

17 Year Old Caught Taking Truck

A man resisted arrest and a teenager was caught taking a truck in two related incidents investigated by Abernathy police early Saturday morning.

Approximately 4:21 Saturday morning Frank Harper, an Abernathy police officer, pulled over a 1974 Ford traveling south on the U.S. 87 service road. The man driving the car was pulled over for speeding 51 in a 30 mile per hour zone, police officers said.

The driver of the car, a Mexican-American, did not submit his drivers license to Harper. The man was intoxicated and resisted arrest when Harper tried to apprehend him, police officers said.

After the arrest was completed, the man continued to be disorderly and refused to cooperate, Harper said.

A passenger in the subjects vehicle was his mother who was arrested for public intoxication. A female juvenile and a 17-year-old male were riding in the back seat and were released later because no charges were filed, officers said.

TRUCK TAKEN

The 17 year old Mexican-American male, after being released, then allegedly stole a truck from Abernathy Oil Company.

Approximately 5:30 a.m., Martin Flores reportedly took a 1963 Chevy butane truck. The truck was en-route to Abernathy when Abernathy police

officer James Elston observed the truck on highway 87 six miles north of Abernathy, police officers said. Elston stopped the truck and arrested Flores, for auto theft, officers said.

MEN ARRESTED

Both were taken to the Plainview Sheriff's office to be booked because they were apprehended in Hale County, police officers said.

The man resisting arrest has been formerly charged with disorderly conduct, speeding, public intoxication, resisting arrest, and failure to identify himself to police, officers said.

DECEMBER POLICE REPORT

December 1980 the Abernathy police

department investigated 18 cases and of these cases made 20 arrests. There were 293 traffic violations handled in this same period.

Cheif of Police Jimmy Williams said traffic enforcement has become a priority for the Abernathy Police Department. "The fatal accident that occurred in Hale Center two months ago could happen here without strict law enforcement," Williams said.

He also said the people of Abernathy have shown a great awareness of traffic laws because less than 10 people have been cited for any violation in December. Williams wants to thank the people of Abernathy for cooperating with local laws.

The following violations were made in December: 16 arrests for public intoxication, 2 for shoplifting, 2 for disorderly conduct, 1 terroristic threat, 1 out of city warrant, 3 cases of criminal mischief, 1 burglary and 1 burglary of a vehicle.

RETIRED NEWSPAPERMAN AND WIFE — Buford Davenport and his wife Dorothy.

Buford Davenport Retires After 47 Years Service

Buford Davenport has decided to retire after enjoying 47 years working at the Abernathy Weekly Review. He has been an important citizen to the Abernathy community and has supported this town through the good times as well as the bad. Dorothy Davenport has been behind him all the way and has also contributed substantially to this community.

Buford was born November 15, 1912 in the little town of Dundee, Texas. Through his boyhood he first lived at Wichita Falls, then Dundee, Seymour, Haskell and Abilene. They moved

often because his father was a country school teacher.

He made his first nickel in the early 20s when he was 9 years old by selling the Wichita Daily Times and The Record News newspapers on the street.

In 1926, Buford moved to Abernathy from Knox County at the age of 14. From 1926-1933 he attended high school at Abernathy until graduating in 1933.

Buford started hanging around the Abernathy Weekly Review in 1932. The editor, Vic Lamb hired him in

1933. Buford became the managing editor in 1935 when Vic Lamb became the editor of the Hale Center newspaper.

January 1946 the Davenports purchased the Review from the owner Jack Hurst. The following years were good to the Davenports until Buford had a heart attack in 1967. Dorothy managed the newspaper the rest of that year until the workload became too much for her. She was bookkeeping for Reeves Photography in Lubbock, managing the Review, and taking care of Buford when her mother became ill. Their friends Mr. and Mrs. Jim Ned Gragg came to the rescue. Inez Gragg put out the Christmas edition of the paper that year.

Buford recovered from his heart

attack and was back as editor January of 1968. Then in 1975 Buford leased the Review for a year to have a hernia operation. He became very restless away from the newspaper and went back to work in 1976.

January 1976 the Davenports sold the Abernathy Weekly Review to Richard and Vicki Havens. Buford continued to work at the newspaper until December 31, 1980.

Buford would like to express many years of happiness in this community and he has enjoyed working with the people of this community for the past 47 years.

Buford's work and service to this community has and will always be appreciated by all.

FINISHING TOUCH — John Joe Aguire vacuums the floor of this cotton field for Bob and Bobby Rogers just outside the city limits of Abernathy. As the end of this years cotton harvest nears, an unstripped field is hard to find. (Review Photo)

Hale County Appraisal District

To Meet Today

The Directors of the Hale County Appraisal District will meet at the Central Appraisal Office, 302 West 8th St. in Plainview, today, (Thursday) at 7:00 p.m. for the purpose of discussing those routine matters which affect the administrative, business, and personnel operations of the Hale County Appraisal District. This meet-

ing is open to the public, and the minutes will become a part of the public records of the Hale County Appraisal District.

Directors are Chairman, Neal Burnett; Vice Chairman, Homer Roberson; Secretary, Billy Harrison; and members Tom Almon and Doc Cross.

On The County Line

BY KEITH TOOLEY

I knew the Dallas Cowboys would eventually win the game Sunday afternoon, I just didn't think I would collapse with a near heart attack and nervous break-down by the end.

Sometimes I think its tougher being a fan than a player on the team. All the players have to worry about is pleasing 80,000 fans, running into solid brick walls, (defensive linemen), making an extra 10,000 bucks each playoff game, and tackling the man with the pigskin rather than a cheerleader.

A fan has to sit for hours analyzing and anticipating what each play will be or should have been. If a play doesn't work, we suffer the consequences because we would have tried another play that would have worked.

I have to do it all over again next week. Nervous tension for 3 and 1/2 hours. I love it! I can hardly wait! Dallas over Philadelphia 24-17.

"THOSE TO REMEMBER"

Starting next week we would like to

begin a new column for the church page. It will be entitled, "Those To Remember." Under this column we will recognize people that are ill, hospitalized or injured in any way. Please give us a call at the Review and let us know of any friends, loved ones or members of the family that need the thoughts and prayers of this community directed toward them.

"NEWS BRIEFS"

We have been receiving some news briefs every week, but we need everyone's cooperation to cover all news in the community. Please give us a call if you visit others out of town or others visit you. Any local news of interest will be printed in the "Talk of the Town" column.

Well folks, I was surprised to find out I still live in Lubbock County. Being on 3rd street, I'm one block from Hale County. Now I know what it feels like to live on the edge of Hale. I have the feeling a lot of other people have been there too.

Area Cotton Gins Give 1980 Bale Totals

The cotton harvest is coming to a long awaited end. It has been a year of severe drought for farmers in most of the area. Two early snows in November halted harvest operations making conditions even worse.

Not everyone had a bad year though. Especially the farmers with irrigated land. The demand has been good and cotton is selling anywhere from 72-80 cents per pound.

The Abernathy area has ginned more cotton this year than last year.

Crops survived the drought in the immediate area due to the underground water available. Abernathy Farmers Co-op Gin reports a 30 to 40% increase in the number of bales of cotton they ginned.

The decent price of cotton may see those who were less fortunate with their crops through another year.

Listed below are the number of bales turned out and the estimated totals of gins in the Abernathy area. City Gin and White Gold Gin totals were not available.

Gin	Turnout	Est. Total
Abernathy Farmers Co-op Gin	12,600	12,600 +
Hygrade Gin	4,900	5,000
Farmers Tuco	8,611	8,800
County Line Co-op Gin	6,942	6,975
Heckville Gin	4,043	5,500
Becton Gin	1,944	2,250
	39,040	41,125

Abernathy Boys And Girls Prepared For Tournament And District Play

LADY LOPES

As the end of the non-conference basketball games draw near, the Antelopes and Lady Lopes are prepared to display a good showing at the Abernathy Invitational Tournament this week and District play next week.

The Lady Lopes hold an impressive 15-2 record. On the year they are averaging a shooting accuracy of 42%.

They defeated Hale Center 58-52 in a match game December 30th. Shelley Toler scored the most points in this game with 15. Romona Irlbeck followed close behind with 14 points.

The Lady Lopes were defeated by Nazareth 43-51 in a match game January 2nd, but they seldom practiced over the Christmas Holidays prior to this game. Romona Irlbeck, Shelley Toler and Dana Fondy all scored 9 points a piece in this game.

The Abernathy Invitational Tournament is scheduled for the 8, 9, and 10 of January. There will be a consolation bracket in this tournament.

Larry Steele, the Lady Lope basketball coach, said they have a good shot at winning the tournament. "The players are doing a good job and are really working hard at it," said Steele. He also said the Lady Lopes have a good chance at winning district.

ANTELOPES

The Antelopes won the consolation bracket at the Caprock Tournament in

Lubbock December 29, 30 and 31. They lost the first round of the tournament to Morton 57-53. Abernathy came out ahead in field goals in this game 21-19.

Next the Antelopes crushed Idalou to seek revenge 71-39. Joey Garcia was the high point man with 15, Roger Pinson 14, Rodney Cannon 12 and Max Riley with 10 points.

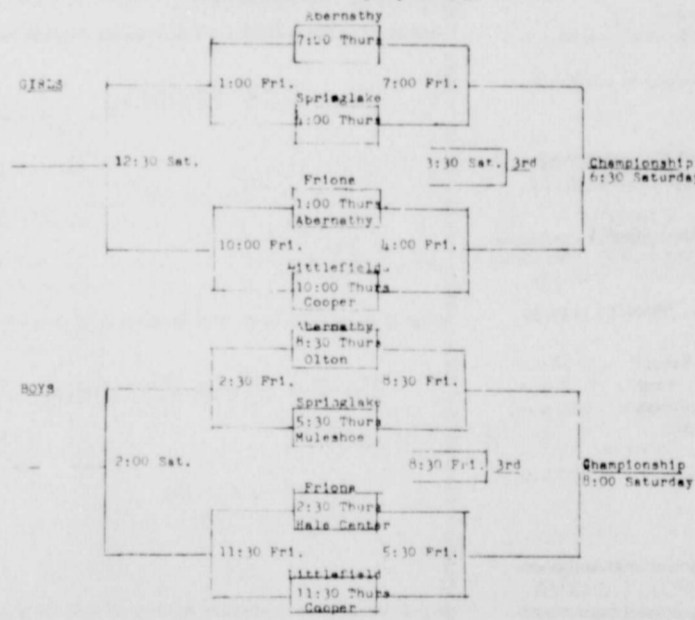

The Antelopes defeated Lubbock Christian 86-52 to win the consolation title. Joey Garcia led the scoring with 26 points, Roger Pinson 20, and Rodney Cannon 12 points.

Friday, January 2, the Antelopes swamped Nazareth 69-54 in a match game. Joey Garcia scored 23 points, Rodney Cannon 14 and Roger Pinson 13.

The varsity boys have a 43% overall shooting average on the year. They hold an 8-10 record. Head coach Carl Irlbeck thinks they have a good chance to win the tournament. "We have lost several close games to tough teams, but it has helped us to prepare for games on down the road," Irlbeck said. Irlbeck has high hopes for winning district but he said there are many strong teams to confront this year such as Childress, Tulia, Lockney and others.

The Antelopes and Lady Lopes start District play January 16 against Lockney here.

ABERNATHY 1981 INVITATIONAL TOURNAMENT JANUARY 8, 9, & 10

FRANCIS PERKINS — is the new manager of The Burger Hut. She has been the manager since December 29. Francis is an Abernathy local and graduated from AHS. She has changed the name to the Bar-B-Q Hut. They will specialize mainly in serving Pit Bar-B-Q. Johnny Jennings was the previous manager.

Janet Michele Neis and John Dale Crowell Wed In Ceremony

MRS. JANET MICHELE CROWELL

MRS. KAREN KAY BRAY

degree in music education. He is employed by Cameron Independent School District as a band director.

Attendant for the bride was her sister, Sharon Grigg of Sherman, maid of honor. Bridesmaids were Deanna Sue Grigg, sister of the bride, and Denise Grigg both of Sherman, Shelley Ziebell of Lubbock and Darla Allen of San Antonio.

The bride's gown and veil were designed and created by her mother.

Best man was the groom's brother David Bray of Lubbock.

Groomsmen and ushers were Rex Grigg of Sherman, brother of the bride, Clovis Dunn of Austin, Alan Lawrence of Lubbock and Jim Titsworth of Cameron. Candlelighter was Fritz Struve of Lubbock, cousin of the groom.

Wedding music was presented by Duane Gohlke of Sherman, organist and Randy Reddell of Sherman, soloist. A trumpet procession was performed by Timothy Grigg, brother of the bride with organ accompaniment.

A reception was held following the ceremony with the bride's parents as hosts.

Members of the house party included Eve Neidhardt, Mary Kay Crumbley, Carolyn Reddell, Carolyn Squires, Verma Graves, Susie Waldrop, Maxine Grigg, Mary Ann Shupe and Nelda Campbell, all of Sherman, Dee Fifer of Arlington, Diane Dunn of Austin and Shelby Bray of Lubbock, Marian, Rudy and Ruwayne Struve of Abernathy.

The couple will be at home in Cameron after a wedding trip to New Mexico, Arizona and California.

The bridegroom's family were hosts to a rehearsal

dinner Dec. 20 in the fellowship hall of the Central Christian Church.

marriage. Following the prayer, the couple lit the unity candle and were introduced as Mr. and Mrs. John Crowell. The bride gave her mother-in-law a long-stemmed pink rose as the couple left the altar with Fred McNab singing.

The bride wore a formal length gown of ivory chiffon and re-embroidered alencon lace fashioned with a Queen Anne neckline and full length slender sleeves.

From the empire lace bodice flowed a crystal pleated skirt that cascaded into a chapel length train. Seed pearls accented the neckline. The headpiece was a floor length lace edged Mantella veil. For something old and borrowed, the bride wore a diamond lavalier belonging to her grandmother, Mrs. T.A. Brewster. The bride wore a blue garter for something blue and her wedding gown was something new. The bride carried cascading bouquet of silk ivory day lilies lightly accented with wine and pink Azalias.

Miss Kathy Manns of Austin served as Maid of Honor, Miss Rhonda Neis, sister of the bride and Miss Connie Crowell, sister of the groom, served as bridesmaids. The bride chose the color of primrose for the attendants to wear. Their dresses were of quiana. A soft flowing cape of chiffon fell across the shoulders with a sweeping sash crossed at the waist to accent the flowing floor length dress. They carried bouquets of silk holland roses, wine and pink azalias. Floral headpieces were pink azalia and wine gypeophelia.

The groom was attired in a formal ivory tuxedo. Jerry Crowell of Groom, brother of the groom served as best man. Troy Ritter and Charlie Bowers, both of Groom, served as groomsmen. The best man and groomsmen wore formal wine-colored

tuxedos. Kristie Rieff of Lubbock, cousin of the bride was flower girl. Brian Crowell of Groom, nephew of the groom served as ring bearer. He also was attired in a formal wine-colored tuxedo.

At the reception, the guests were served by Miss Belinda Taylor, Miss Beverly Taylor and Miss Roxanne Bradley at the bride's table.

A three-tiered wedding cake adorned with pink and wine silk azalias and three side heart-shaped cakes were served with strawberry punch. The bridal bouquet was circled with five ivory candles for the centerpiece.

Miss DiAnn Allen, cousin of the bride and Miss Debbie Smith of Lubbock served coffee and a German chocolate cake topped with an open Bible.

A centerpiece of her colors and a silver coffee service accented the table.

Serving on the house party were Mr. and Mrs. Gean Nunn, Mr. and Mrs. Harold Stillwell and Mr. and Mrs. James Taylor.

Jody Bartan, cousin of the bride and Holly Murray passed out rice flowers to the guests.

The bride chose a dusty rose velveteen suit as her going away attire for the honeymoon to Ruidoso, New Mexico.

John and Michele will reside in Silvertown where John is District Conservationist with the Department of Agriculture Service. John is a graduate of Texas Tech University. Michele will be attending West Texas State in Canyon to complete her degree.

WORD of GOD

Jesus answered and said unto him, Verily, verily, I say unto thee, Except a man be born again, he cannot see the kingdom of God.

Karen Grigg and Bruce Bray United In Marriage

Karen Kay Grigg of Sherman, and Bruce Bray of Cameron were united in marriage December 21 at the Central Christian Church in Sherman. The Rev. Fred T. Hall officiated at the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. Norman J. Grigg of Sherman. She graduated from Sherman High School and Texas Tech

University in Lubbock with a bachelor's degree in music education and attended Texas Woman's University graduate school in Denton.

The bridegroom is the son of Mrs. Joel Wayne Bray of Abernathy and the late Mr. Bray. He graduated from Abernathy High School in 1973 and Texas Tech University with a bachelor's

SAVE \$14.00 OUT OF EVERY \$50

By Shopping In Abernathy

Did you ever drive 60 miles or more to take advantage of a super special? An item that costs you \$50 locally would have to save you \$14.40 if you drove 60 miles round-trip to get it and just wanted to break even.

The American Automobile Association certifies that 24.0 cents is what it costs to drive your car one mile. That sweet buy can suddenly turn quite sour.

And each 60 miles takes 3 to 6 gallons of gasoline which the potential shortage of oil-derived fuels would encourage us to save.

Local merchants, whether they sell groceries, clothing, drugs, hardware, appliances or whatever, feature top line nationally advertised products at competitive prices. These same merchants support your schools, churches and civic groups. They help us all pay for the improvements that make this a better place to live.

So save yourself some money, help fight the energy crisis and support local merchants. And save the drive to faraway communities. Shopping at home is a wonderfully simple way to do yourself several favors at once.

T. J. Attebury New FICI Agent

Federal Crop Insurance Corporation is proud to announce the appointment of T.J. Attebury as agent for Lubbock County.

Mr. Attebury will sell and service FCIC policies on cotton, grain sorghum, soybeans, and corn beginning with the 1981 crop year, according to Carey Johnson, District Director for this area.

Anyone having an interest in the above named crops can learn how FCIC protection will fit into their farming operation by contacting Mr. Attebury at Box 218, New Deal, Texas 79350 or call office no. 746-5023 for an appointment, Johnson said.

If you can't cope there's still hope!

AUSTIN, Texas (Spl.) — Some Americans find it hard to cope — to do such seemingly simple tasks as read transportation schedules or handle consumer rip-offs.

At The University of Texas, a special program known as the Adult Performance Level Project has developed materials for teaching necessary life-aping skills. The materials are in use by adults and in school districts across the nation.

The project arose from a study made by UT in 1975 that found almost 20 per cent of Americans were functionally incompetent and almost 34 per cent only minimally competent.

Arlon Peel

Arlon Peel 73, of Lubbock was buried Saturday January 3 at Resthaven in Lubbock at 2 p.m. under direction of Sanders Funeral Home. Arlon was the nephew of Mrs. Ollie Selke of Abernathy.

Survivors include his wife, Viola, a son, Mabry and four granddaughters.

Obituaries

Frank Jeffery

Graveside services were held at 2 p.m. Wednesday, January 7 in Abernathy Cemetery for Frank Jeffery, 77. He died Monday, January 5 in Highland Hospital, Lubbock.

Rev. Ross Brunner, pastor of the Church of the Nazarene officiated.

Jeffery was born in Tishomingo, Oklahoma. He moved to Abernathy in 1975 from Shepherd.

Survivor is a sister Mrs. Mary Daugherty.

Mrs. John Waddell

A LOVING TRIBUTE

On December 31, 1980, Mrs. John Waddell (Lula) passed from this earth to her Heavenly Home.

Lula was such a lovely lady and her enjoyment of life was an inspiration to all who knew her, her delight in the small treasures of life — a tiny flower, the beauty of a sunrise, or a small child's up-turned face — she cherished her friends — her love and devotion to her family was unlimited — she knew God's love and trusted Him implicitly.

Her husband, John Waddell preceded her death in May 1972.

Survivors include two daughters, Mrs. Cecil Rodman (Virginia) of Avery, Mrs. H.H. Wagnon (Bertha) of Hobbs New Mexico, two sisters, Mrs. Henry Carr of Portales, New Mexico, Mrs.

Truett Pool of Abernathy, four granddaughters, one grandson, seven great-grandchildren.

Remembering with love, Audrey Waddell Polly and Cal Tucker

W. A. Goldston

Services for W.A. "Bill" Goldston, 70 of Petersburg were held 11 a.m. Friday, January 2nd at the First Baptist Church in Petersburg with Rev. Waymon Swopes and Jesse Nave officiating.

Burial ceremonies were at Strip Cemetery in Petersburg under direction of Lemons Funeral Home.

Goldston died at one twenty-four a.m. Wednesday, December 31 in Lubbock Methodist Hospital after a short illness.

The New Mexico native grew up in Gainesville and moved to Petersburg in 1922. He was a Starr Route mail carrier for 15 years, retiring in 1977. He also had been a farmer and rancher in New Mexico and Petersburg.

Goldston was a member of Petersburg First Baptist Church, the Masonic Lodge and Scottish Rite Temple. He married Ruth Baker on March 7, 1931, in Clovis, N.M.

Survivors include his wife; two daughters, Lu Beard of Amarillo and Trel Meadows of Petersburg, two sons, Don of Houston and Ted of Petersburg; two brothers, Lloyd of Petersburg and Jess of Tucumcari, N.M. and three sisters.

To Speak On Diabetes Care

"Put your best foot forward." The importance and techniques of proper foot care for the diabetic will be the subject of the next regular meeting of the Greater Lubbock Chapter of the American Diabetes Association.

Dr. Dabney G. Harvey M.D. a specialist in Podiatry, will speak on why and how the diabetic should take very good care of his feet.

The meeting will be held on the first floor of the Plains National Bank Building located at 50th and University at 7:30 p.m. Monday January 12, 1981. Questions will be answered following the meeting.

Free literature on diet and related health care for the diabetic will be available at this meeting.

Anyone wishing to learn more about diabetes is invited to attend.

Lakeview Philosopher

Shows Being A Congressman Is Harder Than Serving On Supreme Court

Editor's note: The Lakeview Philosopher on his Johnson grass farm discusses a Constitution issue this week, we think.

Dear editor: It's easy to criticize Congress but some people don't realize what a difficult job a Congressman has.

For example, recognizing that one way to offset inflation personally if you can't whip it generally is to increase your own income, Congress the other day tried

to give itself a \$10,000 a year raise, from the present \$60,662 to a more inflation-fighting \$70,900.

Here's where the job becomes difficult, voting yourself a raise without letting anybody know how you voted. Some sportsport demanded a recorded vote but his motion failed. By voice vote, in which everybody shouts "aye" and nobody can tell how you voted, the \$10,000 raise passed easily.

But before the raise becomes effective the Senate has to concur and the measure failed there because some complicated parliamentary procedure required a recorded vote and the Senators were too bashful to do it. All Senators and Congressmen will have to get along the best way they can on \$60,662 a year.

On the other hand, the Supreme Court is not bashful. After examining the Constitution carefully and judiciously, it decided Congress violated it by withholding previously enacted pay raises for Federal judges. Therefore, calling upon the wisdom of the Founding Fathers, the Supreme Court ruled the Supreme Court members are entitled to a \$10,000 a year raise. Only a man with the farsightedness of Thomas Jefferson could have foreseen that 200 years later a judge getting \$72,000 a year and free office rent needs a \$10,000 raise.

You can see why being a Congressman, serving at the mercy of voters, is difficult. A Supreme Court judge is appointed for life.

Thomas Jefferson, Madison and those other guys made only one mistake. They forgot to put it in the Constitution that farmers along with Federal judges would be entitled to pay

Yours faithfully, J.A.

CROSSCHECKING YOUR GROCERY BILL

Were you charged the right amount at the check-out counter for the last roast or dozen eggs you bought at the supermarket? If you shopped at one of the more than 2,500 grocery stores now using electronic checkout systems, you can be sure the computer made no mistake. Not only does the computer know the right price of every item in the store, but these laser-beam systems provide an itemized receipt tape that speaks plain English, like "Green Beans, 15 oz., \$.69."

At these stores, a low-energy laser light beam, or scanning "eye," sweeps over your purchases at the check-stand, reading the Universal Product Code (UPC) found on almost all grocery products.

Information picked up by the scanner is fed into a computer, where the price is stored. The computer immediately sends the pricing information back to the front register, where a

When the computer system comes to most high-volume stores in America, long lines of shoppers may become a thing of the past.

printed receipt tape is issued.

Checkout time with these systems, such as the Data-checker system, manufactured by National Semiconductor, is greatly reduced. And there's no more waiting for "Price check on Aisle 9, please" delays. For the grocer himself, the system's blessings can be manifold. He can keep a closer check on inventory, monitor peak sales periods and expedite many routine activities.

Soon, many more supermarkets may pick up the potential for checking you out with computers.

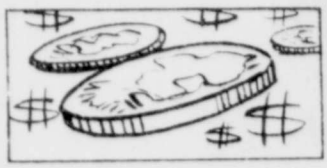

You can't see, taste or smell carbon monoxide gas.

WEEKLY REVIEW

DRIVELINE

Country Cousins Vs. City Slickers: More accidents occur in the city than the country, because of crowded streets and traffic congestion; but the traffic death rate is higher in rural areas, because of higher average travel speed and greater distances to emergency medical aid. National studies show that interstate highways are the safest places to drive. The most dangerous are two lane rural roads and city streets.

There are over 105 million passenger cars on the American highways. Within the next five years over 60 million of them will be abandoned, scrapped or replaced.

Tragic Irony: Americans demand that their children be inoculated against diseases such as polio and smallpox. Yet most parents don't buckle their children into safety belts or child restraint devices for trips in the family car. Traffic accidents are the number one killer of children in the United States...

THE SECOND COLLISION: In most car wrecks it's the "second collision" that really does the damage to passengers. The "first collision" is when the car hits an object or stops. One-fiftieth of a second later comes the second collision, when the car's passengers come to a stop by hitting the dashboard, windshield, steering wheel, etc.

If you don't wear a safety belt, even a "moderate" crash can throw you against the interior of your car with tremendous force. In a wreck at 30 mph your body is thrown forward or sideways with a force equal to 30 times your weight. For a 150 pound person that's 4,500 pounds of force. Most of us would prefer not to have a weight that heavy dropped on our heads...

Solution? Safety belts. Studies show that 40 percent of front seat passenger deaths could be avoided if everyone used safety belts.
