# **Lutrick Family And Struve Presented Awards At Chamber Banquet**

Arno Struve and the Lewis Lutrick family were presented awards at the annual Abernathy Chamber of Commerce Banquet held last Thursday night at the Abernathy Community

Center. Arno Struve was presented the distinguished "Citizen of the Year" award and the Lewis Lutrick family was honored with the "Farm Family of the Year" award. A plaque was also presented to John Hale for serving as the President of the Chamber this past

The banquet opened with a dinner catered by Fins and Hens of Lubbock. Bettie Hardin provided dinner music as she played piano for the large crowd of approximately 200.

Following dinner, Master of Ceremonies Y.F. Snodgrass accounced the theme of the banquet "Abernathy-A Good Place To Live" and stated some of the reasons why Abernathy is such a great community. Y.F. then presented a dentists bib and spit cup to out-going President John Hale.

Y.F. then recognized the special guests present at the banquet. They were: Marie Harris and Don Appling from the Plainview Daily Herald, Hale County Commissioners Henry Rieff and Home: Roberson, Lubbock County Commissioner Franklin Dunn, Justice of the Peace Shirley Groce, Mr. and Mrs. Paul Enger of Lubbock, and all the way from New Jersey, Mr. and Mrs. Bill McSweeney.

New Chamber President Arno Struve was asked to speak. Struve presented John Hale with a plague of appreciation, then proceeded to give his acceptance speech. Struve stated that Abernathy is a good place to live for a number of reasons. He stated that Abernathy is great because of its 10 churches, progressive school system, strong City government, a volunteer fire department second to none, a devoted EMS and good businesses which serve the people and

Struve also stated that he had several goals he hoped to achieve as Chamber President this coming year. They are: To change the Abernathy Chamber of Commerce to Abernathy Chamber of Commerce and Community Development, have a membership drive, and get more ideas from more local citizens on how the community can be improved. He also memtioned that Abernathy will be 75 years old next year and festivities would need to be planned such as a Diamond

Y.F. then made some closing remarks about John Hale, saving that no other past Chamber President can say that they brought 45 inches of snow and dumped Chamber of Commerce Park on the City in the

Myrna Davis, last year's outstanding citizen, then presented the "Citizen of the Year Award" to Arno Struve who actively managed the

Struve Cheese Factory from 1935 until 1951. He helped organize the Abernathy Farmers and Merchants Club in the late 1930s. Struve is a charter member of the Abernathy Lions Club and served as its president twice.

He served several years on the South Plains Health System Planning Board. Struve helped organize the Hale County Historical Society and to raise money for the Llano Estacado Museum in Plainview. He has promoted the fiddlers contest held here and been active in the Abernathy Senior Citizens group.

A member of First United Methodist Church, Struve has taught a men's Sunday School class and sung in the choir many years.

In 1935 Struve married Minnie Horton and they have four children: Mona Struve Toler, who has a BBA degree from Texas Tech University and is store manager of Struve (Continued on Page 3)

CITIZEN OF THE YEAR award went to Arno Struve. His family was also present to honor him at the banquet. (Review Photo)

# City Accepts Three Lots For **Railroad Depot Location**

THURSDAY, APRIL 21, 1983

The Abernathy City Council met Monday, April 11 at 7:30 p.m. to discuss several important business items, one of which was to accept three lots in which the railroad depot will be located.

THE PALM OF THE PLAINS" Volume 62, No. 23

The Council accepted three lots from Rudolph Struve. Struve donated the lots to the City to use as the location for the Santa Fe Depot, which will be converted into a senior citizens center. The lots donated were 31,32 and 33 of block 118 of the original town of Abernathy. The lots are located just north of the Methodist Church parking lot and just south of the theatre

## Other Business

The meeting was called to order by Mayor Pete Thompson with all council members present. The minutes of the March 14 meeting were discussed before being approved. The Council discussed getting extended area telephone service from General Telephone. the City has previously passed a resolution that General Telephone do a study on extended service for Abernathy. The service would allow Abernathians to call Lubbock without it being charged as long distance. General Telephone is presently doing a study of Abernathy to see if it will be feasible for their company and how much more they would have to charge each local resident for this service if it were installed. The City does not expect to hear from General Telephone until June on this study.

The Council canvassed the April 2 City election ballots and certified that Gary Grant, A.C. Harris and Pete Thompson were the winners. Thom-

**Seal Coat Contract** 

[ SERVING HALE, LUBBOCK COUNTIES]

The Council examined the bids submitted to them concerning the city seal coat contract for the coming year. Six bids were received by the City and the Council accepted the lowest bid, given by Hi-Plains Pavers of Plainview to seal coat City streets for 501/2 cents per square yard, or a total cost of \$25,654. Other bids received were as follows: Ronnie Zehn Pavers of Lubbock - 52 cents sq. yd. or \$26,416; Lipham Construction Company, Inc. of Aspermont - 55 cents sq. yd. or \$27,940; Lubbock Asphalt Products of Lubbock -55 cents sq. yd. or \$27,940; Jake Diel Dirt and Paving, Inc. of Lubbock - 571/2 cents sq. yd or \$29,210; and Grimmett Brothers, Inc. of Snyder - 65 cents sq. yd. or

\$33.020. Hi-Plains had previously seal coated the streets for Abernathy as they had the contract in 1976 and 1979. City Manager Rod Ellis stated that they

Harrison-Morgan Headed For

have done good work for the City in the past and should do a good job for the City this year.

U.S.P.S. NO. 003-340

### Request By EMT's For Summer Class

Charles Bowen was present at the meeting to ask the Council to consider a request by Abernathy EMT's for the City to sponsor a Basic Emergency Medical Special Skills Class in

Abernathy this summer. Bowen stated that the local EMT's want to learn more so they can be of even more service to the community. He also stated that on approximately 80 percent of the ambulance runs to Lubbock, Lubbock Hospitals ask Abernathy EMT's if they can start I.V.'s, but none of the local EMT's have had this training. Therefore, Bowen asked that the Council consider his request for the City to sponsor an Airway and I.V. Certificiation course this summer Abernathy. He also stated that 10 of the local 20 local EMT's have expressed their interest in taking this

The dates of the course would be June 14-September 15 and Jeff Young of Lubbock would be the instructor. Bonnie Jackson would also help get

the program started and organized. It would cost the City \$150 for each

Going To Bed Saturday Night

SPAG AWARDED the City of Abernathy \$16 thousand to get our senior citizens center going. We had requested \$28 thousand, but we are very grateful for the amount we did Pledges and donations are still

reckless thriving.

being made and we are close to reaching our \$10 thousand goal to get a foundation laid and the depot moved. This does not mean that we will not need any more contributions. Large sums of money will be needed from here on out. It will take a lot more than \$10 thousand to get the center established. The \$16 thousand from SPAG is to be used to fix up the inside of the building. Therefore, keep those donations

coming in because the money will be put to good use on down the line. The area around the center will need to be landscape and sidewalks constructed to make the center accessible.

BE SURE AND NOTE the dates and times of the events coming up in May. Especially note that the All Sports Banquet and the FFA Banquet will both start at 8 p.m. Last week it was reported that they would both start at 7 p.m., so note this change.

FOND MOTHER: "I hope my little darling has been as good as gold all day." Baby sitter: "No, ma'am, he went off the gold standard about ten

CAT RABIES IN TEXAS is up 91 percent. According to an article I read recently, rabies in cats has risen 147 percent in the past five years. In 1982.

Texas two-to-one. The increase in rabid cats has been attributed to people not getting their cats vaccinated against rabies. It is estimated that only 4 percent receive immunizations.

rabid cats outnumbered rabid dogs in

We see stray cats running around Abernathy all the time and they make their homes wherever they want to. We haven't heard any cases of rabid cats locally, but as many as there is running around, there is a good possibility that there are diseased cats in Abernathy.

Those who decide to get rid of their cats or dogs should find homes for them, not let them out in the alley or haul them off to another location, such as my house. We hope those who have dogs and

cats are responsible enough to take care of them. Those who are responsible do a service to the entire community.

# What Do We Pray For?

Our prayer lives are, or at least should be, an important part of our lives. This is the time when we communicate directly to the very God who made us. Prayer should not be approached lightly.

Let's look for a moment at the Apostle Paul's prayers. How did he pray, and for what did he pray? Philippians 1:9-11: "And

this I pray, that your love

66 Butane

may abound...that ye may be sincere and without offence till the day of Christ, being filled with the fruits of righteousness..." Colossians 1:9-12: Paul

prays that the Colossians might have understanding. wisdom, insight, the fruit of righteousness and joy. I Thessalonians 1:2-3:

Paul prays, "We give thanks to God always for you all, making mention of you

# Area Spina Bifida Chapter To Be Formed

WHAT WOULD YOU GUESS...is the number one disabler of newborn children in this country? Muscular Dystrophy? Multiple Sclerosis? Polio? Guess again! The most common disabler of newborns in the United States is Spina Bifida. It occurs more frequently than Muscular Dystrophy, Multiple Sclerosis, Polio and

ed by Mrs. Vera Pope and

Bessie Waters. "We may

be a small group, but we

have a wonderful time and

fellowship together," a club

member said.

man, Reporter.

Cystic Fibrosis combined. Spina Bifida is a birth defect which involves damage to the spine and nervous system. The vertebrae of the spine and the spinal cord are not formed properly and surgery is usually required immediately after birth. The longterm effects frequently include paralysis of the legs and problems with bowel and bladder control. Spina Bifida is often accompanied by hydrocephalus (accumulation of fluid within the brain), which is controlled by surgical procedure (shunting) relieving the fluid pressure. Genetic counseling should be sought by all people with any form of Spina Bifida, hydrocephalus or a family history of either condition. Prenatal diagnostic testing for Spina Bifida is available to interested

Spina Bifida, despite its prevalence, was virtually unknown until recent years. Prior to the early 1960's, the majority of children born with Spina Bifida either died shortly after birth or suffered serious multiple handicaps and retardation. Thanks to medical advances, nearly all newborns with Spina Bifida now survive. Today, with thanks to aggressive medical care. we can expect children born with Spina Bifida to have normal intelligence, normal lifespans, and be able to become contributing members of society.

Spina Bifida strikes thousands of newborns every year in the United States. This birth defect cannot be

ignored. Anyones life could someday be affected by this birth defect.

Rita Funk is a parent of a child afflicted with this birth defect. When Rita was pregnant with her now 41/2 year old son, Christopher Ashley, she had no idea she would have anything but a normal, healthy baby. But after the delivery was over and Mrs. Funk was returned to her hospital room, she was met by words like 'open spine" and "fluid on the brain." The diagnosis: Spina Bifida. Mrs. Funk admits she was apprehensive about seeing her son for the first time. Her apprehensions were soon overcome as she and her husband Terry, maintained a strong bond of love and support for Chris.

As it turned out, the Shallowater couple needed all the determination they could muster. But it has paid off, and Chris and his family are well on the way to leading the type of normal life some medical specialist thought wouldn't be possible.

Mrs. Funk, being a concerned and determined parent, has been busy developing a Spina Bifida Chapter in Lubbock. She has been appointed Chairman of the Lubbock Chapter and hopes to direct other parents with Spina Bifida children to her organization. To offer them support and guidance is her main objective in this Chapter. However, any interested persons, such as social

are urged to become members also. In promoting public awareness and action by initiating a supreme effort to inform the public about Spina Bifida and associated crippling birth defects, Mrs. Funk asks for your held and support. "Lets make today's dreams tomorrow's reality," she For more information, call

# Varsity Boys Tennis **Team 1st At District**

The Abernathy Boys Varsity Tennis Team once again showed the rest of the District why Abernathy is one of the Regional power-houses when it comes to tennis. Abernathy won first place in District last Wednesday with 35 points.

Dimmitt came in second with 20 points, followed by Friona and Muleshoe with 10 points each, and Littlefield and Tulia shared last place with no points.

his

nip

in

Cletus Irlbeck, Abernathy's number one tennis player for the past several years, will be making his fourth consecutive trip to the Regional Tennis Tourney. His freshman year, Irlbeck and doubles partner Sam Dominguez, won at Regional and went on to State. As a sophomore, Irlbeck and doubles partner Roger Pinson won at Regional and went on to State. And last year as a junior, Irlbeck won Regional in singles and competed at State his third year in a row. This year he is playing singles again, and according to Tennis Coach Carl Irlbeck, "he is playing the best tennis I have ever seen him play.'

Irlbeck captured the District singles championship by winning three matches. Being the number one seed at the District Tourney, Irlbeck had no trouble downing Silguero of Muleshoe 6-1, 6-1; Simmons of Littlefield 6-0, 6-0 in the semi-finals; and Charlie Veazy fo Friona 6-2, 6-1 for the District title.

Charlie Ortiz also gave a fine performace in the boys singles. In the first round he defeated Lloyd Champion of Littlefield 6-1, 6-1. Next Ortiz took on the number two seed Terry Graves of Muleshoe and crushed him 6-2, 6-2. In the semi-finals, Ortiz lost a tough match to Charlie Veazy of Friona 4-6, 2-6. Ortiz then played Simmons of Littlefield for third place

and won easily 6-1, 6-0.

In boys doubles, Kelly Hill and Rupert Ramos got a bye the first round. In the second round, they wiped out Rusty Hopper and Shawn Jennings of Tulia 6-0, 6-0. They advanced to the semi-finals and took on the tough Muleshoe team of Preston Scoggin and Jarrod Embry. Hill and Ramos won this match 7-6, 6-1 to advance to the doubles final. In the finals, they took on the brother duo of Joe and Richard Sauceda of Dimmitt, but lost this close match by the score 2-6, 7-5, 0-6. They placed second in District and will advance to the Regional Tourney with Irlbeck.

Know your apples...each has its own flavor and distinct characteristics.

Second doubles for Abernathy, Micah Griffin and Billy Nunn, defeat-

### ed Jones and Pierce of Littlefield 6-3. 7-6: lost to Joe and Richard Sauceda 3-6, 3-6; then defeated two other teams to win 5th place in District. **Green Thumb Training**

Focuses On Alcoholism.

**Two Locals Participate** 

Former Congressman Wilbur Mills, Doc Severinson fo the "Tonight Show", and Ralph Waite of "The Waltons" all have at least two things in common: they used to suffer from alcoholism, and they now have much better lives after coming to grips with the disease.

The stories of these prominent people were part of the information provided to more than 40 Green Thumb workers attending a special alcoholism training session at Hale County State Bank in Plainview. April 18. Green Thumb employs about 1,000 persons aged 55 and over in community service projects across the state.

In a film entitled "They Do Recover." Waite, Mills. and Severinson discussed the development of their

alcohol problems and the

well-know people are alcoholics helps to show the disease---and alcoholism is a disease--can strike anyone, rich or poor, lonely or in the spotlight," said Green Thumb district director Susan Armstrong who conducted the training.

"Mills and Severinson suffered from severe blackouts, and Mills was afraid he had a brain tumor until examinations revealed his problem was alcoholism,' she said.

paths they followed to find

# **President Of Textile Company Manages Smile...And Profit**

By Larry Sutherland Avalanche-Journal Staff

One might think it inappropriate that Joe Thompson smile so readily.

Thompson is president of Southwest Textiles, Inc., one of the largest employers in the small southern Hale County community of Abe-

Thompson's textile mill is tied to farming, a business a tailspin.

Also, one would not think much of the economic prospects for textile mills; the large Postex sheet manufacturing mill in Post closed as the result of reduced demand for muslin and increased imports.

But Thompson has plenty to smile about. His company, by Thompson's estimation, has swum out of a sea of economic recession.

"Last year with the recession, we could really tell we were in one," Thompson said this week. "We cut back to 22 employees during the recession," the company president said. What a difference a year

"We are operating in the black. We do have quite a few orders and we operate day and night except Sunday," Thompson said.

Thompson did not want to disclose dollar amounts on how much sales have grown, but he said sales

She said some of Green Thumb's enrollees have lost their jobs because of drinking, and for these people the future is dim. "They've lost their income and their self-respect, and few of them will have the resilience and energy to fight back. Prevention, whether you're young or old, is the best answer.

The Green Thumbers also heard a program update from assistant state director John Willingham of Waco.

'more than doubled" when comparing the first two months of this year to January and February 1982.

Also, the work force is up to 55 employees.

Asked why his company is doing so well. Thompson said he believes it is simply because "the general economy is beginning to turn" and show signs of an overall improvement.

Thompson said his brighter economic picture is attributed in large part to a lowering of interest rates.

The upturn in sales for Southwest Textiles is matched by another optimistic sign for the company: a plan to spend \$15,000 or

more for new equipment. "Capital improvement spending, I believe, is picking up," Thompson said of the business community.

The mill sells cotton yarn made from South Plains cotton. The yarn in turn is sold to manufacturers to make cotton work gloves and cotton tube socks. The yarn is shipped to companiens in California, Indiana, Georgia, North Carolina, South Carolina and Texas.

The mill produces about 10,000 pounds of cotton yarn a day, Thompson said, which is about as much as was produced last year

when sales were poor. The good signs for the over to other ag-related businesses in Abernathy, such as farm implement dealers, cotton gins, fertilizer and fuel dealers. These businesses continue to suf-

fer economically. Thompson also has a farm implement business in Abernathy, and he says sales are "much, much slower than it has been.'

"The farming industry, as I see it, is going to need two years of good crops before it turns around. Thompson said.

But for now, it appears at least one major business in Abernathy has already begun turning around.

GOING STRONG...Joe Thompson, president of Southwest Textiles Inc. In Abernathy, shows a spinning frame making cotton yarn at the mill. The company has seen an upturn in sales compared to last year at this time, making Thompson optimistic about the economic future for the company. (Staff Photo)

Green Thumbers from Abernathy attending the session were Eusebio Castellon and Lupe Guillen.

WILLIAMS SPONSORS 4-H PROGRAM -- For the fifth consecutive year, Clayton W. Williams Jr. of Midland, a prominent rancher and oil producer, will sponsor the statewide 4-H Beef awards program. The program recognizes 4-H members who have excelled with beef projects, says a 4-H specialist with the Texas Agricultural Extension Service, Texas A&M University System. The top four beef producers in each county will receive special recognition, and the state winner will receive an expese-paid trip to the National 4-H Congress in Chicago each fall.

# **FFA Judging Teams To Compete At Regional Judging Contest Saturday**

The 55th annual regional Future Farmers of America Judging Contest, which qualifies participants for state

and national competition, will be held April 23 at Texas Tech University.

32 local FFA members will be competing at this judging contest. They are: Meats Judging-Russell Shuey, Dan Evans, Sam Wolf and David McKinney; Livestock Judging-Cody Jones, Kelly Hill and Todd Pope; Poultry Judging-Ronald Harrell, Danny Richerson and Shad Kelley; Dairy Cattle Judging-Melissa Hagstrom, Randy Houston, Brian Smith, Jan Rawlings, Melanie Parks, and Randall Stillwell; Dairy Products Judging-Phillip Vandygriff, Julie Waits, Lance Bigham and Gilbert Blanco; Wool Judging-Jim Bob Carver, Tanya Gist, Missy Johnson, Sarah O'Neill and Jay Oxford; and the Cotton Judging team-Cal Henley. Kevin Ellis, Jason Harris, Bill DuBose, Carey Mc-Kinney and Steve Royal.

These teams are trained by Ag Instructors Gerald Kelley and Scotty Windham

and student teachers. High school FFA teams from Areas I and II who

ZIP CODE

finish in the top 10 percent will advance to the state competition April 30 at College Station. Students will qualify for state competition in six of the 11 contests -- livestock, dairy cattle, milk quality and dairy foods, poultry, meats judging and agricultural

mechanics. Students winning state competitions will take part in the National FFA Judging Contest October 1 in Kansas City, Mo.

Five competitions held annually on a regional basis include cotton, wool, land, crops, and range and pasture plants. Dr. Marvin J. Cepica, Texas Tech agricultural education professor. said these five categories represent areas of economic importance to West Texas and the South Plains. Cepica and Dr. William F. Bennett, associate dean of the College of Agricultural Sciences, are coordinating the FFA judging contest.

JV AND FRESHMAN CHEERLEADERS were elected recently at AHS for the 1983-84 school term. JV Cheerleaders are pictured at the top, Missy Johnson, Liz Lopez and Sharon Thomason (middle right). Freshman Cheerleaders are Helen Kester (middle left), and on the bottom from left to right, Sandy Garcia and Sharmin Toler. (Review Photo)

Reservations for the \$4.50 Saturday noon luncheon should be made before results are announced.

For entry forms, or for

more information, contact Dr. Cepica, P.O. Box 4169, Texas Tech University. Lubbock. Texas 79409, or call (806) 742-2816.

**EVENTS THIS WEEK** IN LION COUNTRY: Friday, April 22...Varsity Boys District Track Meet at Seagraves; Girls Regional Tennis Meet. Monday, April 25...City Council Meeting.

COMING EVENTS IN LION COUNTRY: April 28, 29, 30...Athletic Booster Softball Tournament. May 6...Jr.-Sr. Banquet. May 20...All Sports Banquet at Texas Tech Banquet Room.

NEW DEAL LIONS WIN SOUTH PLAINS TRACK MEET: The New Deal Lions won the Class 2A division of the South Plains College Track Meet in Levelland last Friday and Saturday. The Lions racked up a total of 110 points. followed by Crosbyton with

88 points, and Shallowater with 87 points. The Lions placing in the top three of each event were: James Briscoe-2nd place in discus-138 ft. 10 in.; Steve Johnson-1st place in high jump-6 ft. 7 in. (a new meet record); also Nathan Shannon took 2nd place with 6 ft. 3 in.; and John Jackson took 3rd with 5 ft. 9 in. Steve Johnson also won the Long Jump with a 20 ft. 91/2 in. jump; 1600 relay-New Deal won 2nd place with a time of 3.31.73 (those on the relay team were Tommy Heald, Henry Rameriz, Steve Johnson and Mark Harrington); 300 Meter Hurdles-Henry Rameriz 41.49 1st place; 110 Meter Hurdles-Mark Harrington, 15.58 1st place; 400 Relay-New Deal took 2nd place with a 45.30 (the relay team is composed of Tommy Heald, Henry Rameriz, Steve Jerden and Mark Harrington).

A tornado at sea is known as a "waterspout."

# **NDHS Band Receives 1st Division Rating - A First For New Deal**

The New Deal High School Band, 'directed by Dr. Charles Trayler and Mr. Ray Lashaway, received 1st division ratings in both concert and sightreading at the Region XVI University Interscholastic League Band Contest held in Sundown, April 8. The first division rating are the first in the history of the New Deal band program and entitled the band to receive a Special Award trophy as the ratings were announced at noon Friday. The New Deal

band to receive 1st division ratings from all three concert judges. Crosbyton, Plains, and Shallowater received composite 1'sts in concert and I's in sightread-

The band was treated to a party by the high school teachers and students upon their return from the contest. Mr. Coers, the high school principal, and Mrs. Cooper, elementary principal, asked all New Deal students from Head Start through the senior class, to help decorate the band hall with posters and congratulatory notes concerning these "first Firsts."

The New Deal band will compete in the Sandy Lake Music Festival against 37 other AA bands Friday. April 29. The band will leave New Deal Thursday afternoon after school and return early Sunday morning. The band will spend Saturday at Six Flags.

# **Tech Womens' Basketball Team Signs Vickie Teal**

Texas Tech Women's Basketball Coach Marsha Sharp, experiencing her frist National Signing Date as head coach, celebrated the event by signing three high school and one junior college prospect. Joining nine returners on the Tech roster next year will be Julia Koncak, a 6'6" center from Central High School in Kansas City, Mo.; Lisa Logsdon, a 5'7" guard from Levelland; Vickie Teal, a 6'11/2" Western Texas transfer from New Deal; and Lisa Wood, a 5'9" forward from Sudan.

"I am so pleased that these four players have made the decision to come to Texas Tech. A lot of the credit should go to assistant coaches Linden Weese and Kathy Harston. They have just done a super job of selling Tech and the basketball program," Sharp siad.

Vickie Teal is a 6 ft 11/2 inch post from New Deal. She will be transfering from Western Texas College where she played under Coach Joe Cushing. At Western Texas College she was named All-Conference and All-Region the last two to the Texas junior college All-Star team this season.

Teal averages 15 points per game and 10 rebounds. She was named the South Plains High School Player of the Year in 1981 when playing for New Deal.

'Vickie has the best days of her career in front of her. Each year she gets stronger and better. At the TABC All-Star game this past weekend, she posted up better than anyone there. She is a good free throw shooter and will be a big contributor offensively. Sharp ended.

Historians say the Egyptians were probably the first people to keep cats, probably between 2,600 and 5,000 B.C.

### To The Editor

Dear Editor.

For the past seven years, National Volunteer Recognition Week (April 17-23) has been observed throughout Texas to help raise public awareness of the important roles that volunteers play in their community, roles such as providing emergency services, helping Older Americans lead independent lives. fighting drug and alcohol abuse, and counseling troubled youths.

We at ACTION, the national volunteer agency, would like to express our appreciation to the people who serve in ACTION programs such as Foster Grandparents, Retired Senior Volunteers, Senior Companions. Young Volunteers in ACTION, Volunteers in Service to America (VISTA). and the Vietnam Veterans Mr. and Mrs. Glenn Am- Leadership Program. Like other volunteers, they cont-

ribute their time and effort to help make their community a better place to live; and, like other volunteers, they go about their activities

quietly, with little fanfare. Volunteer Recognition Week comes only once a year, but a community relies on its volunteers 365 days a year. So, I ask that your readers take this opportunity to look around their community, to see the many ways that volunteers help us all; then, I'm sure they'll join me in saying, "Texas volunteers are great people!"

Sincerely. Paulette Standefer **ACTION Regional Director** Southwest Region

If you're like most Texans, your biggest investment is your home, and since you bought it its value has probably increased sub-

But did you know that Texas law says you can't use that increased value, or equity for anything but home improvement? That's right -- you can borrow money against your home to build a hot tub or swimming pool, but not to pay for your

You can borrow money using your equity to put a wet bar in your den, but not to start or invest in a business. And if you had a real emergency, such as large medical bills or funeral expenses, you'd have to sell your home to be able to use its value! That's right you'd have to sell your

Is this fair? Do you believe the state government should deny you the right to choose to use your home's value, your asset, as you want?

If you agree that we Texans should have the you'll join "Texans for We're a non-profit organization working to pass an amendment to the Texas Constitution to get this right to choose. However, it must first be approved by the

Together, we can guarantee Texans the right to choose. If you are interested in joining the T.H.V.A., or if you would like more information please write to me in care of the address

### INTRODUCTORY PHOTOGRAPHY COURSE AT WAYLAND

An introductory course in the fundamentals of photography, aimed at beginners interested in advancing their photography skills, will begin next Tuesday at Wayland Baptist University, Plainview.

The four-session course, sponsored by the Office of Lifelong Learning, is scheduled for consecutive Tuesday and Thursday evenings, April 19, 21, 26, and 28, from 6 until 9 in Room 118 of the Nunn Business Administration

Cost for the course is \$25 per student, and pre-registration is open through Tuesday in the Academic Services Office, Gates Hall 102. For more information contact Dr. Billie Henderson, director of lifelong learning,

### WEIGHT OFF WISELY CLASSES OFFERED

Three Weight Off Wisely classes got off to a good start Monday and Tuesday of last week, states Mrs. Wynon Mayes, County Extention Agent.

The Monday night class has a total of 23 in the group, which is filled. There is still room in the Tuesday a.m. class which will

meet agin Tuesday, April 26 at 9:30 in the upstairs meeting room at the Extension Office.

The noon group has chosen to move their meeting time from Tuesday until Friday which was a better meeting day for members of the group. Their next meeting will be on Friday, April 29 at 12:00 noon in the upstairs meeting room of the Extension Office.

If you could not attend the first session and would like to be involved, please join us for the Tuesday morining group or the Friday group. there is no cost involved, states Mrs. Mayes and the meetings are open to anyone who can benefit from the classes.

### HALE COUNTY HISTORICAL COMMISSION MEETING

The next regular monthly meeting of the Hale County Historical Commission will be held at 2 p.m., Saturday April 23rd in the Llano Estacado Museum.

Everett Masters of Cotton Center, Chairman of the Hale County Farm and Ranch Historical Museum will furnish the program. Mr. Masters was recently presented Hale Center's "Outstanding Citizen" award for distinguished

June Wells will report on the 1983 Histroic Preservation Conference she attended April 14-16 in Galveston.

The Host and Hostess for the reception after the meeting will be Bob Morris, Gertrude Williams, and Romona Roberts. Everyone will want to stay for the fine food and fellowship.

Please bring a friend and prospective new member to the meet Saturday. Dues are still \$5 and subscription to the Quarterly \$10. A few regular members still need to get

### WAYLAND SPONSORING TRAVEL STUDY COURSE TO MEXICO

For the second straight year, the Colleges of Arts and Sciences at Wayland Baptist University will sponsor a travel study course to Mexico City, Mexico, during the first Summer Microterm.

Offered by the Division of Languages and Literature, the travel study is slated for May 30-June 15 and offers three hours college credit in one of the three courses in the WBU Spanish curriculum.

Complete details of the trip, including costs and necessities, are available from Garcia at 296-5521. Interested persons are urged to make arrangements immediately, since enrollment is limited.

## FREE LECTURE AND GUTENBERG BIBLE DISPLAY

James Brink, a Texas Tech University history professor, will lecture on "The Implication of Printing in European History" at 7 p.m. April 21 at The Museum of Texas Tech University.

The free lecture is in connection with the display of the 15th Centrury Gutenberg Bible at The Museum. The Bible belongs to the University of Texas-Austin and is one of five Gutenberg Bibles in the United States. Volume 1 of the Gutenberg Bible, including Genesis to Psalms, will be on display April 20 through May 10.

Brink will discuss the significance of Johann Gutenberg's innovative printing techniques, notably movable type.

## WEST TEXAS NATURAL RESOURCES CONFERENCE

Lt. Gov. Bill Hobby will give the luncheon address at the West Texas Natural Resources Conference April 22 at Texas Tech University.

The conference will focus on economic perspectives for the future in West Texas. It is sponsored by Texas Tech's International Center for Arid and Semi-Arid Land Studies (ICASALS), the Lubbock Chamber of Commerce and the West Texas Chamber of Commerce. Following registration at 8 a.m. in the University

Theater, six energy and economic experts from throughout the state will address the future of West Texas' natural resources and their economic impact. Registration deadline is April 15 with a fee of \$20 per

person. For more information or to register, contact ICASALS, P.O. Box 4620, Texas Tech University, Lubbock, Texas 79409, or call (806) 742-2218.

## FREE TREES FOR WILDLIFE GIVEN BY FOUNDATION

The National Arbor Day Foundation is giving ten free wildlife trees to people who become foundation members during April. 1983.

Scotch Pine, Black Walnut, Norway Spruce, Red Oak, European Mountain Ash, and American Arborvitae trees; and Autumn Olive, American Bittersweet, Tatarian Honeysuckle, and Silky Dogwood shrubs will be given to members joining during April. The six-to-twelve inch plants will be shipped this spring postage paid with enclosed planting instructions. The National Arbor Day Foundation, a nonprofit

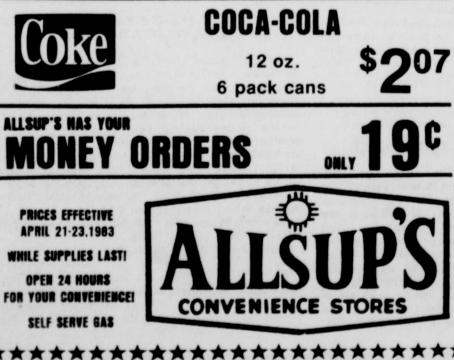

organization, is working to improve the quality of life throughout the country by encouraging tree planting. The Foundation will give the ten free trees to members contributuing \$10 during April.

To become a member of the Foundation and to receive the free trees, a \$10 membership contribution should be sent to WILDLIFE TREES, National Arbor Day Foundation, Arbor Lodge 100, Nebraska City, NE 68410, By April 30,

### AMERICAN LEGON NINETEENTH DISTRICT ANNUAL **SPRING CONVENTION**
