Abernathy EMT Trainees Participate In Emergency

The Abernathy EMT trainees participated in an emergency extrication exercise Saturday at the corner of 12 Street and lake road.

The jaws of life was dispatched to the scene where firemen practiced freeing victims from old vehicles, donated by Carl Phillips to the fire department. The EMT students learned how to treat the make-believe victims of a two-vehicle accident.

Extrication Exercise

Those presently taking the Emergency Medical Technician training course at City Hall are: Darryl Stephens, Becky Lutrick, Debbie Smith, Gale Davis, Johnny Clayton, Coleen Cecil and Nita Douglas all from Abernathy, and Chris Houchin and Bobby Jennings from Lorenzo. The two men

from Lorenzo are presently Emergency Care Attendants there.

EMT trainees meet every Tuesday and Thursday nights from 6:30 to 10:30 at City Hall. They train many hard and long hours to complete this course.

To complete the course, the following

steps have to be taken by each student: 100 hours of instruction in class, make five ambulance runs, pull five-8 hour shifts at various emergency rooms at hospitals in Lubbock, and observe labor and delivery of one baby.

Record Blood Drive

The people of Abernathy really gave of themselves last Monday when 31 locals showed up at City Hall to give blood in the Student Council Blood Drive. The Student Council drive broke the record with 31 pints of blood being given.

The blood drive was held from 5 to 9 p.m. with Blood Services of Lubbock taking the blood that was donated.

Last year the Abernathy Fire Department sponsored the blood drive and 28 pints were donated.

A KISS FOR THE QUEEN Roger Gragg kisses homecoming queen Keilye DuBose during halftime Friday night. He also placed the Queen's crown upon her head and she was presented a bouquet of flowers. (Review Photo)

Kellye DuBose Homecoming Queen

Kellye DuBose, daughter of Mr. and Mrs. Richard DuBose, was elected Homecoming Queen which was announced Friday night at halftime during the Abernathy-Roosevelt game.

Kellye was selected by a majority vote by the student body. Her escort was Roger Gragg, son of Mr. and Mrs. Jimmy Gragg.

The runners up were the other three

nominees Mendy Tennell, Angie Attebury and Susan Stone (in no special order). The duchesses were Stacey Kelley, Kristy Thompson and Mary Cooper.

Kellye is a senior this year. She was a cheerleader her sophomore year and is a cheerleader this year. Other High School accomplishments include the following: school council representative (1,2) parliamentarian (3) and reporter (4); drama (1,2,3,4); class favorite (3); FFA Sweetheart (4); Lions Club Sweetheart (4); FFA member (1,2,3,4); FHA member (1); class officer (1 vice-president, 3-treasurer); FCA (1,2,3); FTA (2,3); NHS (2,3); basketball team

(1,2,3); track team (2,3); Junior play participant; one act play participant (1,2); annual staff (4); and cross country (3).

The queen and her court were driven around the football field in decorated golf carts at halftime.

School Briefs

School pictures will be taken Tuesday, October 5 at Abernathy Schools. Students are reminded to dress for the occasion as all students will be shot Tuesday beginning at 9 a.m.

There are some extra 1982 annuals available for purchase in the Academic Center.

Antelopes To Tangle With Longhorns

The Abernathy Antelopes will tangle with the Lockney Longhorns Friday night at Lockney. Game time is 7:30 p.m.

Lockney has a new coach at the helm, Bob Purser, who is hoping to better the Longhorns record of last year which was 3-7.

Leading the Longhorns defensive line is first team All-State linebacker Kyle Brock, a 5-9, 185 pound senior who was in on 263 tackles last season. He will also perform on offense at the position of fullback.

Offensive backs for the horns are Mario Arellano, a 5-8, 155 pounder and Tony Rodriguez, 6-1, 185 pounds. Also running for Lockney is Ernest Rodriguez, a 5-8, 165 pound junior. The Longhorns have five offensive and six defensive starters who returned from last year.

Lockney boasts a 2-1-1 record. They defeated Olton and Ralls, tied with Petersburg and lost to Tulia. Abernathy is 1-3.

meeting Sept. 25, Texas Engineering Practice Act, Kathee Lupton-Candidate for Trustee District 10, AASA Convention Feb. 25, and proposals were asked for concerning boiler and floater policies.

Enrollment is at 980 students. It was 940 at this time last year. A Superintendent evaluation form was picked out of several sample forms. It will be used to evaluate superintendents in the future. The meeting adjourned.

Texas Moves Houston To Defensive End

Rick Houston was recently moved from tackle to defensive end at the University of Texas. He played offensive and defensive tackle while attending Abernathy High School.

Since he has been moved, he has been learning all about this new position and has enjoyed learning from the juniors and seniors on the Texas team who have been around for a while.

Houston has not played in any of the major games for Texas, but he has played in several scrimmages which are held each Monday night. Only three freshmen are getting to play on the main squad. This does not bother Houston as he knows there is a lot to learn and that he will have to be patient, as so many other players have had to be to play for Texas. He does enjoy getting to suit out at Texas home games and wear the Texas jersey in the major games.

Houston was playing on the Texas third string for Texas before he injured his ankle. He just sprained it and he will be back to fight for the defensive end position soon, but there are three ahead of him that he must beat out to play on the main squad. They are juniors and seniors.

He is up to 224 pounds. Texas would like to see him gain many more

pounds, but Rick finds it hard to gain pounds in the heat and humidity at Austin.

Rick's mother, Mrs. Mac Houston, stated that Rick is enjoying school. But he always treasures letters from home and can be written at the following address: Rick Houston, Jester Center East, Box 479, Austin, Texas 78784.

Newton Brothers Selected Outstanding Young Men Of America

The Board of Advisors for the Outstanding Young Men of America Awards program announced today that Kevin Brent Newton and Lanny Dale Newton have been selected for inclusion in the 1982 edition of "Outstanding Young Men Of America".

These men were selected from nominations received from Senators, Congressmen, Governors, Mayors, State Legislators, University and College Presidents and Deans as well as various civic groups, including the United States Jaycees, which also endorses the Outstanding Young Men of America program.

In every community there are young men working diligently to make their cities, as well as their country, better places in which to live. These men, having distinguished themselves in one or more fields of endeavor, are outstanding and deserve to be recognized for their achievements. The criteria for selection include a man's voluntary service to community, professional leadership, academic achievement, business advancement, cultural accomplishments and civic and political participation.

The men listed, along with fellow Outstanding Young Men throughout North America will be featured in this

prestigious annual awards publication.

Our Board of Advisors and Editors salute all chosen as Outstanding Young Men of America. We take great pride in bringing their accomplishments to the attention of the American public.

Brent Newton presently lives at 313

Monroe, Beardstown, Illinois, 62618. Lanny Newton is at home at 5430 6th St. Lubbock, 79416.

Brent and Lanny are graduates of Abernathy High School. They are the sons of Mr. and Mrs. Cliff Newton.

School Board Takes Action On Several Items

The Abernathy School Board met for their regular monthly meeting September 13 at 6:45 p.m. with all members, except for Thomas Pettit, present.

Bud Rhodes gave the invocation and

the meeting was started. Minutes of the August meeting were approved.

The board okayed fund-raising projects and activities for school groups such as FHA, FFA, Band, Junior and Senior Classes, Student Council, CVAE

and other school groups. The board discussed how the policy reads concerning non-profit groups using school facilities. They also discussed under what conditions school property should be made available to others besides students.

The new lunchroom poverty guidelines were accepted. The guidelines were printed in the Review August 26.

The board approved a change in school policy concerning requirements for teachers to be eligible to receive a paycheck. The way the school policy presently reads is in violation of State school policy rules.

The board agreed to enter a coop agreement with the Education Center to obtain additional federal funds for library books and computer software.

The date was set for the October School Board meeting. It will be at 7:30 Monday, October 11.

Two transfer students, Brandon Green, from Hale Center and Bradley Benton from Levelland, were accepted to attend Abernathy Schools.

Discussion items included: discussion of participation of Abernathy retired employees in Blue Cross group rates, TASA-TASB meeting, TCEA

County Line To Have Flea Market

The County Line Community Club will have a Flea Market Friday and Saturday Oct. 1 and 2 from 9 to 6 each day in order to pay their \$900 gas bill.

The men were mowing around the building and broke a gas leak and this flea market is to pay this bill. The County Line Club House is located 10 miles west of Abernathy.

Booths and spaces will be \$10. There will also be a bakery sale. Donations of clothes, household goods, furniture, appliances and bakery goods will be accepted. Call one of the following numbers if you need something picked up: Pam Connell, 757-2209; Audrey McGuire 757-2124; Mary Lynn Rice, 757-2223 or Faye Ann Nelson, 757-2120.

EFFECTIVE OCTOBER 1, Texas homeowners will be able to apply for an insurance premium reduction credit for certain security devices.

The State Board of Insurance stated that this new rule permits a premium reduction of five percent for homeowners who have installed security devices such as deadbolts, solid core doors and special locking devices on windows and garage doors.

It sounds like this program would be very popular in Abernathy as there have been many burglaries this year. Most local homes probably need more security anyway and through this program you get insurance premium reduction credit for free.

To get the credit, a homeowner must apply for an inspection of his or her property and have a qualified inspector, trained by the Texas Crime Prevention Institute in San Marcos, certify that the property is in compliance with the law, according to the State Board of Insurance.

It is the policy of the Institute that no fee be charged for these inspections. Application for an inspection must be made to the Texas Crime Prevention Institute. An application form has been developed by the Institute for this purpose. Application forms are being provided to local insurance agents, police and sheriff.

If local authorities are unable to provide the application, contact the Institute by calling 512/392-0166 or

writing to Director, Texas Crime Prevention Institute, Institute of Criminal Justice Studies, Southwest Texas State University, San Marcos, Texas 78666.

IF YOU HAVEN'T registered to vote, be sure and to do so by Sunday as it is the deadline to register. Election day is November 2.

I READ A COW POKES cartoon the other day that has some truth to it. One of the cowboys was digging a fence post hole and the other was holding the fence post. The one digging with post hole diggers said "It ain't worth it, you work to make some money and the government takes it to pay some feller that ain't workin'!"

SMALL BUSINESSES will be offered a little relief as the Small Business Administration is going to make low-interest Economic Injury Loans available to businesses in West Texas affected by the hail and rain storms earlier this year. These loans will apply to businesses in Abernathy and the surrounding area that cannot obtain credit elsewhere.

It is good to see that someone, (the SBA) is concerned with small businesses because when farmers have a bad year in small farming communities, everyone in the community is usually affected. It's like a chain reaction.

There will be more information about this program in a story in next weeks edition of the Review.

Long-Bufe Wedding Vows Exchanged Saturday

Tracey Dee Long and Darrell Ray Bufe were united in marriage September 25 in Quaker Avenue Church of Christ in Lubbock with Kline Nall of Lubbock officiating the double ring ceremony.

Mrs. Darrell Ray Bufe

Parents of the couple are Mr. and Mrs. Bobby Long of Lubbock and Mr. and Mrs. Raymond Bufe of New Deal.

Given in marriage by her father, the bride wore a traditional bridal gown of white chantilly lace overlaying bridal satin. The heart-shaped bodice was sprinkled with pearls and sequins. The sleeves were puffed and made of chantilly lace. The cathedral length train flowed from a princess waistline. The floor length bouffant style veil was trimmed in chantilly lace and sprinkled with pearls and made traditionally to cover the face. The cascading bridal bouquet was made of daisies and baby breath in the pastel rainbow colors.

Honor attendants were Johnna Basmussen of El Paso, maid of honor; Karen Brillhart of Amarillo, cousin of the bride, matron of honor; and bridesmaids were: Kelli Bishop and Teresa McCallum both of Lubbock. The Maid of Honor and matron of honor wore pastel blue long empire style dresses with thin straps and the dresses had matching chantilly lace capes. The bridesmaids wore matching dresses in pastel colors of purple, pink, yellow and green. The flowers were nosegays in pastel colors with streamers matching each girl's dress. The bridesmaids wore wreaths of pastel colored flowers with streamers matching their dresses.

Serving as best man was Kory Henry of New Deal. The groomsmen were Tony Howell, New Deal; Eddie Speer, cousin of the groom, New Deal; and Burhl Robertson of New Deal.

The church was decorated with an archway of candles in the front of the church and there were two large gladioli arrangements and greenery to complete the decor.

The ushers were Kevin Martin and Chris Shannon both of New Deal.

Trent Long of Lubbock, brother of the bride, and Sonya Bufe of New Deal, sister of the groom, were candlelighters.

A reception followed the ceremony in the church. Aunt's of the bride Helen James & Gayle Long, were reception assistants at the bride's table. At the groom's table were Evelyn Shropshire and Betty Womble.

The tables were covered in white lace over blue table cloths. The bride's table had a large tiered fountain cake in pastel colors. The table was accented with a brass candelabra and crystal punch bowl. The groom's table had a German chocolate cake with a silver coffee service.

At the Registry table was Donna Parish of New Deal, sister of the groom. The bride's bible was displayed on the registry table along with large white wicker baskets. The baskets were filled with rice.

The bride's uncle, Mike Womble of Odessa, took pictures of the entire wedding party.

Betty Cagle Initiated Into Delta Kappa Gamma

Betty Cagle of Abernathy, and Laura McLellan of Plainview, were initiated into Delta Kappa Gamma by the Iota Tau Chapter, Monday, September 20, in Abernathy.

The September meeting was hosted by the Aber-

nathy members with the formal initiation ceremony taking place in the Gold Auditorium.

After the initiation, students of Mrs. Dovie Barron, voice teacher, presented selections from "Oliver." Donna Burgess, Tracy Mur-

ray, Mary O'Neill, Sarah Hannel, Tracey Attebury, Tonya Spradling, Mandy Kelly, Susan Hubbard, Regina Lopez, Kristi Galloway, Bridget Sharp, Holly Murray and Tana Torrez sang "Consider Yourself", "Where Is Love?", "Oom-Pah-Pah", "As Long As He Needs Me", "I'd Do Anything", and "Who Will Buy?"

A business meeting and committee meeting followed the program.

Before the initiation ceremony, a meal prepared by Mrs. Jan Montgomery's CVAE-Homemaking class, was served by Abernathy members in the CVAE-Homemaking Department.

Abernathy members in attendance were as follows: Jan Montgomery, Jan Hill, Peggy Tooker, Louise Samsel, Barbara Webb, Bettie Hardin, Mary Rose Bowen, Bitsy Aldridge, Patsy Tucker, Alma Ruth Patterson, Kathryn Newton, Charlotte Carter, Ruth Fulton, Wanda LeMoine, La Rita Galloway, Marion Struve and Betty Cagle.

Great Society Extension Homemakers Meet

The First Methodist Church was the scene of the first fall meeting of the Great Society Extension Homemaker's Association, Monday September 20.

Wynon Mayes, the County Extension Agent, provided the program on Medicine Mix Up.

Maybell Glass, the president, opened the meeting with prayer. Olean Mathis, secretary, called the roll with the members answering, "Is it better to take medicine with water or milk?"

Imogene Suttle brought a paper on "What is known about drug interaction." Imogene and Wynon acted out a little skit called, "Nell's Kitchen" teaching the danger of pills taken with alcoholic beverages.

Imogene and Maybell attended the Council in party.

A rehearsal dinner was at 8 at the 50 Yard Line Restaurant Friday 24th in Lubbock, following the rehearsal at the church.

Tracey graduated from Frenship High School in 1981 and Darrell graduated from New Deal High School in 1981.

The bride chose a blue denim prairie skirt with a white lace Victorian style blouse for her going away outfit. After a wedding trip to Orlando, Florida, the couple will be at home in New Deal.

Write-In

For

JP Office

I would like to announce my plans for a Write-In Campaign for Justice of the Peace Precinct 3. I am a citizen of Petersburg, having lived here all my life. My husband died about 5 years ago, and my children are grown and gone from home. This leaves me with all the time that is needed to take care of the duties of this office.

I worked for about 30 years in a family business, Heard Elevator. The first years were just in harvest season, then the last 12 to 15 years I worked full time. In the spring of 1980 we closed the Grain business and I went to work for Ring Around Seed in Plainview. I was there 6 months until I started to work at Petersburg as the High School Secretary. I feel that this background of Bookkeeper, Office Manager, and working closely with people qualifies me for the job of Justice of the Peace.

I have been planning on running in this campaign since February when the incumbent said she was not seeking the office another term. I will be actively campaigning from now until November 2nd. I hope to see the voters of Justice of the Peace Precinct 3, and will answer any questions you may have when I see you.

Weekly Devotional

Rev. Matthew F. D'Souza

As gold is tested in the furnace, so also will our faith be tested in times of trials. Trials press in on us from all sides and sometimes they get us all heated up and we do not let our imperfections rise to the surface to be wiped away. They come to the surface and stay there time after time.

Testing is the Lord's response to us when we seek a sign. A sign would clinch everything for us, but that would not be fair to us. The

easiest way is not always the best way. The quickest results are not always the most accurate.

St. James speaks of seeking wisdom from God, and then he reminds us to be steady in our request. It is just another reminder that all will not come quickly or easily. Wisdom will not follow upon erratic behavior. We will not be steady enough to read the results or see the answers. (James 1: 5-7).

COTTON TALKS

FROM PLAINS COTTON GROWERS, INC.

LUBBOCK, Friday, September 24, 1982

Most High Plains cotton producers shortly will face two major decisions, note officials of Lubbock-based Plains Cotton Growers, Inc., "decisions that will have both intermediate and short-term effects on their financial well-being."

First, for all farmers, will come the "harvest or destroy" decision, requiring a relatively simple calculation of cost versus returns. Will the value of the lint and seed, considering both quality and yield, be sufficient to cover the cost of harvesting and modulating or hauling (including wear and tear on equipment), ginning, classing, etc.?

The basic figures needed for this decision should come easy, and especially after harvesting and evaluating the first few acres, says PCG Executive Vice President Donald Johnson. "But there are two other questions that should be answered before decisions are set in concrete," he adds. The first is "Will the zero yield that will result from not harvesting adversely affect the farm's established yield in 1983 or future years?"

Since this question may require a different answer for different farms, it can be best answered by county ASCS offices.

The other question is "How will harvesting affect, if at all, the total amount of government payments due?" A disaster payment (20.5 cents per pound) will be made on the difference between pounds harvested and 75 percent of established yield. A deficiency payment (13.92 cents per pound) will be made on 100 percent of established yield.

"Most may be able to figure this one out themselves," Johnson thinks, "but where there is doubt, the ASCS office again is the place to go for help."

Then will come important marketing decisions. At current reading it appears farmers will have no more than three alternatives. They can (1) sell at harvest for whatever price is offered, (2) sell on a "seller's call" contract or (3) put cotton into the government loan in hopes of selling equities at a later date.

Although each farmer will have to select a marketing plan suited to his own financial situation,

Johnson says, "it should also be kept in mind that the route chosen by farmers collectively could well have an influence on prospects for better prices at some future time."

The loan was instituted for the specific purpose of giving farmers a way to hold cotton off the market until supply-demand conditions improve or until buyers are forced to bid up the price to meet their needs. But the loan can't be effective unless large numbers of producers take advantage of it.

Call contracts also offer the possibility of producers profiting from price increases that may come in months ahead. "And they have their advantages," Johnson admits, "but when widely used they discourage market improvement, working against the producer's objective, by making an adequate supply of cotton immediately available to the market."

Johnson finds the other alternative, selling direct into the market at harvest, the least attractive of all. "In times of oversupply it has the same market-depressing effect as a seller's call contract, and it leaves the producer with no chance at all to profit from any future price advances."

John Deere Introduces 10 New Tractors

John Deere is introducing 10 new tractors, replacing all its two-wheel over 40 horsepower farm tractors. All the new models will be in dealerships beginning in September.

In early July a small group of farm magazine editors was shown the tractors and allowed to drive them at Deere's Product Engineering Center at Waterloo, Ia. Although all the new models are in the two-wheel category, it was apparent at the special showing that mechanical front-wheel drive is a major optional feature. All the tractors there were equipped with MFWD.

The other major change in the new tractor line is a new 15-speed power shift transmission on the five largest models. The optional system provides clutchless on-the-go shifting in 15 forward and four reverse speeds. The front wheel drive on the new tractors is a patented system Deere calls Caster/Action MFWD. "Its unique features are center-line drive and caster action which gives the tractor a very short turning radius. Front wheels caster up to 13 degrees and turn 50 degrees. A rocker switch on the instrument panel engages or disengages the front wheel drive on the go without clutching. The new optional 15-speed power shift transmission no doubt will be the most welcomed new feature of the over-90 horse power tractors in the new line. This is a big change from the 8 speed transmission in current models. The new transmission includes seven speeds infield working range, four

Sorghum And Corn Exports Expected To Top 2.6 Billion Bushels

By Elbert Harp, Executive Director of Grain Sorghum Producers Association and Texas Grain Sorghum Producers Board.

Can you imagine a train of hopper cars seven thousand and three hundred miles long? That train would reach from the Texas Panhandle to New York—across the Atlantic to London—continue across Europe, past Moscow, and on toward China.

Can you imagine the volume of U.S. sorghum and corn it would take to fill that train? A train 7,300 miles long would hold approximately 2.3 billion bushels—the amount of sorghum and corn exported by U.S.

farmers last year. Most of the export sales of U.S. feed grains are made to markets which were developed through the aggressive market development program of U.S. feed Grain Council which was established in 1960 by Grain Sorghum Producers Association. This work is continued today largely through sorghum and corn checkoff programs which assess a small fee for each bushel of grain sold. The sorghum checkoff program in the Texas High Plains is administered by Texas Grain Sorghum Producers Board (TGSPB). Texas sorghum producers

pay a voluntary assessment of five cents per ton deducted at the elevator or first point of processing.

Current problems of surplus grain and overflowing grain bins raise questions about the value of exports to the U.S. feed grain producer and processor. "If we're exporting so much, why are stocks piling up?" That is due mainly to the tremendous increase in production over the past 15 years.

From 1965 to 1981, U.S. sorghum and corn producers: (1) increased acreage (corn and sorghum) 29 percent, (2) increased total production 90

percent (3) increased domestic use 28 percent, (4) increased exports 137 percent.

A look at the glut of grain on hand today and a realization of the ability of American farmers to keep increasing production clearly shows that exports cannot solve all farm problems. But exports have made a tremendous difference in keeping the industry alive. In fact, exports expected to be about 2.625 billion bushels of sorghum and corn this year are about the only hope for increased sales in the near future.

Dear Editor:

I would like to express my thanks and heart felt feeling to the many friends that were with Laurie and myself during a recent crisis of vengeance, prejudice and misconception.

While it was directed at myself due to the witnessing of a stolen car, and past life, I did find that some will hang on "Rumor", while the many others helped and did all they could to see us through with dignity.

Again, thanks to those who stick with you during "stormy weather". This is God's way.

Eagles Edge Antelopes 12-9

The Roosevelt Eagles edged the Abernathy Antelopes Friday night by only three points, 12-9.

Eagle running back Ira Johnson made all the difference for the Eagles as he gained over 100 yards during the game. The Lopes contained Johnson, a 145 pound junior, for the most part the entire game.

The trouble came in the scoring department. The Lopes had trouble putting points on the score board.

forced to punt. Roosevelt got a drive started which began on their 40 yard line and 16 plays and nine minutes later, the Eagles had driven to the Lope 1 yard line where Ira Johnson ran it in for the first touchdown. The PAT was no good and the Eagles led 6-0.

The Lopes got the ball their second time of the game, but were forced to punt again and the first quarter ended.

Roosevelt got good field position following the punt and nine plays later had advanced to the Lope 2 yard line. At this point, an Eagle halfback carried and fumbled the ball into the end zone. An Eagle just happened to be nearby, recovered the fumble in the end zone, and the Eagles went on top 12-0. The PAT was no good.

The rest of the second quarter the Lopes were plagued with fumbles. On their next two possessions, the Lopes fumbled and Roosevelt recovered. Both times Roosevelt got good field position in Lope territory, even as far as the Lopes 17 yard line, but they could not score against the tough Lopes defense. At halftime the score remained 12-0 Roosevelt.

Second Half

The Lopes first two drives of the third quarter were stopped immediately as were the first two drives by

through the uprights and the third quarter ended 12-7 Roosevelt.

The first drive of the fourth quarter, the Eagles consumed most of the time in the third quarter by moving down to the Lopes 4 yard line in 14 plays. From 4 yards out they tried a pass on fourth down that failed and the Lopes got the ball on their own 4 yard line.

This was to be the most exciting drive of the game as the Lopes went 84 yards in 11 plays. The drive was highlighted with a 13 yard run by Chester Cooper, then a 10 yard run by Harold Miller, followed by a 26 yard pass from Brian Smith to Randy Houston, an 18 yard run by Chester Cooper, Mark Riddell added 5 more yards, and a pass interference call good for 14 yards got the Lopes down to the

the meeting to order.

The sophomore induction ceremony was planned and a tentative date was set for Tuesday night October 26. Eligible sophomores will be contacted by sponsor Mrs. Hardin.

In addition to the induction ceremony, a night out was scheduled for the second week in November. All members are invited for an evening of bowling, food and fun. The meeting then adjourned.

National Honor Society Meets

The Abernathy National Honor Society met Wednesday, September 22. President, Johnny Shafer called

Roosevelt 12 yard line. On the next 4 plays, the Lopes could not penetrate the 10 yard line and Roosevelt got the ball back.

The Lopes stopped Roosevelt deep in Eagle Territory, so on fourth down the Eagles took a safety in order to get better field position, with a kick, rather than having to rely on a punt. This gave the Lopes 2 more points and the score was 12-9.

The Lopes got one more try with less than 1 minute left on the clock, but time and downs ran out on them. Roosevelt took over and the game ended Roosevelt 12 Abernathy 9.

Science Club Holds

First Meeting

The Abernathy High Science Club held its first meeting September 15 at 8:30 a.m.

The topic of discussion was three dimensional games. Jay Harrison and Jimmy Salitros led the discussion. Many examples of three dimensional games were shown. The theory of

the fourth dimension was also discussed.

The officers for the 82-83 school year are as follows: Robert Brantley, President; Jay Harrison and Jimmy Salitros, Vice-Presidents; Fran Salitros, Secretary; John Vandygriff, Treasurer; Ruben Garcia, Reporter; and Tony Ortiz, Historian.

JV Lopes Slip By Roosevelt 20-16

The Abernathy JV Lopes slipped by Roosevelt last Thursday night 20-16. The Lopes remain undefeated with a 3-0 record.

The JV Lopes gained a 168 yards rushing and 29 yards passing to Roosevelt's 216 rushing and 32 passing to still put the most points on the board.

First Half

The first quarter was a defensive struggle between Abernathy and Roosevelt as both defenses kept the other teams offense from scoring and it was 0-0 at the end of the first quarter.

In the second quarter, quarterback Donnie Williamson made the first touchdown after the Lopes drove down to the 1 yard line and Williamson ran it in from there. The PAT attempt was no good and the JV Lopes led 6-0.

The Lopes second touchdown came on their next drive, which ended when Williamson ran in from 19 yards out scoring his second touchdown of the game and putting the JV Lopes ahead 12-0.

The conversion attempt was good as Williamson hit Randal Stillwell in the end

zone for two more points making the score 14-0.

Before halftime, Roosevelt scored on a surprise 72 yard run. The PAT attempt was bad and the Lopes led 14-6 at halftime.

Second Half

Donnie Williamson scored his third touchdown on a 3 yard run. The conversion attempt was no good and the Lopes were on top 20-6 before the third quarter ended.

In the fourth quarter, the JV Lopes were driven deep into their own territory and were trapped in their own end zone for a safety. This gave Roosevelt 2 more points and the score was 20-8. With a few seconds left in the fourth quarter, Roosevelt scored on a 12 yard run. The 2 point conversion was good and the game ended JV Lopes 20, Roosevelt JV 16.

The JV Lopes had 197 total yards for the game compared to Roosevelt's 248, and 8 first downs to Roosevelt's 12. The Lopes had 5 penalties for 40 yards and Roosevelt 4 for 22 yards.

Coach Ray Ater praised defensive players Ricky Rodriguez, John Baraza,

Mike Torrez and Wade Wesley for their defensive play. He also praised the performance of Shawn Knight, who intercepted 3 passes by Roosevelt.

Putting out a good effort on offense was the offensive line who blocked for the following runners: Donnie Williamson-14 carries for 61 yards; Kevin Lester-12 carries for 55 yards; Todd Johnson-9 carries for 41 yards; and Roy Martinez-7 carries for 11 yards.

Tonight, the JV Lopes will take on Lockney at Antelope Stadium with the first game beginning at 5 p.m.

7th Grade Lopes Defeat Roosevelt 16-8

The 7th grade Lopes football team defeated Roosevelt last Thursday night at Antelope Field.

The 7th grade won 16-8 in the first game of the double-header Thursday.

The first score came in the first quarter when quarterback Rob Givens hit Pete Garcia on a 44 yard pass play. The extra points conversion was good as Irvin Dunn took a hand-off and ran into the end zone. The 7th Lopes led 8-0.

In the second quarter, Roosevelt got their first touchdown on a 3 yard run following a drive that devoured approximately 10 minutes off of the clock and the second quarter. The conversion was good and the score was 8-8 at halftime.

The defenses stiffened in the third quarter and neither team could produce points during this quarter.

It looked as if it was going to be an 8 to 8 tie game when Irvin Dunn broke loose and ran 58 yards to score the final touchdown of the game for the 7th Lopes and they

led 14-8. Ricky May added 2 more points on the conversion and the 7th defeated Roosevelt 16-8.

The 7th Lopes have a 1-1 record. Today, the 7th Lopes will play Lockney at Lockney at 5 p.m.

8th Lopes Lose Close One To Roosevelt

The Abernathy 8th grade Lopes lost a close defensive battle to Roosevelt last Thursday night here by a score of 8-0.

The 8th grade defense played a great game keeping Roosevelt scoreless the first, second and third quarters. Up to the fourth quarter, neither team had scored and it was 0-0.

The fourth quarter continued along the same pattern as neither offense could produce points or get a substantial drive going. Then, late in the fourth quarter with only 58 seconds left on the clock, Roosevelt broke loose on a 70 yard run for the only touchdown of the game. The conversion was good and Roosevelt won 8-0.

8th grade coach John Rodriguez praised the defensive performance of the following players: Rowdy Powell-linebacker; Gary Grisham-linebacker; and Chuck Thompson-cornerback. Rodriguez stated that they performed extremely well on defense during the game. On offense, Rodriguez praised the performance of Ray Garza, who ran well during the game.

The 8th Lopes will play Lockney there today following the 7th grade game.

Save \$14.00 Out Of Every \$50

By Shopping In Abernathy

Did you ever drive 60 miles or more to take advantage of a super special? An item that costs you \$50 locally would have to save you \$14.40 if you drove 60 miles round-trip to get it and just wanted to break even.

The American Automobile Association certifies that 24.0 cents is what it costs to drive your car one mile. That sweet buy can suddenly turn quite sour.

And each 60 miles takes 3 to 6 gallons of gasoline which the potential shortage of oil-derived fuels would encourage us to save.

Local merchants, whether they sell groceries, clothing, drugs, hardware, appliances or whatever, feature top line nationally advertised products at competitive prices. These same merchants support your schools, churches and civic groups. They help us all pay for the improvements that make this a better place to live.

So save yourself some money, help fight the energy crisis and support local merchants. And save the drive to faraway communities. Shopping at home is a wonderfully simple way to do yourself several favors at once.

Dupler-Barbre Exchange Wedding Vows Sept. 18

Laura Dianne Dupler became the bride of Stephen Jay Barbre in a 7 p.m. ceremony Saturday, September 18, in the home of the bride's parents, Jim Maze of Trinity Church officiated.

Parents of the couple are Mr. and Mrs. Leonard Gilmore of Shallowater and Mr. and Mrs. J.C. Barbre of Killen.

Given in marriage by her father, the bride wore a magnificent gown of white organza and chantilly lace designed with an empire waistline. The Queen Anne neckline featured a row of the ruffled lace which extended around to the back of

the dress, where the bodice featured the sheer organza designed in a low circle affect.

The stand-up collar, embossed with seed pearls, extended from the sides of the throat in front, around to the back. The bodice of the dress also featured a row of lace appliques richly enhanced by seed pearls.

The fitted sleeves were of organza and featured rows of Chantilly lace running the entire length of the sleeves, ending in ruffled organza cuffs.

The full skirt featured two rows of lace and three rows of organza ruffles at the bottom of the skirt. One row

of the lace ruffles and two rows of the organza ruffles swept up the sides and ended at the waistline in the back, forming a bustle effect. The skirt swept into a full chapel train. Her matching veil of illusion was gathered to a lace bandeau embroidered in seed pearls. The fingertip length veil was edged in Chantilly lace the entire length, matching the lace on her dress.

The bride carried a bouquet of white satin roses accented with smaller pink roses and white wedding bells. The cranberry colored flowers were used to accent the bouquet. White satin ribbon flowed down from the bouquet.

The maid of honor was Celeste Potter of Shallowater. She wore a cranberry colored dress, and carried a bouquet with cranberry flowers mixed with white flowers, which was accented with satin ribbon of cranberry flowing down from it. The best man was Hank Slawson of Bryan.

Wedding music was presented by Dora Potter of Shallowater.

The reception was held in the home also and cake and punch was served to all the guests. Serving at the table was Francis Glass, Barbara Sanderson and Helen Hulsey.

The bride was graduated from Shallowater High School. The bridegroom was graduated from Killen High School.

After a wedding trip to Ruidoso, New Mexico, the couple will live in Lubbock.

KAPPA KAPPA IOTA Meets

Kappa Kappa Iota, a sorority composed of women interested in the teaching profession, met Saturday, September 18, at the First State Bank in Shallowater for a salad luncheon. Fall decorations were carried out by the hostesses, Floyce Preston

and Opal Rice. After a delicious lunch, Theresa Mason presided over a short business meeting. Dana Woodward was presented a gift in appreciation for her work as outgoing president of the local sorority.

Thirteen members and one guest, Marie Riddell of Abernathy, were in attendance at the first meeting of this season.

Members will be notified of the next meeting date by Juanelle Smith and Jan Spence.

Food Demonstration Slated For Monday 4-H Meeting

Christi Waters, representing Southwestern Public Service, will present a special foods demonstration for Shallowater 4-H Club Monday, October 4th, at 7:30 in the High School Homemaking Cottage. All members and parents are urged to attend as 4-H projects for the year will be selected.

Project on Monday, September 20, Becky Greaves hosted the girls project meeting as members participated in an "Omelet Rodeo", preparing and tasting several kinds of omelets using various fillings and toppings. Shelley Scheeham, Stephanie Liojas, Darla Ellis, and Penny Delcambre attended the session. The boys held an outdoor

cook-out assisted by their leader, Pam Greaves. A camp-style beef supper and roasting ears cooked on a grill topped their menu. A short nutrition lesson is a part of each meeting.

Enjoying the cook-out were Earle Haralson, Dusty Greaves, Matt and Kelly Burgett, Jimmy Miller, and Shannon Stephens.

Senior Spotlight...Cindy Sawyer and Stuart Smith

Cindy Sawyer, daughter of Charles and Dorothy Sawyer, is one person who knows where her life is going. She is a cheerleader this year and vice-president of FHA.

She is 17 and likes tennis, cheerleading and dancing. Her hobbies include dating, swimming and watching soap operas. Italian menus rank as her favorite food. Topping TV and movies, she lists "Dynasty" and "Rocky III". Of "Rocky III" she says, "What a hunk!" She likes listening to Rock and Roll music.

"Mrs. Darden is really a neat teacher," she says about the instructor for Government, her special class.

When asked her opinion of being a Senior, Cindy replied, "It's taken a long time to get here. I plan to make the best of it." Cindy wants to be a secretary after she graduates.

Stuart Smith
Stuart Smith, a respected citizen of both school and community is the son of Dub and JoBeth Smith. He was born December 10, 1964.

Among the honors received during his high school career are class president all four years and class favorite three years. He has been all district in football, and all district guard in basketball.

Stuart's hobbies include drawing, sports and fishing. Steak and mushrooms top the list of his favorite foods. "Gomer Pyle" receives his vote for best TV Show and he likes "Raiders of the Lost Ark" in the movie department. His most liked subject is Government.

He belongs to FCA and participates in all sports activities. Stuart listens to Country Music and claims John Denver, The Oakridge Boys and Larry Gatlin are his favorites.

Of his Senior year Stuart says, "I am excited about being a Senior and am looking forward to a great year." By David Stalter

7th Grade Zaps Springlake 22-0

The Shallowater 7th grade football team beat Springlake 22-0.

The first half was scoreless. Then Shallowater began moving the ball. The first touchdown came with Israil Garcia on a half back pass and the two point conversion was good.

The next touchdown came with Rodney Baker on an end reverse. Again the ponies scored on a defensive tackle play with Johnny Revilla carrying the ball.

Joe Johnston intercepted a pass, and James Pair and Joe Bob Blackburn recovered a fumble a piece.

Players of the week are Bryan Hunt-center; Timmy Taylor-defensive lineman; Joe Bob Blackburn-defensive back; and Linebacker Joe Johnston.

The 7th grade will meet Olton next Thursday night at Olton at 5 p.m.

Let's all go out and support these teams.

8th Grade Blasts Springlake 20-0

The Shallowater 8th grade now 2-0 on the year, had no problems Thursday night with Springlake, even though the first quarter was scoreless.

In the second quarter it was a different story. Shallowater first scored on an interception by Mike Ables who ran it back for the first touchdown. The next touchdown came with a power inside play by Ronnie Bar-

ron, ending the first half 12-0.

In the second half, again Shallowater scored on the halfback pass from Ronnie Barron to Trenton Chandler, and Scott Cottenoir scored the extra two points on a bootleg run, ending the game with Shallowater on top 20-0.

Mike Ables had one interception of the night, and Trey Boozer and Damon

Duenes Completes Training

Army National Guard Pvt. Eulardo Duenes, son of Othilio and Frank Duenes of Route 1, Shallowater, has completed one station unit training (OSUT) at the U.S. Army Infantry School, Fort Benning, Ga.

OSUT is a 12-week period which combines basic combat training and advanced individual training.

The training included weapons qualifications, squad tactics, patrolling, landmine warfare, field communications and combat operations. Completion of this course qualifies the soldier as a light-weapon infantryman and as an indirect-fire crewman.

Soldiers were taught to perform any of the duties in a rifle or mortar squad.

RATED A 1 at the Panhandle South Plains Fair Parade Monday was the Shallowater Mustang Band. They are pictured marching in downtown Lubbock. (Review Photos)

Vandever Appointed GTE Service Manager For Abernathy

Joe Vandever was appointed Wednesday, September 1, 1982, to the position of GTE Local Service Manager for Ralls, Dickens, Matador, Crosbyton, Lorenzo, Petersburg, Idalou and Abernathy exchanges, according to Jimmy Davis, Area Operations Manager.

The Local Service Manager concept is part of GTE's plan to return responsibility for customer service to the local exchanges. Memphis Area Operations Manager, Jimmy Davis, describes it as, "Part of an overall plan to be one-to-one with our customers. The Local Managers' responsibility is to ensure quality service to our customers and resolve problems that cannot be

taken care of through normal company channels."

Vandever, who is from Stephenville, Texas originally, lives in Ralls with his family. He began his career with GTE in 1964 in Carlsbad, New Mexico as a Line-man in Construction. He was promoted to Installation and Maintenance Supervisor in Ralls. Prior to joining GTE, Vandever was a member of the United States Airforce. He is a member of Masons and active in the Evening Lion's Club in Ralls.

Emphasizing his interest in personalized service, Vandever stated that he is, "Looking forward to continuing service improvement and serving the local communities."

The Knox County native came to the Abernathy area in 1926 and married Burney Myatt on Nov. 27, 1926, in Spade. After his death, she married William Doss. He died in 1977. She had lived in Abernathy since 1930 and was a member of the Church of Christ and City Garden Club.

Survivors include three sons, Floyd and Gwin, both of Abernathy and Don of Lubbock; nine grandchildren and 14 great-grandchildren.

Grandsons were pallbearers.

Benito Miralez

Mass for Benito Miralez was said at 3 p.m. Saturday at St. Teresa's Catholic Church of Hale Center with the Rev. Glen Rosendale officiating. Rosary was said at 8 p.m. Friday at Chambers Funeral Home in Abernathy.

Burial was in Abernathy Cemetery under direction of Chambers Funeral Home.

Miralez died at 8:40 a.m. Thursday, September 23, at High Plains Hospital in Hale Center following a lengthy illness.

The Beeville native moved to Hale Center in 1955 and to Abernathy in 1970. He mar-

ried Lydia Martinez on Dec. 5, 1948 in Haskell County. He was a farmer.

Survivors include his wife; four daughters, Sylvia Ramirez and Anita, both of Abernathy, and Theresa Valdez and Nancy Olguin, both of Lubbock; three sons, Lupe of Liberal, Kan., and Benito and Gilbert, both of Lubbock; his mother, Teresa Trevino of Dallas; four brothers, Lupe of Dallas and Alfredo, Antonio, and Able, all of Falfurrias; a sister, Mary Rivera of Irving; and seven grandchildren.

Dale Gilmore

Services for Dale Gilmore, 52, of Hereford were at 10 a.m. Monday at the Rix Funeral Home Chapel, Hereford, with the Rev. George Belford, pastor of First Presbyterian Church in Andrews, officiating.

Graveside services were at 3 p.m. Monday at the Memorial Park Cemetery in Dalhart. Burial was under the direction of Rix Funeral Directors.

She died at 1:36 p.m. Friday in Deaf Smith General Hospital following a sudden illness.

The Dalhart native had been a Hereford resident for nine years, having moved from Friona. She married John Gilmore on Feb. 22, 1949, in Clayton, N.M. She was a registered nurse at Deaf Smith General Hospital. She was a member of the Registered Nurses Association and the Assembly of God Church.

Survivors include her husband; two sons, Rusty of Dalhart and Rick of Pasadena; two daughters, Carol Artz of Dalhart and Candy Gibson of Shallowater; her mother, Josephine Houston of Lubbock; six sisters; three brothers; and seven grandchildren.

Efforts Expanded To Increase Understanding Of Abernathy PSAT/NMSQT Scores

Three new services to help students and school officials better understand and interpret scores on the Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/NMSQT) have been introduced by the College Board to coincide with this year's test date of October 19, according to Charles Bowen, director of guidance for Abernathy Public School.

The three services are:
* A Summary of Answers

Report, which indicates how many students in each school, district, or state chose each answer to each question on the test, as compared to all students taking the test nationally.

* State Summary Reports of Sophomores, which show career choices, intended college majors, ethnic background, and similar demographic data -- identical to information currently provided for juniors.

* A Counselor's Guide to Helping Students Learn

from the PSAT/NMSQT, a new publication designed for counselors to help students more clearly grasp the general nature of the tests and the implications of their test results.

Students also receive, before taking the test, a Student Bulletin containing a complete test with an answer key and scoring instructions; a Report of Student Answers, in December, including the corrected answers and their own responses and scores; the test

booklets so that they can review the original questions; and a booklet, About Your PSAT/NMSQT Scores, that helps them to interpret their test results and to plan for college.

The PSAT/NMSQT is co-sponsored by the College Board and the National Merit Scholarship Corporation. Since 1959, more than 25.5 million students have taken the test, which measures verbal and mathematical abilities.

By taking the test, stu-

dents discover how they rank among juniors (or sophomores or seniors) across the country. It also provides a preview of the College Board's Scholastic Aptitude Test (SAT), which many seniors take when

they apply for college. The PSAT/NMSQT is also the qualifying test for students wishing to participate in competitions of the National Merit Scholarship Corporation.

"A GLANCE AT THE PAST"

By Helen Wade

From The Abernathy Weekly Review Dated August 12, 1948:

Part of a letter from Billy Selke who was traveling with a Methodist Youth Caravan: After training for 10 days in Pennsylvania, we came to work in West Va. Our team works for one week in each of 7 churches during the summer. Some of the highlights of our trip was a close-up of Pres. Truman, watching the Democratic National Convention, a tour of Washington, D.C., and 2 trips through 2 types of coal mines. Our work has brought us in close contact with these people and how they live.

I was especially interested in the coal fields and the people there. An average miner makes around \$20 to \$25 per 7 hours and 15 minutes a day. They rent a house from the coal company for \$10 per month, or may buy it for \$250 per room. They buy everything from ice cream to overalls at a company owned store for a very reasonable price. The mining camps are full of friendly people who are simple and plain, yet they are very proud, and a different type of people than Texans. At least 50 per cent of the girls never finish high school and about 60 to 70 per cent of the boys quit school to work in the mines. Nearly every boy or girl boasts of having failed 2 or more years of school.

I use to think that those "10-2-4" signs meant Dr.

Pepper, but now I know that is the rain forecast here. The only reason that the rain stops is merely to start again immediately, so we can say we've had 2 rains instead of one. Yet the people tell us we should be here in the Rainy Season!

Showing at the Rita Theatre is "That Hagen Girl" with Ronald Reagan and Shirley Temple.

Mrs. Jack Hackler has resigned after teaching homemaking in high school here for 12 years. Mrs. Hackler's influence will be felt for several years with all the girls she helped teach them to sew and prepare meals. The community owes a debt of gratitude for the wonderful service she performed in the AHS home-making department.

From The Abernathy Weekly Review Dated October 23, 1958:

The Antelopes won a 38-0 victory over the Morton Indians last week before a sparsely scattered crowd of less than 2,000 at Antelope Field. The game, which was the opening District 2-AA game for both teams, was Abernathy's seventh triumph of the season against no set-backs.

The Past Matrons and Past Patrons of Eastern Star, were honored with a special program at a recent meeting of the chapter. Those attending were: Mr. and Mrs. Vernon Bartlett, Mr. and Mrs. Dan Ward, Mr. and Mrs. Ralph Davis, Mrs. Frank Lovelace, Mrs.

Joe Lovelace, Mr. and Mrs. Hollis Barnett, Mrs. Hugh Pettit, Herman Lambert, Mrs. Fred Blumenstock, Sam Williams and Mrs. Vic Struve. Also present was Mrs. Patsy Cunningham, affiliated past matron. Presiding at the meeting were Mrs. Fay Oldham, worthy matron, and Ralph Davis, associate patron.

The Abernathy Junior High Students selected Dianne DuBose to represent them as their Harvest Queen at the Big Harvest Festival to be held in Abernathy School Auditorium. The students would like to solicit your vote for Miss DuBose for Harvest Queen on that night.

Abernathy Sheet Metal and Cunningham Gin are tied for first place in the Abernathy Women's League and Taylor Bros. and Shipman Insurance are tied for first place in the Men's League, after bowling Monday night at North College Lanes. Ann McCune and Dorothy Davenport had high game with 178 and Ann McCune had high series with 476 for the women. Keith Shipman had high game for the men with 200 and Glenn Selke had high series for the night with 540.

From The Abernathy Weekly Review Dated April 4, 1968:

Abernathy Chamber of Commerce is having one of professional football's outstanding quarterbacks, Don Meredith, of the Dallas Cowboys at their banquet. Two young ladies, who in recent weeks have brought honors to Abernathy, will be given tokens of appreciation. They are AHS Senior Cindy Garvin, who is serving as 1968

Queen of the American Association of Sheriff Poses and Riding Clubs, and Mary Goble, AHS graduate and Texas Tech student, who was named Queen of the Appaloosa Horse Club in San Antonio. Andy Reid, who was named the Outstanding Citizen of the year at the 1967 banquet, will present a plaque to the Chamber 1968 Outstanding Citizen, whose identity will be revealed during the banquet program.

Dr. and Mrs. R. Doyle Johnson of Winston Salem, N.C., are due here April 1, for a visit. He is a son of I.L. Johnson and she is the daughter of Mr. and Mrs. Paul Nesbitt. Dr. Johnson is in the research department of R.J. Reynolds Tobacco Co. Mrs. Johnson is a pre-law student at Wake Forest College. Dr. Johnson will be here a week then fly to Las Vegas, Nev., to attend a convention. Mrs. Johnson will be here two weeks.

"Worthy Is The Lamb," an Easter Cantata written by J.T. Adams, will be presented during the morning worship hour, Sunday April 7, at First Baptist Church. The presentation will be given by the Adult Choir, under the direction of Billy Skipper. The choir will be accompanied by Mrs. Bobby Cunningham, pianist. Gerre Guerrant, Valerie Dees, and Steve Skipper will play trumpets and Lloyd Lebow will play the trumpet. Bro. Ed Jackson, interim pastor, will narrate. The public is cordially invited to come and hear this beautiful piece of music at 10:45 a.m.

County Line Chit Chats

By Faye Ann Nelson

Mrs. Flo Stanford, of Dimmitt, visited her cousins, Mr. and Mrs. G.W. Nelson Saturday. They put her on the plane at Lubbock for Dallas, where she will attend her dad's family reunion.

Shelley is 90 years old and they will honor him Sunday in Little Elm park in N.W. Dallas.

The County Line community wishes to express their deepest sympathy to the family of Joshua Pope. The poem expresses maybe what Joshua would tell the family and friends that are left behind:

Immortality
Do not stand at my grave & weep.
I am not there
I do not sleep.
I am a thousand winds that blow.
I am the diamond glint on snow.
I am the sunlight on ripened grain.
I am the gentle autumn rain.
When you wake in the morning hush
I am the swift uplifting rush
Of quiet birds in circling flight.
I am the soft starlight at night.
Do not stand at my grave & weep.
I am not there.
I do not sleep.

I believe it is from the American Indians.

Mr. G.W. Nelson will enter St. Mary's Hospital, Wednesday to have a lens implant for cataract surgery. Dr. Bill Wilson is a perfectionist on lens implants.

We want to pay \$900.00 gas bill, so don't forget the Giant Garage sale at the Clubhouse Friday and Saturday, Oct. 1 and 2.

in Mackenzie Park and they will be our play-off courts in the finals." Tooley said.

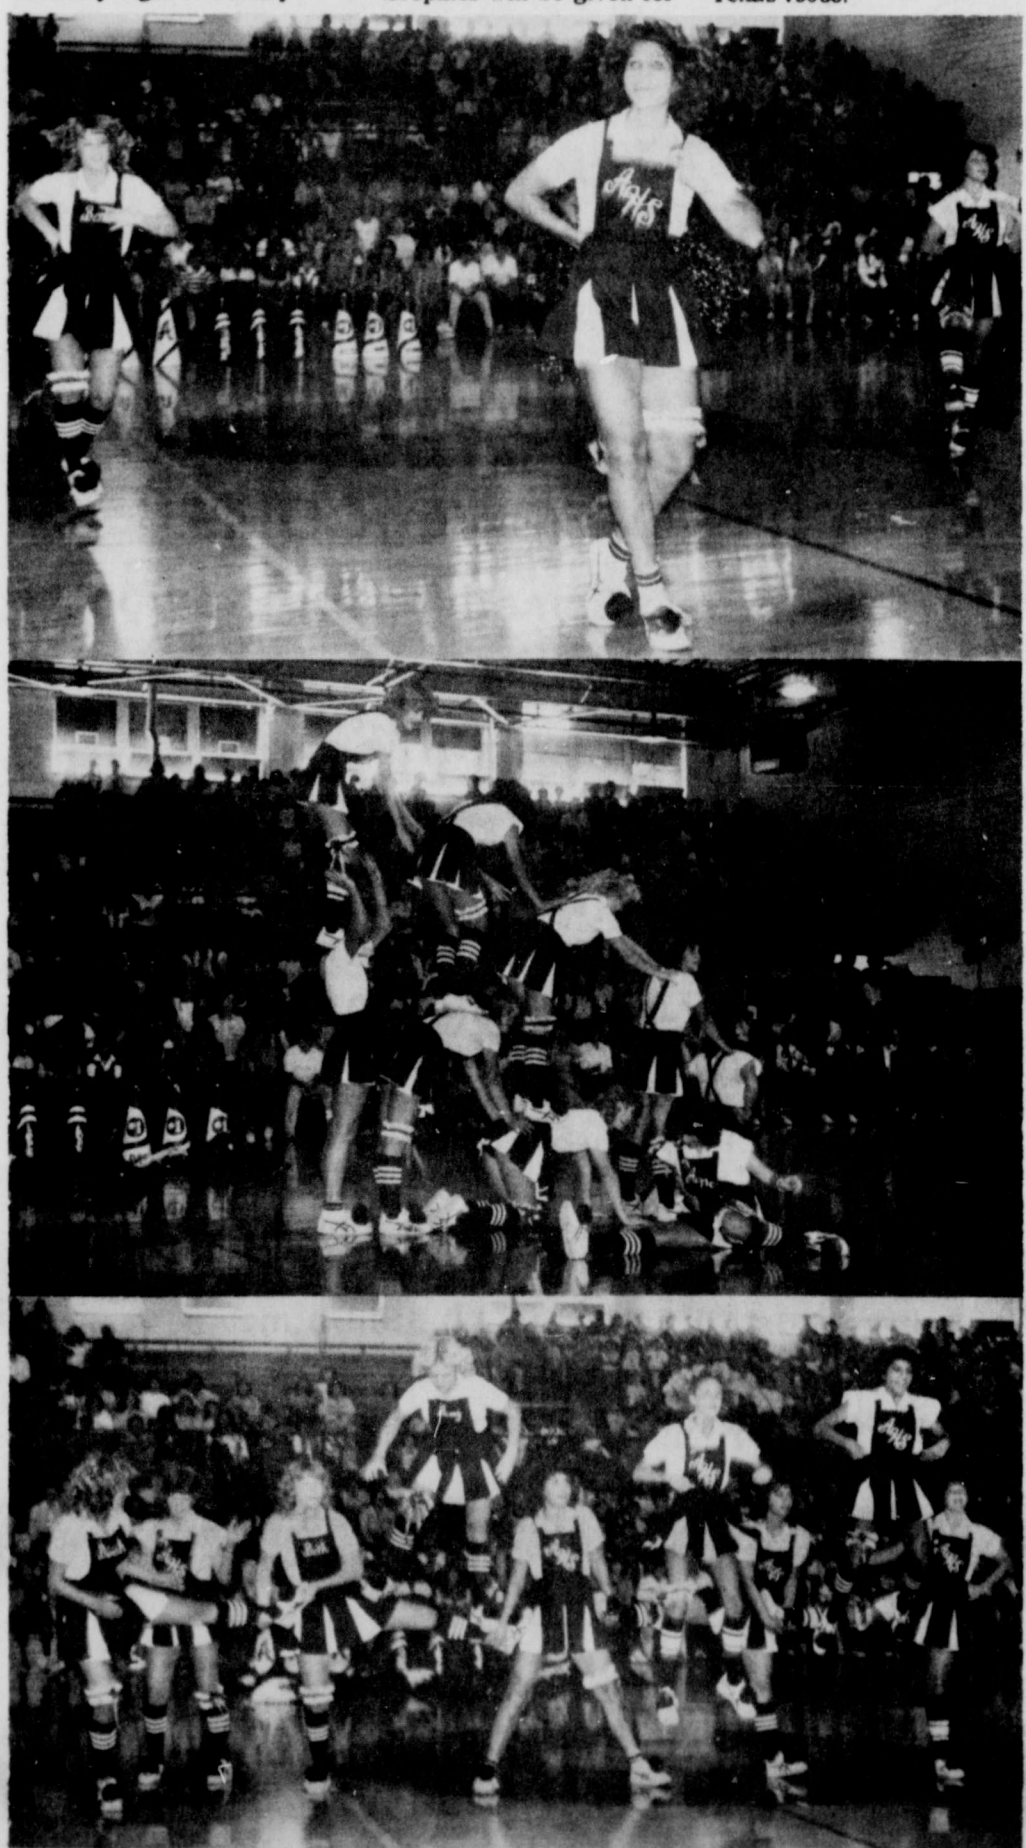

Junior High contests begin at 9 a.m. Saturday, October 9, high school at 1 p.m. Finals will either be played Saturday night or Sunday.

The open begins at 9 a.m. the next Saturday, October 16 and the over 40 at 1 p.m. the same day.

Entry fee is \$5.00 per person per event, only three contests for each player. Trophies will be given for

first and second place winners. Mixed doubles are scheduled in both the open and over 40 divisions.

Entry fee should accompany registration to W.M. Tooley, Drawer 87, Tulia, Texas 79088.

THE CHEERLEADERS PERFORMED many yells and routines at the pep rally held last Friday. In the top photo, they act out a country and western dance routine. In the second photo, they formed a pyramid. And in the bottom photo, they finished with a victory yell. (Review Photo)

Please let me take this means of communicating to my friends in Shallowater and the surrounding area my sincere appreciation for your support during the past eleven years. Banks have a unique responsibility in the community they are chartered to serve, and for the past twenty-two years, First State Bank has had an enviable record because of dedication to that responsibility.

Shallowater has been blessed with a bank with directors and personnel who have men and women with a vision of creating better homes, businesses, churches and schools to enrich the lifestyle. Throughout the years, folks come and go and the institutions, schools, churches and your bank have survived.

As I leave the First State Bank, the close day-to-day contacts of friendships that have evolved through the years will be missed. I will miss "the burrs under the saddle blanket" at Hutton's, the school activities which are always a center of unity for Shallowater and the winning tradition that always exists. Even during occasional conflicts, there is always a strong bond of unity and the forgiving spirit of someone saying "Oh, that's just the way he is" about whomever is being criticized that day!

You are great folks, and I am glad to have shared your successes, glad to have lent a helping hand when I could, shared a prayer with you, and to have been involved in an exciting time in your growing pride and unity.

Sincerely,

Mabry J. Brock

Lions Shut Out Buffaloes 16-0

The New Deal Lions continued their winning ways last Friday night when they visited the Petersburg Buffaloes. If the Buffaloes had any thoughts of upsetting the Lions before the game, those thoughts turned out to be just "wishful" thinking as a large Homecoming crowd watched their Buffaloes become another victim of the mighty Lions!

The game plan seemed to be, put the Buffaloes away early, and then play defense. If that was the case, the plan worked perfectly.

The Lions took the opening kickoff and chewed up more than half of the first quarter in scoring their first points. Fullback Robert Jackson ran across from 1 yard out and Henry Ramirez kicked the extra point. New Deal-7, Petersburg-0.

Petersburg got their chance with the ball next

and moved down field rather easily for the first three or four plays. The Lions hard hitting defense then took control of the Buffaloes offense and they had to punt. The Lions offense rolled down field and scored their second touchdown with Robert Jackson, again, scoring from 1 yard out. Henry Ramirez kicked the extra point and the score was New Deal-14, Petersburg-0.

That was all the scoring done in the game until the final minutes in the 4th quarter when the Buffaloes were in punt formation, deep in Lion territory, and the center snapped the ball over the punters head & out of the end zone for a safety.

Both teams keyed on defense in the second, third, and fourth quarters and the game ended with the final score New Deal-16, Petersburg-0.

ROBERT LEE VILLEGAS is a senior and wears number 13 on the field. He plays the positions of quarterback and strong safety. He was also named 2nd Team All-District defensive back in 1981. He is the son of Mrs. Janie Villegas of New Deal.

HENRY RAMIREZ is a junior and wears number 22 on the field. He plays the positions of tail back and cornerback. He is also N.D.'s kicking specialist. Henry is the son of Mr. and Mrs. Paulino Ramirez of New Deal.

CONGRADULATIONS to New Deal's 8th graders on their 24 to 8 victory over the Petersburg Buffaloes last week.

The 7th grade lost to the Buffaloes' 8th grade team 20 to 0. New Deal's 8th grade team is a mixed team of 7th and 8th graders because there are not enough 8th graders to make a full team. This mixed team played a mixed team from Petersburg, because they don't have a 7th grade team.

7th graders, that's pretty good work since you played an 8th grade team. The Junior Varsity lost to Petersburg by 38 to 16.

Mums Ready Friday Morning

The deadline for ordering Homecoming mums was Tuesday, September 28th. If you've ordered a mum, you can pick it up Friday morning, October 1 in the High School Principal's office.

corps, as well as the junior high, junior varsity and varsity cheerleaders.

All New Deal Exes are welcomed to come and bring that ole school spirit with ya! Game time is 8:00 p.m. at New Deal.

HAPPY BIRTHDAY

Happy Birthday this week to the following New Deal folks: Karl Rieken, Agnes Rinker, Cathy Deaver, Joy Nicholson, Robbie Harkey, Shelley Williams, Carly Cross, Barbara Hale, Darron Sanders, Melody Galbraith, Matthew Williams, L.B. Davis, Veda Voyles, Sammy Sosa, Freddy Harkey!

SORRY FOLKS! We (The Abernathy Weekly Review) made a mistake in last weeks paper. We put that New Deal was going to play Crosbyton September 24, but we should have put that they will play Petersburg Sept. 24. This week, Friday, October 1, New Deal will play Crosbyton.

HAPPY ANNIVERSARY Happy Anniversary this week to Mr. and Mrs. Richard Koontz.

Sorry about this mistake folks, we will try harder in the future to get things right. We would also like to apologize to Sharla Attebury as she had nothing to do with either mistake. She has heard all the complaints, but was not the one at fault. We are trying, so please be patient with us.

Strake Talk

FROM YOUR NEXT LT. GOVERNOR

This may be my last column in this series. We began this column ten weeks ago, hoping it would be a success. And judging from the response of the readers, I would call it an unqualified success. The mail has been very favorable. The columns that drew the most response were those dealing with education of our children, the property tax issue, and the issue of Mr. Hobby raising funds for the ACLU to use in that organization's crusade against prayer in schools and in defense of pornographers. I have made a point in these columns that Texans need a Lt. Governor who is in touch with the people he is supposed to serve. Mr. Hobby is clearly out of touch with the thinking of Texans, and, in my opinion ought to be retired. Mr. Hobby's lack of understanding can be illustrated: Texans are overwhelmingly in favor of President Reagan's efforts to transfer power and responsibility back to the states. I agree that Texans can do a better job for Texas than Washington can. Mr. Hobby disagrees. The vast majority of Texans do not believe they ought to be forced to pay for the education of the children of illegal aliens. I have compassion for these children—but I must confess that I care more for Texans who are faced with the burden of supporting their own children in hard economic times. Mr. Hobby disagrees. Most Texans think our Right to Work law should be incorporated in the Texas constitution. I agree here, too. But Mr. Hobby disagrees and has fought the effort. The list goes on and on. The problem with continuing my column is a simple one—money. We originally budgeted for ten columns, and we have now reached that point in our budget. If we are successful in raising more campaign funds, you are likely to see more columns. I hope so, for this seems to be a good way to get the issues to the people. These columns are needed. Without them Mr. Hobby will clearly avoid the issues and seek to confuse us with 30-second TV commercials created by his image builders. If you would like to see these columns continue and would like to help in that regard, please send your contribution. If you can't make a contribution, I assure you that your opinion will be equally important. Please write to me at Texans for Strake, 1213 W. 34th, Austin 78705. Let's keep in touch.

COTTON TODAY

EXPORTS CONTINUE CLIMB: Net new sales for the 1982-83 marketing year increased by 84,600 running bales for the week ended August 26 to bring the new season's total commitments to 2,322,600 bales. The major buyer was South Korea with 44,200 bales. Korea purchased 208,500 bales during the previous week. Exports for the week totaled 73,400 bales, primarily to Asian nations, according to the National Cotton Council. MAID'S TOUR TAKING SHAPE: The tour by the 1983 Maid of Cotton to promote sales of U.S. cotton overseas is beginning to take shape, according to the National Cotton Council. Arrangements are being made for promotional activities in Japan, Korea, Hong Kong, Singapore, and Taiwan. Activities also are planned for Canada and Europe. Applications for the 1983 selection, to be held December 26-28 in Memphis, may be obtained by contacting Liana Tollison, Maid of Cotton tour manager, P.O. Box 12285, Memphis, Tenn. 38112. The new manager is a

native of Arkansas, graduate of the University of Mississippi and Mississippi State University, and a former faculty member of Delta State University.

NATURAL FIBERS TO BE HIGHLIGHTED: The Natural Fibers Textile Conference is set for September 14-16 at Radisson Plaza Hotel in Charlotte, N.C., according to the National Cotton Council.

The leadoff address on opportunities in today's fiber markets will be given by J. Nicholas Hahn, executive vice president of Cotton Incorporated. Other speakers will report on development in washed and mechanically cleaned cotton, trash and microdust measurement in raw and processed cotton, study of lint retrieval at ginning, and various aspects of fabric structures and finishes. Conference sponsors are the National Cotton Council, the National Wool Growers Association, and the U.S. Department of Agriculture in cooperation with the American Sheep Producers Council, The Cotton Foundation, and the Wool Bureau, Inc.

Electricity is vital to our food supply. A full 16.5% of the energy consumed in the United States is used in the production, processing and distribution of food. Additional electricity is used by businesses like farm equipment dealers and feed suppliers who depend on agricultural sales. Managing electricity wisely helps the farmer, the utility company and each of us, since the cost of electricity directly affects the price we pay for food at the supermarket.

Sam Thomas, Agricultural Development Manager, Amarillo.

Air leaks in your home can increase your yearly electric bill by 20 to 40%. Air can enter your home through cracks around doors, windows or any other place where two materials or parts of the house meet. To find air leaks around your home, wait for a windy day, then turn off your furnace or air conditioner. Hold a small piece of tissue or a candle next to cracks around windows and doors. If the tissue or candle flame flutters, leaks are reducing your home's energy efficiency. Weatherstripping and caulking can help plug these leaks and save you money, too.

Helen Hernandez, Order Clerk, Carlsbad.

Caring properly for portable appliances improves their safety and efficiency. Always plug an appliance cord directly into a wall outlet, rather than into lightweight extension cords. Unplug the appliance immediately after use. When disconnecting an appliance, pull the cord plug from the outlet first, then remove from the appliance. Always grasp the plug itself; do not pull on the cord. When cleaning portable appliances, first check the instruction book to see if the appliance is immersible. Then wash it with hot sudsy water and rinse and dry thoroughly. And always read the instruction book before using an appliance for the first time.

INSIGHT INTO EYESIGHT

VAN MOORE DOCTOR OF OPTOMETRY

Eye Injuries

Eye injuries can happen to anyone. Thousands of people are injured every year through freak accidents, carelessness, or from exposures to hazards on the job. If you wear glasses, good quality impact-resistant lenses will give you as much protection as possible. Your glasses should be checked often to make sure the lenses fit firmly in the frame and have not been scratched. Loose-fitting or damaged glasses increase the danger of eye injuries. Anyone exposed to unusual hazards in his work should wear safety goggles or some other kind of protective eye shield. The danger may not be just from flying metal objects or chemical splashes. It can come from gases, vapors, and fumes, and just plain ordinary dust, if there's too much of it. If you need safety eyewear it should be of the highest industrial quality to protect you from accidents. You and your eyes deserve the best possible protection. Your optometrist can help you get it.

Hill Receives Doctor Of Veterinary Medicine Degree From A & M

In commencement exercises at Texas A&M University August 13, John Hill of Abernathy was graduated Magna Cum Laude from Texas A&M University School of Veterinary Medicine and received his degree of Doctor of Veterinary Medicine.

Doctor Hill is a 1976 graduate of Abernathy High School. He received his pre-veterinary medicine training at Texas Tech University.

John is the son of Mr. and Mrs. Ted Hill of Abernathy. His wife, Lyntha is the daughter of Mr. and Mrs. Dooyce Newton of County

Line. Dr. Hill is now associated with Dr. Charles Church at West Texas Animal Clinic in Snyder.

Among those attending the commencement were: Mr. & Mrs. Ted Hill, Mr. & Mrs. Tim Hill and Amanda all of Abernathy; Mr. and Mrs. Tom Hill of Lakewood, Colorado; and Mr. and Mrs. Dooyce Newton and Kanice of County Line.

Hills Travel To Several States

After the graduation, Dr. and Mrs. John Hill, Mr. and Mrs. Tim Hill and Amanda and Mr. and Mrs. Ted Hill went on a two week tour,

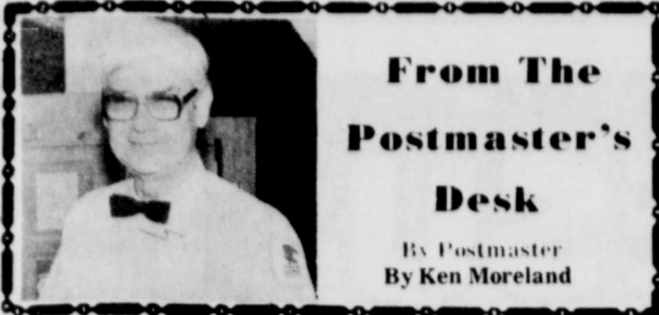

travelling over 5,000 miles across several southern states with a stop at the World's Fair in Knoxville, Tennessee. They travelled through the Smokey Mountains, Blue Ridge Mountains and on to New England where they visited with Ted Hill's sister and brother-in-law, Mr. and Mrs. William A. Barry.

While there, they made side trips to Plymouth Rock at Plymouth, Massachusetts, The House of the Seven Gables at Salem, Massachusetts, the sandy beaches and rocky coast of New Hampshire and Lake Winnepesaukee, a large and

beautiful resort lake in New Hampshire. They also visited other relatives of the Hill family in the area and an aunt of Kathy Hill who resided in Needham, Mass.

After leaving New England, they went west across New York state to Niagara Falls, where they crossed over into Canada to see the very beautiful falls and formal flower gardens on the Canadian side.

Heading homeward, they spent some time at Lake Erie and travelled through Ohio, Indiana, Illinois, Missouri and Oklahoma and back to Abernathy.

"Discover Stamp Collecting - The Hobby of a Lifetime," is the theme of the second annual National Stamp Collecting Month, to be observed October 1-31.

The fall observance will include issuance of a special souvenir card, unusual post office lobby displays and a number of new philatelic items especially designed to attract new comers to the hobby of stamp collecting.

Millions of Americans recognize that stamp collecting generates increased knowledge of geography, biography, history and science. Children who engage in this hobby have a good time acquiring new or used stamps, and the hobby stimulates their intellectual growth.

The Postal Service is sponsoring the month long observance in cooperation with the Council of Philatelic Organization (CPO) which includes over 200 national, regional and area organizations involved in all aspects of stamp collecting.

The Abernathy Public Library and your local post office will have on display many of this year's program support materials that graphically demonstrate how stamps help sometimes

dry educational subjects, like old world explorers, block heritage and space achievements, come alive and become easier to learn in the classroom.

An adult who introduces a youngster to the hobby, is giving that child a lifetime gift, because stamp collecting does not depend on age, stamina or the weather.

Many families treasure stamp collections, work on them together, and pass them along as family heirlooms from generation to generation. In an age when all too many of us spend our leisure time solely as spectator, stamp collecting is a hobby in which everyone can participate.

That's the message the Postal Service wants to get across in October during National Stamp Collecting Month.

Texas Tech Honor Roll Students Announced

More than 700 students at Texas Tech University qualified for the deans' honor rolls in the six colleges during the second term of the 1982 summer session.

Students making the honor roll included the following from Abernathy: Lesa G. Lemoine, 811 Third St.; John T. Pearson, 405 Ave. H; and Dickie R. Reedy, 1208 Fourth St.

To qualify for a dean's honor roll a student must have a grade point average of 3.5 or more on a 4.0 scale

and must have taken at least six semester hours of work. Texas Tech has an enrollment of 23,000 in six colleges: Agricultural Sciences, Arts and Sciences, Business Administration, Education, Engineering and Home Economics.

EDITOR'S NOTE: This list may not be complete because many students who live out of town list Lubbock as their official address. Consequently, they are listed with the Lubbock honor students.

Reynard Attends 23rd Field Hospital Reunion

Betty Reynard has returned from a trip to Mount Horeb, Wisconsin and Dallas. In Dallas she visited her sister, Jo Ann Apple. In Wisconsin, she attended a reunion of the 23rd Field Hospital. This was the 40th Anniversary of the establishment of the hospital.

The group went from Australia to New Guinea.

They followed General McArthur into Manila, Philippines. They were with the Army of Occupation in Japan.

The group likes to refer to themselves as the original "M*A*S*H" unit.

Howard Elected To Texas 4-H Council

Cynthia Orms, 17-year-old daughter of Eddie and Lorraine Orms of Marshall, will head the Texas 4-H Council during the coming year.

Other officials of the council are Lonnie Howard of Abernathy and Cleet Griffin of Lamesa, vice chairmen; Beverly Kuebel of Spring Branch, secretary; and

Trey Powell of Rankin, public relations officer.

The Texas 4-H Council is an elected body of 30 representatives from each of the 14 districts of the Texas Agricultural Extension Service, the parent organization of 4-H. The council serves as a youth advisory board, a

planning group and an implementation vehicle for older teen activities in 4-H. One of the council's major activities will be to plan and conduct the Texas 4-H Congress in Austin next summer.

Lonnie is a 17-year-old senior at Abernathy High

School and is the son of Richard and Suzi Howard. Lonnie's major 4-H projects have included beef cattle, leadership, electricity, crop production, and foods and nutrition. He has been a 4-H'er for the past eight years and has served as a teen leader in many projects and activities.

THIS AND THAT

BY HELEN WADE

Mr. and Mrs. R.D. Presley have returned home after fishing several days at Lake Stamford last week. Minnie V. caught one large fish, a seventeen pounder.

They saw other Abernathians at Lake Stamford - Mrs. Pearl Grimsley, Gerald Grimsley and Mr. and Mrs. Larry Grimsley. They visited and drift fished with the Grimsley family.

Mr. and Mrs. Bob Cottrell of Artesia, New Mexico visited over the weekend in the home of Mr. and Mrs. W.G. Spruiell. They attended the missionary program supper with them and also Sunday church services. The Cottrell's are former Abernathians.

The ladies of County Line Baptist Church gave Mrs. Taryn Jackson, the pastor's wife, a baby shower last week in the home of Mrs. James (Red) Jouett.

Out of town guests of Lubbock included Mrs. Veal, Taryn's mother, and Mrs. Marie Cooper. Phyllis Harp came with two ladies from Plainview.

The attendance was very good and all enjoyed the punch, coffee, cake and cookies and the fun of watching Taryn open each gift.

I saw Mr. and Mrs. Delwin Webb taking a walk around 1st and 2nd streets Saturday morning.

Just a reminder, if you aren't registered to vote, be sure and register by Oct. 2 so you can vote in the November election.

Mr. and Mrs. Brent Newton and children from Beardstown, Illinois are visiting his parents, Mr. and Mrs. Cliff Newton of Abernathy. They will be here all week. Also visiting in the Newton home was Mr. and Mrs. Lanny Newton of Lubbock. They attended services Sunday morning and heard his brother Brent preach at the Church of Christ.

They celebrated their birthday together. Wilma, Brent, Resa, and their two children and Cliff all had birthdays recently and they had one great big birthday together.

ONE SECRET to choosing a well-balanced yet striking wardrobe is to learn what colors enhance your skin and hair tones and look best on you, says Becky Saunders, clothing specialist with the Texas Agricultural Extension Service, Texas A&M University System.

Color should draw attention to your face and make it appear brighter. To find your best colors, try holding different swatches of fabric against your neckline. Opinions of friends may also be helpful in deciding what colors look best on you, the specialist says.
