

School Board Elects Officers, Submitt Bids

The Abernathy School Board met in regular session Monday night at 7:30p.m. to discuss several important items of business.

Minutes of the previous meeting were passed and the oath of office was recited to new member Thomas Pettit.

Officers Elected

Officers for the Board of Education were elected and are as follows: Richard Howard, president, Bob Riley, vice-president, Jerry Oswalt, secretary, and Don Fondy, vice-secretary.

Insurance Bids

Several school insurance bids had been received by the board and were discussed thoroughly before one was tentatively accepted for the 1981-82 school year.

R.S. Wilkinson Insurance of Lubbock gave a bid that was tentatively accepted subject to meeting school insurance regulations. Four other bids were given by Cam Fannin, O'Neal Associates of Lubbock, and DuBose

and Hubbard Insurance of Abernathy.

The current insurance policy will expire May 31. School insurance policies are accepted for one year terms. Policies are updated each year to insure current coverage needs.

The total estimated coverage for the 1981-82 school year amounted to \$4,613,813. Abernathy schools are obligated to be insured for 80% of the 4 1/2 million dollar replacement value.

The school will be insured for over \$3 1/2 million which is 80% of the replacement value. R.S. Wilkinson gave a bid of \$12,448 with \$100 deductible to insure Abernathy Schools for the coming year.

Windbreaker Trees

Five bids were received for wind-breaker trees to be planted at the future playground site on the school grounds. All bids were turned down at a previous meeting.

At Monday night's meeting it was decided that a bid given by Don's

Nursery in Plainview would hopefully be negotiated by Dr. Delwin Webb. The current bid given for each tree is \$12.95. The trees to be planted are Junipers.

Other Business

Dr. Webb was reappointed to the Education Service Center Joint Committee as a representative.

The board then approved an Accreditation Resolution which is a resolution to upgrade the quality of learning at Texas schools.

There will be summer workshops for school administrators in order to set up a school curriculum for the coming year.

Transfer Students

Several students will be allowed to transfer to Abernathy Schools beginning the fall semester.

From Cotton Center, new students accepted were: Jay Cox, 7th grade, Jo Nell Cox, 4th, Jody Creasey, 6th, Steven Creasey, 12th, Lonnie Melton,

6th, and Mandy Melton, the 10th grade.

From Hale Center: Roger Ray, 11th grade, from Petersburg: April Keck-Donen, 1st grade, and from Idalou: Donna Arthur, 12th grade and Grady Arthur, the 10th grade.

Seventeen students have been accepted from New Deal: Carl George, 1st, Eric George, 7th, Michelle George, 9th, Susan George, 10th, Yvonne George, 4th, Frank Goebel, 9th, Lissa Goebel, 6th, Taniz Mason, 8th, Paul Mason, 5th, Amber Myatt, 1st, Bret Parker, 6th, Cristana Parker, 9th, John Shaw, 7th, Rebecca Shaw, 2nd, Traci Shaw, 5th, Mary Francis Solitros, 9th, and Jimmy Solitros, 10th grade.

Basketball Camp

Basketball camp will be available this summer for 9-14 year olds and 8th grade level and lower students.

Students that are going to be a freshman or older, will not be allowed to take summer basketball camp. Interscholastic rules state that students participating at summer camp will become ineligible to compete in

the regular school basketball season. This pertains to students from the eighth grade to the twelfth grade level.

This rule was made because many parents can't afford to send their children to summer basketball camp, and if students prefer to play regular school basketball, they must not attend summer camp after their eighth grade year.

Building Proposals

The board was presented with a list of building proposals for the 1981-82 fiscal year. Several proposals were discussed, but attention focused to the immediate needs of Abernathy Schools.

One of these concerns was to acquire a new roof for High School. The present roof is in bad shape and hasn't been replaced for 27 years. It was decided that bids would be taken for a new roof. The estimated cost for a new roof was \$30 thousand.

Another building proposal of immediate concern is the large room in the new Administration Building that has not been finished. It was agreed that bids would be taken to complete this room and thus the administration building will be completed.

Several Teachers Resign

Several teachers returned their contracts unsigned for the 1981-82 school year.

Early Childhood teacher, Patti Carver, is moving to the coast. Sight-Handicapped teacher Kally Johnson is headed for Andrews. Migrant Students teacher Imogene Amerson is retiring and moving to Missouri. Home Economics teacher Glenda Wheat will be moving to Hobbs, New Mexico. And Jr. High teachers Elouise Jones, Migrant Student teacher, and Deborah MacCallum, Special Education, have also resigned. Elouise will be retiring and living in Lubbock.

REGIONAL CHAMPS Roger Pinson and Cletus Irlbeck will be competing at the State Tennis Meet next weekend.

Pinson, Irlbeck Regional Champs

Roger Pinson and Cletus Irlbeck, Abernathy's first doubles team, won the Regional I tennis tournament at Lubbock this past weekend. Pinson and Irlbeck were the top seeded doubles team at regional.

In the first round the duo defeated Robert Cadena and Eddie Sanchez of Crane High School 6-3, 6-1.

Then the doubles team confronted Ricky Slatton and Barry Henderson of Dalhart in the second round. Pinson and Irlbeck easily defeated this duo by a score of 6-1, 6-3.

They met their first semi-challenge in the semi-final match against Lee Burch and Armando Martinez of Sonora. The Abernathy duo won the first set 6-2, lost the second 3-6, and came back to win the third and final set 6-0. This win gave the duo the automatic right to compete in the state tournament.

In the Regional finals match, Pinson and Irlbeck were matched against district foes once again. Galvan and Rodriguez, of Floydada, had made it to the finals of their bracket also.

The Abernathy duo had beat this team in district the week prior to regional.

The first set of the final match was a battle that ended in a tie breaker. Pinson and Irlbeck came out ahead winning the tie breaker 9-7 and the first set 7-6. The Abernathy team dominated the second set and finished the match with a second set score of 6-3.

Pinson and Irlbeck will compete in the State meet May 15 and 16.

Ray Ortiz and Keith Robertson, Abernathy's first and second singles players, were both defeated in the first round of Regional play last Friday.

20¢

VOLUME 60, No. 27 | Serving Hale, Lubbock Counties | Thursday, May 7, 1981 | U.S.P.S. NO. 003-340

Bank Deposits Increase By 2 Million

Bank deposits at the First State Bank in Abernathy amounted to \$16 million, 800 thousand as of the period ending March 31, 1981.

Deposits have increased substantially from last year's total of \$14 million, 500 thousand. They increased just over 2 million from March of 1980 to March of 1981.

In 1979, total deposits at this time

amounted to \$13,137 thousand. Between 1979 and 1980 there was a \$1.4 million increase.

Bank President Ercell Givens attributed the large increase to several factors. "First State is growing every year. People have started more accounts with us." At present, First State has approximately 2,500 depositors with accounts.

"The increase can also be attributed to inflation, increased checking accounts and time deposits, a good price for cotton this year, and more land being leased to oil companies in our community," Givens said.

Most other Panhandle banks showed increase in deposits over last year.

All-Sports Banquet Monday Night

The All-Sports Banquet will be held this Monday night at 7:00p.m. in the school cafeteria.

This year's theme is "The Circus of Champions" named for the outstanding achievements of Abernathy athletes in all sports.

There will be no program this year. Athletes will be recognized and awards will be presented. Tickets are \$5 and can be picked up at high school.

New Stop Signs At Intersection

The State Department of Highways and Public Transportation announces that since Friday, April 30, a Four-Way Stop condition has been initiated at the At Grade crossings of

FM Highway 54 and the Frontage Roads of IH 27 approximately 3 miles north of Abernathy.

Stop signs have been erected on the Frontage Roads at this time and the Four-Way Stop will remain in effect until such time a determination is made as to the final location of the Stop Signs at this intersection. The public is cautioned to observe these new stop signs.

Gross Sales Up For Hale, Lubbock Counties

State Comptroller Bob Bullock released a computer analysis showing reported sales for each of the state's 254 counties and a sales tax analysis broken down by the state's Standard Metropolitan Statistical Areas.

The report revealed that most companies and businesses closed out 1980 on an economic high note.

Gross sales for the fourth quarter in Hale county amounted to over \$134 million. These sales were reported from 1,031 business outlets in Hale County.

Deductions amounted to over \$108

million and use tax purchases \$497,951 for Hale County. The total amount subject to tax for the fourth quarter was just over 26 million, which amounts to 27% of the gross sales.

Gross sales for Lubbock County amounted to over \$1 billion \$158 million for the fourth quarter of 1980. Sales were reported from 5,109 companies in this county.

Deductions amounted to almost \$1 billion and use tax purchases just over \$8 million. The total amount subject to tax was almost \$265 million.

violation within 48 hours will subject it to impoundment and if unclaimed, it will be sold by auction. Owners of these vehicles will be liable for all storage and impoundment fees.

Abandoned Vehicles To Be Towed

Abandoned vehicles left on city streets will be towed if not removed, police officers said recently.

Green abandoned motor vehicle stickers will be placed on vehicles that are observed in city streets for over a period of 48 hours.

Abandoned vehicles are defined as vehicles that are inoperable, over eight years old, and unattended on public property or unattended on the right of way of a designated County, State, or Federal Highway over 48 hours. Failure to remove a vehicle from

Police Report

April was a quiet month for the Abernathy Police Department. A total of 73 traffic citations were issued in April.

There were three arrests for public intoxication and one arrest for disorderly conduct.

Jim Hitt is no longer the Abernathy police chief. Hitt resigned last week to pursue another job opportunity. Raymond Naron was appointed active police chief for Abernathy.

Before coming to Abernathy, Naron had worked in a small town in east Texas called Jefferson. Being police chief in Jefferson was not easy, Naron recalls. "In one year there were 8 homicides in Jefferson."

"It is sometimes forgotten that the law has to be enforced no matter who is arrested," Naron said. At Jefferson, Naron always kept a plaque just above his desk with the following saying on it: "There is no man above the law, and we ask no man his permission to enforce the law."

Naron and his wife like Abernathy and stated that the people are very friendly. The Abernathy Police Department is presently looking for another officer in order to secure a three-man force.

THE POLITICIAN WAS trying to make a hit with his agriculture-area audience. He stated, "... and I say to you, my friends, it is the farmer who has made this country what it is today."

An unexpected voice from the crowd said, "That's right—throw all the blame on the farmer."

On The County Line

By: Keith Tooley

Children born today will supposedly live longer lives. Due to better living conditions, the average life expectancy is 73 years of age for children born today.

I know a couple of Abernathy pioneers that might just disagree with this theory. T. E. Lutrick was born 88 years ago and he has already bettered 73 by 15 years. His older brother, Robert Lutrick, is 96 years old, which puts 73 to shame by 23 years.

I figure we can get a pretty accurate life expectancy by averaging the ages of these two pioneers. The average would come out to be 92. Thus the average life expectancy has dropped from 92, at the least, to 73 years of age.

This is bad news to those of us that were born only 22 years ago or even sooner.

When was the last time you heard a grown-up say "It wasn't easy growing up back in those days?" I wonder if it has ever been considered that it can also be hard growing up in today's society.

After reviewing several facts from the Texas Legion News, it would be smart for the United States to stay out of El Salvador.

Texas Legion News states that in terms of American casualties, Vietnam ranks with World War I. There were more casualties in WWII, and the Korean war left the lowest amount of casualties.

But Vietnam stands out as the most

unpopular, controversial, and longest of all American wars. Other earlier American wars ended in armistice, victory, or armed truce, but Vietnam ended in gradual troop withdrawals and the eventual fall of Saigon.

There were over 361 thousand American casualties in the Vietnam war, over 320 thousand in WWI, and almost 158 thousand casualties in the Korean War. WWII was the big one leaving over 1 million American casualties, according to the Texas Legion News.

America did not leave Vietnam with another victory. Vietnam vets were not as warmly received as those returning from earlier wars. There was no glory.

Why should we be worried about El Salvador when killers are running loose in America killing people such as John Lennon, 26 children in Atlanta, and even a murder attempt on the president of the United States?

Texas Legion News also states that 2,457 men, some dead, some missing, were never accounted for from the Vietnam conflict, a war that ended almost eight years ago.

I sincerely hope our government has learned from mistakes made in the past.

CONGRATS to Roger Pinson and Cletus Irlbeck on winning the Regional Class 3A tournament this past weekend. This doubles team is headed for the State tournament May 15 and 16.

Havens Awarded Scholarship

Brenda Havens, a senior student at West Texas State University in Canyon, has been named recipient of the Alpha Kappa Psi Scholarship Key award for 1981. The key is awarded annually by the national professional business fraternity to the graduating student member with the highest overall grade point average.

Mrs. Havens, an accounting major, will graduate with a grade point average of 3.75. She has held the office of second vice-president of Alpha Kappa Psi, and she has served on most of the committees in the fraternity. Mrs. Havens is also a member of the Alpha Chi national honor society. After graduating, Mrs.

Havens plans to work for the State Comptroller's Office in Amarillo as an auditor. She and her husband Mark live in Canyon.

Mrs. Havens is the daughter-in-law of Mr. and Mrs. Richard Havens.

Talk Of The Town

Visitors in the home of Mr. and Mrs. Jackie Barton for a few days last week were their daughter Barbara Tucker of Tulsa, Oklahoma and their son Steve and Cathy Leverett of Tulsa, Oklahoma.

REESE AIR FORCE BASE, LUBBOCK - Folks on the South Plains will have a chance to watch a special kind of bird May 10. That's when the U.S. Air Force Thunderbirds are scheduled to perform at Reese's Open House.

The aerial demonstration team is scheduled to start its show at 3p.m. But the Thunderbirds aren't the only attraction Reese has lined up for the Mother's Day show. The U.S. Navy Leapfrogs, a parachute team, is slated to start its show at approximately 2p.m. Continuing with entertainment nicknamed from the animal world, the Country Critters, a country and western band from Lackland AFB, Texas, will play at 1p.m.

There are also some real animals participating in the Open House program. Security police dogs, also

Reese's Open House To Feature Thunderbirds, Parachuting, Street Dance

from Lackland, will put on a demonstration of their law enforcement aiding skills at 1:45p.m.

Add to these the list of military aircraft and equipment that will be on display and the civilian fly-in scheduled for early that morning. Among the service equipment on display will be a hot air balloon. The Navy balloon will be anchored to the flightline on a 50 foot line. Open House visitors will be given short rides in the balloon unless winds pick up past 12 knots.

Kicking off the Open House weekend will be a street dance in Founder's Park May 9. The dance begins at 8p.m. with the performance of the South Plains College band "Raisin' a Ruckus" and continues from 10 until mid-

night with music by "Sandy Land Goodtime Band".

The entire show is open to the public and free. Bring Mom out to Reese for a special Mother's Day treat - the Thunderbird air show.

Open House schedule of events for Saturday, May 9, include: 8p.m. - street dance begins featuring "Raisin' a Ruckus", 10p.m. - "Sandy Land Goodtime Band" performing.

Sunday, May 10, the following activities are planned: 8a.m. - Thunderbird narrator arrives, civil fly-in begins; 10:00a.m. - Navy hot air balloon inflates; 10:30a.m. - civil fly-in ends; 11a.m. - Thunderbird arrival show; 12:45 p.m. - Thunderbird survey flight; 1p.m. - Country Critters concert; 1:45p.m. - Lackland security police dog

show; 2p.m. - Leapfrog plane takes off; 2:20p.m. - Leapfrog jump show begins; 2:30p.m. - Thunderbird show begins; 3p.m. - Thunderbirds take off; 4:15p.m. - Inspection party tours aircraft; 5p.m. - Retreat ceremony.

Young Homemakers News

The Abernathy Chapter of the Young Homemakers will hold a meeting Monday night, May 11, at 7:30p.m. in the Homemaking Department at high school.

The program will be given by a representative from Robert Spence Modeling School in Lubbock. She will give demonstrations in applying make-up. All guests are welcome.

NEW GREENBUGS. MIDGE THREATEN SORGHUM CROP - Sorghum growers now have to deal with a new type of greenbug in addition to the perennial villain, the midge. The new greenbug, or aphid, labeled biotype E, was found in 1979 in the Texas Panhandle. It's a threat to the entire sorghum crop in Texas because it attacks sorghum hybrids that were previously greenbug resistant, says an entomologist with the Texas Agricultural Extension Service, Texas A&M University system. Thus producers must check fields closely for greenbugs and spray at particular levels of greenbug infestations. The key to avoiding midge damage is uniform early planting of sorghum.

DAVID LUERA, son of Mr. and Mrs. Cruz Luera Sr. of Abernathy, graduated from One Station Unit Training at Fort Sill, Oklahoma. He completed his training for Fire Support Specialist and will leave May 11 for Europe.

Museum Displays Needed For Pioneer Day

This year for Pioneer Round-Up Day, May 16, sponsored by the Business & Professional Women's Club, the Hale County Historical Commission and others working with the Main Street program for downtown Plainview are planning to have a one-day museum display in the building on the corner of 7th and Broadway where Skibell's was located.

The displays will be composed of anything one

has collected: dolls, dishes, cards, keys, family or ethnic relics, school supplies, etc. The one who displays will need to be at his or her display all day, or have contacted another person to help them.

While the Commission will take all precautions possible to see to the security, each exhibitor must provide someone in attendance at all times at his exhibit, if he wants maximum security. All responsibility for the display rests with the exhibitor, and not the Commission.

These collections tell a history of our community, which we think will make Pioneer Day even more enjoyable. Let us know by May 8 what you will display.

We would appreciate your having a display at our one-day museum. If you will be responsible for an exhibit please call Mrs. Owen Egger - 296-2075, or Mrs. Harley Wells - 296-2178 in Plainview; Mrs. W.M. Rankin - Petersburg; Mrs. J.D. Ivey - Hale Center; or Mrs. A.L. Stone - Abernathy. Help us have a big day May 16.

Birth

Mr. and Mrs. Roy Charles Brown of Abernathy are the parents of a son born April 28 in Community Hospital, Lubbock. He weighed six pounds three and one half ounces.

His name is Jonathan Lee. Roy is the new manager of Anderson Grain.

Junior Basketball Ends 1981 Season

Friday night, May 1, the girls Junior Basketball ended their 1981 season in the high school gym. Each girl received a trophy and it was announced that the Daisies (9-10 year old team) were undefeated. The Jets (11-12 year old team) came in 1st place.

The girls picked as all-stars were: 9-10 year olds, Angela Aldridge, Tonya Spradling, Daun Tennell, Mary Vecchio, Charis Ater, Dee Dee Ponce, Jennifer Thomas, Marci Ryan, Jeanna Green and Barbie Scott.

Coaches for the team will be Druann Shadden and Darla McGuire.

On the 11-12 year old team, Helen Kester, Kelley Guerrant, Mikki Webb, Gina Salinas, Sandy Garcia, Jaci Pope, Sharmir Toler, Laura Phillips, Rhetta Ponce and Renee Fowler were chosen all-stars. Coaches for the 11-12 year olds are Gloria Smith and Stephanie Motch.

These two teams will be playing in the All Star Tournament held in New Deal the week of May 11.

Preachers Devotional

Our Baptism is so closely linked with the Resurrection of Christ that we may call Easter the Feast of our Baptism. St. Paul tells us (Romans, chapter 6) clearly that we are baptized into the death of Christ that we may rise in the glory of the Resurrection.

Because of this we share in the apparent contradiction of Christianity, that life comes through death. Christ had to die on the Cross to enjoy the new and glorious life of the Resurrection.

What is true of our Master is also true of His followers. We, too, have to die to sin and to our own selfish interests if we are to join Him in His glory.

There are two things that we must remember - firstly, the Resurrection is not an event in the past that is over and done with and secondly, neither is our Baptism. Both are events that continue. We say at Mass, Christ has died, Christ is risen (not has risen), Christ will come again. Now the Risen Christ is still with us. Because our

Baptism is also something that continues, it is something that we have to live in Christ.

To live our Baptism means dying to ourselves and to our selfishness, and this cannot be clearer than the word's of Christ Himself: "If any man would come after me, let him deny himself and take up his cross and follow me. For whoever would save his life will lose it, and whoever loses his life for my sake will find it." (Mt. 16:24,25)

CONSIDER ALL COSTS

Your beef selection is not the only key to an economical dinner. Avoid spending the money saved by a wise beef choice on costly recipe ingredients. Out-of-season produce, gourmet spice packets and sauces, foods in limited supply—such items can blast the budget of the careful beef buyer.

Do select beef recipes that use to advantage economical vegetables and fruits in season. But compare the cost of adding fresh, frozen or canned vegetables to a stew or pot-roast. Often, but not always, canned produce is less expensive than frozen and fresh counterparts. There are exceptions, however, so be on the alert for them. Upon occasion frozen vegetables, especially when on sale, may be the better buy, but those in butter or seasoned sauces are not for a frugal shopper.

Read labels on canned and frozen foods, for as in the case of beef purchases, it's cost per serving that counts. Store brands often are the best buy. Do not choose the highest quality unless the intended use merits it. For example, there's no need to select canned fancy whole tomatoes for a casserole.

Nonfat dry milk is the least expensive form of milk and is a handy money-saver. Another tip—you can pay much more for special seasoned pasta and rice products, so become adept at using spices and make worthwhile savings.

They're #1 With Us

It's so easy to buy meat in the stores that we tend to forget who's behind it all! The dedicated men and women producers are always doing their best to get us quality beef...100% of the time! We're very proud to support their hard work and great results!

●
May is Beef Month!

BEEF MONTH

THINK "COST PER SERVING"

The smart shopper considers cost per serving rather than cost per pound. Some boneless cuts priced a bit more are better buys because they have little waste. Keep in mind it's cost per edible portion that really counts.

The amounts of bone and fat a cut contains help determine the number of 3 to 3½ ounce servings of cooked beef it will provide. Cooking method, temperature and degree of doneness also are factors. In general you can count on:

4 servings per pound for . . . boneless cuts such as beef for stew, ground beef and cubed steak

3 servings per pound for . . . tip and boneless rump roasts; round, top loin and rib eye steaks

2 to 3 servings per pound for . . . sirloin steak and boneless roasts from the chuck

2 servings per pound for . . . arm and blade pot-roasts; most steaks with a bone

1 to 2 servings per pound for . . . short ribs; shank cross-cuts

To determine the approximate cost per serving, simply divide the price per pound by the number of servings per pound the cut will provide.

Hale 4-H's Attend Contest

Over 100 Hale County 4-H members and parents were present at the Method Demonstration Contest last Thursday evening, April 23, according to Brent Crossland, County Extension Agent. The contest was held in Plainview at the Hillcrest Elementary School.

Plainview; Mary Bass, Olton.

Superintendants included: Tommy & Bobbie Painter, Edmonson; Charlotte Carver, Abernathy; Patt Terrell, Plainview; Susie Howard, Abernathy; Betty Stout, Hale Center and Gale Davis, Abernathy.

Edmonson 4-H Club hosted

the awards program. The welcome was given by Alan Tanner. Pledges were led by V. Sarabia and Tracie Painter. The registration of guests was handled by Penny Tanner and Suzie Sarabia. Refreshments were provided by Tracie Painter, Sherry Block and Michelle Box.

Members participating from Abernathy were as follows: Family Life - Micki Neve and Laura Phillips; Landscape Horticulture - Jim Bob Carver and Bill DuBose; Poultry - Lonnie Howard.

TAXING FARMS BASED ON THEIR USE - Taxing farms and ranches according to their agricultural use rather than their fair market value can mean substantial savings to farm families on the death of the landowner. Savings in estate taxes can be as much as 50 percent for those that qualify, said a Texas A&M University professor of accounting at a recent Extate Planning Seminar sponsored by the Texas Agricultural Extension Service, Texas A&M University System. IRS Code Section

2032A enacted in 1976 set forth provisions for special use valuation of farms and ranches.

Steel rails used by railroads in the early 20th century often weighed less than 60 pounds per yard. Today they weigh more than 150 pounds per yard.

FFA Competes In Judging Contest

The Abernathy F.F.A. members competed in the Texas Tech Judging Contest April 11 in Lubbock. Livestock Judging Team composed of Alan Neis, Grady Shuey and Collins Miller placed 4th in the Plainview district.

The Dairy Products team with members Kirk Nesbitt, Scott Wesley, Lane Nelson and Ronald Harrell placed 2nd in district.

Dairy Cattle Judging team members Brian Smith, Bill McClement and David Kemp placed 7th in the Plainview district.

The Poultry Judging team members consisted of Micah Griffin, Randy Houston, Russell Shuey and Mark Benton, placed 4th in district competition.

Meats team members Ricky Powell, David Davis, Trey Stone and Randell Stillwell placed 4th in the Plainview district.

The proportion of divorces involving three or more children has declined since 1965, says Betty Jo Smith, a family life education specialist.

Land Judging team composed of team members Charles Chambers, Randy Brightbill, Todd Knight and Jimmie Salitros placed 1st in district competition.

Adults find it easier to cope after divorce if no children are involved, she adds.

NEW FFA OFFICERS pictured left to right: Collins Miller, vice-president, Max Riley, secretary, Rick Houston, president, Alan Neis, reporter, Alan Pettit, treasurer, and Stacey Mills, sentinel. (Review Photo)

Space Uniforms 100% Cotton

Cotton is on top of the world again.

Once king of all fibers, the fluffy white stuff went into space with astronauts John Young and Robert Crippen. Their in-flight uniforms were made of Fire Stop cotton for the uniforms over an array of synthetic fibers because "of its excellent flame resistant properties and its comfort."

Thanks to the efforts of Cotton Incorporated, the marketing and promotion arm of cotton producers, astronauts will be wearing 100 percent cotton during future space shuttle flights.

And not only are astronauts wearing all-cotton training and flight uniforms, but many of the nation's leading fire departments protect their firemen with flame-resistant 100 percent turnout coats and station wear. What does all this mean to the cotton producer? About a 100,000 bale per year market potential representing roughly \$35 million.

Other cotton qualities which helped NASA make its choice over previously used aramid synthetic fibers were electrical resistivity, absence of odor and the fact that cotton doesn't give off toxic fumes when heated.

And, of course, comfort and cost were big factors.

"We were looking for low cost and cotton is less

expensive than synthetics," said Dr. Fred Dawn, special assistant at NASA's Lyndon B. Johnson Space Center in Houston.

In extensive testing by NASA, cotton excelled particularly in comfort and electrical resistivity.

Electrical resistivity is vital, especially with ground crews, because of the danger of sparks igniting

rocket propellant, says Glenn Morton, manager of Cotton Incorporated's textile services laboratory.

The future of flame resistant cotton seems promising. Cotton's comfort, its cost, and flame resistant properties, make it the natural choice for those interested in protective clothing.

MIXED FERTILIZER IS AN INVESTMENT THAT PAYS.

Now, more than ever, your profits depend on high yields. Yields that, in turn, depend on adequately fertilized soils. With mixed fertilizers your crops get the right amount of plant foods at the right price. So protect your investment in a crop. See us today for the mixed fertilizer that will pay off for you.

SPS President Springer Chief Executive Officer

Berl M. Springer, president of Southwestern Public Service Company, has been named to the additional position of chief executive officer.

in action taken today by the electric utility's board of directors.

Springer assumes the chief executive officer responsibilities from Roy Tolk who continues as chairman of the board.

Tolk and Springer had served in their former capacities since 1976.

Tolk said, "We are taking this step to continue the orderly transition of management at Southwestern. I have announced my planned retirement from active management of the company, effective December 31, 1981." He plans to stay on the board as a director after his retirement.

Springer is a graduate of Texas Tech University, with a bachelor of science degree in industrial engineering. He started his career with SPS in 1946 as a draftsman. He served as statistician-engineer, and rate manager

before being elected vice president of rates and budgets in 1969. He was elected executive vice president in 1972 and was named to the board of directors in 1974.

Also at its meeting recently in Amarillo, Texas, the board declared regular quarterly dividends on all series of preferred stock and a regular quarterly dividend on 34 1/2 cents per share on the common stock.

The common stock dividend is payable June 1, 1981, to holders of record May 15, 1981, and the preferred stock dividends are payable August 3, 1981, to holders of record July 20, 1981.

Southwestern Public Service Company, based in Amarillo, provides electric utility service to the Panhandle and South Plains of Texas, the Panhandle of Oklahoma, Eastern New Mexico and Southwestern Kansas.

Friona Industries To Purchase Leases In N. Dakota

Friona Industries, Inc. announced April 24 that it intends to invest approximately \$2,000,000 over the next 12 months in a program to acquire oil and gas leases and topleases in the Williston Basin of North Dakota.

The purchase of oil and gas leases and topleases will be made by a limited partnership consisting of Friona and another party, as limited partners, and Berco Resources as general partner. Berco Resources, which has offices in Buffalo, Wyoming and Denver, Colorado, will be responsible for all lease acquisitions. Berco, along with its principals, has been engaged in the

acquisition of leases and topleases in the Rocky Mountain Region of the United States for the past 20 years.

The limited partners will contribute to the partnership approximately \$2,500,000, or 75%, of the total capital and the general partner will contribute approximately \$883,000, or 25%, of the total capital.

The Limited Partnership Agreement provides that all cash distributions will be made 75% to the limited partners and 25% to the general partner until the partners have received an amount equal to their capital contributions; thereafter, cash distributions will be

NEW DEAL NEWS

New Deal Tennis

The Lion tennis team is coached by Steve Bigham. Members of the girls varsity tennis team are as follows: singles division - Marivel Gonzales; doubles - winning 2nd at district, Cindy Fairman and Cheryl Robbins.

Sheila Mathes and Michele Thiel are the second doubles team for New Deal. The boys varsity tennis team is as follows: singles - Gordon Koonce and Juan Olguin. Players on the doubles teams are: 1st team - Terry Simpson and Doug Sanders, and second team - Danny Brennan and Tommy Heald.

The Lady Lion girls junior varsity tennis team is made up of singles players Nina Ruiz and Pam Logan who won 3rd place in district. There were no players on the Lion boys JV team.

On the JV girls doubles team are Diane Buford and Shanna Teeter, who won 4th place in district. Jenny Sosa and Lydia Ruiz make up the second team for New Deal.

Cindy Fairman and Cheryl Robbins advanced to regionals where they lost to the regional champs from Marfa in the first round 6-4, 6-3. These two girls are only sophomores and hopefully should go farther next year - hopefully to State.

The tennis team did not play in any tournaments except district, but did play several matches against Lockney, Shallowater and Roosevelt.

Band Receives II IN U.I.L.

By J.N. Hudson
April 26, the New Deal band received a II rating in the U.I.L. concert competition in Seagraves, Texas. The band played Lethbridge Overture, Australian Rhapsody and Newcastle March.

Contest judges had nothing but high praise for the group from New Deal and commented that they had improved over past years.

The band also received a II in sight-reading competition. This marks the first time in the history of New Deal that the band has received a division II in marching, concert and sight reading.

Additional band members, better attitude, and a strong support from the school are contribution factors to the band's recent success.

Band director Charley Crocs has given band members much incentive over the past two years since he's been at New Deal. His hard work and dedication have paid off.

Congratulations to the Green Sheen Marching Band!

J.B. Shinn Obituary
Services for J.G. Shinn, 78, of New Deal were at 10 a.m. Monday in First Baptist Church in New Deal with the Rev. James McGuire, pastor, officiating.
Burial was in City of Lubbock Cemetery under direction of Franklin-Bartley Funeral Home.

Shinn died at 4:15 p.m. Friday at his residence. Justice of the Peace Earl Yarbrough of Idalou ruled natural causes in the death.

The Russellville, Ark., native moved to Lubbock County in 1924. He was a farmer and a Baptist.

Survivors include three daughters, Mrs. Dorothy Hudson of Lubbock, Mrs. Loretta Maughn of New Deal and Patricia Phillips of Lorenzo; a son, K. Don of New Deal; three sisters, Irene Ragsdale, Virginia Barnett and Ellen Mears, all of Russellville; a brother, Ed of Covina, Calif.; five grandchildren; and two great-grandchildren.

DON'T ADD SALT or sugar to your infant's baby foods, says Mary K. Sweeten, a foods and nutrition specialist.

SAVE \$30
\$30 off regular retail price of a new push-type or self-propelled 21-inch John Deere Mower
Offer expires May 31, 1981.

Deluxe John Deere 21-inch Mowers

John Deere 21-inch Deluxe Mowers are now available in three models — push type, self-propelled, and electric-start self-propelled. Side discharge is standard on all three. An optional 2 1/2 bushel rear bagger can be added to make clipping pickup neat and easy.

The push-type mower has a 3 1/2-hp engine. The self-propelled have 4-hp engines and rear-wheel gear drive for excellent traction in all mowing conditions. All feature steel wheels with ball bearings. Aluminum die cast deck. And two cutting height adjustment levers that let you set the mower in any of six positions — 7/8 to 2 3/4 inches above ground. See us for a demonstration today.

 Classified display advertising (boxed ad), is \$1.50 per column inch.
 Card of Thanks (reasonable length) \$2.00.
 CASH IN ADVANCE unless advertiser is on a regular account.

For summer comfort, select fibers that are absorbent, such as cotton, linen, silk, wool and rayon - to keep the body cool, advises Nancy Brown, a clothing specialist.

These fibers absorb the body's moisture, allowing perspiration to evaporate.

Notice

Public Hearing Notice
 The City of Abernathy will conduct a Public Hearing at 5:00p.m. on June 25, 1981 at the Abernathy City Hall located at 811 Ave. D. The purpose of the hearing is to afford interested persons an opportunity for written and/or oral comments on the proposed wastewater treatment facility plan and associated environmental information document. One of the purposes of this hearing is to discuss the potential environmental impacts of the project and alternatives to it.

The proposed project includes improvements to the existing lift station as well as the construction of a flow measuring device, a standby generator, a facultative lagoon, site improvements, and refurbishing an existing holding pond. All of the major components of the existing plant will continue to be utilized and the effluent will continue to be utilized for irrigation of agricultural land.
 The total project cost is estimated to be \$339,640

with the local share approximately \$50,946. Estimated monthly operation and maintenance costs will be \$1,765.

Other alternatives considered included land treatment, facultative ponds, an oxidation ditch, and aerated lagoons.
 Detailed information is available for public review at the City Hall during normal business hours and includes financial information, treatment alternatives considered, and environmental impacts of the project. Additional information may be obtained by contacting Rod Ellis, City Hall, P.O. Box 310, Abernathy, Texas 79311 phone (806) 298-2546. (5-7-81)

CREATIVE Stitchery offers a great opportunity for you if you are interested in stitchery and would like to earn extra money. News And Comments

By Buford Davenport

The following is from The Abernathy Weekly Review dated October 6, 1927:

Services will be conducted by Minister M.M. Young at Abernathy Church of Christ on the second and fourth Sundays. On first Sundays of each month he will conduct services at County Line, and on third Sundays he will be at Becton.

Salt water strata is struck in Richter No. 1 oil test well at about 900 feet.

Radio bug again is rampant in Abernathy - it's the World Series this time.

The Santa Fe is building new water tower and pump station in Abernathy.

H.E. Richter was advertising "money to loan on farms at 5 1/2% interest".

Abernathy Farm Bureau

Gen turned out its first bale of cotton Wednesday...two bales for J.A. Avery and one each for C.F. Buske and A. Hill.

Wheat acreage is increased 18% this year in Hale County.

One of the most unique and interesting exhibits at the Hale County Fair in Plainview was that of Garland Nystel of Abernathy, who had on display a number of mechanical toys which he had made.

They took first place in the boys club handicraft division. J.P. Nystel's winter squash took first; Richard Neis won second with his Irish potato display, and Claude Havenhill took first on his peanuts.

Gas service by West

Mr. and Mrs. J.T. Crow and Mr. and Mrs. Arthur Crow left Sunday for Post City, where they expect to spend the winter.

Walter Harp and family returned Friday from Abilene. While there, they took part in the celebration in honor of the visit of Charles A. Lindbergh.

Eagle Springs School is progressing nicely. There were a few new pupils this week. There would be several more pupils if it were not for cotton picking.

Texas Gas Company comes to Abernathy this month in 1927.

Mrs. Ola Legg of Plainview and Mrs. Bert Pinson of Hale Center visited in Abernathy Sunday. (Mrs. Legg, an early-day school teacher in Abernathy, and later Hale County School Superintendent, was a sister of Ray Pinson of Abernathy...now of Marble Falls.)

Mr. and Mrs. J.T. Crow and Mr. and Mrs. Arthur Crow left Sunday for Post City, where they expect to spend the winter.

Walter Harp and family returned Friday from Abilene. While there, they took part in the celebration in honor of the visit of Charles A. Lindbergh.

Eagle Springs School is progressing nicely. There were a few new pupils this week. There would be several more pupils if it were not for cotton picking.

H.E. Richter buys George W. Ragland insurance agency.

The first services were held in the Church of the Nazarene new building in Abernathy last Sunday. The church moved here from Science Hill School northwest of town. Dr. W.T. Givens of Abernathy preached the first sermon to be heard in the new church house. (Dr. Givens was Erceell Givens' grandfather.)

They came a long way for Abernathy apples - E.M. Crow says advertising pays. (Mr. Crow had 720 apple trees in his orchard northeast of Abernathy. There were so many Crow families in this community at that time that E.M. Crow was known as "Apple" Crow.)

With natural gas coming to Abernathy, Struve Mercantile advertised New Process Gas Ranges with the Loraine oven heat regulator.

In 1927, there were 37,328 acres of land in the Abernathy School District. The 1981 total is 115,840 acres.

The Baptist young people organized a B.Y.P.U. at the Bartonite Baptist Church Sunday night.

From Australia: On the shores of Sydney harbor there has arisen a white amphitheater, the seats of which are reserved by persons who expect a second coming of Christ across the waters of the harbor.

Fact or Fallacy: Good nutrition has no relation to physical fitness.

Answer: A good program of fitness includes careful attention to diet. Well-balanced meals which include meat, dairy products, fruits and vegetables, breads and cereals can contribute to proper weight maintenance. A variety of foods and a variety of activities is the best formula.

Granddaughter Of Local Family Wins District

Representing Petersburg junior varsity doubles in tennis are Sheri Thompson and Alicia Davis. They won district in Plainview April 3-4. They defeated other doubles teams representing Ralls, Lorenzo and New Deal and won district.

They advanced to the regional tennis tournament held in Odessa April 23-25. Alicia, a freshman, travelled with the varsity girls as an alternate.

Alicia is the daughter of Mr. and Mrs. Harold Gene Davis of Petersburg and the granddaughter of Mr. and Mrs. Harold Davis of Abernathy.

Idalou To Sponsor Track Meet

Idalou Band Boosters will sponsor a Junior Track Meet, Saturday, May 9, at Reddell Field west of the high school. The meet is open to boys and girls ages 3-12. Registration will begin at

9:00a.m. The registration fee is \$1.50 per participant and there is no limit on the number of events entered. Ribbons will be awarded in each event.

A concession stand featuring sandwiches, candy

and soft drinks will be provided by parents of band members.

Funds raised from this project will be used to support activities of the Idalou Wildcat Band.

Hale Rifle Team Fourth

The Hale County Junior Rifle Team came in fourth out of nine counties that participated in a recent rifle contest held at the American Legion Post in Lubbock. Members on that team included Jim Bob Carver

and Dan Evans of Abernathy and Clifton Pinnell of Plainview and Lee Logan of Hale Center.

The Senior team included Ricky Clark and Kalynn Lancy of Hale Center and John Amonett of Petersburg.

WORD of GOD

The fear of the Lord is the beginning of knowledge; but fools despise wisdom and instruction.
