It would be very difficult to have this much offense without the work of our offensive line. These men had another outstanding game. They are Gary Clements, Scott Riffe, Jade Palmer, Wade McKinney and Craig Brooks.

Our next opponent is Turpin, Okla. They have been picked to win their district this season. They have seven rturning starters froml ast season. Last week they defeated Gruver 28-6. The game with Turpin ended in a 0-0 tie last season. We have always had close games with Turpin, in 1984 it was 8-7, 1985 13-12. I think we can expect another close contest this week.

SCOT Notes

Well, Sherman Co. Older Texans, haven't we had the loveliest fun-filled weekend anyone could imagine? AND all we had to do was be present!

But business first. This is the week for all day quilting on Friday, Sept. 18th 9 a.m. to 4:30 p.m. at Scot Hall. Regular meetings for quilting on Monday and Wednesday p.m. 1-4:30 p.m., Dance Practice on Monday evening at 8 p.m. Game night is Sept. 19 (Sat.) at 7 p.m. Every Scot person is invited to come to Scot Hall on Game night for fellowship and "42" the great Texas game. Let's be 'Scotter's' and Texans!

Scot Board meeting is on Tuesday, Sept. 22 at 10:00 a.m. That is the time for suggestions to improve S.C.O.T. organization to be made and plans for future activities. Ideas are welcomed by Board members. Our S.C.O.T. organization is what WE make it. Remember Game Night, Sat, Sept. 19th 1987 at 7 p.m. For regular meeting on Sept. 24. 1987, Oline Caraway announces that Cindy Crabtree will present a program on E.M.T. We need her information.

Birthday Party? Is our face red! Is escaped our action-filled mind. No one has reported on the party-other than that about sixteen were present. We need a little help on reporting Scot activities and interesting things Scotters do. You know, of course, this reporting is purely accidental, gratis and for fun. Help!

Our concerned notes include the facts that friend Bertha O'Quin has a fractured arm and black eye due to a fall. Garnet Meek, Dumas isn't too well, Limma Fedric is listed in Baptist Hospital in Amarillo.

Richard and Marillyn Albert spent the Labor Day holiday in Comanche, Texas where Richard has established a branch of his cactus by Timmie Brown

business. While there they went on to San Antonio to visit Richard's daughter, Sandi Albert Harper who is in Brooke Medical Hospital, and has been seriously ill. Sandi is a captain in the army, and her husband, Brian Harper, is also a captain. They were both stationed in Germany and transfered to Ft. Sam Houston when she became ill. The Alberts found her some improved when they were there.

While our neighbor Zora Sanders (Ed Sander's mother was preparing to attend her sister's funeral, Mrs. Knudsen of Dalhart, she received word that Ad Nichols of Albuquerque, N.Mes. her son-in-law had been taken out of this life by a heart attack. We send S.C.O.T.'s love, concern and prayers to all our ailing friend and a double portion of them to Zora and her families.

On the brighter side, our last report is that Robbie Yates is with her sister, Dorothy Kendall, in Amarillo and doing well. Ruby McNeal is home, after recuperating at Rita Joyce's home in Colo. Charlene Oquin, Francis Watson, Jo June McDaniel, Georgia and Sekki Lavake and Kenneth Borth attended the funeral of Clyde Phillips in Amarillo. We know how much Elizabeth Zimmer and Mrs. Nettie Fae Phillips, her mother appreciated this love support from friends in their time of sorrow over the death of their husband and stepfather. S.C.O.T. and personal support, too, loves.

Have you taken time to enjoy Dicy Stephenson's doll collection displayed near the P.O.? Wonder HOW she though of so many appropriate names!

Francis Watson is in Houston grandmothering 2 teenagers while their parents are "dove" hunting in

Mexico.

We think Belva Carter looks very natural and business like in the picture, included in the Dumas Hospital supplement. Hi, Belva! Juanita and Cone Donelson have lately returned from a visit downstate where they visited Jessie and Van Dowda and Bess and Wayne Wherry. Scot note readers will be concerned that Wayne is not

We were pleased when J.A. invited us to meet Leroy and Cecil Mitts of Gentry, Ark. The late Ganell Dennison was a cousin to the Mitts and to J.A. (Lasley) also but from different family branches. J.A. thru settling Ms Dennison's Estate brought some antiques from MsDennison to Stratford for the Mitts. As a result the Mitts and J.A. came to know each other, in Stratford. We think the Mitts would make fine Stratford Citizens.

Attending the Rider-Garoutte Family reunion at the home (invitation) of Roy, Benita (Rider), Rod Canterbury of Canon City, Colo. were Mrs. Ruby Garoutte, her sister, Lula Woods, Guymon and brother Dick Rider and wife, Waneta, Hardesty; Nola and Ernest Cummings, Amarillo; Billy Day and wife of Holly, Colo (Billy is the son of the late Alma Rider Day); "Sis" and Fritz Steinberger, Dick, Wanda and Karen Woolsey; Clifford Garoutte, Mary Lou Cotney, Cleva Garrison; Bill Garoutte, daughter Carol Kyle and daughter Jennifer. A wonder family time for all, especially the senior members.

Now for the Sherman Co. Fair, Stratford Day and Old Timer's Reunion! First off, to absentees, "you just had orter bin here". So many interesting things to see at the fair- but in keeping with "Older Texans" interests, two exhibits of Kathleen King's caught our eyes. First, a group of "Certificates of Death"-the deaths occured while W.T. Martin was responsible for recording deaths. Remember, there were no morticians and Stratford had no "undertaker" but bodies had to be "laid to rest" kept track of-Secondly; The picture of the class of 1928. There in picture are: Percy "Bunny" Pronger, Virgie Taylor, Andy James, Nada Lock, Kathleen King, teacher, Troy Plunk, Robbie Yates, Cone Donelson, Lillian Chambers and Fay Boomer. Several outstanding Scotters

in that Group. Then the Parade; How about "Scot's First Lady" and "The Quilters"! Hope they won ribbons. Results will be in the Star.

Old Timers we saw include Carrol (Parvin) Johnson, The Wilbur Wilsons, Otho (UIom) Wakefield, Lyle and Glen Wakefield, Lorene Brown and granddaughter Kim, Viola Bryan, Ruth and Jennifer Gates, Mollie and Jerry Galloways.

There is no use to try to tell absentees about the program for Old Timers at the Mary Allen School Auditorium, please note that it was the 28th presentation of Old Timers Queen & King of Sherman Co. by the GFWC/Prospectus Study GFWC/Prospectus Club. King Tom Wakefield and Queen Ione Reed did us "proud" by their attractiveness and evit. The "Mellerdrammer'' presented by Writer Janet Riffe and cast-dedicated to the late bill Martin-presented to Old Timers with love- was a "knockout." They played to a capacity crowd and enthusiastic response.

Thank You, Thank You, thank you.! Congratulations to Glen-

nell and Jack Dettle on their 46th wedding anniversary. Ava Garoutte has just reported the death of Warner Williams of Denton, Texas on Sept. 6. He was

with Foxworth-Galbraith Lumber Co. for years. Warner's son, Richard, is Ava's Son-in-law. Old Timers, write Louise a word of comfort.

Scatter Scot pats and luv this week!

Kerrick News

by Marylou McDaniel

Come to the Kerrick Chuck Wagon Supper Saturday night!

Lester, Diann, Joseph and Rodney Irlbeck recently spent five days with his parents, Ted and Joyce Irlbeck. The younger Irlbecks live at Conroe, Texas. Spending a Sunday with them were Joyce's sister Ernestine Almquist, Arlington and Colleen and Cyril Irlbeck, Fritch, mother Bessie Palmer and the Jim Roberts family.

Coming Friday night to see Brady Schoonover play ball were his grandmother Jean Danner, aunt Marsha and uncle Keith Hollingshead, Guymon and Rex Danner. Guess what? He didn't get to play. isn't that the way it goes?

Mike McDaniel attended the West Texas university football game Saturday

Dr. Gary Mathews, Austin Mariorie and Dick Munden. Claude, were here to attend the Fair with their mother, Virgie Mathews.

Vardell and Sandra Madding, Diana, Texas spent the weekend with the George Avents. Sandra and Barbara are sisters.

Pat Boren was in Lubbock recently to a "We Care" meeting. By satellite from Charlotte, N.C. the founders Pete and Rose Marie Monroe spoke to all the regional meetings at once.

What a party was thrown for Kayo and Jo June McDaniel's 35th wedding anniversary Saturday! They rode on a float in a parade and there was a big barbeque! No one had the heart to tell them it was a Fair and not all for them!

Lynn Wells and Pat Boren went on a tour organized by Phyllis Wells of Colorado Springs. There were 48 the first day. They toured southeast Colorado and the Kenton area. Picture Canyon west of Campo and a

"crack" cave provided early Celtic writing, "Ogum" These writings date around the time of Christ, give or take 500 years. They stayed the night at Camp Billy Joe.

Truman Tucker and Mrs. Tucker escorted them to dinosaur tracks, Santa Fe trail, and Autograph Canyon. They ate the second night at the Eckland in Clayton with 38 present. Former New Mexico state Senator Simpson was the speaker and he showed slides of the Santa Fe Trail.

Six Colorado Springs ladies went to Mt. Capulin on their way home.

A young Englishman named Keith, age 22 was touring America. His rented car broke down and having heard about the tour, joined the group for a rare look at this part of America.

Pat and Lynn really enjoyed the rour.

Myron Leedy and Marylou McDaniel attended a tea for Johnnie Burgess, Grand Organist, Grand Chapter of Texas, Order of the Eastern Star, Sunday at the Dumas home of Ruth Keimpson. They also visited with Thelma and Duane Smith and Minna McDaniel.

Mr. Leedy left Monday morning for home via his sister's in Nevado, Missouri.

Brenda Taylor, Denver, arrived Sept. 6 for a week's visit with her mother, Franny Taylor. Wendesday night they were overnight guests of Tommie Dee Garoutte at Happy Canyon. The Fair kept them on the

Workers at the Fair included Lynn Wells, Pat Boren, Barbara Schoonover, Jo June McDaniel, Minnie and Annette Hampton as superintendents. Kerrick Fair participants did very well, receiving many awards

Fred and Mike McDaniel did some fishing at Charetta Lake, near Springer, N. M., last week. They caught some nice fish, some 15 to 161/2 inches.

This Is The Way Pt. 3

Would you hear the voice behind you saying "This is the way, walk ye in it?" Then surrender wholeheartedly your will to God's will. Give your best thought to study of His way.

The third requirement is a walking faith. Paul counseled the Romans, "Walk in newness of life." There is a fable about a young cub bear which was puzzled to know how to walk. "Shall I," he said to the old she-bear, "Shall I move my right paw first or my left, or my two front paws together, or the hind ones, or all four at once or how?" in reply the old she-bear growled. "leave off thinking and walk". The point of Morning Worship 10:45 am the fable is pertinent. We get into moods of bewilderment Evening Worship 6:00 pm about what to do. We keep thinking over this problem and that problem until we are paralyzed with the feeling that the problems are too much for us. The thing to do in such a predicament is to start walking. Walking settles a heap of problems. And it is significant to note how frequently the word "walk" appears in the new Testament: "Walk in love," "Walk in the light," "Rise up and walk", "Take up thy bed and walk," Rom. 4:12, "Walk in the steps of faith", and in Rom 6:4, "Walk in newness of life." Gal. 5:25, "Let us also walk in the Spirit.'

When we walk with our Lord we are not walking alone. If we walk in any or all of the ways listed above we know that "This is the way," and that, we are walking in the way of our

Cards of Thanks

We would like to thank everyone that had a part in making the fair run so smoothly. Most of all we appreciate the exibitors who made the fair a success.

Sherman County Fair Board

I would like to thank all the people who helped make the Stratford Day Roping. All of our time keepers, bookkeepers, and flag men helped to make a good, fast paced roping. There is alot of behind the scenes work to a roping and I would like to tell all the buckle donors, stock providers, those that picked up and delivered stock, opened gates, pushed stock and announced how much I appreciated their help.

We wish to thank everyone for the food, flowers, cards, visits, prayers and good wishes that were shared with us during the loss of our loved one. These abundant expressions of love and caring make us glad to be a part of this wonderful community.

Chamber Chatter

By Sharon McCarver

Summer is gone and Fall is upon us, and a very busy one it is going to be. Work on our Talent Revue has already begun. Marihoward Engelbrecht and Joyce Ann Lasley, our Co-Chairwomen have already started work on this project. There is alot of behind the scenes planning that must be done to put on a Show of this kind. The Committee met on Tuesday, September 8, at the Chamber office and started to select chairman for the different departments. A meet the Director Party will be planned soon, giving

everyone the opportunity to meet Mr. Jim Hughes and decide what type of show we want to do. There will be something for everyone to do and lots of fun besides.

October will kick off work on our annual Pheasant Hunt for this year. We are already receiving phone calls concerning the 1987 Hunt.

October will also be a big month for the retail merchants with the annual Spooktastic Sale and Costume contest, and work has already started on something special this year for our Christmas Promotion.

pear on the ballot as follows: 'The constitutional amendment

authorizing the legislature to provide assistance to encourage economic development in the state."

PROPOSITION NO. 5 ON THE BALLOT

House Joint Resolution 65 proposes a constitutional amendment to permit the State Department of Highways and Public Transportation to contract with the Texas Turnpike Authority and to contribute money to the costs of turnpikes, toll roads and toll bridges of the Authority. The amendment would authorize the governing body of a county with a population over 400,000, a county adjoining such county, and any city or district located in or partially in such county to make agreements with the Texas Turnpike Authority and levy ad valorem taxes to pay part or all of the principal and interest on Turnpike Authority bonds and to pay maintenance and operating expenses of the Turnpike Authority, if the voters approve the tax.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing agreements between the State Department of Highways and Public Transportation and the Texas Turnpike Authority and the governing bodies of counties with a population of more than 400,000, adjoining counties, and cities and districts located in those counties to aid turnpikes, toll roads, and toll bridges by guaranteeing bonds issued by the Texas Turnpike Authority."

PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 4 proposes a constitutional amendment to allow the legislature to establish three separate development funds. A Texas product development fund could be established to aid in the development and production of new or improved products in the state. The amendment would authorize the issuance of up to \$15 million of general obligation bonds to provide initial funding for the program. A Texas small business incubator fund could be established to foster and stimulate the development of small businesses in the state. Small businesses operating under the program would be exempt from ad valorem taxation. The amendment would authorize the issuance of up to \$10 million in general obligation bonds tricts, but only if approved by the to provide initial funding for the program. A Texas agricultural fund could be established to promote the production, processing and marketing of agricultural products produced primarily in Texas by small Texas agricultural businesses. The amendment would authorize the issuance of general obligation bonds in the amount of \$100 million outstanding at one time to carry out the agricultural fund program. The legislature could require review and approval of the issuance of bonds and the use of bond proceeds.

The proposed amendment will ap-

pear on the ballot as follows: "The constitutional amendment authorizing the legislature to provide for state financing of the development and production of Texas products and businesses."

PROPOSITION NO. 9 ON THE BALLOT

Senate Joint Resolution 9 proposes a constitutional amendment to provide that a state legislator is eligible to serve in another state office even if the compensation of the office was increased during his legislative term or even if the appointment is made in whole or in part (including Senate confirmation) by the legislature. The legislator could not, however, receive the increased compensation approved during his legisla-

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to provide that a member of the legislature is eligible to be elected or appointed and to serve in a different state office but may not pear on the ballot as follows: receive an increase in compensation granted to that office during the legislative term to which he was elected."

PROPOSITION NO. 10 ON THE BALLOT

Subsections (d) and (e) of Section 1 of Senate Joint Resolution 12 propose a constitutional amendment to allow the legislature to exempt from ad valorem taxation all tangible personal property except structures which are used as residential dwellings and property held or used for the production of income. This exemption would be in addition to the personal property homestead exemption already established by the constitution. If the legislature authorizes the exemption of additional personal property from taxation, under this amendment, local political subdivisions may pass resolutions providing for taxation of such property unless the property is exempt from ad valorem taxation under another law.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to allow the legislature to exempt from ad valorem taxation certain personal property not held or used for the production of in-

PROPOSITION NO. 11 ON THE BALLOT

Section 1, Subsections (f) and (g) of Senate Joint Resolution 12 propose a constitutional amendment to exempt from ad valorem taxation goods, wares, merchandise, and ores other than oil, gas and petroleum products. These items would be exempt from taxation only if they originated outside the state and were located in the state for a period of 175 days or less for purposes of assembly, storage, manufacture, processing, or fabrication. Such property could be taxed by a county, school district, or municipality if the governing body of the political subdivision took official action to provide for the taxation of the items while they were located in the politthe governing body of a political subdivision took official action to tax the items before January 1, 1988, the tax would be effective for the 1988 tax year. If the action were taken after January 1, 1988, and before April 1, 1988, the tax would become effective January 1, 1989.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment providing for the exemption from ad valorem taxation of certain property that is located in the state for only a temporary period of time.'

PROPOSITION NO. 12 ON THE BALLOT

Senate Joint Resolution 35 proposes a constitutional amendment to allow a married couple to agree in writing that all or part of their community property will become the property of the surviving spouse if one spouse dies.

The proposed amendmen will appear on the ballot as follows:

"The constitutional amendment permitting spouses to hold community property with right of survivorship."

PROPOSITION NO. 13 ON THE BALLOT

Senate Joint Resolution 27 proposes a constitutional amendment to authorize the creation of special districts to provide emergency services. The commissioners court in a county participating in a district could, upon approval of the voters, levy an ad

and mental health and mental re- valorem tax of up to ten cents (\$.10) per \$100 valuation of the property located in the district. The proposed amendment will ap-

ON THE BALLOT House Joint Resolution 88 proposes a constitutional amendment to authorize the issuance of \$500 million in general obligation bonds, the proceeds of which will be used to establish a superconducting super collider fund. The fund would be used to provide economic incentives for the superconducting super collider research facility, and the agency administering the fund would be authorized to grant land poses a constitutional amendment to or property to the United States government for undertakings related to the facility.

The proposed amendment will ap-

pear on the ballot as follows: "The constitutional amendment authorizing the issuance of general obligation bonds to fund undertakings related to a superconducting super collider research facility sponsored or authorized by the United States government, and to make appropriate grants for such undertakings."

PROPOSITION NO. 20

ON THE BALLOT House Joint Resolution 96 proposes a constitutional amendment to allow the legislature to provide ad valorem tax relief for mobile offshore oil and gas well drilling equipment. The tax relief would be limited to equipment that is being stored while not in use in a county that is adjacent to the Gulf of Mexico or on a body of water that is adjacent to the Gulf of Mexico.

The proposed amendment will appear on the ballot as follows:

'The constitutional amendment to authorize the legislature to provide ad valorem tax relief for certain offshore drilling equipment that is not in use."

PROPOSITION NO. 21 ON THE BALLOT

Senate Joint Resolution 17 proposes a constitutional amendment to provide for legislative involvement in the executive branch of government by permitting the legislature to include the speaker of the house of representatives in the membership of an agency or committee that includes officers of the executive branch of government and performs executive functions. Under current law, the legislature is not allowed to exercise any powers in executive matters under Article II of the Texas Constitution, which provides for the "separation of powers" into three distinct departments.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment permitting the legislature to include the speaker of the house of representatives or the speaker's appointee in the membership of an executive agency or committee."

PROPOSITION NO. 22 ON THE BALLOT

Senate Joint Resolution 53 proposes a constitutional amendment to allow the legislature to limit the term of office of a gubernatorial appointee to a vacancy in a state or district office to a partial, temporary term if the appointment is made on or after November 1 of the last year of the governor's term and the governor is not reelected. PROPOSITION NO. 23 ON THE BALLOT

Senate Joint Resolution 54 proposes a constitutional amendment to authorize the Texas Water Development Board to issue an additional \$400 million in water development bonds. Of the \$400 million authorized, \$200 million would be designated for conservation and development of water resources, \$150 million would be designated for water quality enhancement, and \$50 million would be designated for flood control. The amendment also authorizes the legislature to provide for review and approval of the issuance of the bonds and the use of the bond proceeds.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to authorize the issuance of an additional \$400 million of Texas Water Development Bonds for water supply, water quality, and flood control purposes."

PROPOSITION NO. 24 ON THE BALLOT

House Joint Resolution 83 proposes a constitutional amendment to allow a county to use county equipment and personnel to perform work, without compensation, for another governmental entity if the commissioners court finds that the work will not interfere with the performance of county work and approves performance of the work. The governmental entity must be located wholly or partly in the county, and the governing body of the governmental entity must file a written work request with the commissioners court.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to permit a county to perform work, without compensation, for another governmental entity."

PROPOSITION NO. 25 ON THE BALLOT

Senate Joint Resolution 5 proposes a constitutional amendment to allow the Legislature to authorize Randall County to levy a tax for the benefit of the Amarillo Hospital District. Any such tax could be levied only on property located outside the City of Amarillo and outside the South Randall County Hospital District. The tax could not be more than 75¢ per \$100 property valuation and would be effective only upon approval by the voters in the area to be taxed. If the tax is authorized by the Legislature and approved by voters, the Amarillo Hospital District is to serve residents of part of Randall County. If a tax is levied under this provision, Randall County must repay the State for the cost of publication of this amendment.

The proposed amendment also permits the legislature to authorize hospital district to change its boundaries or jurisdiction if the district was created or authorized by a constitutional provision that includes a description of the boundaries or jurisdiction of the district. Any change in the boundaries or jurisdiction of such a hospital district would become effective only upon approval of the voters in the

G & W Industrial Supply, Inc. is owned and operated by Steve Griffith and Randy Williams, and was orignally opened as a new business in Cactus, Texas in 1982. In December of 1984 G & W Industrial was moved into Stratford to it's present location on Highway 54 west in the Smith and Birk Facility. At that time Steve and Randy took the building on a lease purchase with the option to buy, and in December of 1986 purchased the building and property. The business was opened to supply goods to industrial oriented businesses as well as to sell items for use in farming and ranching, and also offer many hardware items for home use. Steve and Randy felt they could provide a more personal approach to the supply business as well. The Sales territory for G & W Industrial Supply Inc. ranges from Tulia, Texas to as far as Dodge City, Kansas, the border of Colorado, all of the Oklahoma panhandle, west to Lamar and to the tip of

The 8th Annual Pheasant Capital Run was held Saturday morning, Sept. 12, 1987. Registration began at 7:00 a.m. and the races started at 8:00 a.m. There were eleven runners in all, eight in the 10K race and three in the 2 mile Fun Run.

The overall winner of the 10K race was David Miley of Sunray with a time of 40:04. Jode Lasley of Stratford was the winning lady runner, finishing in 45:55. Other runners and their placings are as follows: Jackie Cannon, Amarillo, 1st Man 30-39; H.W. Ritchey, Ammarillo, 1st man 50-59; Jerry Johnson, 2nd man 50-59; James Alford, College Station, 1st man 20-29; Annette Flores, College Station, 1st lady 20-29; and Kay Williams, 1st Lady 30-39.

The three contestants in the 2 mile Fun Run and their places were T.D. Baskin, 1st 0-19; Rex Sladek, 2nd 30-39; and Steve Baskin, 1st 30-39.

Pheasants mounted by Brent Branham of Tumble-weed Taxidermy, Dumas, and donated by First State Bank of Stratford and North Plains Savings and Loan of Stratford were presented to David Miley and Jode Lasley, overall men's and ladies' winners.

A special thanks to Karen McMillion, Marsha Pronger, Terry Kennedy, and Joyce McBryde who served as time keepers and registration clerks.
