solo and Beth Eddins, Christine Garza, and Melissa Hagstrom on the clarinet

In the sax and trombone division Hector Ramos received a first on an alto sax solo and Randy Brightbill, Brian Evans, and Mandy Thompson

Jon Mark Fulton qualified in baritone horn solo. Angie Attebury and Carrie Smyers received firsts in marimba solo and multiple percussion solo, respec-

won in trombone trio.

These students were among a group of 46 band students who participated in the UIL Solo and Ensemble Contest in Lubbock last Saturday. The twirling events were held in Lubbock at the marching contest.

1st Division in a Class I event means the highest rating for performing the most difficult music specified for competition by the UIL. The students worked very hard for this honor.

The Lord make his face shine upon thee, and be gracious unto thee:

Jaws-Of-Life Can We Do It?

The Abernathy Area Chamber of Commerce, Volunteer Fire Department, and the Emergency Medical Service (Volunteer Ambulance Service) hope to secure a Jaws-of-Life apparatus for use if and when it is needed. Hopefully, we will never have to use the Jaws, but if we need it, we need it immediately!

A special fund has been established at the First State Bank in Abernathy entitled, JAWS-OF-LIFE FUND. Anyone wishing to donate to this worthy cause is encouraged to do so. Deposits can be made at the Bank or given to Charles Bowen, Jim Bob Smith, or Richard DuBose. Bank officials have agreed to needed. save the deposit slips and give them to Charles Bowen so adequate records will be available. In the event enough money is not donated, then each individual or teer Fire Department feel business giving will be refunded his deposit. In short, this donation drive will not be used for any other reason money is not received then other than the Jaws-Of-Life

Project. Recently, Hale Center had given. cause for a Jaws-of-Life and had to wait over an hour before one could be borrowed. In case of any accident where a Jaws is needed minutes can mean the difference between life and possible life-saver on hand!! death. This Jaws-of-Life apparatus will be housed in the Fire I all on one of the hose trucks About 20 of the 35 volunteer fireman have Dear Sir, agreed to learn how to operate the Jaws. When the EMS on the Abernathy family. reaches the scene of the accident and it is determined that the Jaws is needed, then Lee Abernathy November radio request will be made to 11, 1895 in Hill County. They reach the Jaws firemen on

The total cost of all pieces of equipment connected with the Jaws costs around \$10,000.00. However.

James Conn of the Volunteer Fire Department feels that we can secure the necessary pieces of equipment for abut \$7,000.00. The people of Hale Center collected the money for their Jaws in a very short time. We feel that the people of the Abernathy community can do the same thing!! We shouldn't be outdone by our neighbors!

With the opening of Interstate 27, the possible need for such equipment is enhanced. The EMS personnel on duty (three to a shift) will be too busy taking care of their patients to have to take time out to operate the Jaws. The EMS and the police DPS and County Sheriff's deputies) will determine if and when the Jaws-of-Life is

Hale and Lubbock Counties need not be asked for money for this cause. The Chamber of Commerce and the Volunlike people will donate to this very worthy cause. Again, it is stressed, that if enough everyone donating money will be refunded the amount

The first two contributors to this fund are D.Z. (Dan) Ward of Abernathy and Frito-Lay, Inc. of Lubbock. Come on folks, give all you can, NOW, and let's get this

#### Freshmen Boys **Building For Future**

The Freshmen boys basketball team had a rather trying year ending their season with a record of 6 wins and 15 losses. They faired well in the Frenship Tournament winning 2nd place and won consolation at the Crosbyton Tournament.

The freshmen boys faced several tough teams this year. They began their season defeating Hale Center 49-48. Then came the strange win over Slaton 2-0 in the first round of the Frenship Tournament. In the second round the freshmen Lopes beat Post 53-42 and in the final round lost to Frenship 37-43 to win second

place. They lost the next three games to Idalou 38-58, Floydada 45-59 and Lockney 46-51.

## Sunshine Group Met Thursday

Our Sunshine Group met February 19, 1981 at the usual place and time with 30 people present.

The opening prayer was given by Rev. Jim Sharp. We sang our anthem, had four birthdays, but no one ever says how old they are. Then we had the reading of the minutes, just like any other organization except we are elderly.

It is close to election time so Floyd appointed a nominating committee of Ruth Phillips, Minnie Northcutt and Ona Maserang, who will work up a body of officers and present the names at the next meeting and we will vote on them. The new ones

will go in the next month. Then Mrs. Brewer played the piano and Floyd the harp playing "New Shoes and Red Wing". It sounded pretty. We were celebrating Valentine's and George Washington's birthday

Blanch had the tables fixed pretty as usual with a little jar of jelly as a place favor. To go on, Lillie Mae introduced the new owner of the Abernathy Weekly Review. I hadn't met him before so when he came in I thought someone had brought their grandson to visit, which we always welcome. I even wished it was mine who lives in Denver.

We would up sitting todeverything that went in his paper. I hope he doesn't get the scissors after this

Lillie had a little reading she had saved, so this is a short summary of it. It was about "Lucifer Fall Star" The devil wants us to go to church on Sunday, always, and go in late and make noise if possible. Whisper, and when the singing is being done, just disregard the song leader and sing like you want to. Let your children run up and down the aisle, that is always good.
