## Abernathy Cross Country Teams On The Move

Abernathy varsity and Jr. varsity girls and boys teams are on the move during the 1982 cross country track season. The first cross country meet for the year was held at Levelland September 11, where the Lopes placed third overall. The second meet the Lopes competed in was the Brownfield Meet. It was held September 18. The varsity girls won second place overall at this meet and Holly Shafer placed 9th as an individual with a time of 13:47. The JV girls placed 6th, JV boys 9th and

varsity boys 10th. Last Saturday, October 2, the Lopes competed at the Pampa Meet. The coaches have not gotten the overall team results yet, but they do know that Holly Shafer placed 14th as an individual. Abernathy was competing against 4-A and 5-A teams at this meet. Next on the agenda for the cross country teams are the following meets: Big Spring Oct. 9, Lubbock Oct. 16, District at Lubbock Oct. 26, Regional Nov. 6 and State Nov. 13.

**Varsity Girls Cross Country Team** Pictured on the back row, from left to right, is Coach Jones, Johnnie Harrell, Stacey Kelley, Regina Powell and Coach Steele. On the front row is Dinah Neve, Amy Pettit, Jackie Riddell and Liz Lopez. Not pictured is Holly Shafer. (Review Photo)

## Octoberfest Slated For Oct. 30

The second annual Chamber of Commerce sponsored "Octoberfest" will be held Saturday, October 30 at the City Hall complex at 6:30 p.m. All local clubs and organizations are urged to participate in the celebration

this year. It is time for clubs to make plans for the activities and booths they will have at Octoberfest. Booths may be rented for \$20 each by contacting committee chairman Betty Neve at 298-2984 after 5 p.m.

### Antelopes Begin District Play With Muleshoe Friday

The Abernathy Antelopes will play Muleshoe Friday night at 7:30 beginning at first district game of the season for the Lopes. Last year the Mules ended their season with 6-4 record. This year they have another winning record (3-2) going into district. The Mules defeated Abernathy last year 18-13. This should be another tough match-up for the Lopes who have a record of 1-4 going into District. This year Muleshoe has defeated Portales, New Mexico 13-6, Idalou 21-6

and Morton 27-14. They have been defeated by Levelland 16-14 and Floydada 21-6. Muleshoe uses a wing-T offense and a split six defense. The Mules have 5-11, 180 pound senior Sammy Gonzales at quarterback and 5-7, 160 pound senior Hector Orozco at fullback, 5-11, 165 pound junior Jeff Hamilton at wingback and 5-8, 155 pound senior Alex Paez at tailback. The Mules have a tight end that can run the 40 yard dash in 4-7 seconds. His name, John Wuerflein. All-District

**CHESTER COOPER** attempts to dodge a Lockney defender during the Longhorn-Antelope clash at Lockney Friday night. The Lopes lost the game in the scoring department, but the stats would not make a score of 28-0 seem possible. (Review Photo)

### Hale District Attorney Speaks To Lions

Hale County District Attorney Richard L. Moore spoke at the Abernathy Lions Club last Tuesday, September 28 at the small City Hall meeting room. Moore gave a short talk followed by Perry Flowers is back at center for the Mules. 6-0, 210 pound tackle Jim Holmes and junior guard Gay Gleason are both back for the Mules. The game will be played at Muleshoe and will begin at 7:30 p.m. Friday.

a slideshow presentation on crime prevention. Then he passed out some information with statistics concerning state crime. For instance, from 1981 observations, 1 murder occurs every 3 hours and 48 minutes, 1 rape every 1 hour and 19 minutes, 1 robbery every 18 minutes, 1 aggravated assault every 13 minutes, 1 burglary every 2 minutes, 1 theft every 71 second and 1 motor vehicle theft every 7 minutes. He also passes out literature to Lions concerning "insanity defense" and "stopping crime is every citizen's duty". Moore ended by saying that any time anyone has any problems or any questions about the law, to call him at 296-2416 or 293-8481, or come by the Hale County Court House in Plainview and visit with him.

## City Tax Rate Set At 45¢

The Abernathy City Council met in a special meeting Tuesday, September 28 to set the Tax rate and discuss the 1982-83 City budget. The Council agreed on a tax rate of 45 cents per \$100 valuation for Abernathy. This is the same rate as last year which was also 45 cents. The Council was able to set the tax rate because they finally received the City's tax roll which is \$39,052,011 dollars. Much to City Manager Rod Ellis' surprise, the tax roll is \$761,246 less than last year's tax roll of \$39,813,247. Ellis recently stated "we just don't understand why the tax roll decreased so much from this last year to this year, but we are able to maintain financial stability with the same tax rate as last year". Ellis added that "because the tax roll is less, and the tax rate is the same, there will be a slight tax decrease this year. The City has yet to get the tax statements from the Hale County Appraisal District, but the City hopes they will come in soon so locals can take advantage of the 3 percent discount for paying in October, 2 percent November and 1 percent discount in December. Last year the City did not get the tax statements until November and locals were not able to get October discount credit for paying their taxes. The City budget was also adopted by the Council at the meeting. Rod Ellis stated that "it is a pretty tight budget. No excess revenues will be expended this year outside of the regular operating budget, except for various equipment the City will have to have this year." A 7 percent salary increase for City employees has also been written into the budget. This "cost of living" adjustment is written into the budget each year and takes affect every December. The City will be taxing for \$165,000 locally and \$30,840 will be added through revenue sharing to the general budget. To the right is a chart of the City's total sources of revenue (depicted in percentages), and the second charge is the total of City expenditures for the 1982-83 year.

count for paying in October, 2 percent November and 1 percent discount in December. ### ON THE COUNTY LINE

BY KEITH TOOLEY

LAST WEEK we printed that the band got a II rating for their performance at the South Plains Fair Parade. They did get a II, a II as in second place out of 13 bands in this region. Congratulations to each band member and Band Director George Riddell on a fine performance.

WE SHOULD remind everyone to be sure and complete the Chamber of Commerce questionnaires concerning the 4th of July Celebration. The deadline for returning the questionnaires has been extended until everyone has had a chance to fill one out. I have a bunch at the Review or they can be picked up from other Chamber members.

This is your opportunity to voice your opinion about the celebration and what you would like to see take place in Abernathy July 4. Many questionnaires have been returned and the quality of the responses dictates that these people are truly concerned about the 4th celebration. Many locals have good ideas and responded with good input into this project. If you haven't given your input, do so soon.

HERE ARE SOME FACTS on women and alcohol I received in the mail. This may not be a problem locally, but here are some facts from Literature Review

that are kind of interesting: Two-thirds of adult women drink. Women in the youngest age groups have the highest proportion of heavy drinkers. Women are one-third of the nation's problem drinkers. Women in upper SES are less likely to abstain; and more likely to drink heavily. Employed women are more likely to drink more heavy than homemakers. Twice as many women problem drinkers as men problem drinkers report abuse of other drugs.

THERE IS ANOTHER point of view to Proposition 3, which would do away with property taxes on farm equipment in Texas. Sure farmers would have to pay less taxes as they would not have to pay taxes on their farm equipment. But there is fear that the loss in revenue collected from these taxes will be shifted over to something else, such as paying more taxes to local school districts and county governments. We want farmers to have to pay less taxes, but if they end up paying these taxes anyway, somewhere else, then what's the use of voting for Proposition 3. Maybe someone else can tell us if we should or should not vote for it. Call me if you can broaden our knowledge of the proposal.

### C Of C Depot Committee Meets

The Chamber of Commerce Depot Committee met last Tuesday at the small City Hall meeting room. Committee members, Diana Phillips, Hoppy Toler, Rod Ellis and Keith Tooley, were present to discuss what should be done with the Santa Fe Depot if and when it is donated to Abernathy. The committee is in favor of acquiring the depot and putting it on Chamber property, if the funds can be raised to move it.

This will be discussed more this morning at 7 a.m. (Thursday) at the monthly Chamber of Commerce meeting at the small meeting room, City Hall.

### Young Farmers To Meet Monday

The Abernathy Young Farmers will meet Monday, October 11 at 8 a.m. in the AHS Ag Building. The guest speaker is Mack Bennett of the Lubbock Cotton Classing office. He will discuss the technique of cotton classing. Everyone is invited to attend this meeting.

### Young Homemakers To Meet Monday

The Abernathy Young Homemakers of Texas will meet Monday, October 11 at 7 p.m. in the Homemaking Department at the High School. At this meeting, there will be a covered dish supper, which will give everyone a chance to get acquainted. Everyone needs to bring their favorite dish. They will draw for secret sisters for the 82-83 year. The Pecan sale will be starting this next week. If you would like to order pecans, contact a Young Homemaker or call Marilyn Stone at the High School. Anyone between the age of 18-35 who would like to become a Young Homemaker member is encouraged to attend. Everyone is welcomed to attend and to bring a friend.

### Local Outlets Ban Tylenol

Extra Strength Tylenol outlets in Abernathy received calls from the State Health Department telling them to ban Tylenol from Abernathy locals. Pay-N-Save, Piggly Wiggly and Pinson's Pharmacy all received calls from the Health Department telling them to pull the Tylenol and look for the different call numbers that are thought to be the Tylenols which were poisoned recently in Chicago. Health Department officials think most of the poisoned Extra Strength Tylenol bottles are located in the Chicago area, where seven people have

died from poisoning. But to be safe, all Tylenol is being taken from the shelves of outlets because the bottles that were poisoned could have been shipped anywhere. Two of the code numbers of the, thought to be poisoned bottles, are 1910 MD and 2880 MC. If you have Tylenol with either of these numbers on it, you should notify the State Health Department. The local stores which sell Tylenol stated that they won't sell any more Tylenol until they are notified that it is safe to by their Tylenol distributors.

### School Tax Rate Increased

The Abernathy School Board met in a special meeting at 7:30 a.m. last Thursday to adopt a tax rate for the 1982-83 school year. A tax rate of 56 cents per \$100 valuation was accepted by the School Board, which is an increase of 7 cents per \$100 valuation over last year's tax rate of 49 cents. The tax increase was necessary to compensate for a great loss in school oil valuation due to a sharp decline in oil production & prices. School Superintendent Gid Adkisson stated that "the tax increase will not make up for the loss in school revenues due to the

oil situation, it will only help to bring the revenues within range of where they were last year." This year's school tax roll amounted to \$395,539,062. This is \$100,052,590 less than last year's tax roll of \$500,798,070. Adkisson stated that "by looking at a drop in the tax roll of over \$100 million, you can see where we lost a good portion of our tax roll due to the oil situation." The school hopes to receive the tax statements from the Hale County Appraisal District soon, and expects to collect 95 percent of the taxes they levy, which will amount to \$2,104,267 locally.

BY HELEN WADE

Reggie Knight and Linda Davis made a 4 room wooden house, furnished it and displayed it at the fair. The house was about 3 1/2 to 4 feet tall, had the back wall and both sides, but the front was open. Each room was carpeted, furnished and had people in the rooms.

A lot of hard work and imagination went into this display. It was really pretty and if you missed seeing it, you really missed something.

Omer and I went to the Fair Thursday and we enjoyed seeing all the agricultural exhibits in the Ag Building and watching the little ones try to catch a fish. Several youngsters went away with a fish and most of the fish were fairly big.

That evening we attended the Louise Mandrell Show and also heard the Otwell Twins sing. I always enjoy their singing. The sound people got a little excited, I guess, because when Louise Mandrell came out they

**Marr Seeks Re-election**

Jeanne Marr, justice of the peace for Precinct 3, officially announced for re-election Saturday as a write-in candidate in the Nov. 2 general election.

I would like to take this opportunity to declare my intentions to seek re-election for the office I now hold, that being Justice of the Peace, Precinct 3, Hale County.

Earlier this year I had made the decision not to seek re-election, however, since that time and at the urging of friends and colleagues to run again, I re-evaluated the situation and I will run a write-in campaign.

I was appointed to this position in 1974 by the Hale County Commissioners Court and have since then run for and have been elected twice to the office of Justice of the Peace, Precinct 3.

I have received 180 hours of training at the Southwest Texas State University in the performance of the duties of this office.

I have strived to serve the public honestly, fairly and impartially for 8 years and it is my desire to serve the public with honesty, fairness and impartiality in the future.

ATTEND THE CHURCH OF YOUR CHOICE

**Weekly Devotional**

Our Lord instituted the church in order to fulfill the great commission. That is, to win others to Christ and make disciples of them. This is a process that takes involvement and concern on the part of Christian people. And it takes time to have concern and demonstrate it by getting involved. Many have concern but seem to not have time to carry out that concern. There is an answer to a shortage of time, and maybe this answer can be found in ordering our priorities.

It is always good to spend some time in thought concerning what are the important things in your life. You always gain a clearer perspective concerning how you spend your time. I believe that if you will do this, you can find time for God as well as other important things in your life.

**BIRTHS**

Mr. and Mrs. Michael Armendariz, of Abernathy are the proud parents of a son weighing 6 pounds and 8 ounces at 7:39 a.m. Thursday, September 30 at Lubbock General Hospital.

Lonnie and Sue Hutson, of Dallas, are the proud parents of twins, a boy and a girl, born September 5 at 10:55 a.m. and 11:03 a.m. Amanda Jean weighed 6 lbs. and 5 ozs. and Jeremy Kurt weighed 7 lbs. and 15 1/2 ozs.

Great-great grandparents are Mr. and Mrs. Charlie Pipkin of 201 Ave. D, Abernathy.

Mr. and Mrs. Edward Guadaluca, of Abernathy, are proud to announce the birth of a son weighing 8 pounds 11 ounces at 8:09 a.m. Friday in Methodist Hospital.

# COOPERATIVE MONTH:

## OCTOBER 1982

### Cooperatives- Focus On The Future.

**COOPERATIVES**  
BUILDING A BETTER AMERICA

Discover Cooperatives During  
October Cooperative Month

October Is Co-op Month.

### 60,000,000 people have a good thing going.

They're all member-owners of 40,000 cooperatives providing goods and services in every walk of American life.

Cooperatives today come in all sizes and kinds. There are co-ops for electric and telephone service, credit unions and farm credit, housing, food, insurance, farm marketing and farm supply, health and day care. They're found in urban, suburban and rural areas — all over the country. The cooperative way of conducting business has an impressive track record — proving to be an efficient, economical way of meeting common needs of people. That's why co-ops are found in thousands of communities in every single state — why co-ops have grown and flourished.

Co-op people are proud of their cooperatives... knowing they provide services and jobs that benefit the whole community.

There's probably a co-op or two in your life, working for a better community and a better America — and for you!

### Cooperatives.....Building A Better America

The agriculture of America is the most efficient, most productive in the world and has helped bring about the high standard of living enjoyed by Americans. The family farm system is an integral factor in this productivity, with farmer-owned and controlled cooperatives playing a key role in making the family farm the highly productive system it has become.

This system depends upon the incentive for full output to give all Americans the abundant supply of wholesome food they enjoy on the supermarket shelves and on their tables on a year-round basis. Americans pay a lower share of their disposal net income for food than do the people of any other country in the world. This is due to the enormous efficiency of our magnificent agricultural plants managed by individual entrepreneurs known as family farmers.

Cooperative organizations make it possible for these family farmers to receive more dependable markets for their products and more dependable and lower cost supplies for their farm input. Hence, by helping to support and maintain a family farm system of agriculture, cooperatives are performing a great public service.

Farmer cooperatives have greatly benefited consumers also by taking the lead in furnishing quality products; in developing better packaging; in using more efficient distribution methods, all of which have helped to hold down prices of food and fiber products used by consumers.

By keeping the family farm in business, cooperatives have strengthened the local business communities and helped to continue the strong and healthy rural America so important to our economy.

Farmer cooperatives do provide a positive answer to the question, "Who will control agriculture -- big business, big government, or farmers themselves through their cooperatives?"

Farmer cooperatives are good for the farmer and for the consumer...they truly are building a better America.

## More Sorghum And Corn Going To Mideast

Three years ago, two farmers in Syria agreed to try a new system for fattening their lambs. Putting up 50 lambs each, they ventured into a grain feeding program that challenged thousands of years of Mideast tradition. Today, some 750,000 Syrian lambs are being fed out to heavier market weights on grain-based rations and, according to U.S. agricultural attache to Syria, Pitamber Devgon, that is only a start on a major new Middle Eastern market for U.S. feed grains.

The new system was introduced into the Mideast by U.S. Feed Grains Council sheep specialist, Colin Campbell, U.S. Feed Grains Council (USFGC) conducts overseas market

development for U.S. grain sorghum and corn. It is supported in the Texas High Plains by a five-cent-per-ton checkoff to Texas Grain Sorghum Producers Board.

The USFGC system calls for weaning lambs early and using feed grains rations to feed them out to a heavier slaughter weight. This is a dramatic departure from the traditional nomadic system of grazing ewes and slaughtering lambs immediately after weaning. But the benefits are great: a heavier lamb to sell for greater profit and more ewe's milk to market as well. The increased market returns more than offset the farmers' increased feed costs.

Not only is the system becoming popular with Mid-

east producers, but it has also attracted the support of local officials. According to Devgon, the Syrian Ministry of Agriculture and the Jordanian Cooperative Organization are both actively interested and involved in the project. A series of highly successful "Sheep Conferences" have been conducted by USFGC in Syria and Jordan.

"The concept is now well-rooted in this region," said Devgon. "The farmers are putting the heat on to expand."

This project is typical of the market development work of USFGC and Texas Grain Sorghum Producers Board. Programs like this bring strong dividends back to U.S. farmers and businesses in the form of increased demand for sorghum and corn. This increase demand is essential to reduce the grain surplus which is overflowing storage and depressing prices.

**ATTENTION, OLDER ADULTS.** Don't overeat while you watch television. Poor diet stemming from high intakes of snack foods, fats and total calories is linked to excessive television viewing, reports Judith L. Warren, a family life education specialist-aging with the Texas Agricultural Extension, Texas A&M University System.

## COTTON TODAY

A NATIONAL COTTON COUNCIL SERVICE

**SBA TO OFFER LOANS:** National Cotton Council President Ed Breihan has commended the small Business Administration for making economic injury disaster loans available to cotton gins, warehouses, and other small businesses in the weather-stricken Texas Plains.

SBA notified Texas Governor Clements Friday that the loans will be offered in 68 counties to businesses which suffered economic injury as a result of the severe storms in mid-June and cannot obtain credit elsewhere. The loans at eight percent interest will be long-term, depending on the borrower's ability to repay. They will be offered in amounts necessary for working capital and current obligations not to exceed cash receipts of up to \$500,000.

Council President Breihan praised industry leaders and others who worked in concert to secure the badly needed assistance for businessmen in the area.

**NCC URGED LIMITS ON DUST STANDARD:** The cotton standard should apply only in work places where a significant risk to worker health can be shown, the National Cotton Council testified this week.

Dr. Phillip Wakelyn of the Council told a House subcommittee that such a risk

cannot be found in cottonseed oil mills, warehouses, classing offices, waste processing, and downstream textile processing such as knitting.

For those sectors where a significant risk is found, he said OSHA should evaluate alternative standards so that the most cost-effective rules to protect workers will be issued. He urges that all new health date be considered in determining an appropriate standard for the textile industry. "Date indicate that only a small minority of exposed personnel ever develop byssinosis of any grade, most of those are smokers, and byssinosis does not evolve into more advanced stages among non-smokers," he testified.

**EXPORT SALES REPORTED:** Net new cotton export sales for the 1982-83 marketing year increased by 73,100 running bales for the week ended September 16. This brought the season's total commitment to 2,645,600 bales. Export shipments for the week remained steady at 74,700 bales.

**COTTON CUSTOMERS COMING:** Cotton Council International's 14th annual orientation tour for foreign textile executives will open in Washington, D.C., this year for the first time in the program's history.

The visit to the nation's capital, slated October 28-31, will give cotton customers from the Far East an opportunity to discuss American trade policies and programs with high-level U.S. Department of Agriculture officials. Agriculture Secretary John Block has been invited to address the group.

Some 23 textile leaders from Japan, Korea, Hong Kong, Taiwan, Thailand, Indonesia, The Philippines, and Malaysia are expected to participate.

Besides Washington, the group will stop in Raleigh, November 1; Memphis, November 2; Greenwood and Greenville, Miss., November 5; Dallas, November 7; Lubbock, November 9; Bakersfield, November 11; Corcoran, November 12; and Fresno, November 13. Local cotton groups will host activities designed to give participants an overview of the cotton industry from seed breeding to harvesting.

**COTTON EXPORTS CLIMB:** Net new sales of cotton for the 1982-83 marketing year increased by 114,800 running bales for the week ended September 9 to bring the new season's total commitments to 2,572,900 bales.

Major buyers were South Korea, 41,700 bales, and Japan, 32,300. Exports for the week totaled 77,600 primarily to Asian nations, according to the National Cotton Council.

**Community Hospital Sponsoring Several Free Clinics**

Community Hospital is sponsoring several free clinics the first two weeks of October through its Healthline. All clinics are offered as a public service. Reservations must be made in advance by calling Volunteer Services at the hospital, 795-9301, ext. 45.

Thursday, October 7, beginning at 5:15 p.m. Dr. Patel will be conducting a Well Woman Clinic. The clinic offers breast examinations and Pap smears at no charge to the patient.

All clinics are held at the hospital, 5301 University in Lubbock. For more information and to make reservations, call Volunteer Services at 795-9301, ext. 45. Weekly walk-in blood pressure clinics are held at the hospital every Wednesday afternoon from 1 to 3 p.m.

## Plainview Farmer Seeks To Boost Soybean Prices

Plainview soybean farmer LaMarr Ramsey joined soybean leaders from 25 states who gathered in Washington D.C. last week to launch an intensive effort to gain congressional action to bolster soybean prices.

"We need action," says Ramsey, who currently serves as Texas Soybean Association President. "Unless we sell what we produce and sell at a profit, 'bin busting' crops will continue to depress farm prices while government supports add to federal budget deficits. We don't want a tax supported surplus hanging over the market to lower prices. We want to sell soybeans at profitable prices and we're asking Congress for immediate action."

Ramsey was one of more than 50 soybean leaders who attended the emergency meeting which included briefings from Agriculture Secretary John Block; Congressman William Emerson (R-MO); Senator Richard

Lugar (R-IN); and an official from the White House. Following the briefings, the farmers sought action during meetings with their local congressmen and senators. A small group of the soybean farmers met with Vice President George Bush.

Ramsey said soybean farmers seek approval of a 4-point emergency sales program. The program includes:

- \* Approving anti-embargo contract sanctity legislation which would guarantee fulfillment of private export shipments of all U.S. exports.
- \* Increasing CCC exports financing for soybeans and soybean products.
- \* Expanding PL480 Food for Peace soybean oil shipments to countries such as India and Pakistan.
- \* Aggressively opposing unfair subsidy programs used by Brazil, Argentina and other nations. While such subsidies continue, ASA seeks U.S. efforts to

provide reduced interest loans or other competitive export tools which allow the U.S. to compete on equal terms.

"U.S. farmers are sinking in the quicksand of international distrust," said ASA President B.B. Spratling, Jr. "While ASA's proposals for export expansion are important, our No. 1 priority is gaining congressional approval of anti-embargo contract sanctity legislation. Four times in the past 10 years, the U.S. government has cancelled private export contracts. Is it any wonder that our international customers no longer believe the U.S. is a reliable supplier of life-sustaining feed and food products?"

"It's time to end embargoes, get the State Department out of agriculture, stop using food as a political weapon and restore international trust in U.S. contracts."

## Cotton Acreage Reduction Program Help Farm Situation

National Cotton Council President Ed Breihan said Secretary John Block's announcement of a cotton acreage reduction program along with advance payments should help bolster sagging farm income.

The program announced today by Secretary Block calls for a 20 percent reduction from the 1983 base of more than 15 million acres to be eligible for program benefits. An additional

5 percent paid diversion is offered to participants.

An advance payment of 50 percent of the expected 1983 payments will be made at the rate of 6.4 cents per pound for expected deficiency and 12.5 cents per pound for the diversion payments. Sign-up for program compliance and advance payments will begin Oct. 1, and the advance payments will be made at that time.

Breihan commended the Secretary on his action. He pointed out that the Council's Board of Directors earlier this month had requested that the Secretary use all tools at his disposal to reduce the cotton carryover to not more than 3.5-4 million bales as soon as practical.

The action had been made necessary by an unusually large 1981 crop and weak market conditions, leading to an excessive carryover of 6.5 million bales, Breihan explained.

## National Cotton Council President Praises SBA Disaster Loans

National Cotton Council President Ed Breihan today commended the Small Business Administration for making economic injury disaster loans available to cotton gins, warehouses, and other small businesses in the weather-stricken Texas Plains.

SBA notified Texas Governor Clements that the loans will be offered in 68 counties to businesses which suffered economic injury as a result of the severe storms in mid-

June and cannot obtain credit elsewhere. The loans at eight percent interest will be long-term, depending on the borrower's ability to repay. They will be offered in amounts necessary for working capital and current obligations not to exceed normal cash receipts of up to \$500,000.

Council President Breihan praised various groups and individuals who worked in concert to secure the badly needed assistance for area

businessmen.

"A large measure of credit for approval of this important program must go to the unified effort of industry leaders, Governor Clements, the Texas Congressional delegation, and especially to members of the Agricultural Emergency Coordinating Committee, the Texas Independent Ginners Association, and the Texas Cottonseed Crushers Association," he said.

## Mustang Band Brings Home First Place Trophy

The Mustang Band brought home a first-place trophy Monday, September 27. The 94 member band, led by Katrina Sellers, marched and played in competition with sixteen other bands in the parade on opening day of the Panhandle South Plains Fair in Lubbock.

The Shallowater Band took first place for the second year in a row. Hale Center, Lubbock Christian High and Morton bands

were awarded second, third and fourth places respectively.

Gerald Smith of Panhandle High School, Clyde Wilson, Midland High School and Jim Harvey Andrews High School, were judges for the competition. Evaluation included marching formation, posture and dynamics.

Rusty Sherman, director of the band, expressed his pride in the band's performance. He also added, "I was very pleased with the

number of townspeople who were at the parade supporting the Mustang Band.

Shallowater has always been an excellent supporter of their band and we have always appreciated their interest."

The band marched approximately four miles. Some of the students commented later, "It was a hot, sweaty, tiring march, but for the trophy and fun at the fair, it was worth it."

By Gracia Duenes

SHALLOWATER BAND DIRECTOR Rusty Sherman holds the first place trophy awarded to the band at the South Plains Fair Parade.

### World's Finest Chocolate Comes To Shallowater

The Middle School Student Council began its annual candy sale Tuesday, October 5. They are coordinating the sale of World's Finest Chocolate to raise

money for activities planned for the coming year.

Students from the sixth through eighth grades are selling chocolate bars, candy-coated almonds, and chocolate-covered almonds.

The class section selling the most candy will be given a coke party. By Kirk Garner

The first radio broadcast in the U.S. was made on Christmas Eve, 1906 by R. A. Fessenden.

**C.R. HILL PLUMBING**  
SHALLOWATER - 832-4078  
For all your plumbing, heating and air conditioning needs. Sales, Service and Repair.

### Two SHS Students Participate In National Guard Program

Elvardo Duenes and Randall Gartin spent the past summer in a National Guard training program. For the first week they were in South Carolina, and were then shipped to Atlanta, Georgia, for the final 13 weeks.

Along with the other 48 men in Charley Company 19, they learned to drive Personnel Carriers and how to operate many different weapons. In addition, they went through survival and first aid training.

Asked what they thought of the part of the country they visited, they both agreed "It sure was hot down there, but we liked the people and the scenery was beautiful."

Elvardo, a Junior, plans to

continue his military career when he graduates. Randall, a Senior isn't sure of future plans at this time. Both

young men agreed that if they had the chance they would do it all over again.

The largest coral reef in the world is the Great Barrier Reef near the northeast coast of Australia. It extends 1,250 miles.

## DECA On The Move In '82

"DECA is going to be better than ever this year," said Craig Garner, DECA sponsor.

Friday, DECA officers were elected. Rusty Stewart was chosen as President; Steve Ables, Vice-President; Robin Lesley, Sec-Treas.; and Yvette Hill, Reporter.

The officers and members will be working hard to raise money this year. They hope everyone will support them when they sell their money-raisers. DECA will be selling jackets, T-shirts, and other items will be sold throughout the year.

The club will also be doing things for the community, like visiting a nursing home. Members are going to have a Christmas party, picnics, and lots of other fun activities.

There will be a workshop in Amarillo. Two students will be chosen to go. A contest will also be held at the end of the year.

Mr. Garner has been working very hard to make all these things happen. He will be working with the students who will hopefully win in contest this year.

DECA is reaching for many goals this year. All the members and Mr. Garner are planning on working hard to make this a year to remember. By Yvette Hill

### Cheerleaders Have Wall Decoration Contest

In honor of Homecoming, and to help boost everyone's spirit, the cheerleaders have organized a contest.

Each class decorates their own area of the hall. They also make a run-thru. The classes have parties and get-togethers at students' homes to make the decorations and the run-thru. No time will be given during school.

Decorations should be

hung Thursday after school. The judges will remain anonymous but the winning class will be announced Friday during the pep rally.

Please show your spirit by coming to the pep rally and game. As Stuart Smith said, "We're gonna buck 'em off. They can't ride the Mustangs." But the guys still need your support.

By Debi Dirickson

### AARP Meets

The American Assn. of Retired Persons met October 1 in the Shallowater Clubhouse for its monthly meeting.

A covered dish luncheon was served to 17 members and 6 guests.

A most enjoyable program was presented by the Happy Singers from Levelland and Littlefield who's members are: Tom and Azlee Brooks, Claud and Judy Judson and Sue Howell and Jean Parkman. Mrs. Azlee Brooks, a talented ventriloquist, performed two numbers with her puppet.

After a short business meeting, the meeting adjourned. The next meeting will be Friday, November 5, at 11:30 a.m. in the Clubhouse.

All interested persons, members or not, are invited to bring a covered dish and join in the fellowship of AARP. The entertainment part of the November meeting will be a group of Gospel Singers from Muleshoe.

### 60 Students Represent Shallowater At Fair

Sixty homemaking students represented SHS with entries in the Women's Division of the fair last week. Nine young ladies brought home blue, red, and white ribbons.

Vicky McDonald led the winners with a first place and Best of the Show for her chocolate pound cake. First place winners were: Sophie Guerra, cinnamon rolls;

Cindy Sawyer, pound cake; Renee Teas, chocolate chip cookies; Stephanie Brock, ice pound cake; and Debi Dirickson, coffee cake.

Cheryl Potter represented FFA with an entry in the Panhandle-South Plains Fair. She entered a chester-york Cross barrow in the midweight class. She was awarded 9th place.

By Gracie Duenez

### 7th Grade Ponies Defeat Olton 12-0

The 7th grade game was a tough contest in which the play of fullback Johnny Revilla became the deciding factor. A great individual effort by Johnny, plus a consistent defense, produced a hard fought 12-6 win for the young ponies.

Israel Garcia scored the first touchdown for the Ponies in the third quarter with a sweep pass for 55 yards. Then, in the fourth quarter, Johnny Revilla scored to put the ponies ahead with an inside full-back run for 40 yards leaving

the ponies the winners. Players of the week are: offensive back-Johnny Revilla; offensive lineman-Timmy Taylor; defensive back-Kenton Quint, defensive linebacker-Johnny Revilla, and defensive lineman-Rodney Baker.

### 8th Ponies Fall To Olton 8-0

The game was close, but the 8th grade ponies could not overcome 3 blocked punts and a run for a 1st down by the Olton bunch from punt formation late in the 3rd quarter. Poor tackling was the ultimate culprit in the contest, allowing Olton many 1st downs in 3rd

and long situations. On the night, Mike Ables had one fumble recovery in the second quarter, and one interception in the 2nd quarter.

Players of the week are: offensive back - Damon Holder, offensive lineman - Trenton Chandler, defensive

back - Mike Ables, defensive linebacker - Ronnie Barron and defensive lineman - Rob Johnston.

### Happy Birthday

Happy Birthday to the following Shallowater locals: Ronnie Barron, Mark Jungman, H.B. Byers, Tandy Rader, Leigh McKinney, James Pair, Micky Sims, Sarah Graham, Frank Rosales, Traci Morris, Joseph Erik Ramos, Debbie Wright, Claudia Bassler, Margaret Cannon, Lillie Walker, Kay McClure, Carol Dane, Butch Johnson and Dan Stanton.

### Happy Anniversary

Happy Anniversary to the following Shallowater locals: Mr. and Mrs. O.C. Mensch, Mr. and Mrs. Butch Perry and Mr. and Mrs. Gary Ivey.

### School Nurse Likes Communicating With Kids

Mrs. Joan Grimes has been school nurse for the Shallowater School System for the past 11 years. When asked what she liked most about her job, she happily replied, "the communication between the kids and me."

Nurse Grimes has seen as many as 80 children a day. She cares for all of the students' minor medical problems as well as screen-

ing for vision and hearing, emergency care, health appraisal and control of communicable diseases. She also cares for children with special needs and keeps health records on all students.

She has seen changes in school health programs in the areas of immunization requirements and methods for vision and hearing tests.

## Methodist Church Revival Begins Oct. 17

The First United Methodist Church will begin a four day revival October 17. Rev. David Hamblin, a native of Shallowater, will be leading the Revival. Rev. Hamblin is the son of the late Mr. and Mrs. E.E. Hamblin and attended Shallowater Public Schools. Local recording personality Jim Fullingim, of Petersburg, will lead the

singing and bringing special music Monday through Wednesday. Transformation, a trio from Lubbock, will be singing in both Sunday services, which begin at 10:45 a.m. and 6 p.m. Breakfast services, Monday through Wednesday, will begin at 7 a.m. with night services at 7:30 p.m.

## United Methodist Women Meet

The United Methodist Women met for a regular meeting September 27th. President, Mrs. Tommy Powe presided. Members read Bible passages containing the work, "neighbor." Mrs. B.H. Thomas, Jr., began a Mission study on Europe. Source book for the study is "Must Walls Divide: The Creative Witness of the Churches of Europe" by James Will. A

filmstrip was shown giving a brief history of the different Christian religions and their spread through Europe. Each member chose a European country in which to give a mini-report at the next meeting. The reports should be very interesting. Mrs. James McMenamy was hostess. Fourteen members attended. The next regular meeting will be October 11th.

**FOOTBALL GAME CARAVAN**...parents and townspeople met at the school to decorate their cars before traveling to Friona as a caravan last week. The Shallowater Athletic Boosters are promoting this event to show local support for the Mustangs. (Review Photo)

**WHEN CUTTING CALORIES**, consider the nutrient value and the calorie content of foods, suggests Mary K. Sweeten, food and nutrition specialist with the Texas Agricultural Extension Service, Texas A&M University System. Oranges, melons, grapefruit

and strawberries offer high nutrition and low calories. Apricots, peaches, plums and watermelon offer abundant supplies of vitamin A. These choices make up a healthful bargain without adding excessive calories, Sweeten says.

## "A GLANCE AT THE PAST"

By Helen Wade

From The Abernathy Weekly Review Dated April 14, 1960:

The Abernathy Antelope track and field team, placing in every event except one, grabbed second place in the District 2-AA Track Meet held at Texas Tech last Thursday. Defending champion Abernathy was outscored by the Mule-shoe Mules by only 16½ points. Abernathy's mile relay team, composed of Mike Ritchey, John Kiker, Ronald Barrick and Harold Thompson, won second in that event, while the 44 yard relay team, made up of Jerry Gist, Tom Ritchey, Leo Kiker and Johnny Adams, won third, behind Olton and Morton.

The first year homemaking students have completed a unit of study dealing with children. They each made a stuffed toy, and a story book, and studies games suitable for pre-school children. Joyce Spruiell, Myra Kimball, Martha Struve, Mary Ann Williams, Elaine Bilbrey, Angela Presley, Sherry Wilson, and Margie Mercado served as the leaders. Games were directed by Ann Stanfield, Mary Kay Berutti, Linda Burnett, Paula Caucedo, Virginia Davis, Donna Crowder, Paulette Lebow, and Lujana Patterson.

May 1 has been set as the deadline for street paving in Abernathy, it was announced by city officials. Those who want streets by their property paved in this project are urged to go by the city hall and sign up giving their name and location of property.

Bill Welu, one of bowling's great stars, is scheduled to make a personal appearance at A-1 Lanes, starting about 1:00 p.m. Friday, April 15, it was announced by Buck Cecil, manager.

The home of Mrs. E.A. Houston was the meeting place for the recent meeting of the 1935 Study Club. Period of study was the 1940's: Sacrifice and Transformation. "The Home Front" was presented by Mrs. H.E. Williams, and "Life with Harry" was presented by Mrs. John Hale. Those present were Mmes. Hilburn Barrick, Waldro Cox, Lee Echols, Ercell Givens, Jack Hackler, John Hale, E.A. Houston, Thomas Johnston, Frank Lovelace, Robert McAlister, Glenn McDonald, J.C. Mills, Arno Struve, Dan Ward and H.E. Williams.

Began in 1964 on a limited basis, the dried flower business owned by Monroe

## Those To Remember

Boyd Griffith is still in St. Mary's Hospital.

Merle Enger's father, Ollie Howard of Lubbock, had surgery Monday.

Estelle Lee, of Snyder, mother of Mary Runnels of Abernathy, is a patient in Methodist Hospital and had gall bladder surgery Wednesday.

Jay Oxford was admitted to Methodist Hospital Monday. He fell out of the back of a pick-up. He was kept overnight for observation.

Jason Harris had 3 stitches for a head injury Monday. He was in the same accident with Jay Oxford. He came home after being treated.

Betty Pearce is home and doing well.

Mary Daugherty and her granddaughter are still very ill.

Sherman Overstreet has improved, but is still very sick.

Truman Godwin's mother had hip surgery and is doing fine.

Waits of Waits Farm Store, has since increased to include customers all over the United States. Mr. Waits says that he began his business by selling mistletoe to florists during the Christmas season in 1964, but has since discontinued the plant, and now concentrates on dried plants for floral arrangements. Waits and his wife traveled to Dallas last week to attend the Dallas Trade Mart, where arrangements of their dried plants were being displayed for buyers. Gathered from early fall through the harvest season, the plants used at the store include everything from cotton burs to jimson weed, and are prepared by first being bleached to a neutral white, and then dyed in one of eight colors.

From The Abernathy Weekly Review Dated June 14, 1945:

The following is taken from the Lakeview Methodist Church News: Too many people go to church without getting ready for church. We spend much time in getting the physical so that it will make its best appearance, but what of the preparation of the spiritual and worship? Many teachers and nearly all pupils go to

## County Line Chit Chats

By Faye Ann Nelson

There is no way we can express our appreciation for all the friends and neighbors who came to our assistance in our "Emergency". We reached our goal and made enough on the flea market to pay the big gas bill.

All the club members, ex-club members and friends and neighbors all pitched in and brought all kinds of delicious baked goodies, pies, cakes, cookies and breads. They sold faster than any thing.

We just want to say a "big thank you" to everybody that made the County Line Community flea market a success. There were so many that I hesitate to name them all. We sold lots of "spaces" and we had lots and lots of donations in cash. People just came in and said "We want to help you". We had lots of things donated and therefore we sold lots of items.

The left-overs were donated to the senior citizens center, on 19th Street, who is having a garage sale November 1 and 2.

We had fun visiting with all the people and seeing all our neighbors and friends around the community and the area towns. This surely proves that there is lots of neighborly love in this community and people still love to help out in an emergency and crisis, and help their neighbors.

the Sunday school class with but little or no spiritual preparation. Fine clothes and being well dressed cannot conceal an empty mind, or be substituted for the lack of preparation of the heart in worship. Rev. E.C. Raney, Pastor.

Local Postmaster W.A. Richter announces the annual sale of Federal car use tax stamps, costing \$5 each, are now on sale at the post office. The stamps must be affixed to windshields by July 1.

Earl Thompson, of Lubbock is teaching in the singing at Caldwell. Classes opened Monday night and will end June 28. Everyone is invited to attend. Rev. C.C. Griffith, Olton Baptist pastor, is to preach in a revival at Caldwell, starting the last week in July.

Cleatus Lebow was in a Navy raid on Tokyo. His wife and parents, Mr. and Mrs. S.H. Lebow, live at Abernathy. He fought aboard the cruiser when her big guns pounded the enemy at Okinawa to avenge the dark days of 1942. His ship, the Indianapolis, was in on attacks on Tokyo, Iwo Jima and Okinawa.

From Reid Chevrolet Co. ad: Thanks for your patience during this war emergency. It has been impossible at times to render the fast one-day service we formerly took as a matter of course, in spite of the war we strive to serve you.

Lucille's Eat Like A Fly diet Sugared doughnuts (all you can eat), Jelly buns (all you can eat), Cakes and cookies and any leftovers you can pick up. (Flies exist on this, said Lucille, "and you never saw a fat fly, did you?")

## TRANSITION

### Narvell Bradford

Services for Narvell William "Brad" Bradford, 75, of 1105 Pueblo St. were at 2 p.m. Friday, September 20 at Hubbard-Kelly Funeral Home chapel with the Rev. Bob Dwiggin officiating.

Burial followed in Sunset Memorial Gardens.

Mr. Bradford died Friday, September 17 at Medical Center Hospital.

Mr. Bradford was born Oct. 31, 1906, in Hollis, Okla. He was married to Hazel Mildred Loyd on Aug. 3, 1929, in Arkansas.

He was a member of the University Heights Baptist Church and the Masonic Lodge.

Survivors other than his wife include two daughters, Billie Stillwell and Ann Bradford, both of Odessa; five grandchildren and seven great-grandchildren. Bradford lived and worked in Abernathy for approximately 25 years.

### Terry Utley

Services for Terry K. Utley, 27, of Huntsville and formerly of Lubbock, were at 2:30 p.m. Thursday at Franklin-Bartley Chapel, with the Rev. Paul Jantzen, an associate pastor with Trinity Church, officiating.

Burial was in City of Lubbock Cemetery under direction of Franklin-Bartley Funeral Home.

operating from a dog attack last week. She is still receiving treatment in Hale Center Clinic. Dogs should be kept penned up in back yards or chained, especially if they are vicious.

Mr. and Mrs. O.D. Sanders and Mr. and Mrs. David Sanders spent last weekend in Marlin and Houston visiting relatives and friends.

If we could see ourselves as others see us, we'd probably think they had us confused with somebody else.

Mr. and Mrs. Olen Horne visited in Post, Texas Sunday and attended the Post celebration.

The hottest places in hell are reserved for those who, in times of great moral crisis, maintain their neutrality.

### WORD of GOD

Either what woman having ten pieces of silver, if she lose one piece, doth not light a candle, and sweep the house, and seek diligently till she find it?

And when she hath found it, she calleth her friends and her neighbors together, saying, Rejoice with me; for I have found the piece which I had lost.

Likewise, I say unto you, there is joy in the presence of the angels of God over one sinner that repenteth.

Luke 15:8-10

## Sinclair Honored For Outstanding Service At Kerrville Chamber Banquet

David Sinclair, state game warden, was honored for his outstanding service to the community at the Kerrville Area Chamber of Commerce Banquet Sept. 23 at the Inn of the Hills.

Some 275 people were on hand for this occasion. Dr. Frank Pollard, pastor of First Baptist Church in San Antonio, delivered a speech on what it means to be free.

Peace Officer of the Year, David Sinclair, received a plaque for his outstanding work. "He's considered to be a good, loyal and dedicated law officer," Chamber President John Grimes said in honoring Sinclair. A native of Abernathy, Sinclair was chosen for this honor by an anonymous committee. David is the son

of Mr. and Mrs. Louis Sinclair and he was raised in Abernathy.

"This kind of makes me want to go out and catch a roadrunner," Sinclair said when he received the honor, a remark that brought an instant uproar from the audience.

Receiving this award as a game warden "makes this a special honor," Sinclair added, explaining he was chosen from among many outstanding lawmen in Kerr County.

Grimes detailed the work of Sinclair and other game wardens, saying they're the first to arrive at all natural disasters, as well as enforcing this state's game laws. Sinclair also has been responsible for giving pro-

grams and films to further the Parks and Wildlife Department's efforts.

The game warden has been stationed in Kerr County for six years, and in

East Texas six years previous to that. His work often carries him through the night, Grimes pointed out.

Catching an illegal hunter with gun in hand, Sinclair

told the banquet crowd is a "lot easier than being up here."

(This story courtesy of the Kerrville Daily Times dated Sept. 24.)

**HOMECOMING FLOATS** made for the homecoming float contest. First place in the Club Division went to the Drama Club (top photo), second place to the Science Club with their version of E.T. (second photo), and third place went to the FTA Club (not pictured). In the bottom photo is the first place float in the Individual Division made by Roger Graag and Mark Riddell. Their theme was "Kentucky Fried Eagles". All of the floats had experienced wind damage before these photos were taken. (Review Photo)

In Bulgaria it was believed that running three times around a tree at sunrise would cure fever.

### CLASSIFIED AD POLICY

Classified ads must be paid for in advance...before 4 p.m. Monday of each week. We cannot afford to bill classified ads. If payment is not received by our Monday deadline, a 25 cent postage fee will be added to your bill. Please pay for classifieds in advance, unless you have a regular account with us. Thank you!

**PREVENTION OF TEEN SUICIDE** should begin early in the life of a child through parental love and acceptance, opportunities to develop skills in decision-making and problem solving, development of posi-

tive parent-child communication, and a stable home environment, explains Cindy Wilson, a specialist in family life education with the Texas Agricultural Extension Service, Texas A&M University System.

### Booster Club Meets

The Abernathy Booster Club met September 28. The film of the Roosevelt-Abernathy game was viewed by coaches, players and members.

The Chili Supper was a big success and the Boosters wish to thank everyone for their attendance and a special thanks to Pay-N-Save for the chili meat, DuBose Insurance for the beans, Max Martin for cook-

ing the chili and Delores Bennett for the onions. Also thanks to those who worked toward making the supper a success, and to the decorating committee for doing such a great job.

The Booster Club meets every Monday night in the cafeteria at 7 p.m. They would like to invite everyone to come out and show their support for the Lopes.

### Winners At The County Line Flea Market

The goal of \$900 was reached in the Flea Market at the County Line Community Club Saturday October 2 at County Line. This money is to pay the \$900 gas bill for the club.

A drawing was held at 6 p.m. Saturday in the club-

house. Nettie Parrish won the baby quilt and baby pillow. Deena Moralez won the 36 inch "Little Orphan Annie" doll.

All leftover items were donated to the 19th Street Senior Citizens of Lubbock.

### Lakeview Locals

By Mrs. Norman Matthews

Rev. Jesse Nave, pastor of Lakeview Methodist Church, held a Wednesday night service September 29.

Mrs. Florence Jackson returned home Monday from Lake Hubbard, where she had spent a week with her brother and sister-in-law, Mr. and Mrs. Lawrence Davis of Floydada. Also going was Mrs. Clarence Davis, her sister-in-law, and Mr. and Mrs. Horace Davis of Abernathy.

Mr. and Mrs. Pete Matthews, of Midland, visited Mrs. Norman Matthews and their son, Gene Matthews and wife, Friday.

Rev. and Mrs. Bruce

Parr, of Plainview, attended church at Lakeview Sunday. Their daughter was with them. She is Mrs. Ruth Jones of Gatesville. Rev. Parr is the District Superintendent of the Methodist Conference. After services, he held a quarterly conference.

Mr. and Mrs. J.C. Montgomery visited his sister, Mrs. Gladys Lynn, in Lubbock. She is in the hospital. They also visited Mrs. Montgomery's sister, Mrs. Clara Dedmont in Hale Center Nursing Home.

Mr. and Mrs. Jerry Shaw of Pueblo, Colorado, spent last week with his aunt, Mrs. Ruth Goldston.

Mrs. S.M. Harrison spent Sunday in Amarillo with her granddaughter and family, Mr. and Mrs. David Ware.

**THE ABERNATHY HIGH SCHOOL BAND** won second place out of 13 schools in this region at the South Plains Fair Parade held in Lubbock two Mondays ago. Pictured are band members marching down the streets of downtown Lubbock. (Review Photos by Sharla Attebury)

## When heat and air make the difference

A crowd gathered in the country square, curious to see the large, strange-looking contraption of paper and cloth. The on-lookers laughed at Joseph and Etienne Montgolfier as the two men ignited the pile of straw and rags beneath their invention.

The unbelieving crowd gasped as heated air began to fill out the paper and cloth of the world's first hot air balloon as it climbed steadily to the then-astronomical altitude of about six thousand feet.

As the inventive partners had managed the dynamics of heat and air to give flight to their idea, you and SPS and the High-Efficiency Add-On Heat Pump can make a difference with the everyday management of heat, air and electricity in your home.

When you install a High-Efficiency Add-On Heat Pump you increase the heating efficiency of your existing furnace, and add cooling efficiency next summer. You also qualify for a special electric rate from SPS for seven months of the year. Call us to see what your savings could be.

You and SPS, partners managing electricity, make the difference.

## Robbins Crowned Homecoming Queen

Cheryl Ann Robbins was crowned New Deal's 1982 Homecoming Queen by last year's Queen, Peggy Emory at halftime during New Deal's victorious game over Crosbyton Friday night.

Cheryl, 18, is the daughter of Mr. and Mrs. B.J. Robbins of the New Deal area. She was selected by a majority vote by the NDHS student body. She was driven onto the field in a corvette driven by Donan Young, and then escorted onto the field by her father.

The runners-up were Miss Tege Stephenson, who was driven onto the field by Nick Dudley and escorted by her father, Ron Don, and Louisa Otero, driven onto the field by Ronnie Blankenship and also escorted by her father, John. The duchesses were Ray Lene Gill, Quinetta Balenger and Angie Taylor, all driven onto the field by Todd

Rector and then escorted by their fathers.

Cheryl is a senior this year and is secretary of New Deal's student Council. She is very interested in photography and is a member of New Deal's journalism class, where she works with the annual staff, school paper and of course some photography and developing pictures. She is currently the vice president of New Deal's National Honor Society, in which she was inducted into her junior year. Cheryl plays varsity basketball and varsity tennis.

In her freshman year, she was a JV Cheerleader. She was a Varsity cheerleader both her sophomore and junior years.

Cheryl, we are very proud of you and the members of your court. Congratulations!!!

**CHERYL ROBBINS ELECTED HOMECOMING QUEEN** which was announced at homecoming Friday at halftime during the game with the Crosbyton Chiefs. Cheryl was escorted by her father, Mr. B.J. Robbins. (Review Photo)

**CRAIG HARRINGTON**, number 10, is forced out of bounds by several Chiefs after he had gained several yards Friday night. The Lions remain undefeated going into District this week. The Lions are ranked eighth in the state in Class 2-A with a 4-1-0 record. (Review Photo by Sharla Attebury)

# New Deal Clobbers Crosbyton 47-7

The New Deal Lions love to play on their own field in front of the home folks and last Friday night was special because it was Homecoming.

The Lions wasted little time in giving their fans something to cheer about as fullback Robert Jackson ran 4 yards and Henry Ramirez kicked the extra point. Score, New Deal - 7, Crosbyton - 0. New Deal scored again in the first quarter as Henry Ramirez scooted 12 yards and then kicked the extra point. The Lions were up 14-0 as the quarter ended.

In the second quarter, New Deal upped its lead to 21-0 as slotback Steve Johnson ran 27 yards to score and Ramirez was true on his third PAT.

Crosbyton scored what was to be their only points of

the night as Quarterback Shawn Hargrove ran 1 yard to score and Troy Speer kicked the PAT. Score: New Deal - 21, Crosbyton - 7. That was all the scoring in the first half.

In the Third Quarter, the Lions scored again as Robert Jackson blasted 4 yards to paydirt and this time reserve fullback Donny Bradley kicked the extra point. Score: New Deal - 28, Crosbyton - 7. The Lions offense was in high gear by now and they scored at will against a determined, but outmanned Chief defense. New Deal came right back and put more points on the scoreboard as quarterback Craig Harrington hit Steve Johnson on a 65 yard pass and run play. The try, for extra point failed. Score: New Deal - 34, Crosbyton - 7. The Lions next score came

on a 7 yard strike from Harrington to Nathan Shannon. D. Bradley kicked the extra point in and the score at the end of the third quarter was New Deal - 41, Crosbyton - 7.

In the fourth quarter, the Lions scored their last touchdown of the game as tailback Steve Jerden rambled 4 yards for a score. The try for extra points failed and the final score was New Deal - 47, Crosbyton - 7.

A word has to be mentioned about the Lions defense. They completely shut down the Crosbyton Chiefs offense in the second half. All great teams have a great defense!

This completes the non-district games for New Deal as they play their first district game of 1982 against the Morton Indians, October 8 at 7:30 p.m. at New Deal.

| STATISTICS            | New Deal | Crosbyton |

| Rushing Yards         | 219      | 96        |
| Passing Yards         | 197      | 21        |
| Total Yards           | 416      | 117       |
| Passes                | 8/15/0   | -         |
| Passes Intercepted by | 3        | 0         |
| Punts/ Average        | 1/19     | 6/30      |
| Penalties/ Yards      | 6/50     | 1/5       |

## New Deal's Ex-Students Honored

New Deal High School honored more than 100 ex-students during Homecoming activities, which started around 1:30 p.m. Friday with various activities and visitation. A barbecue was held at 5 p.m. and plaques were presented to honored ex-students and teachers.

Gary Smith, a 1956 graduate from Forest Grove, Oregon, received the award for the student com-

ing the greatest distance. Irene Delashaw of Denton was honored as the teacher traveling the greatest distance.

Mrs. Delashaw also received a plaque for being the oldest ex-teacher present; W.D. Oates of Honey Grove, and Macon James of New Deal, both graduates of the class of 1937, tied for the oldest students present. Mrs. Wilda Flynn Myers, of the class of 1956, was also honored at halftime as the ex-student queen. She was presented roses by ex-student president, Bob Greenhill.

New officers elected by the ex-student include: Franklin Dunn, president; Ronnie Randolph, vice president; and Wilda Myers, secretary-treasurer.

**HAPPY BIRTHDAY**  
Happy Birthday this week to Dale Lumpkin, Joanna Harkey, Beth McCullough, WyDonna Stephenson, Wayne Teal, Tommie Davis, Nick Dudley, Sherry Bigham, Nita Rylant, Regina Attebury and Mandy Mannin.

**HAPPY ANNIVERSARY**  
Happy Anniversary this week to Mr. and Mrs. Glen Turner, Mr. and Mrs. Pete Peacock, Mr. and Mrs. Macon James and Mr. and Mrs. Jim Hill.

Fumbles recovered by (1) Ken Richardson. Passes intercepted by (1) Henry Ramirez, (1) Steve Johnson (1) Nathan Shannon, Leading Rushers (New Deal) Henry Ramirez, 8/45, Robert Jackson, 12/49. Leading Receivers (New Deal) Mark Harrington, 2/28, Nathan Shannon, 2/52. TD, Steve Johnson, 4/115-1 TD. Passing (New Deal) Craig Harrington, 8/13/0-2 TD's, John Jackson, 0/2/0.

### Pep Rally

There will be a pep rally Friday, October 8 in the high school gym at 2:30 for the Varsity Football team's first district game with Morton. Game time is 7:30 at New Deal.

Let's all turn out and support our Lions for their first District win of the season! Go Lions, Beat Morton!

## INSIGHT INTO EYESIGHT

VAN MOORE DOCTOR OF OPTOMETRY

### A Message From Your Eyes

Your eyes are much more than a "window to the world." They can tell your eye doctor a lot about your general health.

When the optometrist examines your eyes for the first time, he'll ask for a medical history. He'll want to know what kind of diseases you've had or about any impaired physical condition.

There are a lot of illness that affect your eyes. High blood pressure is one. Diabetes or any diseases of the blood are others.

Many diseases show telltale signs in an eye examination. They may change the color of the whites of your eyes or cause them to swell up or become

inflamed. Discovered early enough, prompt treatment can cure many diseases or keep them under control.

They eye doctor will also want to know what kind of work you do at home or on the job, any kind of activity that makes seeing particularly important; also what kinds of sports you enjoy.

All of these things are important in determining exactly what type of glasses or contact lenses, if needed, are best for you.

## Abernathy I.S.D. Public Notice

### NOTICE OF CALCULATION OF EFFECTIVE TAX RATE AND PUBLICATION OF ESTIMATED UNENCUMBERED FUND BALANCES

I, Earl Carter, Tax A/C for the Abernathy ISD in accordance with the provisions of Sec. 26.04 of the Property Tax Code, have calculated the tax rate which may not be exceeded by more than three percent by the governing body of the Abernathy ISD without holding a public hearing as required by the code. That rate is as follows:

\$ 0.59 per \$100 of value.

The estimated unencumbered balances for Maintenance & Operation fund: \$404,975

The estimated unencumbered balances for Interest & Sinking Fund: \$130,923

*Earl Carter*  
Tax A/C Abernathy I.S.D.

September 28, 1982

### Calculations Used to Determine Effective Tax Rate

#### I. ASSUMPTIONS

|  |              |
|--|--------------|
| 1. 1981 Total Tax Levy from the 1981 Tax Roll.....   | \$ 2,455,219 |

| (C) Adjusted 1982 Tax Levy for Debt Service (I&S).....   | 73,765           |
| (D) 1982 Total Taxable Value of All Property (Assumption No. 8).....   | \$ 395,539,062   |
| (E) Subtract 1982 Taxable Value of Over-65 Homesteads with Frozen Taxes (Assumption No. 12).....                                   | 5,546,952        |
| (F) Adjusted 1982 Taxable Value for I&S.....   | \$ 389,992,110   |
| (G) Divide the Adjusted 1982 Tax Levy for Debt Service (I&S) (4C above) by the Adjusted 1982 Taxable Value for I&S (4F above)..... | \$ 0.000189      |
| (H) Calculated Interest & Sinking (I&S) Rate for 1982.....   | \$ 0.0189 /\$100 |
| 5. (A) Calculated Maintenance & Operation (M&O) Rate for 1982 (3C above) \$ 0.5775 /\$100  |                  |
| (B) Add Calculated Interest & Sinking Rate (I&S) for 1982 (4H above) +   | \$ 0.0189 /\$100 |
| (C) Calculated 1982 Effective Tax Rate.....  | \$ 0.5964        |

1982 Effective Tax Rate is the tax rate published by the tax assessor, as required by Sec. 26.04 of the Property Tax Code.

#### III. MAXIMUM TAX RATE

|   |                  |
|---|------------------|
| 1. (A) Calculated 1982 Effective Tax Rate (5C above)..... | \$ 0.5964 /\$100 |
| (B) Multiplied by Three Percent (3%).....                 | X .03            |
| (C) Equals Amount of Increase Allowed by Code.....        | \$ 0.0179        |
| (D) 1982 Maximum Tax Rate (1A + 1C above).....            | \$ 0.6143 /\$100 |

1982 Maximum Tax Rate is the tax rate which, if exceeded, triggers the public notice and public hearing requirements of Sec. 26.06 of the Property Tax Code.

## JV Downs Lockney 19-0, Remain Undefeated

The JV Lopes defeated Lockney 19-0 last Thursday and remained undefeated. In the first quarter, Bill DuBose forced a fumble and recovered it in the end zone for the first score of the game. Wade Wesley kicked the PAT and the JV Lopes led 7-0. The JV Lopes struck again quickly in the first quarter with a 19 yard run by Donnie Williamson for a touchdown. The PAT attempt failed and the Lopes were on to 13-0.

The third and final score of the game came in the second quarter when Kevin Lester made a 4 yard run to score. The PAT attempt failed and the JV Lopes remained on top 19-0 the remainder of the game. The ball was exchanged back and forth for third and fourth quarters as neither team could score on the other. The JV Lopes gained 162 yards rushing to Lockney's 92 with the help of Donnie Williamson - 17 carries for 104 yards, Kevin Lester - 5

carries for 18 yards and Todd Johnson - 5 carries for 14 yards. Overall, the Lopes had 170 yards rushing to Lockney's 138 and 7 first downs to Lockney's 12. Abernathy had four turn overs and Lockney 5, and 2 penalties for 15 yards to Lockney's 9 for 60 yards. Shawn Knight, Shad Kelley and Randal Stillwell intercepted one pass each and Mike Torrez blocked a punt.

## 7th Ties With Lockney 8-8

The Abernathy 7th grade Lopes tied Lockney last Thursday evening 8-8. The first score of the game was made by Lockney in the second quarter as they trapped the 7th Lopes in the end zone for a safety and Lockney led 2-0. Lockney scored again in the fourth quarter on a 20 yard touchdown run. This score gave them 6 more points and they led 8-0. The 8th Lopes produced their first points of the game late in the fourth quarter on a 55 yard run by Irvin Dunn. Dunn also added the 2 extra points by running it in.

The score was tied at 8-8 when the game ended. 7th grade coach John Rodriguez praised several players on defense for the defensive effort they put out. He stated that Randy Konstantakos (defensive tackle), Irvin Dunn (safety), Ricky May (linebacker), and Cody Wages (defensive guard), all played good defense. He praised the performance of offensive players Pete Garcia (guard) and Rob Givens (quarterback). The 7th grade Lopes will play Muleshoe there today (Thursday) at 5 p.m.

## Freshman Lopes Defeat Lockney 20-14

The Abernathy Freshmen Lopes defeated Lockney Thursday 20-14 at Antelope Field. The Lopes first scored on a handoff to Joseph Ruiz with an 8 yard run. The Conversion attempt failed and the Lopes led 6-0. Jim Bob Carver passed to Dan Evans for a 20 yard touchdown. Carver then went through the air finding Tim Conway, making the score 14-14 at halftime. The 3rd quarter belonged to both defensive teams, as

neither team scored. Abernathy had possession in the final minutes of the 4th quarter with a good drive, when they fumbled. Lockney recovered and 2 plays later they fumbled with the Lopes recovering. Lopes player Carey McKinney came up with the ball on the 2 yard line. Carver sneaked in with 43 seconds left on the board for a score. The game ended with the Lopes winning 20-14. Carver had 6 completed

passes, 4 to Evans and 2 to Conway. The Lopes had only 2 turnovers in the game. The team and coach Irlbeck should be praised for a job well done. The freshmen team, is 1-1-1 for the season.

## Lockney Blanks 8th Lopes

The Lockney 8th grade team blanked the 8th Lopes 24-0 last Thursday night at Lockney. Even though the 8th grade team lost, Coach John Rodriguez stated that he was proud of his players. He praised the performances of Terry York, who blocked well; Robert Castro, who blocked well and performed well on defense; Chuck Thompson threw the ball well; Ray Garza did a good

job on defense as well as Rowdy Powell, who made several key tackles as linebacker for the 8th Lopes; and Gary Grisham, who is a fullback, blocked well on offense. Rodriguez also praised flanker Everett Irlbeck for catching several passes. The 8th Lopes will play Muleshoe tonight (Thursday) following the 7th grade game at Muleshoe Field.

### Election For Director To Soil And Water Conservation Board Oct. 13

An election for a director to serve in Zone 4 on the Lubbock County Soil and Water Conservation District Board is scheduled for October 13, at the New Deal Clubhouse, announced Charles W. Wood, chairman of the board. The election will be held at 9 a.m. State law decrees that to be eligible to vote in a soil and water conservation district director's election, a person must own agricultural land within the subdivision where the election is being held. The person must also live in a county all or any part of which is in the district and the voter must be 18 years old. Legal qualifications state that a candidate for the office of a soil and water conservation district director must own land in the zone he represents, be 18 years of age and be actively engaged in farming or ranching. He must also live

in a county all or part of which is in the district. Zone 4 of the district includes the area between the Clovis Highway (84) and the Amarillo Highway (87) and taking the towns of Shallowater and New Deal. Current members of the board of directors of the Lubbock County Soil and Water Conservation District are: Charles W. Wood (Zone 4); chairman; Don Langston (Zone 5), vice chairman; B.H. Piercy (Zone 2), secretary/treasurer; Ute Becton (Zone 3), member; Garland Boozer, Jr. (Zone 1) member. The purpose of the Lubbock County Soil and Water Conservation District is to promote sound soil and water conservation program on farm and ranch lands within the district and to serve as a voice for farmers and ranchers on conservation matters and other issues affecting private property rights of landowners. The district board of directors coordinates the conservation efforts of various local, state and federal agencies and other organizations and has authority to enter into working agreements with these government agencies and private concerns to carry

MANY STAINS IN CLOTHING become invisible when dry. When heat is applied - whether from the dryer or iron - the stain may turn brown and become quite permanently set, cautions Becky Saunders, clothing specialist with the Texas Agricultural Extension Service. When you plan to have a garment drycleaned, identify - if known - the source of each stain and the location, even though it may be invisible at the time, she adds.

**Don't Let This Once-In-A-Lifetime Opportunity Slip Away.**

Our All Savers Certificate Offers a One-Time Exclusion up to \$2,000 Interest Income on your Income Taxes.

Briercroft Savings All Savers Certificate offers you an opportunity to shelter interest income from income taxes. And when the All Savers' interest rate is combined with its tax exempt advantage you get a high yield on a low minimum, short term certificate.

But hurry! This tax exemption can only be taken once in a lifetime and the All Savers Certificates are available only until December 31 of this year. And this account is fully insured by F.S.L.I.C. Don't let this one slip away. Join the revolution and open your Briercroft Savings All Savers account today.

### New UIL Rules Observed

This Friday, October 8th is the first of 5 district games for New Deal. Due to the UIL rules for our new district, we will not be able to form a victory line on the field. You can still bring the Lions on the field by standing up at your seats and making those stands ROAR! There is also to be no one on the field around the cheerleaders. There have been too many kids on the field in the past and with the new rules, New Deal, could be penalized because of it. Remember, stay off the field unless you've been authorized to be there!
