Aggressive Cooper Team Gets Revenge At Area

The Abernathy Lady Lopes lost a close battle to Cooper last Tuesday night at the Area playoff game held at Coronado High School in Lubbock.

It was about this same time last year that the Lady Lopes defeated Cooper at Bi-District by 2 points, 61-59. In that game, Vicky McKenzie made a basket in the final seconds that put the Lope Fems on top 61-59. McKenzie scored 19 points and Stacey Kelley 15 points in that game. Last year Cooper had a record of 28-2 before the Lady Lopes stopped them at Bi-District.

This year Cooper got revenge for the 2 point upset last year. They played an aggressive game and continued to apply the pressure on the Lady Lopes throughout the game.

The key to Cooper's success was number 32, Trina Heinrich, a 5'7" senior who scored 16 points for Cooper. 8 of her points came from free throws and she only missed 2 all night.

It was a close game all the way. The Lady Lopes charged out to take the lead first. Sarah Miller was making the shots for the Lope fems in the first quarter as she netted 6. ReGina Powell added 4 more points and the Lady Lopes were on top 12-8 in the first quarter.

In the second quarter, the Lope fems were plagued with fouls and had trouble passing the ball. Several passes went into the hands of Cooper and Cooper took advantage of the turn-overs. This was Cooper's biggest quarter as they scored 21 points, while holding the Lope fems to 13, to go

ahead 29-25 at halftime. Sarah Miller, Patricia Garcia and Stacey Kelley each made 4 points in the second quarter.

The Lady Lopes caught Cooper three times in the third quarter, 31-31, 35-35 and 37-37, which was the last tied score of the game. Cooper pulled ahead near the end of the third quarter 40-37 after Heinrich had added the 3 points to put Cooper on top.

Down by 3 points, the Lady Lopes fought to re-gain the lead, but Cooper's 5'11" Tina Gordon and Heinrich added 4 and 8 points, respectively, to extend Cooper's lead to 57-49.

The Lady Lopes never gave up and made one final attempt to come back, but time was running out. As the final buzzer rang, Johnna Harrell hit the basket to tack on the final 2 points, but the Lope fems lost 51-57.

Sarah Miller was the leading scorer for the Lope fems with 15. Stacey Kelley had 11 and ReGina Powell 8 points.

Coach Larry Steele stated that the biggest problem was our shooting percentage. "It is hard to win a playoff game when you hit 19 of 60 field shots for a 31 percent average," Steele said. Cooper hit 19 of 39 field shots and made the other 19 points with free throws.

Steele stated that the Lope fems really hustled and were prepared for the game, but "it was just not a good night for us," he added. He ended by saying that he is proud of the teams performance this year and is looking forward to next year.

Sharon Prather Chosen For "Leadership Texas"

A 34-year-old Abernathy woman was among 58 Texas women chosen for the first class of Leadership Texas, a program to prepare women for state leadership positions.

Sharon Young Prather is part of the group which is attending six 1983 seminars on leadership skills and Texas issues. The first seminar was held in Austin Tuesday and Wednesday.

Leadership Texas is a project of the Texas Foundation for Women's Resources and the selection include

corporate managers, entrepreneurs, attorneys, educators, community volunteers and health care professionals.

At the Austin seminar, the women heard addresses by Gov. Mark White, State Treasurer Ann Richards, Southwest Airlines President Herb Kelleher and attended an afternoon reception at the Governor's Mansion.

Abernathy Wants A Senior Citizens Center

Pledges And Donations Needed Immediately...

Approximately 100 citizens, primarily senior citizens, were present at the city-wide meeting, held Monday night at 7:30 p.m., to voice their opinion for a Senior Citizens Center for Abernathy.

At first, the large group of concerned locals were seeking more information about why the Chamber of Commerce is proposing a Senior Citizens Center.

Arno Struve, speaker for the Chamber, got up and announced that Abernathy could get federal funding for a Senior Citizens Center, up to 90 percent. He also stated that many area towns have these centers and they are very popular and successful. The strongest point Struve made was that Abernathy simply needs a Senior Citizens Center because there are a lot of local citizens that could benefit from having one.

SPAG Representative Speaks

Robert V. Marshall, Director of Aging Programs for the South Plains Association of Governments, (SPAG), was present to inform the group about how SPAG helps finance Senior Citizens Centers all over the area.

He stated that SPAG would provide 90-10% matching funds if a center was started. 90 percent of the expenses would be paid by SPAG if Abernathy could pay the other 10 percent. Abernathy's 10 percent would not have to be cash, but it could be paid "in kind", which is by services, such as man-power hours, etc.

Marshall stated that the center would be designed for persons 60 years old and their spouses. SPAG will

contract with a non-profit organization or a local governing body. Marshall recommended that the center be administered by the City, rather than by a chartered not-profit local organization, while getting the project off its feet.

The center could be leased by the City for 10 years, and then turned over to a non-profit organization under its own charter, after the 10 year lease is over.

Citizens Vote For Center

Arno Struve asked the group if they were in favor of acquiring the center. No one opposed it and the group was all for getting the center.

A question and answer session followed concerning what facility should be used for the center. The Santa Fe Depot and the old Legionnaire building were suggested.

Arguments for the Depot were that it would be located centrally in town and would be easily accessible. An argument against it was that it would be too small if a large number of senior citizens participated in the program.

Argument for the Legionnaire building was that it has a lot more room. Arguments against it were that it is a low-lying area and has been known to get flooded in the past, it is not centrally located, it would take a lot of paving, and it would take additional funds to improve it inside and out.

The meeting went into recess as everyone visited and took a 10 minute coffee and coffee break.

The meeting was started shortly and

Struve asked to see a show of hands of those who would prefer using the Depot building over the Legionnaire hall. The vote was almost unanimous for the Depot, but both buildings will be considered in the final analysis.

It was decided that the Chamber of Commerce will select a committee to investigate the pros and cons of both facilities.

Donations Being Accepted

Donations toward getting the Senior Citizens Center started are being accepted right now. Approximately \$1,500 in pledges to the project was made following the meeting. Added to the \$800 already in the Depot fund, the project already has approximately \$2,300 to work with. It is projected that \$10 thousand will be needed to get the project going.

Many of the pledges made were for amounts of \$200, \$250 and \$300. Anyone wishing to contribute to this worthy cause can do so by contacting Arno Struve at 298-2209, or go to the First State Bank and deposit your donation in the Depot Fund. The time is now to donate as this project needs to get off the ground immediately in order for Abernathy to be eligible for federal funds. So act now!

Cox On National GSPA Board

Walter W. (Speck) Cox of Abernathy, represents grain sorghum farmers of the Texas South Plains on the national board of directors of Grain Sorghum Producers Association. The group held its national directors meeting in Lubbock February 15.

Grain Sorghum Producers Association (GSPA) was organized in 1955 to develop markets for sorghum, to

promote research in sorghum utilization and production and to represent sorghum farmers in legislative matters. The sixteen-man national board is its governing body and makes its policy decisions. Directors are elected by sorghum farmers on a regional basis. Presently serving, are directors from Nebraska, Kansas, Oklahoma, New Mexico and Texas.

GSPA Officers Named

Officers of Grain Sorghum Producers Association are: Mabry Foreman, Felt, Oklahoma, President; Robert Green, Hartley, Texas, Vice President for Legislation; Larry Abeldt, Hope, Kansas, Vice President for Market Development and K.B. Parish, Springlake, Texas, Vice President for Research and Education. A.W. Anthony, Jr., of Friona, Texas is the organization's Secretary-Treasurer and Elbert Harp of Abernathy, Texas is Executive Director.

Antelopes Second In District

The Abernathy Antelopes defeated Friona February 15 to win second place in District and advance to the Bi-District playoff game.

Last year the Antelopes defeated Tulia 56-52 to win the District Championship. They went on to win Bi-District and were stopped by Dimmitt, the 3-A state champs, at Regional.

The Antelopes defeated Friona 68-52

to secure second place in District behind Undeafated Dimmitt (30-0)

The Lopes exploded in the first quarter scoring 21 points, while allowing Friona only 10. Both teams scored 16 points in the second quarter and the Lopes took a 37-26 halftime lead.

Friona strived to come back in the third quarter, out-scoring the Lopes 18-16, but the Lopes rallied in the final

period out-scoring Friona 15-8 to win 68-52.

Ed Teal was the leading scorer with 20 points, followed by Larry Perkins with 19 and Sammy Galloway 13.

The Antelopes finished District with a record of 8-2, losing only to Dimmitt twice.

The Antelopes advance to Bi-District and will take on Perryton, winner of District 1-AAA, today (Thursday) at 7:30 p.m. at Canyon.

Antelopes To Play Perryton Today

The Abernathy Antelopes will take on District 1-AAA Champions Perryton tonight (Thursday) at 7:30 p.m. at Canyon High School.

Abernathy will be the home team and fans will sit on the south side of the gym.

To get to Canyon High School, turn left at the first red light in Canyon, stay on this road and you will run right into high school.

Coaches' Comments

Coach Carl Irlbeck stated that he is very pleased that we won second in District "Winning second in this District is doing very well," Irlbeck stated.

"This will be an exciting game with Perryton. They have a good ball club," Irlbeck said. He also stated that Perryton is a well-balanced team. "Their five starters are strong players. We will work on them on the inside because Perryton usually plays an outside game," Irlbeck added.

"We will also have to stop 6 foot Clint Allred, who is one of the team leaders in points and calls the shots on the court for Perryton," Irlbeck ended.

Irlbeck is confident that we can beat Perryton, but he stated that it could be a very close game and the Lopes will have to play tough.

About Perryton

Perryton's five starters all played football. They have three bench players who can also come in and play well.

Perryton is 21-9 overall this year and 10-0 in District. Fourteen of their games this year were decided by 6 or less points, so they have won a lot of close games. They have won their 11 last consecutive games.

Perryton averages 51.6 points per game. From the field they have been shooting 39 percent and averaging 53 percent in the free throw department. They have won their District in basketball five out of the last six years.

Perryton's starters are Clint Allred, 6', averaging 10 points per game; Lane Schollenberger, 5'11"; Howie Slaughter, 5'10" and averaging 6

points; Danny Smith, 5'11" averaging 12 points; and Christ Smith, 6'3" averaging 10 points per game. Perryton is coached by Charles McLarty, who is in his second year there.

If Abernathy defeats Perryton, they will play either Idalou or Seminole at Area. Regional will be held March 4 and 5 at the Lubbock Coliseum.

Abernathy Has A CowBelles Chapter

There are many locals who may not know that Abernathy has a CowBelles Chapter. The CowBelles is a group of women, organized at the national, state and local levels, that are concerned with promoting the beef

industry.

According to Frances Mills, an Abernathy local and President of the Caprock CowBelles, the Texas CowBelles Chapter was organized in 1972. At this same time, the Caprock CowBelles Chapter was formed. The Caprock Chapter includes the entire Lubbock Region. Frances has served as President of the Caprock CowBelles for six years.

As President of the Caprock Chapter, it is Frances Mills' responsibility to see that the CowBelles in this area are aware of national, state and area CowBelle programs and that they participate in them if possible.

One such program is the 1983 Texas Beef Cook-Off which will be held in Laredo April 15-16. This is an annual CowBells event that is held to promote the beef industry. Anyone can participate in this event each year. Entry deadline for the Cook-off this year is March 1. Those interested in this event should contact Frances Mills.

Frances also stated that the 1984 Texas Beef Cook-Off will be held at Texas Tech in Lubbock.

At one time, there were approximately 15 members of the local CowBelles Chapter. Now there are only four members: Frances, Katherine Houston, Charlie May Griffith and Veneta Edwards.

FRANCES MILLS, President of the Caprock CowBelles Chapter, is pictured with two brochures about the Texas Beef Cook-Off to be held soon. Frances helped organize the local CowBelle Chapter, which at one time had 15 members. (Review Photo)

ONE OF THE GOLFERS on the pro tour some years ago was a pompous egomaniac with the emotional maturity of a six-year-old. He could do nothing wrong and always has a quick excuse for any loss; it was a lousy course, the other golfers were cheating, the weather was terrible, etc.

As if these faults were not enough, he was also not above hustling a few extra dollars playing amateurs in cities on the tour for \$50 a hole.

One day he was approached by a man wearing dark glasses and carrying a white cane who offered to play him for \$100 a hole.

"Why, I can't play you," the professional protested. "You're blind, aren't you?"

"Yes, I am," replied the man. "But that's all right. I was a state champion before I went blind. I think I can beat

you." Now the conceited one had not been doing well lately - he needed the money. Anyway, blind or not, if the guy was crazy enough to challenge him - well, why not? "You did say \$100 a hole?"

The blind man nodded. "Well, all right it's a deal, but don't say I didn't warn you - you'll lose your money. When would you like to play?"

"Any night at all," replied the blind man. "Any night at all."

in Lubbock Friday, April 29. If any of the members wish to attend, they need to call Cindy Robinson by March 4 and she will get the tickets. The nominating committee will meet and have suggestions for new officers at the March meeting.

Ruth Fulton presented the program, which was on operas. She said the word opera means "work" in Latin. She told about the different types of operas and played a record for the group.

Following the program,

refreshments were served. The table was decorated in Valentine motif. Heart-shaped sandwiches and a three-tiered heart shaped cake was served with punch and coffee by the hostesses, Irma Mae Spruiell and Cindy Robinson.

Those present were: Betty Reynard, Ruth Fulton, Alma Ruth Patterson, Lillie Mae Shipman, Fern Schaap, Frances Barrick, Marie Riddell, Cindy Robinson, Irma Mae Spruiell and Vicki Havens.

Sunshine Group Meets

The Sunshine Group met Thursday, February 17 in the Community Club room. thirty-five people were present.

The program was given by Dr. Lynn Lemon of Lubbock. Dr. Lemon is a retired Baptist preacher and does cowboy songs of the 1920 and 30's. He dresses the part of a cowboy and is a very interesting entertainer. He sings songs we use to hear a long time ago. He told us some of his experiences when he came to Texas. We all sang "Let Me Call You Sweetheart" together and everyone was singing that old song. We all knew it from memory. He sang one song for the bachelor and a song for the old maid.

Floyd announced about the building the City and Chamber of Commerce is planning to fix up for a home meeting place for all senior citizens of Abernathy, everyone took the attitude of "Wait and see".

Dr. Lemon announced about a tape called "Bible Moments" with Dale Evans and Pat Boone. He had a big part in getting the tapes

made, even though his name isn't mentioned.

Mr. and Mrs. Lemon sang the last song together and Mrs. Lemon promised they would learn some new songs before they came back again.

Floyd gave the closing prayer and the blessings. As usual there was a big table spread with lots of good food.

Those present were: Dot Von Struve, Dr. Lynn Lemon, Lucy Lemon, Floyd Shipman, Vessie Kemp, Katherine Dye, Lillie Mae Shipman, Bernice Smith, Maybell Glass, Betty Reynard, Ollie Selke, Jessie Duty, Minnie Northcutt, Juanita Brantley, Renota Druessedow, Harlow Neis,

Tucker-Lewis Wedding Vows Exchanged

Miss Anita Tucker and Guy Lewis, both of Lubbock, were united in marriage in a formal ceremony Friday, February 18 at 7 p.m. in Highland Baptist Church Chapel in Lubbock. Rev. Kenneth Stanton, associate minister of Highland Baptist Church of Lubbock, performed the ceremony.

The bride is the daughter of Mr. and Mrs. D.L. Tucker of Lubbock, and the granddaughter of Mrs. Nona Tucker of Abernathy. The groom is the son of Mrs. Carolyn Lewis of Midland, and Mr. Jerry Lewis of Metairie, Louisiana.

The bride, given in marriage by her parents, was escorted to the altar by her father. She wore a formal dress made of white satin and tulle with venice lace and a princess waistline. Her chapel length veil had matching venice lace. The bride carried a bouquet of yellow roses and white silk flowers.

Miss Tamara Williams,

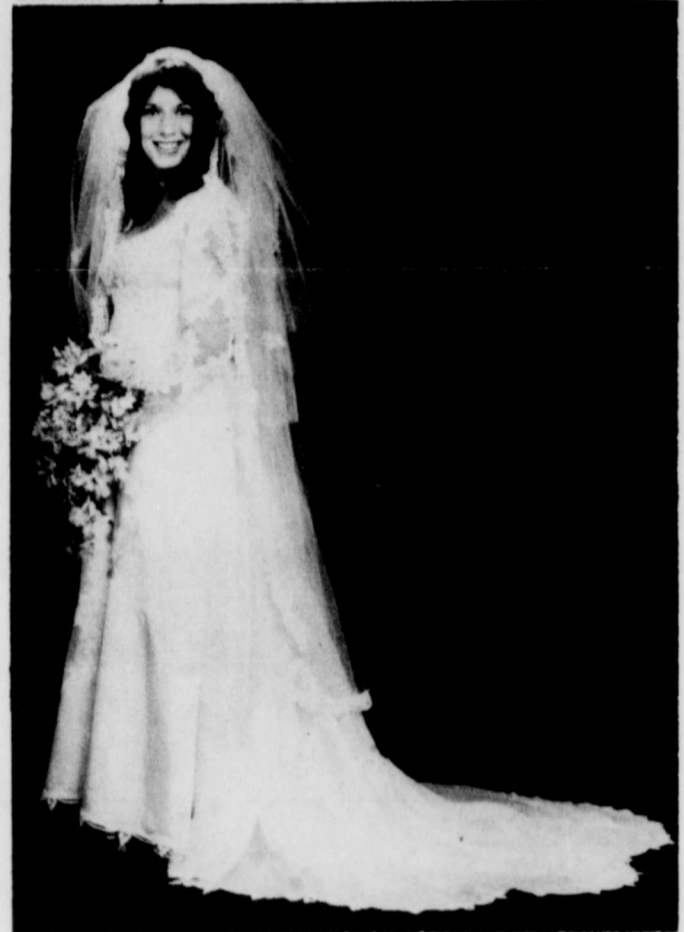

daughter of Mr. and Mrs. Bill Williams of Lubbock, was maid of honor. The bridesmaid was Mrs. Sherri Holland, sister of the bride. They wore formal gowns of melon quiana with draped neckline. Each carried a bouquet of silk roses and had combs with silk flowers in their hair.

Mr. Jerry Lewis, of Metairie, Louisiana, father of the groom, was the best man. Mr. Steve Holland was the groomsmen. The wore brown tuxes and the groom wore a white western tuxedo.

Mr. Chad Lewis, brother of the groom, served as usher.

Honored guests were Mr. and Mrs. John Williams, of Lake Whitney, maternal grandparents of the bride; Mrs. Carolyn Lewis, of Midland, mother of the groom; Mr. and Mrs. A.P. Slighs of Monahans, maternal grandparents of the groom; and Mrs. L.U. Lewis of Kermit, paternal grandparents of the groom.

Following the ceremony, the reception was held in the fellowship hall of Highland Baptist Church. The couple will live in Lubbock.

Kindness

Bro. Rosswell Brunner First Church of the Nazarene

Kindness is one of our basic needs. We all need kindness. An Act of kindness is like a shaft of light to a man in the darkness. It can dispel the cloud of darkness. All Christians should be done with no thought of return, but kindness shall return. Bahn said: "Speak kind words and you will hear kind echoes."

Kindness should be practiced in the home, church, and community. Kindness should not be with respect to

persons. Everyone needs and wants kindness. Give abundantly. Peter Marshall said: "When I am wrong, dear Lord, make me easy to change, and when I am right, make me easy to live with."

Sometimes our kindness goes unnoticed. "Kindness always pays, but it pays most when you do not do it for pay."

"A youthful giant slouched into a Illinois schoolroom one day after school. The teacher, Mentor Graham, looked up and recognized

the young husky, standing there awkwardly as the new young buck who had recently moved to town and who had whipped the daylight out of all the local toughs. Graham looked up and down the six-foot-four-inches of muscle and ignorance before him and offered to help him read and to lend him a few books. No one remembers Mentor Graham nowadays. He was one of the quiet men, but his pupil will be remembered for a long time. His name was Abraham Lincoln." William P. Barker

**GO LOPES BEAT
PERRYTON**

GOOD LUCK IN THE PLAYOFFS

FROM ALL OF US AT

Lady Lopes Win Bi-District

The Abernathy Lady Lopes defeated the Perryton team last Friday night to capture the Bi-District Championship and advance to Area.

The Lady Lopes met a tall Perryton team, but they out-hustled Perryton to win by 10 points, 53-43.

The strategy the Lope fems used throughout the game was to apply defensive pressure on Perryton, forcing them to make a lot of mistakes. The Lope fems were also able to take advantage of the mistakes by stealing the ball from Perryton on several occasions.

First Half

It took a while for either team to get warmed up in the first quarter. The Lope fems were plagued with fouls, allowing Perryton to make 4 points with free

throws. But by the end of the quarter, Vicky McKenzie had made 4 points, and Kathie Ellis, Sarah Miller, Stacey Kelley and Patricia Garcia all added 2 points each, to put the Lope fems on top 12-6.

The Lope fems had very few fouls in the second quarter and at one time had a 10 point lead. But Perryton scored 2 more points just before halftime, and the Lope fems led 25-17 at halftime.

Second Half

Perryton had to play catch-up the entire second half. They were down by 8 points, but came back to draw within 4 points of the Lady Lopes several times early in the third quarter. Late in the quarter, baskets by Regina Powell, Johnna Harrell and Stacey Kelley extended the Lope fem's

lead by 12 points, 39-27. In the final period, the Lope fems were in complete control of the game. They forced Perryton's 6 foot 1 inch Stacy Blasingame to foul-out early in the fourth. She had scored 11 points for Perryton.

Vicky McKenzie added 5 points, and other team members 9 in the fourth to finish-off Perryton 53-43. The Lady Lopes won Bi-District their third year in a

row. One of the highlights of the game was when Perryton's cheering section made the smart remark, "sit down coach" in chorus in which everyone yelled at the same time. Needless to say, Abernathy fans were not happy with this remark. Coach Steele just ignored the unpleasant remark.

Leading scorers for the Lope Fems were Vicky

McKenzie with 15 points, Stacey Kelley with 9, Sarah Miller 7 and Johnna Harrell 8.

SARAH MILLER tries to evade a Perryton player last Friday night at the Amarillo Civic Center. The Lady Lopes defeated Perryton to win Bi-District.

JV Lopes End Successful Season

The JV Lopes ended their season on a winning note by defeating Friona 50-45 last Tuesday at Friona.

The win gave the JV Lopes an overall record of 14 wins-6 losses, and a District record of 5-3.

It was a tough game for the JV Lopes as Friona jumped out to take the lead first, 12-8 in the first quarter. Friona out-scored the JV Lopes in the second quarter as well and held a 25-18 halftime lead.

Down by 7 points, the JV

Lopes went to work in the third period scoring 15 points, while holding Friona to 10. And in the final period, the Lopes rallied to out-score Friona 17-10 and take a 5 point victory, 50-45.

Lonnie Teal was the leading scorer with 14 points, followed by Harold Miller with 9.

Leading scorers for the JV Lopes this season were Lonnie Teal averaging 14 points per game, and Scott Furgerson, who averaged 13.9 points per game.

Oswalt Barn Burglarized

Hale County deputies are investigating the burglary of the Jerry Oswalt barn, about two miles north of Abernathy, Wednesday night, February 9.

Taken were two cases of antifreeze, two used batteries and three used tires.

Officers said that while the barn had apparently been rummaged, items of more value were overlooked.

7th Boys Take Second Place At Levelland Tourney

The 7th grade boys basketball team went to the Levelland Tournament February 10, and took the 2nd place trophy by winning 2 out of 3 games.

In the first game, the Yearlings played Morton and took a quick lead in the first quarter, with the score 8-2. But in the second quarter Morton and Abernathy both scored 4, to bring their lead to 12-6. But as the game progressed in the second half, Abernathy won 23-18.

The next game the Yearlings played was against Levelland's B team, and again the yearlings were the aggressive team with a 10-2 lead in the first quarter. In the second quarter, Abernathy played a good defensive and offensive game by scoring 5 points to Levelland B's 0, and this made the score 15-2 at the half. The Yearlings kept their lead through the third quarter with a lead of 27-4, and they went on to win with a final score of 34-10.

The championship game of the Levelland Tourney was with Levelland's A team, and the Yearlings suffered a defeat to this team.

The Yearlings kept up with Levelland A in the first quarter with a score of 6-6. But the Yearlings were out-scored in the second quarter, scoring 2 to their 12, which brought the score to 8-18. Levelland went on in the third quarter to score 6 to the Yearling's 5, and in the fourth quarter Levelland scored 12 to the Yearling's 1, to bring the final score to 14-36.

The Yearlings who scored during the tournament were Flint Bigham 2, Irvin Dunn 20, Pete Garcia 12, Rob Givens 14, Mark Heath 6, Bret Parker 9, Dewayne Young 3, Jeff Hannel 2, and Dustin Oxford 2.

In this reporter's point of view, the Yearlings finished off the year very well by winning 2nd in this tournament. By Jared Knight

Antelopes Defeat Shallowater In Scrimmage

The Abernathy Antelopes kept in practice last week by taking on 2-A playoff bound Shallowater, last Saturday night.

The Antelopes defeated Shallowater 72-67 to win the scrimmage. The Shallowater Mustangs are ranked 8th in the state in Class 2-A. They placed second in their District behind state-ranked Morton.

The Antelopes got off to a strong start in the first quarter over-powering the

Mustangs 20-10 in the first quarter. The Lopes out-scored the Mustangs 24-22 in the second quarter to take a 44-32 halftime lead.

The Mustangs got tough in the second half as they out-scored the Lopes in the third quarter 18-16 and 17-12 in the final period, to come close 67-72.

Ed Teal was the leading scorer for the Lopes with 27 points, followed by Larry Perkins with 16 and Cletus Irlbeck 15.

FFA Students To Attend Houston Livestock Show

Twenty one FFA members from Abernathy will be participating in the 1983 Houston Livestock Show and

Rodeo, February 19-March 6. With more than 30,000 expected livestock entries, the Houston Livestock Show

is once again the world's largest.

Those from Abernathy who will be attending the show are: Mark Bell, Lance Bigham, Ross Bradley, Jim Bob Carver, Tom Conway, Dan Evans, Jason Harris, Kelley Hill, Cletus Irlbeck, Everett Irlbeck, Cody Jones, Shad Kelley, Shawn Knight, Bruce Lloyd, Carey McKinney, David McKinney, Mary O'Neill, Amy Pettit, Holly Shafer, Brian Smith and Donnie Williamson.

"Our 1983 Show is going to be another spectacular event," noted Show President E. Norwin Gerhart. "With the combination of the finest livestock found anywhere, thousands of hard-working 4-H and FFA exhibitors, an exciting championship rodeo in the Astrodome and 17 of the biggest names in the entertainment world to perform here, the Houston Rodeo in 1983 just can't be beat!"

Stars for the 1983 Rodeo include Kool and the Gang,

Mel Tillis, Merle Haggard, Hank Williams, Jr., Lacy J. Dalton, T.G. Sheppard, Rosanne Cash, Eddie Rabbitt, Conway Twitty, Sylvia, Ricky Skaggs, Janie Fricke, Don Williams, Crystal Gayle, Larry Gatlin and the Gatlin Brothers Band, Charley Pride and the Oak Ridge Boys.

"We know that the Houston Show is an annual family event for fans from all across the state," said Gerhart. "And, it's still as affordable as ever, with ticket prices remaining at \$4.00 and \$8.00, just as they were in 1982."

Attending the Houston Livestock Show is a traditional event for fans and exhibitors alike. Renown as the most prestigious event in the livestock industry, the Show attracts the finest livestock in both the open and junior show divisions. And, with more than half a million dollars in prize money and premium auction prices above market value, the Show once again offers exceptional rewards for all the hard work involved in raising an animal to win a blue ribbon from Houston.

FARMERS...

Participation in PIK Program Means Higher FCIC Coverage

Farmers who participate in the new 1983 Payment In Kind (PIK) program automatically qualify for higher yield guarantees on their Federal Crop Insurance coverage for wheat, corn, grain sorghum, cotton and rice... at NO ADDITIONAL COST!

Yield guarantees will automatically increase anywhere from 6% to 10% for those who have FCIC crop insurance protection when they sign up for PIK. And, the premium rate stays the same.

If you have not already insured your 1983 crop against natural disasters that can occur during the growing season, you owe it to yourself to get more information on this FCIC production protection plan. Check out the added benefits available when you sign up to participate in PIK by the March 11, 1983 closing date.

Mexico Expected To Increase Grain Sorghum Purchases

Mexico may be the largest customer of U.S. grain sorghum this year. Purchases as high as 3.8 million metric tons (150 million bushels) are expected by a sorghum sales team which has just concluded a series of seminars and conferences with Mexican livestock and poultry producers. The team, led by Mabry Foreman, president of Grain Sorghum Producers Association and GSPA Executive Director Elbert Harp, report that Mexico needs seven million metric tons of feed grain per year to sustain their livestock industry. Only three mmt. of feed grain (mostly sorghum) was produced there last year. Breeding herds are now being slaughtered because

of grain shortages. "The demand is definitely there," Harp said, "but the devaluation of the peso has made all foreign goods very expensive in Mexico and the Mexican government will limit imports to the bare minimum. Actual sales will depend on a continued favorable price relationship." Mexico suffered a drought in 1982 which resulted in a poor grain crop and, at the same time, emptied reservoirs which were needed for irrigation of the '83 crop. This water shortage, coupled with short supplies of planting seed, points to a poorer than average crop this year. The GSPA market development team worked main-

ly with the swine industry. Dr. Don Orr, swine specialist at Texas Tech University, and the team conducted sorghum nutrition seminars for swine producers in La Piedad, Tepatitan and Queretaro. This area, located west of Mexico City, is the center of swine production in Mexico where some farrow-to-finish operations have as many as 200,000 head, making them some of the largest in the world. In the same area can be found some of the world's largest poultry farms. The GSPA team held one conference with poultry producers. They viewed many large farms. One cage layer operation has one million birds at the present time. The market for Mexico's meat and egg producers is Mexico City. By some estimates, Mexico's capital now has 15 million inhabitants making it the world's largest metropolis. "Mexico has serious economic problems," Harp ex-

plained. "They owe an \$80 billion foreign debt and the Mexican government is placing great emphasis on its repayment. They will, however, provide basic food products for the people. Imports of large amounts of grain will be necessary, at least until summer harvest begins."

The sorghum team included (in addition to Foreman, Harp and Orr) Ernesto DeLeon of Texas Department of Agriculture, Bob Beakley of Ennis, Texas, Clinton Williams of Panhandle, Texas and Edward Soeken of Chase, Kansas. Beakley, Williams and Soeken are sorghum farmers and members of GSPA who were selected to work with this team. Their expenses were paid through the market development support of Pioneer Hi-Bred International and Funk Seeds International, Inc. This is the second year these two commercial sorghum seed producers have assisted GSPA with market development projects in Mexico. The establishment and development of sorghum markets in Mexico is a part of the continuing activities of Grain Sorghum Producers

Howard Captures Chianina Championship At San Antonio Show

Lonnie Howard of Abernathy won Chianina Steer Breed Champion at the San Antonio Stock Show Saturday. His steer, Cowboy, a Chianina cross bred with Angus and Limousin, weighed 1160 lbs. and is 20-months-old. This steer has previously won Reserve Champion at a Fredericksburg show. Lonnie is dedicated to 4-H and is an active leader in his area's 4-H chapter. He has been showing steers for nine years and is now 18-years-old. This year Lonnie will graduate and lose eligibility to show in junior stock shows. He says, however, he intends to remain active on the breeding side of the business. Son of long-time steer breeder, Lonnie is a member of the Abernathy High School National Honor Society. He plans to attend Texas Tech University next year.

Association and U.S. Feed Grains Council. Sorghum checkoff programs in Kansas, Nebraska and the Texas High Plains provide the funds for much of this work.

Harris—who placed 5th with his Duroc, Shad Kelley placing 9th with his Duroc. Holley Shater placed 9th in Other Pure Breeds and Lisa Pettit placed 14th in the Cross Breed division. Eleven students from Abernathy attended the show. Harold Stillwell, Thomas Pettit and Ag Instructor Gerald Kelley accompanied the group.

Sorghum Scientists Set February Meet

Some of the nation's leading beef cattle and swine research nutritionists will be featured at the Thirteenth Biennial Grain Sorghum Research and Utilization Conference scheduled for February 23-24 in

Brownsville, Texas. They will review the newest techniques and findings in grain sorghum processing and livestock feeding.

Congressman Kent Hance (Texas 19th Dist.) will open the conference. His keynote address will be followed by specialists who will review recent research in animal nutrition and grain sorghum utilization as well as the complete range of grain sorghum physiology, breeding, chemistry, pathology, entomology, cultural and management practices. The purpose of the Grain Sorghum Research and Utilization Conference is to review ongoing research and to coordinate future research activities in order to achieve the maximum value for research investment. It attracts the leading grain sorghum scientists from throughout the U.S. and many foreign countries and brings together scientists from university research centers and from private industry. Farmers, researchers, and anyone interested in grain sorghum production and utilization are encouraged to attend. The two-day session will begin with the keynote address at 8:00 a.m. on February 23, 1983 at the Fort Brown Motor Hotel. Registration will begin on the previous evening.

COTTON TALKS

FROM PLAINS COTTON GROWERS, INC.

LUBBOCK, Friday, February 18, 1983

Western musicians, it seems, are always "a-pickin' and a-grinnin'."

And a few in agriculture, says a spokesman for Plains Cotton Growers, Inc., Lubbock, referring to the government's new payment-in-kind (PIK) program, are doing the same, while many more are still "a-PIK'in' and a-scratchin'" their heads.

Meanwhile there is a growing realization that time is running out. March 11 is the final sign-up date. And, even with the recent authorization of a special registry on which farmers can indicate sign-up intentions on March 11 when there isn't time to complete the full PIK contract, there remains a strong indication that a virtually impossible log-jam may develop at ASCS offices in early March.

Farmers signing the registry on March 11 still will have to complete the sign-up procedure by March 17,

according to a state ASCS official, to permit the scheduled opening of whole-farm bids on March 18. So, he adds, considering that the sign-up is taking an average of two to three hours per farmer, the situation is going to get serious if too many farmers wait until the last minute.

PCG officials, too, are urging farmers to sign up as early as possible, reminding them that PIK contracts signed now can be modified or withdrawn at the producer's request any time before March 11 if a situation later develops that indicates the need for a change.

"This is not a program in which temporary help can be used by ASCS for individual farmer sign-up," says PCG Executive Vice President Donald Johnson. "It is far too complicated for that, which means county ASCS people are going to need all the cooperation they can get from farmers if they are to meet deadlines."

So, Johnson adds, "we are encouraging producers to sign up now for what they think they are going to do, allowing most of the time-consuming calculations to be made while there is still time, then if they have a change of heart, a modification or withdrawal of the contract will be a relatively minor procedure."

Teal-Middlebrook Wedding Vows Exchanged Feb. 19

Kimberly Kay Teal and Randall Wade Middlebrook exchanged wedding vows in a double-ring ceremony at 7:30 in the evening, Saturday, February 19th at the First United Methodist Church in Shallowater. Minister David Cox officiated the ceremony.

The bride is the daughter of Mrs. Mitchell Malouf of Plainview and Mr. and Mrs. Doyce Middlebrook are the parents of the groom.

The bride was escorted to the altar by her grandfather, Mr. C.L. Owen of Abernathy.

The bridal gown was styled in candlelight silk organza and re-embroidered chantilly lace. The bodice was styled with a high neckline, accented by seed-pearls. The back of the bodice featured a row of covered buttons extending from the neckline to below the waist. A wide row of re-embroidered lace was at the bottom of the skirt where it circled the dress and became a part of the flowing chapel length train. The bride's hat was styled in chantilly lace accented with seedpearls, and featured a turned up side with silk flowers. An ivory satin oov with streamers and a rolled-edge fingertip veil

completed the hat. The bride carried a bouquet of white roses and red roses accented with English ivy.

Mrs. Mark D'Arcy of Borger, was matron of honor. Bridesmaids were:

Miss Teresa West of Lubbock; Miss Belinda Lawson of Lubbock; and Miss Patti Middlebrook, sister of the groom, of Shallowater.

The matron of honor and bridesmaids wore tea-length

Mrs. Randall Middlebrook

The appointments were silver and crystal.

The groom's table was draped with a candlelight linen cloth. His cake was red velvet in the shape of a Bible with the verse I Cor. 13:3-5 inscribed on it. The appointments were brass and crystal.

After a wedding trip to San Diego, California and Las Vegas, Nevada, the couple will reside in the Shallowater area, where the groom is engaged in farming.

The bride is the granddaughter of Mr. and Mrs. C.L. Owen of Abernathy and Mrs. Del Teal of New Deal. Grandparents of the groom are Mr. and Mrs. Paul Isbell and Mrs. Effie Lee Middlebrook, all of Shallowater.

The rehearsal dinner was held by Mr. and Mrs. Doyce Middlebrook last Friday evening at the 50 Yard Line Restaurant in Lubbock.

A bridesmaids brunch was given by the bride's mother, Mrs. Mitchell Malouf, at the Hilton Inn on the morning of the wedding.

Joe Maldonado and D'Aun Simants

Bands Give Concert

The Shallowater bands held a concert the night of February 17 in the High School auditorium. The sixth grade, junior high, and high school bands played. Rusty Sherman, the school band director, lead the bands.

The auditorium was full as the concert began. The highlight of the night came right before the high school band played "Tomorrow"

Study Club Meets

The Shallowater Study Club met February 1 in the home of Mrs. Larry Jarnagin.

Following a brief business meeting, Mrs. Christine Johnson presented her program on "Music as Therapy." Mrs. Johnson, who's daughter is a music therapist, gave an interesting and factual report on the use of music as therapy in hospitals.

Mrs. Grace Lee Woodruff gave her program on "Gardening with Mr. Burpee." The members learned how Mr. Burpee began his seed company and became better acquainted with the different seed varieties available for gardening.

Following adjournment, the members enjoyed refreshments provided by the hostesses, Mrs. Judy Jarnagin and Mrs. Kathee Lupton.

The next meeting will be March 1 in the home of Mrs. Burt Sinclair, 1209-6th, Shallowater.

This week's senior spotlight shines on D'Aun Simants and Joe Maldonado. Both seniors were born in Lubbock and are 18 years old.

D'Aun Simants is the daughter of Tom and Pat Simants. She was born January 22, 1965. Soccer and horseback riding are her hobbies. D'Aun doesn't

go for the cheap stuff; she likes steaks. "Animal House" was the movie most enjoyed by D'Aun. "It Takes Two" is her favorite T.V. show.

D'Aun says, "I'm glad I'm a senior." Her greatest accomplishment is getting through school. D'Aun does not work, but her future plans include finishing

school and getting a job. Physical Education is her most enjoyable class in school.

Joe Maldonado

The second senior is Joe Maldonado. Born September 12, 1964, he is the son of Mr. and Mrs. Rufino Maldonado.

It's great!" says Joe about being a senior. Government is Joe's most enjoyable class.

As active as Joe is, he still has time to watch his favorite show, "Dynasty." "Rocky III" is the movie that inspired him the most. Steaks and Mexican food are foods which are favored by Joe.

His hobbies are sports such as football, basketball, track, and tennis. These are the sports Joe is active in. Joe's future plan is to go to college and become a coach. By Gracie Duenez.

SOME RIDDLES FROM THE FARMERS ALMANAC 1983:

"Number Games" By Frederick John

I. YOUR SOCIAL SECURITY NUMBER

1. Take the last four digits of your Social Security Number, and double them. 2. Then multiply by two. 3. Add 260. 4. Divide by four. 5. Take away the last four Social Security digits.

II. PRESIDENT RONALD REAGAN

1. Pick any three numbers. The first and the last must be different. 2. Reverse this number, and subtract the smaller from the larger. 3. Reverse your new total. 4. Add the new total and the reversed figure together. 5. Add 822. (Be sure to count any zeroes that may appear in your calculations. Example: 302 minus 203 equals 099. When reversed, 009 becomes 990.)

III. THE YEAR OF THE GREAT BUDGET

1. Write down the year you were born. 2. Write down an important historic year during your lifetime. 3.

Next, put down the number of years that have elapsed since the historic year. 4. Put down your age this year on your birthday. 5. Add up the numbers on your list. 6. Divide by two, then subtract one.

ANSWER TO NUMBER GAMES:

I. Your answer should be 65 - the age you will start collecting social security.

II. You should have the year President Reagan was born, 1911.

III. If you calculated correctly you should have the year of the great, or not so great, (depending on your political persuasion) budget cut.

HAPPY BIRTHDAY TO:

Angela Teeter, DeWayne Davis, Louise Attebury, Margarita Otero, Lana Young, Debbie Sherman, Robbie Ramirez, Patsy Taylor and Sam Herron.

DEDICATED TO ALL THE FARMERS IN THIS AREA:

A farmer paying his first visit to a mental institution came upon an inmate on the front lawn, down on all fours, watching the grass.

Raising his head, the man said pleasantly to the farmer, "My job is to watch the grass grow. What's yours?"

"Well," replied the farmer tolerantly to the unfortunate, "my jobs not too different from yours. Except before I can watch things grow, I have to plow and plant the fields."

"Did you ever try being crazy?" asked the inmate.

"Why," exclaimed the farmer taken aback, "of course not."

"It sure beats the heck out of farming," said the patient.

Library Gets Several New Books

The Abernathy City-County Library has several new books that might be of interest to local readers.

James Herriott has four new books. He is an English veterinarian and these four books are about his years of practice in rural Yorkshire in the 1930's.

Mr. and Mrs. J.C. Montgomery visited her sister, Mrs. Clara Dedmond, in Hale Center Nursing Home this week.

Sarah Morgan's new book is "Dining With Cattle Barons Today and Yesterday". The book is about hospitality on the most famous ranches in Texas.

Robert Ludlum has three new books, "The Bourne Identity", "The Chancellor Manuscript" and "The Parsifal Mosaic", all of which tell exciting and interesting stories.

Check one of these or select from thousands of others at the Library.

From The Postmaster's Desk

By Postmaster Ken Moreland

Just because the big holidays have passed and the days are getting longer, is no reason to slow down with your letter writing. Writing letters is very important, especially to the recipient.

Mr. Jack Lang, as an editor, a collector of autographed letters and an advertising executive, has spent nearly half a century reading other people's mail in his search for letters that have a meaning even hundreds of years after they were written.

Many of those letters have been published in The Wolf Magazine of Letters, edited by Lang since 1934, and also are contained in the four books he has had published.

Lang says there's no doubt that other means of communication have had a negative effect on the quality of letter writing. But in his nearly 50 years of searching for letters to publish in the Wolf Magazine, he has never held back for fear one as good wouldn't turn up for the next edition. "I was warned at the beginning," he says with a laugh, "that I would soon run out of material for the magazine." Forty-eight years later, Lang continues to apply his standard--unless he believes the letter will astonish, amuse or

inform the reader it won't get published.

Lang says the one-of-a-kind selection in his new book was chosen from many thousands of letters for drama, inspiration and human interest, with particular emphasis on the unique and unusual.

One of the letters in that book, "Letters in American History: Words To Remember 1770 To The Present", was written by Elizabeth Jackson. She was near death with "prison fever" when she wrote to bolster the sagging spirits of her son, Andrew, the small boy who grew up to be our seventh President. Dear Andrew:

If I could see you again I wish you to remember and treasure up some things I have already said to you: in this world you will have to make your own way. To do that you must have friends. You can make friends by being honest, and you can keep them by being steadfast. You must keep in mind that friends worth having in the long run expect as much from you as they give you.

To forget an obligation or be ungrateful for a kindness is a base crime--not merely a fault or a sin, but an actual crime. Men guilty of it sooner or later must suffer the penalty.

In personal conduct al-

ways be polite, but never obsequious. No one will respect you more than you esteem yourself. Avoid quarrels as long as you can without yielding to imposition. But sustain your manhood always.... Never wound the feelings of others. If you ever have to vindicate your feelings or defend your honor, do it calmly. If angry at first, wait until you wrath cools before you proceed.

Love Mother

Be sure to record your love, your wit, your wisdom, your inspiration on paper and mail it to your loved ones for their joy and guidance into the future.

ACCESSORIES ARE AN EASY way to update a wardrobe, and a creative way to express your personality. They can also become expensive, but careful planning can enable a person to gain multi-purpose use from accessories, suggests Becky Saunders, a clothing specialist with the Texas Agricultural Extension Service, Texas A&M University System. Today's clothing guidelines are more relaxed than those of the past. This provides us with a wider range of fashions options to fit any lifestyle," Saunders adds. When choosing accessories, consider color, texture and shape that can add variety and interest, and work around a central focal point with closely related items to create a pleasing "together" look.

Crosbyton Solar Project Coordinator Speaks At Lions

The Abernathy Lions Club had a very special guest speaker at the Tuesday, February 15 meeting held at the small City Hall meeting room.

Lion Program Chairman for February, Hoppy Toler, introduced Travis Simpson, an Undergraduate Advisor and Research Associate at Texas Tech University, who gave a presentation on solar energy. He also informed the Lions about his involvement with the Crosbyton Solar Project. Simpson was

one of the coordinators of this project, which is the biggest solar research project in Texas and possibly the nation.

Simpson graduated from the University of Arkansas, where he played football for the Razorbacks for three years. He obtained a Bachelor of Education degree there. Then he attended Texas Tech University where he received his Bachelors Degree in Electrical Engineering.

Then he spent several

years in the Air Force where he obtained the rank of colonel.

Since then, he has been involved in numerous projects all over the United States and in other countries concerning solar energy.

Simpson travels all over the countryside briefing communities and companies on solar energy. He gave a short slide presentation followed by a question and answer session, in which many Lions participated.

John Block Addresses Sorghum Directors

Secretary of Agriculture John Block spoke to the GSPA directors by telephone from his Washington office. Block, along with USDA Chief Economist Bill Leshner and Associate Administrator of ASCA Roy Cozart, answered questions and concerns of the GSPA board. One of those concerns is the early Internal Revenue Service indication that PIK commodities will

be taxed at the time of receipt rather than at the time of sale.

"Farmers should not be concerned about that," Block said. "We may not know by the March 11 deadline, but one way or another, we will solve that problem." The same assurance was stated later by Leshner, who said, "There is no doubt we will get the tax

law changed so that commodities will be taxed when sold, not when the grower takes certificates."

The USDA officials also warned that there will be no extension of the March 11 deadline for sign-up, despite the fact that final announcement of PIK provisions had not been made. County ASCS offices may, however, allow producers to sign a roster before the deadline and return to complete the sign-up in the following week.

Bullock Holding State Checks Until State Is Paid

State Comptroller Bob Bullock said today he has \$1.5 million worth of state checks he can't give the people they're made out to because these people owe money to the state.

"The law says I can't issue a state check to anyone indebted to the state and I intend to collect every penny due before I turn loose of this money," Bullock said.

About 71 percent of the 5,000 checks Bullock is holding can't be sent to the payees because they are behind in their sales or

franchise taxes. If these delinquent taxpayers would pay their overdue taxes, Bullock would release checks worth \$899,000.

Bullock said there's almost \$630,000 frozen because people haven't repaid loans obtained under the Hinson-Hazelwood and National

Direct Student Loan programs.

"There are 101 retired state employees who have a total of \$40,448 coming to them if they'll pay up," Bullock continued.

"There's also \$516,019 due 866 retired teachers and \$31,089 due 67 state employees."

He said \$5.3 million owed Texas has been collected since 1978 when the law became effective.

Laney Seeking Ag Legislation

Rep. Pete Laney, D-Hale Center, has introduced two bills intended to "clean up" rulemaking provisions of the Agriculture Code.

HB 524 deals with the authority of the Department of Agriculture and Animal Health Commission, and is intended to "eliminate some discrepancies" from prior law which resulted when the code was adopted, Laney explains.

HB 525, which deals with control and eradication of anthrax, is intended to eliminate provisions which had included authority over the disease under the Department of Health, which never has exercised that jurisdiction, Laney says.

STATE REP. PETE LANEY (D-Hale Center), (left) accepts the gavel as chairman of the House Committee on State Affairs for the 68th Legislature from Speaker Gib Lewis in recent ceremonies.

Rep. Laney, who is serving his sixth term in the House, was also appointed to the House Committee on House Administration.

The Committee on State Affairs will have jurisdiction over all matters pertaining to questions of state policy, the administration of state government, the organization, powers, regulation, and management of state departments and agencies. Additionally, the committee has jurisdiction over the defense of the state and nation, veterans of military services, and the operation of state government and its agencies and departments.

"The operation of state government is complex to say the least. The continuing need to see that it is run efficiently and at the lowest possible cost in terms of taxpayer dollars, is the direct responsibility of the House Committee on State Affairs," Lewis said in announcing Rep. Laney's appointment.

Spring Fling '83-Camp For People Over 55

Spring Fling '83, an Extension camp for people over 55 is back again. There will be four fun-filled camps to choose from at the Texas 4-H Center located in a lovely wooded area on the shores of beautiful Lake Brownwood, states Mrs. Wynon Mayes, County Extension Agent.

Camp dates are: Spring Fling 1 - April 12-15, Spring Fling 2 - April 19-22, Spring Fling 3 - April 26-29 and Spring Fling 4 - May 3-6. You may make your reservation with a \$10.00 deposit and it is wise to make your decision early as to the date you would like to go to, states Mrs. Mayes, as the registration fills very quickly.

The program and activity choice is up to you. There will be learning sessions, nature hikes, a luau, boat rides, outdoor recreation, and sports as well as dancing, bingo, and social activities. Don't forget your fishing pole because there is plenty of good fishing on the shores of Lake Brownwood.

Cost for the entire event is \$63.50. This includes room, board, all meals, refreshments, linens, and accident insurance. It's the best camping deal in Texas. If you want more information or wish to make reservation, please contact me at the Extension office, 293-8481, Ext. 296, states Mrs. Mayes.

Art Of Printmaking Symposium Feb. 24 and 25

The art of printmaking will be the subject of a Feb. 25 symposium at The Museum of Texas Tech University.

Artists from Albuquerque, San Francisco and cities throughout Texas will discuss the "state of the art" and deal with common problems and advantages faced by printmakers coast to coast.

In addition, printmaking demonstrations are scheduled Thursday, Feb. 24, in the Texas Tech Art Department. Both events are planned in conjunction with the 10th Colorprint U.S.A., a national competitive printmaking exhibition, bringing the works of hundreds of American printmakers to the Texas Tech campus.

The public is invited to all events, including exhibits of the selected Colorprint works, March 6 through April 3 in the Teaching Gallery of the Art Department, and simultaneously at The Museum.

There will be two printmaking presentations from 9 a.m. to noon Feb. 24.
