with pumpkins, turkeys, fall leaves and candles. Also some little baskets of candies which made good nibbling while the program was going on. We always have good crowds on bad days and this was no exception.

Floyd called the meeting to order. Ruby Knox gave the opening prayer. We had three birthdays this month which is always important. Dixie lead us in singing three songs which we enjoyed doing. Ollie read the minutes then we discussed our December meeting and decided to have just a regular dinner, so we wouldn't get too much turkey. Part of the program didn't show on account of the roads. Lillie Mae had a reading she had been saving for just such a place so she read it for us. "When God Created Mothers" When the good Lord was creating mothers an angel appeared. The Lord told the angel a mother has to be completely washable but not plastic-180 moveable parts all replaceable-run on black coffee and leftovers, has a lap that disappears when she stands up and has six pairs of hands. The angel said six hands! No way! The Lord said that wasn't what was bothering him, it was the three pairs of eyes that mothers have to have-one pair sees through closed doors another in the back of her head and one pair in front. The angel said Lord go to bed, tomorrow is another day. Lord said he was to close to having her finished. She is tough, you can't imagine what a mother can do or endure. The angel saw a small spot on her face and asked what that was for. The Lord said it is a tear. It's for joy, sadness, disappointment, pain, loneliness and pride. "You are a genius," said the angel. The Lord looked somber, "I didn't put it there."

Lillie Mae introduced Don Moore, music director from the First Baptist Church. He invited us all to the Community Thanksgiving service at the Methodist Church on Sunday night. He sang a number of beautiful songs, and tied them all together with a devotional. We all enjoyed him alot.

Floyd asked the blessing and we enjoyed our bountiful Thanksgiving dinner. We had a game of 84 afterwards. Forty-one attended, they were: H. B. and Blanche Coggin, Callie Nunn, Oma Toler, Floyd and Lillie Mae Shipman, Mrs. Charley Brewer, Mrs. Talbot, Addie Robertson, Vera Pope, Dixie Pittman, Katherine Dye, Alice Price, Amanda Elson, Furman and Lois Shipman, Ollie Selke, Lizzie Lebow, Minnie Northcutt, Ruth Phillips, Bernell Dye, J. RESPONSIVENESS SUMMARY STEP PUBLIC PARTICIPATION PROGRAM CITY OF ABERNATHY, TEXAS

A public meeting was held November 17, 1980 at Abernathy City Hall for the purpose of obtaining public comments on alternative wastewater collection treatment and disposal methods as part of the Environmental Protection Agency Construction Grant Program. The meeting was attended by 7 citizens and 2 representatives of the consulting engineers. Facts concerning the existing sewage treatment facility as well as a slide presentation of the existing treatment facility were presented. Alternate treatment methods were presented as well as slides of these alternatives to show exactly what type of treatment process was being considered.

The basic matters discussed were the existing treatment facility, the type of treatment processes proposed, costs associated with each treatment alternative. Questions were asked about the condition of the existing treatment plant and why problems had developed in the existing treatment plant. The major discussion centered around the alternative treatment processes presented. Questions were raised concerning maintenance cost of the alternatives proposed. Also questions were asked concerning final disposal of the treated effluent.

The citizens attending wanted the representatives of the consulting engineers present to look at providing the City with a treatment unit of the type currently being used, and the associated costs. The representatives of the consulting engineers said they would look in detail at the requirements of a new unit, and all costs associated with it.

Copies of the responsiveness summary will be sent to those on the mailing list and will be placed in the central depository.

BRIEF
Theo Davis remains a patient in Methodist Hospital, Lubbock.

For the love of money is a root of all kinds of evil: for which some have strayed from the faith, and pierced themselves through with many sorrows. But you, O man of God, flee these things: and follow after righteousness, godliness, faith, love, patience, meekness. Fight the good fight of faith, lay hold on eternal life, to which you are also called and have professed a good profession before many witnesses. 1 Timothy 6:10-12

Listen To The Hum

It's the sound of growth, prosperity and progress in the Southwest. It's the sound of the Southwest making a bigger and bigger contribution to our nation's economy. It's the sound of electricity. Electricity that surrounds us with opportunities and jobs, pride and security. And with proper use of our resources, and new power plants using efficient, reliable fuels like coal, that sound is going to keep right on humming.

We have your Money Makers

These Pioneer® brand cotton varieties do well in our area. Certified Lockett 77* — We saw this variety stand up to conditions that saw other varieties deliver disappointing performances in 1980. From emergence through fruiting and on into harvest. Lockett 77 showed its strength throughout the season. It demonstrated its resistance to bacterial blight and the fusarium wilt-nematode complex. And it proved itself in a variety of management programs on both irrigated and non-irrigated land. Fiber quality has been good, too. Certified PR80* — Seed for this variety is hard to come by, so many of our customers will have to wait for PR80 until next season. But we encourage you to keep an eye on this powerful new variety from Pioneer. You'll like its early maturity. And its yields will make you think twice about planting anything else. Along with resistance to many common cotton diseases, PR80 shows good fiber qualities and high gin turnout. We really like the looks of this one! You will, too!

There's No Book Like It

"I've found that the Word of God is very practical." That's what Scott Keegan of Chattanooga, Tennessee, has to say about the Bible.

He believes the Bible has something for everyone who will read it. And often that truth, that particular bit of wisdom, seems like a personal message from God written directly to the individual reader. Keegan explains:

"When I read a Bible passage something in that passage will speak to me. And it is uncanny how during the day that verse will come back to my mind as I am going through my daily tasks. It gives me something that I needed for that particular day.

"We can just sit down with the Word as we would with someone who we know loves us and just listen to God's counsel and comfort. The Bible is living. It's alive. There's no book like it in the world."

If you would like to know more about the practical ways the Bible can help in your life, write the Christian Bible Society, Nashville, TN 37210, for a free, no obligation copy of the daily Bible reading guide, "Light for Today." Or call the society's toll free number, 1 (800) 453-9000.

A Word on the Word
with Jim Powell

The Bible is For Everyone

Bob Breunig, middle linebacker for the Dallas Cowboys, believes that the Bible is important to everyone—even professional football players.

So, along with the practice and discipline that go into being a success at football, Breunig spends time every day reading the Bible.

"The Bible," Breunig says, "doesn't say much about science or art or football or real estate or any of those things specifically. To me, what the Bible does is give general guidelines, and sometimes more specific guidelines, in the way you should handle yourself in all given situa-

tions, whether you're going to school or reading defenses. "Whatever the question may be, the Bible has general principles and practices that everybody should adapt to their lives."

If you want to know more about making the Bible a part of your daily life, write for a free, no obligation daily Bible reading guide from the Christian Bible Society, Nashville, TN 37210. Or call the society's toll free number, 1 (800) 453-9000.
