

The Lopes Are Back... Romp The Buff's 31-13

The fighting Abernathy Antelopes are back and made a strong return by posting a 31-13 romp over the Petersburg Buffaloes.

The Lopes got off to a good start by winning their season opener in such a grand fashion, by 18 points.

Leading the Lopes in the running department were Chester Cooper and Harold Miller. Cooper rushed 24 times for 100 yards and Miller 15 times for 106 yards to lead the Lopes to victory.

The Lopes rushed for 242 yards and passed for 50 for a total of 292 yards offensively. This, coupled with 17 first downs, is a good indication that the Lopes can move the ball down field

and move it well.

First Half

Petersburg won the toss and elected to receive. They were stopped by the tough Lope defense after 6 plays and were forced to punt. The Lopes were stopped after 3 plays on their first drive and gave the ball back to Petersburg. The Lopes stopped Petersburg after 3 plays. Petersburg got off a short punt and the Lopes took the ball on the Buff's 44 yard line.

The Lopes put together their first scoring drive as Quarterback Brian Smith connected with receiver Sammy

Galloway on a 34 yard pass play taking the ball down to the Buff's 10 yard line. In the next 2 plays, Chester Cooper went 9, then 1 yard for the first touchdown. The extra point attempt failed and the Lopes went on top 6-0.

The Lopes stopped the Buff's deep in Buff territory again and once again got good field position after the punt. The Lopes started on the 50 yard line. At this point, Harold Miller broke loose for his first big gain of 26 yards. This put the Lopes on the Buff's 24 yard line and 3 plays later, kicker Wade Wesley put a 37 yard kick through the uprights to increase the Lopes' lead to 9-0 and the first quarter ended.

Once again, the tough Lope defense held the Buff's deep in their own territory and forced them to punt. The Lopes began this drive on their own 47 yard line. Jamie Mansanales ran around the side for 11 yards followed by a 4 yard run by Miller. On the next play, Miller broke loose through the middle and ran 38 yards for a touchdown. Wesley made the PAT and the Lopes upped their lead to 16-0 early in the second quarter.

The Buffs were due for a successful drive as they had been stopped completely by the Lopes in the first quarter. The Buff's started on their own 33 yard line and quickly drove down to the Lope's 30 yard line, when Billy Cooper made the first of his 3 interceptions of the night. The Lopes were stopped quickly on their next drive and were forced to punt. The Buff's blocked the punt and Buffalo

Cody Maines rambled 35 yards for a touchdown. Rayford Lang added the extra point to cut the margin to 16-7 at halftime.

Second Half

The Lopes led by 9 points going into the second half. The Lopes received the kickoff, and after 8 plays, the Buffs stopped this drive. The Buffs were stopped after 4 plays on their first drive and punted to the Lopes. The Lopes were intercepted on the first play and Petersburg put together another drive. The Buffs moved down to the Lope 41 yard line when Cooper came up with his second interception. The Lopes took over with another drive and the third quarter ended.

This drive ended when the Lopes had to punt. On the punt, the Buffs were penalized for roughing the kicker

and the Lopes got the ball back again deep in Buff territory on the 36 yard line. From there, Cooper carried the ball 5 times for 21 yards, including a 1 yard touchdown run to increase the Lope's lead to 22-7. The PAT by Wesley was good and the Lopes led 23-7.

Petersburg was not through for the night. The Buffs took the ball from their own 33 to the Lope's end zone in 9 plays to make the score 23-13. The Buffs tried for 2 points, but came up short on the attempt.

On the next drive, the Lopes capped the game with a final touchdown on a 50 yard drive with runs by Miller, Cooper and a 21 yard pass from Brian Smith to Danny McDaniel for a touchdown. The 2 point conversion was good when Smith hit Darrell Young in the end zone, to make the final score 31-13.

ANTELOPES IN ACTION last Friday evening as they defeated the Petersburg Buffaloes handily 31-13. In the far left photo is Wade Wesley kicking a 37-yard field goal. Second from left, Chester Cooper rushed for 100 yards. Third from left, quarterback Brian Smith, who passed for 50 yards, making a hand-off. And on the far right, Cooper after having fell over the goal line for a touchdown on a 1-yard run. (Review Photos)

Lopes To Take On Olton Next

The Abernathy Antelopes will take on the Olton Mustangs for their second game of the season.

The Lopes lost to a tough Olton team last year 19-8 at Olton. Much like last year, the Lopes went into the game 1-0 after defeating Petersburg.

This year the game will be played here with a group of much-improved Lopes. Last week Olton lost to highly touted Hale Center 6-27 and presently have an 0-1 record.

Kickoff will be at 8 p.m. at Antelope Field and everyone is urged to attend and support the Lopes.

ON THE COUNTY LINE

BY KEITH TOOLEY

FRANCES GARVIN is an inspiration to us all. Last Thursday, September 1, Frances celebrated her 75th birthday by riding her three-wheel bicycle 18½ miles.

Most folks I know would have a hard time even putting 5 miles on a bicycle in one day.

And this is a regular routine for Frances. Every year on her birthday, Frances puts herself to the test to see how many miles she can go.

Frances...keep on truckin'.

IF WE ARE EXPERIENCING economic recovery, we have not received a direct impact from it. It seems that times are still tough in Abernathy, as dollars are being watched closely.

Our city sales tax rebates revealed that money is being circulated locally through our retail merchants. Rebates have increased substantially over 1982, but it still seems to be a tight situation locally.

Gross National Product growth is up 8.7 percent, the unemployment rate is headed down, interest rates have improved, and figures for the housing and automobile industries are improving.

This is all very encouraging, but on the local level, we have not seen any drastic changes for the better since the recovery began about six months ago.

TECH BEING RANKED 20th in the nation by Sports Illustrated is like predicting that it is going to rain again in Abernathy this year...there is a good chance that it will never happen.

This does not mean that Tech does not have the talent to win...they do. Tech just has a hard time showing it. This is the first time Tech has received any sort of Top 20 mention by anybody since the 1977 season.

This Saturday they will take on Air Force. Last year was the first time the

Raiders had ever played Air Force and Tech won 31-30. The Raiders should win this one and start off on a winning note.

I WAS LOOKING at a map in the last edition of "The Cross Section," a monthly publication by the High Plains Underground Water Conservation District.

The map shows the approximate saturated thickness of the Ogallala aquifer for the entire panhandle.

The depth of the aquifer south and southwest of Abernathy is less than 20 feet in most areas and 20 to 60 feet in other areas. The area east and southeast of Abernathy has more water and ranges mainly from 60 to 100 feet just east of Abernathy, to 100 to 200 feet in the far eastern portion of Hale County. Northeast of Abernathy it gets shallow again, less than 20 feet and some areas 20 to 60 feet. The deepest part of the aquifer is north and northwest of Abernathy, where the aquifer ranges from 60 to 100 feet in some small areas, but mainly 100 to 200 feet deep.

The entire northern half of Hale County has good water depth of 100 to 200 feet.

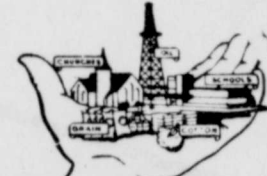

In Lubbock County, the area between Shallowater, Abernathy and New Deal is probably the driest in the area, where the aquifer is 20 feet deep or less.

THE MOST EXPLOSIVE team in the NFL...and rightly so with players such as Tony Hill and Tony Dorsett. And the lesson learned Monday night was don't ever count the Cowboys out.

Probably the only team in the NFL that could be behind the Super Bowl Champ Redskins 3-23 and come back in the second half and win 31-30. And it was even on a bad day for the Cowboys.

ABERNATHY WEEKLY REVIEW

"IN THE PALM OF THE PLAINS" VOLUME 62, NO. 43 THURSDAY, SEPTEMBER 8, 1983 [SERVING HALE, LUBBOCK COUNTIES] U.S.P.S. NO. 003-340

Chamber Discusses Wedding, 75th Celebration, Depot And Octoberfest

The meeting was called to order by Vice-President Diana Phillips followed by the invocation given by Leland Phillips. A large group of 21 members and 2 guests - Lelloine Waits and Ann Hannel - were present.

The Chamber thanked those who prepared the breakfast, which was held prior to the business meeting. The cooks were Harvey Lutrick, Jan Hill and Barry Tilley.

The Abernathy Chamber of Commerce met last Thursday at 7 a.m. and discussed the success of the Womanless Wedding and made plans for the Senior Citizens Center, the 75th Anniversary Celebration, and Octoberfest.

Womanless Wedding A Success

Lelloine Waits gave the financial report on the womanless wedding. She stated that the event was a great success as the Chamber netted a profit of \$2,800.

This, and other money raised this year and next year, will be used to

throw the Diamond Jubilee Celebration (Abernathy's 75th anniversary) in August of 1984.

Lelloine Waits was given a big hand by the Chamber for her hard work on the womanless wedding and as a member of the Diamond Jubilee Committee. She was also given a years honorary membership to the Chamber of Commerce.

Diana also expressed appreciation to all those who helped with the wedding and especially the ones in the cast who made the evening such a delight. Special appreciation was mentioned of Gale Davis, Tommy Lane, Keith Tooley, George Riddell, Merle Enger, Myrna Davis, Frankie Mills, Karen Dunn and Lelloine Waits.

75th Anniversary Celebration

The Chamber is making plans for the 75th anniversary celebration. Ann Hannel asked that the junior high history classes be permitted to work in conjunction with the Diamond Jubilee

Committee in compiling a history of the town.

Ruth Fulton stated that the elementary grades will be working on a musical, which will be about the history of Abernathy.

It was also announced that there will be a called meeting of the Chamber Board of Directors and a meeting of the Diamond Jubilee Committee this month.

Senior Citizens Center

Hoppy Toler reported that the Senior Citizens Center (Santa Fe Depot) should be operational by the end of this month.

School Vocational Agriculture teacher Gerald Kelley has asked for permission by the Chamber for the FFA to do the landscaping around the center as a school project. Permission was granted.

Rod Ellis mentioned that applications for a Director of the Senior Citizens Center are being taken. The

job will be part-time, 15-20 hours per week, and will pay minimum wage. Anyone interested needs to see Rod Ellis at City Hall.

Bill Scott was recognized for the long hours and hard work he has put in to get the electrical wiring done at the depot. Bill and others were recognized for the long hours they have contributed working on the depot.

Octoberfest

Rhetta Riley will be the chairman for the Octoberfest Celebration Committee. Hoppy Toler, Charles Bowen, Ken Moreland and Clayton Enger volunteered to help Rhetta on this committee. Others working on this committee will be announced at a later date.

The next Chamber meeting will be October 6 at 7 a.m. in the city hall small meeting room. Everyone is invited to attend.

FFA Orientation

Monday Night

The FFA Freshman Orientation will be held Monday, September 12 at 8:15.

All freshmen, their parents, and other students wishing to join the FFA are invited to attend the meeting. All regular members are also asked to attend.

The FFA and its different programs will be introduced and the meeting opened for questions. Afterwards, homemade ice cream and cookies will be served.

recently returned from the 4-H Mexico Safari.

Joan has held several offices in her local club, is presently serving as vice-chairman of County 4-H Council, and has been a member of the entomology team for 4 years. The Home Environment award is sponsored by Friends of National 4-H Council.

Howard And Davis Win In State Recordbook Contest

Six Hale County 4-H members took top honors at State Recordbook judging, August 23 and 24, when their 4-H recordbooks placed first in the state-wide contest.

Winning 1st place will enable the six to attend National 4-H Congress in Chicago, Illinois, November 27-December 1.

Winning the Beef category and a \$6,000 scholarship was Lonnie Howard, the 18 year old son of Mr. and Mrs. Richard Howard of Abernathy.

Lonnie is an eight-year member of the Abernathy 4-H club, was president of his local club, chairman of County 4-H Council, 1st vice-chairman of District (2) 4-H Council and 1st vice-chairman of Texas 4-H Council.

Lonnie's projects include leadership, food and nutrition, electric, parliamentary procedure, and public speaking.

He has attended Electric Camp, Citizenship Short-course and Heritage Tour, served as acting chairman for State 4-H Congress, and has been a State 4-H Roundup winner.

Sponsors for the Beef award and trip are the Clayton Williams Company and Independent Cattleman's Ass'n. of Texas. The \$6,000 scholarship is furnished by the Texas Independent Cattle Raisers Ass'n.

Joan Davis, a 9-year member of the Abernathy 4-H club, took 1st place with her recordbook in the Home Environment category. She is the 17 year old daughter of Mr. and Mrs. Jimmie Davis.

Joan's projects in 4-H include swine, beef, leadership, food & nutrition, and electric. She has attended Teen-Leader Lab, Electric Camp, State 4-H Congress and

Coming Events

September 10 - Back-to-school dance for Hale County 4-H families at the Texas Tech University Ballroom.

September 11 - Grandparents' Day

September 12 - Booster Club meets; School Board meets at 7:30 p.m. in school administration building; City Council meets at 7:30 p.m. in the City Hall small meeting room; Senator Bill Sarpaluis' mobile office will be in front of the bank from 3 to 4 p.m.

September 15 - Sunshine Group meets at 11 a.m. for program, and lunch will follow at 12 noon. The meeting and lunch will be held in the Community Center.

September 16 - Antelopes play Hale Center here at 8 p.m.

September 19 - Young Homemakers meeting, 7:30 p.m., high school homemaking department - "Kids Snacks"

Young Homemakers To Have Program On Kids' Snacks

The Abernathy Young Homemakers will meet Monday, September 19 at 7:30 p.m. in the Homemaking Department at the High School.

"Kid Snacks" will be the theme of the program.

Christy Waters will give a demonstration and she always has interesting programs.

Those who are between the age of 18 and 35 should come join the Young Homemakers and bring a friend.

Young Homemakers Annual Meeting Held In Plainview

The Area I Young Homemakers of Texas gathered for their annual meeting Saturday, August 27 at Herral Auditorium on the Wayland Baptist University campus.

The theme of the meeting was "Families...America's Promise." Four members of the Abernathy Chapter attended. They were: Shari Connell, officer candidate; Mary Harkey and Martha Stark, voting delegates; and Marilyn Stone, local advisor.

The morning business meeting began with the seating of delegates and the election of Area I officers for 1983-84. Shari Connell from Abernathy was elected Treasurer. The keynote speaker was Plainview attorney, Lanny Voss, who spoke about the family, in keeping with the meeting theme.

The afternoon session was highlighted with a variety of speakers. Mrs. Nancy Stukley from Gabriel's, talked about wardrobe planning for individual color types with

mix and match items. Mrs. Frank Owen entertained the group with the wit and wisdom of Erma Bombeck. An inspiring message came from Mrs. Christa Smith, Assistant Professor at Wayland. She grew up in Germany during World War II and spoke of the importance of family roots and unity.

The installation of officers for 1983-84 concluded the meeting. Mrs. Debbie Annen, State YHT office from Dimmitt, installed the fol-

lowing: President, Leah Garretson, Hale Center; First Vice President, Stacey Hitt, Ralls; Second Vice President, Donna West, Littlefield; Third Vice President, Jennifer Miller, Dimmitt; Secretary, Joanna Harrell, Plainview; Treasurer, Shari Connell, Abernathy; Parliamentarian, Vicke Webb, Plainview; and Reporter, Rebba Newton, Littlefield.

New President, Leah Garretson, adjourned the meeting.

Shari Connell Elected Treasurer Of Area I Young Homemakers

Abernathy Young Homemaker, Shari Connell, was elected to the office of Treasurer of the Area I Association of the Young Homemakers of Texas at the annual meeting in Plainview Saturday, August 27.

The election of officers was held during the morning business session. Each officer candidate gave a two minute speech on "What YHT Means To Me." The voting delegates from each chapter cast their ballots and the final results were announced.

A luncheon was held for the incoming and outgoing officers and their advisors.

Mrs. Marilyn Stone, A.H.S. Home Economics teacher, will serve as Shari's advisor. The group met with Mrs. Ima Dora Haile, Home Economics Education Specialist, Texas Education Agency, Plainview and Mrs. Gay Nell McGinnis, State YHT Advisor, Texas Education Agency, Austin. The group also judged the name badges from each chapter attending. The badges were to relate or depict the theme of the meeting, "Families... America's Promise." The Littlefield chapter won first place.

The new 1983-84 officers will meet November 5 in

Plainview to plan activities for the year. The area officers will also attend the State Young Homemakers Conference in Dallas in late November. Local chapter

members are also urged to attend. A variety of educational and entertaining activities are on the agenda.

Individuals in the community who are interested in joining Young Homemakers may call Marilyn Stone at 298-2563 on weekdays. There will also be more information in the Review in weeks to come.

We Want You!
The Abernathy Young Homemakers need your input and enthusiasm.
Join us at our meetings-held every second Monday at 7:30 p.m. at the school homemaking department, or call Shari Connell at 298-2563.

September 11 is Grandparents Day!

Remember your grandparents with flowers or choose from our wide selection of gift items.

Guillen Attending Seminary

Andrew Guillen from Abernathy, entered Immaculate Heart of Mary Seminary August 22 in Santa Fe, New Mexico.

Friday, August 5, Father Greenwell, vocation director, Father Gonzales, vicar general, and Bishop Michael J. Sheehan, had a party for the new seminarians at White River Lake. The new seminarians got a chance to meet those already studying for the priesthood in the Diocese of Lubbock and it was an opportunity for the seminarians to ask questions about the priesthood and to talk about their progress toward the altar.

After everyone was exhausted from swimming, a mass was celebrated, fol-

lowed by hamburgers and discussion before the young men returned home.

The new seminarians are: Andrew Guillen, a freshman from St. Isidore in Abernathy; Jim McCartney of Snyder; Ruben Curiel, a junior from St. Anthony's in Brownfield; Ike Mata, a freshman from St. Phillip's in Shallowater, Romeo Salinas, a freshman from St. Michael's in Levelland; Mark Dama, pre-theology, from Christ the King, Lubbock; and Paul Sikes, a junior from St. Elizabeth's parish in Lubbock.

The seminarians will be starting back to school soon. The Bishop requests prayers that God will give them the grace of perseverance in

their vocation and that the Lord will add to their number many more young men eager to follow Christ and to serve the church on the South Plains.

Andrew is the son of Mr. and Mrs. Andrew Guillen, Sr. of 1108 5th Street, Abernathy.

Andrew Guillen

"In language, clarity is everything." Confucius

This and That

By Helen Wade

Visitors in the home of Mr. and Mrs. Dick Wade over the weekend were: Mr. and Mrs. Dayton Boyd and children, Gary and Becki of Fairfield, and Mr. and Mrs. Omer Wade of Abernathy.

Those visiting in the home of Mr. and Mrs. W. G. Spruiell over the Labor

Day weekend were Mr. and Mrs. Herbert Strawn of Lamesa, Mr. and Mrs. Kerby Spruiell of Austin and their guest, Miss Anne Lise Fjellheim of Norway.

She is a sixteen year old exchange student from Norway. Lise will stay one year in the home of Mr. and Mrs. Spruiell and will graduate at an Austin high school before returning home. She comes from a small dairy farm and the school she attended in Norway had a total enrollment of 200. The high school she attends in Austin has an enrollment of 1500. I imagine that is quite an adjustment to make, but she came to this country to study and learn.

Fall seems to be in the air. Even though the temperature gets real hot in the daytime, the nights are beginning to cool off. It has been partly cloudy and hazy the last day or two. I think everyone will be ready for cooler days after such a hot summer.

Mr. and Mrs. Jerry Hagstrom, Melissa and Andy, visited in the home of Mr. and Mrs. Jim Salitros Sunday night. They ate some homemade butter pecan ice cream, and Melissa and Fran visited and talked about Melissa's trip to Japan.

Jimmy Salitros called home Saturday and said he is really enjoying A&M, even though the upper classmen are not letting them sleep in their beds. Jimmy has a "fish" haircut, which is traditional in the Corps. He attended A&M's first football game of the year.

ATTEND THE CHURCH OF YOUR CHOICE

...As Beloved Children

Ephesians 5:1-2 says, "Therefore be imitators of God, as beloved children; and walk in love, just as Christ also loved you, and gave Himself up for us, an offering and a sacrifice to God as a fragrant aroma."

In this passage we are encouraged to walk as "beloved children." I look around and see many younger children looking to

their parents and saying, "I want to be just like you when I grow up." I know I had this desire, and I thank God for parents who set the proper example for me as I was growing up.

But this admonition goes much farther than our human desires or efforts. "Be imitators of God...and walk in love, just as Christ also loved you..." Jesus set

the example for all of us to follow. People, no matter how good or well-meaning, can let you down. God's example and instructions can always be counted on, from everlasting to everlasting.

Results Of St. Isidore Softball Tourney

St. Isidore's Guadalupanas sponsored a women's softball tournament August 27-28 on the church grounds. Ten teams participated in this event. The director was Manuela Cuevas, assisted by Oscar Lopez.

The teams representing Abernathy were: Blue Angel's, coached by Oscar Lopez and Daniel Perez; another team coached by Dan Miller; Las Amegas, coached by Arnulfo Garza and Julian Mendez; and Lee's Angels, coached by

Lee Blanco. The teams that represented Lubbock were: Las Tejanas, Villa Olds; Merrill Lynch and Lubbock State School. One of the teams forfeited, and a team from Lockney was coached by Anna Anderson. The winning teams in the

double elimination tournament were Las Tejanas - 1st place, Lubbock State School - 2nd place and Lockney came in 3rd.

Special thanks to everyone who cooperated to make this event a great success.

Lakeview Locals

By Mrs. Norman Matthews

Mrs. L. A. Suttler was the guest speaker last Wednesday night, August 31 at Lakeview Methodist Church.

Mr. E. G. Mahagan visited Sunday in Happy Union in the home of Mr. and Fawver and Clyde

Burton.

Mrs. H. C. Barnwell is in Methodist Hospital. She went in the hospital Sunday and she is very sick.

Mr. and Mrs. Gayle Meadors of Lubbock spent the weekend with his parents Mr. and Mrs. H. N. Meadors.

Rev. and Mrs. Walter Driver of Big Spring, and Mr. and Mrs. Norman Stover of Lawton, Oklahoma visited their sister, Mrs. Oleta Gilmore, Sunday. They had been out this way for a wedding. Walter's granddaughter, Debbie

Kenneth Sinclair from Ft. Jackson visited Mr. and Mrs. Glenn Amnott this past weekend. Bro. and Mrs. Nave, Mrs. Norman Matthews and Mrs. S. M. Harrison were dinner guests Sunday in the home of Mrs. Florence Jackson in Abernathy.

Driver and Carl Adams were married by Rev. Driver in Amarillo.

Mrs. N. J. Fred visited relatives in Lubbock last week.

74th Annual Crop Field Day Tuesday

The latest research on cotton and grape varieties, drought tolerant crops, and weed control will be featured stops for the 74th annual field day of the Texas Agricultural Experiment Station for Lubbock and Halfway. The event begins at 1 p.m. Tuesday, September 13, at the research site, just north of Lubbock International Airport.

Hale County producers will find the program particularly applicable, said Ollie Liner, County Extension Agent.

Research efforts at the Lubbock and Halfway station focus especially upon needs of producers in Hale County and throughout the High Plains of Texas, Liner said.

The annual field day alternates between the

TAES locations at Lubbock and Halfway. Field tours will be conducted throughout the afternoon, with tractor-drawn trailers shuttling visitors to key research plots.

The field day is a cooperative presentation of TAES, the Texas Agricultural Extension Service, the High Plains Research Foundation, United States Department of Agriculture-Agricultural Research Service, and the National Weather Service.

The stops will highlight new techniques and products for weed control, devel-

opment of new varieties to improve cotton fiber quality, the latest research on grapes, an increasingly important High Plains crop, and development of drought tolerant cotton to better utilize declining water supplies and reduce irrigation requirements, Liner said.

Other features of the field day will be a display of computers and agricultural programs for computers, a tour of the Texas Agricultural Extension Service Soil Testing Lab, and an open house at the Texas Forest Service greenhouse and facility at the Station.

GETTING READY FOR THE 74th ANNUAL FIELD DAY are Dr. Don R. Rummel, Professor, Entomology and Dr. John R. Gannaway, Associate Professor, Cotton Breeding, both with the Texas A&M University Agricultural Research & Extension Center, Lubbock-Halfway, looking at research plots.

Dance For Hale County 4-H Families Saturday

All Hale County 4-H Families are invited to a Back-To-School 4-H Dance, Saturday, September 10 at the Texas Tech University Ballroom.

The Rex Thomas Band

will be the entertainment and admission will be \$3 per person and \$1 for 4-H'ers 12 years and under.

The dance will begin at 8 p.m. and will last until 12 midnight.

Alfalfa roots sometimes grow to a depth of 30 feet.

Plains Pest Management Report

Sorghum

Headworms are the main concern at this time. Both fall armyworms and corn earworms have been found in the heads, with fall armyworms being much more numerous. Heads should be inspected from flowering through hard dough. It is best to sample 20 heads at random in each site. Open headed sorghum hybrids tend to have reduced numbers of headworms. The economic threshold is when densities exceed an average of two small larvae per head. For seed production fields, we usually accept half this threshold as a treatment level. Last week, fields as high as 4 per head were reported, while this week the high has been 1 per head. Most fields have averaged 5 per 20 heads.

Blooming fields should continue to be sampled for sorghum midge. All midge populations observed this week have been below economic threshold.

Cotton

grams of a grain sorghum checkoff program which was established by a referendum of sorghum farmers in 1969. The voluntary checkoff of 5 cents per ton of sorghum production is used to finance grain sorghum research and promotion. Directors serve six-year terms staggered so that terms of four directors expire biennially.

The election will be conducted by mail. Ballots will be mailed to grain sorghum farmers this week and must be returned to the TGSPB office with a postmark no later than midnight, September 15, 1983. The names of five nominees appear on the ballot. They are: Jack Cobb of Plains, Olan (Jack) Crowl of Morse, George Reeves of Dalhart, Weldon Shelton of Lamesa and Delbert Watson of Muleshoe. Write-in candidates are also eligible.

Any person in the 29-county TGSPB area who produces grain sorghum and is subject to the board assessment is eligible to vote, including owners of farms and their tenants and sharecroppers.

Bollworm infestations

have been sporadic over much of the area this week. Most fields treated last week have not required treatment. Bollworm egg counts have ranged from 0 to 26,000 per acre and averaged around 8,000. Larval counts have ranged from 0 to 70,000 per acre and averaged 4,000. Overall bollworm infestations have been much lighter this year.

Corn

Southwestern corn borer girdling and lodging has become evident in some fields. Lodging is running less than 2 percent in most fields. Corn harvest will probably begin next week in some areas.

Spider mites and moisture stress have caused pre-mature death of plants in a few fields. The corn stalks have been weakened and will be more susceptible to lodging and stalk rots. These fields will probably be ready for harvest earlier than normal.

Soybean

Beet armyworm loopers and painted lady larvae are the main foliage feeders being found. Defoliation has remained low, at about the 2-5 percent level.

Only an occasional podworm (corn earworm) has been found while sampling.

The soybean stem borer (*Detes texanus*) has been found in the stalks of a few soybeans in the Edmonson area. The borers are about 3/8" at this time and have just moved into the stalk

or a shake cloth. The shake cloth is the easiest to use and construct. A piece of white cloth 36" by 42" should be used. A couple of sticks 1/2" to 1" wide and 36" to 40" long can be stapled to the 36" side of the cloth. This shake cloth can then be easily spread between the rows in the furrow. To sample the beans, 1 1/2 feet on each side of the row are shaken vigorously over the cloth. Then a count of larvae are made. Each sample will be equal to 3 row feet. Ten sample locations should be selected in the field. This will make a total sample of 30 row feet. The economic threshold for corn earworms is 30 per 30 row feet.

Sharon Prather To Attend Leadership Texas Meeting In Houston

Leadership Texas will go to the source to study the Power of Texas when the participants convene in Houston, September 26 and 27, for the fifth in a series of 1983 Seminars. Mayor Kathy Whitmire, Jack Blanton, President, Scurlock Oil company, Fentress Bracewell, Senior Partner, Bracewell & Patterson and Chairman of the Houston Port Authority, Tom Fatjo, President of The Houstonian, and Dr. James Bowen, Vice-President, Academic Affairs, UT Cancer Center

are among the leaders who will speak to the group of fifty-eight women at the two-day seminar.

Sharon Young Prather, 34, of Abernathy, and local leadership Texas representative, is a community volunteer with the West Texas Museum and the Junior League of Lubbock. She also is actively involved in her husband's farming, real estate, investments, and farm implement business.

A Lubbock native, Sharon is a former teacher with a

BS degree in education from Angelo State University.

She is a member of the exhibits committee at West Texas Museum and on the board of overseers for the museum's Ranching Heritage Center.

The Leadership Texas group, selected in January, includes corporate managers, entrepreneurs, attorneys, educators, community volunteers and health care professionals. Leadership Texas, a program of the Texas Foundation for Women's Resources, an Austin-based educational foundation, is designed to identify and bring together outstanding female leaders from around the state to further prepare them for statewide leadership roles.

The Houston seminar will begin on Monday, September 26, with a breakfast at The Houstonian. Mayor Kathy Whitmire will be featured as the Keynote Speaker. A report from the Governor's commission for Women on "Women's Power" by Chair Dr. Martha Williams, Vice-Chair Dr. Jo Floyd, and Commissioners Martha Whitehead and Betty Noble Turner, all 1983 Leadership Texas participants, will follow Whit-

mire's address.

Following a luncheon at Chez Eddy at the Sid W. Richardson Institute for Preventative Medicine, Dr. James Bowen, Vice-President of Academic Affairs, University of Texas Cancer Center, will speak on "The Power of Hope" at the M.D. Anderson Hospital and Tumor Institute. The group will have opportunity to tour the Center at the conclusion of Dr. Bowen's remarks.

The venerable Petroleum Club will be the setting when Jack Blanton, Tom Fatjo and the Honorable Louie Welch, former Mayor of Houston and President of the Chamber of Commerce, speak on "View of Power." Carol Tatkon, Treasurer of Exxon, USA, will host a cocktail reception honoring the Leadership Texas participants to conclude the afternoon activities.

Ann Brinkerhoff of Houston, also a current Leadership Texas participant, will host the group for dinner at her home.

Tuesday's program be-

gins with breakfast at The Houstonian. Jack Raines, CEO of 3-D International and Chairman of the International committee of the Houston Chamber of Commerce, will speak on "Texas - An International Power." Following Raines' remarks, Marguerite Johnson of The Houston Post, Lynn Noble, owner of Noble Toyota in Conroe, Christin Hartung of the Houston City Council and Terry Hershey, Houston community leader, will discuss "Dimensions of Power."

The Houston Port Authority will host a luncheon for the group aboard The Sam Houston. As the boat tours the port, Fentress Bracewell, senior partner in Bracewell and Patterson and chairman of the Houston Port Authority, will lead an informal conversation concerning the impact of the port facility in Houston's identification as one of the power centers in the U.S.

The seminar closes with Diana Marshall, partner in Baker and Botts, who will speak on "Women's Rise To Power."

1983 Leadership Texas will conclude in Dallas on November 1-2 when the group will focus on "The Economy of Texas."

Brady Victim Of Armed Robbery

Allsup's employee Quentin Brady of Abernathy was alone in the Idalou Allsup's store when a robbery occurred shortly after 3 a.m. Wednesday, August 28.

A white male about 22 came in the store and indicated another person wanted to fill the car's gas tank at the store pump. Brady did not collect payment in advance, the store's usual policy, since he did not know exactly how much the gas would cost and also because the man remained inside.

The man selected two items and brought them to Brady at the cash register. Brady added the gas cost, which showed on a machine in the store, and the items the man put on the counter. "Will that be all?" Brady asked the man. The employee said the man pulled a gun and asked for all the bills in the cash register and he complied with the demand, as Allsup's employees are instructed. The man went out with

the money and the two drove away.

Brady immediately locked the door and put a quarter in the pay phone and called Melvin Daniel, the manager of the Idalou Allsup's, who rushed over. Daniel cited another loss in the quarter used to make the phone call. "It was a 1943 silver coin," he said, "and I

looked at a lot of quarters before I found it."

Descriptions of the men and the car matched those of two men suspected of a similar robbery in Levelland just an hour earlier.

They were later arrested that same Wednesday in Wichita Falls.

Former Abernathian Receives Degree From Hardin-Simmons University

Donna June (White) Adams of Route 1, Tuscola, Texas, and daughter of Mr. and Mrs. Calvin Beckham, received the bachelor of education degree at Hardin-Simmons University's summer commencement exercises August 12.

More than 75 degree candidates received diplomas and heard Dr. Jesse C. Fletcher, president, deliver the charge to the graduates. Donna graduated cum laude with a cumulative grade point average of 3.50. Adams graduated from New Deal High School in 1956. While living in Abernathy, she worked at Abernathy Schools as the secre-

tary to Charles Bowen from 1970 to 1979. Donna's husband, Jerry, was a vocational agriculture teacher at Abernathy Schools from 1961 to 1979. He is presently employed as the principal of Jim Ned High School at Tuscola.

STAMPEDE By Jerry Palen

"Lord, Promise Me! No wire gates in heaven!"

The add-on heat pump is an efficient air conditioner that cools your home when it's hot. But that's not all.

In cold weather, the add-on heat pump works with your present furnace to help heat your home.

Replacing your air conditioner could actually save you money.

If your air conditioner breaks down, you have several choices. Repair. Replace. Buy a whole new system. All major investments. Southwestern Public Service Company would like you to know about another option, a more efficient alternative: the electric add-on heat pump. The add-on heat pump is a very special air conditioner. It cools in the summer and helps heat in the winter for less than you'd spend on a new heating and cooling system. It works with whatever kind of furnace you have, to improve the performance of your furnace by keeping it off completely during a good portion of the winter. It will satisfy your home's heating requirements more economically while temperatures are above 30°. That's about 80% of our area's normal heating season. As one of the most efficient ways to heat and cool, the add-on heat pump can really make a difference. Helping you use electricity efficiently is another way we're working to justify your trust. Call us to see what your savings could be.

SOUTHWESTERN PUBLIC SERVICE COMPANY

Nesbitt Awarded Achievement Medal

Mickey E. Nesbitt, son of Mr. and Mrs. Paul E. Nesbitt of Abernathy, has been awarded the Navy Achievement Medal. Nesbitt received the medal for his professional achievement in the superior performance of his duties while he was temporarily assigned as the Military Entrance Processing Command's Liaison Officer to the 3700th Personnel Resources Group, Lackland Air Force Base, from October 1, 1982 to December 1, 1982. During this period, Petty

Officer Nesbitt displayed exceptional knowledge in the area of Armed Forces applicant enlistment packages and developed quality control procedures for their processing. These procedures were adopted for nationwide use by the Command. In addition, Petty Officer Nesbitt opened communications channels between the 3700th Personnel Resources Group and the sixty-eight Military Entrance Processing Stations to allow for on-the-spot corrections. Nesbitt is currently as-

signed to the Military Entrance Processing Station, San Antonio.

SPEC Membership Meeting Sept. 13

The South Plains Electric Cooperative annual membership meeting will be held Tuesday, September 13 at the Lubbock Memorial Civic Center exhibit hall. The 7 p.m. business meeting will include the election of two directors, a review of the cooperative's financial position ending December 31, 1982, and reports from R. D. McCallister, president, and J. C. Roberts, general manager.

"We highly encourage all members to attend the meeting," said Roberts. "The cooperative belongs to the members, and this is the best time to learn what is happening in the electric utility business," he said. The meeting will be preceded by a buffet dinner for all members, and the movie "Star Wars" will be shown for the children.
