

# ABERNATHY WEEKLY REVIEW

25¢

VOLUME 62, NO. 35 THURSDAY, JULY 14, 1983 [SERVING HALE, LUBBOCK COUNTIES] U.S.P.S. NO. 003-340

## Chamber Discusses "Womanless Wedding"

The Abernathy Chamber of Commerce made plans for the "Womanless Wedding", as well as discussed several other business items at the July meeting held last Thursday, July 7 at the small City Hall meeting room. The "Womanless Wedding" has

been slated for August 27 at 7:30 p.m. Plans for this gala event are coming right along, as the wedding cast has been selected and cast members are in the process of selecting their wedding attire. A wedding rehearsal dinner will be

held Thursday, August 25 at the school cafeteria.

The money raised from the wedding will be used by the Chamber to hold the 75th anniversary (Diamond Jubilee Celebration) slated for August 4, 1984.

### Other Business

Following breakfast, provided by cooks David Pinson, Bill Elliott and Dale Thickstun, Condy Billingsley gave the invocation prior to the business meeting. There were 23 people in attendance at the meeting.

The minutes of the June meeting were discussed and approved, as well as the finance report for June. It was noted that the Senior Citizens fund now has approximately \$12 thousand.

Tony Gureau and Hoppy Toler have volunteered to change the signs on the north and south side of town, which have the wrong date on them as to when Abernathy won the state cross country championship.

Rod Ellis has submitted another proposal to the South Plains Associa-

tion of Governments (SPAG) in hopes of acquiring more funds for the Senior Citizens Center, which were recently made available by SPAG. The amount Ellis requested is \$28 thousand.

Diana Phillips has acquired volunteers from the Department of Architecture and Landscape Architecture at Texas Tech to help design a plan for the outside and inside of the Santa Fe Depot (Senior Citizens Center), as a work-study project. The Chamber will pay for the group's expenses, but will not be charged for the plans submitted by the architects.

The Chamber Membership Committee, made up of Ken Horn, HB Coggin, Condy Billingsley, Tommie Beck and Roswell Brunner was formed to generate more interest and improve attendance at Chamber meetings. This committee will be striving to encourage more people to attend the meetings and get involved with Chamber projects.

The next Chamber meeting will be held August 4 at 7 a.m. in the small City Hall meeting room.

"WHAT WILL I WEAR"...Choosing their attire for the "Womanless Wedding" are Bill Scott, bridesmaid; Richard DuBose, soloist; and Jimmy Gragg, bridesmaid. The wedding is coming up August 27 at 7:30 p.m. at the school auditorium. (Review Photo)

## Softball Tourney Slated For July 28-30

A softball tourney will be held July 28, 29 and 30 at Abernathy to raise money for the Abernathy Baseball Association.

The softball tourney will be a closed tourney, for Abernathy folks only.

Only adults will be able to compete, and it will cost \$50 for each team to enter.

For more information, contact Ann Sims at 757-2137 or Laurin Prather at 298-2790.

## Social Security Rep. Coming

A representative from the social security office in Plainview will be at Abernathy July 19 (Tuesday) from 9:30 to 11:30 a.m. The representative will be working at City Hall at this time.

Those who have questions, but cannot meet with the representative, can handle almost all social security business by telephone by calling 293-4371.

DEPOT MOVED TO NEW LOCATION...and remodeling will begin soon on the inside to convert the building into a Senior Citizens Center for Abernathy. (Review Photo)

## School Board Hires New Jr. High Principal

The Abernathy School Board hired a new Junior High School Principal and accepted the resignations of several employees at the July school board meeting held last Monday.

The school board went into executive session, following the regular meeting, and hired Charles Floyd. He has been the junior high principal at Atkins Junior High in Lubbock for the past four years.

The board also accepted the resignations of the following school employees while in executive session: Vickie Bradley-Visually Handicapped; Mary Ann Murphy-Special Ed Counselor/Diagnostician; Karen Wilson-Speech Therapy/New Deal; and Debra Hardee-Special Ed/Hale Center.

### Action Items

The board made several decisions concerning the action items on the agenda. The first item was to call for fleet insurance, gasoline and milk bids for the coming school year. Notice that the board is now accepting bids on these three items will be publicized and letters will be sent to all prospective businesses wishing to give

bids.

School administrators are presently looking for the best deal on student insurance. Student insurance is offered each year at school to all students.

The board agreed to continue the adult education at school and allocated \$600 for this program. This is the amount usually allocated for the adult education program and this money is used to pay instructors.

It is almost time to renew the depository contract and notices have been mailed to all area banks who might wish to handle the school's money this year.

Update 20, an update in the TASB policy manuals, was discussed. But no action was taken at this time. Update 20 will be discussed at the August school board meeting.

The board set August 18 as the date to hold the budget hearing. Several other items were discussed, but no action was taken on any of these. The meeting adjourned.

## Sunshine Group To Meet July 21

The Sunshine Group will meet this coming Thursday, July 21 at the Community Center. The program will begin at 11 a.m. and lunch will follow at 12 noon. Everyone is invited to attend the program and lunch.

## LeMoines Take Another Step Forward

Even though Mitch and Wanda LeMoine are taking another step forward in their careers by accepting new positions at Granbury, Abernathy is where their hearts are and will always be.

The LeMoines have left Abernathy twice before, but they keep coming back. This time they are headed for Granbury High School, which is a 4-A high school just southwest of Fort Worth. Granbury has some 900 students in high school.

Mitch has been appointed high school principal and Wanda will teach high school English.

The reason why the LeMoines are moving to Granbury is threefold: the move will be a professional advancement for both of them; they will be closer to their loved ones (Mitch's

mother lives at Huntington and Wanda's father at Knox City); and Granbury is a lovely town and would be a pleasant place to live after the LeMoines retire.

### The Early Years

Mitch was born and reared at Huntington, Texas, which is 10 miles east of Lufkin. Mitch stated that his home town is located in the "heart of the piney woods" of East Texas.

He graduated from Lufkin High School in 1950 and attended Tyler Commercial College for 3 months following graduation.

Mitch joined the Navy in this same year after leaving Tyler Commercial College, about the same time the Korean War broke out. He was in the Navy the next 3 years, 9 months and 17 days.

His first appointment was at San Francisco Naval Shipyard at Hunters Point, where he was stationed for the next 2 years in the personnel office and as a chaplain's assistant.

In 1952, Mitch was stationed on the U.S.S. Bairoko, C.V.E. 115, which was an aircraft carrier. Bombers flew to and from this ship to get supplies and refuel before going back to infiltrate the enemy lines in Korea.

The Korean War ended in 1954, but before returning to the United States, the U.S.S. Bairoko and crew got to witness one of the most awesome events ever to take place in the history of the United States - the testing of the hydrogen bomb. The first hydrogen bomb test was set up in the South Pacific and Mitch got to witness what this bomb could do.

Mitch stated that this project was top secret at the time. Mitch stated

that the men were told to turn their backs to the test site, bend down and cover their heads. "There was a huge explosion, and an enormous fire ball completely lit up the sky, even though it was completely dark. A mushroom cloud formed and we were told to stay down until the 'shock wave' passed. The 'shock wave' (sound wave) could knock down a person standing, and following the explosion, the wave had knocked out the electrical power on the ship." Mitch said about the bomb test. He also added that he hopes he never has to witness an explosion of this magnitude again.

Mitch went back to school in 1954 and attended Hardin-Simmons University in Abilene. In 1955, he married the former Wanda Denton. Mitch was a freshman and Wanda a junior at the time.

Wanda was born and reared at Knox City, Texas and graduated from high school there in 1952.

The LeMoines moved to Lubbock this same year and Mitch thought he wanted to study engineering at Texas Tech. But he never enrolled because he decided engineering was not for him. Wanda continued her education at Tech and graduated in 1956. Mitch worked full time at Bell Milk Company all that year, while Wanda was obtaining her degree.

Wanda got a job teaching English and other subjects at Shallowater from 1956 to 1958. Mitch attended Tech 4 years, from 1956-1960 and worked for Bell off and on between and during semesters.

In 1958, the LeMoines had their first baby. The baby boy was born prematurely and died 20 hours after birth. This was a hard time for the LeMoines, but they continued with

their careers, which turned them to Abernathy for the first time in 1958. Wanda got a job teaching English at Abernathy, while Mitch completed his studies at Tech.

Mitch graduated from Tech in 1960 and took a teaching and coaching position at Carlsbad, New Mexico. At Carlsbad, he taught math, science and coached at the junior high school for 2 years. He coached basketball, football, and track for 1 year at the Carlsbad mid-school, which included the 9th and 10th grades.

Wanda did not teach her first year at Carlsbad, because she was pregnant with her second child. Lesa was born prematurely in 1960 and this time the LeMoines were blessed with a child.

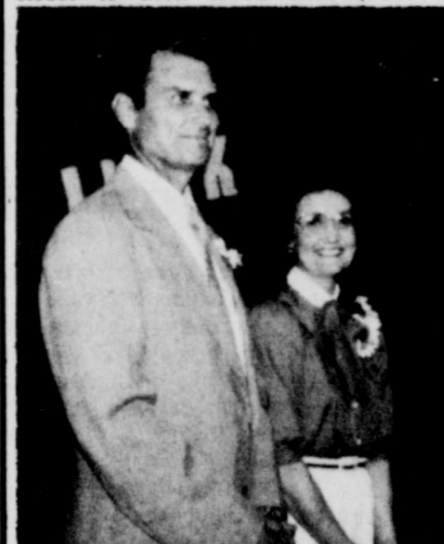

Wanda continued her career in 1961 as she taught junior high English at Carlsbad for one year. The LeMoines had another child during this same year, but this baby was stillborn. This was a hard time for the LeMoines, but they had Lesa to rear and were thankful for the child they did have. Lesa recently married Tony Morton and they reside in Lubbock.

The LeMoines did not forget Abernathy. In fact, they moved back to Abernathy in 1963, the same year Delwin Webb was appointed superintendent.

Wanda taught high school English at Abernathy for the next 6 years and Mitch was the assistant junior varsity football coach, girl's head basketball coach and math teacher during this same period.

In 1969, the LeMoines moved to Waco to accept new challenges at Midway High School. Mitch was appointed the high school girl's basketball coach and Wanda high

MITCH AND WANDA LEMOINE at a reception held in their honor last Sunday in the School Administration Building. Many friends of the couple attended.

## Green Thumb Program Benefits Community

Farmers Union Green Thumb program, funded through the Department of Labor, provides job opportunities and training for rural persons 55 years of age and older, and at the same time benefits the community.

Green Thumb employs approximately 1,000 workers in Texas. There are 12 Green Thumb workers in Hale County. Abernathy has two, Hale Center three and Plainview seven.

The Green Thumb supervisor for Abernathy and 17 counties in the region is Derrell Hale of Plainview. He recently visited with the editor of the Review and the following are comments he made about the Green Thumb program in Abernathy.

The City of Abernathy is fortunate to have two gentlemen in the Green Thumb program. These two men, Eusebio Castellon and Guadalupe Guillen, have completed several projects for he city in the past year, working under the sponsorship of the city. One of the more recent projects for the city was the addition of an office in the city warehouse on 6th street.

Castellon and Guillen built the entire extra room on their own, with some suggestions from Tom Overstreet for certain specifics. The city, of course, provided the lumber, sheet rock, and paint, etc.

Castellon has skill in carpentry extending from his previous Green Thumb work from weatherizing of

low-income homes (provided through the former Central Plains Community Action Center), which he had done for five of his six years in Green Thumb.

Castellon has lived in Abernathy for over twenty-five years, moving here from South Texas. He has farmed a number of years in and around Hale county. He worked in a Lubbock farm manufacturing company for more than ten years.

Guillen has been primarily a farmer most of his life in southeast Texas near Cuero, before moving to Abernathy thirty years ago. He has farmed in Hale county also.

The experiences and skills which these two men possess together has been very helpful to the community. City Manager Rod Ellis said that the city is very appreciative of Green Thumb and these two hard workers. "They have helped with projects which we did not have the time or manpower to do."

One of these projects was the refurbishing of the jail and sheriff's office, which included repainting, carpentry repairs, and painting inside and out. Since their work is only part time (twenty to twenty-four hours a week), not every project is done quickly, but the job is done and done well. When there is no major project to be completed, the two are doing various other jobs around town, such as clearing the area around the water wells, painting of city property,

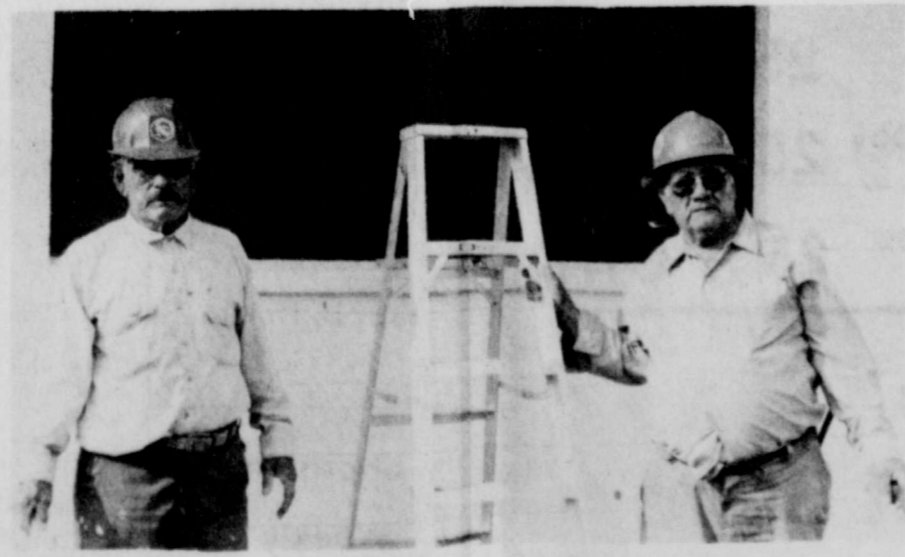

cleaning city streets, or other jobs that the city needs done.

Their accomplishments may not be noticeable at first look, but things are looking better around Abernathy when one begins to look for them.

Castellon and Guillen are thankful to the city for providing them with the work to do and to Green Thumb for the opportunity to work instead of just sitting or "fiddling around the house growing old." Like all Green Thumbers around the country, they believe

working keeps a person going and being young and that older people do have a usefulness if given the chance to prove it.

They do admit that getting paid for their work is part of the reason they are on Green Thumb, but feel their best benefit is being useful. This is one goal of the Green Thumb program, to show that older people are useful. And now, with two Thumbers of their own, Abernathy should begin to agree.

ABERNATHY'S GREEN THUMBERS ON THE JOB...Pictured are Guadalupe Guillen, on the left, and Eusebio Castellon, on the right, working on a City project. (Review Photo by Robert Brantley)

## ON THE COUNTY LINE

BY KEITH TOOLEY

A TOLL-FREE HOTLINE has been installed so that the public can make referrals to the Department of Human Resources regarding alleged fraud or abuse of welfare programs.

The DHR Office of Investigator-General will be responsible for receiving hotline fraud reports and will ensure appropriate action on each report. The hotline to call if you suspect wrong-doings is 1-800-222-2526.

We are glad to find out that the Department of Human Resources is trying to prevent welfare fraud. According to statistics from DHR, in 1982, DHR investigators developed 7,913 fraud cases involving \$6,640,998. Of these, 737 convictions were obtained in court, and another 2,530 cases were dealt with through administrative fraud hearings. From these dispositions, more than \$1 million was returned to the department in restitution, according to the DHR.

Welfare fraud just takes another bite out of our tax dollars, which are being snapped up from every direction as it is. Therefore, if you know or suspect that a certain group might be getting more than their fair share, call this hotline number or the county DHR office in Plainview.

NOW THAT VACATION time is

coming up for some, remember that the shortest distance between two points is always under construction.

AIN'T IT TRUE! Pulled into a gas station in my economy car -- filled 'er up -- handed the man a \$20 -- there I sat waitin' for my change -- there he stood waitin' for the rest of the money...

A HANDSOME man attracts a woman. An intelligent man interests her. A humorous man amuses her. An attentive man flatters her. A generous man pleases her. An honest man surprises her. The thoughtful man wins her.

THE YOUNG AND THE OLD have all the answers - those in between are stuck with the questions.

There is going to be a wedding Aug. 27th, at 7:30 p.m. at the School Auditorium

### LeMoines

CONT. FROM PAGE 1  
 school English teacher. During the eight years at Midway, Mitch's basketball team only lost 17 ball games. His team won the state girl's basketball championship in 1973, 1975 and 1976. His team had at least competed at the state meet every year from 1973 through 1977, and from 1974 to 1977, his teams won 92 games in a row without losing a single one, which is still a state record.  
 The LeMoines returned to Abernathy for a third time in 1977, when Mitch was offered the administrative position of high school principal and Wanda the position of senior English teacher.

Abernathy since 1977. They have lived in Abernathy on and off for 14 years and have become very well known and respected by their friends and colleagues.

They are both active members of the First Baptist Church in Abernathy. Mitch is also a member of the Lions Club and Masonic Lodge 1142 AF and AM. Wanda is a member of the professional teaching sorority Delta Kappa Gamma.

Mitch also revealed a secret he has kept for some time now. The secret is that he is on one of the 2 Selective Service Boards (draft boards) in Lubbock County. He has been on this board for the past 3 years.

### While In Abernathy

The LeMoines have remained in

### Final Comments

Mitch made some final comments about Abernathy. He stated that newly

selected principal David Sharp is one of the top school administrators in this area and is highly capable of taking over as high school principal at Abernathy. "He will do a great job for the Abernathy School District," Mitch added.

Mitch also said "the students and teachers are the best at Abernathy and it has been a pleasure being associated with them. We have enjoyed watching students grow up and become solid citizens in Abernathy." Mitch said. "There is not a better bunch to work with than the teachers and the administrative staff at Abernathy. They are some of the best in the state. The school board should be commended for keeping the best professionals working for their school system," he added.

Mitch ended by saying "Abernathy has and always will be home to us."

## Student Council Attends Summer Workshop

The Abernathy Junior High Student Council attended the T.A.S.C. Summer Workshop held June 26 through July 1 at San

Angelo on the Angelo State University campus.

This workshop was designed to increase students' knowledge of student council

procedures. This was achieved by the students learning parliamentary procedure, project planning, evaluation and money mak-

JUNIOR HIGH SCHOOL CHEERLEADERS for the 1983-84 school year will be, on the bottom row, from left to right, Tricia Garcia, Paula Sanders and Traci Pope. In the middle is Daun Tennell and on top is Lisa Pettit. (Review Photo by Robert Brantley)

ing. Through special events, such as general assemblies, meeting of newly assigned student councils, and classes designed to help students learn more about their office, many council skills were learned.

The five officers from the Abernathy Student Council who attended were: Jared Knight, president; Elizabeth Waits, vice-president; Kristie Attaway, secretary; Russell Miller, treasurer; Jeremy Knight, reporter; and Mrs. Kay Taylor, sponsor.

In this reporter's opinion, the T.A.S.C. Workshop was a beneficial learning experience for the Junior High Student Council Officers. By Jeremy Knight, reporter.

### Floydada Open Tennis Tourney August 10

The 1983 Floydada Open Tennis Tournament sponsored by the Floydada Quarterback Club will be held August 10-14th at the Floydada High School Tennis courts.

There will be divisions and events for the 14's, 18's, and Open.

Anyone interested in entering this tournament should contact one of the following people: Teresa Hollums, 711 West Virginia, Floydada, Tx., 79235, (806) 983-5193; Tommy Baxter, 1112 South Third, Floydada, (806) 983-5395; or Pat Zimmerman, P. O. Box 490, Floydada, (806) 983-5611.

## ATTEND THE CHURCH OF YOUR CHOICE

### "Authority In Religion"

MINISTER CONDY BILLINGSLEY CHURCH OF CHRIST

One of the basic characteristics of true Christians is acceptance of the Bible as the only source of revealed truth (2 Timothy 3:16-17). Our religious world today is caught up in a whirlwind of fast changing social order, and this is a time when more and more people need to be taught a respect for the authority of the scriptures. Many religious bodies, because of liberal attitudes, have become human

inspired and human motivated, rather than God inspired and God motivated.

Sometimes we are confused as to what is right and what is wrong. We have come to this dilemma most often because we want to be the judge of what is right and what is wrong. Solomon's words are very clear, "the way of a fool is right in his own eyes" (Proverbs 12:15). The greatest danger fac-

ing one striving to live for Jesus is to be guided by "a feeling" that all is right. Feelings can be completely unreliable. Paul felt he "ought to do many things contrary to the name of Jesus of Nazareth" (Acts 26:9). Feelings vary from day to day and consequently are the most unreliable guide of all. Jesus said, "ye shall know the truth, and the truth shall make you free" (John 8:32).

# Society and Features

## Teal-Ray Wedding Vows Exchanged At New Deal

Vickie Teal and Gary Ray were married at a 3 p.m. Saturday ceremony July 2nd in the New Deal Baptist Church. The Rev. Jimmy McGuire, officiated.

Shari Spradling of Tulsa, Oklahoma, sister of the bride, and Mike Ray of

Huntsville, brother of the bridegroom, were honor attendants. Bridesmaids were Karen Krykendall and Renay Looney. Candle lighters were Angela Teeter and Renee Sharber. Groomsmen were Ed Teal and Phil Spradling. Ushers were

Ronnie Fletcher and Sammy Salinas.

The bride wore a floor-length white lace dress with a long train and veil. The bridesmaids and candle lighters wore floor-length pink chiffon dresses with ruffles and a bow in the back. The groom wore a solid white tuxedo and the groomsmen and ushers wore light grey tuxedos.

Parents of the couple are Mr. and Mrs. Wayne Teal of Lubbock and Mr. and Mrs. Dale Ray of Borger.

The bridegroom is currently employed at Shadow Hills Golf Course. The couple will attend Texas Tech University in the fall. They will live in Lubbock after a honeymoon at Angel Fire, New Mexico.

Mrs. Gary Ray

## Bridal Shower For Cathy Hill July 9

A bridal shower honoring Cathy Hill, bride-elect of Pete Stracener, was held Saturday, July 9, in the home of Mrs. Bob Riley.

Co-hostesses were: Mrs. Don Presley, Mrs. Charles Bowen, Mrs. Delwin Webb, Mrs. Herbert Hardin, Mrs.

Billie Harrison, Mrs. Harold McCune, Mrs. Harvey Lutrick, Mrs. George Riddell, Mrs. Gid Adkisson, Mrs. Y.

F. Snodgrass, Mrs. Ted Hill, Mrs. Jerry Oswald, Mrs. Earl Carter and Mrs. Billy Shipman.

One-third to one-half a teaspoon dried herbs is the equivalent of one tablespoon fresh herbs.

There are three stages in the useful life of a coconut. Young sprouts provide salad, green nuts yield coconut milk and the mature ones offer solid "meat."

## Affairs of Life

Tobacco makes a good animal dewormer.

Smoking is glamorous for the human; but what are the end results?

## Shipman Agency

Billy Shipman  
Rola B. Covey  
Roddy Shipman  
D'Aun Shipman

Mr. and Mrs. Wayne Herkey of Abernathy are proud to announce the birth of their son, Andy James, who was born May 15. He weighed 6 pounds, 8 ounces at birth.

Andy was welcomed home by his brothers, Cliff and Wade. His grandparents are Mr. and Mrs. Bill Riley of Abernathy and Mr. and Mrs. Bill Harkey of New Deal.

Mr. and Mrs. Jay R. Miller are proud to announce the birth of their son, Colt Ryan, on July 6, 1983.

He weighed 10 pounds, 2 ounces at birth and was 20 inches long. He was welcomed home by his brother, Chadd.

Mr. and Mrs. Dana C. Flud of Los Angeles, California wish to announce the arrival of a baby boy, Justin Michael, born June 24. He weighed 6 pounds and 6 ounces at birth.

Grandparents are Mr. and Mrs. L. B. Flud of Abernathy, and Mrs. Betty Hamilton of Lubbock.

## Reception Honors LeMoines

A reception in honor of Mr. and Mrs. Mitch LeMoine was held Sunday, July 10, from 2-3:30 p.m. in the Administration Building with over 100 people attending.

On the west wall of the room was hung the words, "We'll Miss You" and on adjacent walls was displayed "Goodbye" in several foreign languages. For refreshments cookies and punch were served.

The Abernathy School Board presented Mitch with a plaque for his years of service to the school. The

high school faculty gave Mitch a red Hogan golf bag and Wanda received a crystal cake server, a set of dinner glasses and a book.

The centerpiece was an airy, mixed spring bouquet, using sonia gladiolas, yellow rover chrysanthemums, apricot, pink, blue and yellow carnations, daisies and tree fern. "It was arranged in the new fashion, which shows more of the plant stem," said Jan Hill of Abernathy Floral.

Wanda wore a white daisy corsage and Mitch's boutonniere was also a

daisy. Hostesses for the reception were: Mrs. Barbara Webb, Mrs. Bitsy Aldridge, Mrs. Mae Johnston, Miss Charlotte Carter, Mrs. Mary Rose Bowen, Mrs. Faye Lutrick, Mrs. Susie Ellis, Mrs. Bettie Hardin, Mrs. Sharon Kester, Mrs. Marie Adkisson, Mrs. Kathryn Newton, Mrs. Susie Howard and Mrs. Lois Lovelace. "We all wish the LeMoines success in their new positions and the community and school will certainly miss them," a school employee stated.

GOOD LUCK...Mary Furgeson shakes hands with Mitch LeMoine at the reception as Wanda looks on.

## "Greater Than Gold" To Be Shown At Abernathy Assembly Of God

welcome to attend.

### "Greater Than Gold"

As chief of Staff of a major, metropolitan hospital, Dr. Bob Reasoner was used to standing up for good causes. But tonight Dr. Reasoner is taking a stand for his faith that may well cost him his job and position of prominence.

The film "Greater Than Gold" will be shown at the Abernathy Assembly of God, at 1404 Avenue B on Sunday evening, July 24, at 6 p.m.

Because of the sensitive subject matter on abortion, this film is recommended for audiences age 11 and up. Nursery will be provided, and the public is

Evangelical Films presents a powerful motion picture of a family torn by the pressures of a busy father, the crisis of a pregnant teenage daughter, and the lack of communication that threatens the life of their family.

"Greater Than Gold" is a film that speaks out boldly about standing firm for our faith, about the consequences of premarital sex, and on the previous sanctity of life.

"Greater Than Gold" is not just a film that reveals the problems we all face, but also how to face them and win in Christ.

"Greater Than Gold" is a film which reminds us that the proof of our precious faith is even - "Greater Than Gold" (1 Peter 1:7).

## Bridal Shower Honors Vicki Lynn Shadden

### Those To Remember

Jan Myatt is at home and getting along fine.

Hayden Blalock is home from the hospital.

John Christiansen is in Hi-Plains Hospital in Hale Center.

Mildred and Lewis Rea have been sick.

Mrs. Addie Turner is at her daughter's home in Paris.

Vernell Drye is in Highland Hospital, Lubbock.

A bridal shower honoring Miss Vicki Lynn Shadden, bride-elect of James Murphy, was held Saturday, July 9 from 2 to 3 p.m. in the home of Mrs. Alan Ross of Ross Gin.

Hostesses were: Mrs. Donald Huffaker, Mrs. David Hunt, Mrs. Don McKenzie, Mrs. Thomas Pettit, Mrs. Glenn Reagan, Mrs. L. G. Montgomery, Mrs. Harold Stillwell, Mrs. Ed Hors-

ford, Mrs. Richard Herring, Mrs. Ray Sanders, Mrs. Wilson Neve, Mrs. Bob Rogers, Mrs. Jimmie Davis, Mrs. Kenneth Rogers, Mrs. A. L. Stone, Jr. and Mrs. Alan Ross.

## T.E.L. Class Meets

The T.E.L. Sunday School Class of the First Baptist Church met July 8 in the home of Bernice Smith.

After the opening prayer by Mrs. Grimsley, several new class officers were elected. Mrs. Susie Anderson tendered her resignation as class treasurer after 35 years service.

Ina Belle Anderson was appointed as treasurer and corresponding secretary. Group captains named were Jessie Duty, Bernice Conn and Hallie Pool.

Mrs. Bruce acted as installation officer in a very

unique and interesting way. Each officer was presented a small token to remind them of their duties and obligations to the class, which are a vital part of the church.

Mrs. Smith served punch, coffee, cake, nuts and mints to the following: Pauline Durrett, Susie Anderson, Ina Robinson, Frances Howard, Bernice Conn, Ina Belle Anderson, Jessie Duty, Martha Phillips, Lizzie Lebow, Eunice O'Neill, Fanny Mae Bruce and Pearl Grimsley.

## Plains Pest Management Report

**Cotton**

Many fields now have 1/3 grown squares and the cotton is growing rapidly. Cotton fleahopper populations are on the increase. Fields should be scouted for this pest from square initiation until bloom, to prevent excessive square losses. Although fleahopper numbers are higher, blasted squares

have been minimal. Square sets have been ranging from 80 to 99 percent and averaging 93 percent. Remember, the economic threshold is when fleahopper counts are 25-30 per 100 terminals coupled with square sets below 75 percent. Both criteria should be met before making a treatment decision. If your field exceeds the threshold, one

of the following compounds may be used: Acephate (Orthene), Carbaryl (Sevin), Dicrotophos (Bidrin), Dimethoate (Cygon, DeFend, Rebelate), Methomyl (Lannate, Nudrin), Methyl parathion, Oxamyl (Vydate), Trichlorfon (Dylox).

**Corn**

A few corn fields are now tasseling, but most are a week away from this stage.

Southwestern corn borer whorl feeding can be easily observed in many fields, but infestations remain below economic threshold. Normally there are five instars (growth stages) in the SWCB larvae. All five have been found this week. The majority of larvae collected has been 2nd instar. When larvae reach the 3rd or 4th instar stage, they crawl out of the whorl and move down the plant to bore into the stalk behind a leaf collar. Approximately 10 to 15 percent of the SWCB larvae have bored into the stalk (7/6/83).

Western corn rootworm beetles continue to emerge from the soil where their larval stage feed on the roots. The beetles are beginning to feed on leaves. Leaves which have been fed upon can be recognized by the skeltonized brown areas on the upper and lower leaf surfaces. As fields begin to tassel and silk, these beetles will migrate to those feeding locations. This means that even though you rotated corn to avoid root

pruning by the larvae, you may have an adult population migrate to your field if it is early or late silking relative to neighboring fields. Spider mites have been showing up in field margins next to wheat. At this time mite populations remain light.

**Sorghum**

Corn leaf aphids continue to infest the whorl. These should not be treated unless populations become extremely heavy or one has a sorghum variety or line that is sensitive to them, which shows up as reddening of the leaf tissue.

**COTTON TALKS**  
FROM PLAINS COTTON GROWERS, INC.

LUBBOCK, Friday, July 8, 1983

Action July 7 by the Cabinet Council on Food and Agriculture made it plain that the Administration has no intention of reversing or even modifying the June 17 cotton "Plant for PIK" decision that continues to draw storms of protest from producers, merchants, mills and cotton state legislators.

The Cabinet Council reportedly gave a solid endorsement to USDA's adamant defense of the decision. Some had speculated, or hoped, that the Administration might succumb to the mounting

### Pumping Efficiency Tests Slated For July 22 In Hale County

Producers who irrigate their fieldcrops are aware of the increasing cost of operating a well, and can usually tell you how much it costs per acre to water during the season. Some producers can tell which well is their most expensive to operate, however they usually cannot tell if it is the motor or the pump, or both, that is increasing their

operating costs. The way to determine the efficiency of the motor and pump is through the use of special equipment. The Hale County Extension Service will be conducting pumping plant efficiency tests in the county July 22, according to Billy E. Warrick, County Extension Agent.

If you would like to have

a questionable well tested, or are interested in seeing a pumping plant efficiency test conducted, contact the Hale County Extension Service office before July 19, 1983 at 293-8481, ext. 267.

This educational activity is open to all persons regardless of socio-economic level, color, race, sex, religion, or national origin at no charge.

**COTTON TODAY**

**COTTON USE MOVES HIGHER:** Use of cotton by U. S. textile mills edged higher in May as the seasonally adjusted annual rate reached 5.8 million 480-pound bale-equivalents. This was 0.3 percent above the April total and 12.2 percent higher than the

May 1982 rate, according to the National Cotton Council. Cotton's share of total fiber use was 23.9 percent in May, compared with 24.5 percent in April and 25.5 percent a year ago. Since January, cotton consumption has advanced 8.4 percent, the Council reported.

**EXPORT SALES INCREASE:** During the week ended June 16, sales of U. S. cotton for 1982-83 deliv-

ery increased a net 34,900 running bales.

Major buyers were Japan, 20,800 bales; Indonesia, 4,800; and South Korea, 4,700. Sales for 1983-84 delivery increased a net 84,500 bales. Week's shipments totaled 93,200 bales, according to the national Cotton Council.

"Diligence is the mother of good luck."  
Benjamin Franklin

pressure and either agree to reopen the bid program, offer exemptions from the plant for PIK requirement to those most severely affected or find some other means to make the operation more palatable to the industry.

But there now appears to be no hope for such a simple solution, leaving quick Congressional action as the only way some producers can avoid being required to put 1983-crop cotton under loan to satisfy their own PIK entitlements.

There are a number of bills being pushed that would force USDA to acquire the cotton it needs through bids from producers who, for a price, would be willing to make loan cotton available to the government for use as payment in kind.

The Senate Agriculture Committee has attached cotton amendments to dairy, tobacco and target price freeze bills, all of which, because of their controversial nature, most likely will meet with time-consuming resistance on the Senate floor. The House Agriculture Committee also has approved a PIK bill.

However informed sources think the best chance for timely action may lie with the Agriculture Appropriations bill headed for a House-Senate Conference Committee soon after July 11. The Senate adopted an amendment to its appropriation measure requiring USDA to fulfill original commitments to PIK participants, "particularly to cotton producers."

The House has passed an appropriations bill without a PIK amendment, but conferees can add to the conference report whatever language they want in lieu of the vaguely worded Senate amendment. And the conference report must be voted either up or down by both House and Senate without amendments.

From that point the only stumbling block would be the possibility of a presidential veto, which at least one congressional aide believes can be avoided.

If Congress is able to pass PIK legislation it probably would resemble the House Agriculture Committee measure which calls for USDA to initiate a new bid procedure with more attractive terms.

USDA earlier took bids from producers, allowing up to seven percent "bonus" for cotton surrendered, but got only 417,000 bales. To get the additional 900,000 to 1.1 million bales needed, the House Committee bill would require acceptance of all bids not requesting more than 20 percent compensation.

**We sell and service the very best in automatic spraying systems. We feature the H-E-C Sprayer. The H-E-C Sprayer is unique because it utilizes an electronic eye which senses weeds and sprays them automatically.**

H-E-C SPRAYING RIG attached to a tractor which was being used to spray weeds in a cotton field just north of Abernathy. The H-E-C sprayer can effectively kill weeds at a speed of four miles per hour. It saves the farmer chemical, time and labor.

## Ruffin's Grandson Star Pitcher For Longhorns

**EDITOR'S NOTE:** This article was taken from an El Paso newspaper. Bruce is the grandson of Mr. and Mrs. Ivan Ruffin of 811-4th St. in Abernathy. His parents are Mr. and Mrs. Charles Ruffin of El Paso.

Fred Graham wants to know whatever happened to last year's star high school pitcher, Bruce Ruffin?

If you had been watching the College World Series on ESPN, you could have observed the 6'2" freshman wearing a University of Texas Longhorn uniform. The team captured the NCAA baseball crown as

Bruce Ruffin

I was reading in the Plainview Daily Herald that the population of Texas may top New York. The towns of San Antonio, Dallas-Fort Worth and Austin should lead Texas in steady economic growth this year. Houston is lagging behind because of the energy industry. Texas also should pass New York State in population by the end of the decade to be second only to California, according to the 1983 Texas Facts and Figures publication.

Texas is growing about three times the national average.

they went undefeated in the double-elimination tournament.

This past season, the 200-pound southpaw had a 1-0 record. "I pitched a total of six innings prior to conference play, with all of it in relief," Ruffin said.

In high school, Ruffin threw mainly a fastball and slider. "I did not have much of a curve ball, which is what the coach had me working on all year," said Ruffin. He also has added a change-up that really should be effective to go with his other pitches.

The hardest transition to make from high school to college ball is that the hitters are much more selective. They really know the strike zone, so Ruffin is being taught not to just throw the ball, but to try to spot-pitch.

It was exciting for him to be in Omaha for the College World Series, when just last year, Ruffin was at home watching the games on TV.

"The upper classmen make you feel like you're a part of the team, even though you are not starting or playing," stated Ruffin.

It was an unusual season for the champion Longhorns, as they lost to teams that Texas had never lost to previously. But when the game was important, they did what had to be done to win.

Ruffin returned recently to El Paso to visit with his family, then moved on to Kansas to play in a summer league program against other college players from around the country. The summer season lasts until the middle of August. All of this has been arranged by the Longhorn coaching staff for its players. Finally, he will come home for a week before returning to Austin for the fall semester.

Ruffin has already set one goal. "I hope to be in the starting rotation next season. That's what I'm working for."

## Bartlett's Son-In-Law Selected "Outstanding Young Man Of America"

Eddie Lee Weaver of Idalou has been selected as an Outstanding Young Man of America for 1983.

The son of Gary and Madge Weaver of Caprock Community is a 1970 graduate of Crosbyton High School and a 1974 graduate of Texas Tech University. He is a grandson of Ronald and Nona Weaver of Lubbock, former Crosbyton residents, and a brother of Lynette Weaver.

In a letter to the honoree's parents, Doug Blankenship, chairman of the board of advisors of "Out-

standing Young Men of America," states: "Your son, in receiving this distinctive honor, joins an elite group of young men from the entire United States who have demonstrated their excellence in professional endeavors and civic activities. These men work diligently to make their cities, as well as their country, a better place in which to live, and deserve recognition for their outstanding achievements."

## Anita Cantu Meets Ronnie Milsap At Marble Falls

Anita Cantu of Abernathy was in Marble Falls at the Lakeland Mall Saturday, July 9 and saw Ronnie Milsap. Milsap was in Marble Falls to promote his latest releases. Anita got Milsap's autograph and a cassette.

Mrs. Cantu was in Marble Falls visiting her hus-

band, who is working there for Brown McKee, Inc., a Lubbock construction firm.

She is the daughter of Octovio Caballero.

Mrs. Cantu said, "meeting Ronnie Milsap was the best part of my trip. This will be a trip I will always remember," she added.

**ANITA AND RONNIE...** Anita Cantu of Abernathy is pictured with Ronnie Milsap at the Lakeland Mall in Marble Falls recently.

## Lakeview Locals

By Mrs. Norman Matthews

J. D. Adams was the featured speaker last Wednesday night, July 6, at the Lakeview Methodist Church.

Mr. and Mrs. Bob Montgomery of Pueblo, Colorado visited Mrs. E. G. Mahagan last week.

Ricky Smith and daughter Darla, of Lubbock,

visited Mr. and Mrs. A. C. Barnwell and Mr. and Mrs. Cliff Barnwell last week.

Mr. and Mrs. Velton Lynn and girls, of Littlefield, visited her mother, Mrs. Oleta Gilmore, last week.

Mrs. Glenn Amnott accompanied her parents, Mr. and Mrs. Harry Sinclair of Plainview, to Stamford Friday to visit friends.

## Area Airports To Be Discussed

A Texas Aeronautical Facilities Plan regional planning meeting will be held at 10 a.m. Wednesday, July 20, 1983 in the Rotary Building located in Running Water Draw Park, Plainview.

Airport development needs of Hale and Lubbock Counties will be discussed. The meeting will be conducted by the Texas Aeronautics Commission.

All area citizens with an

interest in air transportation and airport development are invited to attend. Participating in the meeting will be city and county elected officials, airport board members, airport managers, representatives of the South Plains Association of Governments and other citizens.

For further information, contact Merrill Goodwyn, 512-476-9262.

## THIS AND THAT

BY HELEN WADE

Visitors in the home of Mr. and Mrs. W. G. Spruiell this past week were their two grandsons, Jarod and Joshon, of Mustang, Oklahoma. They have been visiting their grandparents while their mother, Jana Miller, is recovering from surgery.

Mr. and Mrs. Robert L. Parsons were treated with a visit from their son, Bill Bounds Parsons, and his family from Stockton, California over the July 4th holiday. Making the trips were Bill's wife, Bonnie, and his four daughters, Sandy, Kathleen, Pat and Debby.

The Bill Bounds Parsons family enjoyed two family and friends gatherings. One was a chicken supper, given by Mary and Sam Rannels, and the other was a Mexican Supper, hosted by Reita Smith and her niece, Sara.

While they were in Abernathy, a parade of old friends and neighbors stopped in to make them welcome.

Anxious for a souvenir to take back to California, Bill went out to the old home near Abernathy, in which Mr. and Mrs. A. L. Stone now reside. He filled a jar with West Texas dirt.

Other visitors in the Parsons home over the 4th were: Mr. and Mrs. Glenn Parsons, Clarence and Erin, of Glen Rose; Mr. and Mrs. David Eules, Cheri and Christe, of Amarillo; Mrs. Francis Garvin, Peggy and Condy Davis, Mr. and Mrs. Mutt McGough, Mr. and Mrs. I. L. Johnson, Mr. and Mrs. Sam Rannels, Mr. Hal Howard and Lola and Lisa Marez from Abernathy; Mr. and Mrs. Guy Kent and Glen Kent of Lubbock; Mr. and Mrs. Charley Young of Galveston; Carry Arktion of Tulsa, Oklahoma; Mrs. Annie Henley, of Brownfield; T. J. and Kay Henley, of Lubbock; and Mr. and Mrs. C. L. Young, of Amarillo.

It was good to have our son, Larry, and family home this weekend. They came Saturday and stayed until Monday morning.

Omer and I got in a little baby-sitting with our grandson, Roger.

# SAVE 20% ON A GAS GRILL

## ...JUST WHEN YOU WILL USE IT MOST!

Here's an opportunity to buy a gas grill at a big savings... and have the whole summer ahead to enjoy it. That's a real bargain! You will make the most of our great West Texas evenings and weekends cooking outdoors. Gas grills give food that wonderful outdoor flavor without the mess of charcoal or the bother of LP tanks. And, while you are having a hot time in the backyard, your kitchen stays cool. The money you save by buying now will pay a lot of hamburgers and steaks on that grill. Now's the time to move up to gas grill cooking while prices are down.

Prices in this ad reflect corrections from those listed in Energas statement enclosure on gas grills.

### PATIO KITCHEN

PK grills provide the convenience of natural gas fired barbecuing... have heavy top and bottom aluminum castings and H-shaped stainless steel burners for years of long wear... and exclusive Range Rock briquettes with controlled porosity for even heat and less flare-up.

**PK DELTA 1**

Single burner model with 270 sq. in. chromed steel cooking grid and 120 sq. in. step-up grid.

## Transition

### Joseph McNeal

Graveside services for Joseph McNeal, 56, of Abernathy were at 11 a.m. Friday in Abernathy Cemetery with the Rev. A. Blackwell of Power House church of God in Christ officiating, assisted by elders F. Mann, Robert Griggs and A. R. McNeal. Burial was under direction of McCarty Funeral Home of Littlefield.

McNeal died Saturday after suffering a heart attack apparently brought on by a blow to the head. Justice of the Peace Earl Yarbrough of Idalou has ruled the death a homicide, and seven persons have been arrested in connection with the assault.

McNeal came to the Ralls area in 1944 and worked as a farmer until moving to Abernathy in 1964. He was a member of

Power House Church of God in Christ in Ralls.

Survivors include his wife, Early May; 10 daughters, Ruby Minor and Dorothy Chumbley, both of Dallas, Deborah Minor and Durenda, both of Fort Worth, Velma Shipman, Beverly and Annie, all of Abernathy, Mary Shepperd of Florida, Nadene Walker of Houston and Doris of California; two sons, Johnny B. and James D., both of Dallas; three brothers, Lee Arthur of Ralls, Bobby Gene of California and Bill of Needville; a sister, Florene Ogg of California; 35 grandchildren; and nine great-grandchildren.

in 1910. He was a farmer and was also in the trucking and insurance businesses in 1910. He married Lucille Clay June 7, 1927 in Abernathy. He was a farmer and was also in the trucking and insurance businesses for several years. He was a life-long member of the Masonic Lodge No. 1142 and was also a member of the Shrine's Kiva Temple and the Order of the Eastern Star.

He was a Baptist. Survivors include his wife, Lucille; a daughter, Maxine Gouldy of Lubbock; a son, Don of Abernathy; two sisters, Lois Brown of Sudan and Mrs. Otis Davis of Abernathy; and three grandchildren.

### Lamar McKenzie

Services for Lamar Arthur McKenzie, 78, of Abernathy were at 10:30 a.m. Tuesday in First Baptist Church, Abernathy, with the Rev. Lloyd Riddles officiating, assisted by Condyl Billingsly.

Burial was in IOOF Cemetery in Abernathy under direction of Chambers Funeral Home here.

He died at 11 a.m. Sunday in High Plains Hospital in Hale Center after a brief illness.

He moved to Abernathy

### Jim Evans

Graveside services for Jim Evans, 77, of 1908 Dixie Drive were at 2 p.m. Saturday in Resthaven Memorial Park with the Rev. Bob Miser, pastor of Indiana Avenue Baptist Church, officiating.

Burial was under direction of Resthaven Funeral Home.

Evans died at 7:35 p.m. Wednesday, July 6, at Methodist Hospital after a lengthy illness.

A Dallas native, Evans was born Jan. 18, 1906, and moved to Lubbock in 1933 from Abernathy. He had worked for the Hester Office Supply Co. as a printer for 25 years. He married Effie McLaughlin on Jan. 30, 1944, in Detroit, Texas.

Survivors include his wife; three daughters, Christine Depalma of Lubbock, Janie Moore of Odessa and Mattie Parish of Decatur; two brothers, Doyle of Wolforth and M.D. of Abernathy; three sisters, Mrs. James Davis of Abernathy, Tootsie Knutson of Odessa and Lelia Knutson of Salinas, Calif.; 11 grandchildren and five great-grandchildren.

### Olean Mathis

Services for Olean Mathis, 65, of Abernathy were at 10 a.m. Monday at First Baptist Church in Abernathy. The Rev. Lloyd Riddles, pastor, and the Rev. R. C. Lester, pastor of Bethel Baptist Church, officiated.

Burial was in Abernathy Cemetery under the direction of Chambers Funeral Home.

Mrs. Mathis died Thursday at Methodist Hospital in Lubbock after a brief illness.

She was a native of Leon and moved to Idalou in 1939

## Carver And Howard To Attend Texas 4-H Congress

"Citizenship" will be the focal point of the 1983 Texas 4-H Congress.

Some 600 4-H members ages 15 to 19 from across Texas will be attending this year's congress in Austin July 19-21, which will focus on individual responsibilities and citizenship. Congress headquarters will be the Sheraton Crest Hotel.

Theme of the 10th annual congress is "Celebrate Citizenship."

4-H'ers attending from Hale County include Jim Bob Carver and Lonnie Howard of Abernathy, Donna Stout and Alice Logan of Hale Center and Mandy Igo of Halfway.

Highlighting this year's congress will be tours of the State Capitol, actual participation in the Texas Legislature, and special "Citizenship in Action" seminars.

Featured speakers will include Dr. Zerle L. Carpenter, Extension Service director, and Ola Madsen, president of Adventures in Total Development, Nicholasville, Kentucky.

Each Congress delegate will actually be sworn in as a state senator or representative and will take part in developing and passing legislation.

A special 75th 4-H Anniversary Celebration the last evening will conclude the Congress program.

Texas 4-H Congress is the highlight of the 4-H careers of many older youth. It is held in a different Texas city each year to allow the use of various unique educational aspects.

4-H programs are open to all persons between the ages of 9 and 19, regardless of socio-economic level, race, color, sex, or national origin.

"Half the promises people say were never kept—were never made." E.W. Howe

## 4-H Officers Plan Programs For Next Year

The 1983-84 officers of the Abernathy 4-H Club met recently to plan the programs for next year's meetings. The first meeting will

be September 6 and will be a "Family Night Pot Luck Supper." Various 4-H projects and activities will be highlighted.

Officers for the coming year are: Jim Bob Carver, President; Joan Davis, and Dan Evans, Vice-Presidents; Micki Neve, Secretary; Beth Windham, Treasurer; Mandy Kelley, Parliamentarian; Matt Kelley, Photographer; Lisa Pettit, James Teague, Rusty Hamilton, and Micah Riley, Recreation Leaders; Amy Pettit and D'Ana Howard, Council Representatives; and Vicky McKenzie, Reporter.

NEW 4-H OFFICERS FOR 1983-84 were selected recently. Pictured on the back row, from left to right, are Jim Bob Carver, D'Ana Howard, Dan Evans, Vicky McKenzie, and Micki Neve. On the front row, are Rusty Hamilton, James Teague, Matt Kelley and Mandy Kelley.

## Band Starts Summer Practice With Color Guard

The Abernathy Antelope Band Color Guard started its 1983 marching season Thursday, June 30 by participating in a three-day clinic of intensive drill, conducted by Jeannie Pennell. The girls were instructed on fundamentals of flag handling, twirls and routines

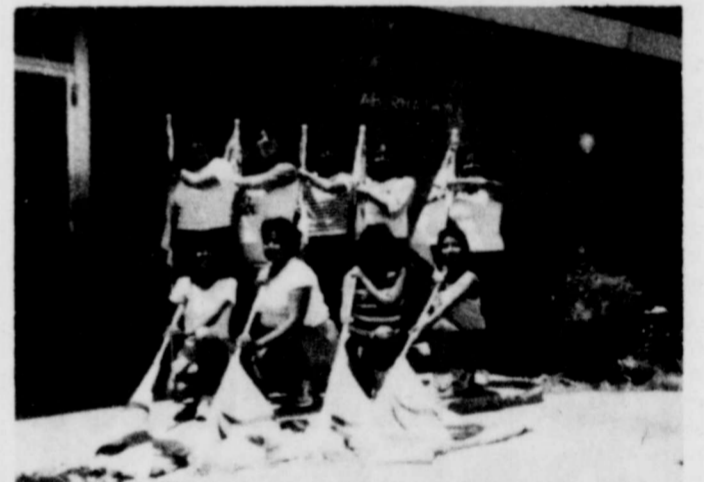

based on music to be played by the band during marching season.

Members of the Color Guard taking part in the clinic were: Yvonne Alvarado, Lucinda Garza, Hilda Lopez, Anita Mejorado, Irma Mejorado, Josie Mendoza, Lesa Miller, Vicky Salazar, Josie Villanueva and Mary Villanueva.

A highlight of the clinic was the closing performance, for parents and friends, on the city square.

Mrs. Pennell is well known in this area as a twirling instructor, and owner of The Barnyard Academy in Plainview. She has recently expanded her teaching to include flag corps and has been largely responsible for the Plainview High School Band front line for several years.

"Men tire themselves in pursuit of rest." Laurence Sterne

1983-84 ANTELOPE COLOR GUARD members are pictured June 30, during a three-day clinic in which they practiced several drills.

### Sam Davis

Services for Sam H. Davis, 77, of 3706 22nd Place, Lubbock, were at 2 p.m. in Highland Baptist Church with the Rev. Richard Waters, pastor, and Dr. D. L. Lowrie, pastor of First Baptist Church, officiating.

Burial was in City of Lubbock Cemetery under direction of Rix Funeral Directors.

He died at 4 p.m. Saturday in Methodist Hospital after a brief illness.

Raised in Jermy, he was graduated from Hardin-Simmons University and received his master's degree from Texas Tech University.

He taught school in Abilene, Abernathy, Sudan and Ralls, before moving to Lubbock in 1949. He taught in Lubbock in Hutchinson Jr. High, where he also coached football, and Coronado High School prior to his retirement in 1970. He was a member of the Masonic Lodge and a veteran of World War II, serving in the U.S. Army Air Corps.

He was a member of Highland Baptist Church.

He married Jo Noah in Lubbock, August 28, 1930.

Survivors include his wife; a son, Robert of Lubbock; a sister, Lola Mae Weedon of Kingsland; two brothers, B.B. of Jacksboro and V.W. of Waller; seven grandchildren; and three great-grandchildren.

### Luther Wood

Services for Luther V. Wood, 90, of Littlefield were at 4 p.m. Thursday, July 7, at First United Methodist Church of Littlefield with the Rev. Bill Beachy, associate pastor, officiating. Assisting was the Rev. Carl McMaster, a retired minister.

Burial was in Littlefield Memorial Park under direction of Hammons Funeral Home.

He died at 5:50 p.m. Tuesday, July 5, at St. Mary of the Plains Hospital in Lubbock after a lengthy illness.

He was born March 5,

## There's a lot of interest in rural electric rates today

For South Plains Electric... about three times as much as ten years ago.

Interest rates for rural electric systems have increased dramatically, and that affects the cost of electricity for all of us.

We understand our consumer-owners' concern about electric rates. They're on the rise nationwide, but fortunately the increase hasn't equaled the jump in borrowing rates for rural electric systems.

We, along with rural electric systems all over the country, have tried to keep electric power rates affordable by taking a hard look at how we get the job done, tightening our belts wherever possible, exploring alternative energy sources, introducing new technologies to manage load growth.

It's not an easy job, but we'll keep at it, doing our best for the people we serve—our consumer-owners.

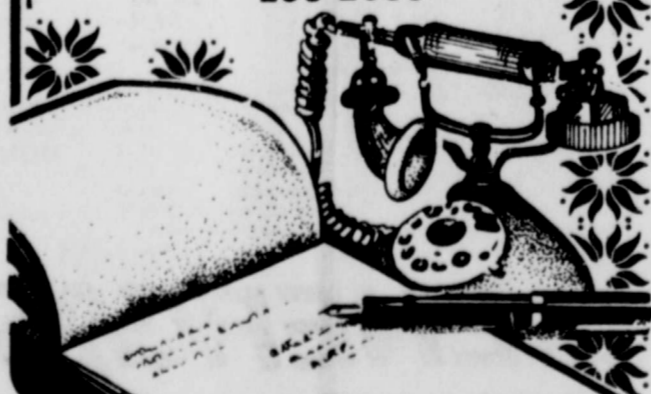

South Plains Electric Cooperative, Inc.

"Through cooperation we will meet the challenges."

## New Deal Man Stabbed Saturday

A New Deal man was in satisfactory condition Saturday at Lubbock General Hospital with several minor stab wounds he sustained about 4:30 a.m. Saturday at the Canyon Lakes area west of University Avenue.

Police reports indicated that Joe Villegas, 37, was stabbed in the stomach, face, left side of the neck and right arm by one of three Hispanic men, who

jumped him on the parking lot. The neck wound was described as the most serious of the injuries.

Villegas told officers he had been fishing at the lake on the long pier and walked back to the parking lot, where the three men jumped him.

Reports did not indicate the reason for the attack or whether Villegas may have been robbed.

## New Deal To Host Fellowship Meeting

First Baptist Church, New Deal, will host the Lubbock Baptist Association Fellowship/Executive Board Meet-

ing on July 18, 1983, 7:15 p.m. Everyone is invited to attend the worship service prior to the Executive Board meeting. Those not members of the Executive Board will enjoy refreshments in the fellowship hall during the time the board is meeting.

The inspirational speaker for the evening will be Dr. Paul W. Armes, pastor of Oakwood Baptist Church, Lubbock. Dr. Armes received his Bachelor of Arts degree from Baylor University and the Master of Divinity and Doctor of Philosophy from Southwestern Seminary. He was a leader in the Blue River - Kansas City Baptist Association before coming to Lubbock.

Congregational singing will be led by Ray Howell of Mackenzie Terrace, Lubbock. Special music will be presented by Paul and Christi Newberry.

### County Line Flea Market Oct. 1

The County Line Cemetery Association will be sponsoring a flea market Saturday, October 1 at the County Line Clubhouse.

The flea market is being held to raise money to make improvements at County Line Cemetery. Booths will go for \$10

each and can be put inside or outside. For more information, call Audrey McGuire at 757-2124.

The crocodile cannot move its tongue—it is rooted to the base of its mouth.

## Merle Jackson, Pioneer Of Happy Union Community, Tells Her Story

**EDITOR'S NOTE:** The following is a column which was written by Merle Price Jackson of Abernathy and edited by Louise Harper. This is the third part of the three-part series.

Mother and Grandfather admonished, "You must read to increase your knowledge, furnish entertainment, and build your vocabulary."

We all had our chores to do every day and special ones on Saturday. Wasson and I had to pick up enough cow chips for kindling for the next week. The chicken house had to be cleaned and the yard had to be swept. We never heard of a lawn. Mother would tie plum bush limbs together and we would brush or sweep the yard. We had some flowers in the beds by the house that came from Arkansas. I still have an annual Arkansas rose and a Peony that Mother brought with her 75 years ago.

Mother and Dad couldn't give us a great deal of material things, but they gave us a great heritage and a wonderful Christian home.

In December 1934, "Sister" and Clarence Robertson were married after four or five years of courtship. Clarence had Sunday dinner with us quite often. "Sister" always wanted everything just perfect, so one Saturday to help her I dressed two fat fryers and, when I singed them, I smoked one a little. Well, I knew that had to come off, so I rubbed a little lye soap on it and got the chicken pretty clean. At the dinner table the next day, no remarks were made until dad said, "Mama, this chicken tastes a little funny." Then I opened my mouth and said, "I know it was cleaned good, cause I used soap on it." Needless to say I was in the doghouse.

Some of the happiest days of my girlhood were riding my paint horse to the Happy Union school. My dear friend, Lois Landtroop Lewis (Plainview), rode a beautiful big buckskin. One rare occasion we had a nickel to spend over at the little store across the road. After long deliberation, we decided to try a nickel box of Garrett Snuff. It was a very warm September afternoon and we got on our horses and started home. We had seen the old folks hold out their lower lip and put in a pinch of snuff.

Lois "went first" then she handed me the little box. I hung the reins over the saddle horn, pulled out my lip and was about to tip the snuff box, when Lois rode up by me, kicked my horse in the flank, the horse jumped and I dumped half that snuff in my mouth. Well, by the time I got home, me, the saddle, and

the horse were covered in snuff. When I didn't come to the house for while, Mother came to the barn to see about me. I had gotten "Cricket" unsaddled, but I was sitting in the barn door so sick I was green.

When Mother surveyed the situation, she turned and went to the house saying, "When you get it all up, stop by the tank and wash your face before you come to the house." That was the beginning and end of my use of tobacco!

I went through high school in three years doing the 8th, 9th and 10th at Happy Union and finishing Plainview High the next year at the age of 15 years. I finished Lippert's Business College a couple of years later, worked at Cave's 5-10-25 cent stores - keeping books for five stores. I just did not like being couped up in an office and three years was all I could take. So, I went back home to help Dad and Mother and Wasson, so I could smell the fresh plowed ground and ride my new horse. I treasure those years.

Jack Jackson was home on furlough. He was a Bellview Community boy. Our folks had known each other for years. April 4, 1942, I went to Phoenix, Arizona and we got married. I was 24 years old, but poor Aunt Lee, having never married herself, was crushed because I was marrying. Aunt Lee saw me off to be married with a soft little pillow she had made and an ice cream cone - feeling she would never see me again! In later years, she and Jack became fast friends, and she was as protective of him as she was of me.

Jack, on our first anniversary, got his shipping orders. We had that first year together. He was in the South Pacific Islands for 37

months. We had a wonderful mail carrier, Ray Lowe, and if a letter came from Jack after missing several days, he would bring it a half mile up to the house to me. I had not heard from Jack from the last of September until Christmas 1943 and, needless to say, it wasn't a Merry Christmas. But the folks were all at Dad's on Christmas Eve. Another car drove up and it was Ray Lowe with four letters from my Jack. Many tears of joy were shed that night. We had just prayed for Jack when Ray came.

March 14, 1943, Wasson married Bessie Lee Jackson, my husband's little sister. I couldn't have made those years without her. Now, with Wasson and Jack gone, she means so much to me. Mother died in February 1964. Then Dad died in March 1967. Then Wasson in March 1972 and "Sister" in March 1976.

Bessie still lives at the Old Home Place. It's so good to have her still there. She has one son, John Michael (Mike) Price.

I have two boys, Jack, Frank and Steve.

Jack Frank is living in Tulsa, Oklahoma. His wife is Carol and they have two children, Jeffrey Frank, now eight years old, and a daughter, Jamie, who is four.

Steve Price has been married for three years. He is married to Teresa, and they live out at my home place and farm. My Jack passed away October 20, 1981.

Mike and Steve are farming Bessie's and my home home places, and all of their great-grandfather's and great-uncle's and Aunt Lee's land. I think Grandfather would be very proud to know the land is still being farmed by some of his own that tend it with care and love.

### Vineyard New Funeral Home Manager

C. V. Singleton, president of Singleton Funeral Directors, Inc., has announced the appointment of Jerry W. Vineyard as manager for the firm.

Vineyard, a 1978 graduate of Abernathy High School, attended Texas Tech University and graduated from

the Dallas Institute of Mortuary Science.

Employed by Singleton from 1978 through 1982, Vineyard returns to Lubbock after serving as a funeral director and embalmer for Restland Funeral Home in Dallas.

Vineyard is an active

member of the First United Methodist church. He is a Master Mason in Yellow-house Masonic Lodge.

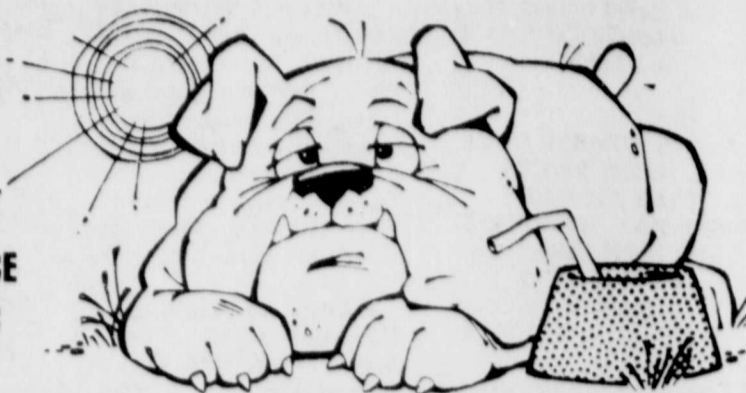

Vineyard said, "Our primary objective is to improve the standard of service available to the citizens of Lubbock and the surrounding communities."

Singleton Funeral Directors is located at 2210 Broadway, Lubbock.

Cats have no ability to taste sweet things.
