Texas Railroad Commission Approves Closing Stations In Area Communities

The Railroad Commission of Texas, Transportation Division, has released its findings in reference to hearings held to consider the application by the Atchison, Topeka & Santa Fe Railway Company (Santa Fe) to close and dismantle agency stations at Abernathy, Anton-Shallowater, Brownfield, Lamesa, Levelland, Littlefield, Lorenzo-Ralls-Crosbyton, Muleshoe, Seagraves, Slaton, Snyder, Sudan and Tahoka, Texas.

The Commission has granted Santa Fe the authority to discontinue the above-named stations and to transfer the functions presently performed to the Lubbock Agency. The Lubbock Agency will be responsible for handling calls from and service to the area customers affected by the closings. A toll-free number will be made available to all customers at the affected points.

Personnel from the Lubbock Regional Freight Office will periodically travel to the affected areas to perform damage inspections as needed, to sign shipper order bills of lading when requested, and to discuss customer needs and/or complaints concerning service. The Lubbock Agency will also be implementing a new computer system (the OX system) that is designed to provide customers with quicker and more efficient service.

It is the Commission's conclusion that the discontinuance of these agency stations and transferring their duties to Lubbock will better serve the public and would not result in any change in train service itself.

American Agriculture Movement On The Move

Santa Fe has also been granted authority by the Commission to dismantle the depot structures at the above-named communities in order to prevent the buildings from decaying and becoming a nuisance. For the most part, there was no opposition to this decision. However, a small number of requests have been made to preserve the buildings because of their historical significance. Santa Fe is working with citizens interested in preservation of the depot structures to arrange transfer of the buildings to the respective communities. Abernathy will be granted their depot.

Anyone desiring more information concerning this decision may contact the Economic Development Office at SPAG, (South Plain Association of Governments), 1709 26th Street, Lubbock, Texas 79411 Phone: (806) 762-8721.

The American Agriculture Movement, known for their protest marches to the national and state capitals, is still active and very much on the move today.

Lions Sponsor Boys Ranch Drive

In the past, the A.A.M. has sponsored tractor marches to the capital and has held various rallies all over the state and the country. Now that they have credibility in Washington and have gotten national attention, they are finding other ways to work for improvements for the American farmer.

The American Agriculture Movement claims that it has been instrumental in pointing out the severe economic problems faced by family farmers and then makes them known to Washington.

The boys need bikes, furniture or anything else that is useable. Those who have small items that they can deliver by themselves, should bring them to the Abernathy Weekly Review, 916 Ave. D, or call Keith Tooley at 298-2033.

Local couple Arlene and Lynn Shadden, active members of the A.A.M., stated that the A.A.M. is mainly concerned with parity for farmers. They attended the last A.A.M. rally held in Lubbock Saturday. It was the A.A.M. Texas Convention.

A.A.M., as well as Grain Sorghum Producers Association (GSPA) in Abernathy, are endorsing the "Payment In Kind" (PIK) program. Details of this program are pointed out in the GSPA story on the farm page in this edition of the Review.

Those who would like to become active in the A.A.M. or would like

Salvation Army Money Drive Begins Today

The Salvation Army will begin a local money donation drive today, which will continue for two weeks until December 23.

Extemporaneous Speaking 1st, Farm Skills 3rd At State FFA Meet

Those who would like to become active in the A.A.M. or would like

up of Allen Lester, Cletus Irlbeck, Russell Shuey and Lane Nelson, placed third at State.

Donations can be made to Jimmy Gragg at Abernathy First State Bank or Bill Elliott at Pay-N-Save. This is a money drive and money donated to the Salvation Army is, of course, tax deductible.

Mr. and Mrs. Gerald Kelley accompanied the FFA students to the State contest.

Santa Coming To Pay-N-Save Saturday

The FFA Wildlife Barbeque will be held December 16.

Mr. Carver will have a slide show and various pieces of equipment that he uses to test pump efficiency. He will also demonstrate how to test moisture in the soil.

Housing Finance Corp. To Meet Today

The builders and lenders in Hale County are invited to a meeting at the Chamber of Commerce Office in Plainview at 3:30 p.m. Dec. 9.

Anyone who is interested in this program is welcome.

This meeting will be conducted by the South Plains Housing Finance Corporation to determine the needs for financing of new housing in 1983.

For more particulars call Gene Carter at 839-2691.

For more particulars call Gene Carter at 839-2691.

November-Month Of Burglaries

November has been a month of burglaries for Abernathy as nine were reported, according to the Abernathy Police Department.

Entered high school through a window on the west side of the school by breaking it out.

Entered high school through a window on the west side of the school by breaking it out.

Three of the nine burglaries were major and the other six were minor, (\$10 worth or under taken).

The second major burglary occurred at Abernathy School. Charles Bowen discovered that the school had been broken into when he went to his office to get something Thanksgiving Day. Chief Raymond Naron answered the call and the break-in was investigated. The burglars had gained entry to the FFA offices through an unlocked window on the north side. Then they

ON THE COUNTY LINE

BY KEITH TOOLEY

IT SEEMS THAT every time the government needs more money, the easiest most effective way to get it, is to raise taxes somewhere. Where does it all end?

IT SEEMS THAT every time the government needs more money, the easiest most effective way to get it, is to raise taxes somewhere. Where does it all end?

Every year we have to pay school, city, county, state and federal taxes. Everything we buy is taxed somewhere down the line, unless it was taken illegally or purchased behind the government's back.

AN INTERESTING BIT of information crossed my desk from the American Heart Association. It stated that the major cause of death in Texas in 1981 was heart disease (46 percent of the deaths in 1981 which was 50,626 people), cancer (20 percent which was 21,770), and lastly was accidents (7 percent of deaths last year which was 7,935 people). The other 27 percent was from various other causes, these are just the major three causes of death in Texas.

And now Reagan wants to boost the federal gasoline tax by 5 cents a gallon. Five cents adds up after a while. If your vehicle holds 20 gallons and you fill it up two times a week, the 5 cent increase means you will pay \$2 more than you usually do. Using this same example, you will be paying \$104 more next year for gas with the increase.

Heart disease is not only the number one killer in Texas but in the entire nation. Nationally, heart disease claims more lives than all other causes combined.

It becomes quite a large sum of money for those of us who drive a lot of miles each week. Farmers will feel the crunch too.

The irony is that most heart disease is preventable. Those who wish to support the A.H.A. or would just like more information on heart disease can write: American Heart Association of Texas, P.O. Box 15186, Austin, Texas 78761.

We can just hope that somewhere down the line, the federal government will find some other way to pay their

Pheasant Season Begins Saturday

The first day of the 1982 pheasant hunting season will be this Saturday, December 11. Pheasant season will end two weeks later, Sunday, December 26.

Hunters can begin hunting 1/2 hour after sunrise and should stop hunting 1/2 hour before sunset. Every hunter is limited to two cocks per day and have no more than four in possession.

According to reports, a good pheasant crop is in store for hunters

Senior Class To Present "Off The Track" Tonight

The Senior Class of Abernathy High School will present the play, "Off The Track", a comedy-mystery by Felicia Metcalf, at 7 p.m., December 9 in the High School Auditorium.

Tickets may be purchased from any senior for \$3 and a Pie Supper and Auction will be held immediately after the play in the cafeteria. Pies will be auctioned off for 30 or 40 minutes, with Van Riley serving as auctioneer, and the remainder of the pies will be sold for 75 cents per slice, and coffee and punch for 25 cents.

The proceeds from the play and pie supper will go toward financing the

Young Farmers To Meet Monday

The Abernathy Young Farmers will have their monthly meeting Monday, Dec. 13 at 8 p.m. in the Vocational Agriculture Building.

The program this month will be given by Mr. Ken Carver, from the High Plains Underwater Water Conservation District.

This season as much more grain than usual was planted in Hale and surrounding counties.

Quail season began October 30 and will continue until January 30, 1983. Hunters are allowed to bag 12 per day and have 36 in possession.

TO PRESENT "OFF THE TRACK", a comedy-mystery by Felicia Metcalf, will be the senior class. Play cast members are, on the back row, from left to right, Mendy Tennell, Darren Knox, Mark Riddell and Roger Gragg. On the middle row is Angie Attebury, Kellye DuBose, Tammy Lloyd, Yolanda Ortiz and Susan Stone. Seated on the front is Christie Ortiz. Not pictured are cast members Donna Burgess, Jimmy Salitros and Cletus Irlbeck.

Boys Ranch In Need Of New Suits At Christmas

A new suit or clothing package for every boy at Cal Farley's Boys Ranch is the goal of the annual Christmas Suit Project that began today.

With nearly 375 boys anticipating the gifts, the project is a big one. Helping provide the Ranch's boys with new clothing is a favorite way for many friends of the Ranch to remember them with contributions of \$45. This amount makes it possible for

the Ranch to purchase new suits for the older boys and clothing packages for the youngest. Amarillo department stores cooperate with special discounts on the suits. The gift packages include shirts, ties, jackets, trousers or other articles, depending upon the needs of the boys.

"A new suit or clothing package is the best gift our boys will receive at Christmas time," Virgil Patterson

Ranch president, said. "In many cases, it is the first new suit a boy has ever had and a Christmas gift he never forgets. It is also a year-round reminder of those who care."

Donations to the Boys Ranch Christmas Suit Fund may be mailed to the Boys Ranch office, P.O. Box 1890, Amarillo, Texas 79174, or delivered to the office at 600 West 11th Street in Amarillo.

Local 4-H'ers To Participate In District Food Show

County 4-H members are making final preparations for the South Plains District 4-H Food Show. It will be held Saturday, Dec. 11, in the College of Home Economics Building at Texas Tech University in Lubbock.

A total of eight 4-H'ers from the county will compete. They are: Donna Stout, daughter of Mr. and

Mrs. O.A. Stout, Jr. and Rosemary Shepard, daughter of Mr. & Mrs. Pat Shepard both of Hale Center 4-H; Jim Bob Carver, son of Mr. & Mrs. Jim Carver and Matt Kelley, son of Mr. & Mrs. Gerald Kelley, both of Abernathy 4-H; John and Brent Hamilton, sons of Mr. & Mrs. Tom Hamilton of

Plainview 4-H and Marie Hooper, daughter of Mr. & Mrs. Henry Hooper and Mandy Igo, daughter of Mr. & Mrs. Merwyn Igo, both of Halfway 4-H.

Entrants from 20 counties

will compete in senior and junior divisions. Each division has four food classes: main dish, fruit and vegetables, breads and cereals, and nutritious snacks and desserts. Contestants in the

district event are all winners of their county food shows. Senior division winners in each category will advance to the state 4-H Food Show next June in College Station.

County Extension Agent Melissa Long said the contestants will begin registering at 9 a.m. in the lobby of the Home Economics Tower. Judging begins at 9:30 a.m.

The dishes will be on display in the tower from 1:15-2:00 p.m., and the public is invited to view them. Ribbons and trophies will be presented during an awards ceremony at 2:30 p.m. in the Coronado Room of the University Center.

NEW BUSINESS IN TOWN is De Leon's Welding And Repair Shop located on south Avenue D. Pictured are owners Delio De Leon and Nat De Leon. Not pictured is the third partner, Joe De Leon. (Review Photo)

Deregulation of your telephone ...how will it affect you

Deregulation. What does it mean to the nation's telephone industry — and the customers it serves? All of the hows, whys and maybes are not determined, but here are answers to some often-asked questions.

Q. What is deregulation?

A. Simply, it's the process of removing state and federal controls from many services provided by the telecommunications industry. It means customers can select equipment and services in a competitive market without regulation by a regulatory commission.

Q. When does it happen?

A. Deregulation isn't new. Federal Communications Commission rulings over the past three decades have allowed some competition in terminal equipment (telephones, multi-line systems, etc.) and in long-distance services. But deregulation surfaced as a major public issue when the FCC mandated total deregulation of new terminal equipment, effective January 1, 1983.

Q. Why does the FCC want the telephone industry to be deregulated?

A. The FCC believes competitive markets are most efficient. Deregulation — and competition — will encourage new services and open more options to customers.

Actually, the FCC is but one of the driving forces behind deregulation. Congress, the Justice Department and the Reagan Administration (like others before it) all are eager to deregulate the American telephone business.

Q. What is GTE's position regarding deregulation?

A. GTE feels that deregulation ultimately will benefit all concerned. Competition is the American way and GTE expects to compete aggressively.

Q. Just what services will continue under regulation?

A. After January 1, the basic local and long-distance switching networks will continue to be regulated. So will all in-place equipment on customer premises. New equipment will be excluded from regulation, as will "enhanced" services, which combine basic service with computer processing to provide additional, different or restructured information.

Q. How does this affect customers?

A. The big change is in lease and purchase arrangements for telephones, multi-line systems and other equipment in a customer's home or business.

After January 1, existing customers may continue to lease their phones from General Telephone. In addition, they have the option of purchasing phones — either from General Telephone or another supplier.

New customers also will be able to buy phones anywhere they choose (including General Telephone). Cost of equipment purchased by customers will be determined by the marketplace — not regulatory commissions. Lease options also will be available to new customers, but again will be determined by the marketplace — not the regulators.

There's another important point. By definition, anyone who alters existing service will be classified as a new customer. People who move from one residence to another — even though both are served by General Telephone — would be considered new customers under deregulation guidelines.

Q. Will all customers be affected by deregulation?

A. No. The FCC's order applies only to single-line service. Customers on multi-party lines may continue to lease phones from General Telephone with all the traditional services. For a period after deregulation begins, party line customers may have some options that will not be available after January 1, 1983 to single-line customers.

Q. Will it affect the cost of telephone service?

A. Deregulation will have an impact on virtually every aspect of the telephone industry — including cost. It should result in lower prices for some services and higher prices for others. The net effect of deregulation — and the competition it creates — is that each product or service provided by General Telephone must pay its own way, without subsidies from other segments of the business.

For example, revenues from various optional services have traditionally subsidized the cost of providing basic local service. That ensured basic telephone service was affordable to nearly everyone. But competition will force prices to more closely reflect the true cost of any service. Local rates probably will rise; others may decrease. Either way, customers will be asked to pay for the cost of the services they use.

Q. So what are the benefits to the consumer?

A. With deregulation comes competition. With competition comes the suppliers' desire to provide customers with what they want, when they want it, resulting in many options, introduction of new technology and keeping costs at the lowest possible level.

Q. Won't there be a lot of people who will be unable to afford a telephone?

A. GTE expects to help customers meet increases in telephone rates by phasing in certain options for flat rate pricing, including Usage Sensitive Service (USS) which is a measured service.

OVERPASS ACCIDENT... pictured is a truck that ran off of the north Abernathy overpass while travelling north over it. The truck went off the side where the overpass curves, the driver lost control, and it rolled down the side of the overpass. The driver was from Oklahoma City. He was carrying two hitch-hikers, who were also in the cab. All three of the men were not injured seriously, but suffered only minor cuts and bruises. The accident occurred last Tuesday at 11 a.m. (Review Photos)

Hale Man To Head State Farm Bureau

The annual meeting of the Texas Farm Bureau at Dallas, concluded Wednesday night with the election of S.M. True of Hale County as the organization's president.

True had served as vice-president for several years and had been secretary treasurer. He also had been director of District 2, which includes the South Plains.

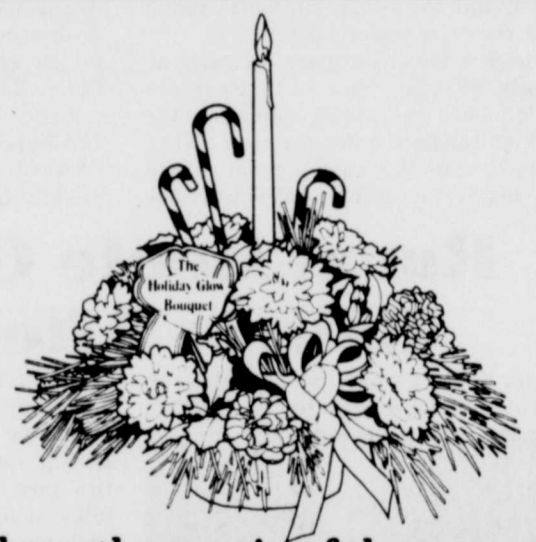

Also elected was Neal Burnett of Hale County to the office of District 2 director.

About 1,800 farmers from across the state attended the meetings.

"Christmas Fever" To Be Presented Monday

The King's Kid's Bible Club will present a musical, "Christmas Fever", December 13 at 7 p.m.

It will be at the Church of The Nazarene in Halford Hall. There will be refreshments and lots of fellowship.

Come one, come all. You might even catch "Christ-

mas Fever". It is contagious you know.

The charters are: Reader --- Marcus Savage, Dr. Norman --Small town doctor --- Matt Kelley, Bobby Marshall - who got Christmas Fever --- Beth Windham, Pete Webster - friend --- Chris Casey, Nancy Burns - friend --- Susan Vaughn.

Others are: Mike Schaap, Brady Herzog, Nick Savage, Jody Schaap, John Vaughn, Ky Edwards, Pedro Anderson, Mandy Kelley, Ressa Schaap, Tessa Schaap, Jody Savage, Sandra Vaughn, Sarah Vaughn, Chrystal Casey, Vanessa Savage and Kristi Edwards.

Jonathan Brunner is in charge of lighting.

Lakeview Locals

Mr. and Mrs. Tella Walker attended church Wednesday night, Dec. 1 at Lakeview Methodist Church and Mr. Walker was the featured speaker.

Mrs. William Mayo, of Afton, visited her parents, Mr. and Mrs. Lawrence Amerson, Saturday.

Mr. and Mrs. Henry Davis, of Amarillo, visited Mrs. Florence Jackson Saturday.

Mr. and Mrs. J.C. Mont-

gomery visited with her sister, Clara Dedmond, in Hale Center Nursing Home last week.

Mrs. N.J. Fred spent the weekend in Lubbock with relatives.

Methodist Church News

Guests at The First United Methodist Church Sunday Nov. 28 were: Bob & Lea Knutson, Salinas, California; Mr. and Mrs. C.W. Coggin, Bartlesville, Oklahoma; Minabell Morrison, Fort Worth; Burt, Shelley & Von Montgomery, Eastland; Rev. & Mrs. Bruce Parks, Plainview; Sherilyn Shaw, Abilene; Elizabeth Eubank, Lubbock; Dean & Laura Marie Shaw, Dickens; Billy Cole, Shallowater; Gordon and Marjorie Wiley, Newburger, Indiana; Tina and Tana Torres, Trisha Martin, Kyle Rawlings, Billie Ankenman, Raymond Naron, Larry & Jude Guerant and Mrs. Wayne Harkley & Cliff all of Abernathy.

This and That

By Helen Wade

Mr. and Mrs. M.M. Bell had a wonderful Thanksgiving in Lubbock with all their children, grandchildren and great-grandchildren, except Stephanie and Lee who live in Odessa, but they called to wish all a happy Thanksgiving.

The family celebrated three birthdays in November. Two of the birthdays were for the grandchildren, Wanda and Craig, and Mr. Bell's birthday was also in November. Mrs. Bell said, "I thank God for my family and for so many great blessings. They that seek the Lord shall not want any good thing." Psalms 34:10

Speaking of birthdays, our grandson had his first birthday this month. Our son Larry and our daughter-in-law Sheila and grandson Roger, came and spent the weekend with us.

Roger is walking now and he was busy trying to see

what he could find to get into.

Becky Boyd went with her brownie group No. 313 to Candlelight At the Museum Wednesday night. Mrs. Jan Myatt is the leader this group.

County Line Baptist Church had their Lottie Moon Mission Banquet last Wednesday night, Dec. 1. The speaker for the banquet was a young man from Niagara, Africa who is a senior at Wayland.

He brought a very interesting program about the customs of African people, their needs, and help Africa is receiving from the Co-operative Program.

Several ladies decorated the tables with greenery and candles. A delicious meal of ham, salads, vegetables and desserts were served.

Tracie Aldous Bridal Shower Today

A bridal shower honoring Tracie Aldous, bride-elect of Grady Shuey, will be at the Abernathy Church of Christ in Fellowship Hall Thursday, December 9 at 7 p.m.-8:30 p.m.

Hostesses are: Mrs. Gwin Myatt, Mrs. H.L. Robertson, Mrs. Wendell Hughes,

Mrs. Charles Bowen, Mrs. Kenneth Rogers, Mrs. Joe Reeves, Mrs. J.W. Skipper, Mrs. Floyd Myatt, Mrs. Danny Downs, Mrs. W.T.

Settle, Mrs. Virgil Overstreet, Mrs. Jerry Oswald, Mrs. Clifton Newton and Mrs. Dub Hannel.

Young Homemakers To Have Christmas Party

The Abernathy Young Homemakers will have their Christmas party Monday, December 13 at 7 p.m. at Martha Stark's home.

All members are urged to attend and to bring their secret sister's wrapped

Christmas gift in a paper sack.

Hostesses for the evening will be Martha Stark and Teresa Jackson. Everyone needs to bring a Christmas Goodie for dessert. Reported by Delayne Thomason

First Baptist Adult Choir To Give Christmas Cantata

The Adult Choir of First Baptist Church will present Down From His Glory, a Christmas cantata by John W. Peterson, Sunday night, December 12, at 7 p.m. at the First Baptist Church.

Soloists for the cantata will be Susan Bigham and Pat Warren. The choir will be accompanied by Patsy

Tucker on piano and Renae Wells on organ. The narration will be by Barbara Webb. The cantata will be directed by Scott Wells, Minister of Music and Youth.

Everyone is invited to attend this musical celebration of the birth of our Lord.

THOSE TO REMEMBER

Billy Gist has been in Methodist Hospital.

Eunice Majors is in Methodist Hospital.

Ruby Knox is in Lubbock General Hospital.

M.D. Evans is in Methodist Hospital.

Lewis Rea is still in Methodist Hospital.

Jake Turner is home from the hospital.

Carroll Owens is doing good following surgery and is now home.

"IT'S BEGINNING TO LOOK A LOT LIKE CHRISTMAS" around Abernathy as the Christmas decorations were installed on Ave D last week. (Review Photo)

ATTEND THE CHURCH OF YOUR CHOICE

"A Life Of Love"

Barry Tilley, Assembly of God

A look into the marvelous life of the Master reveals for us the approach with which He met each day, each obstacle, each situation. It was an approach of "Love."

The most obvious example of this love of Jesus is that of His precious vicarious death on Calvary's cross to become sin for man that man then "should not perish, but have everlasting life." (John 3:16)

Had it not been for the love of Jesus, there would have been no death on the

cross, no blood shed for the remission of our sins, no provisions made for us to become the sons and daughters of God, His Blessed Redeemed. (John 15:13; I John 4:9; I John 3:2)

The entire life of Jesus is the most lovely example of "Real Love."

This same "real love" should be present in and among you and I today. We must endeavor to love one another even as we are loved. (I John 4:11,19,20-21) Praise the Lord! Barry Tilley, Assembly of God

Grain Sorghum Producers Assoc. Studies USDA Plan

The National Board of Directors of Grain Sorghum Producers Association (GSPA) met December 1 to discuss USDA's proposed program which would allow growers to idle part of their base acreage and receive payment with certificates of ownership of government grain stock. The plan, now being called "Payment In Kind" or "PIK", proposed to further reduce 1983 planting and, at the same time, reduce USDA's holding of surplus commodities.

GSPA President Mabry Foreman, of Felt, Oklahoma, said of the program, "Secretary of Agriculture John Block and the U.S. Department of Agriculture are to be commended for their efforts to improve the American farm economy by reducing production and surplus stocks. The Payment In Kind proposal is an innovative approach to solving our problem. We believe it deserves serious consideration."

Grain Sorghum Producers Association will support USDA's Payment In Kind program, provided it includes the following points:

1. The PIK program would be offered in addition to the 1983 Feed Grain Reduced Acreage Program previously announced, not as a replacement or alternative to it.
2. The PIK program shall in no way be used to lower loan rates and target prices of present or future programs.
3. The PIK payments would be set at 50% of the farm yield. If this does not adequately reduce production, USDA would have the option of raising the percentage to obtain the desired diversion.
4. In order to protect agribusiness

within each community, total diversion (RAP and PIK) would not exceed 60% on any farm.

5. PIK stocks would not be released to farmers before 1983 harvest time for that commodity. PIK stocks would then be released at the rate of 20% per month for a period of 5 months, to avoid disruption in market prices.

6. Farmers would be able to replace the PIK commodity in the Reserve or Government Loan program to facilitate an orderly marketing plan.

7. The Government would pay storage and interest on PIK commodities until their release to farmers.

8. To secure ownership of sufficient grain to conduct this program, CCC may offer to buy farmers' equity of grain in current reserve programs. CCC may make the offer in increments, increasing the price until the desired amount of grain has been obtained.

9. Farmers' PIK payments will be made from the closest available CCC grain.

GSPA maintains that, since PIK commodity stocks are in lieu of a farmer's eligible production allowed under the 1983 Reduced Acreage Program, they are not subject to the \$50,000 limitation of payments.

Foreman pointed out that GSPA reserves the right to oppose the PIK plan if it does not include the points listed above. Elbert Harp, Executive Director of GSPA, will meet with Secretary Block and other USDA officials on December 8 to discuss details of the PIK plan.

Riding Club Christmas Party Held

The Abernathy Riding Club held their annual Christmas dinner and party Saturday night, December 4 at the Community Center.

A total of 43 members and guests attended. Out of town guests from Lubbock include Mr. Joe Schowig

and family. Joe is District 1 AASP & RC president. District 1 queen, Becky Rowan, also was present. Following the dinner, a puppet show was enjoyed by kids of all ages. After a short business meeting, games and dominoes were enjoyed by all.

Officers for the Abernathy Riding Club for 1983 are: President, Bob Roberts; Vice President, Gary Goble; Secretary Nita Evans; Treasurer, Ercell Givens; and Parade marshalls, J.C. Goble and Charles Evans.

The 1983 Riding Club queen is Rita Evans. Anyone interested in visiting or riding with the Riding Club are welcome.

Nevada is the nation's leading producer of gold.

FROM PLAINS COTTON GROWERS, INC.

LUBBOCK, Friday, December 3, 1982

Officials of Plains Cotton Growers, Inc., Lubbock, although wary of making predictions, "have a good feeling" about chances for getting significant changes in all-risk crop insurance coverage available from the Federal Crop Insurance Corporation (FCIC) and have suggested in person and by letter seven specific ways they believe the FCIC program can be improved.

PCG's cautious optimism, says Executive Vice President Donald Johnson, stems from a recent meeting in Lubbock with FCIC Manager Merritt Sprague. "Mr. Sprague gave every indication he is ready and willing to work with producers toward an insurance contract that will provide better coverage and, by reason of increased farmer participation, be more cost effective for FCIC," Johnson stated.

In PCG's most recent letter to FCIC the organization requests (1) that unit division guidelines used for the Individual Yield Coverage Program (IYC) be the same as those used for actuarial purposes;

(2) That an average of yields be used to determine IYC in instances where the Agricultural Stabilization and Conservation Service has required that production from multiple units be combined for reporting purposes;

(3) That county ASCS committees be allowed to separate commingled dryland and irrigated production to prevent irrigated production from adversely affecting the dryland indemnity-premium ratio in counties where such a danger exists;

(4) That ASCS formulas be used for determining crop acres when crops are planted in any of the various skip-row patterns;

(5) That a positive cut-off date for abandoning an insured crop be established, i.e. 15 days after the date set by county ASCS offices for the crop to be planted initially, and that producers be given the option to replant to the insured crop or take adjusted-stage insurance;

(6) That a waiver of the planting requirement be provided on dryland crops, giving the producer protection against possible inability to plant because of inadequate moisture, and

(7) That the normal date for beginning harvest be changed from November 1 to something no earlier than December 1, since widespread harvesting of cotton on the High Plains seldom if ever gets underway by November 1.

Related to this latter suggestion, PCG also says the late payment charge of 1.5 percent per month is not now realistic and the interest charge should be tied either to the CCC interest rate at the time or to the cost of money to government.

"Acceptance of these suggestions," PCG believes, "would make the FCIC program less difficult for producers to understand, plus affording better crop loss protection."

4-H Honors 25th Group Of Gold Star Recipients

Lubbock--Twenty-five years after a group of South Plains District 4-H members gathered for the district's first Gold Star Awards Banquet, this year's group of top 4-H members from the 20-county area received their Gold Star honors

Monday night (Nov. 22). The ceremony had special significance for two families: Two of this year's 41 honorees are children of two of the honorees of 1958.

Eight of that first group of 40 attended this year's banquet at the Coronado High School cafeteria. Joining them in saluting the recipients this year were government officials, parents, Extension leaders, fellow 4-H'ers, educators and other community leaders.

The Gold Star Award is the highest honor presented at the county level in 4-H, and is based on achievement, service and leadership. 4-H is the youth development program of the Texas Agricultural Extension Service.

Taking special pride in the reunion were Borden Gray, Jr. of Gail and Mrs. Olivia Worthen Robertson of Denver City. Gray was the 1958 Gold Star Boy in Borden County; his son, Glen, was the county's honoree this year. Mrs. Robertson was Hale County Gold Star Girl in 1958; her daughter, Lessa is Yoakum County winner this year.

Also back for the anniversary program were 1958 winners Nancy Beal Bowlin, Borden County; Lynn D. McDonald, Briscoe County; Darla Harris Shaw and Wayne Fowler, Crosby County; Warren Mitchell, Floyd County and Elmer Freedy, Jr., Hale County.

This year's Gold Star recipients from Hale County were: Patsy Davis, daughter of Mr. and Mrs. Jimmie Davis of Abernathy; Steve Reese, son of Mr. and Mrs. Truman Reese of Plainview;

Mandy Igo, daughter of Mr. and Mrs. Merwyn Igo of Plainview.

Noting the anniversary of the awards banquet here, State Rep. Jim Rudd of Brownfield challenged the young winners to attend a similar function 25 years from now and show that they are still winners.

"You will be," Rudd said, "if during the next 25 years, and for the rest of your life, you practice 10 qualities." He said these include positive self-awareness, positive self-esteem, positive self-control, positive self-motivation, positive self-expectancy, positive self-image, positive self-direction, positive self-discipline, positive self-projection and positive self-dimension.

As the Gold Star has five points, 4-H has at least five reasons to celebrate, the legislator told the group.

First, it is the largest youth organization in America, with more than five million members. The South Plains District has some 9,000 of those members, he noted.

Second, it is youth and adults working together. The 14,000 volunteer leaders in Texas contribute more than \$14 million a year in time, energy and materials. And it is a program which involves members and families.

Third, it teaches leadership and citizenship.

Fourth, 4-H is a special cooperative effort between government and private community. For every dollar in government funds, through county Commissioners Courts and the Extension Service, 4-H receives five dollars in private support.

Fifth, 4-H has something for everybody, with a vast array of projects and opportunities.

Master of ceremonies for the banquet was Jeff Klotzman, KMAC TV newsmen.

The honorees and guests were welcomed by Delbert Smith, manager of the Lamb County Electric Cooperative, Littlefield. His daughter, Amy, responded for the 4-H'ers. The awards banquet is sponsored each year by the following area electric cooperatives: Lamb, Bailey County, Cap Rock, Deaf Smith, Dickens, Lea County, Lighthouse, Lone Wolf, Lyntegar, Midwest, and Swisher.

The awards presentations were narrated by 4-H'ers Lonnie Howard of Hale County and Cleet Griffin of Dawson County. The awards were presented by Dr. Catherine Crawford and Billy C. Gunter, district Extension directors.

Dinner music was provided by 4-H'ers Angie Taylor, LaDeana Verrett and Tyler Reese of Crosby County. Frank Jesko, Parmer County, led the 4-H moto and pledge. Shelley Sain, Bailey County, gave the invocation.

A cat was once accidentally shipped from the United States to Australia in a Cadillac chassis. He survived the seven-week trip with no food other than the car's engine grease and instruction manual.

Rebates up to \$4,600 with a WAIVER OFFER
On new John Deere 50 Series Tractors, 100 to 190 hp, with Caster/Action™ MFWD

Exclusive Caster/Action MFWD will give you a big boost in field or feedlot work efficiency. And these introductory cash rebates from John Deere give you a big saving on the model you choose. Besides the MFWD rebate, there's more. If you buy ANY 50 Series 2WD or MFWD Tractor during this December and pay cash, finance wherever you choose, or finance with Deere without waiver, you qualify for the additional cash rebate as listed. Or you can have John Deere finance charges waived to March 1, 1983.*

Model	Cash Rebate for C/A MFWD	Dec. '82 Cash Rebate In Lieu of Waiver	Maximum Rebate

Antelopes Pick On 5-A Midland Lee

The Abernathy Antelopes defeated the Midland Lee Basketball Team (a 5-A team) twice last week, once here and once there.

The Antelopes, now 4-0, defeated Midland Lee the first time Tuesday, November 30 at Midland Coliseum by the score of 66-55.

In this game, the Antelopes charged out in front 23-11 in the first quarter. They scored another 15

points in the second quarter to lead 38-29 at halftime.

The Lopes had a comfortable lead of 9 points going into the third quarter, but Midland allowed them only 10 points this quarter while scoring 12 to draw within 7 points, 48-41.

The Antelopes scored their victory by scoring 18 points in the final quarter to Midland's 14 to win 66-55.

Cletus Irlbeck was the

leading point man with 19, followed closely by Larry Perkins with 18 and Ed Teal 16.

Lopes Defeat Midland Here

Midland gave the Lopes something to get excited about in the second game as the Lopes won by 4 points 79-75. This game was played here Friday, December 3.

The first quarter remain-

ed close as the Lopes scored 17 points to Midland's 14. The Lopes maintained their lead scoring another 21 points in the second quarter to Midland's 19 to lead 38-33 at halftime.

Midland tried to gain the lead in the third quarter by scoring 19 points to the Lopes' 16 to come within 2 points 54-52.

But the Lopes increased their 2 point lead in the

fourth quarter by scoring an incredible 25 points to Midland's 23 to win 79-75.

Sammy Galloway was hitting the basket with everything he threw scoring a high of 30 points for the Lopes, followed by Larry Perkins with 22 and Ed Teal 10.

The Lopes will play in the Snyder Tourney this Thursday through Saturday and Idalou there December 14.

JV Lady Lopes Win Third Tourney At Cooper

The JV Lady Lopes placed third at the Cooper Basketball Tourney at Woodrow December 1-3.

In the first round, the JV Lady Lopes met Idalou. They pounded Idalou 64-34 to win the first round.

The JV Lady Lopes did not run away with the game until the second quarter. They led 12-8 after the first quarter, but in the second quarter, the Lopes got loose and scored 24 while holding Idalou to only 6.

The JV Lady Lopes added 11 in the third and 17 in the fourth to win 64-34.

Phoebe Dunn scored 22 points and Johnna Harrell 15 in this game.

Second Round

The Lopes challenged Slaton in the second round and lost 48-71.

Slaton racked up 24 points in the first quarter and 16 in the second to lead 40-19 at halftime. The JV Lady Lopes could not come back in the second half.

Leading scorers for the Lopes were Johnna Harrell with 18 and Phoebe Dunn with 14.

Third Round

In the third round, (playoff for third place), the JV Lopes edged Ralls 60-56.

In this game the Lopes scored 15 points early

and led 15-9 in the first quarter. Ralls came back in the second quarter scoring 18 points while allowing the Lopes only 12 to tie the game 27-27 at halftime.

Both teams played offensively in the third quarter with the Lopes scoring 19 to Ralls' 18 points to lead by 1 point, 46-45 at the end of the third.

The Lopes added 3 points to their lead in the fourth quarter to secure their victory 60-56 and win third place in the tourney.

Phoebe Dunn led the JV fens in the scoring department with 23 points followed by Johnna Harrell with 13.

Lady Lopes Defeat Lubbock Monterey

The Abernathy Lady Lopes defeated 5-A Lubbock Monterey here Last Friday night 57-53.

The Lady Lopes have always been able to compete with the 4-A and 5-A teams and they once again

embarrassed a bigger school.

The Lady Lopes scored their high of the game in the first quarter with 19 to Monterey's 11. They scored 14 more in the second

quarter to lead 33-27 at halftime.

The Lady Lopes could not sit on a 6 point lead and feel comfortable, so they continued to apply the pressure scoring 12 more points in the third and 12 in the fourth to Monterey's 10 and 16, to win 57-53.

Kathie Ellis was the leading scorer for the Lady Lopes with 14 followed by

Vicky McKenzie with 10.

Owlettes Hoot About Victory

The Hale Center Owlettes have something to hoot about as they defeated the Lady Lopes by the slim margin of 41-38 Tuesday, November 30 here.

The entire game was close. The Lady Lopes led

8-7 in the first quarter, fell behind 16-17 by halftime, continued 1 point behind 28-29 by the end of the third quarter, but could not gain the lead in the fourth quarter scoring 10 points to Hale Center's 12 to lose 38-41.

Vicky McKenzie and Kathie Ellis were the high point shooters in the game with 10 points apiece.

JV Lopes Win First At Cooper Tourney

The JV Lopes defeated Idalou, Slaton and Ralls to win the Cooper Tourney held at Woodrow December 1-3.

In the first round, the JV Lopes punished Idalou 57-39.

The first half was a close game as the JV Lopes were behind at the end of the first quarter 11-12, but they tied Idalou by halftime 27-27.

The Lopes out-scored Idalou in the third quarter 14-7 to jump ahead 41-34. From there on it was smooth sailing as the Lopes shut Idalou almost completely down allowing them only 5 more points in the fourth quarter while scoring 16 to win 57-39.

Second Round

The second round was more of a challenge for the JV Lopes as they slipped by Slaton 52-48 in overtime.

The Lopes started out losing the game and it looked as if Slaton was going to dominate as they scored 14 points in the first quarter to Abernathy's 5 to lead 14-5.

Down by 9 points, the Lopes bounced right back scoring 18 points in the second quarter to draw closer to Slaton 23-27 at halftime.

Slaton was out to increase their lead in the third quarter and did by 4 more points to go ahead 41-33 by the end of the third quarter.

It didn't look good for the JV Lopes being down 9 points again as they had been in the first quarter. But, as they had done in the second quarter, the Lopes never gave up and fought back to completely dominate the fourth quarter. The Lopes scored 11 points while almost completely stopping Slaton allowing them only 3 points to tie the game 48-48.

The Lopes had eliminated the 9 point deficit in the fourth quarter and had come back to tie Slaton at the last moment.

The game went into overtime and the Lopes continued to play incredible defense letting Slaton score only 4 points while racking up the 8 points to win the game 52-48.

Scott Furgeson led the Lopes in baskets this game scoring 18 points. Lonnie Teal was second high man with 10.

Final Round

In the finals of the tourney, the Lopes edged Ralls 44-40 to win first place in the tourney.

The Lopes led 14-8 in the first quarter, 25-17 at halftime, 31-30 at the end of the third quarter, and scored 13 in the fourth quarter to win 44-40.

Furgeson was the leading scorer with 9 points followed by Shawn Knight with 8. Furgeson was the leading scorer in all 3 games for the JV Lopes.

Vance Smith

Services for Vance Wendell Smith, 64, of Midland were at 9:30 a.m. Monday at the Ellis Funeral Home Chapel with Rev. Bob Porterfield officiating.

Burial was in Brownfield Cemetery under direction of Ellis Funeral Home.

He died Saturday morning at his home. Justice of the Peace Robert Pine ruled the death due to natural causes.

He was born on Sept. 21, 1918, in Hollis, Okla. He married Ann Herndon Oct. 6, 1945, and moved to Midland in 1956. He was a pharmacist and a veteran of World War II.

Survivors include his wife; two daughters, Frances Smith of Abernathy and Kayla Jean Smith of Houston; a son, Daniel of Odessa; and two grandchildren.

The family suggests memorials to Community Living Evaluation Workshop, Midland.

Alice Patton

Services for Alice Patton, 89, of Abernathy were at 2 p.m. Monday at the Aber-

nathy Church of Christ with Condy Billingsley, minister, officiating.

Burial was in Abernathy Cemetery under direction of Chambers Funeral Home.

She died at 11:30 a.m. Saturday in High Plains Regional Hospital after a lengthy illness.

She was born in Erath County. She married John B. Patton in Huckabee Nov. 27, 1910. They moved to Terry County in 1929 and had lived in the Abernathy area since 1935.

Survivors include a daughter, Goldie Christesson of Brownfield; three sons, Marvin of Plainview, Wayne of Hale Center and Ray of Abernathy; a sister, Elizabeth Barton of Houston; a brother, Jessie Williams of Stephenville; seven grandchildren; 13 great-grandchildren; and seven great-great-grandchildren.

Her grandsons served as pallbearers.

Kathleen (Carr) Mills

Services were held for Kathleen Carr Mills, 62, of Houston, at 2 p.m. Sunday at the First Christian Church in Houston. Burial was under the direction of Settegest-Kopf Funeral Home.

She died Wednesday, December 1 at Park Plaza Hospital in Houston of cancer.

Kathleen attended grade school and high school at Abernathy. She graduated from Abernathy High School in 1938. She taught school at Canadian and at other places in the panhandle before moving to Houston. At Houston, she was the Assistant Director of Business and Office Education for the Houston Independent School District.

She was the daughter of James Dickson and Lillian Carr, former pioneers of the Abernathy Area.

Ramon C. Martinez

Services for Ramon C. Martinez, 53, of Route 11, Lubbock were at 10 a.m. Monday at St. Teresa's Catholic Church with Rev. George Tekkadum officiating.

"Love Dedication and Work"

Youth Story of the Month...Lonnie and D'Ana Howard

EDITOR'S NOTE: The following article, about Lonnie and D'Ana Howard of Abernathy, was printed in the October issue of the magazine "Purple Circle", which is a family and youth livestock publication distributed nationwide. The article was entitled "Love, Dedication and Work"... "Youth Story of the Month-Lonnie and D'Ana Howard. The article, and a picture of Lonnie, D'Ana and their parents, Richard and Suzi, is on page 31 of the October issue. The following is the article as it was printed in this magazine:

To Lonnie and D'Ana Howard showing stock comes first. They have been showing for eight years and plan on many more. Lonnie, 17, a Senior at Abernathy High School and D'Ana, 15, is a Sophomore at Abernathy High School. Their parents, Richard and Suzi Howard, have raised them on a farm fifteen miles west of Abernathy under a livestock image. Lonnie and D'Ana both entered 4-H at the age of 9 and have shown steers ever since. Lonnie showed his first steer at Plainview Stock Show in Plainview, Texas and sold the steer for a small profit. Since then he has exhibited the Grand Champion steer in 1978 and the Reserve Champion steer every year since then. His sister, D'Ana, has won the Plainview Stock Show in Plainview, Texas the past two consecutive years; last year with a steer raised by her father.

Other than the county level, the Howards show at all the major shows, and have won classes at the State Fair of Texas in Dallas, Fort Worth Fat Stock Show, and the Houston Livestock Show. This past year they placed above tenth at all of the five major stock shows: Dallas, Ft. Worth, San Antonio, Houston and San Angelo.

Both Lonnie and D'Ana are involved in many 4-H activities, other than livestock. Lonnie is presently serving as the Abernathy 4-H Club Chairman, and D'Ana is serving as Reporter. Lonnie is also the Hale County 4-H Council Chairman, First Vice-Chairman of District 2 4-H Council, and First Vice-Chairman of the Texas 4-H

Council. This past summer Lonnie and D'Ana won the Junior Beef Symposium at the Texas 4-H Roundup with an Embryo Transfer Method Demonstration.

Lonnie and D'Ana believe there are three major factors to showing steers. First, a showman must love what he is doing. He must be willing to give his all and take the good with the bad. Second, they believe in dedication. Without a willingness to "stick to it" and sacrifice all for their steers no exhibitor can be successful. And finally, work. Nobody ever said that showing steers was easy, and the Howards certainly don't believe it is. They consider the worst crime in show business is to ruin a good young steer by feeding him improperly and neglecting him. They believe that a champion can never be bought; he has to be made.

In keeping with their beliefs about work, the Howards have built a show barn and modified their pens considerably. Lonnie, and his father Richard, have done their own trimming for the past four years. In their barn they have included a trimming area that is complete with individual circuits for each set of clippers, wall and ceiling fully lined with eight foot fluorescent lights, and an overhead gas heater for trimming during the colder showing

months. Also in the barn they have a six calf capacity sand bed where they tie the calves in preparing them for shows and move in a portable air conditioner and fans during the warmer months. The barn also has a wash rack complete with hot water.

To Lonnie and D'Ana showmanship of their calves and themselves is the most important part of exhibiting. D'Ana with two showmanship awards to her honor, considers working her calves with a show stick at home and showing her calves in the ring the most enjoyable parts of showing. However, Lonnie, with six showmanship awards, and a first and second at Garretson Cattle Co. Grooming Contest enjoys the trimming and grooming as well as the selection of club calves the most.

In the future Lonnie and D'Ana look forward to showing more champion steers and increasing their involvement in their father's full blood Angus and half blood Limousin cows. Lonnie's father has A.L.'ed the herd for the past two years and sold several Maine-Anjou, Chianina, and Limousin calves as show steers. The past summer Lonnie attended an Artificial Insemination Seminar, and plans on raising show steers of his own someday.

PICTURE THAT WAS PLACED in "Purple Circle" magazine with an article about Lonnie and D'Ana Howard recently. The Article is entitled "Love, Dedication and Work" and is about their livestock showing accomplishments. This picture was taken last year when Lonnie had the reserve Grand Champion Steer at Plainview Livestock Show.

Legend has it that the great, early American artist Benjamin West made his first paint brushes out of hairs plucked from the tail of the family cat.

"SPEC has not had a wholesale rate increase since October 1972. Why now?"

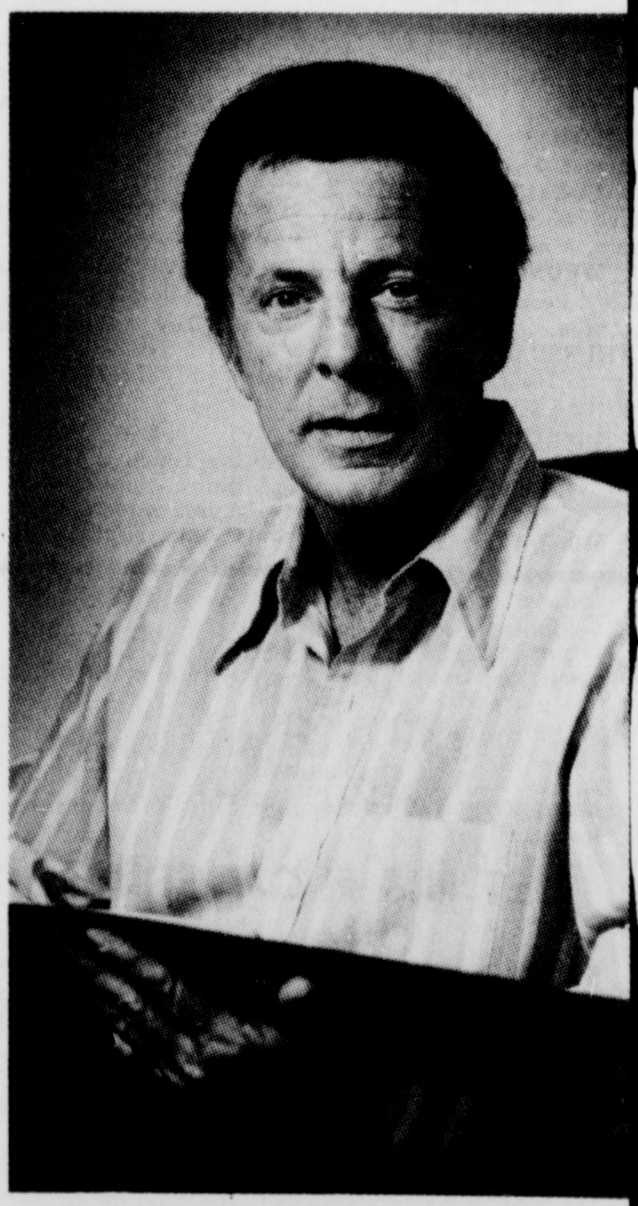

South Plains Electric Cooperative has absorbed many rising costs of distributing electricity by finding ways to operate more efficiently.

But with the wholesale cost of providing electricity going up, rates must go up too.

For the past ten years, SPEC members have benefited from low wholesale contract rates and have saved over \$6,000,000.00 since 1975. And even with the new contract, they can still expect to save at least 7-10% over municipal company residential costs.

South Plains Electric Co-op will continue to provide dependable service at the lowest possible rate.

This Weeks SHS Working Students

The DECA and HECE spotlight focusses on Debi Derickson and Tim Chandler this week.

Tim Chandler and Debi Derickson

a receptionist who greets and registers people, makes appointments, and handles problems and complaints.

Debi says she likes working because she has a lot of varied duties, the work is interesting, and she loves

the people she works with. She says she is treated very well and everyone she works with is friendly.

Although she loves her job, Debi is planning to change jobs because she does not get enough hours. After she graduates, she thinks she will probably go to college.

Tim Chandler is a working student HECE. He works at Save & Gain. Tim pushes shopping carts outside. He says he enjoys working and is treated alright.

Tim usually works about four hours a day. He also works with Chad Gravitt from Shallowater.

Tim's not sure about his plans for the future. As for his opinion about working, he says he's mostly in it for the money. By Kirk Garner.

Mustang FEVER... CATCH IT

Mustang Fever Staff

Seniors: Debi Dirickson - David Stalter and Eric Thompson
Editor and Kristy Tipton - Photography.

Juniors: Jon Sellers. Sophomores: Gracie Duenez and Kirk Garner.

Fresh artichokes will squeak when rubbed against another one.

Senior Spotlight...Sarah Sportsman and Bob Freeman

Mustang Fever features Sarah Sportsman and Bobby Freeman for the Senior Spotlights this week.

The first senior is Sarah Sportsman. She is the daughter of Mr. and Mrs. Jerry B. Sportsman. Born August 28, 1964, in Houston. Sarah is now 18 years of age.

Even though Sarah works at the Dairy Queen of Shallowater, she still finds time to watch her favorite T.V. Show, "Happy Days". Sarah is a member of F.H.A. Her hobbies are sewing, making hook rugs and many other hobbies. She enjoys sports, but the ones she enjoys the most are the ones she is active in such as basketball, volleyball, and touch football.

Mexican food, pizza and seafood are some foods Sarah enjoys. She listens to both rock and country music. "E.T." is the movie that Sarah enjoyed most. She also likes her Government class.

"I have a good personality, but sometimes a bad attitude about things," Sarah says about herself. She also said she proud of a medal she has won in a solo for choir.

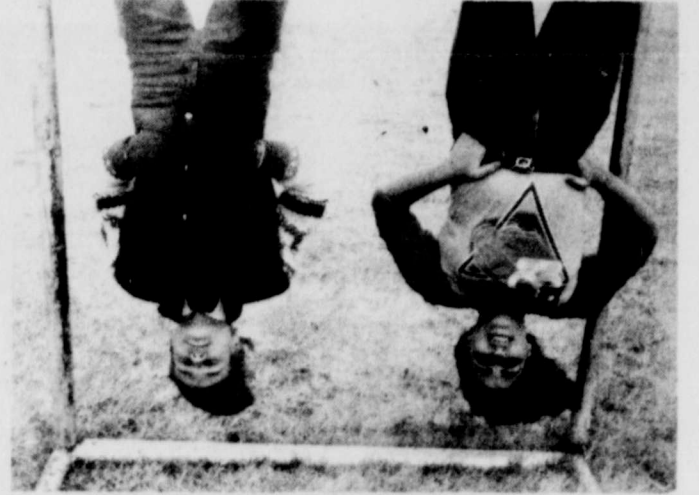

The second senior is Bobby Freeman. He is the son of Wendell and Lee Freeman. He was born in Tampa, Florida May 14, 1965.

At the age of 17, he enjoys the video game Dig Dug and he likes to go hunting. Pizza and spaghetti are the foods he likes the most. Bobby's favorite class is government.

The television series "Soap" is Bobby's favorite show. The movie he likes the most is "So Fine."

"I finally made it and I'm going to graduate!" is what

Bobby says about his accomplishments. Bobby thinks it's great to be a senior. His future plans are to graduate and go to college. By Gracie Duenez.

Bobby Freeman and Sarah Sportsman

Shallowater Cub Pack Members Presented Awards

Monday night, November 29, Shallowater Cub Pack 515 had its monthly pack meeting. Cub Master Tommy Powe presented the pack with their blue ribbons for their participation and booth display at the recent Scout-O-Rama.

Cub Master Powe handed out awards that were earned by the Cub Scouts of Pack 515. Cub Scouts who earned arthropoints were: Jr. Valverde, Brian Peak and Allen Decker.

The rank of Bobcat was presented to Cub Scouts: John Adams, John Mills, Joe Estrada, Joshua Kenney, Daniel Almstead, Chad Taylor, William Horton, Nathan Woodard, Rex Mitchell, Chris Day, Shane Walker, Casey Jumper and Dallas Mowery.

The rank of Wolf was presented to Richard Talafuse.

The rank of Bear was presented to Mike Day.

Webelos ribbons were

presented to Casey Jumper, Dallas Mowery and Brian Sparks.

The Webelos presented their Craftsman Activity Badge were: Brian Sparks, Cory Lusk, Joel Hohenberger, James Buck, Scott Horner, Alton Jones, James Reynolds, Jr. Valverde, Casey Jumper and Dallas Mowery.

To each of these Cub Scouts and their parents, a "Big Hand" for their achievements.

1/2 pint of milk served with each lunch.

Maintenance People Important To Function Of School

What makes a school function smoothly? People! Shallowater schools are fortunate to have several behind-the-scenes men and

women who work day in and day out to keep buildings useable, schedules running smoothly, and meet many students needs. These peo-

ple are as important to the educational process as are faculty and administrators.

Julie Escobedo's duties are cleaning the high school building. Juan DeAnda keeps the school grounds clean and the grass cut to keep the school looking tidy. Susana DeAnda keeps the hallways free of paper and trash. Stace Durham's duties are to keep the buses running smoothly and to keep them clean.

All these people do a great job at what they do. These people enjoy their work because they like what they do. By Jon Sellers.

EMS Has Annual Christmas Party

The Shallowater EMS held its annual Christmas party Saturday night, December 4, at the Roadhouse Restaurant.

There were 14 people present. Everyone enjoyed a nice meal of bar-b-que ribs, sausage and brisket, coleslaw, potatoe salad, beans and homemade breads was served.

Happy Birthday

Happy birthday to the following Shallowater locals: Lance Foerster, Stuart Smith, Lla Merrell, Dale Jackson, Dunk Williamson, Todd Preskitt, Beverly Greenway, Clint Lemon, Gary Tyree, Sandra Mensch, Shanna Mensch, J.M. Wiley, Rhonda Ellis, Randel Gartin, Wayne Herring, Cristi Pender, Roy Silvas, Johnny Revilla, Eusebio Trejo, Sara Garcia, Teresia Buck, Robin Terry and Robert Terry.

BIRTHS

Congratulations to Mr. and Mrs. Gary Leatherwood on the birth of a daughter, Shonna Kay, born Friday, December 3, at 10:16 a.m., at Lubbock General Hospital. Shonna was welcomed home by her big sister Jennifer.

Proud grandparents are Jerry Stewart and Beverley Leatherwood, both of Shallowater.

TOPS Club Meets

There were 6 members at the TOPS Club meeting and Sue Stephenson was back.

There was a total weight loss of 9 1/4 lbs. The Best Weekly Loser was LaRue Owens with a loss of 4 lbs. She was the winner of the Safety Pin Contest as she was the first person to remove all the pins from her ribbon. She will receive a gift for winning.

Mrs. Vivian Wittie joined TOPS Tuesday and we are glad to have her with us.

Scenes From The Fall Of 1982

Send "Letters To Santa" To The Review

It is time again for youngsters to write Santa and let him know what they want for Christmas this year.

Send your "Letters To Santa" to the Review. We will print them in the Review. Santa has a subscription, and to make

double sure he gets it, we will mail it on to the North Pole after printing it in the paper.

Send your Santa letters to the Abernathy Weekly Review, Drawer D, Abernathy. We will print them as we get them.

Remember when...

In 1964, Rooster (Paul) Crosnoe was elected to the New Deal Independent School District board of trustees. Crosnoe served on the school board for 15 yrs. and for 12 of his 15 yrs., he served as board president.

In 1979, Mr. Crosnoe chose not to come up for re-election and was succe-

eded as board president by Raymond Bufe.

Crosnoe is a 1949 graduate of New Deal High School and is a farmer in the New Deal area.

Happy Birthday Rooster!

HAPPY ANNIVERSARY this week to Mr. and Mrs. Wayne Teal.

BEAT SOUTHLAND

Letter To Santa

Dear Santa,

I hope that Rudolph the Red Nose Reindeer can come this Christmas.

I want a baby fussy and a new stroller. I will try to be a good girl and help my mom and dad take care of my sister. I hope you will bring me and my sister Alisha lots of toys she wants a baby doll and pompoms. We will leave you a snack so be sure to look for it. Have a safe trip!

Love,
Gayla and
Alisha Attebury

Shop Abernathy First, Save Time Money and Gas.

The fairest way to distribute accident costs is for each driver to pay an insurance rate that reflects as closely as possible the exposure to loss of his or her group. If you have a good driving record, you will pay less than others in your group who have been involved in serious accidents. As you get older the accident potential of your group will decline, and so will your rates.

AUTO TIPS

Checking Treadwear

A tire's ability to hold the road decreases as the tire's tread wears down. When the depth of a tire's groove is one-16th of an inch or less, lateral wear bars appear across the grain of the tread.

A tire that reaches this point is potentially hazardous, particularly on wet pavement, and should be replaced, according to Bill Woehrl, manager of industry standards for Uniroyal Tire Company.

The tread depth of a tire can be easily measured with a ruler, or with a Lincoln-head penny, he says. If a ruler is not available, insert the penny with Lincoln's head down; if you can see all of Lincoln's head, the tread is less than one-16th of an inch and the tire needs to be replaced.

Q. I'm young but I've never had an accident or even gotten a ticket. Why should I pay the highest insurance rates?

A. Good question. The fact is that good drivers as well as bad drivers have accidents. That's why insurance protection exists.

No one can predict which individual is going to have an accident. The accident potential for groups of drivers who share similar characteristics however can be predicted. This is the only possible way to make insurance rates.

Year after year, without exception, statistics show a consistent pattern: young drivers have more accidents than older drivers. Young males have more accidents than young females. And young unmarried males have more accidents than young married males.

We give healthy homeowner savings to non-smokers

Why? Because Fire Insurance Exchange, a member company of the Farmers Insurance Group, has found they tend to be better insurance risks. Non-smokers live longer, healthier lives and there is less chance that their houses will go up in smoke. So, if you haven't smoked in the past two years, call me today to see if you are eligible for real savings on your homeowners insurance and get acquainted with Farmers fast, fair, friendly service.

INSIGHT INTO EYESIGHT

VAN MOORE
DOCTOR OF OPTOMETRY

Glaucoma's Warning Signs

Any unusual pressure in the eyes may be a sign of glaucoma. Only early diagnosis and treatment can prevent loss of vision.

Glaucoma is an abnormal eye condition in which the watery fluid that flows through the eye fails to drain as it should. Pressure builds up on the optic nerve. If the pressure continues without relief, the optic nerve will be damaged and so will your ability to see well.

In its early stages, glaucoma can be controlled with medication to keep the pressure down. If that doesn't do the job, surgery can be performed to provide another outlet for the fluid.

But glaucoma is an insidious disease. It can sneak up on you

without your knowing it and cause serious eye damage before it's discovered. That's another reason why it's so important to have your eyes checked regularly. Your eye doctor is trained to look for signs of any disease as well as structural errors of the eye that cause vision problems.

No one should take chances with his eyesight -- especially when early detection of a disease can make a vital difference in saving it.

did you know?

Southwestern Public Service Company conserves fresh water by using reclaimed water. We buy sewage effluent (liquid sewage) from the cities of Amarillo and Lubbock, chemically treat the effluent, then use it as cooling water for our power plants. In partial exchange for this effluent, SPS also sells fresh water to the cities. Working together, SPS and the cities of Amarillo and Lubbock are making a difference in the availability and quality of one of our area's most precious resources—water.

J. R. Chafin, plant clerk, Jones Station, Lubbock.

Christmas trees can be a fire hazard if not cared for properly. Before setting up your tree, help "fireproof" it by cutting across the base diagonally. This will allow the tree to absorb more water and keep it from drying out too rapidly. When decorating your tree, check all tree lights for loose sockets or frayed wiring before placing them on the tree. And never use any lights that do not display the Underwriters' Laboratory seal. Caring for your Christmas tree properly can prevent a holiday tragedy.

Mike Costello, safety/claims specialist, Roswell.

The Averaged Billing Plan minimizes ups and downs in your electric bill. If you prefer to budget your bill each month, averaged billing may be for you. Using this plan, you pay a set amount each month, rather than the dollar amount of electricity actually used. This monthly rate is figured by averaging the dollar amount of your past 12 monthly bills. Contact one of our people at your local SPS office for more information about this free service.

Pat Smith, cashier clerk, Amarillo.

For answers to your questions, call or write your SPS manager.

You and SPS, partners managing electricity, make the difference.

Flint Bigham, Stephanie Evans, Tricia Garcia, Robert Givens, Lissa Goebel, Jeffrey Hannel, Dale Healy, Jared Knight, Joe Lucero, Ricky May, Ruby Perez, Lisa Pettit, Tracey Pope, Anthony Quinonez, Hidy Sanders, Donna Stallings, Elizabeth Waits and Rose Williford.

Eighth Grade: Kevin Galoway, Sandy Garcia, Gary Grisham, Sarah Hannel, Fredda Ann Harvey, Kara Havens, Helen Kester, Jerry Morgan, Laura Phillips, Corey Riddles, Nora Rodriguez, Anita Salinas, Darrin Stephens, Chuck Thompson, Sharmin Toler, Barbie Watson.

Two Abernathy High School Graduates Selected To Who's Who

Two Abernathy High School graduates have been included in the 16th annual edition of Who's Who Among American High School Students, 1981-82.

Who's Who, published by Educational Communications, Inc., Lake Forest, Illinois, is the largest high school recognition publication in the country. Students are selected by high school principals and guidance counselors, national youth groups, churches or by the

publishing company based upon students' performance in scholarship award contests or extracurricular activities.

Final selection is determined on the basis of criteria which include high achievement in academics and leadership in school activities, athletics or community service. Traditionally, 99% of Who's Who Students have a grade point average of "B" or better and 97% are college

bound. The 16th edition of Who's Who, published in nine regional volumes, features 363,000 students, or 5% of the nation's 6,500,000 high school juniors and seniors. They represent 20,000 of the 22,000 public, private and parochial high schools in the country.

Who's Who students also compete for over \$50,000 in scholarship awards and participate in the publication's annual opinion poll of

teen attitudes. The book is distributed on a complimentary basis to over 15,000 high schools, colleges, universities, and public libraries throughout the country.

Local students selected for this year's volumes are: Dee Ann Attebury, daughter of Mr. and Mrs. Wade Attebury, and Carrie Smyers, daughter of Mr. and Mrs. Billy Smyers.

Boy Scout District Exec. Speaks To Chamber

The Abernathy Chamber of Commerce met Thursday morning at 7 a.m. for breakfast and a business meeting.

Houston McGaugh, District Executive of the South Plains Council of the Boy Scouts of America, talked to approximately 20 Chamber members about the local scouting program.

He said that scouting hit its high point in the late 1960's and early 1970's and since then, has declined. Scouting has recently made a come-back and renewed interest in scouting has caused an upward trend in the program.

McGaugh stated that Abernathy has 102 youth eligible to be in Cub Scouts, ages 8-10, but there are only 24 in the local chapter. Robert Navarro is the local Cubmaster.

According to McGaugh, there are 110 boys eligible to be Boy Scouts, ages 11-13, but only nine boys scouts are registered locally.

McGaugh stated that for the Explorers program, which is an affiliate of the regular scouting program (for older boys), there are 235 eligible boys in Abernathy. Explorer age boys are ages 14-2.

"Navarro has the Cub Scout program going strong, but Abernathy needs some leaders to get the Boy Scout and Explorer groups going," McGaugh said.

Therefore, a Scouting Committee, made up of Chamber President John Hale, local scout promoter Rudolph Struve and Keith Tooley, will get together and discuss who would make potential Scout leader and Coordinators to get the local program going again. They will need to select a Scouting Coordinator (who a.m.

will be the scouts voice and vote at the District and County level) a Scoutmaster (to be the leader of the local scout troop) and Scout Assistants to help support the scout program as a whole.

Other Business

Minutes of the November meetings were approved and the finance report was discussed. It was discovered that the Chamber had a Bike Fund at the bank with \$34.50 in it. This was a fund set up many years ago that had been forgotten about. The \$34.50 will be transferred to the Depot Fund.

Keith Tooley, a representative for the Abernathy Lions Club, presented a check for \$102 to the Chamber to be put in the Depot Fund. This money was raised from the Lion's Seafood and Steak Sale held in November. This brings the total in the Depot Fund to \$262.30.

Research is being conducted to correct the community survey, which will be inserted into the community brochure.

No fund raising projects were discussed as the fund raising committee has not planned any.

Results of the 4th of July evaluations were printed in last week's edition of the Review. Suggestions made will be used when planning next year's celebration.

The "Crime Stoppers" program was briefly mentioned and there was no discussion on what to do about it.

Richard DuBose and Speck Cox cooked breakfast. The next Chamber meeting

\$4,521 Worth Taken In Another Rural Burglary

Wade Attebury reported to Hale County Sheriff's Deputies that someone entered two barns located eight miles east of Abernathy, Dec. 1 or 2, and took \$4,521 worth of items. Taken from the barns were two new 292-cubic-inch engines that were still in crates, and electric motor with metal cutting disks, two cases of motor oil, a set of welding cables, six tires and wheels, auto parts, air hammer, riding lawnmower, chain hoist and various hand and power tools.

A layer of paper toweling in the vegetable compartment of your refrigerator will absorb excess moisture.

COTTON TODAY

A NATIONAL COTTON COUNCIL SERVICE

SEN. HUDDLESTON TO ADDRESS COTTON MEET: Sen. Walter D. Huddleston (D-Ky.), ranking minority member of the Senate Agriculture Committee, will address the National Cotton Council's 45th annual meeting in Phoenix, February 6-8.

Sen. Huddleston also is ranking minority member of the Agriculture subcommittee on production, marketing, and stabilization, and the subcommittee on export promotion and market development of the Small Business Committee.

The Council annual meeting is expected to draw

some 1,500 cotton industry leaders from across the Cotton Belt. During the three-day session, delegates will review activities of the past year and adopt resolutions setting forth cotton policy positions and programs for 1983.

COTTON EXPORTS RISE: Net new cotton export sales of 38,900 running bales for the week ended November 25 pushed total commitments to 3,214,300 bales. The major buyers were Canada, 27,800 bales; Greece, 4,300; and Japan, 3,700. The week's export shipments totaled 75,400 bales, mainly to Asia.
