

# Experience Key To Lady Lopes' Success

1983-84 ABERNATHY HIGH SCHOOL GIRLS VARSITY BASKETBALL TEAM...On the front row, pictured from left to right, are: Head Coach Larry Steele, manager Jackie Riddell, manager Joan Davis and Assistant coach Phyllis Jones. On the back row are: Holly Shafer, Sarah Miller, Vicky McKenzie, Stacey Kelley, Johnnia Harrell, Kathie Ellis, ReGina Powell, Phoebe Dunn, Dinah Neve, Liz Lopez and Amy Pettit. (Review Photo)

Head girls varsity basketball coach Larry Steele, in his fourth year at Abernathy, believes that the biggest advantage the Lady Lopes have over other teams is their experience and depth.

The Lady Lopes have three full time and three part time regulars back from last year's incredible team, which went 24-7 and won the District Championship. The Lady Lopes were defeated by the unyielding Cooper girls 57-51 at the Area playoffs.

Cooper surprised everyone last year, but the Lady Lopes have all the surprises this year. They have already been picked to win this District and are picked as one of the top teams in this region, with Slaton, Comanche and Canadian.

### Experienced

The experience comes with five experienced seniors, three juniors and two sophomores.

At the top of the list is Vicky McKenzie, 5 ft. 7 in., a senior this year and selected District 2-3A's most valuable player last year. Vicky averaged 16.5 points per game last year and 3 rebounds. She has been a starter on varsity all four years in high

school.

Senior Stacey Kelley, 5 ft. 7 in., is also in her fourth year on varsity. She averaged 9.6 points per game and 5 rebounds per game last year. Stacey made All District last year.

ReGina Powell, 5 ft. 8 in. senior, is in her third year on varsity. Last year she averaged 8.7 points and 8.5 rebounds per game. ReGina also made All District last year.

Kathie Ellis, 5 ft. 9 in. senior, is also in her third year on varsity. She averaged 7.3 points and 5.3 rebounds per game last year.

Those players with two years experience are Phoebe Dunn, Holly Shafer and Johnnia Harrell. Dunn, 5 ft. 7 in. sophomore, was a part time player last year, but this year she is starting for the Lady Lopes. Shafer, 5 ft. 4 in. junior, and Harrell, 5 ft. 8 in. junior, are also part time players and provide depth through good ball control and rebounds.

Liz Lopez, 5 ft. 4 in. sophomore, is the only player in her first year with the Lady Lopes.

In the starting lineup for the team this year are Vicky McKenzie, Stacey Kelley, ReGina Powell, Sarah Miller and Phoebe Dunn.

### Strengths and Weaknesses

Steele stated that one of the teams biggest assets was having good bench player experience and depth. "All the girls on our team can play well when called on," Steele said.

When asked about weaknesses, Steele said "our biggest weakness would be that we have little height. We are not short, but probably average height."

Steele stated that another asset is that the team is quick overall. "We are quick in our own way because we are organized and able to run a good controlled fast break," Steele said.

"Another strong point is our leaping ability. Our girls can jump and this is a great asset in the rebound department," he added.

### Off To A Good Start

The Lady Lopes are playing like champions as they have a perfect 3-0 record thus far. They defeated Lockney November 22, 65-37. Novem-

**DID YOU HEAR** about the father whose son was a student at college? The family recently got a letter from the freshman which read:

Your \$on."

The father promptly responded:  
"Dear Noland:  
Nothing ever happens here. We KNOW you like school. Write us aNOther letter soon. NOW we'll say goodbye."

**WE ALWAYS THOUGHT** frogs caused warts. That's what we learn from Mark Twain in "The Adventures of Tom Sawyer."

But, according to the Texas Medical Association, warts are caused by viruses.

A wart is a lump on the skin produced when a virus invades skin cells and causes them to multiply quickly. Because they are caused by viruses, warts are contagious and can be spread by direct contact with another person or indirectly. Therefore, if you have warts, have pity on innocent frogs and don't pick them up. We have a better chance of giving frogs warts than they do us.

**WE HAD SUCH GOOD RESPONSE** from the last group of strange answers to test questions given by students, that we dug up some more.

## November Police Report

The Abernathy Police Department stayed relatively busy during the month of November as police officers issued 20 citations, made 12 arrests and went to the scene of 3 accidents, 5 burglaries and 3 thefts.

Of the 12 arrests, 3 were for public intoxication, 2 DWI's, 1 burglary of a building, 1 possession of drug paraphernalia, 1 driving while license suspended, 1 disorderly conduct, 1 traffic violation, 1 outstanding warrant (out of Tarrant County), and 1 aggravated assault.

### Arrests

The arrest for burglary of a building involved Albert Wayne Watts, of 405 Ave. K, Abernathy. He was caught breaking into Don's Chevrolet November 3, was arrested and charged with burglary.

The aggravated assault arrest was in the October police report.

A 23-year-old white male from Lubbock was arrested for possession of drug paraphernalia. He had a pipe used for smoking marijuana in his possession.

### Thefts

Three thefts occurred during November. The first came November 2 when a butane bottle, valued at \$40, was taken from the back of a pickup parked at the Gwynn Myatt residence, 1111 2nd Street, Abernathy.

The second theft occurred November 20 when John Kitto reported that a tire to his pickup had been taken. He had left the tire at the car wash, went back to get it later, and it was gone. Abernathy police officers found it later at the car wash. It had been returned.

### Burglaries

The biggest burglary of the month occurred at Consumers Fuel, when on two occasions, November 3 and 4, 85 tires were taken one night and 57 the next night. The tires were valued at \$9,500.

Clifford Barche reported this week that a 12 gauge shotgun had been taken from his residence about two months ago.

November 29, a burglary of habitation was reported at 311 Ave. H.

Taken in the burglary was a shotgun and 22 rifle. The burglar entered the home by cutting the screen and breaking the glass in the front door.

A burglary of a vehicle was reported November 28 at the band hall parking lot. Brad Rowan reported that his AM-FM cassette player, valued at \$75, and speakers, valued at \$55, were taken from his car on that day. He had left his car unlocked.

All of the information in the report was taken from reports compiled by the Abernathy Police Department for the month of November.

### Two More Indicted in McNeal Murder

Lubbock County Grand Jurors assessed additional murder indictments against two men alleged to have been involved in the beating death of an Abernathy bar owner July 2.

Joseph McNeal, 56, was killed in a fight with seven men at his club in southeast Abernathy.

Recently indicted in that slaying were Felix Salinas, 23, and Pete Camacho, 19, both of Abernathy.

## Firemen Busy Last Week Of November

The Abernathy Volunteer Fire Department answered three fire calls the last week of November.

The first fire occurred November 24 when a truck caught on fire two miles south of Abernathy on I-27. Firemen quickly arrived on the scene and extinguished the fire.

It was thought that the fire started when cottonseed, stuck to the engine, ignited.

The second fire call came November 26 at 12:15 a.m., when two car tires were set on fire in the Thriftee Supermarket parking lot. Gas was poured on the tires, then they were set on fire.

One fireman stated that it was a senseless prank probably caused by some kids without anything better to do.

The third fire call of the week

occurred November 30 at 2:10 a.m. at County Line Coop Gin, when cotton burrs near the gin caught on fire. The cause of the fire is unknown.

Abernathy Firemen arrived on the scene and kept the fire under control for some four hours, from 2:10 a.m. to 6:10 a.m., until county maintainers from Precinct Three could arrive to cut fire lanes around the burning pile of cotton burrs.

## Send Santa Letters And Christmas Stories To The Review

The Abernathy Weekly Review would like to encourage Abernathians to tell us about their favorite Christmas and the younger folks to send their Santa letters to us.

Adults or school students who have a special Christmas they would like to share should send us stories and entitle them, "My Most Memorable Christmas" and send them to us. We

will share them with everyone else at Christmas.

Youngsters are encouraged to send their Santa letters to the Review. We will print them, then send them on to Santa at the North Pole.

Send the Christmas stories and letters to the Abernathy Weekly Review, Drawer D, Abernathy, Tx., 79311.

## Toys Needed For Project

Just a reminder that toys are still needed for the local "Toys For Tots" campaign, which started November 21 and continues until December 6.

Less fortunate families who need toys should register for them at Gordon Automotive. These needy families have until December 10 to register. To register to receive toys, parents should bring the birth certificates of their children to Gordon's Automotive between 9 a.m. and 3 p.m. up to December 10.

The toys will be distributed December 22 at 9 a.m. at the Fire Hall.

Local businesses and organizations are donating space in their businesses as collection points for donated toys.

## Free Microwave Cooking Demonstration At Newton Radio And TV Friday

As a continuation of their 30th Anniversary Celebration, Cliff and Wilma Newton, of Newton Radio and TV, have marked down the prices again on selected items. They have also planned a free microwave cooking demonstration to take place at Newton Radio and TV this Friday, December 9, from 1 to 4 p.m.

## Six Named To All District Team

Six Abernathy football players were named to the All District football first and second teams recently.

Named to the first team All District was Randy Houston as a defensive end. Houston also made first Team All District offense for his performance as a tight end. This was a unanimous vote by the judges.

Also making first team All District offense was Trey Stone as center for the Lopes.

Named to second team All District on defense were Danny McDaniel at linebacker, Brian Smith at free safety and Ross Bradley at cornerback.

Bill Stephens, a representative of Sharp's, will be on hand to conduct the demonstration and answer any questions.

Everyone is invited to come to this free demonstration. Also, see what's on sale at Newton Radio and TV this week by looking at the ad in this edition of the Review.

Making the second team All District on offense was Wade Wesley as an offensive tackle.

Many Abernathy players received All District honorable mention. Those receiving honorable mention for their performances on defense were Rene Vecchio - defensive lineman, David Kemp - defensive lineman, and Billy Cooper - defensive back.

Receiving honorable mention for their offensive performances were Scott Furgeson - guard, Ross Bradley - tailback, Danny McDaniel - fullback, Darrell Young - wide receiver, Sammy Galloway - wide receiver, Jamie Mansanales - quarterback, and Bill DuBose in two categories - as punter and offensive tackle.

**NAMED TO ALL DISTRICT TEAMS...** Pictured from top to bottom are Danny McDaniel, 2nd Team Defense; Randy Houston, 1st Team Defense and Offense; Brian Smith, 2nd Team Defense; Trey Stone, 1st Team Offense; Wade Wesley, 2nd Team Offense; and Ross Bradley, 2nd Team Defense. (Review Photo)

**TOT MAKING A DONATION TO TOTS...** Pictured is Cherie Smith, daughter of Mr. and Mrs. Jo Ed Smith of Abernathy, donating a toy to go to less fortunate children. The Toys for Tots campaign in Abernathy will continue through December 10. (Review Photo)

## Former Abernathian Celebrates 100th

Leila McCrummen, a resident of Hi-Plains Nursing Home in Hale Center, celebrated her 100th birthday last Saturday. Neices and nephews and great-nieces and great-nephews joined her at the nursing home to help with the birthday festivities. A former resident of Collin County for 60 years, Miss McCrummen was born near Nevada, Texas December 3, 1883 to John L. and Mary Elizabeth (Bettie) McCrummen. She lived in

and around the Lavan area until 1942 when she moved with her father to Dallas to live with her sister, Mary Ella James.

In 1972 Miss McCrummen moved to Abernathy to live with her sister, Carrie Seay, and her brother, Norman (Buck) McCrummen. In 1982 she came to Hi-Plains Nursing Home in Hale Center.

Mary Dooley of Abernathy is a niece of Leila McCrummen.

## Those To Remember

**Dale Moody** is in Methodist Hospital.

**Clayton Enger** has returned from the hospital.

**Nita Douglas** is in St. Mary's hospital. She had surgery last week.

**Bruce Mason** is in Lubbock General Hospital in room 455.

**Mrs. Reedy, Dickie's** mother, is in Lubbock General Hospital.

The question mark ("??") comes from the first and last letters of the Latin word for question: *quaestio*.

## Hobby Club Meets

The Abernathy Hobby Club met Thursday, December 1, with a salad luncheon and Christmas party in the home of Mrs. James (Dyvena) Davis. The luncheon began with a prayer by Jennie Slough. Enjoying the occasion were 20 members and two visitors.

After a short business session, they drew names for Secret Pals for 1984. The program was then turned over to Minnie V. Presley, who gave two readings entitled "His Star" and "What Christmas Means To Me." It was very good.

Christmas gifts were passed out and secret pals for 1983 were revealed.

Hostesses were Dyvena Davis and Nadine Rogers.

Those present were: Ruth Paxton, Dyvena Davis, Jennie Slough, Wilma Pope, Frances Howard, Iris Johnson, Beulah Woods, Nadine Rogers, Maurine Hamilton, Minnie V. Presley, Wynell Pope, Ruth Ruffin, Minnie Northcutt, Ruby Benn, Juanita Bell, Joanne Kuhlers, Mildred Rea, Glenna Downs, Ona Maserang, and Vera Vaughn, and two visitors, Bessie Smith and Laval Lacy.

There was a mistake in last month's write-up. It stated that Frances Howard and Ada Howard were on the program. It should have been Frances Howard and Dyvena Davis. Reporter - Glenna Downs.

## Lakeview Locals

Brother Jesse Nave was the featured speaker last Wednesday, November 30 at Lakeview Methodist Church.

Mr. and Mrs. Gayle Meadors of Lubbock, visited his parents, Mr. and Mrs. H. N. Meadors, last Friday.

Mr. and Mrs. J. C. Montgomery visited Kathy Burnett and Mr. and Mrs. L. D. Sinclair in Littlefield Sunday. Sunday night they attended church in Leveland and visited Mr. Montgomery's sister, Gladys Lynn.

Mrs. N. J. Fred spent the weekend with relatives in Lubbock.

James Holcomb and Hazel Rieke of Lubbock visited Mrs. N. Matthews Saturday.

Turn clear water goblets into a holiday setting by inverting them and placing a colorful Christmas ball inside each. Place a tall red taper on top of each goblet base. Arrange greens all around.

## Methodist Church News

Guests at the First Methodist Church Sunday, November 27 were: Cherise Leon, Petersburg; Bruce and Dorothy Brightbill, Ran-

dy and Rodger, Hale Center; Mike and Susie Breitting, Dalhart; Jay and Debra Torres, Lubbock; and Terri Gist, Abernathy.

## Nazarene Church Bible Club To Present Musical Drama

Church of the Nazarene's King's Kids Bible Club will present a musical drama Thursday, December 8 at 7 p.m. in Halford Hall. Don't miss the musical

drama "Hark, The Herald Angel."

"Come with me to a place where there is no time, as you mortals know it--where time is not measured in

seconds, minutes or hours." Characters in the play are: Hark, Chris Casey; Gabriel, Matt Kelley; and

Director, Mandy Kelley. Following the musical there will be a time of fellowship.

## McLeod To Speak At Evangelist Rally In Plainview

Dr. Carlos McLeod, well-known Baptist preacher in this area, will be the featured speaker at an Evangelist Rally December 13 at 7 p.m. in College Heights Baptist Church in Plainview.

Dr. Carlos McLeod was pastor of the First Baptist Church in Plainview more than 12 years before going to the Texas Baptist Convention as Director of Evangelism. Carlos will touch

your life with his preaching.

There will be very special music on the program. The choir will consist of people from the Spanish Baptist Church of the area.

Other special music will be provided by a group from the First Baptist Church of Petersburg.

Everyone is welcome and encouraged to be present for this inspirational program.

## Final 1983 Tax Payment Due Soon

Taxpayers who did not have enough 1983 federal tax withheld, or whose amended income estimates for 1983 changed substantially during the last quarter, are required to pay the final installment of estimated income tax by January 16, 1984, the Internal Revenue Service says. The IRS notes that there

is an exception to this rule for the final installment for those taxpayers who file their returns and pay all taxes due by February 1, 1984. This exception applies whether the declaration is an original or amended one.

Generally, taxpayers must file estimated tax if their tax is expected to be \$300 or more and if they have more than \$500 in income not covered by withholding.

## "God With Us"

**Text:** "Listen, the virgin shall conceive a child. She shall give birth to a son and He shall be called Emmanuel, meaning "God is with us." Matthew 1:23 (Living Bible)

**Intro:** In this advent season, we wait with great anticipation of Christmas to come. Many reasons motivate our anticipation, but let us not forget the real reason why we celebrate each year. We should celebrate the coming of Jesus Christ (Emmanuel), which means God is with us. Let me point out two or three things to remind you what Christmas is all about.

**First:** "God With Us" means incarnation. The word incarnation means in flesh. This word sums up the meaning of Christmas. God has expressed himself in Jesus, a flesh and blood human being. No longer are we limited to abstract ideas about God, because God has made a unique entrance into the world. God in flesh - God in Christ - incarnation is the central message of Christmas.

**Second:** "God With Us" means revelation. In Jesus,

God made known his nature and will to us. God's nature as revealed through His son is love and forgiveness. God's will for us, as revealed through His Son, is to go out and do likewise. The world needs more of these two things - love and forgiveness - than anything else. These, put into practice, would solve all the problems men can come up with.

**Finally:** "God With Us" means reconciliation. Before we can spread the revela-

tion of God's nature and will, we must be reconciled. Reconciliation means sin forgiven and this is the reason God sent His Son into the world. Through forgiveness, man, who has been alienated from God by sin, is brought back into His perfect love. He has been restored.

**Concl:** The Christmas message from God is to accept this Son Jesus, accept God's forgiveness through Him and celebrate His birth in our lives.

## Blalock 1st Place Winner At Tech Singing Auditions

Jill Blalock of Abernathy was recently a first place winner in the Student Auditions of the 33rd Annual Texoma Regional Convention of the National Association of Teachers of Singing, held on the Texas Tech campus November 12-15. Blalock was among 26 Tech student singers auditioning. Of those, 16 were chosen for the semi-final competitions and five of those placed in the finals.

The daughter of Hayden and Donna Blalock, Miss Blalock is a sophomore voice major at Tech. She is a member of the University

Jill Blalock

Choir, and performs in Tech Music Theatre productions. Currently she is singing with the Madrigal Singers at the 7th Annual Madrigal Dinner.

While in high school, Blalock took fourth place in the high school girls' division of the National Association of Teachers of Singing, as well as first in the Texas State Competition and Lubbock Music Teachers Association contest.

Traveling from all over Texas, New Mexico and Oklahoma, approximately 650 students from high school through college age sang in the contest. They competed in categories determined by gender and

classification in school.

The first round of competitions was objective, with students receiving either two scores of 90 or a cumulative score of 270 from the three judges going on to semi-final competitions. Depending on the category, eight to 20 singers were chosen for semi-finals.

The semi-finals and finals were competitive, with five places in each category eventually winning cash prizes of up to \$65. First prize winners in the four upper divisions were also awarded varying scholarships for summer study at the American Institute of Musical Studies in Graz, Austria.

## Dimmitt Edges 8th Lopes

Dimmitt edged the 8th Lopes last Monday 45-41 in a struggle which was decided in the final period.

Dimmitt led 10-8 after the first period, but the 8th Lopes came back in the second period to out-score Dimmitt 15-10 and take a 23-20 halftime lead.

The Lopes maintained their lead in the third period

scoring 7 points to Dimmitt's 6 and were on top 30-26 going into the final period. Dimmitt exploded in the final period scoring 19 points, while allowing the 8th Lopes only 11, to win 45-41.

Putting the points on the board were Garcia with 17 points, Dunn 8, Young 7, Bigham 6, and Givens 3

## This and That

Ronnie was missed. He had been with the family for almost five years and was there every Thanksgiving and Christmas.

The Bells will have Christmas in their home and have all the family together Christmas Day, Sunday, December 25. This year they will have four great-grandchildren present, the youngest being only six months. "It is always exciting to see their faces happy and eyes shining as they unwrap their presents and their pictures are made," she added.

Visiting in the home of Mr. and Mrs. Archie Young this week is Mrs. Opal Holden of Austin. She is a sister of Mrs. Young.

## 7th Loses To Dimmitt

The 7th boys lost to Dimmitt last Monday 32-59.

Dimmitt only led by 8 points at halftime 22-14, but extended their lead considerably in the final two periods.

Scoring for the 7th Lopes were Miller with 13 points, Young 9, Rawlings 4, Bar-

cheers 2, Shuey 2, and Soto 2 points.

The 1984 Olympic Flame will be engraved with the Olympic motto: "Citius, Altius, Fortius." (Swifter, Higher, Stronger)

## Who's that man and what's he doing in our alley?

It could be Bob Gough from Energas' Abernathy office.

You are apt to find him in a lot of places. His job is to check out gas equipment and lines to assure you of a dependable, safe supply of natural gas. Like in your alley. Besides carefully reading your meter, he checks for leaks and for any needed repairs or replacement.

So, when you see an Energas man in your alley . . . or in the heart of town, you can be sure he is there for a good reason.

Energas people can do and want to.

## Abernathy 4-H's Place At State Fair Livestock Show

Twelve Hale County 4-H members exhibited their 4-H livestock projects at the State Fair of Texas, in Dallas, October 17-20, according to Tom Conerly, county extension agent-agriculture.

In the steer show, Steve Reese exhibited the third place heavyweight Hereford. Jeff Dorman had the seventh place heavy Hereford. Both are members of the Plainview 4-H Club.

D'Ana Howard, of Abernathy 4-H, had the 11th place heavy crossbred steer. Marc Dodson exhibited the 11th place middle weight crossbred and Pepper Dodson had the 26th place lightweight crossbred steer. The Dodsons are also members of the Abernathy 4-H Club. William Hancock and Jimmy Tyler, both members of the Plainview 4-H, also took steers to the show.

Tami Reese, Plainview 4-H, exhibited the ninth place Southdown in the

lamb show. Mandy Kelley, Abernathy 4-H, had the 12th place Dorsett lamb. Danny Castleberry, Plainview 4-H, also exhibited a lamb.

Tami Reese also exhibited the 15th place middle weight Hampshire in the barrow show.

In the heifer show, held October 20, Rob Hamilton had a first place Limousin and a 12th place Hereford. Brent Hamilton exhibited a second place Limousin and

a sixth place Limousin. John Hamilton had a fourth place Limousin and a fifth place Limousin. The Hamiltons are members of the Plainview 4-H Club.

Pepper Dodson exhibited a third place Shorthorn Heifer and Marc Dodson had a third place Chianina Heifer.

Others attending the fair included parents, leaders and County Extension Agents Ollie Liner and Tom Conerly.

## Farm Bureau Leader Stresses Ag Control

"We must find a way to keep agricultural supplies in line with effective demand," Texas Farm Bureau President S. M. True, Jr. told delegates to the TFB's 50th annual meeting here Monday.

"And we must do this without undue burden to the taxpayers and without losing control over our farms and ranches," the Plainview cotton and grain farmer said.

True told the 1,200 delegates representing 216 county Farm Bureaus that the payment-in-kind program and the drought reduced supplies and helped farm prices this year, "but this is obviously not a permanent solution."

He said farmers could not expect profitable prices with unlimited production.

The president of the state's largest farm organization -- 313,568 member families -- reminded delegates that "our net income is still derived by the same simple formula. It comes

from the number of units we produce, multiplied by the price of each unit, less the cost of production."

He said that the Farm Bureau works on increasing net farm income by attacking all three points -- volume, price and cost.

Cost factors, he said, include taxes, the state of the economy, transportation, labor laws, government regulations, and others.

"Probably the number one thing we work on in Farm Bureau is price," True told delegates. "We know that price is set by the forces of supply and demand, and that the main function of price is to signal whether the market has too much or too little of a given product or service."

We can have better prices, he said, only if we increase consumption or if we decrease the supply.

True said one of the reasons for the present economic slump in agriculture is that farm exports

like to eat every day," he said. "Food and natural fibers are not the so-called durable goods. They are consumed, used up. The supplies have to be replenished continually."

The TFB leader told delegates that the population of the world is increasing by some 300,000 persons every day. He said that although most live in developing nations, their incomes are increasing.

True reminded his audience: "We should always keep uppermost in our minds that Farm Bureau was created for two purposes: to help farmers and ranchers get a better standard of living and to preserve those freedoms and institutions that have made this country the shining example for all mankind."

## Abernathy Stock Show To Introduce New Contests

This year's local stock show will have a new phase, a Commercial Hog Show. Special Awards will be given to the first two winners in the class of "Pen of Hogs" and "Best Commercial Pig." These awards will be based on production standards, as you can see in the rules below.

1. Each 4-H or FFA member wanting to participate, will weigh on feed

three commercial pigs from a selected group of hogs.

2. They will feed and care for these animals until the first day of the Abernathy Stock Show.

3. On the morning of the first day of the stock show, each participant will bring these pens of hogs to the barn to be weighed and compared to their starting weight.

Winner of this phase will be based on rate of gain for their pen of hogs.

4. The participant will then select one pig out of his pen of three and take it to the show ring for live

evaluation.

5. Following live evaluation, these pigs will be taken to Texas Tech and slaughtered and then the carcasses will be evaluated.

6. Twice as much emphasis will be placed on the carcass as on the live evaluation.

7. Carcass and live evaluation will be combined to name the "Best Commercial Pig."

Cash prizes and trophies will be given to the first two places in each of the two classes.

This contest will be open to all 4-H and FFA members. These pigs will be weighed on feed by the 15th of December. If you are interested in participating, contact Gerald Kelley.

## Youth To Compete In District 4-H Food Show

Eight Hale County youth will match their foods-and-nutrition "know-how" against that of youth from surrounding counties at the District 4-H Food Show, Saturday, December 10 in Lubbock at Texas Tech University.

Competing in four classes for a senior-division top place will be Jim Bob Carver of Abernathy 4-H, main dish; and Marie Hooper of Halfway 4-H, fruit and vegetable.

Also, Rosemary Shepard

of Hale Center 4-H, bread and cereal; and Mandy Igo of Halfway 4-H, snack and dessert.

In the junior division will be Brent Hamilton of Plainview 4-H, main dish; Leslie Ballard of Hale Center 4-H, fruit and vegetable.

Also, Patti Shapard of Hale Center 4-H, bread and cereal; and Melissa Sherrod of Hale Center 4-H, snack and dessert.

All contestants earned the right to enter the district contest when they won top honors in county competition.

4-H Food Shows are sponsored by the Texas Agricultural Extension Service, the Texas A&M University System, and The Morrison Milling Company of Denton, Texas.

## Farmers Must Pay Tax Soon

If you are one of the individuals who earned at least two-thirds of your 1983 gross income from farming, you have until Monday, January 16, 1984, to make a 1983 declaration of estimated tax and to pay any taxes due.

However, according to the IRS, farmers who plan to file their 1983 income tax return and to pay the total tax balance by March 1, 1984, are not required to make an estimated tax declaration.

Additional information is available in the free IRS Publication 225, "Farmer's Tax Guide," and Publication 505, "Tax Withholding and Estimated Tax." These publications can be obtained by calling the IRS number listed in the telephone directory.

Of all the 250,000 species of flowering plants, there are just two that don't need water from the soil. One is the pygmy cedar and the other is the caper plant of the Sahara. Both take all the moisture they need from the night air.

**COTTON TALKS**

FROM PLAINS COTTON GROWERS, INC.

LUBBOCK, Friday, December 2, 1983

In the thick of the 1983 harvest, many cotton producers on the Plains have not taken the time for a hard look at all the details of the 1984 cotton program.

"But those of us who have," say PCG Executive Vice President Donald Johnson, "are sharply critical of both the program in general and of two features in particular that appear to be especially designed to make things difficult for High Plains producers."

Looking just at the big picture, Johnson states, the 25 percent voluntary acreage reduction program, with no provision for payment in kind or other means to reduce the adverse effect of the limit on payments, doesn't offer enough incentive for producer participation. "Without a payment in kind program or other paid diversion, we are concerned that producers will plant too much cotton, add 800,000 to a million bales or more to the 1984 carryover, and push the industry right back into an oversupply situation."

This lack of participation incentive is the program's major shortcoming, Johnson continues, the ill effects of which he expects to fall on the entire Cotton Belt with more or less equal force. "Although PCG is making the effort," Johnson says, "in all honesty there appears to be little if any chance that the basic program can or will be changed. And about all we can do in that regard is hope that our assessment of the potential for overproduction is wrong."

There is still hope however, the PCG executive believes, that something can be done to change two of the mandated procedures for 1984 that otherwise will serve as definite disincentives to program participation on the High Plains.

Johnson refers first to the Department's ruling that for 1984 reduces the floor under farm payment yields from 90 percent of the previous year's yield to 80 percent. This change, he explains, will result in a serious loss of payment yields on the High Plains where yields already have been depressed by repeated weather-induced crop failures in recent years.

"Reduced yields mean reduced program benefits," Johnson points out, "and that means even more of our producers may be tempted to ignore the acreage reduction program and plant every available acre, hoping to recover from the market what this ruling would take away."

The other program feature that hits hard at the Plains, PCG is telling the Department, involves program sign-up rules. In previous years, producers have been asked to "enroll" in programs early in the year, but were given the option to withdraw at any time before July 15.

But in 1984 USDA in effect has made the early sign-up (January 16 to February 24) irrevocable. "Our producers can't possibly know in February what management decisions will best fit the conditions that exist at planting time in May or June," Johnson states.

And special hardship could fall on producers with both cotton and feed grain bases, he continues, explaining that if such a producer signs up in both programs and loses his cotton late in June, he will be denied the opportunity to replant failed cotton acreage to grain sorghum without paying prohibitive damages.

"So," says Johnson, "there's a real possibility that producers with this potential problem may opt to go outside the program on feed grains and possibly on both commodities."

## Grant Of \$302,873 To Be Used For Training Program

Governor Mark White announced today that he recently authorized a grant of \$302,873 in federal funds to the South Plains Area to provide job training programs and employment opportunities for youth and unskilled adults. These programs and funds are authorized under the Job Training Partnership Act (JTPA).

The Governor's Office has approved the job training program designed by a locally-appointed Private Industry Council (PIC) and local elected officials. The PIC will oversee this program in Bailey, Cochran, Crosby, Dickens, Floyd, Hale, Hockley, King, Lamb, Lynn, Motley, Terry, and Yoakum counties.

"This job training program is an example of what state and local government, working in partnership with the private sector, can do to put Texans back to work," Governor White said.

## Beware The "Easy-Out" For Paying Income Taxes

Like to stop paying taxes? That's a very tempting idea, and proponents of this notion are making speeches and offering seminars around the country on the "how-to's" of tax evasion. The Internal Revenue Service, however, has some words of advice on the subject, too.

Working toward tax reform certainly is not illegal, the IRS points out. For example, urging changes in the tax laws is the right of every individual, as is arranging one's affairs to pay the lowest possible tax within the law. Also, if you hold securities so as to have a long-term instead of a short-term capital gain, the law supports your move. However, illegal tax protest, such as advocating or participating in a scheme that results in the unallowed

underpayment or nonpayment of taxes, or not filing required tax returns, is illegal, the IRS states. The IRS has the duty and tools, given by Congress, to enforce the Federal tax laws. When some individuals remove themselves from the law, the burden of taxes is greater for those who willingly comply.

# Antelopes Defeat Hale Center, Lose To Midland Lee

The Abernathy Antelopes won their game last Tuesday night, but dropped their second game of the week Friday night.

Tuesday, the Lopes took on Hale Center and won handily 75-59.

The Lopes came out hitting in the first quarter

scoring 24 points, to Hale Center's 19. The Lopes tacked on 13 more in the second period to lead 37-29 at halftime.

Hale Center hung close in the third period out-scoring the Lopes 19-18 and pulled closer 55-48. In the final period, the Lopes took

complete control, adding 20 more points, while holding the Owls to only 11, to secure a 75-59 victory.

Larry Perkins was the high point shooter on the night with 24, followed close behind by Ed Teal with 20. Sammy Galloway added 14, Lonnie Teal 7, and Brian

Smith 6 points.

The Lopes remained undefeated at 3-0, after defeating the Owls.

In their second game last week, the Lopes were handed their first defeat. But, it was a good effort as the Lopes lost to a much larger school, 5-A Midland

Lee, by the slim margin of 56-64.

It was a competitive game to the finish. The Lopes trailed 12-16 at the end of the first period, and 22-35 at halftime, but came back to out-score Midland Lee 16-15 in the third period and 18-14 in the fourth

period, to draw within 8 points of Midland 56-64, when the game ended.

Ed Teal was the leading scorer with 18 points, followed by Sammy Galloway with 16 and Larry Perkins 12 points.

The loss was the Lope's first of the 1983-84 season and they still have an impressive 3-1 record.

# JV Boys Win Lub. Cooper Basketball Tourney

The JV Lopes won the Lubbock Cooper Basketball Tourney last week by defeating Slaton, Idalou and Lubbock Cooper.

In the first game, the JV boys pounded Slaton 75-21. It was the Lopes all the way, out-scoring Slaton 20-11 in the first period,

and 21-6 in the second period, to lead 41-17 at halftime. The JV Lopes only allowed Slaton 4 points in the entire second half while adding another 34, to win 75-21. Cody Jones was the leading scorer with 23 points.

In the second round, the

JV boys defeated Idalou 53-37. This game was not as one-sided as the first.

The Lopes took a slim 20-15 lead in the first period, but extended their lead by 10 points, 31-21 by halftime. The JV boys almost shut out Idalou in the second period 12-4, and

added 10 more points in the fourth period, to win 53-37.

Cody Jones was again the leading scorer with 20 points.

The JV Lopes advanced to the finals and defeated Lubbock Cooper 52-36 in the championship game.

The Lopes took control

early 14-8 in the first period. They added 8 more in the second period to lead 22-14 at halftime. The JV boys dominated the entire second half out-scoring Cooper 15-9 in the third period, and 15-13 in the fourth, to win 52-36.

Cody Jones scored 13 points in this game.

Lopes never game up and even out-scored Dimmitt 15-11 in the final period while playing catch-up.

Scoring for the 8th Lopes were P. Garcia 14 points, Givens 11, Young 3, Dunn 2, Hannel 2, and Aguirre 2 points.

The 8th Lopes came in second behind Dimmitt.

# 8th Lopes Second In Muleshoe Tourney

The 8th grade Lopes placed second in the Muleshoe Basketball Tourney held last week at Muleshoe.

In the first round, the 8th Lopes crushed Farwell 41-15, out-scoring Farwell 13-1 in the first period, and 7-5 in the second period, to lead 20-6 at halftime.

They came back in the third quarter to overpower Farwell 10-1, and in the final period 11-8, to insure

their 41-15 victory.

Putting the points on the board were Bigam with 10 points, Givens 6, P. Garcia 6, Parker 5, Aguirre 4, Heath 3, D. Young 3, Dunn 2, and Hannel 2.

The 8th Lopes advanced to the second round and took on Muleshoe.

This was a much tougher game, but the 8th Lopes came out on top 26-21. It was 4-4 after the first

period, then the 8th grade Lopes out-scored Muleshoe 9-4 in the second period to take a 13-8 halftime lead. Muleshoe bounced back in the third period out-scoring the Lopes 9-6, but the Lopes finished off Muleshoe in the fourth period 7-4 to win 26-21.

Scoring for the Lopes were Givens with 8 points, P. Garcia 7, Dunn 4, Young 4 and Parker 3 points.

In the championship game, Dimmitt was just too much for the 8th Lopes defeating them 44-34.

Dimmitt was ahead the entire game, but the 8th

Lopes never game up and even out-scored Dimmitt 15-11 in the final period while playing catch-up.

Scoring for the 8th Lopes were P. Garcia 14 points, Givens 11, Young 3, Dunn 2, Hannel 2, and Aguirre 2 points.

The 8th Lopes came in second behind Dimmitt.

# Girls Place Second In Muleshoe

The 8th grade girls ran over Farwell 27 to 9 in the opening game of the Muleshoe Tournament, December 1.

Tracye Pope and Virgie Salazar scored 6 points each.

In the second game of the tournament, Abernathy slipped by Olton in overtime 17 to 16. Abernathy led by 2 points at the end of the first quarter and at halftime the Lopes were ahead 10-3.

In the third quarter, the 8th girls scored only 3 to Olton's 6 points, and in the final quarter, Olton scored 4 points, while not allowing the 8th girls to score, and the game was tied at 13-13. The game then went into overtime and the Lopes

scored 4 points to Olton's 3, making the Lopes the winner by one point. Tracye Pope was high point scorer with 8 points.

In the final game, Abernathy lost to Springlake-Earth 27-31 to take second place in the tournament.

Springlake-Earth got off to a flying start with 8 points to Abernathy's 2 points at the end of the first quarter. At halftime the Lopes trailed 8 to 22.

In the third quarter, both teams scored 6 points, and in the final quarter, the 8th girls rallied and made 15 points to their opponent's 3, but time ran out and they lost 27-31. Tracye Pope came through with 11 points.

# Dunn's Car Damaged Saturday Night

County Commissioner Franklin Dunn's attempt to stage a roadblock on a rural road Saturday night won him a somewhat battered car.

According to reports at the Lubbock County Sheriff's Office and the Department of Public Safety, Dunn was asked by relatives to go to the home of Dunn's son, about 10 miles northeast of New Deal, to intervene in a civil disturbance.

At about 10:30 p.m., while nearing his son's home, Dunn saw the man involved in the fracas driving away and blocked the road with his private car, which was struck by that of the suspect.

A 36-year-old man ar-

rested by DPS Trooper Rene Munoz at the scene was taken to Lubbock County Jail. Dunn was not injured according to reports. From the Avalanche Journal.

# Lady Lopes Defeat Lockney, Hale Center and Hobbs

The Lady Lopes have gotten off to a good start this season by winning their first three games. They defeated Lockney in the

season opener, followed by Hale Center and Hobbs. Against Lockney, November 22, the Lady Lopes displayed why they have

been selected as one of the power-houses in this region, defeating Lockney 65-37. They held a big lead the entire game. It was 19-4 in

the first period, 40-11 at halftime, 49-27 by the end of the third quarter, and in the fourth, the Lady Lopes tacked on 16 more points to

win 65-37. Sarah Miller was the leading scorer for the Lady Lopes with 17 points, followed by Vicky McKenzie with 14, Phoebe Dunn 9, and Johnnia Harrell 7.

later on in the season. This year the Lady Lopes played like they can against the Owlettes, who are picked to win their district (2-3A), by the decisive score of 43-32.

It was a close game in the first half, as it was 7-6 after the first period and 19-18 at halftime. But, in the second half, the Lady Lopes began to extend their lead 33-26 in the third quarter, and 43-32 by the end of the fourth period.

state playoffs in New Mexico this year. It was a tight game the entire first half as the Lady Lopes led 18-13 in the first period and 29-26 by halftime. They jumped ahead by 11 points by the end of the third quarter 45-34, and 20 points by the time the game ended, 69-49. Vicky McKenzie was the leading scorer with 19 points, followed by Phoebe Dunn with 14 and Johnnia Harrell 10. The Lady Lopes remain undefeated at 3-0 and will compete in the Canyon Girls Tourney December 8-10.

### Defeat Hale Center 43-32

November 29, the Lady Lopes took on one of their biggest rivals, Hale Center. It was a big defensive battle both times these two teams played each other last year and the Owlettes came out on top on both occasions. They defeated the Lady Lopes by slim margins both times 41-38 and 47-45

win 43-32. Phoebe Dunn had an incredible game scoring 26 points. Sarah Miller was the next highest scorer with 11. Coach Larry Steele stated

## Junior-Senior Performance Of MASH A Hit

The annual class play came to a close Saturday night, December 3, as the junior and senior classes performed the comedy M\*A\*S\*H\*, and all the hard work and long hours put in by the students and directors, Marilyn Ater and David Lanehart, was evidenced by the audience.

A representative from the high school principal's office thanked everyone who helped to make the play and the pie auctions a success. Approximately \$1100 was raised for the junior-senior banquet and senior trip, as a result of the pie auctions alone. Ticket sales were not tallied at press time.

The Bonwits - Mitzi (Kim Poe), Fritz (Laura Waits), and Agnes (Dinah Neve) - stole the show portraying tap dancing, nit-witted en-

tertainers. Also bringing chuckles to the audience was Pvt. Boone (David Kemp) and Corp. "Radar" O'Rodriguez (Ruben Garcia) in cheerleader skirts (what a set of legs). A stunning performance was also given by Hawkeye (Todd Johnson) and Duke (Tony Ortiz), as they sang their tongue-in-cheek tribute to Hotlips (Fran Salitros).

Following the play, the audience adjourned to the school cafeteria, where Randal Stillwell once again amused everyone with his antics as pie auctioneer.

Mrs. Sharon Kester stated that the strong support and cooperation is appreciated and is one of the major things that makes Abernathy High School achieving and competitive.

### Continued From Page 1 Lady Lopes Success

ber 29 they defeated Hale Center 43-32, and December 2, Hobbs 69-49.

"Our shooting percentage last year was only 38 percent. In our first three games this year, our shooting percentage averaged 45 percent. This is a great improvement," Steele said.

"Another area which we have improved in is assists. After our first three games last year, we only had 3 assists. In our first three games this year, we have already had 15 assists. This shows that we have good team effort and that members are supporting and helping each other out on the court," Steele said.

### Looking Ahead

"We have a very tough district, but should be able to finish as the district champs, if the girls play like they are able to all season," Steele said.

He picked Littlefield second behind Abernathy. "Littlefield is very tall. They have two 5 ft. 10 in. players and one 6 footer," Steele said. He picked Dimmitt third, Muleshoe fourth, Friona fifth and Tulia sixth.

## Wheat Assoc. Elects Officers

Robert Graves, an Ochiltree County farmer, was elected President of the state-wide Texas Wheat Producers Association at the organization's annual membership meeting and symposium this past week in Amarillo. The President is an irrigation farmer and produces wheat and grain sorghum and runs wheat pasture cattle during the winter, twenty miles south

of Perryton.

Other officers elected include: Ivan Block, Hereford, Vice President; Leonard King, Jr., Childress, Vice President; W. R. Moore, Jr., Munday, Vice Presi-

dent; and C. L. Edwards, Panhandle, Secretary-Treasurer.

After hearing an array of speakers relate information as to the wheat production, marketing and trade situation, the membership adopted some twenty-nine resolutions.

**PROTECT YOUR CREDIT CARDS**-A booming business in bank credit card fraud means consumers need to be careful about credit purchases during the hectic holiday shopping season, says home economist Nancy Granovsky. According to Granovsky, a family

resource management specialist with the Texas A&M University Agricultural Extension Service, consumers can take steps to protect themselves. When shopping, make sure the sales persons removes the carbon after the slips has been signed, or remove it yourself along with the customer's copy, so it can't be used later to change the amount charged. Avoid giving your credit card number over the phone, if at all possible. Keep all charge slips so you can check your statement to make sure each charge is legitimate. Also keep a list of your cards, the account numbers and who to notify in case of loss or theft.

# Fifteen Area Students In 17th Annual Who's Who Edition

A total of fifteen students from this area have been included in the 17th annual edition of Who's Who Among American High School Students, 1982-83. Thirteen of the students in this latest Who's Who edition are from Abernathy and two are from New Deal. Those from Abernathy are: Barbara Alvarado, Ruben Garcia, Susan George, Tony Gereau, Stacey Kelley, Danny McDaniel, Sarah Miller, Melanie Parks, Larry Perkins, Jackie Riddell, Fran Salitros, Jimmy Salitros,

and Melissa Thompson. Those from New Deal are John Attebury and Jenny Sosa. Who's Who, published by Educational Communications, Inc., Lake Forest, Illinois, is the largest high school recognition publication in the country. Students are selected by high school principals and guidance counselors, national youth groups, churches or by the publishing company based upon students' performance in scholarship award contests or extracurricular activities.

Final selection is determined on the basis of criteria which include high achievement in academics and leadership in school activities, athletics or community service. Traditionally, 99% of Who's Who students have a grade point average of "B" or better, and 97% are collect bound. The 17th edition of Who's Who, published in nine regional volumes, features 375,000 students, or 5% of

the nation's 6,500,000 high school juniors and seniors. They represent 18,000 of the 22,000 public, private and parochial high schools in the country. Who's Who students also compete for over \$50,000 in scholarship awards and participate in the publication's annual opinion poll of teen attitudes. The book is distributed on a complimentary basis to over 15,000 high schools, colleges, universities, and public libraries throughout the country.

# Rieff Announces Intention To Seek Re-Election Next Year

Henry Rieff

"A friend is, as it were, a second self." Cicero

Henry Rieff announced today his intention to seek re-election to the position of Hale County Commissioner of Precinct 3. Henry has served as County Commissioner since January 1977 and feels he has demonstrated that he is capable of performing the duties of this office. Commissioner Rieff stated, "I feel my experience of serving in this capacity for the past seven years makes me a more qualified candidate for this position." Rieff went on to add that the greatly enjoys serving the

people of Hale County in this role and is proud of the accomplishments he has made while in office. The remodeled County Courthouse and the new Hale County Law Enforcement Center are two accomplishments that he is most proud to have been a part in their completion. The Commissioner also pointed to the fact that he has been able to balance the budget of the precinct while at the same time upgrading the equipment of the precinct. "Precinct 3 had a budget deficit in January of 1977 when I took office, and I have kept the budget of the precinct in balance every year since then. I have also updated the equipment of the precinct with four new motor graders, a backhoe and loader, 2 1/2 ton tandem axle truck, and a tractor to replace the old equipment of the precinct," added Rieff.

County through serving on these boards benefits everyone in Hale County. In addition to these boards and committees, Rieff still finds time and enjoys serving such worthy organizations as Meals on Wheels as a member of the steering committee and the South Plains Food Bank as secretary of the board of directors. Henry also belongs to the Chamber of Commerce in Plainview, Hale Center and Abernathy. He is currently serving on the board of directors of the Abernathy Chamber of Commerce. Henry takes pride in being a charter member of the Cotton Center Volunteer Fire Department and is currently involved as a member of the board for the newly formed Hale County Farm and Ranch Museum.

# Seven Abernathy College Students Included In Latest Who's Who Edition

A total of seven students from Abernathy have been included in the sixth annual edition of The National Dean's List, the largest recognition publication honoring college students, published by Educational Communications, Inc., Lake Forest, Illinois.

Those from Abernathy in this latest Who's Who edition are: Dee Ann Attebury, Jane Kveton, Susan McCune, Weldon Patterson, Darrick Stallings, Mandy Thompson and Shana Toler. All of these students at-

tended or are presently attending Texas Tech University. Students are selected for recognition by their deans or on their school's Dean List. The 85,000 students included in the current

edition are from 2,500 colleges and universities nationwide and represent one half of one percent of the more than 8,000,000 college students in the country.

# County Signs Oil Lease For Drilling Near Strip Cem.

The Hale County Commissioners Court agreed to issue an oil and gas lease to Louisiana Hunt Petroleum Corp. for three acres of land located in Strip Cemetery, five miles northeast of Abernathy, during the court's regular meeting November 28. Bobby Donahue appeared before the court to discuss the proposed lease. He said the company would pay from \$75 to \$100 per acre for the lease and would place a non-operation, non-development clause within the lease. The clause keeps the company from actually drilling or placing equipment on the area, but allows the company to take the oil and gas underneath the cemetery. Donahue told the commissioners that the company has acquired leases on a

considerable amount of land in the area, but he didn't know how much drilling might be done. Louisiana Hunt Petroleum Corp. plans to begin drilling in the area on January 15, 1984. The cemetery is run by a cemetery association, but the rights to the land were deeded to the Hale County judge and his successors in 1910. County Judge Bill Hollars said the proceeds from the lease would be given to the association for beautification of the cemetery. "I'd like to see them get the full \$100 per acre," said Commissioner Henry Rieff. He said the association could use the money for mowing and caretaking. After a lease is drawn, it will be sent to Hollars for his signature. From the Plainview Daily Herald.

for two to three weeks. Cured smoked turkey can be refrigerated for two weeks. Since frozen cured meat loses quality rapidly, long freezer storage is not recommended. Bacon should be frozen at zero degrees F for one month or less and ham for only one to two months. Turkey can be frozen for three to six months, but freezing is not recommended for sausage. Cured meats are safe when frozen for longer periods of time, but there may be a drop-off in taste that makes the product less enjoyable.

Henry's wife, the former Elouise Brewster, is a graduate of Wayland Baptist College and Hardin Simmons University. She holds an Associate of Arts degree from Wayland and Bachelor of Science and Master of Arts Degrees from Hardin Simmons. Elouise began her teaching degree in the Plainview School system, but is currently in her sixteenth year as a teacher in the Cotton Center School system. Henry would like to thank the citizens of Hale County for the opportunity to have served as their commissioner the past seven years. "It has proven to be one of the most challenging experiences of my life," stated Rieff.

Bacon can be refrigerated at 35 to 40 degrees F for seven days. A whole ham can be refrigerated for seven days, a half for three to five days and slices for three days. Smoked sausage keeps well when refrigerated for up to seven days and dry or semi-dry sausage will keep

## Letters To The Editor

Dear Editor:  
Would you please let your readers know about our Arts and Crafts Fair in your public service section of the newspaper.  
The Plainview Downtown Merchants Association and the Texas Tumbleweed Chapter of American Business Women's Association are co-sponsoring an arts and crafts fair Saturday, December 10, and Saturday, December 17, at 3rd and Broadway, Plainview, from 10 a.m. to 6 p.m. Participants will include ink on leather, photography, western paintings, ceramics, and wooden toys.  
If you can run this in your paper, we would appreciate it very much.  
Sincerely,  
Leona Robbins  
President, Texas Tumbleweed Chapter, ABWA

Dear Editor:  
I look at my calendar and see that Christmas is less than a month away. My workers and Mrs. Claus are helping me get the toys and games ready for delivery to my many little friends Christmas Eve night. We have been working extra hard, but it seems that everything will be ready for Christmas. Rudolph and the other reindeer are healthy and ready for our quick trip.  
Express my love to the boys and girls around Abernathy. Remind them to send their Christmas letters to the Review at P. O. Drawer D, Abernathy, Texas, 79311 and I will get them.  
Tell all the boys and girls to be good, and I'll see them soon.  
Love,  
Santa Claus

P.S. It is snowing here at the North Pole.

Dear Editor:  
The Junior-Senior Classes of Abernathy High School would like to thank everyone who helped to make the play, "Mash," and the pie auctions a success. Approximately \$1100 was raised for the Junior-Senior banquet and the senior trip as a result of the pie auctions.  
This strong support and co-operation is appreciated and is one of the major things that makes Abernathy High School achieving and competitive.
