

One Dead And Four Injured In 'Week' Of Accidents

Abernathy Police and Department of Public Safety officers were kept busy over the past week with a rash of serious injuries in and around Abernathy that resulted in one death and four accident victims being hospitalized.

A south Texas man was killed Monday afternoon when his pickup truck smashed into the rear of a trailer truck south of Abernathy on the East Interstate 27 service road.

Forrest Lowe Griffin, 66, of Blanco was pronounced dead at the scene by Justice of the Peace Dardie Williamson of Shallowater, who ruled the death accidental.

The man's 57-year-old wife, Neva, underwent treatment for minor injuries late Monday at Methodist Hospital, according to reports.

The accident occurred in dense smoke which originated from a cotton burr fire east of the roadway south of Abernathy. The hazard had caused motorists to drive at a very slow rate of speed and the trailer truck rig was reportedly barely moving when Griffin's vehicle collided into the back of it. Griffin's pickup was demolished on impact with the large truck, which was

carrying a 15 ton load of pipe. A "Jaws of Life" tool from Idalou was used to free Griffin's body from the wreckage. It took approximately one hour to free the crushed body.

The driver of the trailer truck, Rex Ford, 26, of Watonga, Oklahoma, said he barely heard a noise when the pickup hit the back of his truck.

Edith Waits Injured

Edith Hall Waits, 59, of 308 Ave. D Abernathy, was injured when she was hit behind by an 18 wheeler headed south on the 87 service road.

Waits was taken to Methodist Hospital in Lubbock where she was treated and released. She was later readmitted. Her present condition was not available at press time.

The collision occurred Friday afternoon at the 600 block and the west service road, when a truck driver from Houston was driving through Abernathy.

Driver of the 18 wheeler, Kenneth Blackburn, of Valley Mills, Texas, did not see the pickup and ran into the back of Waits.

Damage to the 18 wheeler was minor.

The pickup driven by Waits sustained a battered tailgate and bumper.

Motorcycle Wreck

Two young adults, Ricky Ortega, 19, and Margie Gartiega, 18, were seriously injured when the Suzuki motorcycle they were riding collided with a car in Abernathy last week.

The victims of the accident were driving through Abernathy when the car they were following turned. Ortega, who was driving, tried to pass on the left side of the car, driven by Lewis Lopez of Abernathy, when they collided.

Ortega and Gartiega were thrown from the motorcycle to the middle of Ave. D in front of the Fina Station.

Lopez was turning into the station when Ortega tried to pass on his left. Lopez was not injured and his car sustained minor damage. The motorcycle was reported to be totalled.

The young man and woman were taken to a Plainview Hospital after the accident. One was released later and the other was transferred to Lubbock. Both are Plainview residents.

The driver of the motorcycle was cited for the accident.

FATAL ACCIDENT occurred when this pickup driven by Forrest Lowe Griffin crashed into the back of a truck trailer Monday afternoon. Griffin died instantly and his wife was taken to Methodist Hospital for treatment. (Review Photo)

Diet Center Opens In Abernathy

A new business opened in Abernathy June first. This new business is "The Diet Center" and is located at 914-B Ave. D where Panhandle Cablevision was previously located.

The Diet Center is a nationwide organization made up of several thousand branch offices located across the United States and Canada.

This branch office will provide a local service to those who want to lose weight or adapt a steady protein diet. There are also Diet Center branches at Lubbock and Plainview.

The owner of this branch office is Jean Wood, who also owns the branch

office in Plainview along with several others.

Nancy Allen was selected office manager. She is a local and the wife of Dorman Allen. Nancy was employed at Struve Dry Goods 11 years prior to this job.

The Allens have three daughters who are all married. One lives in Levelland and the other two are living in Abernathy.

"The prime objective of the Diet Center is to help people lose weight. Those taking our program can lose 17-25 pounds in the short period of six weeks," Nancy said.

Drug Smuggler Arrested In Abernathy

A man was arrested in the Pay-N-Save parking lot Saturday evening at 5:45 p.m.

Ray Donald Boykins, 28, was arrested and sent to the Lubbock county jail for drunk driving. It was later determined that Boykins had a warrant against him for smuggling drugs in California.

Boykins is wanted for smuggling drugs into a California prison and was charged with a first degree felony, police officers said.

Boykin's 9 year old son was riding in the front seat, when he was arrested. Taffy Naron, Abernathy police officer, stated that the boy had allegedly been abused, with scars on his legs.

The boy told Abernathy police officers that he had prevented a serious wreck earlier when his father was driving. They were about to collide with

a car when the boy slammed on the brakes on the drivers side, police officers said.

Boykins and his son had been living in New Deal in the Norman Apartments. They lived next to the New Deal police officer who also lives in these apartments. Boykins was a laborer for a while in New Deal, police officers said. He was in Abernathy to buy groceries, officers stated.

The boy was taken to the Plainview Child Welfare Department.

Bicycle Recovered

A bicycle, which had been taken from the Cardeenas residence of 1008 5th St., June 5, was recovered by police chief Raymond Naron.

A Mexican American juvenile returned the bike to David Cardeenas, the owner, after extensive negotiations with the juvenile's parents, Naron

stated.

Attempted Burglary

Police chief Raymond Naron caught three juveniles in the act of breaking into a concession stand at the Abernathy High School baseball park.

All three juveniles were Mexican American and 14 years of age. Naron caught them before they entered the building.

Mexican Alien Caught

Locals called in an accident they witnessed this past weekend when a car drove into a 6 ft. ditch on the east side of town.

The man driving the car, Ramondo Tantoyioa, 34, is a Mexican alien who had been living in Abernathy for the past six months and working on Interstate 27, police officers said.

At the same time Tantoyioa was

arrested, a Mexican American walked up to the scene and was also arrested for public intoxication.

He was later charged with resisting arrest and disorderly conduct and sent to the Lubbock County Jail. He is a 24 year old Abernathy local.

Two Given DWI

Two other young men were charged with DWI this past week.

Police officer William Holocker pulled over a 19 year old white male Friday and charged him with DWI.

Sunday, a 26 year old Mexican American male turned his car over in an accident. Police officers were notified by Abernathy locals who viewed the wreck.

The driver of the car was later charged with DWI.

SITE OF THE ACCIDENT just one mile south of Abernathy on the East 87 service road. The 1/2 mile trail of smoke crossing the road was from burning cotton burrs located in a field just southeast of Abernathy. The smoke reduced visibility to almost zero. (Review Photo)

Micah Blalock To Crusade For Christ In Austria

Micah Blalock, a 1978 graduate of Abernathy High School, will be heading for Austria June 20 on a crusade for Christ for 60 days.

Micah will leave Abernathy June 20 and will be flown to New York for five days training, before going to Austria. He will be accompanied by six other youth from different locations all over the United States.

The crusade is sponsored by the Campus Crusade For Christ organization throughout America. Micah is a member of this organization on the Tech campus, there he is also studying Music Composition as a senior. One other student from Tech, is one of

the six students that will be stationed in Austria with Blalock. He is from Richardson, Texas.

Micah's group will be hiking and riding trains to mountain villages in Austria where they will teach basic discipleship skills to the people of Austria. Each disciple will only be allowed to carry a back-pack, with bare essentials.

They will preach and discuss subjects such as "How To Share Your Faith With Others".

Most people in Austria speak German, and therefore, German translators will accompany Micah's group. "In all, there are actually 44 crusaders going to Austria," Micah said. "These crusaders will be dispersed all over Austria though," Micah added.

Pope Paul Inspired By Crusaders

"Eight years ago, American crusaders talked to a man about Christ when they were stationed in Poland. It was in the early years of the campus for Christ crusades," Micah said. "Today, this man who was inspired by American crusaders eight years ago is Pope John Paul II," Micah said.

Micah also stated that it's not illegal to crusade in Austria, but it is frowned upon by many of the people of that country. Most of the people of Austria are of the Catholic faith.

"Crusaders have been harassed and put in jail in earlier years of crusading, and others have been accused of smuggling Bibles," Micah said. He hopes that there will be no trouble of this nature while in Austria.

Micah will return from Austria the 20 or 21 of August. He will then attend Tech to finish his senior year.

He is the son of Hayden and Donna Blalock of Abernathy.

HEADED FOR AUSTRIA is Micah Blalock, who will be stationed there for 60 days to crusade for Christ. (Review Photo)

Hale Savings Bonds Purchase

Sales of Series EE and HH United States Savings Bonds in Hale County were reported today by County Bond Chairman J.A. "Doc" Potts to be \$14,729. Sales for the first month period totaled \$14,729 for 5% of the 1981 goal of \$300,000.

Texas sales during the month amounted to \$21,384,204, while sales

for the first month of 1981 totaled \$21,384,204 with 8% of the yearly sales goal of \$252.3 million achieved.

On The County Line

By: Keith Tooley

If you haven't seen the movie "Raiders Of The Lost Ark", go see it. It's rated PG, which is about as clean as movies get these days.

To me, this movie is one of the greats and will probably rate up there with Star Wars. It's just started last weekend. If you like old fashioned excitement and adventure, don't miss this one.

HOW SMALL IS SMALL???

You know you're in a small town when...

The airport runway is terraced. The polka is more popular than disco on Saturday night.

Third Street is on the edge of town. Every sport is played on dirt.

The editor and publisher of the newspaper carries a camera at all times.

You don't use your turn signal because everyone knows where you're going.

You are born on June 13 and your family receives gifts from the local merchants because you are the first baby of the year.

You speak to each dog you pass, by name, and he wags at you.

You dial a wrong number and talk for 15 minutes anyway.

You are run off Main Street by a combine.

You can't walk for exercise because every car that passes offers you a ride.

You get married and the local paper devotes a quarter page to the story.

You drive into the ditch five miles out of town and the word gets back to town before you do.

The biggest business in town sells farm machinery.

You write a check on the wrong bank and it covers it for you.

The pickups on Main Street outnumber the cars three to one.

You miss a Sunday at church and receive a get-well card.

Someone asks you how you feel then listens to what you say.

Thank God for small towns...and the people who live in them...

Vic Lamb, who was the Editor of the

Abernathy Weekly Review for several years in the 1930's, recently sent me a post card with a remedy for falling asleep while driving.

"To make sure you don't doze off while driving," Vic advises, "here's a sure way to stay awake. Take off both your shoes and drive wearing your socks only."

Well Vic, thanks for the information and I'll surely apply it "before" I take a nap while driving.

Are you a cautious, safe, driver? If you are not, the following statistics reported by the Texas Department of Public Safety may persuade you to be so in the future.

For instance, from 1775-1980, 1,186,654 Americans died in all the U.S. wars put together. This is a period of 205 years.

From 1900-1980, a period of 80 years, 2,345,865 Americans died in U.S. Highway accidents.

In the Revolutionary War 4,435 Americans died; the War of 1812, 2,260 died; Mexican War 13,283; Civil War 529,332; Spanish-American War 2,446; WWI 116,563; WWII 407,828; Korea 54,246 and in the Vietnam war 56,261 Americans died.

Over one million more Americans have died in car accidents in the past 80 years than Americans in all the wars put together for the past 205 years.

Here are some additional statistics: The economic loss suffered from traffic accidents in Texas for the year 1980 are estimated at \$3,010,000,000 for this one year. This would buy 10,000 homes at \$80,000 each, 10,000 refrigerators at \$700 each, 10,000 electric ranges at \$600 each, 10,000 TV sets at \$700 each, 10,000 dishwashers at \$500 each, 10,000 automobiles at \$10,000 each, 10,000 central air conditioning units at \$2,500 each and furnish the head of each of the 10,000 households with a bank account of \$206,000.

So remember, when you get into your car to drive to work each day, you are experiencing one of the most dangerous activities in America today. Don't be a statistic, drive carefully.

June Sales Tax Rebates For Abernathy, New Deal

State Comptroller Bob Bullock Thursday said Texas cities collecting the one-percent city sales tax have received \$310.7 million in rebates during the first six months of 1981.

Bullock said the June sales tax rebates to cities totaled \$28.3 million, compared to \$24.9 million during a comparable period in 1980.

is \$1,690, bringing this town's year-to-date total to \$27,335, which is a 25.50% increase over last year.

New Deal will receive no check for June, leaving the town's total for this year at \$1,460 to date, which is a 5.48% increase over last year.

Nursery For Crusade

The nursery will be open 45 minutes before each service for those who have a need for it. Nursery will be provided for children 5 years and younger.

All children will go to the First Baptist Church Nursery and be dispersed from there.

8th Street Two-Way

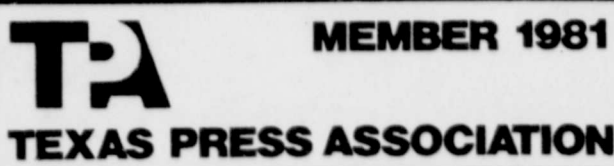

8th Street will be changed to a two way street during Crusade hours for easier parking. This will provide easy access to the Crusade to be held at the school auditorium on 8th Street.

EDITH WAITS, victim of a truck-pickup accident Friday, waits in the front seat of her pickup while EMS volunteers prepare to take her to Methodist Hospital in Lubbock for treatment. The 18-wheeler that ran into the back of Mrs. Waits can be seen in the far back. (Review Photo)

Jim Fullingim To Sing At "Abernathy For Christ" Crusade

A guest performer Sunday night at the Abernathy for Christ Crusade will be Jim Fullingim, Petersburg farmer and singer. Jim is well known for his television appearances on Dwain Lynch's Lay Witness program, and for his musical presentations at churches and revivals throughout the area. He is a regular performer at the Lubbock Saturday Night Opry and has several record and tape albums to his credit. He was the featured entertainer at the Abernathy Chamber of Commerce Banquet last April. Though he farms full time south of Petersburg, he maintains a full schedule of appearances at revivals and crusades all over the state and other parts of the country. Fullingim is a life long resident of Petersburg and a member of the First Baptist Church there. His wife Carolyn accompanies him on many of his singing trips. They have two boys, 21 and 17, and a girl, 13.

Chris Wilson Improving

Chris Wilson underwent surgery last Thursday night on his right hip and his right leg. Wilson is taking therapy for walking twice a day. A back brace has been put on

Sloughs Visit New England States

Mr. and Mrs. R.D. Slough returned home June 8 from a two week trip. They drove to Dallas and caught an airplane and flew to Boston, Mass., where they were met by their daughter and family, Mr. and Mrs. Paul Mercandetti. While in that area they visited many interesting points in Vermont, New Hampshire, and Maine. One thing that was very interesting to them was the covered bridges, and old windmills. They visited the Plymouth Plantation, where you can really see how our forefathers lived. They also went to Mt. Washington in New Hampshire.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Harry Swift of Amarillo announce the engagement of their daughter, Judy Swift, to Lanny Newton of Abernathy. The couple plans to be married July 31, 1981 in the Sunset Church of Christ Chapel in Lubbock.

FORMER DETROIT LIONS quarterback, Joe Reed will perform in song and testimony during the "Abernathy For Christ" Crusade.

Former Detroit Quarterback To Perform At Crusade

Joe Reed, former quarterback for the Detroit Lions and nationally-known gospel recording artist, will be ministering in song and testimony Tuesday, June 23, at 8 p.m. for the Abernathy For Christ Crusade at the high school auditorium.

United States and Canada. He has appeared with Billy Graham and as a regular guest on CBN's "The 700 Club" and "The Ross Bagley Show". He is a dedicated member of the Fellowship of Christian Athletes. In 1978 Joe's album "Have You Kissed Any Frogs Today?" climbed to the top of the gospel charts earning him the honor of Record World's "Top New Male Gospel Vocalist of the Year." For an enjoyable evening of singing and sharing, come and be with Joe getting to know him as he ministers to you.

TRIBUTE TO FATHERS

To fathers all over the world, no matter what his church, his race, or his creed, who goes to Sunday School, and church with his children, teaching them to know, and to love God, and that God loves them, for God so loved the world, that He gave His only begotten Son, that whosoever believes in Him shall not perish, but have everlasting life. John 3: 16, the love verse, and the key verse in the Bible, and in First Corinthians the 13th chapter, the love chapter, and the key chapter in the Bible, God tells us to abide faith, hope, and charity, these three, but the greatest of these is love, without love we are nothing, for God is love. First John 4: 8. He is saying to His children do not give in to discouragement, self-pity and anger - try again, be loving and cheerful, have faith and trust in the Lord, and that prayer is most important.

A man alone in a field, making the field ready for spring planting, is closer to God than he might realize. The field didn't "just happen". The earth didn't "just happen". The fruit tree laden with beautiful blossoms, didn't choose to bloom just to look pretty. There is a miracle embedded in each blade of grass, and in each lovely flower. All about us is the unmistakable evidence of creation by a Master Hand.

Genesis 1: 1. In the beginning God created the heaven and the earth. God Himself has made it clear that healing will come to our land only when we, His people, turn to Him. Second Chronicles 7: 14. If my people who are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways, then will I hear from heaven, and will forgive their sin, and will heal their land. And in Isaiah 9: 6. For unto us a child is born, unto us a son is given; and the government shall be upon his shoulder; and his name shall be called Wonderful, Counsellor, The Mighty God, The Everlasting Father, The Prince of Peace.

I believe that Jesus will come back before our government is completely corrupted, I know that immorality is world wide, but I believe in God's word, and I believe in prayer, and the more we are obedient and serve God's purposes, the sooner our nation will see a spiritual renewal. May we always be hungry for God's Word so all our days may be growing days.

Juanita Bell

Weekly Devotional

Everyone of us will admit that we have a need for God. And we will also say that the best way to be close to God is to pray. Why then, when we admit that prayer is a necessity, do we, when the time comes to sit down and actually do it, so often do just the opposite? We will tell ourselves that we are too busy, or not in the mood, or do not know what to say, when in reality the reason is that we are either too selfish or too afraid.

We might be too selfish in that we do not want to stop doing what we want in order to pray. What we want may be very pleasurable or very relaxing and we could not do that if we spent time praying and so, because of our selfishness, we will not pray.

Even more, though, we may not pray because we are afraid. There may be some things that we enjoy very much that we want very much. If so, prayer can be a very frightening thing for fear that through prayer we may learn that we must give up what we have and, therefore, rather than risk discerning this, we simply refuse to pray.

What we must do, however, is ask ourselves what we must do. When we ask these things, if we do it sincerely, we know what the answer will be, we need to pray!

T. E. L. Class Meets

The First Baptist T.E.L. S.S. Class met with Mrs. John Miller Friday afternoon with six members present.

The program was opened with prayer by Mrs. O'Neil. Mrs. Miller had the Bible questions, and Mrs. Bruce read them, which is always inspirational.

Mrs. Anderson brought two poems. One was "Beattitudes of the Plea for Strength for the Aged," by Edgar A. Guest. The other was "The Beattitudes of Friends of the Aged," by Mary Walker.

Then each quoted a verse of scripture which helps us each day.

We each prayed for the Crusade for Christ that many souls may be won and all drawn closer to our Lord.

Those present were Mrs. Miller, Mrs. Lebow, Mrs. Bruce, Mrs. O'Neil, Mrs. Anderson and Mrs. Slater.

We sang our class song, Amazing Grace, and dismissed with prayer by Mrs. Lebow.

Mrs. Miller served angel food cake and punch which we all enjoyed.

Palmer-Snodgrass Recite Wedding Vows

Family Life Center Chapel of First Baptist Church of Plainview, Texas, was the setting for the Friday evening wedding of Cynthia Louise Palmer and Scott Alan Snodgrass. Officiant for the ceremony was Rev. Bruce Keller, pastor of Northside Baptist Church.

Parents of the couple was Wanda L. Palmer, 1309 Wayland, and Mr. and Mrs. Y.F. Snodgrass of Abernathy.

The program of wedding music was performed by Mrs. Jeff Moore, pianist, Bobbie Miller of Floydada, vocalist, and Keith Longbotham, guitarist. Candela-bra and peach candles, baskets of flowers and a unity candle were used in altar

decorations. Greenery formed the background for the recitation of vows.

The bride's gown of candlelight beige organza and qiana was designed with a fitted waistline coming to a point in front, a Victorian neckline and full sleeves with seven-inch cuffs that came to a point over the hand. Applique roses with pearls were scattered over the skirt. The applique motif was repeated on the chapel length train. The bride's gown and gowns of the attendants were designed and made by the bride and her mother.

The bride carried a bouquet of peach silk carnations, roses, rosebuds and baby's breath. All of the

flowers for the altar and bouquets were made by the bride.

Mrs. Tommy Clements was matron of honor, Vonda Purvis of Corpus Christi and Mrs. Sam Miller were bridal attendants. Their gowns were of peach qiana topped with a cape of candlelight beige lace. They carried bouquets of peach silk carnations and rosebuds accented with the lace design used in their dresses.

Kent Snodgrass was his brother's best man. Groomsmen were Kirk Snodgrass of College Station and Sam Miller. Tommy Clements and Don Snodgrass of Wichita Falls, the groom's brother, were ushers.

Mrs. Fred Sparkman registered guests for the reception held in the Family Life parlor. Bouquets of the bride and her attendants were used for the table centerpiece with peach candles in the background. The table was covered with peach underlay and a candlelight lace cloth.

The groom's table, covered with brown cloth, featured a hurricane arrangement with candles.

The newlyweds are on a wedding trip to Dallas and Fort Worth. They will be at home at 312 SE 7th St., Plainview.

Mrs. Snodgrass graduated from Plainview High School in 1974. The groom graduated from Abernathy High School the same year and from Wayland Baptist College with a major in business management in 1978. She is manager of Joy Spring and the groom works for Farmer's Home Administration.

The rehearsal party was given in the Family Life parlor by the groom's parents.

Mrs. Scott Snodgrass

Bridal Shower Given For Angela Abercrombie June 13

A bridal shower honoring Miss Angela Abercrombie, bride-elect of Jake Hightower, was given in the home of Mrs. Ray West, New Deal, Saturday, June 13. Assisting with hospitalities was Mrs. George Sharp.

Guests included Mrs. Tom Abercrombie, mother of the honoree; Mrs. Bobby C. Hightower, mother of the

prospective bridegroom; and Mrs. Elena Melendez, grandmother of the honoree.

Miss Abercrombie's chosen colors of blue and white were used in the table decorations. Silk flowers centered on the serving table highlighted the carnival glass and silver appointments. A white lace umbrella adorned with blue satin

bows, white satin streamers, and blue silk wildflowers, was suspended from the ceiling over Miss Abercrombie's chair.

Hostess gifts were table linens to compliment the bride's selections and a ceramic bread basket.

One hundred thirty guests called on the bride-elect. The engaged couple will pledge vows at 8:00 p.m. July 17 in Saint John Neumann Catholic Church, Lubbock, Texas.

Janie Rowen Honored With Bridal Shower

Miss Janie Rowen, bride-elect of Mike Hennig, was honored with a bridal shower Monday, June 15 in the home of Mrs. Donnie Hearn.

Hostesses were: Mrs. Marsha Sanders, Mrs. Cynthia Hanes, Mrs. Carolyn Hearn, Mrs. Nadine Rogers, Mrs. Terry Kitchens, Mrs. Vicki Havens, Mrs. Jan Wesley, Mrs. Ruby Nell Pittman, Mrs. Mary Hunley, Mrs. Mary Rose Bowen and Mrs. Ruby Benton.

Boys And Girls Enjoy Day Camp

Camp Yate'he was held June 8-12, from 8:45a.m. until 2:00p.m. each day at the farm of Diana and Gary Phillips, located 4 1/2 miles east of Abernathy on FM597. Highlights at Camp Yate'

he this year were a swimming program and an overnight camp out. Swimming was available every day except Friday. Three days and two nights were spent at Camp Rio Blanco in Crosby-

ton. The program at day camp revolved around units based on grade levels. Each unit developed its own program based on the interests of the boy and girl scouts.

REDGIE KNIGHT is pictured giving fourth grade Junior Girl Scouts weaving and basketry lessons. These girls will also learn how to dye natural fibers and make wall hangings. (Review Photo)

THE BROWNIE UNIT, instructed by Rhetta Riley and Laura Smith, display the sit-upps they made one day at camp. They made sit-upps and dunking bags for future camp outs. (Review Photo)

Robertsons Surprised With Housewarming

Hubert and June Robertson were surprised Sunday night, June 7, with a housewarming party.

A large group of friends from the Church of Christ dropped in for a visit and gave them a pantry shower.

Cookies, cake, coffee and tea were served. Everyone enjoyed the party.

Out of town guests included Mr. and Mrs. Charles Tolleson of Dimmitt and D'Ette Trent from Lubbock. The Robertsons recently

purchased a house on First Street and Ave. G.

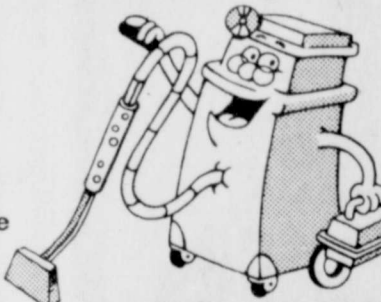

Birth

Mr. and Mrs. Robert Castilleja are the parents of a daughter, weighing five

pounds three and a half ounces at 4:45p.m. Sunday, June 7 in Community Hospital, Lubbock.

Hale County Irrigation Awareness

Week June 21-22

Hale County Judge Bill Hollars has proclaimed the week of June 21-27 as "Hale County Irrigation Awareness Week", according to County Agent Ollie Linder.

In doing this County Agent Linder calls attention to farmers and businessmen the irrigation situation in the county. First of all he states that farmers in Hale County are doing a much better job of irrigation than they were 15, 20 and 30 years ago.

This has been brought about by programs conducted by the Hale County Soil and Water Conservation Ser-

vice and its District Board of Supervisors; by Hale County Extension Service educational work and demonstrations conducted in the county; by Experiment Stations research information; ASCS incentive payments for conservation practices; farmer "know-how" and trial and error.

Linder estimates that there are 430,000 acres of irrigated crop land in 1981 and approximately 4,600 irrigation wells pumping from 100

gallons and less to 800 gallons and above per minute. The crop break-down is estimated 230,000 acres of irrigated cotton, 95,000 acres of corn, 30,000 acres of soybeans, 40,000 acres of grain sorghum, 33,000 acres of wheat, 3,000 acres of vegetables and 2,000 acres of alfalfa.

It is estimated that there are 750 lake and tail water recovery systems. About 75 percent of the wells are on natural gas and 25 percent on electricity.

According to Jimmy Lewis, District Conservationist with the Soil Conservation Service, "we are depleting our irrigation water at the rate of an average of 2 feet per year. Cost of energy is going up and the lowering of our water table is costing the farmers more to pump this water."

Lewis pointed out that surface irrigation systems that they had checked were 56 percent efficient, whereas their goal for efficiency is 80 percent. This loss is due to ditch losses, tail water losses, distribution use in the furrow length. The average gross application is 4.2 inches per acre. Assuming the above figures are correct this would mean that only about 2.2 inches is going on the crop.

Linder stated that all conservation practices should be employed to conserve and

lengthen the life of irrigation water in Hale County.

Lonnie Howard State Finalist

Hale County's 4-H Poultry Demonstration entry talked his way to the 1981 State Finals here June 3. This show and tell contest is a part of the giant 4-H Round-up held on the campus of Texas A&M University each year.

Lonnie Howard of Abernathy scored 272 points of a

possible 300. He was coached by Richard Howard.

Some 16 teams participated in this year's contest representing Texas communities from the northern-most tip of the Panhandle to the Gulf of Mexico and from the Piney Woods to the Hill Country.

Locals Attend 4-H Leadership Lab

Nearly 175 young leaders from 4-H clubs in 20 South Plains counties will participate in a district teen leadership laboratory in LeVeanau, June 16-18, according to Brent Crossland, county extension agent.

The three-day summer workshop will be held on the campus of South Plains College, said Billy C. Gunter and Dr. Catherine Crawford, district directors with the Texas Agricultural Extension Service.

Participants from Hale County will be Melissa Nivens and Buffie Black, both of Hale Center; Dinah Neve and Amy Pettit, both of Abernathy; Clifton Pinnell and Jana Bontke, both of Plainview and Mandy Igo,

Halfway. Also attending will be Linda Smith, Hale Center District 2 Council delegate. They will be accompanied by Crossland and Wynon Mayes, county extension agent.

Each year the lab provides an opportunity for outstanding 4-H Club members to receive training in leadership and program development. Participants are expected to assist local adult leaders in planning and conducting activities in local clubs. A team of older teen-age 4-H'ers will assist in conducting the training sessions.

Theme for this year's lab is "Those Amazing Projects." Emphasis will be project areas, including quilting, B-B guns, consumerism, energy, aerobics, leathercraft, grooming, uniquely you, veterinary science and bicycles.

Officers and delegates for the 1980-81 District 4-H Council will be installed at the lab.

The City of Abernathy will conduct a Public Hearing at 5:00 p.m. on June 25, 1981 at the Abernathy City Hall located at 811 Ave. D. The purpose of the hearing is to afford interested persons

Howard, Shadden Design Portable Cellar

Jerry Howard and Oliver Shadden, of S and H Welding, designed their own portable cellar recently.

They built the 2,200 pound cellar in their spare time and in-between 2-paddle dicker orders that had to be filled.

The size of the cellar is 8 ft. by 10 ft. excluding a staircase chamber attached to the top of the cellar. It is 8 ft. tall in the center and 6 ft. on the sides. The cellar was constructed of 12 gauge metal sheets which were welded together.

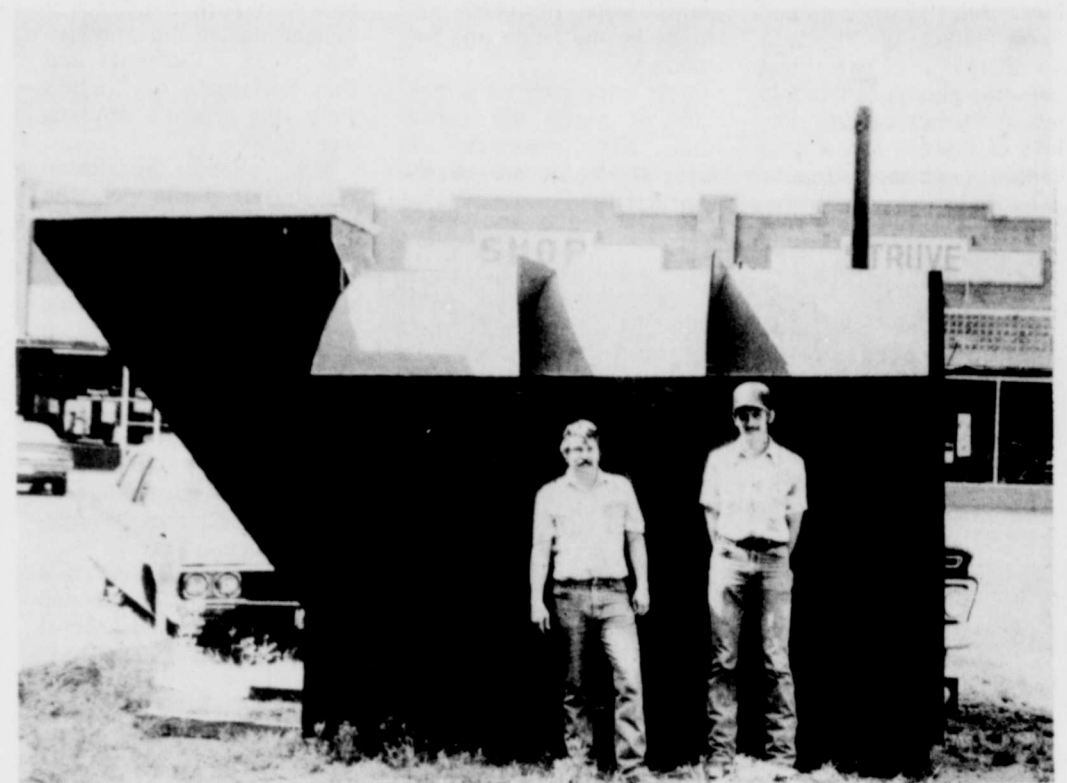

Howard and Shadden designed the cellar, which took approximately 40 hours, off and on, to build. "We could

build them much faster if the need arose," Howard said.

The cellar they designed is different from most portable cellars. It is rounded on top to avoid caving in. Stairs are attached on one side of the top to provide easy access, and joints were welded on the outside and inside both.

Howard and Shadden don't plan to build a lot of portable cellars, but they will build them if there are requests for their portable cellars.

"This one will hopefully sell for \$2,200 installed in the ground," Shadden said. The cellar can be seen lying in front of S & H Welding.

WHAT IS IT? Many people have asked Jerry Howard and Oliver Shadden what the huge contraction in front of S & H Welding is. It is a portable cellar they designed and built.

(Review Photo)

Wastewater Treatment Public Hearing June 25

an opportunity for written and/or oral comments on the proposed wastewater treatment facility plan and associated environmental information document. One of the purposes of this hearing is to discuss the potential environmental impacts of the project and alternatives to it.

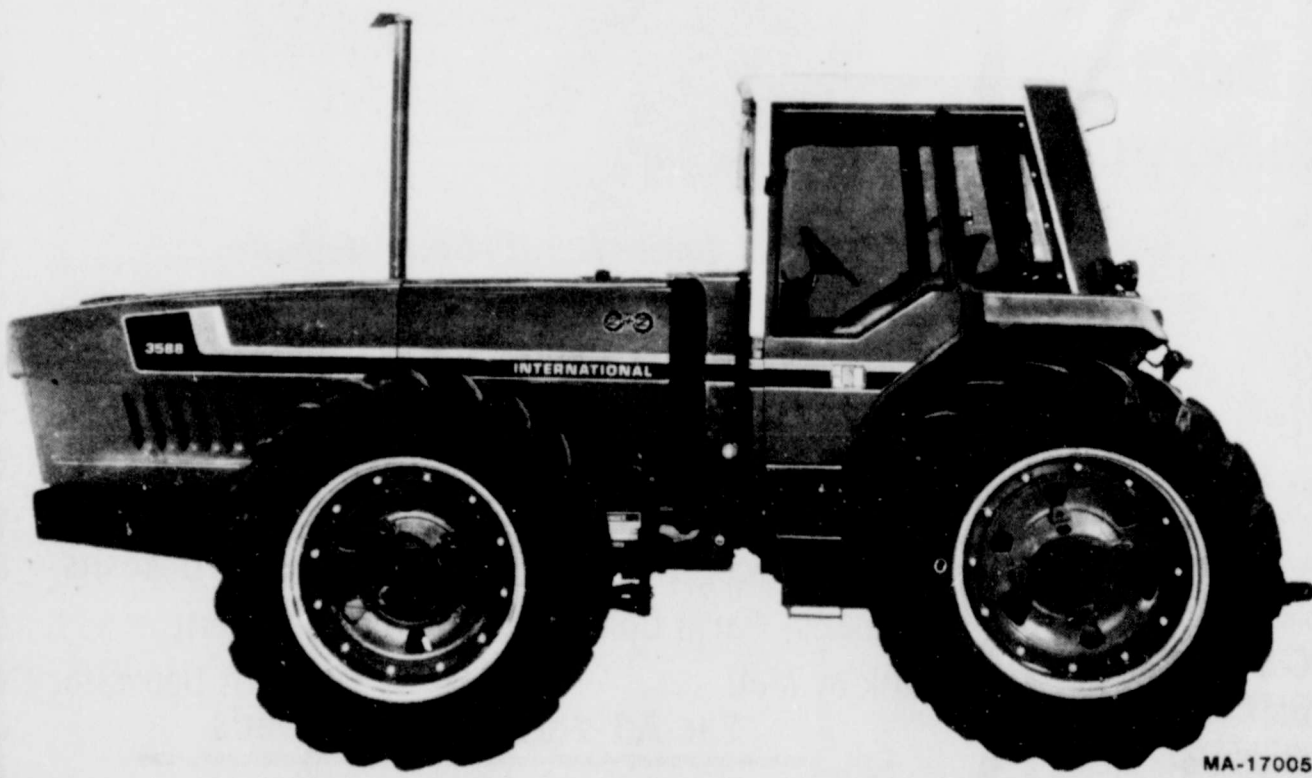

The proposed project includes improvements to the existing lift station as well as the construction of a flow measuring device, a standby genera-

tor, a facultative lagoon, site improvements, and refurbishing an existing holding pond. All of the major components of the existing plant will continue to be utilized and the effluent will continue to be utilized for irrigation of agricultural land.

The total project cost is estimated to be \$339,640 with the local share approximately \$50,946. Estimated monthly operation and maintenance costs will be \$1,765.

4-H Leaders Name Ollie Liner Outstanding Agent

More than 35 years of service which has touched the lives of hundreds of 4-H Club youths across the South Plains has earned Hale County Extension Agent Ollie Liner of Plainview the top award presented each year by the state's 4-H Club leaders.

Liner was presented the 1981 Distinguished Agent Award by the 4-H Volunteer Leaders Association of Texas at an awards luncheon during State 4-H Roundup (June 2-4) on the campus of Texas A&M University. He received a plaque from Gwen McCollum of Luling, president of the state association. 4-H is the youth educational program of the Texas Agricultural Extension Service.

Accepting the award, Liner attributed it to "the result of a team effort that has been found in Extension work in Hale County." He said he accepted it on behalf of past and present Hale County Extension staff and secretaries, past and present 4-H leaders and club members, past and present commissioners courts, past and present local and area news

media, and the farmers and business people of Hale County.

The veteran county agent was nominated for the award by 4-H leaders of Hale County. They cited him for outstanding program management, leadership development, resource management, development of educational materials, promotion of 4-H and effective liaison with community groups and leaders.

His wife, Gena, and more than a score of friends, co-workers, 4-H leaders and 4-H members from Hale and other South Plains counties traveled to College Station to attend the awards luncheon at which Liner was honored.

Liner began his service to 4-H following his graduation from Texas Tech University in 1942. He began work July 2 that year as assistant county extension agent in Hale County. He began duty with the Army on Oct. 24

1942, serving until November 30, 1945.

After completing his Army service, Liner resumed his Extension duties in Hale County. On Feb. 1, 1947, he was named Farmer County agent, serving there three years.

Liner was named Hale County Extension agricultural agent on March 1, 1950, and has served continuously since. He served many years as chairman of the county extension staff and last July 1 was named county extension supervisor. He counsels almost daily with nine other members of the county staff.

He is noted as one of the state's most outstanding trainers of new extension agents. Since 1950, he has trained 28 assistant and associate agents. Among these, two are now district extension directors, two are county agents, two are state extension specialists, two are bankers and others are involved in farming or other

agribusiness endeavors.

Under his leadership for more than three decades, the 4-H program in Hale County has expanded dramatically, with more than 400 boys and girls and 110 volunteer adult leaders now active in all areas of the county. In 1942, animal projects for 4-H boys was almost the entire county 4-H program. Now, not only do some 120 4-H members exhibit their livestock at local, area and state stock shows each year, they and hundreds more also take part in more than 25 other projects.

Each year, the county qualified an average of 20 4-H'ers to attend State 4-H Roundup with project method demonstrations. Thirty participated in the State Roundup this month. In recent years more than 35 members have had their record books in district competition.

In his time as county agent, Liner has seen 104 of

his Hale County youngsters and two in Farmer County emerge as winners in State 4-H Roundup events. In their nomination 4-H leaders said Liner has been directly responsible for many of these 4-H'ers winning and indirectly responsible for the others.

For many years he personally coached the livestock judging teams and developed study guides to help the 4-H'ers place animals and give reasons. Those teams won many district and state contests.

Liner took three of these teams to the American Royal Livestock Judging Contest in Kansas City. Two teams placed first and the other placed second. He also took two teams to the International Livestock Judging Contest in Chicago, where one placed third and the other placed seventh.

Under his supervision county 4-H members have exhibited grand champion animals at all major stock shows in Texas, the State Fair of Texas and national shows. Liner has judged many stock shows in Texas, New Mexico, Oklahoma and Nebraska.

For the past 30 years he has served as general superintendent of the Plainview Stock Show, where over 600 animals are exhibited each year, and assistant livestock

superintendent of the Panhandle South Plains Fair at Lubbock.

He is active in the First Baptist Church of Plainview, Plainview Kiwanis Club, member of the agriculture committee of the Plainview Chamber of Commerce, Texas Association of County Agricultural Agents and the National Association of County Agricultural Agents (NACAA).

He has received the Superior Service Award of the Texas Agricultural Extension Service, the Distinguished Service Award of the NACAA, and numerous other professional and civic honors.

Brownfield Tennis Tourney July 15-18

The Brownfield Open Tennis Tournament will be July 15-18 and will be held at Brownfield.

The entry fee is \$5 per person per event and the entry deadline is Monday, July 13.

This is one of the largest open tennis tournaments to

be held in the Panhandle each year. Eight age divisions are being offered this year for players age 10 to 40.

Mail entries to Virdee Montgomery at 1214 E. Hester, Brownfield, Texas 79316, or call her at 806-637-3496.

every year, she says.

Ms. Taylor is on the home economics staff of the Texas Agricultural Extension Service, The Texas A&M University System.

Use car restraints for children, cautions Dorothy Taylor, a family life education specialist.

Failure to use these safety devices causes 1,000 deaths in children under age five

Golf Tourney Saturday

The Abernathy Country Club will have a Junior Golf Scramble Saturday, June 20, beginning at 8 a.m. It will be for ages high school and younger. Please call the Abernathy Country Club for more information. Boys and girls are both invited and urged to enter.

Animal Control Seminar

South Plains Association of Governments and the Texas Department of Health are sponsoring an Animal Control Seminar on June 25, 1981.

The seminar will begin at 1:00 p.m. in the SPAG Conference room at 1709 26th St. in Lubbock.

The seminar is open to the public and pre-registration is requested but not required. There is no cost for the seminar.

Subjects to be discussed are: Rabies and Animal Control, Local and State Laws on Animal Control, Courts and Animal Control, Animal Control Operations, Animal Control Education, and a Proposal for State Animal Control Certification Program.

For more information contact: Arlene Miller, Director of Regional Services at 806-762-8721.

Those To Remembered Boyd Griffith has been moved from room 611 to room 677 East at Methodist Hospital, Lubbock.

Janet Wilke Named Editor For Bovina

Janet Wilke, 25, assumed duties this week as editor of the Bovina Blade. Mrs. Wilke replaces Julia Moody, who has accepted a position with an accounting firm in Farwell.

A native of Abernathy, Mrs. Wilke graduated from Abernathy High School in 1974, and attended Texas Tech University where she was a music education major.

In high school, she twice was a regional qualifier in the newswriting event in the UIL, winning second in regional and going to the state meet in the event in 1973.

She was active in band at Abernathy High School, serving as drum major for the band two years. She was the John Philip Sousa award winner at Abernathy in 1974, and was a Texas Tech music scholarship winner.

Mrs. Wilke worked for the Abernathy Weekly Review from 1972 to 1974, serving as

a correspondent for school news. She also did a summer series on "Women in Business."

She served as the Abernathy correspondent for the Lubbock Avalanche-Journal, 1973-74, and in 1978-79, worked for the Memphis Democrat, a weekly newspaper, writing news and

sports. Janet and her husband Carl live at Lazbuddie, where he is employed as band director for the Lazbuddie Schools, a position he has held the past two years.

She says her hobbies are reading, writing and researching English royalty. "I want to do the best job

possible in getting all of the local news reported each week in the Blade, and solicit the help of each resident in the area toward that end," Mrs. Wilke says.

Mrs. Wilke is the daughter of Mr. and Mrs. M.W. Moore of Abernathy and the sister of Mrs. Gary Phillips of Abernathy.

NEW EDITOR....Janet Wilke of the Bovina Blade. Janet is a native of Abernathy. She began duties this week as editor.

Irrigation Pumping Plant Test June 23

On June 23, 1981, the Irrigation Committee of the Hale County Agricultural Extension Service invites you to attend an Irrigation Pumping Plant Efficiency Test, according to Billy E. Warrick, County Extension Agent-Agriculture.

The program will start at 9:30 a.m. at the Edmonson Community Center where Leon New, the District Irrigation Specialist, will go over well efficiency testing and its importance. Greg Sokora of the District Soil Conservation Service will be discussing irrigation system testing and its importance. Both of these services are available to county producers for their use.

After the program is complete, the group will be invited to observe the conducting of a well efficiency test on the farm operated by Darrell Hunt, northwest of Edmonson.

This meeting is open to all ages regardless of socio-economic level, race, color, sex, religion or national origin. All farmers and businessmen are encouraged to attend this very informative meeting.

Talk Of The Town

Mr. and Mrs. Hilbert Rantz and her sister and brother-in-law Mr. and Mrs. Guy Thompson of Crosbyton spent last weekend in Ruidoso, N.M.

Mr. and Mrs. Melvin Johnson went to Hale Center Sunday to attend a Johnson family reunion at the American Legion Hall.

Talk Of The Town

R.D. Presley, Milt Pope and son Del Ray went to Possum Kingdom Lake to fish and ski for a few days last week.

W.C. Snider

Services for W.C. "Bill" Snider, 71, of Dimmitt, were held at 11 a.m. Wednesday, June 10 in the chapel of Parsons Funeral Home with Dale Wells, pastor of Fourth & Bedford Streets Church of Christ in Dimmitt, and Cline Paden, director of Sunset School of Preaching in Lubbock, officiating.

Graveside services were at 3 p.m. at Resthaven Memorial Park in Lubbock with both ministers officiating. Burial was under direction of Parsons Funeral Home of Dimmitt.

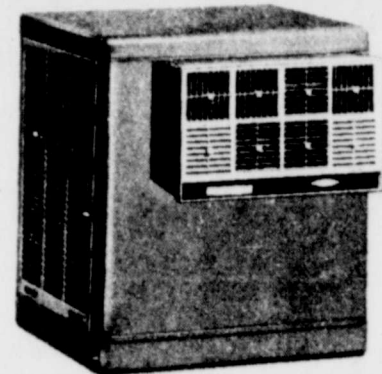

Snider died at 12:30 p.m. Monday June 8 at Plains Memorial Hospital at Dimmitt after a brief illness.

A native of Gordon, he lived in Castro County 25 years, moving there from New Deal. He was a retired farmer and a member of the Church of Christ in Dimmitt.

He married Ruth Johnston Jan. 30, 1933 in Clovis, N.M. Survivors include his wife; two daughters, Vana Raines of Lubbock and Dana Allen of Hobart, Okla.; a son, Don, of Amarillo; three sisters, Nell Groseclose of Lubbock, Childress and Montez Smith of Monroe, La.; four brothers, Joel of Albuquerque, N.M., Maurice of Silver City, N.M., Tom of Lubbock and Jesse of Riverside, Calif.; 11 grandchildren and 2 great-grandchildren.

Snider was an uncle of Anna Lee Johnson of Abernathy.

News and Comments

BY BUFORD DAVENPORT

This column is composed of Monroe/New Deal news that appeared in the Abernathy Weekly Review more than 41 years ago.

From The Review dated Sept. 28, 1939: The three Monroe cotton gins had turned out a total of 1,133 bales of cotton to late Wednesday morning. Lint was selling for around 8.45 cents to 8.95 cents per pound, and seed brought from \$27 to \$28 per ton.

J.R. West, a farmer four miles east of Monroe, brought in Monroe's first 1939 bale of cotton Sept. 1. It was ginned at one of W.O. Fortenberry's gin plants. The bale was graded strict middling 31-32nds staple. West planted Paymaster seed May 10, and first blooms were seen July 7. A photo revealed West with a stalk of cotton that had 103 green bolls and forms August 2.

Next Sunday is Monroe's regular first Sunday singing date.

Rev. Aubrey Ashley was pastor of Monroe Methodist Church, and Z.B. Lee was superintendent of the Sunday School.

Monroe/New Deal News from The Abernathy Weekly Review dated Sept. 7, 1939.

Monroe Locals by Mrs. Raymond McNeely: Mrs. Guy Young and daughters and Mr. and Mrs. J.D. Farrier visited relatives in Levelland; Mr. and Mrs. (Reuben Jennings and children are visiting relatives in Gainesville, Texas, and in Oklahoma; Mrs. Sam Williams and Mrs. Boyd Nicholson visited in Quanah last week; Billy Harvey, John McDonald and Willis James left here Thursday for Brownwood where they are to enter Howard Payne and Daniel Baker colleges; Mr. and Mrs. Ermer Exum and Mr. and Mrs. Frank Allman have returned from California where they visited the World's Fair. Among the many experiences they will long remember about the trip was their car running out of gasoline in the middle of Death Valley, with the weather temperature between 120-130 degrees. They were rescued by another car of tourists. A faulty gas gauge caused the trouble.

Mrs. S.L. Wilson of Bellview visited in the home of her son, R.E. Harvey; Mr. and Mrs. Bill Snider and children and Mrs. H.C. Johnston visited relatives in Southland; the Forrest Wren family has moved from west of Monroe to Reuben Jennings place south of town.

Ralph Young and Joe Exum are two new members of the crew of New Deal School bus drivers. Others are Homer Brogdon, Monroe Jeffcoat, Bill Nesbitt and O.B. Haven, with Bruce Caldwell as Superintendent of buses. With routes of about 28 miles each, the six new International school buses started operation in

the New Deal School district this week. The buses, which have Wayne all-steel bodies, arrived at New Deal last week from Richmond, Indiana. In the party going to Indiana to get the buses were A.L. Faubion, New Deal School Superintendent, J.L. Stokes, O.A. Oats, Lonnie Teal, Gardener, John Harrell, Nesbitt, Exum, Young and Brogdon.

Among those from the Monroe area who plan to attend college this year are Dorothy Lee Jones, Neva Wright, John Neil Harrell, Mildred Mallet, Cleo Paden and Fannie Lou McMenamy, Texas Tech; Mrs. Loveless (Marcelle Anderson) business college, Lubbock; Harlan Land, Texas University, Austin, and the three mentioned earlier.

From The Abernathy Weekly Review dated Feb. 27, 1941:

The Monroe Home Demonstration Club meets in the home of Mrs. W.H. Emery. Mrs. Alvin Ryals is hostess to a meeting of Monroe Knitting Club.

Annual banquet of the New Deal Future Farmers of America was held. Fifty dollars in cash prizes donated by W.O. Fortenberry, Monroe ginner, were awarded to winners of the cotton contest. Floyd Cloud, Jr., was awarded first prize of \$20, John Neil Harrell won second prize of \$15, Raymond Pearce third prize of \$10, and Waylan Edwards fourth prize of \$5. Mr. Fortenberry will sponsor a similar cotton contest for the 1941 crop. A 22 caliber rifle was awarded Lonnie Lewis, winner of a pest eradication contest. The banquet was served by the New Deal home economics department.

Monroe Locals by Mrs. Raymond McNeely, from the Abernathy Weekly Review dated August 31, 1939:

Mr. and Mrs. Plumer Justice moved to Monroe from Bonham. Mr. Justice will be employed in the office of W.O. Fortenberry Gins.

Mr. and Mrs. J.V. Biggers of Dallas visited Mr. and Mrs. A.T. Biggers of Monroe.

Mrs. W.O. Fortenberry and children and Etta Robin-

son visited in Kerrville and San Antonio. Mr. and Mrs. W.H. Scott, D'Aun McNeely, Mr. and Mrs. J.D. Farrier and Hiram Cox visited in Littlefield. Mr. and Mrs. Scott remained there for a few weeks' visit with two of their daughters, Mrs. James Graham and Edgar Graham.

NEW DEAL NEWS

New Deal School Board The New Deal School Board met in a regular meeting June 8, 1981. Those present were Henry Atkinson, Raymond Bufe, Verlin Anglin, Robert Hughes, Carroll Teeter, Principal Madding, Superintendent Flood, Nancy Cooper, and visitors. Superintendent Flood opened the meeting with a prayer.

Nancy Cooper gave a report on Texas Assessment Project. Perry Looney came at this time.

President Bufe approved the minutes of the May 11 meeting.

Superintendent Flood then reviewed general operations, federal funds and tax collection.

Motion was made by Henry Atkinson to pay bills for the month of May and it was seconded by Robert Hughes and carried 6-0.

Joe Gonzales spoke to the board in consideration of the Mexican-American students of the New Deal I.S.D. He expressed concern for Bilingual Education and professional employees who were Mexican-American.

The President called the board into executive session under the provision of Article 6252-17, Section 2, paragraph G, to consider personnel.

Later president Bufe called the meeting out of executive session.

A motion was made by Verlin Anglin to accept the resignation of Coach Lonnie Kuss. It was seconded by Perry Looney and carried 6-0.

Motion was made by Robert Hughes to employ Cheryl Ann Rogers as assistant girl's basketball coach at \$1500.00 over state schedule. It was seconded by Henry Atkinson and carried 6-0.

A motion was made by Verlin Anglin to continue the service with the Education Service Center for school year 1981-82. It was seconded by Robert Hughes and carried 6-0.

David Williams, Basil Agnew, Burley Pigham, Joe Gonzales, and Kenny Thiel were appointed to the Board of Equalization in the order listed.

Motion was made by Henry Atkinson to accept bids for cafeteria products for the 1981-82 year and bank depository contract for the 198-83 biennium. Bids are to be accepted July 13. It was seconded by Verlin Anglin and carried 6-0.

G.A. Nystel, professional engineer, presented blueprints of the band hall to be advertised for bids.

Motion was made by Robert Hughes to adopt the resolution to continue to tax automobiles. It was seconded by Perry Looney and carried 6-0.

TRANSITION

Lee B. Penn

Services for Lee B. Penn, 63, of 2123 73rd St. were held June 16 in the New Deal Baptist Church with Rev. Jimmy McGuire, pastor, officiating.

Burial was in Resthaven Memorial Park under direction of Sanders Funeral Home.

Boyd died at 5:45 p.m. Saturday at Southpark Hospital after a lengthy illness.

A 40-year resident of New Deal, he moved here from Bell County in 1941. He married Isla Toliver Dec. 20, 1930 in Bell County.

He was a member of the New Deal Baptist Church and a retired farmer.

Survivors include his wife; two daughters, Clara McElroy of Lubbock and Jewel Dean Ford of New Deal; a son, Jimmy of Lubbock; a sister, Fannie Boyd of Belton; and grandchildren.

Floyd B. Coleman

Services for Floyd B. Coleman, 93, of Olton were held

C. O. Boyd

Services for C.O. "Jim" Boyd, 79, of New Deal were held June 16 in the New Deal Baptist Church with Rev. Jimmy McGuire, pastor, officiating.

Burial was in Resthaven Memorial Park under direction of Sanders Funeral Home.

Boyd died at 5:45 p.m. Saturday at Southpark Hospital after a lengthy illness.

A 40-year resident of New Deal, he moved here from Bell County in 1941. He married Isla Toliver Dec. 20, 1930 in Bell County.

He was a member of the New Deal Baptist Church and a retired farmer.

Survivors include his wife; two daughters, Clara McElroy of Lubbock and Jewel Dean Ford of New Deal; a son, Jimmy of Lubbock; a sister, Fannie Boyd of Belton; and grandchildren.

Wednesday, June 10 in the First Baptist Church in Olton with the Rev. Travis Hart, pastor, officiating.

Burial was in Olton Cemetery under direction of Parsons Funeral Home.

Coleman died at 2:50 a.m. Tuesday, June 9 in Hi Plains Hospital, Hale Center, after a lengthy illness.

He was born in Grapevine and moved to Olton in 1925. He was a retired farmer. He married Eunice Fellers on Feb. 19, 1909, in Hardeman County. She died in 1972. He was a Baptist.

Survivors include four sons, Curtis of Plainview, Curtis of Mabank, F.B. of Irving and Jack of Odessa; two daughters, Essie Wozencraft of Olton and Wava Barrick of Abernathy; 18 grandchildren; 39 great-grandchildren and four great-great-grandchildren.

POULTRY AND EGGS IN 1981-1982 should be a better year than 1980 as far as poultry and egg producers are concerned. Last year's heat wave and soaring feed prices cut sharply into profits, but gross income from poultry and eggs in Texas still reached about \$501 million, up from \$464 million in 1979, says a poultry market-

ing specialist with the Texas Agricultural Extension Service, Texas A&M University System. Thus Texas maintained its sixth place among the leading states in

poultry and egg production. Increased demand for high protein and higher meat prices will likely result in higher egg prices during the second half of 1981.
