

City Tax Roll Over \$30 Million, More To Come

The Abernathy City Council discussed the tax roll at the regular monthly meeting held Monday night.

The City received the tax roll from the appraisal board recently. The tax roll amounted to \$30,623,824 as certified by the appraisal district. The Hale County Appraisers did not include approximately 193 accounts that were left off of the roll which amount to approximately 4 or 5 million dollars.

Due to the amount not being complete for Abernathy's tax roll, the council did not set a tax rate. They will set the rate within three days after they receive the total tax roll with the other 200 accounts added.

GTE Franchise Agreement

Jim Davis, a representative for General Telephone Company, addressed the council about the local franchise agreement with GTE which expired in 1977. The franchise is renewed every 30 years.

The City presently has an attorney examining the franchise contract. A decision on whether to renew the GTE franchise with Abernathy will be made pending an analysis by the attorney.

Insurance Bids To Be Taken

The council authorized City Manager Rod Ellis to advertise for the City's 1982 insurance coverage. The coverage will be for one year term and will be renewed in 1983. Bids will be advertised for in November.

Ambulance Radio Purchased

Milton Pope approached the council with a proposal for the city to purchase a radio for the ambulance. Pope stated

that a suitcase radio would make it possible for EMTs to contact hospitals in Plainview, Lubbock and Hale Center in the event of an emergency.

The council agreed to purchase the radio and will provide \$2,500 of the \$5,000 needed. The other \$2,500 will come from a matching grant to be provided by the South Plains Emergency Medical Association.

The suitcase radio will deliver 5 more watts needed to place the Abernathy ambulance on the same frequency as most other emergency radios in the area.

Other Business

The council accepted an ordinance amending the City's water rates. The new increased rates will be posted with the December bills.

The council decided not to nominate anyone for the Hale County Appraisal District Board of Directors. The city is allowed 70 votes at election time.

School crossing zones were discussed. Last month the State Highway Department was notified by the City and informed that Abernathy needs another school crossing zone across from Allsup. The highway department is presently doing a study to see if the crossing is necessary.

The city applied for a grant from the Texas Aeronautics Commission to repair the Abernathy Airport. Parts of the runway and several other airport facilities are in need of repair.

The Abernathy Police Department requested that the rank of Sergeant be implemented into the police department here. The request was denied by the council and the meeting adjourned.

Abernathy Weekly Review

[Serving Hale, Lubbock Counties]

VOLUME 60 NO. 50 THURSDAY, OCTOBER 15, 1981 U.S.P.S. NO. 003-340

GTE To Charge New Rates For Abernathy

General Telephone Company of the Southwest will begin charging new rates in Abernathy for installing, changing or adding telephones October 12. The change is the result of a mandated Federal Communications Commission accounting charge for all telephone companies, and has been approved by the Public Utility Commission of Texas.

The FCC order requires costs incurred for installing or changing telephone service to be collected from customers receiving the service as the services are rendered.

In addition to the changes in rates, residential customers now have the option of providing their own house wiring (wiring from the protector or fuse box on the house to the telephones) and save the associated fees charged by the telephone company. In

addition, a \$5 wiring maintenance charge will be assessed whenever the company sends service personnel to do repair work on the wiring.

"Previously, costs for installing, changing, adding telephones or to do wiring work were partially paid by all customers, not just the customer receiving the service," said Oscar C. Gomez, rates and tariffs manager for General Telephone in San Angelo. "This charge is the first of four annual steps which will result in full revenue recovery from the customers receiving the service."

The new fees are structured similar to previous charges with some existing charges increasing and others decreasing. Charges will vary from customer to customer, depending upon the functions required to make the installation, charge or addition to service.

Antelopes To Face Undefeated Wildcats

The Abernathy Antelopes will face the undefeated Idalou Wildcats this Friday night at 7:30 p.m. in Antelope Stadium.

The Wildcats are coming off a five-game winning streak. They have defeated Roosevelt and Muleshoe, the only two teams that have defeated the Antelopes. This game will be the first district game for both teams.

The 7th and 8th grade will play Tulia at Tulia this Thursday and play will begin at 5 p.m.

The 9th and JV teams will play Tulia here Thursday night.

BEAT THE WILCATS

Harvest Slowed By Rain Showers

Rain showers again halted the harvesting of area grain and cotton crops in the Abernathy area.

Abernathy received an inch of rain last Wednesday, .09 of an inch Thursday, and .01 of an inch Friday. Between Saturday and Monday another 1.86 inches of rain had fallen.

This area has received 3.18 inches of rain this month alone and 17.87 inches for the year thus far.

Farmers anxiously await a relief from the damp wet weather. It will take several days of hot dry weather before crops can be harvested.

Oil Painting Class October 22

Mrs. Georgia Bartlett, Abernathy High School art teacher, will offer an oil painting class October 22 from 6:00-9:00 p.m. The class is for Abernathy adults and teenagers who were unable to work art into their high school schedules, and will be held in the Art Lab in the Academic Center.

The painting that will be examined, is a 12 x 16 landscape showing a stormy sky. It will be painted using a limited palette in warm rust and brown tones, and includes an old weathered building.

Instruction for the drawing of the building will teach 2-point perspective. Should the painting take more than one night to complete, the second class will be scheduled with students on the 22nd.

Registration fee for the class is \$10.00, and anyone interested in taking the class should contact Georgia Bartlett at 298-2253.

Mrs. Bartlett will offer an art class each month during the school year. The November class will be a 12 x 24 poppy painting in fall colors.

Final Plans For Christmas Bazaar Being Made

Final plans are being made for Abernathy's 2nd Annual Arts and Crafts Christmas Bazaar to be held November 22. Many original handmade items will be displayed.

If you are interested in participating, contact one of the following by October 15: Jane Murray 298-4291, Diana Phillips 328-5367 or Betty Neve 298-2984.

The Chamber of Commerce met Monday for a special meeting called by President Charles Bowen. The meeting was called to discuss having an Octoberfest Celebration this month.

Diana Phillips, Jane Murray and Betty Neve, new Chamber members, presented the idea of having an Octoberfest to be much like the harvest festivals held in other towns at this time of year.

The Chamber agreed to sponsor the Octoberfest Celebration and it will be held in Abernathy Saturday, October 31.

All individuals, clubs, and organizations are urged to participate. Booths may be rented for \$10.00. Activities such as a cake walk or cap walk, pumpkin painting, costume contest, apple bobbin, face-painting, kissing booth, pie throwing as well as many

others were discussed.

Everyone is asked to bring a canned good as their admission fee. These goods will be donated to needy families in Abernathy at Thanksgiving and Christmas.

For more information call one of the following people: Richard DuBose, Hoppy Toler, Diana Phillips, Jane Murray, or Betty Neve.

Over \$150 Thousand Used To Restore Barton House, More Needed

The Barton House, a two and a half-story home that once served as headquarters for a 50-section ranch, has received approximately \$150 thousand worth of improvements since it was moved to the Ranching Heritage Center in 1973.

The magnificent house was located 16 miles northwest of Abernathy before being moved 38 miles when Mrs. Josephine Barton willed the house to the Ranching Heritage Center, in Lubbock.

Since the Barton House was established at the center, it has become known as the "elegant house" and is the most popular attraction at the center.

Restoration

Presently the Ranching Heritage Center is working to complete restoration of the bottom floor of the house. Two rooms have been completely finished and furnished and have been opened for the public to view.

According to Alvin G. Davis, Executive Vice President and General Manager of the Ranching Heritage Center, the center hopes to acquire enough funds to complete restoration of all rooms and halls on the first floor, excluding the kitchen which needs cabinet and wood-work done before it can be finished.

"Restoration is an extremely time consuming and expensive process," Davis said. "For instance, removing

the old finish from the floor in two rooms and one hall took three men two weeks work at a cost of \$4 thousand," Davis added.

Improvement funds that have already been used on the Barton House exceed \$150 thousand and it is estimated that another \$50 to \$100 thousand will be needed to restore the upper deck of the house.

"Donated funds for restoring the house are running low and eventually there will be no more funds to continue work on the house," Davis said. "We just hope that more will be donated toward the Barton restoration project so restoration can continue." Davis added.

Donations to the Barton House have been made by concerned citizens in the past who were interested in seeing the house completely restored as it was when constructed in 1909, by Joseph James Barton. "Because restoration projects at the Center are privately funded, more donations will be needed to continue the restoration," Davis said.

Thus far, \$30 thousand has been spent to have the lower deck painted and wall paper hung. The wall paper was duplicated from the original by a manufacturing company in New York. Over \$50 thousand was used to move the house and restore it after it was moved. Another \$36 thousand has been expended for exterior restoration

alone. For carpentry work, \$38 thousand has been contracted, much of which has been depleted.

The Ranching Heritage Center hopes to receive enough donations to complete restoration of the Barton House.

but if none is donated restoration will falter over a period of time. It is estimated that at least another \$50 to \$100 thousand will be needed to complete the project.

BY KEITH TOOLEY

ERNEST NEIS has kept the IOOF Cemetery nicely maintained and clean despite the heavy rains that have caused rapid vegetation growth. Pictured are bushes at the cemetery that have been recently pruned. Neis has maintained the cemetery for the past eight years. (Review Photo)

On The County Line

By: Keith Tooley

I FOUND OUT this past week that to "live and learn" is the hard way to learn something you previously did not know. But one thing is for sure, the knowledge gained through trial and error will not be forgotten if learned the hard way.

For instance, you never write a story about the condition of a cemetery without going out and seeing it for yourself, as I did this past week.

In last week's paper I stated that the IOOF Cemetery had not been properly maintained and through the years has deteriorated to some extent. Not true!

Ernest Neis has been maintaining the cemetery for the past 8 years and has kept the cemetery grounds neatly trimmed and clean. This is a fact and I saw it with my own eyes.

My apologies to Mr. Neis again for not recognizing his efforts for the past several years of dedication to maintaining the cemetery.

Also, the first man buried in the cemetery was E.S. Stanfield, not Benefield. Stanfield was buried there in 1913. Mary L. Kaap was the second person buried there, also in 1913.

And I hope to bury this entire story with this column.

WE ASKED CHARLIE PIPKIN if he had any good jokes to tell us. Charlie said he hadn't heard any good ones lately, but he did have the following riddle to contribute. Try your luck at solving it. The answer will be printed in next week's Review.

Two middle age men were in the Post Office and a young man passed by. One of these men knew the young man and the other didn't. This man that didn't know the young man asked the other man who this young man was. The man stated, "Brothers and sisters I have none, but that man's father is my father's son." Who is the young man?

HERE IS A RIDDLE I heard recently. The answer to this one will also be in next week's paper.

A boy and his father were travelling in a car. The father was driving and swerved to miss a cat in the road. The car hit a tree and stopped. The father died instantly and the boy was taken to the hospital. At the hospital, the boy was readied for an operation. Before the surgeon could get started with the operation, he heard the voice of a doctor from behind, "stop, let me operate on my own son." Who is the doctor?

WHERE IT STOOD 16 miles northwest of Abernathy, the Barton house was one of the grandest and most elegant ranch houses on the plains.

THE BARTON HOUSE is the most popular attraction at the Ranching Heritage Center, located on the Tech campus in Lubbock. This magnificent house was built in 1909 near Abernathy. It is being restored as it was when constructed. (Review Photo)

TURN-OF-THE-CENTURY STYLE-From its 1907-1909 wallpaper, reproduced by Scalandre of New York, to its golden oak dining furniture and lace tablecloth, the Barton House at the Ranching Heritage Center of The Museum of Texas Tech University, gave 1981 Ranch Day Visitors a glimpse of the elegant side of ranch life Saturday (Sept. 19). Built in Hale County in 1909 by Joseph James Barton, the two and one-half story house was willed to the center by J.J. Barton's daughter-in-law Mrs. Jack Sneed (Josephine) Barton in 1974. (Tech Photo)

4-Her's Make 4-H Week Display

Each 4-H Club in Hale County made a display for National 4-H Week. The winning club will be announced at the annual achievement banquet October 24th at Plainview High School in Plainview.

A display was made by the Abernathy 4-H Club and was placed in the showroom of Abernathy Motor Company last week. This display was judged October 7th.

"A special thanks goes to Charles Hobgood for allowing the 4-H to use his showroom window," Betty Neve said.

The adult leaders, Randy and Bernice Evans, worked with the following 4-Hers to make this display: Laura Phillips, Jim Bob Carver, Dan Evans, Micki Neve, Dinah Neve, D'Ana Howard, Patsy Davis.

The theme of the display was, "Pathway To The Future." Each figure represent different occupations a 4-H'er may become by completing different projects.

Some of the different occupations represented are: farming, or other ag related jobs, nursing, policeman and fireman.

NATIONAL 4-H WEEK DISPLAY put in the showroom of Abernathy Motor Company this past week. The display was made by local 4-H'ers. (Review Photo)

1935 Study Club News

The 1935 Study Club met Thursday October 8th at 3:00 a.m. in the Abernathy Public Library. They watched a film on China, "The Forbidden City," which West Texas Library System furnished.

The film was enjoyed by the following members: Mrs. Owen Benn, Mrs. Arno Struve, Mrs. Glenn McDonald, Mrs. Jack Hacker, Mrs. Robert McAlister,

Mrs. Ralph Davis, and hostess Mrs. Hilburn Barrick. A delicious Yum-Yum Cake, cheese snacks, mints and coffee were served by Mrs. Hilburn Barrick.

The next club meeting will be October 22nd in the home of Mrs. Cal Tucker, and Mrs. Glenn McDonald will bring the study, "Education, Arts, and Language, of China."

GRIGGS-MULLINS WEDDING, Mr. and Mrs. L.J. Griggs request the honor of your presence at the marriage of their daughter, Sandra Griggs to Micheal Mullins Saturday, November 28, 7:30 p.m. in the First Baptist Church at Anton, 401 Igoe St. A reception will follow the ceremony. (Review Photo)

Iota Tau Members Attend Conference

Peggy Tooker, of Abernathy, presided at the annual Area XI Conference of Delta Kappa Gamma, and Zeta Epsilon 26, in Amarillo.

Eta Phi and Zeta Epsilon Chapters of Amarillo acted as hostesses at the First Christian Church.

Beau Boulter, as Mayor Pro-Tem, welcomed the conference members to Amarillo, and Mary Rowlett, past Alpha State President, gave the welcoming address from Alpha State.

Members from the different chapters presented the purposes of Delta Kappa Gamma, and all members present participated in a sing song.

After the luncheon, Mary Rowlette spoke to the group. Iota Tau members from Abernathy attending were Marion Struve, Bettie

Hardin, Peggy Tooker, Alma Ruth Patterson, Ruth Fulton, Mary Rose Bowen, and Charlotte Carter.

Those To Remember

Kori Heard is in Highland Hospital. Mr. H.H. Oliver is still at the Hale Center Hospital.

Brent Harkey, son of Mr. and Mrs. John Harkey, was in an automobile accident Sunday morning at 2:00 a.m.

He is in the ICU at Lubbock General Hospital. L.T. Nix is at Methodist Hospital.

Les Duckett is home, but still under her doctor's care. Mrs. Mary Ramirez, an employee of the Abernathy School Cafeteria, is at home after surgery on her toe.

9th Commandment
Thou shalt not bear false witness against thy neighbor.
Exodus 20:16

How To Believe In Yourself
Text "If thou canst believe in thyself as possible to him that believeth." Mark 9: 23

One day Jesus said to a sinful person, "Neither do I condemn thee: go, and sin no more." (John 8: 11) He was saying to that person, "No matter what your past has been, still believe in you." Christ lifted you to a new sense of self-respect and to a new belief in themselves.

Do you believe in yourself? If your answer is negative, you have a serious handicap to overcome. Three essential steps will help you.

One, see yourself as succeeding. All of us will become the person we see ourselves to be. Your mind will seek to block your picture of success by building up obstacles. If you will think of your assets you will find more for you than against you.

Two, be willing to be yourself. We depreciate ourselves when we become awestruck by other people whom we try to copy. Within each of us is a finer person waiting to be released. As you develop your self, you will develop marvellous self-confidence.

Three, establish a right relationship with God. When the warmth of God's love begins to surround us and when his power begins to flow into us, then the energy, endurance, courage, and capacity which have remained dormant within us rises, and takes hold of our lives.

When we do these things, we will believe in ourselves.

Methodist Church News

Last Sunday night the U.M.Y. had a hayride at the Bill Houston farm with 13 youth present.

All youth are encouraged to attend the family night activities at the church this Sunday. Afterwards the U.M.Y. will have a business

meeting at the church.

The Children's Choir is meeting each Sunday at 1:00 p.m. with Mrs. Ruth Fulton, Children's Choir Director. The choir is working on the Children's Christmas Cantata to be presented December 18th.

Church Of Christ News

VISITORS, At the Church of Christ Sunday Oct. 4, were: Mrs. D.D. Skipper, Abernathy; Ray Ortiz, Lubbock; Doris and Norman Johnson, Lubbock; Beth Johnson, Lubbock; Mitch and Marcie Bryant, Amarillo; Tony and Ruth Rieken, New Deal; James Jackson, Gary, Phylis and Julie Stalcup, Corsicana; Michele

Shoumaker, Abernathy; and Johnnie Chapman, Abernathy.

"His Image Singers" Perform At New Deal

The New Deal Church of Christ sponsored the "His Image Singers" who performed there at 6 p.m. Sunday with a special concert.

"His Image Singers" are from Central Church of Christ in Tullia and have sung for the Tulsa Soul-Winning Workshop the past two years.

They sing at weddings, funerals, civic programs and church functions, which have included The Positive Living Rally in 1979 at Lubbock Memorial Civic Center, with Dr. Norman Vincent Peale; the Fun Fest in 1980 in Amarillo; and Shout To God this year at Palo Duro Canyon.

The group has recorded four albums, "Sing to me of Heaven," "Go with God," "Victory in Jesus," and a Christmas album, "Peace on Earth."

Benson-Richerson Wedding Sept. 25

Sylvia Joyce (Joy) Benson, daughter of Mr. and Mrs. Dean Benson of Lubbock, and William Lee Richerson, son of Mr. and Mrs. Truman Richerson of Abernathy, were married September 25th in Plains, Texas by Rev. Ken Horn of Northside Baptist Church of Abernathy.

Lee is employed by Verna Drilling Corporation of Levelland and Joy is employed by the Locksmith, (Mr. Tom's) in Lubbock on 50th Street.

The couple are residing in the country near New Deal.

Capt. Frank Reagan Given Letter Of Accomodation

Captain Frank Reagan received a Letter Of Accomodation from the Commanding General of the United States Marines in San Diego, California for outstanding duty, indepth knowledge of recruit training, and concerned leadership at all times.

His ability to lead by example inspired those marines that work with him, and was reflected by the outstanding results of his series in which he continually

achieved excellence in all facets of recruit training.

Reagan's outstanding and professional performance has brought him great merit for abiding with the high standards of the United States Marines.

He is now at the Headquarters of the Seventh Marines in Camp Pendleton California.

Frank graduated from Abernathy High School and Texas A&M where he was commander of the Cadets.

New Deal Scouts To Have Garage Sale

The New Deal Girl and Boy Scout Troops have scheduled some money-making projects for the Scout Hut

this year. They would like to work on a kitchen area and complete the bathroom facilities.

The scouts are having a garage sale October 17th at Farmers Depot from 10:00 a.m. to 6:00 p.m. The scouts will need items, (preferably no clothes), to be donated for the sale. Anyone having large items that they would

like to sell, but are not able to donate all the proceeds from what they sell, may want the scouts to sell it and take a 10% commission for selling it. Arts and Crafts are needed to sell. Aluminum cans and newspapers are also needed.

The scouts will need someone to help with the sale Saturday. Also pickup help

is needed for Friday and Saturday. Please call Ken Diller (746-5146), Barbara Panter (746-6356), Jeanie Camp (765-5089) or Nancy Obenhaus (746-6117).

Those wishing to help should leave a message at 746-5146. The scouts need to know who can help and when.

Other projects include bake sales November 21st and December 13th. Anyone

willing to bake pies or cakes on order, will be needed.

A refrigerator-freezer with an ice maker is needed for the Scout Hut. If you have a working or repairable refrigerator-freezer, contact Ken Diller at 746-5146.

The Library of Congress contains about 300 miles of shelf space and about 40 acres of floor space.

Lions Mangle Chiefs 33-0

New Deal Lions are 3-2 for the season after Friday night's victory over the Crosbyton Chiefs 33-0.

Brian Jerden, New Deal fullback, scored on a 1 yard run in the first quarter. Albert Villegas 39 yard pass to Nathan Shannon was completed just before halftime and the score was 14 to 0.

Crosbyton's defense faded away and Sannon caught another TD pass, backs Henry Ramirez and Ernest Adams both scored a touchdown.

The Chiefs ended the game with 55 yards rushing and 20 yards passing. They completed only 1 of 4 passes, the other three passes were intercepted by the Lions.

New Deal had 157 yards rushing and 58 yards through the air.

Grandparents are Virginia and J.L. Irish of Abernathy and Louise and John Otstott of Dallas.

WINTERIZE YOUR BACK YARD DURING OUR GAS GRILL SUPER SALE

Now, you can save 30% on a big selection of gas grills... bargains you'll relish year 'round. Where is it written that when the weather turns cold you can't enjoy the uniquely wonderful taste of food cooked outside? Your back yard can always be the center of fun and good eating with a gas grill. A dependable gas grill will broil hamburgers or steaks with a minimum of attention. Or, slow cook a roast or turkey while you sit inside. And, you can get big savings right now on a gas grill that will make year 'round outdoor cooking even more appealing. So, Fall into a great deal now... winterize your back yard with a gas grill and enjoy it for years and years.

PATIO KITCHEN

PK cast aluminum grills feature stainless steel burners — "H"-shaped for maximum heat distribution... stainless steel for long trouble-free life, and heavy steel rod coal grates.

PSAT/NMSQT Services Available For Abernathy Students

Charles Bowen, director of guidance at Abernathy High School, has announced that new services introduced last year as part of the Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/NMSQT) will again be provided to students taking the test October 27.

Before the test, students will receive the PSAT-NMSQT Student Bulletin which contains a complete sample test with an answer key and scoring instructions. In December, students will receive a Report of Student Answers which displays the correct answers and the students' responses as well as

Students

scores. Schools will return test booklets at the same time so that students can review the original questions. Students will also receive "About Your PSAT/NMSQT Scores," a booklet containing information on interpreting PSAT/NMSQT results and on general college planning.

The PSAT/NMSQT is co-sponsored by the College Board and National Merit Scholarship Corporation. It is administered annually to more than one million students and measures verbal and mathematical abilities that are important in college work.

The PSAT/NMSQT gives students a chance to find out what the College Board's Scholastic Aptitude Test (SAT) is like, and helps them in planning for college; further, students who opt to participate in the College Board Student Search Service have an opportunity to hear from colleges that they might not otherwise learn about.

The PSAT/NMSQT is also the qualifying test for students who wish to participate in the nationwide scholarship competitions administered by the National Merit Scholarship Corporation.

ABERNATHY JUNIOR VARSITY FOOTBALL TEAM, front row left to right, Scott Wesley, Lin Davis, Cletus Irlbeck, Mark Riddell, Peter Ruiz, Pete Camacho and Randall Stillwell. Middle row left to right, Grady Arthur, Gilbert Camacho, Rudy Torrez, Chester Cooper, Rene Vecchio, Mark Havens, Trey Stone and Roger Ray. Last row left to right, Brian Smith, Tracy Nichols, Scott Furguson, Eugene Crumpler, Todd Barrick, Mark Bell and David Kemp.

7th And Freshmen Lose 8th And JV Win Against Idalou

7th Grade
The Abernathy 7th grade football team lost to Idalou Thursday at Antelope field by a score of 0-6.

This same team hasn't lost a game in the past two years. They had a perfect record as a 7th grade football team.

8th Grade
The Antelope 8th grade team remains undefeated after downing Idalou Thursday at Antelope field 12-0.

Billy Cooper made one of the touchdowns and Jamie Mansanales ran into the end zone for the second TD. Both extra point tries were no good.

Freshmen
The Freshmen played Idalou only to suffer a second consecutive loss to the wildcats in two weeks. The Lopes lost by a score of 0-28 and the game was played at Idalou.

Junior Varsity
The JV Lopes defeated Idalou again this week by a

score of 15-8.

Chester Cooper made the first touchdown on a 50 yard run. The PAT by Mark Riddell was good and the Lopes went ahead 7-0.

Smith got loose and ran a long 70 yards for the second TD. The two point conversion attempt was good when Cletus Irlbeck caught a short pass and the Lopes won 15-8.

Talk Of The Town

L.K. Bradley, Jr. is presently a sophomore at West Texas State University at Canyon, and is playing on the WTSU football team.

Struve's Trip To China

By Arno Struve

Beyond the restored portion on each side, remains the ruins of the wall. It isn't likely that any more of the wall at Badaling will be restored. The attraction of the present reconditioned wall is enough to show tourists the greatness of this structure.

The Great Wall was built in sections centuries ago from 403-221 B.C. by the rulers of the northern provinces as a protection against the Mongolian and other invaders. Sometimes even "Local" walls were constructed as protection between the provinces themselves.

The first emperor to unify China, about 200 B.C. caused

ed the portions of the wall on the north side of the empire to be connected into a great wall.

(Incidentally, the Great Wall is said to be the only man-made structure that can be seen from outer space.)

The wall was not as effective as it might have been because of one human failing: venality. It seems that when an invading army wanted to breach the barrier they didn't have to assault it head-on but merely bribed some of the guards. Ah! Human nature.

The wall has had to be restored many times over the centuries when a need was perceived by a ruler. The western end wasn't constructed like the stone portion at Badaling; it was made of mud, great masses of mounded earth formed into a wall. The section at Badaling dates from 1368-1644 A.D.

Interestingly, in the west, we observed from the train, fortress-like structures several miles away that were also constructed out of earth and were built like the oldtime western stockades with watch-towers on each corner. It was my guess that the "war-lords" of the region used these fortresses for their headquarters as much for protection against their own subjects as against any outside invader.

The trip would have been enhanced if the guides could have told us more about these things as we passed through the country. The guides who were with us through the entire trip had actually never made this trip before and knew little about what we were seeing. Also, they seemed to have little curiosity about the strange things that we saw. Nevertheless, they were personally helpful and solicitous of our needs in a general way.

We visited dozens of temples, monasteries and pagodas as well as museums and archeological sites. We learned that many of the old religious places had been destroyed before the government became aware of the value of these ancient structures as history and for tourist interest. They have made a concerted effort now to designate them as national treasures and are protecting them.

During the Cultural Revolution upheaval these leaders have been restored to their positions where possible.

However, the monks and lamas are no longer allowed to carry on their religious activities within the monasteries, but have to get outside the cloistered walls and have a productive job. This makes it difficult for them to carry out the festivities and religious practices that they otherwise would be able to do.

Workers in China work six days a week but they do not all have Sunday as their day off so that not all of the

monks are able to gather on the same day of the week. Thus they are unable to have joint activities involving all of them together. It is true, however, that majority of the people take Sunday off where it is possible and when it doesn't conflict with their secular work.

We saw a big Catholic Cathedral in Hohhot, a city in the north of China, but they told us it was closed and we didn't see it at close range.

The architecture of the temples and palaces and pagodas is typically Chinese. Curved roofs with ornate roof corners are used universally. Animal figures are often placed on the roof corners. Sometimes these are mythical creatures that are supposed to ward off evil spirits. The building are most graceful and not stiff and cubical like ours.

The Chinese have a great instinct for beauty and their art is not surpassed anywhere. The lacquerwork we saw being manufactured, the jade carving being done, embroidery work, carpet manufacturing, paintings, cloisene, all required a high order of skill with unlimited patience and probably all these artists we saw at work are paid very little by western standards.

Struve's trip continues next week....

COOPERATIVE MONTH:

OCTOBER 1981

Cooperatives- Focus On The Future.

Discover Cooperatives

During October Cooperative Month

Power by, for and of the people—control by majority.

It works for businesses as well as government.

Some 40,000 cooperatives across the U.S.—with more than 50 million members—are democracy in action . . . people making use of a 2000-year-old concept to operate enterprises for their common benefit.

Efficiently and economically cooperatives meet a staggering variety of needs—legal aid, health care, electric and telephone service, credit unions, marketing and purchasing farm products and supplies, insurance, food, housing, furniture, nursery schools, funeral societies, TV and auto repair shops, and more.

Little cooperatives and big cooperatives, in cities, small towns, rural communities and places in between, all prove daily that democracy is more than a beautiful Greek work; it's a system that WORKS.

COOPERATIVE MONTH:
OCTOBER 1981

COOPERATIVES ARE PEOPLE!

THE
GREEKS HAD
A WORD
FOR
IT
DEMOCRACY

All kinds of people belong to cooperatives. More than 23 million American families are members of one kind of co-op or another. They have joined together to provide themselves with all kinds of goods and services.

Through cooperatives, people market farm products and buy farm supplies, fuel oils, gasoline, and even groceries.

Other cooperatives provide their members with credit, health care, electricity and telephone service. Still others provide housing, insurance and other services.

Whatever the human need, people can fill it themselves through cooperatives.

Safe Hunting Tips To Remember

The hunting season offers youth who have participated in the 4-H Shooting Sports program an opportunity to practice their skills.

With thousands of people enjoying hunting with friends and relatives, young, safe hunters can take the lead in avoiding accidents. Most accidents occur in and around private homes and vehicles. He urges youth and adults to review the following 10 commandments of gun safety and apply them at all times in all locations.

- *Treat every gun with the respect due a loaded gun.
- *Watch that muzzle! Carry your gun safely. Keep the safety on until ready to shoot.
- *Unload guns when not in use, take down or have actions open.
- *Guns should be carried in cases to shooting area.
- *Be sure the barrel is clear of obstructions and that you have only the proper-sized ammunition for the gun you carry.
- *Be sure of the target before you pull the trigger. Know identifying features of the game you hunt.
- *Never point a gun at anything you do not want to shoot. Avoid all horseplay.
- *Never climb a tree or fence or jump a ditch with a loaded gun. Never pull a gun toward you by the muzzle.
- *Never shoot a bullet at a flat, hard surface or water. At target practice, be sure your backstop is adequate.
- *Store guns and ammunition separately, beyond reach of children.
- *Avoid alcoholic beverages before or during shooting.

The Texas 4-H Shooting Sports program is conducted

through the county Extension office with the help of volunteer leaders. All 4-H programs are open to all boys and girls, nine to 19, regardless of socio-economic level, race, color, sex, or national origin. Contact the Extension office for more information. 293-8481.

LIKE YOUR BEETS
 bright red?
 To keep them from losing their color during cooking, don't peel beets, says Marilyn Haggard, a food and nutrition specialist.
 Also, leave an inch or two of stem and taproot. After cooking, skins slip off easily, she adds.

Lakeview Locals

By Mrs. Norman Matthews
 (Reporter For Lakeview News Since 1945)

Mr. and Mrs. J. L. Johnston celebrated their Golden Wedding Anniversary

Sunday afternoon with a reception at their home. Their children and grandchildren, Mr. and Mrs. Lynn Shadden and Vicki of Abernathy and Mr. and Mrs. Houston Powell and Colene of Beeville were host. From 2 to 4 p.m. more than 100 guests registered from Abernathy, Cotton Center, Plainview, Lubbock, Carter, Okla., Beeville and Hale Center.

Their granddaughters, Vicki Shadden and Colene Powell were at the serving table. Their daughter, Mrs. Shadden registered the guests. They received a number of lovely gifts, also a money tree. The Johnstons moved from Cotton Center several years ago to the Lakeview Community. Mrs. Johnson is assistant

Sunday school superintendent at Lakeview Church.
 Mr. and Mrs. Herbert Watson of Tahoka attended the Golden Wedding Anniversary reception for Mr. and Mrs. J. L. Johnson Sunday afternoon and attended church services at Lakeview Church Sunday night.
 Mr. and Mrs. Dennis Bristow and Casey of Big Spring spent Friday night and Saturday with his

I'LL TAKE THE HIGH ROAD

Electric highways carrying convenience, comfort and commerce to the far reaches of the state are indispensable lifelines to growing communities.

But, the power they carry is generated mostly by diminishing supplies of gas or costly coal and nuclear energy. As wholesale power costs go up conservation is the only sure way to save money on your electric bill.

While the cooperative plans to provide more power, they are urging you to use less.

South Plains Electric Cooperative, Inc.

COTTON TALKS

FROM PLAINS COTTON GROWERS, INC.

Something "funny" happened to four Mid-South and Southeastern cotton quotations committees on the way from Monday, September 14, to Friday, September 18.

Monday a telephone call to officials of the U.S. Department of Agriculture's Market News Section in Memphis, Tennessee, asked for their attention to the fact that combined grade, staple and micronaire (mike) discounts quoted on several cotton quotations in those markets resulted in physical prices well below loan prices.

The Market News Section has the responsibility for supervising quotations committees in the nine official spot markets across the Cotton Belt. Exactly what transpired between USDA's market news people and the various quotations committees isn't known. The results, however, appear to tell a story.

Tuesday the Memphis committee slashed its quoted discounts on cotton miking 2.6 and below (code 1) by 1000 points (10 cents per pound) from 2000 to 1000, reduced the discount on 2.7 to 2.9 mike (code 2) from 1500 to 800 points, and lowered its 3.0 to 3.2 (code

3) discount from 1000 to 650 points.
 The Greenville, Mississippi, market made a start in the same direction the same day, cutting discount quotes on codes 1, 2, and 3 mikes, respectively, from 2000 to 1200, 1400 to 900 and 800 to 600 points.
 The domino effect reached Montgomery, Alabama, on Thursday when code 1 discounts fell from 2000 to 1500, code 2 from 1500 to 1000 and code 3 from 800 to 500 points.
 It wasn't until Friday that Augusta, Georgia, began to see the light, and code 1, 2, and 3 mike discounts dropped from 1700 to 1200, 1100 to 900 and 700 to 600 points, respectively.

"This sequence of events leads us to believe that USDA at long last has begun to exercise its authority and its obligation, both of which it has had all along, to require at least a measure of accuracy in the cotton prices quoted by all markets," says Donald Johnson, Executive Vice President of Lubbock-based Plains Cotton Growers, Inc.

Concern for what PCG considers excessive discount quotations in some markets stems from the fact that

COTTON TODAY

A NATIONAL COTTON COUNCIL SERVICE

QUOTA REQUEST DENIED: National Cotton Council President Frank Mitchener has received letters from Departments of State, Agriculture, and Commerce, and from Special Trade Representative Brock stating that the U.S. government does not favor an increase in the Mexican raw cotton import quota.

Assistant Secretary of State Robert Hormats said that during a recent meeting with the Mexican government, "The U.S. delegation explained the limitations of its Section 22 import program and its inability to enlarge the quotas at a time of record U.S. production and declining prices."

EXPORT SALES CLIMB: Net new cotton sales for the 1981-82 marketing year totaled 189,100 running bales during the week ended September 24. This brought the season's total commitments to 3,333,400 bales. The week's top buyer was South Korea, 72,700 bales, with Canada, 30,000, and Japan, 25,200.

CCI HEAD TO TRAVEL: Robert Squires, Lubbock, Texas, Cotton Council International president, will leave October 10 to attend the International Textile Manufacturers Federation meeting in Montreal. From Canada, Squires will go to Europe for an overview of CCI activities, arriving in Lisbon for a meeting of the International Cotton Advisory Committee. CCI is the overseas arm of the National Cotton Council.

EXPORT DATE RELAXED: The National Cotton Council has received notice that the purchase-date requirement for South Korea to buy U.S. cotton under a \$70 million credit guarantee agreement has been relaxed by the U.S. Department of Agriculture.

Sale orders made before July 9, 1981, will now be accepted for financing under the GSM-102 program. Credit guarantee previously was available only for purchases after that date.

NCC Board Chairman Herman Propst, Anson, Texas, grower, hailed the action as both timely and significant. "With prospects now pointing to a 15.5-million-bale crop this season, we need to step up our selling efforts," he said, "and relaxing the date requirement will be a big help in making it easier for our Korean customers to buy U.S. cotton."

NATURAL FIBERS SOUGHT AFTER: Retailers across the county are combing the marketplace for men's dress shirts and other

items containing more natural fibers for spring 1982.
 Both specialty and department store retailers say they are planning to carry more all-cotton goods or more reverse blends such as 55/45 or 60/40 cotton-polyester combinations than they did last spring. The National Cotton Council reports.

EXPORT SALES STILL STRONG: Latest U.S. Department of Agriculture report shows cotton export sales for the 1981-82 marketing year delivery topped 100,000 running bales for the ninth straight week. Net new sales of 101,400 during the week ended September 17 brought the season's total commitments to 3,144,300. Major buyers were Taiwan with 25,200; Japan, 20,800; and South Korea, 19,400.

THE NEW NUMBER ONE IS HERE!
Advanced design from International Harvester gives you more acres per hour, more acres per gallon.

Now there's a New Number One. And it's from International Harvester. It's the best performing tractor ever built. Here's why:

THE NUMBER ONE ENGINE.
 The New Number One packs all the power and economy of a reliable IH-built diesel engine so you can work more acres in less time and with less fuel. Proven to deliver superior torque rise. Now with exclusive Forward Air Flow for more efficient cooling, longer engine life.

THE NUMBER ONE DRIVE TRAIN.
 This tractor is equipped with an all-new advanced design drive train that features Synchro Tri-Six™ shifting. Shifts with smooth, quiet precision. The only drive train with 18 fully synchronized speeds. And the speeds are ideally spaced to help you cover more acres per hour.

THE NUMBER ONE HYDRAULICS.
 High-capacity Power Priority hydraulics supplies 67 gallons of total flow. You get 25 gallons for the hitch and remotes alone—delivered where you need it, only when you need it.

When you want tractor performance, productivity and reliability, you want the New Number One. The 135 hp International 5088.

DISCRIMINATION OF HANDICAPPED CHILDREN in many cases starts when their needs are looked at ONLY in terms of how they differ from their able-bodied peers, says Diane Welch, a family life education specialist.

Don't just assume everyone in town knows what goods and services your business has to offer. New people move to Abernathy every month, and not being aware that they can get what they need in Abernathy, they will shop in Lubbock after reading an ad in the Lubbock paper. Advertise locally and keep Abernathy dollars in Abernathy. Let the almost 4000 Review readers know what you have to offer.

Electricity. Knowing what it's worth is worth knowing.

One thing we've probably all learned is to have an appreciation of things that have worth and to know their value. How would you rate yourself on knowing the value of the electricity you use? Take this simple exercise.

- How much was your electric bill last month? \$ _____
- Divide 30 into your answer to Number 1. This was the approximate cost of your electricity per day. \$ _____
- How many people are in your family? _____
- Divide Number 3 into Number 2. This was the cost of your electricity per day per family member. \$ _____

Knowing what electricity is worth is worth knowing. Just look around.

"A Glance At The Past"

BY BUFORD F. DAVENPORT

From The Abernathy Weekly Review dated October 16, 1941:

M.M. Holbert delivered the first bale of 1941 cotton to Caldwell Gin, 13 miles southwest of Abernathy.

J.H. Davis delivered the first bale of 1941 cotton to Fortenberry Gin in Monroe.

W.A. Bowles delivered the first bale of 1941 cotton to the County Line Gin.

T.S. Walser of Lakeview brought the first bale of 1941 cotton to T.B. Stone Gin in Abernathy.

E.J. Pope, Sr., brought the first bale of 1941 cotton to Abernathy Farmers Co-op Gin.

From The Abernathy Weekly Review dated October 23, 1941:

The Hale County food stamp selling unit will be at Abernathy First State Bank Thursday.

Ruth Lutrick, daughter of Mr. and Mrs. R.A. Lutrick, a sophomore at West Texas State College, in Canyon, has been elected program chairman of the school's Home Economics Club.

Mrs. Dwayne Taylor, who visited here from Marfa, was honored with a bridal shower in the home of Mrs. Alvin Hardin, with Mary Baker as co-hostess. The honoree was Miss Helen Phillips, daughter of Mr. and Mrs. C.F. Phillips of Abernathy, before her marriage July 5.

L.T. W.E. Nix, instructor at Barksdale Army Air Field, La., visited here with his parents, Rev. and Mrs. J. Frank Nix.

Mr. and Mrs. Fred Cox and daughter and the W.R. Boykins of Seagraves visited here in the S.H. Lebow home.

Colonel Webb of Fort Crockett, Galveston, visited his father, T.O. Webb.

Ralph Homesley of Goodfellow Army Air Field, San Angelo, and wife visited here with his parents, Mr. and Mrs. H.M. Homesley.

Jack Camp, Alfred Hughes and Andy Reid were in Oklahoma City.

George Reagan of Fort Bliss, El Paso, and John Reagan of Fort Wingate, Gallup, New Mexico, visited here with their parents, Mr. and Mrs. G.A. Reagan.

Four Hale County men were inducted into the army Friday. They were Warren Richard Brown of Rt. 1, Abernathy, Paul Franklin McGuire of Petersburg, and Oliver Hail of Hale Center. They went to El Paso. The fourth man, Ross Mahon, was transferred by the Hale County draft board to Wright City, Okla., for induction.

BIRTHS: Mr. and Mrs. L.R. Hogan are parents of a son born Oct. 17. He weighed 6 pounds 12 ounces. Rev. and Mrs. Marshall Rhew of Roscoe are parents of a daughter born October 15. She weighed 7 pounds, and was named Marsha Gay. The father is a former pastor of the Abernathy First Methodist Church. A 9 pound 9 ounce daughter was born Oct. 14 to Mr. and Mrs. T.M. Lawson of Lubbock. She was named Virginia Ann. Mrs. Lawson is a former teacher in the County Line and Abernathy schools.

J.F. Buske and J.P. Daniel of Fort Clark visited here.

From The Abernathy Weekly Review dated October 30, 1941:

The Rev. J. Frank Nix, pastor of Abernathy First Baptist Church, Sunday night launched a move for men of the town to aid farmers in harvesting cotton and feed crops. Rains have delayed harvest activities for more than a month, and every available person will be needed to help in the harvest as weather permits.

W.G. Royal leased C.B. Jackson's Texaco Station.

BIRTHS: Mr. and Mrs. Ray Linton are parents of a 7 pound 1 ounce daughter born October 26. A 9 pound 4 ounce son was born Oct. 28, to Mr. and Mrs. W.B. Lindsey. Mr. and Mrs. W.G. Jones are parents of a 6 pound daughter born Oct. 25.

Mr. and Mrs. H.E. Richter and daughter, Helen, and Mrs. F.A. Goebel and daughter visited in Johnson City and Marbel Falls last week.

Vester Embry returned to Fort Sill, Oklahoma, after a visit here with his parents, Mr. and Mrs. Wilce Embry.

Onnell Lroy arrived here Monday from Fort Bliss, El Paso, to visit his parents, Mr. and Mrs. W.B. Lroy.

Beauford Haynes of Camp Bowie, Brownwood, is visiting his parents, Mr. and Mrs. Fred Haynes.

Marriage rites are to be read in Dimmitt Friday, Oct. 31, 1941, for Miss Marry Couch of that city and Virgil Zeman of Abernathy. A daughter of Mrs. R.N. Couch of Pecos, Miss Couch was Castro County home demonstration agent. She resigned that position effective Oct. 31. Virgil is the son of Mr. and Mrs. Anton Zeman of Abernathy. The couple will be at home here where Virgil is manager of Zeman Auto Company.

A Halloween Carnival was scheduled at Lakeview School.

A Halloween Carnival and Harvest Queen Pageant are set at Abernathy School Friday night, Oct. 31. Classes have named the following candidates for the title of Harvest Queen: Hazel Nivens, senior; Glenna Pearl Henson, junior; Marcile Barnett, sophomore; Rachel Horne, freshman; Carol Phillips and Retta Mae McMaster, grade school.

Charles Reeder of Camp Bowie, Brownwood, visited his parents, Mr. and Mrs. C.B. Reeder.

Jack Kiker and Grover Baker, employees at T.B. Stone Gin, suffered slight, but painful, injuries Saturday when a board on which they were standing broke and let them fall about 15 feet to the concrete floor of the cotton house at the gin.

First anniversary of the Men's Bible Class, which meets each Sunday morning at 10 o'clock at the Rita Theatre in Abernathy, was observed recently with a record attendance of 81 men. J. Brad Seale is president of the class. He follows Sam H. Davis, AHS principal, who resigned to teach a Sunday School class for young people. The Rev. J. Frank Nix, pastor of Abernathy First Baptist Church, is teacher for the men's Bible Class at the theatre each Sunday morning.

LETTERS TO THE EDITOR

Dear Keith [and Readers],

Please permit me to give the position the Chamber of Commerce holds regarding the "Cemetery Improvement Fund."

First and foremost, the Abernathy Chamber of Commerce is ready to aid and/or assist any worthwhile city or community improvement project. However, the individual or organization must ask for our help.

Secondly, at no time was

Irlbeck Speaker At Basketball Coaches Meeting

Abernathy Basketball coach Carl Irlbeck was one of the featured speakers at the Region I Texas Association of Basketball Coaches meeting this past Saturday at the Texas Dome on the South Plains College campus.

Everyone attending watched a scrimmage between South Plains College and Lubbock Christian College. All area men and women basketball coaches were invited to attend.

TRANSITION

George Parness

Funeral Services for George Parness, 59, father of Mrs. Rod (Barbara) Ellis, were held in New York City, October 1st.

Parness died in Manhattan's Bellevue Medical Center September 29th following a sudden heart attack.

He was a lifelong resident of New York City where he owned and operated a jewelry manufacturing company. He was a visitor in the summers of 1980 and 1981 to the Ellis home in Abernathy.

In addition to daughter Barbara, Mr. Parness is survived by his wife Rachel, a son Stewart, his mother Clara, a sister Dorothy and four grandchildren.

Parness had suffered from diabetes for 12 years. The family requests that all memorials be made to the American Diabetes Association.

Talk Of The Town

Mr. and Mrs. Glenn Reagan, parents of Capt. Frank Reagan, have returned from California where they were invited to view an ambitious warfare task force landing.

the appearance of the I.O.O.F. cemetery criticized. I, as president, did mention several times that I felt it needed enlarging, and consequently re-landscaped, and that it definitely needed a new fence around it.

At the October meeting of the Chamber Mr. Joe Chambers met with the Chamber of Commerce and informed the organization that addi-

tional space has already been acquired. Joe also stated that there are approximately 500 additional grave sites available.

Mr. Chambers had a sketch and probable cost figures for a new fence on the south side. Thus, the Chamber voted to "kick-off" a fund raising drive to help the Cemetery Association pay for the new fencing.

Third and most important,

nothing was ever said or implied that Mr. Neis was not doing his job correctly. I have no better friend than Ernest Neis and I wouldn't want his performance criticized. Ernest has the cemetery looking great.

The position that the Chamber takes is that if the organization can help promote Abernathy and the surrounding area in any way, then that is our number one

goal or purpose. Just look what the people of Abernathy did when we, (the community), needed a Jaws-of-Life!!

Last, the Abernathy Chamber of Commerce will never force itself on anyone or any organization—we simply exist to promote ABERNATHY.

Sincerely,
Charles Bowen,
President

Buy them for one year at a fixed interest. Your earnings will be high because you pay 70% of the yield on 52-week Treasury bills.

BREAKTHROUGH TO A LOW MINIMUM DEPOSIT
All Savings Certificates are available to all investors. Buy one for as low as \$500 or even \$100.

BREAKTHROUGH TO A TAX EXEMPTION
\$1,000 of interest earned on any one certificate is tax free. Interest goes up to \$2,000.

BREAKTHROUGH TO AN ENHANCED EARNING RATE
Fixed rate interest bearing investments. Money is yours for long periods. An All Savers Certificate is for one year only.

BREAKTHROUGH TO AN ENHANCED EARNING RATE
Seventy-five percent of any money being invested in All Savers Certificates will go to cultural and home mortgage programs. That's good business for us in West Texas.

CALL OR STOP BY ANY LOCATION. LET US BRING YOU INTO THE FUTURE OF OUR TAX FREE SAVERS CERTIFICATES.
