

Hammers Lose Bi-District To Plains

The Yellowhammers let the Plains Cowboys outplay them in the first half of the bi-district playoff at Big Spring Friday, and then sparked the game during the second half with brilliant football. They lost the tilt 36-14.

Although Rotan matched the Cowboys first down for first down, 15-15, and had the game's leading ground gainer in fullback Brittain, who netted 136 yards in 19 carries, they were outclassed by the Plains crew, who carried a 10.1 record into the regional round.

With senior quarterback Cordell Huddleston at the throttle, the Cowboys took a 30-0 lead before Rotan scored its first touchdown with 4:45 left in the third quarter.

Huddleston and Todd Baugh, junior son of Hardin - Simmons Coach Sammy Baugh, fought an aerial duel with Baugh completing 10 of 22 for 110 yards and a touchdown and Huddleston completing five of 13 for 100 yards and one tally.

Sophomore fullback Joe Don Marrow scored three of the five Plains touchdowns and senior right half-back Jim Williams added the other two.

Williams' 12 points brings his season total to 134.

Brittain scored both Rotan touchdowns, the first on a 47-yard dash up the middle and the second on a six-yard pass from Baugh on the final play of the game.

Jim Williams scored his two on a 36-yard pass from Huddleston and a 23-yard reverse, his only running play of the night. Marrow's most spectacular feat was running the second half kickoff back 82 yards for a touchdown. His other scores came on runs of seven and 19 yards.

Plains survived 93 yards of penalties, including a 10-yard pass interference penalty that set up the final Rotan TD. Rotan was hurt by three lost fumbles.

Marrow paced the Plains runners with 81 yards in 13 carries while left halfback Don Williams added 65 and 13.

Jim Williams caught three passes for 65 yards to pace the receivers. Halfback Lloyd Hurst led Rotan with three for 45, followed by end Teddy Roe Underhill with four for 33 and Brittain with three for 27.

Plains held Rotan to minus two yards on the opening series, then scored in three plays at Baugh's kick took a bad bounce and was killed on the Rotan 41.

On third down, Marrow raced for a TD from the 32 but it was called back because of clipping on the 19 and Plains was penalized to the 36.

Huddleston, faking slickly, passed to Jim Williams about the Rotan five and he went over with 9:15 left in the first quarter.

Rotan launched its only real threat of the first half, driving to the Plains' 18, largely on 19 and 13-yard passes from Baugh to Underhill. But a fourth down pass to Ap Garcia fell incomplete and Plains drove 82 yards in 13 plays for its second touchdown with 10:12 left of the second quarter.

Marrow collected 40 of the 82 yards in five carries, including the last seven for the score.

A fumble by Corky Taylor, recovered by end Harmon Meixner on the Rotan 18, led to the third Plains score. A backfield in motion penalty moved the Cowboys back to the 23.

Faking beautifully to Marrow, Huddleston handed off to right halfback Jim Williams, who headed for the east sideline then reversed his field and angled for 23 yards and a touchdown with 21 seconds left in the half.

Marrow further lessened Rotan's chances when he took the second half kickoff on its own 18 and raced 82 yards for the fourth Plains score. He headed up the middle for a short ways, then cut toward the west sideline and outran one lone Rotan defender for the touchdown with 11:48 left in the third quarter.

Deep in the third quarter, Rotan went 51 yards for its first score after freshman Donald Goodrum returned a punt to the Rotan 49. Hurst picked up four yards to the Cowboys 47.

Then Brittain, taking a nice hand-off from Baugh, burst through the middle of the Cowboy line and went all the way for the Yellowhammer TD with 4:45 left in the quarter.

A fourth-down gamble by Baugh from his own 35 led the final Plains score. Needing three yards for the first down, Baugh raced to the 40 and apparently had a first down, but he had stepped out back on the 36. Plains took over at that point.

Don Williams raced for nine yards, then went all the way to the Yellowhammer 19 for the first

Rotan, Fisher County, Texas, Thursday, Nov. 27, 1958

No. 45

Rest Home Bond Election To Be Held Saturday 29th

Hammers Make All-District Team

Several Rotan Yellowhammers were chosen on the All-District team following the close of play.

On the All District offensive team were Teddy Roe Underhill, end. Tackle Edward Patton. Joe Morrow, guard, backs Todd Baugh, and Bradley Brittain. Honorable mention in this group were backs, Lloyd Hurst and Carlton Taylor center Dan Shipp and Apolonio Garcia, end.

On All District offensive team were, Bradley Brittain, end; tackle, Jim Blount and line-backer, Joe Morrow.

player to make all district and show played to make all district and shows the hustling spirit of the Hammers throughout the season.

Cotton Harvest Reaching Peak

Cotton harvest has continued this week at a rapid pace, despite a few showers. Saturday was probably the peak day for harvest hands to be in town this season. Most of the day no parking room was available on any part of main street and stores were jammed practically all day.

Cotton pulling was slowed Wednesday, following the windy, cold front which moved into the area late Tuesday. A low of 30 degrees was reported Wednesday morning.

Heavy frosts last week killed practically all foliage, enabling gatherers to get to the bolls now, in addition to stalks now being ready for mechanical gathering, which many farmers will start soon. This was greatly speed up the harvest. The four gins had a total of 11,612 bales at noon Wednesday.

Chas. Adams Local ACC Fund Drive

ABILENE, Tex., Spl. — Charles M. Adams, minister of the Church of Christ in Rotan, has been named chairman of the Rotan campaign among friends of Abilene Christian College as part of a widespread drive to raise \$500,000 for the construction of a new classroom building.

The new building will be erected as a south wing to the Hardin Administration Building and will be designated as the Citizenship Center. In appearance, the south wing will match the Bible Building, erected by friends of the College in 1955 as a north wing to the administration building.

The proposed building will serve 717 students at one time and will contain about 20 classrooms, 48 faculty offices, and a closed-circuit TV system to be used in coordinating work of the Education Department. College officials say the building is a vital need in face of record enrollments the past five years. Current enrollment is 2456.

Rotan Band is selling Fruit Cakes for Christmas. Have you bought yours? Contact Mrs. C. J. Thornton, Mrs. E. R. Hughes, Mrs. C. U. Callan or Mrs. M. F. Garland.

Mr. and Mrs. E. W. Brumfield and two sons spent last week end with her parents, Mr. and Mrs. Bert Rushing.

Marrow sped through the whole right side of the Rotan team for the final 19 yards and the touchdown with 11:27 left in the fourth quarter.

Baugh intercepted a Huddleston pass on the Rotan 46 to initiate the final Rotan scoring drive.

A short five-yarder from Baugh to Underhill put the ball on the 25 and pass interference was ruled against Meixner on the Plains 15 on the next play.

With three seconds left on the clock, Baugh hit Brittain in the right corner for the touchdown and then he passed to Underhill for the two pointer.

Voters of Fisher County will decide Saturday if Fisher County is to have a Rest Home after the middle of December.

Reliable sources report that the present Home will be closed in December if some assurance is not available that an acceptable Home will be constructed in the near future. The present building will not meet State requirements and the establishment cannot operate without license from the State authorities.

Commissioners Court ordered the election held after being petitioned by more than 600 legal voters. A legal voter is "a resident property taxpayer, who has rendered property for taxes."

The bond issue is for \$75,000, which will construct a modern, efficient plant for the operation of such Home. There is heavy demand for services of these Homes, and they are proving beneficial and successful in all adjoining towns of the area.

North box No. 9 and 10 will vote at VFW Hall with Ivey Jones as election judge. Voting hours will be from 8 a. m. to 7 p. m. South box will be at City Hall with W. B. McKimney as election judge.

Many voters are taking the attitude that the issue will easily carry and it is not essential that they take time to vote — this is not the case.

Regardless of how you vote be sure to cast your ballot Saturday.

Response Good On Christmas Seals

At the end of the first week, following the mailing of the Christmas seals in Fisher County, the responses have been very gratifying. There has been a larger response than at this time last year both because of the number responding and the size of the contributions.

All people fully realize the seriousness of this disease, and many of them have evidently learned of the progress being made by the National T. B. Association in cures and prevention and want to have a part in the work.

If you have not already mailed your contribution, please do so now while it is on your mind so that Fisher County patients may continue to receive the needed treatment and that further research may be carried on.

Eastern Star Reception Held At Sweetwater

A reception was held Sunday afternoon at the Sweetwater Country Club, hosted by the two Sweetwater chapters of the Order of the Eastern Star, honoring Dr. R. O. Fuqua, recently elected Grand Associate Patron of Grand Chapter of Texas. This is the second highest office in Eastern Star in the state.

Eastern Star members from chapters over West Texas attended the reception. Among those from Rotan were Mrs. Phil J. Malouf, Grand Representative from Manitoba to Texas, who was in the receiving line; also Mrs. Fern Benson, Mrs. C. G. Campbell and Mrs. J. T. Smart.

Benton Yates of Albuquerque, N. M., came Sunday to visit his sister, Mrs. Ed Acker. Mr. Yates, 76 years of age, moved from here when a young man and this is his second visit here since leaving.

Primary PTA will pick-up papers December 3. If your name is not on the pickup list please call Mrs. Lee Decker, 4734.

Miss Mae Easterline and Mrs. Louise Shell of Pomona, Cal., spent last week here with their cousins, Mrs. Mary Grindstaff and Lou's Foy and their father, A. L. Foy. Mrs. Grindstaff, Mr. Foy and their guests visited in Comal and Abilene while they were here. Miss Easterline and Mrs. Shell left Sunday for Alexandria, La., to visit relatives and plan to visit relatives in Florida before returning home.

Santa To Be In Rotan Next Thursday

Rotan Chamber of Commerce in Cooperation with the Volunteer Fire Department is bringing old Santa to Rotan Thursday, Dec. 4th.

This will be the official opening of the Christmas season in Rotan and stores are expected to have their windows decorated and Christmas stocks displayed.

Santa will come to Rotan in the Big red Fire Truck and will be assisted by the Firemen and will have candy for every kiddy.

A program is being planned for the entertainment led by Yellowhammer Band.

Merchants of Rotan will start giving tickets with every purchase on Monday morning and continue until drawing time Thursday afternoon. Ten big, fat turkeys will be given to lucky folks whose names are drawn. You must be present to win.

Make your plans to attend the official opening of the 1958 Christmas season in Rotan.

Quarterback Club Continues Active Year

Quarterback Club saw film of the bi-district game played last Friday, at Monday night's meeting.

The game was re-hashed by the group and Coach Cummins discussed the game in addition to offering his thanks to the Club and all citizens for their cooperation during the past season.

Cummins announced that plans are in the making for an active track season, following basketball schedule.

The Club as well as the football squad has had a very successful season. Principal project of the Club was installing the modern electric clock at the football stadium, which was ready for Homecoming game.

Most Of Town Closed For Thanksgiving

Thanksgiving, an American holiday will be observed in various ways by citizens of this area. Most of the town will be closed as this was one of the 6 holidays chosen in the Chamber of Commerce survey made early this year.

No Thanksgiving services are planned in town and many citizens are going out of town to visit relatives, while others are just taking it easy, with a day of rest.

Rotan Schools are taking both Thursday and Friday as holidays.

Turkey Shoot Draws Large Crowd

The annual Turkey Shoot held at Clay Fowler ranch Sunday by the Junior Class and Fire Department raised \$829 for the two organizations.

Profits are divided by the two groups. The Juniors use their money in their general fund and the Fire Department use funds for the Christmas Fund.

5th Sunday Singing

Fifth Sunday Singing Convention will be held Sunday at 2:00 p.m. at McCaulley Baptist Church.

Everyone is invited. Eddie Williams, president.

Hospital News

Patients Admitted to the Callan Hospital from Nov. 19, to Nov. 25, are: Johnny Paul Cooper, Mrs. B. Clark, Mrs. V. Martinez, James Allen, Charles Ray Polk, Mrs. Irene Farmer, Hugh Huckaby, Mrs. Sallie Helms, Dora Garcia, Hortencia Garcia, Irma Garcia, Mrs. J. D. Peel, Mrs. E. W. Woodson, C. C. Overby, Mrs. Clay Coggins, Mrs. Jennie Poone, Mrs. Obed Hughes, Mrs. George Young.

Out of town patients are: Mrs. J. A. Kidd Jayton; Mrs. J. E. Mason, Hermleish; Mrs. J. B. Metcalf Aspermont; Anseline Reyna, Robstown; Tom Taylor, Hamlin; Woodruff; Mrs. Lorenzo Torres, El Paso; J. A. Burk, Robstown; Moore, Roby; Viola Burk, Roby; Mrs. Floyd Prisco, Hamlin; Mrs. Lou Lopez, Tishon. A boy was born to Mr. and Mrs. Lorenzo Torres, November 24, of El Paso, Texas.

Sheriff Posse Completes Annual Convention Plans

Deer Hunters Bring In Nice Bucks

Several parties of deer hunters were after bucks last week end. The first brought in was a big 9 point buck which Leon Duke got in Coke County, near Bronte. Another big buck was killed close to home—Mack Lauderdale got a nice one in Kent County.

George and Melton Field hunted two days near London in Kimble county, bringing in a large 8 point buck. Dee Reece and Fred Wholan hunted two days on Llano river in Kimble county.

Dr. and Mrs. C. U. Callan, and Mr. and Mrs. Hooper Shelton spent Friday and Saturday hunting in the Lower Canyon country of Edwards county. They got an eight point buck.

Several parties are planning to hunt this weekend, and conditions should be much better with cooler weather. The warm, windy weather since season opened has greatly hampered hunters.

Father of Mrs. Armstrong Dies

Gus Mueller, 71, retired farmer of Stamford, suffered a heart attack in his home in Stamford early Friday morning and was dead on arrival at the hospital. He was the father of Mrs. Lorene Armstrong, of Rotan, whose husband is a teacher in the Rotan schools. Rites were held Sunday at 2:30 p.m. in St. Paul's Lutheran Church at Sagerton. Burial was in Highland Cemetery.

He is also survived by his wife eight sons, his daughter here, two brothers, three sisters, 22 grandchildren and three great grandchildren.

He was born at Walburgm Williamson County, March 27, 1887, and married Minnie Helm Dec. 17, 1910 at Sagerton. They moved to Stamford in 1947.

Hobbs 4-H Meets

The Hobbs 4-H Club Girls met Nov. 20. The officers are President Janice Hodges, vice-president Lola Horrell, secretary and treasurer Charlotte Maule, County delegate Carol Ann Walker is the Foods Demonstrator and Dolores Groves bedloom.

Governor Proclaims Christmas Seal Days

GOVERNOR PROCLAIMS CHRISTMAS SEAL DAYS — Governor Daniel proclaimed Christmas Seal Days from November 14 to December 24 as he viewed Designer Alfred Guerra's original drawing for the 1958 seals. Mr. Guerra, a former San Antonian who now lives in New York, submitted the winning design for the seals in nationwide competition. In the proclamation, Governor Daniel said, "Throughout most of the world tuberculosis remains an mankind's chief fatal disease. Modern drugs, medical science and better living conditions . . ."

President H. L. Davis called a special meeting of posse Friday November 21 to complete plans and make program for the April Spring Roundup of Sheriff's Poses and Riding Clubs. All details have been worked out and the program has been arranged and ready to be printed.

O. R. Clark National President will carry the program to the National convention to be held in Wichita Falls December 5 and 6. Everyone at the convention will receive a program of the Roundup and given a special invitation to attend the festivities of the Roundup. Letters will soon be mailed to every Sheriff's Posse and Riding Club secretary requesting the names and addresses of their members. They will receive a program and invitation to attend the Spring Roundup.

The club is putting forth great effort and giving much of their time to making this event one of the largest and best that has ever been held.

The Ladies Auxillary also made plans for a Christmas party for the Possee to be held in the Fisher County Community Center December 11. Each member is requested to bring a guest and his entire family.

Services For Infant Held At Post

Graveside funeral services for Robert Stephen Smith, stillborn son of Mr. and Mrs. Robert Smith were conducted at 4 p. m. Tuesday in Terrace Cemetery at Post.

Rev. C. B. Hogue, pastor of the First Baptist Church, officiated. Burial was under direction of Mason Funeral Home.

Besides his parents, the infant is survived by his grandparents, Mr. and Mrs. James H. Smith of Spur and Mr. and Mrs. A. Branscum of Rotan.

Firemen Asking For Used Toys

The Fire Department is asking citizens to donate any toys that may be repaired for unfortunate children this Christmas. These toys may be left at the City Hall. The Firemen will repair and use these in their Christmas project.

Mr. and Mrs. Perry Eaton went to Galveston Tuesday, where he will have treatment.

DPS To Work Overtime On Thanksgiving Weekend

Major Wilson E. Speir, Regional Commander, Region 4 of the Texas DPS announced today that special holiday traffic assignments will be in effect during the Thanksgiving Holiday Week-end in an effort to hold down motor vehicle traffic accidents and to facilitate the movement of traffic on our rural highways during the Thanksgiving holiday period.

In order to utilize the manpower and equipment of the Department of Public Safety all personnel of the License and Weight, and Motor Vehicle Inspection Services will be assigned traffic duties to augment the manpower of the Highway Patrol during Thanksgiving week-end.

All holiday leaves and days off duty have been canceled and all personnel will work during the peak hours of traffic. Radar will be pressed into use extensively in an attempt motorists to be aware of the holiday to control speed.

Major Speir said, "We want our hazards, and solicit and cooperation of all in making this holiday one of Thanksgiving and not one of tragedy."

Natl. Girl Scout Official In Area Soon

Miss Oleda Schrottky, a member of the national field staff of the Girl Scouts of the U. S. A., will be in the West Texas Girl Scout Council on December 1 and 2 to assist Girl Scout Councils in this area in building strong community relations and interpreting the organization's goals, purposes, and program to groups both within and without Girl Scout membership.

Miss Schrottky will give a workshop in dramatics from 10 a. m. to 3 p. m. at the Coca-Cola Bottling Company auditorium in Abilene on Monday, December 1, and a workshop at the Woman's Club in Snyder from 10 a. m. to 3 p. m. on December 2. She will speak to our Board of Directors at our evening meeting on December 2. Bring a nosebag lunch to the Abilene workshop; in Snyder lunches will be served at \$1.25 per plate.

In the past few years, Miss Schrottky has talked in all parts of the country to more than a million people representing national, regional, and local organizations such as the Parent-Teachers Association, men's service clubs, women's clubs, American Legion Auxiliary, and adult Girl Scout groups.

In the opinion of Miss Schrottky, the building of a better world is made not by statesmen alone, but "by means of a way of life based on ideals developed in young people through guidance by parents and community-minded leaders."

"Children cannot be exposed regularly to ethical principles as are required for membership in organizations such as the Girl Scouts without learning fundamental lessons that contribute to the growth of character, better mental, moral,

The Rotan Advance

Thursday, Nov. 27, 1958 No. 45

and physical health, and happier human beings," she declares.

"Young people loyal to ideals even over a short period are bound to absorb some good sense, love of beauty, and spiritual strength to help them become responsible citizens."

A native of Appleton, Wisconsin, Miss Schrottky attended Lawrence College, the University of Minnesota, and New York University. She also studied with Yvette Guilbert, monologist and raconteur. Prior to joining the national Girl Scout organization she taught speech and dramatics at Mount Holyoke College and had a stage career.

A pioneer in the field of creative dramatics for children, Miss Schrottky has trained thousands of Girl Scout leaders in creative dramatic programs for children. She also has directed many community-wide pageants and festivals in which parents and other adults participated.

HOLY AND REVERAND IS HIS NAME.

Concerning God, David said, "Holy and reverand is His name." (Psalm 11:9). The word "reverand" is about one of the most misused and abused word known. Some men in their vanity and desire for prominence will place it before their name thinking it is the correct thing to do, and in so doing they display a ludicrous estimation of themselves. They have never learned that title such as this, which is applied only to God, should be allowed to remain in the Holy environment where they were placed. When some men and some women, call themselves preachers, snatch this title away and apply it to themselves, it is nothing short of taking the holiness from God's name, and in so doing, lessen the respect that men should have for God.

No person who is a Christian desires to take away from any man the respect that is due him, also no man is worthy to be held in reverence. One day some people came to Jesus and called Him, "Good Master," Jesus said, "One is good, and that one is Good." The word they used referred to God and that is the word Jesus used. What He said was, "If you use that term you speak of God." It was not wrong to call a man good, but He did not want them to use the term that acknowledged God on a human, or on the level of a man.

Jesus says, "... be not called Rabbi: for one is your Master, even Christ ... and call NO MAN YOUR FATHER UPON THE EARTH" and here is the reason: "For ONE is your Father, which is in heaven." (Matt. 23:8,9).

The title "reverand" should never be used in speaking of a man because the title belongs to God. For a person to take unto himself this title is to show a disrespect of God's word. For a person to address men as "Reverand," "Father" or "Rabbi" is to show a woeful lack of Bible knowledge. "Call no man Father." (Matt. 23:9).

Baptist Circle Holds All-Day Meeting

The Lena Lair Circle of the First Baptist Church met Monday in an all-day meeting with Mrs. J. C. Parks. A covered dish luncheon was served at the noon hour.

Mrs. H. D. Black reviewed "Into a New World" by J. Winston Crawley. Those attending were Mmes. A. A. Tillotson, Martha Carter, Ed Darden, W. C. Denton, C. C. Roach, Black and Mrs. Parks.

Dr. Stanley Gilbert, Mrs. Gilbert and children of Dallas, visited her parents, Mr. and Mrs. H. T. Fillingim, Saturday.

WCS Meets In Grindstaff Home

The home of Judge and Mrs. H. F. Grindstaff was the place of meeting of the W. S. C. S. Monday afternoon. The meeting was opened with prayer by Mrs. J. W. Porter. A short business session was conducted by the president, Mrs. Clarence Huckaby. Because of the conference in Hamlin next Monday, there will be no meeting of the W. S. C. S. next Monday, but will meet Monday afternoon, Dec. 8 at the church.

Mrs. Cecil Ottinger gave a very interesting review of the meeting at the Spiritual Retreat held at Butman Camp Tuesday and Wednesday of last week. A Thanksgiving experience was given by Mrs. W. A. McCright and Mrs. J. W. Porter. Mrs. J. T. Smart concluded the program with the devotional.

The home was beautifully decorated with cut flowers. Centerpiece for the lace-laid table was a horn of plenty overflowing with flowers. The Thanksgiving theme was also used in decorations for the napkins. Mrs. Grindstaff served hot spiced tea, sandwiches, pumpkin pie topped with whipped cream, and nuts to several guests, Mrs. Mary Grindstaff, Mrs. C. E. Leon, Mrs. H. L. Davis and Mrs. Ruple Morrow, and members attending were Mmes. Ottinger, Alvin Clark, Joe Kiker, Clarence Huckaby, J. T. Smart, Homer Aaron, L. H. Burrow, W. A. McCright, Nancy White, W. A. Rives, W. A. Shope, J. W. Porter, C. R. Polk, Edna Colwell, R. T. Williams and Phil J. Malouf.

Eddie and Linda Williams and H. L. Dycus received words Monday of the death of their Uncle Mr. E. T. Pickney of Gentry, Ark.

J. A. Brown Dies At Home of Son

James Albert Brown, 81, retired Fisher County farmer, died at the farm home of a son, four miles northeast of Roby, about 1:30 a.m. Tuesday. His wife found him dead when she got up.

Born Aug. 9, 1877, in San Saba, he moved from Del Rio to Sweetwater in 1898 and on to Fisher County about two years later. Mr. Brown married the former Effie Rushing Dec. 27, 1903 in Fisher County.

He had been a member of the Methodist church since childhood. Funeral will be held at 2 p.m. Thursday in Weathersbee Chapel at

Rotan with the Rev. Cecil Ottinger, pastor of the First Methodist Church of Rotan, officiating. Burial will be in Roby Cemetery.

Survivors include his wife of Roby; four sons, Lester of Roby, W. T. of Odessa, Newell Ely of Button Willow, Calif., and Milton of Tacoma, Wash.; six daughters, Mrs. Finley Rogers of Roby, Mrs. O. W. Grimes of Odessa, Mrs. P. D. Skidmore of Trent, Mrs. H. G. Barnette of Kingsville, Mrs. E. S. Arnold of San Diego, Calif., and Mrs. C. E. Barnett of Portales, N. M.; two brothers, Ernest C. Brown of Marathon and Bruce B. of Rankin; and 13 grandchildren.

Mr. and Mrs. W. M. Joplin are

State Patrolman Exams To Be Given Jan. 20

Future patrolmen of the Texas Department of Public Safety will

be selected Jan. 20 throughout Texas in examinations to be given young men between 21 and 35 years of age.

In announcing the date for the

selection exams, Col. Homer Garrison, Jr., director, said approximately 170 vacancies now exist in the ranks of the Texas Highway Patrol. He said applications will be accepted until Jan. 12.

Young men interested in these important positions may obtain detailed information from DPS offices located in Austin, Waco, Dallas, Houston, Corpus Christi, Midland and Lubbock. Any officer of the Department of Public Safety and the Texas Employment Commission will talk to you at length concerning the interesting jobs.

New patrolmen will draw \$300 per month while training and will live in the modern Law Enforcement Academy in Austin throughout the training period. At the completion of the formal schooling, new patrolmen will work with experienced officers during their first assignment.

Employee benefits for patrolmen include annual vacations, sick leaves, a modern retirement program, low cost insurance, new uniforms, travel expense, holidays, longevity pay and promotion opportunities.

Persons applying must have a high school education, be between 21 and 35 years of age, weigh not more than two or more than three pounds per inch of height, between 68 and 76 inches tall, physically sound and of good normal character.

State Institutions Need Deerhide For Workshop

Austin, November 25 — Deerhides to be tanned into buckskin for state hospital patients' use began piling up at the Austin Taxidermist Studio in the first week of the hunting season. Cooperation of locker plant operators is credited with the accelerated collection.

Sponsored by the Volunteer Services Council for Texas State Hospitals and Special Schools, the annual collection provides soft leather from which patients fashion such items as purses, gloves, mocassins and billfolds. Previously designated for tuberculosis patients, a sufficient supply is being sought this year for all the hospitals and special schools, according to Mrs. Malcolm Gregory of Austin, Volunteer Council Chairman.

"We're optimistic, too, that it can be done," Mrs. Gregory said, "because this year the Texas Independent Meat Dealers Association has endorsed this project and is asking its locker plant and meat industry members throughout the state to accept and ship the hides to Austin where L. M. Rathbone, Austin Taxi-

The Rotan Advance

Thursday, Nov. 27, 1958 No. 45

dermist, cures and stores them for tanning at the end of the season."

Motor freight lines for several years have hauled the hides without charge when they are marked "charity" and consigned to the Austin Taxidermist Studio, 2708 Fredericksburg Road, Austin. For the past two years, Air Force Reservists have utilized a West Coast training mission to transport the collection to the tannery in San Francisco.

Sportsmen's Clubs of Texas give "tremendous assistance" in reminding hunters to donate the deerhides, the chairman said, and state game officials have "repeatedly endorsed it as a conservation measure."

TELEPHONE TALK

by Truman Black, Manager

"They Said It Couldn't Be Done"

Engineers at Bell Telephone Laboratories had a problem. What happens to telephone cables placed two miles deep in the ocean? Well, one way was to put cables down there — then pull them up and find out. But that was expensive — so the slide rule boys just decided to build their own ocean at Chester, New Jersey. The cost was 75% cheaper than placing cable in the Atlantic and then dragging it up to see how it took the wear and tear of the sea. This man-made ocean is the only one of its kind in the world. Now Bell Laboratories scientists will be able to study cable "aging", the tiny changes in electrical characteristics which occur as the tele phone cable rests on the ocean floor. The result will be better overseas telephone service for our customers.

Holiday Get-Together By Phone

With Thanksgiving at hand, many people I know are planning a long distance call to family members living out of town.

If all the people in your family won't be with you in person for turkey and all the trimmings, let a telephone call wipe away the miles and still make it a "family day".

After all, a long distance "voice visit" is the next best thing to being together. Why not plan now to make your call Thanksgiving Day?

"Strange Case of the Cosmic Rays"

The fascinating story of how scientists tracked down the mysterious cosmic rays will be told in a Bell System science show coming your way on TV on Sunday, November 23.

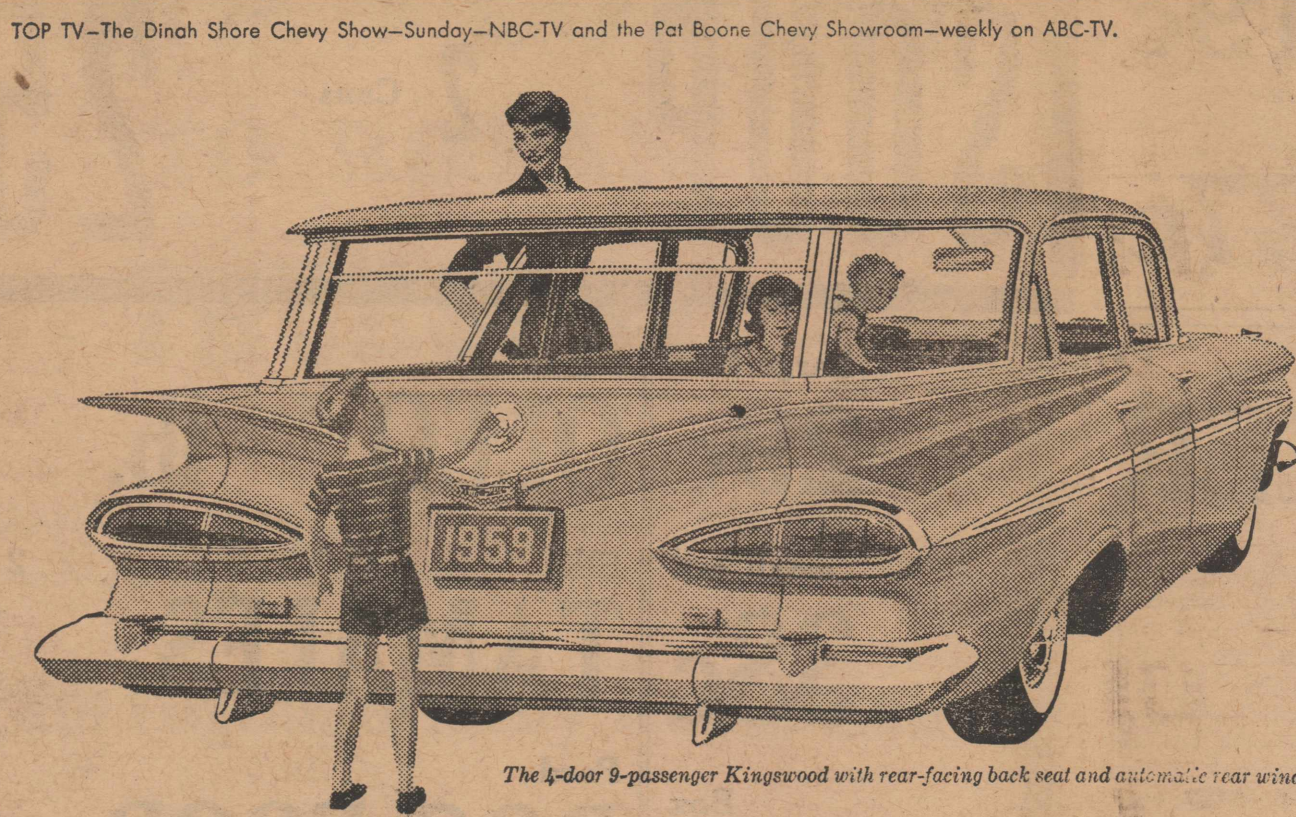

"The Strange Case of the Cosmic Rays" was first tele cast last year. Today, this program should be even more timely with television viewers, since one of America's satellites spinning around the earth carries special sensitive devices to record these cosmic rays.

Starring Dr. Frank Baxter in the role of the "Scientist" and Richard Carlson as the "Writer", this Bell System science program is another in the series designed for family entertainment.

"The Strange Case of the Cosmic Rays" will be telecast cast over Channel 9 at 5:00 P. M., November 29th, Saturday.

Call by number. It's twice as fast.

THIS IS THE ONE FOR WAGONS! 1959 CHEVY

Chevrolet's five stunning new station wagons for '59 are shaped to the new American taste with fresh, fine Slimline design. And they're beautifully practical — with roomier, quieter Bodies by Fisher, an even smoother ride, new ease of handling!

Wagons were never more beautiful or dutiful. From low-set headlights to wing-shaped tailgate, these '59 Chevies are as sweet looking as anything on wheels. They're just about the handiest things on wheels, too—from their overhead-curving windshield to their longer, wider load platform. Besides additional cargo space, you also get added seating room (4 inches more in front, over 3 inches in back). And you'll find such other practical advantages as new easy-ratio steer-

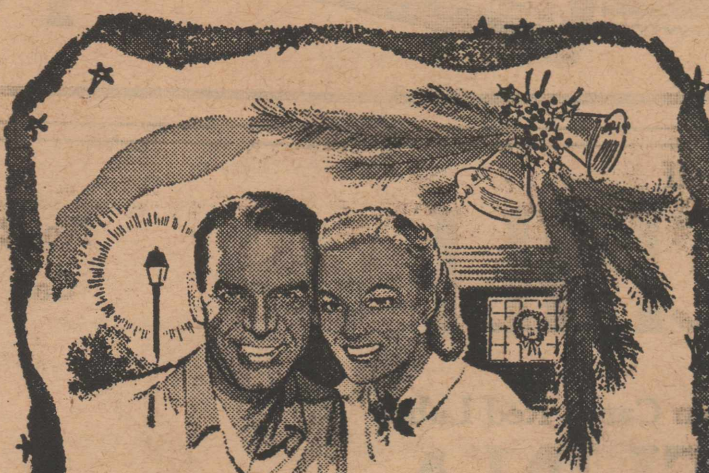

ing, Safety Plate Glass all around, bigger, safer brakes, smoother-than-ever Full Coil suspension and a roll-down rear window (electrically operated as standard equipment on the 9-passenger Kingswood). Your dealer's waiting now with all the details on why this year—more than ever—Chevy's the one for wagons.

Mrs. Terrell Entertains Baptist Workers

Mrs. W. L. Terrell entertained workers of the extension department of the First Baptist Church in her home Wednesday evening, Nov. 19.

The traditional Thanksgiving theme was carried out in room decorations. The dining table was covered with lace over yellow satin, with a centerpiece of fall flowers combined with fruit, flanked by yellow candles in crystal holders. The buffet held an arrangement of fruit, dried leaves and pods.

Mrs. Terrell served fruit cake with whipped cream topped with a cherry and hot spiced tea to Mrs. J. A. Brown, Mrs. C. C. Roach, Mrs.

J. M. Jackson, Mrs. C. E. Leon, Mrs. Ed Darden and Mrs. J. C. Parks.

Calendar Club Met With Mrs. Hill

The Calendar Club met in the home of Mrs. Joyce Hill, Nov. 25 at 3:30 with Mrs. Melba McCall as co-hostess.

The meeting was called to order by the president, Mrs. Betty Helms. Minutes of the previous meeting were read by Mrs. Lewana Graham. The Christmas party was discussed. Time and place decided were Dec. 11 at 7:30 p. m. in the home of Mrs. Jane Callan.

The program was presented by Mrs. Jane Callan who showed a

film titled "Head of the House". It showed how the environment of a home can affect the behavior of a child.

Members present were: Joyce Hill, Emilee Sumerlin, Eva McKimmey, Jane Millender, Annie Weems, Tennie Cade, Sue Cade, Betty Helms, Barbara Woods, Jane Callan, Peggy Leonard, Frances La Bleu, Sue Cleveland, Kitty Cummins, Pat Watkins, Melba McCall, Colleen Burroughs and Lewana Graham. Pat Kelley was a visitor.

Mr. and Mrs. Fred Byerly Jr. and children of Lubbock, and Lynn Byerly, a student at McMurry, visited their parents, Mr. and Mrs. Fred Byerly Sr. Sunday.

FB Elects Officers In Tuesday Meeting

In the Farm Bureau meeting Tuesday night, a resolution was made concerning stand on the Bond election for the Rest Home. The resolution is:

The Texas Farm Bureau, of which Fisher County is a part, being a nonpartisan and non-political organization does not favor taking definite stand on Bond Issue of the County Rest Home. However, we do urge each individual to investigate the issue and vote their sentiments.

L. D. Singley was re-elected the County Organized C. C. Carter was elected first Vice to succeed Mr. Sterling Willingham. George T. McBeth was chosen second vice-president. L. R. Weems was re-elected Treasurer. The secretary is elected for 2 years and was not up for election this year. Mrs. C. C. Carter is secretary.

The regular meeting of Fisher County Farm Bureau is the last Tuesday in each month. All Farm Bureau members are invited to attend all meetings.

HD Club Holds Thanksgiving Luncheon

The Home Demonstration Club had their annual Thanksgiving luncheon and program in the home of Mrs. W. L. Terrell Friday, Nov. 21.

Guests were served buffet style from the damask-covered dining table centered with an arrangement of marigolds and fruits, flanked by yellow candelas in crystal holders. Mrs. C. G. Campbell gave the invocation, and they were seated at foursome linen-covered tables. The menu consisted of baked chicken, dressing and all the trimmings.

Business was attended to and an auction sale of aprons, pillows and gifts that the club ladies had made, the proceeds going into the club treasury.

The next meeting will be Friday, Dec. 5, with Mrs. Richard Ray with a Christmas tree and program.

Those enjoying this lovely affair were Miss Alice Kemp, H. D. Agent, Mmes. C. A. Ragan, L. E. Wright, Champ Clark, Vernon Frazier, Homer Aaron, Richard Ray, C. G. Campbell, Barney Bigham, C. C. Roach and W. L. Terrell.

Former Resident Dies In Roby

W. T. Rhodes, 72, retired grocery clerk, was found dead at his home here early Sunday morning. Death apparently had occurred Saturday night.

The body was discovered by O. B. Smith, who was taking the morning paper to Mr. Rhodes. He had instructions from the family to check if Mr. Rhodes failed to answer the door.

Mr. Rhodes was employed in the Young Grocery Store, Roby from 1932 to 1951. Prior to that he had worked for a drug store in Rotan.

Born May 3, 1886 in Charleston, Texas, he moved to Rotan in 1919.

Funeral was held Monday at 3:00 p.m. in Weathersbee Chapel in Rotan with the Rev. Fred Blake, pastor of First Baptist Church in Roby, officiating. Burial was in Roby Cemetery.

Pallbearers were R. L. Wilkins, J. B. Hughey, Horace Curlee, Bus Rollans, Robert Buck, J. P. Davis, J. D. Pope and John Palmer.

Survivors include two sons, Sammy A. and W. T. Jr., both of Sweetwater; one daughter, Mrs. Wayne Winger of California; six brothers and two sisters, and three granddaughters.

To All Democrats In Fisher County

In the last July primary we elected as U. S. Senator that matchless, loyal Democrat, Ralph Yarborough to represent us in Washington for the next six years. But this good victory left Senator Yarborough in debt in the sum of forty thousand dollars. We feel that all good Democrats should be given an opportunity to donate what they can. Fisher County's part is only \$150.00. We have already collected about \$50.00 and need \$100.00 more. Please see the following persons Johnny Ammons and Oddis Brown in Roby. Mrs. R. R. Gray, Juston Morrow or Cecil Lotief in Rotan and lets send our good Senator to Washington free of debts.

Thanks, Cecil Lotief.

Mrs. Eva Lee Williams of Prescott, Ariz., came Sunday to visit her sister, Mrs. Lynn Adams, Mr. Adams and other relatives here. The family is planning a family reunion.

Guests in the home of Mr. and Mrs. Robert Hargrove Sunday were a group of relatives, Joe Mac Hargrove of Stamford, Mr. and Mrs. Will Hargrove, Mrs. Lillie Underhill, Mr. and Mrs. Tom Hargrove,

Mr. and Mrs. Bobby Smith and baby, all of Rotan.

Mr. and Mrs. J. O. Roberts visited his mother, Mrs. J. O. Roberts Sr. in San Antonio last week end.

LET US GIVE THANKS FOR OUR BLESSINGS

FREEDOM FROM WANT

Our Country produces more than we can consume.

FREEDOM FROM FEAR

No secret police knock on our doors at midnight.

FREEDOM OF WORSHIP

In America we attend the church of our choice.

FREEDOM OF SPEECH

We may voice our opinions without fear of censorship.

FREEDOM TO GOVERN

Every American citizen may cast his ballot in secret.

In This Wonderful Land We Have So Much To Be Thankful For

The abundance and security that are ours in America today were fought for and won at great price. Let us never lose sight of our freedom. Let us not be complacent in our great bounty.

Let us keep America a land for which Our children will still give THANKS!

H. L. Davis & Co.

Thanksgiving Day

We give thanks—

For living in America.

For the priceless heritage of American freedom.

For being privileged to follow individual religious preferences.

For the opportunity to work in whatever job we choose.

For the right to speak our minds without fear of reprisal.

For wages which permit the highest living standard in the world.

For a bountiful supply of food and clothing.

For a work day which provides many hours for relaxation.

For the scientific progress of our nation.

For the unity of purpose evident in America when calamity threatens.

For the democratic system of the American people that keeps our wheels of progress turning.

For the free-will cooperation of labor to produce the goods required by our nation.

For our business relations with everyone.

For the valued opportunity of doing business with you.

For these and all other blessings.

—we give thanks!

NEWS

from your
County
Agricultural Agent
Texas A. & M. College
Extension Service

How farmers vote in the cotton marketing quota referendum to be held throughout the Nation's cotton-growing area on December 15 will determine whether quota penalties will apply, the kind of allotment program in effect, and also the level of price support for 1959-crop cotton. The referendum therefore is of vital concern to every cotton grower, says Searcy M. Ferguson, Chairman of the Texas Agricultural Stabilization and Conservation Committee.

The marketing quota program will be in operation for next year's crop, the chairman explains, if at least two-thirds of the votes cast in the referendum are in favor of the program. In that case, farm operators will have an opportunity to elect a choice between (A) complying with their "regular" farm allotments — with price support available at not less than 80 percent of parity for the 1959 crop of upland cotton% or (B) complying with an increased farm allotment 40 percent larger than the "regular" farm allotment — with support at a level 15 percent of parity lower than under the first choice; quota penalties will apply to any cotton produced in excess of the chosen allotment.

If more than one-third of the votes are against quotas, there would be no quota penalties, only the "regular" allotments would be available, and the price support level to eligible growers would drop to 50 percent of parity.

All farmers who were engaged in the production of upland cotton in 1958 will be eligible to vote in the referendum.

The referendum will be held between the hours of 8:00 a.m. and 6:00 p.m. on Monday, December 15.

Profitable farming today not only requires adequate machinery and equipment to make labor most productive, but it also requires a balance between the capital invested and the labor which goes into the

farm business.

It has never been more true that "you must spend money to make money" It is possible, however, to spend money without adding to income. At the same time, many farmers can profitably spend more for machinery, especially if they can increase their volume of business and lower their cost per unit of product. The big questions farmers should ask themselves are:

1. Which costs should I increase and which should I cut?
2. Which costs can I cut that will not cut my income?
3. Which machines, if any, are not essential for my farm business?

The Texas Agricultural Extension Service has released a bulletin that will help answer these questions. It discusses factors to consider before buying machinery, how to cut machinery costs, selecting a machine, when to trade, along with cost-cutting tips and other related topics. Cecil Parker, farm management specialist and W. L. Ulrich, agricultural engineer, are the authors.

The publication is available from local county agents or their offices.

Small grain producers lost an

The Rotan Advance

Thursday, Nov. 27, 1958 (No. 45)

Jim (Bigham, Airman 2c, Mrs. Bigham and son Kyle came Sunday to spend several days with his parents, Mr. and Mrs. Barney Bigham. Jim has just recently returned from Turkey, where he spent a year, and Mrs. Bigham and the baby stayed with her parents in Farwell.

Mr. and Mrs. Ted Patton and Carlene of Lubbock, visited his father, Roy Patton, Sunday.

THE HARD WAY

Misfortune may be a good teacher, but a man is fortunate if he can learn his lesson without her.

estimated \$15,471,000 due to plant diseases in 1958. Harlan Smith, extension plant pathologist, said rusts accounted for most of the losses but that blight and smuts also were of considerable importance. A combination of seed treatment and crop rotation can reduce these losses and small grain varieties with resistance to the diseases should be planted in areas where adaptable.

TAX DISCOUNT NOTICE

THE SAME DISCOUNT WILL APPLY THIS YEAR AS LAST, ON EARLY PAYMENT OF SCHOOL TAXES

The following will apply:

Saturday

FOR THE CONSTRUCTION OF A

REST HOME

IN ROTAN

Fisher County will not have a Rest Home if the Bond Issue is not voted, as the present Home will close next month if the issue should fail.

It will take your vote and your neighbors vote to assure Fisher County a Rest Home.

To vote for the bond issue leave the "For" paragraph and scratch the "Against" paragraph.

Here's the ballot you will vote:

UNOFFICIAL BALLOT

Vote for the expression of your choice by scratching or marking out the other expression

FOR THE ISSUANCE OF BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF

AGAINST THE ISSUANCE OF BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF

About Your HEALTH

A weekly public service feature from the Texas State Department of Health. HENRY A. HOLLE, M. D., Commissioner of Health.

If you're looking for something to be thankful for in these ominous times, consider this:

More than one-half million Texas babies were born hale and alert during the two year - period between September 1956, and August 1958. That adds up to an average of some 685 new babies per day.

For the same time period 147,000 Texans died — representing a ratio of more than three births for every death, a fact clearly worth being thankful for.

The figures are revealed in an advanced look at the State Health Department's biennial soon to be published.

The excess of births over deaths during the two years added some 360,000 people to Texas' population. That increase, together with the influx of newcomers now making their homes in Texas, swelled the population past the 9.2 million mark.

Since 1936, infant deaths during the first year of life have dropped from 71 per one thousand, to less than 30 per thousand today. And during that same period, maternal deaths have been cut from 6.9 per thousand to less than 15 so far this year.

The past biennial also produced these developments:

Some 115,000 Texans, whose births were not registered at the time, found it necessary to file delayed certificates of birth through probate courts to prove age, parentage, and citizenship. Most of these births occurred prior to 1903, the year the Texas vital statistics law was passed to require birth and death registration.

Nine hundred persons changed their names during the two-year period, and court-ordered amendments to birth certificates were duly attached.

Almost a quarter of a million people asked for certified copies of their birth records. Just to process these requests required more than 550,000 tips to the files which now contains more than 11,370,000 records of births and deaths.

And finally, since marriage of the parents of an illegitimate child subsequent to its birth legitimates the child, 1,750 new birth certificates based on legitimations and paternity determinations were prepared and filed.

If being able to prove age, parentage and citizenship isn't worth being thankful for, nothing is. (A weekly public service feature from the Division of Health Education, State Health Department.)

ACC Reunion Parties To Be Held Around The Entire World

ABILENE, Tex., (Special) - The Abilene Christian College Alumni Association has announced reunion parties around the world and throughout the United States for Dec. 31, 1958.

The gatherings will be of exes, students, parents, and friends of the College and will be called "Purple and White Parties", after the school colors.

Robert D. Hunter, Director of Alumni Relations, said that tape-recorded programs will be sent from the College to every party, and that some speakers from the College also will be available.

The ACC Alumni Office will assist local host communities by mailing out invitations and party information. Local party hosts also get information about parties in the Alumni News publication provided this news is sent in to the magazine staff before Dec. 1, 1958.

This program of annual Purple and White Parties was voted unanimously at Homecoming, Nov. 1, by the Executive Board of the ACC Alumni Association to reunite exes, parents, students, and friends of the College on the same night in as many cities as possible around the world.

Hunter has requested that persons desiring to have such a party contact him for information care of Box 507, ACC Station, Abilene, Texas.

Complete satisfaction with himself for having attained the height is the successful man's first step down hill.

Success comes to the man who makes the greatest profit from the fewest mistakes.

Important Cotton Meet In Houston Dec. 17-18

Houston, Tex. - (Special) - What special weather service are available to the farmer? And how can a farmer successfully use weather information in cotton production?

These are among the questions to be discussed by two speakers at the Beltwide Cotton Production Conference at the Rice Hotel here, December 17-18. Some 800-900 scientists, educators, researchers, and members of the cotton and agricultural chemical industries are expected to attend.

Discussing "weather forecasting for agriculture" will be Paul Kutschenreuter, special assistant to the U. S. Weather Bureau in Washington. He will outline the Weather Bureau information and services now available to farmers and discuss the possibilities for their expansion and improvement.

The practical side of the subject will be given by Earl C. Ewing, Jr. of Delta and Pine Land Co., Scott, Miss. He will tell how weather information is obtained and used in the cotton production operation of that organization.

The production conference is being sponsored by the National Cotton Council in cooperation with farm organizations, Cotton Belt land - grant colleges, agricultural chemicals industry, U. S. Department of Agriculture, and other groups.

ADVANCE WANT ADS PAY.

The Driver's Seat

It probably was Davy Crockett, a man famous throughout Texas and shrewd beyond his time, who once defined a horse as a creature more sensible than the human being because, whereas people pay to see a horse race, horses never pay to see human race being run on Texas roads and anywhere today is that by the so-called Four Horsemen of the Highway — Speed, Alcohol, Pedestrian Mistakes, and a dark horse called Night Driving after drinking, and careless pedestrians have long been recognized as leaders in the annual injury and death race on the highways. Only recently have safety organizations, traffic officials and the general public become aware that night driving dangers are probably the single biggest highway crash cause of all.

Speed violations were a factor in 38 per cent of last year's 38,500 traffic deaths, according to National Safety Council tabulations. A drinking driver was involved in 30 per cent of all fatal accidents. Erroneous pedestrian actions such as crossing against signals, crossing in mid-block, and walking in the roadway accounted for 16 per cent of all traffic deaths last year.

But far out in front of the pack is night driving danger, a factor in 54 per cent of all traffic fatalities last year. For every four drivers killed on the highway in daytime, 10 are killed at night.

What can be done to put this dark horse out of the running? Speed crackdowns, heavy law enforcement, and public education may suffice for the first three factors, but no one can stop the sun from setting nor make a driver's eyes see better at night.

Highway officials and traffic safety experts are urging that, if drivers' eyes can't be improved, the

dangers be made more visible. They are putting up reflective markers and signs that give better warnings of hazards after dark. In some areas they are putting in huge lighting projects, although these are expensive and limited by highway budgets.

Where possible, they are enacting legislation that will require motorists to slow down at night.

In brief, they are taking all possible steps to reduce the nighttime fatality rate, which is now the single

biggest cause of deaths on the highways.

Night driving danger will be a dead horse when efforts such as these to improve the track for motorists become standard practices on every course.

Save yourself useless worry by letting others worry about their own affairs.

Political extremists generate far more heat than light.

Children Cause Many Accident Around Home

The No. 1 hazard in the kitchen isn't a sharp knife or a hot burner. "It's children," the National Safety Council says. "Children underfoot in a kitchen can cause all sorts of trouble."

"They have a habit of leaving marbles, crayons and toy trucks here and there on floors. Such objects on the kitchen floor are booby traps when Mom tries to carry a pan of hot liquid, for example, across the room. She may fall, spilling the liquid on herself or someone else."

The kitchen, the Council says, is the third most dangerous room in the house.

How can you make your kitchen safer?

1. If possible, keep children out of the kitchen. If not, teach them to stay away from cords, appliances on stoves.

2. Turn in handles of utensils and stoves.

3. Keep knives in racks — and away from children.

4. Wipe up spilled liquids immediately from the floor.

Do you have an old icebox you're using as storage space? How about a discarded refrigerator you've been planning to toss in the dump — but just haven't got around to?

Well, it's a good idea to get rid of such cabinets as soon as they're of no more use as food preserver. They can be killer of children.

Such cabinets, lethal because they're airtight and because their doors can't be opened from the inside, annually "snuff out the lives of about a dozen children."

In 1957, according to the National Safety Council, 14 children — five boys and nine girls — suffocated in airtight cabinets. In 1956, 11 died, and in 1955, 18.

More than 50 million refrigerators, iceboxes, freezers and other similar airtight cabinets are in use today. At a rate of about a million a year they're being carted to junk piles — or, worse yet, kept in the basement or left in discarded cabinets", the Council says, "is an especially needless form of accidental death."

Most states have legislation prohibiting abandoning, discarding or storing the death-dealing devices where they can become coffins for children.

A new federal law requires that all household refrigerators shipped after Nov. 1, 1958, be equipped with an inside release latch.

"Even that," the Council says, "does not insure the safety of children today. It will be many years before the present refrigerators are no longer in use."

Meanwhile, the Council — which, in cooperation with the National Electrical Manufacturers Assn., is conducting a campaign against discarded cabinets — gives these tips on how the cabinets can be made harmless:—

1. Remove the door. Even with the latch removed, many freezer cabinets of the chest type have lids too heavy for a trapped child to lift.

2. Remove latch stops so the door can't lock. This you can do, usually, by removing four screws.

3. Drill holes in the cabinet and remove the rubber gasket around the door.

"Best of all," the Council says, "destroy the box."

"Parents should insure the safety of their children by knowing where the children are playing, by providing safe places for them to play, and by telling them of the dangers of iceboxes and refrigerators."

A good many people who never do anything on time, buy all their things that way.

It's no problem at all to find people who seem to know everything not worth knowing.
