

Chamber Discusses Senior Citizens Center, Octoberfest

The Abernathy Chamber of Commerce discussed the progress being made at the Senior Citizens Center and made plans for Octoberfest at the October Chamber meeting held last Thursday at 7 a.m.

The Senior Citizens Center is coming along well as new paneling has

been installed and the acoustical ceiling and tile floor are nearing completion.

General builder and contractor R.C. Patterson is doing most of the remodeling. He recently completed a new addition to the front, a wood platform and sidewalk to the Metho-

dist Church parking lot.

The South Plains Association of Governments in Lubbock will make additional funding available to complete the center. It is predicted that another \$6 to \$7 thousand will be needed to finish the center to the point where it will be completely operational. The Chamber hopes to acquire most of these funds from SPAG soon.

SPAG is also in the process of acquiring another \$16,000 to be used for the operation of the local center. It will be given to Abernathy in December and the center should be operational by January.

Proceeds from the roping contest at New Deal last weekend will be donated to the center, according to the director of the contest, J.C. Danford.

The Chamber also discussed Octoberfest, coming up Monday, October 31 at the Fire Hall. The Octoberfest Parade will start near the old theatre on Main Street and end at the Fire Hall.

Many fun events and contests will be held at the Fire Hall. Admission will be canned goods for the community pantry.

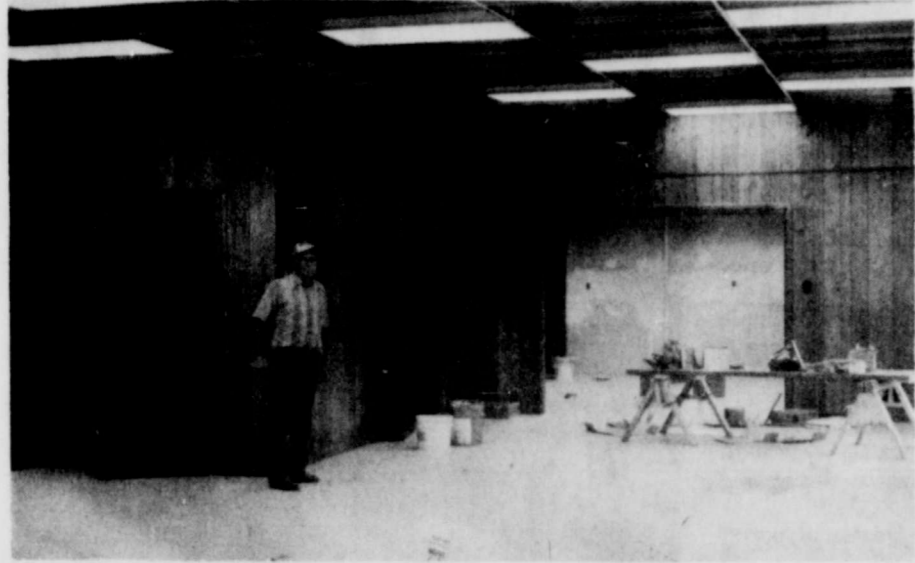

Events slated are an FFA sponsored spook house, Chamber sponsored bingo, costume contest, pumpkin

decorating contest, dress-up contest, Lions sponsored dart throwing booth, the Eastern Star will have a booth, eat crackers and whistle contest, and other contests, events and booths which

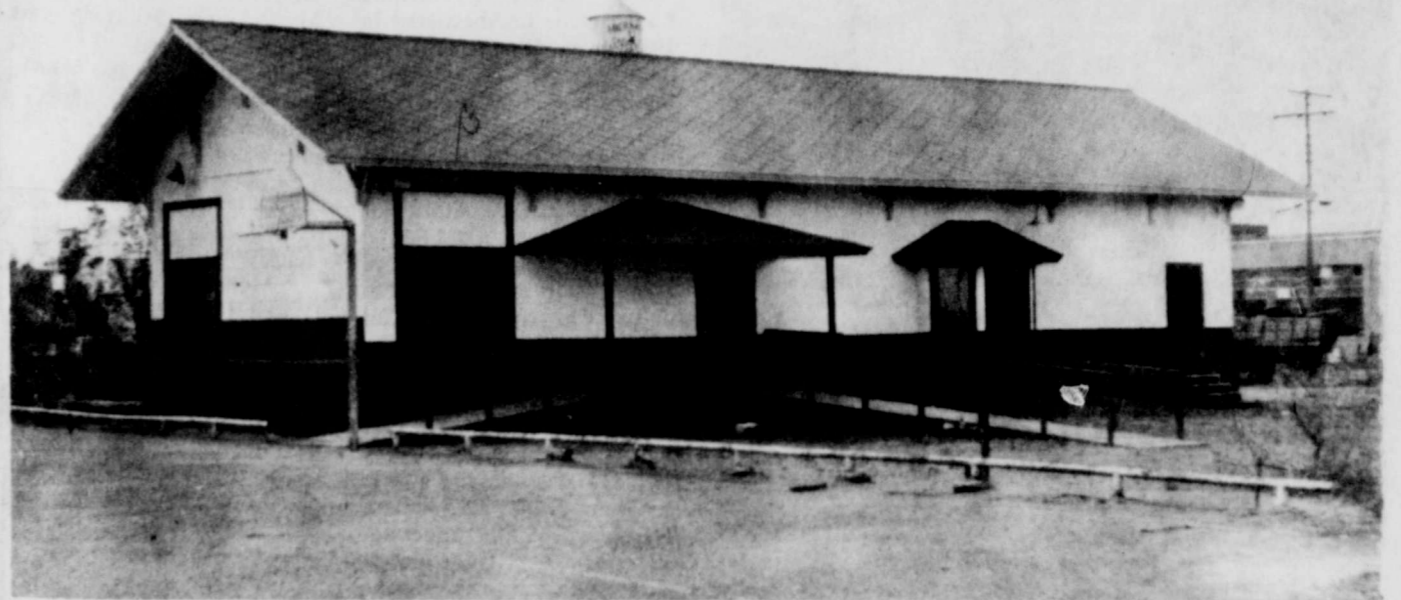

have not been announced at this time. Organizations or individuals wanting a booth for the celebration should call Rhetta Riley and reserve one. The booths are free.

Cooking breakfast at the meeting were Gary Grant, Lewis and Violet Patterson and Mary Jo and Y.F. Snodgrass.

Next Chamber Meeting is Nov. 3.

FORMER SANTA FE DEPOT has been converted into probably the most unique senior citizens center in the state. Pictured is R.C. Patterson, who remodelled the outside and inside of the structure. The center should be completed and be operational by December. (Review Photo)

OUTSIDE OF THE CENTER SHAPING UP...and the new wooden porch and ramps add to the appearance of the senior citizens center. The porch area also features an over-hang.

ON THE COUNTY LINE

BY KEITH TOOLEY

IN 1957, READERS DIGEST ran an article about another Russian-American incident which occurred in the Sea of Japan. The story told of an attempted cover-up by the Soviet Union, after one of their Russian MIGs shot down an American aircraft in the Sea of Japan.

An Air Force RB-50 four-engine bomber was flying over international waters on a routine mission when attacked. This happened on the morning of July 29, 1953.

In this incident, which occurred thirty years ago, one of the 17 men survived by parachuting into the Sea of Japan. After 24 hours at sea, he was rescued by a Navy destroyer.

After being rescued, the American pilot reported that his plane had been shot down after an unprovoked attack by a Russian MIG-15. Russia refuted this accusation saying that their two Soviet fighter planes approached the American plane and signaled that it was inside the limits of the frontier of the USSR and proposed that it leave the air space of the Soviet Union. Then the Russians reported that the American plane opened fire on them and did serious damage to one of their planes. Therefore, they shot the American plane down and it crashed into the Sea of Japan... (taken from the Moral Majority Report)

Americans don't need any more proof. Thirty years ago one of the men lived to tell the truth when this plane was shot down.

No one lived to tell the true story in the recent incident, but the lie to the Russian people lives on.

BEING A MILLIONAIRE used to be a big deal. But according to a column in the Lynn County News, "Woodwork", by Dalton Wood, one out of every 354 persons in the United States is a millionaire.

This does not necessarily mean that you have a million dollars in the bank, but it includes everything that makes up your net worth.

I know several farmers that are millionaires just because they own so much farm equipment and land, but still claim they are broke. Guess this is because they don't actually own all of that equipment, but spend what they make, if any, to some day finish paying for it.

THE FARMER'S ALMANAC was very accurate in its predictions last year as it predicted some of the snowstorms down to the tee.

This year the Farmer's Almanac is predicting much the same weather pattern as we had last year... a cold wet winter.

And the publication probably has some pretty valid information, considering it is 192 years old. You won't find any weathermen with this much experience. In fact, at times it seems that the weathermen in this area cannot guess what mother nature has in store as well as the average farmer.

Therefore, when making your plans for the 1983-84 winter, you might want to rely on the Almanac. Almanac Editor, Judson Hale recently stated that his publication is 80 percent accurate. Not bad, compared to the accuracy of some of the weather reports we hear and read about.

WE HAVE SEEN BILL SCOTT working at the Senior Citizens Center many nights as he is donating his work and time putting in all the electrical wiring and boxes. It is the hard work by Bill, and others who have contributed to the center, that will make it a big success in the end.

THEY CALL IT take-home pay because there is no other place you can afford to go with it.

ABERNATHY WEEKLY REVIEW

"IN THE PALM OF THE PLAINS" VOLUME 62, NO. 48 THURSDAY, OCTOBER 13, 1983 [SERVING HALE, LUBBOCK COUNTIES] U.S.P.S. NO. 003-340

Council Sets Tax Rate, Approves Budget

The Abernathy City Council met Monday, September 26 and approved the 1983-84 city budget as well as set the tax rate.

The council conducted a public hearing on the proposed 1983-84 budget, then approved a 1 cent tax increase. This will increase the city tax rate from 45 cents to 46 cents per \$100 valuation.

The approved budget is \$667,350, up 2.77 percent over the 1982-83 city budget of \$649,348. The increase amounts to an \$18,002 increase in the budget.

The budget was set according to how the city tax roll was appraised by

the Hale County Appraisal District. The district appraised the city tax roll at \$37,650,047, which is \$1,401,954 less than the 1982 tax roll of \$39,052,001. The decrease in the tax roll was due primarily to a decrease in the valuation of the bank. Therefore, the 1 cent tax increase was necessary in order for the city to collect \$173,190 in tax revenues, which still does not make up for the loss in revenues, considering the city took in \$175,734 in tax revenues last year.

One of the items discussed by the council concerning the budget was the large number of overdue EMS accounts. It was stated that each year

there is approximately \$3 thousand on city books not collected for EMS services. The council discussed turning these overdue accounts over to the city collection agency.

The proposed increase in water and sewer fees was also discussed. The proposed increases would amount to 75 cents more for in-city service and \$1.50 more for out-of-city service. These increases would go into effect November 1 if approved.

The budget also has a 4 percent across the board salary increase built into it for city employees. If the council approves this salary increase, it would go into affect in January.

The council adopted an ordinance approving the general revenue sharing budget for 1983-84. The City will be given \$47,161 in general revenue sharing funds for the 1983-84 year. Of the \$47,161 to be received, \$22,000 will be used for street maintenance and seal coating, \$22,000 to purchase a high pressure sewer clean-out machine, and the balance of \$3,162 will be carried forward into next year's budget.

The Council then authorized the city manager to advertise for bids for the city's 1984 insurance coverage. The meeting adjourned.

McKinney Home Receives Fire Damage Friday

The Brac and Wanda McKinney residence, 1211 14th street, received extensive damage from a fire at approximately 1 p.m. Friday. No one was at the home at the time, but luckily the fire was spotted by a local man passing by the home.

Approximately 18 members of the Abernathy Fire Department arrived on the scene to extinguish the fire. They used air packs while putting the fire out in the home and promptly stopped it without causing water damage to the home.

One fireman stated that if the house had burned another 5 or 10 minutes before being spotted, the fire would have burned through the roof. Because of the early sighting and the fire department arriving quickly, the house only received extensive damage, rather than being totalled.

Preliminary investigators revealed that the fire could have been caused by an iron in the den area. It was thought that the iron might have shorted out.

ABERNATHY FIREMEN QUICKLY responded to a fire at the Brac McKinney home, 1211 14th street at approximately 1 p.m. last Friday. The fire did extensive damage to the inside of the home. Pictured are local firemen saving the home. (Review Photo)

Girls Cross Country First At Big Spring Meet

The Abernathy Girls Cross Country Team placed first at the Big Spring Cross Country meet held Saturday, October 8.

The boys cross country team also gave a fine performance placing third. They were nosed out by San Angelo Central in first place, and Midland Lee in second.

Girls on the first place Abernathy squad were Holly Shafer, Johnna Harrell, Amy Pettit, Stacey Kelley, Dinah Neve and Gina Salinas. Shafer was also sixth high individual.

Members of the boys team placing third were Larry Perkins, Joseph Ruiz, Patrick Ponce, Tony Rodriguez, Ed Teal, Gilbert Blanco and Tony Ortiz. Perkins was the ninth high individual in the boys competition.

The boys and girls cross country teams will compete next at the Lubbock Open Cross Country Meet October 15 at Mae Simmons Park, Lubbock. The District cross country meet will be held October 25 also in Lubbock.

Two Locals Found Innocent In Hale Center Burglary

Two Abernathy locals, accused of being involved in an August 1 burglary of Struve's apparel store in Hale Center, were found innocent recently.

Another Abernathy person accused for the burglary stated that two other Abernathy locals were also connected with the burglary. Investigators later found out that the person who accused

two Abernathy locals of being involved had lied, after the accused failed a lie detector test. The two accused also took lie detector tests and were found innocent.

The burglary, in which four pairs of jeans and several warm-up separates were taken, has not been cleared at this point according to Hale Center Police Officers.

Four Inducted Into NHS

The National Honor Society held its induction ceremony October 10 at 8 p.m. in the Gold Auditorium. Members of the National Honor Society must maintain a grade average of 90 with no grade below a 70.

This year four sophomores were inducted. They were: Donna Colbert, Rhonda Neis, Tony Rodriguez and Phil Vandegriff.

After the ceremony, parents and members enjoyed refreshments.

Antelopes Travel To Friona Friday

The Abernathy Antelopes will make the trek to Friona Friday for the second district game of the season. The game will start at 7:30 p.m. at Friona.

Friona is having a successful year, but one has to question how tough the teams are Friona has played so far this year. They defeated River Road in their first outing Sept. 2 by the score of 13-6; Sept. 9 they defeated Boys Ranch 20-0; Sept. 16 Friona lost to Shallowater 7-20; Sept. 23 they defeated Dalhart 21-0; Sept. 30 they defeated Farwell 34-0; and last week they won their first district game

against Tulia 13-0. Friona has a season record of 5-1 and a district record of 1-0 going into the game. Last week Friona was ranked 40th in the state by Harris. Abernathy is 3-3 on the season and 0-1 in district.

Offensive threats on Friona's offensive squad will be Charlie Morgan, a 5 ft. 10 in., 160 lb. senior who rushed for 1,180 yards his junior year. This year Morgan has already rushed for 684 yards in six games. Alfredo Mata, another running back, is a senior and is also a dangerous runner. Senior

Charlie Veazey will be at the controls as quarterback.

Defensive threats for Friona are lineman Jose Sammarron, 220 lbs. and defensive back Rudy Bernea, who can cause problems for any offensive end. A Friona spokesman also stated that their linemen are big players on the line averaging 185 lbs.

Abernathy is still trying to recover from excessive injuries suffered in their first six outings. Nine starting Lopes are injured going into the game as Abernathy is experiencing a record injury year.

Homemakers Sponsor Clinic

The Abernathy Young Homemakers are sponsoring a pet clinic October 29 from 2 p.m. to 5 p.m. at the school ag shop.

Pets will be examined and given shots and locals can also acquire tags necessary to keep their pet within the city.

Coming Events

October 14 - Antelopes to play Friona there at 7:30 p.m.

October 17 - Booster Club meets at 7 p.m. in the Gold Auditorium. City Council meets at 7:30 p.m. in the small city hall meeting room.

October 18 - A social security representative from the Plainview office will be at the Abernathy City Hall from 9:30-11:30 a.m. for those who need SS assistance. Lions Club meets at 12 noon at the small city hall meeting room.

October 20 - Sunshine Group meets at 11 a.m. for their program and a covered-dish lunch will follow at 12 noon there.

October 21 - Abernathy Antelopes take on the Tulia Hornets here at 7:30 p.m.

Historical Articles Needed

The committee preparing the souvenir booklet for the 75th anniversary celebration would like to copy stories and pictures which represent the history of Abernathy, surrounding communities, and the citizens of this area.

Those who have historical articles, and will allow the committee to make copies of them, should contact Gale Davis at 298-2169.

Beat Friona!

Adkissons To Celebrate Golden Wedding Anniversary Sunday

The children of Mr. and Mrs. Joe Dolph Adkisson will honor their parents with a reception commemorating their fiftieth wedding anniversary Sunday, October 16 from 2 until 4 p.m. in the Abernathy Community Center. Friends and relatives of the couple are cordially

Mr. and Mrs. Joe Dolph Adkisson

invited to help them celebrate this special occasion.

The Gid B. Adkisson, Sr. family moved to Abernathy from Hall County, Texas, in 1918. Young Joe Dolph helped on the family farm until he began his own farming operation, which he continued until his retirement eight years ago.

The Emmett Williams family came to Abernathy in 1915 from Blanket, Texas, bringing with them their infant daughter, Vida. She is an active member of the Abernathy community and has been employed at Struve's Department Store for 19 years.

Joe Dolph and Vida were married October 18, 1933, in the Church of Christ at Clovis, New Mexico. The couple has four daughters: Jo Etta Childers of Lubbock; Elaine Ramsey of Newport Beach, California; Betty Gayle Smith of Abernathy; and Janie Cope of Klondike. They have eight grandchildren and four great-grand-

Society and Features

children.

Assisting the family in the houseparty are: Mr. and Mrs. Waymon Jones; Mr. and Mrs. Larry Griffin; Mrs. Laura Stanton; and Mrs. Jewel Ford.

Friendship is most precious to Joe Dolph and Vida. No other gift is necessary.

"Work is love made visible."
Kahlil Gibran

Members of the Bee Hive Hobby Club have planted a lovely silver leaf maple tree in memory of Edith Howard. She was a past president and faithful member of the club.

The tree the Hobby Club planted is located in front of City Hall.

THOSE TO REMEMBER

Maurine Hamilton is in St. Mary's Hospital. Bill Wolf is in Methodist Hospital.

D.R. Wade has returned home from Methodist Hospital.

Boyd Reeves, father of Joe Reeves, is in a hospital at Pampa.

Nelda Tullis is in Methodist Hospital.

Eva Morgan had a stroke and is in Methodist Hospital.

Ralph Mothermal is still in Methodist Hospital. He broke his hip.

Boyd Griffith is in Methodist Hospital.

Micha Riley is in Methodist Hospital.

Church News

Guests at the First Methodist Church Sunday, October 2 were: George Sharp, New Deal; Allison Hobbs, Odessa; Bill Barrick, Cedar Park; Jim and Ruby McAlister, Conroe; Denise Reichle, Chris and Derek, Lubbock; and Terri Gist, Abernathy.

Hobby Club Meets

The Abernathy Hobby Club met Thursday, October 6 at 2:30 p.m. in the City Club room. The meeting was called to order by President, Vera Vaughn. Secretary, Ona Maserang called the roll with 19 members present.

After a short business session, secret pal gifts were passed out to those who had an anniversary or birthday during October. The program was turned over to Ruth Paxton, Helen Totty, Ona Maserang and Vera Vaughn. Each of the ladies showed many handmade items which were very pretty and useful.

Hostesses for the day were Ruby Benn and Iris Johnson.

Those attending were: Ruby Benn, Helen Totty, Ona Maserang, Ada Howard, Wynell Pope, Iris Johnson, Glenna Downs, Frances Howard, Vera Vaughn, Juanita Bell, Minnie V. Presley, Wilma Pope, Ruth Paxton, Joann Kuhlers, Dyvena Davis, Jennie Slough, Minnie Northcutt, Mildred Rea and Nadine Rogers.

The next meeting will be Thursday, November 3 at 10 a.m. with a work day and sack lunch.

Glenna Downs, Reporter

Gunn-Presley Engagement

Mr. and Mrs. G.A. Gunn announce the engagement of their daughter, Brenda Lee, to Timothy Presley, son of Mr. and Mrs. Don Presley of Abernathy. The couple will exchange

vows November 25, at 7 p.m. at the First Baptist Church in Fort Sumner, New Mexico.

The bride-elect is a graduate of South Plains College and a junior at Texas Tech.

Everyone is invited to join us for this spiritual feast.

ATTEND THE CHURCH OF YOUR CHOICE

Prayer

Rev. Roswell Brunner
First Church of Nazarene

The history of the christian church is filled with men who were outstanding because they were men of prayer. There were the men of the reformation, like Luther and Calvin. There were men of the eighteenth century, like Whitefield and Wesley. Some of these men changed the course of history. They were men of prayer.

We have the same opportunity to pray as they did. Yes, there may be more

demands on our time and we probably live in a more complicated society than they did. However, we will do what we believe to be important. Prayer does take time and is not mastered quickly. It really takes a lifetime.

Sometimes prayer is left in the background of our lives. If we are able to be the people that God want us to be, we must pray and pray much. Paul said: "Pray without ceasing." I

Thess. 5:17. Let us maintain that spirit of prayer through the whole day.

Abernathy Ministers Association Meets

The Abernathy Ministers Association met in a regular scheduled meeting October 10, at Northside Baptist Church. Pastors attending were Barry Tilley, Ross Brunner, Lester Anderson, Lloyd Riddles, and Ken Horn.

Important issues discussed included the Association's involvement in the distribution of food through the food bank. A final decision on the food bank will be forthcoming after other information can be reviewed.

Final plans were made for the annual Thanksgiving service. Pastor Lloyd Riddles will preach the sermon, with the service being held at the First Baptist Church November 20, Sunday eve-

Horn Celebrates 4th Anniversary At Northside

Rev. Ken Horn has been the pastor at Northside Baptist Church in Abernathy for the last four years and is celebrating his 4th anniversary there this month. Rev. Horn came to Abernathy from Littlefield. While at Littlefield, he was attending Wayland.

Rev. and Mrs. Horn have two children April and Jeremy.

Horn is a graduate student of Wayland Baptist University and he is working on his Masters Degree at Wayland.

Homemakers Meet

The Abernathy Chapter of Young Homemakers met September 12 at 7 p.m. Christy Waters gave a microwave demonstration entitled "Tummy Teasers."

Mule Offense Explosive, Defense Stubborn

The Muleshoe Mules were explosive offensively last Friday night as they gained 447 yards, and very stubborn with points on defense as they allowed the Lopes only 109 yards total offense, for a 35-6 romp over Abernathy in the first district game of the season.

The Lopes could not stop running back Mark Moton, who ran almost at will for 208 yards, including a 68 yard touchdown run.

The Antelope's only touchdown of the night came on the first offensive play by Muleshoe. Defensive back Ross Bradley picked off a Mule pass on the Mule's first play and ran 37 yards for the touchdown.

Bradley was injured early in the game and did not see

much action from the tail-back position. He had gained over 100 yards for the Lopes in each of the two previous games.

Injuries played a big part in Friday night's loss to Muleshoe. Many injured reserve players were switching out with those getting hurt during the game.

Muleshoe also played very good football. They shut the Lopes down to only 34 yards rushing and 75 yards passing for a total of 109 yards. The explosive Muleshoe offense rushed for 290 yards and passed for another 157 for a total of 447 yards.

The Lopes were shut down to 7 first downs while the Mules made 20. The Lopes only penetrated the 20 yards line 1 time while

Muleshoe made 5 penetrations.

The Lopes had few penalties, but Muleshoe broke a lot of rules being penalized 10 times for 80 yards. The Lopes lost 2 fumbles and were intercepted 1 time. Muleshoe did not fumble, but was intercepted 2 times by the Lopes.

Giving a tremendous performance on defense were linebackers Danny McDaniel and Ricky Rodriguez. McDaniel was in on 19 assisted and unassisted tackles and Rodriguez 16.

The Lopes are now batting 500 with a 3-3 record on the season, but in district are one down, 0-1. The Mules improved their season record to 4-1-1, and in district get a good start with a 1-0 record.

Abernathy School Menu

October 13-21

BREAKFAST

Thursday: Orange juice, Sausage, Biscuits, Milk.
Friday: Cranberry juice, Pancakes with syrup, Milk.
Monday: Apples, Cinnamon toast, Milk.

Mistakes Hurt 7th Lopes

Mistakes played a big role in the outcome of the 7th grade game against Muleshoe last Thursday.

The 7th Lopes lost to Muleshoe 6-22, but the Lopes made several big mistakes, such as 4 fumbles and 1 interception.

The Lopes still managed to gain 76 yards rushing and 33 yards passing for 106 yards offensively. Mule-

8th Lopes Run Over Muleshoe

The 8th Lopes ran over Muleshoe last Thursday 24-14 by gaining 288 yards rushing.

The rushing yards, coupled with 25 passing yards, gave the 8th Lopes an incredible 315 total yards offense to Muleshoe's 106 total yards.

The Lopes scored on the following plays: Irvin Dunn made the first TD when he broke loose on a 56 yard run; Pete Garcia caught a 15 yard pass from quarterback Givens for the next TD; Ricky May scored next on a 50 yard run; and John Aguirre put the final points on the board with a 29 yard TD run.

Muleshoe scored their two touchdowns on big plays. Their first TD came on a 75 yard kick-off return and the second on a 69 yard TD pass.

Coach Ray Ater praised the performance of the following players: on offense-Givens, Dunn, Young, Garcia, Bigham, May, Parker, Shafer, Hannel, Knight, Pearson, Konstantakos and Aguirre; on defense-May, Aguirre, Konstantakos, Pearson, Shafer, Givens, Dunn, Young, Bigham and Hannel.

shoe racked-up 179 yards total offense.

Fabian Avalos scored the touchdown for the 7th Lopes when he caught an 11 yard pass from Miller.

Coach Ray Ater mentioned several players who gave good performances during the game. Outstanding players on offense were: Miller, Ruiz, Soto, T. Garcia, J. Garcia, Douglas, Hagstrom, Palacios and Avalos. On defense: Miller, Ruiz, Gainer, Soto, T. Garcia, Young, Olivas, Douglas, Williams, Hagstrom, Guzman, Macias and Avalos.

English Class Learning To Write Business Letters

Jan Hill's 6th grade English class is working on a project called, "What Happened the Day I Was Born?" The students are using different kinds of resource books to help them find national and local news information.

The students are learning to write business letters as they are writing to the newspapers in the towns in which they were born. They are asking the editors for a copy of the front page of the

newspaper printed on their birthdate. In this way, they can read the local news which occurred on the day they were born.

Many of the students were born in Abernathy, and editor Keith Tooley has cooperated 100 percent with us in this project.

It is nice to have interested and helpful community leaders cooperating with our school class projects.

9th Lopes Defeat Mules To Maintain Winning Streak

The 9th grade Lopes are on a winning streak as they have an unbeaten record of 3-0-1 for the year.

This last Thursday they defeated Muleshoe 26-8 in

Mule territory. The 9th Lope's first touchdown came in the opening quarter on a safety. Rowdy Powell tackled a Muleshoe player in the end zone for the touchback and

2 points. The Lopes scored next in the second quarter on a 31 yard pass play from quarterback Chuck Thompson to Todd Elkins, and the freshman Lopes increased their

lead to 8-0. They made a second touchdown in the second quarter on a 13 yard run by Rowdy Powell, making the score 14-0. In the third quarter, Rowdy Powell scored again for the 9th Lopes on a 7 yard run to give them a commanding 20-0 lead. Also in the third quarter, Chuck Thompson scored on a 1 yard run to cap off the 26-8 victory. Muleshoe scored

their only touchdown and extra points conversion in the fourth quarter. The freshman coach mentioned several outstanding players on defense. They were: Powell, Gary Grisham, Terry York, Kevin Harbin, Travis Morgan and Brandon Houston.

"Time is the wisest counselor of all." Pericles

Juniors And Seniors

Combined For Play

The junior and senior class plays will be combined into one play this year. The final decision on the combined project was reached after class votes. The idea was presented at a combined meeting of both

senior play director, and Mrs. Ater will direct the play. The play has not been cast at this date. From the Antelope Outlook. When making overseas hotel reservations, it's a good idea to find if your hotel participates in a program that can cut your phone call costs. "Self-control is at the root of all virtues." Reduced Acreage Could Help Wheat Farmers

Texas wheat farmers have started planting their 1984 crop, but many are still in the dark as to what to do about the government's wheat program.

"While the new wheat program is not as attractive as last year's, participating in the 30 percent reduced acreage program (RAP) could be profitable," says Ed Smith, an economist in grain marketing with the Texas Agricultural Extension Service, Texas A&M University System.

"This is because the expected deficiency payment rate (\$1.15 per bushel) more than compensates farmers for not producing

on the least productive 30 percent of their wheat land. Overall, the 30 percent RAP looks like cheap price insurance."

On the other hand, the decision to participate in the 20 percent PIK phase of the program is not as clear cut, notes Smith. Participation in PIK is close to a breakeven situation with the 30 percent RAP program since a producer gives up deficiency payments on 20 percent of his land and is paid 75 percent of his farm program yield in PIK wheat.

Farmers still have plenty of time to make a decision--the sign-up period is Jan. 16 through Feb. 24, 1984.

And Congress could still make some changes. But, as of now, Texas farmers have three options:

--Not participating in the RAP and forfeiting all rights to direct farm program benefits.

--Participating in the 30 percent RAP only, guaranteeing access to Commodity Credit Corp. loans and possible deficiency payments.

--Participating in both the 30 percent RAP plus an additional 10 to 20 percent PIK acreage diversion.

Major differences in the 1984 wheat program and the past year's program are these:

--The target price will increase from \$4.30 to \$4.45 per bushel.

--The national average loan rate will be lowered by 35 cents to \$3.30 per bushel.

--The maximum deficiency payment rate will increase from 65 cents to \$1.15 cents per bushel.

--Acreage reduction requirements will increase from 20 to 30 percent of the established wheat acreage base, and there will be no paid acreage diversion or advanced deficiency and diversion payments.

--Grazing of reduced acres will be allowed only outside the six principal wheat-growing months, and no haying or graze-out will be permitted.

The effectiveness of the new wheat program will have a major impact on prices for the '84 crop. However, Smith sees '84 wheat being at or slightly below the loan rate, barring weather disasters.

He also sees little price improvement for '83 wheat through the remainder of this year but some strengthening in early 1984.

COTTON PLANTS AND BOLLS SMALL THIS YEAR due to not getting enough moisture late in the growing season and an early frost two weeks ago. Weather conditions did not even give most cotton bolls a chance to mature this year.

COTTON TALKS

FROM PLAINS COTTON GROWERS, INC.

LUBBOCK, Friday, October 7, 1983

Thirty textile leaders representing nine Far Eastern countries which in 1980-81 bought about 3.5 million bales of U. S. cotton will be in Lubbock October 24, 25 and 26 to inspect High Plains cotton production, processing, merchandising and research facilities.

Officials of Plains Cotton Growers, Inc., Lubbock-based cotton producer organization, point out that in 1980-81 the nine countries accounted for about 62 percent of U. S. cotton exports.

"Over 90 percent of this cotton was in the short to medium staple categories produced here on the Plains," states Donald Johnson, PCG Executive Vice President, "and PCG's involvement with these people is an effort to put more of our cotton into their markets."

PCG is coordinating the foreigners' activities for the Lubbock visit, which is a part of the annual U. S. Cotton Orientation Tour sponsored by Cotton Council International, National Cotton Council, the U. S. Department of Agriculture and local hosts. Joining PCG as hosts in Lubbock will be the Lubbock Cotton Exchange, Plains Cotton Cooperative Association and the Agricultural Chemicals Division of ICI Americas.

ICI Americas will host a reception and dinner honoring the foreign dignitaries on the evening of October 25.

Japan, Korea, Bangladesh, Malaysia, Hong Kong, Philippines, Thailand, Indonesia and Taiwan will be represented by from two to seven officials each.

"There is no doubt that these countries already are our best customers," says Johnson. "But the U. S. now supplies only about half their total imports, and our objective is to convince them we have the capacity and the desire to fill more of their fiber needs from this country."

While in the U. S. the group will also meet with USDA officials in Washington, Cotton Incorporated textile research, production and marketing specialists in Raleigh North Carolina, and visit in the cotton-producing areas of the mid-South, Southeast, Arizona and California.

On the Plains the foreign delegation will tour the Textile Research Center at Texas Tech University and the American Cotton Growers denim mill in Littlefield, see a stripper harvesting demonstration at the Texas A & M Research and Extension Center, and inspect the instrument classing line and merchandising facilities of Plains Cotton Cooperative Association.

The group will arrive in Lubbock on the evening of Monday, October 24 and depart on the morning of Wednesday, October 26. Individual merchandisers of High Plains cotton will have the opportunity to meet with the visiting textile and raw cotton purchasing executives during the evening hours on Monday and the early morning hours of Tuesday and Wednesday.

AFRICAN VIOLETS NEED PLENTY OF LIGHT. African violets need plenty of light to bloom properly, says a landscape horticulturist with the Texas Agricultural Extension Service, Texas A&M University System. Although they can't tolerate direct sunlight, African violets often need more light than most people give them. Fluorescent lights are excellent for growing African violets. However, don't crowd plants under light and keep about 8 inches between plants and lights. If plants seem to stretch, lower the light slightly or raise the plants. Plants that get plenty of light are symmetrical with closely spaced leaves and an abundance of flowers in the center.

Lakewood Center, California, is the world's largest shopping center with a 2,451,438-square-foot building area and parking space for 12,500 cars.

Lamesa Producer Says "Farm Program Is Working"

The government farm program is working as it was intended to work -- providing help to the farmer when he needs it.

That was the view expressed by Lloyd E. Cline, a Lamesa cotton producer and National Cotton Council vice president, at a meeting in Memphis last week of the Cotton Board.

Cline said that without question farm program costs have increased.

"But in all fairness," he added, "those outlays should be measured over a period of years and not just on the special conditions of the past two seasons."

He explained that government expenditures for cotton programs, as now constituted, averaged only

about \$266 million annually over the past ten years.

Reviewing the history of cotton programs since passage of the 1973 farm act, Cline explained there were no deficiency payments for cotton for the first seven years. They were triggered for the first time in 1981 by a record yield coming onto the market in the deepest worldwide recession since the 1930's.

Cline stated that when people talk about \$22-23 billion in farm payment outlays they generally include all price support loans in the bottom line.

"What they fail to mention is that most of these loans are repaid with both interest and storage charges," he said, adding that

some \$7 billion of the so-called cost is repaid.

"It is important to remember that supply and demand are being brought into better balance," Cline told the group. "We are beginning to see some price recovery and the cost of deficiency payments is going down."

Cline stressed that it is imperative that "we in the cotton industry work more closely together than ever before and do everything possible to maintain and strengthen our self-help program."

He added, "In times like these, effective research and promotion programs to help sell our fiber are more important than ever."

JOHN DEERE 484 COTTON STRIPPER DOUBLE-BARRELED

BONUS OFFER

Take advantage today of a waiver of finance charge/\$4,000 rebate combination or \$6,125 bonus for buying a new 484 Cotton Stripper

For a limited time, your local cotton harvesting pro John Deere dealer makes you a double-barreled bonus offer on new 484 Strippers that can't be beat. Here's your double-barreled choice:

1. Buy a 484 now and receive a \$4,000 cash bonus, plus, if you finance that stripper with John Deere, a waiver of finance charge until the first month of the 1984 harvest.* Or,

2. Buy a new 484 during September, pay cash or finance it with John

Deere without waiver, and receive a \$6,125 cash rebate.*

These offers from John Deere are in addition to the special deal your dealer will make on a new 484 Stripper. And, if you purchase now, you can qualify for substantial tax savings from investment tax credit (ITC) and depreciation. Everything is in your favor for purchasing a new John Deere 484 Stripper now. See your dealer today for details on this double-barreled bonus offer.

*Availability of John Deere financing subject to approval of credit. This offer may be reduced in value or withdrawn at any time.

Abernathy 4-H'ers Exhibit Projects At South Plains Fair

Hale County 4-H members exhibited their sheep and beef projects at the Panhandle South Plains Fair in Lubbock, September 30, according to Tom Conerly, County Extension Agent-Agri.

In the Lamb Show, Justin Bontke exhibited the second and seventh places heavy Southdowns while his sister Jana Bontke, had the third and eighth places heavy Southdowns and eighth place light Southdown. The Bontke's are members of the Plainview 4-H Club.

Tami Reese, also of Plainview, exhibited the fourth place light Southdown and the eighth place light Hampshire.

Matt Kelley and his sister Mandy Kelley, Abernathy, exhibited the fifth and eighth places Dorsett lambs respectively.

Shane Miller, Petersburg, had the thirteenth place light Southdown and brother

Shay Miller had the seventeenth place light Crossbred lamb.

Danny Castleberry, Plainview, had the twentieth place middle weight Hampshire lamb.

Other Hale County 4-H members who exhibited in the lamb show were Beth Windham, Abernathy and Carla Bontke, Plainview.

In the steer show, Steve Reese exhibited the third place tall Hereford steer and Jeff Dorman had the fourth place tall Hereford steer. Both are members of the Plainview 4-H Club.

Paul Barton, Halfway, exhibited the fourth place medium short Crossbred steer and Marc Dodson, Abernathy, had the seventh place medium tall Crossbred steer.

Pepper Dodson, also of Abernathy, had the eleventh place medium short Crossbred steer, and Kevin Wheeler, Plainview, exhibit-

ed the 12th place short crossbred.

Micha Riley, Abernathy, had the 12th place short Hereford steel while Carla Bontke, Plainview, had the 12th place medium short Crossbred steer.

Other Hale County 4-H'ers who exhibited

steers included: William and Rhonda Hancock and Jimmy Tyler, all of Plainview and Christy Barton, Halfway.

Also attending the Fair were parents, leaders and County Extension Agents Ollie Liner and Tom Conerly.

Abernathy Arts And Crafts Festival Nov. 19

Plans for Abernathy's 4th annual Arts and Crafts Festival are well underway. Spaces have filled quickly and participants are busy getting their handcrafted items ready for the November 19 festival to be held at the Abernathy Community Center complex.

There are many new participants this year as the

festival has gained area-wide recognition for its high quality craftsmanship.

Booth spaces are still available and may be rented by calling Diana Phillips at 298-2369 after 6 p.m.

The shoestring was invented in England in 1790. Prior to this time, all shoes were fastened with buckles.

\$218, 500 In Scholarships Being Offered To High School Seniors

High school seniors have an opportunity to enter the 1983-84 Century III Leaders program, which awards local, state, and national prizes to students who demonstrate the leadership abilities and social awareness necessary to help meet America's needs during our third century.

One particularly outstanding senior will eventually collect the \$10,000 scholarship which goes to the Century III national winner. That person is selected at the Century III Leadership National Conference, March 2-5, 1984, at Colonial Williamsburg, Virginia. National semifinalists earn \$500 awards.

Two students from each state and the District of

Columbia-chosen from winners at each participating high school-receive \$1,500 scholarships and all-expense paid trips to the Williamsburg conference. Two state alternates each receive \$500 awards.

Now in its ninth year, the Century III Leaders program is designed to bring together student leaders to discuss issues facing America in its third century. Students are judged at the local school level on leadership abilities, school and community involvement, a short essay written on an issue facing America, and a current events examination.

In all, the Century III Leaders program awards \$218,500 in scholarships and provides for 102 students to

attend the Williamsburg conference. The program is administered by the National Association of Secondary School Principals and funded by the Shell Companies Foundation, Inc.

United Methodist Youth Sponsor Spaghetti Supper

The Youth of the Abernathy United Methodist will sponsor a spaghetti supper before the Tulia football game October 21, at the Community Center.

Spaghetti, salad, bread, tea and coffee will be served from 5:30 until 7 p.m. Admission is adults

Deadline for students to apply is October 21, 1983. Students interested in participating in the program should contact the Abernathy High School Guidance Office, 298-2563.

\$3.50 and \$2 for children 12 and under.

Following the football game, the UMY will sponsor a dance at the Community Center.

Everyone is invited to the supper and dance. This is the last home game of the '83 season.

Adams Awarded Graduate Assistantship Degree From HSU

Donna Adams

Mrs. Jerry (Donna) Adams of Tuscola, has been awarded a graduate assistantship in the Irwin School of Education of Hardin-Simmons University.

Formerly of Abernathy, Mrs. Adams is pursuing a master of education degree in counseling and human development. A cum laude graduate, Mrs. Adams received the bachelor of education degree in August, 1983, from Hardin-Simmons University with a social science composite major.

LIONS CLUB GUEST SPEAKER Tuesday, October 4 was Gary D. Condra, Ph.D. and Agricultural Economist for Tejano Investments, Inc. of Lubbock. Condra gave a program concerning the 1985 farm program and future farming trends and policies farmers will be facing. Condra was accompanied by his wife, also pictured. (Review Photo)

Letters To The Editor

Mr. Tooley:

The 6th grade English classes of Abernathy Jr. High would like to thank you for cooperating in sending the papers we needed. Now we have a chance to know what happened on the day we were born.

We will be sending the papers back as soon as we write our reports and are finished with them. Most editors wouldn't take their time in sending their papers to kids, but you were nice enough to send your papers to us.

Thanks again,
The 6th grade

Dear Mr. Tooley:

Thank you for stopping by

to visit with Henry Honea when our Mobile Office was in Abernathy. We apologize for the delay in answering your request, but summer has been an extremely busy one.

My assistant told me he has talked with you about your inquiry concerning the housing authority in Plainview since you were in to visit. If you have additional questions in the future, please let us know. We always welcome the opportunity to help our constituents.

Thank you again for your visit with Henry. We hope you will visit our Mobile Office again. If we can help you in any way in the future, please let us know.

Sincerely yours,
Bill Sarpalius

Transition

Alberto Ortiz

Rosary for Alberto Ortiz, 58, of 1103 E. Purdue, was said at 7 p.m. Sunday, October 9 at the main chapel of Guajardo Funeral Home in Lubbock.

Services were at 1 p.m. Monday at St. Joseph's Catholic Church in Lubbock. Burial was in Peaceful Gardens Cemetery under direction of Guajardo Funeral Home.

Ortiz died at 3:30 p.m. Friday October 7 at Parkway Manor Nursing Home in Lubbock after a lengthy illness.

Born Aug. 6, 1925, in Carrizo Springs, he moved from Abernathy to Lubbock in 1977. He worked for Clark Equipment Co. for 15 years.

Survivors include his wife, Placida of Lubbock; three daughters, Margarita Castro and Connie and Melissa Ortiz, all of Lubbock; three sons, Benito of Shallowater, Emilio of Lansing, Mich., and Jose of Lubbock; six brothers, S.L. of New Deal, P.L. of Mathis, E.L. of Anson, Lewis and Ray, both of Abernathy and Jessie of Slaton; a sister, Santos Flores of Abernathy; and 10 grandchildren.

Pallbearers were Juan Tovar, Emilio Ortiz, Albino Lovato, Tony Barron, Jose Charle and Martin Perez Sr.

Mark Alan Cox

Services for Seaman Apprentice Mark Alan Cox, 19, were at 2 p.m. Monday in George C. Price Funeral Chapel, Levelland with the Rev. Dwain Knight, pastor of Levelland Missionary Baptist Church, officiating. Assisting was the Rev. Benny Goss, pastor of Sunset Avenue Baptist Church of Littlefield. Burial was in City of Levelland Cemetery under direction of George C. Price Funeral Home.

There were full military services for Cox, who was on active duty with the USS Reid.

A native of Abernathy, he died Monday from injuries sustained in an automobile accident in Los Angeles, Calif. He moved to Levelland in 1979 from Cotton Center.

Survivors include his parents, Mr. and Mrs. William Henry Cox of Levelland; four brothers, Billy of Gonzales, John of Littlefield and Steven and Benjamin of Levelland; and his grandmother, Callie Cox of Littlefield.

Awards System Instituted At Abernathy Elementary School

HIGH SCHOOL CVAE-HOMEMAKING WINNERS at the South Plains Fair were, pictured from left to right, Olivia Dominguez-honorable mention-dipped candy; Alma Perez-3rd place-peanut patties; Rachel Camacho-2nd place-peanut butter fudge, Lydia Aday-honorable mention-peanut brittle, Anita Hood-best of show in senior candy-marshmallow fudge, and Esmarelda Paiz-(not pictured) 2nd place-bar cookies.

CVAE-HOMEMAKING JUNIOR HIGH WINNERS at the South Plains Fair two weeks ago were, pictured from left to right, Eva Garcia-placing first with her marshmallow fudge, and Sheryll Tilley-first with her peanut butter fudge.

Giraffes walk by moving both legs on one side and then both legs on the other side. This movement is called pacing.

A new awards system is being initiated in the 4th and 5th grades this year. According to Mr. Hannel, Elementary Principal, teachers select deserving students for outstanding qualities and good character traits. These are qualities one does not have to look for, but are qualities and traits that just naturally stand out.

As a student is selected, he or she is recognized on the P.A. system. A decorated "good egg" symbol is then placed in the showcase along with his or her name and award.

At the end of each six weeks the child will be presented with his/her special egg.

Students who have received awards up to now are: Holly Murray, Celeste Mendoza and Vickie Ozuna the

"Sugar & Spice" Award for the many nice things they do for others; Chris Casey the "Smilage-age" Award for giving more than average smiles per day; Christina Torrez the "Brownie Point" Award for being a helpful and useful student; Lon Dale Cannon the "Feather In Your Cap" Award for excelling in computers; Matt Kelley, Clarence Johnson and Chris Britton the "Helpful Hand" Award; Larry Norris, Alfredo Marez and Shelly Downs for the "Good Manners" Award; Tiffany Pope the "Tree-mendous-Rhythm" Award; Kristy Galloway, Jody Green, Vickie Ozuna and Shawn Reedy the "Song Bird" Award; Rodrigo Cantu the "Science" Award for collecting and sharing his critters; Justin Prather the "Cooperation"

Award for always doing the right thing at the right time; Jody Myatt the "Politeness" Award for constant courtesy; Joe Cardenas the "Engine-Newity" Award for displaying creativeness and ingenuity in his Indian project; Dion Beard "E.T." Award for being extra thoughtful; Joe Guadalupe the "Clean Eraser" Award;

Candy Perez the "Hug a Teacher" Award; Leondro Olivares the "Thoughtfulness" Award for thoughtfulness above and beyond the call of duty; and Prentice Sanders the "Time-Mizer" Award for using time effectively. Some of the awards to yet be awarded are: "Notification of Neatness, Always Prepared, Following Directions, Super Student, Distinguished Service, Rip Roaring Reader, Grrreat Behav-

ing, Marquis of Math, Honey of a Job, Nice"

Award for its nice to be important, but more important to be nice.

At the end of each six weeks, students making the honor roll will also receive recognition and an egg placed in the showcase. "It is hoped that this will encourage our students to be more aware of the

qualities needed to be a complete student," asserts Billie Jean Spruiell, overseer of the program.

Another incentive award instituted this year is an honor roll button to be given to each 4th and 5th grade student maintaining a 90 or above average each six weeks.

THE GOOD EGGS - Students who were given awards under the new special awards program instituted at the elementary school. The eggs they made, (on the display in the background), have written on them what award each student won. (Review Photos)

Former Abernathian Indicted For Felony Theft

Former Abernathian Steve Miles has been indicted in Hale and Lubbock Counties on felony theft charges.

Miles was indicted by the grand jury in Lubbock County August 12 and by

the Hale County grand jury September 21.

The felony theft charges resulted from complaints being filed by 20 people insured by Miles Agency.

Persons having questions about their policy or com-

plaints to file against Miles Agency should contact Tommy Quisenberry, investigator for the Hale County

District Attorney, at 296-2416 or 293-8481, or go by his office in Plainview.

Classes Elect Officers

New AHS class officers were elected September 13th. Those elected were:

SENIORS: Lonnie Teal, president; Stacey Kelley, vice president; Melissa Thompson, secretary-treasurer; Todd Barrick, reporter.

JUNIORS: Kevin Lester, president; Ross Bennett, vice president; Donnie Williamson, secretary-treasurer; Tracy Murray, reporter.

SOPHOMORES: Mary Cooper, president; Harold Miller, vice president; Jim Bob Carver, secretary-treasurer; Patrick Lewis, reporter.

FRESHMENS: Gina Salinas, president; Rowdy Powell, vice president; Wendy Anderson, secretary-treasurer; Barbie Watson, reporter. From Antelope Outlook.

Reading Program Highlights School

"Abernathy Elementary is the only Pegasus Pace Demonstration Site School in West Texas," said Mr. David Sharp, high school principal, former elementary principal.

"There are only two such schools in the state," said Mrs. Emily Ratcliff, Abernathy elementary reading specialist.

In November, 1982, four Abernathy Elementary teachers traveled to Tuscaloosa, Alabama, to be trained as associate trainers of Pegasus Pace, a special reading program. These four were Mrs. Emily Ratcliff, Mrs. Gail Stanton, Mrs. Jane Murray, and Miss Alma Ruth Patterson.

While there, they were instructed for three days on key elements of Pegasus Pace instruction. They were then certified as associate trainers.

"In the spring, we were visited by Dr. Jeanette Harpole, Pegasus Pace trainer, who observed and documented the key elements being implemented. She visited every classroom and teacher during their English periods. During her visit, we became certified trainers after two more days of training in the Pegasus Pace elements," said Mrs. Ratcliff.

"We are now one of the few schools that have four certified trainers. The school in Tuscaloosa is probably one of the few that have more than we do."

"We could not have been as successful had we not had the support of the administration, particularly Mr. Sharp."

"Also, the federal and migrant teachers have contributed much to our success. Thanks to them, we are able to cut down the amount of levels taught at the same time from nine or ten to one or two."

Mr. Dub Hannel, present elementary principal said, "Any program based on mastering fundamentals and objectives before progressing forward is ideal. Pegasus Pace is just that."

"We now have a new management system, keeping close tabs on the student and his progress. This reading program uses reading skills and supplementary aids to teach indi-

vidual progress. Now, we are looking for a similar program in math."

"My job is to see that the program runs smoothly throughout the year. Also, it is my responsibility to get funding for more innovations to the program."

"I am behind Pegasus Pace and am determined to see it continue in excellence."

"It is working," Miss Patsy Tucker, intermediate resource room teacher, said of the reading program.

As a demonstration site school, Abernathy Elementary is now open for visitors at any time.

"Visitors may come in and see the program and its progress at any time," said Mrs. Ratcliff.

Clement Receives Award Of Merit Certificate

W.C. Clement recently received the Award Of Merit Certificate from one of the foremost poetry publication companies, World Of Poetry in Sacramento, California. Clement was presented this prestigious award for his poem "Patience". The poem won honorable mention in the special poem category. It is an incredible honor to be presented an award of this magnitude in poetry competition. Clement's poem was picked as one of the best poems sent to World of Poetry. It was pitted against poems written by accomplished poets from all over the nation. The following is the poem W.C. wrote which made him worthy of the Award of

Merit Certificate:

"PATIENCE"

"Patience" is a Cardinal Virtue,
That Unties the Knots of Life,
It Brings to You Some Victory,
When You Face the Battle's Strife.
It is not a Built-in Feature,
For you to Use Upon Request,
It only comes through Daily Preening,
As you Strive to Show Your Best.
In Sickness It will Conquer,
Where without It You would fail
To Reach that Peaceful Harbor,
Void of Rough and Stormy Gale.
When in Trouble It will Lift You
From the Depths of Great Despair,
Where Temptations would Subdue You,
With Sweet Angels Attending There.
It will Give to You the Prestige
You Require Each Passing Day,
To Show to Those Around You,
It is the Noble Coveted Way.

Blalock And Barrick Perform In Tech Operetta

Texas Tech Music Theatre and Civic Lubbock, Inc., have announced that the cast for their upcoming production, Gilbert and Sullivan's "The Gondoliers," includes two students from Abernathy. Jill Blalock, the daughter of Hayden and Donna Blalock of 1705 Ave. H, is cast as Casilda, the daughter of the Duke and Duchess. Clinton Barrick, son of Clayton and Frances Barrick of Route 2, is singing the role of Francesco, a gondolier. The comic operetta involves a cast of 17 characters, plus choruses of gondoliers and contadine, who are brought together by several interwoven plots. One plot involves the King of Baratania, who was stolen away from his native land while still a baby and taken to Venice to be raised by a gondolier. Another plot involves two brother gondoliers, one of whom may really be the long-lost King,

and their contadina brides. And yet another set of characters is brought in when the Duke and Duchess of Plaza-Toro, whose daughter was betrothed to the infant King and has now come of age, show up to claim their daughter's throne. Miss Blalock, a sophomore voice major, recently sang the role of Gretchen in the Tech/Civic Lubbock production of "The Student Prince," and sang in the chorus of "La Traviata." Barrick, a senior voice major, sang the title role Mozart's "The Impresario." He is also Assistant Conductor of the University Symphony Orchestra at Tech. Both students are members of the University Choir and the Madrigal Singers at Texas Tech. Performances of "The Gondoliers" will be staged in the Lubbock Memorial Civic Center Theatre at 8:15

p.m. Thursday and Friday, October 20 and 21, and at 2 p.m. matinees on Saturday and Sunday, October 22 and 23. Reserved-seat ticket prices are \$6 and \$8 for the

evening shows, and \$5 for the matinees, with no distinction being made between adults and students. Tickets are presently on sale at the Civic Center Box

Office (806/765-9441), the Texas Tech University Center Box Office (806/742-3610), and Hemphill-Wells at South Plains Mall (806/795-4333).

Area Entertainment And Events

"THE GONDOLIERS" TO BE PRESENTED OCT. 20-23

A joint production by the Texas Tech Music Theater and Civic Lubbock, Inc., of "The Gondoliers" by Gilbert and Sullivan will be presented in Lubbock Memorial Civic Center Theater Oct. 20-23. Show times are 8:15 p.m. Oct. 20-21 and 2 p.m. Oct. 22-23. Ticket prices are \$6 and \$8 for evening performances and \$5 for matinees. The operetta's complex plot starts with the King of Baratania being kidnapped as a small child during a revolt and then raised in Venice as one son of a gondolier. When the gondolier dies, he takes with him the identity of which of his two children is the king. Tickets are available at the Civic Center Box Office, University Center Box Office and Hemphill-Wells/South Plains Mall. Tickets will be available starting Monday (Oct. 3).

IRS ANNOUNCES MAGNETIC MEDIA SEMINAR IN LUBBOCK

Companies having computer capabilities or access to computer equipment can file their Forms 1099, Information Returns, by way of magnetic tape or disk. For the filer, the costs of paper, carbon, separating copies, sorting completed forms, mailing and packaging are all reduced or eliminated. There is also reduced storage and handling costs. In addition participating companies have more flexibility in designing the copy of the paper information return that must be furnished to the payee. The Internal Revenue Service will be conducting a seminar covering the programming procedures on October 19 in Lubbock. The seminar will be held at First National Bank, Fifth Floor Meeting Room, 1500 Broadway beginning at 9:00 a.m. Anyone interested in Magnetic Media reporting of the Forms 1099 is invited to attend the free two-hour seminar. If you can't attend the seminar but would like to receive some more information about the Magnetic Media program you may contact, Magnetic Media Coordinator, Internal Revenue Service, Mail Code 410, Dallas, Texas 75242 or call (214) 767-1428 in Dallas or toll free 1-800-424-1040 ext. 1428.

FOURTH ANNUAL LUBBOCK SCRABBLE PLAYERS TOURNAMENT OCT. 15th and 16th

A SCRABBLE Players tournament, which can be an official step towards the next national championship, will be held at the Student University Center, Blue Room, Texas Tech University Saturday, October 15th and Sunday, October 16th. The tourney is sponsored by SCRABBLE Players Club No. 124 and by SCRABBLE Crossword Game Players, Inc. of Holbrook, N.Y., a subsidiary of the Selchow & Righter Company. Players of all ages and skill levels are invited to compete. There is a \$5 advance entry fee and \$6 at the door. Players can call (806) 744-7702 for more information.

FAMOUS COMPUTER SCIENTIST TO GIVE FREE LECTURE

Navy Capt. Grace Murray Hopper, a distinguished computer scientist and pioneer who was the third programmer on the nation's first large-scale digital computer, will speak at Texas Tech University Oct. 17. Hopper, who was profiled earlier this year on "60 Minutes," is a mathematician whose career has paralleled the evolution of the computer. At 76, she is the oldest Navy officer on active duty, currently serving with the Naval Data Automation Command. Her free public lecture, "Future Possibilities: Data, Hardware, Software and People," will begin at 7:30 p.m. that Monday in Room 100, Biology Building. Hopper's Texas Tech visit is being sponsored by the student chapter of the Association for Computing Machinery.

TECH HOMECOMING ACTIVITIES

Activities Friday, October 14 will include Road Race Registration in the UC West Lobby. Alumni Registration in the UC Courtyard, free campus tours from the UC parking lot, receptions, luncheons, an 8 pm Pep Rally/Bonfire in the Southwest Conference Circle where the top five weekend candidates will be announced and the traditional Homecoming Dance from 9 pm to 1 am in the Coliseum featuring the Maines Brothers at a cost of \$5. Saturday morning breakfast get-togethers have been planned by several organizations - Letterman Association, College of Agricultural Science and Mass Communications. The Student Association will provide a free Pre-Parade Breakfast for students in the UC Courtyard at 9:15 am. Seventy-four entries with 14 floats will make up this year's Homecoming Parade commencing at 9:45 am on Ave. G. The route will include Broadway to the campus entrance fountain. Several departmental receptions and luncheons will be held from 11 am to 4 pm. Athletic events will abound during Saturday. The second annual Road Race begins at 9:30 am in front of the Psychology Building. The 10 kilometer fun run is open to everyone at a fee of \$7.50. Contact the Ex-Students Association Office, 742-3641, for more information on the all alumni swimming and diving meets, the basketball game and the baseball game. The Tech Alumni Band will practice at 4 pm in Music 02 for their traditional evening performance. Activities will culminate with the Texas Tech-Rice game at 7 pm in Jones Stadium. The popular Homecoming Pre-Game Buffet will be served in the Coliseum from 4:30 to 6:30 pm featuring barbecue, chicken and fish for a price of \$6. Pre-Game Show will include Alumni and Parade Awards at 6:30 pm. Halftime will be highlighting the "Goin' Band," a light show and the queen coronation. Plan to be a part of Homecoming '83. Further information on alumni events can be obtained from the Ex-Students Association Office, 742-3641. Specifics on the all-campus events can be obtained by calling UC Activities Office, 742-3621.

NIGHT WRITERS PLAYWRITING CONTEST

A playwriting contest is being sponsored by The Night Writers from August 18 to December 1. The 15 minute plays should have from 1-2 acts with 2-6 characters and be appropriate for first through sixth grade students. There is no set theme, and costumes and props should be very simple. Entries must be typed or neatly handwritten, double-spaced. Only the title should appear on the play. A separate corner page should be used to include your name, address, phone, age Division (adult or juvenile), and title of play. Juvenile is 6 through 18 and adult is 18 and above. All entries should be mailed to: Night Writer's Playwriting Contest, c/o Gladys Fries, 1009 Baltimore, Plainview, Tx., 79072. There is a \$2 entry fee, per entry. Entries will not be returned. For more information, call Gladys Fries, 293-9325 or Nita Frazier, 293-8096.

CO-REC VOLLEYBALL TOURNAMENT

The City of Lubbock Parks and Recreation Department is sponsoring a Co-Rec Volleyball tournament to be held on Saturday, October 22 at Evans Jr. High School, 4211 58th Street. A twelve team minimum is required. Rosters must have a minimum of three men and three women and a maximum of twelve players per team will be allowed. The deadline for registration is 5 p.m. Friday, October 14. The \$40 team entry fee may be turned in at the Parks and Recreation Office at 1010 9th Street or mailed to Athletics, Lubbock Parks and Recreation Department, P.O. Box 2000 Lubbock, Texas 79457. Tournament brackets will be ready after 1:00 p.m. on Thursday, October 20th. The tournament will begin with Round Robin play followed by Single Elimination. Each team is guaranteed three matches. Team trophies will be awarded to 1st, 2nd, and 3rd place finishers along with individual trophies for the 1st and 2nd place teams. For additional information, contact Leslie Fritsche at 762-6411 ext. 2670.

WESLEY FALL FESTIVAL OF ARTS AND CRAFTS

Wesley United Methodist Church is hosting its third annual "Fall Festival of Arts and Crafts" Saturday, November 12th at the Hereford Community Center, from 9 a.m. until 6 p.m. For more information, contact Mrs. Phil Coker at 1101 Union, Hereford, Texas 79045.

Lakeview Locals

By Mrs. Norman Matthews

A.B. Colwell accompanied his children, Mr. and Mrs. Quinton Colwell of Lubbock, and Mr. and Mrs. Dwain Bristow of Abernathy, to Colorado for a few days on vacation. Mr. and Mrs. H.N. Meadors spent Sunday in Lubbock with their son and daughter-in-law, Mr. and Mrs. Gayle Meadors. Mrs. Gayle Meador's father, Glen Ward, 74, died Saturday night. They attended the funeral in Lubbock Monday. Mrs. Leona Willingham of Lubbock, and Mrs. Irene Reedy of Abernathy, visited their sister, Mrs. H.C. Barnwell, last Sunday. Jennifer Nave of Petersburg, was the featured speaker at Lakeview Methodist Church last Wednesday night, October 5. She is the daughter of Rev. and Mrs. Jesse Nave of Petersburg. She has returned from one year in Youth With a Mission, a christian organization. She spent her first

three months in Kona, Hawaii in training with 86 others from all over the world. From there she went to Kapaa, Kauai on a team of 16 to work with different churches in the community, hospitals, prisons, and participate in street evangelism. She then enrolled in the School of Evangelism in Honolulu, Hawaii. She spent her last three months on outreach in Taiwan, Korea, Hong Kong and Japan.

THIS AND THAT

BY HELEN WADE

Mr. and Mrs. W.G. Spruiell spent the weekend with their daughter and family, Mr. and Mrs. James Miller and grandsons Joshon and Jerod, in Oklahoma.

Mrs. Joe Reeves flew to Florida and spent seven days visiting with her sisters recently. She reported that she had a good time.

It was good to have our son, Larry and daughter Janet, visiting with us last week. Larry had been helping Omer do some work and he stayed over to see his sister. Their spouses didn't get to come.

Janet and I went to Lamesa Saturday and spent the day visiting with my sisters. We had a good visit and got home before it rained in Lubbock.

We decided we would have to go again sometime. It had been a long time since Janet had seen some of her aunts.

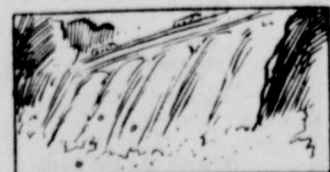

I was driving out to County Line the other day and I noticed the two oil wells that are being drilled. On top of one is an American flag waving proudly and a small light that was blinking.

The AJ reported that several area towns received various amounts of rain. The rains were very spotty and this area has still not received enough moisture to plant wheat.

BIRTHS

Larry and Sharron Robertson of Lubbock, are the proud parents of a baby boy, Lance Warren. He was born October 5 and weighed 10 pounds at birth.

Grandparents are Preston and Jessie Amerson of Abernathy, and Wayne and Marlene Robertson of Anton.

Boulder Dam is as thick as its base as a city block is long.

NEW MEDICARE SUPPLEMENT POLICY

Available thru Universal Fidelity Insurance Company, Duncan, Oklahoma
ATTENTION ALL MEDICARE MEMBERS!

If you have to pay any money out of your pockets for doctor bills that medicare and your present medicare supplement do not pay or allow, please read this message carefully. **HERE IS A NEW PLAN THAT WILL PAY 100 PER CENT** Of ALL Medical, Hospital Deductibles, Pay 100 per cent of the Physician's and Surgeon's usual and customary charges in excess of the amount paid by Medicare on expenses and authorized by Medicare. This Policy Guaranteed Renewable For Life.

This Could Save You Thousands of Dollars On The Doctor's Bills Alone

We all know senior citizens need more coverage on the ever-rising doctor bills out of the hospital, and very expensive tests you have in the office or clinic.

Limitations & Exclusions: Treatment must be medically necessary under the supervision of a physician. Medicare must pay benefits on the treatment. Preexisting conditions will be covered after six months. For an additional premium-waiting period can be waived. No benefits will be paid for rest cures.

Return the information request form below for more detailed information.
